Feb. 10 ALL-SPORTS BANQUET HONOR R.H.S. ATHLETES

Ablene Cooper head
Merrill Greer as the speak.
The evening, the annual
Schools All-Sports Ban-
is promise of being an
ag affair here Saturday

night, February 10. Activities are
to get underway at 7:30 p.m. at
the Elementary Cafeteria and in
addition to the speaker and the
awards presentation, guests will
enjoy an evening meal.

A number of awards will be
presented, among them being the
"Fighting Heart Award". Spon-
sored by Rankin Booster Club, it
goes each year to the boy or girl
who is judged to have given his

or her best in the field of sports.
Coach Greer is a much sought-
after speaker at events of this
nature and his messages are said
to be thoroughly inspiring. A
graduate of Chickasha, Oklahoma
High School, he played his col-
lege ball under Bud Wilkenson at
Oklahoma from 1950 through 1954.
His coaching duties have in-
cluded assignments at Wichita
State, University of Missouri—
when Frank Broyles of Arkan-
sas fame was head coach—assis-

tant work at the University of
Arkansas, at Texas Tech, and, in
his first high school work, at
Ablene Cooper since 1965. His
Cooper teams, playing in the
always tough AAAA bracket, have
compiled a 26.8.2 record in three
years.
Tickets for the Banquet are
now on sale at \$1.50 each and
may be purchased from memb-
ers of the Booster Club and the
coaching staff or may be bought
at the door.

New Organization Off to Fast Start

The second meeting of the
Rankin Archaeological Society
was held Monday, January 29 at
7:30 p.m. in the Rankin High
School lounge with an attendance
of twenty-six. Five families were
added to the membership list.

Members displayed a myriad
and interesting collection of In-
dian artifacts; and Mrs. Clay
Walton showed some of her cut
rock collection and skillfully fas-
hioned lapidary jewelry.

Mr. Roy Johnson reported on
the field trip that seventeen of
the members made to an area
between Stanton and Lamesa on
Saturday, January 27. Several
artifacts were found and the
group enjoyed a picnic lunch.

Guest speaker, Mr. Dalton
King, officer in the Iraan Arch-
aeological Society, instructed the
Rankin club members concerning
organization and procedure; and
gave an informative speech a-
bout the history of ancient Ind-
ian culture in the immediate a-
rea. He gave methods of excava-
tion for remnants of their cul-
ture.

Mr. Johnson presided over the
business meeting. He explained
that, at the first meeting, mem-
bers set dues; and voted to meet
twice a month, to have guest
speakers frequently, and to have
a field trip for members once a
month.

1942 and has been active in the
oil field service business here and
in Reagan County most of the
time. He and Mrs. Rankin have
two children, a 21-year-old son
who is a junior in Texas Univer-
sity, and a seventeen year-old
daughter, a senior in Rankin
High School. Mrs. Rankin is em-
ployed at the Beauty Cottage as
an operator.

Mr. Rankin was elected to the
school board here last April and
is currently serving his first
term.

"I believe I understand the
needs and problems of our Pre-
cinct and of Upton County rath-
er thoroughly," he said, "and I
solicit the active support of all
who can see fit to help me win
this race."

Upton Voting Strength Reaches 2225 --

Candidates Off And Running in Effort to Gather Election Votes

With the passing of the dead-
line last Monday night for can-
didates to file for places on the
upcoming Primary Election bal-
lots, races both on a local level
and statewide were cast. There
was no last-minute rush, however,
several state races did draw some
late entries.

Of principal interest to local
voters will be the race for Up-
ton County Attorney where in-
cumbent John A. Menefee, a long
time resident of the county, is
opposed by a relative newcomer,
Richard L. Barnes. Barnes is an
attorney in McCamey and is
making his first political quest
for office in the county.

No Write-Ins on Primary Ballots

Kirby Dawkins, Upton County
Democratic chairman, was con-
tacted Wednesday morning and
he was able to shed some light
on a part of the new state e-
lection laws. He and others from
the county had been in Austin
recently where they attended a
schooling session on the subject.

One major change, according

Junior Class Plans Saturday Car Wash

Members of the Junior Class at
RHS are rolling up their shirt
sleeves, digging out their work
clothes and getting ready for a
big car wash Saturday, February
10. Time will be from 10:00 a.m.
until they run out of business,
at Rankin Texaco Service, locat-
ed on West Highway 67.

Charge for this first-rate ser-
vice will be \$2. They will call for
and deliver cars for those who
don't have time to get by the
station in person.

In Precinct No. 1, incumbent
Commissioner H. Wheeler is op-
posed by E. W. Love and Johnny
Rankin. All three are well known
in the precinct.

Over in McCamey, incumbent
Commissioner E. K. Buford, Pre-
cinct No. 3, has three opponents.

For Sheriff, Tax Assessor, Col-
lector, the only other county-
wide slot up for voting this year,
incumbent H. E. "Gene" Eckols,
is unopposed.

NO CONSTABLES

For what may be the first time
in the history of the county,
there are no candidates for the
constable offices. With two in
Rankin and two in McCamey,
these positions have seen some
lively races in past years.

Perhaps the prime reason for
the lack of aspirants to the job
this year can be found in the
fact that about a year ago, the
Commissioners Court set the sal-
ary for constables at \$1 per
year. The positions, at one time,
had paid several hundred dollars
per month.

Currently holding the offices
in Rankin are E. M. Sullivan and
J. T. James, the latter now re-
siding in Ruidosa, New Mexico.

There has been some specula-
tion in local coffee shops as to
what the final outcome of the
constable positions will be. At
the present time, it is not known
whether or not the position will
be included on the Primary bal-
lots and if it is, whether there
would be any interest in a write-
in vote. Doubt was expressed by
some county officials this week
that the Commissioners Court
would appoint anyone to the
jobs if they were not filled in
the voting.

Good \$1 a year men are hard
to find these days.

VOTE COUNT UP

Following a state-wide trend

that has seen over 4 million reg-
ister to vote in Texas, Upton
residents pegged their ballot
box strength at 2225, the highest
figure in a number of years. No
breakdown as to precinct streng-
th will be available until there
has been time to sort the certi-
ficates into their proper voting
precincts. This task will be com-
pleted shortly, according to the
Tax Assessor's office.

An indication of the gain in
registered voters can be found
by scanning past figures. In 1966,
the last year of poll tax pay-
ments, Upton County had only
1475 paid polls. However, in
1955—voters paying for 1956 poll
tax—the record was established
with 2180 paid poll, 30 first-year
and 325 overage exemptions for
a grand total of 2530.

One of the smallest counts in
recent years came in 1964—pay-
ing for 1965 voting—when paid
poll and first-year votes combin-
ed for an 1100 count. At that
time, there were approximately
350 overage voters.

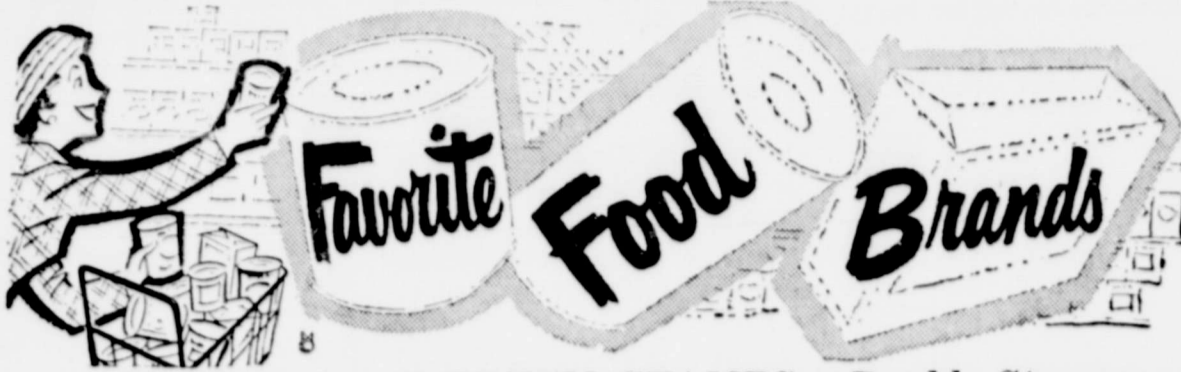

Little League Plans Feb. 16th Meeting

Parents and interested persons
are notified of a meeting of the
Rankin Little League, scheduled
for Friday, February 16. Time is
to be at 7:00 p.m. at the Rankin
Park Building.

At this meeting, the League is
to be organized for the coming
year and plans will be made to
get Rankin's four Little League
teams—plus the Farm Clubs and
Pony League, ready for 1968.

"This is one of the most im-
portant meetings of the year in
our Little League", said president
Lloyd Helmes this week. "Make
it a point to attend and to take
part so that we may have an
even better Little League this
year."

**Rankin Near W-Tex
 Average on Natural
 Gas Service Rates**

According to figures recently
 released by the Texas Railroad
 Commission, Rankinites who use
 city supplied natural gas in heat-
 ing their homes are paying about
 the average price for the service.

The Railroad Commission re-
 port indicated that the average
 west Texan paid 85.9 cents per
 1,000 cu. ft. of gas in 1966, the
 last year for complete tabula-
 tions. This would make 12,000 cu.
 ft. of gas cost the consumer
 \$10.30. In Rankin, this same a-
 mount costs the consumer \$10.75.

Rates for Rankin's municipally-
 owned system are figured on a
 graduating scale. The first 2000
 cu. ft costs \$2.00—the minimum
 charge—or \$1.00 per 1000. The
 next 5000 cu. ft. is figured at a

building the 1968 World's Fair—
 the HemisFair. No you will no-
 tice, I said "near". We never
 were able to negotiate the traf-
 fic into the fair grounds.

Those of you who are familiar
 with San Antonio already know
 that the streets were laid out
 at the time of the Battle of the
 Alamo and haven't been changed
 since.

Now getting from here to San
 Antonio isn't much of a trick—
 there's several good highways
 that will put you within three
 miles of the fair with no sweat.
 But that last two or three miles!

Take almost any good hot
 summer day, put a carload of
 people accustomed to the wide
 open spaces of West Texas in a
 mid.twon San Antonio traffic
 jam—which is the only kind of
 traffic they have—and it w-
 take even a preacher six months
 to balance the Record Book for
 all the cussing that's going to
 take place before getting to the
 fair.

I doubt that all will return
 who face that little skirmish.

rate of 90-cents per 1000 and the
 next 5,000 goes at the rate of
 80.cents per 1000 cu. ft. All a-
 mounts over 12,000 cu. ft. is sold
 at 70.cents per 1000 cu. ft—some
 15.9.cents below the average price
 for West Texas as listed by the
 Railroad Commission.

Some of the area towns and
 their rates are as follows—all fig-
 ured in cost per 1,000 cu. ft.:

- Alpine, \$1.059; Andrews, .646;
- Bronte, .909; Brownwood, \$1.009;
- Coahoma, .813 Crane, .894; Im-
 perial, .916; Kermit, .582; Lamesa,
 .660; McCamey, .937; Marfa, 1.
 916; Midland, .652; Monahans,
 .836; Odessa, .662; Ozona, .765;
- Pecos, .819; Robert Lee, .967;
- Stanton, .663; Van Horn, 1.125;
- Wink, .839.

Rankin is one of the few West
 Texas towns owning their onw
 gas system. The local system was
 purchased about 1957 from three
 individuals in partnership.

THE SCOOP by Scoop

J. B. Hutchens, Jr., Editor

THE V. C.—

Reports carried the last few days on the fighting in Vietnam tell of some half dozen American missionaries who were forced to kneel and were shot in the back of the head by the Viet Cong—or North Vietnamese. These victims were both men and women and their only crime was working in a leper colony. They carried no arms, they fought in no battles and they offered aid to one and all alike.

And the VC shot them in the back of the head.

Where now, are the voices of the protestors? Where are the cries of injustice . . . of inhumanity? Where now, are those who would donate blood to the Viet Cong . . . who would send them medical supplies?

Let us now hear some words from those who say the U. S. is morally wrong in trying to stop the VC.

End of Season at Hand for BB Teams

The last bounces of the basketball are being heard this week as far as Rankin teams are concerned. Only one more game remains on the RHS schedule and the Juniors completed their play last Monday evening.

Friday, Feb. 9, the A Boys and the A Girls will host Sanderson for a pair of games with starting times scheduled at 6:30 and 8 p.m.

For the Red Devils wins have been hard to come by this season after they lost four of their prospective starters before school opened last fall. Despite this, they have had their moments and are expected to close the season with a one-game win-streak going.

For the RHS Girls, it has been a somewhat better year than in the boys' case. The girls have won a number of games and have usually been strong contenders in those they have lost with a few exceptions. And one of the exceptions happens to be the Iraan Girls team which has rolled over all opposition in district play.

As the end draws near, it appears that Iraan will represent the West Zone in both boys and girls play. In the East Zone, the Sonora Bronchos won the boys' side while the Eldorado Girls appear to have their portion in the bag.

In any case, comes Monday and Rankin athletes will stow the basketball gear and take to the track field, the tennis courts, the golf course and assorted other spring activities.

with the County Tax Assessor by January 31.

Registration is free and all who vote must register—regardless of age.

WOMEN PAST 21 WITH BLADDER IRRITATION Suffer Many Troubles

dollar-per-year jobs. Dawkins indicated that since there were no candidates, the constable race will not be on the ballot in the primary elections.

Dawkins also pointed out that a new method of voting will be used for counties with paper ballots such as Upton County. Beside the name of each candidate will appear a small box and the voter may indicate the candidate of his choice by placing an "x" in the box beside the name. Or, as in the past, he may scratch all other names in the race, leaving his favorite unmarked.

The Chairman said that he and other officials would attend still other area schools on the new voting procedure and would then return and hold local courses for hometown election workers. Date of the school will be announced later. Members of the Democratic Executive Committee are to meet Monday, February 12 and set the filing fees for the candidates.

Rankin is Site for Large OES Meeting

On Thursday, January 18, the "Creative-Love and Service" School of Instruction was held in the Rankin Masonic Hall. Host chapters for the Order of the Eastern Star school were Rankin No. 176, Sonora No. 575, Eldorado No. 140; Ozona No. 287, Summerland (Menard) No. 322, Big Lake No. 752, Ft. Mc. Kavett No. 783, and McCamey No. 818, all of District 5, Section 2.

Presiding over the school were the Worthy Grand Matron, Mrs. Nancy Bailey; District Deputy Grand Matron, Mrs. Rennie Olf-ton; Grand Examiner, Mrs. Mod-gie Hudson; and Deputy Grand Matron, Mrs. Esther Loeffler.

After the morning session, a buffet luncheon was held in the Rankin Park Building. When the instruction was completed in the afternoon session, Mr. Paul Olf-ton was presented as a guest speaker. His topic was the OES Home in Arlington.

Decorations for the school were carried out completely with the Worthy Grand Matron's theme in shades of blue and green. The starpoint stations were covered with light green satin and flanked by tiered green tumbleweeds covered with hanging ferns. On the right of the Worthy Grand Matron's chair, was a life-sized portrait frame which symbolized her "Portrait of Life" theme. On her left was a giant palette with paints and brushes which represented the materials which a person uses to paint her "Portrait of Life." Mrs. Bailey's theme was carried even further with discretely placed seashells with varieties of fern and colored fish-nets providing the finishing

touches.

The Jewels of the Sea banquet was attended by seventy-six persons. The tables were decorated with seahorse favors, mermaids on fish, jeweled seashells, and a centerpiece of "Ye Olde Treasure Chest".

Opening drill for the night was performed by Big Lake Chapter No. 752. The Welfare Program, presented by Eldorado Chapter No. 140, projected the Worthy Grand Matron's projects for the year to the members through the portrait frame with amazing reality.

At the Joint Fraternal Visit, the Worthy Grand Matron brought greetings to the members and gave a stirring message. Mr. John Paul Jones, co-chairman of the Knights Templar Eye Foundation—one of Mrs. Bailey's projects—was presented to the mem-

The following officers were elected: President, Mr. Roy Johnson; Vice-President, Mr. Charlie Bob Snell; Secretary, Mrs. J. C. Surber; Treasurer, Mrs. H. W. Vick; and Reporter, Mrs. Wayne A. Davis.

Mr. King announced that the Southwest Federation Convention will be held at Iraan April 27, and invited the Rankin members to attend. The exact time and place will be announced later.

Refreshments were served, followed by a discussion period.

The next meeting of the Rankin Archaeological Society will be held Monday, February 12 at 7 p.m. in the Rankin High School lounge, with Mr. Aaron Riggs, Midland, as the guest speaker. The society extends an invitation to all persons interested in spelunking, excavating, surface hunting, fossil and rock hunting, and pioneer history.

Inservice Workshop

Rankin Teachers

Attend Reading

Mr. Bob Holman, Assistant Superintendent and Curriculum Director of the Hereford Schools was in Rankin this past Thursday and Friday for an inservice workshop with teachers of reading in the Rankin Schools.

Mr. Holman is well known in the northern section of the state for his knowledge in the field of teaching reading and his ability to organize special reading programs. He demonstrated the eclectic approach to reading which is a method of using all available resources to motivate and cause an aggressive attitude in the child toward reading.

This intradisciplinary approach includes the use of tape recorders, head sets, the overhead projector, film strips, records and many special reading materials which tend toward the linguistic approach to reading.

Mr. Holman also met with the RISD board of trustees at their meeting last Thursday night and explained the program to them.

Forty Member Jury Panel Called Mon. in 112th Dist. Court

Jury summonses were mailed this week to some forty Upton residents, ordering them to appear at the courthouse in Rankin Monday for jury duty in the 112th District Court. Judge C. E. "Pat" Patterson of Alpine is the presiding judge. Just what cases the judge would hear on Monday have not been specified but one is reported to be a divorce case.

Elsewhere this week on the jury service line, the Grand Jury was in session last Monday and returned five indictments. Most for hot checks, petty theft, etc with no major felony charges being filed.

BETTER TOMATOES—

No longer do commercial growers and home gardeners have to contend with root knot nematode infested tomatoes. A multiple disease-resistant tomato called "Nematex" is now on the market which combines nematode resistance with resistance of several other damaging tomato diseases.

Nematex is a fresh market tomato with moderately sized fruit and is widely adapted to the tomato growing areas of Texas. Nematex is not recommended for use in areas where a premium is placed on large fruit, but is recommended for home gardeners

MATTERS—

As of the state of your health now, you can by making and using plan. A budget—or plan—is a tool to help money wisely and family goals. A budget cut out inefficient and give your family its money. Of course, a budget takes planning. Following a budget takes on. You will need co- from the whole family. workable, your budget tailored for your own should be adopted to y's needs and income. and it easier to keep our plan if you keep your spending. The

record need not be expensive or elaborate—a loose leaf notebook is excellent for this purpose. Several types of financial record books are available in stores—and at your local News office.

You can make your forms for recording expenses and income simple, to your family's needs; then transfer them to your record book.

Mrs. Bateman Hosts Exemplar Meeting

Xi Epsilon Chi chapter of Beta Sigma Phi met in the home of Kate Bateman on January 29 with Lucy Simpson serving as acting president.

Minutes of the last meeting were read and approved. The program was a participating program on "Understanding Art." Sybil Browning played several records and the members were asked to identify the composers.

Most of the members decided to go to the Midland Community Theatre and see the musical, "My Fair Lady," on Sunday, February 11.

Eleven members were present and refreshments were served after the closing ritual.

The next meeting will be in the home of Dorothy Sullivan
