Graduation Exercises Set For RHS Class of 1964

Baccalaureate services, sched-
uled for 8:00, Sunday evening May
17, will mark the beginning of

the end-of-school activities for
Rankin High School graduating
class of 1964.

Rev. Billy White, pastor of the
Rankin Methodist Church, will
deliver the baccalaureate services.

On Wednesday evening May 20,
also at 8:00, commencement will
be held. Lynda Kilchrist and
Sam Bean will give the valedic-
tory and salutatory speeches.

The awarding of honors by A.
C. Copeland, principal at RHS,
will be followed by the presenting
of diplomas by Bill J. Hood, su-
perintendent, and A. B. McGill,
president of the school board.

The seventeen seniors will be
honored by their parents with a
reception in the park building
after the commencement program
and the Teen Council will honor
the group with a dance at the
Rankin Park Building.

Senior parents are also sponsor-
ing a breakfast for the group at
4:30 a.m., Thursday, prior to the
seniors departing on their trip—
an annual event for graduating
classes at Rankin High. They are

to depart at 5:30 a. m.

This year's class has chosen to
go to Galveston by way of San
Antonio and return through Aus-
tin. They will be sponsored by
Mr. and Mrs. Bill Shafer and Mr.
Copeland.

They plan to return to Rankin
on Monday evening, May 25.

Members of the graduating
class are Samuel Dawell Bean,
Larry Robert Braden, Lindell
Wayne Byford, John Dell Cool-
edge, John Milton Cox, Janice

J. F. Everett Dies Wednesday Morning

J. Floyd Everett died at 4:10
a.m. Wednesday, May 13 in the
Rankin Hospital. He had been ill
for the past several months.

Funeral services will be held
at the First Baptist Church in
Rankin at 10:00 a.m., Thursday,
May 14, with burial in Bracken-
ridge Cemetery at 10 a.m. Friday.
R. L. Shannon, pastor of the
Rankin Baptist Church, will of-
ficiate with arrangements under
the direction of Crites Funeral
Home of McCamey. Masonic
services are to be held at the
gravesite.

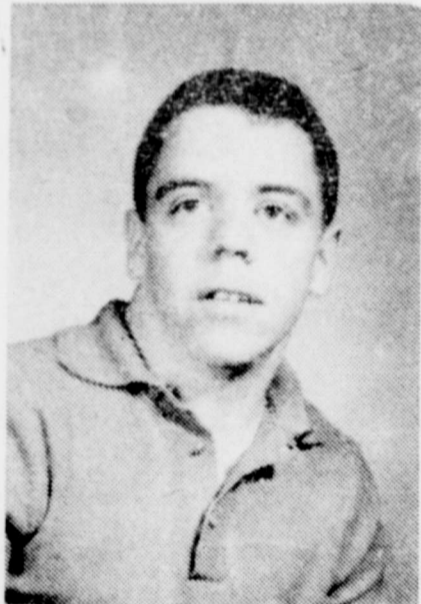

Born in 1902 at Woodson, Tex-
as, he was 62-year-old at the
time of his death.

Everett—as he was known to an
extra large number of friends
and acquaintances, worked twenty-
two years for Shell Oil Com-
pany, retiring a year or so ago
to his home here in Rankin. He
purchased the Humble Service
station and was operating the
establishment at the time he be-
came ill.

He was a member of the First
Baptist Church of Rankin and a
member of the Rankin Masonic
Lodge. He served a number of
years on the Rankin School Board,
the last few as secretary, had
been active in 4-H club work and
other civic organizations and as
recently as last April had offered
his services as a candidate for
Mayor of Rankin.

He was a charter member of
Rankin Golf Club and also had
wide acquaintances throughout
this area in that field. His grand-
son, Dennis Wayne Kennemer,
only last week had brought him
of golf ball from the Colonial
Invitational in Ft. Worth which
had been autographed by Jack
Nickolos, one of the top profes-
sional players, with the inscrip-
tion: "Good Luck to Pops".

Survivors include his wife,
Aliene, of Rankin; one daughter,
Mrs. Madye Haas of Las Vegas,
Nevada; his mother, Mrs. Pearl
Everett of Throckmorton; one
brother, Travis Everett of Har-
lingen; one sister, Mrs. Edith
Robins of Graham; and his
grandson, Dennis Wayne Ken-
nemer, a student in college.

Farm Club to Play Saturday --

Little League Play Off To Fast Start

For openers in Rankin Little
League last Saturday—played, of
all things, under a rain threaten-
ing sky—the Yanks took the open-
ing game at the expense of the
Giants while the Cardinals top-
ped the Dodgers in the second
game.

On Friday night, the two favor-
ites in the league, the Yanks
and the Cards, will take the field
at 6:00 p.m. This game could
give some indication as to what
challenges will be thrown at the
Cardinals in their efforts to de-
fend their 1963 Little League
championship title.

For the second game, another
one that should provide a very
hot contest, the Giants and Dodg-
ers have a go in the nightcap.

On Saturday night, the game
schedule will be reversed. With
the same opponents, the Dodger-
Giant game will be first and the
Card-Yank game in the night-
cap slot.

IT CAN'T BE—

About three months ago—or so it seems—school started for the 1963-64 term. Now it's all but over once again.

They just don't make school terms as long as the "usta".

And, of course, along with the closing of school, there comes the summer months and the question of what can the kids do to keep occupied till school starts again next fall. In years gone by, this was not too much of a problem for an extra hand could always be used in the fields or around the house with canning, etc. But times change. We are no longer a rural economy—not even out here in the country and finding something to occupy the youngsters throughout the summer can be a problem.

For those who want to work—and there are those among the older teenagers who are willing—despite the general belief that a teenager had rather loaf than do anything else. There are only a few who will be fortunate enough to find jobs. So that brings up the summer youth program which consists primarily of baseball and the swimming pool with the youth center in operation at night.

That ought to keep a lot of youngster busy through the summer but strangely enough, there are—again contrary to what has become the accepted thinking—teenagers who do not care to put in all their time at play. A few want to make a productive contribution. Again, for the boys, there is always a few jobs and in some instances, special work is given by the county to seniors who plan to attend college next fall.

The Rankin (Tex.) News— Thursday, May 14, 1964

But what of the girls? Baseball team managers are always on the lookout for a good baseball player—if he's a boy. Few must be those who consider looking for a good baseball playing girl for their team and I guess it's just as well for a good baseball player of the female sex might be pretty hard to find.

Truth of the matter is, there is little if any effort made here to help any girl find a productive job if she wants one. And we are not alone in this field. A recent article in the Ft. Worth Star Telegram in which the re-

porter put the question to a variety of people: "Do you think Fort Worth provides enough in the way of entertainment and activity?" the majority said "No."

This, perhaps is not something that ought to be taken care of by the county—as most such tasks are so delegated—but there ought to be somewhere, a person or group of people who could put their minds to this matter and come up with some answers. I'd wager that many youngsters who will otherwise find the next three months to be long ones, would welcome the suggestions.

THE BIG LIE—

We have only recently completed a primary election in Texas in which a lot of name-calling was done that resulted in the race being termed by some large newspapers as "the hottest race in Texas history." I suppose if they call mud slinging a hot race,

then we had a hot race for there was plenty of expounding by two candidates in particular—both defeated on May 2—who paid little heed to the truth. Texas voters are to be commended for turning down the rabble rousing campaigns of Gordon McLendon and Don Yarborough. Neither man ever offered any proof of charges he made against his opponent and both were guilty of slanted and shaded insults to the intelligence in trying to win votes.

As long as we continue to turn down such men at the polls there is hope that—someday—political office seekers will have something more to offer than a list of half-truths and insinuations about their opponents in efforts to win election.

One sad case of this very thing has yet, however, to be repudiated at the polls. Malcolm McGregor of El Paso is still in contention in the race for Congressman from our district. He and Dick White are in a run-off that is to be held June 6.

McGregor has based the biggest part of his campaign on what he chooses to term Republican Ed Foreman's "negative" representation in Washington. He has offered little by way of any definite plan for improvement other than to imply that he will do anything to please anybody.

Why he has chosen to run now against Foreman instead of his immediate opponent, Mr. White, I do not know. That he has been far off base in his charges against Mr. Foreman is evident to any person who cares a whit for the truth. Of course for the party hack who cannot admit that any man can do a good job unless he his from the hack's own party—such things as truth and moral character have nothing to do with the issue.

McGregor would lead one to believe that Foreman never has voted "For" anything—that he is always "Against". The record shows that on 100 major Roll Call votes cast during the first session of the 88th Congress, Ed Foreman cast 54-No-votes and 46-Yes-votes—an almost equal percentage and a heck of a lot more yes-votes than many of us would

have cast considering the amount of socialistic legislation being thrown at the U. S. Congress.

McGregor claims that Foreman has cost West Texas government handouts because he is a Republican.

The truth is—and anyone who cares to do so can find these figures to be a matter of record—Defense payrolls in West Texas have increased by some \$19,000,000 during fiscal 1964 over 1963. Military contracts awarded are up almost \$25,000,000 in 1964 over the 1963 figure. Approximately One Million of this money is to be spent in McGregor's home town at Fort Bliss. \$500,000 of this is to build a permanent enlisted men's service club—the first since the Post was established in 1893. Military strength at the Post is to be increased by 10 percent during the next two years.

Due to the many conflicts of interest near the end of school, a recital by the Flo Darling School of Dance will not be given this year in Rankin.

Friends interested in the talent and progress of Rankin students may see them at the school auditorium in Iraan Saturday, May 16 at 8:00 p.m. and in Big Lake at 8:00 p.m. on May 22 at the high school auditorium. No admission is charged for these presentations.

Rankin pupils who will appear in the recitals include Vicki Owens, Pattie McFadden, Mary Holcomb, Rene Sproul, Bobbie Weaver, Connie Varnadore, Audrey McFadden, Donella Mow, Brenda Sue Speed, Debbie Barton and Kay Rankin.

General Hospital—in the amount of \$145 million, etc., etc.

And on one could go. With this small comparison, it easily becomes apparent that candidate McGregor is not too interested in the facts—just in trying to get elected.

I hope that we, here in the 16th District have the moral fiber to reject such a man at the polls on June 6—soundly.

Thanks the voters of the 16th Congressional District of Texas...

"The returns of the May 2nd Democratic Primary Election were most gratifying. The voters of West Texas gave me a clear lead in 14 of the 19 Counties of the District, and I lacked a small margin of gaining a majority over the combined votes of my two opponents. For this confidence in me I wish to thank the voters of the District with sincerity and humility."

"I am working hard to insure victory in the June 6th Primary Runoff election. I want to urge all of my friends and supporters to return to the polls and help me establish a decisive victory. If you plan to be out of town June 6th, please vote absentee between May 27th and June 2nd."

"I have pledged balanced and effective representation to the people of this District. I now repeat this pledge."

"Again, my sincere thanks for the confidence you have shown me, and I will appreciate the support of all voters in the District on June 6th."

Mother's Day Meet Held by Sororities

Rankin Chapters of Beta Sigma Phi held a Mother's Day breakfast Sunday, May 10 at the Yates Hotel.

Sug Boggs, president of the Xi side.

Upon arriving in Del Rio the group had a picnic lunch at Moore Park. From there they went to the bridge and walked to Ciudad Acuna. They then gathered in their respective groups and spent approximately two and one-half hours shopping and sight-seeing. Many souvenirs and classroom decorations were purchased.

At four-thirty everyone gathered at the arena to watch the bullfights which were very interesting. Following the bullfights the students and sponsors ate at the Macarena patio.

The bus arrived in Rankin at one o'clock Monday morning with a group of tired but happy people.

Awards Day Set at RHS for Monday

Monday, May 18 has been scheduled as "Award Day" for Rankin High School. Students will assemble in the high school

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration.

With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

FOR THE GREAT HIGHWAY PERFORMERS

All seven Chevrolet engines are precisely balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.

U. S. Department of Agriculture features beef on its List of Nutritious Foods for both April and May. Beef ranks about the top in nutritional value—lean beef has more fat. The caloric

content, however, depends upon the amount of fat which interlaces the lean.

Don't scorn beef with fat; marbling makes the meat more flavorful. And a well-balanced diet needs a certain amount of fat

Tips Given on the Garden: Watering

BY W. M. (DUB) DAY
County Agent, Upton County

When the weather begins to warm up in the spring and plants are watered more frequently, the salts in alkaline water begin to accumulate and chlorosis results. This condition can be corrected most easily by anticipating it at this time of the year and by adding soil conditioners that have an acid reaction such as pine bark or peat moss and by beginning a schedule of regular applications of iron chelates applied in accordance with the directions on the package.

Some plants that are grown widely in Texas gardens are more susceptible to iron deficiency than others. Some of the most susceptible are azaleas, camellias, gardenias, roses, hibiscus, hydrangeas, pyracantha, bottle brush and photinia.

Toward the end of April when warm weather prevails, many gardeners move their potted plants that have been growing indoors out into the garden. This is a

time-worn practice that should be avoided if possible. It requires a considerable number of weeks to get plants adapted to indoor environments. When they are moved outdoors for several months and are then moved back in, they must undergo this slow process all over again, making the practice of moving them outdoors during the summer months more harmful than beneficial.

PLANTING:

Daylilies, roses and almost any other plant desired that is growing in a container can now be planted into the garden. When plants are set into the garden out of containers, be certain to plant them so that the surface of the soil in the container meets the surface of the soil in the garden. In other words, do not place the soil ball on the plant any deeper in the garden than the level of the soil in the container. Tamp the soil well around the soil ball to eliminate air pockets, and be sure to apply enough water to thoroughly soak the root ball.

The Rankin (Tex.) News—
Thursday, May 14, 1964

Plants set out from containers should be watered well every 4 to 5 days during the first few weeks after planting and until a new root system becomes well established.

Shooting Matches Gun Club Continues

In action last week-end at the Upland Gun Club, a tie for the 1st place slot that developed in the first-round shoot several weeks ago was decided. In the original competition, L. B. Davis of Big Lake, Shack Jones of Texon and Lawrence Phillips of Rankin had tied for first. Davis outgunned his two opponents to take the win.

In addition, last Sunday afternoon actually marked the 3rd round in the quest to find an overall winner. Again a tie for first developed, this time between Phillips and Lloyd Helmes. Helmes was the shoot-off winner.

for proper digestion and utilization of the nutritive goodness in all foods.

Even ground beef needs to have a little fat in it. Choose a package with about 20 percent fat. It will provide the more satisfying juicy flavor. USDA Choice beef is preferred by most customers. It is of high quality and usually has less fat than beef of the prime grade.

Have enough room in your home freezer for a few steaks? Then you'll want to take advantage of the favorable retail prices on beef by freezing some for this summer's cookout. Steak prices are traditionally higher in the summer. When you choose steaks for freezing, select only high-quality fresh meat. Freezing does not improve quality. Properly handled steaks can be stored as long as 8 to 12 months at 0 degrees F.

Package in quantities to be cooked at one time. If two steaks are to be wrapped together, place a double thickness of freezer paper between them so they can be separated more easily for the thawing and cooking.

Protect all foods to be frozen by wrapping or packaging them carefully in moisture and vapor-resistant materials. Proper packing keeps foods from drying out and prevents air from entering the closed package and causing oxidation. Suit the wrapping materials to each cut's shape and size. Label each package with the date, kind and type of product, and weight or number of servings or pieces.

FRENCH FRIED LIVER—

For those who failed to save the recipe on French Fried Liver and who have requested it, here is the repeat:

Mix ½ lemon juice and ½ melted butter or cooking oil. Cut liver into finger slices. Salt. Dip finger slices in the oil and lemon juice. Flour and fry in deep fat. Serve with crisp bacon.
