

Spring Flower Show Is Set For May 16

Planning Event For Next Friday

The spring flower show of Floydada Garden Club Friday afternoon of next week (May 16) will feature exhibits in 16 classes of flowers arrangements as well as annual and perennial flowers in wide array and potted plants.

Lobby of Lighthouse Electric Co-operative will be the place of the show. Announcing the rules and exhibit list this week, Mrs. J. P. Moss, chairman of the flower show, also named the committees which will function for the show. These committee appointments are:

Schedule: Mrs. George V. Smith, Mrs. R. E. Fry, and Mrs. A. V. Stewart.

Staging and properties: Misses. Tule Jones, Ethel Sawyer, A. C. Cardwell, Tony Leonard. Entries and classification: Misses. O. C. Olsonmeyer, E. J. Morehead, R. E. Fry, George Smith, J. B. Bishop, J. O. Martin, E. P. Stovall.

Clubs: Misses J. B. Bishop, O. M. Watson, Jim Wilson.

Rules for the spring show this year are quite similar to previous shows. Entries must be made between 8:30 and 11 a. m., and the show will be open to the public at 1:30 p. m., after the judges have completed their work.

The show will close at 6 o'clock and the exhibit hall is to be cleared by 6:30.

In the horticulture classes Coke bottles will be used for the exhibits. Here are the classes and sub-divisions provided for in the show:

- Section I. Arrangements
- Class I: Mass arrangement of old fashioned flowers in old fashioned or antique container.
- Class II: Vertical Arrangement using white Iris in white container.

HERE THEY ARE . . .

FRED MARTIN JIMMY WILLSON RALPH RUCKER

These are the three faces used in last week-end's Straw Hat Day Contest. Four stores had winners and a fifth had no correct answers. The drawings were made several years ago by Hut Hutton of Amarillo.

Winners Named In Straw Hat Day Contest

The Straw Hat Day Contest held by local departments since last week-end ended quite a lot of excitement around the coffee shops and in the streets for several days. Though many did not enter because they thought it was too hard, there were some winners.

Fred Reeves had the thing figured out and had a correct list at both Seall's and R. J. R.

Dub Hodge had the only correct list at Hagood's and Roy E. Kinard had the answers right at Wagon Wheel.

Hale's Department Store did not have a correct entry among those submitted there.

Prizes offered were free straws for the winners.

The faces pictured were portions of drawings of Fred Martin, Jimmy Willson and Ralph Rucker, all well known in business circles in Floydada.

The weatherman has been very kind since straw hat day bringing sunshine and warm temperatures causing many to start looking for the cool toppers.

YOUR COUNTY AGENT (By Cecil Lewis, County Agent)

4-H CLUB WORK - District II 4-H Contest were held at Texas Tech May 3rd.

Floyd County entered five separate contests. Those participating were:

Pat Tucker and Sue Williams, 3rd place, Co-Op Demonstration, Floydada.

Kathy Rowland and Francis Parks, Electric Demonstration, Floydada.

Curtis Sanders, 1st place, Tractor Operators, Floydada.

Robert Overstreet, Kenneth O'Neal, Tommy Odgen, and Jimmy Huckstey all of Floydada, 2nd place in Entomology.

Warren Mitchell, Lockney and Billy Don Colton, Floydada, 4th place, Field and Crops.

Wagon Wheel

Wagon Wheel, 12 year old daughter of Mr. and Mrs. Lee W. Burton, was discharged from Peoples Hospital Tuesday after she was admitted Monday from a head injury received at school.

Sharon, a student at Junior High, was in a class in the gym. She was running across the floor when another student swung across in front of her on a rope. In the collision Sharon lost her balance. She fell backward and struck the back of her head on the concrete floor.

Her mother said she was resting fairly well Tuesday, which was her 12th birthday.

Dutchman Bridge Open To Traffic

MATADOR - Normal traffic across the Dutchman River bridge east of Roaring Spring have been resumed for the first time in a year.

The modern new concrete bridge serving State Highway 70 has been completed, replacing the bridge that was swept away by flood waters about a year ago.

The temporary crossing that was used while the new bridge was under construction, was being removed early this week and all traffic routed across the new bridge.

Visitors in the home of Mrs. G. C. Bailey the past week-end were Mrs. E. A. Panther and daughters of Wichita Falls.

McCOY - STARKEY NEWS LETTER

(By Mrs. John Fowler) McCOY and STARKEY, May 8 - Hi Neighbors:

Well how's your cotton growing? I think John has been scratching his ever since he finished the first crop. (I didn't write that if he happens to read this). But I am sure there has been a lot of seed looked at since it was planted.

I visited Mrs. Olin Watson one day last week in her shop. Seeing all the pretty flowers made me want to start some of my own.

Mr. and Mrs. Ted Rutherford visited with us last Friday night. They had received a heavy shower that afternoon.

Mr. and Mrs. Raymond Brazz were Sunday afternoon visitors in the B. P. Gooding home. Mr. and Mrs. John Fowler were there Sunday night.

Mr. and Mrs. Russell Noble of Rock were guests in the John Fowler home Sunday afternoon.

Mrs. Glancey Reddy visited with Mr. and Mrs. Lewis Reddy and Miss last week. Ann had the flu and Pearl came from Amarillo to stay with her.

Sunday Mr. and Mrs. Leonard Harper and daughter, Mr. and Mrs. Bill Cooper and son of Phoenix and Mr. and Mrs. Ross and children and Mr. and Mrs. George Haines and hope of Lubbock were guests of Mrs. Reddy. Mrs. Reddy returned home with her daughter, Mrs. Halsey and family.

Mr. and Mrs. L. A. Pate and family visited with their daughter Mr. and Mrs. Roger Poage and granddaughter of Boger, over the week-end.

Mr. and Mrs. O. L. Bearden spent Sunday in Childress. It was Mr. Bearden's father's birthday. His family gathers annually and have an all day picnic and get together. Mr. and Mrs. Connie Bearden attended, too.

Miss Janice McNeil spent the week end with Miss Cindy Heien and her parents, Mr. and Mrs. J. W. Day Jr.

We are certainly happy that Dub Daniels is recovering from his accident. Mr. Daniel was knocked down his tractor and the rear wheels passed over his leg. He sustained lacerations and blue spots, but no broken bones.

I am sorry to report Mrs. Son Jackson's mother is very ill at this time. Her father is not doing very good either.

Our club met in the Club House, May 2. Mrs. John Shipley was hostess. Mrs. Tom Porter was in charge of the program on "Yard Improvement". Mrs. Shipley gave "Flowers all year." Mrs. Hunter gave "Shrubs best suited for yards."

The next meeting is May 16. Mrs. Mary Smith will be hostess.

Remember if you can't get your part for the program, call the program committee. If you can't have club on your date call your president, Mrs. John Fowler, then I can make other plans.

Those present were Mrs. Turner Hunter, Mrs. Tom Porter, Mrs. L. T. Dycus, Mrs. Keller Holmes, Mrs. Harlan Day, Mrs. John Fowler, Mrs. Luther Holmes and her two grandchildren and the hostess, Mrs. Shipley.

John Shipley spent several days in Clovis, N. Mex., last week. Well, I have just talked to Mrs. Mike Lorraine. She said they went to Amarillo last night and met Gene. Gene will be home for 30 days before returning for shore duty somewhere. Gene has been on the carrier Princeton all this time. He had landed at San Francisco. While there he had visited Olan Lee, Jodel and baby. He reported they are doing fine. Olan Lee is working at the University.

I must close, sure would like to hear from you all. Why don't you call me?

Green and White Thinclads Claim Two First Places

Charles Ogden and Bill Patterson, Floydada's two entries at the state track meet, brought home two first places.

The victories of these boys is believed to be a first for a local entry ever won at the big Austin meet.

Patterson's win came in the 130 yard high hurdles which he ran in 15 seconds flat to lead all entries in his division. Ogden tied for his first with a high jump of 4 feet 2 inches. The two wins brought 19 points to the school in the team competition.

Actually Patterson probably could have placed as high as third in the low hurdles as well, but was unfortunate in catching a fast head in the preliminaries in this division. Judges were catching two from such height in the prelims to advance to the finals. Bill placed third in the heat but with the third best in all prelims run.

Ogden is a senior and finishes his high school eligibility this year. Patterson is a junior with one more year to go.

Coach Preston Watson accompanied the boys to Austin for their winning performance.

Miss Min. Mr. and Mrs. Walton Wilson and Judy and Harvey Allen visited and played "84" with Mrs. W. B. Wilson.

Sharon Burton had Sunday dinner with the Jim Stewarts. Other visitors were Bobby Fann of South Plains and Mr. and Mrs. Bob Cannon of Petersburg.

Mrs. Lee Burton and Phyllis visited her father, J. T. Myrick in South Plains on Thursday and Saturday.

Mr. and Mrs. Lee Burton and family visited in town Sunday afternoon with the Clyde Burtons and Jim Stewarts.

Mrs. Carl Smith and Mrs. E. A. Panther returned from Hot Springs, Ark. They had been taking hot baths.

Quality Award Given

R. E. Fry, President of Southwestern Company is among his company's employees who have been honored with a quality award in 1936.

Fry won a high distinction of quality called because of the lives of his force and personnel.

Mrs. Carl Smith and Mrs. E. A. Panther returned from Hot Springs, Ark. They had been taking hot baths.

West Celebrates His 89th Birthday Here On Tuesday

John L. West celebrated his 89th birthday May 6, and enjoyed the showers and visiting day his daughter and son-in-law gave him.

He felt quite well and began to enjoy the day. Mr. West was born in County, Ala., one of two and two sisters. He is in Mississippi, Tenn. before coming to Texas in 1902. He is a minister and farmer.

He is the father of Key West of Floyd County, Ala., who is now in Mississippi, Tenn. before coming to Texas in 1902. He is a minister and farmer.

Mrs. Paul Moffat, makes his home.

MR. AND MRS. W. A. WALKER

Relatives and Friends to Honor Crosby Couple on Anniversary

Relatives and close friends will be hosts at a reception honoring Mr. and Mrs. W. A. Walker on their Golden Wedding Anniversary, May 11, 2:00 to 5:00 p. m. at the Crosbyton school cafeteria. The many friends of the couple are cordially invited to attend.

Kate and Andy Walker were married at the home of her father in Denton County, Texas, May 10, 1908. They set up housekeeping in that county and two years later moved to Throckmorton. In 1915 they moved to the Pansy community on the East Plains where they bought land and resided until moving to Crosbyton in 1950.

During the many years they lived in the Pansy community they were active in all the community affairs. The school teachers usually stayed in their home and the visiting minister was always welcome. Although they had no children of their own, they took a special interest in the youth of the community and Mr. Walker loved to help them learn to sing. Mr. Walker's interest in singing led them into many communities round about where they quickly made friends. They made it a practice always to lend a helping hand and were called on to serve their neighbors and friends in many ways.

Mr. and Mrs. Walker continue to enjoy reasonably good health. He still operates his farm and Mrs. Walker busies herself with the many things she can do with her hands. Their great joy in living is derived from their continued interest in their host of friends.

Thirty-Four Club Meeting Held With Mrs. A. L. Wylie

The 1934 Study Club met jointly with the 1950 Study Club in the Home Demonstration council room Tuesday night, where Mrs. Lee Go-lightly showed two films on cancer. Following this members of the 1934 club went to the home of Mrs. A. L. Wylie Jr., hostess for the evening, for a business meeting.

Mrs. L. L. Clark Jr., president, presided. Roll call being answered with health hints.

The resignation of Mrs. Jack Lackey, who has moved to Hereford, was accepted, but with regret. Mrs. Clark resigned as president of the club, and Mrs. Olin Watson Jr., accepted the position. The club voted to pay \$5.00 for registration of the Sponsoring Board of Brownie Troop 2.

Members present included Mrs. Roy Baxter, L. L. Clark Jr., Ralph Cogdell, Dennis Dempsey, R. G. Dunlap, Howard Gregory, J. S. Hale Jr., Thos. J. Hutchins, L. F. Martin, M. J. McNeill, J. P. Moss, Virgie Shaw, John B. Stapleton, George Van Winkle, O. M. Watson Jr., J. M. Wilson Jr., DeWitt Seago, Homer Guffee and the hostess, Mrs. Wylie.

Next club date is set for May 20 at the home of Mrs. O. M. Watson Jr.

Little League Growing Pains Beset Managers

Officials of Floydada Little League are scratching their heads this week trying to come up with the solution to the growing problems the league is experiencing.

On May 4 when managers met to bid for players they were greeted by some 125 boys anxious to get into action.

With only eight teams planned this would give each team more than 15 players and leave little room for late comers. Russell King says they are toying with the idea of forming a T-Shirt league of two teams and also of increasing the number of players on a team roster. They carried 12 last year.

Too many players on a team might cut down on the playing time each boy would get. Team rosters were to have been announced this week but this is being held up until more answers are found.

Schedule Starts May 12

Meantime managers are proceeding with plans to start league play as planned on May 12 (Monday night) and are hoping all will be worked out by then.

Monday night's schedule calls for a game between the Giants and the Indians in the American League. On Tuesday night the Texas League pits the Red Sox against the Braves and is followed by a senior circuit game between the Dodgers and the Cardinals.

Pony league play starts on May 27.

Churches Observe Mothers' Day

Churches in Floydada will observe Mother's Day, Sunday, May 11. While most of them have no special service arranged the service will be in dedication to Mothers, young and old.

Pastors here are inviting the public to attend the church of their choice, not only members of the churches but their guests as well.

A special program is planned at the New Salem Primitive Baptist Church for Sunday. There will be the morning service, lunch served with members of the program committees sharing duties with the hostess. Each member is requested to bring a salad dish.

The Floyd County Hesperian, Floydada, Texas, Thursday, May 8, 1958

at the noon hour, and singing in the afternoon. Principal speaker will be Elder Newman Likin of Idarwallas.

Elder J. B. Martin, pastor of the church said there would also be services Saturday night, May 10, at which Elder Likin will speak also.

National Family Week will come to a close Sunday in the Methodist Churches across America with a service of worship centered around Christian Home and to give honor to Mothers.

The sermon subject at the local Methodist Church will be, "There is No Place Like Home" to be given by the pastor.

There will be usual services at the following churches, with mothers honored in sermons or other observances:

City Park Church of Christ, Wall Street Church of Christ, First Baptist Church, First Christian Church, Assembly of God, Calvary Baptist, Nazarene Church, Cumberland Presbyterian Church.

A revival will start on Sunday, May 11, at the Bible Baptist Church. The Rev. George Jackson of Stinnett will conduct services. Rev. T. W. Davis is pastor.

CARD OF THANKS

I am home from the hospital now and doing fairly well. My stay there was helped wonderfully by so many cards, flowers and visits from all my friends and relatives. Thank you all for being so thoughtful.

Bride Flies Ocean To Be Married To Floyd County Man

Mr. and Mrs. Lee W. Glenn, of Oxnard, Calif., are announcing the marriage of their daughter, Mary Kathryn, to Marvin Eugene Swanner, son of Mr. and Mrs. M. B. Swanner, of the Sand Hill community, Floyd County.

The wedding vows were said on April 26 on Guam Island where Gene is stationed.

Miss Glenn, a nurse, flew across the Pacific to join her intended husband by Trans-Ocean Lines.

The bridegroom was reared in Floyd County. He is a graduate of Floydada High School.

Troth Revealed

Mr. and Mrs. R. R. Ferguson wish to announce the engagement and approaching marriage of their daughter, Thelma Jo, to Spencer Don Hatley, son of Mr. and Mrs. D. G. Hatley, June 15.

Both parents are residents of Floydada.

Clubs To Observe H. D. Week Later

Floyd County Home Demonstration Clubs are among other homemakers throughout the nation who are to observe National Home Demonstration week. "Today's Home Builds Tomorrow's World", is again the National theme of the week.

Most of the Floyd County clubs plan special activities, and hope to inform other homemakers and families of the purpose of home demonstration work and show its contributions to family and the community life.

Mrs. W. W. Trapp, head of the committee in charge, said this week plans are in the making for a Hobby show. Not only will Home Demonstration members have work in the show but the public may join in.

Mrs. Trapp said, "Observance begins May 4-10, but the Floyd County committee has been unable to meet as yet and their observance will be at a later date."

"Plans are not definite as yet," Mrs. Trapp said, "But we have hopes of having the Hobby show at Old Settlers."

Visiting in the home of Mr. and Mrs. Albert Prier for the past two weeks have been his parents, Mr. and Mrs. W. J. Prier of Corpus Christi. This week-end the two families plan a trip to Las Cruces where they will visit other children of Mr. and Mrs. W. J. Prier. The elder Priers will remain in Las Cruces on an extended visit.

Journalist Sees Cancer Break-Through

Bishop Reports On Research In Various Fields

Major break-throughs may be in the offing in scientists' search for drugs to battle cancer, declares a recent staff report of the conservative Wall Street Journal.

Jerry Bishop, in a report for which he journeyed half around the world to assemble information, says that great progress already has been made in the search for anti-cancer chemicals. Now, he declares, the searchers are cautiously hopeful that stepped up activity will speed the day when cancer may be controlled by drugs.

Jerry Bishop is the phenomenally successful reporter son of Mr. and Mrs. Ed Bishop of Dallas. He is a grandson of Mrs. Jennie Bishop of this city. His first work with the Wall Street Journal was as the student of a reporter for the Dallas edition of the Journal.

THE chemical attack on cancer is developing on a broad front, says Bishop's story. A massive, federally-backed program of screening existing chemical compounds and molds (from which antibiotics may be made) is now being carried on. This empirical search is being accompanied by an accelerated campaign by drug makers and research organizations.

Here are some excerpts from the intensely interesting report of the young reporter.

Basically, cancer occurs when a normal body cell suddenly goes wild, multiplying at a tremendous rate, gobbling up all cell food and crowding out normal cells. It spreads rapidly until it causes death by destroying some vital organ.

NO drug has ever been known to cure a cancer patient, researchers emphasize. The only known cures are surgery to remove malignant tissue and radiation to kill cancerous cells. Chemotherapy researchers seek to supplement these treatments with drugs that selectively will seek out and destroy cancer cells without harming the surrounding healthy cells.

Chemotherapy sometimes has been effective in temporarily halting the progress of certain cancers, such as leukemia, increasing patients' well-being and prolonging their lives. But so far most anti-cancer drugs are used only as a last resort when patients cannot be helped by other treatment.

THE research attack on cancer probably is the costliest single undertaking in medical history, say medical researchers. And a large share of the cost is for drug development.

Backbone of research efforts in cancer chemotherapy is the screening program begun in late 1925 by the National Cancer Institute. Under this program, drug companies, chemical makers and research institutions are sending to central testing labs samples of almost all their existing chemicals, drugs and other biological materials which may have even a remote chance of being effective against cancer.

MOST of the anti-cancer drugs now being used are the so-called

anti-metabolites—drugs that act as chemical impasses to block the growth of cells. The drugs are based on the "Trojan horse" idea. That is, they so closely resemble the normal chemicals that feed a cell that the cell cannot tell the difference. Once the powerful anti-cancer drugs get inside a cell they foul up its operation and destroy it.

Unfortunately, however, the drugs are toxic to normal cells as well as cancerous ones. But researchers, relying on the fact that cancer cells have enormous appetites and will gorge themselves on the "poisonous" drugs, are seeking to kill off these cancer cells before the normal cells are affected too seriously.

THE most striking use of an anti-cancer drug so far has been against a rare but nearly 100% fatal form of cancer, (choriocarcinoma) occurring in women during pregnancy. Victims of this cancer often die in a matter of weeks.

Since late 1925, according to Dr. Fay Hertz of the National Cancer Institute, 15 women stricken with this cancer have been treated with a certain medicine. Ten of these women now are living normally with all signs of the cancer wiped out. Two died during treatment and three others are being treated. One of the women has gone over two years without a sign of the cancer reappearing. It takes a considerable disappearance of cancer for at least five years for a patient to be declared cured, say cancer specialists.

EVANGELIST GEORGE JACKSON

Revival At Bible Baptist Church To Begin On Sunday

T. Wesley Davis, pastor of Bible Baptist Church, this week announced a spring revival for that congregation starting May 11, and continuing through May 18. Preaching and song services will start at 7:30 p. m. daily.

Evangelist George Jackson of Stinson, Texas, will bring the inspirational messages. The pastor extends an invitation to the public to attend. He says "Brother Jackson will bless your heart with his Bible preaching, in this old-fashioned revival."

Dougherty News

(By Mrs. W. J. Ross)
DOUGHERTY, May 6 — The Dougherty school is announcing a last of school program for Friday evening, May 16. At present school is scheduled to close May 20.

Several from our community attended the Baccalaureate services for the graduating class of the McAdoo school Sunday evening. The Rev. MacCain, pastor of the McAdoo Baptist Church, officiated. Richard Ward, son of Mr. and Mrs. Mac Ward, is a member of the graduating class. The commencement exercises for the McAdoo school is scheduled for Thursday evening May 8.

Jimmy (Grumpy) Franks is graduating from the McAdoo grade school. He is the brother of Mrs. Bob Vickers and the nephew of Mrs. Mac Ward.

With the weather being springlike farm activities have started planting cotton.

A group of local teenagers attended the drag races at Abernathy Sunday.

Bill and Noble Jr. Hunsucker are among the graduating class of '38' of the Crosbyton High School. This week they are on the senior trip to Galveston.

Mrs. Kenneth Ring has opened a beauty shop in a small building at the rear of her home. She is a well trained experienced beautician. Reports of her work are quite complimentary. At present she is observing regular business hours.

Mrs. Robert Kent of Floydada was a guest of Mrs. Bill Poole, Monday.

Thursday evening Mr. and Mrs. Bill Poole entertained with a 6 o'clock dinner. Guests were F. M. Dougherty, J. C. Hogsett, Joe B. Hogsett, Guy Price, and Jerry Buck of Fort Worth, and Bill Alexander of Dallas, also Mr. and Mrs. Jack Farris of Oklahoma City. Mr. and Mrs. Farris recently returned from several months stay in Hawaii.

Mrs. Fred Cardinal visited in Alcongreave over the week-end. Currently they are visiting on their ranch in the Crosbyton area.

Mrs. Fred Cardinal visited in Alcongreave over the week-end. Currently they are visiting on their ranch in the Crosbyton area.

Mrs. R. H. Crawford and daughter, Mrs. A. C. Pratt, visited her brother Raymond Wiley and Mrs. Wiley at Spade Wednesday.

Jerry Crawford returned from Austin Sunday. He was among the contestants from Floydada High School who entered events at the State meet in Austin.

A. T. Emmet has been a patient in the Crum Hospital at Lockney since Thursday. He is reported in fair condition.

Mr. and Mrs. Ernest Emmet, of Texline, visited with relatives at Dougherty and Lockney during the week-end.

Mrs. Ada Hinton underwent surgery at Methodist Memorial Hospital last Tuesday. She is recovering nicely. She will go to the home of her daughter, Mrs. Gene Alexander Wednesday or Thursday of this week and will remain several days before returning home. In case friends wish to send cards or make a brief visit the Alexander home address is 3712 27th Lockwood.

Edwina Overstreet was the overnight guest of Sus Ring Monday. Mr. and Mrs. Kenneth Poole and Lance and Mr. and Mrs. J. T. Poole attended a reunion of the Moore family at Burleson Sunday.

DR. AND MRS. SHAW ARE SPENDING WEEK IN FLOYDDADA
Dr. and Mrs. Vernon Shaw are in Floydada guests of Mrs. Shaw's mother, Mrs. F. M. Price. They plan to stay until after Mother's Day. Dr. Shaw is slowly improving from an attack of polio suffered last spring, but is still on crutches. He is expected at Bethesda Home in San Antonio.

Also on an indefinite visit in the home is another daughter of Mrs. Pike, Mrs. Ruby Renick, and son of Wynona, Okla.

Mr. and Mrs. Robert W. Day were visitors in Dismitt Sunday.

PTSA Installs New Officials With Ceremony

The Parent Teacher Student Association held their last meeting for the year in Junior High auditorium Monday night and had the installation of new officers.

Mr. and Mrs. John Reese succeed Dr. and Mrs. W. F. Patrick as president and co-president for the school year 1932-33.

Mrs. Hollis Bond installed the new officers in an impressive ceremony, quoting a scripture, a quotation and a story from the book, "Ten Buttons Missing". At the close of the installation Mrs. Bond presented each new officer with a pink carnation corsage.

Other officers working with Mr. and Mrs. Reese will be first vice president, Mrs. Tom Peter; second vice-president, Mrs. W. L. Davis; third vice president, Mrs. A. L. Wylie Jr.; secretary, Mrs. Bud Sparks and treasurer, Mrs. Jack Kessiah.

Music was furnished by the Junior High Band under the direction of Maurice Jones.

A. W. Coltharp, principal of the

school gave detailed plans on Field Day coming up tomorrow, (Friday). Events will take place throughout the day with each student having a part. There will be games, literary events and other activities and each student of Junior High is required to participate.

Ribbons will be presented for winners and rooms receiving the most awards throughout the day will receive a plaque for his or her home.

At the noon hour, lunch will be served at the concession stand in the ball park. Parents are invited to attend and also urged, Mr. Coltharp said. This Field Day takes the place of the school's annual picnic. It proved such a success last year that it was decided to have a repeat performance.

Sunday, Mr. and Mrs. Jack McKinney and son of Clovis, N. Mex., Mr. and Mrs. Ben Whitaker of Kirby and Mrs. B. W. Snell of Lubbock were here to spend the day with their parents, Mr. and Mrs. J. McKinney. Mrs. McKinney is quite ill this week, suffering with a cold condition and Mrs. Whitaker is here for a few days caring for her.

Mrs. Arch March and son of Lubbock are here spending a few days with her parents, Mr. and Mrs. J. P. Meas and her husband's mother, Mrs. Joe March, while her husband is in Dallas on business.

BROTHER-IN-LAW PASSES

Mrs. John Reagan and Ard Howard attended funeral rites in Lubbock Thursday of last week for A. G. Reeves, their brother-in-law, who passed away Tuesday afternoon, April 30.

Services were conducted at the First Methodist Church at Lubbock. Mrs. Reagan and Mr. Howard went over Wednesday to be with the family.

HOSPITAL NOTES

SAM PUCKETT **W. R. PUCKETT**

Former Senator Karl L. Lovelady Announces For State

TO THE VOTERS OF THE 30th SENATORIAL DISTRICT:

I take this means of announcing my candidacy for the office of State Senator of the 30th Senatorial District in the Democratic Primary. I make this announcement after careful and considered appraisal of the voiced opinions of the many have come to me and that I have gone to see, who have insisted that I make this race based on my past record in the State Texas to keep the state out of debt and to vote a vote for all the people and not a vote for the chosen few.

I base my candidacy on the following platform:

- HONESTY AND INTEGRITY**— The past few years have brought dark clouds of dishonesty and corruption in our state department, and I for one, if elected your State Senator, propose to do my part to see that the people of Texas shall once again have confidence in our government.
- FARMING**— I believe in a broader "Farm-to-Market" road program, by trying to get an additional \$5,000,000 per year to the amount now spent, for more farm roads.
- I believe in a much broader rural electrification and rural telephone program so that every farmer will benefit.
- I would like to see a state supported experimental farm, to be located in the heart of the vegetable growing district, for experimentation in the growing of vegetables.
- I would support a program to conserve our water supply by the state expending money for the construction of dams on all river and draws where needed. (In doing this we would also have places for recreation right here in West Texas.)
- I would amend the present employment law so that the TEXAS EMPLOYMENT COMMISSION would bring into any given area suitable labor to be used on the farm where said labor is not locally available at the time when this labor is most needed by the farmer.
- I would vote for and support a stronger seed germination law in order to put this state on a par with other states in seed regulation. I will always oppose any legislation to unionize farm labor.
- SCHOOLS**— A stronger emphasis on the teaching of the basic subjects of reading, writing and arithmetic in the lower grades, and on mathematics and science in high school, so that we can better equip our students to preserve our leadership as a nation in the world.
- Better pay for all school teachers, and more money for better school plants from the state. (I think teachers should receive salaries better protected, and for professional person or so called professional person who, either private, in public, or in public, fully misleads the public to obtain a client or a patient should prosecuted by law for so doing.)
- I think we should have a state supported Junior College near the center of the district so that buses can run from the various towns carrying students to said college.
- BUSINESS**— I would abolish the State Store Tax, State tax levied on stores that sell cigarettes and charge the collection of all taxes and cosmetics, etc., now collected by the merchant to that of the manufacturer who makes them. (In fact I think the merchant, farmer and all retail businesses should be taken out of the business of collecting taxes for either the state or the federal government.) It is about time the small business man got a break in this government of ours.
- The present "Hot Check" law should be amended so that when any person gives or passes a check whether for cash, to pay a bill or to receive merchandise, he or she may be handled by the proper court if said check is not honored at the bank for payment.
- Any person who makes a bill for groceries, clothing or drugs, same being necessities, the merchant should have stronger laws than we now have for the collection of said debts.
- LOAN SHARKS**— I would vote and support a law to place all loan companies under the same regulations as the Banks are now under.
- CITIES AND TOWNS**— I believe that all cities and towns in the state should be given aid from the state, based on population for use in building streets, alleys and for the purchase of highway rights-of-way through their cities and towns. (As you know all this expense is now carried by the property tax payer who already has all the burden he can carry.)
- PROFESSIONS**— I believe that the present laws regulating the illegal and unethical practice of law, medicine and healing arts should be strengthened so that the public may be
- Our laws should be amended that all government records and government meetings shall be open to the press so that the people may be informed on all happenings of the government of this county and political subdivisions.
- FREE PRESS**— Our laws should be amended that all government records and government meetings shall be open to the press so that the people may be informed on all happenings of the government of this county and political subdivisions.
- TAXES**— The State Comptroller has reported that by January 1, 1933, the State shall be about \$100,000,000 in debt, thus the next session of the Legislature will be faced with the duty of getting the state out of "red". I think that this can be done by the abolishing of public jobs and the elimination of public functions of various state agencies, none of which render any service to the tax payer. (I think getting harder economy should start at Austin.)
- I would abolish the State Property taxes, as the property tax payer has too great a burden in supporting our school, county and county governments.

I am not supported by any clique or clan, nor am I fighting any group or individual in this campaign, but if elected your State Senator I will be your State Senator in fact and in truth, and the fighting that I will do will be on the floor of the State Senate, fighting for the interest of each person reading this announcement check my past record in the legislative halls of Texas, and as a spirited citizen in the community in which I reside.

I am outspoken in my beliefs and never ride the fence on any issue.

Trusting that you will take this announcement to your heart for the good and future property of this district, and that you ward together with progress consistent with our times for the good of all of us.

SINCERELY,
KARL L. LOVELADY

Lakeview News
(By Mrs. Q. D. Williams)
LAKEVIEW, May 6—Mrs. Louis Pyle and Mrs. Weldon Hammonds visited Mrs. Clifford Helms Tuesday. Mrs. Helms is recovering from an operation.
Misses Annella Thurston and Leota Daniel returned from the senior trip to Missouri late Tuesday night. Annella especially enjoyed boat riding on the lake.
Mrs. Warner Johnson took her car for Louie, Jerry Cardinal and Bob Seago to go to Austin late Wednesday. Mr. and Mrs. I. T. Graves and A. W. Coltharp took their cars for transporting other members of the State competition, but gained from the experience of seeing their competitor plays, all the best in their areas. While visiting at the capitol the boys got autographs of the chief justices and sat in the governors' chair.
Friday night, Louie and Mrs. Johnson attended the Power Show at the University of Texas. They saw the "Boost John" missile and other army equipment. They returned home Sunday.
Verlan Wright is back at his farming job after spending several days last week in the Lockney Hospital. He sprained his back a few weeks ago. Rest and medication were prescribed by the doctor to relax the nerves affected. His father, W. C. Wright, who will be seventy-four this fall, did the plowing and planting until Verlan was able to resume the work.
Warner Johnson, Novis and Wesley, ate Friday supper with Mr. and Mrs. R. L. Johnson.
Mr. and Mrs. Flukie Smith enjoyed a fish fry Friday night at Mr. and Mrs. Ed Brown's.

Mrs. T. W. Flenniken was honored at a "Grandma Shower" Wednesday afternoon at the Willie Bunch home. Mrs. Tommie Flenniken lives in Lake Charles, La., and was unable to attend the party. The gifts will be taken to her.
Mrs. Flukie Smith served pink punch while Mrs. Don Harrison offered petite four decorated in pink and white. The table was covered in a frothy pink net. The centerpiece was a white branch budding with tiny pink baby dolls. Mrs. Louis Pyle registered the guests in the baby book.
Other hostesses included Mrs. Weldon Hammonds, Mrs. Milton Harrison, Mrs. G. W. Smith, Mrs. Wayne Battey, and Mrs. R. G. Smith.
They presented the guests with corsages of pink ruffled net with a baby picture smiling in the center.
Mr. and Mrs. Clifford Helms were visited Thursday night by Mr. and Mrs. Louis Pyle and family.
Mrs. Howard Gene Bishop and son Greg visited her parents Mr. and Mrs. Sid Brown at Cedarhill on Thursday. They also visited Mrs. A. Welch and new baby daughter.
Mrs. Maxie McKnight and sons Rob and Dell visited her parents Mr. and Mrs. Earl W. Edwards over the week-end. Mr. McKnight attended an administrator meeting at Austin. Maxie is high school principal at Wellington. Friday afternoon Mrs. McKnight and Mrs. Earl Edwards Jr. shopped in Crosbyton. Scarlett and Choice Smith attended the Texas Tech College Rodeo Saturday night.
Choice Smith visited friends at West Texas State College Sunday. She Flenniken won second place in the girls division at the Andrews Junior Rodeo Saturday night. A cash prize will be mailed to her.

The Floyd County Hesperian, Floydada, Texas, Thursday, May 8, 1958

the editorial in one must be passed on. It tells of a visit Walter Reuther and his brother made to Russia during 1934. They got a job in a Russian automobile factory to study the ways the Soviet had trained agrarians for mechanized production.
They wrote home that they were "actually helping to build a society that will forever end the exploitation of man by man. What we are building will be for the benefit of the working class, not only in Russia but the entire world. We are always strong for the Soviet Union. You know we were always ready to defend it against the lies of the reactionaries. Carry on the fight for a soviet America."
Back home on the lecture platform sponsored by the young Peoples Socialist League, Walter Reuther has said the year before, "We do not believe in God, but that man is a God." From the way Mr. Reuther dictates to his followers and their employes we can believe that he thinks that he is God.
Look into the background of our Senatorial candidates this summer. How friendly are they with the team of this man who does not believe in God, and is all for Soviet Russia?
Would you like to see your employees demanding and getting twenty-five percent of your income before taxes? If this is allowed in the automobile industry how many years until it will enclose and choke agriculture? Unions were a good thing in the days of the sweat shop and child labor. Today they discourage initiative.
The ones to enjoy the profits must be the ones who have the problems of management. Trying new work methods, taking the risk. The hired man does not order the boss around. But Reuther wants it that way.
Is it his plan to break the automobile business, then force the gov-

ernment to take it over to run for "public benefit, not profit?" When government replaces private enterprise, the Marxist call it "Industrial Democracy." Do you want this? Mr. Reuther also wants his union members to work four days and get five days pay. These are the facts.
Mr. and Mrs. Milton Harrison and children visited Mr. and Mrs. Leland Woodward in Lamasa Sunday.
Mr. and Mrs. T. W. Flenniken and their business partner, Mr. Massey, maintained the entire Lakeview community with a barbecue at the schoolhouse Monday night. Underwoods of Lubbock catered for the party. Over two hundred guests attended the affair. The ginning company also showed a film on improved cotton farming methods.

MILTON WEEMS RESTING FOLLOWING AN OPERATION
Milton Weems, who is associated with his brother, Garner in Weems & Weems, Texaco, is said to be resting fairly well this week in Methodist Hospital at Lubbock.
Mr. Weems was admitted to the hospital late Monday and received surgery that night. Relatives say he may be able to return to his home the latter part of the week.
Mrs. R. F. Hall and her daughter and her husband, Mr. and Mrs. F. M. Covington of Dougherty, returned home Friday of last week from Albuquerque, N. Mex., where they spent several days visiting with Mrs. Hall's other daughter, Mrs. Guy Shoemaker and Mr. Shoemaker.
Mr. and Mrs. Robert Smith and family of Amarillo were here last week-end spending some time with his parents, Mr. and Mrs. George Wecker. Mrs. Wecker has been ailing with a throat infection.

Demo Committee Meets Monday Plan Primary

With the close of the time for filing applications for places on the Democratic primary ballot ended, next move will be on the part of the County Democratic Committee, which has been called to meet on Monday, May 12, at 2 o'clock p. m. in the district court room for the purpose of:

(1) Determination of cost of the primary elections for 1958, and apportionment of such costs among the candidates;
 (2) Selection of election judges, and places of election, in the various precincts of the county.

There were no surprise entries in any of the races. The appearance of the name of Sen. Karl L. Lovelady in the list of senatorial aspirants, and the added name of a Briscoe County aspirant for representative had been anticipated.

The 89th Representative District now has a candidate from each of the four counties comprising it for this honor. The newest aspirant, whose entry became official over the week-end is William H. Tennyson of Briscoe County.

The list prepared by the county chairman is in the order of their filing and is not necessarily the sequence in which names will appear on the official ballot. Above the list appearing below will be the names of state-wide candidates to be certified to the local committee this week-end.

News of Broadway

(By Mrs. T. E. Thornhill)

BROADWAY, May 3 — Monday morning of this week is truly a beautiful spring morning after the cool damp week. Makes one truly appreciate the lovely weather. Mr. and Mrs. M. R. Givens were hosts and hostess for a birthday dinner in honor of their son, Mickey and her sister, Mrs. D. D. Thornhill. Other dinner guests were D. D. Thornhill and Mr. and Mrs. R. C. Rietzel. Little folk who attended the party for Mickey in the afternoon were Diana Sabin, Cathy Trull, and Shelly Juan Havana, and Mrs. Kenneth Havana, and Mrs. A. D. Whalen.

On Wednesday of last week Mr. and Mrs. Hoyt McClure ate dinner with Mr. and Mrs. Ronald McClure and girls, Rhonda, and Brenda, and then in the afternoon, Mrs. Hoyt McClure visited Mrs. Weidon McClure.

Congratulations to Pat Berry and Mary Beth Littlefield who were united in marriage Sunday afternoon at the Methodist Church in Crosbyton. We wish for them a very long and happy married life.

Mr. and Mrs. W. A. Walker who will be married 50 years Saturday, May 10, will be honored with open house at the lunch room at Crosbyton Sunday, May 11, in the afternoon and as they are not sending invitations they wish all their friends to attend.

Mr. and Mrs. D. D. Thornhill visited Mr. and Mrs. Homer Miller in Croton Sunday.

Doug Rainbolt spent Wednesday night with Ronnie Ogle in Crosbyton then Ronnie spent Thursday night with Doug.

Mr. and Mrs. Ben Beckman and Rodney accompanied by Mr. and Mrs. T. E. Thornhill and Tommy went over to Cooperston, Okla., Saturday afternoon and visited with the Walter LaBerge's and the W. Lametka's, also attended Baccalaureate Services for Wanda Ann LaBerge at Cooperston High School Sunday evening. We had never been

over there and the Beckhams took us up into the Reserve; have never seen a more beautiful place including the herds of buffalo, antelope, deer, wild Turkey, and longhorn cattle.

So many things to see up there one could spend a week and never see half of it, but the Government wants it and the Cooperston Valley for a missile range so it may not be long before it will be no more.

The Cooperston Valley is such fine farming land with acres and acres of the most beautiful wheat you have ever seen — already headed. Mrs. Homer Smith and Beatie, Junior Long and Mary Ann Starrett spent Sunday night with Mr. and Mrs. D. D. Thornhill.

Mrs. Hoyt McClure visited on Monday of this week in the home of Mr. and Mrs. C. A. McClure. She and Mrs. McClure fixed dinner for the H. W. Pites who caught a plane from Lubbock Monday afternoon where they will be for three years. To them we wish the best of luck and God's speed in their missionary work there.

Mrs. M. R. Givens and Mickey were Friday visitors in the D. D. Thornhill home.

When we came home Sunday night we found several little peach trees in containers sitting in at the kitchen door. We are sure we owe our thanks to the S. H. Starretts of Lubbock and we truly appreciate them. Mrs. L. R. Rainbolt was a Saturday morning caller in the home of Mrs. D. D. and Mrs. T. E. Thornhill.

east wind getting cloudy by night.

May 2: Big rain after five. Wilma and Paul went to Lubbock. I took off 27 chickens. 12:30 it is still raining. Lake is filling some. Cold enough for fire. Butane is certainly nice this kind of weather as well as any other.

May 3: Rain all day.

Sunday May 4: Went in wagon to the draw on our place. Wilma cooked me a birthday cake. Rained in afternoon, long day.

May 5: Pretty day. Sunshiney day.

May 6: Forgot to go to the Center Circle Club. Did not feel well. Sunshiney day.

May 7: I had a good deal, felt better. Mary Smith came for flowers while we were here.

May 8: Went to Plainview to Dairy Show. Ate dinner with Ollie and Guy. Saw soldiers parade. Warm nice day.

May 9: Went to Floydada to Garden Club. Had a lovely time. Ate dinner at Cafe with Wilda. Storm came up about five. Joe stayed with Mrs. Wheeler. Rained 1/2 inch. Rained a little.

May 10: Rained 1/2 inch.

May 11: We have a baby calf. Clearing up. A lovely day.

May 12: Sunny and warm.

May 13: Started planting maize, warm and clear.

May 14: Planted cotton, May 16, 17.

May 15: Worked in garden, very tired at night. Went to Iris Kerlins as her father had passed away.

May 20: Came a big rain. We went to Halls, did not have the funeral.

May 21: Rained most all day. Dad, Joe and I cleared alone all day.

May 22: Cleared off but a big rain came at night. Set out tomatoes, sewed, patched and read.

May 23: Rained all night last night and till about noon today, sun shone afternoon a little, wind still in east, a cloud hangs in the west.

May 24: Clear, we went to draw afternoon. Visited Crumps, got maple trees to set out.

May 25: Did not go to church. Wilma, Paul and Joe went to the Wheelers. I rained most all day.

May 26: Clear. Worked in garden.

May 27: Clear, worked in garden all day. Was hard work hoeing up ground, everything in garden looks bed.

May 28: Did not go to Old Settlers at Floydada. Too much work. Clear, I worked all day.

May 29: Clear, warm, Planted cotton over.

May 30: Went to Emma, had a lovely time, but not many there. The crowd gave me a rising vote of thanks. (I was the secretary) I was rested for once.

May 31: Fixed floor in chicken house, made soap after dinner. Came a big rain right at night.

So the merry month of May passed that way in 1941.

Guild Auditions Of Local Pupils To Begin Saturday

The National Guild Tournament of piano players is now in progress in Lubbock. Mrs. Pagan's pupils will be auditioned on the tenth and twelfth, beginning at 9 a. m., Saturday.

Bret Sears, the judge, a well known pianist and artist in his field, comes highly recommended. He received the degree of "Bachelor of Music" from Oberlin Conservatory, studied piano with Bonard Lytle, with Axel Skjerne of the royal conservatory Copenhagen, and for a year in Paris, where he was a pupil of the Lazare Levy.

The following pupils from Mrs. Pagan's class will be auditioned: Kitty Frances Lloyd, David Boren, Jodie Campbell, Jan Carter, Carolyn Cates, Ladjuans Ann Rimmer, Alice Myrick, Freddie Sparkman, Betty Hodges, Rotha Bennett, Sandy Teeple, Linda Myrick, Roger Trapp, Sonja Kay Guffee, Patricia Tucker, Elaine Fawver, Patsy Pliny, Rita Carol Colley and Janet Boren.

All pupils except one will try for national rating and play ten entries.

HALF MINUTE INTERVIEWS

Richard F. Stovall: "Our board of regents of the six teacher colleges sold six million dollars worth of 10-year bonds at par with interest rate of 2.079 at Austin last week."

Menard Field: "We were fishing near Monterey and caught several 40-pound catfish in a mighty short time."

As A Farm Woman Thinks

This is a beautiful cotton planting morning.

I take a look back in the story of my life and see covered wagons slowly moving towards the west, pulled by ox teams. The G. D. Jones family was moving towards the Plains or maybe they would be on Kansas, grandpa did not really know as yet.

I was only four the very day the gates were opened for the little herd of cattle and horses and mother, brother Lowell and myself were getting to come along, papa staying in Weatherford and holding down his job.

I can recall things here and there - many hued phlox, soft as a baby's cheek to touch, lovely and fragrant to hold in my hands, the red water we had for coffee making, the trees playing out, the cedar covered hills, the caprock I walked up, the home of Felix Franklin.

Grandpa Jones was an unusual kind of man. When he got to the place where one would turn off and go to Kansas, he talked to some people, the never saw a stranger in his life) and then the ox wagons moved slowly on to West Texas. That is why I grew up here.

All my life I have been glad and proud I live in Texas. One of my fears when a school girl was when we studied Texas History and found that Texas had reserved the right when entering the Union to be made into five states and I grew cold all over when I thought that the County of Crosby might be in one of the new states! And not called Texas.

In 1941 I kept kind of a diary and will see how the month of May, 1958, differs from that month of May.

Thursday May 1: Wilma and Paul went to Lubbock. Joe Ellis and I went to Crumps while. Some sunshine. Jim and Georgia and Paul came after dinner. Joe and I went to Lubbock with them, came back with Wilma. High South-

Pioneer Round-Up Saturday May 17

PLAINVIEW - The 30th annual Pioneers Round-up is scheduled in Plainview on Saturday, May 17.

The Business and Professional Women's Club sponsors the Round-up which yearly attracts early day settlers and Plains people from all over the region, as well as from other states.

Reception for the 30th Roundup will start at 10 a. m. Saturday morning, May 17.

After the day's visiting, parade and other events a barbecue supper, prepared by the B&PW, will be served at 6 p. m. At 8 p. m. a musical program, Texas style, will be presented, with an old fashioned square dance from 9 until midnight.

I may be a little late with my congratulations to a very remarkable lady but to you, Mrs. Baker of Lockney, I join with the myriads of friends to thank you for the contribution you have made to our beloved West Texas.

Heard on the news: "A tornado danced over Greenville." It must have been a Rock and Roll Dance.

I had a very happy birthday yesterday. All my children were here some time during the day and I talked with mother and sister Joe over the telephone. My gifts were so pretty, and I appreciate all the beautiful birthday cards and well wishes for many more celebrations. Instead of being unhappy and resentful at the many birthdays I have had and the fewer ones for the future, I am indeed thankful for the years I have had to live and enjoy.

Poem sent by Mrs. Will Snell, a dear friend:

Going to Church

(By Edgar Guest in Star Telegram)

I reckon if the mother looked Across the distant view, She'd like to see me sitting there In our old family pew.

I reckon that her angel soul Would thrill if she could see Me sitting in the same old spot Where oft we used to be.

I haven't gone as often as I did when she was here; I've souter passed the church door by Through many a busy year. I've souter needlessly forgot The place we used to pray And kneel together in, since God Has taken her away.

But oh, I know 'twould be her wish, Whatever else I do; On Sunday mornings, that her boy Should occupy that pew.

And that I'm doing that for her I think she'd like to know; And so on Sunday to the Church Once more I'm going to go.

Remember to go to Church on Mother's Day, for that will be the best gift of all.

Motley Ranchers Ship Cattle Herds

MATADOR - Cattle from two large Motley County ranches are on the move to northern ranges. Red Lake Cattle Corporation Tuesday shipped about 1,600 head to Sterling, Colo. The Matador Ranch has shipped about 1700 head of yearlings from Russellville.

The Matador Ranch yearlings will go to Wendie, South Dakota, according to Seth Seger, manager. The shipment will require from 34 to 40 cattle cars.

John Stevens, manager of the Red Lake Cattle Corporation said Tuesday he was shipping the "tag end" of last year's calf crop to Colorado. He said he had previously shipped 600 head to Sterling.

Something New Added. Inherited from the drouth years in Floyd County are two or three weeds that have come from afar but which have already indicated they are "adjusted" and are due to deal Floyd County people new kinds of misery in their battle against noxious plant growths. One of these is the so-called wild mustard, because (we presume) it has a look and a scent similar to the mustard grown in gardens. Two other yellow blossoming weeds, one that hugs the ground and one that matures at six to eight inches, may give the bindweed a run for "honors." The weeds came in on trucks and in box cars from Up Nawth.

Chronology of Weeds. The old settlers recall when there were no weeds — except broom, blueweed and loco and the plow put them out of business with the turn of the virgin soil. It was a lazy man's life. The first fool farmers who began the ruination of the world's greatest cattle empire, planted in the spring, harvested in the fall. Then came a dry spell and there were goat heads, another and there were Russian Thistles, then Bindweed. Johnson Grass had a precarious beginning away back. But it did not flourish until irrigation days. How serious are the latest scourges is yet to be seen.

Although there may be disagreement on some of the many reasons assigned in Senator Yarborough's resolution asking that the U. S. Senate call for the resignation of Secretary Benson, there can't be much quarrel with at least two of the points raised, namely: The Secretary "has incited dissension, created ill will and stirred up... war between the producer groups of different farm commodities" and has "turned the American consumers against the American farmer." Whether the secretary intentionally did these two great wrongs to the farmers and the producer, the result has been the same. The Senator also calls attention to another great error the secretary has made, that is neglecting, even hampering the Rural Electric Administration. REA is the greatest boon of the era to the people of the country, and a man who does not realize this fact should not be kept at a high post where he can be so injurious to the welfare of so many people.

Reduced state income in Texas, due to the setback in oil and drying up of other sources of anticipated revenue is an augury of big tax fights (who will be it?) when the legislature gets in session. Meanwhile the general revenue fund is due to go into the red by many millions, according to the state comptroller. Although state employees and officers have been cautioned to go slow on money-earning commitments to the aged, to education and to eleemosynary institutions are such that little can be done about it except to raise more money. A member of the legislature is going to be a much worried citizen before the next session of that body is over.

Weather Accented It. How badly more farm to market roads are needed was brought to mind rather dramatically in Floyd County during the first three months of the year 1958. Hundreds of dates and meetings were missed by people who lived a few miles from pavement. The modern automobile with its low slung body, does not lend itself to travel in the mud. One who lived a few miles or a few hundred yards from the pavement, either did not go or rode out on pickups, trucks or tractors. The weather accented the need for more hard surfaced country roads.

Earth Warming Up. There is every likelihood that most of the cotton planted in the last week is going to come up and out to a good stand. It is time for the earth to warm up and that was what it was doing over the week-end despite chill winds. Most every farmer planted two stands, one for the weather and one to make a crop. Despite the high cost of seed "they opened her up," speaking of the planter box and the seed poured out, a bushel or more to the acre. This week's planting should be exactly ideal. (Cross your fingers and keep the right thought.)

Casualty Rates, Too. Within certain limits the fire insurance rates in a community are set by the property owners of the community. Heavy losses, heavy insurance premiums, light losses (good fire record) lighter premiums. Casualty rates also are now being set the same way. Community with a high incidence of accidents takes a higher rate than one with a low death and injury record. Rates in general are said to be due for an overhauling this summer. With material and labor both higher the cost of fixing a modern palace on wheels will be more. Wrap-around plate glass and chrome cost more to put back together like a shiny original. Carrying casualty insurance will be rather an expensive chore. And more expensive in some communities than others, depending on how destructive a record the community has.

Working In Reverse. People who hoped the congress would see fit to cut taxes and so expressed themselves had in mind that when the tax cut was made there would also be a reduction in the federal budget, federal spending. The cut may come, is almost sure to, but the budget will not be reduced it now appears. Too many people at home and around the world demanding more and more of the government.

Floyd County 14 Years Ago

(From The Hesperian, May 11, 1944) Honor boy of the class of 1944 of Floydada High School is Donald Clark Green, son of Mr. and Mrs. J. E. Green of the Center District. He is assistant of the class.

Carol Reeves, daughter of Mr. and Mrs. Sam Reeves of South Plains, will appear on the graduation program tomorrow night at the auditorium.

I. T. Graves, superintendent of the Crowell Public Schools for the past 17 years, has been named to the superintendency of Floydada Schools. He was selected from a number of desirable men eligible for the place.

Twenty years of service in one capacity and another for the American Red Cross by Mrs. E. L. Angus of this city, was recognized Tuesday evening when she was awarded a service ribbon at Lubbock in addition to the regular Red Cross pin.

A school picnic that was to have been the highlight of the Silverton High School closing festivities ended in tragedy that took the life of Mrs. Bobbie Jean Smith, in a car accident near that city Wednesday.

She is the daughter of Mr. and Mrs. T. M. Smith of Cedar Hill community and a sister of Miss Naomi Smith of Floydada. Mrs. Tom Parzenberry of Cedar Hill and Mrs. George Taylor of South Plains. Funeral rites will be Friday at Silverton with burial in Floydada cemetery.

Mrs. J. A. Summers and daughters, Mrs. O. M. McReynolds and Mrs. H. O. Kottanmer of Floydada and Mr. and Mrs. M. R. Grubbs of Post attended funeral rites Sunday for Mrs. J. D. Smith, Tatum, N. Mex., sister of the late J. A. Summers, last member of the family of four brothers and sisters.

Mr. and Mrs. Russell King of San Diego, Calif., are leaving this week after a brief visit here with Mr. King's parents while on leave from Douglas Aircraft plant where both are employed.

Mrs. Charles Brown and daughter, Linda, left Friday for their home in Stockton, Calif., after an extended visit here with her parents, Mr. and Mrs. W. H. Simpson.

Mr. and Mrs. Sam Thurmon reached home this last week-end from Harlingen, Tex., where they had been visiting for some three weeks. Queens of their daughters, Mrs. Cullen Riley and family, and Mrs. E. J. Rodgers and family.

Judge and Mrs. Kenneth Bain returned the latter part of the week from Hamilton where they spent several days as guests of the judge's sister Mrs. C. B. James.

News of Harmony

(By Mrs. Chloia Williams) HARMONY, May 5—This morning is such a lovely morning. Let's Spring a beautiful season when we don't have dust storms or too much wind and turbulent weather? How can anyone not believe in a Supreme Being when they see the miraculous transformations that emerge with the coming of Spring? There may be a storm tomorrow but we should enjoy the sunshine today.

Rev. Gates preached both morning and night at the chapel Sunday. There will be quarterly conference next Sunday night and Rev. Luther Kirk, District Superintendent, will fill the pulpit for the night service. We would like to invite and urge everyone to attend services at the church if you do not attend elsewhere.

Mrs. Frank Akin made a business trip to Lubbock Monday of last week.

Mrs. Raymond Stanton took her sister-in-law, Mrs. Vannie Lawrence to Lubbock Monday. Mrs. Stanton and Mrs. Mather Carr were business visitors in Lubbock Tuesday.

Mrs. Frank Akin and Mrs. Chloia Williams were business at a picnic and blue shower Wednesday for Mrs. Buddy Smith. The shower was given in the absence of the honoree. She and her husband are in California where he is with the navy. Buddy has been in and out of the hospital for almost a year due to a leg injury.

The serving table was laid with a lace cloth over pink. The center piece was a miniature tree from which swung cradles of small dolls. Guests were served pink punch and white milk squares decorated with pink and blue cradles. Gifts were displayed from a pink covered table surrounded by pink and white geraniums.

Many sent gifts who were unable to attend. Those present were Mrs. James W. S. Hanna, Glenn Pool, Raymond Ramsey, Roy Hale, Floyd Trowbridge, Wesley Carter, W. W. Edwards, Mather Carr, Lynn Davis, Zed Scott, E. B. Gary, Raymond Stanton, Carrie Woodgrove, the prospective grandmother, Mrs. Marvin Smith who received the gifts and will mail them to the honoree. Mrs. Harry Reeves and Mrs. Bonnie Evans of Floydada, Mrs. Joe Smith of Amarillo and Mrs. Peggy Ingram of Petersburg.

Beck Scott left Wednesday morning for Austin where she completed in the State Inter-scholastic League Contest in Poetry Reading. She returned home Sunday.

Mr. and Mrs. Elmer Williams visited with Mrs. Williams in Lubbock last week. They stated Erx is going to be placed in a car.

Mrs. Jim Bagwell of Anstond, N. Mex., also sister Thursday in the Mather Carr home. She also visited others in the community.

Mrs. Steve Trowbridge has been ill with tonsillitis. Melba Jo Ramsey and Tommy Smith attended the Jr.-Senior Banquet in Petersburg Friday night.

Mr. and Mrs. Joyce Davis and Jean made a business trip to Sagre, Oklahoma, Saturday.

Mrs. Wes Carpenter of Plainsview visited in the Mather Carr home Thursday.

Pat Tucker and Sue Williams were in Lubbock, Saturday, where they entered the District 4-H Contest. They gave a demonstration on "Farmers Cooperatives" and placed third. There was only one point difference in the three teams. They will be absent from the State 4-H Round-Up at AAM in June. In case either team of boys that won first and second do not get to attend, Sun and Pat will be eligible to go.

Mr. and Mrs. Bill Tucker and Roinik, and Mrs. Chloia Williams accompanied the girls to Lubbock. Mrs. Sherwood Ramsey, Melba Jo and Don Ray also attended the contest.

Visitors in the Joyce Davis home Sunday were Gekandmother Davis and Mrs. J. D. Travis of Coke.

Enjoying ice cream in the Elmer Williams home Saturday night were Mr. and Mrs. Garrison Woodgrove, Mr. and Mrs. Walter Hanna and Mr. and Mrs. Chloia Williams.

Mr. and Mrs. Everett Miller and Mrs. O. L. Snowgrass spent Sunday as guests of Mr. and Mrs. Harry Miller of Lubbock.

A step-sister, Mrs. R. X. Finch, of Mrs. R. B. Gary, passed away Saturday in Coahuila. She was buried Sunday, but the Garys were unable to attend.

Mr. and Mrs. Wesley Carr were business visitors in Lubbock, Saturday.

Mrs. Reda Mae Gary of Lubbock visited her parents Sunday.

Visiting Mr. and Mrs. M. D. Ramsey Sunday were their children: Mr. and Mrs. Raymond Williams of Floydada, Mr. and Mrs. Wm. Finckner and Olan Earl of Petersburg and Mr. and Mrs. Sherwood Ramsey, Melba Jo and Don Ray.

Vital Records of Land Office Are Protected

AUSTIN — The General Land Office moved a step closer to preserving its vital records this week with arrival of laminating equipment.

The laminating machine, which was ordered by the State last fall and built especially for the General Land Office by a Richmond, Va., firm sandwiches each document between thin, flexible, protective, invisible layers of acetate film.

All original documents in the land agency will be laminated. Land Commissioner Bill Allcorn says he believes that lamination of original documents in the land office will begin within several weeks, after the machine has been set up.

As an early step in preserving its records, the land office began macrolaminating its archives several years ago.

Original records and a set of the microfilm are filed in the General Land Office. A second set of micro-

films are being stored in a Dallas bank where they will be available if anything happens to the land office files.

"ELECTRIC COOKING IS Easy... EVEN FOR ME!" says CARL McKINNON GUYMON, OKLAHOMA. Mr. McKinnon says, "Cooking electrically is easy for even inexperienced cooks like me. I never thought I would actually enjoy preparing dinner for the boys while Lou, my wife, is not at home. Now, when she goes to her church and social affairs, the McKinnon men take to the kitchen. Roger helps with the salad, Doug helps set the table, and Warner, like most four-year-olds, just does a little bit of nothing. Although we're having steaks tonight, the boys ordinarily vote for hot dogs or hamburgers; regardless, our electric grill does a wonderful job, no matter the menu."

South Plains News

(By Mrs. Murray Julian)

SOUTH PLAINS, May 8—As gray clouds continued day after day this past week, farmers watched the question as to whether or not to put their cotton in the ground...

Friday afternoon South Plains was barely touched by a line of rain showers which fell across the southern area here. The heavy quick showers left the following amounts: Grigsby Milton 1.49, Rex Smith 1.30, Earl Pritchett and Skeet Thornton 50, M. M. Julian 1.00 and Fred Fortenberry 25.

Seniors who went on the senior trip from Saturday of last week until Tuesday from out here were Donita Milton, Button Beedy, Roy Hartman and Newton Deavenport. They went to Ozark Beach, Mo., and spent a fine time and good weather both as they went and came home.

Bryan Karr left this past Wednesday to go to Fort Worth where he took his mother, Mrs. J. H. Karr to her home. She had been here since her husband's passing the week before. Mrs. Karr stayed here and kept Yvonne in school.

TELEPHONE TALK by J. C. Oakley, Manager

YOURS FOR THE ASKING

There are several items that we have available at no charge such as booklets which are colorful and informative covering a wide range of telephone topics; also telephone talks which includes a wide variety of illustrated talks and lecture-demonstrations on subjects of high community interest.

For example, there are well qualified women speakers to give programs on proper telephone usage to either men's or women's group. Also we have a lecture-demonstrator who tours Texas giving talks about new developments in telephone science.

Guided tours through the telephone office can be arranged too. Instead of bringing the program to you, we invite your group to the telephone office to see the complex equipment required to provide telephone service.

We also have teaching aids for teaching good telephone usage in the schools, both primary grades and senior high school.

Of course, we have many films covering a wide variety of subjects available free of charge. Do you know enough about the great state of ours, Texas? We have some 26 films about Texas that we would be happy to send to you upon request.

MOTHER'S DAY REMINDER

Sunday, May 11, will be Mother's Day. Unfortunately, we all won't be able to drop in and wish our Mother a "Happy Mother's Day." The next best thing—as I see it—is to call her on the telephone.

Lots of sons and daughters call home on Mother's Day. That's why I suggest that you place your call early and call by number. In that way you'll avoid delay.

So don't forget—plan now on a Long Distance call on May 11 to make Mother's special day even happier.

ON AND OFF THE JOB

On the job, telephone people here in Floydada have a responsible part in keeping the town's telephone system working properly to serve you.

Whatever our jobs, whatever our favorite community activities, we telephone people share a common interest with you—making Floydada the best possible place to live in and raise our families.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

CHAT with PAT

All of you non-band kids stay near the phone because Friday night is the Band Banquet. There will be an enjoyable time had by everyone.

The band will have a busy schedule this week, a concert tonight, banquet Friday night, and they are going to spend the day at Roaring Springs Saturday. Watch for blissed people when they return home.

Oh, --- are the new Whirlwind Annals ever nice! We had a "Scratch Party" Monday night, and everyone wrote in everybody's annual. Among some of the honors issued in the Annual were:

Mr. F. H. S. — Ronnie Downing, Mrs. F. H. S. — Janis Roberts, Band Sweetheart — Snow Drop Dunn, Who's Who — Anella Thurston, Snow Drop Dunn, Janis Roberts, Joe Smalley, Frank Potts, and Ronnie Downing, Most Beautiful — Suzie Nelson, Most Handsome — Larry Arby.

Congrats to all of you. They are indeed great honors. The Seniors seemed to have a good time on their trip to Missouri. Tuesday night there were sure a lot of anxious girls waiting for their return.

We are sorry that our play didn't place at Austin but maybe we will have better luck next year. Congratulations to these State winners: Bill Patterson first in High Jumps, 46 ft. 2 in.; George Farris second place in typing, Mary Cogdell on the all State Cast.

Have you noticed: Leora King and Mike Shurbet and LaJuana Womack and Button Beedy are going steady; some underclassmen girls being mad; Sue and Rannie not going steady; Sue Flenniken and James Budgett in the halls; so many kids being gone last week (Sr. trip, play cast, typing, shorthand, poetry reading, and track); Bill walking Gies to classes, nearly every period; Marasue's new hair cut; Junie Marble being sick (get well soon); Carol having a good time on the Senior trip; Nedra Jarrett's ring (engaged to Eddie Childs); the annuals; Buddy Holiday's glasses; Thelma got her monkey; Don Norman being home for about 30 minutes; all of the boys short, short hair cuts; (Maybel missing a lot of school); Johnny Fred has been in the hospital; Fleeta and Wayne having company with their Saturday night (Wayne's two little brothers); Keith Lightfoot and Cliff Jones meeting place; There are 42 steady couples in F. H. S.

See you. PAT.

Mr. and Mrs. Robert E. Worden, who made their home in Floydada from 1892 to 1914, passed through Thursday on their way to Albuquerque, N. Mex., their home. The Wordens had been to the clinic Temple for health check-up.

Wayland Adding To Teacher Supply

PLAINVIEW — Thelma Jean Crawford, Floydada, is one of 20 student teachers under Wayland Baptist College's teacher certification program, according to Clarence E. Williams, assistant professor of education.

Wayland student teachers are in 11 area schools including Cotton Center, Hale Center, Floydada and Abernathy.

Following graduation, these will join the 220 Wayland graduates since 1949 who have entered the teaching profession. The education program, directed by Wayland's dean of instruction, Dr. Cecil Cosper, has this semester 136 students who are preparing for teaching careers. Of the 136 future teachers, 29 will be graduated at June and August commencement exercises.

Mrs. Crawford, a senior English major, teaches English at Floydada High School. She is a candidate for the bachelor of arts in June.

We still are receiving "thank you" notes and nice comments on the annual meeting that was held Saturday, April 19, at the Baptist Encampment. This meeting was planned down to the very last detail by the Annual Meeting Planning Committee and the committee members worked faithfully until everything was all done. It was a beautiful day - and the Encampment is the perfect place for a large gathering.

So many have expressed their thanks for the prizes they drew.

A unique situation developed when A. O. Foster's number was drawn for the color television while he was helping count director jobs. Another number was drawn which Mr. Foster did not have his number and the TV set went to Mr. and Mrs. Oia Moore of Crosbyton. However, when the story was told to the directors when they immediately after the meeting Mr. Foster's number was quickly remedied. Mr. Foster was awarded a duplicate set. Mr. and Mrs. Foster live in the Lone Star Community, north of Lockney.

Mr. and Mrs. Moore certainly proved they were good winners when they came in bright and early Monday morning to suggest that they bring the TV back so it could be given to Mr. Foster. You know we sure always heard said, "If we are a good winner, we must be a good loser."

Mr. and Mrs. Don Floyd of Crane, Texas, spent the week-end with Mr. and Mrs. Jerry Bob Harrison and baby, Mr. Floyd is Mrs. Harrison's brother.

Mrs. Johnny Stults is home after spending three days last week in the Fort Hospital.

Mr. and Mrs. Shorty Neff and Aubrey spent Sunday in the home of Mr. and Mrs. E. H. Guffee near Plainview.

Mr. and Mrs. Clovis Myrick and family spent the week-end in Dallas, Blue Ridge and McKinney. On Sunday they attended a birthday dinner for his grandfather, Mr. Army Myrick, in Blue Ridge. It was Mr. Myrick's 84th birthday.

10 minutes is all it takes...

to prove Mercury the Performance Champion for 1958

OUTPERFORMS EVERY CAR IN AMERICA, REGARDLESS OF PRICE!

The one factor that counts most in automobile performance is power-per-pound. And Mercury, with up to 83.08-hp per thousand pounds dominates any other full-sized car! Even in horsepower alone, Mercury's 360-hp V-8 surpasses every car except one costing almost \$1000 more. Yet there's no sacrifice in economy. Cool-Power engine design delivers more power from less gas. But make us prove Mercury is Performance Champion for '58. Take a 10-minute road test today.

Once over with fast, thorough, dependable John Deere Rotary Hoe to kill weeds, crumble crust, firm frost-loosened plants and seal in valuable moisture

Dr. J.D. Daler

John Deere Rotary Hoes have other important uses, too—early cultivation of row crops at twice the speed you'd make with shovel- or sweep-type cultivators... roughing the land after rain to retard blowing... and (pulled backward) firming the soil around seed grain without packing.

What's more, if you need a rotary hoe you need a John Deere! Stop in soon for complete information.

TEC Firing Upheld — After hearing both sides, the Merit Systems Council voted unanimously not to interfere in the Texas Employment Commission's denial of its legal counsel.

Outsized Attorney Lee G. Williams said he would appeal to the courts. Williams was fired last month by a 2-1 Commission vote. R. F. Newman, labor representative on the Commission opposed the decision by Chas. S. Perry Brown, public representative, and Maurice Acera,

management representative.

Brown told the Merit System Council he felt Williams' personal feelings prejudiced his legal opinions in favor of labor. Biased legal advice, Brown contended, "is probably worse than none at all."

Williams exhibited legal opinions he had prepared favoring management's side. Newman and three former Commission members pled on Williams' behalf.

New Tack on Tidelands — International boundary discussions at the recent Geneva Conference may dim Texas hopes in the tidelands struggle, Atty. Gen. Will Wilson noted in a recent speech.

Russia wants national boundaries to be 12 miles out from land, Wilson related, and the U. S. says 3 miles out. Texas, in a case to be heard by the U. S. Supreme Court Oct. 13, will be trying to protect its long-standing claim to 10 1/2 miles.

But, said Wilson, "the United States can't plug for a 3-mile international boundary and turn around and give Texas 10 miles." If the 3-mile boundary sticks, he said, Texas will then ask for oil rights to the 10-mile limit.

Why It Costs More — Wrap-around windshields and loads of chrome inevitably mean higher rates for automobile insurance.

A special legislative committee investigating auto coverage rates was told by State Insurance Dept. officials that costs of both materials and labor have gone up. New rates, to be set next summer, probably will have to be higher, they said.

In addition to the staggering tab for fixing the modern-day palace-on-wheels, if it gets smashed, high accident records boost insurance rates in a locality.

For instance, said a department official, Dallas' accident rate is only 60 per cent as high as Houston's. Hence, coverage that costs \$18 in Dallas is \$30 in Houston.

"People have to realize," he said, "that they set their own rates."

Climbing Costs seen — Bad news for budget balancers is an official estimate that state welfare and education programs will cost \$62,000,000 more during 1959-61 than at present.

In studying spending needs, a Legislative Budget Committee noted that:

(1) A constitutional amendment to be voted on next November will, if approved, add \$9,000,000 to welfare costs. Proposed amendment would provide medical care for the needy.

(2) An increase in the number of children would probably up the state's share of the minimum foundation school program by \$44,000,000. In addition, the amount in the available school fund will be less, creating a need for additional appropriation.

Committee commentary revived a touchy issue — continued existence of "small, inefficient districts" that might be consolidated into other districts to lower over-all costs.

On Courting Business — Growing government and climbing taxes make a chilly atmosphere in which to invite new industries.

This view from present Texas industrialists was presented at a recent hearing of the Texas Industrial Commission. Recently re-activated, the Industrial Commission is charged with finding ways to attract more industry to Texas.

Jim Yancey, spokesman for the Texas Manufacturers Assn., told the Commission that good labor-management laws and some restraint on government costs are needed. "Texas is fast losing its favorable position in comparison with other states in the area," he said.

Commission members noted there had been some "misunderstanding" by regional Chambers of Commerce. Commission's purpose, they emphasized, is to help, not compete with, such groups.

Rate Battle — An Amarillo insurance firm has advanced one step

in its battle to block enforcement of new, lower credit insurance rates.

An Austin district court granted the request of Cosmos Life Co. for a temporary injunction. State Board of Insurance had ordered a slash of about 50 per cent in rates for insurance issued on the lives of persons getting small loans.

Attorney general's department, which recommended the change, said old rates were excessively high. Companies contended the new ones are ruinously low.

COSBYTON — County Commissioners Jack Henry and Ragdale Davis will not have to run for reelection again this year.

The information reached Crosby County last Thursday morning. The Supreme Court of Texas ruled on the matter in a case brought before the court from Childress county.

The Childress case involved a commissioner who lost his job when county precinct lines were changed. The ousted commissioner brought suit to recover his salary during the time another commissioner had been elected to his office. The court ruled that the commissioner, once elected from a precinct, becomes a county officer and cannot be removed from office except by impeachment.

It is necessary that a commissioner reside in the precinct from which he is elected at the time of election, but when he has been elected and qualified, he becomes a county officer and even to the extent that he would live in another numbered precinct, would not vacate his office, and he would continue to serve for the term for which he was elected.

An earlier opinion by the Attorney General indicated that the two Crosby Commissioners would be required for re-election this year, in spite of the fact they had been only elected for four-year terms in an election two years ago.

Mrs. D. O. Hatley wishes to thank everyone who was so kind to her during her stay in Lockney General Hospital, including the doctors and nurses there and those visiting with her since she has returned home.

Mrs. Hatley said she is feeling fine now, and is able to stay up most of the time.

Mr. and Mrs. V. D. Turner accompanied by Mrs. Artie Webb and Mrs. John Burns all of Floydada, returned home this mid-week from Oklahoma City where they had been visiting since the weekend and attending to business matters.

Mrs. Bob Rosson returned home Tuesday of last week from Denton where she had been for some three months visiting with her son, Barry Rosson and family.

DAVID J. CAREY FINISHES ACTIVE DUTY WITH ARMY

David J. Carey, who has been specialist 3, in the U. S. Army, stationed at Fort Bragg, N. C., for the past two years, was relieved from active duty on April 29, and will be at home with his parents, Mr. and Mrs. C. P. Carey of Sand Hill.

Carey has been with the 60th Ordnance (Ammo. Co.) for the three years of his service. His outfit was in Germany eight months of this time.

Carey received his basic training in California, went to Virginia and thence to Germany.

Pre-School Clinic Has Ninety-Eight For Examination

Ninety-eight children in Floydada School District and districts adjacent registered last week for the pre-school clinic at Andrews Ward. Of that number 82 enrolled for the coming school year in September.

Thirty children received their first polio shots which were given free in addition to examinations by local doctors and dentists. The polio vaccination was not compulsory.

To avoid confusion an alphabetical system was set up with registration beginning at 1 o'clock and ending at 3:30. First grade teachers and the principal were also on hand to meet the families and get acquainted with the pre-school children.

W. P. Nicholson, Andrews Ward principal, and Mrs. Wesley Carr, school nurse, said the services of everyone who helped make the clinic a success was appreciated.

Doctors who volunteered and on hand during the afternoon were Dr. Jack G. Jordan, Geo. Smith, A. E. Guthrie. Dentists were Dr. Charles Craig, Andrew McCulley and H. W. Cuthrie.

Members of the Parent-Teachers Association served as relief teachers while the clinic was in progress.

FLEET IN MANEUVERS OFF THE COAST OF CALIFORNIA

SAN DIEGO, Calif. — Victor G. Lowrance, airman, USN, son of Mr. and Mrs. O. L. Lowrance of Route 1, Floydada, Tex., aboard the support aircraft carrier USS Princeton, is taking part in "Barkies," a U. S. Fleet striking force exercise being held off the coast of Southern California during May 5-9.

Nineteen ships, plus carrier and land-based aircraft from 15 squadrons are taking 12,000 personnel into the operation.

The ships and aircraft at sea form the fast-moving "blue" attacking forces which are launching raids against simulated targets on the West Coast. "Orange" defensive fighter and patrol aircraft and submarines based on the West Coast.

Striking force exercises are designed to give advanced training to personnel preparing to deploy the Seventh Fleet in the Western Pacific.

Enjoy BETTER BROILING the Smokeless Way

with a GAS built-in range

BURNER WITH A BRAIN
darts away with pot watching, eliminates burning and boil-overs, literally turns your every pot and pan into an automatic utensil.

AUTOMATIC OVEN CONTROL
maintains the temperature set within a margin of five degrees... provides completely care-free, "set-it-and-forget-it" baking or broiling.

True broiling is a LIVE FLAME process... whether on a spit over an open fire or on the open grill of a restaurant or steak house. The bright, blue flame of GAS most closely duplicates these methods for taste and tenderness. And for cleanliness, no other residential fuel can match GAS. Broiling vapors must be dispersed one way or another. One method is to deodorize or "cover up" objectionable fumes. GAS does it the "natural" way with live flame literally CONSUMING vapors. This, plus pin-point heat accuracy and low operating cost make GAS the choice of food connoisseurs everywhere. Where food is finest, it's cooked with GAS.
