One of our main troubles is that we Americans don't seem to have any guts anymore to stand up for what we think is right. We're too afraid of criticism, so we remain wishy-washy about things.

This was never more apparent than last weekend when the Vietnams stormed the Pentagon. We had soldiers there to guard the Pentagon, and after the whole mess was over, the commanding officers of the troops were commended for "protecting the Pentagon with a minimum of bloodshed."

However, some of the goons in the crowd were claiming a couple of tear gas bombs were used on them, and they were quite incensed about it all, although the military said they used no tear gas.

I suppose they didn't use any tear gas. The soldiers fought them off with their hands and by pushing against them.

And wouldn't it have been terrible if they had used tear gas on these stalwart proud Americans who weren't doing any wrong? All they were doing was charging the Pentagon with ax handles and waving Viet Cong flags. All they were doing was giving comfort and support to a bunch of Communist overseas who are killing Americans as fast as they can.

Newspapermen aren't supposed to advocate violence. But what the military should have done is broadcast an ultimatum that if the mob crossed a certain point near the Pentagon the soldiers would fire machine gun bursts at their legs. And then they should have done it.

The howls of audacious brutality, Nazism and police state would have been heard of the moon, but it possibly would have put an end to such idiotic doings. If one man alone - me for instance - charged the Pentagon or some other office building waving a Red flag and a weapon, any officer on duty would feel no compunction about shooting him down. But when a mob does it, we apparently think it's okay.

Best quote I've heard about the situation was that of a colonel assigned to the troops at the Pentagon. "What's the deal with you grandchildren - I helped defend the south parking lot against the hippies."

ABSENTEE VOTING

BEGAN MONDAY

MYF TO COLLECT FOR CROP

The Methodist Youth will be collecting for CROP (Christian Rural Overseas Program), Monday night, October 30.

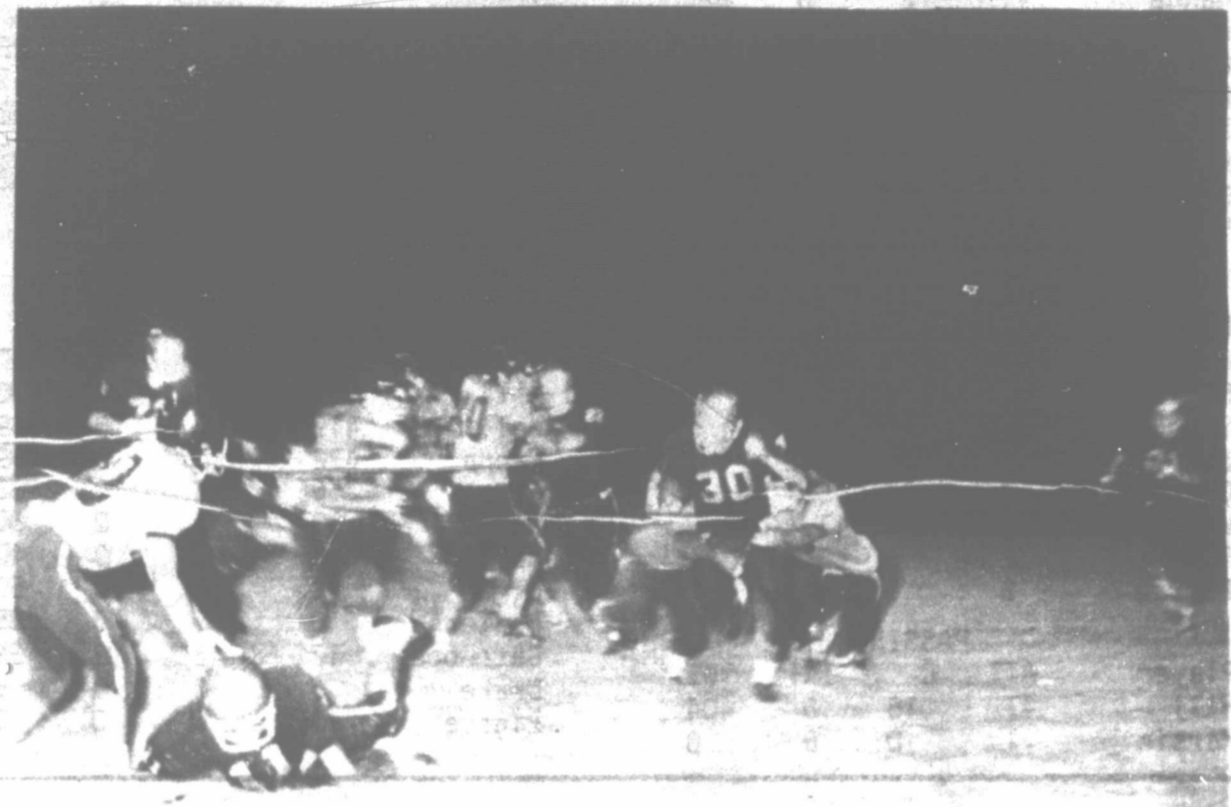

Starting at 6:00 p. m., the Youth will be ringing doorbells, going from house-to-house, to "Trick or Treat" for CROP. Their request is "Please watch for us, and assist in getting these donations for those in need of our help."

These Youth will be among thousands of CROP workers, during CROP WEEK, Oct. 29 to Nov. 4, as they call from door to door seeking "treats" for needy people abroad.

CROP is the Community Food Appeal of church World Service and collects food, fibre, and cash in communities throughout the United States for the World relief programs of the churches. It has become as much a symbol of Halloween as the traditional "Trick or Treat", black cats, Pumpkins, and witches.

The youth will join other CROP workers in the state who are seeking contributions of grain, Live-stock, rice and cash for the church overseas-material aid programs.

SUDAN BLANKS O'DONNELL, 35-0

MAKING YARDS - Shown above is FB Larry Hanna (30) as he went for yardage Friday night against the O'Donnell Eagles. The Hornets were victorious in the game, 35-0. Sudan takes on a district foe Friday night, the Springlake Wolverines. Game time is 8 p. m. in Springlake.

Andy Perez Rites Set

Funeral services for Andy Perez Jr., 19, son of Mr. and Mrs. Andy Perez of Sudan, will be held tomorrow, Friday, at 4 p. m. in the First Baptist Church of Sudan with the Rev. Willie Hazel officiating, assisted by Rev. Moses Padilla. Burial will be in the Sudan Cemetery under the direc-

ANDY PEREZ, JR.

tion of the U. S. Army.

Perez was wounded recently while serving as a paratrooper in Vietnam. He was sent back to the states where he was scheduled to undergo surgery at a hospital at Fort Hood, Texas. He died Monday evening, apparently as a result of a head wound received in Vietnam. Perez's death was the first casualty from Sudan in the Vietnamese war.

Survivors include his parents, six sisters, Maria, Belinda, Yolanda, Diamond, Nona, Inna and four brothers, Freddy, Andy, Roy, Rolanda, all of the home; grandparents, Mrs. Maria Perez of Amberst, and other relatives.

There were 22 members and about 12 guests present. The members who were present were Mickey Logan, Vicki Ray, Sharon Baker, Jeanne Baker and Debbie Nix.

Miss Debbie Nix was elected sweetheart and Mickey Logan the sweetheart. Miss Nix will participate in the District FFA Sweetheart Contest in Littlefield in December.

a total of 43 yards in the first half.

Eagle QB Randy Bessires attempted a pass on the first play in the game, which Hornet QB Ronnie Hill intercepted on the Eagle 40 yard line. Then fullback Larry Hanna broke through for a 35 yard touchdown run, and HB Jerry Bellar added the PAT. Sudan led 7-0, less than a minute deep into the game.

In the second quarter, with the ball in Hornet possession on the Eagle 15, Hanna carried 13 yards for the second TD, and Bellar booted the extra point to put Sudan in the lead, 14-0. Bellar kicked off, and the Eagles put the ball in play on their own 18 yard line. They moved down to the 30, where HB Billy Gore intercepted on Eagle pass and made a 35 yard run for another Hornet touchdown. Bellar added the PAT, and the score was 21-0, Hornets.

In this same quarter, BE Steve Martin intercepted an Eagle pass and ran the ball all the way to the Eagle 20. The Hornet B-team came in for some offensive action, and with the help of the regular Hornet defensive unit, the first half ended with Sudan out front, 21-0.

The Hornet B-team saw a lot of action especially in the second half of the game. Early in the 3rd quarter, Jerry Bellar carried 4 yards for a touchdown, and added the PAT to make the score 28-0, Hornets. Several plays later, the second team Hornet QB Rex Boyler handed off to FB David Weaver who plunged on through the Eagle defensive line and scampered 62 yards for another Hornet touchdown. Bellar came in to kick the extra point to make the score 35-0, Sudan.

In the remaining quarter the ball changed hands many times. One of those plays included an interception of an Eagle pass by Guard Billy Ford on the Eagle 30 yard line. Neither team scored in this quarter, so when the clock ran out the Hornets had one more victory to their credit, 35-0, Sudan over O'Donnell.

Sudan will play the Springlake Wolverines on their home ground Friday - so lets all go and back the Hornets to win this conference game. Game time in Springlake, 8 p. m.

The Sudan 7th and 8th grade teams, and also the B-team will play Springlake here in Mastin Stadium, Thursday, 4:30 p. m.

She will also represent the Sudan FFA Chapter in the Local Livestock Show, Lamb County Livestock Show, and Area Wide Livestock show. At these shows she will assist in handing out ribbons and trophies to the boys and girls who have winning animals. Miss Nix will also compete for the title of Princess of the South Plains Junior fat stock show.

Miss Sharon Baker who is now the District FFA Sweetheart will attend the District Contest where she will assist in conducting the contest and presenting the new District Sweetheart.

Halloween Queen Candidates Named

Personals

Guests last week in the home of Mr. and Mrs. Audrey West were Mrs. P. T. Walker and Mrs. Johnny Pippin of Slaton.

Mr. and Mrs. Grady Pricer of Salina, Kansas visited last week in the home of Mr. and Mrs. Martin Maxwell.

Visiting this week in the Martin Maxwell home were his brother,

MRS. EVALYN PARROTT SCOTT

A book for Lady Bird--Evalyn Parrott Scott, historian and columnist, recently mailed to the First Lady, a copy of her book which was written about her mother's people, entitled Volume I, Cooper Family Notes.

As soon as Volume II, Parrott Family History, has been completed a copy of this book will also

be mailed to Mrs. Johnson. Mrs. Scott in doing family research discovered that generations ago, in the early 1700's, the Johnson, Parrott, and de Grafenreid families were neighbors in Virginia and North Carolina and intermarried. Lynda Bird Johnson's fiancé, Capt. Charles Robb, is a direct descendant of the Baron Christopher de Grafenreid.

Oliver Maxwell, Clyde Johnson, and William Earl Holland of Austin. The group were enroute to Idaho on a hunting trip.

Mrs. Jinks Dent will be hostess for a meeting of the Sudan Sewing Club Thursday afternoon at

2:30. Mr. and Mrs. H. E. Nix returned to their home in Denton last week after visiting relatives in Sudan and Amherst.

Mrs. Matt Nix Sr. and Mrs. Gladys Glem of Amherst visited Sunday in the home of Mr. and Mrs. Matt Nix, Jr. Mrs. Glem also visited her other daughter Mrs. W. C. Masten.

Bertha Vereen has returned to Dimmitt after spending a weeks vacation at her home here.

Mr. and Mrs. Lynn Olds and Mr. and Mrs. Elgan Baccus have returned from a fishing trip to Lake Brownwood.

Mrs. J. W. Olds has a new great grandson, Carey Dwight Bouldin. His parents are Mr. and Mrs. Bobby Bouldin of Lubbock. He was born Oct. 7.

Mr. and Mrs. W. T. Vereen visited during the weekend with their grandson and wife, the Travis Crouches in Albuquerque; and with his brother and family, the Arnold Vereens in Estancia.

Radney Nichols spent the weekend visiting his son, Charles Radney Nichols in Amarillo.

Mrs. Loyd Robinson and Donna Beth Testerman and daughter, Ann, have been fishing and staying at their cabin at Lake Alamo-gordo.

Mrs. Radney Nichols accompanied Mrs. Nelson of Lubbock to Enid Oklahoma over the weekend. Mrs. Nelson Nichols visited her mother who is confined to a Rest Home there.

COTTON HARVEST OFF TO FAST START

The South Plains cotton harvest continued to gain momentum this week and was ahead of the pace of the 1966 harvest, according to W. K. Palmer, in charge of the Lubbock Cotton Clasing Office of the USDA.

Forty-seven hundred samples were classed at the Lubbock office during the week ending Wednesday, Oct. 18, bringing the total classed this season to 7,300. Through October 18th last year only 2,900 samples of the 1966 crop had been classed.

Most of the cotton harvested this season has been long staple varieties and has been hand-picked and machine picked.

Quality of these early harvested bales has been excellent. Grades have been predominantly Middling, and average staple length has averaged better than 1-1/8". Micronaire has been excellent with approximately 97 per cent milking 3.5 and better.

Prices paid for these early bales indicate a strong demand for South Plains farmers as reported by the Consumer and Marketing Service of the USDA, generally ranged from \$7.50 per bale over the loan for short staple cotton up to \$65.00 per bale over the loan for 1-3/32" and longer cotton.

Prices paid farmers for cottonseed ranged from \$52 to \$57 per ton.

HIGH PLAINS CONDUCTS IRRIGATION TEST

Efficient irrigation, or practical utilization of irrigation water should be a major concern of all High Plains farmers. For this reason, an irrigation-fertilizer test on winter wheat has been conducted at the High Plains Research Foundation for the past three years, under the direction of James Valiant, Soil Scientist, and Loyd Langford, Associate Agronomist.

Research has shown that a winter irrigation on non-grazed wheat is neither practical nor profitable. If the winter wheat is to be grazed, an irrigation in January is probably necessary.

The Tascosa variety of wheat was used in the study, and two irrigation methods were utilized, with twelve different fertilizer levels. The irrigation method which proved most economical on non-grazed wheat included an application at germination, jointing, early boot, and head.

It was interesting to note in the same test that the fertilizer levels

of 120-60-0, 120-90-0, and 120-0-0 plus 30 pounds of sulfur produced yields with no significant differences. (Figures refer to lbs. of Nitrogen, Phosphate, and Potash per acre.) However, the level of 120-0-0 plus 30 pounds of sulfur produced the greatest return because of the lower cost of fertilizer.

It is believed that the sulfur increased the yield by making soil phosphate more available to the plant, rather than as a plant nutrient for the wheat.

On non-grazed wheat, the combination of eliminating a winter irrigation, plus the decreased fertilizer costs, should result in more net profit for the wheat farmer.

LAMB COUNTY ACCIDENT REPORT FOR SEPTEMBER

The Texas Highway Patrol investigated 12 accidents on rural highways in Lamb County during the month of Sept., according to Sgt. Thurman Keffer, Hwy. Patrol Supervisor of this area.

These crashes resulted in one person killed, five injured and an estimated property damage of \$5,785.

The rural accident summary for this county during the first nine months of 1967 shows a total of 77 accidents resulting in five persons killed, 29 injured, and an estimated property dam-

age of \$81,410. Traffic wise, October signals the beginning of the most deadly season of the year. From past experience these last three months of the year almost double the number of deaths occurring during the first three months of the year.

The Sgt. listed some factors why these three months are more deadly. (1) Oct. marks the beginning of shorter days and longer nights. These increased hours of darkness will hide dangers otherwise visible during the daylight hours. (2) An increase in

traffic due to vehicles conveying school children, football games, harvest vehicles and trailers, and the holidays. (3) Inclement weather conditions. These factors in varying degrees coupled with high speed cause accidents that would not occur in the daytime.

TEXAS TECH-SMU

Texas Tech and Southern Methodist clash in a Southwest Conference contest as the Red Raiders visit the Cotton Bowl Saturday. Kickoff is set for 7:30 p. m. Southern Methodist, who opened the season with a thrilling 20-17 win over Texas A&M, has lost four games. The Mustangs spoiled homecoming for the Red Raiders last year with a 24-7 victory before 40,354 fans in Jones Stadium. After a convincing 52-0 win over Iowa State and superb victory over Texas, Texas Tech has been derailed by Mississippi State, and A&M, and Florida State. Coach J. T. King hopes to get the Red Raiders back in the victory column.

"HOW ABOUT YOUR DIET?"

Scripture: St. John 6:51-58; 7:37-46; 12:42-45. Bread is something we eat to sustain the physical body. And Jesus said, "I am the living bread which came down from heaven. If any man eat of this bread, he shall live forever and the bread that I will give is my flesh, which I will give for the life of the world." Jesus did give His flesh--He died on the Cross, that you and I might accept Him, "eat", and live forever. This bread we eat continually, day by day, to sustain the spiritual body. Do you believe His Promise? ***

...Then came the officers to the chief priests and Pharisees; and they said unto them, why have ye not brought Him? The officers answered "Never man spake like this man." Jesus had just finished saying, "If any man thirst, let him come unto me, and drink." Are you satisfied with everything just like it is, just like you are, or do you want to live abundantly, joyously, forevermore? Jesus said, "If you thirst, come to me." Will you come? ***

Jesus also said, "I am the door; by me, if any man enter in, he shall be saved, and shall go in and out and find pasture... I am come that they might have life, and that they might have it more abundantly." "I am the good Shepherd; the good Shepherd giveth his life for the sheep." "I know them, and they follow me; and I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand." Do you know the Good Shepherd? Do you know the way to life? Do you know the way to the Holy Spirit's guide. The Bible is the record and guide book--the Holy Word of God. Through prayer, reading of the Word, and in service as we join the fellowship of other children of God, we can have the guidance and the light by which we walk in the footsteps of Jesus that will lead us all the way home to the throne of God, in glory, in light, in triumph.

A JOHNNY HARTFORD SCHOOL SAFETY TIP

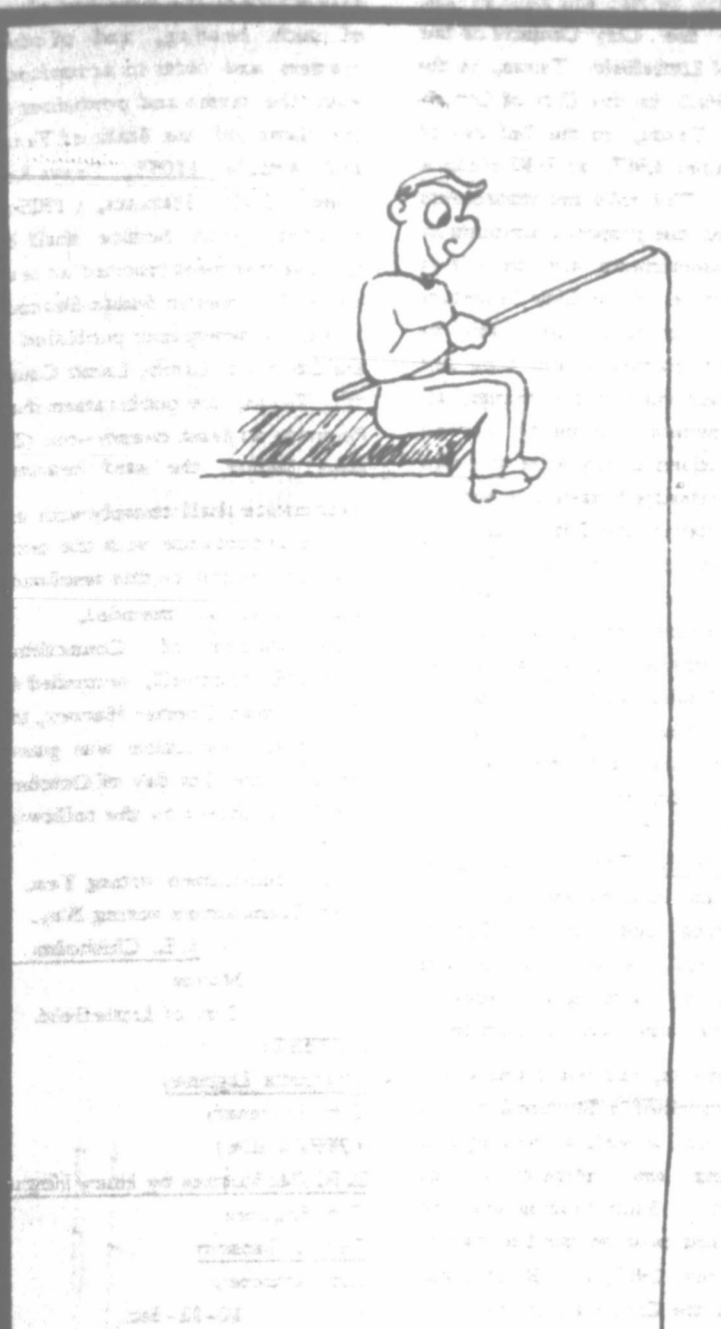

Walking Safely--Plan the safest way to walk to school. Always walk on the left side of the road-facing traffic if there are no sidewalks. Look out at corners for turning cars. When it gets dark early, wear something white so you can be seen easily. Don't run into the street between parked cars. (This safety panel, one of a series for JUNIOR FIRE MARSHAL has been prepared as a public service of The Hartford Insurance Group.)

Stubborn Drivers

Those stubborn drivers who ignore traffic laws and play motorized Russian roulette as they rocket along the highways soon will encounter more radar speed checks and more Texas Highway Patrolmen writing tickets.

Statistics have proved conclusively that speed kills, that driving too fast is responsible for many traffic tragedies, so the Highway Patrol is going to do something about it.

The Texas Highway Patrol in coming weeks will field more men in more highway cruisers, armed with many more radar speed detectors, in order to encourage motorists to keep their speeds within legal limits, and to prevent the ever soaring number of traffic deaths from rising even higher.

Captain K. B. Hallmark, in charge of the Texas Highway Patrol in this District, points out that the plan to encourage drivers to maintain safe speeds is a safe driving speed? Who resulted from a 1966 survey on Texas highways which showed that speeding is an increasingly common occurrence.

In the first article in this series, Major Luther C. Moore, Commander of the Department of Public Safety's Northwest Texas Region #5, told how research by university scientists and government studies proves that a driver's chance of becoming involved in a fatal accident increases many fold at speeds over 60 miles an hour.

But how may drivers break the speed limit? What is the has the wrecks? And what types of highway accidents are most common?

These questions might be asked by the average Texas motorist, and Captain Hallmark has the answers, compiled from a survey of Texas highway speeds in 1966, and a recent report by the US Department of Commerce.

When Mr. average motorist takes to the highway, about one driver in every eight he meets (actually 12.4%) will be exceeding the daytime speed limit of 70 miles per hour, says Captain Hallmark.

The figure jumps much higher at night, and veteran officers point out that this increase is directly responsible for many fatal accidents.

Captain Hallmark said the survey made on Texas highways last year shows that nearly one-third of the drivers (29.6%) exceeded the night speed limit of 65 miles per hour.

Safest driving speed, according to the government report, is the average speed of all traffic—while the highest accident rates are found at the very lowest and very highest

CHARLIE CHAN'S ADVICE TO TODAY'S PARENTS:

FAMOUS FILM DETECTIVE RECENTLY CELEBRATED "FAMILY DAY" AT EXPO 67 YOUTH PAVILION WITH MRS. CHAN AND 12 CHILDREN

MONTREAL QUE. When the internationally famous film mastermind of mystery, Charlie Chan, recently visited EXPO 67 to celebrate "Family Day" at the Youth Pavilion with his wife and 12 children, he offered the following six points on child upbringing in today's world:

1. Children are taught early to respect the experience and wisdom of Age. The old people of the family and the community are looked up to by the youth.
2. Religion is part of every-day life...not just a once-a-week-going-to-service habit.
3. Children are as proud of good grades in school as they are proud of social acceptance at a Discotheque party, because they are taught to value education as a priceless gift. School dropouts are no problem where diplomas are envied and sought as status symbols.
4. Good manners are expected in youngsters and rudeness is simply not tolerated.
5. Obedience is automatic in the home, where strict discipline is consistent and tempered with warm affection and respect for the rights of each member of the family.
6. Entertainment centers around the home, inside the family circle, with songs and games, stories and laughter, rather than outside the home in public places among strangers.

Gaid News

Ramona Engram was hostess for the regular bi-monthly meeting of the First Methodist Church's Wesleyan Service Guild Tuesday evening. Roll call was answered by each person describing an experience on "How Prayer was Answered For Me."
The program consisted of report on missions sponsored by Methodist women in the United States and abroad - their progress and their needs. It was given by Eloese Curry and Willie Rosson, leaders; Laura Hay, Dorothy Drake, Anita Wallace, and Mary Olds. The climax was a call to prayer and self-denial in support of the missions.

Dorothy Drake, vice-president, presided in absence of Mary Tollett, president. She also gave a report on the district meeting of WSG held in Tulsa, on Sunday, Oct. 15, which she, Nell Magness and Eloese Curry attended.
Members present at the meeting were Eloese Curry, Dorothy Drake, Laura Hay, Willie Rosson, Mary Olds, Betty Masten, Anita Wallace, Thettie Mae Walker, Mary Brown, Frances Potter, Ramona Engram, and Kathleen Graw.
The next meeting will be held at the home of Eloese Curry on Tuesday, Nov. 7.

Mrs. Daniell's Funeral Today

Funeral services for Mrs. Georgia L. Daniell, 84, mother of Acie Daniell of Sudan, will be held today, Thursday, at 2 p.m. in the Central Baptist Church of Lubbock.

Burial will be in the Sudan Cemetery.
Mrs. Daniell, a longtime Lubbock resident, was a former Sudan resident. She died Tuesday evening from an apparent heart attack.

Survivors include two other sons, Earl of Levelland and Dennis of Amarillo; a daughter, Mrs. John O'Neil of Lubbock; eight grandchildren and eight great-grandchildren.

Legal Notice

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: VIOLA M. HARLOW, Defendant, Greeting:
You are hereby commanded to appear by filing a written answer to Plaintiff's Petition at or before ten o'clock A. M. of the first Monday after the expiration of forty-two (42) days from the date of the issuance of this citation, same being Monday the 20th day of November, A. D., 1967, at or before ten o'clock A. M. before the Honorable District Court of Lamb County, Texas, at the Court House in said County in Littlefield, Texas.

Said Plaintiff's Petition was filed in said Court on the 4th day of October, A. D., 1967, in this cause, numbered 6315 on the docket of said Court, and styled CHARLES W. HARLOW Plaintiff v. VIOLA M. HARLOW Defendant. The names of the parties to the cause are as follows: Charles W. Harlow is Plaintiff, and Viola M. Harlow is the Defendant. A brief statement of the nature of the suit is as follows, to-wit: being a suit for divorce in which the Plaintiff Charles W. Harlow is requesting the Court to grant him a divorce dissolving the bonds of matrimony from the Defendant, Viola M. Harlow, all as is more fully shown by Plaintiff's Petition on file in this suit, and to which reference is here made for all intents and purposes.
If this citation is not served within ninety (90) days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.
ISSUED and given under my hand and the Seal of said Court, at office in Littlefield, Texas, this 5th day of October, A. D. 1967.

ATTEST:
/s/ Ray Lynn Britt
District Clerk of
Lamb County, Texas

Timing Your Investment

Few questions disturb the new investor more than trying to decide when is the right time to take the plunge.
Investment timing - perhaps more than any of the numerous intangibles of the marketplace - has tended to make spectators rather than participants of uncounted numbers of Americans down through the years.

The fact remains that in many areas of endeavor there will always be a right time and a wrong time for doing things.
However, in the world of investing, it need not be so cut and dried. The fact is there is a way to diminish the spectre of a poorly-timed move. In the parlance of Wall Street it is known as "dollar-cost averaging," a time-tested investment principle considerably less forbidding than its name implies.
While this principle is practiced in various ways, there is probably no other investment medium in which it is more widely used than in the medium of the mutual fund.
How does dollar-cost averaging work? The investor simply buys fixed-dollar amounts of securities at regular intervals, regardless of price levels. Over a period of time, simple arithmetic insures that more shares are bought at relatively lower prices than at higher prices. According to the Investment Company Institute, most mutual funds offer accumulation plans which permit the investor to buy shares periodically, in equal amounts over spans of 10 or more years, thus effectively putting to good use the dollar-cost principle. Are such plans popular? Statistics say they are. Accumulation plans are growing at the rate of 40,000 a month and presently there are some three million in force.
Mutual funds today manage assets valued at more than \$40 billion, owned by about four million shareholders. They do much more for the individual than just worry over time factors and the like. An investment in a mutual fund provides the individual with continuous professional management - at reasonable cost - and the sound principle of diversification, which, by spreading the investor's dollar over a broad list of securities, helps to reduce the risk inherent in all forms of investing.

Peppy Potable Introduced Here

From the orchards of Italy, the secrets of Envarin and the ingenuity of American cooks... a brand new drink just being introduced here by Fairmont Foods Co.
Its tart-sweet taste, unlike any other apple drink on the market, is the result of international cooperation. The apples are a unique variety that flourish only in Sicily, where climatic conditions and soil combine to produce a succulent fruit. These tiny, tart-sweet apples are shipped to the heart of Bavaria where they are processed and aged according to a secret formula known only to the men in that area. The concentrate is then shipped to the U.S. States for bottling and packaging.
