Bovina Is Opponent At FHS Homecoming

Our thanks this week to all of our readers who complimented us on our 60th Anniversary Edition last week.

Also, our special thanks to the many merchants, whose advertising messages made the edition possible. Really, they are the people you should compliment, as they support us so loyally week after week and year after year.

It was our pleasure to mail the special issue to many within Parmer County who do not ordinarily receive the paper, and we hope they enjoyed it along with our regular subscribers. We were proud of the issue, and hope somewhere along the line to be able to enter it in competition in the press contests.

Many of you may not have realized that we were passing out during the celebration a reproduction of the very first issue of the Friona Star, printed July 25, 1925. If you did not get one but would like to have one, we have several copies left. You may either pick them up at our office, or write if you live out of town, and we'll mail one.

Maize Days, 1966, is history. Many have expressed their belief that this year's celebration was one of the best, if not the best, which the city has staged. That, at least, means that we achieved the goal at which we were shooting; to make the 1966 celebration at least "a little better" than usual, since it also represented the city's 60th birthday.

The Maize Days parade was the best one we have been associated with in the five years we've been here. There were more floats, and everything in general was just a little better.

The addition of such events as the Pony Express Race and the women's contests definitely helped the 1966 celebration. Each had a good slate of entries, and a very fine audience. Improvements on these events would strengthen next year's program, we're sure.

The fiddler's contest did not materialize; probably because no one was ever put directly in charge of the event and also the fact that another such event was in direct conflict on the High Plains the same day. This could still be a good addition to the annual celebration.

Probably the best thing about the annual parade -- in fact about Friday and Saturday of Maize Days -- was the break received from the weatherman. It cleared up both days, allowing the parade to go unmolesed, and gave the Lions-sponsored rides, and other booths, ideal weather for the operation of the carnival.

About the only event which was "weathered out" was the parachute jumping exhibition on Saturday morning, and if the participants had known how the weather was going to change, it probably could have gone on, if a few minutes late.

The main complaint we've heard about this year's celebration, and it's a usual one, is the fact that Friday night's football game had to be out of town. This is something which cannot always be helped, from the school's standpoint.

We would suggest this: When the Maize Days week is scheduled in the future, Chamber of Commerce officials can check the football schedule and pick a weekend Friona is at home. The grid schedules are always completed before the Maize Days week is picked. So it isn't always the coaches' or school's fault that the game isn't at home. Some juggling by C of C officials could remedy this problem each year.

This could be done in late fall, then if a change of weeks were necessary, the Rhodes people (who bring the rides) could be notified in plenty of time.

(Continued To Page 8)

For the second time in three games, it will be a county rival for the Friona Chieftains when Friona High School plays its first home football game of the season.

This time it's the neighboring Bovina Mustangs who will provide the opposition. The game has been designated as "Homecoming" for Chieftain ex-students. Pre-game activi-

ties will begin at 7:40 p.m.

Both teams bring identical season records of 1-1 into the game. Bovina blasted Cooper, 38-14 in its opening game, but lost to tough Happy's Cowboys, 20-16, last week. Friona dropped its opener to Farwell, 20-7 before downing Morton 12-8. It will mark the ninth football meeting between Friona and Bovina teams, starting with Friona's 52-6 win in 1951. Friona has won five of the eight games played.

If past meetings are any indication, fans might expect a high-scoring affair in tomorrow's game. Only twice in the previous eight meetings has the winner scored less than five touchdowns, and in four of the games, the two teams' combined scores have been at least 58 points.

"We're expecting a real battle against Bovina," Coach Don Light said this week. The Chieftain coach pointed out that in halfback Dean Stanberry, Friona would be facing as good a backfield threat as they have encountered so far this season.

In addition to Stanberry, the Mustangs have a threat at fullback in the form of Carl Harris, a speedy Negro who is termed "faster than any of our players" by Friona scouts. Stanberry has scored four of Bovina's seven touchdowns, and Harris has two of the other three. Besides the touchdowns, Stanberry has run or caught passes for three two-point conversions, to give him 30 points for the young season. Harris has scored 14 points.

In addition to the fine backfield, which is piloted by quarterback Randy Jones, the Mustangs have what is termed an adequate line by Friona coaches.

The two teams played every year for six consecutive years from 1951 through 1956, then did not meet until 1962, when the Mustangs downed Friona 35-6. The Chiefs won the last encounter between the two schools, 38-0 here in 1963.

Winners Named For Parade, Gals Events

Winners in various Maize Days events were announced this week by the respective event chairmen.

The winners in Friday's Maize Days parade competition were as follows: school floats: 1. Seniors; 2. Juniors; 3. Sophomores; 4. Freshmen. Club Floats: 1. Antique Club; 2.

MAIZE ROYALTY . . . The 1966 - 67 Maize Queen for Friona is Crista Evans, shown in the center with her crown and trophy. From the left are Jo Anne Jennings, (fifth), Cindy Ingram (second), Miss Evans, Jan Welch (third) and Darla Howell (fourth). A capacity crowd watched the queen's contest last Friday.

FHS JUNIOR

Crista Evans Reigns As 10th Maize Queen

Crista Evans, daughter of Mr. and Mrs. W.H. Evans, is Friona's Maize Queen for 1966-67. Crista, a junior at Friona High School, won the honor over 29 other girls in competition last Thursday.

Miss Evans became the fourth Maize Queen in a row to come from Friona High School's junior class. She presented a Shakespearean reading as her talent portion of the contest.

First runnerup was Cindy Ingram, daughter of Mr. and Mrs. W.S. Ingram. She played a Roger Williams medley on the piano.

Second runnerup was Jan Welch, daughter of Mr. and

Mrs. Louis Welch, who did a song, "Round and Round."

Third runnerup was Darla Howell, daughter of Mr. and Mrs. Charles Howell, who accompanied herself in a medley of songs at the piano.

Fourth runnerup was Jo Anne Jennings, daughter of Mr. and Mrs. E.T. Jennings, who did a dance routine to "King of the Road."

Contest Winner

Lonnie Ellis was the winner of the Friona Star's second weekly football contest this week by correctly picking 14 of the 16 games.

Ellis was one of seven contestants correctly picking 14 games, but only missed the tie-breaker by two points.

Second place was a tie between Dale Houlette and Mrs. C.H. Veazey.

Other members of the top ten finalists were Glenda Mings, daughter of Mr. and Mrs. Glen Mings, who sang "Gimmie a Little Kiss;" Sharen Awtrey, daughter of Mr. and Mrs. Deon Awtrey, who sang "Hello Dolly."

Also, Kathy Jones, daughter of Mr. and Mrs. George W. Jones who did a pantomime to "I Ain't Dead Yet;" Betty Taylor, daughter of L.G. Taylor, who did a Scarlet O'Hara scene from "Gone With the Wind" and Becky Coffey, daughter of Mr. and Mrs. Leonard Coffey, who played the theme from "The Apartment" on the piano.

Roy Faubion of Station KPAN, Hereford, and Mary Kay Everett, Friona's new chamber of commerce manager, served as co-emcees for the event.

Young Benny McCain of Bovina entertained with vocal numbers during breaks in the

program. He amused the audience by singing "You Must Have Been a Beautiful Baby" and "Oh, You Beautiful Doll" to the reigning queen, Susan Neill.

The new Maize Queen, Miss Evans, is a 5-2 brunette. She is in the debate club, band, and enjoys sewing.

The contest was held to a capacity crowd at Friona High School Auditorium.

Teachers Changing, Too

The visitor to a Texas school nowadays doesn't have to be an expert to see that the little red schoolhouse is not what it used to be. Changes in all areas of education from kindergarten to twelfth-grade trigonometry have taken place.

Outside the school there is a new awareness that education today is the first work of our times.

Inside the schools there is much new equipment - teaching machines, highly sophisticated language laboratories, closed circuit television and even new furniture.

In the midst of all this, in the eye of this hurricane of change, stands the Texas teacher. And the teacher has changed too, quietly and without fanfare. The change has been for the good.

Long before the big changes in education began to be made about 10 years ago, teachers were working to better their professional abilities. That new

equipment, revised curriculums - they are all pretty useless without a steady, professionally-prepared human hand to guide them.

So the Texas teacher has been changing, smoothly and almost unnoticed. How?

In the first place the Texas teacher is no longer a nine-month employee. In the summer a great majority of them, paying their own way, go back to college, study for graduate degrees and learn how to teach the new curriculums.

Teachers new to the profession are better prepared today because older teachers, acting through professional associations, have continually urged higher teacher education standards.

For years we took the teacher for granted but now we realize that he is as important to the wholesome atmosphere of our community as the doctor and lawyer.

Bill Ellis, Editor Friona Star, Friona, Texas

Dear Bill, We of the entire Friona Area have just completed our Annual Maize Days Celebration along with the 60th Anniversary of the City of Friona. Never before has a celebration in our community been more successful. A great deal of the success can be attributed to the coverage afforded by the Friona Star.

Thank you sincerely for your fine efforts. The fine cooperation of the some 50 to 60 people on the various committees shouldn't go unnoticed. Without these people, whom we will not name, we would have had no celebration. The job of each of them is just as important as that of anyone else, and each did their job better than ever before. Each of these people know who they are, and we want to thank them publicly for their excellent organization and support. They don't work for the recognition received, but because of their faith and confidence in our community. This is the kind of people that make up our community. Once again, many thanks to one and all who had any part at all in the 1966 Maize Days. FOR THE CHAMBER OF COMMERCE BOARD OF DIRECTORS
George C. Taylor Jr.

New Plants From Old
Air layering is a means of inducing root formation on the above ground portion of a woody plant while the limb or branch is still attached to the parent plant. It is an interesting hobby, points out E.E. Janne, Texas A&M University Extension landscape horticulturist, for the individual who likes to work with plants.

Porter Southall Buried Here Friday

Funeral services for Porter Southall, 67, long time resident of Friona and the surrounding area, were conducted from First Baptist Church at 2:00 p.m. Friday. Rev. Bill Burton, pastor, officiated.

Southall, who was born in Erath County, died at Parmer County Community Hospital Wednesday. He was married to Fannie Brumbelow February 21, 1923 at DeLeon, Texas. The Southalls moved to this area from Blair, Oklahoma, in 1926.

Palbearers were H.K. Kendrick, Porter Roberts, Edward White Jr., Frank Zinser, Ralph Taylor, Elroy Wilson, H.G. White and Charles Allen. Survivors besides his wife,

include three daughters, Mrs. Christine Braxton, Friona, Mrs. Bernthal Busanum, Clovis, Mrs. Anna Jo Smith, Oklahoma City; two sons, Eugene of Amarillo and John of Colorado City; thirteen grandchildren, three sisters and one brother.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

More than 1,800 Texas communities depend solely on highway transportation. A traveler or shipment to other cities might arrive at a terminal by sea, railroad, but the trip to the ultimate destination is over the highways.

September 18-24 is Highway Week in Texas, a time set aside to focus public attention on the benefits of highways to every community and citizen in Texas and the nation. "Better Highways Save Lives . . . Time . . . Money" is the theme for Highway Week.

Odessan Dies In Viet Nam

Phillip Brannon, son of Mr. and Mrs. Arthur Brannon, 7203 West 21st, Odessa, died recently from wounds received while he was on a patrol near Chu Lai, Viet Nam.

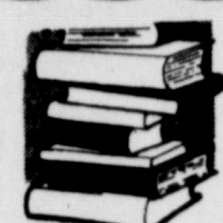

He was a marine corporal and his tour duty was almost finished. His parents had received word that he would be home within the ensuing weeks just before they received official notification of his death. Brannon attended Permian High School, Odessa and had been in the marines for two years. He was trained at Camp Pendleton, Calif., then went to Viet Nam.

Survivors besides his parents, include two sisters, Pamela and Cynthia Brannon, and one brother Mark Brannon, all of Odessa, and his grandparents, Mr. and Mrs. George

PHILLIP BRANNON

Huff, Sasakwa, Okla., and Mrs. Pearl Brannon, Friona. Funeral services are pending.

The Library Corner

BY MRS. V. J. ZEMAN

Friona Public Library now has that delightful little book, "O Ye Jigs and Julips," Virginia Cary Hudson was ten in 1904 when she wrote these essays for a very understanding teacher. We're so glad they were found in an attic trunk and printed.

Here is taste from her essay on "Etiquette at Church": "Do not hop, skip, jump or slide in the church vestibule. Be sure and do not sit in other people's pews. Jesus wouldn't care, but other people would."

The Baptist Church is next door to our church. They sing as loud as they can all the time we are trying to pray. I bet the Lord can't hear one word we say. I took the cotton off my sore finger once and stuffed it in my ear on the Baptist side. But just once. My mother attended to that."

Another recent purchase is Anne Morrow Lindbergh's "Gift from the Sea." Her insights may help many of us work out a better balance of life, work, and human relationship.

Amarillo's Lorna Novak's two novels make interesting light reading. Their unbelievable titles are "Ho" Amelia Secured the Tie that Binds with a very Loose Knot" and "Does It Make into a Bed?"

Also available is Jeanne Dixon's "A Gift of Prophecy" and Kaufman's "Up the Down Stair Case."

These six books are new editions during September. Mrs. Glenn E. Reeve of the Modern Study Club library committee has the responsibility of preparing books - new or donated - for the shelves now.

You remember the library

began June 15, 1963 with 150 borrowed books from the State Library. Friona Public Library owns approximately 2400 books now! So many families and organizations have made this growth possible. Please use your library in Federated Club House, north of the Methodist Church. Present hours are 9 to 12 noon and 3 to 6 p.m. Thursdays and 9 to 12 noon Saturdays. Story Hour is from 10 to 11 a.m. on Thursdays.

GOOD MIXER - Cotton shantung is combined with printed cotton lawn for this three-piece suit. Alternate fabrics for a second outfit to mix and match. Pattern and cottons from Singer centers.

LAZBUDDIE NEWS

By Mrs. C. A. Watson

Attending the Past Matrons Club meeting at Hereford last week were Dorothy Hinkson and Mrs. John Farley.

Charlie Watson and Joe Collins were in Siminoe Monday visiting and attending to business.

The Personnel of the Lazbuddie school was entertained Sunday night at the Methodist Church luncheon. The event was held for the purpose of the community meeting and getting acquainted with the teachers. Superintendent Barnes was introduced. He then introduced the other teachers and other personnel hired at the school.

Ann Cargile left Tuesday for Corpus Christi where she will represent the Lazbuddie Home Demonstration Club at the annual convention. Mrs. Cargile plans to go to News Brunswick from there and spend a week with her sister, Evalie Bishop.

Mr. and Mrs. Jack Smith and son Jack Finley and Mrs. N.M. McCurdie of Lazbuddie accompanied by Mr. and Mrs. Jerry Mackenzie, and children, Bryan Shannon and Calvin of Plainview went to Amarillo Sunday for a birthday celebration. The event was honoring Mrs. McCurdie's sister, Mrs. Archie Shiplet, Wellington.

Mr. and Mrs. Don Richards and Mr. and Mrs. Claud Blackburn went to Clovis Sunday to see the Richards infant in Clovis Memorial Hospital. The five week old baby presently weighs 2 1/2 lbs. she weighed only 2lbs. 3 oz. at birth.

Mrs. Gene Fox was admitted to the Friona Community Hospital Monday a.m.

A large number of Lazbuddie folks attended the Friona Maize Days celebration the past weekend.

Congratulations to Loy Dale and Danny Clark, sons of Mr. and Mrs. Wayne Clark, Lazbuddie 4-H members on their prize winning hogs at The Curry County Fair last week at Clovis.

Music Is For The Non-Musician
Music is becoming important to more people than ever before and what an encouraging thought that is. I was never so amazed as at the National Music Merchants' Trade Show this year, where there were hundreds and hundreds of musical instruments of all types, all shapes, all sizes, all prices. Could there possibly be this many musicians? Then who would play all those instruments? I'll tell you who - children, teen-agers, grown-ups, parents, grand-parents, and even great-great-grandparents. People will play them, not just "musicians."

Bookmobile To Make Run

The Texas High Plains Bookmobile will be in the Friona area the next few days, according to a reminder this week from Lorene Sooter, bookmobile librarian.

Today, the bookmobile goes to Rhea (11:45-12 noon), Friona Junior High 9:15-1:45 and Black (2-3) Tomorrow it goes to Hub (8:45-9:45); to White's Elevator (10-11 a.m.); Lazbuddie (12-1 p.m.) and Clay's Corner (1:15-2:15).

Saturday the bookmobile stops in Friona from 1-4 p.m. at the City Park.

Candid Scenes From Maize Days, 1966

Women's contest winners were Mrs. Cotton Renner, fastest pancake flipper; Mrs. Larry Fairchild, the onion champ; and Miss Joy Morton, rolling pin - thrower deluxe.

The carnival provided a week of night-time fun for hundreds of Frionans.

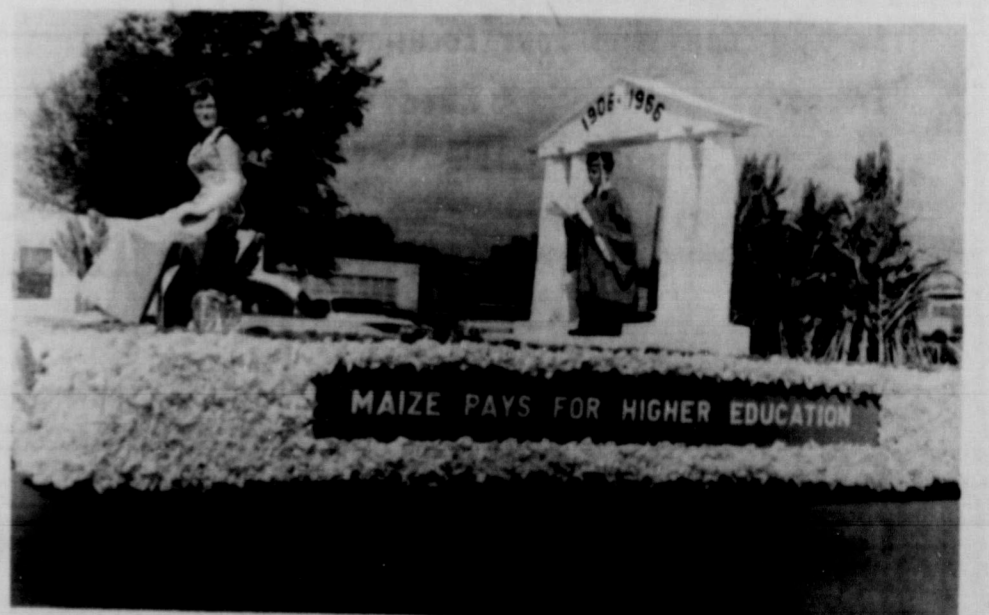

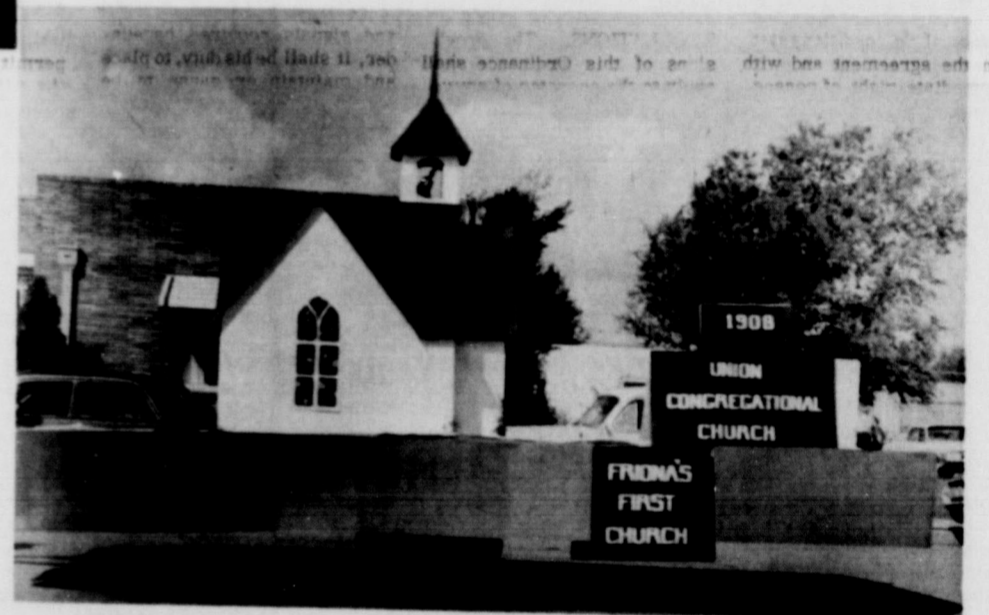

Maize Queen for 1966, Crista Evans, was crowned by 1965 Queen Susan Neill.

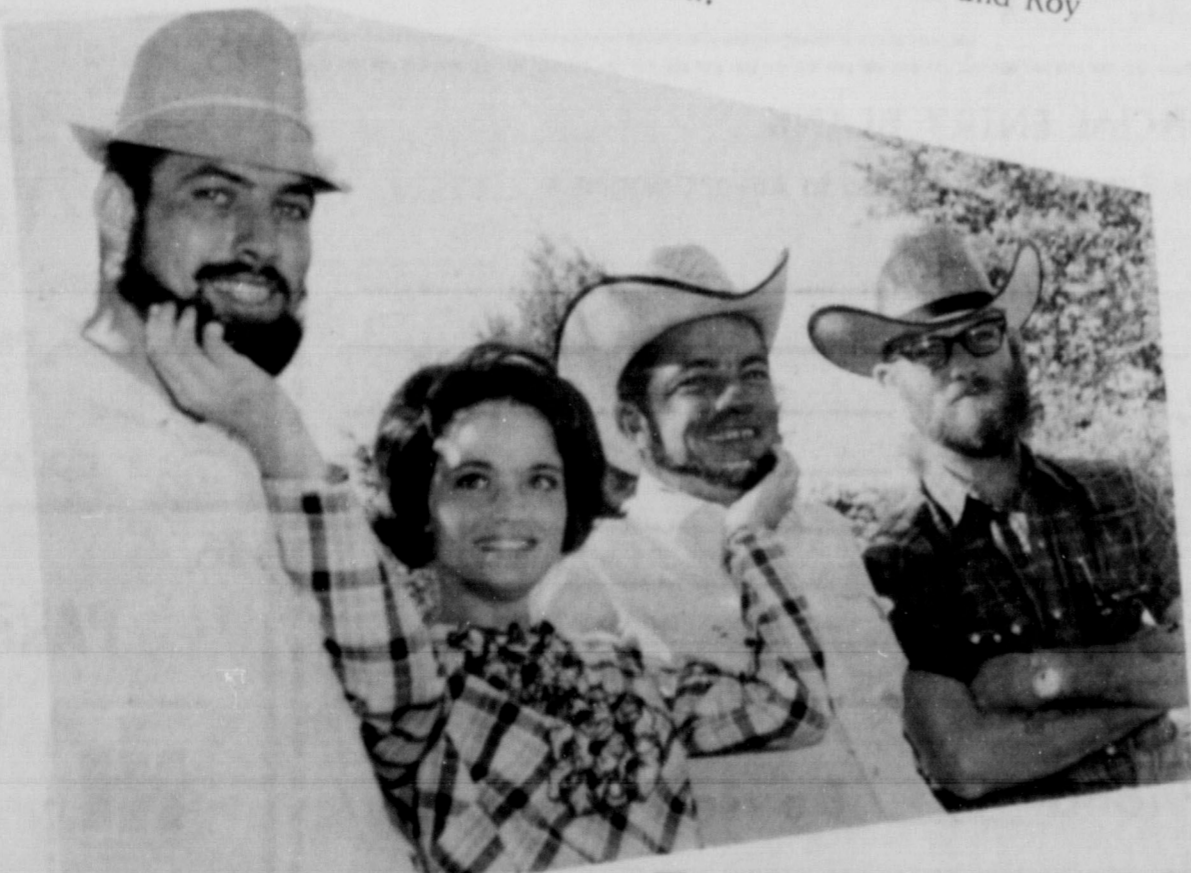

Sharen Awtrey performs 'Hello Dolly' during the talent portion of the Queen Contest.

Emcees for the Queen Pageant were Mary Kay Everitt and Roy Faubion.

Shown above are just a few of the many extraordinary floats which graced Friday morning's Maize Days Parade.

These three fuzzy fellows won honors at the annual beard judging contest. Posing with the '66 Maize Queen are Albert Wolfington, Eune Martin and Gerald Shavor.

NEW TRAFFIC ORDINANCE PRESENTED

(Editor's Note: Following is the text of Ordinance No. 391, an ordinance setting forth traffic regulations for the city of Priona. The ordinance was passed by the Priona City Council at its meeting September 12, and is presented in its entirety here as an official publication so that all may know the city's traffic rules.)

An ordinance regulating traffic on the public streets, alleys and other thoroughfares in the City of Priona, Texas, and fixing the penalty for violations in any sum not to exceed \$200.00 and declaring an emergency.

Authorized Emergency Vehicle: Vehicles of the Fire Department (Fire Patrol), Police vehicles, public and private ambulances for which permits have been issued by the State Board of Health, and emergency vehicles as are designated or authorized by the City Council of the City of Priona, Texas, and private vehicles operated by volunteer firemen while answering a fire alarm.

so parked illegally as to constitute a definite hazard or obstruction to the normal movement of traffic.

ed sign, signal or device is hereby declared to be a public nuisance, and the Chief of Police is hereby empowered to remove the same, or cause to be removed, without notice.

authority by and with the consent of the governing body, by resolution, to determine the location of passenger zones and loading zones and shall erect and maintain or cause to be maintained appropriate signs indicating the same and stating the hours during which the provisions of this section are applicable.

stop their vehicles as near to the right curb as possible and shall remain standing until such fire apparatus has passed or until five minutes after official fire siren has started sounding.

Section 10. RECKLESS DRIVING. (a) It shall be unlawful for any person to drive any vehicle upon a roadway in a reckless or negligent manner or in willful or wanton disregard of the rights or safety of others, or without due caution or circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property.

reflect to the operator a view of the roadway for a distance of two hundred feet to the rear of such vehicle.

ARTICLE I. WORDS AND PHRASES DEFINED

Section 1. Wherever in this Ordinance the following terms are used they shall have the meaning respectively ascribed to them in this section.

Street or Highway: The entire width between the boundary lines of every way publicly maintained when any part thereof is open to the use of the public for purposes of vehicular travel.

Traffic: Pedestrians, ridden or herded animals, vehicles, street cars and other conveyances either singly or together while using any street or highway for purposes of travel.

Police Officer. Every officer of the Municipal Police Department or any officer authorized to direct or regulate traffic or to make arrests for violations of traffic regulations.

ARTICLE II. AUTHORITY OF POLICE

Section 1. POLICE TO DIRECT TRAFFIC. It shall be the duty of the Police Department of this city to enforce the provisions of this Ordinance.

Roadway: That portion of a street or highway improved, designed or ordinarily used for vehicular travel.

Intersection: (a) The area embraced within the prolongation or connection of the lateral curb lines, or if none, then the lateral boundary lines of two or more streets or highways which join one another at, or approximately at, right angles, or the area within which vehicles traveling upon different highways joining at any other angle may come in conflict.

Person: Every natural person, firm, copartnership, association, or corporation.

Pedestrian: Any person afoot.

Driver or Operator: Every person who drives or is in actual physical control of a vehicle.

Owner: A person who holds legal title of a vehicle or in the event a vehicle is the subject of an agreement for the conditional sale or lease thereof with the right of purchase upon performance of the conditions stated in the agreement and with an immediate right of possession vested in the conditional vendee or lessee, or in the event a mortgage of a vehicle is entitled to possession, then such conditional vendee or lessee or mortgagor shall be deemed the owner for the purpose of this Ordinance.

Hand Signals: All signals made by the driver or operator by the use of the hand and arm for the purpose of indicating his intentions of turning, stopping or changing the course of a vehicle.

Sidewalk: That portion of a street between the curb lines, or the lateral lines of a roadway, and the adjacent property lines intended for the use of pedestrians.

Crosswalk: (a) That part of a roadway at an intersection included within the connections of the lateral lines of the sidewalks on opposite sides of the highway measured from the curbs, or in the absence of curbs from the edges of the street or traversable highway; (b) any portion of a roadway at an intersection or elsewhere distinctly indicated for pedestrians crossing by lines or other markings on the surface.

Safety Zone: The area or space officially set apart with a roadway for the exclusive use of pedestrians and which is protected or is so marked or indicated by adequate signs as to be plainly visible at all times while set apart as a safety zone.

Right of Way: The privilege of the immediate use of the street or highway.

Parking: The standing of a vehicle whether occupied or not, upon a roadway otherwise than temporarily, for the purpose of loading or unloading or in obedience of traffic regulations or traffic signs and signals.

Official Traffic Signs and Signals: All signs, signals, markings, and devices not inconsistent with Article 6701-4, Vernon's Rev. Civ. Stat. of the State of Texas; with the manual and specifications of a uniform system of traffic control devices adopted by the State Highway Commission of the State of Texas; and with this Ordinance placed and erected by the City Marshal for the purpose of guiding, directing, warning or regulating traffic.

Vehicle: Every device in, upon, or by which any person or property is or may be transported or drawn upon a street or highway, except devices moved by human power or used exclusively upon stationary rails or tracks.

Motor Vehicle: Every vehicle which is self-propelled.

Motorcycle: Every motor vehicle having a saddle for the use of a rider and designed to travel on not more than three (3) wheels in contact with the ground but excluding a tractor.

When an officer removes a vehicle from a street as authorized in this section and the officer knows or is able to ascertain from the registration records in the vehicle the name and address of the owner thereof, such officer shall immediately give or cause to be given notice in writing to such owner of the fact of such removal and the reasons therefor and of the place to which such vehicle has been removed.

Whenever an officer removes a vehicle from a street upon this section and does not know and is not able to ascertain the name of the owner, or for any other reason is unable to give the notice to the owner as hereinbefore provided, and in the event the vehicle is not returned to the owner within a period of three (3) days, then and in that event the officer shall immediately send or cause to be sent written report of such removal by mail to the State department whose duty it is to register motor vehicles, and shall file a copy of such notice with the proprietor of any public garage in which the vehicle may be stored.

The Chief of Police is also authorized to make lanes for traffic on street pavements at such places as he may deem advisable consistent with the provisions of this ordinance.

Section 1. PEDESTRIANS' RIGHTS AND DUTIES. Section 1. PEDESTRIANS' RIGHT OF WAY. (a) The operator or driver of any vehicle, motor or otherwise, shall yield the right of way to a pedestrian crossing the roadway within any unmarked crosswalk at the end of a block, except at intersections where the movement of traffic is being regulated by police officers or traffic control signals.

Section 2. TRAFFIC CONTROL SIGNALS. (a) The governing body shall, by resolution, determine and designate the character or type of all official traffic signs and signals, and shall designate the location where the same shall be installed.

Section 3. TRAFFIC CONTROL SIGNAL LEGEND. (a) Whenever traffic at an intersection is controlled by traffic control signals exhibiting colored lights or the words "Go", "Caution", and "Stop", said lights and terms shall indicate as follows:

Green or "Go" - Traffic facing the signal may proceed, except that vehicular traffic shall yield the right of way to pedestrians and vehicles lawfully within a crosswalk or the intersection at the time such signal was exhibited.

Yellow or "Caution", when shown alone following the green or "Go" - Traffic facing the signal shall stop before entering the nearest crosswalk at the intersection unless so close to the intersection that a stop can not be made in safety.

Red or "Stop" - Traffic facing the signal shall stop before entering the nearest crosswalk at the intersection or at such other point as may be designated and remain standing until green or "Go" is shown alone.

Section 4. It shall be unlawful for any person to place or display upon or in view of a street an unofficial sign, signal or device which purports to be or resembles an official traffic sign or signal or which attempts to direct the movement of traffic or which hides from view or interferes with the effectiveness of any official sign or signal. Every such prohibi-

tion shall be removed, without notice.

Section 5. It shall be unlawful for any person to willfully deface, injure, move, obstruct, or interfere with any official traffic sign or signal.

Section 6. The Chief of Police AUTHORIZED TO DESIGNATE CROSSWALKS. The Chief of Police is hereby authorized to establish and to designate and shall thereafter maintain or cause to be maintained, by appropriate devices, marks or lines upon the surface of the roadway, crosswalks at intersections where in his opinion there is particular danger to pedestrians crossing the roadway, and at such other places as he may deem necessary.

Section 7. The Chief of Police AUTHORIZED TO DESIGNATE SAFETY ZONES AND LANES FOR TRAFFIC. (a) The Chief of Police is hereby empowered to establish safety zones of such kind and character and at such places as he may deem necessary for the protection of pedestrians.

Section 8. BUSES PROHIBITED FROM PARKING EXCEPT IN DESIGNATED PLACES. It shall be unlawful for the operator of any bus to stand or park upon any street in any business district at any place other than at a bus stop, except that this provision shall not prevent the operator of any such vehicle from temporarily stopping in accordance with regulations at any place for the purpose of and while actually engaged in loading or unloading passengers.

Section 9. PARKING PROHIBITED IN CERTAIN PLACES. (a) It shall be unlawful for any operator to stop, stand or park any vehicle upon a street, other than an alley, in such manner or under such conditions as to leave available less than ten feet of the width of the roadway free from movement of vehicular traffic, or upon streets on which no parking is allowed during the actual unloading or loading of passengers or when necessary in obedience to traffic regulations or traffic signs or signals of a police officer.

Section 10. USING VEHICLES FOR PRIMARY PURPOSE OR DISPLAYED ADVERTISING PROHIBITED. It shall be unlawful for any person to park any vehicle for the primary purpose of displaying advertising.

Section 11. STOPPING PROHIBITED IN SPECIFIED PLACES. It shall be unlawful for the operator of a vehicle to stop, stand or park such vehicle in any of the following places, except when necessary to avoid conflict with other traffic or in compliance with the directions of police officer or traffic control sign or signal:

(a) In the center of the Street.

(b) Within a street intersection.

(c) On a cross walk.

(d) Within twenty-five (25) feet from the intersection of curb lines, or, if none, then within fifteen feet of the intersection of property lines at an intersection, except alleys.

(e) Within thirty (30) feet upon the approach to any flashing beacon, stop sign, or traffic control signal located at the side of the roadway.

(f) Within thirty (30) feet of the driveway entrance to any fire station.

(g) In front of any private driveway.

(h) On a sidewalk.

(i) Alongside or opposite any street excavation or obstruction when such stopping, standing, or parking would obstruct traffic.

(j) At any place where official traffic signs have been erected prohibited standing and parking.

(k) On the roadway beside any vehicle stopped or parked at the right hand edge or curb of a street. It is the intention of this paragraph to prohibit what is commonly known as double parking or double line parking.

(l) At any curb painted yellow.

Section 12. STANDING FOR LOADING OR UNLOADING ONLY IN CERTAIN PLACES. The Chief of Police shall have

authority by and with the consent of the governing body, by resolution, to determine the location of passenger zones and loading zones and shall erect and maintain or cause to be maintained appropriate signs indicating the same and stating the hours during which the provisions of this section are applicable.

Section 3. BUS STOP. The governing body shall have the right to establish bus stops on such public streets in such places and in such number as it shall determine to be of the greatest benefit and convenience to the public, and every such bus stop so established shall be designated by appropriate signs.

Section 4. OTHER VEHICLES PROHIBITED FROM PARKING IN BUS STOPS. It shall be unlawful for the operator or driver of any vehicle other than a bus to stand or park in an officially designated bus stop, or for any vehicle other than a bus, except that the operator or driver of any passenger vehicle may temporarily stop in any such stop or stand for the purpose of and actually engaged in loading passengers.

Section 5. BUSES PROHIBITED FROM PARKING EXCEPT IN DESIGNATED PLACES. It shall be unlawful for the operator of any bus to stand or park upon any street in any business district at any place other than at a bus stop, except that this provision shall not prevent the operator of any such vehicle from temporarily stopping in accordance with regulations at any place for the purpose of and while actually engaged in loading or unloading passengers.

Section 6. HAND SIGNALS. If any operator wishes to turn, stop, or back his vehicle or to move from one lane of traffic to another, he shall indicate such intention by a signal of the hand and forearm made as follows:

(a) Left Turn. Extend a hand and the forearm beyond the operator's side of the vehicle, in a horizontal position.

(b) Right Turn. Extend a hand and the forearm beyond the operator's side of the vehicle, at an angle of 45 degrees pointing upward.

(c) Stop. Extend a hand and the forearm beyond the operator's side of the vehicle at an angle of 45 degrees downward.

(d) Back. Extend a hand and the forearm beyond the operator's side of the vehicle, moving same in an up and down motion.

(e) Turning from one lane of traffic to another, same as for a turn in the same direction.

Section 7. STOPPING, TURNING AND BACKING. The operator of any vehicle upon any public highway before turning, stopping or changing the course of such vehicle shall see first that there is sufficient space for such movement to be made in safety, and if the movement or operation of other vehicles may reasonably be affected by such turning, stopping, or changing of course, shall give plainly visible signal to the operator of such vehicle of his intentions so to turn, stop or change in the course in accordance with Section 6 hereof.

Section 8. PASSING ON HILLS AND CURVES. Every vehicle, when moving along such portions of the roadway where the curvature of the roadway prevents a clear view for a distance ahead of one hundred yards, shall be held under control.

Section 9. OPERATION OF VEHICLES ON APPROACH OF AUTHORIZED EMERGENCY VEHICLES. Upon the approach of any authorized emergency vehicle or vehicles giving audible signal by bell, siren, or exhaust whistle, the operator of every other vehicle shall immediately drive the same to a position as near as possible and parallel to the right hand edge or curb of the street, clear of an intersection, and shall stop and remain in such position until the authorized emergency vehicle or vehicles shall have passed, unless otherwise directed by a police officer.

Section 10. FOLLOWING FIRE APPARATUS PROHIBITED. Upon the sounding of gongs or warning devices used upon fire apparatus, operators shall

stop their vehicles as near to the right curb as possible and shall remain standing until such fire apparatus has passed or until five minutes after official fire siren has started sounding.

Section 11. No person shall drive or operate any vehicle over or across any unprotected fire hose.

Section 12. No person shall park or have any vehicle, apparatus, implement, thing or object within fifteen (15) feet of any fire plug, or hitch any team, animal or apparatus to such fire plug for any reason whatsoever.

Section 1. UNLAWFUL TO DRIVE THROUGH PROCEEDINGS UNLESS DIRECTED BY TRAFFIC CONTROL SIGNALS OR BY POLICE OFFICER. It shall be unlawful for the operator of any vehicle to drive between the vehicles comprising a funeral or other authorized procession while they are in motion. This provision shall not apply to intersections where traffic is controlled by traffic control signals or by police officers.

Section 2. EMERGING FROM ALLEY OR PRIVATE DRIVEWAY. The operator of a vehicle emerging from an alley, driveway or building shall stop such vehicle immediately prior to driving onto a sidewalk area extending across such alleyway.

Section 3. VEHICLE SHALL NOT BE DRIVEN ON SIDEWALK. The operator of a vehicle shall not drive within any sidewalk area except at permanent or temporary driveways.

Section 3a. It shall be unlawful for a person to drive any vehicle over a curb except at authorized temporary driveways.

Section 4. MOTOR VEHICLES LEFT UNATTENDED, BRAKES TO BE SET AND ENGINE STOPPED. No person having control or charge of any motor vehicle shall allow such vehicle to stand on any street unattended without first setting the brakes thereon and stopping the motor of said vehicle, and when standing upon a perceptible grade, without turning the front wheels of such vehicle to the curb or the side of the street or highway.

Section 5. INTOXICATED OPERATORS. It shall be unlawful for any person while in an intoxicated condition or under the influence of narcotic drugs to operate or attempt to operate any vehicle.

Section 6. TRAFFIC NOT TO BE OBSTRUCTED. No vehicle shall be operated or allowed to remain upon any street in such manner as to form an unreasonable obstruction to the traffic thereon.

Section 7. UNNECESSARY NOISE. It shall be unlawful to operate a vehicle which makes unusually loud or unnecessary noise.

Section 8. MUFFLER REQUIRED. No vehicle shall be operated upon any roadway unless the same is provided with a muffler which is in efficient and actual working condition, and the same use of a cut-out is prohibited.

Section 9. RATE OF SPEED WITHIN CITY LIMITS. Any operator of a vehicle on a roadway shall operate the same at a careful and prudent speed not greater than is reasonable and proper, having due regard to the traffic, surface and width of the roadway and of any other conditions then existing, and no operator shall drive any vehicle upon a roadway at such speed as to endanger the life, limb, or property of any person. Rates of speed in excess of the following are "prima facie" evidence of violation of this section.

(a) In the business district 30 miles per hour.

(b) In the residence district 30 miles per hour.

(c) Except that during the hours that school is being held or at such times as the Chief of Police may direct during such hours the following prima facie speed limits hereafter indicated for vehicles are hereby determined and declared to be reasonable and safe; and such speed limits are hereby fixed at the rate of speed indicated for vehicles traveling upon the name streets and highways and parts thereof, described as follows:

(1) On Main Street from 8th Street to 10th Street, 20 miles per hour;

(2) On Eleventh Street from Euclid Avenue to Cleveland Avenue, 20 miles per hour;

(3) On Euclid Avenue from 8th Street to 11th Street 20 miles per hour.

(4) On Cleveland Avenue from 8th Street to 11th Street, 20 miles per hour;

(5) On 8th Street from Main Street to Summit Avenue, 20 miles per hour;

Section 10. RECKLESS DRIVING. (a) It shall be unlawful for any person to drive any vehicle upon a roadway in a reckless or negligent manner or in willful or wanton disregard of the rights or safety of others, or without due caution or circumspection and at a speed or in a manner so as to endanger or be likely to endanger any person or property.

Section 11. No person shall drive or operate any vehicle over or across any unprotected fire hose.

Section 12. No person shall park or have any vehicle, apparatus, implement, thing or object within fifteen (15) feet of any fire plug, or hitch any team, animal or apparatus to such fire plug for any reason whatsoever.

CHIEFS WIN, 12-8

Friona - Morton Fans Saw Wild Quarter

If any fans got to the Friona-Morton game a bit late last week, or maybe had to go for coffee at the middle of the first quarter, they missed practically the complete game in a certain three minute, 51-second period.

All that happened in those less than four minutes were three touchdowns, (one a 56-yarder and one a 95-yard kickoff return), a recovered on-sides kickoff, a recovered fumble after a kickoff (both Friona), a punt by a Friona kicker to the Morton two yard line, and a high snap from center by Morton fourth down which gave Friona the ball first-and-goal at the two.

Adding to the zany going-on, and climaxing the wildest four-minute spell you could imagine was a point-after kick attempt by Friona's Ted Renner, which squarely hit the crossbar and bounced back on to the field of play.

Starting the hectic train of events was an intercepted pass by Morton. On the third play from scrimmage, Morton's Donnie Harvey, speedy Negro tailback, burst into the open and sped 56 yards for a touchdown.

The Indians' outstanding fullback, Tommy Waters, ran for two points, and the hosts led, 8-0, with 3:15 gone in the game.

It didn't stay that way long. Renner bobbled the kickoff, went back to the five yard line to get it, and headed to the left sideline. Spotting an open field, he quickly sped up the sideline, 95 yards for the touchdown.

Friona had two attempts at a two-point conversion, as Morton twice jumped off-sides, but couldn't punch the ball across, leaving the scored 8-6, Morton.

On the ensuing kickoff, the ball went off Renner's feet to the left, and before a Morton player could get to it, Bobby Jordan had covered it at the Indian 40-yard line. Friona

made just four yards in three plays, and elected to punt.

The kick was killed at the Morton two, and the Indians were in a hole. Three plays found Morton at the 11, and forced to punt. The snap was high, and the Morton kicker was downed at the two, where Friona took over.

From here, Jordan went over on the first attempt. This was the point-after kick which hit the crossbar, leaving the score Friona 12, Morton 8, which turned out to be the final.

The fast pace wasn't over, as the Morton lad returning the kickoff fumbled, and Friona recovered it at the Indian 31. However, this time the Chiefs couldn't cash in on the break, and relinquished the ball at the 35 four plays later.

Friona threatened to score two other times during the first half. After a pass interception by

Ray Lynn Murphree, Friona drove to the Morton 24. Here, a touchdown run by halfback Eddie Barker, was nullified by an offside against Friona.

Later in the half, the Chiefs again came into possession. Using time outs, Friona worked the ball to the Morton eight, but their drive stalled, and a field goal attempt with 41 seconds left in the half was wide.

Friona's defense experienced a rugged test during the second half, as Morton had the ball 23 of the 26 plays of the third quarter.

The Chiefs stopped one Morton drive at their own 13-yard line, and four plays later, Renner was forced to punt from his own 19, against the wind. The Friona kicker, who earlier had a 52-yarder with the wind, sailed a good one 41 yards downfield, getting the Chiefs out of a jam.

Morton had one last threat, marching steadily to the Friona 23-yard line. Here the drive stalled, and two passes fell incomplete and Friona took over with 3:24 left in the game.

Jordan gave the Chiefs field position with a 29-yard scamper. Renner then sewed things up with a first down run to the Morton 35, as the Indians were using up their time outs to halt the clock. Four more plays left Friona shy of a first down at the Morton 31, but the clock ran out before the Indians could get off a play.

Morton, by dominating play in the second half, led in the game's statistics, with 13 first downs to Friona's seven, and led in total yardage, 251 to 181. However, Friona's defense stiffened inside the 20-yard line at the critical points.

While the Thursday shower kinda called a halt to carnival activities, it got the farmers "caught up", so that they could come in for the rest of the weekend events, and didn't have to feel guilty.

This wasn't on the schedule but it worked out pretty well.

Our annual football contest is underway, and we've had record numbers of entries both weeks. A word of caution, though. We've had to disqualify some entries because they were filled out in another person's name.

Don't fill out an entry in your wife's, father's, or brother's (etc) name. It isn't fair to the other 200 or so contestants. Like the rules say -- just one entry per person -- and that one needs to be yours.

A misconception we've found regarding the contest is the thought that if one didn't enter the first week, they couldn't enter later in the contest. This isn't so -- although to win a grand prize, it helps to enter every week.

For the third year in a row, grain sorghum yields on the Stiles Farm Foundation, Thrall, have been increased. Average per acre yield this year on 683 acres, reported Texas A&M University Dean of Agriculture R.E. Patterson, was 3,983 pounds. Yields in 1964 averaged 3,285 pounds and in 1965

3,555 pounds per acre. He credits the increases to the 3-year rotation of grain sorghum small grains and cotton standard on the Foundation Farm; to use a adapted hybrids; weed control; fertilization based on soil tests and the overall good management followed by Farm Manager Calvin Rinn.

Homemakers are going to be seeing the name of "Olefin," on many new materials now and in the future. This is the newest fiber and it's future looks bright. Some problems in coloring are yet to be overcome. Some of the uses and the major usages is in carpeting for both indoor and outdoor use, also in other types of merchandise as men's ties, ladies underwear, rope, twine, place mats, hosiery, bedspreads and carpet backing are a few. Some plus features of this new product are strength and toughness, elasticity, light weight, mildew and moth resistance. In spot resistance it excels. It is claimed that even ink, lipstick and grease are easily removed from the "Olefins" -- this has encouraged its use for carpeting in the kitchen. Watch That Label Though--

Care procedure must be followed, as is the case in all merchandise with various fibers. Food Prices and the Consumer - So some of you often wonder why food prices seem to go up and get higher every year? The most obvious answer is that there are more and more people every year. Another thing is there is more money to spend -- so we are buying higher value food--more meat, cheese and fewer cereals. Another answer is we are eating out more. The increase spending in restaurants has soared off the graph, and when we eat out we spend more for services than we do for food. Today's young homemakers do not realize that convenience foods really are added service too.

SMOKE ODOR SPOOKS DEER—Alcohol and gunpowder don't mix. So if you hunt, don't drink or smoke. Remember the wind can carry the cigarette, cigar or pipe smoke odor to the deer and spook that big buck before he steps into the clearing. If the barometric pressure is low, the smoke will cling close to the ground and the odor will carry a long distance. *** **PEBBLE KEEPS MOUTH MOIST**—If you're hiking with a dry canteen, here's a tip that will help you last until the next waterhole. Put a small stone or button in your mouth and you'll find you won't be quite so dry.

Dr. Rex Johnston Is New College Dean

Christian College of the Southwest after four years in temporary facilities, has begun construction of a 117 acre campus at Barnes Bridge Road and U.S. 67 in the Dallas East area. The first building, an Academic-Administration complex is planned for an enrollment of 300-400 students in freshman and sophomore courses. An air conditioned dormitory housing 160 students with cafeteria facilities is the next planned construction.

Dr. Rex Johnston, a former teacher in the Friona schools, is the dean and William Kirk is the president. Dr. Johnston's wife is the former Estelle Welch. Since the Johnstons left Friona, he has taught in several colleges and in the past few years has been of the administrative staff of Northeastern Institute of Christian Education, Villanova, Pennsylvania and Pepperdine Christian College, Los Angeles, California.

Dr. and Mrs. Johnston and their children, Mark and Jill, have recently moved from Los Angeles to Dallas. Methods adopted from flycasting purists or top water bass addicts will work equally well. When a sudden strike on a four-inch-long bass lure produces a five-inch bream, it's time to give credit to the "sporting" qualities of these fish, say the boys at Mercury. The next time you are ignored by your favorite species switch over to panfish for action, and take home a mess of good eating

Exodus College Students, Spring Graduates Enroll

The majority of the 1966 graduates of Friona High School have already enrolled in colleges in Texas, New Mexico, Oklahoma, and Colorado. Possibly a few others will enroll later this month.

West Texas State University, Canyon, proved to be the most popular with members of the spring graduating class. Those enrolling for freshmen classes there are Johnny Claborn, Brian Evans, Terry Fite, Willie Grace Grubbs, Larry Johnson, Eldon Long, Judy Phipps, Howard Rhodes, Mary Ann Roberts, Connie Schlenker, Jesse Shirley and Janet Stevick.

Also Steven Wagner, Gay Wylie and Sherri Tannahill, Sherri also has two older brothers who attend W.T. They are Craig, who is a senior majoring in biology and Chris, a sophomore agriculture major.

Merylene Massie and Keith Taylor also attend West Texas.

Those attending Texas Tech are Sandra Beene, Madalyn Binger, Bing Bingham, Travis Graves, Phillip Johnson, Gail McClothin, Roger Nelson, Linda Outland, Janet Rushing, Tommy Shirley, Pat Taylor, and Rex Wells.

Upper classmen who are graduates of Friona High School who are presently attending Tech include Tom Gee, Kay McBroom, Julia Dennis, Jim Sneed, Eric V. Rushing, David Lee Carson, Carolyn Herring, Mickey Wilson, Lynn Phipps, Ronnie Brookfield, Judy Taylor Collier, Tex Phipps, Carol Ray and Shirley Phipps. Four members of the class

have enrolled at Lubbock Christian College. They are Scott Cummings, Mike Fallwell, Frieda Floyd and Darlene Wilson. Frionans in the sophomore class there are Sharon Dean, Carol Struve and John Taylor.

Jay Beene, Mary Short and Dwight Whitaker are attending North Texas University, Denton.

Other members of the class in Denton are Carolyn Hamilton and Sarah Ann Fallwell, who are attending Texas Women's University, Denton. Upperclassmen there include Kay Johnson and Betsy and Lynn Frye.

Freshmen students at Abilene Christian College who were members of the class are Gary Shackelford and Monte Sue Welch, Diana Taylor Tutor, Nan Lillard and Charlotte Nettles represent Friona High School as upperclassmen.

Marie Short and Janis Gogans are freshmen at Eastern New Mexico University, Portales. Gary Renner and Karen Osborn are upper classmen in the same school.

Upper classmen at Wayland Baptist College, Plainview, include Ann Prewett, Dennis Howell, Joey Taylor, Glenda McClellan, Danny Murphree and Robert Allen Stewart.

Courtney Owen and Kim Buske attend the University of Texas, Austin, as does Susan Price. Kim is a 1965 graduate of Friona High School and Miss Price is a 1966 graduate of Plainview High School. Her parents, Rev. and Mrs. James Price, moved to Friona in the summer. Bobby Sims is a freshman

at San Angelo College, San Angelo, and Jackie Clark is a sophomore.

Eugene Weatherly has enrolled at Ranger Junior College, Ranger; Ray Gene Braxton is attending Oklahoma State University, Norman Oklahoma, and Myrtle Latham is a freshman at Stephen F. Austin College, Nacogdoches, Texas.

Janet Bishop has enrolled at South Plains Junior College, Levelland. Other Frionans enrolled there are Gary Hand and Ronnie Atwey. Joe Mabry has entered Oklahoma State Tech, Okmulgee. Other local students attending this school include Doyle Mabry and Tom Shelton.

Jay Turner and Byron Brewer, both spring graduates of New Mexico Military Institute, Roswell, are former members of the class. Jay is attending East Texas State University, Commerce and Byron is attending Texas Tech.

Danny Black is a junior at Lamar Tech, Beaumont, and Keith Black is a sophomore at LeTourneau College, Longview. Lois Moyer and Patsy Hough are both upper classmen at Hardip-Simmons, Abilene.

The Texas Highway Department, with 840 thousand acres of right of way to care for, is the state's biggest landscape gardener. Efforts started 30 years ago now beautify Texas road-sides. Plantings subtly call attention to potential roadside hazards and retard erosion.

Society

Hannah Circle

Friona Woman's Club Has Initial Meeting

The initial meeting of Friona Woman's Club at Federated Club House Wednesday afternoon began with a tea. The invocation was directed by Mrs. Malinda Schlenker.

Mrs. U.S. Akens, president, called the business meeting to order. Mrs. Joe Moyer served as secretary pro tem in the absence of Mrs. O.T. Patterson. Committee reports were given and a motion carried to

contribute \$50 to the clubhouse upkeep fund.

In her president's message, Mrs. Akens, pledged to carry on work started by presidents before her. One new member, Mrs. Ada Adams, was present. Roll call was answered by a report on an interesting happening during the summer.

The meeting was closed with repetition of the club collect in unison.

Instant Potatoes Curried And Curled

Everyday foods — potatoes, perhaps — challenge an inventive cook the most. To aid her adventure the Borden Kitchen created this Curried Potato-Mushroom Casserole with all the convenience and low-cost of instant whipped potatoes, always ready-to-use cottage cheese and canned mushrooms. On the side: flaky hot rolls.

Curried Potato-Mushroom Casserole

- (Makes 4 to 6 servings)
- | | |
|---|--------------------|
| 1/4 cup PLUS 2 tablespoons butter, or new Danish margarine | 1/4 cup dry sherry |
| 1-1/2 cups (three 4-oz. cans) fancy sliced button mushrooms, well drained | 1 teaspoon salt |
| 1 cup very thinly sliced onions | Dash black pepper |
| 1/3 cup flour | |
| 1 cup (8-oz. pkg.) small curd creamed cottage cheese | |
| 1/4 cup chopped parsley | |
- Curried Potatoes:**
- | | |
|---|---------------------------|
| 1 cup water | 1/2 teaspoon salt |
| 1/2 cup homogenized milk | 1/2 teaspoon curry powder |
| 1-1/4 cups (one section of 4-1/8-oz. box) Borden's instant whipped potatoes, (dry flakes) | |

In a heavy skillet, melt 1/4 cup butter or margarine over low heat. Add mushrooms and onions; sauté 10 minutes, or until tender. Stir in flour. Add cottage cheese, parsley, sherry, salt and pepper; mix well. Turn mixture into an ungreased 9-inch square or oval casserole. In a medium-size saucepan, combine water, salt and remaining butter or margarine; bring to a boil. Remove from heat; stir in milk and curry powder. Add potato flakes; stir gently until flakes are soft and moist. Beat briskly with a fork or wire whisk. With decorating bag, pipe potatoes over top and around sides of mushroom casserole. Place under broiler (about 6-inches from flame) 5 minutes, or until potatoes are lightly browned. Serve immediately.

Son Added To Smith Family

Monte Wade is the name Mr. and Mrs. Shirley Smith chose for their newly adopted baby boy. He was born September 2 and weighed 8 lbs., 10 ozs. Monte has two older sisters, Shirley Lynn, 15, and Tamara Kay, 3.

His grandparents are Mr. and Mrs. W.G. Shair, Skellytown, Texas and Mrs. Ola Smith, Portales, New Mexico.

Daughter Born To Tatum

Mr. and Mrs. Tommy Tatum of the Black Community became parents of a baby girl at 3:15 a.m. Sunday, September 18. She was named Wendolyn Ann and weighed 6 lbs., 9 ozs.

She is the first child for the couple. Grandparents are Gwin Taylor and Mr. and Mrs. Ellis Tatum, Friona. Mrs. Lee Tatum, Santa Anna, Texas, Mr. and Mrs. S. Taylor, Elida, and Mrs. Gertrude McClesky, Abilene, are great-grandparents.

Second Daughter Born To Dixons

Mr. and Mrs. Jim Dixon of the Rhea Community became parents of a baby girl at 7:30 a.m. Monday, September 19 at Farmer County Community Hospital. She was Mill Janelle and weighed 8 lbs., 4 ozs.

She is the second daughter for the couple. Older children are Melodi, 7, and Milton, 4.

Grandparents are Mr. and Mrs. C.W. Dixon, Friona, and Mr. and Mrs. Vernon E. Collier, Wildorado.

One of the nicest things about Maize Days is the pleasure one derives from visiting with neighbors and friends, present and former. Saturday at noon a large number of former residents were with us.

It is always good to see the Buddy Squires family from Amarillo. It seems the only difference you can see in them from year to year is that the boys are growing up. Their oldest son, Larry, is a sophomore at West Texas this fall. Buddy and Phyllis look the same as always. They have lived at the same address for several years and are always anxious for Friona friends to visit them.

The Dillie Kelleys were also here. They live in Hereford now. He is business manager of the public schools and she is teaching on a temporary basis. Even though she agreed to teach on that basis, I'm sure when the administration learns of her superior abilities she will be teaching on a permanent basis.

In this age of "spray can magic" you hear so much complaint from masculine members of families about being unable to find "my deodorant," my shaving cream, etc., that it seems to me that some manufacturer would come to their rescue.

What would be more convenient than to have all the spray cans for men designed without side covers of some kind of felt or like material?

If a man's deodorant was in a can that felt different, you would never hear of the man of the house coming out of the bathroom unable to put his arms down to his sides because he had inadvertently picked up the hair spray or spray starch. Thus would even make attractive television commercials. The announcer could say or sing, "You can not only see and smell the difference you can feel the difference from the time you first pick up the can."

Charles Beaton was here from Willcox, Arizona, and Lee and Gertrude Renner were from the same place. Bill and Mary Sheehan and their children from Dumas were also here.

It is good to have Clayton and Maydell Taylor living in our vicinity again. They lived in the Channing-Dumas area several years, but have moved out northwest of town.

Their oldest son, Joey, is attending Wayland Baptist Col-

lege, Plainview. Twin sons have been added to the family since they moved away and they are real live wires.

Mr. and Mrs. Jack Drye and their son, also from Hereford, were here too. He is a former employee of Friona Consumers and is now employed by the school system and is enjoying working with Mr. Kelley.

Jay and Phyllis Sanders of Seymour were here greeting old friends. The absence of their former home just east of City Hall was probably more noticeable to them than to those who live here and have become adjusted to seeing a grassy plot where the Sanders home was for so many years.

Our good friends out at KNNN might be interested in knowing Friona's station has been picked up as far away as Liberal, Kansas. Recently Marian O'Brian Larke of Los Angeles, California, was driving in that vicinity and flipped the switch on her radio... "just to see what I could hear."

In relating the event to her sister, Julia Fairchild, she said, "You can never even imagine the feeling that came over me when the announcer said, this is Neva Raybon of KNNN, Friona, Texas."

Marian lived here a number of years ago and knew Neva personally. However, she doesn't read the Friona Star regularly nor listen to KNNN, so didn't know Neva was employed by the local radio station.

RUMAGE! RUMAGE! RUMAGE! Who's got rumage to contribute to a worthy cause? A sale has been planned by members of Girl Scout Troop 268. The building formerly occupied by Houser's Grocery and Market will be the location. Anyone desiring to contribute used clothing, dishes, books or other saleable items is asked to contact Mrs. Paul Spring, Mrs. Louis Welch, Mrs. C.L. Vestal, or Mrs. Glenn Floyd as soon as possible.

A vacation is a succession of 2's. It consists of 2 weeks, which are 2 short. Afterwards, you are 2 tired to return 2 work, and 2 broke not 2.

When a bit of kindness hits ye After passing on a cloud, When a bit of laughter gets ye An' yer spine is feeling proud Don't forget to up and fling it At someone who's feeling blue For the moment that ye sling it, It's a boomerang to you.

Soap Kettles Are Gone Forever

Less than 100 years ago, many American housewives were still making soap by saving their cooking fats, boiling them in kettles on the stove and then mixing them with potash.

Since those "good old days," various refinements have made soap easier to obtain and more pleasant to use. But there were no real improvements in soap's effectiveness until 1948, when Dial with AT-7 revolutionized the soap industry. This was the first soap to effectively reduce odor and infection-causing bacteria.

From the harsh product that was cooked on the back of the stove, soapmaking today has become a science, and mild soap with AT-7 benefits beauty, health, and grooming.
