November 5 draws closer all the time, and we suspect that many people still haven't decided how they will vote, especially in the presidential race.

(Editor's note -- absentee voting began Wednesday in the county clerk's office, and will continue until November 1.)

In our young career, we've not seen a race which at this stage of the game as so much a "toss-up" as this threepronged race for the White

House shapes up to be. It is muddled and confused even more because of the third party's stronger role in the current race.

We see a lot of "Wallace" stickers on cars and pickups around Friona, Indeed, we saw evidence of tremendous support for the former Alabama governor on our trip to Arkansas last week.

We tend to agree with Life Magazine editorial of last week, which said that if voters indeed wanted a change in national politics, they'd probably spend their vote more wisely in Nixon's direction.

Wallace is more of a protest candidate than anything else. True, he says a lot of things which many people in our area agree with. However, he says a lot of other things which makes you shudder to think of putting him in the Whie House.

Realistically, Wallace doesn't stand a chance of leading the ballot on November 5. The only thing which voters for Wallace can hope to do -- and very well could do -- is to throw the election into the House of Representatives, should neither major candidates get a majority of electoral votes in the election.

However, this might backfire on those same voters, since a potential Democratic congress isn't likely to vote for Wallace. They're more apt to vote for their standard-bearer, Hubert Humphrey.

So, Humphrey could very well come in second -- or even third - in the November 5 election, and still get the president's seat.

Thus, we would think that those voters who are crying out for a change had better think twice before they waste their votes in a "protest" man-

We also agree with the Life Magazine writer in upholding the process by which our Democrat and Republican nominees were selected.

. . . .

Some voters, Life pointed out, are griping because their favorite candidates didn't get nominated. But both the Republican and Democratic conventions (unruly as they may have been), used the democratic process to pick their nominees -- so every candidate had his chance, and every worker had opportunity to push their "man."

The commentator on last week's Gene Stallings TV show said, "You know, the Aggies don't ever get beat - time just runs out on them." -Now why couldn't we Tech exes have come up with a line like that a year ago?

We'd like to put in a plug for high school principal Raymond Cook, one of the nicest people we know. Mr. Cook, who coached the Chieftains during the 1950's, was nice enough to keep a written play-by-play for us to use in compiling our game information in the Hale Center con-

We were out of town last weekend for our father-inlaw's funeral, and asked Ray to help us out. In true Raymond Cook fashion, he came through like a trooper. His game information looked like

he'd been doing it all the time. We learned second-hand that Ray remarked to another person, "If Bill does this every week, he doesn't see much of

the ball game." Which is about right -- but at least our good friend the school official now knows that we try to earn our press pass.

Fire At Earl's

An early morning fire at Earl's Cafe Wednesday did extensive smoke damage to the establishment. The cafe will be closed until repairs can be made.

Star by Bill Ellis was announc- Star. ed this week by Joe Osborn of Osborn, who is an attorney

Austin, former owner. partner until 1963.

Ellis, a native of Muleshoe, is a 1955 graduate of Muleshoe High School, and received his journalism degree at Texas Tech in 1960. He spent 18 Graham served as managing law degree from the University months with the San Mateo (Daily) Times following his graduation from Tech, and returned to West Texas late in

> "I have enjoyed my association with Joe Osborn in the Friona Star, and I am excited over the prospects of owning what I consider to be the best newspaper in West Texas, or anywhere else, for that matter." Ellis stated.

> "We appreciate the support that we have had from subscribers, advertisers and the general public, and we covet their continued support. We will endeavor to make the newspaper continue as a driving force in the growth of our great area," Ellis continued.

In the past six years, the Star has won 36 press awards in regional and statewide press association contests. Twelve of the awards were first-place plaques. Of 11 awards won on the state level, four have been first-place awards. The Star has been judged the "General Excellence" winner in the West Texas Press Association, which covers about half of the state, three times in the last six years. The award cannot be won in successive years.

The Friona Star, helped pioneer the offset printing process. The Star was the first newspaper in West Texas to be printed offset -- just over 10

At the time it took the bold step, there were just a handful of papers in the entire state trying the new process at which oldtime printers scoffed. Today, there are 297 papers in the state printed by offset.

Pause And Reflect

By Nelson Lewis

"Truth, crushed to earth, shall rise again; The eternal years of God are hers; But Error, wounded, writhes in pain,

And dies among his worshippers." (W.C. Bryant's Battle Field) We hear a lot about truth these days. Truth in lending, truth in packaging, and truth in reporting the news.

Truth, like honesty, is the best policy, and without these two cornerstones our words and actions become as tinkling brass and sounding cymbols.

There is nothing more harmful than a "half truth." Between the light of truth and the darkness of falsehood

there exists a sharp line of demarcation the belies the presence of a "credibility gap." Politicians will decide the fate of bills concerning packaging

Writers and photographers will continue to report the news. Both groups have a responsibility to adhere to the facts surrounding their spheres of endeavor.

To deviate due to personal prejudice or executive pressure is to do irreparable harm not only to the public at large but

also to their own professional images. I have just finished reading an article that I consider to be extremely biased and intentionally slanted to degrade the south-

eastern states of our United States. My criticism of this writer's work is, of course, just one man's opinion -- but it is an opinion based on 60 years of living in the area of which he writes, and not upon one short "fact finding" trip backed up by statistics some of which are more than 10 years old.

In his attempt to pinpoint the causes of the turmoil in northern big city ghettos he indicts the entire south and especially those states always alluded to as the "deep south."

He is careful to say that the nucleus of the unrest was spawned in those eleven states that seceeded 108 years ago to form the Confederacy.

Then he adds two more -- Kentucky and Oklahoma -- probably for their statistical value in "proving" his point.

Until the end of World War Two the south was largely agricultural and in many counties the negro population outnumbered the white.

With the coming of modern farm machinery thousands of farm laborers were thrown out of work -- white as well as colored.

They were faced with a very poor choice -- stay at home and deversify their program in order to make a living on the farm - or go north and get a job. The "go up North" argument won,

For a hundred years they had dreamed, as did the children of Isreal, of a land flowing with milk and honey.

Nor had Northern industrialists done anything to discourage Desiring to exploit this vast pool of cheap labor they en-

couraged the exocus, even to the point of offering free transportation to all who would join the crusade.

Thousands headed this call and finding work settled down to become productive, worthwhile citizens.

Thousands more were stranded in a strange, cold, fast moving society and became objects of charity. After a few years of indolence, during which they bred a new

generation who knew no other way of life, they stopped asking and began demanding the good things others had obtained by An excellent way of getting national, even world wide, at-

tention was to yield to subversive urgings and riot.

Stealing is simplified during a riot. After stores are robbed the best way to cover the tracks is

They knew the destructive power of fire -- they had been brought up on stories of Georgia being burned from Atlanta

to Savanah. They knew that when Sheridan completed the rape of western Virginia "a crow flying over would have to carry his lunch." They had had some good teachers and they evidently learned their lessons well.

DEATHER AGE COMMISSIONED. . . Following completion of a course of study from the graduate school of Kansas State University with a Ph. D., Gary Deatherage, who is pictured here as his wife pins officer's bars on his uniform, was commissioned as a 2/Lt . in the United States Army Armor Corps. The point to remember is this - we are divided enough in our national policies and we have a plenty of bissention without being subjected to "half truths" by the news media and major publishers.

.

Lets go after "the facts Man" and be sure we don't put the cart before the horse!

About 1500 years ago, all of the world's most famous theologists, scientists and doctors got together for a meeting and one of their topics of discussion was "How many spirits can dance on the point of a needle?"

It reminds us somewhat of the Supreme Court having nothing more to do than to determine the length of a teenager's hair.

Notes From F.A.R.M. (Friona Association

Of Retail Merchants) By Chuck Everitt

Consider that all or most of our trade is centered within 20 miles either side of Friona. We don't get Amarillo, Hereford or Clovis into our area for shopping purposes.

On the other hand, the west Texas Chamber of Commerce shows us that cities like Amarillo or Lubbock are built around smaller towns and without these small towns, your larger towns could not grow so rapidly. The WTCC also advises that dressing up a community can be a great asset. Even our new rest stop on the East side of Friona has drawn

Each person in Friona could be a welcoming agent to new people in our area, or to people just passing through.

We have as much in this respect as do other places. Hereford has Holly Sugar - Friona has Missouri Beef, Remember, we do label ourselves as the

"Beef Capital." Be proud of that fact and the fact that we have new feed lots - new liquid Feed businesses. Point this out to our new visitors. Even if they stay overnight they will put new revenue in our town.

This is your town - our townwe should be proud of it.

Geneva M. Williams and Elda

When removing food from the refrigerator the only place for placing the foods was on the range or several feet across the range to the cabinet. A small cabinet area by the refrigerator would have added a lot of convenience to this area. The same situation was also observed with the built in oven without any convenient place to place foods when removing or placing food While on this subject of home

TIE-BREAKER: Score) Friona Lockney			

Chiefs Snap Back With Historic Win Over Owls

Getting back into the thick of period. District 3-AA's title chase came in record fashion last Friday for the Friona High School Chieftains. The Chief's 41-16 win was the first ever for Friona on Hale Center's field, and was the largest win margin ever over the Owls.

The teams have met only seven times and last Friday's win was only Friona's second. It was the first in three tries since the two teams have been district opponents.

It was Hale Center's homecoming, and it rained a little -combinations which district teams are finding to backfire this season, as far as winning games are concerned. Four of the first six district games have been homecoming affairs, and all four of the hosts have lost

at their homecoming games. Hale Center, which had an identical 3-1 record to Friona's prior to the game found they had their hands full, as the Chiefs ran up a 35-8 lead in the third quarter, and coasted to their fourth season win in five starts.

The third time they had the ball, the Chiefs drove 71 yards for the go-ahead touchdown. Lowery Harper and Tony Perea, who gained 346 yards between them for the game, sparked the drive. Perea got the TD from the 11, and Johnny Barker's kick made it 7-0 with 1:09 left in the opening

The teams exchanged excellent punts during the season period, and midway of the stanza, Perea fielded a Hale Center punt at the Chieftain eight and returned it to the 17, and from here the team drove 83 yards in only 10 plays.

Isidore Cordova had a big chunk of the yardage, getting 32 of them in two big romps over right guard. Perea raced 27 yards off left tackle to the Hale Center one, and then plunged the final yard. He added two points with a run, and Friona led by 15-0 with 3:54 left in the first half.

And, although there were less than four minutes to play, there was to be a lot more scoring before halftime.

On Hale Center's third offensive play following the kickoff, Perea picked off an Owl pass at the home team's 32yard-line, and romped into the end zone for his third touchdown of the evening. Barker's kick gave Friona a 22-0 lead with 2:28 left in the half.

The Owls then put together their longest sustained drive of the night, using up less than two minutes of the clock. Hale Center completed two passes for 39 yards and twice had nice gains by the quarterback on the runpass option.

Bert Ferguson of the Owls executed this play for 13 yards to the Chieftain one to set up

ans For NEPTUNE. J. W. Hargrove, Chairman

Paid Political Advertisement

Hale Center's first score, and then went over for the six points. Ferguson also circled left end for two points, and left Hale Center trailing 22-8 at halftime. The score came

with 32 ticks left on the clock. The teams started slowly in the third period, just as they had at the start of the game. However, Ferguson fumbled at the Owls' 35 and Perea pounced on the ball to give Friona momentum.

Barker dashed 14 yards to the Owls' 21, and on the very next play, Harper went all the way to score, over right tackle. Barker's kick was again good, and Friona led, 29-8 with 2:46 left in the third quarter.

The Owls couldn't move, and punted to the Friona 14-yard line. From here, the Chiefs went 86 yards to score in only four plays. Because of a penalty, Friona actually gained 101 yards in the four plays, with Perea getting 92 of them in three consecutive plays.

The Friona Flash romped 17 yards on the first play, but a clipping penalty brought the ball back to the Friona 25. This only challenged Perea, who swept 60 yards around left end to the Hale Center 15, and then made the remaining 15 yards off tackle to push Friona's lead

A good return on the kickoff gave the Owls field position at their own 40. Two plays later, Ferguson broke over tackle, cut Perea to the left and sprinted 57 yards Harper to score. This run kept Hale Barker Center from having minus Cordova yards rushing for the night, as the hard-hitting Chieftain de-Procter fense gave up only 49 net yards Mars rushing.

The Owls passed for the two extra points, to pull to within 19 at 35-16 as the final quarter was just beginning.

The Chiefs had one more scoring drive in their bag of tricks. Harper made 26 of the yards in two consecutive cracks at the line. Perea and Danny Player Kendrick gave the Chieftains a first down by advancing the ball

TOTALS GIVEN

Chiefs, Perea May Set New Score, Yards Mark

The 1968 football season is half over, and if the second half is anywhere close to the first half, the Friona High School Chieftains will set some new offensive records.

The Chiefs, who are averaging 33.4 points per game, and 352 yards rushing per outing, bid to become the scoringest and rushing-est team in FHS history.

to the Hale Center 13. Two

plays later, Barker scored on

a left end sweep from nine

yards out. Joe Boggess first

kicked the point, but the Chiefs

were penalized back to the 18,

and Boggess' 35-yard attempt

was barely wide to the left,

leaving the final score at 41-

The Chiefs got back into their

big statistical game, running up

443 total yards. Perea had ov-

er half of the total, with 230

yards rushing, coming close to

the 237 yards he gained against

Farwell for a school one-game

Perea averaged 8.8 yards per

carry. Harper had 116 yards,

and a 6.4 yard average.

By scoring 166 points at midseason, the Chiefs have outscored the 1965 and 1966 teams

just a point less than 1967's entire output.

The highest-scoring team in FHS history was Raymond Cook's 1951 eleven, which scored 273 points in nine games, a 30,3-points,per-game

Friona's yards rushing for the first five games, 1758 yards (almost exactly one mile) is just 228 yards less than the Chieftains of 1967 gained, and

Friona

Opps.

for the entire season, and are that team finished with a 7-3 record.

Tony Perea, Friona's crashing fullback, has dead aim on the school scoring and rushing records. Unless disaster strikes. Tony is a sure bet to break Doug Dodd's rushing record, and if he holds at his current pace, the scoring mark

could also fall. Perea has the fantastic total of 888 yards gained rushing, an average of 178 per game. His total is just 296 yards short of the 1184 yards which Dodd gained in 1964. In his first five games, Perea has scored 58 points, which is two over half of Dodd's total of 114, also in 1964.

Eleven players have gotten in on the scoring act, and second-place scorer Johnny Barker, with 32 points, is having a good year. Both he and Perea are among the district's leading scorers.

Barker is also the secondleading rusher, with 376 yards and a 4.9 yard-per-carry average. The top four rushers for Friona all are averaging better than four yards per car-

Perea, the team leader, has gained over half of the team's entire yards rushing total.

DISTRICT PRESIDENT. . . Mrs. Lane Decker, Floydada, serves as president of the Caprock District Federated Women's Clubs, and will be presiding over an all-day meeting in Friona Saturday when district officers and board members convene at the High School Auditorium. Mrs. Decker is a member and past-president of the 1950 Study Club of Floydada, She is active in church work at the First Baptist Church in her hometown as well as local and district club work. Mrs. Decker's theme for her term of office is ': Enthusiasm for life and fellowman creates a woman involved."

Caprock District Clubwomen

To Convene In Friona Saturday

"Happiness is a woman involved" will be the theme of the official ninth district board meeting of the Caprock District Federated Women's Clubs to be held at the Friona High School Saturday, October

Friona's four federated women's clubs will host the meeting with registration starting at 9:00 a.m. Host clubs are Modern Study Club, Progressive Study Club, Friona Woman's Club, and New Horizons Junior Study Club.

Caprock District President, Mrs. Lane Decker, has announced that Bryan T. Clemens will be the principal speaker for the event. Clemens is the dean of students at Wayland College in Plainview.

The opening session of the day will be held in the Auditorium with adjournment to the School Cafeteria for luncheon. Meetings of various departments will be held in the classrooms nearest the Audi-

Friona Girl Scouts will be in charge of the Presentation of Colors to open the program. Mrs. C.A. Lacy will head the Pledge of Allegiance. Paula Fortenberry will sing "God Bless America" accompanied by Mrs. Roy V. Miller.

Friona Mayor W.L. Edelmon will give the official greeting with the welcome by Mrs. J.G. McFarland. Others on the

morning's program include Mrs. Eugene Jones, Mrs. Harold Green, Mrs. Bill Davis and Mrs. Joe Taylor.

Reports from the executive committee, standing committees and special projects will take up the morning business. A fashion show is planned for mid-morning to break up the business sessions.

Mrs. LeRoy Johnson, first vice president of the district, will preside over the luncheon meeting. Dinner music will be provided by Risa Howell. Friona Trebelaires will present the special music. after which Clemens will address the group.

Mrs. O.C. Rampley, second vice president, will preside over the afternoon session consisting of standing committee and department chairmen reports.

Mrs. Decker, president, will close the meeting with announcements and resolutions. Mrs. Sammie Robertson, Junior Director, will be in charge of the afternoon's junior conference.

Mrs. Clyde Brownlow will lead the group in the Club Collect to close out the day's activities.

All local clubwomen are urged to attend. Registration fee is \$1.50 with luncheon set at \$2.25. Approximately 130 women from around the area are expected to be present.

WILL SPEAK. . . Bryan T. Clemens, Dean of Students at Wayland College, Plainview, will address the Board Meeting of Caprock District Federated Women's Clubs at the luncheon meeting in the Friona High School Cafeteria Saturday. Clemens holds degrees from Pampa High School, Wayland College and Purdue University. He is currently a candidate for the Ph. D. degree at Purdue in the field of counseling, psychology and student personnel administration in higher education. He will address the group on "Happiness Is A Woman Involved." which is also the theme for the day's meeting.

MRS. LEROY JOHNSON. . is First Vice President of Caprock District and is a member of Town and Country Study Club of Morton.

EJWE Caprock District Officers

QUEEN AND COURT... Debbie Benge, center front, was crowned Girl's Auxiliary queen in a former coronation ceremony at First Baptist Church Sunday evening. Pictured with Miss Benge are members of her court. Each girl in the court was recognized for doing exceptional work in memorizing scriptures and learning more about missions and their denomination's work.

WOULD YOUR CONGRESSMAN **VOTE FOR GEORGE WALLACE?**

Some fine Texans are tempted to vote for the 3rd party candidate because they admire his stand and his statements on some of the major campaign issues . . .

STOP AND THINK WHAT WILL ACTUALLY HAPPEN ...

The best that Wallace supporters can hope for is enough strength to throw the election into the turmoil of a Congressional election by the House of Representatives . . .

THEN WHAT HAPPENS?

The answer is certain and simple. Wallace supporters are at the mercy of Washington Politicians! Every vote for George Wallace automatically becomes a vote for Hubert Humphrey!

THERE IS A BETTER CHOICE . . .

A vote for the NIXON-AGNEW ticket is a positive vote for "change" with the definite promise that our National Affairs will take a new direction . . . the direction you want it to take!

YOU CAN TAKE OUR WORD FOR IT!

United States Senator

Chairman, Nixon Key

South Carolina Chairman, Thurmond

Ddta Kappa Gamma Meets In Amarillo

Delta Kappa Gamma Society held its regional meeting in Amarillo Saturday, October 12 at Bonham Junior High School with the Eta Phi Chapter of Amarillo as host chapter.

Registration began following president's breakfast, which was attended by eight presidents, at 7:30 a.m.

Theme for the 400 key women teachers was "Look to the Work," and was depicted in panels, skits, discussions and dialogues by the various chapters during the morning ses-

"Work to Give of Ourselves" was presented by the Delta Xi Chapter, which includes Deaf Smith, Castro and Parmer Counties. "Work to Serve Our Profession," "Work to Improve Our Image in the Eyes of the Public," and "Work and

Plan For the Future," were Times Reveal," was the title themes presented by members of the Amarillo chapters.

"Work Toward Better Publicity Locally," was the theme of the Littlefield chapter's presentation. "Work Toward Member Participation," was presented by the Plainview Chapter and the Wellington Chapter chose, "Work to Strengthen," for its theme.

Luncheon was served in the school cafeteria at 12:30. The keynote speaker was Mrs. Ruby Lee Lafferty, counselor in an El Paso Junior High School. She is a past president of the organization and is presently serving as the regional director. In addition to her address, she presented a report of the International Convention, which was held in New York in Au-

CHANGE OF OWNERSHIP FOR THE FRIONA STAR

Joe Osborn, left, and Bill Ellis stand adjacent to several volumes of newspapers representing the time both have been associated with the Star.

Joe Osborn, who has been owner or part owner of the Friona Star since 1956, announced this week that he has sold the newspaper to Bill Ellis, who has served as editor and manager of the Star since 1962. "I know the newspaper will continue its successful pattern of recent vears, and wish Bill the very best of luck in his endeavors," Osborn said.
