MORTON, TEXAS, THURSDAY, JULY 5, 1956

NUMBER 18

J. C. Fincher Rites Held Tuesday at First Baptist

Funeral services were held at 2 p.m. Tuesday at the First Baptist Church in Morton, for J. C. Fincher, 85 year old retired farmer who died 11 p.m. Sunday night in the Cochran County Hospital of pneumonia.

Mr. Fincher, a long time Morton resident, was taken to the hospital on Friday with pneumonia. Up until that time he had been active, though he retired from farming in 1939. He was a member of the Baptist Church in Morton.

Re. Ollie S. Robinson was in charge of the funeral services and burial under the direction of the Singleline Funeral Home of Morton, was in the Lubbock Memorial Cemetery.

Born in Georgia, he came to Texas before marrying. He came to West Texas in 1925 and moved to Sutton. From there he came to Morton in 1939, after retiring from farming.

Survivors include the wife, of Morton; three daughters, Mrs. R. S. Baugh of Portales; Mrs. Maude Keesey, of Muleshoe; and Mrs. Lois Fincher of San Antonio and two sons, F. S. of Riverside, California and R. R. (Red) Fincher of Morton, and grand-children and great-grand-children. Two daughters preceded him in death, one, Alma Faye Fincher died as a child and one, Mrs. G. B. Catts of Mustang, California died in 1942. All but the son in California were able to attend the funeral.

Monroe W. Hardin Dies; Father of 3 Local Women

Funeral services were held in Roaring Springs Sunday for Monroe Willard Hardin, 80 year old father of Mrs. Gladys Phillips, Mrs. Ebel Clark and Mrs. Inez Sanders, all of Morton.

Relatives had planned Sunday to gather at Roaring Springs for a reunion. Hardin died following a heart attack Saturday at 12:30 p.m.

Sons, daughters, grandchildren and other relatives from as far away as California had already arrived here for Hardin's 80th birthday, when he was stricken with a fatal heart attack at his home.

Services were held at 3 p.m. on Sunday in the Roaring Springs Baptist church. Burial was in the Roaring Springs cemetery. Hardin had been a long time resident of the community.

Survivors, in addition to the 3 daughters of Morton were the wife, another daughter, Mrs. Nettie Weaver of Krebs, Oklahoma; two sons, Jess, El Campo, Texas and Oscar of California; a stepson, Ralls, Carlisle, Hendrix; a brother, Nealy of Oklahoma; 21 grand children and 12 great-grandchildren.

Reward Offered

If anyone by chance has found a set of chrome legs to a table and a quilt, they are requested to bring same to the Tribune office and claim the reward offered by the owner of the items, Joe Dewbre.

The articles were lost from the back of a truck while moving between Whiteface and the Star Route Grocery, it was believed.

Correction On Softball Standings

Those interested in the softball scores, standing and schedule, will find inside, two sets of same. One is wrong. The one on page eight, is correct.

When figuring the standing for the paper we made a mistake not crediting Whiteface with a victory. Then we also got one of the scheduled tilts for the coming week out of place.

REUNION SCHEDULED

Collingsworth County former residents will meet at MacKenzie Park on Sunday, July 22 with the gathering to start at about 1 p.m.

Rains Boost Crops Here ; Some Hail Was Reported

Farmers throughout the County and the Last Frontier area celebrated the 4th of July with a crop helping rain that gave almost all some benefit, but an accompanying hail was damaging to thousands of acres of crops.

The hail was not disastrous according to early reports but there is little doubt that it caused a lot of crop damage.

The rain, which began about mid-afternoon, came through the county traveling northeast. It deposited up to 2 1/2 inches of water on the western line and it was there also that the hail was heaviest. Bledsoe got only .2 inches of water but as

the storm progressed northward the middle portion of the county got about 1.5 inches of water on the average.

West of Morton, and northwest, the rainfall was reported at about a half inch. North, at Enochs there was only about 2 inches of water but they also were spared the hail. Eastward at Bala school the rain was a little heavier and the hail beat leaves off the young cotton but did not knock too many stalks.

The rain was part of a three day storm that helped all portions of the county. On Sunday night and late afternoon, about a half inch of rain fell to

the west of Morton on the Orville Webb farm; A. V. Walker, 4 1/2 southwest reported 1 inch; Mr. Brotherton, five miles northwest had a half inch and L. M. Baldwin reported from .2 to .3 northwest. East of Morton it dwindled down.

Tuesday afternoon, southwest of Morton, an inch of water was reported and Bob Dunham counted, through Wednesday's rain, 9 1/2 inches of water fell on his crops since they were planted.

In general, the crop outlook for Cochran County remained exceptionally good. Most of the farmers were saying, "best in five years," some even said, "best in 10 years." There was little doubt that the hail did thousands of dollars worth of damage. Just how much was hard to find an estimate since July 4th was a holiday and the agriculture service men were

Littlefield Youth Is Arrested Here; Wanted on Theft Charge in Hobbs

The Morton Sheriff's department is holding for Hobbs, a Littlefield youth wanted on a charge of stealing part of a two way radio set out of an Oil Company pickup truck in Hobbs, recently.

The man, William Franklin Anderson, 21, of Littlefield, was arrested Wednesday morning near the scene of a car he abandoned a few days ago. A part of the radio set was uncovered by a farmer plowing his field north of Morton.

The man has not implicated a companion police believe had a part in the episode. The other man, of Muleshoe, was to be picked up Wednesday night by officers of Bailey County.

The arrest of Franklin was made by deputy Chester Miller who had been keeping an eye open for the man to return to the car he abandoned. It had been towed in to Butler's Body Shop.

Wednesday, a farmer in the

vicinity of where the car had been abandoned and where the radio set was found, gave officers the description of an auto that had been driving past the field several times. Miller located the car on up the road and arrested William Anderson who was in the car with a group of other boys. None of the others were held.

No Holiday Accidents Report'd

With the holidays death toll from auto accidents rising to a new high, local law enforcement officers Wednesday asked us to express their appreciation that there were no fatalities in this area, and in fact that not a single accident — not even a fender bumping was reported.

They ask that you carefully consider the dangers of highway traffic throughout the remainder of the week and keep up the good safety record.

Arrested Here On Liquor Charge

A Latin American woman, who lives in Morton, paid a fine in County Court here on Tuesday on a charge of selling alcoholic beverages.

Mrs. Perfecto Bustillos received a fine of \$100 and costs after being arrested for selling a pint of wine to a man while a local deputy witnessed the sale.

WOMEN GOLFERS WILL JOURNEY TO TULIA FOR WTNMWA MEET

Wednesday, Morton women golfers will go to Tulia to play in the fourth monthly series of matches by ladies of the West Texas - New Mexico Women's Golf Association. Clovis, Muleshoe, Hereford, Morton and Tulia are in the Association.

Soil Bank and Acreage Reserve Are Explained By A.S.C. Office

Soil Bank acreage Reserve agreements are now available for signature in the County ASC office, Max Bowers, chairman of the County Agricultural Stabilization and Conservation Committee, announced today. Farmers may obtain full information at the office on how

they may participate in the Acreage Reserve part of the Soil Bank this year.

"The Acreage Reserve is the first part of the program to get into operation for 1956", the Chairman explained. "While farmers may sign an agreement anytime before

July 20, those who want to participate in the program should call at the office soon. July 31st is the last date for plowing or disking a cotton crop in order to reduce the acreage below the farm allotment.

Besides permitting farmers to incorporate into the soil, by plowing or disking an acreage of cotton within the allotment, the 1956 Acreage Reserve contains several other special provisions which enable farmers to take part in the program this year.

Thus a farmer may earn a payment for underplanting cotton if he can certify that he underplanted either in anticipation of complying with the program or because of adverse weather conditions and if he designates an equivalent acreage in the Acreage Reserve; or, the farmer may comply with his farm allotment for cotton and earn a payment if he does not harvest an acreage of the crop because of destruction by natural causes. The land placed in the Acreage Reserve must not be cropped, cut for hay or grazed during 1956. Noxious weeds must also be controlled.

Payments for cotton acreage designated for participation in the Acreage Reserve will be based on 15 cents per pound on either the normal or appraised yield — depending on how the land qualifies under the program, but not less than \$6.00 per acre for destruction due to natural causes or for plowing or cutting the cotton crop.

In order to participate in the Acreage Reserve of the Soil Bank, a farmer must generally comply with all allotments established for his farm.

BOLLWORM APPEARS; FARMERS CAUTIONED TO WATCH CROPS

About 80 acres of cotton were examined last week by County Agent Homer Thompson. None needed insecticide applied for insect

control. The thrips were under control, whether or not control measures were taken. The rains have the weeds green and insects, especially the fleahoppers and thrips, are still remaining in the luscious vegetation.

Posse Polo Team Has Busy Slate

The next three Sundays will be busy ones for the Cochran County Sheriff Posse Palmetto Polo team if they play according to their pre-season schedule. They'll play Idalou, Sunday, on the local arena field. Then the following Saturday and Sunday, July 14 and 15, they are entered in a tournament at Santa Fe, New Mexico, and will also attend a rodeo there. On the following Sunday they play a regularly scheduled league polo contest at Idalou.

Their final two regularly scheduled league games will be on Aug. 5, at Lubbock and on Aug. 19 against Lamesa, according to the schedule.

not on duty. But most of the cotton was damaged only in that leaves were knocked off. West of Bledsoe, where some of the better cotton was, they said the crop would be hurt, but that it would continue to grow and still looked like a fine prospect.

As for the rain, it was just what the doctor ordered and crops were benefitted greatly.

Ramby's Drug Sold Last Week In Bankruptcy

In a bankruptcy sale held Thursday morning, Ramby's Drug was sold out, lock, stock and barrel.

The proceedings called for a sale to be made three ways — a lump sum for the whole thing, stock and fixtures; separate bids for the stock and for the fixtures; and separate bids for each item in the store.

The biggest price — approximately \$2,700 was made on individual purchases.

The building was jammed with onlookers and bidders but most of the purchases went to out-of-town buyers.

The building is owned by C. B. Markham.

CLINIC NEXT WEEK ON COOPERATIVES

Morton will be the scene of a clinic for cooperatives a week from today, July 12th, in the Cochran County Activities Building.

Cooperative representatives from all over the area will be here at the meeting jointly hosted by the Morton Cooperative Gin, the Maple Cooperative Gin and the Farmer's Cooperative Gin of Enochs.

TO SET DISPUTED TAX

The Cochran County Commissioner's Court, sitting as a Board of Equalization, Monday, July 9th, will begin the process of re-assessing the taxes for two major oil companies for the year 1955.

SIGN UP FOR A CONCESSION TODAY

The Morton Jaycees again this week reminded all local clubs who wish to sponsor a concession stand at the Political Rally, July 21, to get the request in to Bill Glassford as soon as possible.

ANNUAL MEETING SET FOR SATURDAY, JULY 7

The Lubbock Production Credit Association, serving a 9 county area including Cochran County, will hold its annual Stockholder's meeting Saturday, July 7th, at Lubbock, according to Alton Strickland, Secretary - Treasurer of the organization.

CANDIDATE MESSAGES

Candidates who wish to get a statement published in the Tribune may do so by bringing in the statement, with a picture if desired. There is no charge for one statement for each candidate who has officially announced in the Tribune. Pictures must be brought in 1 week before publication date as they must be sent off for cuts to be made.

And, as the Tribune went to press early Thursday morning, lightning and overcast skies seemed to foretell that the rain wasn't over yet.

Machine Failure Causes Change

In case you are wondering about the size of the type you find on most of the front page this week, we weren't trying to fill up space; nor were we catering to the idea that larger type is more readable.

A machine difficulty in the regular body type mold Wednesday, forced us to use 10 pt. type in place of 8 point. We may have the difficulty ironed out by next week — then again we may not.

CUNNINGHAM RESIGNS SUPERINTENDENCY; WILL ACCEPT POSITION NEAR CORPUS CHRISTI, TEXAS

Supt. Noah Cunningham of Whiteface schools has tendered his resignation, effective immediately, and will accept a position as superintendent of a school just outside of Corpus Christi.

Cunningham was unavailable to the Tribune for comment Wednesday night and the Tribune was also unable to contact any of the Board members.

However, a spokesman said, Cunningham tendered his resignation at a special called meeting of the Board on Monday

Will Help In

Bindweed Control

Olen Harris, of the Cochran County office of the State Highway Department has offered to treat the bindweed found in bar ditches beside the highways, if farmers will cooperate in the program to eradicate the dangerous weed.

County Agent Homer Thompson this week Harris only asks that farmers do their part by living up to the agreement, not to plow up where the weed has been treated for at least two years. That's the formula set up last week by a prominent weed killer.

The Highway Department will provide the poison to treat the bar ditches around the Highway.

The Agent again asked anyone knowing of the location of a patch of bindweed to please let him know so it can be entered on his map of the county and subsequently, maybe treated.

Absentee Voting Opens Monday

Voters are reminded that absentee balloting for the Democratic Primary begin on Monday at the Office of County District Clerk.

Absentee balloting will continue until five days before the date of the Primary.

Any qualified voter who is expecting to be out of town on election day, July 28, may cast an absentee ballot by filing a request at the Clerk's office.

Father Seriously Ill of Complications Following Burns on 75 Pct. of Body

Rusty Reeder of Morton left for San Antonio Tuesday to be at the bedside of his father, H. E. Reeder, of Muleshoe, was reported in serious condition.

The elder Reeder, 49-year old school custodian, had developed blood poisoning in some second and third degree burns he is having treated. A specialist is trying to save his life.

Mr. Reeder was critically burned early on the morning of June 7th. He was using a liquid paint remover on the

floor of a rest room in the grade school when a spark from an electric floor scrubber apparently ignited the fluid, engulfing him in flames. He received burns over 75 percent of his body.

A trio of other school employees saved his life by rushing to tear off only a small bit of shirt which remained and then rushing him to a hospital.

The sudden flames completely liquidated all his clothes except the small bit of shirt, a piece of a trouser cuff and his belt buckle.

CLARKE'S DRY GOODS, J & B FOOD STORE AND SEANEY GROCERY AND MARKET WERE IN THE SAVINGS COUPON BUSINESS AS OF THE START OF THIS WEEK.

Clarke's Dry Goods, J & B Food Store and Seaney Grocery and Market were in the savings coupon business as of the start of this week.

J&B adopted a type of coupon called Everedy coupons, which are somewhat similar to other stamp or coupon plans. Details may be found in the J & B ad in this issue.

Clarke Dry Goods adopted the Treasure stamps plan which they will be glad to explain in detail for you.

Seaney's also featured the new to Morton, Treasure stamps.

James Hinton, assistant pastor of the Artesia New Mexico Christian Church will conduct morning and evening services at the Morton Christian Church for the remainder of the summer it was announced this week.

Hinton, who preached here Sunday, is planning to enter TCU for further college study in the fall.

Services are each Sunday evening at 7 o'clock and each Sunday morning at 11 o'clock.

SPORTS CARS APPEAR

Attracting attention on the streets of Morton this week are five sports cars, the first seen around Morton for any length of time. The cars belong to a group of folks from California visiting the Zuber-

Rest of Summer At 1st Christian

Services are each Sunday evening at 7 o'clock and each Sunday morning at 11 o'clock.

Attracting attention on the streets of Morton this week are five sports cars, the first seen around Morton for any length of time. The cars belong to a group of folks from California visiting the Zuber-

Edlines..

By Eddie Irwin

AS THE TIME for the Political rally in Morton (July 21) rapidly moves near, a lot of interest is being shown by local folks and a lot of candidates, including several district candidates have indicated they will try to be on hand. But the real success of the thing lies in the hands of the people of the area, as to whether or not they will be on hand.

It could prove . . .

A VERY INTERESTING evening. After all, folks will not only have a chance to enjoy an evening out, they'll have a home town carnival for the whole family, with

the booths sponsored by clubs, & they'll have a good chance to hear the candidates speak. Few will fail to agree that we need more opportunity to get to know the candidates so we can put the right people in office.

the thing we like . . .

THE MOST ABOUT the way the rally is being planned is that it isn't an obvious gong on the candidates. The idea is to let the candidates be heard and to bring enough people to town to let them have a profitable afternoon of campaigning. The folks who gather to hear the candidates will have plenty of opportunity to patronize the concessions and have a good time. A lot of the clubs have already spoken for a booth or have indicated they will have one.

boy oh boy . . .

WERE THE law officers busy over the weekend. Seems that a lot of folks were getting an early start on celebrating the "4th." On Sunday they had all eight beds in the cells of the local jail full and an extra bed on the side filled, and six or seven others were told to report back Monday simply because there wasn't room for any more. Nearly all of the inmates were charged with being drunk or fighting. Most of it occurring in the "flats" section of town. Had the local officers wondering about a recent order to close down the Spanish American dance halls on Sunday. They hadn't had near as many fights and so many drunks before when the dance halls were open. But then, the answer to that one is simply that this particular Sunday night was extra bad.

THAT WOULD HAVE been a

great night for the folks who think officers spend too much time "picking on" drunks, to stick around the Sheriff's office. They too, in a few minutes, would have gotten enough of it to last them a long time. Wife beaters, knife wielders, beer haulers, fighters and just plain noisemakers — and everyone of the lot had one thing in common — too much alcohol in their stomach.

so little has been . . .

SAID ABOUT THE rodeo, many folks do not realize that the time for the rodeo is just around the corner and only a few plans have been made. We're all going to really have to get into high gear to get this rodeo planned and have it come out as successful as the previous ones. We'll try, in a few days, to get as much preliminary information as possible so you can

get to planning for the two day event. All we know now is that it is to be held on Friday and Saturday, August 3rd and 4th, that the Jaycees will sponsor a booster trip & a bathing beauty contest, and that the prizes money — or we should say the prizes to be won will be about \$350 more than the last time.

we were talking . . .

THE OTHER DAY with a member of the Posse and they are contemplating a couple of changes to make their riding group cut a little better appearance at the next riding competition — or as soon as the group can order the newest things. They will try to get all riders to have a uniform colored saddle blanket and a uniform colored hat. It seems that each year, when the riders are judged at various rodeo parades, the judges think up new ideas on the uniformity that earns points. Sometimes, one group gets ahead of others, like a year or so ago when one club began carrying colorful banners. For awhile, the banners they carried were just enough to win them a lot of trophies.

naturally . . .

OTHER CLUBS must either follow suit or think up an idea that makes them a more colorful group. The judging is done on horsemanship (ability to ride), on the appearance of the riders, and on the appearance of the horses as well as the number of riders attending. It's a good thing all of these are taken into account, else a small riding club would never be able to compete with a bigger club that had a larger turnout. So, the posse riders accept these changes that come from time to time, in the true meaning, as a part of the sport. And, according to the president of our posse, who is more than pleased with the recent showings, our group will be hard to beat if they all adopt the new uniform additions and continue to turn out so well for the parades.

if anyone had any . . .

DOUBTS AS TO whether or not there was any interest in the election this year, Wednesday through Saturday should have dispelled those doubts. In addition to all the local and county candidates who were making the rounds, we had a flock of district candidates to visit town. In one race it was a most unusual thing, Thursday or Friday. The man running for the Court of Appeals post at Amarillo, Alton Chapman stopped in just before lunch and had an interesting chat session with all of us at the Tribune office. Just before noon, his wife tired of waiting in the car, came in and talked a little. Hardly was lunch over when the man who is in office, Herbert Martin of Littlefield arrived in town with his wife. She came around posting placards and handing out cards on behalf of her husband and just before closing time, Martin appeared on the scene in his own behalf. Also in town two or more times were Bowers and J. O. Gillham in the Representative race, and Gilkerson in the race for District Attorney, and perhaps several others.

VISITING HER PARENTS

Mrs. Darold Roberson, the former Maxine Tyson, and daughter, Denise, of Amarillo visited last week in the home of her parents, Mr. & Mrs. John Tyson. Her husband attended the Texas National Guard Camp at Ft. Hood, Texas for two weeks.

CHARGED WITH HAULING

Leroy Groves, Negro, of Wolfforth, was arrested over the weekend by Sheriff Hazel Hancock and charged in County Court with hauling beer, a liquor law violation.

SURGERY AGAIN TODAY FOR MRS. HOMER THOMPSON

Mrs. Homer Thompson was admitted to Methodist Hospital for surgery this morning, Thursday, July 5th, for the 6th time in the past year and one half.

TWO NEW MEMBERS FOR MORTON JAYCEES, MONDAY

Two new members were added to the Morton Jaycees on Monday at the regular weekly meeting. "Snooky" Russell, who recently returned to Morton in the Insurance business and George Pigg, manager of the Lea and Cox Appliance firm here joined up.

Several Jaycees expressed the desire to attend the tri-regional convention at Lubbock next Sunday but their was no definite number who said they would attend. The group discussed the com-

ing Candidate Rally, July 21; the Bathing Beauty contest to be sponsored by the Jaycees in conjunction with the Rodeo, August 3rd and 4th and the Rodeo Booster Trip which has been sponsored by the Jaycees as a part of the advertising of the event.

S. M. Monroe gave a report on the cemetery.

MAPLE LOSES TWO TO REESE; FIRST WAS 4-3 THRILLER

Maple's Don Lamar pitched a good game and the Maple team gave Reese Air Base a real run

for their money in the first game of a double header Saturday nite at the local softball field before the Airmen came out on top, 4-3.

The second game, with Reese using Bula's pitcher of last year and Don attempting the iron man stunt, resulted in a lopsided 14-4

Reese victory. Maple and Reese each game ed six hits in the opening game and only a man trapped off third base in the fourth inning kept the local boys from chalking up a real upset. It was the first outsider game of the season.

Citizen Workers Available for Cotton Chopping

T. O'Connell, of the Texas Employment Commission, advised by agent Homer Thompson this week that citizen workers are available now for cotton chopping. Several crews from East Texas are in the area now looking for employment. The price in the

Lubbock area is 60¢ per hour to the crew leader. If anyone needs hands and wants citizen workers, please contact B. T. O'Connell at Po 36416, Lubbock, Texas.

Mr. O'Connell further advised the agent that a labor survey would be taken in Cochran County the week of July 23-27. This wage survey is on cotton chopping. The wage rate after July 23 will be determined by what the farmers are paying to the citizen worker.

Maple Holds Onto Softball Lead

Maple, undefeated, held onto the lead in the local softball league this week with a resounding 17-3 shellacking of Llano Grande while Morton came within breathing distance by chalking up a 9-8 win over Causey in the torrid battle

for second place. The Morton - Causey battle was a real thriller with Morton scoring a run in the bottom of the sixth inning to break an 8 to 8 tie and win. The game was featured by a lot of long hits, including three homers, four triples and three doubles. Carl Kornell was the winning pitcher and Johnny Van took the loss.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

America's largest selling car—more owners than any other make. AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Only authorized Chevrolet dealers display this famous trademark

AUGUST BRIDE - Mr. and Mrs. S. A. Ramsey of Morton announce the engagement of their daughter, Geraldine to Barlie Wayne Taylor, son of Mrs. L. E. Taylor of Morton, and B. F. Taylor of Modesto, California. They are both graduates of Morton High School.

The wedding is to take place on August 6th at 6 o'clock in the evening at the First Baptist Church of Morton with Rev. Curtis Carroll officiating.

Friends of the couple are invited to attend the wedding.

FORMER 4-H MEMBERS CAN BE NOMINATED IN NEW AWARD PROGRAM HONORING ADULTS

Do you know a member of your community whom you consider a notable success in his or her chosen career or who has an outstanding record as a citizen or as a leader in community and public affairs? And is this person a former 4-H member?

And have you often thought that that person should receive some form of public recognition for his or her acceptance of citizenship responsibilities and achievement in life?

If so, you now have the opportunity to do something about it, according to G. L. Noble, director of the National Committee on Boys and Girls Club Work, who recently announced that the Plant Food Division of Olin Mathieson Chemical Corporation would again sponsor the National 4-H Alumni Recognition Program, the only 4-H Award Program honoring adults.

You can help nominate one of your neighbors for these coveted awards by filling out the form below and sending it to your county Extension agent.

The program provides two certificates as awards in each county. Four state winners, selected from all the county winners are presented with copper plaques mounted on walnut.

Eight people, four men and four women, chosen from all the state winners, will receive gold keys and all-expense trips to the National 4-H Club Congress in Chicago, November 25-29.

Men and women who have previously been 4-H Club members, who have an outstanding record of participation and leadership in community activities and who are a success in their chosen occupation or profession are eligible for consideration. So, if you know any one in your community who is eligible for this award fill out the blank and send it to your County Extension Office. They have official nomination forms.

Many 4-H Alumni are successful farmers and homemakers. Others are leaders in business, government or civic affairs. Some may not have been recently active in 4-H Club work, yet because of the basic training received through the 4-H program, they contribute to the advancement of community, state and nation.

Purposes of the awards are (1) to inspire present-day youth to greater accomplishments by providing them with living examples of dependable purpose, initiative, leadership and (2) to encourage former 4-H Club members to support and cooperate in 4-H work.

Fill in information regarding nominee for National 4-H Alumni Recognition Award, attach any supplementary information which may be helpful and submit to the County Extension Office.

MORE TREASURED THAN SILVER
AMERICAN GREATEST VICTORIES AT SEA, LED BY JOHN PAUL JONES A SCOTSMAN AND HIRSHOLD, CREW OF FRENCH, IRISH, SCOTCH, PORTUGUESE AND MALAY SEA FIGHTERS ARE A GLORIOUS SYMBOL OF AMERICAN DEMOCRACY IN ACTION UNITING DIFFERENT RACES AND CREDS IN A COMMON IDEAL

HE WHO CAPTURED A BRITISH SHIP WHOSE CARGO INCLUDED 10000 SUITS OF CLOTHES, A PRIZE WORTH MORE TO THE AMERICAN CONQUEROR AT THAT TIME THAN THEIR WEIGHT IN SILVER!

THE SON HOMERICHARD WAS CHRISTENED BY JOHN PAUL JONES IN HONOR OF HIS BROTHER BEN FRANKLIN, THE EDITOR OF POOR RICHARD'S ALMANAC.

Miss Mamie Lee Fowler and Don Morgan Are Wed In Double Ring Service at Missionary Baptist Church

In a double ring ceremony performed at the Missionary Baptist Church of Morton, Miss Mamie Lee Fowler of Maple became the bride of Don Morgan of Morton.

She is the daughter of Mr. and Mrs. D. S. Fowler and he is the son of the M. J. Morgans.

Rev. Curtis Carroll read the rites before an altar archway of greenery and white daisies with silver wedding bells hanging from the center. Baskets of white larkspur of fern flanked the altar.

Given in marriage by her father, the bride wore a white beaded satin sheath dress under a sheer nylon duster. Her hat and shoes were white. She carried a bouquet of red roses on a white Bible.

She wore a blue garter, carried an old and borrowed Bible and wore a new dress.

Peggy Fowler, sister of the bride, was Maid of Honor. She wore a pink nubby linen dress and wore a white carnation corsage.

Ronnie Morgan was best man for his brother.

Ushers were Buddy Cook & Melvin Courtney, both of Morton.

Mrs. John Gunter played the traditional wedding music and Jimmy Wilkerson, cousin of the bride, sang "Because" and Miss Ann Gholson sang "The Lord's Prayer," accompanied at the piano by Mrs. Gunter.

Miss Sue Warren registered the guests.

Mrs. Fowler, mother of the bride wore a blue lace dress with Navy accessories and a white carnation corsage.

Mrs. Morgan, mother of the bridegroom, wore a black pun-

ted silk dress with white accessories and white carnation corsage.

After a wedding trip to New Mexico and Colorado, the couple are making their home at Morton.

Mrs. Morgan graduated at Three Way High school in 1934. Don attended Morton High School.

Out of town guests at the wedding were Mrs. Mamie Melton, Mrs. Flora King, Miss Billy King and Jewel Anderson, all of Dallas; Mr. and Mrs. Brady Reeves of Lubbock; Mr. and Mrs. Troy Wilkerson of Muleshoe and Mr. and Mrs. James Reeves of Arch, New Mexico.

GIRL FOR R. J. HILLS

Mr. and Mrs. R. J. Hill are the parents of a baby girl born Saturday, June 23rd, at 2:04 p.m. She arrived at the West Texas Hospital, Lubbock, weighing 7 lbs. 9 oz. and has been named Sandra Joyce. The maternal grandparents are Mr. and Mrs. J. F. Brisco, Stephenville and the paternal grandparents are Mr. and Mrs. Rolly Hill of Morton.

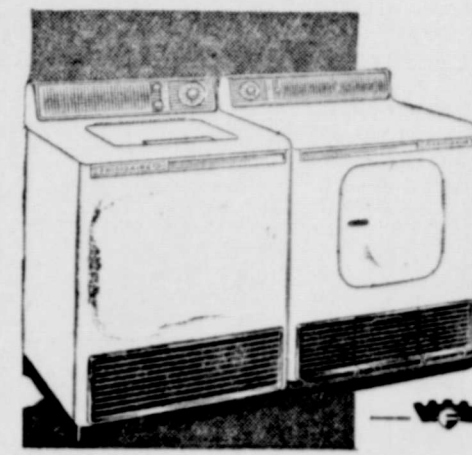

GUEST OF GIPSONS

Mrs. K. I. Neavitt and children of Dallas are spending the week in Morton with her parents, Mr. and Mrs. Joe Gipson

**AVIATION CADET DON SMITH
AT HARLINGEN, AF BASE**

A.C. Donald H. Smith, son of Mr. and Mrs. Hughes Smith of Star Rt. 2, Morton, is presently enrolled in the Primary Basic Observer Course at Harlingen Air Force Base, Harlingen, Texas.

The 12-month course, conducted by Air Force bases under the jurisdiction of the Flying Training Air Force, is designed to qualify aviation cadets and non-rated officers in the fundamentals of electronics, dead reckoning and radar navigation, as pertain to today's rapidly advancing field of aviation.

Upon completion of this training, A.C. Smith will be awarded his silver wings and take his place in America's main line of defense, the new all-jet Air Force.

**With your . . .
H. D. Agent**

By Miss LELA PETTY

**CONFECTION ON WINNERS OF
PHEASANT TALENT AWARDS**
Congratulations to Dixie Lovelace, who has been selected to attend the Talent Club tour which is sponsored by the Producers Grain Corporation. This is a distinct honor for Dixie and the County.

A check for the awards shows two previous Talent Club winners in the county George Keith and Lois Wilson were earlier winners.

o o o

DISTRICT 4-H CAMP

A 4-H camp for 4-Club boys & girls in District 2 will be held at the 4-H Camp on the Fairgrounds at Lubbock, July 10, 11 and 12. Each county in the District may send four girls, four boys, two adult leaders and two extension agents to the camp. The theme of the camp is "South of the Border."

A list of the Cochran Counties who will attend the camp is incomplete at this time.

o o o

4-H DRESS REVUE

The annual County Dress Revue will be held, Tuesday, July 17, at the County Auditorium. The girls are to bring their garments and records to the Agent's office on Monday, July 16. They will model their dresses for the judges beginning at 1:00 o'clock on Tuesday afternoon, and the public revue is to be at 3:30.

The announcement for the time and place of the revue has been mailed to all 4-H Club girls and their leaders.

o o o

YEARBOOK MEETING

The yearbook committee of the Cochran County Home Demonstration Council met Monday afternoon to begin work on the 1957 Year Books. Mrs. Charlie Sanders, chairman of the committee presided. Others attending were Mesdames W. C. Bonham, L. M. Baldwin, Dexter Nebhut, Bernard Nebhut, H. T. Gardner and the Agent.

o o o

CONAWAYS BACK HOME

The Bledsoe Community welcomed back this week Mr. and Mrs. Joe Conaway and two daughters, Virginia and Joanna, who returned from an extended vacation trip to Arkansas where they visited the Conaways parents, Mr. and Mrs. Conaway at Hartford, Arkansas & Mr. and Mrs. Kirk at Greenwood, Arkansas.

**CANDIDATE RALLY WAS
BIG SUCCESS THEY SAY**

The Candidate Rally of the Family Community last Thursday night was a success the promoting organizations announced over the weekend citing a total of \$237.25 made as the proof.

The quilt auctioned off was sold for \$16 to Ralph Merritt and it was donated by Mrs. Otha Denny.

Music for the evening of entertainment was furnished by Steve Bracken and his boys.

The community expressed their thanks to all who helped make the evening a success, especially to the musicians, to Hazel Hancock who was auctioneer and to all who bought boxes and pies.

**PEN PAL 4-H CLUB HOLDS
SEWING SESSION LAST WEEK**

The most recent meeting of the Pen Pal 4-H Club's sewing school, the last of the series, was held on Wednesday, June 27, in the home of LaNell and Laquita Todd.

Miss Leila Petty, the Home Demonstration Agent showed the club how to hem and install zippers, and also how to make a belt.

Those who attended were Frankie and Linda McKinney, Betty Selman, Barbara Sanders, Miss Petty and the two hostesses.

ATTEND FAMILY REUNION

Report from . . . YOUR COUNTY AGENT

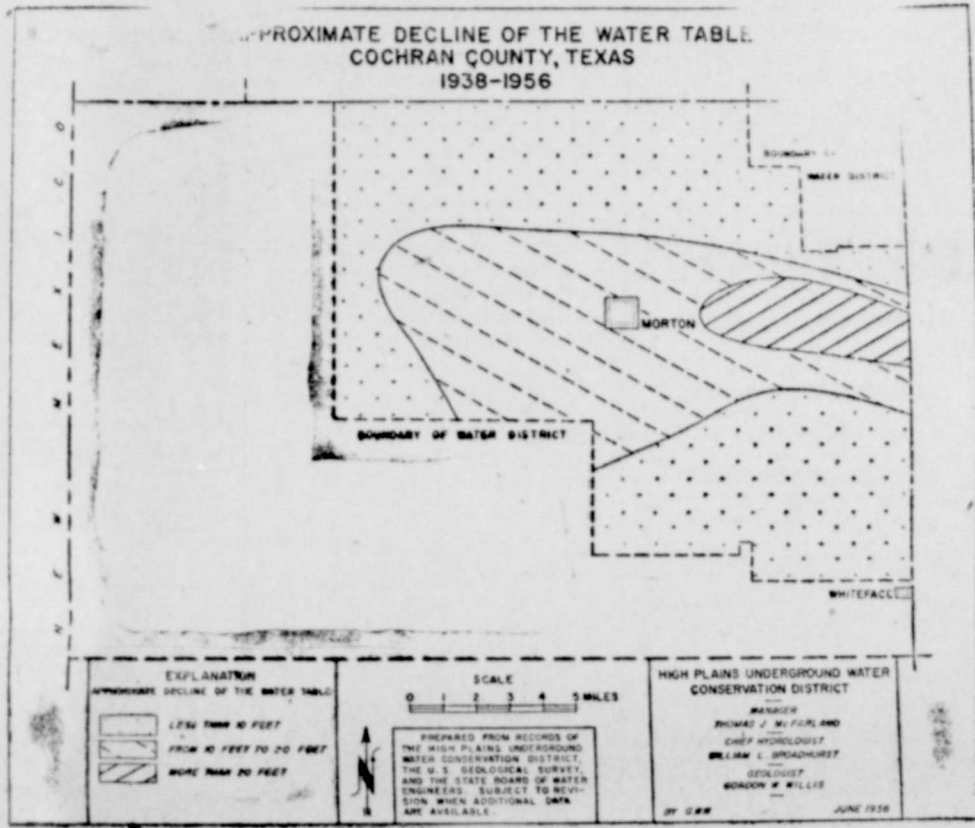

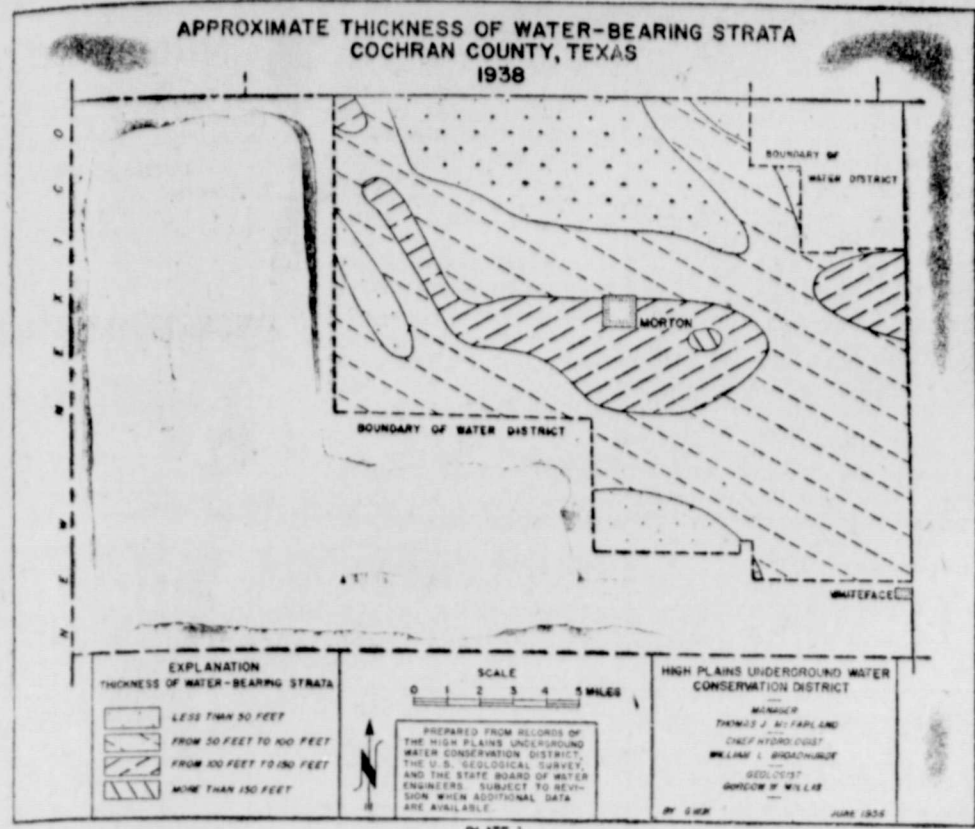

By HOMER E. THOMPSON

HYBRID GRAIN SORGHUM

For the first time hybrid grain sorghums are being grown under field test conditions. It is too early to state what the anticipated results will be. One thing that will perhaps be brought out in the test is how well the stalks stand up when mature compared with the regular grain sorghums. Also, the yield comparison of hybrids compared with the regulars. It is anticipated that yields will be 20 to 40 per cent greater with hybrids over regulars. That would be in line with results obtained from the Experiment Stations.

These tests for production are being carried out on dry land and irrigated land. In other words, if the regular grain sorghums are being produced under dry land, the hybrids will also be. These tests are, and should be carried out as near to the same conditions as is possible. Some related factors which are similar are: planting about the same date, planting at the same rate per acre, cultivating and harvesting by the same methods. It is necessary that each be harvested separately and weighed at harvest to determine more accurately the yield per acre. It is said by the breeders that a yield comparison cannot be fully determined by the way it looks. The heads may look about the same, but the extra grain yield from hybrid heads show an increase when put on the scales.

Below are listed the Cochran County hybrid growers and the variety being grown by each: M. A. Tanner, 601, Paymaster 4510 and 590; Ken Coffman 611 and 620; Bob Dunham, Paymaster 4510 and 620; Curtis Chapman, Dekalb 4510 and 601; John Crowder, Paymaster 4510; Hadley Kern 690; Bill Martin, 690 and 620; G. C. Keith, 610; T. J. Dandridge, 616 and 620; LeRoy Johnson, 650; R. Z. Dewbre, 690; Jesse Clayton, 610; Karl Griffith, 690; Lee Belcher, 620 and 590; Corlie Coffman, 610; L. L. Taylor, 610; Hub Cadenhead, Dekalb; Merlin Roberts, Paymaster 4510

The portion of Cochran County Plains Underground Water Conservation District No. 1 contained within the boundary of the High Elevation District No. 1 contained

about 1,320,000 acre-feet of ground water available for pumping in January 1956. This same portion of the county contained about 1,500,000 acre-feet of ground water available for pumping in 1938; and about 180,000 acre-feet, or about 13 per cent of the water in storage was removed by pumping during the 18 year period. Most of the irrigation wells were drilled after World War II and therefore, most of the pumping took place after the war.

About 117,000 acres of Cochran County are within the boundary of the Water District. However, several thousand acres of land outside of the boundary of the water district are irrigated by more than 100 irrigation wells. The figures above do not include the ground water in storage or the water that was pumped in the irrigated area outside the Water District.

The maps shown above were prepared from data compiled from a study of about 400 logs of water wells and about 150 measurements of water levels in wells.

The map in Plate One shows the approximate thickness of the water bearing strata in the Ogallala formation in 1938 before an appreciable amount of water had been pumped from the reservoir. The map in Plate two shows the approximate decline of the water table from the spring of 1938 to January of 1956.

The volume of water remaining in the underground reservoir was determined by subtracting the volume of saturated material unwatered since 1938 from the total volume of saturated material in 1938 and multiplying the remainder by the coefficient of storage of 15 per cent.

The approximate quantity of underground water in storage, available for pumping, beneath an individual farm may be determined by multiplying the number of acres in the farm by the thickness of the water bearing strata underlying the farm and then multiplying by the storage coefficient of 15 per cent.

Suppose the farm consists of 160 acres and has 100 feet of water-bearing strata underlying it, then 160 acres x 100 feet x 0.15 percent equals 2400 acre-feet of water available for pumping. An acre-foot of water is the quantity required to cover one acre to a depth of one foot, and it is also equal to 43,560 cubic feet or 325,829 gals.

An individual may use this information to determine, within reasonable limits, how long the quantity of underground water in storage beneath his farm will last at any annual rate of withdrawal. Of course this assumes that his neighbors pump a comparable amount of water per acre on their farms. These maps and studies of this type are parts of the regular hydrological work in progress by the staff of the Water District.

Political Announcements

The Tribune has been authorized to publish the following announcements for political office under which the names appear, subject to the Democratic Primary, Saturday, July 28, 1956.

For State Senator, Dist. 28
CARROLL COBB
PRESTON SMITH

WASHINGTON AND "SMALL BUSINESS" By C. WILSON HARDER

Indications appear that after 20 years of Acheson-Dulles "statesmanship" and somewhere around \$70 billion in American taxes being poured into foreign giveaways, American people, like man with thumping hangover are wondering "what is it all about?"

England, receiver of lion's share of U. S. aid, intends to sell them number of commodities including strategic rubber.

Perhaps England can rationalize this action. While U. S. State Dept. is not encouraging trade with communists, it is after all giving millions in aid to Communist Tito's Yugoslavia.

More importantly, entire situation illustrates when showdown comes, 20 years of American "statesmanship" plus billions of dollars mean nothing.

Repeatedly, nation's independent businessmen through National Federation of Independent Business have voted overwhelmingly against continued bleeding of American taxpayer for foreign giveaways. These expressions have been based on knowledge if you keep giving somebody something for nothing, in time the recipient turns out to be a sucker.

Right now England is engaged in National Federation of Independent Business

in a brawl in Cyprus. Pros and cons of this strife are quite vague. But someone in England took into custody and shipped to exile head of Cyprus church, much as Kremlin removes spiritual leaders. They then became quite indignant when couple of fiery young Cypriots took some shots at a couple of Britishers, killing one.

While assassination is not to be condoned, British appeared awful anxious to hang them, which was done forthwith. And all appeals for clemency made by Dulles to Britain, which has taken so many billions in American aid, were brushed aside.

So England created a couple more martyrs, and Cyprus situation worsens. If more killing, legal or illegal, is solution to problem of peoples seeking their own national existence, then by same twisted logic Hitler and Stalin were fine upstanding chaps doing world a lot of good.

Undoubtedly, if situation worsens in Cyprus to point where British economy is affected, immediate protestations will be made to Washington that unless more American dollars are sent England, she will be forced to turn over Cyprus to communists.

But it appears big lesson to be learned from the neck-cracking incident in Cyprus is written in large letters of warning.

It is not only odd, but fantastic, when after U. S. has given billions to England, an appeal from the U. S. State Dept. to No. 10 Downing street could not prevent a British colonial governor from a pre-dawn stretching of a couple of pieces of hemp. If State Dept. cannot save lives of a couple of misguided young nationalists on an insignificant little island in the Mediterranean, how much confidence can be placed in ability of State Dept. to save, if necessary, lives of a 160,000,000 Americans?

GIANTS, SOX IN TIE FOR LEAD; CARDS CONTINUE TO LOSE 1- RUN DECISIONS

Posting an 11-2 win over their arch rivals of the year, the Sox, Hub Cadenhead's Giants pulled into a tie for the Little League leadership Tuesday, but the Cubs and the Sox pulled far out in front of the Cubs and Cards.

Though credit must go to the Sox and Giants for their mastery of the other two teams, the real puzzle of the league seemed to be what keeps the Cards from winning any games?

No one seems prepared to answer that question. Not even the Cards or their managers. Oddly enough, the Cubs have been soundly battered by both the Giants and the Sox. In turn, both the Giants and Sox have soundly beaten one another. But the Cards, the only winless team, have yet to be battered by anyone. In fact, of seven games lost, five have been by one run.

And, as if that weren't close enough, they have played to darkness a tie with each the Sox and the Giants. Coupled with a game rained out that leaves them three games behind the rest of the teams on the schedule.

Here are the standings including Tuesday's game.

TEAM	W	L	Pct.
Giants	7	2	.778
Sox	7	2	.778
Cubs	3	6	.333
Cards	0	7	.000

SOFTBALL LEAGUE STANDINGS

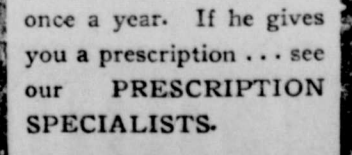

TEAM	W	L	Pct.
Maple	5	0	1.000
Morton	4	1	.800
Causey	3	2	.600
Bala	2	3	.400
Whiteface	0	4	.000
Llano Grande	0	4	.000

GOOD CROWD ATTENDS FAMILY NIGHT SERVICES
 The family night services were well attended at the Enochs Methodist Church last Wednesday night. After a song service, cake and ice cream were served in the Recreation Hall. Out of Community visitors were Rev. and Mrs. H. W. Kille and Debra Lyne, Barbara Bogard and Carolyn Jo Young of Bula & Mrs. A. N. Motes of Morse, Tex.

ATTEND SWIMMING PARTY
 Last Monday night the FFA boys of the Bula High School chartered a swimming party in Morton. Those attending the party were Stanley Snitker, Dean Harris, Barley Roberts, Norvell Roberts, Junior Austin, John Pool, Durwood Fred, Jim Pat Claunch, Bobby Cables, Steve Green and the sponsor J. Logan Green.

VISIT LOGAN GREENS
 Curtis Green and Scott Martin of Earth visited Sunday in the J. Logan Green home.

VISITING DAUGHTER
 Mrs. Lennie Smith of Dimmitt is spending a few days with her daughter, Mrs. Johnnie Green.

MRS. SNOW HOSTESS TO ENOCHS HOMEMAKERS
 The Enochs Homemakers Club met last Thursday in the H. H. Snow home. Cookies and punch were served to Mrs. Louise Newton, L. G. Fred, Dutch Cash, L. G. Harris, Doris Crabtree and Ruby Cash. The next meeting will be held with Mrs. Zed Robinson at which time a quilt will be made.

ATTEND WMS MEETING
 On June 27 Mrs. H. H. Snow, Mrs. C. C. Doer, and Mrs. Johnny Green represented the Enochs W.S.C.S. at a sub-district meeting at Spade, Texas.

GUNTER HOME SCENE OF WEDDING REHEARSAL
 The John W. Gunter home was the scene of a rehearsal supper for those participating in the Motes Hallford wedding. Sandwiches, potato salad, cookies and punch were served to Mr. and Mrs. Lynn Crabtree and David M. and Mrs. Bob Newton, Rev. and Mrs. A. N. Motes, Carol and Rachel M. and Mrs. John Gunter, Robert George, Barbara Bogard and Carolyn Jo Young.

MAPLE HOLDS ONTO SOFTBALL LEAD
 Maple, undefeated, held onto the lead in the local softball league this week with a resounding 17-3 belting of Llano Grande while Morton came within breathing distance by chalking up a 9-8 win over Causey in the torrid battle for second place.

The Morton-Causey battle was a real thriller with Morton scoring a run in the bottom of the Sixth inning to break an 8 to 8 tie and win. The game was featured by a lot of long hits, including three homers, four triples and three doubles. Carl Kernell was the winning pitcher and Johnny Van took the loss.
