

**AT HUB CORNER**

**Lazbuddie Woman, Hub Man's Father In Crash**

Mrs. Olen Ivy of Route 1, Friona, and Leo M. Ruzicka, Sr., of Pep were hospitalized with injuries on Monday after their automobiles were involved in a collision at the Hub intersection south of Friona.

Both drivers, who were the solo occupants of their respective cars, were hospitalized at Parmer County Community Hospital with concussions, as well as minor cuts and bruises. Mrs. Ivy was travelling east on State Highway 86 and Ruzicka was travelling north on State

Highway 214. Ruzicka's 1961 model Buick struck the 1961 model Ford driven by Mrs. Ivy broadside.

The Ivy automobile was knocked 100 feet by the impact. The force of the blow spun the car around and it came to rest in the barrow ditch on the northeast corner of the intersection. Recent rains caused the car to slide the last several feet in the mud, but may have prevented it from overturning. Ruzicka's car came to a stop

51 feet from the point of impact. Both cars were either total or near-total losses.

The accident happened at about 12:40 p. m. Monday. The two drivers were taken to Parmer County Community Hospital by Claborn Ambulance.

Highway Patrolman Carl Davis of Farwell Investigated. Mrs. Ivy's husband (Shorty) is a farmer in the Lazbuddie community. Ruzicka is the father of Leo Ruzicka, manager of West Hub Ctn.

The 1961 model automobile driven by Mrs. Olen Ivy is shown here shortly after her car was struck broadside at the Hub intersection on Monday. The Ivy car was knocked 100 feet by

the impact, was turned almost completely around. Mrs. Ivy, a resident of the Lazbuddie community, is hospitalized at Parmer County Community Hospital in good condition.

**FOURTH ANNUAL**

**Invitational Golf Tourney This Weekend In Friona**

Qualifying round for the fourth annual Friona Invitational golf tournament will be played today at Friona Country Club course. Actual play in the tournament will be held Friday through Sunday.

Local players unable to play the Thursday qualifying round are requested to call their handicap to tournament chairman H. K. (Pudge) Kendrick at 247-3134.

Entry fee is \$15 per player. Wayne Wash, host pro, may also be contacted at 247-3125 or 247-2471.

Mrs. Wayne Wash announced this week that the Friona Women's Golfers Association will serve lunch for tournament players Friday, Saturday and Sunday.

"All boys who would like a job as caddy should contact us at the Country Club, and we'll try to get them lined up," Mrs. Wash said.

Tournament officials were hoping for a good turnout for the tournament. The defending champion, Max Hickey of Pampa, had not been heard from as of Tuesday noon, but was expected to be back to defend his title.

The tourney will be divided into 16-player flights. Eighteen holes of match play will be featured on Friday and Saturday. The championship flight on Sunday will be medal play.

First place winners in each flight will receive a set of Walter Hagen irons. Second-place winners will get Walter Hagen

woods. Consolation winners are to receive a Wilson golf bag. Invitations have been sent to golfers throughout the West Texas and Eastern New Mexico area to enter the tournament.

**C-C Mails Statements**

Statements of annual dues are being mailed out this week by the Friona Chamber of Commerce and Agriculture.

Along with the statements are being mailed letters which explain the chamber's program of work, and delve into why more money will be needed to carry out the 1965 program of work.

The letter pointed out that the number one objective for the chamber is the eventual hiring of a full-time Chamber of Commerce manager.

"This is not to say a manager will be hired next week, but we hope to accomplish this within the next few months," the letter states.

Among the other projects listed by the chamber are to promote tourist trade; to promote the Running Water dam site for recreation; to increase the existing building fund; industrial development; livestock and agricultural development; to instigate an area beautification program; to promote Friona's Matze Days celebration and to increase membership.

The letter was signed by Chamber of Commerce directors, Gary Brown, president; Flake Barber, secretary; Bill Sheehan, Marty Martinez, Dr. Loyd Shackelford, Ranza B. Boggess, Earl Chester, Eric Rushing and John R. Cook, past president.

**WITH WESTERN AMMONIA**

**Agronomist Locates Office In Friona**

The Western Ammonia Corp. of Dimmitt has announced the location of a special agronomist for this area in Friona, Com. to Friona is Dr. Norman L. Nossaman and family, formerly of Garden City, Kansas.

Dr. Nossaman will put out experimental demonstration plots in the Friona area, and will be working with these as well as agronomic problems facing Western Ammonia's customers at the area outlets.

The new Friona resident received his bachelor's and master's degrees at Oklahoma State University. He received his PhD in soil fertility at Kansas State University.

Nossaman will be working with six area Western Ammonia sales outlets primarily-- those in Friona, Bovina, Hub, Farwell, Hereford and Clovis,

N.M. The Nossaman family have three daughters; Leslie who is eight, Cheryl, five, and Kayla, 13 months. They are members of the Methodist Church.

Kent and his family travel Texas highways quite a bit. "We went to the Sonora Caverns and to Dallas and Houston, and Aunt Barbara took us to Old Mexico," he said. "I like the pecan trees and Bluebonnets along the roads, and the roadside parks."

Kent has no favorite subject in school. "But I do like working together in class projects... like the travel project," he said.

Of every ten veterans now living, eight will survive until 1980, four will be alive in the year 2000, and one will still be living in 2015, the Veterans Administration estimates.

Off to the Girls' State convention are Sherri Tamahill (left) of Friona and Sherry Bass of Farwell. Both girls are sponsored by the Friona American Legion Auxiliary. The girls left for the convention in Austin on Tuesday.

**City Awards Work Pact**

Foran Construction Company of Amarillo was awarded the contract to do water and sewerage work in three new additions to the city of Friona in a special meeting of the Friona City Council last Friday.

The Amarillo company was low bidder among five companies bidding, with a bid of \$28,008.25.

Included in the job will be extending water and sewer mains to the new Staley addition, Western and Welch additions. Also, the running of an eight-inch water main from the present "limit" at Automotive Ignition westward, under U. S. Highway 60 and to the new Western addition, which lies to the west of that highway and south of Farm Road 1731.

Other bidders and their bids on the project, were: H. P. Jordan, Amarillo, \$28,044.58; Panhandle Construction Co., Lubbock, \$29,533.84; J. T. Brodie & Co., Amarillo, \$30,334.60 and Friona Plumbing and Heating, \$38,435.80.

**THE FRIONA STAR**

VOLUME 43 NUMBER 38 12 PAGES

**CROPS BENEFITTED**

**Million Dollar Rains Soak Area's Farmland**

Rain... slow-falling, soaking and plenty of it.

That pretty well describes the highly-acceptable situation around Friona for the past week or so.

Although wheat farmers were primed for a harvest, with their crop entering the final stages, even they must have been smiling at the best general moisture for the Friona area in quite some time.

The City of Friona measured 3.7 inches for a three day period of last Wednesday through Friday. It has measured 1.73 inches for Wednesday and Wednesday night, and another 1.97 inches on Thursday and Thursday night.

As stated, the moisture fell near-perfectly. It was just right for such young crops as cotton and maize, giving them one of their best starts in recent years barring other turbulent weather in the immediate future.

Most Friona area farmers received at least as much moisture as the official Friona measurement, and many received more. The fall was some lighter to the north and far western part of the county, but the entire area "got wet," and the rain was bound to have been worth several hundred thousand dollars to area farmers, if not in the "million dollar" category.

In the Lazbuddie area in the southeastern corner of the county was centered the main crop-damaging aspects of the entire system. There the fall was heavier, and on Wednesday afternoon (June 9) considerable hail damage was felt by several farmers in that area.

Mrs. Delena Steinbock reports the largest amount of rainfall which the Star has heard about during the past week in Parmer County; her total was eight inches with some damaging hail.

Bobby Broyles, also of the Lazbuddie community, received

seven inches of rain, but unfortunately, a lot of hail with it. Almost every farmer in the Lazbuddie area contacted received in the vicinity of six inches of moisture. That was also the amount reported by grocery stores at both Lazbuddie and Clay's Corner.

The Hub Store reported 6.5 inches of rain during the week up to Tuesday noon. The Black area received four to five inches, with T. J. Presley having reported 4.9 inches.

To the northwest and southwest, the measurements varied. Rhea received around two

inches. Carl Schlenker had 2.3 inches and Cordie Potts 1.8.

Tuesday night's shower measured .08 at the City of Friona, leaving the week's total at 3.78 inches, and bringing the total for the year to 8.59 inches.

**Invitational Bowling Meet Producing Top Scores**

The recently held theory by many bowlers that Friona Lanes was a "tough scoring" house was knocked into a cocked hat this past weekend by an assortment of Class A bowlers from Big Spring, Amarillo and Clovis along with some good scores also posted by local ladies.

At the end of the first of three big weekends for the Golden Wheat Classic Ladies Invitational Bowling Tournament, the first ever held here under the sponsorship of the Friona Women's Bowling Association, Amarillo Bowl's 2673 was the top team score.

Local merchants, some 40 strong who helped contribute sponsorship to offer a guaranteed first place of \$200, will not be called upon again next year. The sponsorship did the trick, luring enough teams that the guarantee was met by money posted by bowlers themselves. Next year the same guarantee will already be waiting for the visiting ladies, without having to call on the sponsors for help.

Big Spring's Sugar Brown and Frances Glenn posted a 1070 to nose out Amarillo's Peggy Russell and Jo Hawley for top spot in Class A doubles. Equally

impressive was a Class B doubles score of 1019 by Lorene Moore and Norene Aye of Clovis and an outstanding 1013 in Class C by Friona's Karen Blake and Marie Irwin, another Big Spring kiegler.

In singles competition the early leaders were Frances Glenn with 585 and Lorene Moore at 572 in Class A; Marie Irwin 526 in Class B; Karen Blake 466 in Class C and Carrie Shirley 367 in Class D. Also outstanding were a 1635 by Jo Hawley of Amarillo in Class A all events and a 1535

## Bowling--

(Continued from page 1)

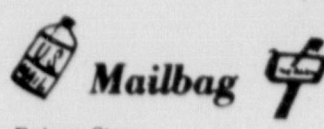

by Liz Whaley of Clovis in Class B all events. Individual top effort was a 609 scratch series in the team event by Peggy Russell, her first ever, and the first ladies 600 rolled at Friona Lanes in the past two seasons.

The onslaught begins again Saturday of this week with another sizable schedule on tap for Saturday and Sunday but by far the biggest number of entrants will be here the following and final weekend.

A total of 31 teams, nearly 10 singles and 50 doubles are scheduled in the tournament proper and the men get into the act by partnering in the Ragtime Doubles event which already has a \$170 prize fund and should be one of the biggest ever held here.

Local ladies, forming approximately half the entries, are the key figures in the tremendous success of this first invitational. The event drew only two less teams than the Clovis Invitational, a tournament that has been established for many years.

Betty Rector is Tournament Chairman for the Ladies Assn. A list of the 200-plus games rolled this past weekend would include many names. Lorene Moore and Frances Glenn each has three in the nine games of the tournament proper, while Jo Hawley, Peggy Russell posted two each.

## Mailbag

Friona Star; Dear Carol, June & Bill, Through the publicity you have been so generous with the past year. We have been able to get our Library project before the public. We are having such a wonderful response from every Club and Civic organization. Books have been donated, our Memorial Fund, our Memorial Bookshelf -- the Services Reading Program - Story Hour - Cash donations - all have grown because of your interest and cooperation.

Each of you have been so kind to come running each time we call and ask for a picture, or for help in any way. The Library had a good year last year and you had a part in making this a good year and making some of our dreams come true. We are truly grateful.

Sincerely,  
Willard Stewart  
Friona Public Library - Committee

## LAZBUDDIE NEWS

By Mrs. C. A. Watson

Laura Burnett, seven year old daughter of Mr. and Mrs. Orville Burnett, has been released from Methodist Hospital, Lubbock. She received injuries in a fall in the Clovis Park and is making satisfactory progress.

Mr. and Mrs. Rufus Carter returned last weekend from Chickasha Oklahoma, after attending the Hullette family reunion.

Sunday visitors in the Rufus Carter home were the L.H. Bradshaws and the Jackie Williams family from Farwell; Mr. and Mrs. Eugene Morton from Dimmitt; Mrs. Jesse Cantrell and Ida Hale-er of Earth; Mrs. Alpha Neeley, Muleshoe, May Mahan and Ethel McCurdie, Lazbuddie.

Guests in the Paul Templeton home Sunday were Mr. and Mrs. Alton Morgan, Amherst and the Eugene Pierce family of Odessa. The Morgans are Mrs. Templeton's parents and Pierce is her brother.

Mr. and Mrs. Gerald McGehee, Clovis, visited in the home of Mr. and Mrs. John McGehee Sunday.

# School Board Approves Two Teachers For '65-'66

The Friona Independent School board of trustees signed teacher contracts for two teachers who will teach in the Friona school system for the 1965-66 term.

Mrs. Wayne Hodgson, who received her bachelor's degree at West Texas State University recently, will teach language arts in Junior high in place of Mrs. Doug Underwood, who moved. Mrs. B. E. Diggins will teach second grade. Mrs. Diggins, who finished up the term just past, has not been teaching full-time for four years.

School tax assessor-collector Porter Roberts reported that collection of delinquent taxes during the month of May totalled \$488.04, leaving a balance of delinquent taxes as of May 31 at \$9,595.83.

Superintendent of Schools Alton Farr gave reports on the activity, cafeteria and trans-

portation and the school budget. Farr also reported that the value of commodities received for consumption in the school lunchroom during the year with valued at \$15,622.53. Of this amount, the largest single item was butter, of which \$5,020.16 worth was received by the local lunchroom.

Special recognition was given by the board to two men of the community who have donated items to the school. Hoyt Smith donated a small barn to the

FFA farm east of town, which has been moved to the site. Florian Jarecki furnished the vocational agriculture department with an Electro-Groom machine, used in the preparation of animals for showing.

Farr told the board that he had received notice that the three new school buses which had been requisitioned for next year had been approved. The buses will be Dodge makes: one is a 48-passenger and two are 60-passenger buses.

An independent insurance agent is a man you can fall back on

If your home burned, your business were burglarized, or your car were involved in a serious collision, would you know where to turn for help?

You would--if you bought your insurance through an independent insurance agent.

We are independent agents, pledged to serve you first. Because we're independent--representing a number of strong companies--we can select the right policies for you, at the lowest cost. When trouble strikes, we are at your side to help you get your claim settled quickly and fairly, without red tape.

We'll give you personal service when you need it, day or night. That's The Big Difference in insurance.

## Patrol Investigates 12 Accidents In May

There were 12 rural accidents in Parmer County during the month of May, according to Sergeant W.E. Wells, Highway Patrol Supervisor of this area.

These crashes resulted in three persons injured, and an estimated property damage of \$5,337.00.

The rural traffic accident summary for this county for the first five months of 1965 shows a total of 48 accidents resulting in two persons killed, 21 injured, and an estimated property damage of \$25,137.00.

Due to a man-power shortage in the uniform services of the Texas Department of Public Safety, applications for the position of patrolman are now

being accepted until July 6", announced the Patrol Supervisor. Examinations will be given throughout the state on July 14 and July 15. The four month training school will begin on August 31 at the Texas Department of Public Safety Law Enforcement Academy in Austin.

Young men between the ages of 21 and 35 that are interested should contact the nearest Texas Department of Public Safety Patrolman or office for additional information.

The cupola of the old Hardin County courthouse was once used as a lookout station for forest fires by the Texas Forest Service.

DOES YOUR LIFE INSURANCE HAVE LOANABLE VALUE HERE?

That can be a very important question when you need cash quickly... and want a loan at the lowest borrowing cost! You'll certainly like our collateral loan rates and service -- especially when you offer a life insurance policy, having loanable value, as security.

**Several Frionans To Attend Band School**  
A large group of Friona students will attend the 18th annual McMurry College Band and Twirling school, July 11-24 in Abilene, and Willis Giddens, Friona band director, will be one of the instructors.  
The Friona students having been accepted for the school are Shirley Johnson, Donna Jo Parr, Sharon Audrey, Jo Anne Jennings, Cindy Ingram, Roxanne Hall, Kathy Renner, Patricia Tannahill, Kara Beth Sides, Becky Coffey and Lonnie Ellis.  
Also having been accepted are Michael Reznik, Danny Kendrick, James Gable, David McFarland, John Brady Bingham, Ricky Jennings, Wayne Schueler, Calvin Rex Talley, Randy Ellis, Joe Murphree, Bill Ruzicka, Troy Bass, Mike Buchanan, David Reeve and Jim Bob Jones.  
Nearly 500 students from Texas, New Mexico, Oklahoma and Kansas took part in the band school last year.  
Classes will offer training in individual instruments, conducting, marching, stage band, theory, concert band, twirling and band majoring, according to Dr. Raymond T. Bynum, director and founder of the school. A course in reading band will be offered to the more advanced students.  
Planned activities for the students included theatre parties, concerts, socials, campus movies and a religious service. Most of the students will live in dormitories on the McMurry campus.  
Some of the faculty members for the band clinic are Willis Giddens, Friona; Tim Jones; Hamlin; Merlin Jenkins, Abilene; Judy Mathis, Roscoe; Carl Lobitz, Odessa; Gene and Karen Young, Plains; Russel McKisk, Big Spring; and Warren Thaxton, Abilene.  
Applications for attending the band school are being accepted and additional information can be obtained from Dr. Bynum. Students will be able to apply until the first day of the school, providing the number of applicants does not grow too large, according to Dr. Bynum.

### Farmers Attend Gas Meeting

A large group of farmers attended the special meeting of Farmer County Gas Users Association last Thursday at Hub Community Center.

The farmers heard a report from W. L. (Preach) Edelson, president of the farmers cooperative which were tied into the Transwestern Gas Company line on Tuesday of this week. Edelson explained the details of how the cooperative will work. He also explained the possibilities of adding to the line through formal application through the Federal Power Commission.

**CARD OF THANKS**  
We want to thank our friends and neighbors of Friona for everything that has been done during the illness and following the death of our son and brother.  
We appreciate so much your prayers, cards, flowers, food and contributions to the memorial fund.  
May God bless each of you.

### County HD Council Meets

County Home Demonstration Council met Monday in the Friona Bank Community room for their regular monthly meeting with Mrs. Joel White, County Chairman presiding. Seven Clubs were represented, Mrs. Edmund Kitten, was elected as Farmer County Chairman of the Texas Home Demonstration Association, Mrs. Kitten belongs to the Oklahoma Lane Community Home Demonstration Club, and has held several offices in this Club. She succeeds Mrs. Walter Kaltwasser, who has held this position for the past two years.

Each of the first six field personnel of the Texas Forest Service patrolled 1 1/4 million acres on horseback. They were instructed to ride 5 to 25 miles each day acquainting people with the need to prevent forest fires.

### At Home In Farmer County

By CRICKET B. TAYLOR  
County HD Agent

**JUNE DAIRY MONTH** -- For many years now, June has been called the "Dairy Month." This means special emphasis is placed on the importance of dairy products in the daily diets of American people.

Let's take a look at foods that are valuable for its contribution to the daily diets. Because milk is so valuable a food, it's one of the first foods to jot down on shopping lists. However, closely your food money must be budgeted, you're spending wisely when you get enough milk for your family.

What is the caloric value of milk? An 8-ounce glass of whole milk gives 165 calories; skim

milk, 90 calories; buttermilk, when made from skim milk with no butter granules added, 90 calories. And milk's calories are accompanied by a goodly assortment of nutrients. Here's an example: Two glasses of whole milk furnish only about 15 percent of the calories a woman 25 to 45 years of age needs every day; at the same time, those same two glasses supply over 70 percent of the calcium, nearly 60 percent of the riboflavin, 30 percent of the protein, 26 percent of the niacin and 12 percent of the Vitamin A recommended daily. Because of its high nutritive value, milk does belong in the sensible and satisfying selection of food for weight control. It pays to cultivate a taste for important food needed in daily diets, than to eventually suffer the consequences and spend money for pills and shots to supply these nutrients.

**NUTRITIOUS SNACKS** -- Milk has often been called, "the most perfect of foods" because it offers some 100 different nutrients -- a long list of vitamins and minerals, fats, sugar, and high-quality protein.

Most mothers are concerned (or should be) about their children getting adequate amounts of milk in their diets. Too often "pops" and artificial drinks are allowed to take the place of milk in the diets and then they wonder why children do not grow and develop properly, are too often sick, have little ambition and appetites for basic foods. To get more of this important product into daily diets here are a few ideas:

**CHOCOLATE-PEPPERMINT SHAKE**  
For 2, beat together 1 pint peppermint ice cream and 1 pint chocolate flavored milk until frothy. Add a scoop of vanilla ice cream to each serving.

**STRAWBERRY SMOOTHIE**  
For 2, combine 1 cup milk, 1/2 pint vanilla ice cream, 1 cup fresh sliced and mashed strawberries, and 1/4 cup honey. Whip until smooth.

If you like to make your own ice cream, here's a recipe

### County Agent Gives Tips On Wheat Straw Management

Wheat crop residue should be considered an asset rather than a liability, according to Farmer County Agent, Joe VanZandt. The advantages of leaving wheat residue on the soil is in maintenance or improvement of soil structure. This is reflected in better water intake rate, less runoff after rain and better soil tilth.

Under irrigated conditions, figure on having about 180 pounds of residue for every bushel of wheat produced. A 40-bushel crop will produce about 3 1/2 tons of straw.

According to Jim Valentine, Extension Soil Chemist at Lubbock, 3 1/2 tons of straw contains about 47 pounds of Nitrogen, 12 pounds of Phosphorus and 82 pounds of Potash.

With good management these elements contribute to the nutritional requirements of the next crop.

When dry residues are turned under, additional nitrogen may be required to avoid a temporary nitrogen shortage in the following crop. Application of nitrogen does not necessarily speed up residue decomposition, but it will keep soil nitrogen from becoming unavailable for the next crop.

The amount of plow down nitrogen needed to offset this hazard varies but about 20 pounds of nitrogen per ton of residue plowed under is a good

rule of thumb. This would be about 70 pounds of nitrogen for a 40 bushel crop that produced about 3 1/2 tons of straw. Van Zandt also mentioned these ideas on residue management:

1. Leave part of the residue on the surface, except on foot-rot infected land.
2. Decomposition of residue by soil micro-organisms is influenced by available nitrogen, temperature and moisture. Broadcast nitrogen should be worked into the soil, at least partially, for best effect.
3. Surface applied nitrogen on exposed residue not worked into the soil, cannot be expected to speed up the process and a portion can be lost to the atmosphere.
4. Decomposition slows down as soil temperature drops. It proceeds fastest when temperature is ideal for plant growth.
5. Wildlife populations can be killed off where wheat straw is burned. Many wheat fields contain young pheasants now and we should try to protect these game birds.
6. Farmers who intentionally burn their wheat straw will forfeit any ACP (Agricultural Conservation Program) payments this year.

In summarizing, VanZandt said that crop residues when returned to the soil, are an asset to maintain good productive cropland over a period of years.

Even though several trips over a field may be necessary to plow down heavy wheat straw, the added benefits will make it worthwhile.

### Zachary Serves Aboard Midway

Aviation Electronics Technician Second Class Billy C. Zachary, USN, son of Mrs. Arthur L. Stokes of Friona, is serving aboard the attack aircraft USS Midway, operating in the Western Pacific with the U.S. Seventh Fleet.

Midway has been operating off the coast of Viet Nam, and has been assisting the government of South Viet Nam by conducting air strikes against communist installations in North Viet Nam and Viet Cong concentrations in South Viet Nam. Midway's fighters and bombers have been bombing communist bridges, supply depots, airfields, truck convoys and other North Vietnamese installations aiding the Viet Cong.

The Texas legislature, in 1951, made it a felony for a person to deliberately set fire to grass or forest land owned by another. They also passed a law making it a misdemeanor to negligently set, or cause the be set on fire, the lands of another, the Texas Forest Service reports.

### On The Farm In Farmer County

By JOE VANZANDT  
County Agent

#### GRUB CONTROL BENEFITS

Grub control in beef cow herds can sometimes increase calf weaning weights as much as 40 pounds.

Grub control costs as little as 12 cents per cow and few management practices will pay such good dividends.

Heavy infestations of grubs can reduce a beef cow's milk production as much as 2.5 pounds per day. Multiply this times 205-day suckling period and it means a loss of more than 500 pounds of milk.

Experiment Station research indicates 500 pounds of milk can make a difference of 40 pounds in the 205-day weaning weight of a calf. Also, grub free calves will likely bring more at the market.

Using recommended dosages and procedures, the grub control costs per head are about 22-cents for spray, 50-cents for pour-on, and 12-cents for dipping.

Grubs can also be controlled through feeds that contain a systemic. Stockmen should consult their feed dealer for information on this method.

Treatment should be made after the end of the heel fly season. In the High Plains area this is about June 15.

All methods are effective in controlling grubs and stockmen should use the one that gives the best combination of costs and convenience.

Cattle should not be treated for grubs and drenched on the same day.

Insecticides recommended for grub control are Co-Ral, Ronnel, and Ruelene. There are many restrictions and different formulations to use for grub control.

Information on controlling grubs with systemic is available in the Extension Service publication, Texas Guide for Controlling External Parasites of Livestock and Poultry (MP-691), available at your county agents office.

**SOURGUM MIDGE REPORT**  
Results of overwintering tests at the South Plains Research and Extension Center,

Lubbock, indicate that midge successfully overwintered in grain sorghum which was subjected to several different cultural practices. Midge emergence was noted from plots which were disced under, stubble mulched, deep plowed, and left standing. Overwintering also occurred in Johnson grass, sweet sudan, and sorghum alnum which was disced under and left standing at the station. Johnson grass, sorghum alnum, and white tridens along with a few other host plants of the midge are available and in a suitable condition for egg laying. No midge emergence has been detected from head samples yet. Of course in 1965, the first midge were not obtained from host samples until July 1.

Adult midge movement is generally less than in 1964 which is in agreement with fewer midge entering the winter. This is probably the beginning of peak midge movement from overwintering quarters in search of host plants.

We did have some midge infestations last September and October here in Farmer County. They could serve to infest our area if some overwintered. Therefore we suggest you destroy any host plants you have around your place such as Johnson grass. Host plants are necessary for the midge to reproduce and multiply.

#### NITRATE POISON SYMPTOMS

In acute nitrate poisoning, animals are often found dead with no previous history of illness. Numerous abortions may occur in the herd a few days after the acute deaths, or there may be abortions and no deaths. Cattle have signs of nausea, vomiting, abdominal pain, bloat, fast pulse, prostration, dyspnea, and death. The blood is usually dark brown, but in fertilizer and some other cases of nitrate poisoning the blood may be cherry red. Sheep have about the same signs as cattle and in addition have frequent urination, open mouth

(Continued on page 10)

**ANNOUNCING WE ARE NOW DEALERS FOR**

**ALSO FRIGIDIARE APPLIANCES**

**Reeve Chevrolet**

that will make 1-1/2 quarts of **Homemade Fresh Strawberry Ice Cream:**

Sweeten 1 quart crushed ripe strawberries to taste with sugar. Let stand until sugar dissolves. Combine 1-1/3 cups sweetened condensed milk, 1 cup light cream or evaporated milk, and 1 cup cold water. Add strawberries. Chill. Freeze in 2-quart freezer as directed.

A new bulletin entitled "Getting Enough Milk," is free for the asking--come by the Extension Office on the 2nd floor of the Courthouse and get a copy or write the Home Demonstration Agent to mail you a copy. It is full of good recipes and ideas for getting more milk in daily diets.

Remember we never outgrow our need for milk.

### Interest Created In Tornado Protection

The recent turbulent weather in the area has created widespread interest in protection from tornadoes.

Home Demonstration Agent, Cricket B. Taylor says that the Farmer County Extension office has a variety of publications that deal with shelters and family preparedness for protection from both natural disasters and nuclear attack.

Mrs. Taylor said that the USDA has tried to make family preparedness information available through existing agen-

cies and for several years the Texas Agricultural Extension Service has had a rural civil defense program.

Much of the information on family preparedness available through the county agents office was prepared by Extension civil defense specialist at Texas A&M University.

Some of the publications available include: "Facts About Fallout Protection," "First Aid," "Emergency Food and Water," "Family Shelter Designs" and several others.

# Father's Day In Friona

First Father's Day -- Seven month-old Kathy Raybon will help her dad, Billy Raybon, celebrate his very first Father's Day this Sunday. Kathy was born on her dad's birthday last November 18.

Barber's-Shop Quintet -- Flake Barber gets some clerical assistance from his four little Barbers. Helping their Dad mail out Chamber of Commerce letters are Tom, age 8; Kelly, 13; Bud, 7 and Tracy, 10.

Three Generations -- Grandfather, Roy V. Miller, will be honored on Father's Day by his son, Ross, and three little Miller's, Dana, age 3; Kent, 8 and Curt Lee, 5, Roy, who is extremely proud of each of his 15 grandchildren, was named Friona's Star Father of the Year in 1953.

Five Fathers -- W. M. White poses with his four sons, all of whom will be celebrating Father's Day this Sunday. Left to right are Ray, Lavern, the elder White, and Henry, all of Friona, Irvin White lives in Washington.

Center of Attention -- Mike Neill, 2-month-old, receives the admiring smiles of his Dad, Kenneth Neill, and the older Neill children, Mark, 5 years old; Suzan, 16; Cheryl, 18, and Becky, 13. This Father's Day will be the first for Mike and the eighteenth for his Dad.

Helping tell Brenda Hawker farewell at her party Sunday at the Friona clubhouse were Sherri and Jerri Ferguson, Brenda, Friona's exchange student from Australia, was given a farewell party by her American family, Mr. and Mrs. E. G. Phipps.

## Of Interest To ★ THE WOMEN ★

### Farewell Party Sunday Surprise Honors Brenda Hawker Party Honors Frionan

Brenda Hawker, foreign exchange student from Australia, was given a farewell party by her American family at the Friona Woman's Club House Sunday afternoon. Surrounded by 44 "relatives" and a few friends, Brenda was made a permanent member of the family in a humorous ceremony in which various family members assumed roles of royalty and members of the Parliament. In a Proclamation read by Grand Duchess Weonah Williams, she was named reigning Queen.

Queen Brenda was escorted to her throne by Grand Duke Dewain Phipps, dressed in her royal robes and crowned by lady Shirley Phipps, who also presented her with a large bouquet of pink and orchid larkspur and pink roses.

Mrs. Dale Houlette, member of the House of Lords and First Lady of the Treasury, and Mrs. Bill Bandy, also of the House of Lords, read comical and touching farewell addresses. The Queen Mother, Mrs. Charlie Phipps, and Princesses Judy and Deloris Phipps, Kathy Bandy and Jan Jameson sang "Brenda", composed for the occasion by Earl Jameson, House of Commons.

The family's farewell gift to Brenda, presented by Misses Sherri and Jerri Ferguson, was

followed by a rousing, "Long Live the Queen".

Brenda, whose American parents are Mr. and Mrs. E.G. Phipps, and who will leave Friona on June 26th, confessed that she was overcome and said she would never forget her American family. She then entertained her family by showing slides of Australia. Refreshments of cookies and ice cream were served.

Those present included Mr. and Mrs. Charlie Phipps, of Muleshoe, Mrs. Conrad Williams, Wenonah and Wendell of Goodland, Tex., Mr. and Mrs. Phil Phipps, and Janice Head of Hereford, Miss Jealine Woodwick of Canyon, Mr. and Mrs. C.M. Phipps, Dewain and Gary, Mr. and Mrs. E.G. Phipps, Shirley, Judy, Deloris, Patricia, and Myrna, Mr. and Mrs. William Bandy, Kathy, Jeannie, Janice, William and Alecia, Mr. and Mrs. Dale Houlette, and Chris, Mrs. Kenneth Ferguson, Sherri, Jerri and Wendy, and Mr. and Mrs. Earl Jameson, Bryan, Jan, Coy and Wade, all of Friona.

Friends and neighbors of Mrs. H.H. Elmore who has recently moved into a new home in Friona, honored her with a surprise combination birthday party and housewarming June 2. She was observing her 77th birthday.

Mrs. Elmore, a long time resident of the Black Community, has lived in Arizona several years and returned to Friona several months ago due to the illness of her husband.

A birthday cake, made by Mrs. T.J. Presley, was served with coffee and cold drinks.

Others present were Mesdames Clyde Hays, Ellis Tatum, T.J. Burleson, Rosco Ivie, K.E. Deaton, Bill Johnson, Gene Welch, Harry Lookingbill, Bill Carthel, Barbara Duderstadt, W.V. Elmore, F.W. Barnett, Helen Fangman and Dick Rockey.

Also Mrs. Woodrow Whitaker, Mrs. J.R. Braxton and Mrs. J.B. Snead.

### The Dixons... Then

PIONEER COUPLE TO BE HONORED... Children of Mr. and Mrs. C. W. Dixon will host a reception in observance of their Golden Wedding Anniversary in their home from 2 to 5 p. m. Sunday, June 20. Clarence W. Dixon and Mary McLean were married in Dimmitt June 20, 1915. Host couples will be Mr. and Mrs. Buck Dixon, Roswell, Mr. and Mrs. Ray Landrum and Mr. and Mrs. Jim Dixon, Friona. Friends and relatives are invited to attend.

### The Dixons... Now

#### Sparkman Family Get Together

Mr. and Mrs. E.E. Sparkman and all their children met at the home of Mr. and Mrs. James R. Cook and daughter, Sharon, in Amarillo Sunday for a get together.

Others present were Mr. and Mrs. Glen Sparkman, Gaylen and Lowann, of Canyon; Mrs. Robert E. Collier, Darrell and Rita, Friona; Mr. and Mrs. Jess Springfield and son, Larry, Maysville, Okla.; Mrs. Larry Springfield, Ada Okla.,

Also Mr. and Mrs. James Wendell Cook, Amarillo, Mrs. Troy Kemp, Sandra, Greg and R.J., Lubbock and Eldon Sparkman, Shallowater.

KITTY BLACK

### July Wedding Plans Announced At Tea

Announcement of the wedding date of Kitty Daylene Black, Friona, and JeDon Gallman, Lazbuddie, was made at a tea in the home of Mr. and Mrs. A. L. Black from 2 to 5:30 p.m. Saturday, June 12.

Mrs. Black, mother of the bride-elect, was assisted by Mesdames John Renner, Ralph Roden, Paul Daniel, Bill Burton, Noyle Wood, Kenneth Neill,

Mae Magness, G.B. Buske, T. L. Bursleson, Paul Fortenberry, Hollis Horton Jr., Christine Shirley and C.W. Tannahill and Pamela Sue Roden and Paula Fortenberry.

Wedding vows for the couple will be read at First Baptist Church, Friona, Saturday, July 10.

About 120 persons signed the guest register.

### Circle Meets In London Home

The Kolwvia Circle of Women's Society of Christian Service of Friona Methodist Church met in the home of Mrs. Jerry London recently. Mrs. Guy

Latta directed the program. She was assisted by Mrs. Danny Smith, Mrs. Truitt Read and Mrs. London.

The second volume of the Interpreter's Bible was presented to the hostess as an expression of the appreciation of circle members to their leader, Mrs. Latta and Mrs. Smith, study leaders, were presented copies of "Women of the Bible" by Edith Dean.

### Son Born To Joe Tongates

Mr. and Mrs. Joe Tongate, Andrews, became parents of a baby boy Thursday, June 10. He was named Vonya Paul and weighed 8 lbs., 2 ozs.

He is the first son for the Tongates. They have an older daughter, Sydonia.

Grandparents are Mr. and Mrs. Jack Tongate, Meadow, and Mr. and Mrs. R.B. McKee, Friona. Mrs. R.B. McKee is visiting in the Tongate home in Andrews.

Other members present were Mrs. M.B. Buchanan, Mrs. A.S. Grubbs, Mrs. Richard London, Mrs. Bob Owen, Mrs. Bill Stewart and Mrs. Ed Clark.

Mr. and Mrs. M.F. Rossen of Dallas were weekend guests in the home of Mr. and Mrs. Warren Conner and children.

### In And Around Friona

With June flow

Local citizens who are interested in seeing works of art done by Friona artists still have the opportunity of doing so. Most of the paintings exhibited in the recent art show at the formal opening of the new wing of the hospital are on display in the lobby of Friona State Bank.

These paintings will be removed Saturday morning, so if you want to look at them, be sure to go by before then. We can all be proud of the talent of some of our citizens in any field and art is no exception.

If there is a farmer in the area who is wishing for more rain right now, I haven't visited with him. The ones I've visited with are ready for the ground to dry up so they can get into the fields and get to work.

Mr. and Mrs. John Bengier of the Black community have been inviting friends to come to their house to fish, boat or swim. Mr. Bengier said, "We have water for any kind of sport. Just come on out."

The additional water in surface lakes is always a temptation to residents of the area even though it isn't always safe to swim or go boating in them.

An article in a recent Farm Safety Clipsheet gave advice that all of us should heed at all times and especially when there is a lot of water around. The caption reads "Ponds on Farms Can Be Dangerous," and goes like this:

"The farm pond, long a useful farm resource, can become a death trap for swimmers when precautions are forgotten.

To make ponds safe for recreational purposes the National Safety Council suggests:

Place a fence that can't be climbed around the pond so children can't play there without adult supervision.

Mark safe swimming areas. Place warning signs at danger points.

Provide lifesaving devices, such as ring buoys, ropes or long poles.

Post safety instructions for swimming and boating. Don't permit swimmers to swim alone."

Most of our surface lakes are only temporary and these rules would be too difficult to follow for the benefit we would receive from having the water. The next best thing we can do is to keep the suggestion

in mind, then it isn't worthwhile to carry them out, we should just stay out of the water and insist that other's do likewise.

My apologies this week go to Mallynn Lovick of Memphis, Tennessee, who is visiting her grandparents, the Wesley Fosters. Her name was in a news story last week and it came out spelled wrong.

She and her mother, the former Ray Nell Foster, and brother and sister, Eric and Jill, are houseguests of the Fosters and it is always a pleasure to see them.

If there's anything more humiliating to a youngster than having a misspelled name in the paper I just don't know what it is. We are sorry, Mallynn.

I enjoyed reading this bit of philosophy and hope you enjoy it, too.

The only thing you can control in this universe is yourself. Devote sometime every day to setting-up exercises in happiness. Think thirty minutes every morning after breakfast of things you have to be glad over. Sit this half hour out in a sun bath of cheer.

Shut out all thoughts that hurt, from bad liver to false friends. Get in the way of turning everything so that you see its bright side. Happiness is entirely a spiritual product and is developed inside of you, and can

### Jaycee-Ette Official Attends Installation

Mrs. Barbara Rogers, Amarillo, state Jaycee Ette officer was a special guest at the recent Friona Jaycee Ette installation of officers held at Friona Country Club.

Other special guests at the salad supper and installation were Mrs. Chauncie Hommel, Clarendon, Area I Jaycee Ette vice-president, and Mrs. O.J. Beene.

Following the salad supper Mrs. Veldon Carroll led the group in repetition of the Jaycee Ette creed.

Mrs. Bill Taylor introduced guests. Guest speaker of the evening was Mrs. Hommel, who gave a report on the state meeting held at El Paso earlier this year.

Others attending were Mrs. Wayne Houlette and Mrs. Jimmy Cook, Amarillo; Mrs. Louise White, Clarendon; Mesdames Glenn E. Reeve Jr., D. E. Renner, Don McMahan, Gerald Shaver, Bill Dufur, Eune Martin, Calvin Dozier and Dale Williams.

from The Bible  
Now will I lift up myself.  
— (Isa. 33:10)

Every thought we think, every affirmation that we speak, every prayer that comes from the heart can be a step toward the highest of goals—the full expression of Christ within us.

not be put into you from the outside.

A man becomes wise by watching what happens to him when he isn't.

### Treiders Have Relatives Here

Mr. and Mrs. Rex Wagoner and daughter, Daria have been visiting in the home of Mr. and Mrs. George Treider last week. Wagoner received his BA degree at North Texas State University in foreign languages this year.

The Wagoners are moving to Yonkers, N.Y., where he will do graduate work in theology and languages at St. Vladimir's Orthodox Theological Seminary. Mrs. Wagoner will also do graduate work this summer.

### Carter Family Has Reunion

Members of the Carter family met at Friona Federated Club House Sunday, June 6, for a family dinner and reunion. The afternoon was spent visiting and playing games.

Those present were Mrs. Dora Hudgins, Lubbock, Mrs. Vineta Goodman, Rotan, Mr. and Mrs. Henry Lee Coldiron, Bonham, Mr. and Mrs. Dallas Earl Coldiron, Amarillo; Mr. and Mrs. J.G. White, Sherry and James and Brenda Hicks, Stephenville.

Also Mr. and Mrs. W.S. Crow, Earl, Kevin, and Slenia of Hereford; Mr. and Mrs. Dean Bax-

ter and sons, Rye Colo.; Mr. and Mrs. Otis Huggins and family, Farwell; Mr. and Mrs. Jim White and family, Mr. and Mrs. Clarence Martin and family, Mrs. C.D. Carter, Mr. and Mrs. H.G. White and Mrs. Lura Bradley all of Friona.

Mr. and Mrs. Jim Black and daughters, Candy and Susie of Houston and Mrs. Eva Peak, of Amarillo, are guests in the homes of Mrs. H.H. Elmore, Mr. and Mrs. Dick Rocky and Mr. and Mrs. W.V. Elmore.

### Maybe You've Seen The Adolphus— But Have You Seen It Lately?

Hospitality and gracious service do not change, but physical comforts do. Here at The Adolphus we have blended the best of the old with the best of the new, with unique and pleasing results.

Today The Adolphus offers you the most modern hotel possible to produce with furnishings and other equipment selected from the best of the new—fast, self-service elevators, direct-dial telephones and television, to mention a few.

But the conventional requirements for hotel comfort, such as large rooms, have not been overlooked. For example, nowhere else we know of can you find rooms such as our "Texas Size" rooms—300 square feet of comfortable living space with "his" and "her" baths, two closets, and lots of attractive space left over for entertaining.

All this, plus free indoor in-and-out parking in our garage, makes The Adolphus the best place to stay next time you're coming to Dallas.

## Postmaster Suggests Booth To Fair-Goers

Postmaster Wright Williams today suggested residents of Friona visit the special post office and exhibit if they attend the New York World's Fair.

Highlight of the display is the nation's most famous postal error, the 1918 twenty-four-cent airmail stamp with the upside down mail plane; the postmaster said.

In addition to original die proofs of the "mistake" and other philatelic rarities connected with the airmail invert, the post office features an exhibit on the development of the John F. Kennedy Memorial Stamp, and a special branch of the Post Office Department's Philatelic Sales Agency, offering a complete stock of all commemorative issues now available.

Visitors to the modern postal installation will receive a free commemorative cachet envelope picturing the postoffice. The most up-to-date postal equipment in use, and several experimental models, are in-

stalled in the World's Fair Post Office. One mechanism mechanically places letters on their long end, spots the stamp and, if necessary, flips the envelopes so that they are in the proper position and then cancels them. Another device over 70 feet long, contains 12 stations from which postal clerks direct letters into nearly 300 bins as they separate the mail for speedy delivery.

The World's Fair Post Office processes approximately 250,000 pieces of mail each day. Visitors are able to see all operations from a ramp which circles the work area. A tape recorded commentary explains the action.

Twenty-one mail boxes from every area of the world line the entrance walk.

## Hospital Notes

Zoch, Nell Jones, Kirk Crim, Brad Beene, Eugene Hester, Edna Estes, Charles Seale, Ima Freeman, Glenda Lefler & Baby Boy, Maggie Tims, Cruz Garcia, Norma Baldwin, Monica Duran & Baby Girl, Henrietta Wilson & Baby Girl, Gladys Mars, Mary Wolman, and Inez Rule.

Presenting a tea for prospective members of a new study club for Friona last week were members of the Progressive Study Club. Here, Mrs. M. C. Osborn and Mrs. Ray Fleming are shown serving Mrs. Don Spring, a prospective member of the new club.

## H. Schuelers Have Guests

Recent visitors in the home of Mr. and Mrs. Herbert Schueler and family of the Pheasant community have been Mr. and Mrs. J.T. Stehr, Jimmit, parents of Mrs. Schueler.

Also Mrs. Stehr's mother, Mrs. A.L. McWhirter and brother and sister-in-law, Mr. and Mrs. H.G. McWhirter and daughter, Brenda of Dallas.

Mrs. A.L. McWhirter will be visiting in the Stehr home several weeks.

## Sunday School To Hold Picnic

The New Zion (Colored) Baptist Church Sunday School will hold a picnic June 20 in Clovis, N.M.

Rev. L.V. Mays, pastor, invites everyone interested in going to meet at the church Sunday morning. The picnic will be held after church services. Sunday School begins at 10 a.m.

Rev. Mays also asks that anyone who can help with the transportation please have their vehicles there. The Sunday School has an enrollment of 56.

## Piano Made For New Study Club

Members of a committee from Progressive Study Club have been making plans for organization of a new club and hosted a tea at Federated Clubhouse Thursday afternoon. Persons invited in formation of a new club were invited guests.

Those present were Mrs. Jerry Brown, Mrs. Billy R. Raybon, Mrs. Gerald Floyd, Mrs. Ross Miller, Mrs. Walter Cunningham, Mrs. Dale Williams, Mrs. Joel Landrum, Mrs. Jim Roy Clements, Mrs. Jimmy Maynard, Mrs. Pat Ferguson, Mrs. Don Spring and Kitty Black.

Committee members in charge of the tea were Mrs. G.L. Cranfill, Mrs. M.C. Osborn and Mrs. Ray D. Fleming. These committee members invite all persons interested in becoming members of the planned club to attend another meeting today at 2 p.m.

The first wagon road through the Alps was begun in 1338 and led through the Septimer pass.

## Pvt. D. Smith Ends Training

Marine Private First Class David R. Smith, son of Mr. and Mrs. Leon Smith, Sr. of Route 1, Friona, completed four weeks of individual combat training May 25 with the 2nd Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

The 20-day course included over 200 hours of rigorous instruction in small unit tactics, night combat, firing weapons, under simulated combat conditions and other subjects related to the Marine Infantryman.

DAVID R. SMITH

"Politics—the most promising of all careers. Promises, promises, promises." — Bill Stewart, Spooner (Wisc.) Advocate.

"A man's good breeding is the best security against another's bad manners." — John Maverick, Cherryvale (Kan.) Republican.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT

**PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON SEPTEMBER 7, 1965.**

**SENATE JOINT RESOLUTION NO. 44** proposing an Amendment to Sections 2 and 25 of Article III of the Constitution of the State of Texas so as to provide for an increase in the membership of the State Senate from 31 to 39 members; to fix the membership in the House of Representatives at 150 members; to require apportionment of the Senate according to population; and to delete the limitation that no single county is entitled to more than one Senator.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Sections 2 and 25 of Article III of the Constitution of the State of Texas be amended to read respectively as follows:

"Section 2. The Senate shall consist of 39 members. The House of Representatives shall consist of 150 members.

"Section 25. The state shall be divided into Senatorial Districts of contiguous territory according to population, as nearly as possible.

"Should the Legislature enact any enabling legislation in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall be-

come effective upon its adoption."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the 7th day of September, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

"AGAINST the Constitutional Amendment increasing the membership of the State Senate from 31 to 39 members, retaining the present membership of the House of Representatives, requiring apportionment of the Senate according to population, and deleting the limitation that no single county is entitled to more than one Senator."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

## Double Ring Ceremony Unites Lorene Jackson, David Hill

Lorene Jackson, daughter of Mr. and Mrs. Fred Jackson Sr., exchanged wedding vows with David Hill, Childress, in a candlelight service at Calvary Baptist Church at 6 p.m. Saturday.

June 5, Rev. Jake Armstrong, pastor, read the double ring ceremony.

Mr. and Mrs. David Hill Sr., Childress, are parents of the groom.

Bridal attendants were Lorene Jackson, twin sister of the bride, and Janet Bishop.

Bob Jones, Wichita Falls, was his cousin's best man and Bobby Sims served as groomsman.

## Party In Duggins Home

Mrs. Baker Duggins was hostess at a bridge party in her home Thursday afternoon. Mrs. Jimmy Smith played high. Special guests were Mrs. Alton Farr, Mrs. Benny Pryor and Mrs. H.E. Barnett.

Others present were Mrs. Mack Ragsdale, Mrs. Bill Lyles, Mrs. Tom Jarboe and Mrs. Smith.

Following the bridge session refreshments were served.

The bride, escorted to the altar and given in marriage by her father, wore a formal gown of bridal satin and Alecon lace. It was designed with a fitted bodice of lace over satin and long fitted sleeves of lace which ended in points over her hands. The pleated skirt featured a lace panel which flowed into a train in the center back. Her shoulder length veil fell from a rhinestone tiara and she carried a bridal bouquet of white carnations and stephanotis tied with satin lover's knots.

Following a wedding trip to points of interest in Texas Mr. and Mrs. Hill are at home in Childress.

## Frionans Return

Mr. and Mrs. Bert Shackelford returned home Tuesday after spending two weeks visiting relatives at Perryton, Houston, Kilgore, and Winnsboro.

At Perryton they attended the graduation of their grandson, Terry Shackelford, then at Houston they attended the graduation of a granddaughter, Diane Hurst.

The Shackelfords from Perryton were weekend guests in the Bert Shackelford home.

(Continued from page 5)  
breathing, and convulsions. Many of the animals may abort and show signs of vitamin "A" deficiency. Fowl stop eating, develop a water diarrhea with green flakes, cyanosis, and depression. The damage is caused by vasodilation as a result of the nitrite, and the lower oxygen carrying capacity of the blood due to methemoglobin (brown blood) formation. There are probably other unknown factors in the toxicity of nitrates.

#### TRACTORS FLIP FAST

You may be quite an athlete but you can't move fast enough to get off a tractor seat if the tractor starts to flip backward. Time and motion studies show that a rearing tractor gives you just two-fifths of a second to get out of the way.

The recommended practice to hitch below the axle tractor line is not in itself assurance against tipping backward. Racking the engine with the drive wheels mired deep is almost certain to cause trouble.

When the drive wheels are mired as much as 10 to 12 inches, it is much safer to back out. The forward climbing motion exerts a terrific lifting action on the front of the tractor. Don't take a chance; back out.

By the year 2000, three of every five veterans in civilian life will be World War II veterans and the other two will be Korean Conflict veterans the VA predicts.

## Second No-Hitter Tossed In Friona LL Action

For the second week in a row a no-hitter was hurled in Friona's Little League action last week.

Paul Samanego of J. D.'s Gas Service pitched the no-hitter Monday against Friona State Bank, as his team won 13-1. Samanego had pitched a three-hitter the week before, so has given up only three hits in the last two outings.

In an earlier game Monday, Randall Synder of Farmer County Pump pitched a one-hitter as his team edged Country Club Gin, 5-4 in one of the better games in the Pee-Wee League this season.

Losing pitcher for Country Club Gin, Coy Jameson, gave up only three hits. He had another of sorts the previous week (his team won, 13-12). Samanego faced only 18 batters in five innings in his no-hit job. He walked two and struck out six.

In another Intermediate League game, Star-Hurst broke into the win column in a big way, with a 19-3 win over Reeve Chevrolet. The winners scored four runs in each of the first three innings, and added seven in the fourth to claim an abbreviated win via the 10-run rule after four innings.

Pony League action saw Charles Oil of Bovina beat Hub Grain, 13-8, scoring six runs in the last inning for the win. In another game, Friona Motors

downed Parmer County Implement, 15-7, with David Parsons slaming a home run for the winners.

### Irrigation League Team

### Hopes For Win On Sunday

Friona's Irrigation League baseball team, licking its wounds from a 19-0 setback at the hands of Umberger last Sunday, will host Silverton Sunday in a game at Reeve Field. The game will start at 2:30 p.m., and will be the second meeting of the season between the two teams. Friona won the first game, 9-6.

The local team never could get untracked in their game last Sunday. They loaded the bases in each of the first and second innings, but never were able to score.

Umberger, meanwhile, pounded three Friona pitchers for 14 hits.
