

Experts to Address Farmers Soil Meeting February 26

Fertility the Theme

The annual soil fertility meeting will be held at the Plains Theatre in Lockney, Friday, February 26, beginning at 9:30 a. m. It was announced last week by Bill Mitchell, general chairman of the meeting.

The program of the plans and projects will be worked out by Mr. Mitchell, a local committee of farmers and business men. Mitchell's departure to spend the winter at Athens, Texas, in the experimental laboratory.

The program outlined will present a study of soils, soil building, the use of lemons, commercial fertilizers, farm manure, latest developments in irrigation, and new methods for high plains farmers.

The annual soil building study, which involves itself into a day of demonstration on soil management of farm practices generally, is being conducted by the Burlington Lines, A. M. Robinson Service and local farmers and leaders as a high level irrigated farm management in the high plains area. Attendance generally fills the auditorium of the theatre.

R. C. Mitchell will be the chairman of the morning sessions and P. L. Montandon the afternoon chairman. Both Mitchell and Montandon are dirt farmers.

At high noon those in attendance will be guests of Lockney Chamber of Commerce at a free luncheon.

Opening at 9:30 o'clock, the evening will have a word of welcome from Jess Cox, mayor of Lockney. Following will be a 10-minute talk by A. K. Hepperly, agricultural agent of the Burlington Lines, to be followed by the feature of the morning from Emmett Dignan, vice-president of the United States National Bank, Denver, talking on "what is agriculture's role in America?" Dignan's talk will have a special appeal to all businessmen. He is scheduled to speak from 9:50 to 10:30.

Robert H. Gibson to Report in hour of discussion, based on a report by Duke Dorman on the use of legumes, commercial fertilizers and soil testing. Dorman is agricultural chemist of Texas A. & M. College.

The morning session will close a 20-minute discussion by Robert H. Gibson, former Floyd county agricultural agent, now superintendent of Paymaster Farm at Aiken, on some profitable soil building (See Soil Meeting, back page).

City May Seek Big Bond Issue

Probability that the citizens of Floydada will be called upon to consider the wisdom of a \$300,000 issue of water and sewer revenue bonds in the near future is indicated in the reports that come from a special meeting of the city council Monday night.

From the engineering report was read at this meeting. The council talked with bond dealers who expect to be able to get the city's outstanding water and sewer revenue bonds — \$100,000 — refunded.

The engineers view it the city can spend \$158,000 for water mains, overhead storage, and \$100,000 for sewer disposal plant, sewer line extensions and betterment.

Members of the council are considering this week over the matter.

10 Acres' Cotton and May Suffer Under Procedure

SO office administrator Henry Martin is estimating roughly \$5 per acre of the cotton farms of Floyd county will benefit to the extent from the amendment to the cotton allotment law passed by congress and now being approved as it relates to Texas in the state office at A & C College.

The acreage which was planned to be planted in cotton last year but which was not seeded on account of lack of moisture, is due to sufficient under the 65-40-47 acreage but this "no crop" area estimated to have been not more than 17,000 acres in the county. The city committee has been working this matter, along with other matters which have similar situations. The committee has not been able to get any results as yet so far as the cotton is concerned. However, these matters will benefit from the record, which was made in 1953, when it comes to the cotton in 1954, whether or not it can be remedied this year.

FLOYDADA AND SLATON TIE UP FOR DISTRICT HONORS; SLATON GETS FIRST PLAY OFF GAME

(By Kenneth Rimmer)

Floydada and Slaton were declared co-champions of district 5AA in boys basketball yesterday and officials of the two schools agreed upon a best two out of three playoff to determine which will represent the district in the state playoff.

The first game will be played at Slaton tonight (Thursday) at 8 p. m. The second contest is scheduled for Graves gym in Floydada tomorrow night at 8, and a third contest if it is needed will be at Chapman Fieldhouse in Lubbock Saturday night at the same hour.

Officials for all three games are Tommy Moorehead and L. L. Judd of the South Plains Officials Association and were agreed upon by both schools. Price of admission will remain at the regular figure, 25c for students and 50c for adults.

A large delegation of Floyd county basketball fans are expected to follow the "winds on their road game (or games), and possibly the largest crowd in the history of Graves gym is expected for the Friday night game here.

Arrangements for the playoff were made Wednesday afternoon when Paul Huntington and Preston Watson, Floydada coaches, met with Superintendent Lee Vardy and coach Homer Tompkins of the Slaton schools at Lorenzo. The talks were held in the offices of the superintendent at Lorenzo high school. Slaton won the flip of the coin and chose the first for their home contest.

A sharp rivalry has sprung up between the two schools this season because of the closeness of scores in both football and basketball games, and the best officials in the area were secured for this series of games.

District 5AA wound up its regular schedule of play Tuesday night of this week, but had not produced a district champion in the boys division at that time. Both Floydada and Slaton finished up play with an 8-2 record and are tied for the first place spot. Spur's girls won their 5AA crown with victory over Abernathy that left them undefeated in loop play.

Win Two At Tahoka

Both the boys and girls teams of coach Paul Huntington were victorious at Tahoka Tuesday night, the girls winning 33-32 and the boys came out on top 40-32.

In the girls game the locals were ahead most of the way but with never more than a few points separating the two. Owen Richardson led the Floydada team hitting the hoop for 14 points, Susie Smith made 13 for the losers.

The Whirlwinds had a tussle in conquering the tough Bulldogs (See Cage Play 6ff, back page).

Implement Firm Has New Partner

Mr. and Mrs. L. L. Sawyer of Lamesa have moved to Floydada to make their home.

Mr. Sawyer has bought an interest in Floydada Implement Company with M. S. Robertson, dealer for Massie-Harris implements.

The Sawyers have two sons, Stanley, 17, who is a senior in the Lamesa High school and will finish his school term there, and Gerry, 7, who will attend Andrews Ward school here.

The family are members of the church of Christ.

Club Bringing 'Law West of the Pecos' Here On February 26

"Law West of the Pecos," based on the legends of Judge Roy Bean and his pioneer type of justice, will be presented in Floydada high school auditorium the night of February 26.

Homebuilders home demonstration club will sponsor the play. Mrs. B. A. Robertson, a member of the club committee which made arrangements for the Matador home-talent troupe to fill the date here, saw the play when it was presented in Matador last week. It was just too good not to be sponsored by somebody in Floydada, she said.

At Matador the show was all the rave for two days after it was presented. Mrs. L. M. Wingard of Brownfield compiled and arranged it and Mrs. Glenn Woodruff directs. Joe Berry Meador is perfect in the part of Judge Bean. Jeanne Hines is one of the Jersey Lilly dance hall chorus which entertains Jay Gould, rail tycoon, R. E. Board Readies Plan to Offer Football Fans

Floydada school district's board of trustees are right up to the point of signing a contract for a 1200-seat steel and concrete stand on the east side of Wester field, said A. T. Hull, president of the board yesterday.

What they actually do will be contingent on whether their plans meet with approval of football fans of the area.

They have done some looking and investigating. They have found a plan that suits them at a price they are willing to pay, and a reliable contractor to undertake the job.

At the moment they are waiting to look at a contract which they will be asked to sign. When this turns out satisfactorily they will be ready to go to the public for the support they will have to have.

The board meeting, where they made up their minds, was held Tuesday night in Superintendent Graves' office. All the members of the board except J. P. Moss were present. They were E. M. Collins, Sr., Guy W. Ginn, Aaron Carthel, and R. G. Dunlap, with Hull presiding.

If they do as they plan their first construction will include 1200 seats between the two 30-yard lines. They plan to sell them at a stated price for three years, with option to renew for an additional period. If the response is as good as they hope, the work will start and the added seating capacity in the stadium will be available for use this fall, Hull said.

Present Tennis Courts to City

D. T. Mayo in the name of the city of Floydada accepted the park site tennis courts recently finished between the two 30-yard lines. The courts are in a ceremony Tuesday evening at the Methodist Men's dinner.

Doyle Grundy on behalf of the post presented the courts to the city.

Brac Biggers, local Scout co-ordinator, presented the Methodist men with their Explorer charter for 1954 at the meeting.

Approximately sixty, including 14 Scouts, were present at the meeting, when Paul Cates, Lubbock, was the guest speaker. He was introduced by Jack Bowlin.

C. W. GOUND GRAVELLY ILL

Mr. and Mrs. G. L. Snodgrass are in Weslaco where they are at the bedside of C. W. Gound, a brother of Mrs. Snodgrass, who is gravely ill. Mr. Gound has been sick for some time.

FIREMEN DANCE TONIGHT

Tonight is the date for the firemen's ball, planned by Floydada Fire department as a benefit for the polo fund.

The dance will be held at VFW hall, with Maddox Brothers and Rose furnishing the music.

STERLING L. PRICE

Tuesday night's Chamber of Commerce banquet speaker is a man much in demand in the southwest.

Reverend Sterling Lorenz Price, a native of Oklahoma, was born on November 30, 1912. He is a graduate of the Enid (Oklahoma) School of Business, Oklahoma Baptist University, and was a scholarship student at the Chicago Conservatory of Music. He holds the Master's degree in Sacred Music (1939) and Religious Education (1940) from Southwestern Baptist Theological Seminary in Fort Worth, where he has also started work toward his Ph.D.

At the time of his surrender to the ministry he was head of the music department of Carson-Newman College in Tennessee. He has held the following pastorates: Calvary Baptist Church, Newport News, Virginia, 1941-45; First Baptist Church, Athens, Tennessee, 1945-48; University Baptist Church, Abilene, Texas, July 4, 1948 — present.

Reverend Price is a member of the executive committee of the Southern Baptist Convention. He recently completed two consecutive terms as president of the Texas Baptist Training Union Convention. He is pastor-advisor to the Baptist Student Unions of Texas; a member of the advisory committee to the Baptist World Alliance of Texas; and a member of the Order of Business Committee for the Baptist General Convention of Texas.

In Abilene, Reverend Price is a member of the board of trustees for Hardin-Simmons University and a trustee for Hendrick Memorial hospital. He is a member of the Abilene Chamber of Commerce and is a Kiwanian. Currently, he is serving as president of the College Heights P-TA.

Reverend Price and the former Sara Saunders were married in 1936 and have two sons—James Garfield Price, II, age 10, and Sterling Lorenz Price, Jr., age 8 1/2.

Harmony Blaze Loss Is Heavy

Sunday night between 11:30 and 12 o'clock, telephones in the Harmony community began ringing calling the residents to hasten to their Community Center club house which was afire. A Paymaster driver (a Mr. White of Abernathy was passing the building when he noticed fire near the windows. He stopped but could do nothing alone so hastened to Riley Holmes' home just west of the club house and told of the fire. A large crowd gathered, but too late to salvage any of the furnishings.

Recently the ladies of the club had finished making draperies for all the windows, installed a new stove and built-in cabinets in the kitchen. A new pressure pump and several dozen of folding chairs had recently been purchased. The Center had \$8,000.00 insurance, all on the building now on the contents.

Plans are now being made to rebuild the Center.

Owing to the fire Sunday night which completely destroyed the building to the bare walls, the meeting of the Center will be held at Carr's Chapel church Thursday night (tonight) at 7:30 o'clock. All members are urged to be present.

Brac Biggers, manager of Southwestern Public Service company will show a film, "Dawn to Better Living."

Mrs. Walter Hanna and her committee will have charge of the meeting.

Hollums Succeeds Cagle as Deputy

Walter Hollums has been named deputy sheriff of Floyd county to succeed Harlan Cagle, resigned, and assumed his duties Monday, Sheriff Earl Cooper reported.

Floydada Store Of J. C. Penney Is Re-Modeling

Newest improvement to the downtown business district in Floydada is the remodeling job now underway at the J. C. Penney store on the south side of the square. John Reue, local manager, states the crew of workers are in their third week of re-doing the interior of the establishment, and customers and visitors can already see many of the changes that are being made.

One of the most noticeable features in the new modern arrangement is the addition to the balcony which takes in some 1450 square feet of floor space and will be used as ready to wear departments for toddlers, girls, sub-teens, and ladies. Fixtures in the balcony will include new dressing rooms, alteration room and lay-away room, lighted ready-to-wear panels, two triple mirrors, display tables and racks and cash register and wrapping table.

Fluorescent slim line lighting is being used throughout the store for both overhead lighting and in the display panels and shadow boxes along the walls. Carpeting will be used in the balcony, shoe department and mens clothing department.

On the main floor will be about 50% more serve yourself merchant display displays with many new fixtures and refinishing for all the present fixtures that are to remain in use. Departments on the main floor are for hosiery, lingerie, patterns, womens accessories, notions, womens and childrens furnishings, piece goods, beddings and domestics, drapery, infants wear, mens and boys hats, men and boys clothing, men and boys accessories, men and boys work clothes, luggage and shoes for the family.

Big changes on the main floor are the new display panels, display buffet type wall shelving and shadow boxes all of which have fluorescent strip lighting, the new curtain and drapery department in the display bay beneath the balcony, larger shoe department, and cash register and wrapping stations conveniently located to all departments.

The building will be air conditioned throughout, from dressing rooms to business office.

Two J. C. Penney company men who are spending much time in Floydada in connection with the remodeling program are Gene Carter of the fixtures division of construction and Stapleton of the real estate department. Both are from Dallas.

A portion of the work is being done by Solon Clements, Jr., owner of the building, with the Penney company doing the remainder.

Foster-Patterson Wedding Vows Said Sunday Afternoon

Miss Dorothy Foster, daughter of Mr. and Mrs. Earl Foster of Dougherty and Lyndell Patterson, son of Mr. and Mrs. E. E. Patterson, of Lubbock, were married in a double ring ceremony read Sunday afternoon at 5 o'clock in the home of the bride's parents.

The wedding setting was an archway of white carnations and white candles against a background of greenery, flanked by floor baskets of red gladioluses.

Reverend G. C. Tiner, retired minister, officiated at the ceremony in the presence of immediate families of the bride and groom.

The bride, given in marriage by her father, wore a bluebird blue suit with navy accessories and navy beaded hat. For something old she wore a gold bracelet belonging to her grandmother, Mrs. E. S. Foster. Something new was a pearl necklace, gift of the groom, and something borrowed was the white bible belonging to the mother of the bridegroom. The bride wore the traditional blue tarter and a penny in her shoe for luck.

Miss Doris Foster served her twin sister as maid of honor. She chose for the wedding a navy suit with white accessories with white rose bud corsage.

Ted Waldrip of Lubbock served as best man.

A nephew of the bridegroom, Michael Waldrip of Lubbock, was ring bearer, carrying the ring on a white heart-shaped pillow edged with lace.

Mrs. Ted Waldrip and Miss Frances Foster, sister of the bride, lighted the candles.

For her daughter's wedding Mrs. Foster wore a navy blue suit with black accessories with red rose corsage.

Mrs. Patterson, mother of the bridegroom, wore a suit of gold and black tweed linen with black accessories and gold carnation corsage.

Guests included other than the immediate family, Mr. and Mrs. E. S. Foster and Mr. and Mrs. C. L. Bradford, grand parents of the bride, and an uncle of the bride, C. H. Bradford.

Following the ceremony a reception was held. Wedding cake and punch were served from a lace covered table by Mrs. Earl Foster and Miss Frances Foster. The Valentine theme was used in decorating the table and the heart shape wedding cake.

After a short wedding trip to points in New Mexico, the young couple will make their home in Lubbock, where the bridegroom is employed by Southwestern Bell Telephone Company.

Davis-Bertrand Vows Repeated in Friday Ceremony

Mrs. Helen Davis, daughter of P. P. White of Washington, D. C., and Neal Bertrand, were united in marriage in the home of the bridegroom's parents, Mr. and Mrs. P. F. Bertrand, south of the city, at 8 o'clock on Friday evening, February 12.

Reverend Tilden B. Armstrong, pastor of the First Methodist church, officiated at the double ring ceremony, when the bridal couple stood before a large picture window for the rites.

Mrs. Charles Day, sister of the bride, was the matron of honor. She wore a blue faille afternoon dress with navy accessories and wore an American beauty rose bud corsage. William Bertrand served his brother as best man.

The bride chose for her wedding an afternoon dress of pink faille, with navy accessories and carried a white bible topped with a white gardenia corsage.

Miss Glynell Armstrong, pianist, played the traditional wedding march and accompanied Mrs. Raymond Williams as she sang, "Always."

Immediately following the ceremony a reception was held, with Mrs. William Bertrand, Mrs. Harold Bertrand, sisters-in-law of the bridegroom, and Mrs. Gladys Westfall, of Plainview, sister of the bridegroom, presiding at the bride's table.

A three-tiered wedding cake, beautifully decorated by the bridegroom's mother, was served with punch to approximately sixty relatives and friends of the bridal couple.

The table was laid with lace cloth and centered with an arrangement of pink carnations.

Mrs. Thurman Battey presided at the guest book.

After a short wedding trip, the couple are now at home at 433 West Jackson street, Floydada.

Mrs. Bertrand is secretary at the extension Service office.

Mr. Bertrand is engaged in farming east of Floydada.

Wesley Girls Have Luncheon Meeting

The Wesley Girls class of the First Methodist church enjoyed a Valentine covered dish luncheon in fellowship hall of the church Wednesday of last week, with Mrs. W. O. Tye, Mrs. W. E. Grimes, Mrs. R. B. Calhoun and Mrs. J. B. Turner as hostesses.

The Valentine theme was carried out in decorations, and a large red heart-shaped box held Valentines, from which each member drew a Valentine.

Mrs. Charles B. Smith gave the devotional and Mrs. Billy Stanforth, Jr., gave a reading on a father's promise to his new born son.

Visitors at the meeting were Rev. and Mrs. Tilden B. Armstrong and son, Keith and Mmes. A. M. Dorsey, A. L. Sparks, Roy Hollar and M. S. Stanforth.

Members present were Mmes. H. L. Hafferty, S. J. Latta, J. G. Wood, Ed Johnson, W. H. Henderson, C. E. Bartlett, Lon Blasingsame, E. J. Barker, L. Clark, Jr., D. T. Mayo, D. W. Burke, also Mmes. C. J. Parr, H. C. Love, Chas. B. Smith, D. S. Battey, S. E. Thurman, Scott King, G. L. Bryant, E. S. Randerson, O. R. May, Lillie Henry, W. H. Bethel, G. C. Bailey and Mrs. Ethel Sawyer.

Mrs. Lorin Liebfried, teacher of the class was also present.

Study Club Meets With Mrs. Decker

Mrs. Lane Decker was hostess to the 1950 Study club in her home at 614 S. Third street on Tuesday night. The president, Mrs. Gene Collins, Jr., called the meeting to order and presided over the business meeting.

Reports were given by the Style Show committees about the coming spring style show to be held March 29, Monday night, at the high school auditorium.

Mrs. W. H. Simpson, Jr., gave a program on cowboy songs. Conley Bradford, a guest singer, sang "Daddy's Little Cowboy," "Back in the Saddle Again," and "Beulah, the Heifer." The program was enjoyed by the club members.

A delicious refreshment of strawberry shortcake with ice cream and coffee or tea was served to the following:

Mesdames Jimmy Price, Hollis McLain, Tom Snead, Gene Probasco, Jim Simpson, Lyndell Roberts, James Wester, Arthur Womack, Jr., Brac Biggers, Bob Copeland, David Kirk, Gene Collins, Jr., Bill Greer, Claude Weathersbee, Jack Kassahn, Ham Smith, Jr., Edward Wester, Jack Coffman, Maurice Steen, George Mize, Watson Jones, W. H. Simpson, Jr., and guests, Mr. and Mrs. Floyd Bradford and son, Conley, and the hostess, Mrs. Decker.

The next club meeting will be a joint meeting with the other study clubs. Each member will bring a guest. The date is March 4 at the First Christian church.

BRIDGE CLUB MEETS

Mrs. Kelly Hagood was hostess to her bridge club last Friday afternoon at 2:15 o'clock. Prizes were won by Mrs. George Mize and Mrs. Lewis Lloyd.

Refreshments of cherry chiffon pie and coffee were served to Mesdames Lyndell Roberts, Fred Martin, George Mize, Maurice Steen, Layne Decker; guests, Mrs. Brac Biggers and Mrs. Lewis Lloyd and the hostess.

Newest Home Organ Has Chord Buttons

Today's emphasis on "do-it-yourself" activities is an old story to families who have been doing things around the house for years, but there's one thing even these busy men and women so skilful with tools and paintbrush have not thought they could tackle. That is, playing an organ. But, thanks to electronic "bits," that's easy, too.

People who can only whistle "Turkey In The Straw" become "talented musicians" at the new electronic organ, without practice, and without being able to read music. You simply plug in the Chord organ, and with two fingers, play beautiful music. One finger plays the melody, and one finger on a button produces lovely organ chords. Anyone can play a song that's good to listen to in less than half an hour.

This new little electronic organ with a button arrangement for chords will give you more personal satisfaction than all the things you ever built, and all the jolly and devious you ever made. Step in and play it next time you pass your music store.

Pastors Helpers In Meeting With Mrs. W. R. Johnke

Mrs. W. R. Johnke was hostess to members of the Pastors Helpers class of the First Methodist church last Thursday in the home of her daughter, Mrs. John Reue. A covered dish luncheon was enjoyed and in the afternoon a business meeting was held with the president, Mrs. Addie Thagard in charge.

Mrs. Ella Johnson gave the devotional reading, from Psalms and also read a beautiful poem.

Mrs. D. D. Shipley at the piano accompanied the group as they sang, "I am Thine, O Lord." Mrs. O. B. Olson read the minutes of the last two meetings and Mrs. Lula Slaughter, treasurer, read the treasurers report.

Guests at the meeting were Mr. and Mrs. John Reue and Rev. and Mrs. Tilden B. Armstrong, Mmes. W. H. Hilton, Eula Thurman, Ella Johnson.

Members present were Mesdames Will Snell, W. E. Walker, Lula Slaughter, Lillie Henry, P. M. Felton, J. E. Laughlin, O. B. Olson, Mrs. D. D. Shipley, Mrs. Addie Thagard and Mrs. J. J. McKinney.

Carol Ann Hall, 3, Given Birthday Party on Saturday

Little Miss Carol Ann Hall was three years old on February 12, and her mother, Mrs. T. G. Hall, honored her with a birthday party on Saturday, February 13 at their home on west California street.

Games were played and birthday cake and ice cream was served to the little friends. Tiny baskets and bubble gum were plate favors.

The beautiful cake was baked and iced by Mrs. Felt Patterson for Carol Ann.

Friends invited to the party were Jill Bertrand, Kitty Frances Lloyd, Steve and Mike Simpson, Mark Goen, Sandra and Johnnie Stapleton, Steve and Larry Ferguson and Jo Anne and Juanita Stewart.

Carol Ann's big brother, Tommy, assisted in the entertaining of the guests, along with his mother and Miss Wren Patterson.

Mothers present were Mrs. Bud Goen, Mrs. W. H. Simpson, Jr., Mrs. Leon Ferguson, Mrs. L. B. Stewart, Jr., Mrs. Orville Newberry, Mrs. Wm. P. Bertrand.

Mrs. Bob Vickers Shower Honoree

Mrs. Bob Vickers, nee Melba Franks, was the honoree at a lovely bridal shower in the home of Mrs. Gus Loyd, 325 W. Olive street, February 9. Mrs. Bill Ross registered the guests in the bride's book.

The honoree was assisted in opening the gifts by her mother, Mrs. Fleeta Franks of Lubbock, and her mother-in-law, Mrs. Vickers. The hostesses' gift was a beautiful rose laffeta bed spread.

Refreshments of assorted cookies, milk chocolate and coffee were served from a table laid with lace and attractive with white tapers, Bavarian china and silver.

There were twenty guests present. Hostesses were Mesdames Bobby Loyd, Ro. Jones, Stan Goen, Judy Ward, Jack Ross and Mrs. Bill Norris.

This is a slot machine out Nevada way with this sign on it: "If an atom bomb drops, stand near this machine. The jackpot hasn't been hit yet."

Valentine Party For Club Husbands

Mr. and Mrs. Billy Brown were hosts to friends last Wednesday night when Mrs. Brown's afternoon bridge club entertained their husbands with a Valentine party.

The club members and their guests met at the Hotel Coffee shop at 7 o'clock for a fried chicken supper. From there the group went to the Brown home for bridge. The party was held in the beautiful basement playroom.

Prizes were awarded to Billy Stanforth, Jr., Mrs. Ham Smith, Jr., and Mr. and Mrs. Maurice Steen.

The evening was enjoyed by Messrs. and Mesdames Brac Biggers, Hollis McLain, Jack Coffman, Maurice Steen, Billy Stanforth, Jr., Leonard Matiser, Ham Smith, Jr., Lon Davis, Jr., Doyle Walls, Edell Moore and Mr. and Mrs. Brown.

MCLAINS ARE BRIDGE HOSTS

Mr. and Mrs. Hollis McLain were hosts to their bridge club Friday night at 7:30 o'clock. Prizes were won by Mr. and Mrs. Bob Copeland and Mr. and Mrs. Gene Collins, Jr.

Refreshments of heart shaped cherry tarts topped with whipped cream and coffee were served to the following: Messrs. and Mesdames John Buchanan, Gene Collins, Jr., Bob Copeland, Tom Snead; guests, Mr. and Mrs. John Hollins and Mr. and Mrs. Billy Brown, and the hosts.

Dishwashing, though still a chore, has certainly got a face-lifting in the past quarter century. We go to talking about this at our house over a sinkful of week-end pots and pans.

The spouse, being a man, got his early impressions of the horrors of dirty dishes from an overworked mama who wasn't very strong in the first place. The "feel" of a messy kitchen is a childhood memory of depression.

Our own childhood memory of clean-up-the-kitchen hours is lighter, but still one of dread. We had a good-sized family and dozens of kinsfolk who lived "in the country" and came in to town to school. We had many family dinners, many "drop-in" guests at meal time. Our social life centered around the big dining table. Without servants, that meant somebody spent a bunch of time over a dishpan. The "girls" usually spelled Mama, who was the cook, at this chore.

Nowadays, we concluded as we looked back at those days of dish-water drudgery, cleaning up the kitchen is a comparative snap. First off, we've got better soaps. If we have brittle nails that split easily, we can wear rubber gloves. We have piped-in hot water and double sinks — a far cry from the old system of a dishpan on a hot stove — or one with a red-hot bottom from sitting over a gas flame. We have, at the turn of an electric knob, music, soap opera or news, to keep our mood light as we work. And best of all, we have really pretty kitchen equipment that looks bright and clean when we've finished our task.

We'd be the last to suggest even today that dishwashing is fun. But we'd like to give a rousing cheer for the plumbers, architects, engineers and chemists who have made a modern Cinderella of the American housewife.

Homebuilders Vote To Present Play

Mrs. E. G. Norrell, president of Homebuilders club, was hostess to the club in her home on Friday with 13 members, one new member, and three visitors present.

The club members voted to sponsor the presentation of a play, "Law West of the Pecos," on Friday, February 26 at the high school auditorium.

Recommendations and club goals were read by each committee chairman and were adopted by the club.

Mrs. Howard Gregory gave a demonstration on cleaning upholstery, and Mrs. Floyd Fuqua gave a demonstration on cleaning wool rugs.

The next meeting of the club will be with Mrs. Floyd as hostess on March 1, at 2 o'clock.

Mrs. J. W. Walker, new member, Mrs. L. G. Norrell, Mrs. M. G. Jettison and Mrs. J. B. Turner were visitors.

Members present were Mmes. W. R. Daniel, T. J. Heard, B. A. Robertson, Howard Gregory, D. T. Mayo and Mrs. H. W. Roberts.

Patient Is Moved To Home Hospital

T. K. Martin, of Lubbock, who lost his right leg in an accident in the Santa Fe yards here February 6, was removed to West Texas hospital in Lubbock last week from Peoples hospital here.

In the employ of the Santa Fe for 28 years, Mr. Martin had been on the Floydada run for only four weeks when he lost his leg. His foot got caught between rails while his crew was working a train in the switch yard. The oncoming engine severed the leg about six inches below the hip.

Mrs. Ora Gough of Los Angeles, California, visited last week with her sister, Mrs. Elbert Parks and Mr. Parks and in Lorenzo with her father and brother, J. B. Chastain and H. E. Chastain and family. Mrs. Gough is a former resident of Floydada.

News of Home Demonstration Club Adult Leaders Plan Programs For 4-H Clubs

Adult leaders from 4-H clubs met in the Extension office kitchen Thursday morning for a planning meeting. Seven leaders, representing seven different girls' 4-H clubs, were present.

Miss Leila Petty, County Home Demonstration Agent, was in charge of the meeting. Programs in girls' clubs, projects, records and other activities were discussed. Special activities such as the Stock Show March 10-11; District Camp at Lubbock, June 1-2-3; 4-H Round-up at College Station, June 8-9-10; County Dress Revue, August 17, were noted.

Plans were made to attend a Style Show at Lubbock on Saturday morning, February 20. Lubbock County 4-H club girls will model dresses from the Simplicity Pattern Company. The commentator will be the pattern company's stylist from New York who will also train the girls in modeling. The style show will be at the Precinct I club house on the Slide road.

Mrs. G. W. Smith was elected chairman of the 4-H leaders committee and will be a member of the Floyd County Home Demonstration Council.

Attending the meeting were Miss Petty, Mmes. Smith of Dougherty; Henry Holman, Lockney, Monroe Schulz, Harmony, Warner Johnson, Lakesview; Fred Jackson, Sand Hill; Grigsby, Milton, South Plains; Ernest Kendrick, Sunnyside (for Floydada 6th Grade 4-H club).

Name Committee On C-C Banquet

At the Harmony Home Demonstration club meeting in the community center, a special committee was named by Mrs. Alene Tucker concerning the serving of the Chamber of Commerce banquet.

Each member was asked to help. Mrs. Aldine Williams was hostess. Roll call was answered with things that would be done now.

Recommendations of the committees were brought before the club.

Mrs. J. R. Turner gave a demonstration on care of rugs and upholstery.

Nineteen women were present for the meeting with one visitor, Mrs. Boggs.

The next meeting will be February 25.

Mrs. Mable Miles who has been in Peabody, Kansas, for the past two weeks because of the serious illness of her brother, sent word Tuesday of his death. He was an uncle of Mrs. W. W. Trapp.

Mrs. J. C. Newsum spent week-end in Amarillo with the Winfred Newsum and family. Newsum was the guest of Mrs. Johnny at the annual Lubbock Boy Scout banquet.

Mrs. W. L. Morris and Mrs. W. D. Standford of Lubbock attended the Gus Stearns in Matador Monday afternoon.

South Plains News
(by Mrs. M. M. Julian)

SOUTH PLAINS, February 15 — Church Activities
There were 190 in church and Sunday school on Sunday morning, the largest attendance for many months, except in revival. Rev. Spearman was in the pulpit, after an absence of two weeks back at McKinney, where he was called by the death of his father, B. I. Jackson, from Lubbock, was visiting here; Mr. and Mrs. F. E. Moore, from Twin Falls, Idaho; Floyd Jackson, from Floydada and Mr. and Mrs. Dalton Thompson and children, were among those present. The young married couples class with their good representation helped make the wonderful attendance record.

WILSON LEARNING AIR CRAFT SKILLS
Pvt. W. Wilson, son of Mr. and Mrs. W. Wilson, Route 3, Floydada, is remaining in the Antiaircraft Replacement Training Center at Ft. Bliss, Texas, for his eight-week cycle of basic training.

POPE IS TRAINING REPLACEMENT CENTER
Pvt. W. Pope, Lockney, Texas, and Mrs. C. T. Pope, Lockney, Texas, recently began basic training in the Draft Artillery Replacement Center at Ft. Bliss, Texas. Completion of the first week cycle, Pvt. Pope will be assigned for further training in the techniques of draft artillery, or he will be assigned to another training school in some other unit.

CRAIG IS SERVING AREA WITH 3RD DIVISION
Pvt. W. Craig, 22, son of Mr. and Mrs. W. S. Spearman and children, and Messrs. and Mrs. Rex Smitherman and Kelly, Phillip Smitherman, Dalton Thom-

pson and children, Sterling Cummings and children, Sylvian Kin-brough and children, J. B. Thames and children, Dick Guest, H. S. Calahan, Jr., and girls and Floyd Jackson of Floydada.

Mr. and Mrs. O'Dell Mulder and daughter from Albuquerque, New Mexico, visited the past week-end with his brother, Mr. and Mrs. Arby Mulder and children here. Their plans are to move here this month, while O'Dell is a building contractor. They had planned to move here earlier, however his commitments have kept him over there.

Mr. and Mrs. Early Joiner were supper guests on Monday evening of this week at the home of Mr. and Mrs. Murray Julian. Early came home last week end from Rye, Colorado, for a few days visit with his family.

Cub Scouts On TV
The Cub Scouts of South Plains, and den mothers, Mrs. I. H. Parks and Mrs. Owen Thornton, took their troop to Lubbock last Thursday afternoon where they appeared on a short skit in television. Gary Wilson sang, assisted by the other scouts.

This was Boy Scout week and various activities have been going on all week with different troops being seen on television.

Those who went to Lubbock were Jimmie Pritchett, Johnny Calahan, Dennis Deavenport, Bruce Julian, Gary Wilson, Eddie Parks, Don Thornton and Nathan Mulder. Larry Smitherman accompanied the scouts. Parents present were the den mothers, and Mrs. Bryant Higginbotham, Mr. and Mrs. Murray Julian.

Also present were Mr. and Mrs. John Wilson and Sae who appeared on a later program in a song accompanied by her father on the guitar. The children were seen on channel 13, KDUB-TV in Lubbock.

Mr. and Mrs. Grigsby Milton, Donita and Barbara Sue, left on Saturday for Amarillo, where they went to spend Valentine day week-end with his mother, Mrs. Milton and Linnie. They returned home on Sunday in time for services.

Among those from our community who attended the singing held in Floydada at the Nazarene church last Sunday afternoon were Mr. and Mrs. Otho Sanders, Mr. and Mrs. Frank McClure and Mr. and Mrs. B. A. Howell from S. E. Rye.

Mr. and Mrs. J. K. West took Dale to the doctor in Lubbock on Tuesday of this past week to make tests. We are sorry to report that little Dale has rheumatic fever, and will have to be in bed for some time. He probably will not get to attend school any more this term.

All of you remember to visit him often and bring things to cheer him. It is very hard for a small boy who is not very ill to stay quiet in bed.

The South Plains spring revival at the Baptist church will begin on March 28, and go through April 4th this spring. Rev. George Stewart of Prairie church near Childress, will preach during the revival. H. G. Havens of Fort Worth will bring the messages in song during this period.

Mr. and Mrs. Early Pritchett and children are enjoying her parents, Mr. and Mrs. F. M. Moore from Twin Falls, Idaho, who are visiting with them at this time. They had spent a few weeks in Miami, Florida, and are enroute home.

Mr. and Mrs. Don McClure and Donna visited their parents, Mr. and Mrs. Frank McClure on Friday night, coming from Crosbyton. Mr. and Mrs. Otho Sanders also visited in the McClure home on Friday evening.

Mrs. L. T. Wood, president of the South Plains Home Demonstration club left with Miss Leila Petty for a week at Athens, Texas, where they will have a weeks study of recreation schooling and other studies. They plan to be home next Sunday.

Mr. and Mrs. Sim Reeves went to Plainview after church on Sunday afternoon to visit with Mrs. Robert Reeves and to see their grandson, Kerry Sim.

Mr. and Mrs. Kenneth Bean spent several days of the past week in Fort Worth, returning to their home on Saturday.

Mrs. Truman Bradshaw is home now from the hospital in Lubbock. She is recuperating nicely although she is still very weak.

Mrs. Mary Jones, Home Economics teacher at Silverton, her parents, Mr. and Mrs. Jim Watson, and Mrs. Una Barson, all of Silverton, were Sunday afternoon visitors at the home of Mr. and Mrs. Dock Jones in South Plains. We are sorry to say that Frankie Dee is not any better at this time. Last Sunday he encountered some poison ivy plants down in the canyon, and he has suffered considerably with rash all over his body and especially in his mouth.

Mrs. Wilson Is Hostess
Mrs. John Wilson was hostess at a Stanley party at her home on Tuesday morning, February 16, at 9:30.

Mrs. W. H. McClung of Floydada entertained the party with games and other diversions, and the products of Stanley were shown, and orders taken.

Mrs. Wilson served hot chocolate and coffee with cake slices to the following ladies, Meses Frank McClure, Otho Sanders, Sylvian Kin-brough, J. K. West, Kenneth Bean, Fred Fortenberry, Albert Stewart, Grigsby Milton, Bill Beedy, George West and Mrs. W. H. McClung.

Rev. and Mrs. James J. Futch and children were hosts at Sunday dinner at the parsonage in Aiken to Mr. and Mrs. Fred Fortenberry of this community.

The Cub Scouts met on Monday afternoon at the school house and since the pack has grown so large, it was divided into two dens. Mrs. Lloyd Deavenport is in charge of number 1 den, which will consist of Gary Wilson, Bruce Julian, Jimmie Pritchett, Dennis Deavenport and Nathan Mulder. In den number 2, Mrs. I. H. Parks will have as her scouts, Dwight Teepie, Bud Higginbotham, Johnny Calahan, Eddie Parks and Don Scott Thornton.

Mr. and Mrs. Frank McClure visited in the home of old friends, Mr. and Mrs. Lewis Harber and Sandra in Barwise, Tuesday evening. They enjoyed supper and an evening of TV.

Birthday Party For Daughter
Mr. and Mrs. H. S. Calahan, Jr. entertained at a birthday party on Saturday afternoon, February 13 at three, for a group of pre-school children, in honor of their daughter, Diane, 4, and Cathy, 3. The small girls enjoyed opening their gifts, and especially enjoyed the birthday cakes, which Mrs. Calahan served with ice cream. Those who were in attendance at the birthday party for the small girls were Mrs. J. B. Thames, Joe Rex, Mike and Marianne, Mrs. Ernest Huckabee, Judy and Jerry, Mrs. Sterling Cummings, Kim and Dee Earle, Mrs. Rex Smitherman and Kelly, Mrs. L. N. Johnson and Carlton, Mrs. Dock Jones and Bobby, Mrs. Owen Thornton and Kathy, Mrs. Kendall Cummings, Glenda Kay, Kelvin, and Mary Zecha, Mrs. Billy Bean, Ann, Butch and Gilbert Lee, and Mrs. Eulan Bradshaw, and sons, Tommy and David.

Mr. and Mrs. Murray Julian, Kendis and Bruce will go to Lubbock on Tuesday evening of this week to see the Hardin-Simmons, Texas Tech basketball game. They will get to visit a little with their son, Terry, who attends Hardin-Simmons, and who will be at the game with his freshmen basketball boys, who are called, Buttons.

Mr. and Mrs. Frank McClure went to Quitaque on Thursday to visit an aunt, Mrs. Jim Bradley and husband, T. J. McClure, of Crosbyton, father of Frank, accompanied them to Quitaque. He had been visiting in the Frank McClure home.

Club Meeting at Mrs. J. P. Taylor
The South Plains Home Demonstration club met on Wednesday, February 10, at the home of Mrs. J. P. Taylor, with Mrs. Bryant Higginbotham as co-hostess.

Mrs. L. T. Wood presided at the meeting. Roll call was answered with the giving of my favorite home remedy. Many good hints were given, such as lotion for chapped hands, and a poultice for any infection.

During the business meeting, Mrs. John Smitherman was elected as nominee to district THDA meeting. Committees were chosen to plan ways to renew the treasury.

Mrs. Walter Wood gave an amusing reading about the "Musings of Grandpa" A Health Problem, a play enacted by Mmes. John Smitherman, Murray Julian, Horace Marble and George West was given. Mrs. Hollar, county librarian, furnished health material about cancer, showing the symptoms and how important it is to watch for them, and go often for a check up at the doctor. A film on this subject will be shown soon at the club.

Celebrating birthdays this month are Mrs. L. T. Wood, Mrs. Horace Marble and Mrs. Bryant Higginbotham, and Mrs. Taylor surprised them with a beautiful Valentine birthday cake.

Refreshments consisting of sandwiches, cookies, cake and coffee were served the following members, and one new member, Mrs. Leighton Teepie, was added to the club.

Those present and served by the hostesses were Meses John Wilson, George West, John K. West, Walter Wood, L. T. Wood, A. L. Stegert, Ernest Smitherman, Grigsby Milton, Arby Mulder, Murray Julian, Bill Beedy, Owen Thornton, Shelby Calahan, Paul Snodgrass, Leighton Teepie and visitor, Mrs. Philip Smitherman.

The next club meeting will be at the home of Mrs. I. H. Parks on March 10. Bring bulbs or seeds to exchange.

Senator Andy Rogers and wife of Childress visited in the home of Mr. and Mrs. Tom Deen Monday afternoon. Senator Rogers was on his way to fill a speaking engagement in Petersburg Monday night.

Mr. and Mrs. Virgil Boteler of Lovington, New Mexico, were week-end visitors in the home of Mr. and Mrs. V. H. Boteler. Also visiting in the Boteler home for the past week were Mrs. Harold Krause of Plains, Kansas. Mrs. Krause is the former Betty Boteler. She returned to her home Monday.

Bill Tanner and children, Kathy, of Grand Island, Nebraska, were week-end visitors in Floydada.

Group Meeting Scheduled For Thurs., March 4

How do you rate your community? Will be the subject for discussion at the first meeting of the Adult Education group, sponsored by the Andrews Ward P.T.A., to be held on Thursday evening, March 4, from 8 until 9, at the library reading room. (Grand Jury room).

Olin Watson, Jr., will give a brief talk on community development.

This group, open to both men and women, will count off into smaller groups, sit around tables in an informal manner and discuss the subject at hand in brief "buzz sessions." After a short time, the groups will re-assemble and compare notes and ideas related to the subject.

This is the first of a series of six meetings. Everyone interested in community development, and the preservation of Democratic ideals in America, is invited to attend. It is understood that this is not to be a permanent organization. There are no fees, no dues, no pre-arranged obligations and no obligations other than ones willingness to attend, share and discuss ideas with others.

Those who attend will have the opportunity to help choose from a wide list of subjects for discussion. Materials, books, pamphlets, and films are available through the county library, furnished by the American Library Association free of charge. Materials will be ordered in advance of the next scheduled meeting.

This community education is not limited to the immediate area around Floydada, but is intended to extend to all surrounding communities within the area.

The purpose of these meetings is to help parents become better informed, become aware of their responsibilities as citizens in a democracy, and to gain a willingness to apply their own thinking in playing better communities.

Special committee named by the P-TA to arrange for the Adult Education group meetings is composed of Mrs. G. E. Mayo, Mrs. John Kimble, and Mrs. Roy Hollar.

the first time this season, but came through in the end to down the Lynn County boys by an eight point margin. Floydada got off to an early lead that at times was as much as nine points, but on each occasion the Bulldogs fought back to narrow the margin. Midway in the final stanza they tied the score and then before the Winds could gain control of the situation.

Jerry Bob Harrison led in the scoring, hitting 14 points for the Bulldogs.

Seeing action in the contest were Bob Ashton, Jerry Bob Harrison, Gordon Joiner, Don Barber, Jackie Jarrett, Craston Ogden, and George Chapman.

Friday Night Results

It was a long trip home last Friday night for the many local fans and their teams and coaches who went to Slaton for a round of games with the Tigers.

The Floydada girls brought home the only victory for the night. The boys B team were downed by the tough Tigers and the Whirlwind A team was smacked over by the boys in the striped shirts.

The officials, and I use the term loosely, proved to the crowd that they knew how to blow a whistle in calling some 67 fouls in the girls game, but when it came time for the boys to play they turned their whistle blowing talents on and off as they saw fit and allowed only as much ball playing and extra activities as suited their individual tastes.

The score as entered in the record books was 55 to 51 favoring the Slaton team, but neither the team nor the fans came away with the feeling that they had been defeated by the Slaton boys, though they had a hustling ball club, but believed they were the victims of some of the poorest officiating they had ever witnessed.

The last three minutes of the game the Winds could not get possession of the ball long enough to score a field goal which was counted, having traveling called each time they gained possession. One shot by Don Barber would have given Floydada a one point lead with less than two minutes to play but was nullified by the "officials."

As time ran out the Winds came out to contest the stalling Tigers for possession of the ball only to find the "officials" very alert at this point and the Tigers sunk three of the four charity tosses to gain their four-point victory.

Scoring honors in the game went to Bob Ashton who sank 21 points for the Winds, Tommy Shearer hit for 14 and Harold Troutt 13 for the winners.

The B squad score was 65 to 48 favoring Slaton. The Floydada girls won their contest 90 to 41.

to promote a balanced community growth. Agriculture, retail trade, city improvement, tourist needs, industry and new business. Community chest, are some of the many-headed activities which will mark the year's program.

The program for the year was ready-made for the directors by the 190 members of the organization in a series of meetings where ideas were advanced and selected by groups. These were then taken and integrated into a whole. Here are some of the plans for the year:

Sponsor annual 4-H and FFA Junior Livestock Show.

Develop program in cooperation with Floyd County farmers and ginners to encourage use of cotton burs as fertilizer. This will also eliminate smoke condition in city.

Stress the importance of water conservation.

Sponsor annual Floyd County Farm Tour.

Support the Floyd County Fair.

Retail Trade: Strengthen "First Monday-Dollar Day" and other sales events.

practices for Floyd county. Gibson is charged with the actual farming operations at Paymaster, the maintenance of soil fertility and high productivity of the farm lands. His talk will be based on experiences of the past farming season.

At the afternoon session the audience will hear from Bill Porter, the Terrell, Texas, farmer, on whose father's place the first experiments were made that resulted in the adoption of Extension Service work.

R. V. Thurmon, irrigation specialist, will talk on the latest developments and methods of irrigation. Thurmon is stationed at Lubbock and is in touch with all the new ideas developed throughout the area.

What all plains farmers are looking for, now that the cotton allotment program is imminent for 1954, are new crops with which to make use of the acres taken out of cotton production. The meeting will end on this note, with A. W. Young, head of the agronomy department, Texas Technological College, the speaker.

The meeting will adjourn at 3 o'clock p.m.

A DISCERNING YOUNGSTER

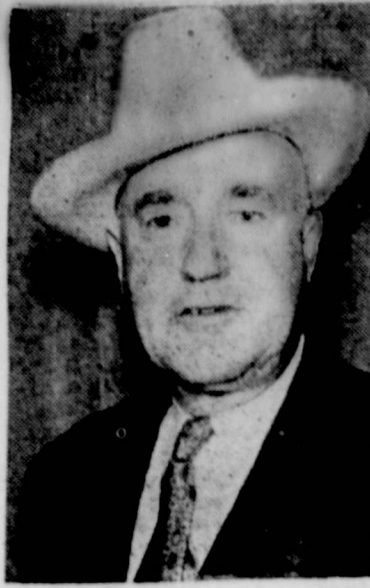

Teacher — "What is the difference between caution and cowardice?"

Small Boy — "Caution is when you're afraid, and cowardice is when the other fellow is afraid."

THE LAST WORD

Father — "Son, when Abraham Lincoln was your age he was making his own living."

Son — "Yes, Dad, and when he was your age he was President."

EMMETT DIGAN — Denver banker will address Floyd county irrigation farmers at Lockney Friday of next week.

NOT A BAD IDEA

A Sunday school teacher had been giving her class a talk on behavior, and what had to be done in order to go to Heaven. When she had finished, she asked one of the boys, "Horace, what must we do before we can expect forgiveness of God?"

Horace squirmed, scratched his head, and finally replied, "We gotta sin?"

SHE WANTED TO PRAISE HIM

The doctor came out of the sick room and gravely said to the wife, "I am afraid your husband will never be able to work again."

Dabbling at her tears, the wife replied, "Oh, let me tell him, Doctor, I know it will cheer him up."

Will Organize Heart Campaign

Judge Ralph C. Johnston this week reported that preparations are being made to make a campaign for the Texas Heart fund as quickly as possible.

The campaign, scheduled to continue through February, will be presented widely, he said.

However, those who are not contacted may aid the fund by leaving their contributions to it with Mr. Johnston or with Chas. Bedford, who has been selected as treasurer in Floyd county.

No "goal" or "quota" has been set for the county, but liberal and substantial contributions will be sought, the chairman said.

Lighthouse Open House Date Mar. 2

Melvin Henry, manager of Lighthouse Electric Cooperative, announced this week that plans are being laid now for the open house at their newly-completed headquarters home to be held on March 2, Texas Independence day.

A \$50,000 re-finishing and interior re-arranging job on their strikingly excellent building at the corner of Fifth and California was finished two weeks ago, to completely modernize the building and convert it into convenient quarters for the organization.

The work was started in the fall of 1953, S. R. Duncan was contractor. Invitations are going out to the

cooperative's 3,000 members in five counties and the general public also is being extended an invitation to view the new quarters on March 2.

AN AGILE OLD GIRL

An old lady fell down the stairs and broke her leg. The doctor put it in a cast and warned her not to walk up or down the stairs. The leg was slow to heal, but finally, after three months, the doctor announced that it was time to remove the cast.

"Can I climb the stairs now?" asked the old lady. "Yes," replied the doctor. "Oh, I'm so glad," she said. "I'm sick of climbing up and down the drain pipe all the time."

HOW WOULD SHE KNOW? "Adultery," thundered the list, "as bad as murder that so, Sister Johnson?"

"Ah don't rightly know," replied Sister Johnson, "never killed nobody."

Stewart, Jr., Ethel Louise Anderson Friday

Ethel Louise Henderson, of town, became the bride of L. Stewart, Jr., of Austin, son of Stewart, Austin and wife of the late W. I. Cannaday of the late W. I. Cannaday of town in a formal wedding ceremony Friday evening in the Baptist church in Georgetown. The bride was accompanied by the pastor of the church, officiating. The bridesmaids were Miss Joyce Ann Henderson, and Margaret Arline Morrison, who were flower girls. The bridegroom was attended by the bridesmaid, Miss Joyce Ann Henderson, and the bridesmaid, Margaret Arline Morrison, as best man. The bride and groom were both beautifully gowned in formal white satin wedding dresses with chapel length trains with finger tip veil of illusion. She carried a white bible with shower bouquet of white orchids. Following the wedding ceremony, a reception was held at the home of the bride's father, with the bride's couple, their attendants and the bride's aunt, Mrs. Eula Williams, Dallas, and the bridegroom's mother, Mrs. Foy Stewart, Austin, forming the receiving line. After a wedding trip, the couple will make their home in Odessa. The bride attended Southwestern University and until recently was employed as teller in the Fidelity State bank in Austin. Prior to going to Austin, Mrs. Stewart was assistant cashier at the Farmers State bank in Georgetown. The groom, son of Mrs. Foy Stewart, is a graduate of Wichita Falls high school, Hardin junior college and Texas A. & M. college. He has been employed as teller in the note and collection department of the Fidelity State Bank in Austin until recently he accepted a position of assistant bank examiner with the Texas State banking department. The rehearsal dinner was given Thursday evening in Austin with Mrs. Stewart, mother of the bridegroom and his two sisters and husbands, Mr. and Mrs. T. A. Norman and Mr. and Mrs. W. T. Morgan, as hosts. Attending the wedding from Floydada, were Mrs. W. I. Cannaday, grandmother of the bridegroom, Mrs. L. J. Welborn, aunt of the bridegroom, and Miss Ann Welborn, cousin of the bridegroom, who is a student at Baylor University Waco. Mrs. Gordan Gray and son, Jimmy of San Diego, California, arrived Saturday to spend a month with her parents, Mr. and Mrs. J. E. Roy and sister, Mrs. Harold Huggins and family. Mrs. Gray is the former Imogene Roy.

Mildred Jo Clark, Truman Dunavant Take Vows Sunday

Miss Mildred Jo Clark and Truman Dunavant were married in a quiet and impressive ceremony in the home of the bride's parents, Mr. and Mrs. A. B. Clark, on Sunday morning at 8 o'clock. Frank Poyner, Lubbock church of Christ minister, officiated at the double ring rites in the presence of the immediate families of the couple. The wedding vows were repeated of red glads flanked are arch. Hearts and entwined with greenery and white carnations. Floor baskets of white glads flanked the arch. The bride was given in marriage by her brother-in-law, E. L. Norman, Jr., of Levelland. Her dress was of white faille, street length, made with bodice, styled with an inserted yoke of net, accented with blue velvet ribbon and blue velvet flowers at the neck. With the dress, she wore accessories of blue and carried a white bible topped with an orchid. Miss Donice Reeves played the traditional wedding march "Through the Years" and "Always." She played "Wedding Prayer" as the couple repeated their vows. Mrs. E. L. Norman, Jr., attended her sister as matron-of-honor. Mrs. Norman wore a pink linen dress with black accessories and corsage of white carnations. Melvin Dunavant of San Antonio served his brother as best man. Reception Follows Ceremony A reception immediately followed the ceremony. Miss Mary Helen Bounds, of Abilene, and Mrs. Elton Goen served the wedding cake and punch from the bride's table which was laid with a white linen cloth. The centerpiece was of red hearts and an arrangement of red and white carnations. The bride is a graduate of the Floydada high school, having received her degree in mid-January. She was active in school activities having been editor of the high school annual, "The Whirlwind." The bridegroom graduated with the class of 1933 of Floydada high school and was vice-president of the Floydada FFA chapter. The couple will be at home near Floydada where the bridegroom is engaged in farming, after a wedding trip.

TODAY'S TELEPHONE TIP

by Emily Post

A correspondent complains: "A few people I know are careless about hanging up the receiver after finishing a telephone conversation. Don't they realize that slamming the receiver down makes an unpleasant noise in the other telephone?"

Slamming the receiver is as discourteous as slamming the door. Always hang up gently as a parting, thoughtful gesture. And when you hang up be careful to replace the receiver securely in its proper place. A receiver off the hook means that no calls can get through to your telephone.

THE FLOYD COUNTY HESPERIAN

Published by the Hesperian Publishing Co., Inc., at 212 South Main St., Floydada, Texas. HOMER STEEN, Editor
THURSDAY, FEBRUARY 18, 1954

Established 1896 by Claude V. Hall, Jr. Entered as second class mail at the post office at Floydada, Texas, April 19, 1901, under the act of Congress of March 3, 1879.

VIEWS AND COMMENT

Action at Chidress last week, when county judges of the area got together and made plans to get the plight of their people, plagued by four years of drouth, before the nation's chief executive, will win applause from thoughtful persons throughout the area. Floyd county would have had official representation at the meeting except for illness. Many a farm in Floyd county is in the area that has hit it rough for three years. Anywhere in west Texas where there is no irrigation has found the going rugged. There seems no doubt the chief executive has the authority to meet the emergency. People who work with their hands need direct relief, those who have farms to continue operating or lose, need credit beyond the ability of banks and ordinary lending agencies to meet. It is a desperate situation, not a theory. The judges plan to work through the state executive department to get the ear of president Eisenhower. In Republican Pennsylvania, West Virginia, Idaho, Montana, and around, aid is already being received. Which would seem to indicate the judges will have to politic with Republican state leader Jack Porter before they get the job done, so the grand old party can take credit. But the conditions are such that they'll have to swallow their pride and "go through channels" if need be. Hunger and need can't be choosers.

Reasons For Prosperity. People who have dried out the past three years have a stake in the continued prosperity of the rest of the country. If you do not raise a crop you have a depression of your own regardless of what may occur to others. But your business condition can be a lot different if business elsewhere is good, so that other people's troubles do not compound your own. This brings us to the hope that the current claim that prosperity for the nation for the year of 1954 is not a vain one. The fact that the president and other men high in government and business are taking every opportunity to preach against pessimism, however, is a bit on the scary side, especially when you do not hear the claim echoed from farmers and small business men. But we can hope the country's business has been bulwarked by high savings and that the predictions are founded on good reason. In addition to high volume of savings four favorable factors are pointed out by one group which sees prosperity ahead. They are comparatively "easy money", lower taxes, continued heavy spending by government and vigorous action by business. This group, the US Savings and Loan League, says no sharp business decline is in sight.

The Official Figures. Last week we used some figures on the cotton crop official ginning reports, seasons of 1952 and 1953. We have before us the official, which may be slightly different to those given. You can paste this one in your billfold if you want to. It is what the Bureau of the Census has put down as official figures: For 1952, bales ginned 94,374; for 1953, bales ginned 94,273. None of the ginning figures are exact for the pro-

duction in this or any other county nearby. A bale of cotton that needs ginning does not bother about county boundary lines. It is known that several thousand bales of cotton left Floyd county to be ginned elsewhere for one reason or another. Also several thousand bales of cotton were ginned by Floyd county plants that were produced in other counties. We have been inclined to think that considerably more bales left the county than came in. However, one rather careful observer is responsible for the estimate that the incoming and out-going bales about offset each other.

Weather Still Contrary. Floyd county and high plains weather is still contrary. Monday night Old May Dry whipped one of the best "signs" old-timers have seen in many a day. It was a bright moon on Friday night with a clear, powerful halo or band. It had to rain within three nights. It did. But only a light shower that whipped across the country and left a light covering of water, together with frost and ice that formed after the clearing and before dawn. As indicated, the weather is still contrary.

Opportunity to Learn. Sometimes it isn't so much what a speaker says as what he reminds you of in our own experience that you can better. This is said with the soil fertility meeting in mind due to be staged at Lockney Friday of next week. If you are in the irrigated farming business somebody at this meeting will tell you something that may make you more money than you'd make staying away, unless you definitely have something else you have to do that day.

Step It Up.—At a time when many communities are stepping down their campaigns for telling the world, for providing recreational and cultural entertainment and broadening the long-range outlook for a better-rounded, more livable community—now is the time for Floydada to study its advantages and its shortcomings, to step up its campaign for betterments. When it appears easy to quit is exactly the right time not to quit.

Peach and plum trees need and can utilize large quantities of nitrogen during the early season . . . February to April . . . but heavy applications later may cause excessive terminal growth, increased framework suckering and delayed fruit ripening.

Highway deaths are continuing at a rate of almost 40,000 a year and the second millionth fatality is expected to be reached by 1976 . . . just half the time it took to reach the first million. It's the responsibility of every citizen to slow down this slaughter and slowing down speed will help.

To add to the serviceable life of electrical appliance cords, keep them free from kinks, kinks or sharp bends which may break the fine wires. Store in a cool, dry and clean place. Remove the cord from the outlet by pulling on the plug instead of the wire.

Rivers, Usually Dry in Motley, Start Flowing

(Motley County News)

Motley county's "usually dry" rivers are flowing. Nature observers are pleasantly mystified at the unusual flow of water in streams which have a normal function of carrying off excessive rainfall. During "wet years" the streams, most of which flow eastward out of the Cap Rock foothills, will flow for extended periods.

During dry periods, however, the streams are usually ribbons of dry sand. Early-day residents say the streams formerly flowed more than in recent years. Tongue River which receives the water from Roaring Springs was reported 30 days ago as flowing an unusual amount west of the springs. South and Middle Pease rivers have been observed as flowing more than at any time in recent years. Ballard creek which heads west of the Matador Ranch headquarters, and considered a dry creek, is reported as flowing under the US Highway 70 bridge about one mile east of town.

The mystery of the flow of water is intensified by the general assumption that water in this area is received from the vast sands beneath the Plains. With the wide development of irrigation on the Plains many observers believed the water levels below the Cap Rock would be lowered.

PFC and Mrs. Dallas Kinard and baby, of Fort Hood, are here to visit Mr. Kinard's parents, Mr. and Mrs. D. J. Kinard and Mrs. J. D. Eaves and Mr. Eaves, Mrs. Kinard's mother.

Attendance Marks New High at City Park On Sunday

Contract has been let to replace plain glass windows in the auditorium and building with stained glass windows at City Park church of Christ, Gordon Downing, minister, announced Monday.

Work began on the installation of the new windows Monday.

Attendance at all services is growing. Sunday February 14, the largest attendance in the history of the congregation, was present at the church, said Mr. Downing.

The following elders have been selected at the church and began work last week: C. W. Giesecke, Jr., A. D. Fultz and Mal Jarboe.

Deacons recently selected were Sam Baker, J. T. Myrick, Jr., Jody Jameson and R. C. Pollan.

Mr. and Mrs. Morris Howard and family, of Midland, spent Sunday as guests of Mr. and Mrs. Gordon Downing. Mr. Howard is assistant city manager of Midland.

Mr. and Mrs. Gordon Downing attended the Abilene Christian College Lectureship in Abilene the first part of the week.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber-and-metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

The "old" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal Ford's ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford . . . whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines . . . sparkling new colors . . . and harmonizing upholstery fabrics and trim.

Writer Recalls Early Problems; Massey New One

Forty-two years ago stock ran at large in Floydada streets and were destructive to whatever was brought down in wagons or buggies. They were as prowling as some city dogs today. Waggoners came to town and pairs and took turns watching at they brought in and what was left to carry out. Those animals were quite tactful and could lift their horns or teeth. They were destructive and provoked by words and hard feelings. It

became necessary to make laws that traders could be protected. Range stock were put in pastures and milk cows and work stock were penned or staked for the best interest of man and beast. When the change was once made, losses were soon forgotten and friendships renewed.

Later homes were crowded near each other, gardening and nice yards were the pride of many homes. Chickens and pigs became our daily problem. Door neighbors flew at each other and the law was resorted to for years. So the pigs and chickens were ordered into pens so each home could maintain home interests.

More homes crowded our town and much grain could be had and hogs fed at a good profit. Because of existing odors and exposure to many sicknesses and maladies, the hogs were ordered out of our town. Many followed orders reluctantly. Some sat back in the harness and had to be persuaded to let go while a few had to be forced to give up their hogs.

Now since each home is free from former worries and destruction and better health and happiness is ours the year round, who would willingly go back and live it over again and risk as we once risked.

But there are other changes that need to be worked out so that each home could protect the profits and home prides necessary to a better town to live in. Every dog owner needs place himself in the shoes of others that are hard trying to beautify homes, raise gardens, have nice porches and clean walks. It is the instinct of a dog to hunt for comfort and a cool moist place in summer and a dry warm place in winter.

Nice yards, beautiful flower beds and growing vegetables are where they race for on hot days and can wreck months of labor in five minutes by scratching out holes, wallowing down beauty and profit that took months to prepare for and grow. The dog follows his instinct and deserves no abuse but what about his owner? The cry is heard all over town "It's no use trying to grow things for just as sure as they are watered, I lose all by a bunch of dogs scratching up and wallowing down."

Dogs make a home for some families, nice yards, beautiful flowers, clean porches and walks make home for others. Then the question to ask is which is needed most or are both a necessity? Without question, both claims will be made. Then how can both exist and harmony and justice be meted out?

You say that is easy done! Well, let's have your plan and hear its operation.

We have tried taxing the dogs but that doesn't change his nature nor keep him at home. Less than 1/2 the town dogs are worth the cost of a collar and the tag, so he goes where he likes for it costs money and grief and friends to go according to orders when dogs have to be killed. A need is staring us in the face. If you have a remedy, out with it.

I am a remedy hunter.

FHS Variety Show Thursday Night

The Student Council-sponsored variety show, presented at Floydada high school auditorium Thursday night, was well attended and enjoyed by an estimated 300 persons.

The show was directed by Donald Smith, senior class president. It consisted of instrumental numbers, vocal solos, monologues, variety acts and a farce.

Guest entertainers were Diane Alyson and Joe Reidheimer of Lockney, who did tap dancing and Barbara Belding of Crosbyton, who played accordion numbers.

Wayne Robison, of Radio station KPLD was the master of ceremonies.

The Blue Notes, Boys bass quartet and the girls trio, all of the Floydada high school were featured at the show.

Ann Deakins is student council president and George Chapman is the vice-president.

Floyd County 14 Years Ago

(Taken from the files of The Hesperian, issue dated February 22, 1940.)

Swept by one of the worst blizzards in years last Friday and Saturday, the plains area was storm-bound for more than three days as drifted snow blocked all highways and railroads in this section, stranding hundreds of travelers and virtually halting all communications.

Snowfall was estimated by six to seven inches in this area. Whipped by a 40-mile-an-hour gale, the heavy snow was blown in deep drifts across roads and highways, and hundreds of travelers, caught unaware by the suddenness of the storm were forced to leave their cars and seek refuge in farm homes along their route.

Many freakish occurrences marked the storm. Typical of the troubles of the man with a milk cow in a little cow shed was Duncan Hollums who dug his cow out of the shed Monday morning by removing the wall and dragging her off an 8-foot pile of snow. She had rubbed all the hide off her back on the rafters of the shed roof.

Agriculture experts from College station and the Triple A administration will be "on the spot" when Floyd county farmers and merchants get together Friday night at Fellowship hall of the First Christian church for the First Farmer-Business men's banquet. A. H. Kreis will be master of ceremonies.

RANCHMEN STILL NEED HAY

The Texas Drouth Relief hay program has had a curious result.

Out in West Texas, stockmen desperately in need of hay for their livestock have been shipping it in from as far away as Idaho and California. Yet farmers in some parts of East Texas have a burdensome supply of hay in their barns.

Until recently, drouth area ranchmen did not have to consider the shipping cost when they made hay purchases. They could buy grasses outside the state and have the shipping cost refunded to them through a cooperative agreement between the railroad, the federal government and the state of Texas. This

was a desperately needed emergency measure to get hay to stricken livestock.

Now, funds for this program are extremely low. The hay buyer must carry a part of the shipping expense. As a result, it is hoped he will buy the hay from Texas growers.

Most of the money used in the hay relief program was furnished by the federal government. Because of this fact, there was no legal way that hay purchases could be restricted to within state supplies. In many respects, this was an unfortunate situation.

Since the farmer with hungry cattle did not have to consider freight rates, he naturally looked

for good hay at the lowest purchase price. Many of them found conditions more favorable outside of Texas. Others did not take the time to locate nearby supplies but took what was offered from other states.

In order to encourage the purchase of Texas hay, the State Department of Agriculture has, at its own expense, endeavored to locate available state hay. This information, along with price quotations, has been forwarded constantly to county drouth committees, to feed dealers and to individual farmers. Any farmer with an over supply of hay or who knows of hay available for sale should send the information to the State Department of Agriculture in Austin. There is still a good market for this hay in the drouth area.

Lost Item
On Saturday, February 6, two red hats with fur trim were exchanged at Story hour. One of them has been returned to the library. We think it likely that the exchange has passed unnoticed by the other little girl.

Story hour had a total of 31 people this past Saturday, Mrs. R. C.

Henry was sponsor for 1929 Study club. Dorothy Holmes and Betty Martin told the stories and supervised the games. Dwina Beth and Nita Karen Scott were here for the first time. "The Little Duck Song" and "Come follow Me to London" remain the first choices when popular games are played.

Gifts of books have reached us from Miss Mary McPherson, Mrs. Charlie Smith and Miss Joan Huckabay.

Quiz of the Week for school people:
The book chosen for this week's question is a general favorite with folks who like horse books. Some questions and facts that will help you place the book are:

He was sometimes called "The first slave boy of the Sultan's groom."

Sham was the name of the colt he loved.

What countries did the boy visit? To whom were the six fine horses sent?

Why did Agba want camel's milk and honey? Wesley Dennis made the illustrations for this book.

We hope you find the book if you do not find it in a week some one in the library will tell you the name of the book.

Shorthand and Typists Record High Averages

Ann Deakins, outstanding business student in Floydada high school, recently passed shorthand dictation at 80 words a minute with 95 percent accuracy. The time was for five minutes duration. Transcription of shorthand notes is made on the typewriter.

Ann also passed a competent typist test recently, typing 60 words a minute with only one error. She had received two certificates for both short hand and typing and a gold pin for making the shorthand test.

Ann won first at district in typing last year, first at regional typing and fifth at the state contest at Austin.

Beuna Holmes Leads Typists

Beuna Holmes is still leading the typing classes at the Floydada high school this year on ten-minute speed tests. She is the first person to make the typing honor roll. In order to get on the honor roll, a typist must type at a speed of 30 words a minute with not more than five errors for 10 minutes.

Other students who have been added to the list of honor students are Johnny Warren with a score of 41 words with five errors; Bill Walker with a score of 32 words with two errors; Ginger Tinnin with 39 words and five errors.

Woman's Philosophy
By Dorothy Evelyn Begg
I see my neighbor's house;
I see the night
I see snow-bound pasture
I see neighbor's light!
I see that within my neighbor's
I see a wealth of love and
I see my Father's love;
I see my neighbor's
I see my neighbor's

mother kept there was a big black
Home Comfort range with all its
shiny nickel trim. But in many a
home there was only a small iron
stove on four fat legs, with a not
too big oven, but usually with four
caps. I can see grandmother Jones
and Aunt Mirt getting a dinner, say
in the hot summer. Company was
there, pretty Mary Beal and others
from the Three h Ranch. And
grandchildren everywhere. Grand-
mother and Grandfather had four
children about my own age, Eli,
Felix, Nettie and Omega. Uncle Tom
Franklin was also there, playing
dominoes on the round pie-crust
edge table. The older boys came in
with arms loaded down with roast-
in-ears, which they had ready. Aunt
Mirt and grandmother had wrung
off the heads and dressed three
young roosters, which were simmer-
ing in the big black pot, getting
ready for the snow-white tender
dumplings.

Aunt Mirt cut off the white grain
of corn and I watched the milk of
the corn splatter on her rosy face.
She put the corn with plenty of
yellow mesquite grass-made butter,
whole milk salt and pepper and
slipped the big black pan in the
partially hot oven, taking out the
big pans of buttermilk cornbread.
A huge peach cobbler sat on the
cook table fairly oozing sweet
goodness under its crunchy crust.
Every now and then the oven door
was opened and a wondrous odor
came temptingly out. A front cap
was cooking with a hunk of bacon. Okra
was boiled and buttered, onion, to-
matos and peppers made a beau-
tiful dish with cucumbers sliced in
rings.

I did not want to be in the way
but I just could not tear out and
play with all this cooking going on.
I did not know it then, but I know
now I was getting valuable infor-
mation in the art of cooking from
some master hands. I put the red
and white checked tablecloth on the
table. The smaller children had
polished the case knives and forks
by slipping them up and down in
the sand, the seldom used fringed
napkins were carefully placed and
the dinner was ready to "dish up."
Buttermilk biscuits were browning.
The men were washing their hands
outside the door where a bucket
of water and a washpan and towel
had been placed.

Grandma got out the big platter
and the creamy corn with its
browned top was on the table. The
beans, the other vegetables took

their place. A deep bowl held the
chicken and dumplings, glass bowls
held spicy peach pickles. Nettie
and I went to the milk house near
the windmill for the milk and but-
ter. We brought in a gallon jar of
fresh buttermilk, a round of butter
with a sheaf of wheat carefully
stamped on top, and a gallon of
sweet milk.

Grandpa had taken his seat at
the end, the grownups and guests
were being seated on the two long
benches at the sides that Aunt Mirt
had covered with folded quilts.
Grandpa bowed his head, the others
followed suit. His deep loud voice
boomed out in the quietness as he
began his thanks, then it died a-
way almost to a whisper as he fin-
ished and raised his head. Then the
children ran away to play to make
the children run away to play to make
the time pass faster, but one always
had to stay taking turns to sway the
poplar limb to shoo away the flies.

Or I turn to a day when the
ground was frozen and covered
with snow. Grandma had to melt
the ice from the water to make it
ready for the coffee pot and black
iron teakettle, which I liked to
watch when it boiled, its little black
lid jumping up and down and its
black snout of a nose always ready
to pour out the steamy water.

Big thick steaks fried in tallow on
the stove, the caps off to let the
iron skillet down near the burning
red hot mesquite wood. Water gravy
would be made when the steak was
done, brown, and thick with flour,
peppered and salted and plenty for
all.

As in the summer a cobbler was
ready, or fried peach or apple pies,
crimped round the edge and browned
to a turn, were piled high on a
plate. Potatoes were served with
red gravy as we called it. Maybe
grandma had cooked some dried
peaches and a dish of dried corn.
Red jelly of canyon plums, purple
of canyon grapes, chow-chow. How
they had worked the preceding
summer!

Aunt Mirt would put lots of flower
in the mixing bowl, hollow out the
center and pour in a big batch of
candy years from the gallon jar
that held the sourdough yeast. She
added pinches of salt and pinches
of soda and a hunk of lard, squeezed
it and kneaded it and then made it
out into big biscuits with her hands,
all the same size and all as round
as a cup. She turned each one over
in the melted lard in the deep
skillet or pan, stirred up the fire
with a long iron poker, put in more
mesquite wood and presto! Nothing

Student Council Sets School Weeks

For a series of spring activities to
be sponsored by the Student Coun-
cil at Floydada high school three
dates have been set by the commit-
tees from the council.

March 8-13 will be "Twirp Week,"

NEW CHEVROLET TRUCKS FOR '54

Completely new—the most powerful, finest performing, best-
looking Advance-Design trucks ever built! And you can have
new automatic transmission* on 1/2-, 3/4- and 1-ton models!

New 1954 Chevrolet trucks offer you the last word in no-shift truck driving ease. You can make door-to-door deliveries... drive in heavy traffic or on the open highway without shifting gears or operating a clutch. Fact is, there is no clutch.

A new truck Hydra-Matic transmission* does the work for you—smoothly, silently, economically. You can keep your hands on the wheel and your eyes on the road. As a result, you drive more relaxed, more easily, more safely.

This proved automatic transmission is available not only on 1/2- and 3/4-ton Chevrolet Advance-Design trucks, but on 1-ton models, too!

You'll find many, many other big new benefits in the new Chevrolet trucks for '54. Plan to stop in soon and let us give you all the facts.

They're packed with brand-new advantages you need—

NEW ENGINE POWER. You get more power—and the right power for your job, plus new operating economy with three advanced valve-in-head engines. Bigger, brawnier "Thrifty-master 235" engine. Rugged, durable "Loadmaster 235" engine. Mighty all-new "Jobmaster 261" engine.*

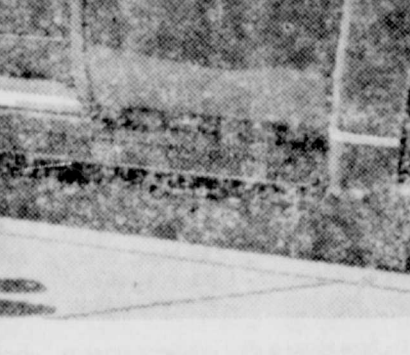

NEW COMFORTMASTER CAB. The big new one-piece curved windshield provides greater visibility. The new instrument panel is easier to read and the controls easier to reach. New Ride Control Seat* offers extra comfort for drivers. Seat cushion and back move as a unit to eliminate back-rubbing.

NEW, BIGGER LOAD SPACE. New pickup bodies have deeper sides... new stake bodies are wider and longer to give you extra load space. In addition, they're set lower to the ground for easier loading and unloading.

NEW CHASSIS RUGGEDNESS. Extra strength and stamina! Heavier axle shafts on 2-ton models... newly designed clutches and stronger, more rigid frames on all models.

NEW ADVANCE-DESIGN STYLING. Handsome new styling reflects new power and ruggedness. New front-end design is more massive and sturdy in appearance. New parking lights are positioned to indicate the full width of the truck.

*Optional at extra cost. Ride Control Seat is available on all cab models. "Jobmaster 261" engine on 2-ton models. Rear corner windows on standard cab optional at extra cost.

Just to prove how little it costs to run this tractor for 6 months. **WE'LL BUY Half Your Fuel Ourselves**

Yes, you read it right: Trade in your old tractor on a new Oliver Diesel wheel tractor, and we'll pay half your new tractor's fuel bill for 6 months straight. We mean any 6 months' work on your farm, even your six heaviest work months, for the longest hours you want to work. Just bring in your fuel bills to show what you spent, and we'll give you a check for half.

Why we're making this offer: We figure if we offer to pay half your fuel, you'll keep track of your costs. That's all we want: for you to see how low they'll be. You'll find that you're burning only 6 gallons of fuel where your gasoline tractor burned 10—and buying your diesel fuel for a who's lot less! We're betting you'll say you'd never go back to gasoline. Especially when you find that your upkeep is as low as your fuel cost. Your Oliver Diesel has the simplest engine ever put in a farm tractor—no carburetor, no plugs, fewer moving parts—very easy to keep in top working order.

no starting engine, no starting fuel. Oliver Diesels start and run on diesel fuel. They give you instant starts even in freezing weather. They withstand a longer lay-up than any spark ignition tractor. Best of all, Oliver makes a diesel in any size you want—two-plow, three-plow, four-plow—whatever size you're paying for a diesel, why not have one? That's what users say: with the high fuel cost of a gasoline tractor, you're paying for a diesel whether you have one or not. That's why farmers by the thousands are going over to low-cost diesel power. You will yourself sooner or later. Why not buy your diesel now, start your savings now, while this special offer still holds.

CENTER, February 16 — We are having a typical West Texas spring day today — a rising temperature and dust storm. But the day doesn't get off to bad for the men not to take off to the church to continue the work of finishing and beautifying the inside. The women believe the men are enjoying it.

Mrs. J. R. Robertson left Friday by bus for a visit with children in Houston and vicinity. She was met at Wichita Falls by her son and wife, Mr. and Mrs. Bobby Robertson of Fort Sill, Oklahoma. They all made the rest of the trip to Houston together.

Bro. and Mrs. Hodges and Jerry were Sunday dinner guests in the Robertson home.

Mrs. Frizzell, who was ill last week, was able to be in church Sunday.

Mr. and Mrs. Leo Frizzell were Sunday dinner guests of Mr. Frizzell's sister and family, the Elmer Warrens of Dougherty. Other dinner guests were Mr. and Mrs. Herbert Meredith. All attended night services at Dougherty Baptist church where Johnny Lynn Warren preached.

Dub Hartline visited Bill Baker Sunday.

Mrs. Hartline and June and Mrs. Green called in the Morris home Sunday afternoon.

Mr. and Mrs. Woody Morris and baby visited Sunday in the home of his parents.

Don Clark Green spent the week end with home folks, the J. E. Greens. All went to Plainview Saturday afternoon and visited with Mr. and Mrs. Victor Green and baby, Jimmy. Jimmy was celebrat-

ed us Sunday. Ray is with Equity Elevators whose headquarters office is in Perryton.

Mr. and Mrs. Wiley Rogers and Cecilia spent the week-end in Lubbock with their daughter and sister, Mrs. A. K. Fair and her family.

Wayne Collins — "Sure" was a short rain Monday night.

Attended a planning meeting in Clovis last Tuesday at the Farmers' Electric Cooperative.

Ate supper with the Hartzog family on our way home from Clovis. They live near Farwell on the farm. The children attend school in Bovina. They all asked that we remember them to all their Floyd county friends. Mr. Hartzog was county agent for Floyd county several years.

There will be a rural development conference held in Lubbock February 18-19 at the agricultural engineering auditorium at Texas Tech. for county agricultural and home agents, government agencies, homemaking and vocational agriculture departments, manufacturers and distributors of electric equipment, farm products processors, and others interested in rural development.

The purpose of this meeting is to coordinate the efforts of the electric cooperatives with other interested groups toward adequate electric service for rural development.

A demonstration was given for the Mt. Blanco Home Demonstration club last Thursday afternoon at the home of Mrs. C. A. McClure.

VISIT DAUGHTER AT NORFOLK

Mr. and Mrs. C. L. Berry returned home Sunday night from a ten-day visit with their daughter, Mrs. Tubal Cain, Mr. Cain and baby in Norfolk, Virginia.

The trip was made in perfect weather, no rain, cold or wind.

This was the first trip to Norfolk since 1918 for Mr. Berry. He worked in the naval yards at that time. "The changes were amazing," said Mr. Berry.

why you should grow **NORTHERN STAR COTTON**
READ THEM!

1. An improved stormproof cotton that stays in the burr, with premium staple. Ideal for stripping.
2. Northern Star is one of the highest varieties in lint yield per acre of any cotton grown as yet in the State Experiment Station and Farmer Variety tests over the U. S. Cotton Belt.
3. It is one of the quickest maturing varieties grown. In many places Northern Star is the Cotton Planted and the First Harvested. If any cotton makes a crop, Northern Star will.
4. All of our seed are the results of one pedigree high yielding line, which has consistently produced more lint per acre than many selections tested against it.
5. We supply you with seed which have been grown on good land, cultivated carefully, harvested mature, ginned on our own gins, cured properly, cleaned, tested, sacked, and stored according to the best methods known in the scientific seed breeding business to maintain quality planted. Every precaution is taken to insure perfect germination.
6. Due to the wide differences in planting practices we have provided for you either fuzzy, linted, or gas delinted Northern Star planting seed.
7. Northern Star Cotton plants have a strong main stem, deep root system, close jointed branches, light foliage and produce good bolls from 65 to 75 weighing one pound.
8. Northern Star Cotton makes a staple which measures from 1 inch to 1-1/16 inch under average fall conditions and longer where irrigation is practiced or humid conditions prevail. Its strength averages from 85,000 to 95,000 pounds per square inch of cellulose. Strong fibers are essential for good spinning and weaving value.
9. Northern Star Cotton turns out from 38 per cent to 40 per cent at the gin when picked and 25 per cent to 30 per cent where pulled or snapped.
10. Northern Star Cotton is a very popular variety where hand picking or spindle type machines are used and has given outstanding results where stripping is practiced. There is a fluff to the fiber for the spindles to catch and remove the seed cotton clean from the burr. Hand snapping and stripping is in use the boll stalks break easily, making harvesting more easy.
11. Its hard staple cleans well in ginning, giving you a good grade.
12. All of our seed are grown under the supervision of the State Seed and Plant Board and Registered acreage is of all the same strain of elite seed.

Why some combines cost \$150 a year more than others

A \$3,000 combine, left outside year 'round, depreciates \$150 a year faster than one kept in a shed when not working. In 10 years, this loss would equal half the cost of the machine.

A recent university survey showed that the average farm machine lasts twice as long when properly stored. Can you afford to let the weather eat away your machinery investment?

In less than a day you can put up the entire framing for a 40'x60' Rilco machine shed. The glued laminated wood rafters are four times as strong as nailed construction—and they need no posts or braces, so every square foot of a Rilco machine shed is usable space.

"Exterior," marked on every rafter, means the wood is permanently bonded with waterproof resinolign glue.

See us soon and let us tell you how economically you can build a Rilco machine shed.

All material for this Rilco machine shed will cost only about a dollar a square foot, and will pay for itself in a few years by cutting machinery depreciation.
