

**CLAUSEN HEADS DRIVE**

**United Fund Names Kickoff Date, Goal**

Kickoff date and goal for Friona's 1964 United Fund drive were set at a planning meeting Tuesday.

Wayne Clausen, manager of Hurst's Department Store, is

drive chairman for the 1964 campaign. The 1964 goal has been set at \$6,889, which is similar to last year's goal of \$7,000. Kick-off date has been set for Mon-

day, November 16. The drive, as usual, will be kicked off with a breakfast meeting of the volunteer workers.

Clausen expressed his hopes for an early victory in the 1964 campaign. Some difficulty was experienced in achieving last year's goal. However, that campaign got a late start, due to other conflicts.

At the same time, Clausen named three community chairmen to guide the campaign in their respective communities. Otho Whitefield will handle the campaign in Lakeview, Mrs. Ralph Price will coordinate the drive in the Black Community, and Jack Shirley is the chairman of the Hub Community drive. A chairman is to be named later for the Rhea Community.

The 1964 goal is very similar to that of last year. Broken down, it shows the following organizations benefitting for the amounts shown:

**QUARTERLY STATEMENT**

**Bank's Deposits Show Increase**

Friona State Banks quarterly statement was issued this week, showing another fine increase in business over the comparable period one year ago.

Deposits stood at \$5,544,257.40 on October 1 of this year, an increase of eight per cent over last year's total of \$5,126,457.75. It was also 17 per cent higher than the total for October 1 of 1962. That figure was \$4,691,382.70. The deposits for October 1 of 1961 stood at \$3,953,636.92, showing steady growth for the local bank for the past few years.

Loans and discounts at the bank were up from \$4,069,041.58 a year ago to \$4,282,969.70 presently. Total Resources rose by over \$500,000 -- from \$5,634,952.75 on October 1 of last year to \$6,123,532.25 this year.

Generally good crop returns the past few years can be attributed for the steady economical increase in the community, although there have also been new businesses established, which have added to the city's economy picture.

The bank's good financial statement followed a similar report last week from the Friona Post Office, which showed a 19.6 per cent increase in postal receipts for the three-month period just ending, over the same period a year ago.

This is all on the heels of the Friona City Council's estimation on October 1 of Friona's population at 3,149, an increase of some 53.8 per cent over the 1960 federal census, taken less than five years ago.

**AT CONVENTION**

**Farm Bureau Names Four New Directors**

Four directors were named at the annual meeting Monday of the Farmer County Farm Bureau.

Elected to new terms were John Dixon of Bovina, Ira Parr of the Black community, W. T. Magness of Farwell and Clarence Monroe of Friona.

During the business meeting, Harry Hamilton was re-elected president of the board.

Holdover directors are Hamilton, Charles Hough, James Norton, Frank Hinkson, Don

Gerles and Bill Brandt.

The members voted on resolutions for the organization to pursue during the coming year.

Hamilton reported to the organization on the past year's achievements, and Jim Dixon presented the secretary-treasurer's report. Gerles gave a report on the Farm Bureau's week committee and its work.

Pete Mace entertained the group at the outset of the meeting. Refreshments of Spudnuts and coffee were served.

**FFA Boys To Trick-Treat For CROP**

On Halloween night, October 31, the young men who are members of the Friona Chapter of the FFA will be going from house to house "Tricking or Treating" for CROP.

The money that they collect will be used in the Christian Rural Overseas Program. These contributions will go to help meet the nutritional requirements of under-nourished people in many lands. These dollars provide food for the hungry or food which is partial payment for workers in self-help projects. Each dollar given provides up to 300 pounds of food for the hungry.

Residents of Friona, therefore, are asked to give to these young men as they come on the eve of All Saints Day, remembering that ours is a land of plenty, and that it is right and proper and our Christian duty to give to those millions who are starving.

Paul Mohr is county chairman for CROP.

READY FOR TASK. . . Newly-elected directors for Farmer County Farm Bureau get together for a handshake following the county convention here Monday. From the left are directors John Dixon, Bovina, Ira Parr, Black, and W. T. Magness,

Farwell. On the right is Joe Owen, Farm Bureau Service Agent. Not present was Clarence Monroe, the other new director.

**EXPECT TOUGH GAME**

**District Play Continues; Chiefs Go To Lockney**

Friona's Chiefs, successful in their first district venture of the year, take a further step into league warfare tomorrow when they travel to Lockney to battle the Longhorns. Gametime is 7:30 p.m.

Coach Don Light has been warning his team this week that Lockney is in a "must win" position for Friday's game, having lost its district opener to Olton, 20-6.

Lockney will field the largest team in the district. They have some big linemen and also some good sized backs. The coach told members of the Friona Booster Club this week. He pointed out that the Longhorns would be expected to have an offensive attack similar to Friona's.

Physically, the team should be better off than they've been for the last couple of weeks. Tackle Gene Weatherly, who has been out of action the past two games due to an ankle injury, should be ready to go.

**CONTEST RESULTS**

**It Was A Rough Week For Football Experts**

Several football teams in the Southwest may have thought they had a hard week last week, and they probably were right. Consequently, it was a hard week on many football experts, especially those entering the Friona Star's Cotton Bowl football contest.

It was by far the biggest "upset week," as far as the slate of games included on the Star's weekly entry blank is concerned.

After all was said and done, only four contestants of the 105 who entered the weekly contest last week correctly picked as many as seven games, and from that select list the Star awarded its three weekly cash prizes.

John Morrow was judged the first prize winner, since he guessed the Friona-Dimmitt score (28-6) on the nose. Games

JOHN MORROW

missed by Morrow were the Happy-Bovina tussle (won by Bovina), the Texas-Arkansas contest, which tripped up about 95 per cent of the entrants as Arkansas upset the Longhorns, and Texas Tech vs Baylor, as he picked Tech.

Second place went to John Renner, who guessed the Friona-Dimmitt score at 20-6. Renner missed the Petersburg-Idalou contest, another one which tripped up most of the entrants, Happy-Bovina and Texas-Arkansas.

Third place went to Stanley Bengé, on a tie-breaker guess of 32-7. Bengé missed the same three games as Renner. Only other contestant to pick seven games was Frank Truitt, who missed the tie-breaker by 14 points, guessing 20-0. He likewise missed the three games previously named.

There were 26 contestants who correctly named six games. However, scores of 5, 4 and 3 were very common. In fact several contestants had a score of two, and prior to last week, only once during the year had anyone dropped that low.

The upsets also took its toll of contest leaders. Mrs. W. R. Mabry, who has been tied for the lead in the contest since it started, scored just three correct games and fell two games behind the pace.

Raymond Milner, who had been tied with Mrs. Mabry, picked five games right, and that was good enough to hold a tie for first. Two other contestants who had been tied for second place, Mack Ragsdale and Way-

mon Wilkins, scored six correct and tied Milner for the lead.

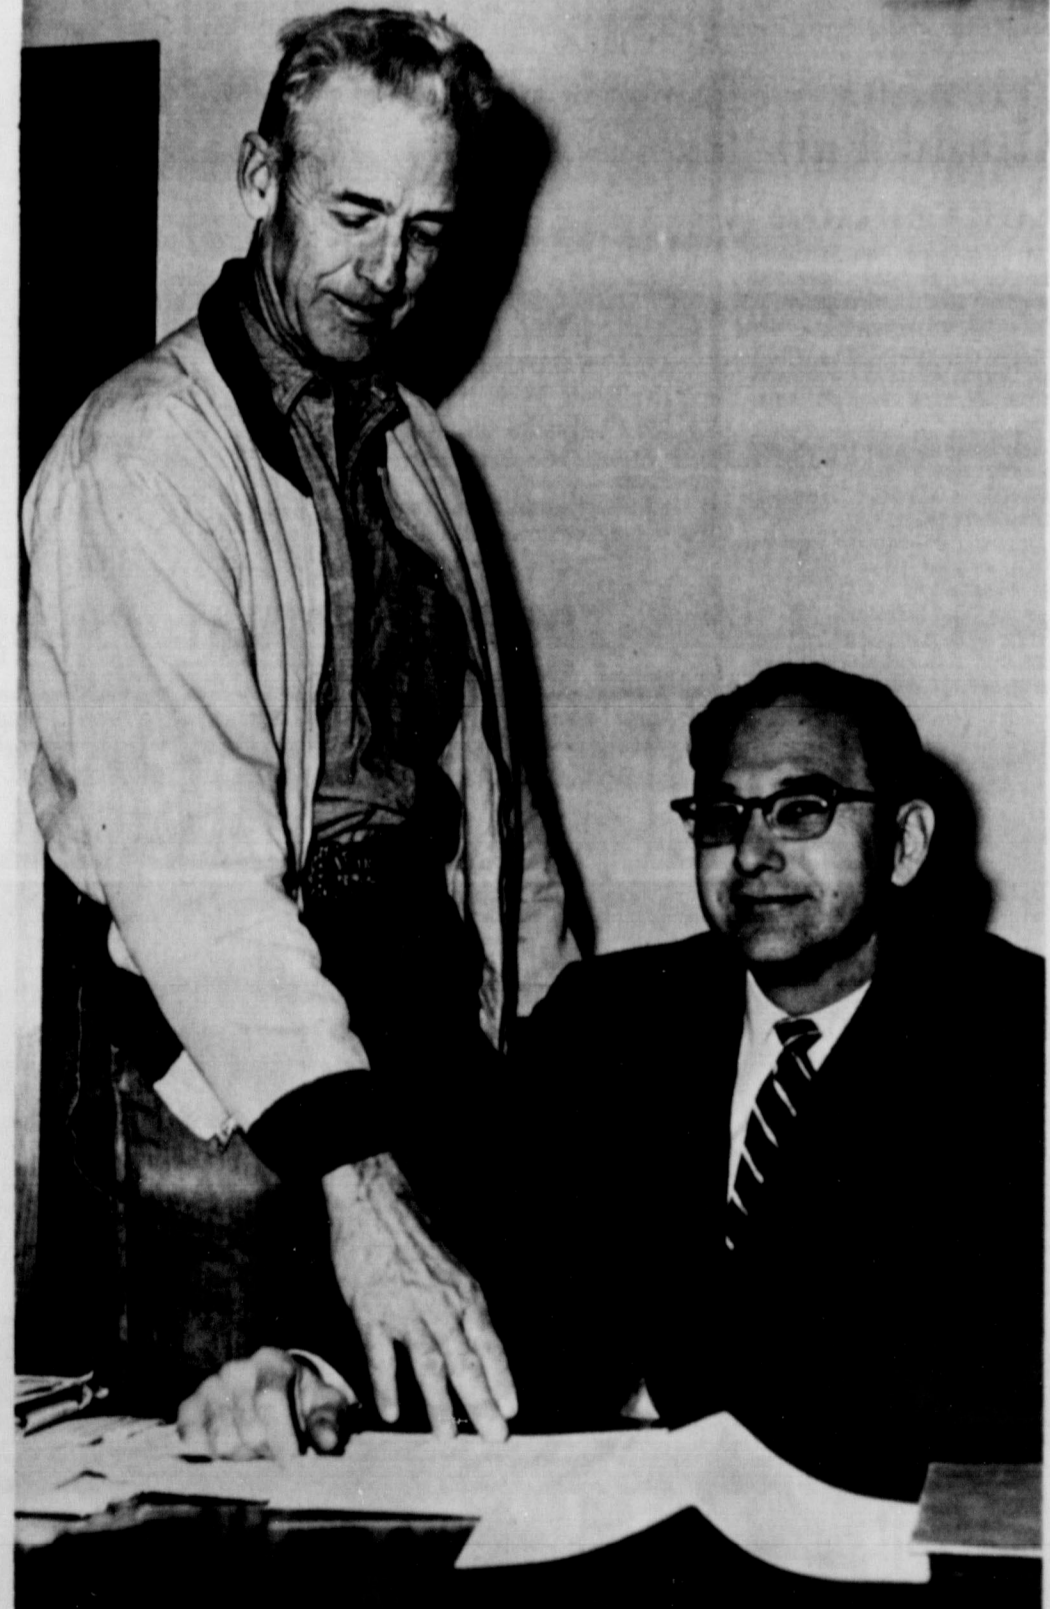

Standings of the leading contestants will be found on this week's contest page.

Four weeks remain in the contest, and each week, prizes amounting to \$10 are awarded, so there are still cash prizes to be won, regardless of a contestant's score.

The contest is co-sponsored with the Star by 11 Friona merchants.

INSPECTS DAMAGE. . . Friona fireman Pete Hollis is shown cleaning out the damaged wall in the Granville McFarland kitchen. The McFarland's electric range caused a fire which damaged the McFarland kitchen.

PLANNING DRIVE . . . Wayne Clausen, seated, the chairman of Friona's United Fund Drive, goes over prospect lists with Otho Whitefield, drive chairman for the Lakeview community. The local drive will be kicked off on November 16.

**Current Comments From ...**

**SUDAN...**

Americans living in Moscow usually must depend on Soviet chauffeurs, because very few Americans have ever passed the Soviet driving test. Among other things, you have to be approved by a panel of doctors - not just one - which includes an eye doctor, a cardiologist, back specialist and a guy who tests reflexes in the soles of your feet. You have to work out traffic problems on a gismo that looks like a parcheesi board, and here's the clincher: You have to be able to take apart and mount an engine. (With some of the funny looking cars we have nowadays, lots of us can't even find the engine).

In addition, the Commies make traffic accidents a serious offense. Even if you just scrape somebody's fender you can lose your license for a year, and if you accumulate three violations, you lose it for life.

**PERRYTON...**

(Friona certainly has its share of unscrupulous peddlers such as the ones mentioned here by Harold Hudson.)

We have never understood why encyclopedias have to be sold by fast talking promoters who worm their way inside your house with some tale about they are going to give you something for nothing. Or maybe the salesman knocks on your door and asks to come inside and "take a survey." This is just the opening wedge to his sales talk, usually well memorized at the sales conference before the salesman is put on the road. Actually, there are several good encyclopedias on the market, and worth the money they cost. Why it is that they have to rely upon aggressive, fast-talking, high-pressure salesmen with a lot of distorted truths to sell their wares we have never been able to understand.

The Sunday Herald

**FARWELL...**

To judge from what you can read and see these days, the way to generate sympathy for your cause - no matter whether it is deserving or not - is to get yourself identified as a minority group. If you are a member of a minority and have the credentials to prove it, you have a virtual free pass to public sympathies because you are downtrodden and discriminated against.

**CANYON...**

Not all the money in the bank is negotiable. James Cole, cashier at First National Bank here, said he sends in about \$1,000 worth of mutilated bills about every three or four months.

The old currency is replaced by new bills by the Federal Reserve. Cole said the normal life of a dollar bill is about six months. He said bills get torn, dirty or worn and must be replaced. Two-thirds of a bill is enough to claim the currency's face value. A dollar bill torn in half is worth just fifty cents.

The larger denomination bill the longer it lasts in circulation, declared the bank cashier. "That's because they do not circulate as fast as a dollar bill," he explained. Cole said the bank here seldom gets a \$1,000 bill. "We move it as fast as we can," he declared. A bill of that denomination does not circulate well.

**'Back To School' Set Next Monday, Tuesday**

"Back to School" night will be held next Monday and Tuesday for students in the seventh through the 12th grades.

Monday will find the parents of children in the seventh and eighth grades visiting their children's school, in an especially-planned program beginning at 7:30 p.m.

Tuesday night, the high school will sponsor its program, from 7:30 to 9:30.

"This is an excellent opportunity for the parents to meet teachers who they do not know, and to learn more about their child's daily routine, and what is expected of them at school,"

said Tom Jarboe, junior high school principal.

At both the junior high and high school programs, parents will follow their son or daughter's schedule, attending short (15 or 20 minute) classes as their child attends each day.

"This program proved very popular last year, both with the parents and with the teachers, and we expect many parents to attend again this year," stated Raymond Cook, high school principal.

**School To Participate In Clothing Drive**

The Friona school system will participate in the World Clothing Fund's annual clothing drive during next week (October 26-30).

Superintendent of Schools Alton FARR states that any type of clothing, for children, infants or adults, is acceptable. A portion of the clothing is to be retained for use in the local school system, and the remainder will be sent to St. Louis.

Some of the clothing shipped to St. Louis will be sent to the Appalachian region. Some is sent to orphanages, both in the United States and overseas. "People who have clothing that they plan to discard are asked to send it to school instead, anytime during the week," FARR stated.

**Frionans Attend Fall Convention**

Mr. and Mrs. Sam Williams attended the two day Eighteenth District Fall Convention of American Legionaries and Auxiliaries American Legion and Legion Auxiliary members at the Herring Hotel in Amarillo.

The opening phase of the meeting was a guided tour of Amarillo Air Force Base Saturday afternoon.

During the business session Mr. and Mrs. Grant Hanna of Hereford were elected commander and president of the district organizations. Mrs. Williams was re-elected vice-president and acting secretary.

Clausen indicated that names of other United Fund workers will be published in the immediate future.

"We hope local citizens will keep in mind that the United Fund Drive saves individual drives from all the organizations which benefit, thereby keeping down the number of drives for donations. Also, since a number of different groups are benefitting, we hope the donors will take that into account when deciding how much to give," Clausen said.

## Lazbuddie Home For Nazareth Battle

The Lazbuddie Longhorns, who have been plagued with bad luck so far this season, return home to host Nazareth this week, but once again the Longhorns will be the underdogs.

Lazbuddie will be opening a three-week "home stand." On succeeding Fridays, the Longhorns will host Turkey (in the homecoming game) and Bovina. The 'Horns carried the fight to Hart last week before falling, 24-14. Lazbuddie took an

8-6 lead after Hart had opened the scoring. Fullback Johnny Mabry ran 10 yards for the score and Lloyd Bradshaw scored two extra points for the lead. Halftime score was 8-6.

Hart had to come from behind twice in the last half. They scored a TD for a 12-8 margin, but Bradshaw's touchdown in the fourth quarter regained the lead for Lazbuddie, 14-12. However, the home team came back for two more TDs to take the win.

## Eighth Grade Coasts To 34-8 Morton Win

Friona's eighth grade team scored a 34-8 win over Morton in a game here October 15. The eighth grade Braves scored four touchdowns in the first half, and had a halftime lead of 28-8.

Tony Perea scored Friona's first touchdown on a 15-yard run. Joe Perez ran the extra points for an 8-0 score. Later in the period, Perea ran five yards for the TD, to stretch the lead to 14-0.

Delvin Brookfield continued the scoring parade in the second quarter with a 25-yard run. Johnny Barker ran across the

extra points for a 22-0 lead. Morton's only touchdown came in the second quarter, cutting the margin to 22-8.

Brookfield scored again in the second quarter on a 15-yard run to bring the halftime score to 28-8.

In the third quarter, Lowery Harper plunged a yard for Friona's final tally. The reserves played almost all of the second half.

"The team did an outstanding job defensively. The entire squad looked good," said Coach Tom Jarboe.

### HARD-FOUGHT

## Eighth Grade Drops 16-8 Tilt To Mules

Friona's eighth grade suffered its second loss of the year, 16-8 at Muleshoe Tuesday.

The Braves missed a chance to score in the first quarter when Joe Perez ran 90 yards, only to be tackled and lose the ball on a fumble at the one-yard line.

Muleshoe took the lead in the second quarter on a long run and made the points. Friona tied the game as Tony Perea went 55 yards for the TD. Perez carried the points, to make for a halftime score of 8-8.

After a scoreless third quarter,

Muleshoe scored on a pass play covering 80 yards with about five minutes to play in the game.

"It was a tough game to lose, but the kids carried the fight to them," stated Tom Jarboe.

After an open date next week, Muleshoe returns the game a week from Tuesday.

## Patrol Investigates 13 Crashes

The Highway Patrol investigated 13 rural traffic accidents in Parmer county during the month of September, according to Sergeant W. E. Wells, Highway Patrol Supervisor of this area.

These wrecks accounted for one death, nine persons injured and an estimated property damage of \$5,012.

The rural traffic accident summary for Parmer County from January through September shows a total of 92 crashes resulting in nine persons killed, 47 persons injured, and an estimated property damage of \$78,073.00.

"Accidents go up when the sun goes down" is not just a mere slogan but the truth. Why? Because darkness hides danger. That is the reason traffic accidents increase during October's shorter days and longer nights," the Sergeant stated. "Sixty per cent of all Texas rural traffic deaths occurred during the hours of darkness last year," he added.

## B-Team Suffers First Defeat; Play At Tulia

Littlefield's B-team scored a 20-0 win over Friona's B-team in a game last Thursday at Littlefield. The loss was the first of the year for Friona's team, after four wins.

Littlefield scored late in the second quarter after intercepting a Friona pass on the Chieftain 17-yard line. There was no further scoring in the game until the fourth quarter.

The Wildcats tallied on a 55-yard pass and run play, and scored again after recovering a Friona fumble at the Chieftain 15-yard line.

Friona was never able to get a sustained drive underway. "We were just flat," stated Coach James Anglin.

The team's next outing is tonight at Tulia, in a game beginning at 7 p. m.

CARD OF THANKS

To say thank you seems so little for the many acts of kindness shown us in our hour of sadness over the loss of our loved one, but we know of no other words to use and we are not even able to enumerate the many things done for our comfort, but to each of you who had any part or even breathed a prayer, many thanks and may the Lord bless you.

The Glenn Dunn family Dan Goad and daughter 4-tnc

CARD OF THANKS

We wish to take this opportunity to thank friends and neighbors for your expressions of sympathy following the death of our loved one, Taylor Green. Every flower, card, telephone call, dish of food and other expression of concern will long be remembered. May God bless each of you in our prayer. The Taylor Green family 4-tnc

CARD OF THANKS

Words are inadequate to express the appreciation we feel for all deeds of kindnesses done for us following the recent loss of our son, husband and father.

We are deeply grateful for everything that was done in our behalf by friends and neighbors. Your prayers, calls, visits, words of encouragement and other expressions of concern were a source of strength to us.

The flowers you sent, food you prepared and served and other acts of friendship you extended us have made our loss easier to bear.

May God bless each of you, Mrs. Joe Buchanan Chief, Mike and Lisa Bev and Opal Buchanan 4-tnc

### Local Auxiliary Members Attend Annual Meeting

Parmer County Community Hospital Auxiliary was represented at the annual meeting of the Texas Association of Hospital Auxiliaries, District I, Area II, which was held at the Tascosa Country Club of Amarillo by Mrs. Loyd Shackelford, president, Mrs. G. B. Buske, secretary-treasurer, and Mrs. J. L. Humphrey, reporter.

The meeting began with registration and coffee giving the members of the various auxiliaries over the state an opportunity to exchange ideas. Honorable F. V. Wallace, Mayor of the City of Amarillo welcomed the group to Amarillo, and F. S. Walters, Jr., Administrator of Amarillo Hospital District and past president of Texas Hospital Ass'n. presented future plans for Amarillo's medical center which included, in addition to the normal hospital facilities, plans toward medical training of doctors and nurses, a psychiatric center for in-patient and out-patient care, and large recreation areas near the hospital grounds.

Mrs. H. H. Abernathy, Houston, Texas, State President of T.A.H.A., explained "What a Hospital Auxiliary Means to the Hospital." She said auxiliaries exist to assist the hospital in any way possible and are a liaison between the hospital and the community, and to offer volunteer service and assist in fund raising. Mother Angela Clare, Administrator of St. Anthony's Hospital, Amarillo, gave a talk on "What a Hospital Auxiliary Means to the Hospital Administrator."

Luncheon was served to a group of about 200 auxiliary members, hospital administrators and honored guests. The auxiliary colors were carried out in the center pieces and plate favors of the tables with cheery pink geraniums.

The afternoon session included a film, "The Junior Auxilian in the Hospital" presented by Mrs. Mickey Cope, Director of Volunteers, Flow Memorial Hospital, Denton, Texas. Mrs. B. W. Moore sang the benediction "Eternal Life"; she was accompanied by Mrs. Carol Lunch. A question and answer period followed.

**ATTEND REUNION**  
H. L. (Hank) Outland and A.L. (Jake) Outland attended the annual reunion of the Scottish Rite this week in El Paso.

**ORIGINAL GREEK DOLL . . .** Carol Cooper, center, guest speaker at Modern Study Club Tuesday evening is pictured here holding a doll, which was presented to her during her stay in Greece last summer. Mrs. Charles Allen and Mrs. Aubrey Rhodes, both of Friona, are shown here with Miss Cooper, whose home is in Stillwater, Okla. She is a sophomore student at Oklahoma State University.

### Guest Speaker Presents Illustrated Lecture

Carol June Cooper, sophomore student at Oklahoma State University, Stillwater, Okla. was guest speaker at the Tuesday evening meeting of Modern Study Club at Federated Club House, Miss Cooper is the daughter of Mr. and Mrs. D. J. Cooper, Stillwater.

Theme of the meeting was "Our Teen Ager Wanderin' In Greece." Mrs. J. G. McFarland opened the meeting with a prayer. Mrs. J. L. Witten, solo-

ist, presented three vocal selections, "With A Song In My Heart," "Sure, A Little Bit of Heaven," and "The Olive Tree," which is a Greek folk song.

Miss Cooper, who spent two months last summer in Greece as a representative of "People To People," then presented a lecture illustrated with colored slides and items of interest from Greece, Crete and other European countries.

She was accompanied to the meeting by her mother, who is the sister of Mrs. Aubrey Rhodes of Friona.

Hostesses were Mrs. Dan Ethridge and Mrs. Frank A. Spring. Refreshments were served to 19 guests and 27 club members.

## Black HD Club Meets Thursday

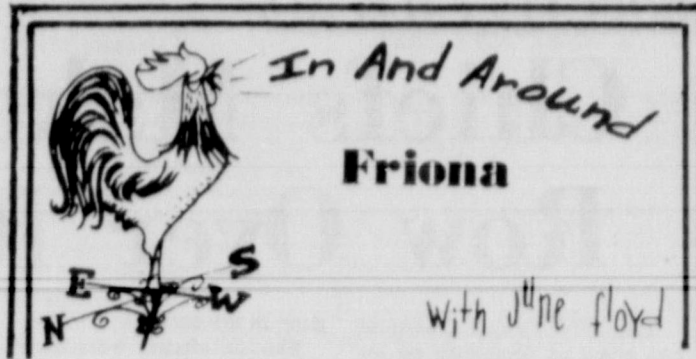

The regular meeting of Black Home Demonstration Club was held in the home of Mrs. J. B. Snead Thursday afternoon. During the business session plans were made for the countywide luncheon to be held November 19.

Mrs. F. W. Barnett directed a program on foreign cooking. She presented each person present recipes for European food

and demonstrated making of Lasagna and German cookies.

Those present were Mesdames John Bengler, J. R. Braxton, Helen Fangman, Beryl Fish, Clyde Hays, T. J. Presley, Gene Welch, Ralph Price, F. W. Barnett, Ellis Tatum and the hostess, Mrs. Snead.

Next meeting of this club will be in the home of Mrs. Travis Stone November 5.

The Canadian Record has been publicizing the beauty of the country in its trade territory and I'm sure that the trees and shrubs along the Canadian River breaks are beautiful at this time of year.

Of course, the Friona draw doesn't have any tall trees, but that doesn't keep Friona from having much fall beauty. If there is a more beautiful tree on the whole Canadian River than the one in the backyard of the Ralph Smith home, I'd certainly like to see it.

I don't know what kind of tree the Smiths have, but it is a beautifully shaped tall tree and has leaves ranging from pale yellow to bright red. If you haven't seen it, drive by and take a look.

Sunday we drove up to Stratford by way of Hereford, Vega, Boys Ranch, Channing and Dalhart. This is a real scenic drive this time of year.

For quite some time I had been wondering what there was at Stratford that attracted so many Frionans to move to Sherman County and the surrounding area, I hadn't been there in a number of years and the town has changed a lot.

It looks like a growing town and there are a lot of new buildings in the business district as well as new residences just about any direction you look.

At Conlen, a small town between Dalhart and Stratford, we saw Clark Carter, a former Friona resident. He and his family moved from here to Dumas a few years ago and then migrated farther north and now live on a farm north of Conlen.

Young Darcy Renner, son of the Cotton Renners, doubts that his daddy keeps up with current expressions. One day recently he was following his daddy around as he did some machinery repair.

The conversation went something like this: "Daddy, do you know what an 'oops' is?"

Of course Cotton had never heard of one and thought perhaps he had misunderstood the question, so asked Darcy to repeat it. By that time the little boy had begun to feel impatient.

"Surely you know what an 'oops' is. That is when you drop something and it spills or

breaks."

Another little boy in Friona asked a question the other day that would surely do for the "Out of the Mouths of Babies" feature. This incident happened at the Jim McLean home.

Pearl generally has several small fry around her house and her collection of amusing incidents would probably provide us with a lot of laughs.

One afternoon recently she had several pre-school agers and there was quite a lot of noise and confusion. One little crawler was busily occupied getting around under her own steam with a pacifier in her mouth.

After awhile she lost her pacifier and sat down in the floor and began to cry about her loss.

After listening to her cry for a few minutes a boy of four or five asked this question: "Pearl, will it be all right if I get her stopper and put it in her mouth and shut out that noise?"

A man never gets so confused in his thinking that he can't see the other fellow's duty.

Guests in the home of Mrs. A. O. Drake last week were Mr. and Mrs. Stuart Hoover of Denver. The Hoovers were on their way to Arizona to spend the winter.

Mr. and Mrs. Ed Berndine of Lowell, Indiana, are visiting in the home of Mrs. Pearl Kinsley.

## Understanding Youth Title Of Club Program

"Understanding Young People" was the topic chosen by Mrs. Cricket Taylor, county home demonstration agent, at

the Monday evening meeting of Rhea Home Demonstration Club in the home of Mrs. Leland Gustin.

The meeting was opened by a poem read by Mrs. Jim Dixon. During the business session, which was presided over by Mrs. Floyd Schueler, Mrs. Cordie Potts presented a council report and assignments for the November Countywide HD Club Luncheon were made to club members.

Those present were Mesdames Floyd Schueler, Herman Schueler, Floyd Schlenker, Clyde Tims, Norbert Schueler, Jim Dixon, Herbert Schueler, Cris Drager, Elmo Dean, Norman Taylor, Shirley Smith and Cordie Potts, members.

Also Mrs. Cricket Taylor, Mrs. C. C. Kessler, Mrs. Larry Moyer and Mrs. Joe Mann, visitors.

Next meeting will be held in the home of Mrs. Norbert Schueler October. An evening meal featuring foreign foods will be served.

Highlight of the Friday afternoon meeting of Friona Home Demonstration Club in the home of Mrs. E. S. White Jr. was a program presented by Mrs. Cricket Taylor. Her topic was "Guidance of School Age and Teen Age Children."

## Fourteen Present For Altar Meeting

St. Ann's and St. Teresa's Altar Society met October 19 with 19 members present. Father Clavor Giblin led the opening prayer.

During the business session plans were made for purchase of another coffee urn for the parish hall. A turkey dinner for November 1 was planned.

Mrs. Edmund Kitten was appointed hostess and will seat the people as they enter. There will be a booth for fancy baked goods and a fishing pond for the children.

A discussion concerning Christian doctrine was presented by Mrs. Kitten. A question and answer session followed her talk. Father Clavor Giblin closed the meeting with prayer.

SNEAD RAMBLES. . . Quarterback Jim Snead is shown going around end for a 15-yard gain in the game against Dimmitt. Coming up to head Snead off is Steve Hutton, Bobcat safety

man. Friona gained 345 yards rushing in the 28-6 win. (Star photo by Darrell Schwab).

**BOBCATS FALL, 28-6**

**Chiefs Make It Two In Row Over Rival Dimmitt**

The 1964 Friona Chieftains can boast of something no local team has been able to claim for the past 30 years. By beating Dimmitt 28-6 last Friday, the Chiefs now hold a two-game winning streak over their old rival.

And, while that may not sound like much of a winning streak, it hasn't happened here since 1934. The last time Friona beat Dimmitt in two consecutive seasons was the fall of 1931 and 1934 (the teams didn't play in 1932 and 1933).

Halfback Milton Hargus sent the Chieftains winging on their way to victory, as he gathered in the opening kickoff at about his own 18-yard line, and rambled down the sidelines, 82 yards for a touchdown.

Doug Dodd's kick made the score 7-0, with just 12 seconds

gone in the game.

The Chieftains were doubtless keyed up, and this may have been the reason for the several 15-yard penalties against the team. Friona was penalized for a personal foul on the kick following its touchdown, giving Dimmitt the ball at their 48-yard line.

Three plays found the Bobcats making a net of just two yards, which would've given Friona possession on the following punt, but the Chiefs were called for roughing the kicker, giving Dimmitt a first down at Friona's 35-yard line.

However, Friona bore down, and took over four plays later on the half-same 35-yard line.

The Chieftains then used a 10-yard run by Dodd and a 15-yarder against the Bobcats to move to Dimmitt's 38-yard line,

but then a clipping penalty halted what might have been a Friona scoring drive.

Dimmitt gained eight yards in three running plays, and was forced to kick. Friona's safetyman allowed the kick to roll back to the Chieftain five-yard line.

Dodd gave the Chiefs breathing room with a 16-yard scamper to the 21, and after Snead gave the team a first down at the 37, another 15-yard penalty shoved the team back to the 22. Dodd once again got the team out of a hole with a timely scoring jaunt. He broke into the secondary and outraced his defenders the 78 yards for a touchdown. His second kick made the score 14-0 with 57 seconds left in the second quarter.

Two penalties against the

Chiefs within six plays robbed halfback Danny Murphree of two nice runs, and one cost him a touchdown. Murphree had apparently intercepted a Bobcat pass and ran 30 yards with it, but officials called Friona for pass interference, giving Dimmitt a first down.

After Friona held the Bobcats on their own 30-yard line, Murphree broke loose and raced 70 yards for an apparent touchdown, but officials called both teams for being offside, and erased the sparkling run.

Dimmitt cranked up its passing attack as the first half drew to a close, and drove to the Friona nine. However, the Chiefs buckled down and took over on their 18 yard line.

Neither team could get a sustained drive underway as the third quarter opened, and the second time the Bobcats got the ball they handed Friona a "gift" of six points. Dimmitt faced a fourth down needing two yards at their own 13-yard line. The Bobcats decided to gamble and went for the yardage rather than kick. A pass try failed and Friona took over on downs.

It took Friona just two plays to score, with Murphree carrying both times. He made up for the "erased" touchdown with his nine-yard scoring jaunt. It was his first touchdown of the year, despite some sparkling runs.

Early in the fourth period, Friona regained possession of the ball at their own 19-yard line. Snead ran 16 yards on the keeper play, Dodd made 20 yards, and reserve Joe Mabry broke loose on a 24-yard gain to set the Chiefs up on Dimmitt's 10-yard line.

From that point, quarterback Snead carried across on two plays, both keepers, for his first TD of the year. Dodd's fourth straight kick made the score 28-0, Friona.

Dimmitt, its pride wounded and facing a second-straight shutout from the rival Chieftains, hooked up on a 78-yard scoring drive late in the game. The drive culminated when quarterback Steve Hutton hit end Dickie Dyer on a 13-yard play. The Bobcats fumbled on the point try, and had to settle for six.

Friona's second team took over at this point, but fumbles kept the team from moving. They fumbled the second offensive try; and after Snead gave them possession again with a pass interception in the last two minutes of play, a fumble gave the ball back to Dimmitt, which threw several passes before the game ended.

The Bobcats, while held to the lowest rushing yardage (73) of any Friona opponent this year, also came up with the highest passing total (131 yards) of any opponent to date, hitting nine of 28 attempts.

MURPHREE SCORES. . . Chieftain halfback Danny Murphree is shown just before scoring his first touchdown of the season last week. Coming up in an effort to stop the fleet Friona halfback are Dimmitt Bobcats Muriel Bussey, Danny Land and Steve Hutton.

**Dodd Scores 10 But Drops To Second**

Even though Doug Dodd scored 10 points against Dimmitt last week, he slipped to second place in the scoring race among class AA players on the High Plains, as Denver City's David Mitchell scored 20 points against Frenship to forge back into the lead.

Mitchell has scored 76 points, seven more than Dodd's 69. The Denver City player has led the scoring parade most of the year, but was overtaken week before last by Dodd.

One point in Dodd's favor in the "race" is that Mitchell has played seven games, while Dodd has played only six.

Milton Hargus, Friona halfback, with touchdowns against Hale Center and Dimmitt, moved into eighth place among the area scorers with 24 points.

"There are two kinds of secrets: those that are not worth keeping, and those that are too good to keep." — John W. Moore, Plains (Tex.) Record.

### Morton Edges Past Seventh Grade, 12-8

Visiting Morton scored two first half touchdowns and held on for a 12-8 win over Friona's seventh grade in a game here last week.

Morton scored touchdowns in each of the first two quarters, to take a 12-0 halftime lead. Friona got on the scoreboard in the third quarter when halfback Rickey Davis ran off-tackle for four yards. Halfback Billy Procter ran the two-point conversion to cut the lead to 12-8, but that was as close as Friona could come.

"Our passing wasn't as good as usual. We didn't complete a single pass. We had a good scoring opportunity in the third quarter which died at the Morton eight yard-line," stated Coach Truitt Read.

He also stated that Friona had the ball on the Morton 15 late in the game, but after two penalties the ball went over to Morton on downs. The Friona coach commended halfback Davis and Danny Kendrick for their play on offense, and Billy Procter and David McFarland on defense.

### Seventh Falls To Muleshoe

Muleshoe's seventh grade team downed the seventh grade Braves, 16-0 in a game at Muleshoe Tuesday night.

Muleshoe scored in the second and fourth quarters, adding two-point conversions in each case.

Friona had a touchdown called

### School Plans Revealed

School will be dismissed at 2:30 Friday, because of the distance to Lockney. In order that the school can take buses necessary to transport students to the game, the early dismissal time was necessary.

The band bus will leave the high school at 4 p.m.

A bonfire pep rally is to be held tonight at Reeve Field at 7 p.m., followed by a snake dance downtown.

back on their last offensive play of the game for clipping. Fullback Danny Kendrick had run 80 yards, but had it erased.

Coach Truitt Read commended the team for a good effort. "We were playing a good team, and have no apologies," he said.

### Saturday "Get Even" Day For Buffaloes

This is "get even" week for the West Texas State Buffaloes. Joe Kerbel's squad, now 2-3 for the season after Saturday's 41-0 belting by Memphis State, can even both its season record and the series record with Trinity University by beating the Tigers this Saturday in Buffalo Bowl.

This will be the fourteenth meeting of the two Texas schools. Trinity holds a 7-6 edge in the series, but West Texas State has won all four games played under Joe Kerbel by scores of 28-0, 29-28, 61-0 and 24-2. Trinity's last win came in 1959, when they edged the Buffs 14-8 at San Antonio. The Tigers, although not as

formidable as the Memphis State Tigers, are not being taken lightly in the Buffalo camp.

"Obert Logan is perhaps the finest halfback we'll face all year," said WTSU scout C. E. "Dirk" Dierking. "Quarterback Les Obie completed 15 of 19 passes against Arkansas State last Saturday and their passing attack netted over 200 yards. They are a much better ball club than their record indicates and they'll beat us if we're not ready."

The Tiger offense has jelled in recent weeks as evidenced by a 275-yard performance against Lamar Tech and the superb passing effort against Arkansas State.

### Homecoming Plans Underway At Lazbuddie

Lazbuddie is planning a barbecue to honor ex-students prior to the Homecoming Game against Turkey October 30, according to Bobby Jones, chairman of the event.

Jones requests that all ex-students send their order for tickets in early, so that the committee will know how many people to plan for. Tickets are \$1.50 per plate. Orders should be addressed to the Lazbuddie Senior Class, Box 96, Lazbuddie.

"If you would like to meet old friends and recall fond memories of your school days, don't miss this barbecue. If you aren't a graduate, come anyway; but buy your tickets early," Jones stated.

### HOST SMU SATURDAY Raiders Seek Record Third SWC Victory

Texas Tech seeks a precedent-setting third Southwest Conference victory in its Dad's Day meeting with Southern Methodist University at 7:30 p.m. Saturday.

Never has a Tech team won three SWC games, although in 1946 the Red Raiders, then Border Conference members, did knock off three SWC teams. Last year and in 1961, Tech won two Southwest Conference contests.

So far the Red Raiders hold conference wins over Texas A&M 16-12 and Texas Christian 25-10 and have been beaten in SWC play by Texas 23-0 and by Baylor 28-10. Tech also owns a 21-7 victory over Mississippi

State to account for its 3-2 season record.

SMU has lost its only SWC start, holding Rice to a mere 7-6 win last week. Also, Hayden Fry's Mustangs have lost to Florida and Ohio State besides winning from Arlington State in accounting for a 1-3 mark.

Crippled in early-season games, the Mustangs showed against the Owls, themselves pre-schedule favorites to upset Texas, that they have shaken off the effects of their injuries.

Texas Tech will induct two more members into the Athletic Hall of Honor—Charles Woodriddle and George Langford—in ceremonies Saturday and will recognize the pair at the game.

## Castor Oil Plant To Be Built At Plainview

The Baker Castor Oil Company, Bayonne, New Jersey, has announced plans for the construction of a new processing plant in the Plainview area. This will include facilities for crushing, refining and extracting, laboratories, office buildings, etc., to be operated by its subsidiary, The Baker Castor Oil Company of Texas.

The Texas High Plains annually produces 80 per cent of the castor beans grown in the nation. The crop has become increasingly popular the past several years, and the new plant will doubtless accelerate its popularity.

The Baker company was established in 1857 and its nation-

al headquarters, research and development laboratories, and executive offices are located in Bayonne, N. J. Manufacturing plants are in Bayonne and Los Angeles, and a far-flung system of sales offices and warehouses are maintained in principal cities around the country.

Baker is the world's oldest and largest processor of castor oil and produces some 200 chemical derivatives of castor oil which are used in a wide variety of industrial applications.

Castor oil is classified as a strategic war material by the Defense Department and it has long been the aim of this country to eliminate its dependence on foreign sources for an adequate supply of this material. In addition, the importance of encouraging the expansion of the

United States has been recognized by the President's Commission on Increased Industrial Uses of Agricultural Products.

In the Commission Report to the Congress dated April 17, 1957, special emphasis was placed on increasing the planting of certain crops, including castor beans, for the purpose of reducing the production of additional agricultural crop surpluses.

From the standpoint of military importance, castor oil and its derivatives are specified for use in such items as submarine sonar devices, electronic components of missiles, recoil mechanisms, hydraulic mechanisms, shock absorbers, camouflage paint, gasoline resistant hoses, greases, disinfectants, etc.

### FERTILIZER SHORT COURSE PLANNED

Basic information on soil fertility and fertilizers will be given in a series of three intensive night meetings scheduled for November. We invite all Fertilizer Dealers, Agency Personnel and County Program Building Committee members to make plans to attend by registering through the County Agents' office in Farwell.

Sponsored by the Texas Agricultural Extension Service, this series of meetings is to include presentations by outstanding authorities in both the Fertilizer Industry and Education. Subjects to be treated include nitrogen, phosphorus, potassium, soil testing, management, tissue testing and micro-nutrients.

The meeting place nearest to Parmer County is Dimmitt in the High School Cafeteria on Monday, November 9, 16 and 30.

Each County Agent in the

Area has registration blanks. A charge of \$5 will be made for registration and the deadline for registering is November 3. The \$5 fee includes cost of dinner the last meeting and a notebook. All persons in Parmer County wanting to attend should register through the office in Farwell.

**4-H NEWS**  
Two Lazbuddie 4-H members, Theresa and Ricky Seaton, are exhibiting six barrows this week at the State Fair in Dallas. They were accompanied by Jimmie Seaton, one of the Lazbuddie 4-H swine leaders and Scottie Windholm, Lazbuddie Voc-Agriculture Teacher.

We need to make a correction on the Lazbuddie 4-H Advisory group. We made an error in the group a couple of weeks ago. The adults elected were: Chairman, Freeman Davis; Vice-Chairman, Mrs. Ralph Broyles; Secretary, Mrs. Max Steinbock; and directors, Ever-

ett McBroom and Mrs. Max Bush.

We have been working the past few weeks with the following livestock leaders to see that Parmer County 4-H members have the calves, hogs and sheep they want to feed as projects for the Livestock Shows this winter: Bovina, Travis Dyer, Durward Bell and Joe Pinner; Farwell, Pike Jordan and Bert Williams.

At Friona, Gary Brown, Dwain Menefee, J. W. Hawkins, William Nunn, Billy Sides, Phil Phipps and Charles Rector; Lazbuddie, Wayne Clark, Jimmie Seaton, Wayne Hardage, Max Steinbock, Dud Winders and Demp Foster.

If a 4-H member wants some help with his livestock for a show project, contact one of the above leaders. If any leaders need help in any way please give me a call.

The Bovina adult advisory group met last week and Mrs. Earl Hise was selected as the organization leader for the Bovina 4-H Club.

### BEEF CATTLE

We had a real interesting program on Beef Cattle in Bovina last week with Dr. Dixon Hubbard, Area Livestock Specialist as the speaker.

Dixon pointed out the value of keeping records in beefherds and knowing how many pounds of beef every cow produces each year. A high producing cow can wean enough additional calf weight to add up to four more extra calves in her lifetime when compared to a low producing cow.

Cowmen need records to identify these top individuals so these good heifers can be kept for replacements. Then use bulls that have proven their ability to gain fast and have a high weight per day of age. These are things that cowmen need to do in order to increase profits. Their revenue is from pounds of beef sold.

The market demand must be considered and many times here, the good cattle in this area move north-eastward as this is where the demand is.

I believe it will always pay in this area to produce high quality cattle.

Many times we have a market demand here for light weight, thin calves. However, the local producer cannot afford to produce this kind of calf for the price the light weights bring.

We have the natural resources to produce high quality cattle and there-by market the feed that goes in this beef machine at a higher price. There is a demand for this type beef and the success of a good cowman is finding the best market possible for the product he is producing.

**LIVESTOCK SHORTCOURSE**  
There will be a series of four night meetings in Canyon, November 9-12 with different specialists presenting a program each night. The items to be covered include: Animal Health, Range Management and brush control, Feeding the cow and calf, and Commercial cattle feeding.

A 136-pound opal found in Australia is the largest known.

### Farmers Union Schedules Meet

New officers will be elected and four delegates to state convention will be named at regular annual meeting of Parmer County Farmers Union meeting Thursday night, October 29.

The meeting will be in Hub Community Building and will begin at 7:30.

Resolutions to be submitted to the state association will be drawn up.

Every Farmers Union member is urged to attend the meeting and all farmers are welcome, announces Sam Bradley of Lazbuddie, secretary-treasurer.

All farmers present may assist in drafting resolutions at the meeting.

Officers other than Bradley are Leon Smith, Jr., president, and Travis Dyer, vice president.

The Woman motorist was trying to navigate a traffic jam. She rammed the car in front of her, then tried to back and knocked down a pedestrian. Then she tried to move over to the curb and ran into a hydrant.

A policeman came up. "Okay, lady, let's see your license." "Don't be silly," she groaned; "who'd give me a license?"

### Cotton Harvest On Increase On Plains

Cotton harvesting continued to increase on the South Plains during the past week, according to W. K. Palmer, in charge of the Lubbock Cotton Clipping Office of the USDA.

The total number of samples clipped during the week ending Wednesday, October 14th at the Lubbock, Brownfield and La-

### Whitefield Is Prize Winner

Otho Whitefield of the Lakeview community near Friona returned this week from the State Fair of Texas, where he exhibited and won prizes in the Columbia Sheep Show at the fair.

The Friona exhibitor won the first place ribbon in the pen of three yearling ewes division.

He also exhibited the second and sixth place ram, the second place pen of three rams, the fourth place yearling ram, the third and fourth place ewe lamb, second place pen of three ewes, third and fourth place yearling ewes and second place "exhibitor's flock."

mesa Offices amounted to 14,200. This brings the season total to 24,850, compared to 39,200 as of the same date last year. Daily sample receipts at the three offices are now running about 4,250 samples. Receipts are expected to increase this week as some farmers begin stripping operations.

Trading in the new crop cotton on the Lubbock market has been rather slow due to the small volume of cotton harvested. Prices quoted range from about loan levels to 45 points above the CCC loan rates for White grades, and 25 to 100 points over the loan for Light Spotted grades.

Quotations for some of the predominant grades and staples are: Middling 15/16, 28.75; Middling 31/32, 29.35; SLM 15/16, 27.65; SLM 31/32, 28.10; 27.85, and Middling Light Spotted 31/32, 28.30.

Prices paid farmers for cottonseed continue to average \$45 per ton.

Straight-A Honor Roll Lists Fifteen Students

Dear Mr. Ellis: The double-page boll weevil spread you engineered for the September 24 issue of The Friona Star was a valuable contribution to a program vital to the High Plains, and we are happy to have been a part of it...

A total of 15 students were on the straight-A honor roll announced this week for the first six weeks of school by Friona High School. Included on the straight-A list were two seniors, one junior, seven sophomores and five freshmen.

The 4-H members in Lazbuddie Club took their share of prizes and honors in the Fair that was held there Monday, I was unable to learn how many 4-H members had exhibits but I did see Dale Blackstone with 5 blue ribbons and two red ribbons, Charlotte Davis, Judy Koelzer, Ann and Katie Blackstone and Delayne Steinbock had exhibits in the Fair, with blue ribbons showing too.

mediately remove the tag and label it -- Mother's green shirt, Barbara's blue blouse, etc. Then be sure to save the tag. If you have a bulletin board near the washing machine, hang it there. Or, you might use a card file for garment tags. Put in dividers with the name of each member of the family. Slip the tag from Barbara's blue blouse behind the card with her name. And you'll have no trouble finding it quickly on wash day.

The Editor The Friona Star

Dear Editor:

I am sure there were many people who were puzzled when they read the newspaper reports on the FBI's investigation to determine if there was any particular subversive organizational inspiration behind the riots in several American cities.

'The Communist Party, USA does not appear to have officially inspired the riots,' said the newspaper reports I read. However, I have now found that the report went on to say, 'It's (Comm. Party) members were observed taking part in some and its former members are leaders of PLM (Progressive Labor Movement) and the Labor Vanguard and other such groups.'

I will quote more of the report, which I have never seen in any of the regular newspaper reports. 'For example, two individuals with histories of Communist affiliation were instigators and leaders of the riots in at least two of the cities in New Jersey... In another city, one agitator with a radical background was found 11 separate times haranguing crowds in a riot area, shouting falsehoods about abuse of the people in the neighborhood and inciting further and more violent riot action.'

'A Negro who formerly was organizer of the Harlem region of the Communist Party, USA, achieved widespread publicity earlier this year through leadership of rent strikes. Three days after the shooting of July 16, this individual issued a public call for a hundred skilled black revolutionaries who are

Edgar Hoover and the FBI had not completely reversed themselves in this report, but had actually reaffirmed the fact that subversives, and not ordinary Americans incited the riots therein referred to.

Sincerely, Raymond Euler

Ten 4-H leaders attended the training meeting on use of Guides 1 and 2 in Foods. This will enable them to start working with 4-H food groups now. It will take eleven lessons to complete these units and if work is begun now, 4-H groups will be ready for the Favorite Food Show about the 1st week in March.

Home Demonstration Club members are looking forward to Rural Homemaker Days, October 22, in Amarillo, as guest of the Chamber of Commerce, Womens Committee. Two members from each club are invited to attend a luncheon at the Country Club with an interesting program planned for their enjoyment.

SAVE THAT TAG.

On wash day, do you play a 'guess the fabric' game -- because you've lost the tag that came with the garment, the one that tells what material it's made of and how to care for it?

Here are several suggestions to end such confusion and avoid costly laundering errors. Whenever you buy a new garment, it is suggested you im-

mediately remove the tag and label it -- Mother's green shirt, Barbara's blue blouse, etc. Then be sure to save the tag. If you have a bulletin board near the washing machine, hang it there. Or, you might use a card file for garment tags. Put in dividers with the name of each member of the family. Slip the tag from Barbara's blue blouse behind the card with her name. And you'll have no trouble finding it quickly on wash day.

4-H PROJECT WORK STARTS IN COUNTY

A training meeting for 4-H leaders who are working with 4-H members in Food Projects, was held October 13 and 14, by the Home Demonstration Agent, Cricket B. Taylor.

Leaders are required to attend training meetings on the use of the written guides before starting work with 4-H groups, Mrs. Taylor said. After the training meeting leaders selected the groups that they will be working with, which is not more than six per leader.

Some members signed up for food projects will be unable to participate as no other training meetings will be held for leaders this year.

Plans will be announced later for training meetings for other project leaders, she said.

'Prosperity is something you feel, fold, and send to Washington.'

Ralph T. Moore writes in the Oregon Voter: 'Perhaps most of our industrial strife stems from the strange notion that profits are automatic and that the big thing is to put in the working hours rather than pay attention to what is actually produced. One often runs into this attitude when hiring the young people, especially. Our schools are apparently falling down when it comes to the inculcation of proper work attitudes. And in indifference to the same thing in the homes is adding to our disciplinary troubles.'

Frionans Included In Wayland 'Heirs' Fete

Proud Heirs of a family tradition were honored at an annual dinner at Wayland Baptist College Thursday, Oct. 15. On the invitation list were 102 students who have followed in the footsteps of members of their immediate family when they chose to attend this 56-year-old institution.

Among those on the guest list were Miss Cheryl Lyn Neill, daughter of Mr. and Mrs. Kenneth W. Neill, Friona, and Thomas Sanders, son of Mr. and Mrs. John D. Sanders, Friona. Miss Neill was preceded at Wayland by her mother and father and Sanders by a brother, Ted, now of Mountain Home, Idaho.

Several students are third generation Waylanders. Included in this group are sisters Mary Vernon Jackson McGinnis and Linda Lee Jackson, Lubbock, and Martha and Ruth Harmonson, Federal Way, Wash. Of particular note in the third generation group is Judy McKinzie, sophomore from Plainview, whose mother, Mrs. Ruth Blythe McKinzie, is also attending Wayland. They were preceded by Miss McKinzie's grandmother, Mrs. McKinzie's mother, Mrs. Ann Blythe.

Eleven students who have three or more former Wayland students in their family are: Carroll Cowan, Plainview; Jerry Dawson, Muleshoe; Mary Hellen King, Wellman; Alyce McClain, Wildorado; Alvin Gary, Cloudcroft, N. M.; Jeanine DeWese, Plainview; Mike Hutcherson, Plainview; Miss McKinzie; Mrs. McGinnis; Miss Jackson; Paul Shepherd, Bloomfield, Colo.; and Mrs. Sue Tullis Thompson, Plainview.

Following tradition in coming to the college are students from Colorado, Idaho, Missouri, New Mexico, North Carolina, Oklahoma, Tennessee, Texas, Utah and Washington. Students from Nigeria and Venezuela are also members of the special group. Seventeen students have been preceded at Wayland by both their parents.
