Harvest Work Picking Up After Week Of Rain

Cotton Shows Little Damage

Floyd County was weathered in all of last week but the lifting clouds Monday morning revealed that little damage had been done to the cotton by the rainfall while the whole area had been given a fine season for fall and winter operations.

Rainfall ranged from 1.3 inches in a few parts of the county up to three inches in the southeast country. The rainfall sloshed over into all the neighboring counties.

Considerable rain began falling as early as Tuesday and continued in showers through Sunday, while the overcast kept the sun from shining for a full five days. The showers were gentle throughout in contrast with deluges that hit many sections of the south-west, bringing tornadic winds and flood. High waters are still creating trouble in the lower reaches of the water sheds from these downpours.

And although it will be this week-end before cotton harvest gets into high gear again, a few cotton farm operators had crews in the field as early as Tuesday afternoon. The country had filled up with transients in the previous week anxious to get into the fields.

When the rains began and the working forces were forced out of the fields by the wet weather the official estimate was that 35,000 bales of cotton were open in Floyd County alone, with neighboring counties in a like state.

County Agent Cecil Lewis in his weekly report of activities cautioned against pulling cotton in a damp state and particularly against tromping in the trailers because of damage to the fibre.

Many wheat raisers look upon the first half of October as the ideal time to seed wheat and the generous season is expected to result in all local acreage to be sowed as soon as the ground conditions. A considerable number of wheat growers already had dry-sowed wheat in the ground and will have early livestock pasture.

Small cars continue to create interest among motorists this week as new smaller models are introduced by the Big Three. From a crowd of interested lookers on at Oden Chevrolet Co. the other day two big men were chosen to have their likenesses made in the new Corvair. The result is here seen, with J. D. Parks under the wheel and another huge one as his passenger, Coach L. F. Gresham, (see the eye, top left windshield). Back of the car, l to r, are Conner Oden, T. W. Battey and Bill Walker. (Staff photo).

Retail Business Moves Are Made During Week

Recent moves in the downtown or six weeks. Another move was made by the building vacated by Withers until they become accustomed to the change. Hagood's Department on Main and California is now operating in their new building at 122 West California location next to Palace Street. The popular store has been operating in the old Hagood building since 1923.

At Hagood's new location the stock is almost all out and fixtures were stored briefly and then they opened for business on the west side of the square in the new Stapleton building. The store department will finish the job.

Business is going on as usual as the staff at Hagood's show customer around the new plant and finish with the task of stocking "between times". The store will hold a big formal grand opening within the next few days.

Another move this week is being made by Withers Cafe. L. G. Withers has operated his downtown eating place on west California Street next door to Looney's Barber Shop on the west for the past 29 years.

Now the cafe is being moved two doors east to adjoin the barber shop on the east in the former location of Leonard's Cafe. Leonard's was moved to new quarters on the highway during the week.

Rev. Gates was pastor of the church during the Second World War, in the years 1942-1944. He and Mrs. Gates now make their home at 318 South Fifth St.

The pastor's absence will be to attend lectures at Hendrix College the first of next week. He and Mrs. Seago will make the trip in company with Mr. and Mrs. J. M. Wilson. From Hendrix College Mr. Seago will go to Little Rock to spend a week in a school of adult alcohol studies, representing the Northwest Texas Conference of the Methodist Church.

The first week of the taxpaying period beginning October 1 has seen a brisk business at the office of Assessor-Collector T. T. Hamilton, it was reported at that office Tuesday.

Fred Martin of Floydada was the first taxpayer to get a receipt for taxes paid. Martin led the parade also last year. He paid poll taxes for himself and Mrs. Martin in addition to the property tax.

Summary, their recommendations to the board are: For continued efforts to obtain more accurate classing of cotton, cotton wrapping for cotton bales and samples taken at the gin. Changing the state gasoline refund requirements to conform with the federal refund dates; Reaffirming the position that an underground water should not be included in any surface water program; Opposition to a state-wide ad valorem tax to finance water conservation, but tax on a watershed basis; Opposition to the application of minimum wage laws to farm labor, a reasonable interpretation of the child labor law and regulations placing responsibility for violation of the law upon labor contractors instead of the farmer, also removing control of farm labor from the Department of Labor to the Department of Agriculture.

Adoption of a more effective public relations program for the farming industry. The committee also recommended that the county convention take a stand for the support of the state's public schools, either of a suitable natural resources tax or for a general sales tax, reaffirmed the urgent need for added farm to market road, urged continued opposition to federal encroachment in state and local functions of government, in particular federal aid to education, and Reaffirmed the belief in a law that would require the assessment and collection of a personal property tax on all state licensed vehicles before issuance of licenses, and to require that the owner of each vehicle be required to have a valid drivers license before registering a vehicle.

Ward School Fire Drill. As a part of the observance of Fire Prevention Week Fire Marshal B. J. Baker and Fireman Fred Lambert visited Andrews Ward School Tuesday morning to observe the fire drill. The school made a good record, completely emptying the building of 675 pupils and teachers in one minute and 28 seconds. At left is Chief Baker. Drills at North Ward, Junior High and Senior High also were slated for this week. (Photo by Betty Henry).

Whirlwinds Go For Sixth Win At Tulia Friday Night

Fire prevention week in Floydada has been active in both the business district and in the residence area, in addition to fire drills and the promotion of fire prevention posters and signs in the schools.

Tuesday morning a fire drill at Andrews Ward evacuated 675 pupils and teachers in a minute and 28 seconds, and a similar drill at Junior High emptied the two-story building in a minute and eight seconds.

Fire Marshal B. J. Baker has "sown the town" in fire prevention placards as early as Monday, and all the water users in the community had gotten the message through the mails by way of their water bills.

Essay and poster contests in the schools, where authorities have given hearty cooperation, it is hoped may result in one or more area or state winners in contests arranged for Scholastics.

In addition to the promotion of the week through drills and posters official inspections have been carried on in the business district to bring to light fire hazards that can be eliminated.

The fire marshal also has been campaigning to get fire extinguishers serviced and new ones installed where needed. The city fire department has been helpful in getting fire extinguishers recharged.

By Cecil Lewis, County Agent

COTTON HARVESTING: In starting back to harvest cotton it will pay us to wait until we are sure our cotton is dry, and by following a few rules of not tramping the cotton we can still produce a good grade of cotton.

Cotton defoliants or dessicants will need spaced up maturity if the cotton is still immature. They should be applied with care. True defoliants should be used when 50 to 60 per cent of the cotton is open and dessicants when 80 to 90 per cent open.

FIRE PREVENTION: This is fire prevention week and it should be checked on the fire hazards around the home. You can think of many instances that lives, homes, and injury have happened to neighbors or friends.

Fire losses increased about 2 1/2 per cent this past year and have increased more than 50 per cent since 1950. Some of the most important causes of fire are defective heating equipment, defective and overloaded wiring systems, and matches and smoking.

4-H CLUB WORK: Several 4-H members are getting ready to exhibit animals at the state fair October 19 to 24. Boys exhibiting lambs are Kenneth O'Neal, Floydada, Billy Colston, Dougherty, Ricky Kellison, Lone Star and Bob Kropp, Lockney. Boys who have barrows entered are Ronnie Hopper, Harmony, Duane Webb, South Plains, Billy Colston, Dougherty, Ronnie Laceywell, Steve Belt, Jerry Billington, and Neil and Warren Mitchell, Lockney, and Tim Hartman and Johnny Lewis, Lone Star.

The high flying Floydada Whirlwinds were no new injuries reported at that time.

Friday night seeking their sixth County Capital will also be the straight win of the season. It will be the final intersectional battle for the locals who start district play next week.

The Tulia Hornets will be the Whirlwinds opponent this week, and according to scouting reports are capable of giving the locals a barrel of trouble. The Hornets are coached by Bill Henry, who last November beat Floydada when he was coaching at Spur. The assistant coach is Frank Kruht who last season coached the Post team which scored 24 points on Floydada, the most any team managed to collect.

With the knowledge these have of the Winds plus their talented ball club, it should be a full night of football. Tulia, last spring, graduated much of the experience from their team, but they returned two of the fastest backs in the state in Buzzy Poage, a 190 pound speedster who runs the hundred in under 10 flat, and Billy Dick, a colored boy, who is equally as fast as his teammate.

Teamed with these two speedsters, Jerry Vandergriff, a classy quarterback, and Richard Bales at the other halfback slot. Poage is the team captain and runs from the full back position.

Up front the Hornets are a big team, probably the heaviest team the locals have faced. Their line anchors around a 190 and a 200 pound tackle and a 190 pound center.

Coach Watson said Tuesday he hoped to start with about the same line-up as was used against Lockney last week. Barring sickness or accident before game time, it appeared the Winds would be in good condition. Several of those who had been injured are improving and there

Attends Meeting Of Chiropractors
Dr. K. C. Patzer attended a chiropractic meeting in Amarillo this past week-end. The classes and meeting were held in the Y. M. C. A. building.

Lectures and practical application of spinal analysis interpretation and spinographic analysis were the features of the meeting. Chiropractors from many areas were included at the meeting. Texas, Arkansas, Oklahoma, Kansas and New Mexico were represented.

Statement required by the Act of August 21, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (Title 39, United States Code, Section 233) showing ownership, Management, and circulation

Other securities are: None.
4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation by whom such trustee is acting, also the statements in the two paragraphs above that the affiant has knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than as a bona fide owner.
5. The average number of copies of each issue of this publication sold or distributed through the mails or otherwise to paid subscribers during the twelve months preceding the date shown above was 215.
6. Sworn to and subscribed before me this 3rd day of October, 1959.
D. NELL SWINSON, Notary Public, My Commission Expires June 1, 1961.

Six-thirty p. m. will be kick-off time.

Matador at Lorenzo.

ATTEND AUSTIN MEETING OF TEXAS LUMBERMEN
Mayor and Mrs. J. M. Wilson Jr. were among Texas lumber people who attended the state convention in Austin last week-end, held at the building material dealers' new headquarters.

The mansion-like building, fashioned in southern colonial style, is a thing of beauty the Floydada couple said. Mr. Wilson is a member of the board of directors of the association.

Local Pastor To Attend Studies At Little Rock
In the absence of the pastor who is to be enroute on a mission to Hendrix College at Conway and Little Rock, Ark. Rev. Phil H. Gates will fill the pulpit at the 6 o'clock p. m. worship hour at the First Methodist Church this coming Sunday, Oct. 11.

Porterfields Were Married 60 Years Ago
Mr. and Mrs. H. N. Porterfield of Tucumcari, N. Mex., were honored Sunday with a reception held in the Center Street Methodist Church in Tucumcari, observing the couple's 60th Wedding Anniversary.

Mr. and Mrs. Porterfield are former residents of Floyd County, having come here in December of 1918. They were married Oct. 4, 1899 in Granbury, Tex.

They lived here until the early 30's then moved to Roy, N. Mex., where they lived until some ten years ago when they moved to Tucumcari to reside.

Mr. Porterfield is a retired farmer and a great baseball fan. They are both members of the Methodist Church and Mrs. Porterfield teaches a Sunday School class. She is the daughter of a pioneer Methodist minister, Rev. S. J. Vaughn, one of the first to preach in Floyd County.

Five of the Porterfield generations have lived in Floyd County. Receiving approximately 145 guests at the reception with the honored couple, were their children, Mrs. Earl Edwards of Lockney, Mrs. John Stiegemire Jr. of Tucumcari, Mrs. Herman Haradin of Sweetwater, Harold Porterfield of Roy, N. Mex., and Fred Porterfield of Santa Fe, N. Mex.

Miss Judy Stiegemire, a granddaughter, registered guests, and Mrs. Fred Porterfield served, assisted by Mrs. Maxey McKnight, another granddaughter of Porterfields, N. Mex.
The couple's tiered white wedding cake graced the serving table, which was laid with a lace cloth and centered by bronzes.

SOCIETY

United Nations Study Closes As Group Plans Action Policy

"No Man Is An Island" sung by Mrs. D. S. Battey Jr. accompanied by Mrs. Lewis Reddy served as a beautiful and inspiring devotion for the closing session of the United Nations study held September 30 at the First Methodist Church.

Thirty-seven Women's Society of Christian Service members and guests were served refreshments as they arrived, and their attention directed to a number of quotations hanging on the walls, such as John Massfield's "Clasp the hands and know the thoughts of men in other lands." The wide scope of humanitarian services performed by various agencies of the United Nations served as the main point of emphasis. Twelve women gave brief accounts of the work done by such United Nations branches as World Health Organization, UNICEF, International Labor Organization and others.

Mrs. Billy Stanforth Jr. in reporting on the Arms Control Commission gave some significant and sometimes frightening figures regarding the current arms race and the problems involved in the process of disarmament, so essential to world peace.

Mrs. Howard Gregory, chairman of the study action committee, presented several suggestions for action growing out of the study, and the group adopted the following:

Presentation of a bound copy of each study text to the County Library.

Two United Nations delegates taken for personal prayer list for each member.

Donation to be sent to Medica project of Dr. Thomas Dooley.

Special observance of United Nations Week (October 17-24) to be promoted in churches.

schools and civic organizations.

Mrs. J. H. Barnard, study leader, made a few summarizing remarks pointing out especially the tremendous peace-making responsibilities of the United States as a nation that professes to follow the Prince of Peace. In closing, the group joined hands and repeated the Lord's Prayer as Mrs. Reddy played softly "Sweet Hour of Prayer".

Famous American Women Discussed By Club Speakers

"Famous American Women" was the topic for the program of the 1959 Study Club Tuesday night when members met in the home of Mrs. Gene Probasco. Mrs. Bill Hale, president, was in charge of the meeting.

The joint meeting on Oct 24 of Floydada Federated clubs was discussed, and the club voted to contribute to the development of the Coronado Trail, funds which will be used to mark the historical spots.

Mrs. C. C. Whittle gave the history of Mary Todd Lincoln followed by the biography of Mrs. Eleanor Roosevelt, given by Mrs. Charles Craig.

Members present included: Mmes Tommy Assiter, Gene Arwine, D. S. Battey Jr., Ted Bell, Howard Bishop, Lloyd Cook, Gene Collins Jr., Bob Copeland, Charles Craig, Lane Decker, Earl Edwards Jr., Bill Hale, Sammy Hale, Travis Jones, Watson Jones, David Kirk, Doyle Moore, Gene Probasco, Sam Puckett, W. H. Simpson Jr., J. D. Webb, Ed Wester, and C. C. Whittle.

Following the joint meeting Oct. 24, club will meet on Nov. 3 with Mrs. Whittle.

Blue Bonnet Club Reveals Sunshine Friends at Meeting

Sunshine Friends were revealed Thursday at an all day meeting of the Blue Bonnet Needle Club in the home of Mrs. Carl Jarrett.

The day was spent sewing, visiting, playing games and enjoying a covered dish luncheon at the noon hour. Game winners were Mrs. Charles Denning, Mrs. R. L. Kendrick and Mrs. Ralph Cogdell.

Members present included those previously mentioned and Mmes. W. B. Eakin, K. E. Edmiston, Bud Goen, Everett Perry, Burl Huckabee, Oliver Allen, Everett Collier, Wayne Finley, Green Christian, Dennis Dempsey, Woodrow Wilson, Floyd Fuqua, and Starks Green.

Mrs. Everett Perry will host the next meeting on Oct. 16 in her home at Petersburg.

Missionary Couple Bound For Bolivia Visit Local Church

Rev. and Mrs. L. Bryan Mock were well received Monday night in the Floydada Assembly of God Church. A number of visitors were present to hear Rev. Mock in his talk of his missionary work in Bolivia.

Rev. Mock told of the hardships in Bolivia, the way people lived there and the urgency in getting the gospel to foreign countries.

His musical rendition was especially enjoyed by the public. Rev. Mock presented a piano solo, selecting the same song and playing it as it's played in different countries around the world.

The preacher and his wife and their one year old son will leave the states January 1 for Bolivia. In the meantime they will travel in the US conducting services.

They were houseguests of Rev. Henry Russell, pastor of the church, and his family during their stay in Floydada.

BOOKMOBILE STOPS

Miss Mary Jo Vines, Librarian, announces the following schedule of stops for the Texas State Library Bookmobile Tuesday, Oct. 13:

South Plains, Upton Grocery, 9:10 - 9:30 A. M.

Cedar Hill, Eugene Gilly Home, 10:10 - 10:30 A. M.

Aiken, Paymaster Gin, 11:20 - 12:00 A. M.

Providence, Lutheran Church, 1:10 - 1:30 P. M.

Lone Star, Lone Star Grocery, 2:00 - 2:45 P. M.

Lockney Public Library (Book Deposits), 3:00 - 4:00 P. M.

Date of Bookmobile stops Thursday, Oct. 15:

Cap Rock Gin Yard, 8:40 - 9:20 A. M.

Robertson, Grocery Store, 9:45 - 10:30 A. M.

Lorenzo, Across from Bank, 10:45 - 12:00 A. M.; 1:00 - 2:15 P. M.

Farmer Grocery Store, 2:35 - 3:15 P. M.

Cone, Grocery Store, 3:30 - 4:30 P. M.

West Texas State College students from Floydada visiting homefolks this week-end were Patricia Hill, Carolyn Stewart, Kay Robertson, Janis Roberts, Kendis Julian, Harvey Allen, Dale Lawson, Don Sparks, Bill Smith, Randall Jones, and Norman Davis.

Suzie Nelson of Amarillo was home for the week-end visiting her family, Mr. and Mrs. Harold Terry.

LIPSTICK LOGIC

We dedicate this column to the pencil sharpener, a thinkin' man's friend. Talk about lack of appreciation, working without credit—this little tranquilizer is one of the least honored necessities of the modern day.

From kindergarten through college, bright young minds express their ideas with pencil on paper. Homemakers, from kitchen lists to telephone messages to club talks and personal letters written under the dryer, lean heavily on a pencil with a good lead. Not even the recent rash of penicillins has displaced it as the work horse of communication.

While editors and other great public figures use the typewriter or dictaphone for recording words of wisdom, many of their choicest thoughts still must be jotted down by pencil—after the house is quiet at night or enroute to the office or speaking. And someone, either creator or critic, often takes pencil to typed manuscript to polish or edit before it goes into print.

Now a pencil without a good point is about as frustrating as an electric percolator that warms but won't perk. It's as baffling as a car with sluggish spark plugs; or water pressure in August during a seven-year drought. Using a dull pencil is like waking up with asthma, trying to write a poem in a sandstorm, or reading history while a disk jockey spiels. An unsharpened pencil just won't go.

So here we are right back to our starting point. We vote for a good pencil sharpener in every home. No more whittlin' and choppin' away with bleary eyes. We want somebody to proclaim a Pencil-Sharpener Day!

Mrs. Phil Merry is here this week, guest of her mother, Mrs. Bob Smith, and Mr. Smith. Her home is in Las Cruces, N. Mex.

More lives were lost in the Civil War than in any other war in which the United States has been engaged.

Only one mail pouch was ever lost by the Pony Express.

Program That Will Pay Its Way Is Found

(By Jno C. White, Commissioner of Agriculture)

There may be entirely too many people writing about getting families back to the farm and not enough working at actually proving how and why it should and can be done.

An exception to this is a 309-acre demonstration farm operated since 1953 by C. L. "Pete" Pilkinton for the Texas Research Foundation near Renner, in Collin County. Pilkinton and his brother had farmed the land for nearly 20 years and were about ready to give it up. Pete, however, agreed to stay on when the Foundation acquired the worn-out blackland farm as a soil conservation demonstration unit as reported by Soil and Water, the publication of the Association of Texas Soil Conservation Districts, this demonstration land-tenant arrangement is now in \$16,155.05. Indications are that in its sixth year, it has turned out to be the means of keeping the Pilkinton family profitably on the land, where they feel they belong, and has pointed the way to others toward a practical application of a farming system, especially drawn up to fit the particular needs of limited, eroded acreage.

One of the major objectives of the demonstration farm has been to show that a progressive land-tenant agreement can develop a complete soil and water conservation program which will pay its own way. Even though the operation was initiated in one of the worst possible weather cycles in Texas farm history—just as one of the longest of the long dry spells was getting well under way—it has never failed to show an attractive profit.

During the extremely difficult four year period from 1954 to 1958, the farm has shown an average gross annual income of \$12,859.82. In 1958, when the weather situation combined with the previous four-year development program to give the operation its first really favorable season, the gross income rose to \$16,155.05. Indications are that 1959 will turn out even better.

Those 309 blackland acres in Collin County may point the way toward proving to many another

Texas family that successful farming is still not entirely a big business proposition.

ALL-PURPOSE INSECTICIDE FOR HOME GARDENERS

The home gardener wants a single chemical which will control any pest which attacks his flowers, fruits, or vegetables.

To supply this market the Pesticide manufacturer has prepared general-purpose mixtures containing several insecticides and fungicides designed to combat a number of pests on many different plants.

These complex mixtures are retailed in small packages and differ from pesticides sold to commercial growers in that they may be left open and used repeatedly over a considerable period of time.

Malathion is one of the most common constituents of garden pesticides. It combines the unique properties of high toxicity toward a number of different insects with a relatively high degree of safety towards warm-blooded animals. Malathion decomposes upon the plant surface to yield non-toxic residue within a few days. This desirable property in a pesticide introduces difficulties with the unused malathion remaining in the package.

Pure malathion is a pale yellow liquid sealed in glass ampoules to prevent its decomposition by atmospheric moisture. For effective use it must be diluted either by impregnating into a dry powder or by dissolving into a spray liquid.

Although two thirds of the deficient malathion samples examined in some test cases were dusts, erasifiable spray concentrates also decompose in storage. The rate of loss has not been too serious the first year, but older samples have deteriorated more rapidly.

Aerosol formulations have been outstanding in quality. This is the only type of package in which admission of atmospheric moisture is prevented by vapor-proof walls and internal pressure on the closure. Although aerosols are still rather expensive, new developments in packaging are under way and many improvements may be expected.

The American Can Company reports that it will soon be making aerosol containers of extruded aluminum tubing. Plastic and metal foil packages need only a suitable closure to provide cheap moisture-proof packages for both dusts and liquids.

What can the consumer do to maintain quality in garden pesticides? He can help himself a great deal by selecting fresh packages from a reputable retailer, and then storing them tightly closed in a dry cool place.

"X" before the license number of an airplane denotes that the plane is licensed for experimental purposes.

First Bible printed in America was printed in the Indian Language.

Early New England women bleached their sheets by spreading them with sour milk and putting them in the sun.

Stars and stripes in the American flag were suggested by the coat of arms of the Washington family.

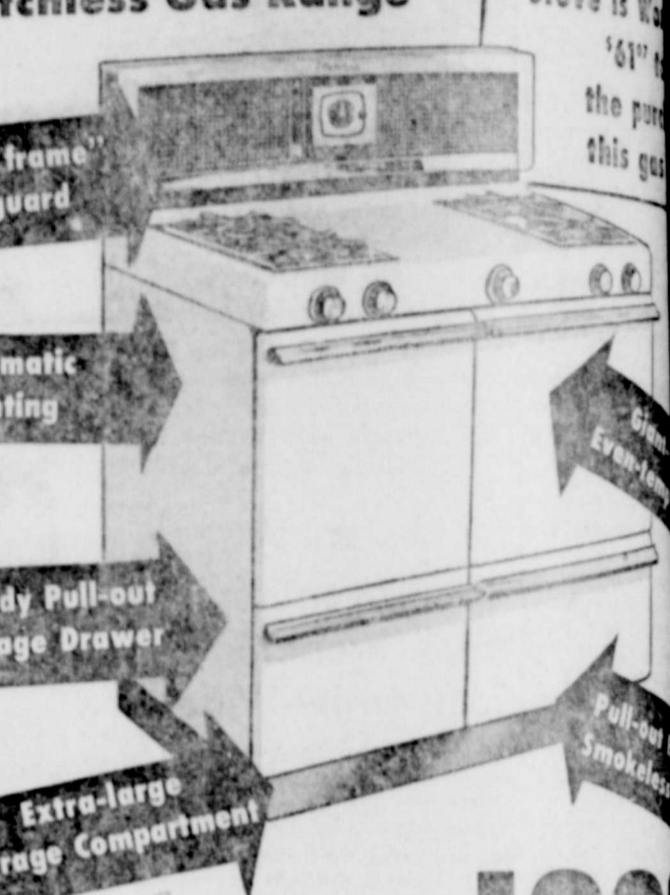

Eighty-two per cent of the nation's people, 12 years and over, read a newspaper on an average day.

Six hundred sixty-nine newspapers are purchased in the United States every second of every minute of every hour of every day.

Installation Held Monday Night

McCoy was in the Advisory of No. 235, Ord. For Girls. Following regular business meeting, she presided as retiring officer. A reading from the Bible was read from the next Sunday. Greetings were given by the Grand Worthy Archivist, who visited the installation. The Advisory was honored by a Rainbow Guard from her Assembly. Mrs. Sonnyer, installing officer, installed the motto: "Love Thy Neighbor as Thy Self". Mrs. Bo Dean, musician, Mrs. Lubbock, the sisters of Mrs. Worthy Advisor and Mother Advisor. Mrs. McNeill, were mum corsages. Verna Pate, State Associate Advisor. Pat Drysdale, Mrs. Faith, Mrs. Lynn Jackson, Mrs. Drill Lead, Mrs. Love, Doro, Mrs. Suzanne, Mrs. Stansell, Mrs. Caldwell, Mrs. Hines, Mrs. Service, Mrs. Confidential Observer, Mrs. Oster, Mrs. Musician, and Mrs. Director. Mrs. Pate was elected as Mother Advisor. Her flower is the theme is "Love".

MISS VERNA PATE

her song, "Love Divine" and her motto, "Love Thy Neighbor as Thy Self". Pink roses were used to decorate the hall during Assembly installation. The Worthy Advisor's father and mother, Mr. and Mrs. L. A. Pate, were presented in the east and in behalf of the parents and brother, Larry, Mrs. Pate extended the Rainbow pin and gavel to her daughter which she will use during her term. Other members of the family introduced were the Worthy Advisor's grandmother, Mrs. T. J. Pate, her two sisters and their husbands, Mr. and Mrs. Roger Poge, Floydada and Mr. and Mrs. Harlan Weaver of Lubbock. After Assembly closed and the retiring march performed, guests were escorted to the dining room for refreshments. A small streamer Rainbow with all the colors, using pink as the pre-dominant color, centered the table, which was laid with a white cloth. Pink napkins with the words "Verna Pate, Worthy Advisor", in silver, were used along with crystal appointments for serving. Miss Pate is a Junior in Floydada High School. For her installation she wore a ballerina length gown of pink net over satin with the skirt flowing into ruffles. She carried a small Bible on which lay two miniature white mums, embedded in pink net and ribbon. Other officers installed carried identical bouquets.

Traffic Safety Discussed By Student Panel

Traffic safety rules were given in answering roll call at a meeting Thursday of the 1929 Study Club. Members met in the home of Mrs. J. B. Smitherman and heard an interesting panel discussion from students of Floydada Senior High School.

Bird Watching Hobbyist Talks At Study Club

Mrs. Jimmy Willson Jr., was hostess for the 1934 Study Club, when members convened in the home of Mrs. J. M. Willson Tuesday night "Backyard Horizons" was the theme for the meeting. Mrs. Willson, daughter of Mr. and Mrs. Fred Zimmerman, Jr. and Mrs. John Cates, daughter of Mr. and Mrs. John Cates, and Mrs. J. Holmes, son of Mr. and Mrs. J. Holmes. Each student chose a subject pertaining to safety in driving. Kit talked of driver education in the class room, Jay the Musical Penny Scholarship and the Penny Art Fund. Also it was decided that club dates in November would be changed. The Nov. 17th meeting has been moved up to Nov. 3, for a Thanksgiving dinner to be held in the Colonial House. Husbands are to be special guests.

The lecture, planned for Oct. 24, which is to be a joint meeting of all Federated clubs, was discussed. The meeting place has been changed to the High School auditorium, according to reports. Miss Helen Poe will be guest speaker and all civic clubs, community clubs and the public is extended an invitation to hear Miss Poe.

Mrs. L. F. Gresham introduced the speaker, Mrs. Hollis Bond, at Tuesday night's session. Mrs. Bond chose for her subject, "Bird Watching Can be Fun". Mrs. Bond is an authority on birds, being a devoted bird lover. She told of the three winter dates last year when she saw 10 to 12 birds in her back yard that are not native to Floyd County.

Mrs. Gresham assisted Mrs. Bond in showing a film of Floyd County birds and those which migrate here seasonally.

Mrs. John Hoffman completed the evening's program by discussing the art of flower arrangement.

Refreshments were served by Mrs. Willson to Mmes. Roy Baxter, H. G. Barber, David Campbell, Ralph Cogdell, Dennis Dempsey, R. G. Dunlap, I. T. Graves, Howard Gregory, L. F. Gresham, Homer Guffee, J. S. Hale Jr., John Hoffman, Thos. J. Hutchins, Ralph Johnston, L. F. Martin, M. J. McNeill, J. P. Moss, DeWitt Seago, Virgie Shaw, George Springer, John B. Stapleton, G. W. Switzer, Geo. Van Wickel, A. L. Wylie Jr., and the speaker, Mrs. Hollis Bond.

Claude Carpenters Honored On Their 50th Anniversary

ALTUS, OKLA. — More than 150 guests were present during the afternoon Sunday, Sept. 20 honoring Mr. and Mrs. Claude Carpenter on the occasion of their golden wedding anniversary. A reception was held in the home of the honored couple, 800 East Elm.

Hosts for the occasion were a daughter and son-in-law, Mr. and Mrs. Joe Conway, Lubbock, and two sons, Dale Carpenter, Dallas, and Marion Carpenter, Altus.

The serving table was covered with a gold cloth overlaid with white ruffled net. The cloth was draped with golden wedding bells and lily-of-the-valley. Decorations were completed with a beautiful crystal punch bowl and an arrangement of large yellow mums. Golden balls and foliage set in a clear crystal container were displayed with the three-tiered wedding cake decorated with gold roses and a large "50" on top.

The daughters-in-law, Mrs. Dale Carpenter, Mrs. Marion Carpenter and daughter, Mrs. Conway and Mrs. Bill Fraser assisted with the reception and served at the gift table and register.

The register was covered in gold and engraved with "Golden Wedding Anniversary." The table displayed a beautiful arrangement of mums to accent the lovely book.

Assisting with the reception also were Mrs. Jerry Miller and Miss Jamie Carpenter, Altus; Miss Jodi Conway, Lubbock, and Misses Dianna and Deborah Carpenter of Dallas. All are granddaughters of the couple.

Other special guests were Dale and Douglas Carpenter of Dallas, Mr. and Mrs. Fred L. Conc Wichita Falls, and Mr. and Mrs. Carl Adair of Oklahoma City.

Silver Anniversary Occasion to Honor Mr., Mrs. Reeves

Mr. and Mrs. Roy Kinard are announcing an open house at their home, 322 West Tennessee St. for Sunday afternoon, Oct. 11, from 3 to 5 o'clock to honor Mrs. Kinard's parents, Mr. and Mrs. Fred Reeves on their silver anniversary.

Friends of the honored couple are invited to attend.

Heirlooms Study At Meeting Of 1922 Study Club

A handmade ring, 250 years old and made in Scotland, was one of many heirlooms shown at a meeting Thursday of the 1922 Study club when members met in the home of Mrs. W. H. Henderson.

Mrs. J. H. Barnard, president, and Mrs. Joe Wilson was leader for the program, assisted by Mrs. David Battey.

Antiques and crafts was the theme for the meeting with roll call answered by members showing heirlooms. Mrs. David Battey spoke on "Valuable Things Lost" and Mrs. J. H. Barnard, president, and Mrs. Joe Wilson was leader for the program, assisted by Mrs. David Battey.

Mrs. and Mrs. George W. Sparks, who are now making their home at Crosbyton, were here on business Tuesday.

Mrs. and Mrs. J. O. Warren and Alene spent the week-end in Fort Worth and Dallas. In Fort Worth they were the guests of Mr. and Mrs. Morris Moore.

FELLOWSHIP SUPPER

The Cumberland Presbyterian Church is having its fellowship supper Wednesday evening, Oct. 14 at 7:00 o'clock. Everyone is urged to be present and to bring a covered dish for your family. Rev. Durbin announces a short devotional will follow the fellowship hour.

Mrs. and Mrs. George W. Sparks, who are now making their home at Crosbyton, were here on business Tuesday.

Mrs. and Mrs. J. O. Warren and Alene spent the week-end in Fort Worth and Dallas. In Fort Worth they were the guests of Mr. and Mrs. Morris Moore.

Floyd County Hesperian, Floydada, Tex., Thursday, Oct. 8, 1939

ANNOUNCE ENGAGEMENT
Mr. and Mrs. M. R. Galloway of Plainview are announcing the engagement and approach of their daughter, Jettie Charline, to Neil Andrew Langley, son of Mrs. J. R. Langley of Lockney.

The couple plan a November wedding. The prospective bridegroom is engaged in farming near Lockney.

Mrs. D. H. Widener, who fell and sustained a broken hip about two months ago, is steadily improving and is getting around nicely with a walker. She is back at the family home at present.

Mrs. Kyle Glover, who has been in Plainview Hospital for treatment, has been brought home and is reported to be recovering fairly well.

Move For Medico

One of the great humanitarian movements of our time is MEDICO, its objective being to bring modern medical practice to the service of suffering people throughout the world. It is a mission to "people who bear the mark of pain".

The fundamental ideals of MEDICO began many years ago when Dr. Albert Schweitzer — a man whose selfless devotion to mankind has made him a legend in his own lifetime — set up his first clinic in French Equatorial Africa. Then in 1922, Dr. Gordon Seagrave felt led to North Burma where he began treating the hill people simply because he felt that to alleviate the pain of those who suffer needlessly is one of man's responsibilities.

DR. THOS. A. DOOLEY

In 1954, a young Navy physician found himself in Indo-China after the tragic fall of Dien Bien Phu. Vietnam was partitioned in two, and the communist territory to the north and southern free Vietnam. This

young Dr. Thomas A. Dooley, with four enlisted men, treated over half a million refugees seeking freedom in the south. He was discharged from the Navy, and came to Floydada, Texas, where he became interested in MEDICO. He was born in January of 1938, with plans to send out medical teams each able to operate for a year on a budget of about \$50,000 provided medicines would be supplied largely by drug houses.

minist terror. From that time on, Dr. Dooley said that things would never be the same for him. He saw how simple, tender loving care could transform fear and hatred into friendship and understanding. He witnessed the power of medical aid to reach the soul of a nation; he saw it translate the "brotherhood of man" theory into a reality that the plain people could understand.

Lakeview News

(By Mrs. Q. D. Williams) — LAKEVIEW, Oct. 5 — This month has been designated as the one in which we are to vote for our national flower. Votes may be cast at local florists. Flowers or plants nominated for your vote include the rose, marigold, corn tassel, black-eyed susan, carnation, grass, Shasta Daisy, and several other, all listed at the florists. Citizens of all ages are allowed to vote.

Mr. and Mrs. Tom Pennington of Midland visited her brother and family, the Clifford Helms, Friday. They attended the Floydada - Lockney football game.

Other recent guests in the Helms home were Dorothy's sisters and families, Mr. and Mrs. Clinton McIntosh and children of Clovis N. M., and Mrs. Bob Deen and children of Clovis.

Mr. and Mrs. William Adkinson and family of Kress visited the Fred Jones this week-end.

Miss Jean Jones and Pat Nell attended the Floydada - Lockney football game with the Homer Newberry family.

Mr. and Mrs. Wayne Batten, Jerry and Pat Allen of Floydada, visited Naomi's sister and family. Mr. and Mrs. Van Thornton in Lubbock for Sunday dinner.

Jerry Batten went to Lubbock on Saturday for a check-up. His arm is well and his doctor gave him a general O. K.

Mr. and Mrs. Fowler Estep, former Lakeview residents, came over from Lubbock Sunday to visit their old friends, the Warner Johnsons.

Joe Thurston has had the flu. They had planned to visit Anella and Joe Andrews in Albuquerque, N. M. over the week-end, but colds and flu kept them at home.

Miss Dee Mock is one of the Floydada High School cheerleaders this year.

Mr. and Mrs. Raymond Hamilton and boys visited the Gene Johnson and Charles Johnson families Sunday evening.

Mrs. Warner Johnson's aunt, Mrs. Laura Glass of Hillsboro visited here from Saturday to Wednesday. They attended the South Plains Fair at Lubbock during her visit.

Mrs. Verlon Wright is nursing on the 3 p. m. to 11 p. m. shift at Peoples Hospital.

The Lakeview H. D. Club made about seven dollars as its percentage at the gift and card party held at the schoolhouse Monday afternoon. Mrs. Estelle Jones took orders for cards, stationery, gifts and Avon products. Mrs. Wesley Gentry displayed shell craft gifts and sold several. The club received 10 per cent.

Mr. and Mrs. Barry Brister and Junior visited his sister and family Mr. and Mrs. Warner Johnson and family over the week-end. The Bristers live at Carlsbad, Texas.

Earl Edwards Jr. has four sows. 32 little pigs this past week. Only one pig died.

Mr. and Mrs. Milton Harrison and children braved the weather and attended the South Plains Fair at Lubbock Saturday.

The T-Bar Ranch shipped their cattle Tuesday from the pens on the south part of the ranch. It is comforting to see that in spite of rockets to the moon and such out-of-this-world activities, the old order still goes on. Cattle and crops have to be gathered in. The herdsmen lived for thousands of years before they figured out farming and he moved up into that level of social living.

So here on the ranch where mile after mile has never felt the plow, we live centuries behind our neighbors on top. Yet we live in a manner far different from the ranch I grew up on in Moore County. There are only slightly larger acreage, my grandparents, uncles, and father and two bunkhouses full of cowboys, a yardman, housekeeper, and government worked hard all day and all year long to keep the ranch going.

Here, today, one man with a pickup, small remuda, modern equipment and part time help can do the same work.

I enjoyed the "old" way and my children believe it was covered wagon days rather than only about 20 years ago.

Mr. and Mrs. Earl W. Edwards visited her daughter, Mrs. Wanda Hopkins and family. Mrs. Hop-frozen fish. Then fasten down Mrs. Edward's parents, Mr. and Mrs. H. N. Porterfield on their 50th wedding anniversary. Five of the Porterfield children met with friends at the reception in the parlor of the Center Street Methodist Church. Only two children were unable to attend.

Mrs. Anna Hambricht has been visiting here from California. After staying with the Bill Hambrichts she has gone to visit Mrs. Harve Thomas in Floydada.

Mr. and Mrs. Holt Bishop visited Lena's cousin and family, Mr. and Mrs. F. P. Day, in Lubbock Sunday afternoon.

Mrs. Harve Thomas and her daughter, Mrs. Holt Bishop attended a luncheon last week in the new home the Dennis Taylors have bought in Crosbyton. Mrs. Taylor's guests included her mother, Mrs. C. A. McClure and all the McClure daughters.

Mr. and Mrs. Vernon Wheelers

FLEMING TO ADDRESS FARM BUREAU MEETING

LUBBOCK — Roger Fleming of Washington D. C., secretary-treasurer of the American Farm Bureau Federation, will be featured speaker at the annual South Plains (Dist. 2) Farm Bureau fall membership banquet, according to H. L. (Hub) King, Brownfield, Dist. 2 director.

The meeting will be held here Tuesday, Oct. 13, at the Lubbock Hotel, beginning at 7:30 p. m. Tickets for the banquet are \$2 each. The public is invited, King said.

and family of Crosbyton visited the R. L. Johnson family Saturday.

The Fred Jones family visited Mrs. John King in Plainview Sunday.

Mr. and Mrs. Clifford Helms visited the Weldon Hammonds family Sunday afternoon.

Warner Johnson left Monday to visit his brother, Cecil Johnson and family in Warsaw, Mo.

The T. W. Flenniken family attended the Huntsville Prison Rodeo this week-end. All the calf ropers are outsiders. So Tommy entered that contest and won \$130. The Flennikens stopped in Ft. Worth to pick up Sue's new lavender cowgirl hat won earlier.

Mrs. Flenniken is sewing her a matching colored western suit.

Celebrities at the rodeo included Jim Arness, "Matt Dillon" and Hollywood singer Johnny Cash.

A BRIEF SERMON

A chubby little Indian girl stood on the station platform as the train came to a stop. A group of restless travelers, glad of whatever broke the monotony, gathered in a circle about her, examining her wares.

"You pay two prices for what you buy here," said the man with his hat on one side, who had the air of knowing it all. "But the tourist is robbed everywhere. You might as well make up your mind to be cheated."

"This is not cheat," the Indian girl protested. "I make baskets myself; take many days."

"Oh, of course, they all say they are selling cheap," said the man again. "And why shouldn't they cheat if they can? I'd do the same in their place." And he looked at the man on the other side of the circle who was making some purchases from the Indian girl.

When the girl had finished the transaction, she turned and faced the man who had spoken disrespectfully. "For what shall I profit a man," she quoted in slow English, "if he shall gain the whole world and lose his own soul?" That is what they taught us at the mission school," she concluded. "and I will not lie that I may sell my baskets, even if I go hungry."

It was a silent company that climbed aboard the train at the conductor's signal. That is, silent except the man with his hat on one side. Red faced, he turned to some of his companions and said, "That wasn't a long sermon, but it's the kind one can't forget in a hurry."

HOSPITAL REPORTS

Patients in Peoples Hospital this week include V. C. Hagood, T. J. Campbell, W. C. Clubb, Miss Anna Carr, Rosibo Rodriguez, Antonio Belmarquez, Saldana, Mrs. Antonio DeLeon a fishing area. Usually a half-can of baby boy, and Mrs. Sadie Merchant, who is said to be improving.

Mrs. W. W. Baxter is in Ta-baka this week where she is visiting her daughter, Mrs. Wanda Hopkins and family. Mrs. Hop-frozen fish. Then fasten down Mrs. Edward's parents, Mr. and Mrs. H. N. Porterfield on their 50th wedding anniversary. Five of the Porterfield children met with friends at the reception in the parlor of the Center Street Methodist Church. Only two children were unable to attend.

Mrs. Anna Hambricht has been visiting here from California. After staying with the Bill Hambrichts she has gone to visit Mrs. Harve Thomas in Floydada.

Mr. and Mrs. Holt Bishop visited Lena's cousin and family, Mr. and Mrs. F. P. Day, in Lubbock Sunday afternoon.

Mrs. Harve Thomas and her daughter, Mrs. Holt Bishop attended a luncheon last week in the new home the Dennis Taylors have bought in Crosbyton. Mrs. Taylor's guests included her mother, Mrs. C. A. McClure and all the McClure daughters.

Mr. and Mrs. Vernon Wheelers

Outdoors In Texas

(By Vern Sanford)

Catching fish or killing wild game is important to quite a few of us. I have a friend who does a great deal of fishing and catches a great many fish. Unless he knows where and how he can dispose of his fish back at the dock, he Others don't know how to keep it. Some just don't care.

Somewhat I can't quite appreciate or understand the catching of many fine fish, or for that matter, the shooting of wild game, and he likes to land 'em. But not making use of it.

You wouldn't believe it unless you saw it, but many tons of fish are left to spoil along the coast of Texas just because the men who catch them don't want them. Of course, not all the fish caught are edible. But many of the pounds of ling, king, redfish, and even trout are allowed to go to waste.

An outstanding example of this waste is to be found during fishing tournaments. When a fisherman goes out just for points, he brings the fish in to the weighing place. Then, in many cases, when he takes them off the scales they are left on the dock in the hot sun until they have spoiled.

At one tournament two years ago on the Texas coast, king mackerel were piled like cord-wood on the dock and left there for 22 hours. Then the stench became so bad the city dump truck had to move them away.

Not everyone likes to eat kings. Enough do, however, that some arrangements should be made to care for these fish.

Many bass fishermen are almost as bad. Stand around any fishing dock in the late evening when the bass are hitting good and you'll see what I mean. Many fishermen just walk off and leave their strings of fish.

In the case of bass usually there is someone around who will take them. Fewer fresh water fish spoil than salt water fish.

Some people have never learned to take care of their fish. I know one fellow who does. When he goes out in a boat, he takes along an ice chest. When he catches a keeper bass, he immediately cleans it and tosses it into the ice box. When he has finished cleaning his fish, he heads for home.

At most of the docks there are convenient places for cleaning and fillet fish. Most fishermen know how to fillet a fish. Also how to care for them. They clean, fillet, place them in a plastic bag, put ice around them, and take them home.

Others just gut their fish, douse them into the water a time or two, sots them in the bottom of the boat and trail them back home. Or they put them in the ice box, head and all. This means when they get home they must finish cleaning the fish.

That's a habit easy to get into when you dock your boat after a tired day of fishing. On the other hand, if you want to enjoy your fish after they've been caught, it is worth it to clean 'em thoroughly while you're at it.

I like the idea of cleaning fish just as soon as the trip is finished. You can do this best either while you are in the boat, or at the cleaning table where you dock.

It's always a good idea to take along a plastic bag or two. By putting your fish in these bags, they will not become water-logged when the ice in your cooler melts down.

When you clean the fish or game thoroughly in the field, they are ready for the deep freeze or cooking when you get home. Fish that are properly cleaned take very little room in the ice chest. They also require a minimum of ice to keep them in top condition.

Properly iced down, fish will keep for several days. On the other hand, if you have the opportunity to freeze them, which you should do if you have a long distance to travel, then you should pack them in dry ice.

Dry ice can be bought in almost any town, especially around a fishing area. Usually a half-can of dry ice will get you your frozen game home in good condition. When you buy it, be sure not to handle it with your bare hands. It will burn you if you do. Wrap it in an old newspaper and place it over the frozen fish. Then fasten down the lid tightly. Dry ice will last indefinitely.

This also is a good way to bring back frozen shrimp when you go to the coast. Remember, though, don't thaw frozen fish or shrimp and then refreeze. After either is cooked, however, it can be frozen safely. So if you bring home a package of frozen shrimp, you can boil and then freeze them again after they have been processed. I have a friend who does a great deal of fishing and catches a great many fish. Unless he knows where and how he can dispose of his fish back at the dock, he releases them carefully after they are netted.

He likes fish. He usually has several nice messes in his freezer. He fishes many distant points and he likes to land 'em. But he doesn't waste his fish if he has no need for them, or doesn't know someone who will appreciate them. He releases them to be caught again.

So says he's also learned that if you give fish to the average person they should be cleaned first. A lot of people will take fish in the front door just to be polite. They go right out the back door into the garbage can and the cat's plate unless they first cleaned.

That's the reason he releases most of the fish he catches.

CLINT TURNER REACHES HOME ON FURLOUGH

PFC Clint Turner, who is stationed at Fort Huachuca, Ariz., arrived in Floydada Monday for an 18 day furlough with his mother, Mrs. C. A. Turner and other relatives in surrounding towns.

Mrs. Turner's daughter and family, Mr. and Mrs. Bill Gilbow and two small daughters, who are living in Indonesia, are expected home momentarily for a two month visit in the states. They were due to arrive in the US Saturday and visit on the way to Texas after touring continents the past month.

THERAPY TREATMENTS

Miss Wren Patterson was brought home Saturday night from Methodist Hospital where she spent the past week taking therapy treatments for her shoulder. Miss Patterson has been having considerable trouble with the shoulder for the past several months and after X-rays it was thought the exercise and therapy would help. She is to continue the treatments twice weekly at the hospital and will also require quite a bit of rest and care for time to come, according to her mother, Mrs. Felt Patterson.

Baker News

BAKER, Oct. 5 - The fine moisture that has fallen the past week seems to have left the farmers with "split emotions". It was badly needed on the wheat land but on the other hand just what the cotton didn't need, as cotton harvesting was just beginning to get into full swing.

Mr. and Mrs. Jerry Leatherman and Joyce Leatherman spent Sunday in the home of Mr. and Mrs. Floyd Anderson.

Guests in the home of Mrs. W. A. Anderson Sunday night were Mr. and Mrs. Floyd Anderson, Mr. and Mrs. Jerry Leatherman, and Mrs. Jessie Watson, Peggy and Larry of Trent, Mr. and Mrs. Lewis Anderson, Mike, Steve and Nancy, Mr. and Mrs. Odell Thompson of Petersburg, Mr. and Mrs. Leon Anderson and Tonya and Mr. and Mrs. Otis Anderson and Connie.

Mrs. J. B. Colston, Teresa and Danny visited with Mr. and Mrs. T. Hamilton Friday night.

Mr. and Mrs. Ted Furgeson, Connie and Joyce visited in the J. B. Colston home Saturday night. Their visit was returned Sunday, when J. B., Wilma, Teresa and Danny were dinner guests in the Furgeson home.

Mr. and Mrs. Kenneth Willis, Brenda and Karen were coffee guests of Mr. and Mrs. Sammie Hale and sons after the Whirlwind-Longhorn game Friday night.

Saturday night Mr. and Mrs. Kenneth Willis, Brenda and Karen saw the Texas Tech-Tulsa game at Lubbock. They spent Saturday night and Sunday in the home of Mrs. Willis' parents and sister, Mr. and Mrs. Leon Sanders and Sue.

Mr. and Mrs. Ted Furgeson, Connie and Joyce had as visitors Thursday night Mr. and Mrs. Kenneth Willis and daughters.

Mr. and Mrs. Ben Galloway and Cindy were coffee guests in the home of Mr. and Mrs. Floyd Bradford Sunday evening.

Mrs. Floyd Bradford and Galey, Mrs. Ben Galloway, Darlene and Cindy visited with Mr. and Mrs. Houston Bradford Friday night.

Mr. and Mrs. Malvin Jarboe and Vickie were supper guests in the Gilbert Favver home Tuesday night.

Mr. and Mrs. Don Sinar and Carol and Doris Sinar visited in the Curtis Sinar home Tuesday night.

Sunday guests in the home of Mr. and Mrs. Sinar were Mr. and Mrs. Bill Carpenter and children of Hobbs, N. Mex.

A visit from Mr. and Mrs. John McBride was the occasion for a family gathering in the Gilbert Favver home Monday night. Present for supper, a game of "80" and just visiting were Mr. and Mrs. R. A. Colston, Mr. and Mrs. J. B. Colston, Teresa and Danny, Mr. and Mrs. Bill Colston, Mr. and Mrs. Curtis Sinar, Will, Lee and Leslie, Mr. and Mrs. John McBride of Oklahoma City, Okla., Mrs. B. A. Colston of Electra, and Mrs. Iris Colston, Mr. McBride is a brother of Mrs. B. A. and Iris Colston.

Mr. and Mrs. Otis Anderson and Connie visited Mr. and Mrs. Brownie Smith and baby son Friday evening.

Friday night Mr. and Mrs. Otis Anderson, Connie and Elaine went to the fair and circus at Lubbock. They reported an enjoyable evening even though it rained.

Douglas Galloway visited in the Otis Anderson home Saturday night.

Mrs. Glad Snodgrass was brought home over the week-end from Methodist Hospital where she had been since Wednesday of last week, receiving medical treatment. Mrs. Snodgrass has been suffering from a severe cold and bronchitis for several weeks.

In County Court

Two fines were assessed in county court in the week on charges of driving while intoxicated with \$150 fines each and the mandatory three days in jail, and one \$400 fine for possessing liquor for sale was also assessed. A charge of child desertion was filed against one woman.

In the same period two cases were filed on the civil docket: D. W. Fyffe vs. George Ledbetter, suit on note; Fred Cardinal vs. Walter E. Spears, suit for damages.

In Probate Court Application to probate the will of Fred Paschal filed.

Application to probate will of Edd Meek filed.

Order entered appointing Homer Bartram temporary guardian of Estrada Anastacio.

Order entered approving inventory of the estate of Lou Ann Whorton.

Marriage Record Ray Dean Fleming to Janis Juanita Widener, Oct. 3.

Warranty Deeds Jack Cooper to Dixon Young, lot 12 in block 53 in Floydada, \$1.65 stamps.

LaVerne Walding etux to Jack Cooper, lot 5 in block 2 in Floydada, \$2.20 stamps.

Foster Amburn etux to William J. Wright etux, lot 11 in block 46 in Floydada, \$5.50 stamps.

Carl W. Gordon etux to Foster Amburn etux, the north 150 feet of the east one-half of block 12, Price First addition in Floydada, \$4.40 stamps.

MRS. MERCHANT VERY ILL. Mrs. Sadie Merchant is reported seriously ill in Peoples Hospital where she was taken Friday from the home of her parents, Mr. and Mrs. Kellar Holmes.

Mrs. Merchant has been in ill health for several years. Her home is in Amarillo. Her illness is suspected to be encephalitis. Tests were to be made yesterday and sent to Austin to verify the diagnoses.

Mrs. Thelma Jones of Stockton, Calif., arrived in Floydada Tuesday night to spend several weeks with her sister, Mrs. Kyle Glover and family. Another sister and her husband, Mr. and Mrs. Travis Edwards of Olney are also house-guests this week of the Glovers.

THERE'S A DIFFERENCE A canny Maine farmer who made it a rule to think before speaking, was approached by a stranger one day and asked, "How much is that prize Jersey heifer of yours worth?"

The farmer thought a moment, then asked, "Are you the tax assessor, or has she been killed by a train?"

Day: "I'm looking for a beautiful girl."

May: "Well, here I am."

Day: "Sweet, you can help me look."

Battle Border

Little known facts about Texas boundaries.

PUBLIC SERVICE OF THE TEXAS ATTORNEY GENERAL'S OFFICE.

(Editor's Note: Attorney General Will Wilson goes to Washington Oct. 12 to fight another border battle for Texas when the tidelands case will be heard before the U. S. Supreme Court. This is the first in a series of articles outlining the numerous boundary conflicts dating back to 1716, pointing up little known facts which shaped the Texas of today.)

The following is released as a public information service by the Attorney General's Department. The Texas boundary line stretches over some 4,000 miles and a sizeable portion of it has been forged and tempered in the fiery heat of conflict.

Attorney General Will Wilson is in one of these battles now with the Texas tidelands issue before the U. S. Supreme Court.

Since 1716 to this good day its location has been fought over.

The Attorney General, a dedicated Texas historian, looks at the overall picture.

"The cold facts are, regardless of motive, that down through the years there has been bite after bite attempted on our territory," Wilson says.

"The worst and most tenacious of these land biters has been the federal government."

The first conflict arose along the East Texas-Louisiana line between the kingdoms of Spain and France in 1716.

Both nations claimed the Texas area. Each had military forces ready to take action.

While the diplomats wrangled overseas, the French and Spanish on the spot settled the dispute. They agreed on the Arroyo Hondo, a tributary of the Red River between the Sabine and Old Natchitoches.

Then, in 1803, the United States bought the Louisiana territory hazy as to the extent of land involved.

President Thomas Jefferson claimed the Rio Grande as the western boundary.

Spain contended it did not extend west of Los Adaes, a Span-

east of the Arroyo Hondo. "This created the famous 'Neutral Ground,' a strip between Arroyo Hondo and the Sabine responsible to no one," Wilson points out.

"Overgrown with dense pine forest this was a natural refuge for some wild characters — adventurers, fugitives and outlaws. They played for keeps.

"The wilderness is gone now but the old neutral ground has generated a tradition all its own and a breed of independent people whose names and deeds write 'Texas history.'"

"Today trees cut from the old pine forest are used to make paper for Time, Inc., a national weekly magazine with its own brand of independence. The to the middle of the river it ran from Los Adaes and made general preparations for war.

Again local men of war hampered out an agreement. The paper into the print of Time."

Spaniards would keep west of the Sabine River and the Americans ground settlers "bordered" a can-

"The famous Neutral Ground was a natural refuge for adventurers, renegades, fugitives."

Boat License Law Operation Is Explained

(Ed. Note: Although there are few year-round fishing spots in Floyd County, there are scores of motor boat owners who will come under the new Texas law requiring license after Nov. 1.)

AUSTIN — The starter button on the state's new motor boat registration law was pressed last week as the Texas Highway Department issued the first dealer's license, TX1000AA, to Bill Gaston Boats and Motors in Austin.

By applying for the dealer's license now, Texans in the boat-selling business will have ample time to get their facsimile cardboard tags printed. Dealers should apply to the Motor Vehicle Division, Texas Highway Department, Austin, for a Certificate of Number, which is the boat dealer's license number.

The Double A suffix to the license signifies that it is a dealer's license. He can use this number on all of his boats, printing a card-board facsimile of the number which will be good for ten days after the boat is purchased.

The club was addressed on the subject of cottonseed history, its processing and marketing at the noon-day meeting by Chas. Sigmond, vice president of the Lubbock National Bank W. W. Trapp presented the speaker.

Clark Is Voted Rotary Member

A Byron Clark, one-time leader in local business and professional circles, but who has been forced into retirement by illness, has been made an honorary member of Floydada Rotary Club.

Sisters Attend Birthday Party Of Mother, 83

Mrs. Claude Price, accompanied her sister, Mrs. H. M. Mobley of Hereford to their mother's home in Throckmorton to help celebrate her 83rd birthday last Friday.

Geo. Klattenhoff Dies At Slaton

Funeral rites for George W. Klattenhoff, 36, Floyd County land owner, who died at his home in Slaton Monday, were held yesterday afternoon at 3 o'clock in the Immanuel Lutheran Church at Posey.

WISHEFUL WRITING

A customer owed a bill for several months and paid no attention to statements. The creditor manager wrote that if he didn't remit at once, the account would be placed in the hands of a lawyer for collection. Back came a letter in the very next mail:

"Enclosed find check to settle account referred to in your letter by Alfred B. Nade. Thank you very much indeed for all past favors and kind patience. P. S. This is the money I would write to you."

And have each in various sizes, for using the right size fly is far, far more important than its color. Does this mean that one must always use a fly of a size to match the hatch? No. You'll find times when they're feeding on very small naturals, but to catch them you must use a large artificial.

ELIMINATE FIRE HAZARD

TO WHAT EXTENT DOES THE SHAPE OF A FLY MATTER — that is, should it closely copy the shape of some natural insect?

Too many anglers worry far too much about fly patterns. What they should do, to be most successful at the sport, is to practically forget about patterns, perhaps to carry along only one pattern — and to learn to fish a fly properly.

There's an old crack that fishermen make to each other. "To catch fish, you must have more brains than the fish." Of course the most stupid angler has a brain of monster size compared to the fish's pea-brain. So let's change that adage to make it even sounder advice:

"To catch many fish, you must use more brain than the fish."

FIRE MAY DESTROY ALL YOU OWN! YET, YOU DON'T HAVE TO BE WIPED OUT!

Protect your property and possessions! Don't wait! Call us today for fire insurance.

SMOKING IN BED AND MATRESS caused 21% of all home fires, in 11% of all home fires.

Morton's SYRUP

New Arrivals

Mr. and Mrs. Kent Covington are announcing the birth of a son at 8:30 a. m. October 6 at the Lockney General Hospital. The young man weighed in at 7 pounds and 6 ounces.

The mother is the former Barbara McNeill. Paternal grandparents are Mr. and Mrs. S. M. Covington of Dougherty with maternal grandparents being Mr. and Mrs. Bill McNeill of Route 5, Floydada. Paternal great-grandmother is Mrs. R. F. Hall of Floydada.

A son, named Edgar Earl McDonough Jr., arrived to Mr. and Mrs. E. E. McDonough of Plainview in the Plainview Hospital and Clinic Sunday morning at 11:20. The baby weighed eight pounds and three ounces and is the first born of the couple. Mr. McDonough is a carpenter by trade. His wife is the former Alice Faye Martin, daughter of Mr. and Mrs. L. O. Martin of Floydada. Mrs. J. F. McDonough of Petersburg is paternal grandmother.

ANTICIPATE POSSIBLE VISIT BY SEAFARING SON SOON

Mr. and Mrs. S. D. Roe made a business trip to Childress Sunday and visited near that city with Mr. Roe's aunt and uncle, Mr. and Mrs. Ben Marrs.

The Roe family has hopes of seeing their son, Sammy, before too long. They have learned that his ship, the USS Bennington, is drydocked at San Francisco, Calif., for repairs, and the sailor anticipates a leave maybe this month, according to his mother.

The Bennington will be tied up at Frisco for some five more months then will leave for a six months cruise.

Mr. and Mrs. Carl Smith were in Stamford on business Monday and came back by way of Rule where they picked up his mother, Mrs. R. H. Smith, who had been there visiting relatives.

Mrs. Don Marble is reported by her husband to be doing nicely in Lockney General Hospital where she was taken Tuesday for medical care. She is expected to be brought to her South Plains home the latter part of the week.

About one-third of the world's total coffee consumption is used by the people of the United States.

A dead person may vote, legally, if he mails an absentee ballot and then dies before election day.

Artificial teeth were considered quite fashionable by early Roman women.

According to the latest figures last year's 10 top national newspaper advertisers invested over \$300,000,000.

Fish Are Not Color Blind

It is well known that most mammals, including dogs, cats, hound and cows, are totally color blind, that they see everything in shades of black and white.

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

This time three cattle, lost their land or went every news heavily in debt. It was the climax of the most widespread drought ever recorded in this region. Average rain came through a fall for the year dwindled to 16.2 inches, second lowest figure since farmers to leave 1888.

Office seekers in the campaign year of 1956 had a good deal to say about how hard they would work to "solve the water problem." Many did work hard.

But three years later the water to dam up small lakes and use problem is still far from "solved."

This year the Legislature inched up the Water Board budget by \$200,000. But the \$2,037,000 appropriation was \$800,000 less than requested by the governor.

As yet, the Water Development Board has made no loans for construction. Engineers in the State Water Board's planning division are working on a statewide report due in 1963, and a federal commission is also making a study. But legislators are skittish about having anything that might be called a definite plan for fear it will set sectional jealousies aflame.

So dear is water to most Texans' hearts that almost any move by anyone to do anything with some of it is sure to be interpreted by a neighbor as "grabbing."

Gaudalupe - Blanco River Authority and the City of San Antonio had a long, bitter hassle over the Canyon Dam project.

Right now, the biggest fight is on the Trinity. After months of hickering, the City of Houston and the Trinity River Authority agreed to cooperate in building a dam at Livingston.

Now the San Jacinto River Authority is protesting SJRA officials are telling Houston people that Trinity water is of "poor quality" and that San Jacinto water could be developed at much lower cost.

Amid it all, engineers and business analysts have some sobering reminders.

(1) Drought of the 1950's cost Texans \$3,000,000.

(2) Another drought is coming and when it does, population will be greater and water needs higher.

(3) Water to carry the state through a drought can only be stored up in rainy years, and three of those "good" years have already passed.

WORK CUT OUT? — Gov. Daniel continues to talk like a man who doesn't feel that his work as a public servant has been completed.

Speaking to a school audience, the governor dwelt on "the need for another forward step in providing better schools, including increased salaries for teachers." He said he hoped the Legislature would be ready to do something about it early next year.

In another speech, he called attention to the Legislature's failure this year to pass laws dealing with crime prevention, traffic safety, narcotics and dormant funds.

Some observers feel that if the governor calls a special session and the Legislature fails to take care of all these items — which would be a batch of tough legislation — the governor would feel compelled to file for re-election on Feb. 1 in order to see things through.

NO THANKS — Atty. Gen. Will Wilson has filed a brief with the Atomic Energy Commission giving Texas' reasons for not wanting atomic waste dumped in the Gulf of Mexico.

Industrial Waste Disposal Corporation of Houston is seeking an AEC permit to dump radio-active waste material in concrete lined barrels into 6,000 feet of water 200 miles south of Galveston.

Texas brief expresses fears that the barrels might come apart allowing the material to be washed ashore by the tides. It says that Texas will remain opposed to the plan "until clear, convincing and positive proof is produced to show that such operation may be conducted with absolute safety to persons using the beaches and waters of the Gulf for any purpose."

SHORT SNORTS — Austin Dist. Judge Charles O. Betts has given approval to the state liquidator to make a stock sale that will bring in some \$615,000 to pay off creditors of the defunct ICT Insurance Company. Women's Christian Temperance Union, which held its national meeting in Texas, joined other groups asking for legalized tests of persons suspected of driving while intoxicated. Dr. R. C. Garrett, Taylor Veterinarian, has been named assistant director of the Texas Animal Health Commission. State Board of Insurance has announced a plan by which auto insurance rates will be cut for safe drivers and raised for the accident-prone. It will bring as much as a 20 per cent rate reduction for drivers with a record of no accidents or moving traffic violations for the past three years. Fall and early winter vegetable gardens are off to a good start in South Texas, reports the U. S. Dept. of Agriculture. In other parts of the state, harvesting of cotton, sorghum, corn and rice continued. Watson Wise of Tyler has been appointed by Gov. Daniel as state chairman for United Nations Day in Texas. UN Day has been observed on Oct. 24 each year since 1948. President Eisenhower has called upon state and local governments to cooperate in this year's observance. Wise is chairman of the Texas Good Neighbor Commission. He served as a U. S. delegate to the 13th General Assembly of the UN in 1958-59.

Visiting with Mr. and Mrs. Alva Jackson and family over the week-end were their children, Mr. and Mrs. Bobby Jackson and Alva Lynn Jackson of Dallas. The visitors were also guests of grandparents, Mr. and Mrs. Andy Jackson, W. A. Amburn an aunt, Mrs. Ora King, and uncle, E. L. Cornelius.

UNDERGOES OPERATION

Mr. and Mrs. Harold Huggins and family have been spending a part of the past week in Plainview where they have been with his father, John D. Huggins, 81, who has undergone surgery in the Plainview Hospital and Clinic. The Floydada family reported him doing as well as could be expected considering his age. The elder Mr. Huggins lives at Lockney.

Floyd County Hesperian, Floydada, Tex., Thursday, Oct. 6, 1960

Mr. and Mrs. Gaines Temple of Lubbock were week-end guests this week visiting with her daughter and family, Mr. and Mrs. W. E. Sims is in Crowell this week visiting with her daughter and family, Mr. and Mrs. Revis Harris.

SEE IT NOW AND SEE ALL THESE new and different things IN THE **1960 Chevy!**

THRIFTIER vs POWER — Under the hood thrif is accentuated in a new standard V8, engineered to deliver up to 10% more miles for every gallon while giving you more zest at normal speeds. Or you might choose its teammate—Chevy's Hi-Thrift 6 — the engine that starts saving the moment you flip the ignition switch.

NEW QUIET AND COMFORT — Thicker, newly designed body mounts insulate you from road shock and noise, insuring an almost cocoon-like quiet. Full Coil spring suspension melts bumps as no other hydraulic system can. Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

NEW! refinements for the driver — Everybody will want to be the driver when he sees the kind of pleasure a turn at the wheel brings. The driver finds Chevy has further cushioned him from engine impulses by an improved clutch linkage system. He'll also find a convenient new parking brake that automatically returns to normal height after application.

FATHER OF LOCAL WOMEN BURIED AT DICKENS

S. H. Hawley, 84, father of Mrs. W. J. Smith and Mrs. Roy Smith, of Floydada, was buried Sept. 21 in Dickens following his death the previous Saturday. Mr. Hawley, long-time Dickens County resident, was a retired farmer.

Those attending rites from Floydada included the two daughters and their families, a granddaughter, Mrs. Winfred Payne and family and a grandson, Wayne Smith and his family, also a number of close friends from this area.

Houseguests over the week-end with Mrs. W. H. Foster were Mr. and Mrs. Walter Cherry of Fletcher, Okla., her brother, also a nephew, Mr. and Mrs. Eldon Cherry and family of Duncan, Okla. On Sunday guests included a daughter of Mrs. Foster's, Mrs. Elwood Walters and family of Plainview, a granddaughter, Mrs. Harold Green and family, Plainview, Mr. and Mrs. Bobby Jackson, and Lynn Jackson, Dallas. Mrs. Alva Jackson, Mrs. Joy Smitherman, Mrs. Kenneth Bishop, Floydada, and Wanda Woody and father, Virgle Woody of Lockney called in the home Sunday evening and night.

Mr. and Mrs. Dalton Jones and family, and Misses Nena and Nadine Jones, all of Lubbock were in Floydada Sunday, houseguests of Dalton's mother, Mrs. W. O. Jones.

We are entering the final phase of our building program. If you haven't yet let the builders know how you think construction should be completed, we hope you will do so soon, rather than after the building has been completed. Seriously though we are sincerely grateful for the interest that has been shown in the progress of our new building.

You will be interested to know that we have tentatively set the date of our formal opening for late in November. We hope we will be able to make a definite announcement soon as to when we can occupy the new building and provide Floydada with the most modern banking services and facilities.

All Checking... THE ADVERTISER CHECKING SERVICE

EDITORIAL VIEWS AND COMMENT

Failure to keep records of all employees, together with wage payments, deductions and the like, have proved embarrassing to some farmer employers. The new rule is that farmers using labor crews must now keep records of names and addresses of crew leaders. This means name, permanent address and the employers identification number of the crew leader. If he hires men through more than one crew leader he must keep information on all of them. While the Internal Revenue Service enjoys bragging about the immense volume of work they do, it should be remembered that the Service also is going to require all employers to keep records, do most of the collecting and remitting under penalty.

How many millions it costs the business community in addition to actual taxes to collect for Uncle Sam can only be estimated. So far as the employee is concerned he has no alternative but to permit the employer to make tax deductions. Thus it turns out that within 40 days after the employee's money has been deducted from his wages the government has already got the money (and got it spent). Business people who rail out at this arrangement by which they become the third party in the government's relations with its citizenship are barking on a cold trail. Better keep the records.

In Affairs Political. It will come left handed for a Texan to start his politics for next year before he gets his cotton gathered. The final date for an applicant to get his name on the ballot comes on the first Monday in February under the new election law. And the first primary comes on May 7 this year, precinct conventions the same day. Quit planting cotton to go vote?

It is High Time that the old Lakeview Road gets a new top on it. The road that has been in use since before the beginning of the century got caught in the turn of events. While many new routes were opened and paved that were not even in use when the Lakeview Road was a lively artery of traffic, the ruts in this one were just cut a little deeper. Although the wheels turn much slower these days it seems safe to assume that this 11-mile stretch will get its modernization sometime next year.

It also seems safe to say that at least a start will be made on the cardinal road construction in the county in 1960. But there is still many a lick to be hit before a contractor can be called in.

New Parking Area around the football field last Friday night in the downpour became a sea of mud and water before the parking customers could get their cars moved. The surrounding ditches also were deep in water. But the school district, no more than any other, can get all the things done at once that need to be done. Paving the streets and hot topping the parking area will have solved all this before another year rolls around. Isn't that right?

The Frost Date. Late cotton is so full of sap now that it has rained and stayed damp for so long, we must have some time before frost for it to dry out. The early cotton man is not interested in anything but dry weather. It's another matter in late fields. Good thing we have it figured out for a frost not earlier than November 7. Hold the right thought, you people with late cotton.

The fact that practically all fires are the result of carelessness and that fires can be prevented by people, if they are thoughtful beforehand proves that fires are preventable in much the same way that accidents are preventable. People are becoming more and more fire prevention conscious thanks to the continued crusade carried on in such movements as Fire Prevention Week. People do pay for their fires, that is the community does, wherever they occur. In a town like Floydada the rates go up and down with the fire loss ratio. It took this community five years to pay for the court house disaster, but pay for it we did.

Old-Fashioned people with old-fashioned ideas about what constitutes a good country to live in are becoming restive. They wonder if it is true that there are no more new countries, no more areas a man can move to begin all over again. Some of them are eyeing South America and its broad stretches of fertile plains. The influx of new people and new ideas of government, of right and wrong, hailed as progressive democracy in our country, leave them cold. They may come back sadder but wiser, but some of them are going to make a break for something different.

With 35,000 bales of cotton in the fields the continued wet weather and consequent complete stoppage of the harvest couldn't be said to be best for the county as a whole. So far as we know there wasn't a gin wheel turned after Tuesday of last week. But you have to have rain and the fact that the ground is just right for fall planting make good news for the wheat man and the people with range cattle. So far good luck has kept the rains gentle in this immediate area. Vast areas of the Southwest have been battered and washed badly.

\$18,000 Cotton Harvesters, the kind that pick—not strip—the cotton from the stalk is the answer of cotton farm operators in the Rio Grande Valley to the progressive clamp down of the Labor and State Departments on imported help. The braceros may need protection from exploitation but they have been happy with the arrangements which make it possible for one to become independent in his home country with two or three seasons of work north of the border.

Another Tideland controversy has gotten to the courts. Texas well have some of its best talent before the U. S. Supreme Court within the month arguing for its historic boundaries. People of the state are not so heated up as they formerly were over the Tideland matter since the state won its token victory. For the good of the oil business and the people it would be much better for the state to win but many have become reconciled to the fact that the bureaucrats are going to take the country over one way or another anyhow, so why kick against the pricks? Their attitude may be good but we like to see the state at least go down fighting. The fact that the state has not won a boundary dispute in a hundred and twenty-five years doesn't change the basic fact that a people should stand up for their rights.

Oh! it is excellent to have a giant's strength; but it is tyrannous to use it like a giant. — Shakespeare.

The greatest truths are the simplest; and so are the greatest men. — Hare.

Floyd County 14 Years Ago

(From The Hesperian, Oct. 11, 1945)

L. Irvin Allen of the U. S. Army Air corps, is back in the states and due home shortly according to a phone call from the airman to his parents, Mr. and Mrs. Oliver Allen. Allen flew from Tokyo after learning he had been severely injured in the crash of a B-29 bomber in an auto accident. Mrs. Allen is now in Midland Army Hospital and will be weeks yet recovering. Cables sent to the airman by his parents were not received and news of the accident was learned in a letter received only recently.

Mr. and Mrs. George Sherrill arrived here Saturday from San Antonio where Mr. Sherrill received his discharge from the Navy. He is glad to be a civilian again after three and a half years in service. Mrs. Sam Thurman has received the news from her sister, Mrs. C. H. Owen of Paris, that her son, Pfc. John Hardy Owen, has arrived home and is feeling fine. He was recently liberated from a Jap prison camp after being held three and a half years. Mr. and Mrs. Duncan Hollum and son, John Randolph, also Mr. and Mrs. Earl Crow are expected this week-end from San Diego, Calif., to again make their home in Floydada. Hollum, Tech 3 U. S. Navy, has received his discharge after one and a half years service overseas. Cpl. Earl Crow of the U. S. Marine Corps has also received his discharge. He has been stationed at Camp Miramar, Calif.

Marine Gunner Sergeant William Holt, son of Mr. and Mrs. Killis Holt of Clifton, Tex., formerly of Floyd County, has been awarded the bronze star for rescuing wounded buddies in the intense action on Iwo Jima, according to a news dispatch relayed from the PTO. Jim Simpson has recently been promoted from Seaman First class to Aviation Radar technician third class. He completed his course in Radar training at Del Monte, Calif., and graduated from the class with highest honors. He is now stationed at Corpus Christi.

Chief Electricians Mate L. D. Britton wired his wife Sunday not to write any more because he was being sent to Fleet City for discharge. In service some three and one half years Brit saw action in the Pacific. For the past three months he has been in the hospital for another operation on his "football shoulder". Mrs. Kenneth Fagan is home from Denver where she visited her husband who is in service and stationed there. Her small son remained in Floydada with his grandmother, Mrs. Pearl Fagan.

Cpl. Clayton Drew Cumble, son of Mrs. C. A. Cumble, arrived in Floydada last Thursday night after having received his discharge on Oct. 2 in Tyler, Tex. Cpl. Cumble was a member of the 27th Fighter group and was with them on their escort flight for President Truman on his trip to Berlin. Cumble has spent 32 months or more overseas. He has no immediate plans for the future.

Mr. and Mrs. J. M. Baggett of Ozona have been here several days guests in the home of Mr. and Mrs. S. W. Ross and Mr. and Mrs. E. P. Nelson. Pfc. Ben P. Eudy, arrived in Floydada Tuesday on an extended furlough to visit his parents. Mr. and Mrs. Geo. Eudy. He is expecting a discharge soon after seeing service with the Mountain division of the Infantry in Yugoslavia and Italy.

Mr. and Mrs. Thomas Wright and 15 month old son of San Diego, Calif., have been here the past several days with his parents, Mr. and Mrs. S. H. Wright and other relatives. Wright was discharged from the service last month. He was a flight officer during and following the South Pacific battles. They plan to make their home in San Diego.

Mrs. A. H. Manning is doing nicely following an operation for a cataract in Lubbock Hospital this week. Mr. and Mrs. Sam Lide of Dougherty announce the marriage of their daughter, Daphne to Kenneth Chance of Cicero, Indiana, on Friday evening, Sept. 28. The bridegroom was recently discharged from the Army. They are now honeymooning in states east, then will go on to Cicero where they plan to make their home.

G. B. Thacker of Boaring Springs spent Saturday night in Floydada with his brother, Dr. C. M. Thacker and wife Sunday the three drove to Amarillo for a visit with G. B. Thacker Jr., who is to receive his discharge after five years and four months service in the Army Air Corps.

Mr. and Mrs. W. H. Hilton are expected home sometime this week from an extended visit at Corpus Christi with their grandson, Doyle Grundy and family.

Mt. Blanco News

(By Mrs. J. R. Williams)

MT. BLANCO, Oct. 5 — The rains the past week have really been wonderful for the newly planted wheat and barley. It probably has damaged the cotton some. The roads certainly are messy. Some of the tractors in the neighborhood have been busy keeping cars pulled out of the mud holes. Mrs. George Smith is in the hospital again. We wish her a speedy recovery. Byron Kendrick has been on the sick list over the week-end. Mrs. Anthony Latta honored her mother, Mrs. S. R. Wright of Plainview on her birthday with a supper in her home Tuesday evening. Others present were Mrs. Bill Hamman, Stevie, Latrice and Jeff of Terry all of Plainview.

Frank Knox Moore student at Canyon spent the week-end with his family. Mr. and Mrs. Frankview Moore, Charles and Mike. Mrs. Edna Fletcher of Ralls spent Sunday and Monday night with her parents, Mr. and Mrs. J. J. Fletcher. Mrs. Robert Moss of Memphis, Tex., Mrs. Frank Norman of Abilene, Mrs. Horace Cage and Mrs. H. M. Thomas of Floydada, Mrs. C. A. McClure of Crosbyton, Mrs. Hoyt McClure, Mrs. Holt Bishop, Mrs. Brice Allen and Mrs. Weldon McClure of Lubbock. Wednesday in the home of Mrs. Dennis Taylor in Crosbyton. Mr. and Mrs. B. C. Denison and Lockney Sunday morning and Bruce spent the week-end in Fort Stockton visiting her sister, Mrs. Ray Claver and Mr. Claver. Linda Kendrick spent Saturday church at Lone Star and then

night with Silvia Curry in Crosbyton. They went skating in Lubbock with a group of young people.

Mrs. S. G. Appling visited Mrs. George Smith in the hospital in Crosbyton Friday afternoon.

Sunday afternoon visitors of Mr. and Mrs. Millard Watson and family were Mr. and Mrs. Raymond Watson and sons of Lockney and Mr. and Mrs. Henry Brewer.

Mr. and Mrs. Brice Allen and daughters spent Thursday and Friday nights with her mother, Mrs. C. A. McClure in Crosbyton.

Sunday afternoon visitors of Mr. and Mrs. J. R. Williams and family were her sister and family, Mr. and Mrs. Jessie Love, and Mrs. Foster James and Mrs. Wanda, Gary, Debra and Jeff of Bill Hamman, Stevie, Latrice and Jeff of Terry all of Plainview.

Mr. and Mrs. Anthony Latta Terry all of Plainview. Frank Knox Moore student at Canyon spent the week-end with his family. Mr. and Mrs. Frankview Moore, Charles and Mike. Mrs. Edna Fletcher of Ralls spent Sunday and Monday night with her parents, Mr. and Mrs. J. J. Fletcher.

Mrs. Robert Moss of Memphis, Tex., Mrs. Frank Norman of Abilene, Mrs. Horace Cage and Mrs. H. M. Thomas of Floydada, Mrs. C. A. McClure of Crosbyton, Mrs. Hoyt McClure, Mrs. Holt Bishop, Mrs. Brice Allen and Mrs. Weldon McClure of Lubbock.

Wednesday in the home of Mrs. Dennis Taylor in Crosbyton. Mr. and Mrs. B. C. Denison and Lockney Sunday morning and Bruce spent the week-end in Fort Stockton visiting her sister, Mrs. Ray Claver and Mr. Claver. Linda Kendrick spent Saturday church at Lone Star and then

visited Mr. and Mrs. H. E. Frizell.

Mr. and Mrs. Glenn Hill and Glenda of Van Horn spent last week with his parents, Mr. and Mrs. L. D. Hill and family. Sunday they attended the Hill reunion at Nacona along with two other sons, Mr. and Mrs. Don Hill and family and Mr. and Mrs. Dwayne Hill and family of Wichita Falls. There were 135 persons present at the reunion.

Mr. and Mrs. Bill Breezy (nee Fern Hill) of Crosbyton visited his family in Wichita Falls and also attended the reunion. Mr. and Mrs. L. D. Hill and children visited her brothers and sisters last week. Those with

whom they visited were Mr. and Mrs. John Hill, Ryan, Okla., Mr. and Mrs. Everett Hifner and Mrs. Randy Sulpher, Okla., Mr. and Mrs. Elijah Whatley, New Castle, Okla., Mr. and Mrs. Elbert Whatley, Ringley, Okla. and Mr. and Mrs. Jim Estell at Ardmore, Okla.

Phillips with another Mrs. Betty and her and Mrs. Julian Phillips were accompanied by 36-3c Mrs. McNeil.

13. go put on clean dress.
14. smooth hair with side combs.
15. brew cup of tea — set and rest.
16. rock a spell and count blessings.
—Nadine Mills Coleman in the 65 Magazine

To many of us the above brings recollections of former days and the struggle it was to get the necessary things done — especially when the weather didn't cooperate.

To the younger ones it is just a laugh — but to all of us it should be a reminder of our ease in getting things done to-day. Push button washers and dryers do the job for us just as efficiently when the weather is stormy as they do when the weather is nice and sunny.

Reckon it wouldn't be good for all of us to include in our busy schedules to-day the time to "sit and rest and rock a spell and count blessings"???

Bob Muncy, of Muncy community, and Herman Graham of Tulla, were co-op visitors on Wednesday afternoon. Herman, with his brother Irwin Graham, of Plainview, have purchased the Muncy Elevator at Muncy. Herman and his family plan to move to Floyd county in about three months, he said.

Mr. and Mrs. Clovis Myrick and family were Lubbock visitors on Saturday afternoon.

Mr. and Mrs. Delmar Keisling and family of Sunray were guests over the week-end of Mr. and Mrs. Corkey Guffee and family.

Pat Hickerson of Abilene spent the week-end with her parents, Mr. and Mrs. Pete Hickerson. Pat is attending McMurray College.

E. B. Chesnut was back at work Monday morning after being out several days with the flu.

Mr. and Mrs. J. M. Thompson of Silverton, were co-op visitors on Monday afternoon.

Mr. and Mrs. Norval Bedell and Blake of Canyon spent the week-

On Thursday of last week a demonstration of "Planning Oven Meals" was given for the Petersburg Home Demonstration Club in the home of Mrs. Marvin Shurbet. A luncheon was served to sixteen club members and guests at 12:30 o'clock.

Friday afternoon a candy demonstration was given to the Lockney Garden Club at the Light-house Electric Co-op demonstration kitchen. Attending were Mrs. E. M. Quebe, Roy Patterson, A. P. Barker, Robert Smith, L. M. Honza, Harmon Handley, L. A. Cooper, Carl McAdams, Dale Laceywell, Alec Norris, Austin Merriweather, Clyde Briley, R. C. Mitchell, T. B. Mitchell, all of Lockney and Mrs. George V. Smith, of Floydada, who was a guest.

SOUTH PLAINS

(By Mrs. Murray Julian)

SOUTH PLAINS, October 5 — Six days of rain and soupy weather has left soggy cotton and bad rural roads here. How good the sun looks after a week of fog and wet weather. School buses ran most of the week off the pavement, but this Monday, parents had to bring their children to school. The rainfall amounted to about two inches during the week.

Marc Smitherman celebrated his 4th birthday on Friday in the home of his parents, Mr. and Mrs. Philip Smitherman, and his cousin, Carla Bean, spent the day with him.

The little house where Mrs. Lena King formerly lived in South Plains caught fire and burned to the ground, in minutes, about 7:30 last Wednesday morning. It was housing bracers at the time, and was owned by the Marble Brothers. It was not known how the fire started.

Muddy roads kept many homes from church Sunday morning and evening. 43 were counted Sunday morning and 33 that evening, with new teachers for the year taking their places.

The Rev. John Gillispie reminds members of the business meeting which will be held with prayer meeting on Wednesday night at 7:30.

WMU will meet for Bible study at 2:45 at the church Thursday afternoon.

Mr. and Mrs. Grigsby Milton and Darla went to Amarillo this past foggy Wednesday to visit his mother, Mrs. Milton, and his sister, Linnie. They are doing fine.

Mr. and Mrs. George Weast went to Durango, Colo., last Thursday for a visit with her brother, Mr. and Mrs. Jim Davis. They returned Monday. They were accompanied by Mrs. Skeet Thornton, who visited her daughter, Mr. and Mrs. Ray Smith. They reported the aspen trees beautiful in their fall colors, and mountain tops covered with snow. They fished in the river at Durango, and at Lake Henderson east of Durango, while there. The Davis family are former residents of Silverton, and now have the Redwood Lodge tourist cabins there in Durango.

Mr. and Mrs. Lee Pearson arrived home on Friday after spending several days last week down in south Texas in the valley. They were also accompanied by her sister, Mr. and Mrs. Marty Scott of Albuquerque, N. Mex., and while they were in McAllen they visited the Bill Harpers, former residents of South Plains.

Mr. and Mrs. Frank McClure left early Thursday for Houston to spend about two weeks visiting their son, the Donald McClures. They plan to be home next Monday. June Calahan, mother, Mrs. Foster of Floydada, accompanied the McClures. She will visit her son, the Bruce Foster family of Houston while there.

We are glad to report that R. H. Adams was well enough to be out at church services Sunday morning with his family. This is the first time he has been out since his illness.

Ems Childress, brother of Mrs. Skeet Thornton, was hit by a car this Monday morning as he was going to town on the east side of Lockney. He was taken to the hospital, but we do not know the extent of his injuries.

Don Probasco was in Floydada this Saturday and Monday helping his parents, Mr. and Mrs. Frank Probasco, to move to their beautiful new home.

Winfred West, son of Mr. and Mrs. John Key West, arrived home from Schweinafort, Germany, Sunday morning, after two and one half years in the armed forces overseas. He returned by boat from Germany, and went straight to Chicago, where he received his discharge, and then on home.

The Sylvain Kinnibrughs and their daughters went to Truscott and Vera on Saturday and Sunday to visit their folks. They report over six inches of rain down there, with fields under water.

Mrs. Thomas Pierce has been working at the Upton Grocery the past few weeks while the busy season is on.

Saturday night the John McCain family of Amarillo came to visit and spend the night with his sister, Mr. and Mrs. Fred Fortenberry. Sunday they spent the day in Lone Star with her folks, the W. A. Pools. The Fortenberrys accompanied his sister, the Garland Tuckers, to Hereford

BROADWAY NEWS

(By Mrs. T. E. Thornhill)

BROADWAY, Oct. 5 — Rain, mist and damp weather sure stopped all grain harvesting and cotton pulling, but at least the farmers can sow their wheat in hopes it will come right up and start growing as it should. Right here at our place we received almost three inches since last Tuesday night.

Rev. Wayne Grizzle of Crosbyton preached Sunday and Sunday evening in the absence of Rev. G. A. Fine, who was guest speaker at Spade, Sunday morning and evening attendance at church wasn't good due to the muddy roads although there were thirty-four in Sunday School and twenty-six for Training Union Sunday evening.

Those helping Joyce Morris celebrate her 15th birthday Wednesday night of last week other than her parents, Mr. and Mrs. H. L. Morris were her sisters and their families, Mr. and Mrs. Waldo Havens of Calgary and Mr. and Mrs. Bill R. Webster and children, Elaine and Brian.

Sunday visitors of the D. D. Thornhills were Mr. and Mrs. T. E. Thornhill and sons, and Curtis Leatherwood.

Mr. and Mrs. Ben Beckham attended funeral services Saturday morning in Lubbock for Earnest Bishop.

We wish to congratulate Mrs. M. R. Givens and Mrs. D. D. Thornhill on the prizes they won at the Fair in Lubbock. Mrs. Givens placed on a crocheted bag and a child's coat. Mrs. Thornhill won second place on her crocheted bedspread.

Robert Winegar spent Monday night of this week with Tommy Thornhill.

Wednesday of last week Mrs. Dennis Taylor entertained with a luncheon at her home in honor of her sister, Mrs. Frank Norman of Abilene, who was visiting their mother, Mrs. C. A. McClure of Crosbyton.

Mr. and Mrs. Joe Dutton of near Ralls were Thursday night supper guests of her parents, Mr. and Mrs. A. D. Whalen.

Mrs. A. D. Whalen visited in the home of Mr. and Mrs. Richard Sudduth and Diann Friday of last week. Little Diann wasn't feeling too well. She had been ill for a few days with a sore throat.

Those enjoying a chili supper Wednesday night of last week with Mr. and Mrs. Ben Beckham were the D. D. Thornhills and T. E. Thornhills and sons, Donald W. and Tommy.

The severe lightning on Wednesday morning of last week did quite a bit of damage. It knocked out the telephones of the Ben Beckhams, D. D. Thornhills and Hoyt McClures on the 249 line

TAX-MAN SEZ

The Dallas District office of the Internal Revenue Service has regular dealings (too regular as far as some of the taxpayers are concerned) with 2,000,000 people every year. More than 700,000 refund checks are prepared and mailed to taxpayers principally on income taxes during the year.

This year, as in the past years, there are still several thousand taxpayers that the Internal Revenue Service cannot locate because they have moved and forgotten to give Internal Revenue Service their new address.

If you were due a refund and have not received your check, it would probably be a good idea to write Internal Revenue Service, 2101 Pacific Avenue, Dallas, Texas, giving the exact name and address on your tax return, your present address and the amount of refund due.

They will be almost as happy to send your check to you as you are to receive it.

RELATIVES RETURN HOME

Relatives of Mrs. Ola Jester, who was buried here last week, have returned to their respective homes after visiting in Floydada and other surrounding cities with members of the family. They were Mr. and Mrs. Roy Coleman, of Alexander, La., a brother of Mrs. Jester, and her three sisters, Mrs. Orpha Teague of Pomona, Calif., Mrs. Edd Mason of San Jose, Calif., and Mrs. Jess Hobbs of Amarillo.

Relatives of Mrs. H. O. Pope, Mrs. Dessie Denison and Mrs. Bess Cantwell and the granddaughter of the week-end in Clovis, N. Mex., Miss Dona Nix of Springtown, visiting with Mrs. Arno Smalley.

HOUSEGUESTS OVER THE WEEK-END

Houseguests over the week-end with Mr. and Mrs. Lorin Leibfried were her aunts and their husbands, Mr. and Mrs. C. R. Muir of Weatherford, Mr. and Mrs. H. O. Pope, Mrs. Dessie Denison and Mrs. Bess Cantwell and the granddaughter of the week-end in Clovis, N. Mex., Miss Dona Nix of Springtown, visiting with Mrs. Arno Smalley.

STAFF SERGEANT CHARLES SHULTZ

Staff Sergeant Charles Shultz, his wife and their daughter, JoAnne were week-end guests of his parents, Mr. and Mrs. B. H. Shultz in Floydada. The sergeant and his family were enroute to Greenville, S. C., where he will be stationed at a jet air base. His former base was at Clovis, N. Mex., at Cannon Air Field.

Mrs. G. L. Bryant, who has spent the past five weeks at the bedside of her father, Mr. Richard at Lorraine, is expected home this week after attending funeral services there Tuesday for Mr. Richard, who died Monday morning.

Mr. and Mrs. Fate Morris of Amarillo visited here Sunday with his mother, Mrs. Ether Hendrix and his aunt, Mrs. W. H. Seale

FLOYD COUNTY HESPERIAN, FLOYDADA, TEX., Thursday, Oct. 8, 1959

Mr. and Mrs. Wm. H. Sanders, W. F. Culpepper returned Saturday from near Atlanta, Ga., land, and rented their Floydada home out Mr. Sanders is maintenance man at a Midland business. The family have purchased a new home there.

THE WIND

Miniature Golf Will Be Noon-Time Activity

Last Friday was loyalty day of FHS. Everyone was required to wear green. Violators were fined.

J-Dayers found Tech to be exciting but wet, as it rained all day long.

FHS Congratulations to Mrs. J. W. Adams for being elected President of the advisors of the WTISPA for the 1959-60 academic year.

FHS The Winds are still rolling with an average score per game now of about 39-0. Go State!

FHS Before griping about the length of the school year, remember that in England, students go to school eleven months every year.

FHS Congratulations to Glenda Morgan for being elected FFA Sweetie.

FHS J. L. McKinney, science instructor, has a wise proverb on the bulletin board each week. Last week's saying was "I'd like to compliment you on your work when will you start?"

Miniature golf was first with 102 votes in a school-wide poll as to what noon-time activities FHS students are most interested in. The course will be set up immediately so as to keep the weather from interfering. Volley ball and horseshoe-pitching are other outdoor games to be scheduled to be set up west of the building.

The gym will be the scene of shuffleboard, of which Jay Holmes is in charge, and ping pong, of which Robert Overstreet is in charge. Additional tables for ping pong will be brought over from junior high. Handball is also on the schedule.

Kenneth Jones is in charge of social games which will include dominoes, checkers, and chess. Movies will be shown about once a week for those who wish to view them.

Tournaments will be held in most of these activities. Until the equipment is paid for, a slight fee will be charged in most cases.

Will You Participate?

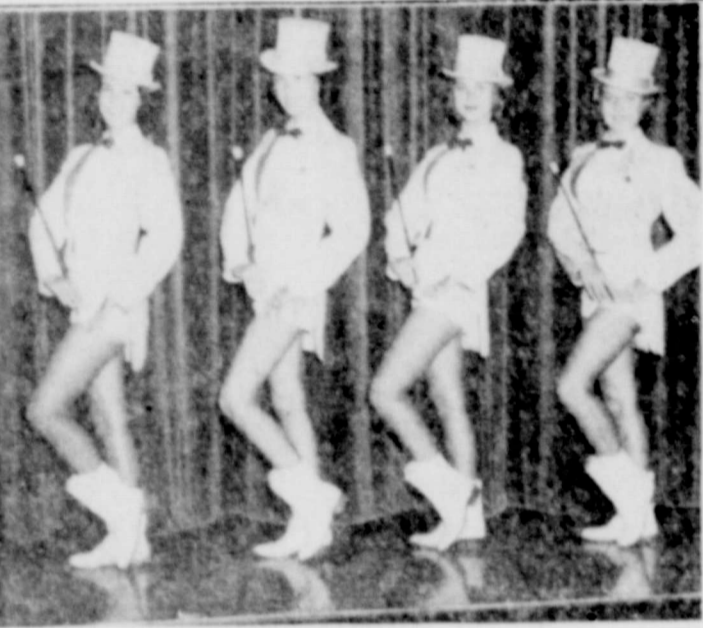

How would you like to spend the noon hour? Do you have any free time? If so, would you participate in intramural sports?

The Student Council is trying to reduce the noon-hour problem of idleness. Some students do not have enough time to eat, while others have nothing to do but stand in the hall. The point is that something needs to be provided cannot be argued, but what?

You, the student, have given your ideas freely, and voted on the best ones. Some suggestions were miniature golf, shuffleboard, croquet, and putting and driving ranges. You were all for these ideas at the time you voted, but will you participate in them later?

The Student Council has made the beginning. A miniature golf course is to be constructed. Shuffleboard, ping pong tables, volleyball, and others are to be provided. The rest is up to you. You are responsible for the success or failure of each idea.

Will you participate?

1959-1960 twirlers strike a nifty pose. From left to right are Lajuana Rimmer; Gay Pruitt; Shirley Gregory, head drum majorette; Carolyn Dillard, assistant drum majorette; Kay Pruitt; and Janice Trapp. (Staff Photo)

Floydada High Twirlers Have Unique Uniforms

Deeded out in the familiar top a week are spent in working upon of their main lines, Kay's hat and tuxedo-styled uniforms, are FHS's pretty and well-expo-

lled twirlers: Shirley Gregory, Carolyn Dillard, La Jauna Rimmer, Janice Trapp, Kay Pruitt, and Gay Pruitt. In order to improve their twirling skills, these six girls attended McMurry's summer session last summer. Approximately three extra hours

J-Day Termed Wet Success

"Splash, Splash" may be the name of a song, but it also describes J-Day.

Last Saturday, 7 students, 1 advisor, and 1 guest attended a very wet but profitable Journalism Day at Texas Tech. Approximately 136 students and 17 advisors representing 22 different high schools over the country registered.

Journalism Day is sponsored yearly by the Journalism Department of Texas Tech and the West Texas High School Press Association.

Students attended panel discussions featuring "top men" of Tech's annual and newspaper staffs and the business meeting during the morning. Student and faculty officers were elected for the coming year at the business meeting. Mrs. J. W. Adams, whirlwind sponsor, was elected president of the faculty officers of the WTISPA.

After lunch, students attended panel discussions composed of students, Kenneth Jones, Sports Editor of the Whirl, discussed "How to Make Stories Interesting" in the newspaper division.

All J-Dayers were honored with a banquet at 5 p. m. in the Student Union Ball room. Trophies were presented for the best of last year's newspapers and annuals. In the smaller school classes, Andrews and Tullia (tie) Spur and Olton received awards.

Entertainment was provided for each J-Day student and faculty member. In the evening, there was a professional basketball game between the St. Louis Hawks and the Philadelphia Warriors.

Students were admitted free to the Texas Tech-Tulsa football game at Jones Stadium at 8 p. m. that night.

Staffs attending were Kenneth Jones and Sue Ring, of the Whirl; Judy Wilson, George Farris, Richard Graves, Jan Dempsey, and Bill Gilliland of the Whirlwind; Mr. and Mrs. J. W. Adams also attended.

Spanish Is Easy Says Instructor

(By Sandra Wright)

"Anyone can learn Spanish if he wants to," Miss Anne Sweeney, instructor, says. "Spanish helps a person in his English grammar."

Miss Sweeney must have a job trying to teach two classes of Spanish in both classes combined there are forty-eight.

Since the classes did not have the textbook, EL CAMION REAL, at the beginning of the year, Miss Sweeney introduced Spanish by describing a person in class. She then had class and group conversations. Drills by repeating words in sentences each day were used. The classes were divided into groups and each group passed greetings to each other. They have also been having conversations that a merchant and a Latin American would have.

The purposes of Spanish are to learn a foreign language and to carry on a conversation with Latin Americans.

Anyone who plans to attend college or work with Latin Americans should take Spanish. It is not required in all colleges, but it is becoming a prerequisite. Miss Sweeney took high school Spanish and majored in Spanish at Texas Tech.

October Babies

Elect Morgan Sweet Heart Of Et Et Aye

(By Sonja Guffee)

Glenda Morgan, pert junior blonde, came out on top with the most votes to capture the title of 1960 FFA Sweetheart.

After a week of collecting penny votes for their five nominees, the FFA boys eagerly awaited the final tabulation of the votes. Approximately 150 votes were cast.

Receipts made from the contest will be placed in the Chapter Fund to pay Chapter expenses.

Glenda will represent the local FFA Chapter at the District Banquet in Floydada, on Nov. 23. Each representative is required to model in formal attire. The winner will represent the district at the Area Meet in Amarillo next spring.

Glenda will be guest of the local chapter at the annual Father and Son Banquet and the Floyd County Fat Stock Show.

This year only one requirement was made in the contest. No nominee could have previously been an FFA Sweetheart.

Band Goes To Lubbock Fair

(By Nancy Sue Watson)

Thirty-one bands from the West Texas area, including the Floydada Whirlwind Band participated in the annual "Parade of Bands" in Lubbock, Sept. 30. This year the Whirlwind Band received third place.

The Big Green Band missed second place by a very small margin.

The bands assembled at the Texas Tech Stadium Parking Area in order to get the bands and buses lined up. The starting point of the parade was at Avenue Q. The bands proceeded to march down the main street of Lubbock.

Judging took place in front of the Lubbock Hotel from the balcony. The bands were judged on marching as well as playing.

Five bands participated in the Class AA along with the 72-piece Whirlwind Band. Denver City received a \$50 check for second place and Abernathy received \$100 for first place.

With feathered hats on their heads, teddy bears in one arm, and foot-long hot dogs in the other, the bandsmen enjoyed the thrills, fun, and rides of the fair. The buses returned for Floydada at 5 p. m. immediately following the close of the circus.

With sore feet and hoarse voices, the members of the band returned to start another school day. Exciting times had at the Annual 1959 Panhandle - South Plains Fair were remembered as the band began work on the Floydada-Lockney halftime show.

Winds Invade Hornets Nest Friday Night

(By Kenneth Jones)

Boozing Buddy Poague, TD specialist, will keep all the Whirlwinds' eyes open when Floydada meets the Tulla Hornets Friday night at Tulla. This will be the last non-conference foe for the Winds.

The Hornets lost 13 seniors in May. They returned 7 lettermen, 2 of whom are regulars. The Hornets had a 4-6 record in '58. This fall they will have two of the fastest backs in the area.

New coaches are Bill Henry from Spur and Frank Khrut from Post.

Year	FHS	THS
53-54	20	0
54-55	40	0

Player	Points
James Hale	30
Jay Dycus	30
Tiny Copeland	30
Merle Nicholson	50
Chuck Stoner	24
Nelda McCary	Three runs
Pat Stewart	Three runs
Donna Allen	20
Barbara Glenn	10

Grid Analysis

Dist. 3AA commences its race for the championship Oct. 16. The Floydada-Slaton duel will be the game to watch. Spur will have no trouble with the helpless Taboka Bulldogs.

Post is the only 3AA team with two open dates.

Floydada will be seeking the sweetest type of revenge on Nov. 6. Spur has defeated the 'Winds' the past five years.

Sports writers have said the jinx on every team and Spur has won more home games than any other South Plains school.

Wester Field is surely going to look good to the Whirlwinds this year.

Tahoka has scored only one touchdown so far this year.

Several Bi-district games have been played on Wester Field—one with Phillips and another with Wellington.

Cage District FFA Officer

Outstanding FFA member, James Cage, FHS senior, was elected sentinel for the second straight year at the Plainview District FFA Meeting Thursday, Sept. 17.

James has attained many accomplishments as a Future Farmer of America. He has been on the land judging team ever since he was a freshman. In the Awards assembly last spring, he was awarded the Star Chapter Farmer degree because he was selected as the best "aggie" in the Floydada chapter. James is serving the local chapter as treasurer this year, and he has received the highest state award, the Lone Star Farmer degree.

This year his project consists of 24 head of breeding sheep, 2 acres of rye, and 5 acres of silage.

Other district officers elected were as follows: Green of Plainview, president; Bowe of Happy, vice-president; Parker of Plainland, secretary; Mills of Cotton Center, treasurer; Adams of Petersburg, reporter; and Campbell of Matador, Parliamentarian.

NHS To Buy Gavel With Gold Emblem

(By Sonja Guffee)

President Bob Dempsey will call the National Honor Society meetings to order with a beautiful new gavel in the future.

Purchasing a gavel for present and future use of the society was the main topic of discussion at the meeting last Friday. After a majority vote, the society decided to purchase a gavel with the gold NHS emblem on it.

Secretary Sharon Edmiston recalled the roll and then read the minutes of the last meeting.

Treasurer Leo Smith reminded the old members, as well as the new ones, to pay their dues. A 24 year old book of articles with the NHS emblem which may be ordered was shown to all members. Each new member was encouraged to buy something to show his appreciation. If they fail to meet the society's requirements, the articles must be returned to the society.

'Winds Drown Longhorns

(By Kenneth Jones)

Wester Field was one big mud puddle as continual rain drenched the Whirlwinds and Longhorns Friday night. Floydada soaked up 33 points to 0 for its rivals and kept its goal line uncrossed in five encounters.

Don Vickers, big "Buildozer," made 3 TD's, one being the first play by the extra point.

After an interception of a Lockney pass by Bob Ed Dempsey on about the 45 and a return to the 36, Vickers went around right end for another touchdown in the first quarter. Shipley's try for the extra point was blocked.

Fullback Bill Gilliland went through the middle for a yard and another touchdown in the second quarter. Vickers added his scoring column by going over for the extra points.

In the last of the second period the Longhorns began to show some power, moving to the Floydada 35, but were unable to continue.

After Lockney lost the ball on downs, Vickers made a muddying run for 75 yards to pay mud. Gilliland tried for extra point, but failed.

On the 32 yard line Bill Gilliland blocked a Longhorn punt and set the Whirlwinds in play on the 26. Rodney Teague then went over with Shipley trying for the extra point, which failed.

Tomorrow night, the Winds will get a taste of real competition as they collide with a potent Tulla Hornet eleven, the last non-conference tilt, at Tulla.

District play opens next week when Floydada hosts the Slaton Tigers at Wester Field.

Gauer Brings To Floydada Switzerland

(By Sue Williams)

Toni Gauer brought authentic Swiss entertainment to FHS yesterday when he presented the first Southern Assembly.

Toni, a troubadour of the old tradition of his native country, played three different musical instruments, sang and yodeled in his colorful Appenzel costume. He gave exceptional demonstrations of the Swiss organ, the accordion-harmonica, and an accordion-like instrument weighing less than two pounds. The songs he sang were in his native tongue.

The main point of interest about Switzerland was the contrast between his country and Texas. Switzerland is one-seventeenth the size of Texas, but has five million people speaking different languages and wearing different costumes — yet they are united and have the highest standard of living. They have the reputation of being the most peaceful country in the world.

Toni was born and raised in Switzerland and attended the State College of Appenzel, Eastern Switzerland, then, at the age of 25, he came to New York City and attended Ohio Wesleyan University. He and his wife make their home in Chapel Hill, North Carolina, with their one son, Andre. Toni has been with Southern Assemblies since 1954, 8 years since their arrival in the U.S. and has given about 5,300 lectures.

The Gauer's main reason for his love of the US and Texas are the friendly people and the changing climate which are similar to Switzerland.

Seventy-Eight Home Ec Gals

(By Fredna Robertson)

Mrs. Sharon Young is in charge of the cooking class of the Home-making Department this year. This semester's class of 52 is now studying the preservation of foods and the study of nutrition.

Equipment used in the foods lab consists of the following: two electric ranges, three gas stoves, one G. E. washer and dryer, one G. E. refrigerator, and one garbage disposal.

Mrs. A. E. Baker's clothing classes, numbering 26, are studying textiles and fibers of materials.

Each girl taking clothing must have a project for the year of wool suits or cotton dresses.

There are nine Singer machines throughout the summer, the importance of Homemaking is carried out. A summer project is offered during the month of June. This entitles each girl to earn one-half credit if she meets certain requirements. Some of the requirements are as follows: 120 up to 1:30 p. m. to finish his hours, 4 separate projects, and 1 visit from the teacher.

In this day and time, the importance of Homemaking is greater than we realize. What that one learns in Homemaking will become a part of her home and community life," states Mrs. Young.

Lost: Six Twirlers; Miss Contest Thru Humorous Mistake

(By Nancy Sue Watson)

Perky twirlers of the Whirlwind Band left Floydada to attend the twirling contest held Saturday, Oct. 3.

In spite of the bad weather, the twirlers were not worried about twirling before a judge. At the time of departure, they had no idea that the judge would not have a chance to see them twirl.

The twirlers, thinking the contest would be held at the Texas Tech Stadium, went there immediately. Not seeing any other twirlers around, they waited a while, thinking that perhaps they were early and the others would be there shortly. Much to their disappointment, no one "turned up."

The twirlers went directly to the Administration Building for information. Thinking that they meant the halftime show to be held that night at the Texas Tech football game, the man at the information booth told them it had been called off because of bad weather. The twirlers, thinking he meant the contest, packed up and came home.

This humorous mistake was not discovered until after the twirlers reached Floydada and the judge, not knowing of the mistake, judged the final contestants.

Insurance Plan Covers 146 Students

(By Dorothy Robertson)

Of the 338 students in FHS 146 have taken out an insurance policy. This policy enables students to receive certain amounts of money for different types of accidents.

Suppose you had an accident while riding on a school bus. If you did, you could get coverage on the accident by taking out either the school plan or the 24 hour plan. Three dollars is the cost of the school plan while the 24 hour plan costs ten dollars. The increase of the prices is \$1 for the school plan and a \$2 increase on the 24 hour plan, you taking out the 24 hour plan, you get coverage not only at school, but also at home, play, on weekends, vacations, and during the entire summer.

You may receive one of the four cash benefits:

- (1) \$1,000 for accidental loss of life.
- (2) \$7,500 for accidental loss of both hands or feet or eyes, or any combination.
- (3) \$3,750 for the accidental loss of either hand or foot, and loss of either eye.
- (4) \$1,000 for the accidental loss of either eye.

This nation-wide insurance plan must be taken out by all of the football and basketball players. Either plan would be sufficient.

The Observatory

Is Judy Williams going crazy? It appears that she is because she bummed a ride home from Nelda McCary when she had brought her own car to school. Has anyone seen the barefoot girl from Arkansas? Pam Gresham just loves to march minus her shoes. During extra rehearsals in band, Pam gets so enthused about picking up her feet that she kicks off her shoes. That's a freshman for you.

There were only four girls in second period study hall Monday. They were the following: Marjorie Dunavant, Norma Sue Hollums, Linda Williams, and Linda Goree. They had a regular hall as even Mrs. Patterson joined in the fun. She visited with Mrs. Dalton, a fellow teacher.

Talk about getting caught red-handed—it seems Arthur Moore (Janet Kay) got caught red "footed" dancing in Home Ec I fifth period. She should have been as polite as Janice Trapp who just two electric ranges, three gas stoves, one G. E. washer and dryer, one G. E. refrigerator, and one garbage disposal.

Mrs. A. E. Baker's clothing classes, numbering 26, are studying textiles and fibers of materials.

Each girl taking clothing must have a project for the year of wool suits or cotton dresses.

There are nine Singer machines throughout the summer, the importance of Homemaking is carried out. A summer project is offered during the month of June. This entitles each girl to earn one-half credit if she meets certain requirements. Some of the requirements are as follows: 120 up to 1:30 p. m. to finish his hours, 4 separate projects, and 1 visit from the teacher.

In this day and time, the importance of Homemaking is greater than we realize. What that one learns in Homemaking will become a part of her home and community life," states Mrs. Young.

Winds Drown Longhorns

(By Kenneth Jones)

Wester Field was one big mud puddle as continual rain drenched the Whirlwinds and Longhorns Friday night. Floydada soaked up 33 points to 0 for its rivals and kept its goal line uncrossed in five encounters.

Don Vickers, big "Buildozer," made 3 TD's, one being the first play by the extra point.

After an interception of a Lockney pass by Bob Ed Dempsey on about the 45 and a return to the 36, Vickers went around right end for another touchdown in the first quarter. Shipley's try for the extra point was blocked.

Fullback Bill Gilliland went through the middle for a yard and another touchdown in the second quarter. Vickers added his scoring column by going over for the extra points.

In the last of the second period the Longhorns began to show some power, moving to the Floydada 35, but were unable to continue.

After Lockney lost the ball on downs, Vickers made a muddying run for 75 yards to pay mud. Gilliland tried for extra point, but failed.

On the 32 yard line Bill Gilliland blocked a Longhorn punt and set the Whirlwinds in play on the 26. Rodney Teague then went over with Shipley trying for the extra point, which failed.

Tomorrow night, the Winds will get a taste of real competition as they collide with a potent Tulla Hornet eleven, the last non-conference tilt, at Tulla.

District play opens next week when Floydada hosts the Slaton Tigers at Wester Field.

Choral Group Aiming High

(By Donna Allen)

With the goal of winning first at contest on December 5, the Girls' Chorus is already perfecting numbers in preparation.

Some of the selections on the repertoire include "Harbor Lights," "Lots of Gold," "Bells of Saint Mary's," "All We're There," and "Drink to Me Only with Thine Eyes." The theme song is "Young Love."

The choral group, perhaps the smallest in the history of FHS, is composed of the following:

Norma Sue Hollums, Glenda Cranford, and Dorothy Robertson, first sopranos;

Ella Mae Cagle, Carolyn Dunavant, Donna Allen, and Barbara Glenn, second sopranos;

Pat Stewart, Sandra Wright, Martha Dyer, and Joyce Morren, altos.

Mrs. L. H. Christensen is choral director.

Choral Group Aiming High

(By Nancy Sue Watson)

Shirley Ginn—Yes, because they feel more at ease

Janet Moore—I like for them to wear slacks

Sue McClung—Yes!

Darlene Johnson—Definitely, but then I'm not sure

Jan Cates—Most of the time, but sometimes it is out of place.

Freida Smith—Yes, if it's practical

Mary Kay Asher—No! It looks nicer for them to wear Ivy League

Helen Whitfill—Yes, if they want to

Tiny Copeland—No! Definitely

Elfa Wornack—It depends on where you are going

Sue Kendrick—Mike prefers blue jeans

Joyce Leatherman—Oh no! Not on Saturday night

Nelda McCary—Definitely not

Mr. and Mrs. J. W. Adams also should be allowed to wear slacks

More Students Now Required To Graduate

(By Sue Williams)

As two years ago required for graduation, more than 100 students are now required to complete school laboratory courses in general science, physics, and chemistry.

General science is a one-semester course in general science, physics, and chemistry. Students who are studying the subject are required to complete the laboratory work.

Physics and chemistry are two-semester courses. Students who are studying the subject are required to complete the laboratory work.

Students who are studying the subject are required to complete the laboratory work.

Band Goes To Lubbock Fair

(By Nancy Sue Watson)

Thirty-one bands from the West Texas area, including the Floydada Whirlwind Band participated in the annual "Parade of Bands" in Lubbock, Sept. 30. This year the Whirlwind Band received third place.

The Big Green Band missed second place by a very small margin.

The bands assembled at the Texas Tech Stadium Parking Area in order to get the bands and buses lined up. The starting point of the parade was at Avenue Q. The bands proceeded to march down the main street of Lubbock.

Judging took place in front of the Lubbock Hotel from the balcony. The bands were judged on marching as well as playing.

Five bands participated in the Class AA along with the 72-piece Whirlwind Band. Denver City received a \$50 check for second place and Abernathy received \$100 for first place.

With feathered hats on their heads, teddy bears in one arm, and foot-long hot dogs in the other, the bandsmen enjoyed the thrills, fun, and rides of the fair. The buses returned for Floydada at 5 p. m. immediately following the close of the circus.

With sore feet and hoarse voices, the members of the band returned to start another school day. Exciting times had at the Annual 1959 Panhandle - South Plains Fair were remembered as the band began work on the Floydada-Lockney halftime show.

Winds Invade Hornets Nest Friday Night

(By Kenneth Jones)

Boozing Buddy Poague, TD specialist, will keep all the Whirlwinds' eyes open when Floydada meets the Tulla Hornets Friday night at Tulla. This will be the last non-conference foe for the Winds.

The Hornets lost 13 seniors in May. They returned 7 lettermen, 2 of whom are regulars. The Hornets had a 4-6 record in '58. This fall they will have two of the fastest backs in the area.

New coaches are Bill Henry from Spur and Frank Khrut from Post.

Year	FHS	THS
53-54	20	0
54-55	40	0

Player	Points
James Hale	30
Jay Dycus	30
Tiny Copeland	30
Merle Nicholson	50
Chuck Stoner	24
Nelda McCary	Three runs
Pat Stewart	Three runs
Donna Allen	20
Barbara Glenn	10

Grid Analysis

Dist. 3AA commences its race for the championship Oct. 16. The Floydada-Slaton duel will be the game to watch. Spur will have no trouble with the helpless Taboka Bulldogs.

Post is the only 3AA team with two open dates.

Floydada will be seeking the sweetest type of revenge on Nov. 6. Spur has defeated the 'Winds' the past five years.

Sports writers have said the jinx on every team and Spur has won more home games than any other South Plains school.

Wester Field is surely going to look good to the Whirlwinds this year.

Tahoka has scored only one touchdown so far this year.

Several Bi-district games have been played on Wester Field—one with Phillips and another with Wellington.

Cage District FFA Officer

Outstanding FFA member, James Cage, FHS senior, was elected sentinel for the second straight year at the Plainview District FFA Meeting Thursday, Sept. 17.

James has attained many accomplishments as a Future Farmer of America. He has been on the land judging team ever since he was a freshman. In the Awards assembly last spring, he was awarded the Star Chapter Farmer degree because he was selected as the best "aggie" in the Floydada chapter. James is serving the local chapter as treasurer this year, and he has received the highest state award, the Lone Star Farmer degree.

This year his project consists of 24 head of breeding sheep, 2 acres of rye, and 5 acres of silage.

Other district officers elected were as follows: Green of Plainview, president; Bowe of Happy, vice-president; Parker of Plainland, secretary; Mills of Cotton Center, treasurer; Adams of Petersburg, reporter; and Campbell of Matador, Parliamentarian.

NHS To Buy Gavel With Gold Emblem

(By Sonja Guffee)

President Bob Dempsey will call the National Honor Society meetings to order with a beautiful new gavel in the future.

Purchasing a gavel for present and future use of the society was the main topic of discussion at the meeting last Friday. After a majority vote, the society decided to purchase a gavel with the gold NHS emblem on it.

Secretary Sharon Edmiston recalled the roll and then read the minutes of the last meeting.

Treasurer Leo Smith reminded the old members, as well as the new ones, to pay their dues. A 24 year old book of articles with the NHS emblem which may be ordered was shown to all members. Each new member was encouraged to buy something to show his appreciation. If they fail to meet the society's requirements, the articles must be returned to the society.

Miniature Golf Will Be Noon-Time Activity

Miniature golf was first with 102 votes in a school-wide poll as to what noon-time activities FHS students are most interested in. The course will be set up immediately so as to keep the weather from interfering. Volley ball and horseshoe-pitching are other outdoor games to be scheduled to be set up west of the building.

The gym will be the scene of shuffleboard, of which Jay Holmes is in charge, and ping pong, of which Robert Overstreet is in charge. Additional tables for ping pong will be brought over from junior high. Handball is also on the schedule.

Kenneth Jones is in charge of social games which will include dominoes, checkers, and chess. Movies will be shown about once a week for those who wish to view them.

Tournaments will be held in most of these activities. Until the equipment is paid for, a slight fee will be charged in most cases.

J-Day Termed Wet Success

"Splash, Splash" may be the name of a song, but it also describes J-Day.

Last Saturday, 7 students, 1 advisor, and 1 guest attended a very wet but profitable Journalism Day at Texas Tech. Approximately 136 students and 17 advisors representing 22 different high schools over the country registered.

Journalism Day is sponsored yearly by the Journalism Department of Texas Tech and the West Texas High School Press Association.

Students attended panel discussions featuring "top men" of Tech's annual and newspaper staffs and the business meeting during the morning. Student and faculty officers were elected for the coming year at the business meeting. Mrs. J. W. Adams, whirlwind sponsor, was elected president of the faculty officers of the WTISPA.

After lunch, students attended panel discussions composed of students, Kenneth Jones, Sports Editor of the Whirl, discussed "How to Make Stories Interesting" in the newspaper division.

All J-Dayers were honored with a banquet at 5 p. m. in the Student Union Ball room. Trophies were presented for the best of last year's newspapers and annuals. In the smaller school classes, Andrews and Tullia (tie) Spur and Olton received awards.

Entertainment was provided for each J-Day student and faculty member. In the evening, there was a professional basketball game between the St. Louis Hawks and the Philadelphia Warriors.

Students were admitted free to the Texas Tech-Tulsa football game at Jones Stadium at 8 p. m. that night.

Staffs attending were Kenneth Jones and Sue Ring, of the Whirl; Judy Wilson, George Farris, Richard Graves, Jan Dempsey, and Bill Gilliland of the Whirlwind; Mr. and Mrs. J. W. Adams also attended.

Spanish Is Easy Says Instructor

(By Sandra Wright)

"Anyone can learn Spanish if he wants to," Miss Anne Sweeney, instructor, says. "Spanish helps a person in his English grammar."

Miss Sweeney must have a job trying to teach two classes of Spanish in both classes combined there are forty-eight.

Since the classes did not have the textbook, EL CAMION REAL, at the beginning of the year, Miss Sweeney introduced Spanish by describing a person in class. She then had class and group conversations. Drills by repeating words in sentences each day were used. The classes were divided into groups and each group passed greetings to each other. They have also been having conversations that a merchant and a Latin American would have.

The purposes of Spanish are to learn a foreign language and to carry on a conversation with Latin Americans.

Anyone who plans to attend college or work with Latin Americans should take Spanish. It is not required in all colleges, but it is becoming a prerequisite. Miss Sweeney took high school Spanish and majored in Spanish at Texas Tech.

and then the Longhorns turning the favor with Clark covering on the Lockney 25. **Interception Cuts Drive Short** Lockney's next drive was also cut short when Bob Ed Dempsey intercepted a Lockney pass on the Longhorn 43 and returned it 9 yards to the 36. From this point a pass Teague to Vickers got 11 to the 25, a 15 yard penalty put the ball on the 10 and then Vickers circled right end for the TD running from his left half position Shipley's attempted kick was blocked by Carthel, and the score was 13 - 0 as the rains came. As the first quarter continued the two teams showed fine defense and exchanged punts. Early in the second stanza Floydada held Lockney for downs at the Whirlwind 31 to take over at that point. Then they put together an offensive drive which carried down field on running plays to the one yard line and Bill Gilliland plowed over from that point Vickers circled his right end for a two point conversion and Floydada held a lead of 21 - 0 which was the score at the half. **The Rainy Second Half** In the rainy second half Floydada kicked off and Lockney started a spirited drive which carried to the Floydada 35 yard line and represented their longest offensive effort for the night. The drive died however when the green and white defense threw up the stop sign and took over at their own 35. Vickers had a good run called back and Floydada was penalized and then fumbled the ball and Lockney owned it on the 25 again after a recovery by Leavis. This time four tries got them 9 yards to the Floydada 26, the closest Lockney was to get to the Whirlwind goal, and the ball went over on downs to Floydada at that point. After a short loss by a Floydada back Vickers saved a fumbled ball and then on the next play ripped off 75 yards to score on the longest run of the night. Bill Gilliland was caught short on the run for conversion and the score was 27 - 0. In the fourth quarter Lockney took the kick-off and fumbled on the Longhorn 32 Floydada then fumbled and Lockney had the ball on the 26. Lockney was held by stout defensive play and Terry Clark's punt was blocked by Bill Gilliland on the Longhorn 25 yard line to set up the final score. The Winds had advanced Rodney Teague went in for the final five yards and the last score of the ball game. Shipley's kick was wide and the scoring finished at 33 - 0. The remainder of the game saw Lockney held and forced to punt. Floydada was held and failed to get a punt off due to bad pass from center and then

HOUSEWIFE GETS MORE LEISURE TIME WITH NEW STOVE, OVEN

There's nothing new to learn about modern electric cooking except getting accustomed to convenient operation! America's leading industrial designers have substituted the wire for the fire in today's electric ranges to give the homemaker more fully automatic cooking and grant more leisure time. They have eliminated the need to hover over cooking, stirring, testing, watching. A housewife simply sets the controls and lets the electric range or oven do the rest. The food gets done exactly as she wants it right on time.

It's easy to see and to reach whatever is simmering, roasting or baking, when you have a modern electric range... symbol of a truly modern home.

4 REASONS WHY your family deserves an Automatic ELECTRIC RANGE

- COOKING ELECTRICALLY IS CLEAN**
Pots and pans stay bright and clean — walls and curtains keep that fresh, new look. There's no flame, no fumes, no combustion deposits.
- COOKING ELECTRICALLY IS ECONOMICAL**
It costs about two cents a meal. But you save dollars on decorating — and don't lose any of your cooking heat.
- COOKING ELECTRICALLY MAKES MEAL PLANNING FUN**
Electric heat is accurate — your recipes cook to perfection. Automatic controls free you from the kitchen for family and fun.
- COOKING ELECTRICALLY IS COOL**
All the heat from your electric range goes into the cooking. You cook the food, but the cook keeps cool.

Toughest Driver in Town!
Careful Percy McFidget—who would believe that he's harder on his car than anybody in town? Why, he never goes over 35 or takes a trip over 10 miles! Actually this kind of driving is very hard on a car engine because the engine seldom gets "warmed up" sufficiently. The oil tends to be sluggish. Sludge forms in the crankcase. The way is open for dangerous wear and corrosion. But there's something you can do about this, to protect your motor. If you have to do a lot of start-and-stop driving at low speeds, as most of us do, use Trop-Artic Motor Oil. It flows fast... resists sludge formation... helps your car run better, longer. Get Trop-Artic Motoc Oil at any station where you see the Phillips 66 Shield.

OUR DUTY

Every child has a right to go to bed with a clear sense of the care and love of the God in whose world he has come to live. We impoverish little folk if we fail to surround them with a sense of divine concern. Oh, for the faith of that child. A child can pray. They believe the whole round world is bound by chains about the feet of God. It is our duty to teach them, to lead them, to take them to church regularly. When they say, "Our Father," the affirmation of trust and affection for God can be felt. This is religion at its best. May every child know the blessings of good teaching at home and at church. It is our duty to teach them to revere God and to ask His blessings on them. May they at each bedtime say, "Now I lay me down to sleep, I pray the Lord my soul to keep."

YOU IN THE CHURCH THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are shown how to live with better citizenship, stronger religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. You in the Church and the Church in you form a combination for good. Be a regular CHURCH GOER and a daily BIBLE READER.

Shows Ford Day

The popular Galaxie series, with its own Thunderbird-styled roof, includes a two- and four-door sedan, plus a four-door hardtop called the Town Victoria. The Starliner, a new two-door hardtop entry in the Ford line, is one of two special models. The action-styled Starliner features a unique "fast-back" roof that sweeps gracefully back to blend with the elegant rear deck. The other special model is the Sunliner, Ford's soft-top convertible.

Long the leader in the station wagon field, Ford in 1960 will offer five different models with a longer load space, greater passenger comfort and more versatility than ever before. Ranging from the two-door Ranch Wagon to the elegant four-door, nine-passenger Country Squire with simulated mahogany paneling, the Ford station wagon line has a model to meet any requirement.

REBEKAH INITIATION
Odd Fellow Hall was the scene Tuesday night of last week for the candle-light initiation ceremony of two members into Rebekah Lodge.

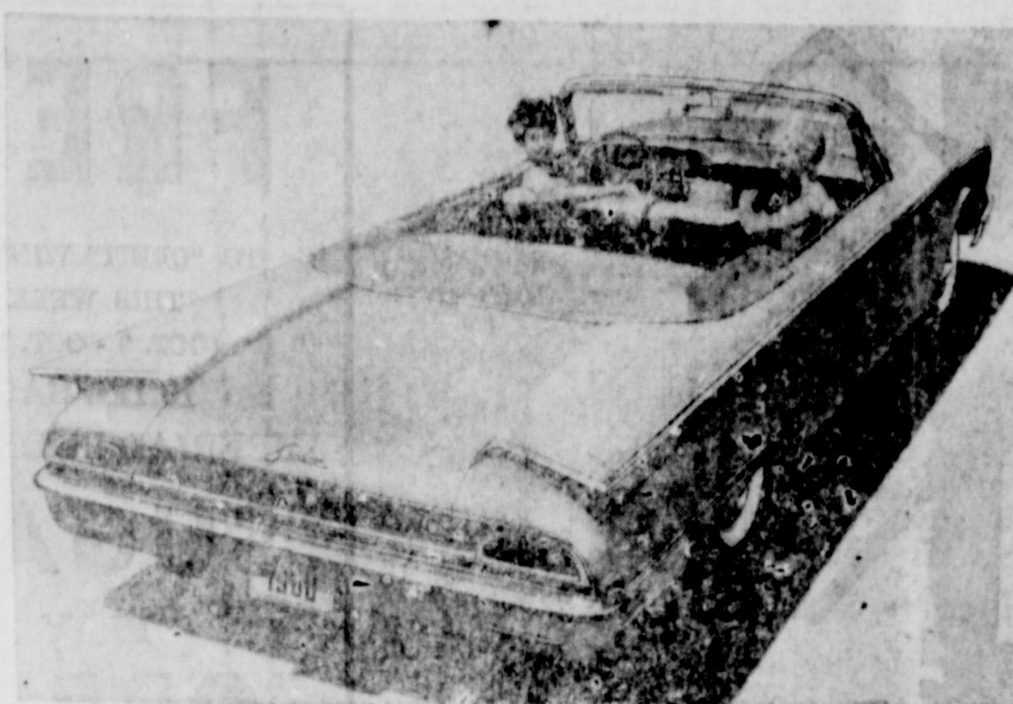

Mrs. Ethel Dever presided as Noble Grand and Mrs. Barbara Hatley as vice Grand, during the ceremony.

The death of Mrs. Bill Queen was announced, and also that Mrs. Belle Berry was to undergo surgery on Oct. 14.

A salad supper was enjoyed by 26 members and the two new candidates, Mrs. Lela Allen and Mrs. Fay Patrick.

Lee and Lynn Warren, twin sons of Mr. and Mrs. Billy Gene Warren, of Halfway, visited from Sunday to Wednesday of last week with their grandparents, Mr. and Mrs. Elmer Warren, east of Floydada. Their father was in the medical center at Plainview having surgery on an injured hand. Billy Gene is foreman of the High Plains Research Center at Halfway.

Mr. and Mrs. Doc Jarrett of Italy, Tex., will leave for home this week after visiting the past ten days in Floydada with their daughter, Mrs. J. D. Nash and a two-family.

The 1960 Ford Sunliner is one of 15 models in the new Ford line which is being introduced today in Ford dealer showrooms across the nation. Featuring the strikingly modern rear deck and flat-wing motif, the new Fords are five inches longer, five inches wider and have more interior leg, hip, shoulder and head room than before. Ford's new integrated design, harmonizing the interior with a single, flowing exterior streamline, is proof that modern styling need not be radical or eccentric.

Cancer Society District Meet At Muleshoe

Lon Davis Jr., who has served on the board of the American Cancer Society, Texas Division for Floyd County, for three years, was elected to the board of directors again to represent this county, at a meeting of delegates to District 3 South in Muleshoe last week.

In addition to the elections, ten county units were cited for their outstanding contributions to the cancer control program by Floyd County was among these ten, top county among the ten, and fifth in the state, percentage wise.

Speakers at the meeting included Texas Division Executive Director C. W. Reimann, who conducted the board meeting and also told delegates present the necessities for a successful county unit program.

Dr. B. J. Falon of Texas Tech also demonstrated and showed how "People Make the Difference in Failure and Success" in the cancer program.

Attending the meeting with Davis from Floydada were Crusade Chairman of Floyd Co., Mrs. Bill Hodel, publicity chairman, Alma Holmes, public education chairman, Mrs. Howard Drysdale.

Homemaking Hints

CROP Planning Trick Or Treat For Hallowe'en

The young people of the Panhandle and the South Plains again will assist the Christian Rural Overseas Program by participating in the annual "Trick or Treat" solicitation. Churches assisting will furnish these young solicitors with ample identification and other material.

All contributions they receive in their containers will be used by the destitute in many lands. Through the "Trick or Treat" phase of the program, CROP is able to participate more fully in the surplus program.

Many churches, through their week-end while her husband was on a business trip to Florida.

Announcing!
A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME
This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

Introducing the New-Size Ford... the 1960 Ford Falcon

Lockney Rites Held for Mrs. Jeffcoat Monday

Mrs. Ida Bertha Jeffcoat, 85, wife of the late J. M. Jeffcoat, and a resident of Floyd County since 1943, died in Peoples Hospital shortly after midnight Saturday after a long illness.

Funeral rites were conducted Monday afternoon at 2 o'clock in the First Methodist Church at Lockney. The pastor, Rev. Russell McAnnally, and Rev. Charles Broadhurst, pastor of the First Baptist Church at Lockney, officiated.

Interment was in Lockney Cemetery under the direction of Carter Funeral Home.

Mrs. Jeffcoat was born in Greenfield, Tenn., Dec. 16, 1875. She and her husband lived in Fannin County until moving to Lockney in 1943. Mr. Jeffcoat died in 1950.

Survivors include three sons, Cleotis and George of Lockney, and Elijah of Commerce, three daughters, Mrs. Katie Rhodes of Paris, Tex., Mrs. Docia Huffman of Huntsville, and Mrs. Beulah Clark of Lockney; 37 grandchildren, 60 great grandchildren and 10 great great grandchildren.

Mr. and Mrs. Elroy Emert and children are leaving Tuesday to visit her parents at Crouff, N.C. Mr. and Mrs. F. M. Covington visited their daughter and son-in-law, Mr. and Mrs. Warden Mayes and children of Big Spring over the week-end. They encountered some of the heavy rain, fall and turbulent weather while on the trip.

Sunday evening Mr. and Mrs. Covington visited briefly with his sister, Lois, (Mrs. Kyle Glover). Although she had been ill for some time, Sunday was one of her better days.

Mrs. Kent Covington has been receiving treatment at Lockney General Hospital.

Mrs. Jim Higdon and children of Lubbock visited with Mr. and Mrs. Bob Covington over the week-end while her husband was on a business trip to Florida.

SLICED BOSTON BUTT, PORK STEAK . 49c

There's something about these beautiful fall days and cool nights that makes pork taste wonderful! We purchased a huge shipment of pork at a special price, since it is plentiful right now... and we're passing the savings along to you. And these porkers have really been pam-

pered... raised under the most ideal conditions, so they are lean and as delicious as can be. Perfect for succulent browned roasts, served with sauerkraut or applesauce or whatever way you like it best. This pork is worth a special trip to Piggly Wiggly.
