It was fun, even in losing . . .

I wanted the office, or I wouldn't have applied for it. However, the will of the majority is the thing that makes our government tick. I extend my congratulations to my opponent and wish for him a successful term.

To those who supported and encouraged me in the race, my thanks; the friendships I remade were certainly worth the effort and expense.

I still stand ready to serve you, as I have always tried to do in the past.
