Basketballers Moving to District Contests

Basketball this week will see the High boys and girls go to the district play. For the boys, it will be their 2nd game — having defeated the Wink Tourney in their opener Jan. 11 by a score of 34-21 in a game played here. This will be the opener for the district. On Friday, Jan. 25 both teams will play in the Colorado in district play. The Junior High boys will not play any more until Jan.

Prospects appeared good for a capacity crowd Saturday night when the world-traveling Harlem Stars play the Upton County All Stars in what is billed as a basketball game. Time is 7:30 p.m. in the high school gym.

Tickets are on sale by members of the Rankin Booster Club at \$1.50 for adults, \$1.00 for students and 50-cents for children under 12 years of age.

On January 26 when they play in the Iraan Tourney. Last week, they took a second in 8th Grade consolation in the Wink Tourney and won another 8th Grade game from McCamey and lost the 7th Grade contest. For the Junior High girls, it was a similar outcome with McCamey.

On January 21, the girls host the McCamey 7th and 8th graders.

Commissioners Adjust Salaries for Current Year

In their meeting last Monday, the first regular session with new County Judge Allen Moore presiding, the Upton County Commissioners' Court gave most of their attention to salaries.

The minutes of the meeting indicate that the court voted to retain all salaries for county office holders and employees at the same figure as it was on December 31, 1962 with the exceptions as follows:

Deputy Assistant Tax Assessor

to be raised to \$42000 annually. Secretary for County and District Judges to be \$275 per month. Secretary of County Treasurer and Extension offices to be raised to \$42000 per year. Caretaker of McCamey Northwest Park and Pool to be \$350 per month. Yearly salary for Justice of Peace in Precinct 3, McCamey, to be raised from \$1 per month to the same as that drawn by other Justices of the Peace.

The latter action was the only

one that reflected any disagreement among members of the court concerning salaries. Commissioner Buford of McCamey had made the motion that salary for the Precinct 3 JP to receive \$1 per year. This motion died for lack of a second. Commissioner Conger of McCamey then made the motion that the salary be set at the same figure as that paid other county J. P.'s and was sustained in the voting by Commissioners Wheeler and Workman.

Other action by the court was the appointment of A. E. Ivy to the Rankin Hospital Board, replacing Bill Medley who is moving out of town.

The court was to meet again Thursday, January 17.

County Judge Calls Historical Meet Jan. 19

County Judge Allen Moore has issued a call for a meeting of the Upton County Historical Survey Committee on January 19, 1963 at 10:00 A. M. in the Upton County Courthouse in Rankin, Texas.

This meeting is being held in accordance with a proclamation by Governor John Connally, declaring January 19 as Texas Historical Preservation Day. Over 2,000 committeemen in some 240 County Historical Survey Committees over Texas are expected to convene on that day to elect officers and formulate plans for the year's work.

Every county has a history all its own and Upton County is no exception, Judge Moore has pointed out. The County Historical Survey Committee has unlimited possibilities for doing our county a great service in the field of preserving our history for future generations, he has stated.

"The work being accomplished by these committees throughout our area will help stimulate tourist trade for history seeking travelers and be an aid to the economy of our county," Moore said.

County Historical Survey Committees are currently concerned with historic buildings, markers, museum pieces and records of the counties.

Salesmanship Study Set For Jan. 28-31

Americans currently are spending at a rate of over \$1.3 billion per business day. Minimum projections indicate that this figure will increase by \$120 million this year.

Are we getting our share? These were the words of Myrtle Brown, owner of Rankin Credit Bureau, when she announced a special training program for Rankin businessmen. Francis A. Flynn from the University of Texas will conduct a sales training course entitled "Dynamics of Selling" at the Rankin Park Building beginning at 7:00 p.m. each evening January 28, 29, 30 and 31.

This training is made available by the Distributive Education Program of the University and the Texas Education Agency. It will help people who sell do a better job.

During the four-day program, discussions will be held on how to secure and hold the customer's attention, how to satisfy the customer's wants and needs through the use of proper job knowledge, and how to help the customer make the proper buying decision.

Those desiring to attend should contact Mrs. Brown.

School Board Gives New Contract To Superintendent

In their first meeting of the current year, the Board of Trustees of Rankin Independent School District extended the contract of Superintendent Kenneth Welsch for another year. This is the customary length of contracts given superintendents by the Rankin schools and marks the fifth one offered the present administrator.

In their February meeting, the Board will take action on contracts for principals and the business manager and in their March meeting they will hire teachers for the coming year.

D. Gamblin to Wed Miss Vernelle Simons

Mr. and Mrs. Frank Jackson Simons of Houston have announced the engagement and approaching marriage of their daughter, Vernelle, to Roger Debs Gamblin. Vows are to be exchanged Saturday, January 26 at 7:00 o'clock, p.m., in the Woodridge Baptist Church, 402 Winkler, Houston. A reception is to follow in the chapel.

Gamblin, well known in Rankin, is the son of Mr. and Mrs. Bill Moore. He was an honor graduate of Rankin High School, and an outstanding basketball player. Following his graduation from college, he began work for a Houston firm and has been in their employ since that time.

Miss Simons, a recent visitor in Rankin, is an airline stewardess.

Mrs. Moore will go to Houston shortly to attend her son's wedding.

FROSTY MAN, FROSTY—

For all those who were forecasting a mild winter, you can now turn to other topics. That little "snap" we just went thru ought to be enough to satisfy even the most cold natured among us and more is on the way—so the weathermen say and if there's one thing they seem to be perfectly capable of forecasting right down to zero, it's cold weather.

In fact, it was so cold hereabouts last week that you had to have anti-freeze on your tongue to lick a postage stamp. And at five-cents per lick, it paid off.

This is the second winter in a row that we've had extreme cold and we may as well lay that off on the Russians, too.

AND AWAY WE GO—

Both the Congress of the United States and the Texas Legislature are back in session and that combination ought to make the headache pill business boom. If there's one thing that ordinarily adds to the burdens of the

pocketbook it's for one or both of these bodies to start acting.

John F. Kennedy, the present member of the clan holding the President's office, has asked Congress for a large size tax cut. And I'm for that. At the same time he proposes to spend more money. That means that the government goes even deeper in debt.

That sounds an awfully like the newspaper business.

To get back to the Texas Legislature, it would appear that we of the newly-formed 72nd District have elected ourselves quite a fellow in Gene Hendryx. Hendryx is on his first trip to Austin as an elected official of the district and already he has had some important assignments handed to him. A Legislator usually has to be in Austin for several years before he has much pull but Mr. Hendryx has gotten off to a fine start already.

Besides being a heck of a nice fellow, he seems to know his way

THE OLE BALL GAME—

Mention was made last week in this column about the basketball game to be played here this Saturday night between the Harlem Stars and the Upton County All Stars.

The Booster Club is sponsoring the show and was responsible for bringing it to Rankin. From what one hears, they are to be commended for getting this attraction. It seems that the Harlem Stars are a rather high powered outfit and that it's most unusual for them to stop off in a town the size of Rankin.

If you like this sort of shindig,

you should plan to attend.

NO COMMENT—

The subscriptions to the Rankin News seem to fall due primarily

in September and around the first of the year. Some of you may have recently received notices of expiration dates. One such customer did and in paying for his renewal, recalled an era of by-gone days when the Sears catalogue was among the prized possessions on a homestead—at least if it was one of those places that featured the well-worn path to the back areas of the homestead.

The tale goes that the farmer owed the editor for a subscription to the newspaper.

One day, when he farmer was in town, the editor approached him

about paying up his bill.

"Don't have any money," said the farmer.

"Well," said the editor, "how about giving me some corn."

"Don't have any corn," the farmer said.

"Well, then," said the editor, hoping to get a little something for his labors, "how about some cobs? I could burn them in the stove."

"Don't have any cobs," said the farmer, "if I had any cobs I wouldn't need your newspaper."

No comment.

Rankin Methodist Host Sub-District M. Y. F. Meeting

Sunday afternoon, January 13, the M. Y. F. of the Rankin Methodist Church was host for the Sub-District M. Y. F. and entertained the delegations from Big Lake, Ozona, and McCamey.

Misses Judy Andersen and Toni Shaffer registered the delegates and Larry Whiteside, president of the Rankin Youth Fellowship, was on hand to give each one a cordial welcome. After the completion of the registration, he directed the group in an hour of fun, games, and fellowship. The group of young folk, the several ministers, and the adult counselors then assembled in the sanctuary for worship; the service of worship was led by Jim Ivy and Deborah Odom. Following worship, the youth divided into two groups, the senior high's being directed in a discussion of "What is worship and why worship?", by the Reverend Gordon H. Miller, minister of the Methodist churches at Merton and Barnhart, and the junior high's being directed in a like discussion by Mr. W. O. Mills of the first Methodist Church of Ozona. Mrs. W. O. Mills is the Counselor of the Sub-District Methodist Youth Fellowship. Mr. J. Aubrey Carroll came with the McCamey group. He is their counselor. The Reverend Russell Heaner, minister of the First Methodist Church at McCamey was also present.

The afternoon's activities were concluded with supper at 6:30 o'clock. A committee of Mrs. Carroll Sproul, Mrs. Ross Wheeler, Mrs. W. W. Carroll, and Mrs. A. S. Masterson were in charge of all the arrangements for the dinner.

The next Sub-District meeting of the M. Y. F. will be in the early part of February in Merton.

Rev. A. S. Masterson, minister of the local church, reported that 44 youth were in attendance at the meeting.

Study Club Holds First Meeting of '63

"Alaska" was the program topic of the first meeting of the year when the Rankin Study Club met on January 3.

The program was presented by Mrs. M. J. Edwards and Mrs. Jack Smith who spoke on "A Look at Statehood" and "Facts About Alaska."

Mrs. Floyd Fields, president, presided during the business session.

Mrs. Sam Holmes, finance chairman, announced there will be a fund raising event for the scholarship which is awarded annually by the club. The date will be announced next meeting on January 17.

Hostesses were Mrs. Hamp Carter and Mrs. Edwards.

SALUTE --

The Booster Club's Basketball Game

For those of you who enjoy basketball and for those of you who enjoy good laughs, may we recommend that you attend the Booster Club-sponsored basketball game Saturday night featuring the Harlem Stars and the Upton County All Stars. The club is to be commended for bringing this attraction to Rankin.

**Rep. Gene Hendryx
 Gets 5 Committee**

Assignments

Gene Hendryx, freshman Legis-
 lator from Alpine, landed five
 top committee assignments last
 Thursday from Speaker Byron
 Tunnell. Out of the sixty new
 House members, Hendryx was the
 only member to receive the top
 committee posts. They include
 the all-powerful State Affairs,
 Bank and Banking, Highways and
 Roads, Labor, and Game and
 Fish Committees.

Earlier last week, Hendryx was
 picked to make the seconding
 speech for Speaker Tunnell, an
 honor reserved for the outstand-
 ing freshman member each ses-
 sion.

Hendryx was highly elated when
 the committee appointments were
 announced and stated that he was
 "extremely gratified and honored."
