"TEXAS' LAST FRONTIER"

VOLUME IX.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, APRIL 1, 1948.

NUMBER 5.

PLANS FOR CONSTRUCTION OF COUNTY ROADS BEING MADE UP

The plans and surveys for the construction of the County Highways are being made up at the present time. The center line for highways are marked with the caps, which are nailed to the ground each 100 feet. A margin of 40 feet will be left on each side of the bottle caps for the construction of the highway. These do not build any fences or other object within this limit. The space will be left for the right-of-way for the proposed highways to be made this year.

The present old roads are not necessarily graded on the proper slope and league lines, therefore, the bottle caps will not be in the center of the old roads. These caps get off of their original grade as they are regraded from year to year.

Your cooperation in this matter will be appreciated very much.

New Officers For Chamber of Commerce Announced At Regular Meet

Names of new officers for Morton Chamber of Commerce were announced at the regular meeting held in the county court room on March 9. They are: James St. Clair, president; Lloyd Evans, vice-president; Raymond Ross, treasurer and Roy Hickman, secretary.

Directors include the officers as well as Roy Allsup, Earl Crum, Lloyd Evans, Willie McCulloch, J. B. Evans, J. W. McDermott, J. E. Abbe and Tom Arnn.

W. W. Williamson is director of West Texas Chamber of Commerce. Tentative plans for the annual Chamber of Commerce banquet were made during a business session. Banquet committee appointments are composed of the following: J. W. McDermott, Raymond Ross and W. W. Williamson. They will report to the C of C at the next meeting on Monday, April 12, eight o'clock in the county court room.

Wayland College Choir Of 94 Voices Appearing In Concert Here April 9

Wayland College Choir of Plainview, Texas will appear in concert here at the high school auditorium on Friday, April 9.

There will be an afternoon and evening performance. Matinee scheduled to start promptly at 2:45 and the evening performance at eight o'clock.

The well known and popular choir is composed of 94 voices. They offer a varied program of musical entertainment and are one of the most sought after choral clubs in the Plains area.

The concert here is being sponsored by the Morton Lions Club. Proceeds from the two concerts will benefit the Morton Parent Teachers Association and Lions Club.

A cordial invitation is extended by both organizations as well as the choir to the general public to attend this concert.

34,247 Bales Of Cotton Ginned In County In 1947

Thirty times as many bales of cotton were ginned in Cochran county from the 1947 crop as compared with the previous year, according to W. W. Smith, special agent for the Department of Commerce Bureau of the Census.

The crop of 1946 produced 1,023 bales and the 1947 crop totaled 34,247 bales ginned before March 15th.

The increase in the number of bales from last year's crop was due to more acreage and more production per acre. The drought of 1946 prevented some gins in the county from turning their stands. The cotton acreage for the county is expected to be greater this year than any time in the past.

MISS ADDIE SELF is visiting her sister in Dumas, Texas.

Morton Seniors To Present Class Play April 1 and 2

The Senior Class of Morton will present their class play, "High Pressure Homer," two nights, April 1 and 2, in the high school auditorium.

The three act comedy is being presented twice to accommodate the large crowd that is expected and as a convenience to those who cannot attend the first performance.

The cast includes Jimmie Willis as Homer Hampton Haywood, a man with some rare ideas; Mrs. Woodruff played by Grace Ann Hawkins; Mr. Woodruff, Bobby Cook; Boots Woodruff, Jo Ann Lackey; Junior Woodruff, Robert Yearly; Mrs. Taylor, Vanna Lea Williams; Bunny Taylor, Dona Fred; Aunt Cora, Ovela Nesbitt; Arlene Woodruff, Virginia Lea Dougherty; Wade Wainwright, Merle Monroe; Zenith, Jean Lackey and Chetwynde Cluett, Jug Hill.

The play was chosen with a view to audience interest as well as offering an opportunity for the cast to show their ability in acting. An evening of delightful entertainment is assured so make your plans to attend one of the performances.

Large Crowd Expected For Morton's First Dollar Day Monday, April 5th.

A large crowd is expected to be in Morton, Monday, April 5 for the first dollar day ever to be held here.

Two firms, Cobb's and St. Clair's Department Stores are offering special bargains for the day. If the initial dollar day attracts enough buyers from this trade area other merchants will probably offer specials on the first Monday of each month.

Both Cobb's and St. Clair's have a variety of merchandise offered at reduced prices for dollar day.

Fort-Mansfield To Rope At Levelland April 4

All set for the world's championship match calf roping event in Levelland Rodeo Arena Sunday afternoon at 2:00 o'clock will be Troy Fort of Lovington, N. M., current titleholder and Toots Mansfield of Big Spring, leading contender for the crown.

The two outstanding calf ropers will rope and tie twelve tough brahma calves in a time event. Mansfield defeated Fort there Aug. 11, 1946, and Fort had the best time over Mansfield in the same arena March 23, 1947.

Besides the main event, a number of leading cowboys over the country will enter brahma bull riding and jackpot roping events. Already entered in the brahma bull riding are Spec Tipton and Bud Hull.

A dance sponsored by the Levelland Rodeo Association, will be held in the R. D. McDonald building on North East Avenue Saturday night beginning at 9:00 o'clock.

J. W. McDermott is the only out of town director

Morton Boy Scouts To Take Overnight Camp Trip Sat.

Morton Boy Scouts will take an overnight camping trip this Saturday night. Scout leaders, announced Wednesday.

All Boy Scouts are invited; each must take full camping equipment. Camp headquarters will be at the old Scrapeout Ranch.

Scouts will be accompanied on the trip by Bob Dunham, Lloyd Allsup and T. K. Williamson.

Election Of City Officials Slated For Tues., April 6

City officials for Morton will be elected April 6, with balloting in the City Hall.

Mayor, city judge and two commissioners will be chosen in Tuesday's election. Absentee voting will be permitted up to three days before the election, which includes all of this week.

B. H. Odom And Sons Buy Boy's Service Station

B. H. Odom and sons have bought the Boy's Service Station, located on the southwest corner of the square.

They invite both old and new customers to trade with them and promise to give good service in car washing and greasing. They vacuum clean all car interiors with the new Air-Way Sanitizer. Odom also has the Air-Way Sanitizer Vacuum sweeper for sale.

Mr. Odom moved to Morton in February from the Pep community where he has been farming. He and five of his six children live in west part of town in a house bought from Carl Williams. Four of the children are in school here.

Unlawful To Mail Chain Postals In U. S. Mails

Chain postal cards cannot be lawfully mailed in the U. S. Mails, according to an announcement by postmaster Walter L. Taylor.

Quoting from the March 25 issue of the Postal Bulletin, "In 3 days make 6 copies of this card leaving off the first name and adding yours to the bottom. Mail to friends. Send top name 1 tea towel. Please do not fail to do this. You will receive 36 towels when your name gets to the top. It's fun to see why they come from. Pin your name on the towel you send."

Participation in such schemes is unlawful. It is also unlawful to send chain postal cards involving prayers which contain a threat of bad luck to those breaking the chain. Chain letters are not prohibited from the mails providing they do not contain false statements intending to defraud.

COCHRAN COUNTY FARM BUREAU DRIVE NETS 129 NEW MEMBERS

The Cochran County Farm Bureau membership drive contest ended March 24, with a total of 129 new members signed.

Three teams secured all but six of the total new members. Gene Thompson and Farmer signed 69 members, Weaver and Harris, 35, and Evans and Webb, 19. In addition to the teams, Lindsey brought in two members, Benham 1, Glenn Thompson 2, and one other by an unknown worker. At present there are 230 members of the Farm Bureau in the county. This is slightly more than one third of the farmers in the county, according to Gene Thompson, chairman of the Bureau.

The drive for membership will continue. One farmer out of three now belongs to an organization with a fixed purpose; beneficial farm legislation. The remaining two-thirds could strengthen the Bureau in its efforts to aid farmers by learning the purpose of the organization and joining.

Charges Filed On Hedge-Hopping Airplane Flyer

Charges have been filed against the hedge-hopping flyer who buzzed the town Wednesday, March 24, according to Sheriff Hancock.

The offending pilot was from out of town and Earl Crum, local pilot, was not guilty in any manner, said Hancock. Earl had been suspected of being at the controls of the plane that swooped low enough to drive carpenters from the roof of buildings where they were working and force cars off the road.

The Civil Aeronautics Authority prescribes rules and regulations that pilots must observe to hold their license. One of the most rigid rules is that a minimum altitude be maintained over towns and over open terrain.

Recklessness in flying is as dangerous as recklessness in driving an automobile and adequate laws exist for punishing violators.

Body Of Max Kersey Enroute Home From France

The body of Max Kersey, who was killed in action October 18, 1944 is enroute home from France, according to a telegram received by his parents, Mr. and Mrs. G. D. Kersey, this week.

The Kersey family now live in Muleshoe - but formerly lived here.

Funeral services will be held in Morton, time and date to be announced when more detailed information is available.

Large Number Of Spectators Attend Plane Showing

A large crowd of spectators and potential members were on hand at the demonstration of a training plane at the local airport Sunday.

Roy Neil, Piper Cub distributor from Lubbock, brought two planes to Morton for the occasion. Most of the future members were given a demonstration ride by Mr. Neil, Earl Crum and R. D. Ormand.

A new Piper Cub trainer has been ordered on the strength of the membership quota being almost filled. Members signed to date are Merlin Roberts, Ralph Yearly, Glenn Thompson, Lloyd Allsup, Joe Rowell, Johnnie W. Johnson, Tom Arnn, Ruel and Gene Kelley, Dr. Louis N. Podesta, Rev. W. C. Wright and Tubby Holloman.

A meeting of the flight club members will be held tonight at 8:00 o'clock for the purpose of reviewing rules and regulations and electing officers. The new plane will be delivered within a few days.

Both Crum and Ormand are licensed instructors and further information regarding the flight club can be obtained from either of these men.

Morton Schools and County Trustees To Be Elected Saturday, April 3rd.

Saturday is election day for the two new trustees for the Morton schools and three county trustees.

Polls will be open from 8:00 a. m. to 7:00 p. m. in the high school building. The election will be under the supervision of J. L. Winder, election judge and Gene Huggins and Virgil Riley as election officers.

Qualification for voting in the election requires residence in the state a year, in the county six months and in the school district 30 days.

Two county trustees will be chosen in the same with the two trustees for the Morton Independent school district. One trustee for the county-at-large will be chosen also. Morton and Whiteface districts will elect the county trustees from their districts. Two years from now Bledsoe and Neely Ward will elect county trustees from their district.

Election will be held at the other schools throughout the county on the same day. All qualified voters are urged to go to the polls and show an active interest in their schools.

Whiteface Boys Win Top Place at Amateur Show

Two Whiteface boys, Joe McKay and Bobby Stegall, took top honors in the Amateur Night program sponsored by the Wallace Theatre of Morton Tuesday night. The boys presented three numbers: "The Prisoner's Song", played on a steel guitar and accompanied by a standard guitar. Joe sang two numbers "Molly Darling" and "Rocking Along in an Old Rocking Chair."

Second prize went to the Morrison Brothers of Sundown, known as the South Plains Entertainers. This group sang "Blue Steel Blues," "Ragtime Annie" and their own composition "Heaven's Bouquet." Helen Kelley, Morton, sang, "I Wonder, I Wonder," and Lois McClelland sang "Molly Darling."

Due to other entertainment scheduled for next Tuesday night, the original date for the second Amateur Night, the date has been changed to Monday night, April 5.

Winners of the second event will go to Levelland for the finals April 13. This event will be broadcast over KSEL, Lubbock, and a substantial cash prize will be awarded the leading contestant.

Everyone interested in participating in the Amateur Night show next Monday is invited to enter.

Cotton Marketing Specialist To Be In Cochran County Three Days In April

Mr. M. C. Jaynes, Cotton Marketing Specialist, Extension Service College Station, Texas will be in Cochran county 3 days, April 6, 7, and 8. The purpose of his visit will be to estimate the possibilities of the cotton Marketing Service for Cochran county farmers.

Mr. Jaynes will work closely with Homer E. Thompson, County Agent of Cochran County. A small meeting will be held with a few leading farmers to ascertain the kind of cotton marketing service program that they may think feasible and one which they think will operate in the county. Following this meeting a program will be worked up for presentation to all cotton growers of Cochran county to see if they really want this kind of service.

If the program is desired a temporary board of directors will be solicited to handle the initial detail steps of organization. When the machinery is made to set in motion for this program a permanent board of directors made up of only cotton farmers will be elected by the cotton farmers.

The "Family Party", E. L. Banks Company's entertainment fete, was presented to a crowd of 400 in the local high school auditorium Monday night.

The stage troupe, road company of the Empire Entertaining Agency of Denver, presented almost two hours of outstanding entertainment. High individual praise went to Patty Ross, the company's star acrobatic dancer. Members of the audience said they had never witnessed better dancing of this type.

In addition to the stage show, movies of special interest to farmers were shown.

The stage entertainers will return to Cochran county April 6 at the formal opening of H. G. Griffith's International, in Bledsoe.

mers for the management of this service.

A definite date as to the meeting of cotton farmers has not been determined but individual notices will be mailed to cotton farmers when the date has been set advises County Agent Homer E. Thompson.

Production Tests Expected On F. O. Masten Well

Production tests are expected this week on the Atlantic Refining company's No. 1-B F. O. Masten wildcat, located sixteen miles southwest of Morton.

Drilling has reached the 5,000 ft. level and was going deeper. This test well is one quarter from a pumper and in an unproven area.

Ralph Lowe, No. 1 Wright, nine miles south and west of Whiteface, 440 feet from south and west lines of labor 25, league 95, Mills county school land survey has gone below 4,000 ft. and is boring ahead in anhydrite and lime.

Roy A. Albaugh No. 3 Allie D. Slaughter, east central Cochran county on the edge of the Levelland field, 440 feet from south and west lines of labor 5, league 84, Shackelford county school land survey, drilled to 4,835 but was plugged and cased back to the pay level of 4,800 feet. The well has been treated with 8,000 gallons of acid and was being swabbed for test. It is expected to be a producer.

Two Local Boys Took Top Honors In District Show

Two local boys, Leroy Wilson and Melton Jennings, took top honors with their gilts in the recent Littlefield district show.

Wilson won first place in the Duroc breed gilt section and was declared the grand championship winner.

Jennings won first honors in the open gilt section with his New Hampshire gilt. His animal was declared the reserve champion.

The show was sponsored by the Chamber of Commerce of Littlefield and was open to 4-H Club boys and Future Farmers.

Legion Auxiliary Meeting Slated Thursday Night

The American Legion Auxiliary will meet at 8 p. m. Thursday (tonight) at Veterans Hall.

Mrs. Jim Gast, president, requests that all members attend. Plans will be made for the annual Pan-American Fiesta.

W. W. SHIELDS MOVE BACK TO MORTON FROM DUMAS

Mr. and Mrs. W. W. Shields have moved back to Morton from Dumas, Texas, where they have been living for several months. Her father, G. G. Nesbitt went up with them earlier this week to help them move.

Lions Quizzed On "Texas" At Meet Held Wednesday

A quizz on "Texas" constituted the program at the regular meeting of the Lions Club Wednesday. David Todd and Walter L. Taylor were program chairmen; Taylor conducted the quizz.

During the business session the club voted to send a boy to Boy's State this year.

Special guests of the club were honor students Darryl Bowman, 8-2; Helen Hodges, 8-1; Ed Lee Knox, 7-2; Jean Henry, 7-1. Other guests were: Mrs. Carl England and Frank Atkinson, area Scout councillor from Levelland, guests of T. K. Williamson; R. B. Grindstaff, former member of the club now of Ft. Worth, guest of Lloyd Evans; Murray Crone, guest of Walter L. Taylor; Crone, local postal employee, became a member of the club.

Lions Ladies night will be on Thursday night, April 8. There will be no meeting next Wednesday.

Members present were: W. J. Weaks, M. C. Ledbetter, Zeke Sanders, Walter L. Taylor, L. W. Barrett, W. B. Cox, Lloyd Evans, Bob Dunham, T. K. Williamson, Lloyd Allsup, Paul Goodman, Jack Rice, Floyd Smith, L. B. Childs, Carl Ray, R. C. Strickland, Van Greene, Courtney Sanders, David Todd, Hume Russell, Andrew Essary, Roy Hill, J. B. Knox, Alvin Wolfenberger, and Harry LeMaire.

Mr. and Mrs. T. G. Gaddy were honored on their forty-first wedding anniversary by their daughters, Mrs. Tommy Galt and Mrs. Cass Stegall, Wednesday night, March 10.

Whiteface News

WHITEFACE TO HOLD GENERAL CLEAN UP

The next important move in the city of Whiteface is a general clean up of the city to make it both more attractive and give it a better bill of health. No definite date has been set for this clean up, but it is planned that the kick-off will start with a picnic luncheon, at which time clean-up plans will be made known.

The city already has secured a "dumping ground" where the trash and refuse of the city can be disposed of.

Mr. and Mrs. Howard Johnson of Morton, Mr. and Mrs. J. F. Kite and children, Freddie and Karen of Los Angeles, and Mr. and Mrs. G. W. Garrett and children of Whiteface, were guests at a weiner roast at the home of Mr. and Mrs. Gerald Johnson at Morton Wednesday evening of last week.

Mrs. W. S. Brock, Whiteface, was given a go-away shower by Mrs. Jim Casey and Mrs. Melvin Woodruff at the home of Mrs. Brock last week.

Mr. and Mrs. Brock will make their home in Gardena, California, where they can be near their daughter, Mrs. Paul Scott of that city.

Mrs. W. M. Lyons gave an Easter party at her home in Whiteface, Friday afternoon for the benefit of pre-school age children. Eight of these small tots enjoyed the games and refreshments and egg hunt which Mrs. Lyons gave them.

Mrs. Melvin Woodley of Whiteface, who underwent a major operation at Lubbock Memorial Hospital about a week ago was reported Friday that her condition remained critical.

The Whiteface Booster's Club met last week with 71 present. The club meets bi-monthly.

The last meeting was anticipated to work out a plan for a bank in Whiteface, but the two men from Dimmitt, who previously had talked with club members about the advisability of establishing a bank in this city, were unable to attend the meeting.

Mr. and Mrs. F. J. Kite and children, Freddie Jo and Karen, of Los Angeles, California are visiting Mrs. Kite's sister, Mrs. G. W. Garrett and family in Whiteface.

Superintendent of Whiteface high school, Mr. Clemons, was a guest of the Lubbock Lions club at a meeting in Lubbock last week.

Mrs. W. P. Caudle of Whiteface is visiting friends in Sargaton for three or four weeks.

TRAIL DUST

By DOUGLAS MEADOR

Little Man of India, death has written a more sublime eulogy. All that your life was is cut on the deathless bronze of immortality; millions grieve with the weight of this prosaic star on their hearts. Your faith is greater than death; your goodness more lasting than the sun. Your word will live and grow in the heart of India and your work needed no more than its roots planted in soil nourished by your precious life blood. Without fear of life you were prepared for transition into eternity. It is fitting that you should forgive the stupid mortal, the man with blundering animal brain, whose strength was no more than to press a trigger, while yours, with your last breath gone, is enough to shake the world. Meek Little Man of India, even the cold ashes from your pyre are more eloquent than the voices of a million men who will not perceive that words can not be as eternal as to live and die in truth and faith.

No records are kept this side of paradise to verify the assumption that the truly great seldom reach the heights. Many on the peaks have found a secret access in the steep cliffs that guard the upward trail or through some whimsy of fate, have been thrown beyond the barrier. Nor is it recorded the multitudes whose hands almost touch the baluster of security, only to fail, so tired and discouraged they never look upward again. No man's position is so secure that another does not live who can surpass him.

There is little purpose in being successful if you do not appear it, but there can be definite purpose in appearing successful before attaining it. Fitting apparel and a well-groomed appearance have almost the equal strength of education in the race for achievement, however, both are essential. When opportunity knocks she is more susceptible to a man who has managed to keep on speaking terms with his tailor and barber.

Russia evidently has never taken into consideration the attractiveness a bear rug might present on the floor of world peace.

It is not an easy frame of mind to develop but I try to assume the same attitude when a debt is due as possessed me when it was made.

Greatest mistake the fashion designers have made in recent times is packing the "new look" dresses with Cupid's luggage for leap year. Of course it will neither hinder nor advance the primary purpose of millions who keep hearing the pealing of wedding bells in their dreams. Men are oxen with their eyes on distant vistas and never a thought of dead falls beneath their wandering feet.

Love travels far and watches death come to many illusions, then lights little candles of memory on the secret graves, and proceeds.

The flame of selfishness makes the earth sterile within its reach; the seeds of pity die except when they fall on soil moist with compassion.

Kissing the Blarney Stone is reputed to confer a pleasantly flattering tongue to the Irish.

Before he became an evangelist, Billy Sunday was a baseball player.

Connecticut is called the Nutmeg State.

600 Post Holes a Day

Farmers dig post-holes quickly and easily with the hydraulically-operated digger using power from the tractor's power take-off. Even on hills, as farmer Walt Kemppainen shows above, holes are true as the auger acts as a plumb, assuring a vertical drilling position regardless of tractor tilt. The average operator can dig 600 holes in one day.

By George S. Benson, President, Harding College, Searcy, Ark.

TEN MILLION VOTES

If one of the first steps of socialization—government ownership—should come now in this country, ten million voters would be added immediately to the payroll of the federal government. Sounds unbelievable, doesn't it? Ten million voters could make quite a showing on a Tuesday of any November. Mr. Wallace, or any other candidate, could go far with that kind of backing.

There are approximately that many persons employed in the transportation industry in the United States. Transportation would be one of the first industries to be marked for nationalization, in this country as in Britain. This would include waterways, airlines, and possibly our trucks and their drivers. (Note on airlines: the British Overseas Airways Corporation, government owned and operated, is expected to show a \$32 million loss!)

Is This Fantasy?

Even in taking over American railroads, a would-be dictator could get possibly 1,500,000 votes. There are that many people employed by our railroads. Not all of them would vote the party line, at first. That would reduce the number of rail employees somewhat, until replacements were available. Of course, a new and revised form of WPA would be set up to absorb the unemployed. But even a WPA-er can vote. Either way, perhaps, the government would appreciate votes!

Lest we carry this satire too far, I will interrupt by saying that such a mess as the above is not sheer fantasy. It could happen here. The worst thing about it is that the general public, and even many folks in the transportation industry, are unaware of the danger. Yet, economic collapse and consequent government ownership is quite possible. The

nation would not have to go Communist or be conquered by Russia for this to happen.

Socialism, Quickly

The nation must and will have an adequate transportation system. On that all are agreed. The nation could not be secure in this turbulent world without it, nor could we have prosperity and effective commerce without our efficient transportation system. Yet, some of those who are closest to the transportation industry fear that collapse may come. The trouble lies in outmoded forms of Federal regulation. Too much bureaucracy can take us to socialism more quickly than we think.

This setting of the scene for trouble goes back a generation. The nation has compromised on policies so long that the result is a patchwork of rules and regulations that creates as much inefficiency as possible. Over 50 government bureaus are charged with supervising some kind of transportation, with little overall coordination of policy. Actually, in event our common carriers find business no longer profitable, the government is already well prepared to begin the takeover.

Elbow-room!

The trouble is that despite the largest volume of peacetime traffic, too few of our common carriers are able to make enough profit to attract capital to the industry. If nationalization comes in this country, it may well come because private capital has dried up as far as transportation is concerned. Take one example: Capital expenditures anticipated for 1948 on Class I railroads are almost \$140 million more than their estimated net operating income for 1947 of \$750 million.

The problem is this. We must have efficient, low cost transportation, and we must have it the American way. At a time when our railroads, like other forms of transport, are trying desperately to reconstruct themselves after an all-out job in wartime, we can ill afford to shackle them with heavy tax burdens and other financial obstacles that prevent rehabilitation. As the president of one of our largest life insurance companies puts it: "Our railroads need financial elbow-room."

Brownfield To Hold Health Conference

A one-day school health conference will be held in the High School Auditorium at Brownfield, Texas, April 8, 1948. This conference is being sponsored by the School Health Services Division of the State Department of Health in cooperation with the South Plains County Health Unit. The area to be represented in the conference includes Terry, Lynn, Dawson, Gaines, Yoakum, Cochran, Hockley, and Lubbock counties.
 The conference program will open at 9:00 a. m. and close at 3:30 p. m. Vision testing equipment and an audiometer will be used respectively to demonstrate screening methods for visual and hearing difficulties. Literature available from the State Department of Health will be on display. Many health educators and civic officials will participate in the program and a large attendance from this area is expected.

Seniors Of Morton High Honored By WMU Banquet At First Baptist Church

Morton High School Seniors were honored with a banquet by the WMU of First Baptist Church here in the Church recreation room last Friday night. An Easter motif was carried out in the decorations with a huge Easter egg suspended over the table, pastel streamers extended from the egg.

Farmers Might Ruin Land If Salty Water Is Used

A number of farmers outside the already established South Plains "irrigation belt" are in serious danger of ruining their land indefinitely because of high salt content in irrigation water, is a warning sounded by Dr. A. W. Young, head professor of plant industry at Texas Technological College.

A large percentage of water samples from relatively deep wells around Morton and Pecos showed high contents of salts, especially chlorides, carbonates, bicarbonates and sulphates of sodium, according to tests Dr. Young has run recently. He urged all farmers in that area to have chemical analyses run on their irrigation water before using it.

Although this water would probably produce satisfactory crops for two or three years, Dr. Young explained that it will leave heavy deposits of salt on the top soil, making it unfit even for dry farming. Natural rainfall is the only source of water that could then remove the chemical deposits, and that might take as long as 25 to 30 years, he stated.

Places were marked for the seniors, sponsors and guests by memorandum pads and pencils. Mrs. Albert Morrow presided as toastmaster. The invocation was given by Carl Macon. Mrs. W. B. Evans gave the "Welcome." Response was given by Billy Gandy.

A skit entitled "Vision of College Life" was given by a group of high school and college students.

Mori Haritoni, Hawaiian ministerial student at Wayland College, was guest speaker. Mrs. Lindsey gave the benediction.

MISS IONA PURVIS spent the week-end in Littlefield and Lubbock with two of her sisters.

"New Frontiers" To Be General Subject At District PTA Conference In Anson

"New Frontiers" will be the general subject under discussion in the 20th Annual District Conference of Parents and Teachers of District 14, to be held in Anson, Texas, April 14, 15, and 16. Some things that have been planned for the conference are as follows:

Stark Tale Of Vengeance Set In Swank Night Club

Widely acclaimed as a notable addition to the roster of great suspense films, "I Walk Alone," the Hal Wallis production for Paramount starring Burt Lancaster and Elizabeth Scott, showing at the Wallace Theatre April 4 and 5, tells how one man wreaked dramatic vengeance.

Advance reports indicate that "I Walk Alone," a melodrama set against the exciting background of New York night life, is one of the tightest thrillers to grace the screen in a long time.

Treachery, physical violence and inexorable pursuit fill "I Walk Alone" as Burt Lancaster, playing an exbootlegger just released from a long prison stretch, grimly stalks the man for whom he took the rap and who double-crossed him during his imprisonment. Handicapped by the futility of his old gangster methods, Lancaster quickly learns how to cope with modern racketeering technique, which, coupled with his brawn, brings him retribution in a climax that has been hailed as a masterpiece of suspense and excitement.

Dr. R. A. Millikan To Speak At Series Of Lectures

Dr. R. A. Millikan, chairman of the executive council of the California Institute of Technology and among the first eminent scientists to advance the theory that no conflicts exist between religion and science, will be presented by Texas Technological College in a series of lectures on the campus May 2, 3, 4 and 5. Pres. W. M. Whyburn announces.

The first talk is scheduled for 3:30 p. m. May 2, highlighting the Parents' day Recognition day program at the college. Subsequent lectures will be held in the evenings. Among subjects to be discussed by Dr. Millikan are "Two Supreme Elements in Human Progress," and "Man's Place in the Evolutionary Scheme." It is expected that the speaker will devote one program to discussing questions prepared and submitted by members of the audience.

Winner of the Nobel prize in physics, Dr. Millikan also holds other medals and awards from learned societies in the United States, Europe and Asia in recognition of his outstanding achievements.

He is author of numerous technical books and treatises and holds membership in leading professional scientific organizations all over the world.

1st Annual Southwestern Industrial Exposition To Be Held May 30-June 6

Visible proof of the Southwest's sudden industrial expansion, which has resulted in a net gain of more than 100 per cent since 1939, will be seen at the First Annual Southwestern Industrial Exposition to be held in Fort Worth May 30 through June 6. Conceived by Southwestern manufacturers and sponsored by eleven commercial and industrial associations in the states of Arkansas, Louisiana, New Mexico, Oklahoma and Texas, this exposition will afford the first comprehensive evidence that the

Southwest is the fastest growing industrial area in the nation. Need for a display of products made by the more than 10,000 manufacturers in the Southwest is recognized by C. W. Wofford, exposition president, who says "The recent war emergency broke the inertia of manufacturing activity concentrated in the North and East, and caused a gravitation of industry toward areas with the greatest potentialities in terms of raw materials, markets, transportation facilities, and climate."

"The Southwest has received the full benefit of this shift in the center of industrial gravity," Mr. Wofford explains, "and we are fortunate that facilities are available to stage a representative showing of goods produced in this area."

Site of the show will be the \$3,000,000 plant of the Will Rogers Memorial Coliseum and Auditorium grounds. Six new steel and concrete buildings used for the first time during the recent Southwestern Exposition and Fat Stock Show will be available for exhibitors.

In addition to the 230,000 square feet of exhibits, there will be daily amusement features. Purchasing agents and wholesale buyers have expressed interest in the show, which will be open to the public. No admission will be charged.

Texas sponsors of the exposition include the Texas Manufacturers Association, Texas Association of Commerce, West, East, and South Texas Chambers of Commerce, and the Fort Worth Chamber of Commerce. Inquiries may be addressed to Charles E. Lahey, 114 East 8th Street, Fort Worth, manager of the show.

PAT PATTERSON of Sunray, Texas, was here Saturday visiting with friends and relatives.

Read Drug Labels Before Taking States Dr. Cox

AUSTIN—"Too much emphasis cannot be placed upon the need for reading labels on drugs and medicines before taking them," says Dr. Geo. W. Cox, State Health Officer. "Frequent reports are received of accidents, some of them fatal, affecting people who have formed the hazardous habit of taking medicines without carefully reading the labels."

Equally dangerous is the habit of taking medicine after the directions on the label have become obliterated, which many people do, thinking that they can remember what the bottle contained. Reaching for a bottle and taking medicine in the dark is another dangerous practice. It is important to remember that the law requires labels to be attached to drugs and medicines in order to protect the public.

Dr. Cox urges people to follow the simple rule of reading the label before using anything from a carton or bottle, either as food or as medicine. In brief, his advice to the public is: "Be sure you know what you are taking, and when in doubt—Don't Take It."

Son of Mr. and Mrs. A. A. Fralin Married Recently

Mr. and Mrs. W. L. Ingram are announcing the marriage of Miss Shirley Franklin, to Arvie A. Fralin, Jr., son of Mr. and Mrs. A. A. Fralin of Morton, which took place recently at the First Methodist church in Lubbock. Dr. H. I. Robinson pastor of the Lubbock church officiated and Mrs. Mamie I. Neal played the traditional wedding marches and accompanied Mrs. Charles Moeser as she sang "Because" and "I Love You Truly."

Given in marriage by Mr. Ingram, the bride wore a white slipper satin gown styled with a fitted bodice and an imported English lace yoke. Her fingertip veil of illusion fell from a halo of flowers and she carried a white prayer book topped with gardenias and white satin streamers. For something old, she wore a gold bracelet which belonged to her mother and for something borrowed she wore a lavalere belonging to Mrs. Robert A. Sanders, matron of honor.

The attendant wore an ice blue gown identical to the bride's. She wore a shoulder length veil of blue and carried a bouquet of gladioli. Mr. Sanders served as best man and Harvey Tubb and Burel Taylor were ushers.

A reception was given in the Ingram home, 2209 Twenty-ninth street, Lubbock, following the ceremony. Assisting with hospitality were members of the wedding party, parents of the bridegroom and Mrs. D. D. Doyle. The bride's table was laid with a white imported cloth and centered with a two tiered pink wedding cake, surrounded by net and roses. Topping the cake were a miniature bride and bridegroom.

For a wedding trip to San Antonio, the bride wore a charmeen gabargine suit with brown accessories and a gardenia corsage. The couple will make their home in Lubbock where the bridegroom attends Texas Technological college.

Out-of-town guests were Mr. and Mrs. D. L. Ingram, of Clovis, New Mexico. Mrs. Ingram is a sister of Fralin's. Mr. and Mrs. Raymond Evans of Floydada, Mr. and Mrs. Wayne Butler of Littlefield and Mr. and Mrs. Fralin.

FROM ENMC. PORTALES
Snookie Russell, student at ENMC, Portales, New Mexico, was an Easter guest of his mother, Mrs. N. J. Russell, and sisters, Mrs. O. D. Chesshir and Miss Betty Russell.

VISITED THOMPSONS

Mr. and Mrs. D. V. Sherrell and daughter, Sandra Lou of Lubbock spent the week-end here with Mr. and Mrs. Homer E. Thompson and son, Bill Ed.

Sermonette

PEACE BE TO YOU

American these days talk and talk and talk about peace. That is a bad sign. Like health, only those who don't have it worry much about it.

We may fall to thinking that our restless craving for peace is something new, a 20th Century invention. Don't let's be provincial. The history of mankind has been a search for peace. Men have never been able to live long at peace with other men. Perhaps because men cannot live at peace with themselves! Perhaps because men do not live at peace with God!

What answers would a Gallup Poll bet to the question, "What should be done to secure peace?" A conference between Truman and Stalin! Support the Marshall Plan! Outlaw Communism! Destroy Capitalism! As my great aunt Kate would have said—fiddlesticks! Peace to be found here? You don't really think so.

To look at the Old Testament is an old-fashioned thing to do these days— but sometimes to turn the clock back is to set it right. So we might recall the wailings of Jeremiah the prophet, remember! "Alas, alas, alas, O Lord God, hast thou then deceived this people and Jerusalem, saying: You shall have peace? And behold the sword reacheth even to the soul!" Jerusalem did you say, Jeremiah, or was it Washington? And God's answer? For He did reply, and it was short—though I doubt it was sweet to those who heard: "Wash thy heart from wickedness, O Jerusalem, that thou mayest be saved." Isaiah seemed to be of the same school, though he was even quicker to the point, "There is no peace to the wicked, saith the Lord."

The first words of Jesus Christ when He appeared to His Apostles on Easter day were: "Peace be to you!" Was it by accident that He followed this greeting with the promise, "Whose sins you shall forgive, they are forgiven then?" Was it not rather of a pattern with the history of God's dealings with men? Of old it had been said, "Oh, that thou hadst hearkened to my commandments: thy peace had been as a river and thy justice as the waves of the sea." And then comes One who came "not to destroy but to fulfill" and His first act after rising from the grave is to make men instruments for the forgiveness of sins—that there may be peace!

Charity begins at home, they say. So does peace. There is a pattern for peace and the design must follow this order: peace with God, peace with myself, peace with other men. Christ will say to me, "Peace be with you." "God will speak peace unto his people" only after we have been made clean from sin. The two go hand in hand: "Peace be to you." "Whose sins you shall forgive, they are forgiven." May the peace of God rest in your heart.

EDWIN NEUTZLER EXPECTED HOME FROM HOSPITAL

Edwin Neutzler, Maple, is expected home this week-end from St. Mary's hospital, Lubbock.

Edwin was operated on Thursday, March 19, for the removal of a kidney stone. Dr. Fiel, a kidney specialist performed the operation, he was assisted by Dr. W. S. Dove, Chief of Staff at West Plains hospital.

VISITED PARENTS

Hub Cadenhead, student at John Tarleton College, Stephenville, Texas, spent the Easter holidays here with his parents, Mr. and Mrs. Earl Cadenhead.

Anniversary Party Honors Mr. and Mrs. T. G. Gaddy

Mesdames Tommy Galt and Cass Stegall entertained Wednesday night, March 10 in Mrs. Galt's home, with a party in honor of their parents, Mr. and Mrs. T. G. Gaddy on their 41st wedding anniversary.

Her grandsons, Ricky Galt and Frank Stegall, II, presented Mrs. Gaddy with a corsage of red roses. A group of pictures were made by a local photographer during intermission from game playing.

Due to extreme cold weather many were unable to attend. However Mr. and Mrs. Gaddy were recipients of many lovely gifts, from those who were absent as well as the guests. Mr. Gaddy and daughters presented Mrs. Gaddy with silver.

Mrs. Gaddy cut the 4 tiered angel food cake topped with a miniature bride and groom which was especially prepared by her daughter, Mrs. Stegall. Coffee was served with the cake to the following: Messrs and Mesdames T. G. Gaddy, Clint Everett, Pete Tarleton, Truman Kelly, Deon Awtry, Tommy Taylor, Leon Reeves, Donald Tucker of Meadow, Dudley Malone of Muleshoe, Tommy Galt and Cass Stegall.

VISITED HERE OVER WEEK-END FROM WAYLAND

Misses Lura and Pat Taylor, students at Wayland College, Plainview, spent the Easter holidays here with their parents, Mr. and Mrs. Walter L. Taylor and sister, Miss Clara Taylor.

BILLIE McALISTER, student at ENMC, Portales and PAUL ADAMS of Lubbock were week-end guests of MR. and MRS. TOM McALISTER.

MR. and MRS. DAVID TODD and son, MIKE, returned home early Monday from a week-end visit with their parents in Slaton.

MR. and MRS. J. W. GUNTER and family of Enochs were guests of MR. and MRS. J. W. ALFORD on Sunday, March 21.

MR. and MRS. BILL HARRIS spent the week-end with his parents, MR. and MRS. W. A. HARRIS, near Pettit.

Enochs H. D. Club Meeting Held In Johnson Home

Mrs. D. T. Johnson was hostess to the Enochs H. D. Club at her home, Thursday afternoon, March 25. Nineteen members answered roll call with helpful short cuts in house work. There were eleven visitors present.

Sewing committee reported completion of twenty garments and one quilt top. Yard preparation committee reported breaking up of seven gardens and eight yards being worked.

A card of thanks from Mrs. Nellie Louis Greggs was read. Mrs. Lilly Mae Roberson was welcomed to the club as a new member.

The group enjoyed a series of games under the direction of the recreation committee.

A refreshment plate and punch was served by the hostess, Mrs. Zed Robinson will host the club on April 8. Each member is requested to bring a cup towel for the grab box.

You can
CASH IN ON SCRAP

STEEL MILLS NEED SCRAP METAL FROM YOUR FARM

Supplies of scrap for the steel furnaces are critically low. The furnaces thrive on a diet of about equal portions of pig iron and scrap. More scrap is urgently needed, if there is to be enough steel for making farm implements and countless other products. More than three million tons of steel scrap lie idle

on America's farms, according to the latest estimates— scrap that only litters up the place, scrap that is wasted where it is. How much is there on your farm? How about the old car body, that rusted cultivator, those old plow bottoms, discarded tools? Every bit helps—and it is needed now.

IT'S HARVEST TIME FOR SCRAP

There's a bumper scrap crop to be harvested this spring—and there's money in it for you. Your

scrap dealer will pay for everything usable. You can do three good turns in one scrap harvest:

1. You make some money on what you can't use.
2. You get your outdoor spring housecleaning done.
3. You help the steel mills turn out more steel for the implements and equipment you'd like to have on your farm.

Scrap means savings to you—if you'll collect it and sell it. On the first rainy day, when you can't

plow or sow or cultivate, put on your oldest clothes and get that scrap together.

HERE'S WHAT TO DO

1. Pile up every bit of iron and steel scrap on your place.
2. Take a payload into town the next time you go. You'll make more money out of it that way.
3. If you can't drive it in, call your scrap dealer and ask him to pick it up.
4. If there is no scrap dealer near you, call your implement dealer. Ask him how to get your scrap started toward the steel furnaces.

ONLY MASSEY-HARRIS PLOWS HAVE THESE

3 Exclusive Features

Perhaps you haven't thought of it this way, but chances are you're losing money every time you use your old plow. If your plow wheels wobble and if the frame of your plow is even slightly out of line, the result can only be heavy draft . . . excessive use of power. The logical answer is a new, modern, high-speed plow—a Massey-Harris No. 28 plow with three exclusive features for long life and faster, easier plowing!

After you see the No. 28 plow with its three exclusive features plus dozens of other practical improvements you'll decide to MAKE IT A MASSEY-HARRIS!

- 1 • CONSTANT CLEARANCE LIFT raises bottom to full 7 1/2" clearance no matter how deep or how shallow the bottoms are set.
- 2 • DOUBLE X FRAME BRACING assures positive beam alignment even after years of hard usage.
- 3 • CONE TYPE WHEEL BEARINGS are fully adjustable to compensate for wear. Keep wheels running true . . . saves power by reducing draft to a minimum.

Morton, Texas

Tribune, Morton, Cochran County, Texas, Thursday, April 1, 1948

GOVERNOR BIDS "GOD-SPEED" TO SAFETY TOUR OF TEXAS MOTOR TRANSPORTATION ASSOCIATION

Pointing out that if all Texans observed "Courtesy and Safety" on the highways, Governor Beauford H. Jester tells Erwin Zunker, "Driver of the Month," that the accident frequency could be slashed in half. The picture was taken in Austin as the Texas Motor Transportation Association started a statewide safety tour to visit 65 cities. The safety exhibit consists of a truck-trailer combination containing equipment on which drivers will be given free tests in each city visited. Public demonstrations will be held, and the message of safety carried to many thousands of Texans in a practical way. The Department of Public Safety is cooperating with the transportation association on the safety tour.

Commissioner's Court Entertained With Dinner Friday Evening By C.H.D. Council

The County Home Demonstration Council entertained the County Commissioner's Court and the outstanding 4-H Club girls with a dinner in the Recreation Room of the Methodist Church Friday evening, March 26.

The Easter theme was carried out in the decorations and menu. Easter bunnies and baby chicks in a nest of bright colored Easter eggs were used for table decorations.

Mrs. Rex Faulkner, Council Chairman, presided as toastmistress. She began the program by introducing the members of the Commissioner's Court and their wives. Following the introduction each home demonstration club president gave a report of her club's activities.

The County Line Club president, Mrs. K. A. Wilson, reported that the County Line Club was one of the first Home Demonstration Clubs organized. It was organized in 1933 under the leadership of Miss Jaunita Rice, the county's first home demonstration agent. Mrs. W. K. Courtney, was a charter member. Mrs. Courtney is serving as vice-chairman for the council this year.

Mrs. P. E. Liles, president of the Lehman Club, reported that her club has 20 active members. She reported that last Christmas her club sent a layette to Holland through the Child Welfare Association. This spring they have sent garden seed to the same country. The club is studying rural life in Holland.

The President of the Homemakers Club, Mrs. D. A. Ramsey, reported that her club is the youngest club in the county. It was organized in June of 1947.

As an organization the members have not been idle. They have given two community-wide parties, carried on the regular programs in the year book, sent garden seed to Denmark and furnished the County Home Demonstration Council a chairman.

Martha Willis was introduced to the group by Mrs. Faulkner and presented the Gold Star pin. Each year the outstanding 4-H Club girl that has not received the honor of being the County's

Gold Star 4-H Club girl is presented a gold pin from the Texas A. and M. College. Martha will be one of the county's delegates to the Texas 4-H Club Round-up to be held at College Station on August 16-21.

Patricia Masten, Junior Award winner, was also presented to the group and gave a brief history of her club work.

Those attending the dinner were: Judge Glenn Thompson, Mr. and Mrs. L. M. Baldwin, C. G. Shaw, Rex Faulkner, C. M. Smith, Cecil Masten, O. D. Chesler, Woodrow Cunningham, P. E. Liles, O. S. Taylor, D. A. Ramsey, K. A. Wilson, Charlie Sanders, Misses Mabel Ann Manley, Martha Willis, Patricia Nell Masten and Mr. Homer Thompson.

BOYCE HOUSE 'Gives You Texas'

It's 60 miles from Fort Stockton to Alpine—and did you imagine that there was that much of a stretch of highway left in the United States that doesn't have a single filling station?

You pass close to the spot at which the Confederate veteran, Powe, was killed in a dispute about a steer at a roundup. This animal, because he had cost a human life, was branded "M-U-R-D-E-R" and then turned loose to roam. Men said that other cattle seemed to shun the creature. Short stories and ballads have been written about the "murder steer."

Cas Edwards lives in Alpine. He knows the stories about the peaks and caves of that region. He used to play baseball and he's the business manager of the semi-pro club which has a beautiful park, with a fence of native rock. It would be pretty hard to watch one of their games through a knot-hole, wouldn't it?

Years ago, Edwards devised a helicopter. Also he experimented with a device to heat a house with the rays of the sun. And he writes verse—in fact, he published a book of good Western rhymes a couple of years back, published the book himself—1,600 copies, and sold 'em all. And that's mighty good.

In fact, it's like the little boy who was asked, "How much is 10 times 9?" and he said, "Ninety," and the teacher declared, "That's good." The boy said "Good, h—; it's perfect!"

I once met a man who was rated as worth \$7,000,000. When we met again, he shook hands and smiled. Afterward, a mutual acquaintance said, "He likes you; that was mighty cordial for him."

Reckon a fellow who has \$7,000,000 has to be on his guard all the time to keep somebody from "getting to him" for a chunk of cash. A millionaire can never be sure that he is liked for himself and not for his money. That must make life a rather lonesome sort of thing.

And all this man's millions couldn't save him when a locomotive struck his automobile.

Charles Farmer's Calves Place In Lubbock Show

Charles Farmer, Route 1, Morton, 4-H Club boy of Cochran County entered 2 of his Angus calves in South Plains Junior Fat Stock Show, Lubbock, March 22.

His top calf placed 7th in the heavy weight division and his second calf also showed in the same division. The top calf brought 32c per pound and weighed 970 pounds. The 3 percent shrink was added to all calves entering the sales ring. This calf brought him a total of \$301.12 and by placing 7th he earned a cash award of \$9.00 in prize money.

The other calf brought 31c per pound and weighed 954 pounds. The total sales price for both calves was \$588.86 besides his prize money.

Charles has 7 Angus calves left which he expects to enter in Cochran county livestock show sometime in May, said Homer E. Thompson, County Agent.

The law of averages, they say, will always take care of you. For instance, Henry Wallace, who does a lot of talking, is bound to be right—some time.

Pirates of the 17th century were called buccaneers.

— STORE FOR BETTER VALUES

-- **annegrams** -- by ann england --

Easter Sunday was clear and beautiful here. All of Morton's churches were well attended.

Mickey Garrett made her own Easter frock, a very pretty grey silk with red figures, with it she wore red platform sandals, accessories of black and a red rose shoulder corsage.

Saw some of the college crowd at home for the Easter holidays. Snookie Russell was over from ENMC; Hub Cadenhead from John Tarleton and the Taylor girls, Lura and Pat, were here from Wayland College.

Friday we tagged along with the spouse to a conference Mr.

Robert W. Sisson held for publishers of this area. The conference preceded formal dedication ceremonies for the new building housing the Veterans Administration in Lubbock. We were the only female present, much to our delight. Then at the luncheon Panhandle South Plains Fair Association gave for the publishers we were again the only female present.

Don't know whether all the men folks were especially charming because we were the only gal or whether they are just naturally polite—inclined to think the latter.

Last Wednesday Mrs. L. W.

Barrett brought us a gorgeous red tulip—the span from petal to petal was seven inches. Mrs. B. said it was a wild tulip native to a South American country.

People and businesses are moving around so much we get dizzy thinking of it. The Fred Morrison's have moved their electrical supply over on the east side of the square and Bob Dunham has moved his jewelry store from west of the square right next door to us. Mr. Nesbitt moved from the east side of the square to the Morton Feed and Seed building—and so it goes.

Lion Club members really got a move on last Wednesday when Kirby Smart passed out tickets for the Wayland Choir concert. He told each member to either sell the tickets or pay for them.

Rev. Wright explained that the choir would present a varied program to meet the taste requirement of all.

Ladies night at Lions Club will be on April 8—both functions we will miss on account of the Panhandle Press Association Convention in Amarillo at that time.

After meeting about two dozen men at Lions Club Dr. Podesta said, "Why don't people wear numbers for identification purposes?" Incidentally Dr. Podesta says also that we do not use enough periods in this column.

There are some who think we use too much of everything, including periods.

After their fishing trip to Lake Kemp the W. W. Williamsons gave us two large fish—which we enjoyed tremendously. Mr. W. must have brought home 100 pounds—never saw so many fish.

Red Cross literature keeps coming in. Actually we wish they wouldn't spend so much on printed material and send the Red Cross representative out a little more often.

Bro. Bullard is now getting around on his crutches. It is mighty good to see him in town again.

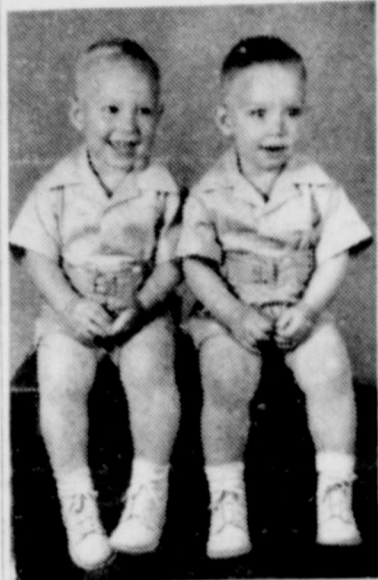

Noticed little Wanda Hancock working at the Steak House Sunday. Wanda is practically grown up now and is a very pretty girl.

Odessa and Tye Williamson seem to really enjoy their new two tone grey Pontiac.

Norine Frazier, one of the two cute gals who make their home with us is leaving on a 15 day vacation this Thursday. Guess the spouse will be lonesome.

annegrams presents

Three sets of Cochran County twins:

Howard Warren and Kenneth Wesley Smart, sons of Mrs. Jerry Smart and Kirby Smart. They will be three years old on April 15.

Ronald Ray and Donald Roy Layton are the sons of Mr. and Mrs. Johnnie Layton. They will be one year old July 2.

Mary Sue and Betty Lou Taylor are the seven months old daughters of Mr. and Mrs. Amos Taylor.

MRS. W. A. LINDSEY RETURNS FROM VISIT WITH SISTERS

Mrs. W. A. Lindsey returned home Friday from Eastland county where she had been visiting with her sisters. She attended a family reunion of six sisters. This was the first time in 20 years that all the sisters had been together. All of the family was present except one brother. Mrs. Lindsey also visited in Abilene.

EASTER DINNER GUESTS

Easter dinner guests of Mr. and Mrs. Willard Cox and family were Mr. and Mrs. English Cox and daughter, Minnieola, Mr. and Mrs. E. L. Cox and Mr. and Mrs. L. B. Childs.

W. R. ROLLEN, Lubbock, visited briefly in Morton Monday. MR. ROLLEN is field representative for the American Red Cross.
