Below, we give a quotation from celebration of the festival of St. Iron Bitters made me strong and A smiling face indicates happiness;

> appears to be quite lively in Jackboro. We are glad to note the signs of prosperity in our county seat for are an index of the energy thrift and enterprise of our people and of our county's prosperity. It the inhabitants of a county sluggish and lack enterprise the county seat will partake of indolence and show it in its poor buildings, run-down stocks and poor grades of goods, the total lack of get-up and go aheaditiveness. But on the other hand, if the county own is growing and improvements, are being made, the stores well stocked with first class grades of merchandise and no loafers are on the streets; but every body busy and everything flourishing; then me can truly say that such a county is affive and the people are wake to their several interests, e it cattle, sheep or agriculture. There is no way in which a stranger can better judge of the characer of a people and of the prosperiy of a county than by watching the condition and affairs of the anty seat. It is the county's cap-In it they should take the

loes in their capital. It is by the votes of the citizens and the saneion of the law, made the seat of with the business men of the counthe county's municipal government, ty seat? If they abuse it or speak bus O.,) for the month of October, to as good blood as that which in anyway derogatory of its fair 1885, showing why the five pointed courses through the veins of empe- name they slander themselves. We star was adopted as the national rors. If the blood is poor and the all know that strangers at a disemblem of the republic of Texas, cheeks are pale, it is well known tauce judge of a county from the ADITED BY J. N. ROGERS, It says "While on the subject of the that Brown's Iron Bitters is the name borne by their county site. star with five points I can not regreat tonic which will give color, This cannot be denied. It behooves frain from recording an historical vigor, and vitality. M. K. Gibson, the people then to give tone and document, for which I am indebted of West Point, Miss., says, "I felt character to their capital; for it is to the Boston Freemason. At a weak and debilitated. Brown's the head of their political body.

and the county seat's prosperity speaks of harmony and good will From the activity exhibited by throughout the limits of the county, merchants and business men, trade a hung down head and a sullen and dogged expresssion comes from a a spirit soured by envy and disappointment; and a county seat with a handfull of people and a few poor business houses, a slim trade and eking out a meager existence by sufferance, as it were, speak loudly and with no uncertainty, ei ther of shifty, unshifty, and shortsighted people, or else of the existence of discord, wrangling andis-atisfaction within the county.

So, if it is desired, to have immigration and capital to come into a county, encourage the county's capital in all of its undertakings. patronize its industries, and lend e-sistance to its enterprises, make it the market for all produce and the place in which is purchased supplies for the farm, agricultural implements and everything needed n the several lines of business. The merchants of any county seat will always meet the people on more than half way ground and they will accommodate them in evry possible way. If any one feels that their town is not dealing fairly with them be not hasty in casting the blame on the business men of the county at large dealt faithfully agement which they deserved from er is necessary. If unity of action part of either will be felt as severe market for their produce they must encourage their town by their trade; and the more exclusively they deal and transact their business in that town the better market they will have. For it is a principle recognized by all that the inducements which a town can hold English, Classical, Mathematical, out to the people depends entirely Scientific, Commercial, on the amount of trade it carries Musical and Special on and the business it does for the Business Depeople. Hence the CITIZEN re- partment. joices in the evidence of Jack county's prosperity as shown by Jacksboro's reviving trade. We desire to have Jack county settled up by

we and stirring peop'e, and to estital constitute and midst

and ettle praires. It order his to be done there should be eching to attract the eye of the stranger passing through our county and to sound abroad the praises of our people. In no way can this be done but by having a wideawake county seat, full of thrift and enterprise. It is the duty of every citizen of Jack county to labor zealously for the upbuilding of their county seat. It is to our common interest to have it said "Jack county is a fine county and its people are pushing and prosperous. This s bound to be so for look at the ig trade that Jacksboro does."

Such a name Jacksboro now posesses abroad; and let us one and Ill, strive, might and main to uphold and retain this proud reputation which our beautiful and lovely town now possesses.
