

Annual Upton 4-H Club Turkey Shoot Opens Sat.

Shoot Time. Early Saturday morning, November 11, and continuing Sunday morning, beginning at 1:00 p.m. and continuing until dark—straight

shooters and not-so-straight shooters will all have an opportunity to put a turkey on the table for Thanksgiving, at the Annual Upton County 4-H Club Turkey Shoot

A change in location of activities for this year has been announced by W. M. Day, county agent. Shooting will take place on the East side of the Midland Highway, behind the Western Co. this year

where a new location has been prepared. The old site at the dump grounds has been filled with trash. Day said that the new location promises to be a much improved site over the old dump ground area and that there will be better parking facilities. A new skeet shoot is also being constructed.

Offered will be skeet—for the really skilled shooters—pistol and 22 rifle and the ever popular shotgun target where anyone who can pull the trigger may win a big fat bird for the dinner table.

All turkeys are fully dressed and

are first quality birds.

Classes of competition will also be held in a number of the events with junior classes, women and "duffers". Juniors and women may also compete along with the men. "You don't even have to have a gun or shells," Day explained. "There will be plenty of artillery so come on out and join in the fun. Funds go to the 4-H Club work in Upton County."

A refreshment stand will also be open and spectators are welcome to come out and watch the exciting sport.

Rankin Hosts Fabens Faiday Night

Friday night will mark the last game of football for a number of Rankin Red Devil seniors as they host the Fabens Wildcats on the local gridiron at 7:30 p.m. Thus far in the season, the Red Devils

have had trouble with teams sporting the name "Wildcats" and on Friday night, expectations are for more of the same.

Fabens and Rankin are almost equal in season figures with both

having allowed 162 points scored by their opponents while Rankin has a slight edge on the offensive side of the ledger. Both have won 3 district games and both have had to bow to the Wink Wildcats.

It will be a case of the winner having undisputed claim to second place in the district—unless the Sanderson Eagles beat Wink—unlikely.

Fabens was the only team Rankin beat last year and they are

expected to be in town Friday with the thought in mind of getting the situation on an even-Steven basis as this will be the last game between the two schools in regular play—both moving into different districts next year.

Fred Moore, who missed the 36-14 win over Iraan last week, is expected to be back in action but Sam Bean, the soph. standout, is out. Eleven seniors will participate.

Night Classes Offered For High School Studies

Beginning November 14 Rankin High School will again sponsor night study sessions, on Tuesday and Thursday evenings of each week from 7:00 'til 9:00. The library will be open each of these evenings with other areas of the building to be opened on a scheduled basis determined by student interest.

Participation is strictly voluntary on the students' part, and

students are not held responsible for work done in the sessions. Students need not be enrolled in courses in an interest area in order to be able to attend such meetings. A sponsor will be in attendance to help any student pursue the student's interest.

Students are to check-in and check-out in the library and are required to remain in the chosen work area at least one hour. Once a student checks out, he may not return during that session.

The schedule for special interest areas through Thanksgiving is: Tuesday, Nov. 14, library and commercial; Thursday, library and band; Tuesday, Nov. 21, library and science; no sessions Thursday, Nov. 23, Thanksgiving.

Results Given On PTA Hallowe'en Carnival

Rankin P.-T. A. started their annual Hallowe'en Carnival off with a colorful and entertaining parade at 5 p.m., Saturday, Oct. 28th. Prizes were given to the following:

1st place, David Prentice and Billy Wayne Hale (babies); 2nd place, Ronnie Sheffield, in his night shirt; 3rd place, Wayne Ritter and sister (rabbits); 4th place, Janice Owens, Judy Elrod and Linda James (Negro "Wink Wildcats"); 5th place, Jim Ivy as "Miss Rankin"; 6th place, Linda McCor-

mic as a little Indian; 7th place, Mickey Hughes as a skeleton ghost; 8th place, Joe Lynn Steele in a checked gingham dress and bonnet; 9th place, Joe Adams, Mike Eckols, Mike Wheeler and Fred Cunningham as police on bicycles; 10 place, a hobo girl.

The sophomore class of Rankin High School won first place with their Model A float. Second place was given to the 6th grade's funeral float. Mrs. Rogers' fourth grade class won third place with their "Pulling for Learning" covered wagon. Fifth place was given to Mr. Dobb's science class for their rocket float.

Immediately following the parade, a Hallowe'en carnival went into full swing at the elementary school building. Each class in school had various kinds of booths for entertainment while the P.-T. A. sold drinks, sandwiches, pies, and cakes in the cafeteria. The seniors kept their bingo game open until about 11:30 p.m.

More than seven hundred dollars was added to the P.-T. A. funds as a result of the carnival.

Engagement Told

The engagement of Patricia Darlene Adams to Donald Ray Lee has been announced by her parents, Mr. and Mrs. Nolan G. Adams. The couple will be married on December 2nd.

Sujane West Named DAR Award Winner

Sujane West, daughter of Mr. and Mrs. H. L. West of Rankin, was recently named as winner of the Daughters of the American Revolution Good Citizen Award of Rankin High School. From a list of three senior girls submitted by members of the senior class, high school faculty members chose Miss West on the basis of her "possessing to an outstanding degree the qualifications of dependability, service, leadership, and patriotism, as well as creditable grades in all subjects."

The Comanche Springs Chapter of the DAR is the sponsoring group for the Rankin Good Citizen Award. The contest is on the Approved List of National Con-

educational programs on animal health—including diseases, insects and parasites—to the end that these hazards of livestock production may eventually be controlled.

"Animal health," Chairman Elrod said, "is not only a concern of the producer but the economic loss also affects business and consumers. We all have a lot at stake in this program."

The Foundation's first major effort will be a program aimed at controlling the screwworm. The proposed program is patterned after the successful drive in Florida and the Southeast. The U. S. Department of Agriculture, livestock producers, and the State of Florida teamed up to just about remove the pest from the scene. The method used was based on the release of sterile male screwworm flies over the state which resulted in the production of infertile eggs and almost complete elimination

RICKY POYNOR
Poynor, son of Mr. and Mrs. Poynor of the Benevolent Camp, has been selected member of the Tarleton College rifle team at Ft. Worth. He placed 2nd high among boys competing. Ricky is a member of Rankin High and Upton County 4-H Club rifle team, competitor in the finals.

Upton County Group Forms Organization

Animal health situation in Upton County and Texas is getting attention. The screwworm is causing an estimated loss of one hundred million dollars a year, a primary target.

A meeting initiated by Dwayne Lindsey, county agent, and attended by a group of livestock producers and others concerned with animal health, decided to organize a state-wide

group will support the reformed Southwest Animal Research Foundation in its efforts to do something about the health situation. Its purpose is to receive and disburse funds to sponsor research and

make five new ones—and there may be more.

Rankin is not yet enjoying any kind of boom situation but we are sure enjoying something better than we've had.

THE YOUNG AT HEART—

It's not unusual to hear of some college that has a parent or even grandparent enrolled. Rankin is now supplying at least two women who are enjoying their grandchildren, and who are taking advanced courses in the business field. Mrs. Ed Guy Branch and Mrs. Ross Wheeler are both en-

rolled in Business Co reported to be right ars. Just goes to sh you never reach an can't look forward things that you have do but were tied down problems. (Continued to

FALLOUT—EVERYBODY—

Have you done your worrying today about fallout? If you have not, you should make it a point to do so at the first possible instance—say—between worrying about how to pay your income tax, who will win the football game and whether or not the kid will flunk his weakest course this six weeks. Just any place will do but be sure you worry—a little anyway.

And to help you get in the proper mood, just pick up any daily newspaper and read the two to half-dozen articles therein about all the dangers of fallout and all the things you should do or not do. Naturally, if there are six of the items on fallout, you will get six different answers to the same question and that will only add to your ability to worry properly.

So far, about 100 percent of all articles on this subject seem to have been written for the benefit of those living in New York or Chicago or some other extra large city. No one has come up with any suggestions about what will happen out here in the sticks. It could be that nothing will happen out here in the sticks. The authorities on the subject tell all sorts of stories about shock wave, heat wave, etc. but they never mention such items as mountains, hills, draws and valleys, all which have a tendency to break up such waves and lessen their damage. All the authorities tell us is that if a 100 megeton bomb was exploded, the heat would reach out 50 miles (or some such figure). Maybe.

One wonders if this area would not be about the best spot in the U. S. in case of a big bomb blast. Most of the time the wind is out of the south—from Mexico and it just doesn't hardly ever rain—a good point according to the big wheels—so what we might should do is sell a few of those doomed citizens in big cities on moving out to good old safe Rankin.

In any case, try to worry just a little tomorrow on the subject. Keep in step, you know.

SHAKE, RATTLE & ROLL—

Speaking of blasting, it's not a bad sound when it's shooting for locations such as has been going on almost daily for the past week or so to the north of town. Big trucks grind across the tops of the hill and every so often, a new rig points its snout up over a crest. Looks and sonuds almost as good as a slow rain.

A reasonably reliable source has said that three more locations are to be made west of the Midland Highway in the very near future and if that is correct, that will

THE SCOOP—
(Continued from Page 2)

I'm even encouraged and may someday take a course in journalism. Go ahead. Say it. I need it.

TURKEY SHOOTERS—

This week-end you will want to go out and have a go at getting the Thanksgiving turkey at the Upton County 4-H Club Turkey Shoot. Anyone can win. In past years such nimrods as A. E. Ivy, Doc Gossett, Box McDonald—and even myself—have won turkeys at this shoot, and if a group such as this can win—anybody has a fair chance.

If you can't shoot a gun, send a buck or two and let someone else pull the trigger. On such places as the shotgun target shoot, anybody who is able to hold the gun up and fire—no aiming necessary—can win.

FOOTBALL—LAST TIME—

As far as Rankin participation is concerned, Friday night will be the close of football season. It has not been the best—nor the worst for RHS game-wise. For their second year in Class A, it has actually been a good season. And it will be the last season for us to play Wink in district. Thank goodness.

For the close-out, it looks like this:

RANKIN wins over Fabens for the number two spot. This will be the best game in the district and Rankin will have to be in top shape to pull it off. Fabens has the hosses and will be tough.

WINK wins district without any trouble and will breeze along until Albany then the chips will be on the table—winner going all the way in State.

VAN HORN wins over Iraan but look out for an upset. The Braves have some good boys and will be back next year to make up for some of the drubbings they have had to take this year.

And that's all of that.

BIRTHS

Mr. and Mrs. William S. Powers of McCamey are the parents of a baby boy born October 30 at 9:45 p.m., weighing 6 lbs., 11 1-2 ozs., and was named John Bryan.

Two New Members For Study Club

Rankin Study Club met Thursday afternoon at the Park Building for regular meeting with the president, Mrs. R. L. Bell, presiding at the business session. Two members, Mrs. Boyd White and Mrs. Claude Sheffield, were welcomed by the club members.

Mrs. Dunn Lowery introduced the speaker, Mr. Sam Fitzhugh, who spoke on "Natural Resources" and showed slides to the group.

Hostesses were Mrs. S. B. Ramsey and Mrs. W. O. Adams.

Twenty-one members were present.

Mrs. R. L. Connally Is Coffee Honoree

Mrs. R. L. Connally was honored with a coffee Thursday morning at 9:30 in the home of Mrs. J. Y. Seward.

Hostesses were Mrs. C. C. Maxwell, Mrs. K. C. Woodard, Mrs. R. H. Bearden and Mrs. Seward.

Mrs. Connally was presented with luggage, bedspreads and a set of dishes from her many friends.

The visiting was enjoyed by a large number of friends who came to the coffee.

Mrs. Connally is retiring from the Union Texas Natural Oil Co. and the couple will soon be moving.

Mrs. Bill Priddy Is Omicron Tau Hostess

The Omicron Tau Chapter of Beta Sigma Phi met at the home of Mrs. Bill Priddy on the evening of October 24. The business was conducted as usual with reports from all committees.

Mrs. Bill Cook gave a very interesting talk on self estimate, then showed pictures from Germany with descriptions and talks from a tape recording.

Coffee and cookies were served to thirty guests including the new pledges.

of the fly population.
Such a program in Texas will encounter problems not found in Florida. It is bordered by great land areas where the flies overwinter but cooperative efforts could overcome some of the problems, the chairman said.

"Through county organizations such as ours, every livestock producer and other interested person will have an opportunity to support the Foundation and its programs. Producers are being asked to contribute on the basis of 50 cents per head for adult cows, horses, and steers and 10 cents per head for sheep, goats, swine, and deer," Elrod said.

Contributions may be made to any member of the committee. All monies collected will be passed on to the Foundation for support of existing research facilities and conduct of large scale field tests.

Chairman Elrod said, "We know this first program will cost several million dollars, but if we can remove the screwworm from the scene, the annual savings will amount to several times the cost of the control effort."

With Mrs. Houchins**

The bedroom improvement unit met in Mrs. Houchins' home at 4:15, Oct. 16. There are ten girls in the unit now. They are Joyce Scott, Barbara Ann Woody, Vicki Jo Hood, Debra Houchins, Libby Warren, Gaylene Dobbs, Debbie Day, Judy McAden, June Sullivan and Jane Skinner.

The officers elected are: president, Gaylene Dobbs; vice president, Jane Skinner, secretary, Debbie Day; reporter, June Sullivan.

Monday each girl brought 15c for material to make dust cloths. We dyed them turquoise and treated them so they would pick up dust easier.

The members who were missed at the last meeting were Joyce Scott, Libby Warren, and Judy McAden.

Don't forget to straighten your bedroom. See you next Monday at 4-H.

Mrs. Fred Welling, who underwent major surgery in San Angelo this week, is reported to be doing well.

Well, a warm cheery "Hello" from a gal who has darn near frozen ever since this cold spell hit. How do you like it? The only good thing I can say for it is maybe it'll kill all the pollens that are aggravating the asthma and hay-fever sufferers.

This cold weather has sure put lots of people on the puny list. For instance, Richard and Tommy Lee Harvey had a rough week end with a virus. Mrs. Charlie Anderson was in the Medical Center Hospital in Odessa for treatment. Boy, Neal Montgomery has spent a miserable ten days with asthma. He spent one night in the San Angelo Hospital and as

we go to press, is spending some time in the Rankin Hospital. Mrs. Beatrice Gardon has been seriously ill in the Big Lake Hospital. She's home now and we hope well on her way to a quick recovery. The mumps are still popping up here and there—Bill Backy of the Benedum Humble Camp has them now.

It's sure nice to see the John Whiteleys home again after being away well over a month. They have been staying with their daughter in Big Spring Hospital. The daughter gave birth to a baby girl and as a result was seriously ill. But, all's well that ends well—the daughter and baby are back home in Odessa, and we have "The Whiteleys" back home. They were full of praise about their friends and neighbors—well—as my Dad always said "A friend in need is a friend indeed".

Welcome to the new minister of the Church of Christ and his family. They are Bob and Norma Keene and their nine-year-old daughter, Judy. I think the Church of Christ members are to be complimented on the way they have helped to get the folks settled. The ladies of the church have been a big help in getting the minister's house ready, and Vernon Lucky, Harvey Jarvis and David Cole and Charlie Anderson all really helped in moving their furniture up here from Freer. Hope you will drop by and say "hello" and get acquainted with them.

Congratulations to Billie Kay Tuttle who celebrated her birthday on Friday, November 4. Billie Kay was guest of honor at a birthday party given at her home. Refreshments of cake and ice cream were served to her guests. They were Mike Aldridge, Kenny

Gordon, Charlotte Jarvis and Marsha Crowder.

Say, have you heard about Mr. Whisman? He was walking out the door of his store when he saw a driverless car rolling slowly toward the front of his store. He ran to the car, jumped in and pulled the emergency brake with a jerk. As he got out, feeling real proud of himself, Dee Mills walked up.

"Well," said P. A. "I stopped it!"
"Yeh, I know," said Dee. "I was pushing it."

New Test Method To Be Used in Upton For Brucellosis

BY W. M. (DUB) DAY, JR.
County Agent, Upton County

A new method for screening market cattle for brucellosis will make the job of keeping Upton on the modified-certified list much easier, said County Agent "Dub" Day today. The county agent explained the new program under six basis points. Cattle being sold for beef are identified with a special backtag at the ranch or assembly points on the way to market. Blood samples are collected from the tagged animals at the packing plant or other designated points. The samples are then forwarded to a testing laboratory and the results to disease control officials.

Negative animals are credited to herds and areas of origin and veterinarians work directly with herd owners until the disease pro-

Becky Wilkening Is Birthday Honoree

Mrs. Boone Wilkening entertained a few little children Thursday afternoon in her home, honoring her daughter, Becky, on her third birthday.

Favors of balloons were given the children and birthday cake and ice cream were served.

The following were present: Russell and Tom Wimberly, Pam Stonehocker, Mary Ellen Holcomb, Rickey and Julie Mantooth, Mike Wilkening and the honoree.

J. Moore Jones of Midkiff spent a leisurely week-end just sight-seeing in our neighboring towns of Iraan, McCamey, Andrews, Crane, etc. J. Moore was a stranger in those towns, but he said you would have never known it, if you could have seen how friendly and nice the people were to him. Thank you, OUR NEIGHBORS.

blem is cleared up. In areas where winter feeding is practiced, at least 80 percent of all eligible heifer calves retained in a herd each year must be vaccinated, "Dub" said.

Under the new method, counties can be recertified if at least five percent of all breeding cattle in the county are tested each year or a total of 15 percent for each three-year period, the county agent explained. Only female cattle three years of age or older are backtagged and tested.

Cattle owners desiring more information on the new plan were invited by "Dub" to come by his office for additional information on the program and where and how the backtags might be obtained.

Men's Bible Class In Social Gathering

The Men's Adult Sunday School Class of the First Baptist Church and their wives enjoyed a social in the H. Wheeler home Thursday evening. Mrs. Wheeler and Mrs. J. T. Bushong were hostesses.

Mrs. Holden brought the devotional and Rev. Shannon led in prayer. The group enjoyed singing church hymns with Mrs. W. O. Adams at the piano.

Refreshments of coffee and pumpkin pie with whipped cream were served to fourteen attending.

Mrs. Harvey Kubena and children of Pasadena are visiting this week with her parents, Mr. and Mrs. Sam Holmes.

INDEPENDENT Wrecker & Storage

This well known firm in Midland has one of the largest stocks of new and used auto and truck parts in this section. They are located at 609 S. Marienfeld, phone them at MU 3-1939 for information concerning used auto and truck parts or for complete storage for your truck or auto. This firm can give you the proper protection for your vehicle while you are away or not using it. The rates are very reasonable and you can be assured of no damage coming to it while it is in their care.

We wish to compliment Mr. and Mrs. Homer Thornton, for the fine service they have rendered to the people of this and surrounding communities for the past 19 years. So why spend a lot of time looking around, when every part you may need can be found here. Remember their location, 609 S. Marienfeld in Midland and their phone number MU 3-1939.

CENTRAL WRECKING CO.

For used and new autoparts, go to the Central Wrecking Co. located at W. Industrial Ave. in Midland.

Many do not realize the value of an auto wrecking concern to the community and surrounding areas. The Central Wrecking Co. will pay the highest price for your old worn out auto or truck and those that have been wrecked. Let them take it to their place of business where they will start work on it. Bolts and rivets are out; good parts such as fenders, engines in running order, etc., are segregated into separate piles and the rest placed on a scrap heap to be sold for junk.

STEAK HOUSE

"We Never Close—Open 24-Hours A Day"

Here is the popular meeting place for the folks in this area. Stop at the Steak House for a meal the next time you are in Midland. They are located at 605 W. Wall St., phone MU 4-9281. The owner and manager, Mrs. Ruby Somerford, invites you to drop in for some of their famous steaks, Mexican food, salad, lunches and sandwiches, in which they excel. MYRNA HOLMAN
Home Demonstration Agent, Upton County

RANKIN YOUNG HOMEMAKERS

A group of young Rankin home- makers met Monday at the office of the County Home Demonstration Agent to plan work for the coming year. They worked out a series of subjects for the months ahead and planned some work on crafts and decorations for the time between now and the be- ginning of the new year.

The next meeting will be on Monday morning, November 20, at 10:00 a.m. for some work on crafts. It was decided that per- manent meetings would be on a Wednesday or Thursday, but since the agent's schedule was already filled for November the meeting is on Monday this time.

Anyone interested is welcome to come. The group is trying to make arrangements for permanent baby sitting. For this meeting, you may contact Mrs. Leslie McFadden to check on plans.

At or following this meeting the group will work out a sched- ule of monthly meetings for the coming months. Everyone is urged to make suggestions on things they would like to work on so that the programs may be of in- terest to all.

CHOOSE "LOADED" CALORIES

Every food contains some cal- ories. But some foods contain so many important nutrients—vita-

mins, minerals and protein—that every calorie is virtually "loaded." The calories in meat, eggs, vege- tables, fruits, milk and whole grain or enriched cereals are load- ed with such nutrients. That's why they are so important—even in reducing diets.

Foods that contain a lot of fat and-or sugar have less of the nu- trients, but are high in calories. Excess calories can pile on pounds while your body is starving for some of the needed vitamins, minerals and proteins.

Learn to choose "loaded" calori- es. It can mean better health, and improved morale and appear- ance.

Family members may enjoy rat- ing their eating habits. A new Ex- tension leaflet, "Are You a Good Eater," provides an easy check list. It lists the foods needed daily and describes some of the most common symptoms for food defic- iencies. You may have a copy for the asking.

Comings And Goings

FROM MIDKIFF

BY FAYE SCARBOROUGH MIDKIFF REPORTER

Mr. and Mrs. Gilbert Riddle, their family, and Mrs. Minnie Shirley have left for two week's vacation in West Monroe, La., and Arkansas.

Roscoe and Marie Bowden are in Mt. Pleasant, Texas enjoying a week with Marie's mother and her family.

The Guy White family of the El Paso Midkiff Camp have as their guests, Mr. and Mrs. Norbert Grona and children of Eunice.

Mr. and Mrs. James Scott of Odessa were the week-end guests of Mr. and Mrs. W. D. Stephens and their son, Bill.

Mr. and Mrs. Viv Urbanek and children motored to Lubbock and spent several days with Vic's sis- ter and family, Mr. and Mrs. Geo. Moore.

Mr. and Mrs. Niles Persons of Odessa visited with Mr. and Mrs. Paul Persons over the week-end.

Bro. and Mrs. Jerry Bob Tay- lor left Sunday for Austin to at- tend The Texas Baptist Conven- tion.

Mrs. M. G. Middleton, and Miss Becky Henchhiff of Odessa were guests in the home of Mr. and Mrs. Willie Poyner. Mrs. Middleton is Mrs. Poyner's sister and all their friends will be glad to know that she is now home demonstrator for a new line of jewelry.

Mr. and Mrs. Reford Mann, and his father, Raymond Mann of Kemmits, New Mexico, have re- turned to Midkiff after a week of deer hunting in Paradox, Colorado. They reported the hunting to be excellent.

Mr. and Mrs. Jack Sharpton and children were the week-end guests of Mr. and Mrs. Phil Baxter of Odessa.

Mr. and Mrs. Reford Mann and father, Raymond Mann of Kim- mits, N. Mexico, have returned from a week of deer hunting in Paradox, Colo. They report that everything was perfect for the most wonderful vacation ever. Not only that, but between the three of them, they got 2 bucks and 5 does.

Welcome home to Mr. and Mrs. John Whitely of the Midkiff El Paso Gaso. Camp. The Whitely's are home for the first time in a month. They have been at their daughter's bedside in the Malone- Hogan Clinic in Big Spring. The daughter and her new baby have been allowed to return to their home in Odessa. We are happy for the entire family, and Mr. and Mrs. Whitely will always be grate- ful to all their friends who were there when they needed them the most.

Mr. and Mrs. James Houchins and son, Donald Ray, of St. Pet- ersburg, Texas, spent several days with Mr. and Mrs. Henry Vineyard and daughters of Midkiff.
