SCHOOL, CITY ELECTIONS IN LIMELIGHT SATURDAY, TUESDAY

Mayor, Two Commissioner Posts To Be Filled By City's Voters

Only one incumbent will seek re-election when voters go to the polls in the City of Morton, Tuesday to elect two councilmen and a mayor. Henry Bedwell will seek a second term in office while his present companions in office, Mayor Ray Hudson and Roy Hill will step down in favor of whomever is elected to take their places.

One other former city official is on the ticket, Charlie Taylor, former City Commissioner will seek another term.

Two candidates have allowed their names to be placed on the ballot for mayor, Pioneer Morton and Cochran County resident, J. R. Ward and prominent area farmer Max Bowers are the two who seek Hudson's job.

Bedwell and Taylor will have four well-known opponents, Carl Ray, Merle Ensor, Hume Russell and Bill Crone will round out the list of seven office seeking candidates for Commissioner.

Bedwell is a local implement dealer; Taylor a retired pharmacist and long time Morton resident; Ensor, a young electrical worker; Russell a former hardware dealer and Crone a young insurance man.

The fact that a sizable poll tax total was recorded because of the widespread interest in the state elections coming up in July and August, is expected to bring out a heavier city vote. Also figured to play a prominent role in making for a heavy vote are several city issues being discussed by various groups.

The City Hall will be the scene of the election which will find J. B. Knox and J. C. Reynolds as judges and John E. Holloman and J. W. McDermott as clerks. Polls will be open from 7 a. m. to 7 p. m.

Country Club To Elect 3 Directors

Nominations have been made to elect three new directors for the Morton Country Club at a general meeting called for April 7th. M. C. Ledbetter, secretary, announced this week.

Babe Van, Hume Russell and Vernon Blackley will complete their three-year term of office this year. Six men have been nominated and other nominations are in order from the membership. Three will be selected, nominated by the committee are: W. W. Williamson, J. D. Hawthorne, Virgil Riley, Tom McAllister, James St. Clair and E. A. Miller.

Voters will receive a ballot in the mail from the secretary and may either mail their vote to him by April 7 or may cast their vote at the general meeting.

The new directors will serve with J. T. Porter, J. C. Reynolds and Ruel Kelly (who have two years to serve) and Joe Newcanner, M. C. Ledbetter and Orville Tiger who have one year to serve.

Also in their recent meeting the Country Club granted permission to Sammy Malone, local coach, to use the course for team practice and tournament play. Last year Morton placed first and third in the District TIL golf competition and as a team won first place.

Land Judging Team Will Be Selected

Four 4-H boys are to be selected Saturday, April 3, at a meeting at the County Agent's office, to make the trip to Plainview next week, Saturday, April 10 to enter the District 4-H Land Judging contest, according to Homer Thompson, County Agent.

They held a recent meeting on March 27, for two hours and Saturday, they are to meet at 9 a. m. They will go to the field from there. The meeting will last two hours.

Final Rites For Mother of Jesse Paulk

Final rites were held Sunday at 2:30 p. m. in the Fifth Street Church of Christ, Levelland for Mrs. Mary Malvina Paulk, 81-year-old mother of Jesse Paulk of Morton.

Mrs. Paulk died Thursday morning as a result of a fall about a week ago which fractured her hip.

In addition to Jesse, survivors include a son, Dee W. of Anton; two daughters, Mrs. Tom Newton of Littlefield and Mrs. Tom Addie Easterwood of Levelland; 13 grandchildren and 15 great-grandchildren.

Burial was in the Slaton Cemetery.

Mrs. W. A. Woods Injured Thursday In Auto Collision

Six members of the local Order of the Eastern Star, riding in a 1951 Ford driven by Mrs. Jessie Lindsey were shaken up and one injured when the car plunged off a dead-end dirt road through a bar ditch and into a farm field, Thursday night.

The ladies were going to Anton to attend a friendship night at that chapter of O.E.S. They had gone through Levelland and Whitthara and somehow got off on the wrong road to Anton. Mrs. Lindsey said she saw no warning signs and the car was off the road before she saw the dead end.

Injured was Mrs. W. A. Woods who was confined to the Cochran County Hospital for 2 days with a strained back. Others in the car, all uninjured were Mesdames Virgil Riley, Otho Denny, Carl Dupler and Mrs. Lindsey.

The car, according to Mrs. Lindsey, was damaged only a little in appearance, but the steering mechanism was out of line. The tail pipe was also bent as the car plunged across the bar ditch.

4-H Riflemen Get Safety Lesson Today

County 4-H rifle members are expected to attend a safety lesson this afternoon at the rifle range. Adult advisors are also urged to attend.

DO NOT bring any ammunition to the range and DO NOT bring an automatic or tubular loaded rifle, Thompson warned.

PATSY WEBB IS CHAMPION OF COCHRAN COUNTY SPELLERS

A young eighth grader from Bledsoe who three times almost found a word she could not handle, but each time came back to correctly spell the word, emerged as Cochran County 1954 spelling champion Saturday as she triumphed over eight opponents from her own school and Morton and Whiteface Junior High Schools.

Patsy Webb, 12-year-old daughter of Mr. and Mrs. Buford Webb of the Farmline community, spelled down the last of her opponents, Richard Houston of Whiteface on the 265th word pronounced by Jack Jones, local FHA representative.

It was a long and arduous job. Coats was beaten out by four athletes but the field was one of the best in recent years and the old standard of 6 ft. 1 7/8 inches was bettered by the winner with a 6 ft. 2 inch leap.

Stockholders Meet For Maple Gin Planned, April 15

The annual stockholders meeting of the Maple Gin will be held April 15 at Three Way school it was announced late last week by L. B. Fox, Gin manager.

Approximately \$28,000-\$29,000 will be distributed to the patrons who ginned 3,552 bales with the gin last season. In addition drawing prizes will be awarded and refreshments will be served.

The meeting will get under way about 8 p. m. in the school gymnasium. Highlight of the meeting, in addition to the awarding of dividend checks, will be the election of two directors of the gin. W. H. Eubanks is president of the cooperative.

RECOVERING FROM ATTACK

Mrs. F. G. Kennedy is up and about after recently suffering a heart attack.

More Topping Planned On Whiteface Roads

Sealed bids for seal coating in 14 South Plains counties including several miles of coating in Whiteface are being received by the State Highway Department at Austin, April 14.

An outline of the sealcoating planned and the various roads to be benefited is listed in a legal notice published this week by the Tribune. Complete plans and specifications are available at the office of H. Bruce Bryan, engineer, Lubbock.

Cochran County roads to be benefited are in and near Whiteface. From State Highway 290 at Whiteface south to 1st street and form 1st street, south, 9.8 miles.

One requiring about an hour and a half counting a 10 minute break asked for by the judges after only three students were left standing.

Alfred Coats Is Point Getter In West Texas Relays

A fifth place by Alfred Coats, Morton's only entry to qualify in the finals of the West Texas Relays, gave him one half point to keep the local school among the point scorers in the University-College-High School top event of the season.

Coats was beaten out by four athletes but the field was one of the best in recent years and the old standard of 6 ft. 1 7/8 inches was bettered by the winner with a 6 ft. 2 inch leap.

Slim Crowd Approves 3-Way Faculty Play

A slim crowd, on a night jam-packed with entertainment elsewhere, gathered at the County Auditorium, Thursday night to see the presentation of "A Ready Made Family," the Three Way school faculty play.

Well enacted, the play was enthusiastically received by the audience. A total of \$25 in proceeds was realized by the Three Way FFA Chapter.

CONDUCTS SERVICES

Mark Daniels conducted services at the second Baptist Church in Odessa last Sunday.

TO HOT SPRINGS

Fred Morrison was a business visitor in Hot Springs, New Mexico, over the week-end.

ARIZONA VISITORS

Mr. and Mrs. Wes Lackey returned last week from a visit to Williams and Flagstaff, Arizona.

SIX ARE CANDIDATES FOR JAYCEE PREXY; ELECTION SET MONDAY

A list of 21 names was submitted to the Morton Jaycees at their meeting Monday night, candidates for eight officers for which voting will take place next Monday at the regular meeting.

A three-man nomination committee named two men for each position and nominations were also open from the floor at the meeting this week.

Meanwhile, the Morton Jaycees continued plans to decorate the banquet hall which will be in the dining room of the Office and Activities building. Other committees named to plan the menu and handle the other details were adding the finishing touches to their plans.

Beginning next Monday, at noon, the Jaycees will start meeting for noon lunch instead of their regular night meeting. They will meet at the County Activities Building dining room.

Two Injured As Car Overtakes At County Line

Three Cochran County youths and a girl escaped serious injury, though two received deep cuts and scratches as a 1949 Chevrolet, driven by Donald Morgan skidded on a soft shoulder and rolled over four and one half times, last Thursday night.

The accident occurred at County Line, right near the County Line Gin. The rear wheels of the car slipped off the pavement and as Morgan tried to steady the car it went into a roll and came to rest upside down in the bar ditch.

Buddy Cook, Melvin Courtney and Joan Melton were also passengers in the car which was termed by insurance adjusters, the next day, a "total loss."

Extending to the east, the rear end of the car struck a telephone pole, and the car rolled over on its side.

Junior Class Play Cast Announced

The cast for the Morton High School Junior Class play, "Me and My Shadow," to be presented April 12th in the County Auditorium, has been announced.

Alfred Coats, Nancy Hiner and Joan Amyx will take the leads in the play for which reserved tickets at 75 cents each will go on sale within the next few days. Admission at the door will be 50 cents for High School students and adults and 35 cents for Junior High and under.

Coats plays the part of Ray Harrington with Miss Hiner cast as Arleen Harrington. Miss Amyx is Mrs. King. Others include Joyce Hanna as Susan Fisher; Sheila Chandler as Georgia Butler; Sid Harrison as Hickson and Roy Johnson as Sabu.

VISITS DAUGHTER, FAMILY

Mrs. J. Frank Dean, mother of Mrs. Neal Rose is visiting in the Rose home.

WILL BE ON TV

Mrs. Gipson's "Little Folks" students at the local kindergarten will be guests on Jack Huddle's "Children's Theatre" TV program on channel 13, Friday, April 2 at 4:30 p. m.

SPECIAL SHOWING

The Rose Theatre of Morton sponsored a special showing of the film "Saskatchewan" Monday morning at 10 a. m. for the benefit of the School Pep Squad. Approximately 150 students from the High School turned out for the special showing earning the club about \$37 for their fund.

Three Groups Will Represent County At District 19 Legion Convention

At least three local organizations will make Morton and Cochran County well represented at the 19th District Legion Convention at Brownfield Saturday and Sunday, April 3-4.

The convention, which will feature a talk by the National Commander of the Legion, Art Connell, who is presently visiting Legion Posts in New Mexico, will also have a whopper of a parade. The Morton Color Guard, Texas Department Champions and 9th in the nation, will serve in that official capacity and will march at the head of the parade.

Whiteface Has School Break-In

Another school burglary was reported last week at Whiteface school, Tuesday night.

The intruder cut a screen, entered the principal's office, stole \$23 in change in his desk and about five one dollar bills, and touched nothing else.

School officials fixed the time of the burglary as after 10:30 p. m. the time at which a school function broke up.

BAKE SALE SATURDAY

The Morton Jaycees will sponsor a bake sale Saturday at Dunham's Jewelry Store.

Proceeds will go to pay for decorations for the Jaycee installation banquet.

Heavy Vote Expected As Fifteen Seek Morton School Trusteeships

Renewed interest, spurred on by a heavy list of candidates is expected to bring out the heaviest vote in city and school elections in many years — perhaps the heaviest ever — Saturday, April 3, and Tuesday, April 6, as 1954 election fever reaches a high pitch.

No less than 15 candidates are vying for seven posts to be filled on the Morton Independent School District Board of Trustees. Seven are seeking three positions on the Bledsoe School Board. These two are expected to be the "hottest" races of five separate elections which will be held Saturday. At Whiteface, two incumbents are unopposed in their attempts to be re-elected to the Whiteface Independent School District Board. According to officials from Whiteface, har-

mony prevails in the schools and the two men on the ballot are expected to draw little or no opposition.

Whiteface, or Pet. Two has set up a bit of a race for the County Trusteeship. L. W. Bills, incumbent is opposed by Guy Spurlock. C. D. Ray is the only candidate in Pet. One whose name will appear on the ballot.

But the Morton and Bledsoe districts hold the spotlight. At the south Cochran County school district, Fred Young, Richard Thomas and Clide McCormack are the incumbents who are now seeking another term in office. Marvin Brown, W. B. Dunn, Marvin Griffith and Pat Smith also have their names on the ballot. Three positions are to be filled. At the last election in those parts, a hot race developed but the number of votes cast reached only about half a hundred.

Morton also had a very slim vote the last time school trustees were named. Incumbent Truett McCuiston and newcomer Jack Rice were elected last year. However, an unusual election, brought on by the consolidation of school district at Morton and Neely Ward, calls for a vote for every position on the board this year, instead of the customary two. Unanimously, the incumbents, who recently renewed the contracts of Supt. H. A. Owens and High School principal L. B. Gibson, have agreed to seek reelection. As one school official put it, "it's proof that we are 100 per cent behind our decision to extend the present Superintendent's contract."

Another slate of candidates will oppose the incumbents. In fact, eight opposition candidates are listed on the ballot, including one of the few women, and perhaps the only woman ever to seek election to the school board, Mrs. Scott Hawkins.

Those on the present board, seeking re-election are: McCuiston, now president of the board; Rice, and Willard Cox, Truman Doss, Elmer Gardner, J. D. Hawthorne and Burge Tucker. For Tucker it will be his first candidacy. He was appointed to fill out the unexpired term of James St. Clair, earlier this year.

Local Students Again To Attend ENMU Music Camp

Efforts will be made again this summer to send as many Morton music students to the Summer Music Camp of Eastern New Mexico University. It has been announced by John Bealmear, local band director.

Mr. Bealmear, in letters sent out to the various organizations that last year sponsored scholarships for local students, said the camp will run from June 4-12 and will cost approximately \$33 for a complete scholarship (tuition, room and board) for one student.

A band concert, April 23rd, will be used to recognize the firms and clubs that will aid the program by furnishing scholarships funds.

Clubs may stipulate the student to receive the scholarship or else the scholarship will be awarded a worthy student who would not otherwise be able to attend.

W.S.C.S. Planning Assembly Friday On Alcohol Study

Climaxing their study of "Alcohol and Christian Responsibility" by Dr. Clifford Earle, the W.S.C.S. will sponsor an assembly program for Morton High School in the school auditorium on the morning of Friday, April 2, at 11 a. m.

During the hour long program, a scientific film will be used to show the effect of alcohol on the brain. The Rev. S. Frank Weir, pastor of the First Methodist Church of Morton will speak. The public is cordially invited to attend.

Gospel Meeting Set At Enoch's Church

The Enoch's Church of Christ will conduct a Gospel meeting beginning April 2 and running through April 11.

The evening services will begin at 8:00 p. m. Sunday services will be at 10:30 a. m. Alva Johnson, minister from Turkey will bring the messages.

The next meeting will be in the home of Mrs. Dona Daughy with Mrs. Elizabeth Greer as program director.

AT THE SCHOOL

Other candidates, in addition to Mrs. Hawkins, are: Willard Henry, Steve Bracken, Elmer Gardner, Tubby Holloman, R. M. Waller, Buck Huckabee and Raymond Hoffman.

W. A. Woods will be the judge in the Morton District election with J. R. Ward and Mrs. W. R. Hatcher as clerks.

Three Groups Will Represent County At District 19 Legion Convention

At least three local organizations will make Morton and Cochran County well represented at the 19th District Legion Convention at Brownfield Saturday and Sunday, April 3-4.

The convention, which will feature a talk by the National Commander of the Legion, Art Connell, who is presently visiting Legion Posts in New Mexico, will also have a whopper of a parade. SOME PEOPLE kinda' gave the raspberries to the spelling contest last year when only two schools in the County participated. Only five total students competed in the finals and less than 100 words were required to spell down all but the champion.

OF THAT "not so good" record plus the fact that school officials began to talk it up and more students interested, was certainly shown Saturday.

WERE THERE MORE contestants but they did a much better job this year. It took 40 words to spell down the first of nine contestants.

ANOTHER 29 to dispose of the second competitor. At 86 another fell out. At 111 four girls had fallen by the wayside. Remaining were three boys and two girls. One of the boys missed the 165th word and four were left.

A REAL DUEL BEGAN. On No. 202, "livelihood" tripped up one contestant leaving the three finalists prize winners. They spelled 51 more words correctly and after

an hour and ten minutes of spelling the judges asked for a break.

ONLY FOUR WORDS after the break to dispose of third place winner Exa Ainsworth. "Peace-able" was her incorrect spelling. Either the words were getting harder or the contestants worn out. Six words later the champion was crowned as Richard Houson. Last year's third place winner missed a gallant try for first place by spelling a word "perishible." Patsy Webb put the "a" in the correct place and went on to spell "permitted" for the crown.

IT LOOKED like a wonderful improvement. Without the nervous tension that will always be present in a contest of that type, you had the opinion that any one of the spellers could have spelled words all night.

THERE WERE a lot of conflicting activities that kept Mortonites elsewhere than at the Lions-Three Way P-TA sponsored play last Thursday night. There was a very slim crowd in attendance and both of the sponsoring organizations apologized for setting the date on the same night when so many other activities interfered.

SUFFICE it to say, those who did attend saw an excellent performance by an amateur cast. Congratulations to Three Way faculty for an interesting and entertaining endeavor. You did a grand job.

WE'RE THROWING out bouquets, one should certainly go to the junior-senior class members on the planning committee for the banquet held last Friday. The decorations were among the best we've seen at a comparable get together and from what we have heard the banquet was also tops.

THE TALK ABOUT the Little League is started. A park will be built. But the biggest task is operating the league. The operation cannot be as haphazard as can be the operation of a grown-ups league. These boys deserve the best training possible. That means the coaches and managers should not only want to do the job but they should know something about it. The umpires should not only be impartial, but every bit as important they must know what they are doing. A regular scorekeeper should be on hand.

OF HAPHAZARDNESS could ruin the league before it ever has a chance to really function.

SEEM TO BE playing a trick on the clubs that usually rely on box suppers to provide them with operating funds each election year. They'll find it pretty hard to make goodly sums on box suppers when the candidates haven't enough opposition to keep the competition rolling.

GOES FOR the candidate card business. Without competition, most candidates won't feel they need any candidate cards. It's significant that out of the four candidate card orders we've printed this year, three were in the same race.

DAYS WE'VE HAD late last week tend to remind us of the fact that it won't be very long until the swimming pool will be open again. About mid-May is the speculative, tentative date set for the pool's opening. Of course, as last year, it will be the big drawing card out at the County Park.

TAKE A DRIVE out that way and cop a gander at the playground equipment that has been installed, the grass coming up and the general outlook. It shouldn't be too many years before we'll have a park we can be really proud of for its picnic potentialities. Just wait'll the trees get a little bigger.

OUT AT THE golf course we noted four of our high school boys practicing and one of our better golfers lending some valuable instruction. That's what it's going to take if we are expecting to compete with neighboring schools in the various athletic events.

WILL BE VALUABLE in keeping our Country Club interest at a keen edge. More organizations of that sort have grown stale because they became an exclusive club than for any other reason.

A LETTER last week from a couple of Austin attorneys who were warning that John Ben Sheppard and the other Texans who have kicked up the recent fuss in Duvall County were ac-

tually not telling the truth. without . . .

A NOTICE came in stating that several thousand mothers were protesting the anti-Communist bill on the grounds that it interfered with the democratic rights of a free people.

DID A MAN who was plotting the overthrow of the United States government have any rights? Did Benedict Arnold get out of his traitorous deeds because he was simply a member of a party?

CARRIES A HEAVY penalty in this country. Why not attempted treason? Where does any group of people find the right to overthrow the American Government by force?

THAT men and women of good American faith get excited enough to sign their names to letters of this sort. We're sorry they protect political schemes and traitors. But at the same time we strongly suspect these who are first in line at the hand- out sessions every once in awhile inaugurated by our government. We strongly suspect they are the parent whose kids roam the streets at all hours of the night while they are off gadding about and not caring what the kids are doing.

Pioneer Teacher Is Honored March 22 On Birthday. A surprise birthday shower was given in honor of Mrs. R. L. Patterson, Monday, March 22 at her home in Enochs. Friends and relatives gathered to pay tribute to the pioneer resident who was one of Enochs' first schoolteachers.

She was celebrating her 76th birthday. She taught in 1927 when the community school was first opened, riding on a school bus that brought both teacher and student to school over the bumpy cow trails that served as roads. Among the guests were Mrs. C. W. Vanlandingham whose husband was bus driver in those earlier school days. When he was in the field, Mrs. Vanlandingham served as substitute driver. She told the group about the difficulties encountered as farm- ers began to erect barbed wire fences. Occasionally the driver plowed right through a fence and wrapped the wire around the axle. Mrs. Vanlandingham's baby daughter, Sibyl, soon became accustomed to Mrs. Peterson who held her while the child's mother was driving. The daughter, now married, is a registered nurse at Levelland.

Calling during the afternoon were Mesdames A. M. Motes, L. G. Fred, D. T. Johnson, W. L. Welch, Rosie Hall, J. W. Covington and daughter, Hilary Snow; L. J. Jones, Jr., Zed Robinson, C. A. Bundrant, Clyde Watson and daughter, Louise, and Mrs. W. A. Pool. Refreshments of punch and cookies were served.

PRACTICE FOR PLAY. Bula seniors have been practicing every night for the past two weeks getting their play, "Everything Happens To Us" ready for presentation, March 30 in the school auditorium.

THREE REVIVALS HELD. Simultaneous revivals began at Bula and Enochs Methodist Churches, March 21st and another got under way at Watson Baptist Church the same date with Charles Vanlandingham as evangelist. Mr. and Mrs. J. B. Vanlandingham of Enochs.

First Son For Roland Gibsons. It's a boy for the Roland Gibsons! The young fellow arrived on March 14, at Cochran County hospital and weighed in at 9½ lbs. The couple have two other children, Alice Jean and Lana. Mrs. Gibson is the former Evelyn Harry, daughter of Mr. and Mrs. Alice Harry of Lubbock. Mr. and Mrs. R. M. Gibson of Muleshoe are the paternal grandparents of the young child.

Plan Demonstration On Textile Paints. The Enochs Homemakers who had to postpone their last meeting because of a severe dust storm on March 12, were to meet March 26 at the home of Mrs. T. A. Thomas. A demonstration on the use of textile paints was planned.

Pauline Warren, Clifford Dupler Are Wed In Ceremony At Maple Home Saturday, March 20

Miss Pauline Warren, daughter of Mr. and Mrs. Bud Warren of Maple became the bride of Clifford Dupler, son of Mr. and Mrs. L. M. Dupler of Maple, Saturday, March 20 at 2 p.m., with Rev. A. R. Coleman of the First Baptist Church of Maple officiating.

Mary Ann Short, Lois Collins and Elizabeth Dupler. Mary Ann and Lois registered the guests. Both bride and groom are attending Three Way School and took only a short wedding trip after which they returned to make their home in Maple.

FORMER RESIDENT ILL. Several ladies of the Enochs community have been visiting Mrs. Kirkland of Littlefield who is seriously ill in a Littlefield Hospital. Mrs. Kirkland is a former Enochs resident.

YOUR SALVATION

In the matter of salvation and what people must do, we often hear the explanation: "It makes no difference, just so you feel all right." Our feelings can be deceptive and is the result of evidence produced to us. Jacob was deceived into believing a lie concerning his son, Joseph, and was badly hurt as if Joseph had actually been dead. No one can deny this plain fact, and no one will say that Jacob should have gone on believing that his son was dead when he learned the truth concerning him.

Saul of Tarsus had lived in all good conscience until the day of his conversion, according to his own statement in Acts 23:1. However, we read in Acts chapters 7 through 13 concerning his persecutions of the Christians, even consenting to their death, and thus in error.

Jesus taught "if the blind lead the blind, both shall fall into the ditch." He will not escape because he is blind, but his blindness is the reason for his falling in the ditch. The apostle Paul said men would reject the love of the truth: "And for this cause God sendeth them a working of error that they should believe a lie: that they might be condemned who believed not the truth . . ." (2 Thessalonians 2:11-12). Therefore, I must conclude that it does make a difference what we believe and do in regard to the question of salvation. But in addition to that it is very obvious that the person who tells you that it makes no difference is either unlearned in the scriptures or is dishonest and cares nothing about your soul.

Serving Aboard Carrier Essex

Far East—John B. Carter, Jr., quartermaster, third class, USN, son of Mr. and Mrs. John B. Carter of Morton, Texas, is serving aboard the attack aircraft carrier USS Essex, with the UN's peace patrol off the east coast of Korea and in the Sea of Japan.

The Essex began her third tour of duty in the Far East when she rejoined Task Force 77 in the Orient in January.

With her new streamlined island structure and redesigned flight and hanger decks, the ship would hardly be recognized today by the first pilots to land aboard her ten years ago. In her "new look" the Essex has the distinction of being the oldest yet one of the most modern active carriers in the fleet.

Soil Conservation News

Many Big Points to Consider Before Installation of Sprinkler Irrigation

The use of sprinkler irrigation is increasing rather rapidly in the Cochran County Soil Conservation District. It may be important to point out the conditions under which sprinklers can increase the conservation use of irrigation water and obtain the maximum benefit of every inch pumped from under the ground.

The first condition under which a farmer can benefit greatly by the use of a sprinkler is on our sandier soils.

The next condition which points up the great possibility of a

sprinkler is if the farmer has only small wells available.

The third condition is on rolling lands and highly calcareous soils.

There are several points that should be considered and carried out by farmers prior to the installation of a sprinkler system. He should carefully analyze his farm program, his resources and his conservation needs. The next steps to be followed are the proper location of a well, the well log, the proper developing and testing of the well, installation of proper pump and the designing of a good system of water control.

Under the designing of the system to be used, prominent factors are very important: the soil type, the farm program and the labor schedule.

The soil type is considered from the standpoint of the permeability index (the rate the water can move through the soil) and it's capability to store water. The PI is important because water should never be applied at a greater rate than the water will move through a soil. Naturally, its the free water lying on top

of the ground that evaporates. The more water that can be stored in the soil profile, the longer the setting can be. This combination leads to the least amount of applications of water needed during the growing season.

The farm program will be analyzed to determine the amount of water required to obtain maximum production of crops to be grown.

The daily water requirements of each crop is of great importance.

Labor schedule is important because labor is expensive and must be used to the greatest advantage possible. Longer sets will permit the use of labor on other important farm operations.

The Cochran Soil Conservation District will give technical assistance on the design and use of sprinkler irrigation.

In Basic Training At Fort Bliss

Fort Bliss, Texas—Pvt. Harvey W. Winder, son of Mr. and Mrs. Gene Winder, Box 22, Morton, recently began eight weeks of basic training in the Anti-aircraft Artillery Replacement Training Center at Ft. Bliss, Texas.

The first eight weeks of basic training are spent on fundamental infantry subjects like Army drill, rifle, machine gun, and bazooka marksmanship, and familiarization with army technical subjects. This first phase of the training is climaxed with a one-week maneuver in the field.

Upon completion of the first eight week cycle, Pvt. Winder will either be assigned for further training at Ft. Bliss in the techniques of anti-aircraft artillery, or he will be transferred to another Training Center for schooling in some other army skill.

Should he remain at Ft. Bliss his second eight weeks will see him learn the uses of various electronic equipment employed by the AAA-TRC. He will also be expertly trained in the firing of light and medium anti-aircraft artillery at low-flying and high altitude aerial targets on the one-and-one-half million acre Ft. Bliss ranges.

Seein'... Readin' and Believin'

There was a man who lived by the side of the road. He sold hot dogs.

He had bad eyesight, so he read no newspapers, watched no TV.

He was fairly deaf, so he didn't listen to the radio.

But he sold good hot dogs. He rented signs along the highway telling people how good they were. He stood by the side of the road, crying out: "Buy a hot dog, mister." He placed an ad in the newspaper.

People bought. He increased his hot dog and bun orders. He got a bigger stove. Business was so good that he called his son home from college to help him out.

One day the son said: "Father, haven't you been listening to Senator So-and-So on the radio? He says we are in a recession."

The father reasoned: "Well, my boy's been to college, he reads the papers, he listens to the radio, and he ought to know."

So the father decided he couldn't afford to rent the roadside signs, he cut down on his orders, he took the ads out of the newspaper, and his sales dropped off very fast indeed.

Later he said to his boy: "You're right, son. There just isn't any business at all. That Senator you heard certainly was helpful."

Of Game Night, Box Supper At Activities Building**

Mrs. Roy Hill and Mrs. H. O. Rogers, representatives from the local Garden Club, attended the District I Meeting in Odessa on Monday and Tuesday of this week. Donna Rose, Morton High School sophomore, also attended the two-day meeting and received an award for having written the winning "prayer for peace" in the District. She is receiving a plaque from this club for winning in the local contest last December.

Cochran County Garden Club donated to the Permanent Home Fund last week when the club met with Mrs. H. A. Barnes, The National Council of Garden clubs are planning to build a "head-quarters building" in the central part of the United States through voluntary gifts. Texas clubs are attempting to raise enough funds to add a "Texas Wing."

Mrs. J. S. Boydston, program leader for the evening, gave a history of the humble zinnia. Included in her talk was its origin, the many countries where it is grown and the speaker displayed 15 different types of seeds.

"The first public display of the zinnia was in 1860 and they were grown in Germany, India and Europe before reaching our country," Mrs. Boydston said.

Attending the International Flower Show in Houston the first part of March was Mrs. T. M. Tanner. She gave the club a "bird's eye view" of this colorful and attractive display.

**With Your...
COUNTY AGENT**

Homer E. Thompson

On Wednesday, March 17, 1954, one hundred farmers gathered in the County Building Auditorium, Morton, Texas, to hear three specialists from the Texas Agricultural Experiment Station, in Lubbock. They were John Box, Elmer Hudspeth and Levan Ray.

After three hours the meeting was officially over, but 25 farmers stayed an extra hour to get their questions answered and to get off the cuff information on the technical subjects each was seeking.

John Box spoke first and gave information on fertilizers and grain sorghum varieties, also irrigation methods and application of water on cotton and grain sorghums. He was followed by Levan Ray who talked on cotton breeding and variety work at the station; also on disease resistant varieties and angular leaf spot. He also talked on yields of cotton, and described varieties in their place as to: (1) yield, (2) maturity, (3) turn out, and (4) grade and staple.

There was no one variety that could be said to be above all others. Each had its plan and fit in the picture high or low in one or more of the four categories mentioned.

Dunn No. 7, grown at the station for the last three years was exceptionally high in yield. In fact higher than all the other varieties. It exceeded the next highest by 150 lbs. per acre. It did have a tendency to grade out low or SGO on average in grade. CA-119 was spoken well of, too, because it fits in pretty well in all the four categories mentioned above. It yielded well, its turn out good, its grade and staple excellent in this area, and its fairly well up on maturity date. A good all around variety and an excellent stripping storm proof cotton.

Elmer Hudspeth talked about cotton rates of planting, the new farm machinery developments such as the bollow tire press well, the results of its use at the station the past three years, optimum planting dates for cotton, and grain sorghums, and answered many questions by farmers.

It was a meeting of educational value to the group. The farmers who attended found out first hand the necessity for planning their farming operations in advance. Too, they know many things that will need not be tried at home at his expense, which will not work as a result of attending this meeting. Too, by the same token, they found new things to try on their farms that might be the answer to their problems and methods of production. It is worth knowing how to plan and do what you have been thinking might work on your farm. This is the opinion many had after attending this meeting.

Mr. Ivan D. Woods, outstanding irrigation specialist in the United States, to be here Wednesday, March 24, beginning at 1:00 p.m. in the banquet room, Agricultural Building, Morton, Texas. He will try to answer your questions on wells, pumps, power, and methods of water application. Bob Thrumond, District Water Engineer Specialist, will be here too to assist Mr. Woods. After the meeting a visit to the county to test one water well and method of application of water will be done. Yes, a check on the spot demonstration; so you can see for yourself what is being done on one farm. Every body is welcome to attend.

Ray Tucker, 4-H Club boy, Morton Junior High School, is entered in the "Poultry of Tomorrow Contest." He has purchased 100 chicks of the breed variety "Indian River." They have been wing banded and on feed now. These chicks were hatched March 7. On May 10 fifteen of them will be selected and sent to Center, Texas. Here these birds will be judged on foot at 9 weeks of age, then be dressed and judged again. Blue ribbons, red ribbons and white ribbons will be placed on all creditable birds. The superior classes will receive the blue ribbon grade.

The 4-H Rifle Contest is coming up soon, so just be patient. Sand and wind has been hampering our practice periods, but will get in several practices before May 1, if we have to practice twice or more a week, advises the county agent. Safety is the first order of business. Then if time permits will try for the marksmanship. The best four marksman will be selected to enter the District 4-H Rifle Contest May 1, at Lubbock, Reese Air Force Base.

Three Cochran County 4-H Club boys have already taken advantage of the offer made by the Texas Planting Seed Association, Bryan, Texas, to furnish free cottonseed for the District Cotton Contest.

Tommy Lynch is receiving Empire TPSA Cottonseed to be planted on five acres irrigated land. Douglas Zuber is receiving Registered Deltapine TPSA to be planted on irrigated land and Paul Zuber is receiving Storm King TPSA to be planted on dry land. This cotton acreage will be entered in the District Cotton Production Contest.

Gary Coffman and Bobby Faulkner have also notified the county agent they will enter the District contest in 1954. They have ordered their seed from Lubbock.

Dr. and Mrs. Monk Bridge Champions

Dr. and Mrs. Norman Monk emerged from the recently completed Morton Country Club bridge tournament as champions of 20 couples entered in the three day competition.

The tourney was played on three Tuesdays and ended March 22nd. Runnersup were Iye Williamson and George Ingle. Low score was posted by Mr. and Mrs. H. B. Barker. Prizes were awarded.

Mrs. Curtis Willoughby Honored With Shower

Mrs. Curtis Willoughby was honored with a pink and blue shower in the home of Mrs. Orville Tilger, Tuesday evening.

Hostesses for the occasion were Mesdames Orville Tilger, Buck Huckabee, J. C. Reynolds, Pete Lindsey, Jack Wallace and Eddie Irwin.

The lace covered serving table was centered with an arrangement of Cherry Blossoms and Jonquils. Refreshments of punch and cake were served.

Those calling were Mesdames Vernon Sublett, Kenneth Watts, Lloyd McCormick, John L. McGee, Ollie Robinson, L. B. Gipson, W. L. Foust, Charles Sanders, Tilger, Wallace, Lindsey, Huckabee, Reynolds and Irwin.

"Your Pharmacist"
...

PHARMACY IS A MOST UNUSUAL PROFESSION. A Pharmacy Student studies in a College of Pharmacy for four years. He has to then work at least two years in a Pharmacy to get practical experience. If he passes a State examination he receives a license to PRACTICE PHARMACY.

THEN, WHEN HE OWNS HIS OWN Pharmacy, he finds out that he must not only know everything about the action, compounding, and dispensing of medicines, but also know how to successfully operate a Pharmacy.

HE MUST BE A GOOD BUYER, who knows how to have thousands of different items in stock, and yet not overbuy, because everything must be fresh and in perfect condition.

HE MUST PRICE EVERYTHING COMPETITIVELY, because that is the American way, and also make a sufficient profit to continue in business.

HE MUST TREAT EVERY PATRON COURTEOUSLY, and give every possible service, otherwise he will not own his Pharmacy very long.

ALL THIS WE KNOW FROM EXPERIENCE. We try our best to operate a Pharmacy that you like to call, "your own personal Pharmacy." We welcome and appreciate your patronage, and try to show it by the way we take care of your needs.

AND DESPITE THE HANDICAPS OF LONG HOURS, and the mental concentration the compounding of prescriptions requires, we would not want to be anything but a Pharmacist.

AT THE END OF EACH DAY, we have the comforting thought, that our medicines have helped folks to get well and stay well.

Does anyone have a right to plot against the government?

(Following is the second of two proposed anti-Communist bills expected to be submitted to the Texas Legislature this month. They are reprinted so you may judge for yourself and urge your Congressman to vote either for or against the bills)

A BILL
To Be Entitled

An Act making it unlawful to commit, attempt to commit, or aid in the commission of any act intended to overthrow, destroy, or alter, or to assist in the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the State of Texas, or any political subdivision of either of them, by force or violence, or to advocate, abet, advise, or teach by any means any person to commit, attempt to commit, or aid in the commission of any such act under certain circumstances, or to conspire to commit any of such acts, or to assist in the formation or participation in the management or contribute to the support or to become or remain a member of certain organizations, or to destroy any books, records, or files, or secrete any funds of certain organizations; defining certain terms; providing penalties, disqualifications, and forfeitures therefor; making it unlawful for certain organizations to exist or function, and providing for dissolution and forfeitures therefor, providing for prima facie evidence upon proof of certain facts; creating a Board to assist in administration of the Act, and providing for appointment and payment of members; providing for meetings and procedures of such Board, and for investigation and hearing of charges filed under the Act against any person or rights of any person or organizations charged, authority, powers, and duties of the Board, attendance and payment of witnesses, entry of orders, and appeal therefrom; procedure for appeal, discretionary stay of orders pending appeal; prohibiting issuance of any charter, license, permit, franchise, or card or certificate of permission to certain persons and organizations found guilty of violating the Act or against whom adverse findings have been made by the Board; and providing for avoidance of any already issued; prohibiting any person found guilty of violating the Act or against whom an adverse finding has been made by the Board from holding any office or position with the State or political subdivision, providing for discharge and removal thereof; providing for enforcement of the Act by restraining orders, injunctions, and other civil proceedings; providing for issuance and execution of search warrants; providing for clerical help, supplies, services, and space; making an appropriation for such items and to pay witness fees, per diem, and expenses, and to pay per diem and expenses of Board members; providing for severance of the Act in event of invalidity on any part; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Subsection (1). For the purposes of this Act, "organization" means an organization, corporation, company, partnership, association, trust, foundation, fund, club, society, committee, association, political party, or any group of persons, whether or not incorporated, permanently or temporarily associated together for joint action or advancement of views on any subject or subjects.

Subsec. (2). For the purposes of this Act, "subversive organization" means any organization which engages in or advocates, abets, advises, or teaches, or a purpose of which is to engage in or teach any activities intended to overthrow, destroy, or alter, or to assist in the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the State of Texas, or any political subdivision of either of them, by force, or violence.

Subsec. (3). For the purposes of this Act, "foreign subversive organization" means any organization directed, dominated, or controlled directly or indirectly by a foreign government which engages in or advocates, abets, advises, or teaches, or a purpose of which is to engage in or to advocate, abet, advise, or teach, any activities intended to overthrow, destroy, or alter, or to assist in the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the State of Texas, or any political subdivision of either of them, and to establish in place thereof any form of government the direction and control of which is to be vested in, or exercised by or under, the domination or control of any foreign government, organization, or individual; but does not and shall not be construed to mean an organization

the bona fide purpose of which is to promote world peace with alliances or unions with other government to be effected through constitutional means. Subsec. (4). For the purposes of this Act, "foreign government" means the government of any country or nation other than the government of the United States of America or of one of the States thereof.

Subsec. (5). For the purposes of this Act, "subversive person" means any person who commits, attempts to commit, or aids in the commission of, or advocates, abets, advises, or teaches by any means any person to commit, attempt to commit, or aid in the commission of any act intended to overthrow, destroy, or alter, or to assist in the overthrow, destruction, or alteration of the constitutional form of government of the United States, or of the State of Texas, or any political subdivision of either of them, by force, or violence, or conspires with two or more persons to commit any such act, or who is knowingly a member of a subversive organization or a foreign subversive organization.

Sec. 2. Subsec. (1). It shall be unlawful for any person knowingly or willfully to (a) commit, attempt to commit, or aid in the commission of any act intended to overthrow, destroy, or alter, or to assist in the overthrow, destruction or alteration of the constitutional form of government of the United States, or of the State of Texas, or any political subdivision of either of them, by force or violence;

(b) advocate, abet, advise, or teach by any means any person to commit, attempt to commit, or aid in the commission of any such act under such circumstances as to constitute a clear and present danger to the security of the United States, or of the State of Texas or of any political subdivision of either of them;

(c) conspire with one or more persons to commit any of the above acts in this Subsection; or (d) assist in the formation or participation in the management or contribute to the support of or become or remain a member of any subversive organization or foreign subversive organization knowing such organization or a foreign subversive organization; or (e) destroy any books, records or files, or secrete any funds in this State of a subversive organization or a foreign subversive organization, knowing said organization to be such.

Subsec. (2). Any person who shall violate any of the provisions of this Section shall be guilty of a felony, and upon conviction thereof shall be fined not more than \$20,000.00 or imprisoned in the State penitentiary not less than two (2) nor more than twenty (20) years, or may be both so fined and imprisoned. Sec. 3. Any person who shall be convicted by a court of competent jurisdiction of violating any of the provisions of Section 2 of this Act, in addition to the penalties provided therein, shall from the date of such conviction automatically be disqualified and barred from (a) holding any office, elective or appointive, or any other position of profit or trust or employment with the government of the State of Texas or any agency thereof or of any county, municipal corporation, or other political subdivision of the State;

(b) filing or standing for election to any public office in the State of Texas or any political subdivision thereof, or having his name printed on the ballot of any election, general or primary, held in this State or any political subdivision thereof; (c) obtaining, renewing, retaining, or using any license, permit, franchise, or card or certificate of permission issued by any officer or agency of the State of Texas or any political subdivision thereof.

Sec. 4. It shall be unlawful for any subversive organization or foreign subversive organization to exist or function or operate in the State of Texas, and any organization which by a court of competent jurisdiction is found to have violated the provisions of this Section in a proceeding brought for that purpose by the Attorney General of Texas shall be dissolved, and if it be a corporation organized and existing under the laws of this State or having a permit to do business in this State, its charter or permit shall be forfeited, and all funds, books, records, and files of every kind, and all other property belonging to such organization shall be seized by and forfeited to the State of Texas, the funds and other property to escheat to the State as in the case of a person dying without heirs, and the books, records, and files to be turned over to the Attorney General of Texas. Any such subversive organization or foreign subversive organization, upon application by the Attorney General in a court of competent jurisdiction, and upon proper showing, may be restrained and enjoined from functioning or operating in any way for any purpose as hereinafter provided in Section 8 of this Act. Sec. 5. As to any organization, proof of its affiliation with a

parent or superior organization, inside or outside of this State, which is a subversive organization or a foreign subversive organization, shall constitute prima facie evidence that such organization itself is a subversive organization or a foreign subversive organization, respectively, as the case may be.

Sec. 6. To assist in the administration of this Act there is hereby created a Loyalty Review Board consisting of a chairman and four other members to be appointed by the Governor for terms of two years each, provided that two of the first members appointed shall be appointed for terms of one year each, and that each year thereafter there shall be appointed alternately two members and three members for terms of two years each. All such members shall be citizens of the State of Texas, one of whom shall be a licensed attorney and member of the State Bar of Texas, two of whom shall be representative of labor, one whom shall be representative of business, and one of whom shall be representative of the public at large. Each member of the Board shall receive Twenty-five Dollars (\$25.00) per day for each day of attendance while such Board is in session, and actual and necessary travel expenses incurred in connection therewith not to exceed actual cost of transportation by common carrier or seven cents per mile by private conveyance. Three members of said Board shall constitute a quorum. The Board shall meet at the call of the chairman or any three members thereof at any place, inside or outside of this State, and at any time, to investigate and consider charges alleging any person or organization to be a subversive person or a subversive or foreign subversive organization, respectively, such charges to be presented in written petition filed by the Attorney General of Texas with the chairman of the Board or such person as may be designated by him. Upon filing of such petition, the chairman shall cause the same to be set for hearing at a time and place certain not less than ten (10) days thereafter, and shall cause notice thereof, accompanied by a true copy of the petition filed, to be served at once by a peace officer, designated individual, or by registered mail upon the person or organization charged, who shall be entitled to at least ten (10) full days notice. If the person or organization charged cannot by the exercise of due diligence be located, then served with notice, then upon filing of an affidavit by the Attorney General stating that after diligent effort he has been unable to ascertain the whereabouts of such person or organization for service of notice, the Chairman of the Board may cause such notice to be published for five (5) consecutive days in any daily newspaper in the County of the accused's residence, or if the accused be not a resident of any County in the State, then in any daily newspaper published in Travis County, Texas. The other members of the Board shall be notified of such setting, and at the designated time and place the Loyalty Review Board shall convene and proceed to examine such charges. The Board may, in its discretion, hold executive sessions unless the person or organization charged objects thereto, and may, in its discretion, continue the hearing of any such charges for good cause shown. It shall hereinafter be presented by the Attorney General and by the person or organization charged, who shall have the right to be represented by an attorney, to cross-examine witnesses, and to compel the attendance of witnesses in his or its behalf by subpoena issued by the chairman upon the filing of written application therefor as in felony cases. All

to be guilty or found to be a subversive person or a subversive or foreign subversive organization, respectively, shall be suspended, cancelled, forfeited, revoked, avoided, and terminated upon application therefor, in the District Court by the Attorney General or by any District or County Attorney within their respective jurisdictions, or by the issuing officer or agency. No person found guilty of a violation of this Act or found to be a subversive person under the provisions of this Act by the Loyalty Review Board or by a court of competent jurisdiction shall be eligible to hold any office, elective or appointive, or any other position of profit or trust or employment with the government of the State of Texas or any agency thereof, or of any county, municipal corporation, or other political subdivision of the State; and such finding that a person is guilty of a violation of this Act or is a subversive person shall be a ground and cause for discharge, dismissal, and removal of such person from any such office, elective or appointive, or other position of profit, trust, or employment; and any person so found to be guilty of a violation of this Act or so found to be a subversive person shall be removed from any such office, elective or appointive, or other position of profit, trust, or employment, upon application therefor in the District Court by the Attorney General or by any District or County Attorney within their respective jurisdictions.

Sec. 8. The District Courts of this State and the judges thereof shall have full power, authority, and jurisdiction, upon the application of the State of Texas, acting through the Attorney General, to issue any and all proper restraining orders, temporary and permanent injunctions, and any other writs and processes appropriate to carry out and enforce the provisions of this Act. Such proceedings shall be instituted, prosecuted, tried, and heard as other civil proceedings of like nature in such courts, provided that such proceedings shall have priority over other cases in settings for hearing.

Sec. 9. A search warrant may issue under Title 6 of the Code of Criminal Procedure for the purpose of searching for and seizing any books, records, pamphlets, cards, receipts, lists, memoranda, pictures, recordings, or any written instruments indicative of or showing that a person or organization is violating or has violated any provision of this Act. Search warrants may be issued by any judge of a court of record in this State upon the written application of the Attorney General or any District or County Attorney within their respective jurisdictions, accompanied by the affidavit of a credible person setting forth the name or description of the owner or person in charge of the premises to be searched, or stating that his name and description are unknown, the address or description of premises, and showing that the described premises is a place where some specified phase or phases of this Act are violated or are being violated, or where are kept any books, records, pamphlets, cards, receipts, lists, memoranda, pictures, recordings, or written instruments of any kind indicative of or showing a violation of some phase or phases of this Act. Except as herein provided, the application, issuance, and execution of any such warrant and all proceedings relative thereto shall conform to the applicable provisions of Title 6 of the Code of Criminal Procedure.

Sec. 10. The Loyalty Review Board may employ such clerical help and purchase such supplies, services, and space as it may deem necessary to carry out the provisions of this Act, and for such purposes and for paying the

per diem and travel expense of members of the Board, and for the payment of witnesses, there is hereby appropriated from the General Fund out of any monies not otherwise appropriated the sum of Ten Thousand Dollars.

Sec. 11. If any section or any part whatever of this Act, or the application thereof to any person or circumstance, should be held for any reason to be invalid, such invalidity shall not affect or invalidate any portion of the remainder of this Act, and it is hereby declared that such remaining portions would have been enacted in any event.

Sec. 1. The fact that the laws have been or are not now adequate to protect our governments against persons and organizations engaging in acts and activities relating to and looking to the overthrow, destruction, or alteration of our constitutional form of government by force or violence creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each House be suspended and said rule is hereby suspended, and that this Act shall take effect and be in force from and after its passage.

ANNOUNCING PHILLIPS 66

Flite-Fuel

FOR YOUR CAR

A PHILLIPS EXCLUSIVE! Now, for the first time, you can enjoy the benefits of the super aviation gasoline component—Di-isopropyl (pronounced di-iso-pro-pull). No other gasoline has this super power ingredient. It is available only in Phillips 66 Flite-Fuel.

Until recently, the use of super aviation gasoline components was restricted by the United States Government to high octane, high performance aviation gasoline. They were needed to give our planes a tremendous power surge in aerial combat. Now military authorities have released restrictions on the use of these power-packed aviation gasoline components. So Phillips is able to use not only Di-isopropyl but also HF Alkylate, both originated and first manufactured by Phillips. That's why Phillips can bring you this great new gasoline—Phillips 66 Flite-Fuel.

- YOU GET ALL THESE BENEFITS:
- Increased power
 - Smother acceleration
 - Greater fuel economy
 - Higher anti-knock quality
 - Freedom from stalling
- PLUS
- Famous Controlled Volatility, and the extra clean burning features of Phillips 66 Gasoline.
- Let your car's performance tell the story. Get Phillips 66 Flite-Fuel at any station displaying the orange and black Phillips 66 Shield.

EDITORIAL COMMENT

IT WOULD PAY TO CHECK

Another of those instances where the uninformed become targets of slick working and slick talking salesmen occurred in Morton recently.

It doesn't matter who the victims were. It doesn't matter how badly they were victimized. The thing that matters is that we, as citizens of a community which has drafted a law to protect our people against unscrupulous, don't cooperate in seeing that the law is enforced.

This time, the victims were ladies who purchased piece goods purported to be imported English woolsens. The goods were misrepresented and when the ladies attempted to have the material tailored into suits they soon found

ON CONSIDERATION BEFORE VOTING

We've mentioned, at one time or another, almost all the reasons we can think of for people wanting to cast a vote in the election to determine their city and school officials.

There's very little left to be said on that score.

Either you've paid your poll tax or you haven't.

It's far too late to qualify yourself for the right to vote.

But each year, another segment of people pay their poll tax with the full intention of voting. Then, when the day arrives that is one of the utmost importance in their year of activities, they let some insignificant whim occupy their attention and they fail to vote. Perhaps they think to say "well, I just plumb forgot about the election" is excuse enough for not casting a ballot to exercise the great American freedom.

Somehow, in our educational programs, we've got to get people to thinking along more serious lines. We've got to make them see that elections are not glorified popularity contests but mediums by which good men are selected to govern our public living wisely. We've got to make 'em mad at Communists before they quit their Commie coddling and wake up and realize the eminent dangers that lie in the very near future. We've got to shake off a "bossism" system that has strangled the democracy out of elections in many parts of our country... right here in Texas, not excluded.

Yes, paying poll taxes is one thing, voting is another. From every corner we've heard congratulations on what a good job the present school board is doing and defiant shouts that they haven't done their duty. We've heard the city is in excellent financial shape and we have heard it (the city) charged with being non-progressive. Only YOU can decide WHAT the issues are.

Our duty, as we see it, is simply to emphasize the importance of the decisions you are about to make.

First, let's take the school elections. Saturday, you'll be asked to vote for your Independent School District Board positions. Two are to be elected in Whiteface and three in Bledsoe. Seven

it would cost more than the material was actually worth. In other words they'll have an expensive suit out of inexpensive material.

Another instance where it pays to consult someone who knows, before buying. And then, after buying, if the purchaser still has some doubts, it wouldn't hurt for he or she to check on the salesman.

Remember! To peddle in this town he must have secured license, posted a bond, and made proper advance petition for the license.

Check with your City Office. That's one of the things the employees there are paid for. To see that the laws passed by the city are upheld.

must be elected in Morton. These are the very roots of our educational system, these board members. We don't expect men who never make mistakes. But we must demand men who act in the best interests of all of our children. They're handling business... big business. One term of inefficiency sets back the school an indetermined number of years in the course of progress.

Two precinct County School Board members must be elected also. Their duties aren't nearly as cut and dried as one might think. They shoulder a terrific burden. Will we put men in office who know how to shoulder burdens? Or will we let someone else worry about it?

Next Tuesday, come the city elections. Another big business will need a team of managers. A team that will work toward the betterment of the entire city; for expansion, for efficiency, for law enforcement, for fairness. To put in a man who simply is looking for a little prestige; to elect a man who has a personal axe to grind; to hire men who know nothing of finance is to deter the progress of Morton.

Yes, these two sets of elections are important. No more important to Morton than are the elections in Whiteface, important to that City. Talk about "nice guys" and "fine fellows" and "good friends" and "old residents" means nothing, except perhaps to enhance the value of an already good man. The important things are the actions these men will take in office. To be friendly, and peaceful and fun loving isn't to be a good commissioner, or mayor, or school board member; though the two could easily go hand in hand.

Think twice friend. Then think again. It's serious business. Some think fate governs our actions. We say, if you fail to vote or if you fail to consider who will be the best man for the job, you're giving fate a great big boost. And you could be boosting yourself right out of a possible future in a thriving modern, progressive city. Or you could be giving the boost that will deprive your children of the things every child has a right to get out of an efficiently managed school system.

REA HEAD LAUDS

LYNDON JOHNSON FOR POWER STAND

Senator Lyndon B. Johnson's understanding and support of the Rural Electrification Administration's program were praised this week by Ancher Nelson, REA Administrator.

After reading an article by Senator Johnson on the work of the REA, first published in Progressive Farmer and recently republished in Texas Co-op Power, Nelson wrote Johnson to express the hope that the article "is read by every Texan—and, for that matter, by every American."

"It is a straightforward, heart-warming story told in a manner that is bound to promote a better understanding of what the REA program is accomplishing in the building of a greater nation," the REA Administrator declared.

"The paragraph relating to the importance of preserving to the cooperatives the right to borrow for the building of generating plants strikes an important note," he continued. "With this continuing right, the farmer stands on a powerful economic vantage point in his negotiations for low cost power in adequate supply."

"It is our sincere hope, here in REA, to move swiftly and forcefully to lower the percentage of unserved farms in the South and from the sixteen per cent you mention in your article. We believe that during the next twelve months we will be able to reduce that figure rather sharply, and we are happy to be able to count on your help."

Time Is Ripe For Planting Of Sudan Grass For Summer Grazing

COLLEGE STATION—Staggered plantings of sudangrass can go far toward stretching temporary summer grazing for livestock.

Now is the time to plant sudan grass in most of Texas, says E. M. Trew, extension pasture specialist. Plantings in areas where frost may occur should wait until all danger of a freeze has past, he says.

In addition to furnishing abundant grazing when moisture permits, sudan grass—an important "link" in any year-round grazing program—enables livestock to lay off permanent pastures giving them time to rest and get a better foothold before their next grazing season.

Trew recommends planting one acre of temporary pasture for each animal unit. By commencing plantings when frost danger passes and planting at three to four week intervals as long as moisture is available, sudan grazing can be greatly extended. "Some stockmen have had grazing from about six weeks after frost until frost in the fall by using this system," Trew says. Different plantings, however, must be fenced separately, he adds.

Sweet sudan is adapted to the

entire state, but should be planted in the humid area. Common and tift are also well suited to Texas conditions, the specialist says.

Highest benefits from temporary grazing are obtained from rotation. Concentrate livestock on a small area, graze it off in a hurry and then move on to another block.

Fertilization pays off even on temporary pastures, Trew concludes. If there isn't time for a soil test before you desire to plant, contact the local county agent for fertilizer recommendations.

Local Junk Car Does "Well" In Amarillo Races

James Butler's Murrel Brown sponsored junk car entered in the Amarillo races last Sunday placed in the top three in a trio of events as Dub Poston guided the creme colored 1932 Ford with a Cadillac engine to a first place in the fast heat race, second in the trophy dash and third in the main event according to word received here.

No immediate total was available to how the proceeds came out. They were to be donated to Girlstown. The local entry was being reworked again this week in preparation for more races after suffering some gasket trouble.
