Should be kept constantly at hand, for use in emergencies of the household. Many a mother, startled in the night by the ominous sounds of Croup, finds the gasping for air. In such cases Ayer's Cherry Pectoral Is invaluable. Mrs. Emma Gedney, 159 West 128 st., New York, writes: "While in the country, last winter, my little boy, three years old, was taken ill with Croup; it seemed as if he would die from strangulation. Aver's Cherry Pectoral was tried in small and frequent doses, and, in less than half an hour, the little patient was breathing easily. The doctor said that the Pecteral saved my darling's life." It gives immediate relief, followed by eure." Mrs. Mary E. Evans, Scranton, Ps., writes: "I have two little boys, both of whom have been, from infancy, subject to violent attacks of Croup. About six months ago we began using Ayer's Cherry Pectoral, and it acts like a charm. In a few minutes after the child takes it, he breathes easily and rests well. Every mother ought to know what a blessing I have found in Aver's Cherry Pectoral. Mrs. Wm. C. Reid, Freehold, N. J., writes: "In our family, Aver's medicines have been blessings for many years.
