

Scientific Approach Essential In Today's Farming Program

Science has brought about many changes in today's modern world, and subsequently hardly any aspect of human endeavor has gone untouched by the ever turning wheels of progress.

It would be virtually impossible to list every field in which man's ingenuity has contributed to progress, but one area that has seen many improvements, would have to be farming—an industry which is vital to every living being.

Modern, power-driven machinery has replaced the horse-drawn plow, and with the development of irrigation, hybrid seeds and commercial fertilizer, yields and quality of today's farm products are the highest they have ever been.

The latter development, commercial fertilizer, is one of the more recent advancements, at least in the manner which it is used today, and it has been one of the chief contributing factors to increased production with each passing year.

Through trial and error, and general recommendations from agricultural experts, farmers have done quite well in figuring out soil deficiencies and returning to the ground

ingredients which it lacked.

So successful have the farmers been with applying fertilizer, an integral part of an overall intensive farming program, that farm production in recent years has exceeded what previous generations no doubt considered impossible.

But, in spite of all of this success, more can be done, and is being done all the time, to improve the utilization of these stimulants to the soil.

With the recent opening of a soil testing laboratory at Lubbock, farmers of the Farmer County region now have available to them a service that can provide a chemical analysis of soil from every field.

Through the efforts of a Farmer County soil fertility committee and the state extension service, a four-point soil fertility program has been undertaken. The first phase of this program is the soil test.

Fertilizer dealers throughout the county are cooperating with the county agent, Joe Jones, in assisting farmers with taking these soil samples and sending them off to the testing station.

The cost for having each soil sample analyzed is \$2 and farmers can get them back within a week's time. Kits for sending off these samples can be obtained from any fertilizer dealer or the county agent.

Because planting time for cotton and grain sorghum will be coming up in the near future, right now is the time to take those soil samples from every field and send them off for an analysis, Jones says.

The soil testing laboratory will take these soil tests, along with the history of the land and the crop the farmer will plant this year, and make fertilizer recommendations.

Many times these recommendations are similar to what the farmer was already planning in the way of fertilizer applications, but some times they are not.

That's why it is beneficial to the farmer to have the soil tests made. "An ample supply of plant food in the proper balance is the key to maximum production at the lowest cost," Jones says.

Since the growing crop will draw its total plant food from the soil and from added fertilizer, these two sources must be combined or matched so as to give the plant just what it needs, he points out.

Soils vary in the amounts of plant food they will furnish, and only a soil test will tell how much. With this information, the amounts and types of fertilizer needed can be determined.

Never has it been so important that every possible effort be made to produce higher yields, the county agent says, and farmers can increase their incomes very substantially by following a program of soil testing and improved fertilization.

When you consider that the farm income in Farmer County last year was nearly \$40 million, it's easy to see how important a scientific approach to every phase of farming is, Jones explains.

"If you increase farm income by five per cent, that's \$2 million," the agent says.

Soil testing is only one phase of the four-point program being emphasized in the county, but it is the corner stone on which a farmer can plan his fertilization program.

Other phases of the program are water management, efficient production, and quality harvesting and marketing—all of which lead to increased yields and higher profits.

And, that's the whole purpose of the fertility program. It is one in which agricultural experts believe will help the farmer in every respect.

Demonstration Plots Planned

Several demonstration plots are planned in Farmer County this year to compare results of grain sorghum and cotton crops where soil test recommendations were used, with crops where previously-determined amounts of fertilizer were applied.

Farmer County Agent Joe Jones says he hopes there will be about 20 demonstration plots of both cotton and milo so that farmers can see just what the soil tests will do.

Seven farmers who have already made plans for these comparative plots are Al Reznik, Lee Chitwood Jr., Melvin Nachs, A.E. Redwine, Jack Little and A.L. Black.

Anyone else who would like to participate in the demonstration program is asked to contact the county agent.

DEMONSTRATING HOW to take a soil sample is Farmer County Agent Joe Jones. Three ways a person can take the tests are with the probe, being demonstrated here, a shovel, or an auger. The important thing in taking samples, Jones points out, is getting a composite sample of a complete field. This is done by taking from 10 to 15 samples by zig-zagging across the field and placing each sample into a clean container. The samples are taken from the top of the soil to about six or eight inches in depth. All of the samples from each probe are mixed thoroughly and then a small quantity is shipped to the testing station. It is important that no cigarette ashes or other foreign matter get into the soil samples. Instructions on taking samples can be obtained from the county agent or any fertilizer dealer in the county.

Plants Hungry Too!

Plants have appetites just as you and farm animals do. But, unfortunately, plants can't vary their available foods at will to match their appetites for a balanced diet, says Farmer County Agent Joe Jones.

This is where you, as an alert farmer, can enter the picture.

You don't have to wait until your crops show ring-streaked, speckled, spotted signs and blotchy discoloration. You can get help beforehand by having a soil test made to detect nutrient deficiencies even before you plant your crops.

Jones says that a soil test will help you to determine how much and what kind of each fertilizer element you should add to produce a heavy, healthy yield of any crop.

The county agent explains that many crops in the county are forced into "over-eating" certain elements but are on a starvation diet for other nutrients needed to furnish them health and steady growth.

He emphasizes that a major soil fertility problem in the county is an unbalanced supply

Know Your Nitrogen

How important is nitrogen in normal plant growth and development? This is a question many farmers face today in deciding how much fertilizer and what kind they should apply.

Nitrogen is a colorless, tasteless, odorless gaseous chemical element forming nearly four-fifths of the atmosphere; it is a component of all living things.

Nitrogen for plants can be obtained from two sources; the soil and the air. Most of the plants cannot use the vast amounts of free nitrogen in the air therefore, they have to get

their required supply from the soil. For nitrogen to be stored in the soil it must be transferred from the air to the soil by a process known to the farmer as nitrogen-fixation. This is simply a bacteria that handles the process. There are two kinds of nitrogen fixing bacteria: those that live on the roots of plants and those that live free in the soil.

Nitrogen-fixing bacteria take the nitrogen directly from the air, combine it with hydrogen and use this combination in building proteins. The root-dwelling type thrive only in the roots of leguminous plants like alfalfa, clover, beans, and peas.

But they fix more nitrogen than these plants require; so the surplus is stored in the roots and passes into the soil when the plants are harvested or die. That is why leguminous crops are said to enrich the soil in which they grow. Many wild plants die and give back their nitrogen to the soil where they grew. But our harvest are continually taking it away without return.

That is one of the reasons why we as farmers must use fertilizers. Research results indicate clearly that the nitrogen content is not increased appreciably, if at all, by growing these legumes even though they are inoculated, unless the

Where You Receive More For Your Money
Many hours of research have been spent in planning and making the fine Fertilizer we produce here at Caprock in Littlefield. We would like all the farmers in this area to inquire about the service and product we have. We think you will like it and want to use more of it in the years to come.

- We Highly Recommend The Following To Improve Your Crop Producing Yield
1. CAPROCK 0-20-0 SUPER-PHOSPHATE—the most economical source of phosphate by far... you save on application of your land up to 33 1/2%.
 2. CAPROCK... (Sulphur Fertilizer)
 3. CAPROCK AMMONIUM PHOSPHATE (Water Soluble)
 4. CAPROCK PREMIUM GRADE FERTILIZERS
 5. CAPROCK 0-20-0 X-TRA WITH SULF-PG-MAG

For Your Convenience We Have:

A. BULK LOADING FACILITIES
B. ORDERING ANY AMOUNT YOU WANT

FOOTSAVING EDUCATION
By John "Joe" McKee
Are you not exaggerating problems of fitting shoes?
Sometimes I think that I may be over-enthusiastic about the subject but I have a defense against such thinking.
Newspapers frequently carry stories of cab drivers who pinch-hit creditably for doctors at the birth of a baby. "Mother and child are doing fine."
Do we exaggerate the role of the doctor in maternity cases? There probably are many instances when the doctor has little to do but can you visualize the chaos if doctors turned all maternity cases over to cab drivers or lawyers or teachers or students.
Selling shoes has always been a job to which anyone can turn when pleasant jobs are not to be had but selling shoes and being a shoefitter are as different as clerking in a drug store and being a pharmacist.

top growth is returned to the soil. About two-thirds of the total nitrogen in the plant is found in their top growth, and the remaining one-third in the roots.
With this information at hand, it is readily apparent that if the top growth is removed as hay or grass silage and not returned to the land as "green manure," there will be no detectable change in the nitrogen content of the soil.
The importance of nitrogen can be determined by knowing how a deficiency or excess of nitrogen affects a plant.
A deficiency of nitrogen can be detected readily by watching for these symptoms: plants dwarfed, extremely poor vegetative growth with delayed fruiting, leaves a pale turning yellow then brown and finally falling off, due to fact that nitrogen moves out of leaves up to younger tissues developing.
An excess of nitrogen can be detected by watching for these symptoms: rank growth characterized by plant being very juicy, leaves have a deep green color, tissue of leaves is thin and soft, stem tissue rather weak, causing plants to fall over and due to fact that plants are very juicy in nature when a dry moisture condition exist, plant wilts quickly.
A false assumption that many farmers make is that the so-

Valentine Shoot Plans Announced
Announcement was made early this week of the completion of plans for a Valentine shoot at the trap house east of Friona on highway 60 by members of the Friona Gun Club.
Marksmen from the area are invited to participate in the shoot by C. L. Lillard, spokesman for the group.

Vern's Views

Last month, a Star editorial penned by this writer made mild comments about the telephone service here.

The article said in effect that although the editor is unaware of the many and complex problems that General Telephone faces here, it does look like an additional service man would help the situation.

Two public relations men from that firm have since visited with yours truly. Their main purpose in coming was to make a serious attempt to find out what is wrong with telephone service here and also to explain why some things are as they are.

Most important thing they said was that there are not enough telephone subscribers in Friona and Bovina to justify two service men. One man has to take care of both towns, according to their figures.

Another thing they did ask that instead of telling Star subscribers about what we think is wrong with the telephone system, we notify them first.

We couldn't go along with this. A call to the business office wouldn't have brought two public relations men to see this writer, but a short editorial comment did.

-jvs-
They say that those who think rock and roll music is so unbearable would really revolt if they could understand the senseless lyrics that those mumbling singers are supposed to be singing.

-jvs-
Speaking of music, we just haven't heard any modern popular songs that compare with those they used to sing in the old days.

None of these newer songs stir emotions as deeply as a few like "Ol' Shep" always did. I can remember when a certain rendition of that tune brought tears to the eyes of grown men. The story about a boy and his dog just had a much more touching plot than do songs that involve only a couple of weedy-eyed lovers.

Even when Elvis Presley made a recording of "Ol' Shep" a few years ago, it had most of the tear-jerking qualities they once sung in the original rendition.

Songs about a condemned prisoner who would be executed at sunrise for a crime that he hadn't committed could also bring deep feelings out of this writer.

Modern day songwriters have made gallant attempts to produce some tear-jerkers to match those of the old days, but as yet they haven't succeeded. They go about it in the wrong way.

All those voices in the background whining just above the roar and shake of drums and rhythm guitars are supposed to be voices of angels I guess, but they make me want to reset the radio dial because it sounds like two programs.

-jvs-
Some people think it's a shame because the modern teenager spends so much money to keep guys like Presley, who have never been accused of having any talent, rolling in dough.

It does look like a waste of good American dollars to make a millionaire out of some skinny kid who would end up a nobody if it weren't for the rock and roll craze.

But as long as these wealthy entertainment personalities are having to pay about 95 cents on the dollar to Uncle Sam, the wealth isn't completely lost. I wish we had more of them. They are easy to tune out when they are on radio and maybe they will eventually become so rich that the government will get enough money from them to take it a little easier on guys like myself who have to work for a living.

-jvs-
Practically everyone in this community knows about the "Peace Walkers" that came through here last Thursday and spent a couple of nights camped just east of Friona city limits.

We went out to interview some of the individuals who were walking. We found them very cooperative, courteous and willing to answer any and all questions.

From this interview, we gained information for a new story, which appears elsewhere in this issue. The group represents the committee for non-violent action and will walk from San Francisco to Moscow, with some airplane rides across

(Continued on page 8.)

Trustees Rehire All Three Principals

School Zone Limits Will Be Enforced

Friona police department announced this week that stricter enforcement is coming for an ordinance that regulates automobile speeds in school zones. Police chief Ben Moorman said the ordinance that requires traffic to move at not more than 15 miles per hour around the school during school hours will be enforced.

Signs were erected this week on Main Street, warning of the 15 m.p.h. limit. The signs had been installed for some time on Highway 60. However Moorman emphasized that not only these streets but all streets adjacent to the school grounds are covered by the law.

The signs will be up and the ordinance is in effect each school day between 8 a.m. and 4 p.m.

The ordinance has been on city books for quite a while, but it had not been enforced recently. Moorman said more school traffic crossing the streets is the reason behind the strict enforcement ordinance.

High Schoolers Hear Swiss Girl

American school students have more time for activities and recreation than students in Switzerland do, Heidi Rutishauser told an assembly of Friona High School students Tuesday morning.

Heidi is a senior exchange student in Hereford High School. She will return to her native Switzerland after this school term is completed.

She told students and faculty members that a Swiss student spends almost all his time studying except for part of the weekend. One of the more popular forms of recreation there is walking. Whole families often spend their days off walking to neighboring towns.

Heidi is attending school at Hereford under auspices of the American Field Service. She will go back to Switzerland and repeat her senior year there after this term is completed.

She says subjects for high school students here seem easier than are Swiss subjects, but the English barrier makes them a little more difficult for her.

Plans are being formulated to bring a foreign exchange student to Friona High School next year.

Calvary Baptist Will Dedicate Buildings

Calvary Baptist Church of Friona will observe its formal dedication services Sunday.

Dr. Franklina Swanner District Nine missions secretary will deliver the 11 o'clock message while Bro. Robert Laceywell, a former Fronionian, will deliver the dedication message and the Rev. Bill Burton, pastor of First Baptist Church will lead the dedicatory prayer.

The noon meal will be served at the church and dedication services will begin at 2:00 o'clock.

Calvary church started as a mission from the First Baptist Church last June and because it exceeded all expectations, was

organized into a church in July. The church called Rev. Audye M. Wiley of Portales, New Mexico as pastor and since organization of the new church, members have moved their auditorium from Bovina and built an educational wing all of which will be dedicated this Sunday.

The church gives you a special invitation to attend, according to the Pastor.

Blazing Tractor Brings Firemen

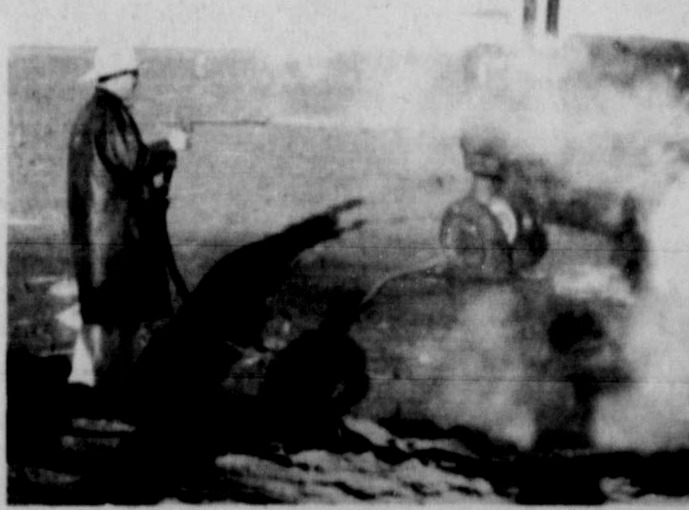

A farm worker was injured slightly and a tractor received serious damage Monday afternoon when the fuel system caught fire.

Friona Volunteer Firemen answered the alarm that came about 5:15. The tractor was working applying fertilizer on the H. C. Claborn farm six miles north and two west of Friona. It was owned by Bill Simms.

Treated and released at Parmers County Community Hospital was Robert Moreno, who was operating the tractor when the accident occurred.

The tank truck dispatched to the scene received incorrect directions and arrived where the tractor was blazing about five minutes after the pickup carrying Fire Chief Ralph Shirley and other firemen had arrived. The injured man was carried to the hospital before firemen arrived. His injuries were considered minor by hospital attendants and he didn't require hospitalization.

When firemen arrived, they found flames coming from a fuel line. The rear tire and one of the front tires were burning.

COOLING OFF the tractor that was damaged in a fire Monday is J.C. Blankenship of the Friona Fire Department. The flames had been extinguished and the water was causing steam when this picture was taken.

J. T. GEE TOM JARBOE JOHN R. COOK

Santa Fe Man Presents Case In Busy Session

All three principals were rehired by trustees of Friona Schools Monday night as a highlight to a busy session by the board that lasted until midnight.

John R. Cook, high school; Tom Jarboe, junior high; and J. T. Gee, elementary were the principals involved. They were reelected unanimously.

Other important business conducted by the board included hearing a tax representative from Santa Fe Railroad, calling a trustee election, and setting the date for the current school term to end.

W. R. Brown was the railroad tax representative that met

with the board. He presented figures on the school district's assessing ratio and also an inventory of Santa Fe's property in this district. He said his figures indicate that Santa Fe's total assessment of \$386,160 last year was 44.48 per cent of the total value of the property. The district has an assessing ratio of 25 per cent.

Brown met with the board to point out the alleged discrepancy in the assessing ratio applied to Santa Fe property in relation to that of other property in the district.

Brown's study placed the value of Santa Fe's property in the district at \$867,880. He asked that the board of trustees and the equalization board assess Santa Fe's taxes at 25 per cent of the evaluation shown in his study.

The trustee election was called for April 1. Trustees whose terms expire are Clyde Weatherly, C. V. Potts and Arthur Drake.

George Baker was appointed presiding judge.

The board also approved May 25 and 26 for high school and grade school graduation respectively. Classes will be dismissed May 25.

The graduation exercises had originally been set for May 19 and 20, but two days of school were missed because of bad weather conditions, and an extra day was added to the Christmas vacation. This made some extra days at the end of the term necessary.

Approval was also given for further investigation into the possibilities of offering a driver education course for freshmen students this summer. Several students have been unable to fit it into their regular schedule because of conflicts.

If offered, the course would cost each student \$10 and the school would match that amount to pay the salary of the instructor. The board action does not mean that such a course will be offered this summer, but it does give the superintendent authority to investigate such things as student interest before making a decision on whether to offer the course.

About 40 students have been taking drivers education during the regular term.

Tax assessor collector Dan Ethridge gave an encouraging report on the progress of tax collections within the district.

He reported that \$214,067.39 in taxes had been collected before the Feb. 1 deadline when the taxes began drawing a penalty. This is 96.3 of the total tax roll and means that only 3.7 per cent, or \$8,133.94 were placed on the delinquent rolls.

Collections in January and December were \$65,823.44 and \$71,838.81 respectively. Before December, collections were progressing slowly.

FRIONA, TEXAS THURSDAY, FEBRUARY 16, 1961 TEN CENTS

THE FRIONA STAR

12 PAGES VOLUME 38, NUMBER 20 SECTION 1

Peace Walkers Pause On Trek To Russia

Proof that Friona is located on an important transcontinental traffic artery was presented last week when a group of "peace walkers" passed through this community on a trip that they hope will take them from San Francisco, Calif., to Moscow, Russia.

The walkers, sponsored by Committee for Non-Violent Action, plan to go from here to New York, via Chicago and Washington, where they will then board airplanes for London. There they plan to start walking again, passing through Paris, Vienna, and Warsaw on their way to Moscow.

The group left San Francisco on Dec. 1, 1960 and hope to finish their trip in the late fall of this year. They plan to walk 25 miles per day, and were about one day ahead of schedule when they passed through Friona.

Literature distributed by the walkers state that they are pacifists seeking support for their plan of non-violent resistance to threats of aggression.

Individuals walking through this area said they would picket military installations along the way since they believe that American participation in the arms race with Russia will lead both countries and the entire world to complete destruction.

The walkers participate in teams of no fewer than five persons. Advance agents for the organization attempt to rally support for the project along the walk route and also lodging.

When no lodging is secured, the group camps out. They were camped for two nights in the roadside park just east of Friona City Limits last week.

Mrs. J. P. Wilson and Mrs. Elmer Euler visited in Farwell and Clovis this week.

Mr. and Mrs. James Procter have returned home after being at the bedside of his mother, Mrs. B. R. Procter, who is seriously ill.

PEACE WALKERS--These persons are one part of the team that is attempting to walk across the United States and then to Russia. Left to right are Jerry Lehmann, Julius Jacobs, Mimi Jacobs, unidentified, Betty Blanck and Jerry Rich. Rich has walked the entire distance from San Francisco.

MOD CAMPAIGN-- Funds Over \$500 Game Nets \$65

Bill Nichols and Hollis Horton led the Friona Lions to a 25-15 victory over the Friona Jaycees Saturday night in a benefit game for the March of Dimes that netted about \$65 for that cause.

The Lions took a quick lead when the game began and stretched it to 8-0 before the Jaycees broke the ice on a field goal by Cotton Renner.

The gap was 18-5 in the second period. The Jaycees moved to within 10 points just before the game ended on a crisp shot by Gaylon Rhodes.

Nichols scored 10 points for the Lions, Horton made 9, Vern Stewart tallied 4, and Danny Bainum scored one field goal.

The game's proceeds boosted the campaign to over \$500.

Various projects and their contributions include a coffee conducted Saturday before last, in which eating establishments donated their proceeds from the sale of coffee to the MOD.

Coin collectors distributed around town brought in \$77.09. The Rebekah Fund donated \$7.40 and donations for pie and coffee

Mrs. Ralph Durstine is at home after being in the Hereford and Lubbock hospitals.

Guests in the home of Mr. and Mrs. C. A. Guinn last weekend were their children, Mr. and Mrs. A. W. Holt from Durango and Pete Guinn of Brownwood.

Club Has Enough Members To Set Start Of Construction

A general membership meeting Feb. 24, will set a date for actual construction to begin on the club house and golf course for Friona Country Club.

At a Monday morning meeting, directors decided to call the membership meeting to determine the starting date. At that time, they plan to have bids available for various phases of construction.

The directors had hesitated to secure bids for any of the work because they were not sure sufficient membership would be secured to justify beginning of construction. But with the goal of 100 members almost reached, bids will be sought and the members called together to pick the starting date.

Committees appointed will seek out the cost of all phases

Mrs. Marie Castle and Judy of Perryton visited in the Fay Reeve home over the weekend.

Club Has Enough Members To Set Start Of Construction

ready for use by then.

The nine-hole golf course and club house will be located west of Friona on Frio Draw, several members have played the course for distance and report it will be "plenty long."

Scouts Present Lions Program

Members of Boy Scout Troop 56 presented the program to Friona Lions last Thursday night in observance of Boy Scout Week in the United States.

The Lions, who sponsor the troop, donated \$100 to the Boy Scout Tierra Blanca District building fund. Louis Machucha accepted the donation on behalf of the Scout district.

Scout master J. H. Cason presented the troop's new charter to Lion Boss Kenneth Williams. A new committee on scouting has been appointed.

Committee members are Bill Sheehan, Bill Barnett, Glen Reeve, Wallace Kirby and Bill Phillips.

A report from three scouts who attended the Boy Scout jamboree in Colorado last summer was also presented in the program.

Machucha also told the Lions that a new explorer troop has been established here with E. T. Jennings leader. This group will study speciality programs and is beginning with aviation.

In Parmer County \$3 Per Year
Elsewhere \$4 Per Year

Swimming Pool May Be Open By April 1

The indoor swimming pool being constructed in Friona may be open by April 1, according to Truitt Johnson, who is building it.

Johnson said with some co-operation from the weather, one and one-half months will be ample time to complete the building and pool. The indoor pool will be the first privately owned structure of its kind in this area.

The pool will be a part of Friona Country Club, and members will have privilege to use the pool, but it will also be opened to persons who are not members of the club.

Containing 130,000 gallons of water, the pool will be heated for all-weather comfort. It will be 36 x 85 feet.

One corner of the pool will be fenced off for children. It will range in depth from 18 inches to one foot.

Six racing lanes will be installed, and plans for water sports competition, swimming instruction and other activities

are being planned Johnson says. Diving boards and slides will also be built.

The walls of the building are almost completed, and after the roof is finished, much of the inside work will not be greatly

affected by bad weather conditions. The building will also have dressing rooms, a snack bar and a patio will be constructed at the rear of the building.

The lighted pool will contain water that is completely filtered every six hours.

Muleshoe Man Charged With Second DWI

A 47-year-old Muleshoe man, Howard Cox, was arraigned this week in Parmer County Court and charged with driving while intoxicated.

It was the second such offense in the county for Cox, so bond was set at \$500 by Judge Loyde Brewer and the case has been bound over to the grand jury. Cox will appear before the jury when it convenes early in March.

He was arrested between Farwell and Lariat Friday by

state highway patrolmen. In what was a light week for law enforcement agencies in the county, only one other arrest was made. Cecil Norman was picked up near Bovina last Wednesday and charged with drunkenness.

He was fined \$27.50 and court costs by Justice of Peace J. R. Thornton.

You cannot help the poor by discouraging the rich.

--Abraham Lincoln

Moderates Offer Most

Texas will elect a Senator April 4, and every faction, coalition, splinter group, and most other bunches of people will have a candidate in the race that just suits their ideals.

Most of those persons running that pretty well established backgrounds so that they will already appeal to certain groups and not appeal to others. But there is a great deal of overlapping.

While candidate Bill Blakley will no doubt become the champion of the conservative Democrats, and Maurey Maverick will get the votes of the liberal Democrats there is more than one moderate that will appeal to many.

Will Wilson and Jim Wright are two such men.

The Republicans have their candidate in the race in the person of John Tower who made a strong showing against Lyndon Johnson in the regular election.

There are several factors to be considered in the selection of a senator. The liberals think the most important thing is to get a man elected that will help President Kennedy's big spending programs as much as

possible. Most liberals only fit that name when it comes to spending the taxpayers' money.

The conservatives think someone should be elected who will try to head off the "new frontier" proposals of the new administration. The moderates are those who can tolerate some of the proposals of the Kennedy administration but are interested mostly in getting a man to Washington who can do the most good for this area, this state and most of all this country.

The moderates may not win this election. It appears from this point that the conservatives may stand a second best chance, but with so many candidates in the race, the factions and groups may split so unevenly that even one of the minor candidates could get in. This would be a political "accident" that would rival Lyndon Johnson's first election in infancy in Texas politics.

The moderates must pick their man soon. If there is a real split in their ranks, Texas will be the loser.

Black News

BY MRS. DELTON LEWELLEN

BLACK HOME DEMONSTRATION CLUB

The Black Home Demonstration Club will meet Thursday at the home of Mrs. Helen Rangman. Every member is urged to be present.

PAINTING PARTY

The monthly painting party will be held Tuesday, February 28, at the Black Community

House. Everyone circle that date and come and enjoy the day.

T.E.L. CLASS PARTY

T.E.L. Class of the First Baptist Church of Friona enjoyed a Valentine party honoring the husbands at the home of Mrs. Lloyd Prewett with Mrs. Joe Douglas and Mrs. Grover Groggans as co-hostesses.

Mrs. Ray Landrum read an appropriate scripture as a devotional and Bro. Bill Burton gave two humorous readings after which the group played "42." Refreshments of cherry pie ala mode and coffee were served to the following mem-

bers and guests: Mr. and Mrs. Joe Douglas, Mr. and Mrs. Sam Williams, Mr. and Mrs. Roy Miller, Mr. and Mrs. Grover Groggans, Mr. and Mrs. Roy Clements, Mr. and Mrs. George Taylor, Mr. and Mrs. Winston Wilson, Mr. and Mrs. Milburn Bennett, Mr. and Mrs. Ed Hicks, Mr. and Mrs. Ray Landrum, Mr. and Mrs. J.T. Carroll, Mrs. Naomi Terry, Mrs. John Wright and Bro. and Mrs. Bill Burton.

Graham Prewett was home from college last weekend.

Mr. and Mrs. Bruce Parr visited their son, Ira, at Lubbock where he is attending Tech, last Tuesday.

Mr. and Mrs. Clyde Hays visited in the home of Mr. and Mrs. R.E. Burnett in Amarillo on Friday.

Mrs. Gene Welch and Mrs. Earl Harkins of Hereford attended funeral of Mrs. George Roberts of Plainview on Monday afternoon.

Visitors in the R.E. Barnett home last week were Mrs. John Hays, Mr. and Mrs. Roscolvie, and Mr. and Mrs. Otey Hinds. Also, H.T. Nelson of Vernon, brother of Mrs. R.E. Barnett; Mr. and Mrs. George Brock and Miss Betty Barnett of Lubbock.

Mrs. Betty Wiggle of Artesia, N. Mex. is visiting in the home of her parents, Mr. and Mrs. K.E. Deaton.

Mr. and Mrs. Bob Carthel

and children of Amarillo visited Saturday and Sunday in the home of Mr. and Mrs. Bill Carthel and family.

Mr. and Mrs. Les Gibson and family and Mr. and Mrs. Ralph Price and son were in Lubbock on Thurs. nite to see the Harlem Globe Trotters.

Mrs. Helen Fangman and Charles attended a sausage supper at the St. Anthony's auditorium at Hereford on Sunday evening.

Mr. and Mrs. Jim Buckley and family visited in Dimmitt on Sunday. They visited in the home of Mr. and Mrs. J.L. Coke.

Miss Janet Buckley, Miss Sandra Burleson, Carol Ray, and Joye Ingram were in Clovis Sunday.

Mr. and Mrs. Lloyd Shuk and Charles, Mr. and Mrs. Jim McCabe and boys of Dawn and Gary Shackelford were Sunday guests in the Roscolvie home.

Mr. and Mrs. Dick Rockey visited in the home of Mr. and Mrs. O.B. Roberson of Hereford on Friday evening.

Mrs. M.J. Ivie and Mr. and Mrs. E.L. Silvertooth and Judy of Amarillo were weekend guests of Mr. and Mrs. Roscolvie.

Mr. and Mrs. Thomas Lewellen visited in the home of Mr. and Mrs. Irving Mason in Clovis on Sunday.

A Midwestern governor makes this confession:

"When I was a boy, my grandfather told me that if I was to be invited to nice places, I mustn't crumple crackers in my soup. So I didn't; but I never had soup without wanting to--bad."

"Then came a time when President Roosevelt had me to lunch at the White House, and there was the soup, and there were the crackers, which I ate one by one as my grandpa would have wished. Suddenly there came a sound that froze me--the sound of crumpling crackers, splashing lightly into soup. From the corner of my eye, I saw the President of the United States, cracking crackers into his soup with aristocratic assurance.

"I dropped whatever conversation I was making, seized my crackers with both hands, snowed them into my soup, and cursed my dear grandfather for 50 wasted years."

"Nothing which is morally wrong can ever be politically right."

Sweeper Winners Announced

Robert Ivy and Beverly Heathington won top money in the 3-6-9 Sweeper completed last week at Friona Lanes. Ivy picked up \$50 in prize money for his efforts. His winning score was 1077. Second in men's division was Andy Brown, whose 1034 was good enough for \$28. Other winners were Gerald McCathern, 1021, \$17; and Allen Grusendorf, 1007, \$11. Donna Smith's 987 was second best in women's competition. She picked up \$26 in prize money. Third was Liz Kaltwasser, 955, \$16; and fourth

place was won by Faye Keith, with 934, worth \$10. The sweeper ended Saturday night.

Mrs. Ray Martensen was hostess for the H.D. meeting held in her home on Wednesday night.

Hicks Will Bowl On TV Sunday

Gary Hicks of Friona Lanes will become the first bowler from Friona to compete on Panhandle Star Bowlers when he appears on the regionally televised program Sunday. Hicks bowled the highest series in the Panhandle last week to qualify to meet last week's champion Bill Ennis. The two will compete for cash prizes and

the right to continue competing from 12:30 to 1:30 p.m. Sunday on Channel 10 in Amarillo. Hicks' score was 780. Panhandle Star Bowlers picks the top bowlers in the area to compete in the Amarillo contest. Women bowl one Sunday each month and men compete

on the other Sundays. Women bowlers will compete Feb. 26. Hicks, who helps his father Ed manage Friona's bowling establishment, took \$300 in prize money in a bowling tournament held last year in Amarillo.

On Sports

The Friona Squaws wound up a successful season Friday night at Canyon with an easy victory.

Some may think the Squaws' season wasn't successful because they didn't win their district. But if there is anyone thinking that, they are wrong!

The Friona football schedule for next season has hit a snag. Most Frionans want the Chiefs to play here on Sept. 8, because that is the weekend of Maize Days. But school officials are having a difficult time lining up a suitable home opponent for that weekend. In fact, the only team within a 100-mile radius that doesn't have a game for that weekend is Plains and the Cowboys must play that one at home since they already have so many contests slated for the road.

So Friona is left with two alternatives: They can play the Plains Cowboys on Sept. 8 and be out of town during Maize Days, or they can get the Clovis High School B Team over for that weekend.

Neither of those proposals seems too bright, but maybe something else will develop before anything is signed.

There's a chance that a good Class B basketball game will be played here Saturday night in the high school gym.

Bovina and Lazbuddie are battling for the District 4-B championship and if the series goes to three games, the final one will be played here. Bovina won the first game on their court Monday night by one point when freshman Tally Keiso

The Milwaukee Railroad proposes to discontinue its passenger train service west of Minneapolis, effective January 8. The Miles City, Montana, Star, said, "Perhaps it is a sign of the times. The Milwaukee is only one of many railroads serving a vast area and must spend more than it takes in if the service is to be continued. Deficit spending may be the modern trend as far as government is concerned, but certainly private business cannot long endure such procedures."

Karen Kay Hughes Has Birthday Party

Karen Kay Hughes, daughter of Mr. and Mrs. P.W. Hughes was honored with a party on her 13th birthday Thursday, Feb. 9.

Sandwiches, cake and cold drinks were served to the honoree and her guests in the home of Mrs. John Terry. Following refreshments the group went skating at Farwell.

Attending were Barbara Barbers, Darlene Wilson, Patsy Rule, Lorene and Lenora Jackson, Pauletta Hughes and Randy and Mitch Terry.

Bogges Home Scene Of Valentine Coffee

The home of Mrs. Eugene Bogges was the scene of a valentine coffee Monday, Feb. 12 at 4 p.m. Members of the Tuesday afternoon Bible Class of the 6th St. Church of Christ were hostesses.

Cookies, tea and coffee were served from a table centered with a pretty valentine tree made of a tumble weed sprayed white and decorated with hearts and cupid.

Attending were Mesdames

Johnny Hand, Raymond Hughes, Hardy May, Ansel Renner, J.B. Taylor, Harold Lillard, Paul Smith, Cotton Renner, Ralph Robinson, Jack Clark, Steve Struve, J. F. Miller, Lucy Welch, Nelson Welch, R. L. Bates, Tag Johnson, Elvin Wilson, Truett Johnson, John Blackburn and Dean Blackburn.

Also Mesdames Otis Neel, Ralph Price, W.L. Edelman, Grady Nelson, V.R. Wilcox, Bob Zetsche, Burke Hand, Rex Blackburn, Larry Fairchild, Ralph Reed, Eugene Bandy, Ross Miller, J. M. Watson, Charles Sutterfield, Robbie Hughes, Don Littlefield and Ella Faye Holcomb.

MYF Hosts Valentine Party At Fellowship Hall

The MYF Class was host to a valentine party in the Fellowship Hall of the Methodist Church Saturday, Feb. 11 from 7 to 10 p.m.

Decorations of red and white streamers, hearts, cupids and arrows were used throughout the entertaining room.

Sandwiches, cookies and cold drinks were served to Pam Moorman, Linda Rector, Merylene Massie, Gail Varner, Karen Hughes, Sylvia Stokes, Julia Dennis, Lynn Wilson, Shirley Kirby, Lanore Jackson, Janet Rushing, Sharen Awrey, Donna Funks, Teto Jennings and Margaret Wilson.

Also Bette Bass, Jan Wells, Sheryl Long, Kathy Ginsburg, Karen Osborn, Nan Lillard, Carol Struve, Frieda Floyd, Ronnie Brookfield, Dale Milner, Bubba Long, Chris Tannahill, Travis Graves, George Rushing, Terry Fite, Kenneth White, Mike Fallwell, Milton Hughes and Jerry Cass.

Also Joe Bob Johnson, Rex Wells, Tim Herring, Jerry McCathern, Lonnie Ellis, Darrell Anthony, Bing Bingham, Byron Brewer, Ted Osborn, Roger Nelson, Tommy Long, Robert Ginsburg, Jimmie Snead and Larry Buckley.

Sponsors and parents present were Mrs. W. H. Long, Mr. and Mrs. Jack Nelson, Mrs. R. W. Ginsburg, Robert Taylor, Rev. W. H. Kirby and Mr. and Mrs. Jean Anthony.

Maggie Hamlin Circle Has Meet

The Maggie Hamlin Circle of Wednesday, Feb. 8 at 9 a.m. with Mrs. Meryle Massie presiding. Service had their regular meeting in the Fellowship Hall opening prayer and the study

"One World One Mission" was conducted by Mrs. James Boyle. Assisting with the program were Mesdames A. W. Anthony, H. C. Cocanougher, I. T. Graves, Andy Hurst and Jean

Anthony. Others present were Mesdames Hazel Kendrick, E. H. Bradshaw, Kenyth Cass, Jake Lamb and Estis Bass.

Club Have Annual Party

Members of the Fun and Fancy Club entertained their husbands with an annual Valentine party Friday, Feb. 10, in the Skyroom of the Silver Grill in Clovis.

Following a dinner the couples played games of "42". Club members drew names for secret pals.

Attending were Messrs and Mesdames Lloyd Mingus, Junior Renner, Charles Hough, Billy Dean Baxter, Doyce Barnett, Glen Mingus, Lee Renner, Lloyd Rector, Marvin Jordan and G. A. Collier Jr.

Mrs. Ferguson Is Guest Speaker

"For the Love of Christ Constraineth Us" was the topic of the program presented to the WMU of the First Baptist Church by Mrs. John Ferguson, guest speaker from Bovina. Assisting her with the program were Mrs. Don Murphy and Mrs. Parferio Mijia also of Bovina. Bobby Daniel and Karen Turner sang "Have I Given My Best To Jesus."

A covered dish luncheon preceded the program. Special guests were wives of the deacons.

Attending were Mesdames Rosa Anderson, W.M. White, Truett Pool, Paul Fortenberry, Wesley Hardesty, Ralph Smith, Glynn Hughes, John Ferguson, Charles Baldwin, Marston Mars, Bill Burton, R.J. Renner Jr., Edgar Carney, L.M. Crow, Ed Hicks, A.L. Black, Bill Westbrook, W.E. Smith, Noyle Wood and Raymond Cook.

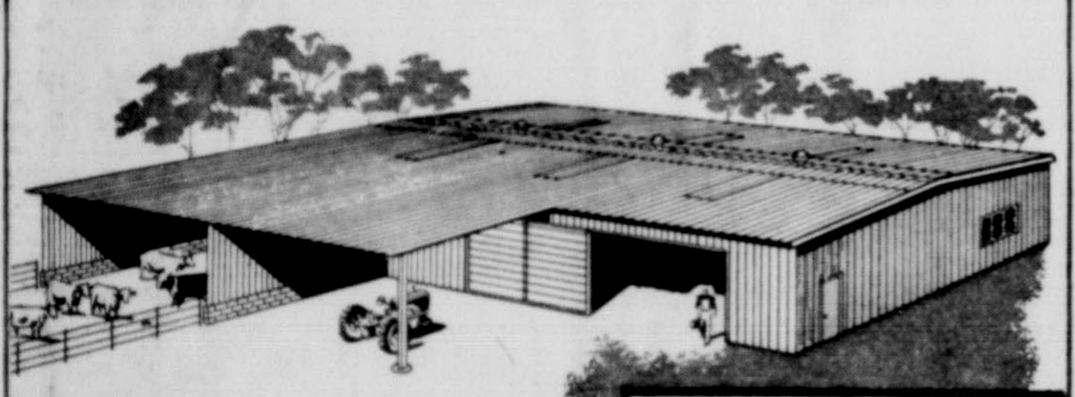

Also Mesdames Jim Maynard, Loyd Mingus, Ralph Taylor, O.B. Moyer, Spencer Hough, Dan Laceywell, Keith Brock, G. H. Brock, Curtis Murphree, Charles Allen, Gary Hicks, Leonard Coffey, Glen Mingus, Lee Renner, Leonard Haws, Clayton Taylor.

Present at the noon meal were Charles Allen, Junior Renner, Roy Miller, Charles Baldwin, Bill Burton, Marston Mars, Bobby Daniel and Karen Turner.

Joe Osborn of Austin visited with his parents, Mr. and Mrs. Sloan Osborn several days last week.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

"Now it is high time to awake out of sleep." (Romans 13:11) This is God's call to all people. It comes to us every day that we live, "Put ye on the Lord Jesus Christ, and make no provision for the flesh." The apostle Paul was inspired to send this message to Rome and to the utmost parts of the earth. The Lord's church is composed of men and women who have had the courage to follow Paul's counsel. In spite of fire, dungeon, and sword they have fought the good fight of faith against all wickedness. More than that, they have conquered through they died.

This call, "Awake out of sleep, put on the Lord Jesus" comes with greater persistency with each passing day. Sin, vice, and crime are organized on a world-wide scale. Atheism, Communism and many other isms are invading the world and the church. Modernism continues to weaken the faith of many and the tendency is to wander farther and farther away from the strait gate and narrow way which leadeth unto life. (Matthew 7:14)

The Plea of the Lord's church is to return to the "old paths" and render due respect for the laws of Christ which shall judge us in the day of judgment. Eternity is too long and our souls are too precious to hazard their salvation on anything less than a "thus sayeth the Lord" for everything we believe and do. This is the only safe course to pursue. Think about it, won't you?

Mr. and Mrs. Herbert Schueler and Glenn attended the wedding and reception in Dimmitt Sat., of Miss Betty Hobratch to Lee Jones.

Mr. and Mrs. Elmer Deyke and children were guests in the Ray Martensen home Friday night. The occasion was Ray's birthday.

Franklin Bauer had a tonsilectomy at Parmer County Com-

unity Hospital the past week. Lenten Services are being held every Wednesday night, 8 p. m., at the Rhea Lutheran Church.

Mr. and Mrs. Shirley Smith and Shirley Lynn spent the weekend in Borger with Mrs. Smith's parents.

Melvin Sachs attended the Recruitment Dinner at the David Crockett Junior High School in Amarillo on Friday, February 10th.

Mr. and Mrs. Ray Martensen and children visited in the Walter Schueler home Sunday evening.

Mr. and Mrs. Walter Schueler and children were Sunday afternoon visitors in the Florian Jarecki home.

Visiting with Mr. and Mrs. Herman Schueler and other relatives in the community is Mr. Gustav Schueler of Indiana. He is a cousin of Herman and Robert Schueler.

Mr. and Mrs. Chris Goetz and Pastor Stroebel visited in the Herbert Schueler home Sunday.

come to church sunday

We often think that man can learn to get along with man through the simple process of letting nature take its course. History has certainly proven otherwise. We would do well today to stress the importance of forgiveness (a very unnatural thing). The ancient story of Joseph serves as an example of the deceit and the cruelty that can cause man to cast his brother into a pit. But the awareness of man's divine purpose and mission freed Joseph from his natural feelings and left him able to forgive his brothers. The great famine that brought the family of Joseph to Egypt was no more serious than the famine that exists today between men. Perhaps that famine will also lead brother back to brother and to the source and to the power of forgiveness.

"Then he fell upon his brother Benjamin's neck. And he kissed all his brothers and wept upon them; and after that his brothers talked with him. (Genesis 45:14-15)

Hospital Auxiliary Met Thursday Afternoon

The Hospital Auxiliary met Thursday, Feb. 9 at 3 p.m. in the Community Room of the bank building with Mrs. Paul Spring, president, conducting the meeting.

Mrs. Ross Ayers reported a total of \$1,342.18 in the treasury. Of this amount \$825.00 was received from the rummage sale. The finance committee expressed appreciation to J.G. Baker for the use of his building for the sale.

Mrs. Ayers also gave a report for TV committee that a third TV set has been purchased for rental to hospital patients. The rental fees for the year totaled \$294.00.

The auxiliary voted to contribute \$1000.00 to the Parmer Co. Community Hospital for items most needed. A committee composed of Mesdames J.G. McFarland, J.T. Gee, Loyd Shackelford, Roy Clements and Lee Cranfill was appointed by Mrs. Spring to work with hospital authorities on this project.

Mrs. Glenn Reeve Sr. presented \$43.00 to the auxiliary. This money was the remainder of the \$75.00 cash prize won at the National Square Dance contest by the 4 D's and Their Lassies, a square dance group sponsored by Mrs. Reeve in 1950.

Names of two new members were announced, Mrs. Herschel

Johnsot and Mrs. H.E. Barnett. Mrs. S.H. Osborn served refreshments to Mesdames George Anderson, J.H. Boyle, C. B. Buske, Guy Latta, M.L. Martinez, Frank Spring, W.M. Stewart, Lucy Vestal, Roy Clements, Ross Ayers, Lee Cranfill, Dan Ethridge, J.T. Gee, J.G. McFarland, Glenn Reeve Sr., Paul Spring and Loyd Shackelford.

Mrs. H. K. Kendrick Host Kolvwia Circle

Mrs. H. K. Kendrick was hostess to a covered dish luncheon in her home Wednesday, Feb. 8.

Preceding the luncheon, Mrs. Eugene Ellis, circle chairman, presided at the business meeting. Mrs. Lee Cranfill gave a book review on "I Believe in Man."

The study "Basic Christian Beliefs" was conducted by Mrs. J. G. McFarland followed with a discussion period.

Mrs. Kendrick presented a review of the book "I Believe in God."

Others attending were Mesdames Clyde Fields, Newman Jarrell Jr., C. L. Vestal, W. M. Stewart, R. W. Ginsburg, Wallace Kirby, George Jones, Dick Rocky and Mrs. Hall of Lubbock was a guest.

Shower Honors Mother And Daughter

Mrs. Tom Pruett and baby daughter, Priscilla Anne, were honored with a shower Friday morning, Feb. 10 in the Friona club house.

Hostesses, Mrs. Andy Hurst, Mrs. Newman Jarrell Jr. and Mrs. Deon Awtrey served coffee cake, nuts, mints, tea and coffee to the guests.

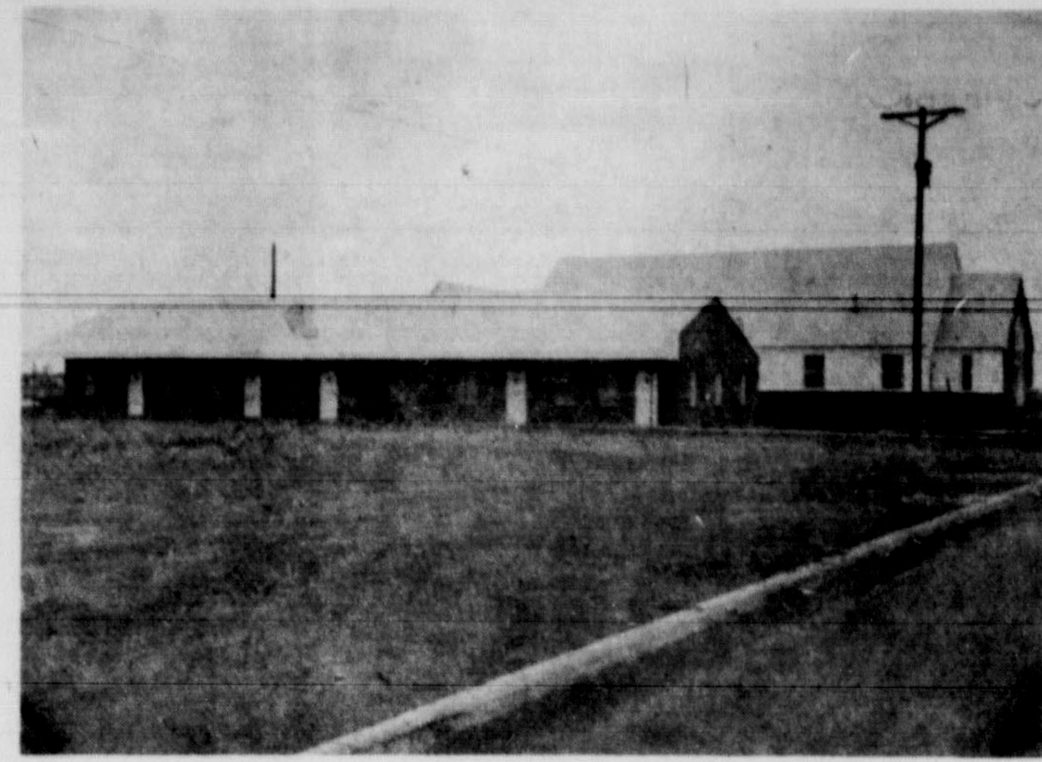

Attending and sending gifts were Mesdames Bill Sheehan, Doyle Elliott, Robert Ginsburg, R.W. Ginsburg, Sam Green, Sloan Osborn, Tom Jarboe, Frank Spring, Billy Joe Mercer, Clyde Weatherly, Floyd Rector, Danny Mack Bainum, Steve Bavousett and H.E. Barnett.

Also Mesdames Marion Pite, Wright Williams, Newman Jarrell Sr., Calvin Talley, Hoyt Smith, Raymond Euler, Bill Nichols, J. T. Gee, Ralph Shelton, M. C. Osborn, H.K. Kendrick, Lee Spring, Charles Allen and Flake Barber.

Pruetts Have Baby Daughter

A baby daughter, Priscilla Anne, was born to Mr. and Mrs. Tom Pruett Monday, Jan. 30 at 10:08 p.m. in the Parmer County Community Hospital.

She was 20 inches long and weighed 6 lbs. and 13 ozs. Priscilla Anne has one sister, Melissa, who is six years old. Grandparents are Mr. and Mrs. Jess Green, Kingfisher, Okla. and Lon Pruett of Snyder, Okla.

SERVICE WILL DEDICATE THIS BUILDING OF Calvary Baptist Church Sunday. The auditorium in the background was purchased from First Baptist Church of Bovina. In the foreground is the educational building built by the church.

Surprise Housewarming Honors Mr. And Mrs. Bates

Mr. and Mrs. R.L. Bates were honored with a surprise housewarming in their new home Sunday, Feb. 12.

Hostesses, Mrs. John Blackburn, Mrs. Steve Struve and Mrs. John Hays served refreshments to guests calling from 2:30 to 4:30 p.m.

Attending and sending gifts were Mrs. Ethel Adams, Mrs. Nora Welch, Mr. and Mrs. David Carson, Mr. and Mrs. Glen Taylor, Mrs. Ella Faye Holcomb, Mr. and Mrs. James Procter, Mr. and Mrs. Leonard Nettles, Mrs. J. F. Miller, Mr. and Mrs. Bob Riethmayer, Mr. and Mrs. L.W. Loanman, Mr. and Mrs. Johnny Hand and Dr. and Mrs. Loyd Shackelford.

Also Mr. and Mrs. J.B. Taylor, Mrs. D.L. Carmichael, Mr. and Mrs. Billy Adams, Mr. and Mrs. Tom Jarboe, Mr. and Mrs. Baker Duggins, Mr. and Mrs. Estes Beaton, Mr. and Mrs. Glynn Hughes, Mr. and Mrs. J.M. Watson, Mr. and Mrs. Nelson Welch, Mr. and Mrs. Eugene Bogges, Mr. and Mrs. Harold Lillard, Mr. and Mrs. Jim Cocannouer and Mr. and Mrs. Newman Jarrell Sr. Also Mayor and Mrs. Raymond Fleming, Mr. and Mrs. Glen Stevick, Mrs. Lucy Welch, Mr. and Mrs. Ed Bogges, Mr. and Mrs. Ennis Cummings, Mr. and Mrs. W.L. Edelman, Mrs. Mary Officer, Mr. and Mrs. Paul Smith, Mr. and Mrs. Hardy May, Mr. and Mrs. Rene Snead, Mrs. L.B. McClain, John Hays, John Blackburn, Steve Struve

Ruth Circle Has Regular Meeting

The Ruth Circle of the Woman's Society of Christian Service met recently in the home of Mrs. David McVey with Mrs. C. S. Bainum as co-hostess.

A continuation of the study "Christian Beliefs" was conducted by Mrs. Tommy Mercer, followed by a group discussion.

Present were Mesdames Lowell Bynum, Wallace Kirby, John Gaede, Hayden Cason, Jack Moseley, Dick Rocky, Roy Wilson and visitors Mrs. J. G. McFarland and Mrs. Ester Haws.

Friona Woman's Club Has Regular Meeting

Regular meeting of the Friona Woman's Club was held Wednesday, Feb. 8, at the club house.

Roll call was answered by naming an outstanding youth. Mrs. Fortune's music class of 21 students sang with Richard Dickson acting as master of ceremonies. Mothers attending this part of the program were Mesdames Pete Meason, Loyd Mingus, Weidon Dickson, John L. Shelton, George Anderson, John Teary and Howard Hays.

"Youth of Today" was the devotional topic given by Mrs. A.H. Boatman.

Tommy Sanders, explorer, gave a report of the National

Scout Jamboree that was held at the base of Pike's Peak.

A panel discussion on "Should Homework Be Abolished?" was presented by the Friona High School Student Council consisting of Bob Sanders, moderator, Larry Evans, Donna Blackburn, Mary Ann Bogges, Kitty Black and Bob Welch.

Hostesses, Mrs. S. L. McLellan and Mrs. J.F. Miller, served congealed salad and wafers to 19 members and one guest, Mrs. Johnnie Hall of Lubbock.

First Son Born To Mr. And Mrs. Roberts

Mr. and Mrs. Bill Roberts became the parents of a baby boy, Sunday, Feb. 12 at 1:25 a.m., in the Parmer County Community Hospital.

He was named Robin J. and weighed 7 lbs. and 14 ozs. Robin has three sisters: Sheri, 11; Melody, 8 and Beverly, 5.

Grandparents are Mr. and Mrs. Homer Whitlow, Kress, and L. R. Roberts of Paducah.

Are You In The Insurance Business Without Knowing It?

You probably are—unless you insure through an independent insurance agent. If you can't answer these important questions about your business insurance, then you need our professional services:

- 1) What are your fire and sprinkler leakage co-insurance requirements?
- 2) Is your burglary coverage subject to a deductible clause . . . or your theft coverage . . . or neither?
- 3) Which form of fidelity bond is best for you?

If you buy insurance directly from an insurance company, you had better be able to answer these and dozens of other questions. But if you insure through us, you needn't worry. We know the answers. And our services cost you nothing.

You can be sure your business has the right insurance coverage when you insure through an independent insurance agent. Look for this Big "I" Seal when you buy insurance. To display it, we have had to meet professional standards designed to protect you.

Mrs. Jackie Dickerson, Friona, O. B.; Stacy Lynette Keener, Hereford, medical; Cindy Campbell, Friona, surgery; Sheri Rector, Friona, medical; Roy Don Rector, Friona, medical; June Spring, Friona, medical; Nellie Whitsett, Dimmitt, medical and T. C. Gardner, Friona, medical.

DISMISSED: February 7th thru 13th.

Mrs. Santos Garcia Jr. and baby girl, Sarah Barber, Earl Harvey, Vi Warren, Geneva Cooper, Decima Beene, Sherril Newman, Mrs. Paul Zinser and twin boys, Mrs. Travis Dyer and baby girl, Plinto C. Flores, Art Burton, Michael Naranjo, C. H. Whitener, Mrs. O. L. McMurtrey, Doyle Cummings, Naomi Traylor, Mrs. Melborn Jones, Franklin Bauer, Roy Evelyn Tims, Mrs. Clarence Monroe and baby girl, Clinton Blane Clark, and Giles Cobb.

Will Wilson Supporters Organize

County campaigners for Will Wilson were organized at a rally held in Amarillo last week, which was attended by the Attorney General, who is bidding for the senate seat vacated by Lyndon Johnson.

Hollis Horton will be county chairman. Community chairmen will be Bill Sheehan of Friona, Tom Caldwell of Bovina and Bob Anderson of Farwell.

Birthday Party Honors Three Girls

Mrs. H.G. Houston and Mrs. Earnest Beavers honored their daughters Debbie Houston and Sherrie Lovon and Yondell Beavers with a joint birthday party in the Houston home recently. Debbie's birthday was the 6th, Sherrie's the 10th and Yondell's the 12th.

The valentine motif was used in the room decorations and refreshments. Favors were valentine hats, balloons and bubble gum.

Following a game session punch and cookies were served to Mrs. Gilbert Wenner and Shirley, Mrs. Troy Young, Jan and Karen, Mrs. David Cearly, Ricky and Lesa, Mrs. Walter Cunningham and Cathey, Mrs. C.H. Veazey, Pam and Phillip Wayne.

Also Mrs. Robert L. Dickey, Dyanna and Carolyn, Mrs. Donn Tims and Larry, Mrs. Sterling Graham, Gail and Ky, Mrs. Ronald Smiley and Mitchell, Mrs. Orval Blake and Ricky and Mrs. Howard Landrum, Brenda and Myra Ellen.

Mrs. Dorothy Hough Host Mekka Circle

The Mekka Circle met in the home of Mrs. Dorothy Hough Wednesday, Feb. 8 at 9 a.m. for the regular meeting.

Opening prayer was given by Mrs. Billy Sides and Mrs. Howard Ford continued the study "Into All the World Together."

Mrs. Wes Long spoke on "Latin America" and Mrs. Newt Gore's subject was "India," followed by the circle dividing into groups for a discussion period. The meeting closed with a prayer by Mrs. Joe Collier.

Cookies and coffee were served to Mesdames Ernest Anthony, Ross Ayers, Mack Bainum, Bill Baxter, Joe Collier, A. A. Crow, Arthur Drake, Howard Ford, Newt Gore, Wes Long, Billy Sides, Ed White and two guests Mrs. Dick Rockey and Mrs. Wallace Kirby.

World Day Of Prayer Set For February 17

Friday, Feb. 17 is the date set for World Day of Prayer at the Methodist Church. Women of the Congregational, Baptist and Methodist Churches will participate.

"With Tomorrow Yet to Come" is the title of a dramatic presentation to be given at 11 a.m.

Mrs. Pearl McLean will be in charge of the nursery and has prepared a story hour to relate the children's part in the World Day of Prayer. Children remaining in the nursery during the noon hour are asked to bring a sack lunch.

All women are invited to enjoy the fellowship at the noon hour and a covered dish luncheon to be served in the Fellowship Hall.

"Forward Through the Ages" is the theme of the service of worship for the World Day of Prayer. This service will be in the Methodist Church Sanctuary at 1 p.m.

An invitation is extended to all women to attend these services.

Mr. and Mrs. Bud Reed were out of town several days last week. They attended a funeral of Bud's aunt, Mrs. W.O. Reed at Lenox, Okla. They were accompanied by Mrs. G.E. Knight, Friona and Mrs. Mabel Pfingsten of Lubbock.

The Reeds also visited with Frank Vassios of Boise City, Okla. and George Reed of Keys, Okla.

Three County School Trustees To Be Elected

Three Farmer County school trustees will be elected for two-year terms during county-wide school elections on April 1. Members of the board whose terms are expiring are J. L. Shafer, Precinct 1 (Friona), Joe Wilson, Precinct 2 (Bovina), and Clyde Magness, Precinct 3 (Farwell).

Deadline for filing names of candidates for this election is March 1, says County Judge Loyde Brewer. All names of candidates must be filed at the judge's office.

Also on the same day, several positions will be filled on each of the local school boards in the county.

Candidates names for positions on the Lazbuddie and Bovina boards must be filed at the judge's office and candidates for Farwell and Friona must file with the school board secretaries in each town.

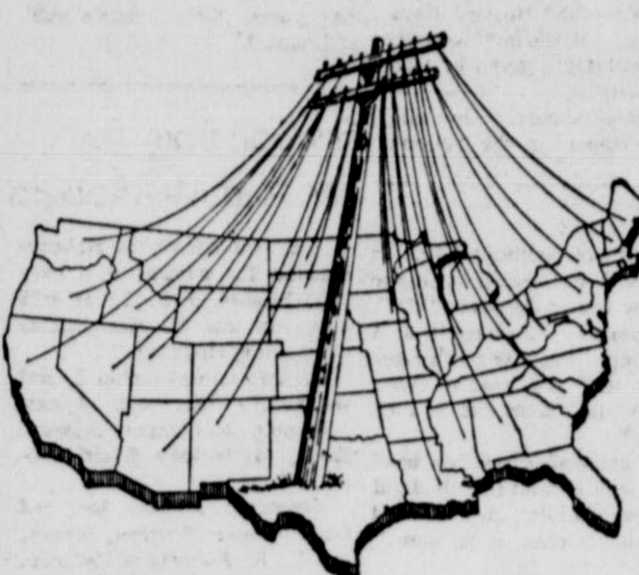

Holt, Ferguson Have Station

Ira Holt and Kenneth Ferguson have taken over management of the Mohl Station at Main Street and Highway 60.

The station was formerly known as London Bros. Holt has been employed previously with Friona Consumers

and Ferguson worked for Whites Auto Store here before the transaction was completed. An advertisement in this issue announces the opening.

Civil Defense Meeting To Be February 28

A county-wide meeting on civil defense is scheduled for February 28, at 7 p. m. in the community room of the Friona State Bank, announces Farmer County Judge Loyde Brewer. Brewer, who is the civil defense leader in the county, says the purpose of the meeting is to discuss the possibility of organizing a civil defense group here.

Community leaders from throughout the county will be invited to attend. "We will decide at the meeting whether or not we want a civil defense unit," Brewer says.

PLAYGOER — Theater suit in Crompton's magnawale corduroy has jeweled buttons. Tailored by Ann Klein of Junior Sophisticates.

Vern's Views--

oceans between these two points.

Shortly after the interview, a representative of Army Intelligence dropped by the office and wanted our photographer to go take a group picture. He flashed his credentials and even asked this writer to become a spy for the army, to go to the "Peace Walk" camp and find out as much as I could about them.

I refused to do this for the following reasons:

1. The army has plenty of people on the payroll that don't have anything to do but run around looking for skeletons in closets so they should dispatch one of their own men to do their sleuthing.

2. The individuals walking answered all questions freely. They had nothing to hide, or if they did, they had already hidden it from me and there was no use of my trying to uncover anything.

3. If the walk had come all the way from San Francisco, Calif., to Friona, Texas without the Army doing any investigating, then the Army is such a slow moving organization that they wouldn't find anything anyway before the walk ends

sometime in 1962.

4. I personally don't believe the move has anything to do with a subversive group, and if it does, it isn't posing any great threat to the welfare and safety of this country.

The good man from Army Intelligence undoubtedly feels that the Friona Star is unpatriotic. A better description might be lazy, uncooperative or smart.

Repeal of the excise taxes on passenger fares and communication services were characterized by the U.S. Chamber of Commerce as "the most urgent" issue in the transportation and communication fields confronting the upcoming session of Congress. The Chamber also said that two other issues regarded as urgent concerned the common ownership of transportation modes, as well as placing the postal service on a pay-as-you-go basis.

Ready-Webb Vows Read In Home Ceremony

Miss Patricia Ann Ready, daughter of Mr. and Mrs. J. P. Ready of Friona, became the bride of Gerald Wayne Webb in the home of the groom's parents, Mr. and Mrs. W.W. Webb of Kress, in a candle-light ceremony Saturday evening, Feb. 11.

Rev. Marshall Penn, pastor of the First Baptist Church of Kress, read the wedding vows before an arrangement of heart shaped apple foliage greenery flanked by palms and candelabra holding white candles.

Nita Fay Wimberley sang "Because" and "I Love You

Truly."

The bride, given in marriage by her father, wore a dress of eyelet with soft pleats caught at the waist with a small band of lace. The sweetheart neckline was accented with rows of lace. Her bouquet of red rose buds with satin streamers was arranged on a white Bible.

Wanda Ready was her sister's maid of honor and Vernie Boren

of Kress, served as best man. Candlelighters were Grady Freeman and Dale Scouten, both of Kress.

A reception was held following the ceremony. The serving table was laid with a lace cloth over red and centered with the tiered wedding cake. Silver and crystal appointments and monogrammed napkins completed the table arrangements.

Following a brief wedding trip to points in New Mexico, the couple will be at home in Kress. For travel the bride wore a blue wool dress with white accessories and a corsage taken from her bouquet.

Mrs. Webb will graduate in May from Friona High School. She plans to enroll in the Kress schools, but will graduate with her class at Friona in May.

Gerald Wayne is a 1958 graduate of Kress High School and is attending Lipperts Business College in Plainview where he is studying court reporting.

Of Interest To THE WOMEN

MRS. JAMES COOPER

MRS. GERALD WAYNE WEBB

MARCH WEDDING PLANNED-Wedding vows for Miss Gwen Green, daughter of Mr. and Mrs. George Green, and O'Neil Greeson, son of Mrs. Lester Dean and the late Carl Greeson, will be read at Friona Methodist Church Saturday, March 25 at 8 p.m. Formal invitations are not being mailed locally, but friends of the couple are invited to attend the ceremony.

LaFavers-Cooper United In Double Ring Ceremony

Miss Maxine LaFavers, daughter of Mr. and Mrs. W.J. LaFavers, and James Cooper, son of Mr. and Mrs. H.M. Cooper of Springlake, were united in marriage in a double ring ceremony Monday, Feb. 13 at 7:30 p.m.

Wedding vows were read by Rev. Hudson B. Phillips Jr. in the Union Congregational Church. Baskets of white gladioli and greenery decorated the altar area.

Mrs. Roy Miller, organist, presented the nuptial selections, "O' Promise Me," "Be-

cause" and "Whither Thou Goest."

The bride, given in marriage by her brother, William E. LaFavers of Amarillo, wore a dress of blue lace over blue satin, designed and made by her sister, Mrs. Loyd Messenger. Features of the dress were a fitted bodice, long tapered sleeves and a bouffant skirt. She carried a bouquet of white carnations with pink rose buds on white satin streamers centered on a white Bible.

Mrs. Loyd Messenger was her sister's matron of honor and she wore a dress of silver-grey satin with a full skirt. She carried a bouquet of white daisies centered with silver

glitter.

Johnny Messenger served as best man. Ushers were Jake LaFavers of Pampa and Loyd Messenger.

Mrs. LaFavers, mother of the bride, chose for her daughter's wedding a navy silk dress and wore a corsage of pink and white carnations. The groom's mother, Mrs. Cooper, wore a dress of brown silk and a pink and white corsage.

After a brief wedding trip the couple will be at home in Hereford. Mr. Cooper is employed at Suits Auto Store.

Mrs. Cooper is a 1960 graduate of Friona High School and has been employed with Plains Publishers.

Valentine Week

... had special importance to these three young Friona ladies. Maxine LaFavers became the bride of James Cooper Monday evening. Pat Ready and Gerald Webb were wed at Kress Saturday, Feb. 11, and the engagement and approaching marriage of Gwen Green to O'Neil Greeson was also announced this week.

THE HIGH PLAINS FARM AND HOME

Meeting On Fertilizer Placement Scheduled

Proper placement of fertilizer will be the topic of discussion at a meeting designed for farmers and fertilizer dealers of the area next Thursday from 2 to 4 p.m. at the Oklahoma Lane Community Center.

Five representatives of the Texas Agricultural Extension Service will be on hand to lead discussions on various phases of soil fertility, says Parmer County Agent Joe Jones.

In explaining the reason for having the program, Jones says that "We have been falling down on this important phase of fertilizer application." He points out that fertilizer should be placed where it will do the most good.

Among the agricultural representatives who will be on the program are Dr. Alex Pope, research agronomist of the Southwestern Great Plains Field Station at Bushland. He will speak on fertilizing grain sorghum and wheat, discussing the best time for applying fertilizer, placement and source of application.

Other men who will be on

the program include:

Elmer Hudspeth, agricultural engineer, agricultural research service from the Bushland station, who will talk on fertilizer equipment.

Harvey Walker, associate agronomist, Texas Agricultural Experiment Station at Lubbock, whose subject will be fertilizing cotton. He will also discuss when the best time for applying fertilizer is, and the placement and source of application.

Bill C. Gunter, area agronomist, Texas Agricultural Extension Service from Lubbock, will talk on seedling disease. All of the above program panel members will speak for about 30 minutes.

Also appearing on the program will be Jim Valentine, area soil chemist from Lubbock. He will give a short report on soil tests which have been made in Parmer County.

The special meeting was arranged for by members of the Parmer County Soil Fertility Committee and County Agent Jones.

Members of the committee

who have planned and arranged for previous meetings on soil fertility, are A. L. Black, chairman, Bob Wilson, Arlin Hartzog, Jack Patterson, Bob Anderson, Bill Nichols and Embree.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

The use of sprinkler irrigation is the Parmer Soil Conservation District is becoming more important all the time. Farmers in the district are becoming more conscious of the fact that much of the water used in their present irrigation system is being wasted and not used by crops.

On the steeper slopes many farmers are having trouble getting enough water in the soil; then on the sandier soils many find that the soil is taking water too rapidly thus reducing acreage that can be irrigated. Sprinkler irrigation is not only good for irrigating the steep or sandy land but it is also effective on tighter and level land.

The objective of irrigation is to apply water at a uniform rate over area in order to get the most effective use of what water you have. A sprinkler irrigation system properly designed and operated will give an even application of water no faster than the soil will take it up and will eliminate waste of soil and water by run-off.

With proper design one can irrigate more acres properly with the same amount of water over the furrow type irrigation being used now using the same amount of water.

The sprinkler is a very versatile type of irrigation since it can be used on most soils and on the steeper slopes. If you would like to have information on a sprinkler system contact the local SCS office.

200 Attend 4-H Program

About 200 persons were on hand at the Oklahoma Lane Community Center Saturday night for the annual Parmer County 4-H Achievement program.

Awards were presented by Parmer County Judge Loyde Brewer to some 46 4-H club boys and girls for outstanding projects and activities during the year 1960. Also, 88 other 4-H club boys and girls received year pins for having completed 4-H programs last year.

(Pictures of most of the award winners can be found elsewhere

in the paper.) In addition to the awards presentation, the program included a color movie titled the "Unchained Frontier." Narrated by Cotton John Smith, of KGNC radio and television, the movie featured highlights of a tour made last fall of Canada and eastern states.

Making the tour were Cotton John, several representatives of the Panhandle, and the "Wheatheart of the Nation." Mistress of ceremony for the program was Linda Gleason, 4-H Council chairman. The pledge of allegiance was given by Keith Black and the 4-H

AGRICULTURAL AND FIELD CROPS award winners who were present at Oklahoma Lane Saturday night are shown in the picture at left. From left to right are Lloyd Bradshaw, agricultural; Kirby Burch, field crops; Gerald Foster, agricultural; and Bruce Little, field crops. Two other winners, who are talking it over in the picture at right, are Gary Foster, tractor, and Bruce Billingsley, home beautification. Other boys who won awards but were not present for the picture were Cooper Young, leadership; Ronald Mayfield, swine; Tommy Tatum and Richard Chitwood, agricultural; and Jerry Cass and Larry Johnson, field crops.

pledge of allegiance was given by Mike Hinkson. Miss Gleason introduced guests and recognized parents and adult leaders. Colored slides of 4-H activities were shown by Johnny Mabry, Janis Billingsley, and Mrs. Leon Billingsley, leader. A closing prayer was given by Reba Lesly and following the program, refreshments were served by the 4-H club girls and adult leaders.

WHY THE MF 85 IS TWICE THE TRACTOR

First, the big Massey-Ferguson 85 gives you the easy-handling precise work control of the genuine Ferguson System. And second, the manpower-saving big-job capacity of 5-plow power. That's why it's twice the tractor. It's also "Twice the Tractor" because it handles both fully mounted and pull-type implements. And, in diesel, gas or LP, it's the lowest priced fully equipped 5-plow tractor you can buy. Be convinced . . . phone now for a demonstration on your farm. Buy it on the Massey-Ferguson Retail Time Payment Plan if you prefer!

"Owned By Farmers Who Know And Understand Your Problems"

Castor Beans, Kafir Acreage Due Increase

Contracts which will open the way to more acreage of castor beans and kafir in the Curry and Parmer County areas are now being made by Golden West Seed Company of Texico.

Pat Patrick, manager of the firm, says he hopes to write contracts with farmers for 5,000 acres of castor beans and 4,000 acres of kafir, in addition to limited acreage of sudans, cane, hegari and other seed crops.

None of these crops have been grown on a very large scale in this area in recent years, but Patrick believes that any of them can be more profitable than grain sorghum.

Last year Golden West contracted 2,000 acres of castor beans with farmers in the area. While it was a rather poor year for the bean growers, the average yield was around 1100 and 1200 pounds. Some were as high as 1600 pounds.

The price paid for the beans was \$5.25, thus grossing the farmer around \$60 per acre. Yields were lower than had been hoped for, and this was attributed to the unusual cold, wet weather.

It was also a bad year for cotton, and for best results, castor beans require the same type of weather conditions as does cotton.

Patrick believes that high yields of castor beans can be grown in the area and that the crop can be a profitable one. He says that many yields in the Plainview area, where they have been growing castor beans for quite a few years, have been higher than 2,000 pounds per acre.

Contracts being entered into this year call for the same \$5.25 per hundred weight.

On kafir, the contracts call for a payment of 15 cents above the farm stored loan. "On the 1960 basis, this would be a \$1.63 per hundred weight," Patrick says.

Golden West has entered into an agreement with the Corn Producers Co. of Corpus Christi, a firm which will use the kafir for starch.

Kafir, which once was a big crop in this area, should yield right along with many of the milo varieties grown here,

Patrick believes. Farmers should have little trouble getting 5,000 pounds per acre, the Golden West manager says.

On sudan, another crop which Golden West will contract this year, "We would take as high

as 2,000 or 3,000 acres," Patrick says, provided that the seed produced could be certified.

Acreage on cane, hegari and other seed crops will be on a limited basis, he says.

Nominations Due For Texas Rural Heroism Awards

Acts of bravery occur in many Texas communities each year, and while not unnoticed, the Texas Farm and Ranch Safety Council wants to express its appreciation to those responsible for making life more pleasant and enjoyable in the state, especially the rural areas.

Nominations are now due for their "Rural Heroism Awards" and should be mailed immediately to Heroism Award, Texas Safety Association, 830 Littlefield Building, Austin, Texas.

The Council will award three properly engraved plaques to as many state winners during the annual meeting of the Texas Safety Association in March. Certificates with local presentations are planned for all nominees.

Any heroic act involving personal danger or sacrifice to aid or assist others in time of crisis is eligible for entry provided the act was performed during 1960. Nominations may be made by any person or groups and should include complete information and substantiating evidence of the heroic act. This material will be used by the judges in determining the winners. Local county agents, teachers of vocational agriculture and local Farm Bureau representatives can give assistance.

L. O. Tiedt of Houston, chairman of the Council's Award Committee, said last year's single award went to Manuel Corral, a Mexican bracero laborer who was lowered into an abandoned irrigation well to rescue a three year old boy. Tiedt said such acts of bravery as removing a person from a burning building, sav-

ing a person from drowning or rescuing another involved in a machinery, tractor or automobile accident should certainly be nominated. A person who rendered exceptional service in case of a tornado, flood or other disaster would make a worthy nominee, he said.

By recognizing heroic rural service, the Council feels that the award will serve to emphasize the continuing need for improved safety conditions in rural areas--in the home, on the farm or ranch or when the family is at work or play. Do your good turn by nominating a friend who made life more pleasant for you, Tiedt said.

Attends Meet

Carl Maurer of Friona, former president of the Tri-State Hardware & Implement Association, attended the recent convention in Amarillo. He was accompanied by Edmund F. Buryan, president of Minneapolis-Moline, and E. R. Smith of Clovis. Maurer has been an MM dealer here for the past 33 years.

The estimated 1961 meat production will provide U. S. consumers the largest supply of meat in history, both in total and per capita. Lloyd Bergama, extension livestock marketing specialist, says consumption of red and poultry meats could reach or exceed 200 pounds per person for the first time.

Almost 2.4 billion half-pints of milk were consumed by children under the Special Milk Program during the last fiscal year, reported the U. S. Department of Agriculture.

WITH THE COUNTY AGENT

JOE JONES

Soil sample reports continue to come in. The total to date is nearing 200. In most instances some phosphate is being recommended even on grain sorghum. This is a surprise to some, and of course, others were expecting the need for phosphate to be reflected by the analysis.

The importance of phosphate placement cannot be overlooked, so in line with the need for correct placement of fertilizer, a meeting with research people is being arranged where this subject will be discussed.

Working with Mr. A. L. Black, chairman of the 4-point soil fertility Committee, we have arranged a program to be held in the Oklahoma Lane Community Center, Thursday, afternoon February 23, beginning at 2:00 p. m. The community center is located 6 miles west of Clays Corner, or 13 miles east of Farwell on Farm-to-Market Road 145.

Dr. Alex Pope, research agronomist Southwestern Field Station, Bushland, Texas, will discuss time, placement, and sources of plant food on grain sorghum and wheat. Mr. Harvey Walker, associate agronomist, Texas Agricultural Experiment Station, Lubbock, will discuss time, placement and source of elements on cotton. Mr. Elmer Hudspeth, agricultural engineer, Agricultural Research Service, station at the Southwestern Great Plains Field Station, will discuss fertilizer equipment.

Mr. Billy C. Gunter, area agronomist, Extension Service from Lubbock, will discuss seedling diseases of cotton. Mr. Jim Valentine, area soil chemist who heads up the Extension Soil Testing Laboratory at Lubbock, will give a short report on Parmer County soil analysis. Hope to see all of you out to this program that will be getting down to this very important part of our farming operation. Yes, the placement of fertilizer elements.

Shipment of the small seedling trees is to begin this week. You should have received notice when they are being shipped, but this is not always the case. You should have your place prepared and everything ready. Be sure you read the

instructions we sent you real close. You can do a lot of work and make an awful lot of plans and end up with only dead trees and shattered plans, if care is not exercised when setting the trees. Be sure to check with the post office or freight station soon after you receive your notice of shipment. Trees must not lay over in hot buildings for very long.

I have 50 lbs. of poison oats for prairie dog work, if any of you need to get rid of your dogs. The 50 lbs. costs \$11.50.

The regular monthly meeting on farm and home management will be held in the meeting room of the Friona State Bank, 1:30-3:30 p. m. February 20th. Miss Mildred Webb, area home management specialist, stationed at Lubbock, will present a portion of the program on "Your Food Dollar." You ladies should be especially interested in this part of the program. Other management topics and Farm Record will be discussed at this meeting.

The number of farm and urban families, homemakers and youth receiving assistance from the Cooperative Extension Service of the U. S. A. and Land-Grant Colleges and Universities last year set a new record. More than 13 million people took advantage of the U. S. "out-of-school" education program to help solve farm, home and community problems--an increase of 7 percent over the previous year.

A Nacogdoches county 4-H boy, Benny Goodman of Douglass, topped all competitors in the 1960 statewide Texas Hybrid Corn Program. His yield was 139.5 bushels from his acre of Texas 30 and was made under irrigation. The top dryland yield was made by Victor Degner of Hill county, 129.2 bushels from an acre of Texas 28.

TOP AWARD WINNERS in the girls division are shown above. Top picture, from left to right, are Pat Tannahill, dress revue; Carolyn Annear, food preparation; Cathy Wilson, home economics; Sherri Tannahill, electric; Janis Billingsley, home economics; Becky Wilson, food preparation; and Terri Sue Mabry, clothing. BOTTOM PICTURE--Judy Koelzer, clothing; Marsella Mayfield, dress revue; Pat Chitwood, home improvement; Marianna Gammon, electric; Linda Monk, safety; Linda Gleason, electric; Judy Billingsley, dairy foods demonstration; and Katie Blackstone, safety. The awards were presented Saturday night at Oklahoma Lane during the annual Parmer County 4-H Achievement program.

HD Agent's Gossip

BY MISS ETTIE MUSIL

Now is the time for all rose growers to come to the aid of their rose bushes. That is, if they need pruning. Early spring is the best time of the year to prune roses. The kind and amount of pruning to be done varies with the types and varieties of roses.

On hybrid tea and floribunda roses, pruning should be done to cut out dead wood. Sometimes weak and spindly canes or stems need to be removed to allow stronger stems to become stronger or new stems to form and grow.

To shape a more attractive rose bush you may prune all good stems or canes to about 24 inches from the grounds. Of course, you don't want to cut all canes across like a table. This shape would not show a natural appearance.

Proper pruning should always be practiced for producing the greatest number of flowers. Don't just cut to be cutting the stems. Always cut about one-half inch above a leaf bud. If you wish the bush to grow outward, cut the stem above the leaf bud on the outside of the stem. When the leaf or stem begins to grow it will bush outward. Naturally, cutting the stem above a bud, on the inside of the bush will force the bush to appear bushier.

If you wish more information about growing roses you may ask for the free bulletin, "Roses for Texas." Such information is

included as selecting the best location where the plants will receive at least 6 hours of sunlight a day and not planting too close to trees. Other information tells about type of soil and drainage, pictures of how to plant, how to prune climbing roses, what kind of mulch to use, diseases and insects common to roses and what to spray or dust to use to prevent or cure these conditions. Write or call me now to send you a copy.

We were all so proud of all the 4-H boys and girls who received the award medals and year pins. It was very inspiring to see about 200 parents, friends, guests, and 4-H boys and girls witnessing this great annual occasion Saturday night, in the Oklahoma Lane Community Center. I would like to congratulate all the girls and boys who were on the program for the good job each one did.

Linda Gleason, 4-H Council Chairman, served as Mistress of Ceremonies, Keith Black led the pledge of allegiance to the Flag, Mike Hinkson led the 4-H pledge, and Reba Lesly closed the program with the 4-H prayer.

Johnny Mabry and Janis Billingsley discussed colored slides of 1960 4-H projects and activities while Mr. Leon Billingsley, adult leader, operated the slide projector. We were happy to have County Judge Brewer present the medals and pins to the 4-H honorees.

As Joe W. Jones, county agricultural agent, showed the movie, "The Unchained Frontier," I thought of outstanding 4-H boys and girls in the district, state or national having similar opportunities to travel as the wheat queen had in the movie. Much hard, determined work

goes into worthy 4-H boys and girls before they are eligible to receive awards and recognitions. We hope to develop leadership in more boys and girls in the future years. Adult leaders decorated the community center and 4-H girls brought cookies for refreshments.

Wall Surface Materials Studied

Anyone planning to build a new home or renovate their old one would do well to spend the few minutes necessary to read a recent publication of the Texas Agricultural Experiment Station. This publication is a report of studies conducted to determine the scrub-resistance characteristics of kitchen and bathroom wall-surfacing materials.

As every housewife knows, the walls of the kitchen and bathroom require much more cleaning than do other walls in the home. Because these walls are subjected to extra harsh treatment, it is wise to use coverings that are resistant to damage. Use of the proper covering in the first place can save unnecessary expenses for replacement or repairs later on.

In the tests, ten different types of wall-surfacing materials were scrubbed with three familiar brands of washing powder. To insure uniformity, the tests were made with a scrubbing machine. The cleansing powders used were non-abrasive, mild abrasive and moderately strong abrasive.

All wall materials tested had good resistance to scrubbing with the non-abrasive cleanser, and no damage to any of the glossy surfaces was noted. In contrast, the surface or the gloss of many of the materials was damaged by the stronger abrasives.

The ceramic tiles, porcelain-on-steel, stainless steel and vinylized fabric showed little damage from any of the three cleaners. Plastic tiles, flexible rubber and enameled steel showed some change after abrasive scrubbing. Prefinished wallboard, enameled steel, thermoplastic laminated sheeting and copper tiles showed the most damage from abrasive scrubbing.

Annual Texas 4-H Roundup Set For June 6 And 7

The annual Texas 4-H Club Roundup will be held at Texas A&M College on June 6 and 7. The big day will be the 7th when hundreds of young Texans will vie for honors in the 25 judging and demonstration contests.

The two high ranking teams or individuals from each Extension District are eligible to participate in the statewide contest scheduled for Roundup. The district winners will be selected in district elimination contests held prior to the state meeting. The boys and girls who attend

Roundup will be accompanied by either their county extension agent or agents or by adult leaders.

Many of the state winning teams and individuals later in the year will represent their state in national contests and will, therefore, have an opportunity to add further to their training and 4-H experiences.

Program details are not yet available but will be announced well in advance of the June meeting, according to Extension Service officials.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Attending a District II meeting of Farm Bureau Leaders in Lubbock on Tuesday of last week were Herman Gerles, Ernest Kube, F. D. Carter, Donald Christian, Raymond Schlabs, Vernon Symcox and M. T. Glasscock. The subjects to be discussed were National Cotton Council, Domestic Labor, Foreign Labor, Rights of Farmers in case of Labor Strikes, Sugar Beets, Membership and other business. We are glad for this good representative group of Farm Bureau men from Parmer County.

If you would be interested in browsing through Congressional Records of this session, we have them stacked in the front section of the office where there is a good seat for you to relax and read if you like.

"The way to destroy capitalism is to debase the currency. Through a continuing process of inflation, a government can quietly and unobservedly confiscate the wealth of its citizens." This quote is from Karl Marx and we quote it for the serious consideration of a few friends we have heard say they don't exactly like inflation, but that it is pretty good in some ways.

Farm Bureau Directors voted last week to solicit and use funds received to place bids on livestock at the Parmer County Fat Stock Show in March, as they did last year. Discussion centered around the fact that such bidding helped sale of the animals and provided the producers the incentive of more premium money in appreciation of their efforts in raising quality livestock.

Vice President Donald Christian made a report on the state-wide Farm Bureau Membership meeting he attended in Abilene recently. He told directors that he inquired about a rumor that Farm Bureau was opposed to the sugar beet program being promoted in the state, and was shown that Farm Bureau policies favored, and had favored increase of the domestic sugar beet acreage for several years.

CONSIDER THIS: An angry man stirreth up strife, and a furious man aboundeth in transgression. Proverbs 29:22.

A clerk was helping an illiterate backwoodsman fill out papers to begin receiving Social Security payments.

"Do you belong to the Communist Party, or to any group that plans to overthrow the government?" "Yup," replied the applicant. Taken aback at the old man's candor, the clerk asked: "Which one?" "The Democrats," was the reply.

FARM & RANCH LOANS Long Term--Low Interest Ethridge-Spring Agency, Friona Phone 8811

The HAPPY HOMEMAKER

BY JUNE FLOYD

Are you making plans now for a vegetable garden? If so, study varieties of seeds carefully to determine whether they are suitable for your needs. Some varieties of peas and corn freeze much better than others. You can get a list of the better freezing varieties from the home demonstration agent.

If you make plans now, you will have plenty of time to have the seeds you want ordered if your dealer doesn't have them in stock.

For experimentation purposes this spring the Floyds plan to try some of the plant pots that are made of fertilizer. According to the advertisement concerning these pots, plants, you just plant them and they disintegrate. No fertilizer is needed to grow plants and much less water is required.

Snap fasteners are simple to put on if you put all the snap parts on one side of the garment first. Then use a piece of chalk on each fastener and rub against opposite side of material. This will insure your getting the snaps exactly opposite each other.

A simple to prepare one dish meal is:

- TUNA-MACARONI CASSEROLE
- 1 cup uncooked elbow macaroni
- 1 10 1/2 ounce can cream of mushroom soup
- 1 cup milk
- 1 tablespoon chopped onion
- 1 tablespoon chopped pimiento
- 2 tablespoon chopped green pepper
- 1/4 teaspoon black pepper
- 1/4 pound cubed cheese
- 1 can tuna

WANTED--All Your Shoe Repair SKINNER'S Clovis Boot Shop 308 Pile, Clovis, New Mex.

FOOTSAVING EDUCATION By James E. Edwards Are pre-walking shoes important?

The harm done by outgrown pre-walkers is very important. The younger the child the softer the bones. Many children have the beginning of bunions before they wear any shoes because their feet were bound in the feet of outgrown pajamas.

Pre-walking children should wear shoes only when the house is cold enough that he needs mittens on his hands. Parents marvel at the way their babies flex their toes when they take their shoes off but they seldom think of the fact that using those muscles is the only way known to strengthen them. Even good fitting shoes discourage exercise.

We have a tradition that feet should be hurt and not seen. It comes to us from our ancestors whose feet were a sickening sight but have you noticed pictures of the royal family of England? The baby's bare feet hanging out? Hail the Queen! If it ever becomes stylish to wear shoes only when shoes are needed we will all have healthier feet and shoemen will not be faced with the impossible task of making abnormal feet comfortable in normal shoes.
