COUNTY AGENT

Dr. Moore, veterinarian with the very much Federal Research Bureau, is in Coc The ritle boys have been meeting hran County this week checking Monday afternoon at 5:00 p.m. at cows for tuberculosis, I don't know how long he will be in the count; but he is supposed to check about 10 percent of the herds. The job no TB is found in the county, it will be credited as being free.

-000-

4-H BOY'S CONTESTS

Cochran County will have at least two bboys teams to enter the District Contests at Lubbock, May 4. There will be one enomology team and one rifle team. Four boys are to make up each team. The teams will be selected soon to represent Cochran County in the District Con-

Mr. W. M. Butler is helping with the entomology boys and Ken Coff-man is helping with the rifle boys.

The boys working in entomology have already met ten times for ten training meetings and had average ttendance of 10 to 15 boys at each meeting. The rifle boys have met six tims with about 15 average attendance. Some of the dads are bringing the boys to the rifle safety

Biggest Sellers...because they're Biggest Savers!

Chevrolet trucks are built to be the biggest savers!

Look at the way they're put together. Frames, axles, suspensions, all chassis components are built to shrug off the relentless beating of a long, tough schedule. Look at the safety and convenience features in Chevrolet cabs. They're roomy, soft riding; you've got High-Level ventilation and panoramic visibility. Look at Chevy's latest model-new high-capacity 1/2 ton pickup that measures a full 98 inches in length!

And look at Chevy's line-up of super-efficient V8's and 6's. All heavyweight truck models and many middieweights come with V8's as standard equipment. Light-duty jobs feature the latest edition of the savingest

6-cylinder engines in the history of the truck industry! High-performance V8 power is optional at extra cost in lightweight haulers.

Stop by and talk it over with your Chevrolet dealer. He'll show you a model that lives up to the latest in engineering advancements; a truck that will stay and save on any job you care to name!
