

School Was Built on Faith By Pioneers

(An institution that profoundly affected the social and religious life of Floyd County for approximately the first quarter century after its organization was Lockney Christian College, and many of the families now resident in the county trace their lineage back to the men and women who "came west at the turn of the century to rear their families under its influence." Alma Holmes, who tells this brief story of the early struggles of the men who carried bibles instead of six-shooters, is the daughter of C. W. (Charley) Smith, co-founder—Ed. Note)

(By Alma Holmes)

In 1894, S. W. Smith, a Church of Christ preacher of Lubbock, urged C. W. (Uncle Charlie) Smith of

Floyd County to help establish a church school in Lubbock. C. W. Smith insisted that Floyd County would be a better place, whereupon the Smiths prospected in Floydada but were met with indifference since the "Floyd County Times" treated the project lightly and the church people felt the school would be too big a burden.

The Smiths were determined in their efforts to locate the school in Floyd County, however, and they did receive encouragement at Lockney. They acquired a 160-acre tract of land from J. C. White and one from A. B. Bell located about two miles from that day's Lockney.

J. A. Baker offered to move his General Store and the Post Office from the first town site to the new

one. This announcement appeared in the "Lockney Ledger." To the brotherhood and friends of the Lockney Christian College in which was set forth the need of sympathy, influence and patronage to make this laudable enterprise a success and the purpose that "we intend its influence to be more than local and hope the whole of Floyd County to take pride and interest in the work."

BECAUSE OF the founding of the church school, many people were induced to locate at Lockney and the remnant of the now defunct town of Delia Plains and Mayshas helped to swell the population of Lockney.

At this time the Staked Plains was suffering a serious setback because of the drought and financial crisis which prevailed over the country after 1893. Lockney's demand for houses was in part supplied by the purchase and removal of a number of Floydada's houses that were unoccupied. Quite naturally, a town rivalry in Floyd County arose.

The first term of school opened October 2, 1894, in a two room dwelling, with 16 pupils enrolled. J. D. Burleson and his wife, Sadie, were the teachers.

USING THEIR own funds to finance a building program for the school, the Smiths had a two-story structure — 34 feet wide and 48 feet long and 18 feet high — with limited blackboard space and home-made desks ready for the second term. Ninety-eight pupils enrolled in September of 1895. G. H. P. Showalter was chosen president.

The Smiths' intense faith in their project and in the great Staked Plains was clearly shown in the advertising campaign put on in all church papers and in the "Lockney Ledger." This circular was widely distributed by preachers in their evangelistic travels in the summer of 1896.

children for the practical duties of life. We earnestly oppose foolishness and extravagance. We desire to impress every student with the true idea of life and a deep earnest desire to secure useful knowledge.

LOCATION: Our school is located in the small but thriving town of Lockney, on the Great Staked Plains of Texas, in the midst of one of the finest stock raising counties of the West. The county is noted for fine gardens and small truck farming, mostly raised from wind-mill irrigation which is a success. Feed crops are also successful. Health is of the best, sickness almost unknown. Soil is good, grass fine, and as good water as can be found in the State, and we have room for you if you want a home on the Plains.

SOCIETY: Society is as good as can be found in the State. Our town is entirely free from saloons and their attendant evil influences. Our people are thrifty, social, religious, and of average intelligence.

BUILDING: Our building is good and substantial, with two rooms 24x44, capable of accommodating 180 students. Arrangements have been made so that the free school will connect with the regular term that all children entitled may have the benefit of the free school.

RULES: These rules must be observed and all patrons are requested to help enforce them:

1. No swearing nor obscene language is to be allowed on the play grounds or about the school rooms.
2. Students will not be allowed to attend any immoral gathering.
3. That all pupils be prompt in

attendance at the opening of school every morning.

4. That each pupil study some at nights.
5. That students do not visit among the school. (This however is but a request to parents.)
6. That all students come directly to school from home and return from school directly home.

All children placed in our school will receive special care and we will put them to work in a way that will meet your approval.

TUITION: Tuition will be \$1.50 to \$3.00 per scholar, according to grade. Half in advance or satisfactory arrangements made with trustees.

BOARD: Board can be had in good private families at from \$3.00 to \$10.00 per month.

OUR INVITATION: You are invited; if you want a home come to the Plains.

If you are sick, come to the Plains. If you want to find a good permanent school with other advantages, come to Lockney.

If you want to raise small fruits and fine gardens, come to Lockney. If you want to raise stock, get a ranch on the Plains and move your family to Lockney, where they can have Church and school privileges.

If you want to help a good earnest work, send your contribution to the Lockney Christian College.

If you want any information about the Plains, Floyd County or Lockney, write us.

J. D. Burleson, Principal.
S. W. Smith, C. W. Smith, Directors.

The Lockney Christian College was run to conform with the purpose of its founders until 1918 when its doors closed because of World War I.

George Mickey (son of Sallie Mickey) was the last President. Bro Mickey now lives at Albuquerque, N. M., and is still active in the work of the church.

Methodist Men Plan For Summer Months

Methodist men's brotherhood of the Floydada church elected new officers for the year at their meeting last Tuesday night. Rush Wheeler will serve the group as president, Arthur Wylie, vice-president, and Milton Weems, secretary-treasurer. Wheeler announced this week the group will meet for an early morning breakfast and program on the third Tuesday of each month throughout the summer months.

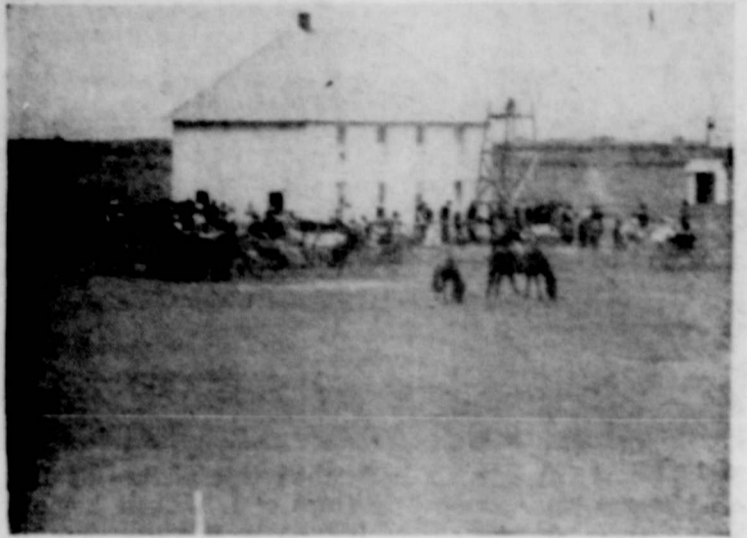

The new officers will serve starting with the meeting in June which will be held on Tuesday June 19.

Allens To Attend Baptist Convention

Dr. and Mrs. R. Earl Allen will leave by plane Monday for Kansas City, Mo., where they will attend sessions of the Southern Baptist Convention, lasting through Friday night.

The couple plan to be home the following Saturday.

No mid-week prayer service will be held at the First Baptist Church Wednesday night due to the sunset memorial service at Floydada Cemetery on Memorial Day, the church pastor said.

Lockney Christian College as it appeared in 1895 when S. W. and C. W. Smith (no relation) had finished with a school which they hoped would furnish educational facilities under Christian influence. The pioneer style picture was made on a date when a gospel meeting was in progress. Site is where the present city auditorium stands in Lockney.

In 1909 Lockney Christian College was in the heyday of its quarter century span. Built of concrete by public subscription to take the place of the wooden building which served for 14 years before, it was attended by many of the present-day grandfathers and grandmothers who lived in the county. There was an "in-between" period between the first and the second picture when there was an addition to the original frame structure. Apparently there are no pictures of this building extant.

This quintet of bible-carrying men were the driving force behind the establishment of Lockney Christian College. Seated left is S. W. Smith who lived at Lubbock at the time. Right, seated, is A. J. McCarty an evangelist. Standing, left to right, is C. W. Smith with J. D. Burleson and P. B. Johnson, teachers of the school. This picture was made prior to 1898, probably in 1895. (pictures borrowed from Mrs. L. M. Honea and Mrs. Alex Norris of Lockney.)

Bulletin of the "Lockney Christian College" 1896 — 1896

THE SECOND SESSION Of the LOCKNEY CHRISTIAN COLLEGE WILL BEGIN ON THE FIRST MONDAY IN SEPTEMBER 1896 WILL CONTINUE TEN MONTHS CLOSING ON JUNE 14th, 1896

THIS SCHOOL was opened for work on the first Monday in October, 1894, with an enrollment of 15 pupils, and was placed in charge of Prof. J. D. Burleson and wife. It steadily increased in number from the beginning and has just closed a very satisfactory term of nine months without missing a single day and with an enrollment of forty-six students at the close.

OBJECT: The school was not organized as a money-making institution, but to do good and fill a much needed want among the people of the Plains in preparing our

The bulk of the crop will be ready June 10 or later. Late yesterday Producers Elevator reported a load of 41 bushels of wheat from a trial run in Wm. Bertrand's crop at Lakeview. Moisture content was rather high, Roe Jones said. However, it appears the wheat will be ready for harvest by the week-end.

Urges Compulsory Counseling For Engaged Couples

"The time to save marriages is before they take place," says Dr. Felix H. Zaffiro, minister and marriage counselor. After ten years' contact with tormented couples, he has worked out what he considers the only answer to the marriage problems that beset our times, he told Vivian Gadden on Redbook Magazine. His proposal is compulsory premarital counseling, and his arguments in its favor, in the April issue, are realistic and challenging.

"Tormented marriages often come to a Methodist church in Birmingham, N. Y. Ten years of contact with these troubled people have made me feel that every young couple should be required to have premarital counseling in much the same way that in most states they are required, before marrying, to have a Wassermann test for venereal disease.

Progress Made For Recreation

Plans were about nailed down this week on two phases of the community's summer recreation program. June 4 has been set as the date to open the sub-teen youth center which will feature one night a week of planned recreation for sixth and seventh grades. At a recent meeting at the Chamber of Commerce office Mrs. Wayne Batley was named chairman of a planning committee. Other members of which are Mrs. W. S. Patrick, Mrs. Orville Marler and Mrs. Greer Christian.

The youth center for sub teens will probably be at the American Legion building, committee members say. The first night will be a get acquainted party with games and refreshments.

The Senior Citizen group met yesterday and made their plans to give the older citizens of the community an opportunity for extra recreation.

Local Lions Attend District Convention

Kenneth Bain Jr., president of Floydada Lions Club, E. A. Williams, tail twister of the local club, and Lions Sweetheart Joyce Hammonds attended the District Convention of Lions Club at Amarillo last week-end.

Bain and Williams went as delegates of the club and Miss Hammonds was a guest of honor at the queen's reception and festivities for the young ladies from over the Panhandle of Texas.

The group reported a fine convention and expressed regret that other members were unable to attend.

Change in Commercial Beef Grade Announced

Effective June 1, 1956, the commercial grade beef will be divided into two new grades designated as Standard and Commercial.

The Standard grade will be applied to beef from younger animals while the name Commercial will be retained by beef from mature animals falling in the present Commercial grade. The present Commercial grades of beef are Prime, Choice, Good, Commercial, Utility, Cutter and Canner.

According to the USDA announcement the revision was originally recommended by the Cattle and Beef Industry Committee. Comments from individuals and organizations favored the change. It was the opinion of the Committee that it is impractical to merchandise, under the same grade designation, beef from young animals which may qualify for the Commercial grade with only a small quantity of fat together with beef from much older animals which is required to have a much greater degree of fatness. Also in some parts of the country where substantial portions of the younger type of Commercial beef are produced and consumed, it is believed that some of this type of beef is not now being federally graded because of prejudice against the name "Commercial" which has come to be associated with beef from older animals.

A sheep rancher suddenly struck it rich. His first purchase was a Cadillac limousine. On his next trip into town, the dealer meeting him on the street inquired how he liked the car.

"Say, fella," said the sheepman, "that there is a real nice automobile. Sure do like that vinder back of the front seat."

"How's that?" said the salesman.

"You don't have a chauffeur!"

"Don't need no chauffeur, sonny," said the sheepman, "but that winder keeps the sheep from licking my neck when I'm taking 'em to market."

Benile Delinquency - 1890

BY ALMA HOLMES

When their parents frantic back in the days of the school building and they "talked" to the school.

signed confessions of four Floyd students. They were enrolled in the College in the early days of Floyd.

J. T. McLain, 1897-1900

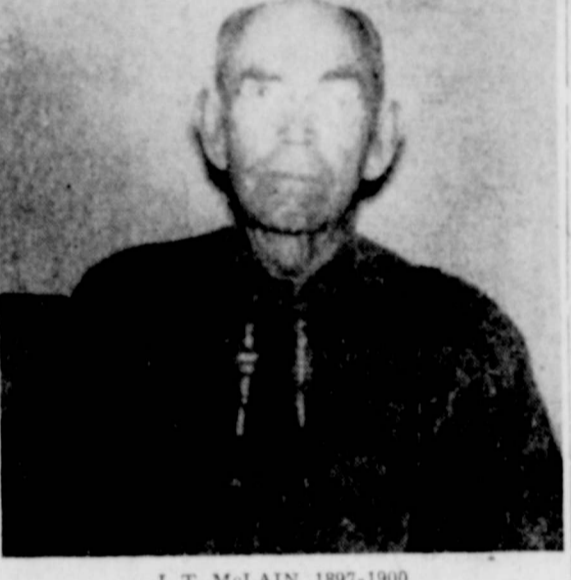

Tom McLain of Floydada is an ex-student of the Lockney Christian College. Tom's father, J. S. McLain, was the Floyd County Tax Collector at that time.

Tom thinks the biggest joke of all was that they let him attend college at all. He swears that he attended school only 19 days one term. Playing hooky? Why yes! Stayed home and worked on the farm.

"We had a lot of fun, said Tom. It was against the rule to write notes in school, but one year the 'note writing' got awful bad. When you broke a rule, you were supposed to be expelled from school, but there were so many off writing notes that if they expelled us, it would have broken up the school.

"THE TEACHERS decided that everyone who had broken the rule would have to get up in public and make an apology. Kids began to pop up all over the auditorium, saying 'I'm sorry, I'm sorry.' Fannie Rucker (Mrs. J. B. Jenkins of Floydada) got up and said, 'I'm sorry I have been writing notes and if you will forgive me, I'll never do it again.' When Fannie said that everybody in the room turned and looked at a great big ol' overgrown boy sitting on the back seat. This boy weighed around 222 lbs. and he wore a fancy little mustache. We all knew that after a struggle he managed to get up and, holding on to the back of the seat in front of him, he said, in a weak little voice, 'I'm sorry I wrote a note to Fannie.' Then he sat down.

"Football was a new game in those days . . . pretty rough . . . we didn't have any uniforms and after I tore up about three pair of pants, my ma made me stop. However, a year or two later the college did boast a good football team."

J. T. McLain, 1897-1900

CARL W. SMITH, 1902-9

SMITH, who works with the Bible Chair, State College in Canyon—son of the Lockney Christian College has this to say: "The kids are not much different now. I recall many incidents from the old college, some very amusing.

They wrecked the school house one night. Ed and Romilines Jones (both prominent now) were the janitors at the school. Ed and Romilines got into an argument about wrestling . . . Finally they got one of the coal burning stoves; they stove over and pipes came down with them. They were black as 'niggers' . . . but that was the end of the argument too.

Barley Mickey's ink bottle froze up. He took it on top of the stove, mashed the bottle and went back to his desk. Wasn't until the ink exploded with a bang and splashed and some very excited kids.

had certain rules. Boys and girls could not be on social nights. One boy broke the rule at a party. Some teachers heard of it and went to the school superintendent. The next day he asked the boy to make public penitence of his wrong. The boy stated he broke the rule. Professor German he asked sorry he went to the party. He asked a good time."

DA BAKER HONEA, 1894-1902

going to school at the Old Lockney College," said Meda. "Liked to have lost one day right out on the school ground. I got mad at me because I turned him out of class. When we went out to play I picked up a big block of wood and threw it on the toe. My toe bled like a stuck pig went bare foot to school those days.

of those days. There was one gal in our class. Long dark hair, big dark eyes. She rode a horse to school with a side saddle. Afternoon when school turned out all could help her necks trying to get out to the rules on her side saddle.

that supposed to go to parties during the day out of town gave a party, tho, and I had wheel back. Well, before you could come home with kids and we slipped out. Coming home that night, one of the boys said, 'I saw Mrs. Bob's horse in the morning springs,' said, 'Well, they never thought us if it hadn't been for that old horse'."

ETHELYN BROYLES McADAMS, 1898-1910

ETHELYN BROYLES McAdams of Lockney was one of five students who took part in the first commencement exercises ever held at the Lockney Christian College and Bible School. Ethelyn is the daughter of W. L. Broyles who was an early day farmer, a lumber dealer and a preacher.

Ethelyn remembers that her family came to Floyd County in 1894, the year they were building the Lockney Christian College.

"We lived way out on the farm and every day Papa would go to town to work on the school house. Sometimes Mama would get so lonesome that she would pack a big dinner and we would all go and spend the day at the school building site. We kids had lots of fun playing with the scraps of wood.

"I didn't start to school until 1898, but I was in the first graduating exercises ever held at the college. Other members of that class were John Sams, Charles McLaughlin, Amelia Turner and Celia Whit.

"We didn't have a midnight party, but white lace have seen the dress I wore! Real fancy, white lace and embroidery sewed together in tucks all the way down the front, and it had long, long sleeves.

"J. L. German was my favorite professor and I am sure he has inspired me to better things all my life.

"All members of the class were required to make a speech on the graduating program. The subject of mine was 'Women's Sphere.' I still have a copy of that speech. The last lines went like this:

"They talk about a woman's sphere, as though it had a limit. There's not a place in earth or heaven. There's not a whispered 'yes' or 'no'. There's not a life; there's not a birth. There's not a feather's weight of worth. Without a woman in it."

WEDDING BELLS WILL RING Nuptial Plans of Couples Call For Ceremonies in May and June

Wedding bells ring all year long, but they have a louder peal in late May and June.

This seems to be the forecast for many couples that have lived in Floydada the biggest part of their lives or who have grandmothers, aunts, cousins, etc., who are interested in the brides-to-be and the

prospective bride-grooms. This evening Miss Betty Martin, daughter of Mrs. J. G. Martin will become the bride of Wilton Green, son of Mrs. Annie Green, at 7 o'clock in the Chapel of the First Baptist Church.

On Saturday evening, Miss Nellie Neff, daughter of Mr. and Mrs. B. P. Neff, will be married to Jack Johnson, son of Mr. and Mrs. W. A. Johnson, at the New Salem Baptist Church.

Miss Sarah Mickey, daughter of Mr. and Mrs. Everitt Mickey of Amarillo, whose family is well known in Floyd County, will become the bride of Bill Hudson, son of Mr. and Mrs. Euclid Hudson of Fort Arthur, on May 29 at 6:30 p. m. in the Lubbock View Christian Church.

On Saturday, June 2, there will be a lot of "I do's" heard. Miss Jo Earp, daughter of Mr. and Mrs. Joe Earp, will become the bride of J. E. Boggs, son of Mr. and Mrs. Roma

Boggs, in the Kress Baptist Church at 2 o'clock.

Miss Carol Reeves, daughter of Mr. and Mrs. S. M. Reeves and Ted Bell will be married in the First Baptist Church of Floydada.

Wedding vows for Miss Becky Potts, daughter of Mr. and Mrs. James F. Potts, and Bobby Durham, son of Mr. and Mrs. E. I. Durham, will be read on June 2 at the home of the bride's parents, 721 West Tennessee.

On Sunday, June 3, Miss Nita Jo Lightfoot, daughter of Mr. and Mrs. W. T. Lightfoot, and Billy Carmack, son of Mr. and Mrs. C. B. Carmack, will be married at the First Christian Church.

Miss Dorothy Duncan, daughter of Mr. and Mrs. S. E. Duncan Jr., and Bill Dewberry, son of Mrs. Rosa Dewberry of Plainview, will be married on June 3 at the Chapel of the First Baptist Church.

The Fairview Baptist Church will be the scene of the wedding on June 3 of Miss Mary Ann Wilson, daughter of Mr. and Mrs. Waiton B. Wilson, and James W. Mallard Jr., son of Mr. and Mrs. James W. Mallard Sr., of Alpine.

Wedding vows for Miss Linda Gayle Clark, daughter of Mr. and Mrs. L. L. Clark Jr., and J. E. Waller, son of Mr. and Mrs. H. S. Waller, will be read on June 10 at the First Methodist Church.

St. John's Methodist Church of Lubbock will be the scene of the wedding of Miss Carolyn Taylor, daughter of Mr. and Mrs. O. L. Taylor of Lubbock and Jack Sloan Badgett, son of Mr. and Mrs. D. R. Badgett of this city. The vows will be read at 8 o'clock on Friday, June 15.

Twenty-Two Club Concludes Year

The 1922 Study Club met in the home of Mrs. Lee Rushing last Thursday afternoon for their last meeting of the year.

Mrs. E. L. Norman, president of

the club, presided during the meeting.

Mrs. S. J. Latta was program chairman for the afternoon. She gave a talk on "Doors to Recreation", discussing the subject for all ages. Mrs. C. W. Denison led the group in games for various occasions.

Those present were Mesdames W. H. Bethel, Hollis Bond, Alton Chapman, C. W. Denison, Sam Green, Tate Jones, A. H. Krea, S. J. Latta, J. D. McBrien, E. L. Norman, R. M. Stovall, W. W. Trapp and the hostess, Mrs. Rushing.

Brotherhood Has Boys As Guests

The Baptist Brotherhood had boys of the community as their guests at their Monday night meeting, held at the Baptist Encampment.

T. L. Holland, president of the Brotherhood, said that 200 men and boys were present, the boys coming early for swimming and baseball.

Barbecue and beans were the principal dishes at the evening meal. The assembly heard Rev. John Rankin, of Amherst, Plains Assembly director of youth camps, and Dr. J. I. Bishop, of Wayland College, former southwide director of boys work for the Southern Baptist Convention.

Don Boothe Rites Said at Dimmitt

Funeral service for Lt. Don Carol Boothe, 25, son of Mr. and Mrs. C. A. Boothe, 808 Mississippi, Amarillo, was conducted Sunday afternoon at 2:30 o'clock in the First Baptist Church of Dimmitt with Dr. James P. Cornett officiating, assisted by Rev. George Ray. Burial was made in Castro Memorial Gardens, Dimmitt.

Don was born Sept. 11, 1931, and was killed in a plane crash on Guam May 7.

His immediate family surviving him includes his parents and two brothers, Phil and Ogden.

MEMORIAL SERVICE PLANNED FOR NEXT WEDNESDAY NIGHT

Floydada Rebekah Lodge No. 77 met in regular session Tuesday night of this week with Carolyn Hammitt, district deputy president, in charge. Members reported on the sick list were Deon Withney, Pauline Webb, Joy Hilbery and Madge Jones.

The Odd Fellows and Rebekah Lodges will hold a memorial service for their departed sisters and brothers at the Calvary Baptist Church on Wednesday night, May 30, at 8:30 o'clock. The public is cordially invited.

Faster, Cleaner Start for Your Crops with a Champion ROTARY CULTIVATOR

Better Cultivation Pays Off in Yields

The CHAMPION Rotary Cultivator is the best insurance toward a bigger, safer harvest. The flexible sections, with off-set, cross-cut action knocks out weeds, breaks up crust and clods, and saves the moisture for growing crops.

End sections fold up. Coupling is adjustable for close turns. Hitches can be reversed for transport and crust breaking only. Construction is rugged, for years of trouble-free service.

Come in and see for yourself how this CHAMPION Rotary Cultivator will make money for you. It's the cultivating tool that gives your crops a faster, cleaner start to the biggest yields ever.

Jury Is Unable To Get Verdict In Wiley Case

The jury in the M. W. Wiley trial in federal court at Lubbock Monday told Judge Joe B. Dooley they were hopelessly deadlocked and were dismissed in mid-afternoon. They stood 10 to 2 but the judge did not ask them whether the majority was for conviction or acquittal.

The former Lockney banker, who was president of the First National Bank there from 1949 to August of 1955, was charged by indictment on 11 counts, seven for embezzlement and four for false entries on the bank's record.

The case was docketed for re-trial in November.

The trial started Tuesday of last week. In addition to the defendant, nearly 25 other witnesses were heard, among them Tom L. Sneed, Arlon Miller and John B. Stapleton of Floydada, W. L. Miller, Mrs. Lillie Anderson, John M. Hollums, Joe Wilson and Roy E. Brown of Lockney.

The government alleged the embezzlements totaled \$4,432.

CHARLES JULIAN CITED AS OUTSTANDING IN ROTC

Charles Julian, son of Mr. and Mrs. Murray Julian of South Plains, is one of six West Texas College cadets who have been designated "distinguished military students" of the ROTC unit there for this year.

His selection was based on outstanding qualities of leadership, aptitude for military service, and academic standing in the upper half of his class.

Charles will go to camp at Fort Hood for further training in June.

The case hinged on the question of whether the handling of the funds was a matter of bad intent or bad judgment, Judge Dooley said.

MR. WILEY'S explanation of the handling of the funds was that the entries not shown on the bank records went into a special fund from which loans were made to worthy customers who had reached their borrowing limit with the bank, but who needed further financial aid to carry on their businesses or continue operation of their farms.

During his tenure Mr. Wiley owned 696 of the bank's 1,000 outstanding shares of stock, the institution prospering astonishingly under his management.

Antiques in Windows

Antiques this year in the downtown windows will be sorted among the stores in line with things the stores sell now.

Mrs. C. A. Caffee, chairman of the antiques committee, said at least 10 windows will have antiques of interest, some of them unusual, some heirlooms. For instance:

Antique and heirloom dishes at the Radio Electric Company shop.

An excellent display of quilts in the windows at Beal's.

A display of guns, churns, brass knuckles and the like at Roberts Hardware.

Fans and dolls display at Norman's.

Jewelry and clocks in the windows of Bradfords and Solomons.

Pioneer pictures at House of Skaggs and Duncan Abstract Company.

The committee also is working on some things for some of the other windows.

Music for Dance

A "trial run" will be made at the new "platform" on the court house square Saturday night. At this dance both young and old will dance to the music of the Stevens Band of McAdoo. This band also will play for the pioneers at their old-fashioned dance late Monday afternoon and night. A. T. Swepton and R. I. Bennett of the platform committee indicate that donations to help pay for the new concrete floor are still needed.

Added attraction of interest to the dancing public for Monday night will be a dance at the VFW Hall, sponsored by the service men's organization, Miller Bros. Western Swing Band will play for this dance.

TURNER TRUCK IS SIDE-SWIPPED EAST OF PADUCAH

A V. D. Turner merchandise transfer truck driven by S. D. Medley was damaged Friday east of Paducah while enroute to Floydada when it was side-swiped.

The truck was damaged a probable \$1,500 but none of the merchandise was lost.

A truck loaded with a combine traveling east did the damage, Medley said.

Mortuary Fund Stocks Cashed

F. C. Harmon of the Harmon Life Insurance Company this week said that all the new requirements of the Texas Insurance Commission, Life Division, had been met by his company.

Final papers were mailed to Austin last week-end.

A complete audit of the books of the company by a certified public accountant was one of the requirements met. Ema Cummings, of Canyon, made this audit for the company.

Another requirement, that not more than a small per cent of the assets of the company's mortuary fund can be invested in the stock or bonds of any one company, made it necessary for the Harmon Life Insurance Company to liquidate their holdings of this nature.

Approximately \$15,500 worth of these bonds and savings certificates were cashed. The mortuary fund of the company now has \$24,500 in cash, a portion of which is due to be re-invested on a wider and more varied basis.

The company was organized in 1935 as the Harmon Burial Association. A change was made in the charter in 1948 to permit writing policies for amounts as high as \$500 and the name changed.

While hospitalized in the 250th Station Hospital at Regensburg, Germany, I was in the same ward with a Pfc. Smith. He was continually firing questions at anyone within range. One morning he asked the doctor one too many.

"In civilian life, were most of your cases accidents, Captain?"

"I don't know," replied the surgeon.

"How come you don't know? Smith pressed.

"Soldier," said the captain as he walked away, "I was an obstetrician."

Buddy Poppies To Sell May 30

It was springtime in the City Hall Tuesday when pretty little Irene Daniel presented Mayor Lewis Norman with the first Veterans of Foreign Wars Buddy Poppy, officially opening the 1936 V.F.W. Buddy Poppy Campaign.

In accepting the Buddy Poppy the Mayor said: "It is truly a great pleasure to be the first person in Floydada to receive this significant red flower. Over the years the Buddy Poppy has become the symbol of all those men who fought so valiantly during our nation's hour of need."

"When Buddy Poppies go on sale in Floydada on May 30, I hope that every citizen will pay homage to our newly and disabled veterans by buying a Buddy Poppy. Only in this way will the V.F.W. be able to carry on the great job it is doing."

Buddy Poppy Sale Date

Chairman L. B. Stewart Jr. of Floydada announced today that Veterans of Foreign Wars Post No. 5616 would conduct its annual Buddy Poppy campaign on May 30.

In making his announcement, Chairman Stewart said that his Buddy Poppy committee has been meeting twice a month formulating

new approaches for the 1936 sale. One of the innovations this year will be for the organization to contact personally all local industrial and business firms. The chairman said he felt sure if the story of the Buddy Poppy was properly presented these people would be more than happy to contribute.

He noted also that through the rehabilitation work of the Veterans of Foreign Wars thousands of dollars in tax money was being saved by all citizens in the community.

CANT FIND GERMAN AUNT; SIEHR LUCK AIDS SOLDIER

GRAFENWOHR, Germany — Private Charles A. Holler of Cantonment, Fla., was a dejected soldier.

When he came to Germany with the Tenth Infantry Division, he was all primed to look up an aunt in Bamberg whom he had never seen. But when he got to Bamberg he found that no one at the address— which his father, Harry Holler, had given him—ever had heard of his aunt, Margaret Holler.

He gave up the search and returned here to train with his unit in the field. A few days later he dropped into a snack bar. The waitress who took his order noticed the name on the tag of his blouse pocket.

"My name is Holler, too," she said. "I have a brother in America named Harry."

The search was ended. She was Aunt Margaret.

Paducah Gets Load of Wheat

PADUCAH, May 20 (Special) — Cottle County's first 1936 wheat was harvested late Saturday afternoon by the Bodling Brothers.

The 110 bushel load tested 13 per cent moisture, weighed 62 pounds per bushel, and was from Early Black Hull variety. The wheat averaged around 14 bushels per acre. The Bodling Brothers have 200 acres in wheat and they report it will average from 19 to 14 bushels per acre.

Wright Grain and Machinery purchased the wheat at \$2 per bushel.

The first load of '36 wheat was six days earlier than last year.

MUSCULAR SPASTICITY

Muscular spasticity is an uncontrollable jerking of a muscle or group of muscles. Many people are afflicted with this condition any one of which can verify that it is a very aggravating condition.

A condition of this type is strictly a nerve condition. No actual changes occur in the muscles. The nerves which lead to those muscles are damaged. The patient response from chiropractic care is dependent upon the actual nerve damage for there are certain regions in the spinal cord and brain, when damaged, that will not rebuild. However, if the damage to the nerves is not too great the chances of complete recovery are good.

It was such with case 152 who came to our clinic. His major complaints when entering our clinic were jerking of head and neck muscles, sciatica, constipation, nervous. After completing our examination we placed this man under chiropractic care. By locating the pressure on his nerves, we knew chiropractic could help him which it did. Every complaint responded 100%. Case is now dismissed and doing well.

'Swap Shop Is Scheduled For Next Thursday

Horse trading ability will be at a premium on May 31 at the V.F.W. Hall on the Lockney Highway in the northwest part of Floydada, when the Floyd County Home Demonstration club will hold a Swap Shop.

"Our houses are all full of white elephants," Mrs. Loyce Turner, general chairman, said, "and this is a wonderful way to trade for something useful and at the same time a lot of fun."

Club women throughout the county will be invited to bring articles to the swap day which they wish to trade, such as gifts which did not suit the person, such as clothing of wrong size, wrong color, etc. Animals such as dogs, cats, rabbits, parakeets, canaries, etc., can be brought and traded.

All articles brought to the Swap Shop must be in good condition and animals must be in good apparent health.

Each member is to bring a card table that will accommodate the articles she brings to swap.

The idea is expected to create a great amount of enthusiasm among club women of the county and should be a grand way to get acquainted, said Mrs. Turner.

Mrs. R. G. Dunlap is chairman of the recreation committee and Mrs. Earl Edwards Sr., is in charge of the foods committee.

Everyone is invited to join the women, eat with them and swap with the group.

Bids Asked For Patching Streets

LOCKNEY — The City of Lockney is this week advertising for bids on the job of patching and seal coating approximately 100 blocks of city streets. The job will include the patch of existing faults in the present asphalt paving in the city, the application of one coat of asphalt covered with aggregate. This will furnish a seal coat on the present paving and help to preserve the life of the road surface.

Mayor J. E. Cox said that the Council has had the project under consideration for several weeks. The job is expected to cost in the neighborhood of \$9,000 to \$10,000.

Body of Former Resident Brought Here for Burial

The funeral of Mrs. Sarah Doyal, 30, of Bakersfield, Calif., who died there Wednesday night of last week, was held Monday afternoon at 2 o'clock at Assembly of God Church with Rev. H. E. Smith, pastor of the church, officiating. Interment was made in Floydada Cemetery.

Mrs. Doyal was the daughter of W. H. Whitener of this city. The body reached Floydada Saturday night from Bakersfield.

A native of Hobart, Okla., where she was born Oct. 9, 1925, Mrs. Doyal made Floydada her home for two years. She was married to T. L. Doyal in New Mexico in 1945. The couple were estranged, but he was here for the last rites from his home at Levelland.

Jay Taylor Is Chosen Member of Bell Board

Jay Taylor of Amarillo, cattle and oil man, was elected a director of Southwestern Bell Telephone Company at a meeting of the company's stockholders in St. Louis yesterday.

A farm boy born in Montague County, Tex., Mr. Taylor started in the oil business in 1926 after studying petroleum engineering at the University of Oklahoma. Working for the Halliburton Oil Well Cementing Company, he was a tool dresser, driller, truck driver and cementer before becoming superintendent of the cementing firm's operations.

As general superintendent and later as vice president, Mr. Taylor piloted a single engine airplane over

the Southwestern United States, Mexico and northern South America in overseeing work in the oil fields.

MR. TAYLOR entered the army in 1942, serving in the quartermaster department. As a member of Gen. Breton Somerville's staff, he organized and was director of the Fuel and Lubricants Division of the Army. At one time, he flew around the world on an inspection trip for the army. He was discharged as a colonel.

After the war, Mr. Taylor entered the oil well drilling business as a partner in the Baker and Taylor Drilling Company at Amarillo. At this time he began investing in oil interests of his own. At the same time, he was developing the Jay Taylor Cattle Company with ranches in New Mexico, Texas and Oklahoma.

Mr. Taylor is president of the Texas Livestock Marketing Association, director of the National Livestock and Meat Board and chairman of the advisory committee of the National Beef Council.

HE SERVED two years as president of the American National Cattlemen's Association, and is a past president of the Texas and Southwestern Cattle Raisers Association, and of the Panhandle Livestock Association.

Mr. Taylor is president of the Isthmus Development Company operating in Mexico. He also is president of the National Finance Credit Corporation. He is a member of the Livestock Advisory Committee of the Department of Agriculture.

He is a director of the Texas Pund, Texas Research League, and the Burlington Railroad, trustee of the Elsenhower Exchange Fellowship; past president of the Tri-State Fair at Amarillo and has served as chairman of the board of the Federal Reserve Bank of Dallas.

Mr. Taylor is married and has four children, Steve, a son in the farming and insurance business at Dimmitt, Tex., Sally, daughter at Texas University, Jane, daughter at Connecticut College, New London, Conn., and Penny, daughter at Amarillo High School.

Crosbyton Clinic Making Headway

CROSBYTON — Annual meeting of the members of Crosbyton Clinic Hospital was held Friday, May 11, at 2:30 p. m. in the school lunchroom. Future directors, Dr. Bill Romano, Robert Work, Roy Farris and O. B. Hefner, were re-elected to the board of the local institution.

The audit report, given by Paul Merriman of Lubbock, showed the hospital to be in sound financial condition. After some additions have been made to equipment, a small profit was shown for 1955.

The auditor complimented the business management and directors of the local institution highly, stating that adverse economic conditions the past few years has placed many hospitals in debt.

The hospital now has an indebtedness of \$38,000 against the building. As this is just about the cost of the addition built three years ago, the original indebtedness against the property has been completely paid off in less than 10 years time.

Mr. and Mrs. Galen Holland of Malador were in the community early Friday morning and visited for a short time with the Clyde Bagwells and C. W. Payne.

Mrs. S. H. Tackett spent last week in a Crosbyton hospital but was moved to the home of her daughter during the weekend.

Mrs. E. W. Walls attended church in Floydada Sunday at the City Park Church of Christ. She visited at Peoples Hospital with her daughter-in-law and new grandson also.

Mrs. W. W. Baxter visited last Tuesday in Balls with her daughter Mrs. Ray Hopkins and family and her grandson Donnie came home with her and stayed until Sunday.

Donnie's parents came for him and spent Sunday here. Other Sunday visitors in the Baxter home were Mr. and Mrs. Cecil Baxter of Campbell.

Mrs. Hattie Barnett who spent last week here with her niece, Mrs. E. W. Walls is now visiting in Lockney with another niece, Mrs. Sallie Jarboe.

W.M.U. met in an all day meeting in the home of Mrs. Shirley W. Irwin Monday. Two quilts were finished. Next Monday the ladies will meet with Mrs. Chill McClure for another all day meeting when they will again quilt. In the afternoon they will have the mission study program. Attending the meeting at Mrs. Irwin's on Monday were Mesdames L. B. Cosby, G. M. Bullard, Clifford Helms, Walton Wilson, Chill McClure, Ray Lloyd, Jim Stewart, A. S. Mize, C. W. Ginn and Mrs. Sid Brown.

Misses Lorna and Linda Hinkley and Judy Wilson went to the home of Mr. and Mrs. Lee W. Burton from church Sunday. In the afternoon Clyde Burton and daughter, Maurice, from Floydada visited.

Sunday visitors in the home of Mr. and Mrs. L. B. Cosby were Mrs. G. M. Bullard of Floydada who is spending several days with her daughters. Others there were Mr. and Mrs. Grady Reeves and sons of Plainview, Mr. and Mrs. T. L. Perry and Jan and Mr. and Mrs. L. B. Cosby Jr. and children.

Mrs. Virgil Cheeves of Amarillo came last Thursday and brought Mrs. G. A. Stewart to the home of Mr. and Mrs. Jim Stewart where she will visit for an indefinite time. On Sunday Mr. and Mrs. Jim Stewart and Jim Dan and Mrs. G. A. Stewart went to Plainview to visit Mr. and Mrs. L. A. Horton.

Mr. and Mrs. Clifford Helms, Bonnie and Judy spent the weekend at Clovis with her parents, Mr. and Mrs. H. E. Giles.

Sixth Grade 4-H Club Entertains Mothers

Friday afternoon, May 11, from 4:30 to 5:30 o'clock the sixth grade 4-H Club entertained their mothers with a tea in Fellowship Hall of the First Christian Church.

The club officers formed the receiving line and presided at the register.

After the welcome, a short skit, "Manners to grow on" was given by several of the club members. Also on the program was special music by the girls trio.

Refreshments of punch and cake were served from a table centered with an arrangement of spring flowers.

News of Dougherty

(By Mrs. W. J. Ross)

DOUGHERTY, May 21 — This is an especially busy season with cotton planting the number one activity. Some fields are up to a good stand while a considerable acreage may have to be replanted.

The close of school picnic will be Saturday May 26 at Roaring Springs. School will close Friday with lunch served at the luncheon as usual.

The Community Club met Friday afternoon with 16 members present. Mr. and Mrs. Maurice Campbell were elected president, Mr. and Mrs. Bundy Campbell vice-president and Mr. and Mrs. Bob Covington secretary. The club presented a luncheon to Mrs. Tiner in appreciation of her assistance with the luncheon.

Mrs. R. T. Jones and children of Midland, S. D., arrived Saturday for a two weeks visit with friends and relatives in this vicinity. They report the ground was covered with snow for a period of two months this winter. Also received one-half inch of snow May 2.

Sunday morning they and Mrs. Cumble attended the local Sunday School then were dinner guests of Mr. and Mrs. Drew Cumble of Cone.

Mr. and Mrs. Jim Collier and Jim Jr., of Lubbock were Sunday dinner guests of Mr. and Mrs. Bill Colston.

Mrs. J. W. Graham and daughters, Carmen and Mrs. Carl Boutwell, visited Mr. and Mrs. Ted Allen of Ralls Sunday.

Mrs. Mildred Meredith Haile

Aiken Mother Of Two Is Wayland's High Ranking Sr

PLAINVIEW, May — Mrs. Mildred Meredith Haile, Aiken, was presented the senior award for Highest Academic Average by Henson Harris, academic dean, at the Wayland College Recognition Day assembly May 2. She is the daughter of Mr. and Mrs. Jack Meredith, Plainview.

Mrs. Haile was recognized as the highest ranking senior with a 2.67 average for her work at Wayland College. This was recognized as an unusual achievement because she is not only a student but the wife of the pastor of Aiken Baptist Church Rev. C. Olaf Haile, and the mother of two teenagers. Despite all this, she has been listed constantly on the Dean's Honor Roll.

She was one of the 42 candidates for bachelor's degrees presented Monday night, May 21, at the Wayland College commencement exercises.

Mrs. Haile is a member of several campus organizations including the Baptist Student Union and the Student Government Association.

Follow Through On Vaccine Is Advice on Polio

AUSTIN — Many inquiries are received each day by the Texas State Department of Health regarding Salk polio vaccine. One injection is of some value but should be followed in four weeks with the second shot and the third seven months to a year later.

Dr. Henry A. Hollie, Commissioner of Health, says the second shot is important and definitely increases the immunity. Even though the

second cannot be given for several months, the delay does not lessen the value of the first. Maximum immunity does not develop until after the third shot.

It is advisable to immunize children who have had poliomyelitis because an attack confers immunity only against the one virus type involved and gives no protection against the other two types.

THE SALK vaccine is of no value in treating the disease. It should not be used for prophylaxis in family contacts of diagnosed cases, the reason for this being that the remaining members of the family

usually are infected with the virus by the time the original case develops symptoms of the disease. The vaccine should not be given to individuals during a major illness or to those with symptoms that may represent polio, such as fever, sore throat or stomach upset.

Dr. Hollie says that immunizations should be given before the peak of the season if possible but can be given throughout the summer. Second injections can be given even when the incidence is rising with very little risk. The risk, if any, is less than the risk of acquiring the disease in unvaccinated

The Floyd County Hesperian, Floydada, Texas, Thursday, May 24, 1956

children. He urges all those below the age of twenty and pregnant women who have not had at least the first immunization "shot" to do so at once.

The Commissioner of Health reports that only about one third of those eligible to receive the vaccine have received one or more injections.

Body by FISHER

The meaningful emblem of Body by Fisher

When you see "sterling" on silver you know what it means—solid silver, all the way through.

And when you see the medallion "Body by Fisher" on an automobile it means much the same thing—quality all the way through, in things unseen as well as on the visible, gleaming surface.

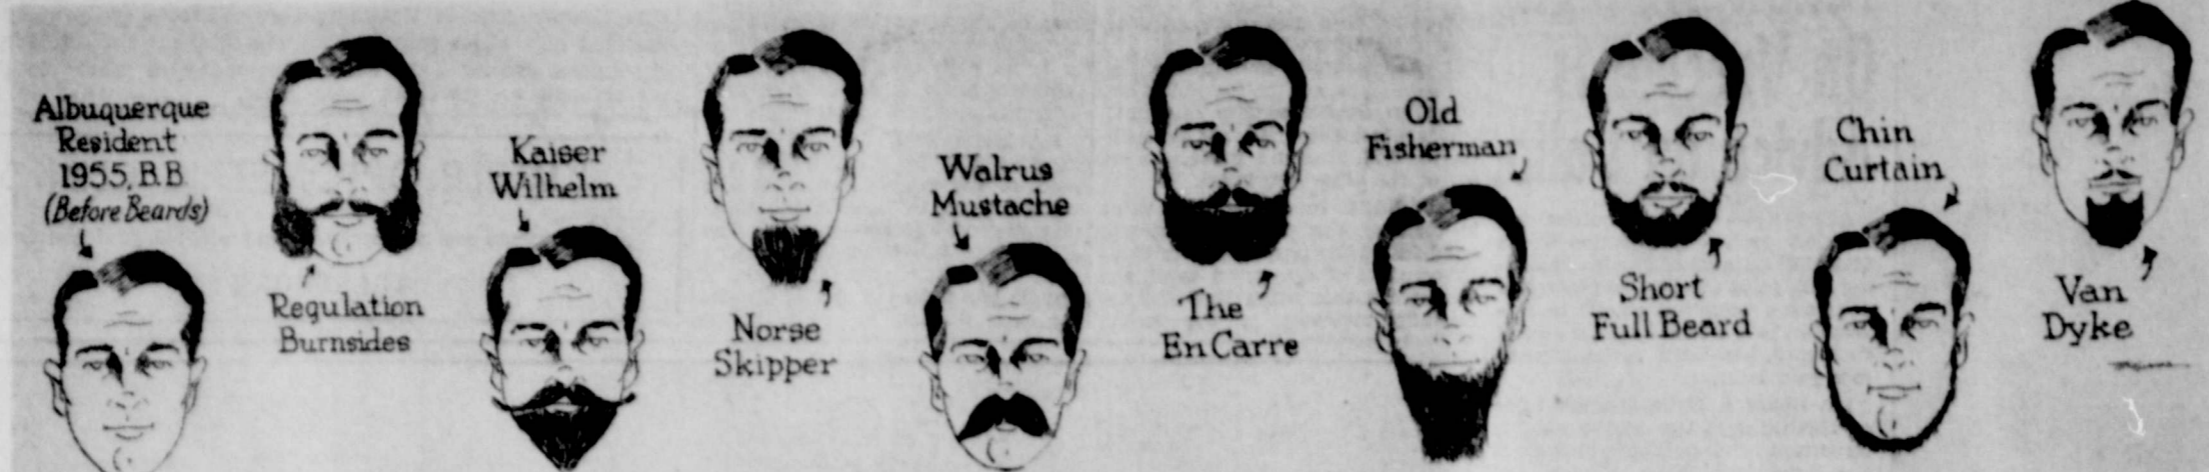

The significance of this emblem cannot be tested on the showroom floor. Its meaning was not built up in a day but only after long years in which owners learned that "Body by Fisher" was a veritable symbol of solid, enduring satisfaction.

Only one who has owned a Chevrolet for several years can fully know the deep sense of satisfaction this emblem pledges. It is the warranty of an inner soundness that your eye or your touch cannot test. And only Chevrolet in the low-price field is entitled to wear the small, proud plaque that proclaims "Body by Fisher."

Highlights And Sidelights From the State Capitol

(By Vern Sanford, Texas Press Association)

AUSTIN, Tex. — Record turnouts at this year's precinct conventions produced a surprising by-product — a flood of suggestions for election law changes.

County convention resolutions sent the Secretary of State's office reflect interest at the grassroots in giving more power to the people and less to the pros.

Editor County Democrats charged the party has become "of by and for the politicians." They passed a resolution to prohibit any officeholder, state or federal employe from being a national convention delegate.

Yoakum and Harrison County conventions recommended preferential primaries for presidential nominees.

A number of resolutions were aimed at forcing conservative Democrats into becoming Republicans. Two counties, Swisher and Wilson,

resolved that voters be required to register party preferences when they pay poll taxes.

Gray County Democrats also took a dim view of present procedures. Something is wrong, they said, when admitted Republicans are so scarce they can hold "precinct conventions in a telephone booth," yet carry the state in a general election.

AMERICAN GUARANTY CLEAR — Two Austin corporations, American Guaranty Underwriters and the Karisch Co., have been cleared of charges of violating the state securities act.

In an agreed judgment, the firms were absolved of any wrongdoings. The judgment directed American Guaranty to refrain from re-selling its own stock. It also was directed to call in, and require payment within 60 days, loans made to Aviation Finance Co. and Metropolitan Finance Co., both San Antonio.

There was no allegation of insolvency involved.

Calvin C. Huffman, Austin attorney is president of American Guaranty. He is a former newspaper publisher from Eagle Pass.

STATE MAY SUE SALESMEN — Civil recovery suits may yet be filed against the salesmen of the Certified Drafts of the defunct US Trust and Guaranty Co.

At the request of the Insurance Department's liquidation division, the attorney general is preparing a ruling on the legality of such suits.

Testimony from buyers would be the basis of charges.

INSURANCE DEADLINE NEARS — Some 120 insurance companies have yet to meet the legal requirements for annual permits to do business in Texas.

The Insurance Commission has indicated that it will take prompt action toward closing the firms that fail to make the June 1 deadline. The firms include 20 stock life insurance companies and 100 mutuals of various sorts. Most are small concerns.

Procedure calls for a show-cause order and a hearing in each case. This will require some 20 to 60 days.

DEFENDS U. S. SUPREME COURT — The U.S. Supreme Court, a frequent target of criticism, has a defender in Austin Attorney Everett Looney, immediate past president of the State Bar of Texas.

Looney declared, in a speech before the Dallas Criminal Bar Association, that such attacks by politicians are "heresy without equal in our history." He said, "the number one scapegoat of American politics, the one safe target of the vilifiers, the rabble-rousers, the washed and the unwashed mongers of hate, is the federal judiciary."

Looney accused critics of the court of creating a "climate of frenzy" and "hysteria" which threatens to destroy the American system of justice. He charged that political agitators who preach disobedience will reign supreme if the court is dislodged from its supremacy as the arbiter of law and order.

LAND BOARD GETS REFUND — A refund of \$3,960 has been made by Robert Lee Ritchey of Harrisburg, Pa., to the Veterans' Land Board. He also promised an additional \$10,000. The two sums represent commissions made by him for selling Zavala Co. land under Texas' GI program. His father, H. Lee Ritchey, made the appraisals on the land.

In forwarding the money Ritchey wrote that "A serious question has arisen as to the propriety of my commission on these sales to the land board," hence the refund.

Atty. Gen. John Ben Shepperd said, as to the commissions, "There is no allegation of fraud involved."

ANTI-TB WAR LAUNCHED — A 10-year "total war" against tuberculosis is under way in Texas. There are 20,000 active cases in the state, not including an estimated three per cent of the wetbacks who enter the state illegally.

Strategy was mapped in Austin by some 300 health experts and laymen. They met under auspices of the Texas Tuberculosis Association.

Out of discussions came 20 recommendations for "killing the killer." Included were (1) intensified efforts to find and treat tuberculars, (2) increased aid to dependents of TB victims and (3) more incentive to medical personnel to work in TB hospitals.

MORE VACCINATIONS URGED — Widespread inoculation to prevent a major polio epidemic is being urged by the State Department of Health. Polio cases for 1956 already total 257. This is an increase of 62 over this time last year. Peak outbreak usually hits Texas in July and August. Only one-third of those eligible for Salk shots have received them.

SHORT SNORTS — Charles K. Devall, publisher of the Kilgore News-Herald, was elected president of the Texas Good Roads Association at its annual meeting in Austin. He succeeds Fred A. Wemple of Midland.

A survey of highway needs and problems is under way by the Texas Research League. One phase of the study is the future role of counties and cities in providing adequate highway facilities.

Herbert O. Paul of the Brotherhood of Locomotive Engineers is the new chairman of the Texas Joint Railway Labor Legislative Board. He succeeds veteran Joe T. Steadham, Brotherhood of Railway Trainmen.

Young Democrats of Texas have elected Rep. Edgar Berlin of Port Neches as their state president. Roger Daily of Austin was named national committeeman; and Mrs. Sarah Hodgson of Fort Worth, national committeewoman.

Allowable oil production in Texas for the month of June has been cut by the Railroad Commission to 3,261,799 barrels a day. This is a reduction of 74,456 barrels under May allowances. It is the fourth straight month that reductions have been authorized.

Pleas for a water conservation program that give farmers and ranchers first call on impounding the rain which falls on Texas were made before the Water Resources Committee. Spokesmen from 11 agricultural groups urged the formation of a workable water conservation program for Texas.

more important, the Mediterranean Fruit Fly hasn't found its way westward to Texas citrus regions.

Protective measures are already underway to prevent the citrus pest from getting a foothold in America. Some 2,500 fruit fly traps have been shipped from Texas to Florida in the past few weeks. In addition eight insect specialists from the Rio Grande Valley will aid entomologists in stamping out Florida infestation.

A federal quarantine on the Mediterranean Fruit Fly became effective May 1 and all Florida citrus coming to Texas will be carefully checked to safeguard Valley growers.

This new-found citrus foe is probably the most serious insect ever to threaten our citrus industry. Its consequences are much more harmful even than those of the black fly now being combated in the Rio Grande Valley.

No official quarantine action has been taken to date by the Texas Department of Agriculture. However, should some difficulty arise in the federal eradication program, it is likely that some restriction on interstate movement might be established.

Persons interested in further information concerning the Mediterranean Fruit Fly may write to the Division of Plant Quarantine in care of Commissioner John White, Texas Department of Agriculture, Austin 14, Texas.

NAVY PROMOTION ANNOUNCED

WASHINGTON, D. C. — The Navy Department announced the promotion April 18 of Hubert M. Davis son of Mr. and Mrs. Hubert Davis of Lockney, Tex., to engineman third class, USN, while serving at the Naval Schools, Mine Warfare, Yorktown, Va.

The promotion followed successful completion of a Navy-wide petty officer examination conducted in February.

Mr. and Mrs. Wayne Balfey returned home last Wednesday from a visit with their son, A. J. Alvin L. Balfey in Illinois, at Chanute A. F. B. The Balfey's were sightseeing in Chicago, Ill., Indianapolis, Ind., Memphis, Tenn., and several other places.

member, points out Ulich, that fatigue is often a factor in farm accidents.

Excessive speed is the number one cause of tractor accidents. The improper use of wheel brakes, rough roads or a quick turn can bring tragedy if the speed is too high.

Far too many teen-age tractor operators are involved in accidents. Work with these youngsters, urges Ulich, and give them instructions and supervision until they are fully qualified. A tractor cannot carry extra passengers safely and ranking high as a cause of accidents is the extra rider. Children, in particular, often meet with a serious injury or death as extra riders.

About a third of tractor fatalities occur on public roads while many more happen on private lanes and drives. Mile for mile, it is safer, points out the specialist, to operate a car on public roads than a tractor.

The heavier the traffic, the greater the hazard. Plan farm work so as to reduce the exposure of slow-moving tractors and farm machinery to traffic hazards. If machinery must be on the road after dark, be sure it is properly lighted. White lights on the front and red lights on the rear. Reflective material applied to tractors and machinery is an added safeguard. A red flag helps to warn motorists of slow-

moving equipment during daylight hours.

But above all, cautions Ulich, think before doing any job with the tractor. It can be a killer.

Becky Potts Feted at Bridal Shower Monday Afternoon

Miss Becky Potts was named honoree at a bridal shower in the lovely home of Mrs. Fred Zimmerman Jr. Saturday, May 19, from 3:00 to 5:00 p. m. Miss Potts is the bride-elect of Bob Durham.

Receiving guests at the door were the honoree, Mrs. Zimmerman, and the mothers, Mrs. Jim Potts and Mrs. E. I. Durham.

Throughout the house, the decorations were graciously appropriate. A high point of interest was the unusual and beautiful white cupid statuette out of which blossomed a floral display of white carnations and candy tuft. This graced a low coffee table in the living room. Rose arrangements from the Zimmerman garden were placed in the bedrooms where Becky's gifts were displayed attractively.

After being registered by Grace Ann Potts and Mary Jo Smith, the guests were served punch, petit fours and mints from a table laid with a white cloth over blue.

The petit fours topped with dainty blue wedding bells, white mints with a tiny blue center and the pale blue napkins all carried out Becky's chosen colors of blue and white.

A most attractive floral piece of white carnations, giant mums and candy tuft in silver and tall white candles in silver candelabra completed the table decor.

The two white arrangements were done especially for the shower by a cousin of the Potts family, Louis Patillo, of College Flowers in Lubbock.

Assisting at the table during the afternoon were Misses Linda Gayle Clark, Fontaine Fowler, Sue Durham, Barbara McAda, Linda Hull, Patsy Johnson, Maxine Hatley, Rene Willis, Kit Zimmerman, Barbara Darden, Mrs. Jackie Jarrett, and Mrs. Kirk Slater Jr. of Ralls.

Hostesses for the occasion were Mesdames John Kimble, J. M. Willson Jr., John Reue, Leonard Matar, Jim Word, L. L. Clark Jr., L. T. Hickerson, Sam Fowler, Ralph Johnston, Sam Spence, Kinder Parris, Bob Collier, Carl Minor Jr., Elwyn Garrett, Ellen Love, C. T. Hammonds, Duncan Hollums, T. L. Callaway, Myron Kattner, Joe McBrien, Felt Patterson, Sid Brown, Clarence Ginn, D. W. Burke, A. S. Mize, Bill Hardin, Fred Zimmerman and Jackie Jarrett.

STEWART CLEANERS

Twice this week we've been invited to join others in covered dish parties. These are great fun. Everyone makes the recipe she can do best, and each vies with the other to show up with the most tempting dish. Best of all, it makes it possible for friends to get together for a meal without one woman having to knock herself out making ready.

At one of these, we got to discussing how to plan a covered dish meal. Some argued that half the fun lay in the surprise, where everyone chose his own. We mostly agreed, however, that the plan that day was best. The hostess decided what was to be served, then gave each of us a choice on what she should prepare. The meal fitted together and was good.

One woman said her daughter belonged to such a club in another town, and that each young matron tried out a new recipe of her own choosing each time, with none knowing what the others would bring. Another belonged to a luncheon club where each member took a salad — any salad — and the hostess prepared bread and a drink. It worked just fine, she said, until one day when six women showed up with tuna salads and one with tossed greens.

We were still marveling at this novel idea the next day when the telephone rang and a friend said the two couples of us were to go to a covered dish supper on Friday night. The note she received said, "Bring enough meat, vegetable, salad, dessert and drink for four." Then, no doubt, all the food will be pooled. This, we think, caps them all for being impractical.

But even though it would be simpler to sit down at home with our complete meal for four, we plan to go and join the fun. Somebody's roast beef may look better than our fried chicken and maybe we'll skip the vegetable and eat two desserts.

Bride-Elect Feted at Miscellaneous Shower Thursday

Miss Nita Jo Lightfoot, bride-elect of Billy Carmack, was honored with a miscellaneous shower Thursday in the home of Mrs. Everett Collier, 618 West Tennessee, between the hours of 7:00 and 8:30 o'clock.

Guests were greeted by Mrs. Collier and presented to the honoree, her mother, Mrs. Travis Lightfoot and the prospective bridegroom's mother, Mrs. C. B. Carmack.

Miss Carolyn Collier presided over the bride's register.

From a table laid with a white linen cloth, punch, cookies and mints were served from crystal appointments by Misses Mary Wilks and Dolores Barnett.

In the center of the table was an arrangement of pink and white carnations complimented with greenery and white stock. Pink tapers in crystal candelabra and pink napkins imprinted with "Billy and Nita" completed the refreshments table.

Hostesses for the occasion were Mesdames Woodrow Wilson, R. C. Bullock, Calvin Poteet, Homer Ellis, Olin Bryant, Carl Smith, Dalton Thompson, Chuck Holmes, Buddy Hatley, Roe Jones, Connie Bearden, Johnny Wilks, Jack Barnett, Everett Collier, V. D. Turner, Poyner Roberts, J. N. Richardson, Bennie Teaff, Eddie King, Beamus Carver, Marion Barton, Bill Fulton, A. C. Collins and Mrs. L. H. Blum.

Club Quits, Plans Picnic

Mrs. E. W. Dunavant was hostess on May 18 for the Ladies Club. A covered dish luncheon was served at noon and a pleasant afternoon was spent by quilting and making plans for a club picnic.

Those present for the meeting were Mesdames Foster Amburn, E. J. Womack, E. L. Judy, H. F. Pratt and Debra, Weldon Graves and children, Miss Wilma Jean Judy and the hostess, Mrs. Dunavant.

Friends attending or sending gifts were Mrs. Lewis Reddy, Mrs. Connie Bearden, Mrs. James Huckabee, Miss Ginger Tinnin, Doris Campbell, Mary Wilks, Sue Baker, Carolyn Collier, Benita Teaff, Myrna Wilson,

The Floyd County Hesperian, Floydada, Texas, Thursday, May 24, 1956 Betty Martin Is Feted at Shower

The lovely home of Mrs. O. M. Watson Sr., 806 West Missouri, was the scene of a miscellaneous shower Friday evening, honoring Miss Betty Martin, bride-elect of Wilton Green.

Guests were greeted between the hours of 7:30 and 9:00 o'clock by Mrs. Watson and presented to the honoree, and her mother, Mrs. J. G. Martin.

The refreshment table was centered with a piece of blue Postoria crystal filled with orange blossoms, peonies and fashion rose buds. The table was laid with a white hand made linen cloth over blue.

Miss Barbara Perry, Miss Sue Baker and Miss Marceleta Green, sister of the future bridegroom, of the honoree, Miss Martin and the hostess, Miss Perry.

Lubbock, presided at the milk glass punch bowl. Cookies and mints were served from blue crystal appointments.

The table was completed with blue candles in crystal candelabra and blue napkins with the couple's names, "Betty and Wilton" in silver. Mrs. Frank Stovall presided at the bride's register.

Hostesses for the occasion were Mesdames Olin Watson Sr., W. O. Tye, Frank Stovall, W. O. Baker, Woodrow Wilson, L. L. Clark Jr., and Harry Morckel.

Approximately 100 guests registered or sent gifts.

We wish to extend our sincere thanks to our many friends for the kindness and sympathy, flowers and memorial gifts occasioned by the loss of our loved one. May God bless each of you.

VIEWS AND COMMENT

The Twenty-Ninth celebration of the anniversary of Floyd County's founding is imminent. It takes place Monday to be exact and on the approximate spot where sixty-seven years ago a handful of pioneers set up shop officially for the County of Floyd. They set up for business with the blessings of the County of Crosby to which it had most recently been attached for judicial purposes. Their children and grandchildren, with many others who have come to the county since that first day, are carrying on with spirit and faith. We have had sorry days in the history of the county and also we have had great days. We look forward in anticipation of even better things. The spirit of the Old West is abundantly evident wheresoever you inquire.

School Days Over. Once more Floydada and Floyd County schools come to the end of a school year. Bright, eager boys and girls get ready for a change over, either into the business world, into college or into high school. Great thing. Gives an uplift to the state of mind. Remindful that whatever else the fault may be of parents they at least are putting their money into schools and pinning their faith to the essential soundness of their off-spring. We "holler" about the kids but we believe in them.

Trifle Too Exclusive. To give you an idea how tight-minded Democrats in Texas have become through the years, it is reported that at least three precinct chairmen in Texas refused to permit a reporter to be present at their conventions. Texas' election law says that only a qualified voter in the precinct may "vote, be present at, or participate in the business of such a convention." Evidently the reporters couldn't qualify and so they could not be present to report the convention. If Texas Democrats keep on being silly they'll next be begging reporters (and voters) to come to their conventions. You can be too exclusive, you know. And you don't make people do things. You persuade them.

Salt Some Away. The vegetable marketing business is as risky and tricky as all get out, we are told by people who have witnessed operations of raisers of the perishables. They say if you're lucky and hit a good market the first thing to do is to salt part

of it away. Production is always a problem, but when you get around to marketing the farmer is out of his class. Battling insects, lodging hail and drouth are down the Floyd County farmer's alley. Marketing is another thing, with experts for competition. The vegetable business has tremendous peaks and valleys.

Copy of a newspaper, interesting for the reason that it is unusual, was recently received at this office. It was an April issue of Territorial Enterprise, published at Virginia City, Nevada. It was Nevada's first newspaper established in 1858 and still going strong. The Territorial Enterprise was Mark Twain's newspaper. It has the largest weekly circulation "in the entire American West." Mrs. O. G. Glassmoyer, who spent several weeks on the West Coast with relatives forwarded the copy of the Territorial Enterprise to The Hesperian office. Virginia City was the scene of one of the west's most celebrated gold strikes, the Comstock Lode. In Mark Twain's day it was on a tremendous binge. Now its whole existence is based on tourism, with the controlling thought "Progress is a delusion and yesterday was always better."

Sweetwater is the luckiest town you can imagine. First one kind and then another industry and accompanying payroll has come along through the years to keep the town growing, despite untoward agricultural conditions, which have dealt terrific blows to many towns. The latest and biggest and best news is that Sweetwater is to have the "homing office" for Texas for the big new dial telephone service. It is said the plant will call for the expenditure of millions, and will bring many new people. Many area cities are nothing less than green-eyed and well they can be.

Lines Still Form. In the past 20 years the American people have been trained to wait in line, so much so that when you see a line form you automatically fall into it, find out what for later. We note that persons with Social Security problems make up one of principal waiting lists in Floydada these days. Nowadays on a certain Tuesday the problem people wait and wait in the county court room. Those with anything to do just forget their routine and get in the groove—waiting.

Booth at Reunion Planned By Club

The Starkey Home Demonstration Club met Friday, May 18, at the club house with Mrs. John R. Shipley as hostess. Roll call was answered with "What I want in the Year Book." Mrs. Turner Hunter, president, presided over the meeting.

Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated May 28, 1942.)

As pioneers assemble this morning for their 14th annual re-union, marking the 32nd birthday of Floyd County, they get together to renew their faith in old friendships and restore their courage against the hovering war clouds which have already called their sons to the colors by the score.

The first meeting of the Floyd County pioneers in the organization now known as the Pioneers' Association, was held in May of 1929, according to the files of The Hesperian.

Millions of descendants of last fall's flight of migratory grasshoppers are being fed poison bait in Floyd County by the ton, according to reports late yesterday.

Clarence Guffee will succeed W. R. Simon as secretary-treasurer of the Floydada Lions Club. He was chosen for the place at the meeting Tuesday.

Candidates for county and precinct offices in Texas have only a few more days in which to make their formal applications for places on the official ballot.

Miss Dorothy Morehead, daughter of Mr. and Mrs. E. J. Morehead of this city and John S. Hockkiss Jr., were married, May 17, at 4 o'clock at the First Methodist Church of Clovis, N. M.

The last two days have been bad on wheat but good on cotton. Old Sol poured out the heat and the weather man stirred it with a warm wind from the southwest not the scorcher that once in awhile are felt but considerably warmer than has been the rule this spring.

First Christian Bible School To Begin Monday

(By Mrs. Kinder Farris)

Every year in every church, the Bible and the workings of the church form a nucleus of study around which many topics revolve. This year, in the First Christian Church Vacation Bible School, our Bible is the overall theme of study in all departments.

The boys and girls, ages 3 through 14, who attend the two-week period beginning May 28th, will learn that the Bible is not only a source of study and learning but is also a doorway to happy relaxation, fascinating stories, interesting and colorful people of history, poems of beauty — yes, even puzzles, crafts and games.

It is the intention and plan of the teachers to present God's word to all the children in a happy manner which they will remember.

Mrs. C. B. Carmack, Mrs. Woodrow Hill and Patricia Hill will have the Nursery study, "The Three's at Vacation School."

IN THE Kindergarten department, the 4 and 5 year olds will learn and play "Together in our church" under the guidance of Mrs. Don Barrow, Mrs. Harold Brown and Mrs. Ellis Barber.

"Our Bible" is the theme of the

Primary group. Leading these boys and girls in their study, games and crafts will be Mrs. R. C. Henry, Mrs. Bert Lee Emert and Wedia Alexander. Included in the Primary department will be a section of children who will start to school together in September.

"Learning to know the Old Testament" will be studied by the Juniors under the direction of Mrs. Sam Spence, Mrs. Starks Green and Mrs. Ed Wester.

Mrs. W. D. Reeves is music director for the school, and she has an interesting way to present the music, particularly to the smaller children.

In the Junior High group, Mrs. John Naf, Mrs. George Van Wickel and Mrs. Kinder Farris will present studies, music and skills revolving around the "Book of the Ages." One of the several contributions of this Intermediate class will be framing large colorful pictures for Sunday School rooms.

THE BOYS will play baseball again this year on a cleared ball field east of the church. Billy Tad Probasco, Harold Brown and Eddie Hilley will be on hand alternately with the boys. The girls will also have planned recreation and in case of rain, a series of movies will be shown each day during recreation periods.

A fifteen-minute assembly period will begin promptly at 9 o'clock each Monday through Friday. This is a program that Rev. W. D. Reeves initiated which has given the boys and girls a great deal of pleasure. It is conducted as a worship service and the children themselves have been led in carrying out the assembly program themselves.

Many hours of planning have gone into our Vacation Bible School this year," said Mrs. Farris, general superintendent.

"We hope that every boy and girl will be on hand Monday morning, May 28, at 9:00 to enjoy the school and the many things it will offer," she said.

Certificates of award will be given those with perfect attendance records.

As A Farm Woman Thinks

Memories of Floydada

For many years when I lived at Emma as a child, Floydada was just the town north in the next county and across Blanco Canyon.

But one day a telephone line was put in connecting Floydada and Dickens City by the way of Emma, the two telephone boxes hanging in the back of my father's store. When one wanted the two other places connected it was done by slipping a thin piece of steel from one box connection to the other.

This names began to be familiar to me. The box hung on the wall of C. Surginer's store in Floydada and at the Harkey's in Dickens. People would come in the store and want to talk to Judge Duncan and others in Floydada and the town began to come alive to me. Mostly lawyers needed this service, 25c was more than most wanted to pay unless the business was very urgent.

One day father's clerk was asked to connect Floydada with Dickens. He reached up and put the other to his right ear, saying, "Go ahead, you are connected."

It caused much laughing and hurrying. He must have had the old adage in mind. "In one ear, and out of the other."

The mail hack came every day from Floydada, and some of the people came to Emma. A young lady came down and taught guitar music to several interested students some of the young men more interested in the charming young lady than in learning how to strum.

Then one day I was a young lady starting to Amarillo to spend the summer and take music and shorthand and typewriting. I boarded the big white hack my young brothers and sisters weeping at big sister going so far away.

Mother and father looked sad and my own heart was aching at the parting. The marvelous drive across the canyon was a thrill I have never forgotten and even to this day I have the same delight in the beauty of the hills and valley.

The mail carrier drove to the home of Charlie and Emma Wat-

kins who welcomed me and I took dinner with them, the mail carrier kindly coming back to the east part of Floydada and picking me up again.

How swiftly the little tough Spanish mules ran. The driver stopped at a station where more mules were harnessed and soon the exchange for a fresh pair was made and away the mules ran.

FLOYDADA looked so much larger and more civilized than Emma. From that day on I loved the town, not knowing it was to be one of my home towns, perhaps for the rest of my days.

We moved to Hereford, but I married and moved back to Crosby County and we owned one hundred acres in Floyd County, the rest of the section in my own county. That is we partly owned it, for it took many years of hard work and doing without to pay it out.

We drove a pair of mules named Callie and Fidy to Floydada for groceries and supplies. Many a time they ran away with the buggy but they ran straight down the road and stopped when they got good and ready.

Beautiful ladies in the stores trimmed my hats. One day when I was coming in on the bus from a visit to my people's home in New Mexico, I had to wait in the Drug Store of A. D. White. He brought me a cool drink, gave me a chair and a magazine, a courtesy never to be forgotten.

We went to the town in wagons for coal, we went in a Spaulding hack, we made the trip quicker and easier when we bought a new Buick in 1916.

We knew all the merchants and they knew and welcomed us. We went to see the Doctors George and Lon Smith, to see the dentist, Dr. Taylor. We traded eggs at the Olsen Store for groceries, we sold turkeys to A. D. White. We took the children to track and literary events. We always looked at the big clock in the courthouse for the time. We went to County Fairs — to stock shows — we saw a new town take place after the Big Fire.

THEN ONE DAY we decided to move to town and retire from farm work which we could no longer do. We moved to Floydada and it was our home for two happy years. We had old true friends there, we made new ones — we loved the church and its members. Always we went to the Old Settlers Day. If Mr. Spikes could not leave his farming when we lived on our farm, I went. It was a good time, a happy time, pioneers and their children living the Good Old Days once more.

Now it is time to go again. Many of the pioneers have passed on and their children have taken over, honoring the early settlers who made such fine towns as Floydada, Rails and all the rest.

Howdy, howdy, every one of you who will be there and we hope to see and talk with you as in years gone by. We love Floydada and its friendly people.

KITCHEN AND ★★ FIELD NEWS

from Lighthouse Electric Cooperative, Inc. by Nancy Morkel and Claude Weathersbee Electrification Advisors

Next Wednesday is Memorial Day, May 30th. We are again reminded of the poem, "In Flanders Fields," written by John D. McCrae:

In Flanders fields, the poppies blow
Between the crosses, row by row,
That mark our place; and in the sky
The larks, still bravely singing,
Fly
Scarce heard amid the guns below.
We are the dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe!
To you, from falling hands, we throw
The torch. Be yours to lift it high!
If ye break faith with us who die,
We shall not sleep, though poppies blow
In Flanders fields.

A Sunset Memorial Service is being planned for Memorial Day at the Floydada Cemetery. I'm sure it will be a beautiful service and a very impressive one — let's all put

forth a special effort to attend this special service.

A "helpful hint" the other day in one of our magazines that you might like to try in fixing flowers to take to the cemetery was this:

Anchor flower stem deep in a container of wet sand. Sometimes flowers will stay fresh as long as a week.

Mr. and Mrs. Johnny Stuts and Mrs. Bill Brock went to Amarillo Sunday to take Carl Brock back to Amarillo Air Base where he is stationed.

Mr. and Mrs. Noel Wallace of Dalhart spent the week-end with Mr. and Mrs. Red Gregory.

Mr. and Mrs. D. M. Moore spent Sunday with Mr. and Mrs. Galen Holland at their home near Matador.

Mr. and Mrs. Corkey Guffee and family spent the week-end in Lubbock with Mr. and Mrs. Koeninger Dowden and daughter. Corkey and Koeninger were school mates at Tech.

Opal Mullanix and daughter Kay spent the week-end in Hooker, Okla. with her grandmother.

Mr. and Mrs. Marvin Dykes of Meadow spent the week-end with Mr. and Mrs. Bob Norrell and Bobby Jean and Mr. and Mrs. Jim Moeller and family. Mrs. Norrell and Mrs. Moeller are the daughters of Mr. and Mrs. Dykes. Little Bobby Jean Norrell was 2 years old Sunday and a birthday cake was made especially for the occasion.

Sue Baker of Lubbock spent the week-end in Floydada with her parents, Mr. and Mrs. W. O. Baker.

Mr. and Mrs. Edwin Pollan attended 5 nights of the Bible forum that was held in Lubbock last week.

Mr. and Mrs. Edwin Neff and daughter spent Sunday with his mother, Mrs. W. P. Neff.

Bill Motheral of Altus, Okla. spent Sunday night with Mr. and Mrs. Buck Maricle. Bill and Buck were "army buddies."

Center News

(By Mrs. J. E. Green)

CENTER, May 22 — What a nice breezy morning. Just wind enough to turn the wind mill so we can irrigate the garden.

Last Sunday we had Sunday School and conference. Next Sunday we are scheduled to hear a Wayland student, Bro. Don La Vash. We urge every member to be present.

Mr. and Mrs. J. R. Robertson and children, Mack, Karen, Kenneth and Patricia spent the week-end in Amarillo visiting the son, James and family, and other relatives.

Mr. and Mrs. Warren went to Plainview Friday where they went to be with Mrs. Warren's aunt, Mrs. Box who was seriously ill in the hospital. They and Mr. and Mrs. Leo Frizzell also spent Sunday afternoon at her bedside. Mrs. Box passed away Monday. Our deep sympathy for her large, fine family.

Mr. and Mrs. Frank Dunn, Margaret, Mary Grace and Joe Lee visited Wednesday evening in Lubbock with the son and family, Mr. and Mrs. Jimmy Dunn and baby Debbie.

Mary Grace Dunn dined Sunday with Donna Welborn.

Mrs. T. R. Noland and Imogene, also Mrs. Hartline and Mrs. Green attended the bridal shower Saturday afternoon honoring Mary Ann Wilson of the Fairview Community, in the E. W. Walls home.

Sandra Sims of Lockney was a Sunday dinner guest in the T. R. Noland home.

Those attending the Workers Conference at Pansy last Tuesday evening from Center were Johnny Lynn Warren and Mr. and Mrs. Green.

The Charles Hortons had for the week-end Mr. Horton's brother and family from Borger.

The Greens received a phone call from Bay City last Thursday night which informed them they had a new granddaughter. The young lady is the daughter of Mr. and Mrs. J. M. Ryman Jr., and she has been named Donna Irene.

Mr. and Mrs. Green attended funeral services for J. L. King Sunday afternoon. Many years ago the Kings lived at Center. Thus passed another who lived a long, Godly, useful life. Our sympathy is with the loved ones.

Mrs. R. C. Hodges of Plainview,

a Center pastors wife for 6 years was one of the 40 graduates of Wayland College Monday evening. Attending the exercises from Center were Patricia and Karen Robertson, Margaret and Mary Grace Dunn and Mr. and Mrs. Green.

Mr. and Mrs. R. C. Ross spent the weekend with their daughter, Mr. and Mrs. Don Craig and son of Russell, N. M. They came by way of Baileyboro Sunday afternoon and visited another daughter and husband, Mr. and Mrs. Buck Ragsdale.

Mr. and Mrs. G. N. Shirey of Azle arrived last week to be with their daughter, Mrs. Ernie Widener, who is ill at her home.

Callers in the Widener home Tuesday afternoon were Mrs. Leo Frizzell, Mrs. J. D. Welborn, Mrs. Frank Dunn and Mrs. Green.

WEEMS & WEEMS TEX

Be sure of a stand of small grain... KILL ALL SPECIES OF WIREWORM WITH A SINGLE

dieldrin seed treatment

NEWLY SEEDED FIELDS make good feeding grounds for true and false wireworms and other soil insects. If there is not enough moisture in the soil to permit quick sprouting, seeds are vulnerable to insect attack for several days. But the threat of wireworm damage should be recognized at all times.

A dieldrin preventive seed treatment is a sure way to protect small grain seeds until they sprout.

LOW-COST PROTECTION

It costs just pennies per acre to treat seed with dieldrin, but dollars per acre to feed the wireworms untreated seed! A dieldrin seed treatment prevents "spotty" stands... eliminates the expense of time and money for re-planting or sowing extra seed for the wireworms to feed on... assures you of a longer

grazing period. And dieldrin does plant development. COMPATIBLE WITH FERTILIZERS Dieldrin is compatible with fertilizers and can be applied at the same time and expense and work of a double treatment. You can buy dieldrin-treated seed from a dealer, or treat the seed yourself. It can be applied as a slurry, dry, or in a granule. A convenient method is to apply the seed in the grain drill as you follow directions on the label for particular formulation you buy. LESS WORK AT PLANTING Seed can be treated now and at planting time. Dieldrin eliminates the need for treating seed and planting within 48 hours. Dieldrin formulations are available in small grain growing areas. Local supplier.

day. Quite a few got blistered, but most of us remembered last year! Last Tuesday an awards assembly was given, those receiving honors were: The outstanding seniors, according to the point system — Fontaine Fowler, Mary Jo Smith, J. E. Waller, and Jerry Coltharp. The outstanding band members named were Bobby Rainer and Jerry Coltharp. Mary Jo Smith (valedictorian), Betty West (salutatorian), Leon Wiley (honorary boy), J. E. Waller and Nancy Jenkins and Don Sparks received scholarships. Beth Crawford received an award for oratory. The inauguration of the S. C. president (Keith Armstrong) and (Ronnie Downing) vice-president was also held.

The band officers for '56-'57 were announced as follows: Kendis Julian — Captain, Kearney Edmiston — 1st Lieutenant, Jerry Solomon — 2nd Lt. and Henry Self — Sgt. at Arms. Has everyone noticed all the girls in their pony tail hairdos? Some of the girls wearing them are: Jerri Floyd, D'Lea Witkowski, Donnie Young, Dee Ann Newberry, Bethie Wilson, Linda Jones, Sherre Darden, Sandra Roe, Snow Drop Virginia Roberts, Ann Word, Durnin Taylor and Vanda Carter. Cute and Cool.

Max Crawford and Carroll Guthrie are leaving for summer school at Texas University in the early part of June.

Did anyone see some freshmen doing a "can-can" in front of the Tazee Freeze last week? Funny!

Daters seen around the "drag" and F.H.S. were: Jerri Floyd and Buttin Beedy, Gaynelle Boothe and Bill Smith, Keith Armstrong and Sharon Edmiston, Kay Callaway and Bob Deik, Sherre Darden and Winfred West, Jane E. Waller and Donnie Jenkins, Pat Robertson and Marvin Rucker, Nancy Meredith and Weldon Pruitt.

Sue Durham and Vaughn Ginn, Linda Welborn and Herbert Ginn, Joy Sparks and Laron Pulton, Don Norman and Rue Nita Holly, Jay Johnson and Gloria Carthel, Jerry Coltharp and Gene Lovance, Juana Womack and Gene Lovance, Billie Gail Holmes and Bobbie Welborn, Bill Orman and Marjorie Burleson, Max Harrison and Jaynette Marquis, Kay Robertson and Randall Jones, Kearney Edmiston and Billie Goode.

Helen Webb and Phil Krebs, Ellis Lowen and Snow Drop Dunn, Janis Roberts and Kendis Julian, Don Colley and Carol Lawson, Don Webb (again?) and Barbara Smith, Jimmy Marquis and Carolyn Raley, Donnie Young and Lynn Raley, "Pee Wee" Ferguson and Ann Whiteley, Gail Baxter and Larry Wiley and Fontaine Fowler and Robert Stovall. Well, that is all for now and I'm signing off for the summer! Hope to be back again in September!

TELEPHONE TALK

"Service Was Never Better"

Some time ago, we mailed out post cards to all our customers in Floydada. If you'll remember, we asked you in the post card what you didn't like about your telephone service.

Maybe some of you were surprised that we would ask a question like that. But we meant it. We weren't asking for complaints. We did it to find out what you really thought about telephone service here.

When the cards came back with your answers, we were happy to see that most of you said, "Service is very good, well satisfied with it." And it was good hearing it from you, because we'll admit that nobody knows more about your service than you do.

We also got a few complaints—thanks for telling us about them — and we tried to clear those up in a hurry so that everyone in Floydada would be satisfied with their telephone service.

Meanwhile, don't hesitate if something's bothering you right now about your telephone service. Just call the telephone company. We'd like to know about it — and we'll try to do something about it, too.

Stop Those Hurried Dashes

Ever notice how you run for a ringing telephone because you're often in another part of the house? Then, when you get there you're probably a little out of breath as you answer.

The best way I know of to stop those dashes through the house is a handy extension telephone. Our records show that the most popular spots for an extension with most people are the bedroom and kitchen. But don't forget the living room or the workshop or anywhere, really, that's most convenient for you and your family.

To order an extension, just call the telephone company. The cost of an extension in your home is only \$1.00 a month, plus a one-time installation charge of \$1.00.

LONG DISTANCE VISIT

I was thinking just the other day that you can't drive a car from Floydada to Amarillo for 50 cents. Yet you can visit there—by Long Distance—for just 50 cents.

That's the cost of a three-minute, long-to-station call, after 6 p.m. and all day Sunday. Long Distance rates to anywhere are much less than you might think. So plan to visit regularly — by Long Distance. And when you call, remember to call by number — it twice as fast.

Call by number. It's twice as fast.
