FRIENDLY RIVALS. . . Two persons who were quick to cast their ballots Tuesday in Friona were Mrs. O. F. (Rose) Lange, long-time Republican supporter, and Jake Lamb, Friona's "Mr. Democrat." The two crossed their ballots,

which probably an indication of how they stacked up. Judging by Jake's smile, he must have had an insight of how the election would go.

AT OLTON

Chiefs, Olton Tangle In Vital Game Friday

The 1964 football season begins a two-part climax tomorrow night for the Friona Chiefs, when they travel to Olton for a vital game with the Mustangs.

Olton, picked by many to win the championship of District 3-AA this season, fought the Floydada Whirlwinds off their feet last Friday, and led 7-0 in the fourth quarter before Floydada scored a touchdown

and a two-point conversion for an 8-7 win.

So the Mustangs will probably be out for blood in tomorrow's game, realizing another loss will knock them from any consideration for the district title. At the same time, the Chiefs will be trying to pull themselves up from their worst defensive showing of the season last week, when Abernathy scored 14 fourth-quarter points

to pull within five points after Friona had built a 26-6 lead.

Coach Don Light has pronounced the Chiefs ready for the Olton clash. Players shaken up in last week's game, Doug Dodd and George Rushing, were back to normal. Also, guard Bob Sims and tackle Gene Weatherly, who were held out of the Abernathy game, are expected to be ready to go Friday.

"We have some good depth on the team, but when we're hit over and over at the same position, it begins to hurt," Coach Light said. He went on to say that he was encouraged by the play of several boys last week who came into the game at key situations.

Included in the group were Jerry Cass, who started on defense and turned in a yeoman job; Dennis Howell and Larry Johnson on offense and junior quarterback Lonnie Ellis, who looked good in a brief appearance.

Coach Light said he expected the "original" starting lineup to be ready to go Friday.

"The boys know how much this game means to them. I think they'll be ready," Light said. Friona, with a 2-0 record in district play, meets the two "top dogs" -- Olton and Floydada -- on successive weeks.

Olton beat the Chiefs last week, scorewise and statistically last season than district champion Muleshoe. The 21 points they scored were the most of the season against Fri-

ona. However, the Mustangs caught the Chiefs on the heels of their battle with Muleshoe, which had shattered Friona's eight-game winning streak.

Olton, according to Coach Light, can be expected to be just as tough as last year. He points out that quarterback Joe Priest, who started every game as a sophomore last year, is more dangerous as a passing and running threat this year.

Backing Priest up the backfield is halfback Richard Hall, who has broken loose for several long touchdown runs lately, and is presently the fifth leading scorer for class AA teams on the South Plains, with 55 points to his credit.

Another dangerous back is Joe Castello, senior 180-pound fullback. Actually, the Mustangs have virtually the same team back which Friona met last year in their season finale.

Olton brings a 5-3 record into the game. The Mustangs beat a good Morton team 21-6 in the season opener before falling to class AAA Tulla, 14-0. The Mustangs beat Muleshoe, 13-6, Lockney, 21-6 and Abernathy 39-12, a week before the Antelopes almost upset Friona.

The other losses for Olton were a 14-13 surprise to Hale Center when the Owls were at peak strength, and a 26-0 decision to another AAA team, Canyon.

Bond Sales Are Given

Frank Spring, chairman of the Parmer County Savings Bonds Committee has announced that Savings Bond sales in Parmer County totaled \$5,837 during September.

Series E and H Savings Bond sales in Texas during September totaled \$11,497,961. Texas sales for the first nine months of 1964 totaled \$112,141,294 which represents 74.7% of the state's goal of \$150 million.

"The E and H Savings Bonds program is one of the most important tools the U. S. Treasury has in managing the Public Debt. It is the most effective way of persuading individual citizens to share in the financial affairs of Government. The investment in Savings Bonds is at a record peak. The over \$48 billion now outstanding in Series E and H Bonds represents over 15% of the National debt. It is important, therefore, that all of us continue to purchase Savings Bonds regularly." Chairman Spring stated.

DEMOCRATS CARRY

Friona Goes Johnson ; Rogers, Bush Get Vote

Friona voters, like those throughout the state and nation, gave President Lyndon B. Johnson a majority, although a closer one than it was statewide and nationwide.

Friona gave Johnson 495 votes to 438 to Republican Barry Goldwater, a majority of 53.1 per cent or 57 votes.

Also matching voting trends in the 18th Congressional District, Friona gave Walter Rogers the nod, 511-444 over challenger Bob Price.

Voters in the local precinct did differ from the state trend in the senatorial race, going for Republican George Bush. Bush, the only Republican to get a majority locally, received 535 votes to 388 for Ralph Yarborough, who was returned to Washington by Texas voters.

In the local race, incumbent commissioner Tom Lewellen was re-elected by a count of 590 - 307 over Republican Thomas Parson.

Joe Pool, incumbent candidate for congressman at large, was given 514-405 margin by

local voters.

A total of 972 people cast their ballots in the Friona precinct. However, some of the ballots were not properly marked and could not be counted.

In the other state races, Democrats scored easy victories. Governor John Connally

had a 643-267 margin over Jack Crichton. Preston Smith was returned as lieutenant Governor, 650-260 over Horace Houston. Waggoner Carr was re-elected as Attorney General by a 663-278 count over John Trice.

Other races saw John C.

White top John Armstrong for Agriculture Commissioner, 615-291; Jerry Sadler beat John Matthews, 645-295 for Land Commissioner; Robert S. Calvert over Dallas Calmes, 637-266 for state comptroller and Jesse James over Fred S.

SUNDAY

Methodists Hold 50th Anniversary Services

Friona Methodist Church will observe its Golden Anniversary as a church Sunday with special services at 11 a. m. and 2-5 p. m.

Rev. Lester L. Hill, former pastor of the church, will deliver the morning sermon. Rev. Hill is now in Amarillo, associated with the Polk Street Methodist Church.

Registration will be held in the foyer of the sanctuary begin-

ning at 2 p. m. Open house will then be held for the educational building and parsonage, both of which were completed only last year.

At 3 p. m., the anniversary program will be held in the church sanctuary. Other former pastors will have parts on the afternoon program. Rev. Ural S. Sherrill, pastor from 1952 to 1955, will offer the prayer. Rev. Sherrill, retired, now lives in Abernathy. The meditation will be brought by Rev. H. DeWitt Seago, pastor from 1946 to 1948. Rev. Seago is now district superintendent of the Brownfield district.

Also as part of the anniversary program, Rev. Russell McAnally, current pastor, will give the welcome. Charles L. Mercer will recognize the visitors. The church history will be presented by Mrs. J. T. Gee.

Planning to attend is Dr. Vernon N. Henderson, District Superintendent, Amarillo. Former members and pastors from throughout the Southwest are expected to attend. The church was organized on November 3, 1914.

The Church was organized with nine charter members. In 1924, the first permanent building was built by the church, an adobe-block building, which was torn down just two years ago preparatory to the latest building program.

Methodists worshipped in the adobe building until 1939, at which time the services were moved into a basement which is now the church's fellowship hall. The present sanctuary was begun in December of 1947 and its formal opening was held the following November.

In 1958, a formal opening was held for educational units

I and II and in May of last year unit III and the parsonage were feted with an open house. Church membership has grown from 196 in 1934 to 571 at present. Church school membership in that time has increased from 113 to 451.

Ernest Osborn is chairman of the present board of stewards. Flake Barber is vice chairman. Other members of the board are Ernest Anthony, B. H. Bailey, Estis T. Bass, Wesley Barnett, J. W. Baxter, Keith Brock, Bill Buchanan, Ed Clark, Mike Ellis, Henry Lewis, Bill Lyles, Charles L. Mercer, L. B. McClain, James McLean, Raymond Milner, O. L. Rankin, Folster Rector, G. E. Tannahill and Kenneth Watkins.

Mercer is general chairman of the golden anniversary celebration.

Everyone in Friona is extended a cordial welcome to attend the open house and anniversary service.

Friona Youth Commended

Bill Morgan, Friona's chief of police, this week commended the young people for a "safe and sane" Halloween Night. Morgan said there were a couple of instances reported of window glass being broken, but destruction as a whole was kept at a minimum.

"We have a good bunch of kids in Friona and I just wanted to commend them," the police chief said.

FOOTBALL CONTEST

Three New Winners Take Weekly Prizes

Three new weekly winners won cash prizes, and the leader in the race for grand prize added a point to his lead in the Friona Star's weekly football contest the past week.

In a week which was again jumbled with upsets and ties, only four entrants picked as many as seven games right. From that list, Elsie Allen was named first place winner, her son David Parsons won third, and Ronald Dean Smiley took second place.

Most of the contestants missed the Friona-Abernathy tiebreaker score a good deal, but fortunately for Mrs. Allen, she missed it just nine points, guessing 28-14. Actual score was 26-21. Smiley missed it 15 points, guessing 22-7, and young Parsons said 34-7, to miss by 21 points.

The other contestant to correctly name seven winners was Stanley Bengé. However, he was off course by 28 points on the tiebreaker, guessing Friona 40, Abernathy 7.

Two of the games, Lockney-Dimmitt and Texas Tech-Rice, ended in ties, so the top score possible (discounting the possibility of picking the ties) was eight points. Both Mrs. Allen and Smiley missed the Baylor-TCU game, won by TCU. The third-place winner's only miss besides the ties was when he attempted to pick a real upset, naming Texas A&M over Arkansas.

Waymon Wilkins, although getting just five games right in the contest, actually was able to boost his lead by one point, as those closest to him in the grand prize race had even worse luck. Wilkins now has a score of 66 correct games.

Raymond Milner and Mack Ragsdale each scored fours, to

ring in at 64. Bengé's seven, meanwhile, moved him into contention at that same score, and Frank Truitt scored five to join them in a four-way tie for second.

Next comes Mrs. W. R. Mabry at 63. A list of the top contestants, as usual, can be found on this week's contest page.

Proof that the week was a hard one can be seen in the fact that last week, the top 79 contestants had a score of 40 or better. This week, the top 80 contestants had just 42 or better, so scores didn't change much for the better in most cases.

Prizes of \$5 for first, \$3 for second and \$2 for third place are awarded each week. In addition, contestants are shooting for a grand prize of two tickets to the Cotton Bowl football game January 1 along with \$55 expense money.

BREAKING GROUND. . . Rev. Fred Beverdorf, pastor of Friona's Redeemer Lutheran Church, turns the first shovel of dirt at ground-breaking ceremonies for the new church building Tuesday. Looking on are (left to right) Carl Schlenker, chairman of the building committee, Thomas and Frank Matlock, who are contractors for the building. (See story on an inside page.)

Current Comments From . . .

Dimmitt . . .
 "The future hope of each farmer and the future hope of all farmers lies in soil protection and soil building. A fertile soil, safe against erosion, is worth more than money in the bank. In itself, such a soil is a bank account which Nature will honor with plentiful crops. We all might as well admit right now that the days of soil mining are over, and the days of soil building are here. The man who can't or won't build soil is destined to give way to the man who will. The soil waster is his own worst enemy and the enemy of society."

SUDAN . . .
 Saturday is Halloween, a holiday most of us could do very well without, and, in connection with the event the Amherst P-TA came up with a wonderful idea which I think should be adopted nationwide: they voted to have a "Stay At Home Night."
 This is the best deal I ever heard of, from the adult standpoint, anyway. No running around all night, destroying property, knocking on doors to get bags of loot, (There oughta be a law against anyone over 8 years old going out to trick or treat, except for those who are gathering money for CROP).

MULESHOE . . .
 The Muleshoe Jaycee's 1964 Sandhill Crane Hunt was off with a bang at sunrise Saturday morning, the first day of the annual contest and opening day of the season.
 The Sandhill Crane season runs until sunset November 29.
 Mel Evans, manager of the Muleshoe Wildlife Refuge, said that additional federal and state game wardens are in the area. He urged all hunters to observe the sunrise and sunset official times, as hunting hours. Sunday's sunrise is listed at 7:06 a.m., sunset at 5:55 p.m. Sunrise Monday is 7:07 a.m.
 An estimated 100,000 sandhill cranes are in the Muleshoe Wildlife Refuge area, with some 12,000 on other lakes in Bailey County, Evans said.

 If you will notice, football is probably the only sport that is played no matter what the conditions. Except for an occasional hurricane, neither rain, hail, sleet, nor snow can turn the gridgers from their assigned mission.
 Basketball games are cancelled when weather conditions hamper spectator turnout, track meets are cancelled when the weather is too cold or the track too wet, baseball games are called "on account of rain," "on account of darkness," or at special curfews; tennis matches are cancelled because of any number of things -- wind, water, temperature -- but football it seems must always be played.

Maize Harvest--

(Continued from Page 1)
 In the past month has allowed maize farmers to get their grain to market before the freeze ever arrived. Most of the farmers are reporting good yields.
 Some went as high as 8,000 pounds per acre, Gordon Massey reportedly had a yield of 8600 pounds on a 50-acre patch, Paul Mabry had an 8000-pound yield, Weldon Massey's crop averaged 7700 pounds per acre.
 However, there were some farmers with yields as low as 3,000 pounds per acre.
 The maize harvest was one of the smoothest of any crop in years, with local elevators never stacking up as is usually the case. Since the crop matured in its own time, it was moved steadily to market, and there never was a big rush.
 Many farmers were able to finish combining in October for the first time in years.
 Cotton, meanwhile, continues

to mature, with the crop awaiting a good killing freeze, which it might have received Tuesday night, to defoliate the plants and help open the remaining green bolls.

Bill Woodley Dies Recently

Funeral services for Bill Woodley, 42, formerly of Friona, were conducted at Kilgore Saturday afternoon. He died at Kilgore hospital Thursday afternoon.
 Survivors, besides his wife, Pat, and daughter, Sherri, include one sister, Mrs. Bob Thines, Richardson, and his maternal grandmother, Mrs. Rosa Anderson, Friona.
 Mr. and Mrs. Ross Terry attended the funeral services. Burial was in Kilgore cemetery.

Boosters To Offer Shotgun

Friona Booster Club voted at its meeting Monday to auction off a shotgun as a club project. Tickets are to be given to club members at the next meeting.
 The gun will be awarded at the club's last regular meeting of the year. Tickets will sell for \$1 apiece. The club voted to make each member responsible for five tickets each.

GROUNDBREAKING HELD

Contract Awarded By City Lutheran Church

Contract was awarded and groundbreaking was held this week for Friona's Redeemer Lutheran church building which is to be built on block 4 of the Drake Addition (between 13th and 14th Streets, and Virginia and Maple Avenues).
 Matlock Builders of Friona was awarded the contract at a church meeting last Thursday. The low bid was \$31,073. The building is to be completed in 150 days.
 Redeemer Lutheran Church was organized in October two years ago. Services have been held since that time in the American Legion Hall.
 The new building will be of modern architecture. It will measure 50 by 50 feet, (2500

square feet of space) and will be built on the southwest corner of the block. Outside of the building will be of brick veneer.
 Construction is to begin immediately, Carl Schlenker is chairman of the building committee. Other members are Dan Schueler and Floyd Schueler, Hucker and Parge of Amarillo were the architects employed by the church to draw up plans. The new sanctuary will provide permanent seats for 95 persons, with expansion possible up to 125.
 Rev. Fred Beversdorf is pastor of the local church, Trustees are Dan Schumann, Floyd Schueler and Carl Schlenker.

Friona's Chamber of Commerce should be advertising a long growing season for its trade territory. I don't have any statistics on the last freeze date in the spring, but I would venture to guess it has been more than six months.

If there has ever been a time when voters could go out in the front yard, pick a freshly blooming rose for a corsage, go to the garden and gather fresh tomatoes for dinner then go to the polls and cast votes in a national election, it must have been before November 3 was designated Election Day.

Probably before we learn the outcome of the election, though, the roses and tomatoes will be numbered among the out-of-season items.

One of the prettiest sights in town is the window box on the south side of the George Taylor home on West Sixth. It is filled with bright red geraniums and some kind of white blossoms.

Think Friona's younger generation is to be commended for the lack of vandalism in town Saturday evening. There were witches, spooks, goblins and ghosts all over town, but most of them were friendly and harmless.

Some homes were decorated with Jack-O-Lanterns and other Halloween figures. As soon as it began to get dark, the small fry of the town began calling on neighbors for "treats."

Of course, there was a lot of shaving cream sprayed on windows, car glasses and other objects, but from an overall standpoint, it was a quiet evening in town.

I'm wondering if in one year from now our list of subscribers in Willcox, Arizona will be as long as the one for Stratford. Not since the migration to Stratford began a few years ago have we had so much local interest in one town.

A weekend or two ago it was reported that one out of each six rooms available to tourists in the town was rented to Farmer County residents. Of course, there are a number of persons who just need an excuse to spend a week end in sunny Arizona and aren't really serious about moving out there.

Several families plan to move in a few weeks and three or four addresses have already been changed to Willcox.

Rumor had the Dick Rockeyes selling their farm land and moving out there recently, but a day or so ago it was reported that they had bought a home in Friona.

Construction of the new high school building is underway. Perhaps the additional taxes will be easier for us to pay when we can drive west and see a beautiful new building with adequate facilities for the education of our children.

Several new homes are under construction in that vicinity, too.

Hollis and Lunell Horton must have some pioneer spirit. Each time they have built a new home, they have selected a location for it on the northern most street in town.

A few years ago they had the only home north of Farmer County Community Hospital. Recently they began construction of a new home and it is on the street, just north of town, which is as far north as they can get at the present time.

If the person who lost a dark blue ladies glove at the Abernathy-Friona game Friday evening will stop by the Star office she may recover it. If there's anything less useful than a glove without a mate, what is it?

Benjamin Franklin once wrote in his journal, "I will speak ill of no man, not even in matters of truth; but rather excuse the faults I hear charged upon others, and upon proper occasion speak all the good I know of everybody."

Wouldn't this be a better world if more of us shared his desire to contribute that much to the welfare of our fellow men?

Read II Corinthians 5:14-21
He died for all, that they that live should no longer live unto themselves, but unto him who for their sakes died and rose again. (II Corinthians 5:15, ASV.)
We went to Japan when our younger daughter was two, and she had no recollection of Christmas. In our remote mountain village there were few evidences of a Christmas as celebrated in our homeland.
Her own birthday was still fresh in her memory. So we explained that the Christmas we were all talking about and preparing for was Jesus' birthday.
She watched with interest as the little pile of presents grew on the table. When Christmas morning dawned, and we began to hand around the presents, a puzzled look came on her face. "But it's Jesus' birthday," she finally burst out. "Aren't the presents for Him?"
These words spoke to our hearts. All that so many of us enjoy at this season is the result of Christ's coming. Yet often we are so concerned with material gifts for others and ourselves that we forget the purpose of Jesus' coming. Let us give Him first place in our lives and use our material possessions in ways which please Him.
PRAYER: Dear Father, we thank Thee for Thy great love which gave Thy Son for all mankind. Fill our hearts with such love and gratitude that we give our lives in Thy service. In His name, Amen.
THOUGHT FOR THE DAY
A life lived for Christ is proof that we have received new life through Christ.

Big travel bargain for cities along Santa Fe

Off-season round trip fares cut approximately 20% through April 30, 1965

Santa Fe

It's Chico Bargain Fare time again on the Santa Fe--through April 30, 1965.

For example, a regular round-trip ticket costing \$100 will be sold at the off-season bargain fare of \$80. Round trips costing \$75 now will be only \$60, and similar reductions will apply for round-trip tickets from all stations except for local trips within the State of California.

No matter where you travel on Santa Fe trains, round-trip bargain fares will save you approximately 20%. Tickets on sale every day with a return limit of 30 days. Yes, bargain fares apply for both round-trip coach and first-class tickets.

Now you can leave the car at home and save money traveling by Santa Fe.

See the Santa Fe Agent in your home town for complete information

SNEAD GAINS. Quarterback Jim Snead, who had his best night of the season against Abernathy last week with 112 yards gained, is shown running the keeper play. Snead scored on a 34-yard run, and also had a 36-yard scamper to his credit. (Star Photo by Darrell Schwab)

Dodd Top Scorer Despite "Nightmare"

If Doug Dodd wins the scoring championship in the area, he may always wonder about the eight points he scored against Abernathy last Friday.

Dodd's nearest opponent in class AA, David Mitchell of Denver City, did not score, and remained second at 78 points. The top scorer in class B, Randy Peoples of New Deal, was idle, so remained at 86 points. Meanwhile, Sammy Crowson of Wilson scored 18 points to run his total to 92 and take over the lead in that division.

Crowson is now Dodd's nearest challenger for the race. Winning the area-wide scoring crown may prove to be a job for Dodd, as some of the class B players will have one more game to play than he will have. However, Doug is in good shape to take class AA scoring honors, as Mitchell has just one game left, to two for Dodd.

Hereford Wins Games From Frosh, B-Team

Hereford won a pair of games from Friona's freshman team and B-team at Hereford last Thursday, scoring a 43-6 win in the freshman game, and shutting out the B-team, 39-0.

Breaks Into Win Column

The Lazbuddie Longhorns, who finally broke into the win column with a 28-8 victory over Turkey in their homecoming contest last Friday, will host district-leading Bovina in their game Friday.

The Longhorns finally came uncorked and broke the goose-egg on the "won" side of their won-loss record last week, racking up 488 yards rushing in crushing visiting Turkey, 28-8.

Fullback Johnny Mabry was the leading ground-gainer for Lazbuddie, scoring twice on runs of 50 and 55 yards. Halfback Lloyd Bradshaw also scored twice for the Longhorns.

A strange situation in the fourth quarter saw Mabry have to run 140 yards in three carries to get a touchdown that counted.

With the Longhorns leading 14-8, and Lazbuddie having the ball at the Turkey 35, Mabry ran for an apparent touchdown. However, the play was called back for a 15-yard penalty. Mabry then ran 50 yards, but again Lazbuddie was penalized; this time for five yards. The third time proved to be charming, and after Mabry ran the exact play the third time in a row, the TD was allowed.

Mabry later got off a 50-yard touchdown run. Bradshaw gave the Longhorns the lead with runs of 20 and 18 yards for touchdowns in the first half. Alfred Steinbock ran for two extra points after the first TD, making the score 14-0, Lazbuddie, at the half.

Turkey scored its only touchdown in the third quarter, on a 20-yard pass play.

Mike Tree ran a two-point conversion after Mabry's first touchdown to account for the rest of the scoring.

Coach John Malone complimented his team for the effort, expended in bringing about the win. He especially commended tackles Buddy Embry and Lewis Seaton for the "many holes" they opened in the Turkey line; end Theron Vaughn and Gary Eubanks.

Two members of the team joined a growing list of injuries at Lazbuddie, although they may still be able to play on Friday. They are Albert Fuller Jr. and Charles Ramage, both of whom received bruises against the Turks.

In pre-game ceremonies, Sherry Robinson, daughter of Mr. and Mrs. James R. Robinson, was crowned homecoming queen, and Buddy Embry was named football hero.

Lazbuddie Girls Win

Lazbuddie's girls basketball team has gotten off to a fine start on its 1964-65 basketball season, winning their first four games.

The girls have topped Goree twice, 56-32 and 33-25, and beat Three Way last Tuesday 52-42, and Bledsoe 53-29 this Tuesday.

Linda Gleason has been the leading scorer in three of the four games. She scored 20 points in the first game with Goree, 17 in the second and 29 against Three Way. Charlotte Seaton was the leader against Bledsoe with 14. She had 13 and 5 against Goree and eight against Three Way.

Other scoring has been by Judy Koelzer, eight, six and eight points. Linda Monk, seven against Three Way and two at Bledsoe; Carolyn Morris, two and four; Colleen Harper, 10 at Bledsoe, Johnnie Ivy, four and Jennings two.

Guards who have stood out are Kay Ann Smith, Bobbie Jones, Marsella Mayfield, Sherry Robinson (25 rebounds against Three Way), and Marsha Schumann.

Next games are next Tuesday at Three Way, when both the junior high and high school will play, beginning at 5:30 p.m. Harley Ethridge is coach.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to all who shared their Christian love with us at the loss of our father and grandfather. The cards, flowers and other expressions of sympathy will always be remembered.

May God bless each of you,

Chiefs Hang On Long Enough For 26-21 Win

When a team's star backfield is held to 108 yards less than he usually gets, and scores 13 points when he usually gets 23, you might expect team to get beat.

That's what happened to the Friona Chiefs last Friday, when the Antelopes' star backfield Doug Dodd was held to his first touchdown, and the Chiefs' star backfield men came up with their best performance of the season, to save the team from a major upset at the hands of Abernathy, and keep Friona unbeaten in district play.

Quarterback Jim Snead and back Danny Murphree took the slack and paced the team to a 26-6 lead early in the third quarter. Then Friona ended up with a 26-21 win.

Murphree scored twice and had once, and each racked up his best yardage totals of the season. Murphree gained 115 yards in 11 carries, and Snead

112 in 12 tries. Both came up with gains in key situations.

Abernathy, which was winless last year and fighting to regain the winning combination, came to play ball. They held Friona's first two offensive tries, and when the Chiefs finally did score, the Antelopes came back to methodically grind out a touchdown drive of their own.

Friona won the toss for only the second time this year, and Murphree returned the kick to the Friona 30. Six plays moved the ball to the 44, but a Snead pass was intercepted to thwart the drive.

Abernathy made a first down and then was forced to punt. It was a short punt and Friona took over on its 35.

Snead hit end Larry Buckley on a 26-yard pass, and then Murphree latched onto one at the Abernathy 17. However, the Antelopes prevented a score by intercepting the next pass in the end zone, and put the ball in play at their own 20.

This time Abernathy made two first downs before punting,

and the punt backed Friona up to its 22-yard line. However, the Chiefs were able to hang onto the ball for a 78-yard touchdown drive that took ten plays.

Snead, who ran the keeper play to near perfection throughout the game, gained 32 of the yards on runs of eight, nine and 15 yards. Murphree accounted for 21 yards in three carries, and a big play was a pass to Jesse Shirley for a gain of 21 yards.

Snead's 15-yard run put the ball at the Abernathy 10. Murphree gained six, and then Dodd crashed over for the score, having to hurdle an Antelope tackler at the goal line. His kick, the twelfth good one in a row, made the score 7-0 with 8:43 left in the half.

Abernathy returned the kickoff to its own 44, getting good field position, and then began a 56-yard TD drive which consumed 14 plays and 7:37 of playing time. The passing and running of quarterback Lane Wade accounted for the score.

Wade completed three passes in the drive, and twice ran for yardage after failing to see a receiver. This was true on the touchdown, as the Abernathy quarterback scampered nine yards after almost being trapped for a loss. Buckley roared through to block the extra point kick, to preserve a 7-6 Friona lead with 1:06 left in the half.

Neither team could move the ball the first couple of times they had possession in the third quarter. As a matter of fact, it became a comedy of errors midway of the quarter, as the ball changed hands three times in five plays. Jerry Case intercepted an Abernathy pass, but Friona fumbled the ball back to the visitors. However, a moment later Dale Milner recovered an Abernathy fumble at their 35 yard line.

This perked up the team, and they drove in for the score in five plays. Murphree, Snead and Larry Johnson advanced the ball to the 20. At that point Snead passed to Murphree who made a spectacular one-handed catch

at about the 10 and sprinted untouched into the end zone. Dodd's 13th straight kick made it 14-6.

Then it was that Friona looked good for about the only time during the game. The defense held Abernathy after the kickoff and forced a punt. Another short punt (23 yards) gave Friona possession at the Antelope 43-yard line.

Dodd, who didn't start the second half but played most of it, gained nine yards on one of his better runs of the night. Then Snead faked a handoff, rolled to the left and cut up the middle. Before the Antelopes knew what was happening, Snead had completed a 34-yard touchdown jaunt. A bad snap on the point try prevented any kind of attempt, and the score remained 20-6.

As the third quarter ended, Friona halted the Antelopes at midfield and forced a punt. The kick, this time a good one, rolled dead at the Friona four. Backed up against his own goal, Snead called a quarterback sneak. He burst through the line and rambled all the way out to the Friona 40 before being caught from behind.

Out of the hole, Dodd picked up five to the 45. Then Murphree scampered into the secondary. He was stalled at about midfield, but twisted free and raced to the end of the way to the goal -- a 55-yard touchdown run.

The point attempt was blocked, but Friona had an apparently safe 26-6 lead, and had looked strong in rolling 96 yards in only three plays.

Abernathy may have been down, but the Antelopes were not out. Wade cranked up his passing arm and drove the team downfield. It appeared that Friona would stop the drive at the

CONVERGE ON TURK... Lazbuddie's Buddy Embree (71) latches onto Turkey's David Fuston while Johnny Mitchell (61), Johnny Mary (25), Sammy Harlan (50) and Charles Ramage (64) all close in for the tackle.

13, when Abernathy faced fourth down needing nine. However, Wade hit Mike Tannehill on the fourth down play, and ran for two points to cut the Friona lead to 26-12.

Abernathy tried an onside kick and Ronnie Brookfield pounced on the ball at the Friona 49. Snead picked up four to the Abernathy 47, and it looked good for a moment as Dodd slipped through for a 10-yard gain. However, Friona was called for clipping, and on the next play Dodd fumbled, Abernathy recovering at the 50.

There were just over two minutes left in the game, but Abernathy used the time to good advantage. A fourth-down pass

at the Friona 35 kept the Antelopes in business, and then a third-down pass, Wade to Tannehill, got the touchdown with just 21 seconds left to play. The kick made it 26-21.

Abernathy tried another onside kick, and Ray Braxton was able to recover the dribbler at the Friona 44-yard line. Snead ran out the clock by falling on the ball twice, Abernathy drawing a 15-yard penalty as the clock ran out for hitting him after the whistle blew.

The 21 points are the most allowed by the Chiefs in any game this year. Previously, Dalhart and Lockney had each scored 14 points.

The meeting was the first in

history between the two teams in football, and went down as quite a battle.

Friona was further hurt in that regular starting guard Bob Sims was held out of action, as was tackle Gene Weatherly. However, it was said of Abernathy that seven boys who started at the first of the year had been lost to the team.

Memorial Fund To Be Established

A Memorial Fund has been established for Friona Public Library. Friends and relatives will be able to contribute to a living memorial for the benefit of others.

Mrs. Jane Williams will accept memorial deposits at Friona State Bank and will note the name of the person making the contribution, name of the person in whose memory the contribution is being made and name of the person or organization to whom an acknowledgment is to be sent.

Acknowledgments will be sent by the library committee of Modern Study Club and memorial funds will be used for needs of the library. The most urgent need at the present time is for books and shelves.

The memorial shelf at the library now contains six books. A plate in each book lists the person's name in whose memory the book was given and the donor's name.

The two memorial books for Mrs. Roy T. Slagle are "Family Living in the Bible" by Dean and "Christ and the Fine Arts" by Maus.

"Albert Schweitzer, the Man and the Mind" by George Seaver is a memorial to Mrs. Lem Miller.

Richard Nixon's "Six Crises" is in memory of Floyd Reeve and "Pro-Football Hall

Study Club States Christmas Bazaar

Wednesday, November 18, is the date set for the Christmas Bazaar, sponsored annually by Progressive Study Club. The doors of the Federated Club House will open to the public at 10 a.m. and will stay open late to accommodate those who work.

A new feature has been added to the bazaar this year. A drawing will be held at the end of the day for a Christmas centerpiece. Each person attending the bazaar may register for the centerpiece which was made by Mrs. Ray Dean Fleming. It is now on display in the bank window. It will not be necessary to be present to win the drawing.

"As usual, coffee and snacks will be served throughout the day," states Mrs. Flake Barber, chairman of the finance committee.

"We plan to have a really good bazaar this year with a large variety of handmade items and novelties for sale."

Club members are busy making

items to donate for the event. A few of the bazaar items that will be available are doll clothes, aprons, pillows, pin cushions, stuffed toys, and baby things. There will also be knitted, crocheted and embroidered items.

"We think anyone with a lot of Christmas gifts to buy should plan to attend the bazaar this year," states Mrs. Baker Duggins, Club President. "We offer many unusual gifts at really low prices."

Proceeds from the bazaar go to further the club's many charitable projects.

Members of the finance committee are in charge of arrangements for the bazaar. They are: Mrs. Barber, chairman, and Mmes. Tom Jarboe, Bill Ellis, John White, Billy Joe Mercer, and Ray Dean Fleming.

Seein' America First Theme Of Club Meeting

John Steinbeck's quotation, "A journey is like marriage. The certain way to be wrong is to think you control it," was used as an introduction to the program, "Seein' America First" for the Tuesday evening meeting of Modern Study Club at Federated club house.

The invocation was given by Mrs. Howard Ford, Mrs. Wesley Foster reviewed "Travels With Charley" by John Steinbeck.

Sandra Beene, guest soloist, presented two English folk songs, "Barbara Allen," and "When Love Is King." She was accompanied by Mrs. Roy V. Miller Sr. at the piano.

Hostesses, Mrs. Kenneth Neill and Mrs. Dave Thompson, served refreshments to 22 members and two guests.

Holy Land Film Shown Sunday

Following the annual Thanksgiving Dinner sponsored by members of Friona Rebekah Lodge at Oddfellows Hall Sunday, those attending were shown a film made in the holy land by Mr. and Mrs. Jake Outland.

Serving tables, which were covered with white cloths, were centered with arrangements of bronze, pink, orange, orchid and yellow mums surrounded by turkeys, pilgrims and cornucopias of fruit.

Guests were present from Hereford and Albuquerque. Eighty-eight persons attended.

Of Interest To THE WOMEN

CHRISTMAS CENTERPIECE. Mrs. Baker Duggins, president of Progressive Study Club, is pictured here with a Christmas arrangement, which will adorn the table or mantle of some lucky Frionan. Mrs. Ray Dean Fleming made the arrangement and it will be given away during the Christmas bazaar of Progressive Study Club November 18.

Halloween Social For Workers Class

Mrs. Wesley Hardesty and Ralph Robison were hosts at a Halloween social in Fellowship Hall of First Baptist Church from 4 to 6 p.m. Thursday for members of the Willing Workers class of Junior II Training Union.

They were assisted by Mrs. John Bingham and Mrs. Sam Batley. Decorations carried out the Halloween theme. Following a game session hot dogs, chips, cold drinks and popcorn balls were served.

Guests attending in costume were John Bingham, Tinker Dunn, Mike Taylor, Conrad and Lana Renner, Cyndee Bailey, Debbie Burton, Esther Smith, Kathy Latham, Nancy Scales and Kelli Bailey.

Kay Struve Feted With Bridal Shower

Miss Kay Struve, bride-elect of Connie Ray, was honored with a bridal shower from 3 to 5 p.m. Saturday, October 24, in the home of Mrs. David Carson.

Guests were greeted by the guest of honor; her mother, Mrs. Steve Struve; her maternal grandmother, Mrs. F.N. Welch; and her fiance's mother, Mrs. John L. Ray.

Background was presented by Susan Carmichael at the piano. Guests were registered by Linda Kay Carson and Sheila Struve, sister of the honoree. Miss Kitty Black, Miss Pat

BATTLE RECORD TO DATE

SPRAYING	ACRES SPRAYED	COMMENT
Number 1 (Beginning Sept. 15)	303,000 acres (Originally estimated 240,000 acres. Total includes Skip-row)	First application was hampered by rain, wind, etc. Migrating weevils caused increase in size of control zone. Extremely high adult and unemerged weevil populations encountered.
Number 2 (Beginning about October 4)	281,000 acres (Reduction due to acreage desiccated or harvested)	Field checks indicated effective kill of adult weevils but continuing emergence kept new weevil population up. Additional planes brought in to speed up sprayings.
Number 3 (Beginning about October 13)	230,000 acres (Continuing harvest and desiccation)	Field examination showed great reduction in number of adult weevils, with low occurrence of weevils in diapause stage. Also fewer unemerged weevils.
Number 4 (Beginning about October 21)	190,000 acres	Few unemerged and very young weevils left. Practically no weevils in diapause stage.

CONCLUSION: Remaining unemerged and young adult weevils will be kept from going into hibernation either by frost or a fifth spraying. Entomologists agree that hibernating weevils will have been reduced by more than 90 percent by end of this year's program.

Financial Arrangements

- Compresses to collect 50c per bale, and remit to a special boll weevil control fund in bank -- no connection with P.C.G. regular funds.
- While compresses collect on all cotton, the contribution is voluntary for individual farmers who may request and receive refund.
- All funds are under direction of a Certified Public Accountant firm.
- Monthly financial reports by U.S.D.A. and Boll Weevil Steering Committee will be made -- Complete audit will be published at the end of season.
- Any unexpended Steering Committee funds will be placed in interest bearing account for continuation of Boll Weevil Program next season. Unexpended U.S.D.A. funds must return to Treasury, as all appropriations are on annual basis only.

Sale Adds Books To Shelves

More than 100 books were added to shelves in libraries of local schools this week through purchases made by parents attending "Back To School" programs recently. This book sale is sponsored annually by members of Progressive Study Club and is a non-profit community service project.

School libraries have had limited numbers of books on the shelves since the high school building burned in 1952. Since that time members of the school board have increased the library fund, but due to the cost of upkeep, the number of new

books purchased has been limited. Another factor contributing to the need for new books since the Book Sale project has been inaugurated has been the addition of more new home rooms in the primary and elementary grades. Plans are being made for a more adequate library in junior high next year.

Parents purchasing books for library shelves were Doyce Barnett, Billy Thorn, Wayne Jones, Bill Carthel, Stanley Benge, Thomas Rhodes, Glen Stevick, Bill Sheehan, Earl Graham, Billy Dean Baxter, Hollis Horton, Steve Messenger, Mal Manchee, Richard London and W. S. Ingram.

Also Marvin Jordan, John D. Sanders, R. J. Renner Jr., J. R. Bartlett, Grady Nelson, Virgil Zeman, Lloyd Mings, Curtis Murphree, John Bingham, Flake Barber, Louis Welch, Bruce Parr and Lee Cranfill.

Also Florian Jarecki, Leo Ruizicka, H. K. Kendrick, David Carson, Dave Thompson, Mike Pavalus, Travis Stone, Watson Whaley, Andy Hurst, Weldon Dickson, Porter Roberts, Raymond Cook, James Hamilton, Carlos Beck and Jake Armstrong.

Also Mack Ragsdale, Marlon Fite, S. V. Chitwood, Bob Jones, Ernest Osborn, C. W. Perkins, Paul Spring, Willis Giddens, Alton Farr, Raymond Cook, Leonard Coffey, Howard Ford, Woodrow Whitaker, D. L. Carmichael and Charles Short.

Book of Genesis Studied Wednesday

The Woman's Society of Christian Service continued a study of the Book of Genesis Wednesday morning in Fellowship Hall of Friona Methodist Church. Mrs. H. K. Kendrick is directing the study and the last session will be conducted November 11.

An extra session of this study was called for November 4, due to interest of persons attending.

Hostesses were Mrs. Arthur Drake, Mrs. Russel O'Brian, Mrs. Earl Hawkins and Mrs. Dorothy Hough.

Women Observe Week of Prayer

Women of the Friona Methodist Church observed a week of prayer and self-denial from October 25 through October 31 by having a prayer group meeting each morning at 10.

Climax of the week was Quiet Day, observed Wednesday.

Eighteen women participated. They met in the sanctuary for an hour prior to luncheon served Fellowship Hall. The program resumed in the sanctuary for another hour immediately following lunch.

The offering taken was sent to missionary workers in five foreign countries, also to children's homes, community centers, schools and various other projects at home and abroad.

Mrs. Billy Sides, as spiritual life secretary, was in charge of this week of observations. Her assistants for the quiet day program were Mesdames J. H. Russell O'Brian, Howard Love, Mack Ragsdale and Dorothy Hough.

Plans were completed for the annual Parmer County Home Demonstration Club luncheon at the Oklahoma Lane Community Building November 19, at the council meeting in the Community Room of Friona State Bank Monday afternoon.

Thirteen members, representing seven clubs, were present. Mrs. Cricket Taylor, county home demonstration agent, also attended the meeting.

Theme of the luncheon will be United Nations.

Kay Struve--

(Continued from page 10)

Hart, Mrs. Jim Roy Clements, Mrs. Danny Smith, Mrs. Ronnie Wood and Miss Carol Struve, sister of the bride-elect served cake, coffee and tea.

The serving table was covered with a white linen cloth and centered with a floral arrangement of white and pink mums in a silver compote. Appointments of silver and crystal complemented the table setting.

Hostesses were Mesdames J. B. Taylor, Claude Blackburn, Rene Snead, Claude Osborn, Charles Allen, Hardy May, George Taylor, Eugene Boggess and Carson.

Approximately 150 persons called and sent gifts during receiving hours.

Party Honors Joy Massey

Mrs. Wayne Massey honored her daughter Joy, who was observing her fifth birthday, with a Halloween party in the Sam Williams home Saturday afternoon. Mrs. Williams was co-hostess.

Guests, who came in costume, were served Halloween candy, cupcakes, fruit punch and bubble gum. Favors were balloons and whistles.

Girl Scout Troop 238 Begins Year's Work

Girl Scouts of Troop 238 have been very busy since the first meeting of the year on September 7, 1964. At that meeting Kathy McLean was elected troop president. Other officers elected to serve with her were Melissa Pruitt, vice-president; Sheila Struve, scribe and Vicky Beck, treasurer.

The girls began planning and preparing for a court of awards, which was held Sept 28 with mothers of the girls as special guests. Sixty-five badges were awarded at this time.

On October 5 the girls started work on the backyard fun badge and made plans for an outing on October 30. In preparation for this outing the troop planned a menu and made grocery lists for each meal.

They also bought supplies for a complete first aid kit and assembled it. Learning to build and extinguish a fire was also part of their preparation.

Friday evening troop leaders and members accompanied by Mrs. Ralph Wilson, a guest;

Frieda Floyd, a senior scout; and Connie Whaley, a cadette scout went to a farmstead west of town for an overnight camp out.

After an outdoor supper those present retired to a vacant house for games and contests prior to bedtime.

Breakfast the following morning was cooked on an old wood cookstove that had not been used for many years. After a nature hike the troop members made reparations to return to their homes.

Leaders, Mrs. Watson Whaley and Mrs. Larry Martin, were both present. Troop members participating in the event were Rhonda Bauer, Vickie Beck, Deanne Day, Dearn Dickson, Fran Dodd, Christine Grant, Kathy Horton and Andrea Hurst.

Also Bonnie Jones, Kathy King, Carolyn Martin, Vicky Mings, Kathy McLean, Melissa Pruitt, Jill Riethmayer, Vickie Schueler, Sheila Struve and Dixie Wilkins.

Memorial Fund--

of Fame" by Daley is a memorial to Bill Buchanan, Mrs. Morrison, mother of Mrs. Ernest Tannahill, is being remembered with "The Best Loved Poems of the American People" by Felleman.

Each of these books was selected by the donor and brought to the library. In addition the library committee will order specific books if so requested or use memorial funds specified for books to buy the book or books known to be needed by readers.

A library discount is available from most publishing houses.

Cub Mothers Set Meeting

Cub Scout committeemen and den mothers of Pack 56 are to meet Monday, November 9 at 8 p.m. at White's Elevator office.

"It is very important that all committeemen and mothers attend. The meeting is for planning of November activities in the dens and pack," said Mrs. Steve Messenger.
