

# Schedule Released For 1964 Maize Days

Schedule for the 1964 Maize Days celebration in Friona was released this week by Porter Roberts, general chairman of the celebration.

First big event in the celebration will be the Maize Days Queen contest, which will be held Thursday at 8:15 p.m. at the Friona High School Auditorium.

Admission of 50 cents and \$1 will be charged for the program, which selects the girl who will reign as "Maize Queen" over the rest of the festivities, and for the coming year.

Current Maize Queen, Sheryl Long, will be present and will crown the new queen.

Beginning Monday, the Lions Club will sponsor the Lone Star Amusement Company and its rides in the city park. Some 10 rides will be featured by the company, which has furnished rides for the annual celebration for a number of years.

On Friday, the Friona Rainbow Girls will sponsor their annual pancake breakfast from 6 to 9 a.m. at the Friona Country Club. Tickets are being sold in advance, and also may be bought at the door.

The annual Maize Days parade will be held down Main Street of Friona beginning at 10:30 a.m. Friday, September 11. Parade chairman, Charles Allen, is encouraging local businesses, organizations and school classes and groups to enter floats.

The Friona Chamber of Commerce and Agriculture will sponsor a luncheon at the school cafeteria. Turkey and dressing will be featured on the menu. Tickets are \$1.50 for adults and \$1 for children.

Highlight of Friday afternoon will be the Kids Contests, beginning at 3 p.m. at Chieftain Field. Entrants should report to the press box at 130 p.m. that day. Spectators will witness the events from the east stands.

Contests will be offered in three divisions; boys ages 7-10; boys ages 11-14; girls ages 7-10; girls ages 11-14 and boys and girls ages 4-6.

Also beginning at 3 p.m. will be the tractor rodeo

and tube-setting contest on the vacant lots across the street west of Chieftain Field.

Concluding Friday's activities will be the Friona Chieftains' first home game of the year, against the Plains Cowboys at 8 p.m. at Chieftain Field.

A new entertainment will lead off the slate of activities for Saturday. The Harden Family will feature an archery exhibition at the City Park, beginning at 10 a.m. That will be followed by an exhibition by the McKenzie Gun Slingers Club of Lubbock.

The judging of the beard-growing contest will once again be held at 11:30 a.m. at the City Park, preceding the annual free barbecue.

## 14 GIRLS ENTERED

### Maize Queen Deadline Tomorrow At 5 p.m.

A total of 14 girls had entered the "Maize Days" queen contest as of Tuesday, but Porter Roberts, Chamber of Commerce manager and general chairman of the celebration, reminded that the total was much lower than last year's entry list, with the deadline coming up on Friday.

Businesses, organizations and clubs planning to sponsor a girl in the contest are re-

quested to contact Roberts at the Chamber of Commerce office before 5 p.m. tomorrow. On Saturday, the girls entered in the contest will travel to Amarillo, where they will make a tape to be shown on Channel 4 Sunday at 8 a.m., a feature of Cotton John's Farm and Ranch show.

Next Thursday will be the big day for the queen contestants, judging in the contest

will begin at 5 p.m., with a buffet supper at Friona Country Club. The contest finals will be held at the high school auditorium at 8:15 p.m. Admission of 50 cents and \$1 will be charged.

Johnny Linn, manager of Radio Station KDHN in Dimmitt will once again serve as master of ceremonies for the event.

The girl chosen as Maize Queen will reign over the festivities during the 1964 celebration. She will receive a cash prize of \$50. Second-place contestant will receive \$30 and third place \$20.

The queen will be featured on a float sponsored by the Friona Chamber of Commerce during the Maize Days parade September 11. She also will serve as one of the judges in the beard growing contest.

Girls entered to date, with sponsors in parenthesis include:

Shirley Phipps (Mobil Oil Wholesale); Barbara Lloyd (Friona Star); Jo Nell Wood (Ben Franklin Store); Lynn Wilson (Ethridge-Spring Agency); Pat Burton (Hub Grain Company).

Also Merylene Massee (Soil Builders); Sandra Beene (Claborn's); Karen Osborn (West Friona Grain); Donna Fulk (Friona Young Homemakers Club); Becky Bails (Hub Store); Linda Outland (Modern Study Club); Carolyn Hamilton (The Beauty Box); Lanore Jackson (Red Barn Fertilizer) and Jeanne Taylor (Prewett Grain).

## Football Contest Starts This Week

The Friona Star's annual Cotton Bowl football contest begins this week, and Pete Mace, Star advertising manager and contest director, urges all football fans to enter the contest beginning with the very first week.

"A contestant has a better chance of winning the grand prize if he or she enters the

contest every week," Mace said.

Last year a record number participated in the contest, which is co-sponsored with the Star by 11 Friona merchants.

Each week, contestants have an opportunity to win the \$5 first prize, \$3 second prize and \$2 third prize in the weekly contest. Grand prize winner at the end of the contest receives two tickets to the Cotton Bowl football game, and \$55 expense money.

Details are listed in a full-page advertisement in this week's issue of the Star. Included in the advertisement is the first of a series of 11 weekly contests, with 10 football games in which contestants are asked to pick the winners.

Contestants must have their entry blanks in either of two boxes--at the Friona Star office or Bi-Wize Drug--by 5 p.m. on Friday, or mail the blank to the Star so that it is post-marked no later than 5 p.m. on Friday.

Included on the contest blank is the Friona Chieftain-Farwell Steer game, of which contestants are asked to pick the score. This game is used only to break ties among winners, however.

Sponsors of the contest this year, in addition to the Star, are Friona Farmers Co-op Gin, Hub Fertilizer Company, Reeve Chevrolet Company, Production Credit Association, Friona Country Club Gin, Bi-Wize Drug, Friona Motors, Ethridge-Spring Agency, Farmer County Implement Company, Parmer County Pump and Chester and Fleming Gin.

## Demonstration On Tap Today

An on-the-farm demonstration of the "Farmhand" beet harvester will be held this afternoon on the J. B. Taylor farm two miles south of Friona.

The demonstration is sponsored by Parmer County Implement Company, who is the local Farmhand dealer.

Demonstrations will be conducted from 9 a.m. to 12 noon, and from 2-5 p.m.

## First Maize Is Marketed

The first load of maize for the Friona area was marketed on Tuesday by L. A. Wingham, who farms north and east of Black.

Wingham brought the 14,400-pound load to Black Grain Company, where it tested lower than 14 percent moisture.

The load is the earliest in several years for the area.

## Dollar Day Set Friday

Friona merchants have changed their pattern somewhat for Dollar Day in September, and will hold their Dollar Day sale on Friday of this week.

Reason for the change is that Monday is a legal holiday, and many of the merchants plan to be closed.

Friona State Bank, the Post Office and many downtown stores will be closed all day Monday in observance of Labor Day.

## OPEN SEASON FRIDAY

# Chiefs Out To Cultivate 'Sweet Smell Of Success'

For the first time in four years, the Friona Chieftains will be hoping to begin their new football season just as they did the previous year, when they travel to Farwell for the 1964 season opener Friday night. Game time is 8 p.m.

The Chieftains, still keyed up by their 8-2 season record of 1963, tasted victory for the first time in a long time last year, and are hungry for "plenty more in '64."

Friona, which rebounded from the depths of a 27-game losing streak in last year's season opener here to brand

the Steers with a 26-13 setback, will be out to snap other streaks and begin some of their own in tomorrow's game.

With a win in the season opener, Friona can claim their first two-game winning streak over Farwell since 1957 and 1958.

Also, the Chieftains will be after their first win at Farwell since that 15-12 victory of 1958. Last time the teams met in Steer territory, 1962, found Farwell romping to a 39-0 win, and four years ago, in 1960, it was 40-6, Steers.

So, Friona still has a lot of old scores to settle, although Farwell must still be smarting from being cast as the "fall guy" in last year's record-snapping humiliation.

The rivals from opposite

## Farwell Club Has Barbecue Friday Night

The Farwell Quarterback Club has invited Friona fans attending the season opener at Farwell tomorrow night to come early and eat supper at the club's annual barbecue at the Farwell High School cafeteria.

Barbecued chicken and all the trimmings will be served beginning at 4:30 p.m. Advance tickets to the barbecue are \$1.50 for adults and 75 cents for children under 12. At the door tickets will be \$2 and \$1. Members of the club are making a canvass of Friona for advance sales.

Henry Haseloff is president of the Farwell club. Pershing Busbice is vice president.

corners of Parmer County will be meeting in football for the 28th time since 1931. Farwell has won 15, Friona 11 and there has been one tie in that time. The game will mark the 16th consecutive season that the teams have played and the sixth straight year that the game has served as season opener for both teams.

For many years, the two old rivals were in the same district alignment, and played later in the season. However, since 1959 the game has been played the first week in September. And, ironically enough, Farwell had won each season opener up until last fall.

An era has passed at Farwell, as the Steers will field a team tomorrow night without a Lovelace. In the lineup for the first time in some 10 years, Leon Lovelace, last in a line of three brothers and a cousin which sparked Steer teams, graduated last spring.

And, the Steers lost their coach of the past several years, Dempsey Alexander, who moved to Spur. Now coaching the Farwell crew is Toby Booth.

A total of 57 candidates, probably most ever to come out for a Chieftain team, has been working more than two weeks now, and are "rearing to go" for tomorrow's game.

The team is in good physical shape. Biggest question mark is senior end Larry Buckley, who sprained his ankle in last Friday's scrimmage. Buckley may or may not be able to play in the opener.

Coach Don Light announced the probable starting lineup as the following: left end -- Buckley or Jesse Shirley, left tackle

-- Dale Milner; left guard -- Jackie Clark; center -- Bing Bingham; right guard -- Bob Sims; right tackle -- Ray Braxton; right end -- George Rushing.

Jim Snead apparently has won the battle for the quarterback slot, which has been perhaps the most hotly-contested position on the team. At least he's been nominated to start there Friday, joining Snead in the backfield are veterans Doug Dodd, Milton Hargus and Danny Murphree, making for an all-senior backfield.

On defense, Gene Weatherly and either Buckley or Bingham will be at guard; Braxton and Milner will man the tackle slots; Dodd, Sims and Rushing will serve as linebackers; Travis Graves and Hargus will be corner backs and Snead and Murphree will play halfback.

Hargus, the star of last year's season-opening win with three touchdowns, had the best yard-per-carry average among Chieftain starters last year.

Thanks to a large extent to his running against Farwell, Hargus gained 590 yards in 75 tries last year for a 7.9 yard-per-carry average.

Against the Steers in '63, Milton returned a kickoff 85 yards for a TD, then scampered 92 yards after Friona had held a Farwell drive, and later raced 49 yards to ice down the game. He ended up with a total of 206 yards from scrimmage, besides the 85-yard kick return.

Dodd, who has seen varsity action since he was a freshman, had a 5.2 yard-per-carry last season. As a sophomore, he led the team with a 4.9

## First Day Enrollment Is 1209 In Friona

Enrollment in Friona Schools on Monday totalled 1209 for the first day of classes. That figure compared to exactly 1200 which enrolled on the first day last year.

Biggest increase came in high school, where the four grades expected 329 students compared to 304 last year, while the first eight grades actually showed a decline of 16 students, from 896 to 880.

However, more students are expected to enroll as school gets underway. School officials are expecting close to 1300

students by the time the "peak" enrollment is reached.

The 1209 students erased last year's record enrollment figure of 1200.

Largest class is the first grade, where 137 students enrolled. Largest class in high school is the freshman class, which has 100 members.

Complete enrollment, by grade, is as follows:

First -- 137; second -- 119; third -- 128; fourth -- 100; fifth -- 113; sixth -- 94; seventh -- 104; eighth -- 85; ninth -- 100; tenth -- 73; eleventh -- 86; twelfth -- 70.

**RAUH CLAN.** All members of the Charlie Rauh family were in Friona for a family reunion recently. In the back are Mr. and Mrs. Earl Rauh of Masterson, Tex., Mr. and Mrs. Bob Depue, Sapulpa, Okla.; and Mr. and Mrs. Ronnie Acosta of Covina, Calif. Seated are Charles Dudley, Mr. and Mrs. Rauh, and Nina Dudley of Sapulpa. Kneeling are Lloyd Rauh, Sharon and Mike Acosta. It was the first time the Rauh family had all been together in 35 years.

## Young Demos To Hear Paul Lewis

Paul Lewis, well-known Lubbock County farmer, will be the speaker at this month's meeting of Parmer County Young Democrats.

Lewis, formerly president of the Lamb County Farm Bureau, is now a member of Farmers Union.

People in this area may recall Lewis debated Frank Hinkson of Lazbuddie on the merits of the Kennedy-Freeman farm bill in August, 1962 at Lazbuddie.

Everyone interested in the Democratic party is urged to attend the Young Democrats meeting Tuesday, Sept. 8, at 8:30 p.m. in the First National Bank community room, in Muleshoe.

There will be no admission charge and refreshments will be served.

## Friona Girls Place Well In Beauty Events

Two Friona girls did well in beauty contests held recently. Kay Burleson, a former Maize Queen, was a runner-up in the Lubbock County Farm Bureau contest, and present queen Sheryl Long was a finalist in the "Miss Wheatheart of the Nation" contest in Perryton.

Miss Burleson, the 1961 Maize Queen, tied for runner-up in the Lubbock County FB contest, which involved 11 girls. Miss Long finished in the top ten among some 30 entries in the "Miss Wheatheart" contest. She beat out such girls as Cheryl

Poteet of Olton, recent winner of the "Miss Grain Sorghum of the Nation" contest, and the reigning "Miss New Mexico" in the contest.

"We are extremely proud of these girls, and the way they have represented Friona," stated Chamber of Commerce manager Porter Roberts. The Friona Chamber sponsored Miss Long in both the "Wheatheart" and "Miss Grain Sorghum" contests.

per-carry average. The hard-running 170-pounder has been moved to fullback this season. Dodd led the team in district play last year with a 4.3-yard average.

Although he didn't carry the ball much last year (just nine times), Murphree gained 91 yards, for a 10.0 per-carry average.

Although hurt, Farwell wasn't exactly crippled by graduation. The Steers still return five offensive and six defensive starters from the team which won District 3-A with a 7-3 mark, losing to state champion Petersburg, 20-14 in bidistrict.

A sophomore, Bobby Fields, has been named quarterback to replace Lovelace, Fields, who lettered last year as a freshman, is considered one of the top sophomore prospects in the area.

Running with him in the Farwell backfield will be his older brother Jerry, a senior letterman, Jerry Childs, senior letterman, and Larry Donaldson, also a senior.

Other Steer lettermen returning include ends Butch Ford, Doyle Johnson and Richard Haseloff; tackles Charles Dannheim, Mike Camp, Gilbert Dale and Johnny Atkinson and guard Warren Gossett.

In the Sanford-Fritch scrimmage last Friday, Coach Light viewed the workout with mixed emotions.

"We felt better about it after we saw the film. Our offense looked better on film than we thought at the time," he said. Coach Light said he was especially pleased with Friona's pass defense. "We intercepted more passes than Sanford-Fritch completed," he said.

Last year in the final stages the Chiefs' pass defense was a strong point. They didn't allow a completed pass in district play until the final game against Olton.

"If we had stuck with the offense which was going well, we could've moved the ball better. But we had to continue to work on the plays which weren't going too well," Coach Light added about the scrimmage.

## Patterson Has Eventful Trip

Jack Patterson returned recently from a fishing trip to Colorado where he bagged a prize Brook Trout while fishing on the Conejos River. Patterson caught a four and one-half pound German Brown Trout, which oldtimers in the area said was the largest brook trout they had seen caught in the particular stream. The catch won for Patterson

a pair of prizes in weekly and bi-weekly contests sponsored by the newspaper and radio station at Monte Vista, Colorado.

## Monday To Be School Holiday

School will be dismissed on Monday, September 7, for Labor Day, announced Superintendent of Schools Alton Furr this week. Classes will resume on Tuesday, with busses running at the regular time, it was announced.

**CORN PARTY FEATURED.** Highlight of a Friendship Night program in the home of Mr. and Mrs. Claude Miller Friday evening was a corn supper hosted by members of Friona Rainbow Assembly. # No Encephalitis Cases In Friona Hospital

Dr. Paul Spring, Farmer County Health officer, stated on Tuesday that as of that date there had been no confirmed cases of Encephalitis ("Sleeping Sickness") at Farmer County Community Hospital.

However, it has been reported that at least one Friona area resident is hospitalized with the disease. Roy O'Brian, resident of Route 1, Friona, is hospitalized in Dimmitt. It is thought that he is making satisfactory progress, and will probably make a complete recovery.

At least one other case has been reported involving a five-year old Haseloff youngster from the Oklahoma Lane community.

Dr. Spring said that usually there are eight or ten confirmed cases of the disease recorded each year in the county, so that the Friona area was actually better off than average.

The county health officer stated that he believed the dry summer kept the number of mosquitoes down, and thus probably accounts for Friona escaping an epidemic of the disease such as has happened in places.

"We're approaching the tail end of the Encephalitis season. Sometimes there are cases reported in September, though," Dr. Spring said. He pointed out that the incubation period for the disease after a person has been bitten by the type of mosquito carrying the germ is 120 days--so that it can be contracted anytime after the bite.

The City of Friona made mosquito dusting "truns" last Tuesday and Friday, and mainly due to the threat of epidemic, has scheduled another run for Friday of this week, according to city manager A. L. (Jake) Outland.

## Edelman Reports For Training

Pvt. Martin W. Edelman, son of Mr. and Mrs. Claude Edelman, recently completed basic training in the United States Army at Fort Polk, La.

Following a leave spent with his parents and sister, Judy, in Friona, Pvt. Edelman reported to Fort Monmouth, N.J. for a 22 week training session at the Fixed Station Transmitter Repair School.

He is a 1964 graduate of Friona High School.

## Funeral Services At Albany

Funeral services for Mrs. Mollie Dillingham, 75, long time resident of the Albany area were conducted at the First Baptist Church there at 4 p.m. Monday, August 24.

Mrs. Dillingham, mother of Mrs. Ellis Tatum of the Black Community died in the Shackelford County Memorial Hospital at 1 a.m. the preceding Sunday after a long illness.

Survivors, besides Mrs. Tatum, include four sons, Frank Dillingham, Haskell, Bud, Toby and Joe Dillingham, Albany; another daughter, Mrs. Pansy Shelton, Albany; two brothers, E. D. Jones, San Angelo and Allen Jones, Arkansas; one sister, Mrs. Mattie Dalton, Gouldsburg; 14 grandchildren and nine great-grandchildren.

## Church Changes Friday Service

Revival services at Friona's First Baptist Church will be held early on Friday, September 4. The service for that night only will begin at 6 p.m., so as not to conflict with Friona's season-opening football game.

"We want to co-operate with our young people and the school, and we feel they will co-operate with us," said Rev. Bill Burton, pastor.

Preaching for the revival is Rev. John Tierney of Greenville, S. C. Directing the music is Dale Coody of Lawton, Okla.

Maize Days are just around the corner and a lot of work is being done by a lot of people to make this annual celebration a success. Everything is going to be in readiness, so let's all invite friends and relatives to come and share the fun with us.

Interest in the queen's contest is good and if all the beards seen up and down the street are seen in the beard growing contest, that should be an interesting part of the program.

Think I heard one of the Jaycees say there was going to be a "pretty beard" category in this year's contest. Have you ever seen a pretty beard? I've seen shaggy beards, unique beards, long beards and several that it would be hard to classify, but a pretty one? Never.

There are going to be kiddie contests, too. What ever became of the rolling pin contests? Not too many years ago a county fair was not complete without a rolling pin contest.

Begin making plans now to attend the parade, berbeque, contests and other Maize Days activities then come on town and join the fun.

Most beginners in school have mixed emotions about starting. One little would-be first grader in Friona had an extremely bad time it seems. Renee Hughes, who had been in the Deep South most of the summer with her parents, Mr. and Mrs. Jimmy Hughes, and sisters, Paulette and Jacquita, wasn't too enthusiastic about coming back to Friona to start school. Patti and the girls returned Tuesday of last week and by the end of the week Renee had decided going to school would be fun and was real anxious to get started.

Later she developed an eye infection and was told by her doctor she would have to delay starting for a few days. This made her very unhappy. She just couldn't see any sense in having to come home so she could start to school then not getting to start.

Friona Oliver is having a nice new building constructed on East Highway 60. Industrial building on the highway has been going mostly on the west end, but Friona Oliver's new building, which is located in front of the former Parmer County Implement Company warehouse, is going to be one of the finest additions to highway business houses.

The housing situation in Friona isn't improving much. There just doesn't seem to be living facilities in town to accommodate persons who want to move her. One day last week a house was being moved into town from the country.

Would-be Friona residents followed the moving truck to its destination, asked about the owner then offered to rent the dwelling.

In another instance a dwelling had been moved to a new location and the owner was in the process of having the inside re-decorated. A prospective tenant insisted that the owner do nothing to the house except allow his family to move in.

Corn parties have been quite popular in our area recently.

Guests are served corn on the cob, watermelon and cold drinks. Mrs. Lillian McLellan, mother advisor of the Raisinow girls, says a recent corn party she attended was very colorful. Imagine a large group of people in a pretty backyard. Trees and shrubs form the background. First you see a whole lot of beautiful golden corn, then the scene changes and is replaced by slices of red watermelon. To me there just isn't anything prettier than a freshly cut watermelon.

If some party giver wanted to carry out a gold and green color scheme, she could serve yellow moated watermelons and orange drinks with corn and do her food preparation and decorating all at one time.

One of our Stratford subscribers visited the Star office early this week. Mrs. J. L. Stowers came in to renew her subscription. Ex-Frionans now living in the Stratford area had a get-together one evening this summer.

The report I heard was that there were about 200 persons present. Recently Mr. and Mrs. Glynn Don Hughes and sons and the John B. McAllister family has moved to this North plains area. Several other families plan to move in that direction as soon as crops are gathered.

In one school district in the northern part of Sherman County high school students attend a school in Oklahoma and grade school students attend a Texas school. The Evert Bales family lives in this district and has a high school son and a grade school son.

They are former residents of the Black community but moved to Plainview before moving to their present location.

Wilburn and Zula Carlton of Plainview, former Friona residents and Star subscribers, were in town Tuesday. This couple lived here a long time before moving to the Hale County capital a few years ago. He is employed by the highway department and she is a Southwestern Public Service employee.

They were on vacation and had been to Arkansas and Missouri.

It was so good to see them. When they lived here Zula worked.

The following bit of verse, which was written by a pilot in the Royal Canadian Air Force, was read at Captain Kenneth Balmum's funeral recently.

High Flight  
Oh, I have slipped the surly  
bounds of earth  
And danced the skies on 'aughter's  
silvered wings:  
Sunward I've climbed and joined  
the tumbling mirth  
Of sun split clouds  
And done a hundred things you  
have not dreamed of--  
Wheeled and soared and swung  
high in the sunlit silence,  
Hover'ing there, I've chased  
the shouting wing  
Along and flung my eager craft  
through footless halls of air.  
Up, up, the long and delirious  
burning blue  
I've topped the wind-swept  
heights with easy grace  
Where never lark, or even eagle  
flet:  
And while with silent, lifting  
mind I've trod the un-  
trespassed sanctity of space  
I've put out my hand and touch-  
ed the face of God.

# Chiefs' 1964 Schedule Has Genuine 'New Look'

Friona High School's football schedule for 1964 really has a "new look." The Chiefs dropped five of the teams which made up their 1963 schedule.

Of the five teams which were added, two teams (Abernathy and Floydada) have never been played before by Friona in football, at least as far back as interscholastic League records go, which is 1931.

The ironic thing is that both teams will be met as district opponents.

The three other new opponents have been played a total of 15 games by Friona. Dalhart, who will be met here in the third game of the year, has been met eight times.

Lockney, another district opponent, has furnished opposition for Friona only five times previously, and was last met in 1947. Hale Center, who comes here October 9 for Friona's Homecoming game, has been met only twice previously, in 1948 and 1949.

Three of the teams met in 1963 and not on the current schedule were met a total of 38 times between 1931 and 1964. Muleshoe, one of the oldest opponents, had been played 17

times. The Muleshoe moved into the class AAA bracket, and could not work the Chiefs into their schedule although Friona coaches wanted the game.

Happy, which had been met 13 times the past several years, was an old rival from the days when Friona was in class B, and Bovina, a county neighbor, was met eight times, the first game being in 1951.

Of the other teams dropped from the 1963 schedule, Morton had been played eight times since 1945, while the Chiefs' game against Memphis was the only meeting in the history of the schools. Memphis was added as a fill-in game after Portales was dropped and the other area schools had already completed their schedules.

Farwell and Dimmitt are the two teams on the current schedule which have been met most often by Chiefs teams. Both have been played 27 times since 1931. Farwell has been played 15 consecutive years beginning in 1949.

These are about the only two "rivals" on the 1964 schedule, although Sudan will be met for the ninth time and third consecutive year. Olton, although

in Friona's district for the third consecutive year, will be met for only the sixth time, and Plains, a non-conference foe, will be played for just the fourth time, and fourth straight year.

The Chiefs do not hold a series advantage over any of the eight opponents which have been met previously, but are close to even in three or four cases.

Lockney and Plains are the closest. Friona's record against Lockney is 2-3, and it's 1-2 against Plains. The Chiefs are 3-5 against Dalhart, or 4-5 if you count a forfeit win in 1941. The Chiefs hope to draw closer to their all-time record against Farwell, which is 11-15-1 counting games from 1931 to the present.

Friona's other oldest rival, Dimmitt, has the best record against the Chiefs of any team on the 1964 schedule. The Bobcats hold a commanding 21-5-1 edge over Friona in games since 1931. The Chiefs' 20-0 win at Dimmitt last fall snapped a 14-game losing streak to Dimmitt dating back all the way to 1944.

Actually, it could be said that Olton has the best percentage

against the Chiefs, since the Mustangs haven't lost in five meetings with Friona. Otherwise, Sudan holds a 6-2 edge, and Hale Center has won both previous games between the teams.

The Chiefs snapped several streaks last year, notably the 27-game losing streak, longest in the state at the time. With wins over rivals Farwell and Dimmitt this year, Friona could claim two "streaks" of their own.

By beating the Steers, Friona could claim the first back-to-back wins over Farwell since 1957 and 1958, but another win over Dimmitt would be even more rare. The Chiefs have not beaten the Bobcats two straight games in 30 years. Friona won, 12-0 in 1931 and 49-0 in 1934 after no games were played for a couple of years. The Chiefs have never beaten the Bobcats in three straight meetings.

DON'T DROP IT. . . But he did. This unidentified Sanford-Fritch receiver appeared to have the pass surrounded, but couldn't hang onto it. Part of the reason is shown coming

up from the left in the form of Travis Graves, Friona defender. In the background is Chief Dennis Howell.

### STEERS HOLD 15-11 EDGE

## Friona, Farwell Have Locked Horns 27 Times

According to University Interscholastic League (UIL) records, Friona and Farwell have met on the gridiron 27 times since 1931. League records show that the Farwell Steers have won 15 of those games, to 11 for Friona. One game, in 1941, ended in a 0-0 tie. That figures out to a .574 winning percentage for the Steers, who had won four straight games going into last year's season opener, in which Friona turned the tables for a 26-13 win.

The two teams have played every year since 1949, and Farwell is the only team to be met every year in the period.

Farwell and Friona also met 12 times between 1931 and 1941, playing twice (home and home) each year on at least four occasions, in 1935, 1936, 1938 and 1940.

Biggest margin of victory in the rivalry belongs to the Chiefs, who beat the Steers, 81-0 in the 1934 game. That also stands as the most points scored by either team against the other and most total points for both teams in the series.

Farwell's largest point-production in the rivalry came four years later (1938) in the second meeting of that year, a 72-0 win for the Steers.

Eight of Friona's 11 victories in the series have been by shut-outs. Farwell, meanwhile, has shut out Friona seven times.

And on one occasion (1941) the teams played to a nothing-to-nothing tie.

Closest game (outside of the tie) in the rivalry was in 1950, when Farwell came from behind for a 20-19 win. The Chiefs had led, 19-6 after three quarters. Again in 1953, Friona led

14-0 at halftime, only to lose, 20-14.

On at least three occasions the game was decided by less than a touchdown. Farwell won 13-12 in the second game of 1936; the Steers won 18-14 in 1955 and Friona took a 15-12 win in 1958.

### JENNINGS HURT

## Longhorns Lose QB; Position 'Wide Open'

The Lazbuddie Longhorns, who open their 1964 season September 11 at Wilson, received a jolt last Friday when their first-string quarterback, Hoppy Jennings, sustained a broken sacral bone.

Jennings will be out of action for possibly as long as six weeks, according to Coach John Malone. In the meantime, there is a dogfight for the signal-calling position. Senior D. H. Foster, sophomore Terry Parham and sophomore Timmy Foster, who was B-team quarterback, are all shooting for the job.

"At least it happened while we still had some time to work in a replacement," Coach Malone said.

The injury came during workouts, when Jennings was making a wide end run, and a team-

HOPPY JENNINGS

mate fell on him. He was hospitalized three days, and returned to school on Wednesday.

At the same time, Malone got a bit of good news. Senior Gary Eubanks, a three-year letterman who has been out of action with a liver infection, has been given the green light, and will be out to regain the form expected to land him the starting center's job.

Malone, who took over the reins at Lazbuddie after a successful four-year tenure at Rober Lee, has been impressed in workouts to date, especially the work of the Longhorn line. Players who have been impressive to date include Lewis Seaton, senior who was All-South Plains last year, Buddy Embry, Theron Vaughan, Johnny Mitchell, H. W. Moore, Albert Fuller and Charles Ramage.

LONGHORN LINEMAN... Lewis Seaton, who was All-South Plains lineman in class B last season, is one of Lazbuddie's stalwart linemen getting ready for the 1964 season.

### BEGINS SEPTEMBER 10

## Nine-Game Schedule Given For B-team

A nine-game schedule for Friona's "B" team has been announced for the 1964 season. The team will play its first game next Thursday at Hale Center, in a game beginning at 7 p.m.

Most of the "B" team's games are on Thursday, except for a couple scheduled on Saturday morning.

Boys currently on the B-team include:

Juniors Johnny Claborn, quarterback; Terry Fite, halfback; Nolan Morris, end; Rex Wells, guard; Billy Perkins, guard; Kenny Ford, end; Paul Hargus, guard; Brian Evans, halfback and Vince Rowell, tackle.

Sophomores are Bill Weatherly, center; Dewayne Procter,

tackle; Bobby Jordan, halfback; Mike Smith, end; Tim Rhodes, fullback; Mike Wooley, guard; Ted Renner, quarterback; Tommy Jarecki, end; Mike Rietmayer, end; Bob Carrothers, tackle; Danny Parker, tackle; Jimmy Grimsley, halfback; Don Hoover, fullback; George Perera, halfback; Jerry Stephens, fullback; Ray Murphree, end and Manuel Pacheco, tackle.

The schedule is as follows:

Date	Opponent	Site	Time
Sept. 10	Hale Center	t	7 p.m.
Sept. 17	Olton	h	6 p.m.
Oct. 1	Boys Ranch	h	6 p.m.

### Mother-Daughter Meet Draws 22

Twenty-two mothers and daughters took part in the mother-daughter playday Thursday, August 27 at Friona Country Club.

Gift certificates were awarded to the top four teams. They were Irene Spears and Mary Knight, first; Lavon and Vicki Renner, second; Mildred and Karen Agee, third and Narcia Messenger and Martha Knight, fourth.

Others participating in the tournament were Tress and Sheri Tannahill, Betty Carrothers and Pat Tannahill; Deke and Sally Kendrick; Frankie and Linda Carson; Thelma Watkins and Mary Margaret Sheehan; Mary Sheehan and Kathleen Sheehan and Peggy Wash and Vickie Mings.

## 1963's Eight Victories Stand As Season High

Last year's record of eight wins turned in by the Friona Chieftains has been verified as the most wins in any one season, for a Friona High School team, at least as far back as records have been kept by the Interscholastic League, and presumably since football has been played at FHS.

High school principal Raymond Cook coached two consecutive teams that won seven games. His 1952 eleven won seven and lost two during the regular season, and won the district crown. However, they lost to Idalou in bi-district. Cook's 1951 team compiled a similar 7-2 mark.

The 1940 team at FHS had a 7-3 record, coached by Eddie Williams.

## Double Ring Ceremony Unites Suzanne Taylor, Ronnie Wood

The marriage of Miss Suzanne Taylor, daughter of Mr. and Mrs. George C. Taylor, and William Ronnie Wood, son of Mr. and Mrs. Noyle E. Wood, was solemnized Saturday evening in a candlelight ceremony in First Baptist Church, Friona.

The double ring vows were read by Rev. William G. Burton pastor of the church. A pre-nuptial recital of vocal selections was presented by Miss Janis Carthel of Lockney. She was accompanied at the organ by Mrs. Roy V. Miller, Sr.

Urn of white gladioli, stock and Fuji chrysanthemums with palms, woodwardia and emerald foliage decorated the altar lighted by a center arch candelabra and framed on each side by a spiral of white tapers. Three branched candelabra completed the setting. Family pews were marked with clusters of California ivy and a white aisle cloth was used.

Escorted to the altar and given in marriage by her father, the bride wore a formal gown of ivory peau de soie, with elbow length sleeves and Dresden bodice of ivory French Alencon lace. The decollete neckline was edged with lace scallops. A wide panel of lace continued down the front giving a princess effect to the sheath skirt. The wattle train, topped by twin fabric roses, swept into a cathedral - length train. Her headpiece was of lace re-embroidered in crystals and seed pearls. It held a bouffant shoulder-length veil of silk illusion, and was topped by a fabric rose. The bridal bouquet was of white phalaenopsis orchids and stephanotis with cascade of miniature ivy. Her sterling silver heirloom charm bracelet was one which belonged

to her maternal grandmother, Mrs. J. B. McFarland.

Mrs. Roy V. Miller, organist, presented a prelude of pre-nuptial selections and accompanied Miss Janis Carthel during the ceremony as she sang, "I Love Thee" by Greig, "Oh, Perfect Love," by Barnby and "The Wedding Prayer."

Maid of honor was Miss Dana Gant of Fort Worth. Bridesmaids were Miss Jonelle Wood and Miss Kay Struve, Miss Lisa Kathryn Taylor was junior bridesmaid. Bridesmaids were Mrs. Mike Ellis, Friona, and Mrs. Don Clements, Lovington, N. M., and Mary McFarland, Tucumcari, N. M., Paige Ann Osborn was flower girl.

Bridal attendants wore formal-length dresses of romance pink taffeta veiled with chiffon. The dresses featured rounded necklines and draped skirts. Satin bands of deeper pink accented the empire waistlines and panels of the same pink satin added back interest. Their headpieces were of romance pink illusion gathered to matching roses. Each attendant carried a cascade bouquet of white Fuji chrysanthemums and miniature ivy. The flower girl carried a miniature nosegay of pink Elfe roses and white pom poms. The candlelighters wore wristlets of pink Elfe roses.

Don Clements of College Station was best man. Groomsmen were Connie Ray, Shelby Miller, Almgordo, N. M., Eddie Wood and Ronnie Castleberry, Stratford. Jim Roy Clements served as usher.

The mother of the bride wore a champagne silk knit dress with brown accessories. The groom's mother wore a gold satin dress with rust accessories. Their corsages were of cymbidium orchids.

Mrs. Douglas Whitley of Austin and Mrs. Dennis Bennett, Amarillo, presided at the guest register in the church.

Following the exchange of vows a reception followed in Fellowship Hall of the church. The reception table was covered with a floor length cloth of gathered white net over satin. It was centered with a silver candelabra holding white twisted tapers with arrangements

of white agapantha, white sweetheart roses and miniature ivy.

The four tiered wedding cake and silver punch bowl completed the appointments. Punch and cake were served by Mrs. Ronnie Lacey, Lockney and Miss Kitty Black. Others in the house party included Mesdames Claude Osborn, Sloan Osborn, Roy Clements, Roy Lee Jones, Lovington, N. M., J. G. McFarland, R. H. McFarland, Tucumcari, N. M., Marion Flite, Fon Irwin, New Virginia, Iowa, Lonnie McFarland, Pierre, S. Dak., Charles Baldwin, Commerce.

Also Mesdames Charles Allen, Dalton Caffey, Bill Baxter, Ralph Smith, Hoyt Smith, Bill Stephens, Joe B. Douglas, and Curtis Murphy.

Also Miss Lora Mae McFarland, Clovis, and Miss Iva Ben Parr, who played piano selections during the reception.

For a wedding trip to New Mexico and Colorado, Mrs. Wood chose a soft green wool suit with deeper green accessories and a Beaver hat.

Mr. and Mrs. Wood will be at home at University Garden Apartments, Lubbock, where both will be seniors at Texas Technological College. She is a music major and he is an agriculture major.

Out of town guests signing the guest register were Mr. and Mrs. Fon Irwin, New Virginia, Iowa; Mrs. Pearl Allen, Duncan, Okla.; Mr. and Mrs. Ronnie Betty Ann Taylor, Lamesa; Miss Bobbie Taylor, Lamesa; Paul F. Taylor, Fort Worth and Mr. and Mrs. Bill Wood, Kathy and Randy, Sundown.

Also Mr. and Mrs. John McFarland, Farwell; Mr. and Mrs. V. J. Schiller, Anton; Mrs. Walter Townsend, Fort Worth; Mr. and Mrs. Marvin Hardin, Fort Worth; Mr. and Mrs. Roy Lee Jones, Janet and Mike, Lovington, N. Mex.; Mr. and Mrs. R. H. McFarland, Kelly, Sarah and Mary, Tucumcari, N. Mex.; Miss Lora Mae McFarland, Clovis.

Also Mrs. Wilson Gyles, Amarillo; Mrs. Ted Rutherford and Keith Amarillo; Mr. and Mrs. Charles Baldwin, Lindy.

### Aline McAshan, Frank Spring Exchange Wedding Vows Saturday

In a double ring ceremony at All Saints Episcopal Church in Austin at 5:30 p.m. Saturday, August 29, Miss Aline McAshan became the bride of Frank Lewis Spring, son of Mr. and Mrs. Frank A. Spring, Friona.

Wedding vows for the couple were read by Rev. James L. Tucker, before an altar decorated with bouquets of white asters. Wreaths of huckleberry on the side railing completed the setting.

Bridesmaids were Mrs. Robert L. Baker, Houston, and Mrs. James T. Robison III, Austin, both sisters of the bride, Karen Fries, Austin, Stirling Kerr, Washington, D.C., Stuart Smith, Kerrville, Betty Bachman, Beaumont, and Mrs. James B. Isaac, Pueblo, Colo., sister of the groom, were bridesmaids.

Bridal attendants wore pale pink floor length dresses and crowns of asters on their heads. They carried cascades of pink asters.

Helen Robison, Austin, niece

of the bride was the flower girl and Harris Baker, Houston, nephew of the bride, was the ring bearer.

"Trumpet Voluntary in D Minor" by Purcell was used for the processional and the recessional was "Tune and Air For Trumpet in D Major" by Purcell.

Mrs. James Clark, Organist, presented, "Preludes - Toccata and Fugue in D Minor," "Toccata and Fugue in G Major," "Wachet Auf," "Jesu, Joy of Man's Desiring" all by Bach, and accompanied Miss Stuart Smith, vocalist, as she sang "Bist de Beimeir," Bach, "Where Ere You Walk," Schubert, "Dedication," Schubert, and "Ave Marie," Bach, Goend.

Frank A. Spring was his son's best man.

Groomsmen were James B. Isaac, Pueblo, Colo., James Romberg, Austin, Jack Mackintosh, Corpus Christi, Terry Weldon, Carthage, Edward L. Powell, Austin and Jerry

Rankin, Friona.

The bride, who was escorted to the altar and given in marriage by her uncle, S. M. McAshan Jr., Houston, wore a formal gown of white bouquet taffeta re-embroidered alencon lace. The skirt was attached to a wide empire band and removable chapel train attached to a taffeta sash with wide streamers.

Her veil was a triple circle of French illusion attached to a caplet worn forward made of taffeta petals applied with matching alencon. She carried a cascade of white roses.

A reception and dinner at Austin Country Club followed the wedding ceremony.

Mrs. Spring has attended St. John's College and St. Stephen's High School. She is presently a junior student at the University of Texas. Her husband, a graduate of St. Stephen's High School, is a senior at the University of Texas.

Parties and showers for the couple included a wood shower for the bride-elect by Karen Fries in her home and a kitchen shower by Mrs. John E. Walker in Austin at the Commodore Perry Deck Club; a coffee in the home of Mrs. Frank A. Spring

## Judy Faye Smith Weds L. D. Ponthieu

In a double ring ceremony at St. Anthony's Catholic Church, Hereford, at 10 a.m. Tuesday, August 25, Judy Faye Smith, daughter of Mr. and Mrs. Ralph A. Smith, became the bride of Louis David Ponthieu, son of Mr. and Mrs. J. W. Ponthieu of 7111 Shavelson Drive, Houston.

Father Cletus McGorry read wedding vows for the couple before an altar decorated with bouquets of white mums and pink gladioli.

Organ music was presented by Pat Foster, cousin of the bride.

Janet Smith was her sister's maid of honor. Bridesmaids were Mary and Esther Smith, also sisters of the bride. Bridal attendants wore identical dresses of pink dacron and cotton dotted Swiss with A lined pleated skirts and lace trim. They wore crowns of matching material with lace trim and brief veils.

J. W. Ponthieu was his son's best man. Dan and J. B. Douglas served as groomsmen. Ushers were Dale Smith and Danny Smith, cousins of the bride.

The bride, given in marriage by her father, wore a formal length gown of white organza. The bodice was designed with an A shaped Sabrina neckline and elbow length sleeves. Appliques of peau de ange lace sprinkled with seed pearls outlined the neckline and enhanced the wedding ring waist line. Dainty motifs of lace adorned the front of the bouffant bell skirt which featured a wattle panel springing from high in the back and outlined with lace created the sweeping chapel

train. Her elbow length veil of silk illusion fell from a crown of peau de ange topped with a matching bow and re-embroidered with seed pearls. She wore white gloves and carried a cascade arrangement of white roses.

For something old she wore a ring which belonged to her great-grandmother, the late Mrs. Peter Anthony; a Swiss handkerchief, a gift from Mrs. Sloan H. Osborn purchased during her recent visit to Switzerland, was something new; a 1942 penny minted in the year of the bride's birth, was borrowed from her sister, Janet and her garter was blue.

Mrs. Ponthieu, mother of the groom wore a cocoa silk dress with sleeveless lace overcoat. Her corsage was of orchids. The bride's mother, Mrs. Smith, wore a dress of beige silk with knit sleeveless overcoat and an orchid corsage. Parents of the groom hosted the rehearsal dinner at Wagon Wheel Inn in Hereford at 7 p.m. Monday. Those attending, besides the bridal couple, were

## come to church Sunday

Read Luke 12:41-48  
The Lord said, Who then is that faithful and wise steward, whom his lord shall make ruler over his household? (Luke 12:42).  
If we are not experiencing the blessings of Christian stewardship, we have missed the essence of Christianity. Jesus instructs us in becoming better stewards.  
I recall seeing a woman so crippled that she had great difficulty getting about. I saw her sweeping snow from the church walks. Here was a person who loved the Lord so much that despite her handicap, she offered her willing hands in service.  
This is the kind of dedication which will be rewarded. The sacrificial gift is the one most precious in God's sight.  
This type of steward will be the one of whom the Lord says, "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."  
PRAYER: Dear Lord, we thank Thee for the blessed opportunity of stewardship. Help us joyfully to fulfill our responsibility as Christians, in the name of Jesus, who taught us to pray, "Our Father who art in heaven. . . Amen."  
THOUGHT FOR THE DAY  
Being good stewards is the essence of Christian living.

**GOOD COTTON.** . . Among the several farmers in the Friona area who have top-notch cotton crops is O. T. (Pat) Patterson, shown at right inspecting a stalk with Gary Brown, agriculture representative of Friona State Bank (left) and ginner Steve Hargus. The cotton, Paymaster 54-B, was planted April 20, and has been irrigated six times in skip-row fashion.

**On The Farm In Parmer County**  
BY JOE VAN ZANDT  
County Agent

Is the storage bin on your farm insect-free and ready for those soon-to-be-harvested grains?  
Stored grain insects inflict enormous losses upon grain producers each year. Insects destroy an estimated two per cent of the nation's farm-stored grain each month.  
Among the most destructive stored grain insects in Texas are rice or corn weevils, lesser grain borers and Angoumois grain moths.  
Protection against these pests is begun by storing grain only in bins that have been thoroughly cleaned. Old grain, trash, feed sacks and other debris that furnish living quarters for insects should be removed. Cracks should be covered to prevent grain from collecting, and grain and other material beneath and near the bins should be destroyed.  
After cleaning, spray the inside with either methoxychlor or malathion at the rate of about two gallons per 1,000 square feet of surface area. It should be remembered that grain to be stored should be clean and sound and have moisture content of 12 per cent or less.  
Also, when filling the bin, allow adequate working space for fumigation and inspection of grain.  
Premium grade malathion may be used as a grain protectant on wheat, oats, rice, corn, rye, barley, grain sorghum, peanuts and field or garden seeds. It can be applied as a dust or spray at the time the grain is being placed in final storage.  
Several liquid fumigants are effective in killing weevils and beetles which feed below the grain surface. Some of these include ethylene dichloride, carbon tetrachloride and carbon disulfide (Hi-Life).  
Before fumigation, spray the outside of the bin with a residual spray such as malathion to kill insects that may be forced out of the building by the fumigant. The bin should be made as tight as possible before fumigation and the grain surface be level to insure even penetration.

**4-H NEWS**

Many 4-H girls are already working on exhibits for the Fair in September at Lazbuddie. Some are working on canning, others on clothing and of course those girls that recently participated in the County 4-H Bake Show will be a jump ahead as they worked to achieve a good product for the show and with a little more practice they

should really make a good showing at the Fair.

The girls participating in the County Better Bake Show whose names were not included in last news report were: Delayne Steinbock, Lazbuddie, white ribbon; Ann Blackstone, Lazbuddie, red ribbon; Cheryl Boling, Farwell, white ribbon; Kathy Coker, Lazbuddie, red ribbon, and Kathryn Gober, Farwell, red ribbon. All the

products were exceptionally good but of course all could not be first.

Only nine girls entered the bake show this year. It is hoped that more of the girls will enter this contest next year as the experience is very worthwhile.

**TOMATO TIPS**

Know how to peel tomatoes quickly and easily?

Try any one of these three suggestions. They make the job easy.

\*Stroke the skin with the dull edge of a knife blade until skin is loosened, or

\*Dip the tomato in boiling water for 1 minute, then cool at once in cold water, or

\*Run fork into tomato and rotate it over heat of cooking unit until the skin is tight and shiny.

Cool at once in cold water.

The peel will come off easily after any of these treatments.

**OF INTEREST TO PARENTS**  
From the Kentucky School of Dentistry comes this very encouraging note about teeth.

If Johnny comes home with a front tooth in his hand instead of in his mouth, don't panic, says an official of the school of Dentistry. Head for the nearest dentist's office on the double. "And don't forget to take the tooth with you -- for it can be put back where it belongs," says Dr. John R. Mink of the Kentucky School.

Permanent teeth can be replaced, if treated quickly enough and are likely to last six months to six years. The trouble is when a tooth is knocked out, parents forget to take the tooth with them when they go to the dentist.

# TEXAS BEET GROWERS — DON'T MAKE A MISTAKE!

**GEMCO Is The Best Harvester To Buy ! Ask The Leading Beet Growers From Michigan To California To Name The Beet Harvester In Their Area That Is Number 1 In Grower Acceptance, You Will Find That GEMCO Leads By A Big Margin - Why ?**

1 GEMCO harvesters have established a reputation for operating in toughest conditions, in hard dry ground, rocks, trash or mud . . . where other machines sink out of sight.

2 General Machine Company, the manufacturer of GEMCO line has been longest in continuous volume manufacturer of multiple row beet harvesters . . . 14 years.

3 General Machine co-pioneered and was the first manufacturer to develop and make successful rim type cooperating lift wheels . . . Others have followed GEMCO design and today today copied versions of original GEMCO lifting wheels are used by all the major beet harvester manufacturers.

4 In 1964 General Machine is introducing the first direct harvesters equipped with spiral cleaning rows for the first time the simple and efficient GEMCO direct harvester gives cleaning ability comparable to our cart machines.

5 General Machine offers the fullest range of beet harvesters on the market, 8 basic models. The nearest competitor offers five and the second offers 3.

6. General Machinery has been a pioneer in providing innovations which reduce the need for operator know how and make for faster and earlier harvesting and a higher crop recovery. Among these innovations are the following:

- (A) In 1958 General Machine offered to beet growers our exclusive GEMCO row finder. This device reduces operator fatigue and increases beet recovery by a considerable margin.
- (B) Our ball hitch type hook up to the tractor is to attach or release and eliminates side draft of the harvester.
- (C) The GEMCO self contained hydraulic system introduced in 1963 handles all harvester cylinders and frees the tractor's hydraulic system for other uses. With our self contained hydraulic system you need only attach the ball tongue and power take off line to the tractor and you are ready to harvest beets.
- (D) GEMCO machines have easy to adjust sliding axles to set various row spacings. This more expensive design is not offered on other makes.
- (E) The spud chain flights may be quickly re-spaced in the conveyors without resorting to the use of bolts or other time consuming methods and can be quickly removed for repair.

S. T. Thornton

S.T., Whom You All Know Has Returned To Work As Our Salesman And Will Be Calling On You To Tell You Of The Advantages Of The GEMCO Beet Harvester As Well As Our Other Lines Of Machinery.

7 General Machinery gained its reputation through the years in providing harvesters that would load cleaner beets than competitive machines. Here are some of the cleaning features of our machines.

- (A) GEMCO cleaning screens contain star spiders with exclusive self cleaning cleats. With this feature our screens continue to eliminate soil and trash where other screens ball up with mud and become ineffective.
- (B) The GEMCO exclusive reverse roll used in the screens of our cart harvester pulls out trash with positive action.
- (C) GEMCO harvesters are available with the widest pitch spud chain offered in the industry to make possible more effective cleaning.
- (D) GEMCO rim type shallow running lifting wheels cut the trash where it lies on the ground and leaves it behind and delivers a minimum amount of soil with the beets to be eliminated in the harvester. Throughout the United States and Canada the value of GEMCO beet harvesters is reflected in the highest resale value of any make. When you buy GEMCO harvesters you obtain the services and help of a company whose primary product is beet harvesters, you obtain experience and personal help which cannot be offered by a larger company with many products which demand its attention. See your dealer today and get the whole story.

8 General Machinery Company was the first to offer an accurately controlled disc toppler for topping beets in the ground. Our variable cut design which removes a minimum of beet crown based on beet size makes for maximum root recovery. Depth frame mounted GEMCO topplers can be adjusted for depth of cut while on the go. Tops are deflected into a usable windrow for field feeding.
