LISTEN TO LUKE

By Albert---

There has been so much happening recently that resulted in keeping secrets from people, even though that may not have been the intent.

But we don't question but what that was the intent!

Since the investigation of all the suspicions on a national basis, there has come to light a term: "need to know". The term is a good one and under certain circumstances, particularly the military, or some law enforcement activities, and administrative decisions of most all groups, is a good practice that is deemed by most any rational person as justified.

But sometimes "need to know" results from "desire to know"!

At least that's the way we look at it!

When a person feels that the electorate gave him supreme powers that goes beyond the mere interest and inquisitive nature expressed by asking for an explanation, then usually some person has been misled in his thinking.

There is no elective office that belongs to the elected, and everything connected with the office does not belong to the elected!

For example, the president's favorite toy - the recording devices in the White House and the tapes recorded - that he has been using to play with justice, to play with the feelings of people, to toy with the passions of the electorate, and actually holding up as a lure to tantalize the efforts at plain old basic "fairness" by so many people who are trying to keep some stability to our nation's movement.

The recording devices, the unused tapes, the used tapes, and any other part of that system, do not belong to the person of the president; they belong to the office of the presidency. This places some restrictions on their use and gives also some liberality to their use.

For them to be used for personal gain, for personal use

Miss Peggy Louwien is pictured above receiving her crown as "Miss SHS" from Miss Emma Silvas, the reigning "Miss SHS", who is now attending an Odessa business school. Miss Louwien received a crown to wear a year, a bouquet of red roses, and the title ribbon. Shown in the picture is Thomas Corbett, student council president, and Randy Louwien, who escorted his sister.

Miss Louwien was recognized before the game as having

been selected "Football Sweetheart" by the members of the Eagle squad. She received a bouquet of red carnations from co-captain Jimmy Davis after being escorted onto the field by co-captains Bill Mott and Robert Kline.

Miss Louwien is a senior in Sanderson High School, one of the cheer leaders, basketball player, and is the daughter of Mrs. Eddie Louwien, and the late H.B. Louwien.

COMMUNITY SERVICE AT THANKSGIVING

The Sanderson Ministerial Alliance has set the date of November 18 for the community Thanksgiving service.

The service will be at the Presbyterian Church at 7:00 p.m. this year.

Complete results of the election Tuesday on nine proposed constitutional amendments are printed on the back page of The Times. The figures are unofficial, and tally counts will be canvassed by the commissioners at their meeting Monday.

Eagles Rally For Iraan Win 21-13

The Sanderson Eagles rallied from a 13-0 half-time deficit to come out on the top side of a 21-13 score here Friday night to thrill homecoming Sanderson fans.

Iraan scored in the first period on a 20-yard run by Rudy Galindo and Billy Smart converted the point-after with a kick. Wayne Cummins went over the goal line from the 3-yard line for the second Brave score and the extra point try kick was no good.

Sanderson had difficulty putting a drive together during the first half, but had one kind of threat early in the first period that failed to materialize.

Early in the third quarter Kevin Phillips took a hand-off from Robert Kline and ran 58 yards for a score. Bill Mott added a point with a kick.

A picture-book pass play in the fourth frame which was good for 60 yards and another touchdown put the Eagles up with the Braves and Mott's good point-after kick made the scoreboard read 14-13 in favor of the Eagles. The pass was initiated when Kline lateralled to Mott who threw to Ricky Marquez who went the rest of the way in front of pursuers.

Marquez saved a touchdown by the Braves when he grabbed the football-carrying-arm of Cummins right at the goal line and caused him to fumble the ball which was recovered by Sanderson.

Sanderson had a touchdown threat called back due to an infraction of rules earlier in the game. The long carry was to inside the 5-yard line.

Sanderson put the icing on the cake with another touchdown drive that was successful when Mott ran over from the 4-yard line. A penalty in the try for the extra point put the ball back 5 yards and the ensuing kick was good to give the total of 21 points to the Eagles.

The deep kick-offs and punts helped the Eagle cause,

Regional Agency Is Granted SP

The Texas Railroad Commission has granted the Southern Pacific Transportation Co. authority to establish its first regional agency service center in Texas, notice having reached places involved on Friday.

The order allows Southern Pacific to discontinue its designated agency stations at Marathon, Sanderson, Del Rio, Uvalde, Hondo, Seguin, Luling, Flatonia, Schulenberg, Gonzales, and Kennedy.

Functions presently handled by agents at these stations will be transferred to the new regional agency service center in San Antonio.

Agent positions at all of the stations besides Kennedy will be changed to clerk positions. The agent position and depot at Kennedy will be eliminated, according to information received.

The clerk positions at Luling, Seguin, Schulenburg, Hondo, Uvalde, and Marathon will be eliminated upon completion of the Centralized Traffic Control system currently being installed between Flatonia and Sierra Blanca. Until the CTC is completed, these personnel are needed to assist in the issuance of train orders in the movement of traffic, but upon completion these services will no longer be required.

The depot buildings will be allowed to remain standing at Uvalde, Flatonia, Gonzales, Del Rio, and Sanderson.

According to the procedure to be established, patrons of the railroad in Del Rio will call over a WATTS telephone number to be provided to the Regional Service Center

or benefit would be like the Texas Highway Patrolmen filling up their personal vehicles with gasoline out of the tanks of fuel supplied by the state for use in their vehicles.

Or to use the tapes, or not to use them in an effort to influence someone is like a similar use of the state's gasoline.

Or anything else that belongs to the taxpayers!

What some people do not understand is the trust that is laid on the shoulders of the elected official -- and the misunderstanding often is that there was some kind of a present laid in their laps!

There is no activity, no device, no equipment, no decision connected with the elected that is beyond the reach of the electorate. And there should not be!

If there is one thing that has come out of our national mess that is good, it is that "the right to know" is the "need to know"!

And that's the way we look at it!

If anyone has different ideas and wants us to let our readers know them, put them on paper and sign your name. We'll spread the word!

Everyone in town should be elated - yea, even glad - to know that the number of people enrolled in the adult education courses has increased to 57. This kind of effort at self-improvement is so commendable, in our humble opinion, that every effort should be made to encourage these people to stay with the courses while they are available and the curriculum to be increased, if there is any way to do so!

We have said before and we hope to be able to say again: The amount of time and energy and money spent to enable any student to approach a greater potential is the greatest single achievement of any educational institution.

That's the way we look at it!

and defensive work of the middle line and line-backers, particularly during the second half, helped to contain the Brave offense.

The Braves had four fumbles lost which attested to the alertness of the Eagle defense, and also added to the problems of the Braves. Sanderson gave up the ball four times on punts, and Iraan punted three times.

The Eagles will play in Balmorehea this week in what could be their toughest district game of the season. The Bears have not lost a district game this season.

Malcom Bolinger, Former Resident, In Dual Murder

Malcom Bolinger of Odessa, a former resident of Sanderson, was one of two victims of a double-murder in that city Thursday night of last week.

The other victim was the ex-husband of Bolinger's wife who had come to the Bolinger residence to discuss property settlement, according to reports. The visit Thursday night was the result of an agreement at a meeting the cos Sunday afternoon.

Mrs. Bolinger was not present at the time of the shooting, but rushed to the front porch when she heard the shots and found Bolinger and her ex-husband both lying in a pool of blood. Bolinger was shot in the chest with a .380 calibre pistol and the other man was shot in the head with a .30-.30-calibre rifle. Bolinger died before the arrival of the ambulance, according to accounts of the shooting and deaths.

Bolinger, who was a Texas Highway Patrolman, transferred from Alpine to Sanderson. He left Sanderson on a transfer to Odessa, later going to El Paso, and then Pecos. His employment with the Department of Public Safety had terminated several months ago. His widow, a son, David Bolinger, and a daughter, Brenda Bolinger, all of Odessa, survive; and his parents of Pecos, and two brothers.

Funeral services were in Pecos Sunday.

Mr. and Mrs. Dalton Hogg, W.G. Shoemaker, and W.V. Munson attended the funeral services.

Mr. and Mrs. Herbert Brown were at the TSEGRA meeting last week in Kerrville.

The candidates for "Miss SHS" were introduced Friday night at the football game half-time. They included, left to right above, Misses Sandra Villarreal, Peggy Louwien, Janice Carter, and Delma Montalvo. The winner

was named by popular vote of the student body.

The girls, when introduced, were escorted onto the field by Luis Villarreal, Randy Louwien, G.H. Carter, and O. R. Montalvo.

Friday night was homecoming for Sanderson High School.

Clean-Up Week Set For Nov. 12-17

Clean-up week in Sanderson is scheduled for the coming week, November 12-17.

The Culture Club, sponsor of the clean-up campaign, is not concentrating on any one project this year, but members are asking all citizens of the town to clean up their own property.

Businesses and organizations are urged to get behind the campaign and work on a project to help clean up the town and to improve the outside appearance of their business houses.

Students in the elementary school are again making posters to place in business houses. The posters are to inform the town's citizens of the importance of the project. Ribbons will be awarded to the first three-place winners in each room at the school.

Mrs. C.B. Card is chairman of the "clean up Sanderson" project.

Mrs. W.H. Goldwire had surgery on her foot in Odessa last week and is recovering satisfactorily.

CROP Canvass To Be Sunday

The CROP canvass for Sanderson will be next Sunday, November 11. Persons interested in taking part in the canvass are asked to meet at the First Presbyterian Church at 2:00 o'clock Sunday afternoon for block assignment and instructions.

Everyone in the community is asked to repond with a contribution when approached by the CROP volunteers. Check contributions should be made payable to "CROP". Contributors may designate their gift to be channeled to the African relief through either Church World Service or Catholic Overseas Relief.

Anyone missed by a CROP volunteer may make their contribution Monday to Mrs. L.H. Gilbreath at The Times.

Competitors For New Grid Year Are Revealed

Sanderson will be in the same football district next year with Imperial, Grandfalls, Anthony, and Del City, the latter two being in the El Paso area. This information was given by Coach Willie Myers Friday night at the football game. Sanderson has games scheduled with Balmorhea, Brackettville, Nueces Canyon, Iraan, Rankin, Wink, and the district opponents, and the order of play and dates and places to be decided later, according to Coach Myers.

There is a possibility that the basketball district will be different from the football district, according to Coach Myers, and it is expected that such will be the case.

The decisions of this type will be decided by University Interscholastic League officials, Coach Myers stated.

Birthday Party For Visitor Here

On Sunday, October 28, Mrs. Salvador Garza Sr. and her daughter, Miss Lupe Garza, entertained their grandson and nephew, David Michael Garza, at St. James Hall with a party on his first birthday. The Hallowe'en motif was noted in the decorations in the hall. Witches, pumpkins, and balloons decorated the walls and windows. The birthday cake, iced in orange and green, and decorated in pumpkins, had one candle in the middle and it formed the centerpiece on the table covered in a Hallowe'en cloth. The breaking of a mouse and games of bingo provided entertainment. Prizes were given for the best Hallowe'en costumes. Further entertainment was provided by Miss Lupe Garza dressed as a witch, and Miss Yolanda Escamilla as a gypsy. The refreshments consisted of sandwiches, potato chips, cookies, and punch. Assisting in serving were Misses Yolanda Escamilla, Lovina and Memi Escamilla, and Santa Ochoa. David Michael is the son of Mr. and Mrs. Ciro Garza of Andrews who were visiting here. Mrs. Garza is the former Gloria Gutierrez.

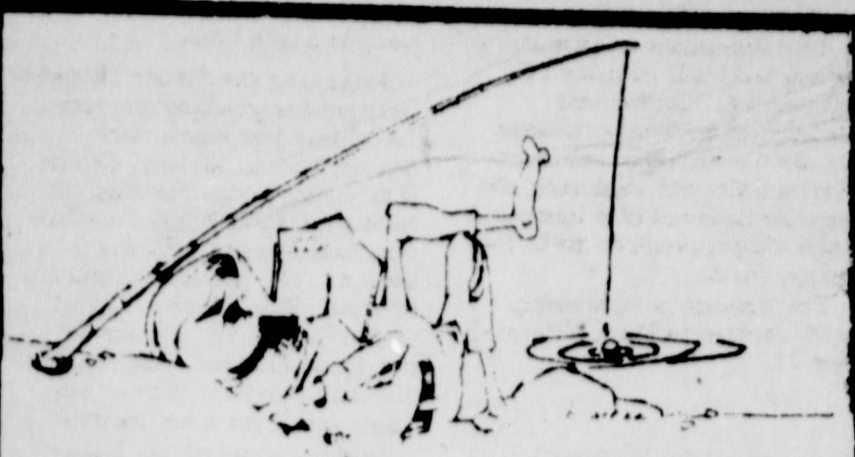

W.M.U. Plans Mission Study

Mrs. H.H. Pipes presided at the business meeting of the Baptist W.M.U. which was in the church Tuesday morning. After Mrs. A.N. Farley had read the Call to Prayer, Acts 4:1-12, she read the missionaries' birthdays also. A mission study was planned for November 27 and the observance of the annual Lottie Moon Week of Prayer December 7-9. Plans for some project for Thanksgiving and Christmas were discussed, but no decision was reached. Prayer by Mrs. Pipes closed the meeting. Also present were Mmes. Paul Tatum, R.F. Kuethe, O. D. Gray, G.H. Carter, A.D. Brown, and H.G. Cates.

Thursday Bridge Club

Mrs. Mark Duncan invited several guests to join the members of the Thursday Bridge Club for a party in her home last week. Arrangements of chrysanthemums from Mrs. W.D. O'Bryant's garden decorated the party rooms. On the menu for the luncheon, served at 1:00 o'clock, she had chicken supreme, broccoli with Hollandaise sauce, sliced tomatoes, relishes, crescent rolls, coconut cake, iced tea, and coffee. High score prize in the card games went to Mrs. O'Bryant, second high to Mrs. Worth Odum, who shared slam with Mrs. Tol Murrach, and Mrs. S. H. Underwood was low. Also present were Mmes. W. H. Goldwire, Weldon Cox, T. W. McKenzie, C.H. Stavley, Ben Martin, W. A. Banner, James Caroline, and Jim Kerr.

AIC Oscar Galvan took his mother, Mrs. Paul Galvan, to Del Rio Thursday for medical attention. Mr. and Mrs. W.D. O'Bryant left Friday for Ozona to spend the night with their son, William Doyle O'Bryant, and family and then going on to San Angelo before going to their farm at Brownwood to spend their vacation. Mr. and Mrs. Marion Batson of Burnet, former residents, will join them at the farm.

Book Review Highlights Meeting Of Ranch Club

Mrs. W.E. Mangum gave the "thought for the day" after Mrs. H.E. Gatlin had opened the meeting of the Ranch Home Demonstration Club Tuesday in the Legion Hall. Members answered roll call by telling of "a hand-made gift that I remember". A bake sale was planned for Friday, November 16. Plans were also finalized for the Christmas party on December 4 at the Bob Allen ranch with Mrs. Jack Hardgrave as co-hostess.

Mrs. Gatlin named committee chairmen for 1974, including: Mrs. E.H. Jessup as installing officer for the December meeting; Mrs. Jessup as Pecos County Council delegate; Miss Eva Billings, reporter; Mmes. Hardgrave, James Clark, and E.E. Harkins, "show and tell". Suggestions were made for the 1974 yearbook.

Mrs. L.H. Gilbreath gave the invocation for the luncheon served at noon. The hostesses, Mmes. Gatlin, E.F. Pierson, and T.W. McKenzie, provided barbecued goat meat, tossed salad, lemon pie, coffee, tea, and cake, and members brought covered dishes.

The harvest and Thanksgiving theme was noted in the decorations. Fruit, painted gourds, and vegetables were arranged around a large turkey and cornucopia on the table and the plates and napkins carried out the chosen theme. Arrangements of chrysanthemums in autumn colors were on the mantle and on the speaker's table was a small arrangement of marigolds and a bowl of fruit. Pictures were made by Mrs. T.W. McKenzie.

After lunch, Mrs. Gatlin delighted her audience with a review of the book "Race With the Wind", an autobiography of Harold Krents. Other guests attending the meeting were Mrs. A.D. Brown, Mr. and Mrs. J.W. Carruthers Jr., and Mrs. E.H. Jessup; other members were

Mmes. H.E. Ezelle, Mark Duncan, T.H. Eastman, Greene Cooke, W.H. Poitevint, L.E. Muller, E.E. Harkins Jr., and Jack Hardgrave.

BIRTHDAY PARTY HONORS TWO LOCAL RESIDENTS

Mrs. Eutimio Rodriguez, Mrs. Alex Romo, and Mrs. Tony Calzada honored Yolanda Rodriguez and Tony Calzada Jr. on their 17th birthday with a party at the V.F.W. Hall Sunday night. Cake, cookies, potato chips, and sandwiches were served with the punch to the 50 guests attending.

Licenses Available For Trapping and Shooting Preserves

Bear with the Parks and Wildlife Department for this year, trappers and landowners, it'll be better next year, according to a news release sent out by that department.

Some complaints have been received by landowners who lease their property to hunters and by trappers because trapping and shooting preserve licenses are unavailable this year from license sales deputies.

Both licenses must be purchased from Parks and Wildlife Department offices across the state.

According to department officials, this year's inconvenience will result in a more efficient system of distributing these licenses in years to come.

"We are asking trappers and landowners to buy their licenses at department offices this year," said one official, "so we can obtain names and addresses of permit holders and send out renewal notices next year."

Renewal notices mailed annually from the department in the future will cut down the number of different licenses which must be printed by the agency and handled by the license sales deputies.

Managers of shooting preserves and every landowner who leases to hunters must have the \$25 shooting preserve license.

A \$5 trapping fee is required to trap fur-bearing animals.

Pelts may be taken at any time of the year if they are not to be sold.

Open season for taking muskrat pelts for sale is Nov. 15, 1973 to Jan. 15, 1974.

Muskkrat may be trapped for sale Nov. 15, 1973 - March 15, 1974.

All other fur-bearers trapped for sale may be taken Dec. 1, 1973 - Jan. 31, 1974.

Jobs Available In Two Age Groups

The Manpower Division of the Permian Basin Regional Planning Commission is presently soliciting applications for their Mainstream and Out-of-School employment programs. Slots are currently available in both of these programs throughout most of the counties of Region 9.

The Out-of-School program seeks to employ and train high drop outs who are 16 and 17 years of age, while Mainstream encompasses those unemployed persons 55 years old and over. Those persons who need job training and are seeking employment should come by or write the Permian Basin Regional Planning Commission offices, P.O. Box 6391, Terminal Office Building, Midland, Texas 79701, or call collect 563-1061 for further information. Applicants need not have a skill to apply. Employees in the Mainstream Program will be paid \$1.60 per hour and will work a 40-hour week, and those in the Out-of-School program will work 32 hours a week for \$1.60 per hour. All workers are employed by non-profit organizations. Medical assistance and transportation to and from work are available for those needing such services.

"Drive carefully. You can never tell when life might be worth living again."—Lee R. Call, Star Valley (Wyo.) Independent.

H.C. Monroe of Iraan visited here Friday with his mother, Mrs. M.G. Northcut.

Miss Rhonda Louwien of Midland was a weekend visitor here with her mother, Mrs. H.B. Louwien, Randy, and Peggy.

Mr. and Mrs. Graham Childress and children and his parents, Mr. and Mrs. Hugh Childress of Ozona went to the Texas Tech-Rich game in Lubbock last weekend.

NHS Induction For 10 Students

Ten probationary members of the National Honor Society of Sanderson High School were inducted into the organization at a special ceremony in the high school auditorium last Tuesday morning. They were Elaine Brown, Ja Chriesman, Debra Druse, Virginia Falcon, Linda Hagelgans, Janet Harrell, Danny Montalvo, Hanna Sullivan, Sandra Villareal, and Vonda Wallace.

New probationary members from the sophomore class are Paul Hinkle, Bobby Hunn, Joanna James, Debbie Tulk, and Bryanann Stavley, and they were introduced.

The three senior members assisting in the induction ceremony were Jake Murrah, president, who welcomed the guests and led the audience in reciting the Pledge of Allegiance to the Flag. Tommy Corbett carried the flag in and stated what it meant to NHS members. Wynn Massey and Tommy presented two of the attributes of the NHS: "leadership" and "character". Mrs. W.O. O'Rourke depicted "scholarship", and Larry De Vasto, "service". In giving a history of the National Honor Society, Mrs. John L. Whistler brought out the fact that the first local chapter was organized in 1952 by Mrs. E. E. Farley, who has remained as sponsor, and there have been 139 members since that time. The closing prayer was by Principal Jim Payne.

Parents of the NHS members and members of the Junior National Honor Society were among the guests attending the service. A reception was held in the faculty lounge after the induction, with cookies, punch, and coffee served for refreshments.

Mrs. E.E. Farley visited in Del Rio Saturday with her sister-in-law, Mrs. C.A. Brotherton, and other relatives.

Dudley Harrison Buys Parsonage

With the sale of the parsonage on Wilson, belonging to El Buen Pastor United Methodist Church, last week to Dudley Harrison, the funds were applied to the indebtedness of the church building and the debt liquidated, according to an announcement made this week. Dedication services will be planned for a later date.

On April 15, 1968, work was begun on a new church building to replace the structure that had been in use for many years. In fact, a historical medallion was placed on the building many years ago. Under the leadership of Rev. Moises Janez, pastor, plans were begun and consummated for a new church building, with the consecration service held on November 10, 1968.

While Rev. Noe Montez, now of Houston, was pastor, the house belonging to Dr.

and Mrs. Gene Richardson was bought and turned over to the congregation for a parsonage to be used instead of the old one next to the church. The house has been rented with subsequent pastors and their families preferring to live in the old parsonage.

The church membership is indebted to many people of the community for their contributions of cash, materials, and labor which made possible the modern church building and grounds in use for the past five years.

Rev. Amado Elias is now pastor and he and his wife have resided here for the past four years.

Mr. and Mrs. W.M. Dyal of New Braunfels are visiting Mr. and Mrs. S.C. Harrell.
