THREE WAY SCHOOLS READY FOR OPENING, FACULTY IS COMPLETE

When the Three Way school opens its doors on August 29, there will be four new teachers on the faculty roster, according to information released this week by Supt. Archie Sims. Mrs. Olene Lyons, Mrs. Nan Dyer, Beryl Green and Joe Millard have been added to a staff that is complete as the date for school opening rapidly approaches.

Registration hours have been set

No Jury Cases In Civil Court

The 72nd District Court Civil Jury was released without having to sit in on a trial, Monday.

Judge Victor Lindsey's Court in session with three cases on the docket, passed two and the other indicated they did not want a jury trial before the Judge dismissed the jury.

One member had already been dismissed when he failed to qualify because he had not been a resident of the state long enough. Two of the prospective jurors arrived late and one had to be sworn in separately after the others had already taken the oath.

The case of Winder vs. Eddy was announced as ready for trial, as the would be jurors filed down stairs to receive their \$5 checks for one short day of jury service.

Maple Coop Gin Is Now Adding New Equipment

The Maple Cooperative Gin is in the process of adding new machinery that should speed up the ginning operation by one third, according to manager L. B. Fox.

Fox said this week that they expect to start the installation this week and hope it will be completed before ginning starts, although they might be a day or so late.

The object, of course, is to provide better service to customers. Fox said. He pointed out that the last time the equipment was replaced was in 1948. The recent bad crop years have made remodeling next to an impossibility but as of this date, the present crop is looking pretty fair.

The remodeling plans call for an addition of 2-10 foot burr machines and 4-30 saw gins. Also to be added are 4 lint cleaners and one new condenser. All of this equipment is Continental.

Other equipment to be installed are 4 Super Champ Mitchell Feeders and the entire ginning operation will be electric individual drive. Fox also said he would expand the double suction shed with a traveling telescopic.

The speed up of the ginning operation should shake loose cotton trailers more easily, Fox said. Often the time consumed waiting for the trailers to get unloaded and the ginning operation to start, is a vital factor to farmers who need the trailers for more cotton.

Last year, in what Fox termed "a light year" his cooperative gin turned out 2,660 bales of cotton.

Local Man One of Seven from Area Inducted In Army

Teddy Mack Hammonds, formerly employed by Hawkins Oldsmobile of Morton, was among seven tri-county area youths inducted in the Army last week from Local Board No. 4, according to a news release from Virginia Weyer secretary of the Board, with offices in Mulshoe.

Teddy, the only Morton boy in the group, has been a resident of this city most of his life. He was a graduate of Morton High School and has a brother, Harvey, serving in the Army.

The rest of the list of inductees that left last Tuesday included one man each from Spade, Amherst, Olton, Littlefield, Earth, and from Mulshoe. One other youth from Littlefield was to report for his pre induction physical.

SWIMMING POOL TO CLOSE ON SUNDAY, AUGUST 28TH

The Cochran County Swimming Pool will close for the summer on Sunday, August 28th, it has been announced by Charles Painter, the Pool Manager.

Regular hours will be observed on the closing day, Painter said in an announcement this week.

FIRST TRIBUNE EXTRAS PUBLISHED SATURDAY

For the convenience of those readers who did not get a copy of the two "EXTRAS" published on Saturday and Sunday of last week, inside, on page, we have reprinted the story and comment on the Grand Jury indictments returned last Saturday afternoon by the 72nd District Grand Jury.

Local Schools Still Needing Two Teachers

Bill Atkins, grid and track star for McMurry College the past two years, has accepted the position of assistant coach in football, girls' basketball coach and will teach history in Morton High School. It was announced this week as the list of teacher vacancies in the Morton schools shrank to two, and one of those may be filled soon.

Atkins, who replaces Charlie Painter who resigned to go back to ENMU for postgraduate work, is a former talkback for the McMurry Indians grid team and ran the relays and dashes for the Indian track team.

Atkins also attended Henderson County Junior College and graduated from McMurry last spring. He is a native of Dallas, unmarried, and majored in physical education at McMurry. At present he will work with the backs on the Morton grid squad which goes into training next Monday.

One other teacher hired this past week was Mrs. Phillip Sheard who will teach language arts in the 7th and 8th grades Mrs. Sheard is a resident of this city for several months having moved here when her husband was transferred in to the Llano-Grande Gasoline Plant.

Last week, Supt. Owens announced the hiring of Mr. and Mrs. Archie Acker. Acker takes over as elementary principal.

The additions eased considerably the strain on the local school after several recent resignations.

Indians Open Grid Practice Next Monday

With only three returnees from their regular lineup of last fall, a Morton Indian grid team will go into training Monday, in an effort to better a so-so record posted in 1954.

Coach W. B. (Bucky) Walters, opening his second year as head coach at Morton has issued a call for all boys interested in trying out for the team to report to the High School gymnasium, Monday with whatever they'll need to stay for a week of training and sleeping at the gymnasium.

Boys are to report at 8 a.m. to draw equipment and practices for the entire week will be scheduled twice daily. Gridders will be expected to remain there at the gym with the team. Meals will be served in the cafeteria.

The only three regulars from the squad last year are Williams, end, Thompson halfback and Neagle, quarterback. However several others who saw heavy duty are returning including a very promising lineman, Sharon Hawthorne.

Walters said Seagraves and Denver City are tabbed as the teams to beat from the conference this year. Sundown has lost almost all of the boys who gave them a championship team last year and Stanton also lost their heavy team. The Mustangs, with a young team at Denver City, last year, were one of the largest teams in the Class A ranks and should prove potent. At Seagraves, they have the most veteran team in the circuit.

The conference has been cut to seven teams this year with the placing of Whiteface back into the Class B ranks.

Morton opens up with a game with Post at Morton, September 9, and then faces Olton and Sudan and has an open date before entering conference play. They next meet Seagraves in Morton, Oct. 7, for the first conference battle, go to Whiteface for a non conference encounter and finish the season in conference games with O'Donnell, Sundown Stanton, Coahoma and Denver City.

Budget Hearing For School Set Friday Morning

The budget hearing for the Morton Independent School District is to be held on Friday, August 19, from 10 to 12 noon, it was reminded this week.

Business Manager, R. H. McCasland, Supt. H. A. Owens and Board President Elmer Gardner will be on hand to explain the budget in detail or answer questions about it. The budget was drawn up recently and shows an estimated income of \$272,000 and estimated expenditures of \$262,000.

Heaviest items of expense will be: administration, \$23,346; salaries of teachers, \$151,459; maintenance, \$18,500; and school services, \$27,880.

Estimated income shows the following: per capita from the state, \$68,341; County taxes, \$60,000; Equalization tax, \$40,000; F. Fund \$53,000 and transportation fund, \$19,000.

MOTHER IMPROVING, HAS SONS AS GUESTS LAST WEEK

Mrs. R. R. Tucker seems to be improving some but is still confined to her bed in the home of her son, J. W. Pond.

Rev. T. L. Pond of West Camp visited Saturday evening with his mother in the J. W. Pond home.

C. G. SHAW FORMER COMMISSIONER DIES OF AUTO ACCIDENT INJURIES

C. G. (Charlie) Shaw, long time Cochran County resident, and an employee or elected official of the county for 16 years, died, at 1:30 a.m. Wednesday morning in the Cochran County Hospital of injuries sustained in an auto accident Monday, at the intersection of two county roads.

Shaw, 60-year old former Cochran County Commissioner from Precinct 4, was fatally injured Monday morning when his 1949 Plymouth was involved in a collision with a car driven by a Latin American woman, two miles west and one and one quarter mile north of Morton.

Shaw's car was badly smashed and turned over on its side from the force of the impact and he was knocked unconscious inside the vehicle. Early reports at the Cochran County Hospital where he was taken for treatment listed him in fair condition suffering from six broken ribs on the left side and numerous cuts and bruises. The woman in the other car was uninjured she said after the accident.

But Shaw experienced difficulty in breathing and it was believed by friends that lungs may have been punctured or damaged.

Shaw was traveling, alone, south on a county dirt road west of the city at about 9:45 a.m. He said later he had no idea the other car was coming and, in fact, when he first recovered consciousness, did not know another car was involved.

Registration Dates Set For Morton Students; Faculty To Attend 3-Day Curriculum Workshop Aug. 29 - 31

September first and second are the days of registration for Morton students to re-enroll. It was announced this week by Supt. H. A. Owens.

Seniors and Juniors in Morton High will register on September 1st. Seniors from 9 to 11 a.m. and Juniors from 1 to 3 p.m. On September 2nd from 9 to 11 a.m. the Sophomores will register and the Freshmen will register from 1 to 3 p.m. on the 2nd.

First grade orientation will be held from 9 until 12 on September 2nd. All students entering the 1st grade must have a copy of their birth certificate before they can be registered.

The colored school will open on August 29th. Owens advised.

Buses will run their regular schedule beginning September 2nd but the lunchroom will not be open until September 6th.

All Morton School faculty members are to attend a curriculum workshop on August 29th, 30th, and 31st, it was announced this week by Supt. H. A. Owens.

Alma Pauline Owens, wife of the local school superintendent, H. A. Owens is a candidate for the BS degree in elementary education in the commencement program. She has been teaching in the Morton schools the past few years under a special privilege granted by the state in cases where schools were having difficulties securing qualified teachers. She has worked in the past three summers to earn the necessary credits for her Bachelor degree.

Christine Kitchens, a teacher at Whiteface for several years, will receive her Master of Education degree in the exercises.

Both of the above named women had already been rehired to teach in the Fall term at their respective schools.

McMurry will confer 22 master's degrees and 33 bachelor's degrees in the summer commencement program.

The Rev. Austin H. Dillon, pastor of the First Methodist Church of Roswell, New Mexico, is slated to deliver the commencement address on the topic, "To Serve The Present Age."

Honorary doctor's degrees will be conferred by the college on the Rev. Dillon and R. B. Bryant, Stamford businessman.

BAND DIRECTOR ISSUES CALL FOR 1ST MARCHING REHEARSAL HERE

Morton High school band rehearsals will begin on Monday August 29, it was announced this week by John Bealmer, band director who added that the first marching rehearsal for the fall season is to be at 4 p.m. on that date at the band hall. Every member of the band last year who is to rejoin the band this year, and all new band members are requested to attend this rehearsal as well as the practice sessions scheduled daily for the remainder of that week.

After a very active summer in which several band members attended band camps at ENMU and West Texas State and many participated in the local band program, the entire group must now prepare for a full schedule of appearances during the fall football and parade season.

Leading the band as drum major again this year will be Barbara Lackey, an MHS Senior student. Majorettes will be Mary Silhan, a Junior; Glenda Allsup, Senior; Nelida Faye Fincher, Senior and Theotis Foust, Junior.

All Morton School faculty members are to attend a curriculum workshop on August 29th, 30th, and 31st, it was announced this week by Supt. H. A. Owens.

PUBLIC HEARING OF COUNTY BUDGET SET FOR 10 A.M., AUGUST 29TH

Public Hearing on the proposed 1956 Cochran County Budget has been ordered for August 29 according to an announcement in this issue of the Tribune.

The hearing, to convene at 10 a.m., is open to the public at which time the Commissioner's Court will explain the proposed budget. The proposed budget, according to law, will be on file in the office of County Clerk several days before the hearing so interested parties can get an idea of how the finances are to be partitioned out.

The Commissioner's held their preliminary hearing Wednesday to set the date for the hearing. It must, by law, be advertised 10 days prior to the meeting.

County Judge Fred Stockdale, recently hospitalized because of a heart condition an acute attack of asthma, was unable to be on hand for the meeting.

There was no advance word on what the proposed income and expenditures for the coming year will be. The budget had not been completed Wednesday, according to one of the local officials but is expected to be ready in a few days.

Two Candidates For Degrees At N. Texas State

DENTON, Aug. 16 (Sp.)—Jim Sybert, son of Mr. and Mrs. Earl Sybert of Morton, and Mrs. Mabel Roane Beckett, daughter of Mr. and Mrs. J. E. Roane of Bledsoe, are in a group of 358 seniors who have applied for bachelor's degrees at North Texas State College this month.

Summer Commencement services have been scheduled for 8 p.m. on August 24, in the NTSU main auditorium.

Sybert is a candidate for the degree of bachelor of arts in physics and is a member of the American Institute of Physics.

Mrs. Beckett is a candidate for the degree of bachelor of science in library service. She taught last year at Klondike school in Lamesa.

Mr. and Mrs. Perry Demere and children, former Morton residents, have moved from Hereford to Abilene where he has taken a job as a linotype operator for the Abilene Reporter-News.

Scott Named Representative for Williamson Insur.

Leroy (Speedy) Scott, former head coach at Mulshoe and a native West Texan, has been named representative here for the Williamson Insurance Agency, it was announced this week.

Scott assumed his duties Monday and will write all types of insurance, including: life, fire, auto, casualty, and disaster.

Mr. and Mrs. Scott and their two children, Cassandra, 9, and John, 5, will move here as soon as a residence is secured.

Natives of Memphis, Texas, Mrs. Scott is the former Miss Pat Aud-dell of that city. They are both members of the Baptist church. He is a member of the Mulshoe Lions and A. F. & A. M. Scott received his bachelor of science from Howard Payne and Master's degree from West Texas State.

He served four years in the Navy during World War II.

Posse Polo Team Wins Two, Ties

The Cochran County Sheriff Posse Palmetto Polo team finished the season strong by winning two out of three matches and tying in the other.

The local riders finished third in the conference, and would not lose two matches to only one team, Lubbock.

In games played last week, the Cochran team trimmed Terry County, 4-2, their first win over the Brownfield riders. They also got a 6-4 decision over Lovington in a game played Sunday. The other match wound up in a 2-2 tie.

VISIT IN NEW MEXICO

County Attorney and Mrs. M. C. Ledbetter and family left Sunday morning for Ruidoso, N. M., where they will visit in the home of Dr. and Mrs. V. E. Rattan and family. The attorney said that in case he is needed he can be reached at the Rattan home on Viejedo Lane in Ruidoso.

Savings Bonds Sales Are Logging

Cochran County Savings Bonds sales have reached only 12.1 per cent of the 1955 quota, J. I. Adams area bond sales manager, announced this week.

The County's quota is \$100,000. Sales, to July 1st, are only a total of \$12,054, Adams said.

C. G. Shaw Rites Friday Afternoon At Miss. Baptist

Funeral services will be held on Friday afternoon at 2 p.m. at the First Missionary Baptist Church in Morton, for C. G. Shaw, 60-year old former County Commissioner who died in the Cochran County Hospital, Wednesday morning of injuries sustained in an auto accident Monday morning.

Rev. Curtis Carroll, pastor of the church will conduct the services and the funerals will be under the direction of the Singleton Funeral home of Morton.

All of Shaw's eight children are expected to be on hand for the final rites one of the sons said, Wednesday night.

Shaw moved to Cochran County in the Fall of 1926 from Littlefield but had only been there a short time. He had settled in Lorenzo a little earlier. In Cochran County, he farmed southwest of Morton.

He served for 4 years as maintenance operator of Post 44 under Commissioner W. W. Smith. He then served four more years in the same capacity as Glenn Thompson took over the Commissioner's duties. Thompson left office and it was Shaw who was elected Commissioner from that Precinct. He served four terms, eight years, as Commissioner, from 1945 through 1952 and served under three County Judges, R. C. Strickland, Glenn Thompson and Fred Stockdale.

Shaw also operated the Star Route Grocery just west of Morton for a few years. He left Morton and Texas a few years ago and had only recently returned.

Survivors include the wife, of Morton, five sons and three daughters. They are: J. B. of McDaniel, New Mexico; Fred of Carlsbad, New Mexico; C. R. of Oklahoma City; Mrs. Leo McClendon of Baldwin Park, California; W. S. of Mulshoe; Mrs. George Clark of Lubbock; Vernon of Morton; and Mrs. David Clevenger of Morton.

He also is survived by three sisters and five brothers and his parent, two brothers and one sister preceded him in death.

Shaw was born in 1894 in the town of Licken in Texas County, Missouri.

Five Subpoenas In Hearing Here Still Unserved

Only one of six subpoenas yet to be served in conjunction with the present Grand Jury hearing on misapplication of County Funds, was served this week, but local officers expressed the hope that others might be contacted soon.

One person in Abilene was served over the weekend. Other subpoenas were left in Seagraves, Lubbock and Dallas. Three are to be served in Dallas.

Deputy Chester Miller took the subpoenas out and left them in custody of law enforcement officers in the various towns when he was called back to Morton because of the sudden illness of his wife.

The subpoenas were among the last ordered served by the Grand Jury before they adjourned last week until September 8th. It brings to a total of more than 40, the number of people summoned to be questioned by the Grand Jury.

The jury indicated they didn't want to complete their duties until they could talk with at least 3 persons they had been unable to reach.

INDICTED MEN POST BOND HERE SUNDAY

Four former Cochran County officials who were charged by a 72nd District Grand Jury last Saturday with "Misapplication Of County Funds," posted bonds totaling \$14,000 within 36 hours after the Jury returned its indictments. The men, former County Auditor Earl Cadenhead; former County treasurer, Odell Smith; former County and District Clerk, T. W. (Joe) Pierce; and former Precinct Four County Commissioner Charlie Shaw, all had their signed bonds in the Sheriff's hands "at about dark" Sunday night, according to Sheriff Hazel Hancock.

INDICTED MEN POST BOND HERE SUNDAY

Two of the other men, Shaw and Pierce got their papers Saturday evening and the fourth secured his on Sunday morning. Other bonds were signed by another Morton resident; by a former County official, and by a present county official, and by two county farmers. The bond total for Shaw was \$2,000 & for the others \$4,000 each.

Earl Cadenhead, charged on two counts, was the first to get bond made. His announced lawyer, a former District Judge who appointed Cadenhead to the post at which he was alleged to have misused county funds, brought back the papers signed by two Morton businessmen, only a couple of hours after the indictments were returned. Blair had been waiting in his courtroom as the indictments were returned.

Does This Constitute Waste?

The above picture was made at a mill field with rows 9/10ths of a mile long and with no steps taken to keep irrigation water from emptying into nearby road bar-ditch.

This picture of water produced for irrigation uses was made after following the water for 1 1/2 miles from point where it left the land upon which it was pumped.

IMPORTANT NOTICE!

Waste of underground water as defined in Texas Law was amended in the 1955 session of the Legislature by adding the following section:

"(e) WILLFULLY CAUSING, SUFFERING, OR PERMITTING UNDERGROUND WATER PRODUCED FOR IRRIGATION OR AGRICULTURAL PURPOSES TO ESCAPE INTO ANY RIVER, CREEK, OR OTHER NATURAL WATER COURSE, DEPRESSION, OR LAKE, RESERVOIR, DRAIN, OR INTO ANY SEWER, STREET, HIGHWAY, ROAD, ROAD DITCH, OR UPON THE LAND OF ANY OTHER PERSON THAN THE OWNER OF SUCH WELL, OR UPON PUBLIC LAND."

The 72nd District Grand Jury, after bringing seven indictments involving four former County Officials, requested and received permission from District Judge Victor Lindsey, Saturday afternoon, at about 3 p.m. to adjourn until Thursday, September 8th, at which time they hope to resume questioning of persons who were originally subpoenaed but were unable to appear.

Indictments of misapplication of funds were brought against T. W. (Joe) Pierce, former County District Clerk; Earl Cadenhead, former County Auditor; Odell Smith, former County Treasurer and C. G. (Charlie) Shaw, former County Commissioner from Pet. 4. Smith, Cadenhead and Pierce were each indicted on two counts. The Grand Jury, in their report to the Court said in part "... we have heard testimony for six complete days dealing with the financial affairs of the County. In this connection, we have talked to approximately 35 different witnesses and have studied the financial records of the different offices in detail."

"They said they had a partial report from the auditing firm which is making an outside audit and find it will take at least another thirty days to complete the audit, including an audit of County Hospital records. They also said, 'we have been unable to talk to one of the witnesses under subpoena because of illness and two other witnesses were never served because of temporary absence from the state. It is our sincere desire to talk to these witnesses, along with others that will be subpoenaed in an effort to make the investigation as complete as possible.'"

"We therefore request that this be considered as a partial report and that we be adjourned until Thursday, September 8, 1955, at 10 a.m. at which time we will resume our investigation."

Judge Lindsey granted the request which was signed by Jury Foreman, Syd Coffman.

The specific indictments were as follows:

(1) That Odell Smith, on March 27th, 1954, unlawfully and fraudulently drew a check for \$380.90 on the County Depository from the Officer's Salary Fund, allowed by the Commissioners' Court.

(2) That Odell Smith, on September 10, 1954, did unlawfully and fraudulently take and convert the same for his own use, the amount of \$390.

(3) That Earl Cadenhead on June 24, 1953, did make out a check to himself, to which he was not entitled, in the sum of \$387.18, drawn on the Officer's Salary fund.

(4) That on June 19, 1954, out of funds that had been deposited in the County Depository, Earl Cadenhead did deliver unlawfully to Odell Smith, by drawing a check on the Officer's Salary Fund, \$380.90 which check was signed as an officer's salary check, by Mrs. Lee Taylor, County Clerk and Deputy Clerk Helen Ingie, and which the said Earl Cadenhead knew Smith was not entitled to receive.

(5) That on October 2, 1952, the said C. G. Shaw came into a check drawn on the Levelland State Bank for machine hire, delivered by Harrison Durham, as compensation for the use of a county machine, in the sum of \$189, and did unlawfully and fraudulently convert the same to his own use by filling in the name C. G. Shaw and cashing it for his own use.

(6) That T. W. (Joe) Pierce, County District Clerk at the time, did on October 15, 1952, unlawfully convert to his own use the sum of \$524.85 in money and checks which

he had received through his office between the dates of September 1, and October 15, 1952.

(7) That T. W. (Joe) Pierce did on or about December 1, 1952, convert to his own use fraudulently, \$259.96 in checks and money received through his office between the dates of November 1, and December 1, 1952.

The four men were placed on bond of \$2,000.00 on each count. Dan Blair, former District Judge, said after the hearing he would have Cadenhead's bonds posted "as soon as I can get back here (the Sheriff's Office), in an hour or so. There was no immediate word as to when the other men would make bond.

The County Sheriff's office records revealed that 25 men from this county were subpoenaed to appear before the Grand Jury and the other 10, presumably were from out of the county.

A check of those going before the Grand Jury revealed that County Judge Fred Stockdale did not appear and reports from the Hospital on his illness, corroborated the fact that he is the man referred to as "not talked to because of illness."

By Eddie Irwin

WELL, the Grand Jury hearings have subsided for awhile, at least until September 8th, at which time the April term of the Grand Jury hopes to go back into session and complete its investigation into the now definitely charged misapplication of funds in Cochran County. But because the hearing has been halted for awhile, doesn't mean the talk will subside. Mortonites still are in somewhat of a quandary, trying to figure out just what is what, and where this jig-saw puzzle fits together.

fact is ...

THEY'VE HEARD so much rumor in the past three months, they just don't know what to think. As they first read what findings the Grand Jury has made public, they began to think out loud ... what does it all mean? Have we been hearing wrong about the amount of money missing? Why didn't the Grand Jury do something about this? Or that problem. You've been in on the talk as well as we have. You know what all people have been saying. So, in this column, it is our intention to make clear, a few of the facts that haven't been completely understood.

for instance

THERE COULD be more indictments later. Don't misunderstand the adjournment. This Grand Jury isn't through. They've certainly made it very clear in their report that they had not been able to interview at least three men they definitely want to talk to. Their actions and their application to a duty none of them wanted any more than you or I, should convince everyone they are trying to get to the bottom of any wrong doing, regardless of who is involved. That they will have a tough time getting together on all the points, is a foregone conclusion. When was a mess like this ever easy to bring out in the open?

they've said ...

THE OUTSIDE audit won't be completed for another 30 days. And they added that the hospital audit is among that not yet completed. Certainly you don't expect them to even try to base any findings on an incomplete report. As to whether there will or won't be any more indictments returned, only time can tell. Those boys may have an idea what other indictments could be necessary. But they are sworn to secrecy, and even if they weren't they wouldn't be the type of men you'd want on a grand jury if they had already made up their mind about matters on which they have yet to get the whole story.

two of the ...

Grand Jury members, said after the hearing had recessed, the job wasn't exactly a tasteful one. One had sat on a lot of Grand Juries, but this was the first of its kind for him, and it's a good thing they don't occur more often. Especially, in a small town, it isn't easy to plunge headlong into a matter that you know will not only hurt those involved, but will hurt many innocent people too. We've a feeling they are going to be mighty glad when it's over, so that the 'heat'

Present in the Courtroom when the Grand Jury made its report were Judge Lindsey, former Judge Dan Blair, District Attorney Travis Shelton, County District Clerk Lee Taylor, the members of the Grand Jury, Assistant County Reporter Kenneth May and Morton Tribune publishers Bill Glassford and Eddie Irwin.

Blair said he and J. E. Vickers of Lubbock would defend Cadenhead and said both had known the former auditor for many years. Blair was the man who appointed Cadenhead in 1945, to take office on January 1, 1946. Cadenhead was the first County Auditor ever appointed here.

Cadenhead resigned his office effective the first of this month and Smith resigned his position also last month. No treasurer has yet been appointed. The Commissioners said they wanted to "hold up" the appointing of a treasurer until the County Judge could meet with us," according to Ran Holloman, Commissioner of Pet. One.

No date has been set for the hearings of the defendants.

is off. That's why we're glad they were able to make some kind of a return, even though the matter is far from settled. It will put an abrupt end to some of the wild rumors that have been flying around and should take a little heat off the county workers who are not in anyway involved.

we'd hoped ...

SOME OF THOSE involved in the indictments would make a statement to the people through the medium of the newspaper. But, it now appears they do not choose to do so, and all we can do now is wait and see what develops.

one of the ...

THINGS THAT made the job of returning indictments so difficult, was the fact that there was so much to investigate, the group undoubtedly got off on tangents, many, many times. To have reported in just six days, is a pretty good job in view of all the angles different people seemed to want looked into.

some are ...

WONDERING, what would happen if the boys didn't get their investigation completed before time for a new Grand Jury to be called. According to the District Attorney, the GJ would then have to turn over the reins to the new group.

WEDD LIKE TO act the people

This jury must go out automatically when the next grand jury is appointed. They cannot be held over. Shelton says that could make the problem even tougher. For the new Grand Jury, should they have to continue the present investigation, might not want to take the recorded testimony as fact. They might want to actually hear the people who told it. And, of course, there are those who are sure the "hot group" won't be "hard" as the one now in session.

but we shouldn't ...

WORRY TOO MUCH about this possibility yet. After all between September 8th and October 10th, the date the Grand Jury goes out, the present 12 men have another month in which to complete their task. It's not only possible, it's probable they will complete it in plenty of time. They've proved by asking and receiving permission to someone in a month, they want to finish the job. They aren't trying to pass the buck or they would have done so Saturday. In just a matter of six short days—short to us but no doubt long to those on the grand jury and those who had to await it out waiting to be called to the stand—they've collected a mass of information. They have a pretty good idea, by this time, in what direction they're headed.

so don't worry ...

IF THERE IS more money that has not been accounted for, it will be reported by the auditor later. Remember this. Usually bills are returned only on a small percentage of missing funds. This is because the case has to be prepared by attorneys, and a long drawn out list of charges would be much harder to get a conviction on. After all, it is the District Attorney's job to get a conviction, if at all possible. And, if it isn't as 'bad' as has been whispered, then let's just be thankful.

rumors that ...

THE COUNTY is "broke" aren't true, yet, according to Commissioner J. N. Foster. The funds are very low, and have been lower, but so far they haven't reached rock bottom this year and haven't had to borrow any money yet. If the judge gets well quickly, they'll get together and set the rate, and money will again start to roll in before they go broke.

the assessor ...

SAYS HE'S ready to get the tax roll figured as soon as he gets a tax rate set by the Commissioner Court, and its evident everyone is in earnest about getting this done as quickly as possible.

one more point ...

WEDD LIKE TO act the people

straight on. Shelton was asked if he could say how much money had been paid back, if any, into the County by the former officials indicted. Shelton said he felt sure some was paid back but could not say how much. That would have to come from the auditor (Nemier) in his report and that report isn't completed. Would that have anything to do with the indictments? Probably not. If the money had been wrongfully used, it shouldn't make any difference whether it is paid back or not, as far as the indictments are concerned, though in court, when the accused go on the stand, it would naturally have an

effect on the judge or jury as to whether leniency he allowed the accused.

so in closing ...

WE SAY thanks to the men of the Grand Jury for a very conscientious job. We only hope some of those explanations will tend to keep people from asking so many questions you won't be allowed to answer. But if they do, to remember this. The general public isn't trying to pry out something you aren't supposed to tell. They're just wrought up over the situation and they're mostly rational, not fact, to go on.

Report from . . . YOUR COUNTY AGENT

Homer E. Thompson

Well it is good to be back on the job as County Agent, after two hot weeks at North Ft. Hood, Texas. The Army life is not what I'd call a good place to be, if it has to be at Ft. Hood. High temperatures prevailed — with heat comfort for all. Seventy four men and officers of the 413th National Guard Company attended.

Last week it was, right out of one camp into another a camp of a different sort, but a better one I believe. It is the annual 4-H Club Boy's District 2 Encampment, Lubbock. The boys' camp began on Tuesday, August 9th, at 10 a.m. The

registration opened the program and lunch followed at noon.

At this camp the boys received special training in Leadership, Educational First Aid, Crafts, Safety, and outdoor sports games. The following boys went from Cochran County: Billy Ray Stoval, Dwight Stone, Eugene Neagle, R. E. Thompson, Jerry Bryant, Bobby Tims, Bobby Nieman, Glen Ramsey, Larry Stegall, Kenneth Smith, and Bill Ed Thompson, and the advisor Homer Thompson.

MILLIONS OF parts, thousands of tons of delicate and complicated machinery, 11,570,000 square feet of area and upwards of 45,000 people on the job! That's what Lockheed Aircraft Corporation uses in producing aircraft ranging from bulged-top radar planes for military, below, to domestic airliners.

INSTALLING intricate electrical wiring system of luxurious Constellation is typical of tasks confronting company's workers. One of every five is a woman.

AT SPRAWLING California division plant in Burbank workers are often dwarfed by such production line features as three-bladed, 15-foot propellers on giant 66-passenger airliners.

CLOSELY LINKED with Lockheed operations is motor truck transportation. Its big trucks and trailers are more than transport vehicles—they are an extension of assembly lines that produce components of aircraft. International trucks, like that shadowed above by Constellation's nose, virtually tie the company's three California factories together.

T.H.D.A. MEETING

The Cochran County delegates to the 29th annual meeting of the Texas Home Demonstration Association returned to their homes Friday night.

Mrs. Dexter Nebhut of Friendly Circle, Mrs. Virgil Riley of County Line, and Mrs. H. M. Clark of Whiteface represented the County club women at the Ft. Worth meeting which was attended by 794 delegates, board members and visitors. Invitations were received from Austin, Houston and San Marcos for the convention next year. Local delegates will give their reports to the County HD Council at its meeting in September.

4-H ELECTRIC CAMP

The Southwestern Public Service Company, in cooperation with the Extension Service, sponsored an electric camp for 4-H Clubbers on August 3-4-5. It was a six county meeting. From this county, Mrs. L. A. Parker of Benjamin, and Christine Wilson, Donna Burnett, L. G. West, of Lamesa. They were here to attend the graduation exercises at E.N.M.U. at Portales, in ceremonies with Christine and Patsy also taking part.

The campers were divided into sections and each section had a boy and girl serving on the camp council. Patsy and Donna both were elected to represent their sections.

Wiring, lighting and appliances were studied in various section meetings, and the girls assembled study lamps as their craft work. Good food and lots of fun along with the opportunity of making a lot of new friends and learning a lot of practical things about the uses of electricity gave the girls reasons for saying it was the best camp they ever attended.

COUNTY 4-H CAMP

The County Camp for 4-H Club girls has been tentatively set for August 18 and 19. More details about the camp were to be sent to each club member early this week. So, today is the day it gets underway and it will continue through tomorrow.

4-H DRESS REVUE

The 4-H Dress Revue was held last Friday afternoon and evening. The girls modeled their dresses in the afternoon for the judges and on Friday night at 8 p.m., the public showing was held in the Activities Building auditorium.

GUESTS OF W. C. GRAYS

CHEHELO CAMP FIRE GIRLS ACTIVE IN FULL SUMMER ROUND OF PROJECTS

The Chehele Camp Fire Girls have been active during the summer finishing up old projects and starting new ones.

As a part of a "Down To Earth" conservation project they began some time ago, they have visited the city waterworks and irrigation projects featuring open ditch type irrigating sprinkler systems and underground concrete pipe.

As a feature of a project known as "Let Freedom Ring" which has stressed the Bill of Rights, the girls visited the plant of the Morton Tribune where Mr. Irwin, Mr. Mr. Glassford and Gregory Zielinski explained the workings of a newspaper business which gave the girls a greater appreciation of the meaning of "Freedom of the Press."

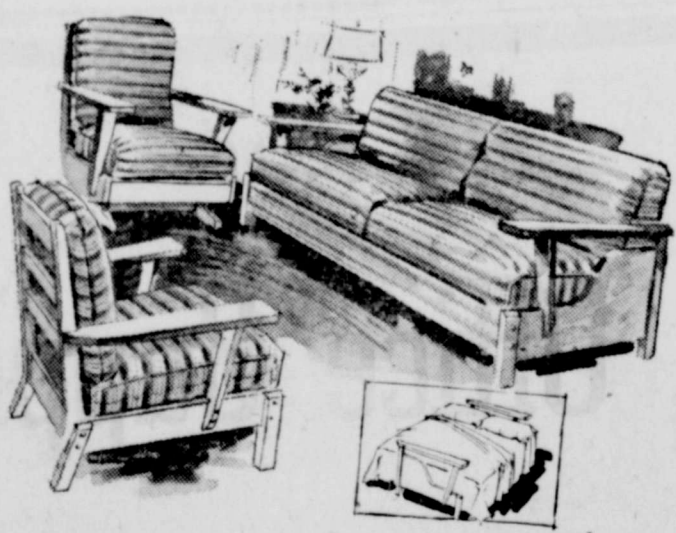

The Chehele girls took part in the parade last Friday, a week ago in connection with the rodeo. They decorated their bicycles and rode with other Camp Fire girls and the Blue Birds adding color to the rodeo festivities.

As a part of completing their requirements for woodgatherers, rank in the Camp Fire work, they are planning an overnight "sleep-out" at the local park, sometime before school starts.

Members of this group are: Billie Crockett, Melba Cook, Vivian Ledbetter, Shirley Miller, Glenda Chesher, Linda Williams, Penny Grusendorf, Jimmie Ruth Stokes, Keitha Walton, and Mary Ruth Coon.

Their leaders are Mrs. Lloyd Miller and Mrs. M. C. Ledbetter & they are sponsored by the Cochran County Garden Club.

Martha Deane Morrison Marries Robert G. Hamilton, August 15th

Before a background of blue chrysanthemums and tropical greenery, Miss Martha Deane Morrison became the bride of Robert Guthrie Hamilton at 7:30 p.m., Monday August 15 at the First Missionary Baptist Church in Morton.

Candelabra holding blue tapers completed the setting as the Rev. Curtis Carroll, performed the double ring ceremony.

Mr. and Mrs. Fred Morrison of Morton are parents of the bride and Mr. and Mrs. R. L. Hamilton of Plains are parents of the bridegroom.

Mrs. Charles Taylor, organist, played traditional wedding music and accompanied Miss Dasha Lusk of Plains who sang "Whither Thou Goest" and "Always," and Harold Drennan who sang "Because" and "Wedding Prayer."

Given in marriage by her father the bride wore a ballerina-length gown of blue net and lace over taffeta fashioned with a fitted bodice and sweetheart neckline. Short sleeves were complemented by short lace mitts tapering to petal points. She carried a bouquet of yellow rosebuds.

Miss Mary Carolyn Moore attending the bride as Maid of Honor, wore a dress of pinklace over taffeta. She carried yellow daisies. Ed Knox served as best man & ushers were Ken Altman of Lubbock, brother-in-law of the bridegroom and Dewayne Fannen of Plains. Tommy Morrison, brother of the bride and Gary Hamilton, brother of the bridegroom, were candlelighters.

A reception was given at the home of the brides parents. The bridal table was laid with lace over blue and highlighted by yellow daisies and blue satin ribbon. A 2-tiered wedding cake centered the table.

The couple took a short wedding trip to New Mexico and will be at home in Lubbock, after August 24.

The bride is a graduate of Morton High and the groom graduated at Plains. Both are sophomore students at Texas Tech.

The fireworks they set off are still exploding

You might say that the paper headed "THE UNANIMOUS DECLARATION OF THE THIRTEEN UNITED STATES OF AMERICA" and dated July 4, 1776, touched off a real fireworks display in the world.

But what actually did the business was the attitude of the men who wrote and signed the Declaration. They could have become the kings and nobles of a New World tyranny. Instead, they chose to become free men in a nation of free men.

In 1776, this kind of thinking was regarded as dangerous to the point of madness. In some quarters of the globe today, it is still regarded in the same way. Men who have never known freedom are eager to save us from ourselves. Luckily, we are considerably stronger now than in 1776. But the fireworks are still exploding and America must remain as powerful as possible.

That is why your country wants you to invest in Savings Bonds. These Bonds will make you a more independent American. They will make America a stronger nation.

RETURNS TO HER HOME

Mrs. Mae Adams returned to her home two weeks ago, at Texas after spending some time in Morton at the bedside of her sister Mrs. J. A. Yarnon who was severely ill. Mrs. Yarnon was reported continuing to improve after recent illness.

Miss Lyndell Thompson and Ivan Earl Sinclair Are Wed In Ceremony Held At Dimmitt First Baptist Church, Aug. 13

The First Baptist Church of Dimmitt was the scene, on Saturday, August 13, of the wedding of Lyndell Mae Thompson, formerly of Whiteface and Ivan Earl

Sinclair of Dimmitt. The wedding took place at 7:30 p.m. uniting the daughter of Mr. and Mrs. W. E. Thompson, of Dimmitt and the son of Mr. and Mrs. E. E. Sinclair, also of Dimmitt. The Rev. George Ray officiated at the ceremony.

Serving as Matron of Honor was Mrs. S. M. Bailey, Jr., of Priona, aunt of the bride. Maid of Honor was an old schoolmate, Martha Garrett of Whiteface. Sandra Thompson, sister of the bride served as bridesmaid.

The altar banked with ferns and palms with baskets of white gladioli and asters, and white satin streamers draped from each basket, was the highlight of the decorative scheme. French blue tapers in cathedral type candelabra completed the background. Pewes were marked with blue satin bows.

The bride, given in marriage by her father, wore a gown of the traditional white, fashioned of net. The fitted bodice used delicate lace over satin, had full length tapered sleeves and a graceful decollete neckline. A full skirt, gathered at the nipped waist had graduated tiers of net, appliqued with lace rosettes. Her veil of sheer illusion was attached to a fitted cap of lace set with pearls. The bride carried a white Bible topped with Frenched white carnations and a white orchid with white satin streamers and maline puffs.

The attendants dresses were of identical blue crystalline over blue taffeta with matching mitts and headresses. They carried nosegays of Frenched blue carnations with blue satin streamers and maline puffs.

The best man was Edgar Dennis, Groomsman were Lynn Thompson, brother of the bride and George Ray. Serving as ushers were Joe Nelson and George Lyons, a cousin of the bride, from Whiteface.

The bride's mother wore an aqua linen dress with white carnation corsage and Mrs. Sinclair, the mother of the bridegroom chose a dusty rose lace dress with white carnation corsage for the occasion. Jack and Mack Thompson, brothers of the bride were candlelighters.

Brevor Dowell sang "You'll Never Walk Alone" and "The Lord's Prayer" Another soloist was Louise Simpson who sang "Because." O. C. Renfro accompanied them at the organ.

A reception followed in the home of Mr. and Mrs. B. B. Sinclair. At the guest register, Wilma Noble presided. In the house party were LeWanda Cooksey and Reta Garrett of Whiteface and Mmes: Fate Shannon, Albert Sinclair, Elvis Burch, Jodie Compton, C. A. Hance

Raymond Hance and Buddy Calhoun.

The wedding cake adorning the serving table was three tiered and topped by a miniature bride and groom.

The bride chose a tan linen suit with pink accessories for a wedding trip to points in New Mexico. The couple will make their home in Abilene where they both plan to enroll at Hardin Simmons University.

The bride is a graduate of Whiteface High School where she was a member of National Honor Society, holding the offices of secretary and vice president. Ivan was also a member of National Honor Society at Dimmitt and he was the chapter president last year, in his senior year.

WORD and SPIRIT

There is much confusion in the religious world today about the work of the Holy Spirit. All manner of operations are credited to the Spirit. Many superstitions have crept into the teachings of some religionists. Some of the most popular denominations are contributing to the general misunderstanding of the Spirit's work by their failure to distinguish HOW the Spirit works from the fact that He DOES.

Sinners are told to wait for a feeling, for an experience of grace, for a mysterious indescribable movement which may be interpreted as the "birth of the Spirit." With some, special "altars" are prepared for prayer where those who come are told to "pray through" or "get religion."

With others, an "experience of grace" is given, which when accepted by the church, the person is permitted to become a member.

The real question is not DOES the Spirit, but HOW DOES the Spirit work?

The Bible says that we are quickened by the Spirit. "It is the Spirit that quickeneth: (John 6:63). It also says we are quickened by the word. "Thy word hath quickened me." (Psa. 119:50).

Men are sanctified by the Spirit. "But ye are sanctified... by the Spirit of our God" (1 Cor. 6:11). It teaches that men are sanctified by the word. "Sanctify them through Thy truth: Thy word is truth" (John 17:17).

The above examples show that the work of the Spirit and the work of the word is the same. We conclude, therefore, that the Spirit operates through the word of truth. Men should cease to wait for a feeling, a mystery, they should obey the word of God.

SCIENCE IN YOUR LIFE

ARTHRITIS AND RHEUMATISM AFFLICT 10 MILLION
SCIENTISTS DEVELOP POTENT NEW DRUG
EARLY CARE PREVENTS CRIPPLING
REHABILITATION RESTORES SELF-SUFFICIENCY

Arthritis Target
Women appear to be prime targets for the great crippler, arthritis. Statistics show that for every man, three women fall prey to this disease. Rheumatoid arthritis is the malady's formal name. Along with allied conditions, in one way or another, the disease has afflicted more than 10 million people in the U.S. and completely crippled some 200,000 others.

The secretary, housewife and young mother are most susceptible. Arthritis is insidious. Its symptoms at first are usually mild. Gradually they worsen, until one day you wake with an arm or leg that is completely useless.

What causes arthritis? Scientists have not yet found an answer. Nor have they yet found a complete cure.

They do have available a number of chemicals to control the symptoms of rheumatoid arthritis in many patients. These drugs, administered by the physician, can lift the hopelessly crippled arthritic victim out of the wheelchair and back into normal life.

Among the medicines which have proven effective in some patients are aspirin, gold compounds, and the much-heralded hormones, cortisone and hydrocortisone.

However, these drugs are not fully effective and the hormones, in particular, sometimes create unpleasant side effects in some patients and thus force their abandonment.

Recently, a new synthetic hormone called Sterane has been placed in the hands of physicians. Sterane appears to be far more potent than cortisone or hydrocortisone and offers promise of reducing the side effects noted with the other hormones.

With advancing research and rehabilitation, many arthritic patients will be given a new lease on life.

SOFTBALL PLAYOFFS MONDAY; GAME TONIGHT WILL DECIDE OPPONENTS

Bula's softball entry with a narrow 2-0 triumph over Morton, in a Monday Softball League game, insured themselves the league title as the league enters its playoffs on Monday, but just which teams will face one another in the playoffs is still dependant on the outcome of tonight's final regular league encounter between Enochs and the Bula entry.

Though it means nothing extra, Bula won the season crown in the battle among the four entries. The Mortonites finished second. But, going into tonight's game, Enochs remains a half game behind Maple in the battle for third and fourth place. Victory for Enochs would give them a tie for third and the two teams would either playoff the tie on Friday or draw straws to

see who plays who. If Enochs is the loser tonight, then they must face Bula in the playoffs and Morton would tangle with Maple in the other first round playoff series.

The playoffs are to be held in two rounds, the first a best two of three series and the finals, a best four of seven series.

Enoch's 11-9 loss to Morton in a first game last Thursday and the 7-0 defeat of Bula by Maple, put a different complexion on the race & gave Morton the chance to tie for the title. But in Monday's games, both Morton and Enochs waited until it was too late before they did anything. Enochs lost an 8-6 verdict, though it wasn't solid hits or errors that beat them. A combination of fielder's choices and walks reacted against Enochs all evening long and on two occasions their base runners might have scored by taking a chance in getting an extra base.

The hits were nearly even, both pitcher's holding opposing heavy hitters in check. Two Maple hits that outfielders just barely were unable to get to, actually meant the decisive runs.

In the second game Morton never did get started, but Bula was able to take advantage of only one of several scoring chances. They bunched three of their seven hits in the first inning. Thereafter, on the offerings of Carl Kernell and Zeke Sanders, they got four men on base with hits, two with walks and four on errors. But all were left stranded. Morton got two singles off Keith Wynn and one base on balls. But Bula committed only one error in the game.

CLUB REPORTS ON LOOKS OF ENOCHS CEMETERY
The Enochs Ladies Home-makers Club met July 28th at the home of Mrs. W. A. Pool.

The report was given that the trees set out earlier by the club around the west and north sides of the cemetery are in good condition. Mrs. C. W. Vanlandingham recently hoed weeds from around the base of each of the trees. The remainder of the cemetery is weedy and needs working.

The annual club picnic was postponed until August 26. It is to be held at Morton Park and all club members are invited to attend with their families.

Refreshments were served to Mesdames L. G. Fred, M. J. Gibson, Dutch Cash, C. W. Vanlandingham, T. A. Thomas Ray Spence, the hostess and a visitor, Miss Gaylene Fred.

The next club meeting will be in September at the home of Mrs. L. G. Harris.
