1.00 Would Go To Local Salaries--

Rankin Schools Proposing Increased Budget For 56-57

HEARING BY SCHOOL

Session that began shortly 7 p.m. Tuesday night at school auditorium. Members of Rankin Independent School Board with various representatives of oil companies and taxpayers and discussed budget for the 1956-57

set forth in the budget total expenditure of \$440,000 for the coming year as compared with \$377,537 for the year past. Total amount, \$395,591.93 is expected to come from taxes within the remainder being from state aid and various sources.

of the proposed budget for Rankin schools propose \$233,761.00 in salaries for the year. \$62,500 is expected

TRUCK FIRE BY FIREMEN

Fire just off the Midland road leading to rural was extinguished shortly after 1:00 p.m. by Rankin Volunteer Firemen. Fire was caused by bearings in the wheels of the trailer. All tires were burned and extensive damage done to the trailer bed. Machinery that was dumped by the

truckers and escaped the fire. to be spent on general school operation while \$20,000 is proposed for repairs and additions to the system. One of these items which is being considered as new construction will be a \$13,000 bus barn. Some \$2,000 is proposed for repairs and additions to the football field and \$5,000 for repairs and rewiring of the junior high building.

COMPANIES RAISE OBJECTIONS

In the open discussion presided over by board president Walton Poage, a number of objections to various items in the budget were raised by tax experts representing the oil companies. They indicated that, in their opinions, the school could eliminate some of the proposed expenses and thus reflect a lower budget. They were further interested in the method the board proposed to use in securing the tax money.

After hearing the various proposals on the budget, the school board held a closed session after which they advised the company representatives that their suggestions had been taken into consideration and that two ways were being considered to raise the money for the coming year. One would be an increase in valuation and another would be a raise in the present tax rate. At the present time the board indicated that they are considering an increase in valuations.

Further discussions and complaints will be taken up with the board of equalization which is to meet Thursday, August 23.

AREA SCOUTS HERE AUGUST 23

Cub Scout, Boy Scout, and Explorer Scout leaders from all over the Permian Basin District of the Concho Valley Council are invited to attend the District Roundtables at Rankin on Aug. 23 at 7:30 p.m. at the Park Building.

Cub leaders will delve into their September Theme (Cub Scout Naturalist) in addition to reviewing the new 1956-57 Program Leaders Notebooks. A Cub Leaders Basic Training Schedule will also be discussed.

Boy Scout Leaders will discuss their September Theme of Round 'Em Up . . . and will learn more about the 1957 Jamboree to be held at Valley Forge in July of 1957. The new Boy Scout Leaders Program Notebooks will be discussed and a Basic Training schedule developed. Plans for an Advancement Trail Camp will also be developed.

Explorer Adult & Young Man leaders will discuss a proposed Indian Cave Exploration Trip and will conduct a Planning Conference to develop two or three District wide Explorer Events to be conducted during the next six months. They will also discuss the 1957 Jamboree and the 1956-57 Leaders Program Notebooks.

The families of all these leaders are invited to attend the Roundtables for the purpose of getting acquainted and to join in the watermelon party which is to be held afterwards.

As an added attraction the entire group will hear from Explorer Post 31 about their 1956 trip to Mexico City and will see a film of the subject.

All Cub, Scout, and Explorer leaders and friends of Scouting are encouraged to attend and participate in this learning and fun meeting.

4-H CLUB GROUP TO ATTEND ENCAMPMENT

Bud Poage, who is in charge of records and activities of the 4-H Club, said this week that about 10 members of that organization will leave Sunday, August 26, for an encampment at Junction. They are expected to return August 29 and will be accompanied by County Agent Dub Day.

A highlight of the encampment will be a study of conservation of

VOTING IN 2ND DEMOCRATIC PRIMARY BEGINS AT 8 A.M. SATURDAY, AUGUST 25

PRICE DANIEL led over opponent in county vote

CONSTITUTIONAL AMENDMENTS

Voters Saturday will also get an opportunity to express themselves on 8 proposed constitutional amendments. A special election is to be held on November 6 on House Joint Resolution 30.

Of the eight that are to be considered Saturday, it is felt locally that House Joint Resolution No. 23 is perhaps the most important to Upton County.

This amendment, if approved, would give the commissioners court the authority to divide money into the various operating funds as they see fit without having to hold elections to reallocate money into the various departments of the county government. Its approval would mean a substantial savings on the election holding as well as a more business like operation of the county money.

Summer Recreation Closes August 24

The Recreation Program for the summer will close August 24th. This will conclude a 12-weeks program of swimming and other sports.

The program has been a successful one, but the participation of teenager could have been larger. A well rounded program was planned by the Youth Council and sponsors in an attempt to satisfy the individual interests of more youths. It is hoped that more boys and girls will take advantage of these various activities in the future.

Mr. Hughes and Mrs. Gary report that it has been a pleasure working with the boys and girls.

wildlife which is to be under the direction of several area game wardens.

Democratic voters will finish Saturday what they started July 22. In Upton County the only run-offs for local offices will be in Precinct One where H. Wheeler led the July voting over W. O. Adams, and Bill Moore led A. A. Morgan in the constable contest.

On a state-wide basis, only the Governor's chair and the Attorney General's office are in run-offs with the Lieutenant Governor's race having been decided with the withdrawal of Aikin. In July, Upton County cast 479 votes for Daniel and 334 for Yarborough. W. Lee O'Daniel carried the county with 527 votes all of which will play a major part in determining the winner of that contest as far as Upton County is concerned.

In the race for Attorney General, Upton County cast their votes in favor of Ben Ramsey with Tom Moore running a fair second.

POLLS OPEN AT 8:00

Voting in the second primary will get underway at 8:00 a.m. Saturday and will continue until 7:00 p.m.; the same as in the July voting. Election judges will be E. C. Higday, Precinct 1, box 1, voting in the Commissioners Court room at the court house; J. M. Tippet, Precinct 1, box 3, voting at the Phillips Gasoline Plant office; and Norman Elrod, Precinct 2, box 2, voting at the Park Building.

Voters must cast their ballots in their home boxes.

INTEREST SLACK

With election day only two days away, most folks around Rankin and the surrounding area have shown little interest in the coming run-off contests. Candidates in the two Precinct one posts have been working rather steadily for the past few days and it is believed that the largest vote in the county will be cast in the precinct's two boxes.

Absentee voting as of Tuesday, stood at 82 with a large portion of these being cast by voters from the above mentioned precinct.

On the street, opinion this week would indicate that Daniel might have a slight lead over his opponent on the local level and that Will Wilson would have the nod in the Attorney General's race.

Band Practice To Begin August 27

Fred Prentice, local band director, has stated that Fall Drill Practice will begin on Monday, August 27th and will be from 9 a.m. to 12 each morning, Monday through Friday.

All Senior Band members and Jr. Band members, plus any new students should make this drill without fail. Uniforms will be issued at this time, and new music for Fall use will be read at this time.

NEWEST AMUSEMENT FACILITY, Sullivan's Golf Course, opened last Thursday night and has a steadily increasing number of players. At the same time, Paul Sullivan, owner and operator, has announced for a tournament to be held Saturday, September 2, to be played at night with some \$50.00 in prizes.

Filler by J. B.

Somewhere in the pile of loot that clutters our desk, we ran across the following 13 sure ways to ruin your home town. They were compiled by the Sedalina (Mo.) Democrat and apply to Rankin as well as to any other town.

They are well worth your reading and considered thoughts.

Don't pay taxes. Let the other fellow pay his. Vote against taxes. Then fuss because the streets are not kept up.

Never attend any of the meetings called for the good of the town. If you do, don't have anything to say. Wait until you get outside and then cuss those who made the suggestions. Find fault with everything that was done.

Get all the city will give you

and don't give anything in return. Write unsigned letters to the editor demanding more for your tax money.

Talk cooperation, but don't do any work for your city unless you get paid for it. And by all means refuse to serve unless they make you chairman.

Never accept an office. It's easier to criticize than to do things. Accuse anybody who serves in an elected office of being a publicity seeker (or a crook).

Don't do any more than you have to. When others willingly and unselfishly give their time to make a town better, howl because that town is run by a clique.

Don't back your fire department or your police department. If the firemen work to bring the insurance rates down, tell everybody that is what they are supposed to do. Don't thank them or the policemen for endangering their lives that you might have a safer town in which to live. Demand special treatment; raise Cain if anybody expects you to obey traffic and parking laws.

Look at every proposition in a selfish way. If you are not the one who gets the most good out of it, vote against it. Never consider what it will do for the town as a whole.

Don't do anything for the youth of the town. Criticize them as potential delinquents. Keep your feet on them. Encourage them to move away when they grow up.

If you have good town leaders, don't follow them. Take a jealous attitude and talk down everything they do.

Don't work on any committee. Tell them, "I'm too busy."

Don't say anything good about your town. Be the first to point up its shortcomings. Pretend that if trouble comes your way it will be residents of some other town who will visit you while you are ill; bring in their fire department if

your home is burning; comfort you if you lose a dear one; stand back of you in disaster.

And don't support your local retail stores and industries. Claim the prices and service in other towns are better. Claim industry and its payroll hurts the town. But if you need a donation, ask your local stores and industries for it. Expect them to back you, but don't back them.

If these 13 steps don't ruin your town, it isn't your fault.

NOTICE

Effective September 1st, all Remington Standard, Noiseless and Electric Typewriters will be subject to an increase in price. These increases, made necessary due to the increase in steel and labor costs, will average some 10 percent on all machines.

Similar price increases can be expected shortly on other brands of machines which the Rankin News can supply as well as on adding and calculating machines.

IF...

You are planning to purchase a new business machine for your home or office, there is still three weeks time in which you can save a considerable amount of money.

If you have a good credit rating, you can buy these machines now and pay later... even after the prices are up and you will only be charged the present price.

Mrs. Melvin Gryder

Candlelight Ceremony Unites Sybil Patton And Melvin Gryder

A candlelight ceremony in the Methodist Church Saturday united in marriage Miss Sybil Patton and Melvin Gryder. The Reverend Lynn McAden, pastor of the church, officiated at the double ring ceremony.

Parents of the bride are Mr. and Mrs. Preston Patton. Mr. and Mrs. Arvel Gryder are parents of the bridegroom.

Given in marriage by her father, the bride wore a floor-length gown of tulle and Chantilly lace over white satin. Trimmed with appliqued lace flowers, the dress featured a mandarin collar enhanced with seed pearls. The long sleeves ended in petal points over the hands. Her waist-length veil of imported illusion was attached to a crown of lace and pearls. She carried a white Bible topped with white carnations.

Miss Ann McSpadden was maid of honor. Bridesmaids were Miss Joyce Bloomer of Hempstead, Miss Nelda Lusty of San Saba, cousins of the bride, and Miss Genevieve Poage, Sharon Gryder, sister of the groom, was flower girl. Ring bearer was Vic Ivy.

Milton Gryder, brother of the bridegroom, was best man. Ushers were Gentry Holmes, Nolan Adams, and Donnie Gryder. Candlelighters were Lonnie Ferrell and Larry Simpson.

Nuptial music was provided by Mrs. Bill Rozean, organist, and Miss Andra Mitchell and Fred Wright, vocal soloists.

After the ceremony, the couple left for a wedding trip to Granite Shoals Lake.

The bride is a graduate of Rankin High School where she was a member of Omicron Tau of Nu Phi Mu Sorority. The bridegroom, a graduate of Big Lake High School,

Mr. and Mrs. D. F. Schnaubert returned recently from a vacation trip to Arkansas, Colorado and New Mexico.

is employed by Plymouth Oil Company. The couple will make their home in the Plymouth Camp north of Rankin.

A rehearsal dinner was held Friday in the Highland Cafe. Hosts were Mr. and Mrs. Preston Patton.

The Rankin (Tex.) News Thursday, August 23,

Mrs. Don Simon and have been visiting her parents' friends in Louisiana the weeks.

Among Rankinites in New Mexico, over the were Mr. and Mrs. D. and Mr. and Mrs. J. B.

Methodist Church Program ANNOUNCEMENTS

Sunday, August 26th, the regular "Family Night" service will begin at 7:00 with a covered dish supper and the worship service will begin at 8:00. Everyone is invited and urged to bring the entire family; if you have any guests in your home, bring them along and let them enjoy the fellowship and the worship service in the church. Invite your friends and make this a "Family" occasion! COME!

Many will be moving back into town for the beginning of school, and we shall be looking for them in church. Let us begin the "Fall Rounds" by planning a regular church schedule, along with the other activities which come along with the beginning of school and the beginning of the fall months.

BACK TO THE BIBLE

"Nevertheless, whereto we have already attained, let us walk by the same rule, let us mind the same thing" Phil 3:16.

The inspired writer is reminding us of the necessity of maintaining one standard of authority in religious life. We all recognize this need in material affairs. If no authority existed in our army it would soon disintegrate into a mob. None would care to live where no governmental authority existed for there would be no protection of individual property or body rights. Might, alone, would reign. What would you think of a football team that had a different set of rules for each player? Why cannot we see the same need in spiritual affairs? Why cannot we see that spiritual chaos and infidelity is the natural result of failure to "walk by the same rule?" Let us cast aside our disciplines, manuals and various creeds written by man with their conflicting rules. For authority let us disregard the decisions of every ecclesiastical conference and "walk by the same rule." OUR BIBLE.

Martin Kamstra Rankin Church of Christ

The End of the Line! And No Job!

Could it have been because of his unkept appearance? Yes—a good appearance definitely makes a difference in whether or not you have the influence over people which you desire to have. It costs very little to be neat at all times and pays big dividends.

Members of the Texas 4-H Council spent all last week at Tarleton State College for workshop sessions aimed at developing plan for a more effective 4-H program.

The council is composed of two representatives, a boy and girl, from each of the 12 districts, and the officers and advisors. The Upton County representative on the council is Jacquelyn Lucado who is chairman of the council in district

6.

WATERING TREES

Many trees are being killed by the drouth and heat. In many cases damage continues even when owners water trees because watering is not done properly. Extension Horticulturists say that light, surface watering, even when done daily, does little good because water does not penetrate to the root zone.

To water a tree properly, soak the ground around the tree to a depth of 3 or 4 feet. The best way to do this is let a hose trickle slowly over night, so there will be no run-off, to let the water penetrate the root zone of the tree. Using this method trees will need to be watered every 7 to 10 days.

And don't forget a needed dose of copperas now and then. When the leaves turn yellowish green with the veins showing dark, it's high time to work copperas around in the soil and water it good.

Miss Nancy Gary of Midland was a visitor in Rankin over the week-end.

STORY HOUR CLOSSES WITH PARTY

The story hour which has been in session for the past few months ended for the summer on Friday, August 17th, with a small party for the children.

Mrs. Edwards reports she had 40 students enrolled and they enjoyed many stories.

Twenty-four were present Friday.

The Rankin (Tex.) Thursday, August

They enjoyed the "Story of the Giraffe." "Story of the Ten Little" and they also played a game of "Ten Little".

The group enjoyed Mrs. Edwards was assisted by W. O. Adams and Smith.

ganizations are planning token interest in the gubernatorial campaign, while concentrating their efforts and finances to elect Tom Moore Attorney General.

Without discussing the merits or demerits of those who are supporting this man, let me call your attention to the fact that the office of Attorney General is actually more powerful than that of Governor, a politically ambitious in-

dividual could easily misuse this power, which includes the "power of visitation" whereby he can demand the books and records of any business concern to see if it is operating in "accord with state laws."

As you are aware, I had some experience with this fellow Moore a few months ago. It is my studied politically insofar as his personal ambitions are concerned; that he is dangerous; and that he lacks legal knowledge to fill the position he seeks.

He made no effort to conceal the fact that he was wilfully persecuting a man he considered innocent in order to get another individual in court. He was likewise frank in stating that he saw "greatest publicity possibilities" in our case than in the Washburn trial. Throughout the proceedings—which went against him—he showed an abysmal lack of legal knowledge.

Tom Moore cost several of us many tiresome, worrisome hours in his quest for fame and glory; he made us spend close to \$2,500; he cost an unestimated amount of time and disrupted service in our office. I think our experience but

**What
Grandmother
did**

What Granddaughter doesn't!

One thing Grandmother spent 5 1/2 hours a day in the kitchen. Granddaughter doesn't — she spends about an hour and a half on the average.

Plenty of low-cost electricity is the biggest part of the reason why. There's more than enough to do your cooking, your mixing, your dishwashing, your water heating.

And the men and women at your electric service company are planning and building ahead so there will be plenty for granddaughter, too.

In fact, you can be sure of plenty of electricity always when you are served by an independent electric company like this one.

FORD THEATRE

From where I sit ... by Joe B. Brown

Turned Out To Be a Good Break

We had a water main break last Thursday. Happened early in the morning—about two a.m.—and the first thing most of us knew about it was when we tried to turn on the faucets and nothing came out but a hissing noise.

Nobody was inconvenienced much though. Repair crew went right to work—and things were fixed up in jig time.

Incidentally, the water company got a flood of payments on overdue bills that day. Lots of "forgetful" folks must have figured they were being warned!

From where I sit, some obligations slip our minds. The responsibility we owe our communities... to our neighbors enjoy the work, how to vote, when to enjoy a bottle of wine, time we "forget" we owe right to others, we take on stopping the flow of that makes this country a grand place for us to live in.

Joe B. Brown
