Tomb of Abraham

PATRIARCH'S RESTING PLACE: Hebron, located 20 miles south of Jerusalem, is one of the oldest continuously inhabited communities in Jordan, one of the Bible Lands. It is situated in a valley and on a sloping hill 3,000 feet above sea level. It is surrounded by vineyards noted for their green and white grapes and olive groves. Hebron's outstanding attraction is the Mosque of Abraham, where the patriarch is reputed to be buried along with his wife Sarah, Isaac, Jacob, Leah and Rebecca.

Good Samaritan

REMNANTS OF ANCIENT SECT: About 200 of the last remaining members of a unique sect of Samaritan Jews still live peaceably in the town of Nablus, 40 miles north of Jerusalem, in Jordan, one of the Bible Lands. They are strict adherents to one God, believe only in the Pentateuch or first five books of the Old Testament and make three pilgrimages a year to Mt. Gerezim, their sacred mountain, for sacrificial rites. They pitch their tents and carry out ceremonies enjoined upon them since the time of Moses, including the sacrifice of a sheep for each person present. Their Patriarch, dressed in red turban and flowing white surplice, is shown here pointing to the words of the Torah of Law of Moses. The Good Samaritan who came to the rescue of the stranger on the road to Jericho, (Luke 10:33) was a member

A Biblical Town

SITE OF TREASURE HOARD: Nablus, once believed to be the ancient Shechem of Genesis, was founded by the Roman conqueror spasian after his destruction of Jerusalem in what is now Jordan, one of the Bible Lands. Its chief claim to fame is that it is the home of the last remaining member of the Samaritan sect of Jews and it is still visited by tourists for that reason. It is shown here nestling at the foot of Mt. Gerezim, the holy mountain of the Samaritans, where they congregate three times a year for religious ceremonies. A Mosque with minaret appears in the foreground,

looks like they . HAVE ADDED some money to may lose his lead pretty soon. he prize list and, as usual, have a full round of attractions for the two night stand. The newest features this year are a pair of \$150 saddles to be awarded the top rider and top roper, and a shetland pony to be given away as a gate orize Saturday night.

THEY'LL BOUNCE back up to SOME BEEFING, but we think will react favorably knowing that the tax dollar spent on the kid's education is one tax dollar that is well worth the burden on the tax-

school was in debt and the debt had been increasing steadily under the old tax. Not only was there no way to reduce the debt, but the debt was getting bigger. That simply put our schools in the bind of having to put off some bills and to damage our credit rating. This, in turn, simply meant they couldn't get as good prices on items they did purchase. It also meant the had to continually borrow money and a larger part of the tax money would have to be paid on interest on borrowed money. Without funds they couldn't offer salaries that would keep teachers. Yes, one look at the overall picture and its easy to see why the taxes had to be raised.

but the next . . .

QUESTION IS ALSO one that is asked many times. What steps are being taken to save money in our schools? First of all, the audit that was taken recently was the first step. I pinpointed antiquated ideas that have cost the school hundreds of dollars and spotlighted the need for a change in book-keeping setup as well as a change in how the bus iness was handled. The audit didnt cost money. IT SAVED MONEY. over years to come, if the business is handled in the future according to the recommended changes of the auditors, who are experts in their field.

one of the . . .

CHANGES that are being made is to centralize all business through one office, the office of the superintendent, and to do away with the business manager. The Assessor -Collector is to be hired on a percentage basis, if possible. The new plans also call for some revisions in book keeping methods reccommended by the auditors. Purchases are on a requisition slip basis and all bills are fully gone over by the Board. No bills are to be allowed paid as long as the creditor is on

the delinquent tax roll. by setting the . .

TAX RATE UP, the schools will have enough money to pay current bills and earn the discounts that can mount up to several hundred dollars on a big business in a big hurry. They will aso cut out most of the interest payments. And, they will have enough funds to start whittling on that \$32,000 to \$35,000 perations debt that we have.

TO MAKE THESE changes. If

Thunderbird power opens a whole new world of driving pleasure . . . makes Ford the best-selling "8" of all!

Ahead of you the highway unwinds like a carelessly coiled rope. But firmly under you is a car designed to take roads like this in easy stride. Beneath that gleaming Ford hood, 225 eager horses await your orders. Nudge the gas pedal. Gently now . . . look! That truck that was ahead of us is now safely behind. See that flat "S" curve ahead? With Ford's low center of gravity and balljoint front suspension, we'll follow its twisting turns in sure-footed safety. There, we're through it, and it was fun!

Beyond any doubt this '56 Ford will recapture for you the adventure of driving. Behind its giant Thunderbird engine driv-

ing is full of fun again! Where a Ford V-8 is concerned, only driving is believing. And the keys to a Ford are waiting for you now at your Forti Dealer's. Get behind the wheel of this great road car. Put it through its paces on any highway or byway. When you return to your dealer's showroom we think you? agree that-Ford, indeed, goes first.

Ford goes first ... in performance

NOW! A FORD with AIR CONDITIONING costs less than many medium-priced cars without it* TRY ONE TODAY! Based on suggested

High standards in rest rooms help make Phillips 66 Stations the favorite stopping places of increasing thousands of motorists.

To Phillips 66 Dealers, "Hospitality on the Highway" means more than just filling your car's gas tank or checking the oil. Along with clean rest rooms, it means having your car brushed out, getting the windows cleaned ... and special attention to your battery, tires and radiator. It means friendliness, courtesy, the desire to please you.

Your Phillips 66 Dealer believes that in the service he gives, as well as in the products he sells, "It's Performance that Counts." Drive in to his station soon.

HELEN DAWSON, KENNETH D. KREBBS ARE WED IN MULESHOE CEREMONY

ne the bride of Kenneth Dale Kre- ette. Bridesmaid was Miss Opal of Lubbock, were ushers. bs, son of Mr. and Mrs. K. K. Rue of Hart. Krebbs in a double ring ceremony Friday evening, June 29th at the

Trinity Baptist Church in Mule-

Given in marriage by her father, he bride wore a floor length gown of white satin, styled along Princess lines. The body of chantilly ace featured long sleeves which terminated in points over the hands and her weil of silk illusion fell rom a lace covered cap outlined with seed pearls. A bouquet of ye llow rosebuds was carried atop white Bible

Honor was her sister Miss Estelle

ble by Mrs. Howard. Those answering the roll call with naming "the best neighbor ! ever had" were: Mesdames T. H. Brooks, S. E. Bratton, Leo Cunn ingham, Felix Fred, Lon Harrison Landy Irwin, Charles Sanders and

programs or year books.

ramily Records.

ster and brother of the bride, ligh- of Hart and Mrs. Willard Heath- in Plainview.

Candelebra bearing tapers and basket of stock and yellow daisies were featured as the setting. Rev. J. E. Moore performed the service and traditional wedding se lections were presented by Miss

Mona Ellen Wilhite. Attending the bride as Maid of

H. D. Club Meets

The Lehman Home Demonstra tion Club met July 4th at 2:00 pm. in the C. W. Howard home. The me eting was called to order by Mrs Leo Cunningham and opened with a devotional reading from the Bi-

C. W. Howard.

Each member donated a penny for each year of her age to help boost the club's treasury.

During the business meeting se veral club activities were discussed including: the family picnic to be held in August for al club members and their families; a booth at the candidate's rally in Morton on Jul-21st and suggestions for next years

Miss Petty presented an interestng program on Places to Keep The next meeting will be an all day meeting at the L. L. Walker

nome next Wednesday, July 18. beginning at 10:00 a.m. Each wo man is to bring a covered dish for the luncheon. The club will work on crafts that day, making placqu es or planters of copper. The day as also been set for the Polyanna Gift Exchange, July 18.

This week, even with the cattle gragrain sorghum or in middles at th ring constantly, a seed crop will time of cultivation. We of the Soil have been harvested. An estimate Conservation Service certainly enof seed yield will run from 30 to couraged the use of legumes as 10 pounds per acre, Seed at 75c being an excellant conservation per pound plus grazing and the practice. A good soil conservation utting of organic matter back in practice doesn't cost, it pays. he soil adds up to a good return and we will give the exact pounds anted two in and one out or form arvested, when completed.

70 lbs. per acre and grazing. One 4 to cotton and skipped 4. In the d is the fact that when we plant has planted guar - and by gar see what it really will do.

We have a number that have plin and four out. Let's get those J. W. McDermett has 20 acres rows that are OUT, "in". We saw f blue panic and has averaged for a good example of out-in on the he past three years harvesting Syl Greener place. Syl had planted ther thing that is seldom mention- two middle rows of the 4-out, Syl grass, usually it will be on sub- it really looks good. This is on his marginal land. I would like to see home place. Should you desire to ome planted on GOOD land just see same, go by and have a look.

The other phase of conservaton, her planted a combination of grain ar behind, is summer legumes. We sorghum and peas or straight peas encouraged our local seed dealers or beans, are: Tim Tanner, 100 ac to lay in a good supply of New res; Jackson, 30, Carl Knott, 200; Era, Brabham, and Chinese Red C. T. Sulivan, 40; W. W. Smith, 60; peas. They did and at the present Wilard Cox. 30; Crum and Bowers, We encourage planting grain sor time they still have that good sup- 50; Cox and Childs, 50; Eurge Tughum, millett, sudan or cane as a ply. In fact, they still have pra- cker, 30; Jack Curbo, 20; Lonnie tically all that they purchased. Hooper, 10: Pat Smith, 150; M. R. These peas may be planted with Chandler, 100.

ELECT

Representative 98th District

R. L. Dowers Jr. 26, is a progressive young man who believes in West Texas for West Texans He believes our government will become better now and in years to come if more young men become ac tively interested in politics. He earnestly solicits your help in becoming your next Representative from the 98th District.

"For All The People, All The Time"

How-GMC gives you

a bonus of up to 3 gallons in every tankful!

Talk about low-cost GMC ownership! With its new high-ratio cruising axle, a Blue Chip GMC pickup now gives you up to 17.8% better gas mileage. That's 3 gallons' worth of bonus miles in every

And you get far better road speeds, too, from an easy-stroking, unstrained engine. In short, from a mere \$10.50 axle option, GMC now gives you the advantages of a \$125 overdrive.

Add this new gas-stretching ability to the super-efficiency of a GMC 180 hp V8

engine - to the moneysaving advantages of Hydra-Matic Drive*-and an important fact is clear:

The operation and maintenance savings of Blue Chip features can bring the over-all cost of a half-ton GMC down to the level of - or below - the cheapest stripped-model truck on the market. Of course, you'd always have preferred a Blue Chip GMC to any other truck. But now-with cost so strongly in its favorthere's no need to step down. Come in

and tell us what colors you want on your GMC.

*Optional at moderate extra cost

- See us, too, for Triple-Checked used trucks -
