Foreign Visitors See Shurbet Farm at Allmon

The Marvin Shurbets were perfect hosts to the 29 foreigners who viewed their farm in Allmon, Floyd county, last Thursday. Left, the smiling host, changed shoes to boots within the hour to carry on with his farming operations. Top right, Mrs. Shurbet is assisted by a neighbor, Mrs. Bill Holliday, in serving refreshments to foreign and other guests. Below, Ollie Limer is lecturing the visitors at the Shurbet barn where their 4-H sons, Mack and Mike, have calves and pigs as projects. Only visiting woman in the crowd is seen toward the right. She is Miss Isabel Giampietro of the Foreign Operations Administration, Washington, D. C.

Floydada Minister Has Masters Degree From Hardin-Simmons U.

Gordon L. Downing, minister of the City Park church of Christ in Floydada, was one of 163 graduates of the Hardin-Simmons University who received degrees at commencement Monday night in Abilene. The exercises were held at the Abilene First Baptist church auditorium at 8 o'clock, with Dr. Evan A. Reiff, H-SU president, officiating. Speaker for the commencement was Dr. H. M. Paswell, executive coordinator of the Christian Education Commission of the Baptist General Convention of Texas.

GORDON L. DOWNING

Members of his family made the trip to Abilene to be present for the ceremonies. Downing was unable to attend the baccalaureate held Sunday night, due to his duties at his home church here. Mr. Downing was one of 25 candidates for masters degrees. He completed his residence work at H-SU in 1950, but only this summer finished his comprehensive studies and did his thesis. His thesis was a comparative study of religious work among college students of different religious groups of the southwestern United States. The Floydada minister was reared at Breckenridge where he finished his high school work in 1932. After completing high school he worked for Lone Star Gas Company as a chemist from 1935 until 1946, when he decided to go to school again. He was graduated from Abilene Christian college with honors in 1949. He came to Floydada as minister of the City Park church in March of last year from Eliasville. He married Beatrice Minchew of Breckenridge. They have two children—Carolyn who will be a senior in Floydada this year, and Ronnie who enters high school with the freshman class. Carolyn played basketball with the high school team last year. She was elected editor of the school newspaper, The Whirl, for the school year beginning next week.

Fair Directors Hear Progress Reports on Floyd County Fair

Plans for the Floyd County Fair continued to shape up this week when in a meeting at the Chamber of Commerce office on Thursday the fair's 15-member board of directors heard reports on recent progress. E. L. Turner, chairman of the board, presided at the meeting.

Fair manager K. W. Cook stated that the fair premium catalogue is now available to the public and copies could be picked up at the county agriculture agent's office, the home demonstration agent's office, and the Floydada chamber of commerce in Floydada, and at convenient locations in Lockney.

Bill Norman, chairman of the entertainment committee, told the board that the Maverick club tumbling team of Amarillo would appear at the fair on September 17.

Radio station KFLL will broadcast most of their scheduled programs from the fair grounds during the three day event.

Norman also pointed out that "Kid's Day" will be Thursday, September 16, when prices on all carnival rides will be reduced until six P. M.

Hill's Greater Shows with sixteen rides and fifty concessions will play the midway.

H. B. Johnson, president of the Floydada Roping Club, has indicated that his organization will sponsor a roping and riding during the afternoons of September 17 and 18.

Jake Watson and Pat Stansell are continuing their contacts with Floyd county business firms this week and filling the available commercial space with exhibits. Prices for exhibit space are \$1.00 per foot for

outside space and \$2.00 per foot for space under the tents. Two tents, thirty by sixty feet and thirty by ninety feet, will be erected on the fair grounds to house the women's division, art, homemaking, flower show, community, agriculture, crafts and commercial exhibits. The livestock show will be housed in the show barn. No admission will be charged to the fair grounds. Two booster trips to publicize the fair were planned at Thursday's meeting. They are set for September 10 and 11 and will cover towns and communities surrounding Floyd county.

Lions Club Would Decorate The City For County Fair

Floydada Lions club has adopted the decoration of the city for the Floyd County Fair as their project of the month according to Lions president E. A. Williams.

Club members will begin their contacts with local business firms tomorrow to determine the number of flags and other decorations needed to dress up the community for the September fair. Announced prices for the rent of the flag decorations are \$6.00 and up for 25 feet store fronts. The flags will go up around September 6 and remain through September 18.

Profits from the decorating project will go into the Lions club's community activities fund.

Big Vote, Fast Count Saturday Is Forecast

The slugging match in the Texas gubernatorial contest between incumbent Allan Shivers and challenger Ralph W. Yarborough had begun to have political overtones in Floyd county this week as campaigners and their supporters in local contests were warming their pot into a semi-boil.

The governor candidates have continued their thundering campaigns and have projected speaking dates, radio and TV programs and appearances right up to Friday night, only hours before the voters begin to write the verdict Saturday morning. More and more personalities high in state political ranks also were taking part in their campaign. Saturday's voting will give the franchise holders' answer to the most tempestuous state race since the days of Jim Ferguson and Tom Ball.

Overlooked in the early days of second primary campaign in this county have been the races for county judge, tax assessor-collector and commissioner of Precinct No. 1. The candidates themselves worked hard enough but only in the last week have political lines among their supporters become apparent.

Today through Saturday morning will see marked activity in these races, especially in the judge and commissioner contest.

For judge G. C. Tubbs and W. E. Grimes, both former incumbents, are running for the place now held by appointment by Ralph C. Johnston. There was a near dead heat in the first primary, with Tubbs a two-vote leader 1398 to 1396. Five write-

The polls open Saturday at 8 o'clock in every one of the 21 voting precincts of the county. No change has been made in the voting places nor in the presiding officers. The polls will close at 7 o'clock p. m.

In votes threw the race into a run-off, since neither candidate had a majority of the votes cast.

The county committee's decision, 13 to 3, that a run-off would be necessary was in line with ruling of the state supreme court made August 11 in a similar situation in another county of the state.

In that county, El Paso, one commissioner candidate got 1726 votes another 1723 votes. There were five write-ins.

The supreme court held that a run-off must be held, neither of the candidates having received a majority of the votes cast.

There remains no doubt of the correctness of the positions taken by the county committee, although at the time it was viewed by some as having political significance. This resulted in the issuance of a statement by the county Democratic chairman declaring the decision was made "only after careful consideration of the law," which left the committee no alternative.

Other local candidates are for tax assessor-collector of the county and for Commissioner of Precinct No. 1.

T. T. Hamilton, incumbent, is seeking re-election and C. C. Huckabee is asking for the place of assessor-collector.

For commissioner J. K. Holmes, incumbent, and C. O. (Charlie) Spence are squared away in the run-off.

Senators Are Heard In the governor contest at least four senators have taken an active part in the campaign in Floyd and adjacent counties. Saturday morning Senator Andy Rodgers of this district, together with Senator Corbin of the Lubbock district, and Senator Wagonseller of the Bowie district were on radio station KFLL for a half hour strongly urging the defeat of Allan Shivers.

On the opposite side of the political fence was Senator Harley Sadler, of Abilene, in two recorded speeches this week in which he lauded the governor and urged his re-election. Sadler is the pioneer tent showman widely known over the west part of the state.

Fifth Sunday Sand Hill Re-Union Date

Probability of a big attendance at the Sand Hill community re-union at McKenzie State Park next Sunday is indicated this week. Holding the re-union on the fifth Sunday will disrupt community church life the least possible.

Residents of Sand Hill, past and present are being invited to join in the event. Lunch will be spread at 1 o'clock.

177 Absentees Cast Ballots

A surge in the number of applications this week brought a total of 177 absentee ballots for the special election board to handle Saturday. This is 19 short of the figure for the first primary, when 196 absentees voted.

Margaret Collier, county clerk, said Wednesday morning that every precinct in the county save and except Lakeview and Goodnight will be represented in the county-wide board's tabulation.

The absentee vote by precincts was as follows:

Southwest Floydada, 61; Starkey, 1; Allmon, 2; Sand Hill, 8; East Lockney, 6; Providence, 3; Lone Star, 5; South Plains, 3; Cedar Hill, 2; Fairview, 4; Baker, 4; Harmony, 9; West Lockney, 15; Northwest Floydada, 25; Dougherty, 5; Sterley, 2; McCoy, 1; Southeast Floydada, 14; and Northeast Floydada, 7.

Mal Jarboe is presiding judge of the special election board, named along with Hollis Bond and Dee Copeland. They will have as assistants Saturday Jack Kassahn and Bob Logan.

Counting over and under-age persons eligible to vote the county's voting strength is close to 4,000. However, only 3,260 poll tax receipts and exemptions were issued by the assessor-collector.

Bureau Names Meeting Dates

The Floyd County Farm Bureau will sponsor a series of community meetings in this county beginning September 2-23.

These meetings are designed to secure the voice of the members on various problems confronting agriculture. Nine meetings are scheduled in various communities:

September 2, Dougherty; September 6, Lone Star; September 7, South Plains; September 9, Lockney; September 13, Fairmont; September 14, McCoy; September 20, Lakeview; September 21, Harmony; September 23, Floydada.

W. R. Puckett, bureau officer for Floyd County Farm Bureau, said these dates and places are subject to change, but if nothing happens they will go on as scheduled.

Gayle Mayo Elected President Of Floydada Quarterback Club

At the first meeting of the 1954 season the Whirlwind quarterback club elected Gayle Mayo to succeed Richard Stovall as president. The club met Monday night, August 23, to organize for the coming gridiron campaign.

Named to serve with Mayo were Ernest Carter, vice-president; Gene Collins, Jr., treasurer; Kenneth Rimmer, secretary. The treasurer and secretary being re-elected to serve another term.

The retiring president called the meeting to order and introduced Art Gatts of the Lubbock Avalanche Journal who spoke briefly to those assembled. Stovall then reviewed the year's work and told of the projects that had been completed and of those that were being left to the incoming officers.

The nominating committee of Jimmy Willson and Carl L. Minor, Jr. then submitted the slate of candidates with Minor reading their recommendations. The club accepted the slate offered by the nominating committee and the new president took charge of the meeting.

Business transacted included plans for membership cards with dues set at \$1 for the year and undertaking the working up of football programs and the sale of same at all home games. In this effort a committee made up of Kenneth Rimmer, Richard Stovall, Ernest Carter, Bryan Collins, Carl Minor, Jr., Aldean Williams, Everett Perry, Newell Parker, Bud Sparks, and Ed Wester were named to contact advertising sponsors and prepare copy for the program.

Directors elected to serve with the above mentioned officers were Alton Chapman, L. D. Britton, Carl Jarboe. Coach Watson was called on and

he told of the plans for the training this season and introduced the coaching staff, I. T. Graves, superintendent of schools, expressed the appreciation of the school officials and faculty for the efforts and assistance offered by the club.

The club treasurer gave the financial report which showed about seven hundred dollars had been spent the last year, the big items listed being toward the new lights, meals for football boys, and assistance with the football banquet. Obligations already made for this year are \$400 to be put on the new electric scoreboard, feeding of the out-of-town boys their noon meals until school starts (in the neighborhood of \$200) and help with this year's banquet (probably as much as \$100 or more.)

Club officials and members are anxious to enlarge their membership and gain wider support for their projects in helping school athletic programs. Those present viewed the new football plant at Wester field which is nearly completed and went away inspired to continue all possible improvements. Members that were not present and all those who are interested in taking part in this program are urged to purchase a membership card, or cards if they can, and help to put the club out of the red.

A delegation from the Floydada club, including the president, went to Lockney Tuesday night to assist in organizing a Longhorn quarterback club in that city.

Next meeting date has not been set but will be announced soon.

Season Ticket Interest High

Fans who have been watching the work at Wester field this summer and wondering just what their money would buy can get a pretty good picture of the lay-out now.

The new stadium which lacks only a coat of paint being complete, still has some choice seats left according to Superintendent Graves and these are in the hands of Mrs. Liebfried at the school district office in the court house.

The seats are in the center section in the new east stands and are being offered for three years at a price of \$10 each. With the first game only two weeks away those who want to be sure of seats without having to go early should get them now.

The entire proceeds from these ticket sales go to paying for the stadium.

BEGINS FOOTBALL TRAINING AT CORPUS CHRISTI U.

Kerwin Baxter, son of Mr. and Mrs. Cecil Baxter, left Tuesday of this week for Corpus Christi where he will enter football training with the University of Corpus Christi team. Kerwin is an ex-Whirlwind great of the championship team of 1952. Last season he played for the Howard Payne team at Brownwood where he needed only two more quarters of play to earn a varsity letter playing as a freshman.

Street Number System Wrong, Newell Declares

In connection with the proposals of the city council to re-mark the streets of the city with more substantial new standards and name plates, Walter Newell is suggesting that the scheme of house numbering on east and west streets of the city should also come in for a re-do.

The change he proposes, and which he hopes to present to the council at its next regular meeting will be much less confusing to the stranger in the city than the present lay-out. At this time the intersection of Main and Missouri is taken as the zero point for both north and south and east and west numbering. North and south street numbering had as well remain as it is, Newell pointed out, but when the stranger tries to untangle the riddle of No. 300 West Missouri — to illustrate — being three blocks east of first street, and 100 West Missouri being in the fifth block east of first street, his head gets in a whirl and he has to ask how to get to his destination.

Under this new scheme of numbering 300 West Missouri would be 300 East Missouri and 100 West Missouri would be 100 East Missouri — all numbering from first street, and all other east and west streets numbering in the same manner.

House numbering in Floydada — sorter like Topsy — has just grown up, too, says Mr. Newell and many houses have incorrect numbers. So that a re-do of the street numbering scheme would actually discommode not nearly as many residents as it would seem at first thought.

From Mr. Newell's point of view, since the changes are certain to have to be made sooner or later, it would be better to make the changes when the new street markers are than later. The city council's plans for the new markers were still in the discussion stage last week — the something needs to be

done, how's the best way to do it and how much would the bill be stage.

We send to shelf this week forty new books for grade school and preschool reading. How many hours of fun and profit are just coming into our possession. New orders will be coming in steadily and as our loan from the Texas State Library is returned the new books bought by the Floyd County Library will fill the gaps in the shelves.

The majority of the best sellers in fiction are now in use in the Floyd County Library. They are, naturally, in a good deal of demand and borrowers are asked to return them as promptly as may be feasible that other readers have a chance to use them while they are still of current interest. Call the library if you wish to find out when a new title in which you are interested is available. Leave word with Mrs. Mills at the Lockney branch so we in the central library may send the new books you want to Lockney.

Oliver Watson of the Floydada Chamber of Commerce has just called our attention to the lead article in the September "Reader's Digest" called "A Letter to my Children" in which Dr. Maurice Ewing tells of his experiences last January when he was washed off his boat while pursuing his business as an oceanographer. TEXANS ... Do You Doubt It Now?

Here is conclusive proof of the link between Parr, Yarborough and C.I.O.

This news story, appearing in the Dallas Morning News on Sunday, August 22, 1954, will convince all TRUE TEXANS that there is a conspiracy by the Parr-Yarborough-CIO Machine to TAKE OVER TEXAS.

Remember the CIO-PARR link has been repeatedly denied by Ralph Yarborough.

PARR AGAINST GOV. SHIVERS

Special to The News
SAN DIEGO, Texas.—George B. Parr, the Duval County political power, said Ralph W. Yarborough would get his vote for Governor.

Parr interrupted a coffee-cup conference with Roy Hartsell, secretary-treasurer of the CIO State Council, to say that he was not particularly for Yarborough.

"It's just that I'm against Allan Shivers," said the political boss.

Parr said that on Wednesday night he went to Fallbrook to hear Yarborough make a campaign speech. Parr said he sat in the bleachers at the stadium where Yarborough spoke and did not speak personally to the candidate. Some Parr-backed local officials sat on the platform with Yarborough.

"We haven't talked since before he announced," said Parr.

Library Board Has Good Word For Mrs. Hollar

In connection with the resignation and the early planned departure from Floyd county of Mrs. Roy Hollar, county librarian, the county library board this week issued the following statement:

The Floyd County Library board wishes to express its appreciation to Mrs. Rostia Hollar and to wish her happiness and satisfaction in her new home and high school work there. Mrs. Hollar has made many friends in Floyd county and she says she will be back to see us from time to time as Mr. Hollar has many relatives in the vicinity of Dumont where his parents settled in 1891.

Mr. and Mrs. Roy Hollar expect to build on their grazing land property which is located 25 miles east of Crystal City, the trading center of the Winter-Garden area of Texas. Perhaps you recall that this town, as the Spinach capital of the world, erected a statue honoring Popeye.

GETTING COMFORTABLE

Little Johnny announced to his grocer that there was a new baby at his home. "Is he going to stay?" the grocer asked.

"I guess so," replied Johnny "he got all his things off."

TO THE PEOPLE Of Precinct No. 1

I have made an effort to see each one of you personally during the Run-Off Campaign, but I have missed some of you.

I hope you take this as a personal solicitation for your vote.

I promise, if elected, I will do my best to make you as good a commissioner as I know how to be.

J. K. (Keller) HOLMES

POINT OF VIEW

A Texan was trying to impress upon a Bostonian the value of the heroes of the Alamo. "I bet you never had any body so brave around Boston," said the Texan.

"Did you ever hear of Paul Revere?" asked the Bostonian.

"Paul Revere?" said the Texan "Isn't he the guy who ran for help?"

METER MISER

In the Alps, McAndrew hired a taxi at the station to get to his hotel. On the way the taxi skidded downhill and the driver yelled: "My brakes are gone. I can't stop the car!"

McAndrew, terribly excited, replied: "At any rate, mon, stop the meter!"

FAMILY CAREERS

The professional humorist was having his shoes shined. "And is your father a bootblack, too?" he asked the boy.

"No sir," replied bootblack, "my father is a farmer."

"Ah!" said the professional humorist, reaching for his notebook. "He believes in making hay while the sun shines."

The largest hail-stones ever measured in the USA weighed 1½ pounds, was 17 inches in circumference and almost 5½ inches in diameter.

SANDS OF TIME

Jimmy's mother was arranging her hair. Jimmy's father sat in the living room reading the evening paper. "Are those curls?" Jimmy asked his mother. "No, dear," she replied. "There waves." Looking at his father's bald head, Jimmy sighed, "Poor daddy! His head is all beach!"

The Army's expanding air program now operates 2,500 aircraft. These planes are assigned to Infantry, Artillery, Armor, Signal Corps, Corps of Engineers, Medical Service and Transportation Corps units.

General George Washington on Jan. 14, 1776, initiated re-enlistment furloughs in an effort to help re-enlistments and recruiting. This policy has continued in the Army to this day.

THE FACTS ABOUT GOVERNOR SHIVERS AND THE PRINTING CONTRACTS

- Article 16, section 21, of the Texas constitution provides that no member or officer of any department of the government shall be in any way interested in any contract with the State for stationery or printing, and requires that the Governor approve all such contracts.
 - The Times Publishing Company, publisher of The Mission Times at Mission, a city of some 11,000 people about 200 miles from Austin, was incorporated on June 1, 1946 by Joe T. Cook, Mary O'Brien Shary (Shivers' mother-in-law) and Allan Shivers, with a capital stock of \$20,000.
 - Sworn annual statement of ownership of The Mission Times, required by Federal law and published in The Times on October 8, 1948 shows ownership of the Times Publishing Company to be Mrs. John H. Shary (Shivers' mother-in-law), Allan Shivers, and Joe T. Cook.
 - Shivers became Governor of Texas on July 11, 1949.
 - Sworn annual statement of ownership of The Times, published in The Times on October 7, 1949, shows ownership of the The Times Publishing Company to be Mrs. John H. Shary, Mrs. Allan Shivers, and Joe T. Cook.
 - Dividends on corporation stock owned by the wife in Texas are community property of husband and wife, thereby giving the husband an interest in any contract with a corporation in which the wife owns stock.
 - Sworn annual statements of ownership of the Times Publishing Company in The Times in October 1950 and in October 1951 show ownership of the Times Publishing Company to be Mrs. John H. Shary, ALLAN SHIVERS, MRS. ALLAN SHIVERS, and Joe T. Cook.
 - The Times Publishing Company received printing contracts with the State of Texas in 1951.
 - Sworn annual statements of ownership of the Times Publishing Company published in The Times in October 1952 and October 1953 show ownership of the Company to be Mrs. John H. Shary, Mrs. Allan Shivers, Blain Holcomb, and Joe T. Cook.
 - The Times Publishing Company received 34 printing contracts with the State of Texas for the period September 1, 1952 to August 31, 1953, for a total of \$27,450.00
 - The Times Publishing Company received 50 printing contracts with the State of Texas for the period September 1, 1953 to August 31, 1954, for a total of approximately \$39,925.00.
 - The Times Publishing Company received 63 printing contracts with the State of Texas for the period September 1, 1954 to August 31, 1955, including contracts for printing for Texas Tech, West Texas State College, and Wichita Falls State Hospital.
 - Joe T. Cook, Editor of The Times, in a letter to all members of the Texas Press Association of July 12, 1954, in behalf of Shivers' candidacy, referred to "Allan (Shivers) with whom I am associated in the publication of The Times."
 - The foregoing facts, like the facts about Shivers' big real estate deal published in last week's paper, are not denied by Shivers, for they are established by unimpeachable public records.
 - Can you afford to reelect as Governor for a third term (7½ years) a man who, while holding high State office, buys a real estate option for \$25,000 and 6 months later, after it has expired, sells it back to the people from whom he bought it, for \$450,000; and who while Governor, approves award of State printing contracts to his family corporation in violation of the Constitution he is sworn to uphold?
- THINK IT OVER and VOTE for RALPH W. YARBOROUGH ON August 28, 1954.**

Six Injured At Intersection in Lockney Limits

Six persons were injured last Monday about noon in a two-car collision in Lockney, at the intersection of the Farm to Market roads No. 135 and 598.
The injured were taken to the Lockney General hospital where at least two had bad fractures.
Included in the injured list was Mrs. Della Ballard, 70, Hale Center, fracture of the right leg;
Jim McAdams, 48, Miami, Arizona, fracture of the right leg and a fractured pelvis;
Mrs. Emory Ralls, of Ralls, cuts and bruises;
Mrs. Pannel Smith, 34, Ralls, injuries not determined;
Walter H. Tiffen, 25, Hale Center, injury to one knee;
Miss Synell Tiffen, 16, Hale Center;
The 1954 Lincoln driven by Mrs. Ralls and carrying part of the Ralls boosters collided with the 1949 Ford driven by Walter Tiffen. Tiffen was driving east and Mrs. Ralls was driving north, said Plainview patrolmen who investigated.
Riding in the Ralls car but not injured were Mrs. Keith Harberer, Mrs. J. L. Cornwell, Mrs. T. S. Parks, Jr. and Mrs. Charlie Cowley, Jr., all of Ralls. Mrs. Pannel Smith was the other occupant of the car.
Riding with Tiffen, was Miss Tiffen, his sister, Mrs. Ballard, the Tiffens' grandmother and McAdams.

Mrs. E. J. Barker Falls, Breaks Hip on Chicago Visit

Mr. and Mrs. E. J. Barker left August 14 for Chicago to visit with a daughter, Mrs. L. V. Assiter and family.
Wednesday of last week while in the Assiter kitchen, Mrs. Barker fell and broke her hip. She was taken by ambulance to the nearest hospital and was operated on the following Saturday.
Mr. Barker arrived back in Floydada Tuesday morning and reported to his wife as doing as well as could be expected. He said she would have to remain in the hospital for at least a month and then would be confined to her bed at the daughters home until in November.
Mr. Barker felt that cards or letters from her friends in Floydada would cheer her up. The address is Mrs. E. J. Barker, care Resurrection Hospital, Chicago, Illinois.

Inspiring Service Reported Nightly

The pastor of the Nazarene church, Rev. S. L. Woods, said this week that a very inspiring service is being held each night at the church during the revival which began last Sunday and continues through September 5.

Evangelist C. W. Brockmueller of Fort Collins, Colorado, is bringing the message each morning at 9 o'clock and each evening at 8 o'clock.

Bill Good of Bethany, Oklahoma who is in charge of the song service arrived yesterday, and is doing wonderful work with his singing and playing.

The church and its pastor welcomes anyone wishing to attend.

'I Give You Texas' - Boyce House

Olvera Street is the center of the Latin-American district in Los Angeles. The shops offer baskets, big straw hats, jewelry, pottery, blankets, serapes, sandals and other wares that are produced by hands instead of machines. And there are little canopied eating places.

In the plaza, several hundred sit around. The afternoon I sauntered through the park, a group was gathered around a piano singing religious songs. It wasn't clear just how the piano was gotten into the park but there it was. A few persons listened but most just sat with expressionless faces.

A statue in the middle of the park honors the founder of Los Angeles. He looks a lot like Errol Flynn: slender, young, with clear-cut features. On his face, there is an inspired expression as though he might have had a glimpse of the wonderful city that was to develop.

The story of a song: Ira D. Sankey, the great Gospel singer who was associated with the evangelist, Dwight L. Moody, composed "The Ninety and Nine." He had come across the words in Scotland. One day, Moody called on him to sing and here is the story in Sankey's own words:

"The impression came upon me, 'Sing the hymn and make the tune as you go along. It was almost as if I heard a voice, so vivid was the sensation. I yielded to it and, taking the little newspaper slip and lying it upon the organ before me, with a silent prayer to God for help, I commenced to sing.

"Note by note, the music was given to me clear through to the end of the tune. After the first verse, I was very glad I had got through but overwhelmed with fear that the tune for the next verse would be greatly different from the first. But again looking up to the Lord for help in this most trying moment, He gave me again the same tune for all the remaining verses, note for note. The impression made upon the audience was very deep; hundreds were in tears."

Relatives reported Tuesday that Mrs. Jim Holmes, who is in the Plainview hospital, seems to be resting better. Special treatments were begun this week to improve her condition.

Jury Assesses Guilty Verdict For Burglaries

Forest Presley, indicted last April 21 on a charge of burglarizing the Baccus garage office on March 26, was found guilty as charged by a jury Tuesday in 110th district court for Floyd county and assessed a penalty of two years in the penitentiary. Carl Reid, charged by indictment in the same offense, will be tried today. He has confessed to a part in the burglary and is expected to plead guilty, district attorney John B. Stapleton said yesterday. A date for the trial of Bill Reid on the same charge, had not been set.
Vernon Jett's trial also is due to come up this week, possibly today. Jett, recently returned to Floydada from Waco by sheriff Earl Cooper, is charged with four burglaries and a car theft the night of March 19, 1954. Three others involved in the burglaries in which Jett is charged, are already serving terms in the penitentiary.

Don Green Wednesday was sentenced to serve a two-year term in the penitentiary assessed by a district court petit jury on February 22. He was charged with the theft of a calf from N. A. and Glen Armstrong.

O. D. Sims, Negro, who was sent to the penitentiary from Floyd county in March, charged in a companion case with Don Green, has since died, court attaches have learned. Cause of his death was not learned, the district attorney said. He had been given a four-year sentence by the jury which heard his case.

Revival Closes With 42 Additions

The First Baptist church revival came to a close Sunday night with 42 additions to the church roster. Thirty-one are for baptism, 11 by letter and two conversions.
Sunday morning and night services were well attended, with a total number of 712 in Sunday school. Dr. D. D. Sumrall, state evangelist, was speaker in the revival.

Dr. R. Earl Allen said this year the church received more additions than any other year and more were baptised than in any previous year. Grand total of 1350 members is now on the rolls of the church.
Baptizing service will be held Sunday night at 8 o'clock.

GUESTS IN EDWARDS HOME

Relatives visiting in the home of Mr. and Mrs. Henry Edwards this week are Mr. and Mrs. Joe D. McFall and sons, Bobby and Joey of Daytona Beach, Florida, and Mr. and Mrs. Parker Woodul and sons Bill, Jack and Jim of Portales, New Mexico. Mr. McFall is a nephew of Mrs. Edwards and Mrs. Woodul is a niece. Mr. Woodul is vocational agriculture teacher in Portales high school.

Mr. and Mrs. Robert Laffin and son of Rockwall were guests in the home of J. A. King and family over the weekend.

Mr. and Mrs. B. F. Bartlett of Sanger, California, and Mr. and Mrs. W. E. Beck of Electra, visited in the home of J. A. King and family over the weekend.

Approximately four and three-quarters per cent of the men returning from a two-year period of duty in the Army are going into active pay status in the Reserve.

Encampment is Well Attended

The two-day encampment for Brotherhood members of District 9 of the Baptist General Convention held at the Baptist Assembly grounds closed Tuesday night with services conducted by T. Gordon Ryan of Fort Worth, state Brotherhood president.

Registration began Monday afternoon. The opening session was started at 7:45 p. m. with a song service led by John Ward, educational director of the First Baptist church in Plainview. Addresses followed by Bill Patterson, McAllen attorney, and Dr. John H. Raley, president of Oklahoma Baptist University in Shawnee. Special music was provided by the Wayland College quartet. Reports were given by John Rankin, Amherst, district Royal Ambassador leader, and Billy Wayne Clayton Jr., of Springlake.

Tuesday's schedule began at 9:30 a. m. and sessions continued through the day and ended with the night services.

Approximately 550 members registered both Monday and Tuesday.

WATER BALLET

An old railroad engine had just pulled his locomotive up to the water tank. The fireman mounted the tank and brought down the spout. His foot got tangled and he stepped right into the tank.

"Son," laconically said the engineer, "just fill the tank with water. You don't have to stomp it down."

"You are very run down," said the doctor to his patient. "I suggest you lay off golf for a while and get a good day in now and then at the office."

It is possible to leave Wake Island on January 21 and arrive at Midway Island on January 20.

Hillbilly Tune King Has Unique Monument

MERIDIAN—When this town decides to honor a citizen, it doesn't spare the horses—not even the iron one!

For Jimmy Rogers, a native railroad worker with a talent for music who with his guitar and early recordings made folk-type southern songs a national success, the citizens planned ceremonies on the 20th anniversary of his death.

Result: the "Singing Brakeman" got a statue, of course. But included in the monument is a complete steam locomotive and train of cars, driven to the site and welded permanently to the tracks.

The unique event was backed by the Meridian Junior Chamber of Commerce, a group of southern railroads, a record company and prominent "hillbilly" artists headed by Hank Snow and Ernest Tubbs.

The group brought wide attention to the event by having it designated "National Hillbilly Music Day" by the Congress of the United States and by having several southern governors present at the occasion.

MIGRANT FARMER

During a severe Kansas sandstorm a man was seen driving a combine at a high rate of speed down the road. In response to a question, he explained: "I planted that wheat and I'm going to harvest it if I have to chase it all the way to the Gulf of Mexico."

Why the Wide Gap in Prices

COLLEGE STATION, April — Why the wide gap between farm and over the counter prices of beef?

That's the \$64 question these days and a Texas Agricultural Extension Service meat specialist blames it on a sharp drop in the use of animal by-products and higher costs of delivering the final product to consumers.

Actually, says Roy W. Snyder, the price of beef is "down," but perhaps not as much as we think it should be.

He explains that prices for inedible products from the meat packing industry—hides, fats and bones—have slipped in recent years from \$28.00 to the present \$12.00 or \$13.00 per 1,000 pounds of live beef animal. These by-product profits formerly paid the major part of dressing and processing costs.

When a pound of beef crosses the counter other costs are added to the final product, he says. There's labor, paper, string, rent, plant maintenance and the necessary utilities and equipment. Such costs are higher than ever before.

Also, he says, the highest price tag is attached to meat cuts in greatest demand. The economy minded housewife buys the cuts other people do not want. At present, such cuts come from the fore-quarter.

However, Snyder concludes, fore-quarter cuts usually require careful and skillful preparation in the kitchen.

The first official American flag was displayed on Prospect Hill, Jan. 1, 1776.

Stars and Bars was the name given the first Confederate flag, adopted in 1861 by the Confederate convention in Montgomery, Ala.

Often times we do not realize how to appreciate our friends until misfortune comes along. As most of you know, I have been confined to my bed with phlebitis since August 10th, eight days having been spent in the Methodist Memorial Hospital at Lubbock. Wildlife Essay Winner Active 4-H Club Boy

Winner of one of the two scholarship awards in the Frank M. Wood wildlife conservation program, Obble Dee Bradford of Winters based his winning essay on his several years of experience in practicing wildlife conservation and in active participation in Four-H club work.

A senior in Winters high school, Bradford lives on a farm near Winters. He has won 253 ribbons as a 4-H boy. He plans to enter Texas A&M college.

Bradford, along with the two other winners, Rex Lewis, Hyer, Center high school essay winner, and Dan J. Rheiner of San Antonio, adjudged Texas' top landowner-conservationist, will attend the Texas Wildlife Conference here April 12. Awards will be presented at the banquet climaxed the conference and at which Gov. Allan Shivers will be the speaker.

Wildlife Interest
Bradford's winning essay follows: Killing animals and conserving wildlife may be considered a contradiction by some people. Yet we all know that we have to kill some animals and birds in order to conserve others. As long as I have been able to hold a gun, I have always been interested in wildlife.

The sport I like best is hunting, and if there is no game to hunt, hunting is an impossibility. By examining facts, I have tried to learn what animal can be undesirable. High on the list I found one generally considered a pet—the common housecat. People that have extra cats have a habit of dropping them off along roads, usually near creeks. They mean to be kind to the cats, but make it awfully hard on the quail, doves, and song birds, as these cats soon become very wild and live mostly on the birds. I kill all the stray cats I find, the largest one I encountered measured a little over 37 inches in length. There is no way of telling how many quail and other birds it may have eaten.

I live in the Wingate Conservation District. Some of the other 4-H members and I formed a hunting club to keep down predators in this district. We killed quite a number of ringtailed cats, fox, opossums and skunks. A few hawks were also killed.

Compete for Food
Even rabbits can become a menace to some types of wildlife, so at times they must be thinned out. They multiply so fast that we hold community rabbit drives in order to keep them down. Hundreds are killed on these drives. It is estimated that 10 rabbits will eat as much as a cow and four can eat as much as a sheep. By holding the rabbit population down it leaves more food for animals and birds that are more desirable.

Some people kill every snake they see. I have learned that there are useful snakes as well as harmful ones. A fellow once told me that a bull snake is worth at least \$11 a year to the farmer. One day as I was feeding our chickens, I happened to see a mouse snake under the feed barrel. It had killed eight mice.

One of our neighbor's farm fish pond wasn't furnishing very many fish, as he didn't have time to fertilize it. In a discussion of problems at home with my father and mother, one of them suggested that the fisherman pay his way with fertilizer. I passed this idea on to our neighbor. Now each person that fishes in his farm fish pond brings a sack of fertilizer during the season the ponds are fertilized. This has been a huge success and the pond produces nearly twice as many fish as it did before fertilizing.

Raised Pheasants
Though pheasants are not natives of this section, a friend of mine bought some expensive wild pheasants and chukar quail and turned several hundred out just a mile from our home. He also gave me a setting of eggs and I raised four pheasants. When they were grown, I turned them loose, and the rooster would come to the back door for a handout several months afterwards. He soon left and we seldom see him any more.

During my nine years of 4-H work I have studied range management, the life habits and the value of game and fur-bearing animals, the birds and fishes, and how to produce these as a crop of the land. I have taken many field trips with my 4-H leader and studied birds, animals, grasses, and shrubs. Most of my outside reading consists of hunting, fishing, and other outdoor sports magazines.

A pleasant pastime has been the giving of information to younger members of the club and others.

With the help of my 4-H leader, I have collected several hundred specimens of grasses, weeds, flowers, and shrubs for study in our 4-H

work.

Most important of all, I have tried to keep up with the state and federal laws designed to protect our wildlife and to observe them.

To me, conserving wildlife is of the utmost importance. The biggest moment of my life was bagging a nine-point bull elk when I was 15 years old. I would hate to think by the time my grandchildren or great grandchildren come along that the wildgame would be so depleted that only a very few people could have the privilege of hunting.

Mental Mended Misfits Become Good Soldiers

WASHINGTON—This year five out of every 1,000 young men in U.S. Army training centers each month will find adjustment so difficult that their military usefulness will be questionable, according to Brigadier General Rawley E. Chambers of the Office of the Surgeon General.

During their first weeks of training, some will seem to be complete misfits, incapable of becoming soldiers. Others will suffer such emotional strain from their new life that their efficiency will be impaired.

However, almost all these men will turn into good soldiers—thanks in part to the Mental Hygiene Consultation Service that has existed in the Army since World War II.

Operating in 18 training centers, the clinics are staffed by a psychiatrist, a clinical psychologist and a psychiatric social worker. They exist to help the ill-adjusted soldier fit into his new life, to help the company commander find out how and where these young men can be most useful to the Army, and to identify promptly and process out of the Army the man who is emotionally or mentally unfit for service.

The psychiatrists usually are captains or majors. Too much rank might discourage the patients. However, the officers must meet the highest professional standards. They must have had sufficient experience and training to diagnose personality disturbances in a very short time. No long, drawn-out therapy is possible or recommended when handling eight-week trainees.

The clinics themselves are located in the training area, not in the hospital set-up at the training center. Medical officers and company commanders work together to effect the mental hygiene program and proximity is a large factor in their effectiveness.

Psychologically, it is better for the individual soldier to consult someone in his own field area rather than to go away from "home" for advice. These same psychological reasons ban the traditional medical white coat. The mental hygiene officers wear the same field uniform other officers do.

Men referred to mental hygiene clinics basically are immature—regardless of their years.

The average young man who enters the Army makes a very quick adjustment. He soon gets used to living in a barracks even though he may have had his private room since childhood. He adapts to the restrictions of Army life even though he is used to making his own decisions and moving on his own initiative.

This is not true of the emotionally

work.

Attending the rites from Floydada were Mr. and Mrs. A. W. Coltharp, Mrs. W. B. Jordan, Mrs. Ullman Moss, and Mr. and Mrs. Paul Murff.

Walter A. Gound returned home last week from a months visit with a son and family in Sepuzeda, California.

Mr. and Mrs. W. A. Robbins of San Antonio, former residents of Floydada, visited Monday in the home of Mr. and Mrs. Hal Thomas, Mr. Robbins is a nephew of Mrs. Thomas. Mr. and Mrs. Robbins had the pleasure of renewing old acquaintances.

APATHY TOWARD COMMUNISM
Speaking of the apathy of American people toward the dangers of Communism in America, Herbert Philbrick, FBI counterspy who spent nine years working deeply within the Communist organization says:

"This particular apathy and neglect on the part of the people is one of the greatest single problems facing the free world today.

"At these (Communist) training schools we were taught not simply the traditional Marxist - Leninist-Stalin doctrine with which most folks are familiar, but also in very specific terms the duty, the absolute duty and necessity for every single Communist to work towards and prepare for the violent overthrow and destruction of the United States by force and violence.

"It is difficult for the American people to conceive that anyone could be teaching and believing this.

"Yet the world conspiracy of Communism that began with a mere 30,000 radicals in 1917 now rules 800 million people with a brutal iron hand, and during every day since 1945 this criminal conspiracy has been taking over territory of the world at the rate of 1,000 square miles a day.

"To this very moment we, the free peoples of the world, have not won back one single inch of that territory which we have lost.

GREAT ORE PRODUCER
Over the past twenty-five years International Nickel mined 187,000,000 tons of nickel-copper ore from deposits in the Sudbury District of Ontario, where it conducts one of the largest underground non-ferrous mining operations in the world. The company, in 1953, mined more than 11,000,000 tons of ore from underground and about 2,500,000 tons from surface for a total of over 13,500,000 tons, the highest in Inco's history.

MISNOMER
The nickel silver family of alloys contains no silver whatsoever, but are alloys of copper, nickel and zinc. They form tough and durable bases for plated flatware, such as knives, forks and spoons.

The forerunner of the Army Signal Corps—the Signal Department—was created in 1860. It was then that a system of visual signaling was adopted.

Registration At High School Began Tuesday

With Floydada schools due to open for the fall term next Wednesday, Seniors turned out to register Tuesday, approximately 55 in number. Mr. Graves, superintendent, said that all seniors had not registered as yet, due to some being on vacation. A few new ones have entered for the 1954 - 55 term and the school has lost a few, he said.

Juniors registered Wednesday with an estimated number of 75. Mr. Graves said that out of this number of seniors and juniors, close to 80 boys are eligible for football.

The sophomores are registering today, to be followed by freshmen tomorrow.

All school buses will run the first day on same routes as last year other than minor changes which will be determined later. Cafeteria lunches will be served the first day of school and thereafter.

It will be necessary for all children starting to school for the first time to have their birth certificates and all grade children to be immunized for diphtheria.

A faculty meeting for high school and Andrews Ward teachers will be held in the high school building at 9 o'clock Tuesday morning. The North Ward faculty will meet in the North ward building at 10:30 Tuesday morning.

MINOR TROUBLES
"You can't marry her without permission," said Father Smith.

"Why not?" asked the swooning swain.

"Because she's a minor."

The young man looked stumped for a moment, then asked: "You mean I gotta ask John L. Lewis?"

THAT THIRD TERM FOR GOVERNOR SHIVERS

1. A Governor of Texas, in a traditional tenure of four years, normally appoints not more than two members of any of the 125 boards and commissions which conduct most of the business of the State of Texas, but as the result of Shivers' present 5½ years tenure (longer than any other Texas Governor), 120 of such 125 boards and commissions are now 100% Shivercrat, affording means of control of millions of dollars in State property and funds and thousands of State employees, and providing opportunity for construction of a political machine that makes Tammany Hall look like a lady's aid society.

2. The Board of Insurance Commissioners, now 100% Shivercrat, has compiled the imposing record of 17 failures of Texas Insurance companies in 17 months, at a cost of millions to Texas policy holders. Its latest Shivercrat appointee, Garland E. Smith, was associated with John Van Cronkhite as Shivers' campaign manager in 1952, and Van Cronkhite was paid \$11,000 by a failing insurance company as its "public relations adviser".

3. The most recent appointee to the State Highway Commission, making it 100% Shivercrat, is Mr. Marshall Formby of Dickens County, now openly electioneering for Shivers over West Texas, on your time and your payroll, with subtle (and sometimes not so subtle) hints about future farm-to-market roads; the other two Commissioners are also whooping it up for Shivers. P. S.: Mr. Formby couldn't carry Dickens County or his home box of McAadoo for Shivers in the first primary.

4. The C. I. O. and Communists: Shivers charges that the C. I. O. is helping to finance Yarborough's campaign, though he produces not a shred of proof; the laws of Texas forbid labor unions to contribute to a political campaign, under heavy penalty—if Shivers has any proof, why doesn't he enforce the law, as he is bound by oath to do? And Shivers says that Port Arthur is paralyzed by Communist dominated unions; Texas has the most severe anti-Communist law in the United States—again, if Shivers has any proof, why doesn't he enforce the law; and if Port Arthur is in the iron control of Communist-dominated unions, how did Shivers carry Port Arthur in the first primary, while losing Jefferson County, where Port Arthur is located, 16,543 to 15,677?

5. Tideland: Shivers' most boasted deal for the Tideland is costing you your farm program and promises to cost you your segregation, as well as many other advantages you enjoyed under the Democrats, a terrifically high price to pay—we could have done better elsewhere.

6. At Random: Shivers boasts that he carried Yarborough's home box in Travis County in the first primary; that box has been Republican since 1940, and of course Shivers carried it. BUT, Yarborough carried Henderson County, where he was born and raised, 5127 to 1760; Yarborough carried Angelina County, where Shivers claims he was born and where he opened his campaign with great fanfare, 5767 to 4104; and Yarborough carried Jefferson County, where Shivers claims his residence, 16,543 to 15,677, though Shivers did carry Port Arthur, where he says the Communists run the town.

County Budget for 1955 Is Reduced \$20,000 From Figures for 1954

When the Commissioners court sits for the annual budget hearing next Monday morning at 10 o'clock they will have before them a proposed budget prepared by the county judge, which contemplates the collection and spending of \$191,067.29 in taxes for the year of 1955.

Advance copy of the budget on file with the county clerk shows that property values in the county have been assessed at \$14,927,130. The figure for the taxes levied are based on a rate of \$1.28. (Figures are exclusive of state and school taxes and represent only monies which the commissioners court will handle).

The total assessed values are \$59,000 higher than property was assessed for 1954, but since the rate is 14 cents lower this year the budget is almost exactly \$20,000 lower than it is for the current year.

Debt of the County

The debt of the county is indicated in the budget report at \$790,000, \$18,000 of it dating back to a funding bond series in 1931 bearing six per cent interest. Biggest single item on which the county owes money is \$416,000 of the 1948 road bond issue. Next is the county court house series of 1949 of which \$176,000 is still due.

The total operating fund rate is 95 cents, divided into: jury fund 15 cents, road and bridge 15 cents, special road and bridge 15 cents, general 25 cents and permanent improvements 25 cents.

Committeemen Vote Finished

At the close of business last night the voting was completed on the selection of county committeemen from nine "communities" in Floyd county, under the ASC set-up.

Five committeemen from each community were to be named in the voting, results of which were not available at a late hour yesterday.

The high man in each community will automatically be chairman of his community committee and will be a delegate to the county convention which meets on August 31. In addition a vice-chairman, a regular member, a first alternate and a second alternate were due to be chosen.

Mrs. Mary A. Norton had the pleasure of seeing her eighteenth great-grandchild last Friday. The baby, little Cynthia Clovis, made a trip from Snyder to Floydada with her grandparents, Mr. and Mrs. Ted Norton, and her aunt, Marjorie Ann Norton.

Our gratitude to all our friends for their many thoughtful deeds during the illness of our beloved mother. We hope we are worthy of your friendship.

For interest and sinking funds levies of 25 cents for road bonds and 10 cents for court house bonds and sinking fund have been made. A review of the proposed budget indicates that the only fund which is due to show a material increase in spending this year is the pauper care and pensions. Whereas this figure is \$5,000 this year, the budget estimate for next year is \$9,000.

Rural Schools Open Next Week

Most of Floyd county's rural schools will begin their 1954 - 55 classes September 1, with the exception of Lone Star. The Lone Star school will begin studies August 30, it was announced this week by Superintendent Clarence Gufee.

South Plains school has a new teacher this year. Mrs. Ray Smith of Floydada will be on the faculty as well as Mrs. O. T. Hewitt and J. B. Thames, Jr.

Sand Hill will have the same teachers as last year. They are W. A. Reeves, Mrs. Reeves and Mrs. J. C. Barnett.

Teachers for Lone Star are J. H. Hall and Mrs. Roy Childress. Lakeview has two new teachers, Mr. and Mrs. Whitt Gunn of Morgan Mills, Texas.

Dougherty teachers are Mr. and Mrs. G. C. Tiner, and Mr. and Mrs. Perry T. Brown are teachers at Providence.

Preaching Sunday at Carr's Chapel

Rev. Lawrence Burke, will fill the pulpit at Carr's Chapel Methodist church next Sunday morning, in the absence of the pastor, Rev. Horace G. Krebs. The latter is conducting a 10-day revival at Sterley.

Rev. Burke is a ministerial student at Georgetown University where he is completing his educational requirements for the ministry. The public is invited to hear Rev. Burke deliver his first sermon.

CHECK UP AT TEMPLE
Mr. and Mrs. L. L. Jones, accompanied by Mrs. Jones' sister, Mrs. E. T. Williamson, left Sunday for Temple, where Mrs. Jones is to have a check up. Mrs. Jones was due for surgery this week, but it was postponed until a later date.

The Jones' talked to their daughter, Mrs. Lane Decker, Tuesday, and she said that Mrs. Jones would take treatments this week and they would probably be home the middle of next week.

Mr. and Mrs. D. T. Mayo left yesterday for Rockford, Illinois, where they will visit with their daughter Mrs. L. H. Hodges and family. The Mayos plan to be gone about 10 days.

Rain Confuses McCoy Re-Union

One hundred and fifty persons attended the 3rd annual re-union of McCoy community at MacKenzie State park last Sunday. Charlie Payne of Lubbock made the park arrangements and a huge table 46 feet long was heavily laden from one end to the other with a bountiful feast.

The occasion was thrown into confusion a number of times on account of a heavy downpour of rain. The table was first erected on the lawn, then the rain began and it was nearly 2 p. m. before the food could be served. Immediately after lunch, everyone had to find shelter again. Due to the rain, no tape recordings were made and neither was the old one played back. Not even election of officers could be held.

The dinner hour was made better by the courtesy of the park police. Those who had served 21 years in the park area. He gave permission for the tables to be moved out into the paved parking area where terrain was a trifle dryer.

Had the day been clear, it is thought that 300 or 400 persons would have been present. Some ten have passed away since the first re-union.

Mrs. W. W. Smith was the oldest guest present. She was also the oldest present last year.

Those attending from a great distance included Mr. and Mrs. Allen Cook, Phoenix, Arizona; Mr. and Mrs. Frank McSpadden of San Angelo; Hudson Lincoln and Hayden Puckett and wife, Sweetwater; Mr. and Mrs. Raymond Hurst and son, Happy; Mrs. Minnie Wilson Storm, Denver, Colorado; Mr. and Mrs. Guy Pittman and Mr. and Mrs. Exton Roberson, Amarillo; Mr. and Mrs. Leo Williams, Durango, Colorado; Ted Norton and daughter, Marjorie, Snyder; Mrs. Selma Pittman Williams and Mrs. Maudie Pittman Ketchum of Downey, California, and others from different distant areas. It was said that thirteen states were represented.

The same time in August was set for the 4th annual re-union in 1955, which is the 4th Sunday in August.

The first power-producing public utility was built in New York City in 1882.

Eighty-Boy Squad Out for Football at FHS Includes 20 Lettermen

The 1954 football season started off with a bang Monday at FHS when 75 boys showed up and were issued equipment for the training season. Included in the list were 20 returning lettermen and a host of boys eager to move up from the B team and freshmen teams, and most of the boys in this year's freshman class.

Coaches Watson, Cleveland, Huntington, and McGuire took their charges in tow and started conditioning them for the coming football season. The squad will eventually be divided into A team, B team and freshman team and a schedule of games will be arranged for each. The first week is being spent mainly on fundamentals and getting the teams in good physical condition. The two daily practice periods begin at 8 a.m. and 4 p.m.

Returning lettermen that will bolster this year's hopes for the Whirlwinds are Jack Womack, Cloyd Stephens, Jackie Jarrett, Kent Covington, Doyle Grundy, Marvin Rucker, Gary Carthel, Gordon Joiner, Bobby Carmack, Walter Simmons, Keith Marble, Jackie Henry, Carrol Guthrie, J. E. Waller, Larion Fulton, Robert Stovall, Stanley Vickers, Glad Norman, Waldo Baxter, and Leon Anderson.

Others reporting were Gene Swanner, Donnie Holladay, Larry White, Douglas Reeves, Stanley Burleson, Dale Redd, Norman Brints, Winfred West, Bobby Wellborn, Roger Poage, Max Crawford, George Chapman, Jim Womack, David Mount, and Lynn Raley, Buddy Watts, Tommy

O'Neal, Joe Noland, Rusty Tinnin, Rex Jones, Ray Ferguson, Stanley Grant, Tommy Respondeck, Aubrey Terrell, Button Beedy, Roy Hartman, Frank Potts, Grant Cooper, James Hartline, Gary Huckabee, Ranny Vickers, James Badgett, Mike Badgett, James Teague, Don Norman.

Jerry Hutchinson, Larry Jones, Dale Lawson, Sammy Morren, Keith Hollums, Eddy Childs, Vaughn Ginn, Mathew Patton, Bobby Warren, Edward Whitehead, Adrian Roach, Rex Lackey, Elton Karr, Leslie Bevel, Elmer Williams, Ronnie Downing, Harlon Weaver, Gary Lackey, Jerry Perry, and Bill Smith.

The Whirlwinds will play this year in district 2AA consisting of Olton, Muleshoe, Lockney, Tulla and Floydada.

The Whirlwinds do not have an open date, but close the season one week early.

Mr. and Mrs. Russell Lam of Lovington, New Mexico, visited this past week-end with his uncle and aunt, Mr. and Mrs. Fred Lam.

Son and Brother Graduates at WTS

Mr. and Mrs. T. L. Gilley, sr., Mr. and Mrs. J. A. Patterson and daughter Sheila, attended the summer commencement of West Texas State college in Canyon Friday night.

T. L. Gilley jr., son of the senior Gilleys and brother of Mrs. Patterson, received his master of education degree.

Mr. Gilley has taught school at Horace Mann Junior high in Amarillo for the past nine years.

Mr. and Mrs. Gilley, jr., and daughter Janice are in Floydada visiting relatives this week.

Hamilton Confined With Phlebitis

T. T. Hamilton, assessor and collector, was returned home Saturday from the Methodist hospital, after receiving medical treatment for over a week.

Mrs. Hamilton said that her husband would have to remain close to home until his strength was regained as he was pretty weak. His disorder is diagnosed as phlebitis.

The Hamilton's daughter, Mrs. Clifford Potts and her husband Rev. Potts and children from Tucuman, New Mexico, have been here visiting her parents for the last week.

Mr. and Mrs. Joe Smith and daughter Mary Jo made a business trip to Oklahoma City Sunday night. They were at the fall and winter market showing there Monday. The Smiths reported rain all the way on the trip and were surprised to find it still dry upon returning to Floydada.

Mrs. Ray M. Cook Complimented With Morning Coffee

One of the loveliest events of late summer was the coffee given Friday morning honoring Mrs. Ray M. Cook, a recent bride. Mrs. B. P. Sandefur, Mrs. Henry Edwards, Mrs. Jess Patterson and Mrs. K. Crouch were hostesses at the home of Mrs. Edwards.

The guests were received in the foyer by Mrs. Edwards. Mrs. Ray M. Cook and Mrs. R. I. Cook, then assisted by Miss Judy Moss to the spacious living room which was decorated with two huge arrangements of pink glads where Miss Jo Day presided at the register as Miss Beverly Thomas furnished piano selections.

Others assisting were Misses Karen Buchanan, Dorothy Holmes and Myrna Wilson. The table was laid with a gorgeous Madiera cloth centered with a miniature bride and groom. Twin arrangements of white and pink carnations with crystal candelabras holding pink candles was the setting as Mrs. Sandefur, Mrs. Crouch and Mrs. Patterson alternated at the silver coffee service where they served more than ninety guests.

Mrs. Ray M. Cook is the former Miss Donna Dellinger of Las Vegas, New Mexico, and Ray M. is the son of Mr. and Mrs. R. I. Cook of Floydada.

The couple will be at home with his parents until resuming their studies at Texas Tech this coming year.

Mr. and Mrs. John Steadman left for their home at Valley View the latter part of last week after several days here as guests of Mr. and Mrs. M. H. Martin. Misses Steadman and Martin are sisters.

WAGON WHEEL WESTERN WEAR
On The Wye

So much has been written, by so many kinds of experts, about making marriage go, that apparently all a fellow has to do these days is read a book. But, still, we do hear about a divorce now and then.

We've heard three generations of women who are making marriage work say things lately that set us to thinking about this.

A bride of two months: "Everybody said we'd have a lot of big adjustments to make when we got married, but we haven't yet. I thought before we married I couldn't possibly love Jack any more. But I do."

A woman whose husband lived for three years after their golden wedding day: "He was just right for me. He never brought me coffee in bed wasn't very good about waiting on me when I was sick. But I didn't want that kind of man. He had a wonderful mind. Sometimes right here at home he'd make a speech that was better than any I heard anywhere else."

One once heard a man say of his own son's divorce: "Oh, it's just a case of two spoiled brats who didn't know how to give and take." And maybe he's got the answer.

The bride of two months knows she is facing six years of self denial while her husband gets a start in his profession. The middle-aged woman has held a job ever since she has been married. The older woman's life was full of hardships. But all of them learned how to give and take — and so did their men."

Floydada Couple On Steamer Trip

Dr. and Mrs. Donald H. Pitts left Tuesday on a vacation trip that will take them up the coast of the United States on a leisurely trip by freight steamer from New Orleans bound for Boston, expecting to be absent from home about 30 days.

They will make stops in Florida for fishing and sight-seeing and after reaching Boston will tour the New England states and eastern Canada.

They drove down to Dallas by automobile and were due to fly to New Orleans last night to embark today.

On the return trip their plans call for an air flight from Canada back to Dallas, where they will take their car to make the last leg of their journey by automobile.

Lingerie Shower Is Compliment To Miss Jeanie Hines

The Adorians honored Miss Jeanie Hines with a Lingerie shower Thursday, August 19, at the home of Dorothy Holmes.

The colors green and yellow were carried out in the table decorations a dark green ribbon with the words "Good Luck From The Adorians" in silver was in the middle of the table. The punch bowl was surrounded by yellow flowers and flanked by yellow candles. Light green napkins with Jeanie and Dick written on them finished out the table decorations.

Miss Myrna Wilson gave a reading in which everyone of the Adorians wished something special for Jeanie.

For a musical number the Adorians sang "Wedding Bells, Are Breaking Up That Old Gang Of Mine."

Punch, cookies, nuts and mints were served to the following people: Barbara Perry, Betty Martin, Carolyn McDonald, Mary Wilks, Wanda Jones, Donnie Cook, Carolyn Collier, Carolyn Tye, The Adorians: Bev Thomas, Jo Day, Myrna Wilson, Karen Buchanan, Ray Nell Irby, Shirley Teague, Ann Welborn and the hostess, Dorothy Holmes.

Unable to attend but sending gifts were Betty Blum and Alice Latta.

IEWS AND COMMENT

This week-end will come the test of the long-believed-in formula that the absentee vote predicts the final vote in a primary election. The absentee vote in Floyd county forecasts a considerably lighter vote Saturday than on the Saturday just five weeks ago. Also the reaction to too much politics, like too much of anything, dulls the zest for it. But the apparent interest in the races, local as well as state-wide, indicates that the vote will be heavy in the run-off. You find a good many people who say they didn't vote in the first primary who also say they are going to vote in the second. We shall see what we shall see Saturday.

The election returns could be complete and everybody know the results in this county by 9 o'clock Saturday night. The ballot is short, communications are swift and reliable, the election holders alert. But most always something not anticipated takes place in some box or other that slows down the final count. The count tabulation in July was about as free of slow-downs as any ever held in the county. Election holders and party officials familiar with such matters credit the relative shortness of the state ballot for a part of this speed-up. It may be that the heavier fee for getting a name on the ballot, now the rule in the Democratic party has had something to do with this. At one time you could get your name on the ballot for any office if you could raise a hundred dollars at the bank or amongst your neighbors. Many formerly took advantage of this fact. Ten or 15 candidates for practically every state office was the rule. The "filing fee" was upped to \$500, which automatically eliminated a good many crackpots, exhibitionists and cranks. It may be the change eliminated some good poor men who thus were beat out of a chance to aspire for higher office. But it made a big hit with the election counters and reporters.

Many election workers who began a campaign with enthusiasm, backing a good man for office, begin to clam up and back off when the campaign enters the last lap and the name-calling gets down to the skunk level. The last time such a last week of campaigning began to pour out the dregs—in the Jester-Rainey battle of 1946—just a lot of folks backed off and "let 'em have it." Generally the candidates would not get so personally bitter if only their supporters didn't dish in with the smear ideas.

Not a candidate for state office visited Floyd county during this campaign year. Usually before a campaign warms up too much the candidates hit the east and west trail through Floyd - Motley - Cottle or Floyd - Crosby - Dickens - Stamford. Not so this year. The trails lay west or north or south. Floyd people voted for or will vote for candidates they

didn't see in the whole campaign season. It isn't too much of a compliment to the county that it is by-passed that way. But a man after votes is after them where the most of them are.

Associate Justice Few Brewster is a candidate for the second elective term to succeed himself on the Supreme Court of Texas. Since the members of the bar are pretty well for the judge, according to report from their secret pool, the people of the state most likely will want to return him to the post. Judge Brewster has a long record of outstanding ability and integrity. His former neighbors in Bell county, where he grew up, have indicated their pride in him by giving him more than 10 to 1 majority over two opponents in the first primary.

Good schools with learned but also common sense teachers will be the lot of the children of the land beginning within a brief week or less. Schools in Floydada will open their doors for the long term on September 1—a mid-week Wednesday. Meanwhile on a volunteer basis many youngsters and their elders are already at work on extra-curricular matters such as football, band, baton twirling, pep squad activities, perhaps other things as well. It is a good thing the teaching people are aware of the need of direction for the spirited youth who need more than the aye, bee, cees, to consume all that surplus of energy. Its tough on the teachers but good for the kids, those added extra-curricular activities.

First encouraging news we have noted in regard to the north and south highway from Claude to Post in recent years was a brief in The Briscoe County News last week saying that highway commissioner Marshall Formby had indicated an interest in the Palo Duro and Tule canyon crossings on the highway to Borger. Claude is on the route, only two counties north from Floydada but many a county away the way the roads run. All of the route from Claude to Post has now been done except the county's width from Silvertown to Claude. The two big canyon crossings have been in the way there. Whatever may have kept the highway improvement from developing in years past is not a matter of interest now. The route, people of an area several counties in extent have been pointing out for years, would pay for itself mighty quick, considering the millions of gallons of gasoline that have to jog 40 miles around to and through Amarillo to get to this area from the oil refineries. Let's hope Mr. Formby's interest does not lag.

The dollar spent for soil tests could open the door on your farm to greater yields and income returns.

FB Convention On October 7

The date for the Floyd county convention of the Farm Bureau has been set tentatively for October 7. It was announced last week. The executive committee will have charge of arrangements.

The various committees of the Farm Bureau held a special meeting in the local office recently for the purpose of setting dates, and outlining a program designed to get the voice of the people on the various problems confronting agriculture. Dates were set for nine community meetings to be held between September 2 and September 23. Each community will hold its meeting and discuss the various problems that most concern them. Then the resolution committee will draft their resolutions or recommendations to the county convention from the information gathered in these meetings.

Those attending the session were Helmut Quebe, who was chairman in charge, Walton Wilson, Harry Morckel, Hershel Carthel, Albert Scheele, Chester Carthel, R. R. Kellison, J. N. Richardson, Jack McIntosh, and H. B. Thornton.

Conservation District News

Fred Jackson, supervisor in Floyd County Soil Conservation District has originated the idea of how to do a good job of improving his soil while continuing to produce his customary crops.

Cropping systems starting in 1954 shows him with yellow blossom sweetclover on his wheatland. The clover was overseeded this spring at the time he quit grazing his wheat on about March 15. A good soil improving crop has already been grown and land will be prepared again for wheat in a short time.

The next part of his soil improvement program shows a very healthy growth of cowpeas intra-planted in the same furrow with his grain sorghum. Another step in this program will find vetch in his cotton middles. With this combination of crops, Fred believes he can grow a good crop of cowpeas in his sorghum then prepare this land early to go to cotton while the vetch on the 1954 cotton land will be seeded to grain sorghum and cowpeas later in 1955.

By switching crops each year it will give the vetch a longer growing season thereby producing more organic matter and do a better job of improving his soil.

Fred says, "with recurring use of this combination of soil improving crops it appears that a man has a good opportunity to make a notable increase in his overall production while at the same time, little extra expenses will result."

What Was This Call Worth

"Mommy, can I stay at grandmother's tonight?" That was Carol's very first telephone call — a real thrill that can be measured in dollars and cents. Yet, Mrs. Caroline Nunn, Carol's grandmother, can tell you what that call cost. She is one of a group of customers who kept day-by-day records of calls made for a week — a total of 30 calls covering 133 minutes. Then she broke her telephone bill down into the actual cost per call. "I was amazed," she reported, "at how little my phone service cost for all the convenience and happiness it delivers." TO THE CITIZENS OF FLOYD COUNTY

In my campaign since the first primary I have endeavored to see as many voters as possible. However, the short time allowed between primary dates makes it impossible to see all voters.

I deeply appreciate the many courtesies you have shown me during this campaign.

To those of you whom I have not seen please consider this as my personal solicitation for your vote and support in the run off primary Saturday August 28th.

Assuring you that if I am elected your assessor-collector I will do my best at all times to render the type of service you are due from a public servant, I am,

Sincerely yours,

Is Begun West Texas in Line

On July 21, a huge machine began laboriously rolling hills in the north of Amarillo, chewing out a ditch new 20-inch replacement line. The installation of the 16-inch line from Canyon south, was designed to furnish additional gas to meet the winter-time peak-day load on the South Plains. In addition it will aid in the meeting of the peak-day requirement for the irrigation load in the summer time.

The drilling of irrigation wells is continuing at a rapid pace over the whole system, and a good number of these new wells are being put on natural gas. This coupled with the fact that many other wells have been and are being converted to natural gas from electricity and butane, has caused Pioneer's irrigation accounts to triple in the period from June 1, 1953 to June 1, 1954.

Additional reserves of gas other than the Plymouth Oil Company and Hallanan Pool supplies, are being negotiated for so that Pioneer can meet the increased annual load in the Permian Basin.

Floyd County 14 Years Ago

(Taken from the files of the Floyd County Hesperian, issue dated August 22, 1940.)

Mr. and Mrs. W. O. Tye and children left Saturday for Albuquerque, New Mexico where they will visit his parents, Mr. and Mrs. G. G. Tye and son Chas. Tye.

Mrs. Phillip de Castro of Corpus Christi, a former resident of Floydada came Monday to visit Mrs. Homer Steen and family and Mrs. Arthur Barker and family of Lockney.

Mr. and Mrs. J. W. Lanier were among the Floyd county people who visited Gallup last week during the inter-tribal Indian ceremonial.

Mr. and Mrs. J. B. Bishop and family left Wednesday for Colorado Springs, Colorado, on a vacation trip. Mr. and Mrs. O. G. 35 FHS Bandmen Practice in Pre- School Sessions

Some 35 students enrolled last week in the Floydada high school Whirlwind band, with drills starting on Monday. The band meets Monday through Friday at 8 a.m. for one hour of practice.

Maurice Jones, new bandmaster, hopes to have his students ready for a good performance September 10 when the Ralls Jackrabbits come to Floydada to play the Whirlwinds. Jones played with the Hardin-Simmons Cowboy Band and comes here from O'Donnell where he directed the high school band for two years.

Band officers for the coming year include Doyle Grundy, captain; Walter Simmons, first lieutenant; Jimmy Collins and Fontaine Fowler, second lieutenants and Cheryl Crawford, drum major. Twirlers are Sue Nelson, Mary Wilks, Jerry Floyd, Wanda Jones and Roy Nell Hammonds.

McClure Golden Wedding Aug. 15

LOCKNEY. — Open house was held Sunday, August 15, at the home of Mr. and Mrs. T. V. McClure to honor his parents, Mr. and Mrs. C. J. McClure on their 50th wedding anniversary.

Decorating the door was a miniature gold bell tied amid gold lace ribbon, orange blossoms and miniature oranges. Streamers from this arrangement bore the message "Bettie and Claude," August 14, lettered in gold.

Guests were met by Beth and T. V. McClure and presented to the honored couple.

Mrs. Buck's Third Volume of Poems Is Off the Press

The Hesperian is in receipt of a new volume of verse by Anne Dodson Buck, now of Arcadia, California, but a one-time resident of west Texas.

"By All Their Wonder" is the title of the new book of verse, in which the writer sings in lifting verse of "glorious hours" — of bird songs, dew jewels, inspiration gained from the mountains, of "new faith in all things."

A former newspaper woman Mrs. Buck contributed to numerous newspapers in Texas, some of her verse appearing in The Hesperian in 1940 and 41. The new volume is

WARNING!

TEXAS FARMERS-RANCHERS WARNED OF CIO LABOR PLANS

AUSTIN, Tex., Farmers and ranchers of Texas were warned this week that the CIO plans to organize the farm workers of Texas if its candidate wins the Governor's race.

This warning came from Governor Allan Shivers who charged that the backers of his opponents "want to turn the state government over to the same bunch that is trying to wreck Port Arthur."

"One of the first things they would do is put one of their red-hot organizers from Port Arthur in as labor commissioner. Then every time a farmer or rancher wanted to hire someone he would have to go through the CIO."

Governor Shivers said there was no doubt in his mind that the aim of the CIO after the job of organizing industry in Port Arthur and along the Gulf Coast is finished is to begin organizing farm labor in all parts of Texas.

"You can imagine what will happen when the CIO starts dictating how many laborers are needed to plow ten acres of land, refusing to allow a man to work more than thirty-five hours a week during the harvesting season and telling how much a farmer can charge for his crop," he said.

The Shivers administration, the Governor said, has worked hard to help preserve and protect the rights of the working man.

"But as long as I am Governor, the professional labor bosses who have been sent to Texas from the East — specifically those in the CIO and its Political Action Committee — are not going to run our State Government," Shivers promised.

Shivers said the average working man in Texas appreciated good government and that they were not going to let CIO bosses and professional organizers from the East do their thinking — and voting — for them.

Grimes Asks Your Support in Race For County Judge

TO THE PEOPLE OF FLOYD COUNTY:

Again I wish to express my sincere appreciation to everyone who voted for me in the July Primary and to all those who have helped me in this campaign in anyway. You have my heartfelt thanks, and I earnestly solicit your help, as well as the help of all others, in the Second Primary.

I believe in securing all of the Farm-To-Market Roads (Free Roads) possible and believe that I can secure more of such roads. My Court secured and got built the first 41 miles of Farm-To-Market Roads in the County while I was County Judge before, and we secured about \$84,000.00 from the State to help build the Roads built out of the big Bond issue voted by the People. We are justly proud of this Record, and refer you to the Records for verification.

I believe in Honesty and fair dealing in Public Office as well as efficiency, and in all transactions I believe in saving the Taxpayers all the Money possible and especially at times when we need to lower Taxes as I think should be done now, or at least keep them from getting any higher. My four years previous experience in the office should be a great help in this matter. Having had more than 20 years experience in the practice of law as a Lawyer, I believe I am qualified to preside over the County Court. I believe in being fair to everybody.

I earnestly solicit your vote to this very important office, and if elected, I will be the County Judge of all Floyd County, as fair to everyone as I know how, and will do my best to fill the office to the very best of my ability. I will be in the Court House office of the County Judge to serve at all times. Your Vote and influence will be appreciated.

South Plains News

(By Mrs. Murray Julian)

SOUTH PLAINS, August 23. — School trustees announce the opening of South Plains school on Wednesday, September 1, with lunch served that day, and an all day session. Teachers for the coming school year, will be Mrs. O. Hewitt, grades 1 - 2; Mrs. Ray Smith, grades 3 - 4 - 5; and J. B. Thames, Jr., grades 6 - 7 - 8. The buses will run as usual on Monday morning the same day the Floydada schools open.

Showers over the weekend were spotted in this area. Saturday afternoon just sprinkles fell on the Webb, Sanders, and farms near that part of our section, with half an inch in other places, as the northern part of our community, on the Bryan Karr farm. On Sunday afternoon good rains fell west of South Plains with half inch at Fortenberrys, over an inch at Harry Hartmans and Elmo Reeves, with it lessening east of the town, with half an inch at Junior Calahans. None fell in the southern part on Sunday. On Monday showers fell again yielding about half an inch to three quarters around the Kenneth Bean farm. The southern portion of our community received very little from the weekend of rain.

South Plains was eliminated in the league softball play-offs on last Tuesday night when they lost by a score of 9 - 4 to Gulf Service. They had lost their opening game on Monday night when they were beaten by the Fire Boys in a game 6 - 4. The league championship was shared by Silverton and Fire Boys, who were tied 4 - 4, and were rained out.

Mr. and Mrs. H. L. Marble had as their guest, Horace's aunt, Mrs. W. B. Ford, who resides at Farmersville, Texas. Mrs. Ford spent last week with the Marbles.

A storage grain elevator is in the process of being built at South Plains near the present grain elevator. The new building will be approximately 200 by 40 feet, with a gable top. When the new elevator is completed, it should simplify the grain storage problem in our community.

Church News

Revival services closed on Sunday night at South Plains with good attendance noted during the week. Rev. Reuben Shaffer left for his home in Kirkland after the services, and singer Barney Rogers left for his home in Mt. Pleasant. Baptismal service will be announced.

Sunday. Brotherhood Encampment begins on Monday night with a steak supper and ends on Tuesday evening. Rev. W. S. Spearman and others from here plan to attend, and on Thursday and Friday the WMU ladies will hold their Encampment with a good program during their two days meeting. WMU will meet here at the church on Wednesday afternoon with bible study. Prayer service and the auxiliaries will meet Wednesday evening.

Mrs. R. G. Dunlap and Mrs. Grigsby Milton attended the tea in Floydada held in honor of Mrs. Roy Hollar on Thursday afternoon of last week. Mrs. Hollar is leaving the library, and we are all sorry to see her go.

Mr. and Mrs. George Weast left Wednesday morning for a vacation which will take them through Kansas and Colorado. They plan to visit his parents who reside in Garden City, Kansas, and visit friends in Trinidad and Denver, Colorado. They also will tour many scenic routes of Colorado.

Mr. and Mrs. Dock Jones had as their guests over the week end, Mrs. Una Burson, and Dock's mother, Mrs. A. J. Jones, both of Silverton. Mrs. Jones was a visitor in church on Sunday with her children.

Mrs. Bill Smith and children of Lockney came Wednesday to spend the afternoon and have supper with Mr. and Mrs. Owen Thornton and family.

Mr. and Mrs. Rex Smitherman, Kelly and new baby daughter Terri Bryn, were at church Sunday bringing the baby for her first appearance at church.

Mr. and Mrs. Ray Hulick and Jerry, of Albuquerque, New Mexico, arrived on Tuesday to spend that day and Wednesday with Mr. and Mrs. Murray Julian and sons. Mrs. Hulick is Mrs. Julian's niece, and Ray is a National Committeeman for the Rural Letter Carriers, who are this week having their annual National convention in Dallas, and which the Hulicks are now attending.

Mrs. Grigsby Milton and girls attended the 4-H Club annual dress revue which was held last Tuesday, August 17, in Floydada. Donita Milton and Sherlene Teeple were among the girls who entered dresses in the revue, and we are proud of their showing. Next year we are hoping many of our girls will compete for the nice prizes.

Several Cars Involved

Evangelist singer Barney Rogers left after church services on Sunday night for his home near Dallas. As he was travelling the Silverton highway near the Kinnibrough home he had the misfortune to be mixed up with some cars who were in a wreck and in the rain storm he hit one of the parked cars which mashed up the front of his car. No one was hurt in the wreck which involved several cars Sunday evening, about ten thirty.

Mr. and Mrs. John Key West, Dale and Winfred, with friends, Bobby Welborn and Rex Jones, of Floydada, left last Tuesday for a vacation in Ruidoso, New Mexico. They enjoyed several days relaxation and came home Sunday evening.

Mrs. Loyd Deavenport was a visitor in the home of Mr. and Mrs. Grigsby Milton on Monday of this week. Last Wednesday the Miltons spent the morning in Lubbock where they had a dental appointment for Barbara Sue.

Mr. and Mrs. Owen Thornton and family are planning to move to Lockney soon. They will resume their farming here, but since the buildings are to be sold near the elevator here, they will find them a place to live in Lockney. Youngs and Thorntons will both be moving to start the school season there and we will miss all our friends when they do go.

The Methodist church at Sterley will have their summer revival starting next Friday evening, August 27 at 8. Rev. Horace Krebbs of Floydada will preach. Everyone is cordially invited to attend morning or evening services.

Nathan Mulder is acting as host to a group of boy friends at his home on Tuesday night of this week. The boys will bring their cots and sleep outside. Nathan planned his slumber party for Monday night, but the rain made it impossible to have his friends then.

Mr. and Mrs. R. V. Bartlett, of Fort Worth, spent the weekend here with their parents, Mr. and Mrs. C. E. Bartlett. Saturday night they visited Mr. and Mrs. Otho Sanders sons and Martha.

Mrs. Zach Cummings was hostess to the visiting minister, Rev. Shaffer, and singer, Brother Rodgers, and Rev. and Mrs. W. S. Spearman and family on Sunday evening.

Janice, Judy and Mike Cook, of Amarillo, returned to their home Saturday after spending a week here with their grandparents, Mr. and Mrs. Fred Battey. Janice attended the Baptist encampment from Monday until Thursday. Their grandparents accompanied them home.

Mr. and Mrs. Frank McClure left with friends last Tuesday for Colorado where they are staying at Idaho Springs, Colorado, and taking tours from there to various spots of interest. They plan to be away on their vacation a week.

Mr. and Mrs. Walter Wood went to Sweetwater, Texas, on Sunday to attend the funeral of Mrs. Vernon Chappell, who had been in ill health for some years. She was the niece of Mrs. Wood, and with her husband had been living in Anchorage, Alaska, where he was stationed with the army. She died suddenly with a heart condition and was sent home for interment at Sweetwater. We offer our sympathy to the Woods, and all the family.

NO STORY HOUR SATURDAY

Election business will interfere once more with the library story hour at Floyd county library as it did on the first primary date in July.

Mrs. R. C. Henry of the 1929 Study club, sponsors, said the premises will be needed by the election officials. Story hour will be resumed again on September 4, Mrs. Henry said.

Cozby, sr., Dean Walls, Roy Meek and Martha, and Herbert and Hershell Irwin besides several children.

Mrs. Lee Burgett had two of her nieces to visit her Sunday. They were Mrs. A. B. Hardin and husband of Lubbock and Mrs. Marie Cox of Abilene. Mr. and Mrs. Carl Nelson and children of Floydada and Mr. and Mrs. Red Jordan and daughter of Hart were also visitors in the Burgett home.

Mr. and Mrs. Bill DuBois spent the weekend at Lamesa with Mr. and Mrs. Bud DuBois. They brought Larry and Sandra DuBois to the home of their grandparents, Mr. and Mrs. Edell DuBois to spend a week. Bill DuBois is getting about on crutches now and doing fine.

George Burgett was home from Wednesday until Friday visiting relatives. He left from Lubbock Friday by plane for Hickman Field in California where he will be awhile. Others visiting around with George during his leave and stay here were Mrs. Joe Jarweck and children of Plainsville, Kansas, Mr. and Mrs. Merle Mercer and children of Skellytown, Mr. and Mrs. Bill Burgett and family of Shallowater, Mr. and Mrs. Carl Nelson and family of Floydada and Mr. and Mrs. Red Jordan and daughter of Hart.

Mr. and Mrs. Walton Wilson and Judy went to Del City, Friday, August 13, where they visited until Sunday morning with her sister, Mrs. Ed Bullard and family. The Wilson's daughter, Mary Ann, who had been in that vicinity for the past 6 weeks doing missionary work returned home with them to stay until she goes to Lubbock where she will resume her studies at Tech college.

Mr. and Mrs. Ira Hall of Nashville, Tennessee, visited in the E. W. Walls home from Thursday until Saturday of the week of August 10. Mrs. Hall is a cousin of Mrs. Walls.

They all visited in the homes of Mrs. T. J. Jarboe and Mr. and Mrs. D. D. Tate of Lockney while here.

This coming Saturday is election day again. Let us all go to the polls and cast a vote for the candidate of our choice. Our country has given us that right so we should use it. Mr. and Mrs. Cecil Payne and C. J. returned home last weekend from a trip to Biloxi, Mississippi, to visit their son and family, Mr. and Mrs. Truett Payne.

Mr. and Mrs. Earl Huckabee and Sandra of Center visited Sunday August 15, with her sister and family, Mr. and Mrs. Lee W. Burton and children.

Mr. and Mrs. Lee Rushing left here August 9 for Lake City, Colorado, where they fished for five days. They then went to Colorado Springs for three days before returning home on Tuesday, August 19. On Saturday, August 21, Mr. and Mrs. Joe Rushing and children of Lubbock visited his parents.

Mr. and Mrs. E. W. Walls visited Monday night with Mr. and Mrs. Dean Walls.

Mr. and Mrs. L. B. Cozby, jr., and children, Christine and Bobby spent Sunday in Amarillo visiting in the home of Mr. and Mrs. Lewis Bullard.

Sunday August 15, Mr. and Mrs. Loyd Ownbey and daughters, Marcheta and Kaye and Mrs. C. D. Thacker of Levelland came to Floydada to visit Mrs. C. L. Joiner and Mrs. Clyde Bagwell. Later that same day Mrs. Joiner and Mrs. Bagwell returned to Levelland with them where they visited in the Ownbey home until Wednesday. Mrs. Ownbey then took them to Seminole to the home of Mr. and Mrs. Ira Bobo where they visited until Friday when Mrs. Bobo brought them back to Floydada. Enroute home they stopped in Lubbock where Mrs. Bagwell had a check-up at the Goodnight clinic.

Mr. and Mrs. Jim Stewart and Jim Dan went to Plainview Sunday where they spent the day in the home of Mrs. Stewart's cousin, Mrs. Dee Holt and Mr. Holt.

Mr. and Mrs. T. L. Perry and Jan had lunch Sunday with Mr. and Mrs. L. B. Cozby, sr.

T. Sgt. and Mrs. T. C. Goodman and children, Bruce, Linda and Nancy of San Marcus California came Friday night and left the children here with their grandparents Mr. and Mrs. L. B. Cozby while they went to Amarillo to be at the bedside of T. C.'s mother Mrs. Mary Chasteen who was quite ill. She is improving now.

Mrs. Odell Stapleton and Lewis Dell of Plainview visited Monday with Mrs. Jim Stewart.

Mr. and Mrs. R. E. Tackett and children, Norma, Wayne and Adrian of Tulsa, Oklahoma, were weekend guests of Mr. and Mrs. S. H. Tackett.

VOTE FOR W. E. GRIMES For COUNTY JUDGE OF FLOYD COUNTY On August 28th

Judge Grimes has had 20 years experience as a practicing attorney and is well qualified to preside over the Courts of Floyd County. His previous experience in county affairs also adds to his qualifications in handling of county business affairs. Judge Grimes has always stood for economy in government and has done his part to keep taxes as low as possible.

Judge Grimes as an advocate of farm-to-market roads and a check of his records while serving previously as county judge will reveal that he actively worked at the job of getting farm-to-market roads for this county.

When he took office Floyd County was at the bottom of the list in this district in priority for farm-to-market roads. When he went out of office the county was near the top among counties of the district.

Judge Grimes will move his office to the court house, should you see fit to elect him to this office, and will maintain that office at the court house at all times.

We urge you to vote for W. E. GRIMES for County Judge of Floyd County on August 28th.

(Political adv. paid for by friends of W. E. Grimes.)

Super HOME Market!

When your grocer has big sales, you can take full advantage of them with an electric home freezer. Yes, the freezer is a super home market, always ready with high quality foods purchased at quantity prices.

Still another freezer advantage is that you need never waste a scrap of food. There's real economy here, too, for waste uses up 10% of the average food budget.

Save food, money, and meal preparation time with an electric home freezer—an investment in good living.

McAdoo School Opens Monday

The McAdoo school will begin its 1954-55 term on Monday, August 30. The cafeteria will be open, and a short program will be held in the auditorium at 9 o'clock.

Following the program, books will be issued and instruction will begin and continue until 3:30 o'clock. Reason for staying all day the first day is that it may count on records as a full school day.

Henry Teague is again superintendent of McAdoo school. Other teachers include Fabian Lemly principal and coach; W. H. Moore, grade school principal; M. L. Preston, first and second grade; Mrs. Elias B. Lane, third and fourth grade and English; Mrs. Lillye Jo Brown, fifth and sixth grades and history; M. L. Preston, math and music; and Mrs. Sam Brown, home-making.

Other personnel of the school includes Mrs. John Woolley and Mrs. J. B. Barton, cafeteria; Miss Opal Nickles, tax collector; Mrs. E. L. Fulfer, custodian; Fabian Lemly, E. L. Pulfer, and Franklin Dickinson, bus drivers.

CROSBYTON. — The first bale of cotton for the 1954 season in this area was brought to the West Texas gin at Kilgary at 6:32 p.m. August 18, by W. W. McArthur.

Although ginned in Crosby county, the cotton was grown just over the line in Garza county. Mr. Seitz said. Mr. McArthur had land in four counties, Crosby, Kent, Dickens and Garza.

As A Farm Woman Thinks

(By Nellie Witt Spikes)

"No, I will not can anything this summer, or not much, I added. I have enough and in fact I just do not feel the urge to can so I will let it alone."

On my cabinet table this Monday morning are jars of tender white butterbeans, red tomatoes, purple grape juice and jelly, fiery red plums and slim green beans. At last the fever hit and an empty jar is a challenge to me. Ruby Gillon phoned the grapes were hanging in purple clusters, Wilda brought the red plums, Wilma gathered the beans and here I am canning just like mad.

Seems somehow the summer has not even been if I do not get the stains of grapes and plums on my aprons and cup towels, or hear the hiss of the canner. You see what I mean when I say I am still a farm woman and am very proud of it, altho I know I would have led a happy full life in town.

McCoy Reunion at MacKenzie Park yesterday. How wonderful it was to meet with these dear old friends once more even if the clouds did sprinkle us to the cars now and then.

Once more my dinner was spread with the McCoy women's best cooked food. I did not realize it so much at that time of my life when we lived on the edge of three fine communities, taking part in all, but I find we found the pot of gold at the foot of the rainbow in the love and happiness these friends of the three communities give to us.

To McCoy school our three children rode on horseback, or in an old Spaulding hack pulled with one big horse. They had a footwarmer at their feet and an old well saggan over their laps, their dinner in a thin bucket in the hack, or tied on the saddle if they went horseback. Three and one-half miles it was through the cold and the heat and the sandstorms.

Two years they attended the school at Farmer, four miles to our south. We belonged to the Methodist church at Cone, we belonged to a wide area, we still belong and will always belong, thank God.

From near and far these friends came, from sunny California, beautiful Arizona, Oklahoma and all over Texas, coming for one day of remembering and living a day from the past. The McSpaddens, the Smiths, the Berrys and Lincolns, Cummins, Days, Pittmans, Pharrs, McDermetts, Nortons, and Pucketts. We shook hands and had to be told who some were, most of them knowing us as we were older. Paynes, Jacksons, Cox's, how good to see

them and their children and grandchildren once more.

I know I am leaving some out but you will read their names in the list of the McCoy Reunion. And there were the Wilsons, Raymond Hurst and even Mr. and Mrs. Ed Holmes slipped in as did the Albert Clubbe from Petersburg. A great day, a good day, one to make one's heart glow and help the lonely days ahead for the shut-in time of life to be happier.

God bless all of you, dear friends and may we meet again next year.

The McCoy bunch was hard to find as we went in at the south end, we looked at the signs of the reunion groups, the Millers, the Moores, the Phillips, we asked when we did not see a sign, we went over a slippery detour and there we saw Mr. Newkirk from Floydada and knew we were at home.

Of course we could have stopped at our reunion and made out we were some distance cousin, maybe getting to eat our dinner before they found out our fraud. But we could have been perfectly at home with the Comanche Reunion for many of our friends are from that place.

We know Mrs. George Wilson had her thoughts and her heart with that Reunion as well as with the McCoy as she lay in her hospital bed at the Spikes, Holmes Clinic in Ralls. We knew she was happy that others could meet and talk and eat together again tho she took her food from a tray the kind nurse brought. Next year, Mrs. Wilson we hope you can be with the others at MacKenzie park. You are so very patient and sweet and good, God bless you and yours and the ones who are taking such good care of you.

Beauchamps Have Been Wed 60 Years

MATADOR August 19. — Mr and Mrs. A. D. Beauchamp, Motley pioneers, observed their 62nd wedding anniversary quietly Wednesday last week, at their ranch home east of Matador, where they have lived since 1929. Their first home when they came to this county in 1899 was in a dug-out on a section of land near Teepee creek, on which they filed.

"Dub" Beauchamp and Miss Victoria Lavada Kennedy were married August 18, 1892, at Jacksboro, Texas when he returned there after having worked as a cowpuncher for two years for the late A. B. Echols.

Mr. and Mrs. Beauchamp celebrated their golden wedding anniversary in 1942, with a barbecue at their ranch home, and two years ago their 60th anniversary was held in the Traweck hospital, where Mrs. Beauchamp was recovering from a serious illness.

First Bales at Spur, Crosbyton

SPUR. — The first bale of cotton, closely followed by the second bale, rolled out of the Massey gin August 18 to open the 1954 ginning season in Spur.

George Austin brought in the first bale, a 455 pounder, followed shortly by D. C. Browning.

Mr. and Mrs. O. T. Tice of Floydada, Route 2, are the parents of a daughter. The little girl was named Brenda Carol and weighed six pounds, five ounces. She was born August 16 in Crosbyton hospital.

ALLEN FAMILY RE-UNION HELD AT COLORADO CITY

A family re-union for the descendants of the Allen family was held at Colorado City, Texas in the China Grove community at the home of Mr. and Mrs. L. S. Allen, on Sunday, August 22.

Those attending were Mr. and Mrs. Oliver Allen, Floydada, Mr. and Mrs. L. T. Allen, Ballinger, Mr. and Mrs. Tull Johnson, Valley Mills, Mr. and Mrs. Joe P. Allen and sons, Colorado City, Mr. and Mrs. J. A. Murphy, Lubbock, Mr. and Mrs. Joyce W. Crockett and Mr. and Mrs. Bob Allen and Gary, Norton, and Mr. and Mrs. Floyd M. Norris, Waco.

VOTED MANY YEARS BEFORE WOMAN SUFFRAGE IN TEXAS

Though most Floyd county women have been voting only since 1919 one resident of this community who will participate in Saturday's primary cast her first vote a quarter of a century before Texas women became legal voters.

She is Mrs. R. H. Willis, who in 1895 or 1896 voted, of course, but in Colorado where woman suffrage was the law.

After her return to Texas from Colorado Mrs. Willis was disfranchised for several years before the state adopted woman suffrage.

IT'S A BOY AT SPEARS HOME

Mr. and Mrs. George Spears are the parents of a son, born Friday afternoon, August 20 at Methodist hospital in Lubbock. The boy was named William Craig. He weighed six pounds, 11 ounces.

Mr. and Mrs. L. W. Queen left Sunday for a vacation trip to points in New Mexico. Mr. Queen is watch repairman at Solomon's Jewelry.

Susan Jackson of Hale Center spent last week with her grandparents, Mr. and Mrs. A. C. Jackson.

Elwood Walters and son, Joe, are vacationing this week in parts of Oklahoma.

Mr. and Mrs. S. L. Powell left Sunday for Dallas where Mr. Powell is to attend the Rural Letter carriers convention. Mrs. Powell will visit with a daughter, Mrs. Travis Ray and family, of Grand Prairie. Mr. and Mrs. Powell plan to be gone all week.

Mr. and Mrs. Bill Darden and children returned home Sunday from a trip to Fort Worth, Dallas, and Meridian. They visited with Mr. Darden's mother, Mrs. T. L. Darden in Meridian and a sister of Mrs. Darden, Mrs. Travis Ray and family in Grand Prairie.

Mrs. Bob Lloyd underwent appendectomy Saturday at Peoples hospital. Reports were that she was doing fine Monday.

Miss Leila Petty Home Demonstration agent, is in Hillboro this week vacationing with friends and relatives.

Disaster Relief
 programs, hay and...
 stockmen in this country are anxious for any kind of help to keep their cattle going. I have a few head of cows and calves and a few goats and will need about 120 bales of hay for the next 60 days.
 "But I can't depend on hay alone. Last year I had to burn the spines off prickly pears and feed them to my cattle. I'm going to be out there burning those prickly pears again this year."
 E. B. Stiles, farmer-rancher of Hamilton County: "It couldn't be dryer in this country. In an ordinary year I usually make from 3,000 to 5,000 bales of hay for winter feed. All I have this year is 30 bales of Johnson Grass which was cut from along the edge of the highway near my place."

W. G. Barkley, vice president of Hamilton National Bank: "I've been in this country since 1910. It never looked this bad for farmers and ranchers before."
 "The new hay program isn't going to help much. Our dairy and poultry men are suffering too. Farmers are worrying about the sudden increases in hay costs since the program was announced."
 Cecil Brown, San Saba County rancher: "If I can't get some hay cheap, I will just have to sell out this year. I have 300 head of cattle here and no grass. The last time I had a good rain was two years ago."

News of Harmony
 (By Mrs. Mather Carr)
 HARMONY, August 23—Mr. and Mrs. Glenn Pool have spent a great deal of their time in Lubbock at West Texas hospital where Mr. Pool's father is a patient. He underwent major surgery some three weeks ago and has not been doing too well.
 Wright Scott will leave before long for college at Kerrville. Wright won a scholarship.
 Several of the girls in 4-H attended the dress review in Floydada Tuesday evening. Sherry Ramsey won second place in her class. Lajuana Sue Williams won second and Dwana Beth Scott won third place in their class. All girls who entered a dress were given a dollar.
 Mrs. W. U. O'Kelley, Mr. and Mrs. Freddy and daughter, Ann, and Mr. and Mrs. Case of Matador attended the service at the chapel Thursday night. Mrs. O'Kelley attended also Friday night and Bro. O'Kelley returned home with her for the night. Mrs. O'Kelley, son and daughter attended services Saturday night. We were glad to have our former pastor hold the meeting and his family to visit the church services.
 Mrs. Hennessee of Floydada was a visitor at the service Friday night. Mr. and Mrs. Mather Carr and Horace visited Mrs. Mattie Heard and Miss Anna Carr of Petersburg Tuesday.
 Mrs. Wes Carpenter made a trip to Matador, Friday.
 Mr. and Mrs. Chloma Williams made a trip to Roaring Springs, Saturday.

 Attending the rites from here were Mr. and Mrs. H. B. Mankins their daughter, Mrs. Grady McAda and daughter, Tatumcari New Mexico, Mrs. D. W. Burke, and Mr. and Mrs. Carl Denison.

McAdoo Celebrates Highway Opening
 MATADOR — Friendly West Texas reception was extended at McAdoo to the approximately 20-car caravan of trade boosters from Roaring Springs and Matador upon arrival in the Plains August 18.
 Object of the trip was to congratulate McAdoo upon the opening of Farm Road 1441 east to intersect State Highway 70, and to extend an invitation to the residents of the area to trade in Roaring Springs and Matador. The caravan was sponsored by the Lions club of the two towns.
 Free pop and souvenirs were distributed by the boosters. Forrest Campbell, president of the Community Associates of Matador, was chairman of the important program. He introduced Mayor W. L. McWilliams of Matador and Representative Elbert Reeves, who in turn introduced the principal speaker, Marshall Formby, one of the three-member State Highway commission.
 Mrs. O. E. Murry returned home Wednesday of last week from a five-week vacation trip in California. She was guest in the home of a son, Floyd and family of Orange California. While there Floyd's twin brother, Lloyd and family of Whitney, Nevada, came for a visit. Mrs. Murry also spent some time with a brother, Joe M. Day and family of Long Beach.
