... between an Oldsmobile 88 and the other lower-price cars!

You know you're in a big car . . . from its looks . . . from the way it rides and handles! With your first touch on the accelerator—that 230 h.p. Rocket Engine* answers with all its winging getaway and go!

And what flashing performance in the middle ranges! The Rocket is designed to give you full benefit of high torque—340 pound-feet at normal engine speeds. That means there's always plenty of reserve power-when you want it, when you need it for safety's sake.

This rugged Oldsmobile "88" is built to take all that power, too! For instance, there's an extra-rigid, five cross-membered frame to give you ideal, shock-absorbing balance. Economy? Well, Oldsmobile's "88" (and

the Ninety-Eight, too) took top honors in the recent Mobilgas Economy Run! There's a powerful difference, all right! Both in the car, and in our quality-minded way of doing business. So come on in now. Take the wheel of an Oldsmobile. Rocket away . . . today!

BAPTISTS ARE UNSCRIPTURAL

IN DOCTRINE

Baptist teach that a sinner is saved by faith only. The Bi-

ble says, "You see then how that by works a man is justi-
