

# Midkiff Resident Tells Of Being Victim Of Slugging And Robbery

BY SCARBOROUGH  
MIDKIFF REPORTER

Latzel of Midkiff was part of an area-wide search last night. Mrs. Latzel, on

Saturday night, had reported to the Sheriff's Office in Midland that her husband had left home late Friday afternoon with a trailer load of cotton and had failed

to return home. A search was begun, and his trailer, still loaded with cotton, and with a flat tire, was found three miles southwest of Midland. His truck was later

found abandoned and empty of gas, five miles east of Andrews. He could not be located.

Mr. Latzel returned home in the early morning hours Sunday and told his wife of being knocked out and robbed. Latzel said he had stopped to repair a flat on his trailer and that a man in a pick-up stopped and offered to help. He said he refused the aid and the pick-up drove on. He then told of leaning into his own pick-

up to get a flashlight. When he did, he said he was slugged on the head and knocked out. Latzel said when he came to shortly after midnight Saturday night, he was approximately 3 miles south of Eds Trading Post, 17 miles east of Midland on the Garden City Hi-Way. He said he had been robbed of his billfold that contained papers, \$27 in cash and the flashlight.

Sheriffs' offices are investigating the case.

## Tommy Workman Is First Candidate To Announce

"Tommy" Workman, Jr. is the first local candidate for office in next elections as he authorized to publish that he is re-election as Commissioner of Precinct 2 of Upton County. Number of candidates have announced for state and county offices and more are expected on the local level. Offices up for voting, "more than usual" announcement due to the fact that county elections have been several months in Tex-

things that will give the people of Upton County an economical administration of their affairs and doing my best to work with the other members of the court and the citizens of the Precinct. I am very proud of the many advancements and accomplishments that the Commissioners Court has been able to make in Upton County and to have had a part in them. When I first took office, the tax rate was \$1.26. The court has been able to carry on a county-wide program of improvements and the tax rate is now 95-cents—a 31-cent reduction."

I appreciate the help given me in the past by the people of Precinct 2 and again ask their support, both at the polls and in the carrying out of my duties as their commissioner."

### ELECTION DATES—

Other county offices that will be up for voting this year include the Commissioner of Precinct 4, the County Judge, the County Treasurer, and all J. P.'s. The usual District and State offices will be involved, also.

The first primary will be held on Saturday, May 5 and the second on Saturday, June 2. The general election is Tuesday, November 6. All will be held in 1962.

## Red Devils End Football Play with 26-8 Win --

# Sports Attention Turns To Basketball At RHS

The Rankin Red Devils closed out their 1961 football season last Friday night with a 26-8 win over the Fabens Wildcats, giving them a 4-1 record for district play—good for a solid second place—and a 5-4-1 record for the season, making them number 3 i Dis-

## Registration For Girl Scouts Planned

Girls living in this area who are interested in joining either the Girl Scouts or the Brownies, will meet at the Girl Scout Hut from 3 to 5 p.m., Tuesday, November 21 for organization. Bus riding students will be out of the meeting in time to catch the 4 o'clock school bus.

Registration fees will be \$1.00 with a 10-cent charge per meeting made for materials.

Scout officials have pointed out that a girl must be a registered Girl Scout in order to attend the summer camping season at Camp Elrod for the coming year.

All interested parties are invited to attend this gathering.

trict 7-A 10-game schedules.

Their record last year was 9 lost and one won—that lone win also being against Fabens in the final game of district play.

This week, attention has already turned from the turf to the hardwood as both the boys and girls prepare for basketball play. Coach Boone Wilkening began his workouts this week with a fair number of experienced hands reporting and some good new prospects. Among those who are expected to lead the Red Devil attack will be Tom Aguilar, Lonnie Ferrell, Jerry McDonald, Bucky Scarborough, and several others who saw action on last year's starting line-up.

For the girls, there will also be some good players available who have had experience and their hopes—like the boys—are for an improved team this season.

## Large Attendance Marks Turkey Shoot

With near perfect weather prevailing, turkey shooters turned out in large numbers—along with a good crowd of spectators—for the annual Upton County 4-H Club Turkey Shoot, held last Saturday and Sunday.

County Agent Dub Day announced the following winners:

Walton Herral, D. L. Trowbridge Bill Medley, J. S. Jones, Jay Lane, Jim Sweat, Wayne Kennemer, J. Colquitt, Doc Adams, K. Colquitt, Cecil Merriman, Terry Gray, Rusty Garner, Jerry McDonald, Doc Gossett, E. M. Sullivan, Mrs. J. Lane, Box McDonald, Martin Kirkpatrick and A. B. McGill.

Friends and neighbors will take note for Thanksgiving dinner.

Day has said that "on behalf of myself and the 4-H Club, I'd certainly like to thank all of the folks who helped put this year's shoot over in such a big way—and especially to the men, women and boys who helped operate the facilities."

Action will open here next Tuesday, November 21 when the girls host the Barnhart crew at 7:00 p.m. On Saturday, November 25, the boys will go to McCamey for their first action of the year with both the A and B scheduled for action.

November 11, the girls A and boys A and B will go to Grandfalls for play. On Thursday, November 30, the girls A and B will entertain Marathon in the local gym and on Friday, December 21, the boys A and B hosts Imperial.

The Rankin Invitational Tournament, for boys, will be played here on December 8 and 9.

Other tournament play for the boys will include the Reagan County Invitational on January 4, 5 and 6; and the Ozona Tourney on January 18, 19 and 20.

Girls tournaments are to include the Garden City Invitational on December 28, 29 and 30; The Cohoma Tourney, December 28-30; and the Lakeview Invitational January 25-27.

District play opens January 9 in Wink. Wink, Rankin, Van Horn Sanderson, Iraan and Fabens will compose the district.

Iraan and Wink will not field a girls team in basketball play.

## School Enrollment Shows Slight Gain Over Year Ago

Enrollment figures released for Rankin Schools as of November 9 show a slight gain over last year, although down some from the beginning of school last September.

## MORE ON FALLOUT—

This week a lady brought in a very thoughtful Letter to the Editor on the subject of Civil Defense and fallout.

In it she has asked the question: What have we in Rankin done about preparing ourselves in case of an atomic attack? Talked about it—and joked about it—is all.

It can well be that the time has now come when we need to stop talking and joking and get down to brass tacks. I as much as anyone, have made light of the subject up to this point but I'm beginning to have the feeling that we're all acting a little like the grasshopper who played all summer long while the ant worked then looked silly as hell when winter came. Winter—in this case—atomic bombs—may not be as far off as we like to think, or refuse to think about at all. But, once it comes, it's too late then to start worrying about getting prepared. It's like insurance—you don't buy the stuff after the fire.

We hang around the coffee shop and make brave talk about how we don't particularly care one way or another about having a bomb shelter; that we are not going to run for any hole in the ground or that life would not be worth living once bombs fell.

Now all of us who have ever had any experience at all with bombs falling and the prospect of getting life snuffed out in general know very well that that line is strictly for the birds. I have yet to see the brave hero who would stand up and say: "Damn the torpedos—Full speed ahead" if he had any choice of getting his head in a hole and his rear below the ground. It just doesn't work that way once the action starts.

You can mark it down—if a bombing raid took place anywhere in the U. S. the attitude would change in a hurry. The only hitch is—if we have atomic bombings, it will not be in just one small section but will cover the entire nation and we here in Rankin had just better hope those who fire the things are as accurate with their aim as they say they are.

## The Rankin (Tex.) News— Thursday, Nov. 16, 1961

This newspaper would welcome more such letters and comments from readers as that submitted this week. And, like the lady says, if we sit here and wait for the government to take care of this matter for us—the waiting can kill us.

It's not a question of bravery vs. cowardliness; optimism vs. defeatism; or any of the so-called philosophies—it's just the question of: what do we do if we do nothing now and are wrong?

## ADD TO—

A month or so ago, this column, along with about all the rest of the newspapers in the state, carried a bit on "How to Run A Newspaper." It may or may not have been amusing—as it was intended to be—to readers but such little things are so close to the real things that editors just can't resist running them. Now an addition to that column has appeared and is goes like so:

Q: Why don't you print in color, say red, once in a while?

A: The Bookkeeping Department already has used all our red ink.

Q: Why didn't you publish that poem I sent you?

A: A newspaper man would be disloyal to his business if he was not convinced that prose can express any idea better than poetry.

Q: What do you do with all your money?

A: Squander it on frivolities like food, clothing and house payments.

Q: Why don't you print a weekly sermon?

A: For the same reason the preacher doesn't write editorials.

Q: Why not print some good recipes?

A: We did once, and left out a line. Twenty people got sick and quit taking the paper.

Q: Why don't you print more letters to the Editor?

A: I sometimes talk to myself but I refuse to write letters to myself.

Q: Last week I brought you a

We offer to you a special invitation to attend the services of the First Baptist Church this coming Lord's Day. We say we are Christians. May we demonstrate it? We say we are church members. May we demonstrate it? We say we love our fellow man. May we demonstrate it? We "are debtor, both to the Greeks and to the Barbarians; both to the wise and the unwise. For I am not ashamed of the gospel of Christ."

The sanctuary choir has begun work on the Christmas program to be presented on the night of December 17. Bro Billie Barsch, music director, urges all who are interested in singing in the program, to please be at the church for the practice Saturday, November 18 at 6:30 p.m. Practice will last one hour. Regular choir rehearsals are Sundays at 5:45 p.m.

There are many opportunities for service this coming week. One is designed especially for you.

**OUR LOSS IS THEIR GAIN**

We have recently lost two fellows who used to work here in Rankin. They are Norman Hurt and Glen Harding. Norman has moved to a better job in Sweetwater and Glen has moved to Floydada so that he can be closer to his father who is ill. We are happy for both of these fellows. Happy for Norman because we have opportunity in our company so that a man can move up to bigger and better things. Happy for Glen because we had a similar job available that he could move to and be close to his ill father. We will surely miss the services of both of these fine men.

This can also serve as an opportunity to introduce Edward Oertli. He will be working in Rankin so be sure and say howdy to the next telephone man that you don't recognize. Ed moved from Odessa where he worked as a lineman.

**CHRISTMAS SURPRISE FROM PHONELAND**

It's not too soon to start thinking about your Christmas shopping list.

If you have as much trouble as I do in selecting just the right thing for those especially close to you, why don't you visit or call our Christmas Phoneland in the telephone business office? You'll find a host of exciting, new and colorful telephone services that are sure to surprise and please.

Here are a few suggestions: A colorful extension phone for Mother in the bedroom, kitchen or sewing room... or in the den or workshop for Dad. You can be sure a phone for the teenagers will be well received. Chose from a table model, a wall phone, or the lovely little Princess phone with the light-up dial.

For family, we offer Home Interphone. It lets you talk from room to room, answer the door, and take outside calls without racing through the house—a real stepsaver for everyone. Or maybe you want the pleasant musical tone of the Bell chime.

To announce your surprise, be sure to ask for the free bantam Princess phone to place under the tree. It makes a wonderful child's toy, too.

Why not visit or call our Christmas Phoneland in the business office and order the telephone gifts you want this week?

**" HOLD THE PHONE "**

Did you know color telephones are designed to give you a place to leave the receiver when you're called away from the phone in the midst of an unfinished conversation?

If you have a handsome wall phone you may have noticed it has a ridge on the top at each side. If you are called away, just hang the receiver over this ridge. This offers two advantages: it gives you a handy place to hold the phone, and it keeps the spring cord from stretching out of shape and becoming unsightly in your home.

If you have a table model, place the receiver across the front of the instrument just above the dial, so that it rests on the recessed shoulders of the phone base. No need to worry about it falling off—these phones are designed to give you this extra convenience.

Call by number. It's twice as fast.

BY FAYE SCARBOROUGH  
Box 6607  
Midkiff, Texas

Well, how do you like this weather? I guess it's like everything else, some like it, some don't. Regardless, I'll bet you one thing—if I was Jack Smith I'd think at least twice before I got out in this weather to fly a kite, wouldn't you????

My vote for the social event of the month goes to the Turkey Supper that the Eastern Star sponsored last Saturday night. Boy, that was what I call living. My only consolation is that I wasn't the only one who made a "hog" of myself. That turkey and dressing was out of this world, and those of you who missed it this year should make yourself a promise that you will be sure and attend next year. We saw lots of out-of-towners there. Heading the list was our sheriff—Gene Eckols.

Some others were Clara Wiggins, Gladys Jetter, Mr. and Mrs. Rodney, Mr. and Mrs. Posey, Mr. and Mrs. Ellis Chorey and Bill, all of Odessa. From Big Lake: Jim L. Daniels, W. D. Hudson, E. O. Nevilles, The Livingstons, Paul Jacobs, Wilson Loftin, Billy Boyds, Brown Hayes and the Douglas Caubles. The Allen Moores were there from Rankin. I wish there was room to thank each of you for coming, but since there's not, we'll just say it like Andy Griffith would—"We sho preciate it—and please come again."

If you are a regular reader of this column, I am sure you have noticed that something nice is most always happening over at the Midkiff El Paso Gasoline Camp. Well, they've done it again. Winnie Kelly's neighbors surprised her with a birthday party in the home of Mrs. LeRoy Gordon. Refreshments of cake, birthday cake, that is, and punch were served to the following guests: Mrs. Janice Lewis, Mrs. "Sis" Messimer, Mr. and Mrs. John Johnson and daughters, The LeRoy Gordon family, and of course, Mrs. Kelly and her family.

Our best wishes for a Happy Birthday also go to the following: Melissa Chance, daughter of Mr. and Mrs. Herman Chance, Phillips Gasoline Camp, who was three-years-old on November 12; Sammy Don Howell, son of Mr. and

Mrs. Sam Howell, Midkiff Humble Camp—he was 11 on November 13.

The "Puny List" seems to get longer every week. These are just a few of those who are sick. Tommy Anderson finally got to come home from the Odessa hospital, only to have to go right back, after being home only two days. This time she is suffering from Phlebitis (I have no idea of the correct spelling—so—I'm spelling it just like it sounds) and will be in the hospital at least another week. Gay Garlington has the scarlet fever. Bobby Whisman, Kenneth Parrish, and Jackie Shannon all have the mumps. Danny White and Vicki Parr have a throat and ear infection. Everybody—Hurry and get well.

Dorothy and Larry Lewis visited with Dorothy's parents, Mr. and Mrs. Roscoe Bowden this weekend. On the way over, Larry killed a rattle snake that was beside the road. He brought the snake on to Midkiff to show it. The "thing" was 5 ft. long and had 15 rattlers, and was as big around as a man's arm. Larry is assistant football coach in Stanton.

Oh Yes—the ladies of the First Methodist Church said that their Bake Sale was a huge success, and they hoped to have another one around Christmas time.

Guess I had better close and let you all get back to your work.

Eggs are a high protein, low calorie food, but surveys show that not many homemakers think of them as such.

Egg protein comes so near to perfection that scientists use it as a standard to measure the value of protein in other foods. Two eggs in a person's daily diet will supply 17 percent of the recommended daily protein requirements. Protein is essential for healthy body tissue, strong muscles and bones, and good fingernail growth. On the other hand, two eggs contain only 154 calories.

Eggs are also rich in minerals. Two eggs will furnish over six percent of a person's daily calcium requirements and over 13 percent of the required phosphorus. Calcium and phosphorus promote a healthy nervous system, and they are also essential to the development of strong, straight bones and firm teeth. Iron is another mineral essential to the human body, and two eggs will supply 21 percent of the daily allowance.

Vitamin A necessary for healthy eyes and the prevention of in-

fectious diseases, is also supplied in generous quantities by eggs. Two will supply 22 percent of a person's daily Vitamin A requirements.

It's a good buy, too. At 60 cents per dozen, you get a high protein food that is 90 percent edible for 40 cent per pound.

Eggs are also highly digestible and attractive to serve.

### "CHUBBIE" SIZES ADDED TO GIRLS' PATTERNS

If there's a slightly chubby miss in your family, you'll be interested in knowing of the new designs which have been sized for her.

Sizes of clothing for children in the ready-to-wear as well as among the standard commercial patterns are divided into five classifications—infants, babies, toddlers, children, boys and girls. In some ready-to-wear departments, it also is possible to find an additional group known as "chubbie sizes." This sizing has been adopted by certain manufacturers to offer a better fit for the young

## Comings And Goings FROM MIDKIFF

BY FAYE SCARBOROUGH  
MIDKIFF REPORTER

Mr. and Mrs. Herman Chance of the Phillips Gasoline Plant are really planning a big Thanksgiving and have already invited 18 of their relatives in for the holidays.

Mr. and Mrs. Lionel Singletary of Jal, New Mexico, visited the Dick Posey's and the Dawson Smiths in Midkiff El Paso Camp.

Mr. and Mrs. R. L. Mann had as their week-end guests, Mr. and Mrs. Amos Swindell of Big Spring.

Among those attending the Ice Capades in Odessa were Charles Whisman, Diana Johnson, Tim Perry and Judy Woods. They reported the show to be more beautiful than ever this year.

Mr. and Mrs. Ray Tramel have moved to Midkiff and are living in what used to be the Phillips Tippet Camp. They and the Jack

child who is sturdy in build.

As of this season, it is also possible to find this size among the designs in the counter catalogs of one of the commercial pattern companies. The sizing is labeled as 8½C to 14½C.

These new designs and future styles are resized versions of girl's 7 to 14 fashions. They are smart in appearance and will solve many of the fitting problems a mother has experienced in an attempt to dress her daughter attractively.

### THE WEEK AHEAD—

Monday, Nov. 20, 10 A.M.—Rankin Young Homemakers.

Tuesday, Nov. 21—Big Lake 4-H Clubs

Nov. 22-24—Annual Reports.

Harveys are neighbors now.

Mr. and Mrs. Clint Howell of Uvalde are spending several days with the Sam Howells of the Midkiff Humble Camp. Clint has been seriously ill but seems to be doing fine now.

Seaman David W. Sly, son of Mr. and Mrs. C. E. McCartney of Midkiff, has returned to Long Beach, California where he is stationed on the U. S. S. Defiance.

While home on leave his family honored him with an early Thanksgiving dinner and celebration. Among those who made it home for the occasion were Mr. and Mrs. M. V. McCortney, Kingsland, Texas; Mr. and Mrs. H. Siegenthaler of Texon and David's brother and his wife, Mr. and Mrs. Everett Sly of Midland.

The Eastside Baptist Church of Odessa announces that it will have Homecoming Day next Sunday, November 19, and invites all ex-members to come. There will be all-day singing and "dinner on the ground."

Money still talks, but you have to increase the volume if you want to get the message through.

## TEXAS LAWMEN

### COL. W. W. STERLING Ranger

"... in the high tradition of the service . . ."

In the early dawn of a summer day, 1931, four Texas Rangers stood guard over a new Red River bridge. Gov. Alfalfa Bill Murray of Oklahoma had opened it, in defiance of a Federal injunction. Gov. Ross Sterling of Texas ordered Ranger Capt. W. W. Sterling to close it. He did and it stayed closed. During the word war that followed, Capt. Sterling heard that Oklahoma's Adj. Gen. Barrett was dispatching the military to the scene. "If you're sending a brigade," Sterling told him, "I'll keep all four of us here. If it's only a regiment, I'll let a couple of my boys go home." William Warren Sterling, 1891-1960, was typical of the high tradition of the Rangers . . . strong, straight, colorful. Joining the service in 1915, he held every grade, becoming a Ranger Captain in 1927. Shortly after, Gov. Ross Sterling named him Adjutant General. Leaving state service in 1933, he later entered the Army and retired as a Colonel in 1944 . . . another Ranger who makes Texans proud to be Texans.

Texas never could have become a great state without the courage and devotion to duty of her lawmen . . . nor without the commerce and industry that have provided prosperity and the good life. The brewing industry has provided payrolls and the pleasures of moderate beverages, revenue and relaxation. "Beer belongs." The United States Brewers Association is constantly at work with brewers, wholesalers, retailers and local authorities to assure the sale of beer and ale under pleasant, orderly conditions.

## LETTERS To The Editor

### A PLAN FOR SURVIVAL

I suppose that everyone in the country has been thinking a great deal lately about Civil Defense. However, there is a definite lack of leadership on both the local, state, and national level. What are we in Rankin doing about this problem—talking probably. We people in Rankin have a better than average chance of survival if we prepare ourselves.

We need a Civil Defense Director!! We have men here who would be glad to organize this town. We need to educate people or we will panic, expose ourselves to fallout, and die or live in such a poor state of health that we would rather be dead.

We have buildings right here in Rankin that would serve as good fallout shelters. But they need to be stocked with food and water. The lack of food and water is what is going to kill us. Are we going to sit here in inertia and do nothing until it is too late?

Think of our school children—They would definitely be better off in the existing brick and stone buildings than they would be in a frame house. The experts all say that they should stay in them from two days to two weeks. If the teachers were educated as to what they should do, they could keep them there—if they had food and water stored.

Let's not wait for the government to build these shelters for us and stock them. The way the government moves in this wonderful country of ours, it will be too late. Let's prepare ourselves as best we can and be grateful that we don't live in a large city that is a target area. There will be a horror and death worse than any we can imagine.

### Hunting, Fishing Is Now Big Business

BY W. M. (DUB) DAY  
Upton County Agent

There must be something to these outdoor sports of hunting and fishing, says Ed Cooper, extension wildlife specialist. According to a survey conducted recently by the U. S. Fish and Wildlife Service, he says some 30 million people in the United States hunt and fish, and that fishermen outnumber the hunters by about 2 to 1.

About \$4 billion are poured into the American economy each year by these outdoorsmen, says Cooper. This money is spent mainly for equipment, transportation, food and lodging, lease fees and licenses. American fishermen spent about \$3 billion in 1960, while the hunters spent \$1 billion. Combined, they traveled 13.2 billion automobile miles.

The number of women hunters increased from 418,000 in 1955 to 860,000 in 1960, Cooper continues.

Considering these impressive increases the amount of time, money and effort spent on hunting and fishing, Americans should look to the future and give serious thought to the conservation of our wildlife and fisheries resources.

If future generations are to enjoy these great outdoor sports, everything possible must be done to conserve fish and game. This can be done through respect for hunting and fishing regulations, management of wildlife on farms and ranches and general support of conservation activities everywhere, points out Cooper.

It would be sad indeed if our grandchildren were denied the pleasure of telling about the big ones that got away.

Mr. and Mrs. H. Wheeler returned a few days ago from visiting their daughter, Kathleen, in Dallas.

### Rankin Graduate Is TSC Honor Student

In a letter received this week by Rankin Superintendent of Schools, Kenneth Welsch, Dean Paul A. Cunyus of Tarleton State College in Stephenville stated that Richard D. Poynor, son of Mr. and Mrs. Willie Poynor, and a 1960 graduate of RHS, has been identified as one among the top ten percent of the freshman class at the college.

The Dean also expressed his appreciation for the "fine working relationship with your school and (we) shall continue to give personal attention from our faculty and staff to each student."
