## TWELVE INCH SNOW COVERS MOST OF COUNTY

The heaviest snowfall seen here in many years — and quite likely the largest measured here since any type of record has been kept — covered Cochran County and a large portion of the South Plains Friday night, all day Saturday, and early Sunday morning.

The heaviest concentration of the snow appears to have been west near the county line and north 20 to 35 miles. Morton's official measurement was 12 inches at the Soil Conservation Office which, according to the

best available efforts, produced 1.99 inches of moisture. Add to this the fact that an inch of snow is equal to about 2.5 or even three inches of rain. Roy Weekes measured 11.5 inches in a barbeque pit in his back yard at 7:30 a.m. Sunday. Lowest measurement by Weekes was 11 inches. The nearest we've come to this snow was a 10 to 12 inch fall 23 months ago, in February of 1956, and that was a "dry" snow, wind whipped, which piled in drifts, and drifted plumb over lots of the bar-

ren farmland doing little good in many instances. This time the wet snow clung — so well did it pack it packed to the sides of telephone poles two inches or more. And, it didn't freeze quickly enough or hard enough to do as much damage to roofs, etc. as it might have done. The mercury stayed high enough so that the snow remained moist and was quickly cleaned off of highways.

The snow started in fine sleet at about 10 p.m. Friday night. It apparently did not stop all night and by morning had begun to cover the ground. All day Saturday it continued at a rapid pace and the coating was about 10 inches or more by midnight. It wasn't until Sunday night that it began to freeze hard on the ground and by Monday noon, what few roads had not already been cleaned, were nearly melted enough to be cleaned.

As is always the case the snow was a little more inopportune for some than for others. It caught a pile of pulled but ungned cotton in some fields and in a few instances caught some cotton not striped. It cut down the number of fans who could go to the Morton basketball game at Sundown, but probably actually saved lives, in that the storm was bad enough that not many people ventured out on the roads.

One thing was almost inevitable — that is farmers over the entire county have as good a bottom season as they can remember here, and all land can now be listed or deep broken with much more ease in the next few weeks or so. It should even bring earlier planting, which in turn will bring an earlier harvest this fall and will not be as likely to nip unmade cotton as the freeze did last fall.

### Air Explorer Scouts Organized Here; Ground Observers To Co-sponsor

The Morton Ground Observer Corps Post agreed, at a meeting Monday night to co-sponsor the formation of an Air Explorer Scout Post in Morton and 19 boys signed up for the group which will begin a training course soon.

E. L. Reeder of the local GOC was named advisor for the group and Joe Carothers local Scout is assistant advisor.

The group of 19 boys will report to Reese Air Base each second and third Wednesday (beginning yesterday) at 7:30 p.m. to study course in navigation and aviation if enough are interested. The new course began yesterday.

Carothers said the group would leave Morton about 6:15 on the appointed Wednesdays to be there on time.

Five other adults were named to the Squadron Committee. They are Dick Means, chairman and on the committee; W. J. Woods, Ken Coffman, Fred Morrison and C. E. Luper.

Homer Thompson was named as Institutional Representative. Earlier, the local Legion Post had agreed to cosponsor the Post. The two organizations planned to stage a Pancake Supper on Saturday, February 8th, to get funds to help sponsor the new Scouting Program.

Boys who joined the group Monday were: Stanley Clark, Gary Coffman, Jimmy Collins, James Davis, Bill Gray, Lowell Hatcher, Max Hawthorne, Sharon Hawthorne, Calvin Howell, Billy Lackey, Ray Laper, Tommy Morrison, Bill Ed Thompson, Freddie Thompson, R. E. Thompson, James Wobly, Gary Willingham, Norton Willis, and Bill Wood.

J. D. Hawthorne is Booster President. The Morton Athletic Boosters, in a regular meeting Monday night, elected J. D. Hawthorne as their president for the next year.

The group also named Gene Thompson, first vice - president and M. C. Ledbetter, secretary - treasurer.

The new officers take over at the next meeting which will be on Monday night, January 20. The group also voted to meet every other Monday night instead of each Monday night.

They discussed another project, but will investigate further before announcing their plans.

The club will also have some type of identifiable emblem for Boosters to wear at the forthcoming District Basketball games.

Coach Travis discussed the condition of the team and the coming district play which opens this week.

Some members of the group also volunteered to drive some of the boys to Lubbock Tuesday night to attend the Texas Tech - TCU basketball game.

### COUNTY JUDGE FRED STOCKDALE BECOMES FIFTH CANDIDATE TO ANNOUNCE FOR RE-ELECTION

Cochran County had its fifth announced candidate for the coming Democratic Primaries this week as County Judge Fred Stockdale announced his candidacy for re-election to that office.

His announcement left only R. Z. Dewbre of the major officeholders whose terms expire this year as yet not announced as a candidate for re-election.

As yet no races have developed for Cochran County. Last week four candidates announced for re-election. The other Justice of the Peace posts and the Commissioner of Precinct Four Post will also be voted on.

### Frontier Farm Labor Membership To Hold Annual Meeting Tonight

The annual meeting of the Frontier Farm Labor Association — to be held tonight (Thursday) in the County Activities Building, may result in a change in the by laws to allow all area farmers to belong to the Farm Labor Group without necessarily belonging to the Farm Bureau.

This amendment is expected to be one of the chief topics for discussion as the group meets to hear the financial report for the first season of operation and a progress report on the group.

Cecil Parker, Farm Management Specialist with the Extension Service will be on hand and it is hoped an Internal Revenue man will also be available.

### Tax Management To Be Subject of Farm Meeting

On Thursday night, January 23, at 7:30 p.m., a Tax Management meeting will be conducted in the County Auditorium according to County Agent Homer Thompson.

Records to be kept, depreciation, exemptions, etc. will be stressed and all farmers who can make it will find this meeting well worth their while.

### Jaycees to Sponsor Harlem Road Kings Appearance Here

The Morton Jaycees, announced Monday, that they will sponsor a basketball game to be held in the High School gym, a week from Saturday, featuring the Harlem Road Kings — a clowning, barnstorming, Negro basketball team that played to a good sized crowd in Morton a few years ago.

It will be the first appearance in Morton in the past two years of a traveling basketball team.

The Morton Independent Basketball team, who are currently appearing in the TAAF league, will furnish the opposition for the Road Kings, it was determined late Wednesday. Three Way and Whiteface TAAF teams were to be invited to participate also, but both of these teams have league games slated on that night.

### INDIANS OPEN CONFERENCE FRI. IN GAMES AGAINST SPRINGLAKE

The Morton Indians will be after their 11th straight victory and their first Conference win of the season here Friday night as they meet the Springlake Wolverines on the home court.

Coach Bobby Travis' undefeated Indian cagers know little about the Springlake team they will face. The Indians, Friona, and possibly Farwell are picked as the strongest of the conference teams but Sudan could well surge past Farwell and is rated a dark horse. Springlake is probably the least known quantity in the district.

**MINERAL SUPPLEMENTS**  
 Beef cattle need a liberal supply of minerals for proper bone development and growth. Extension animal husbandmen at Texas A & M say that mineral supplements are no cure-all, but they are necessary for successful grassland cattle production in areas where soils have become deficient in minerals. Minerals most likely to be needed by cattle are sodium, chlorine, phosphorus and calcium. You can supply sodium and chlorine by feeding common salt. The other two—phosphorus and calcium—can be furnished through mineral supplements.

Phosphorus deficiency may occur in any part of the state at any time but in some sections it is present at all times. A year round supplement feeding program should be carried on if you live in one of these sections.

**TOTAL FEED CONCENTRATE SUPPLY SETS NEW RECORD**  
 Total feed concentrate supply reached 200 million tons for the first time last year. Because of record feed crops in 1957, total supply has increased to 213 million tons, a new record, in 1957-1958. The utilization of feed concentrates during the present season, 1957-1958, is expected to be 3 million

tons larger than last year. However the supply is large enough to take care of the larger disappearance and still boost carryover stocks another 10 million tons at the close of the 1957-58 marketing year.

**SORGHUM GRAIN SUPPLY IS UP SHARPLY**  
 The present supply for 1957-58 is estimated at 595 million bushels, more than double the big supply of last year. Production in 1957 was twice that of the previous record crop of 1955.

Consumption in 1957-58 should be well above that of last year because of the larger crop and lower prices. Sorghum grain is in a better position to compete with corn as an ingredient of mixed feed. About one half of the 1957 crop will be fed. Exports are expected to be a little larger than last year, but may be limited by competition from corn exports.

The carryover stock at the end of the present marketing year will probably total around 250 to 300 million bushels compared to 81 million bushels on October 1, 1957.

**OATS SUPPLY ABOVE AVG.**  
 The 1957-58 supply is estimated at 1,596 million bushels, 80 million bushels larger than last year.

**BARLEY SETS NEW RECORD**  
 Barley production in 1957 and near record carryover stocks on July 1, 1957, has boosted the 1957-58 barley supply to a new record, 13 percent larger than last year.

A little larger quantity will be fed in 1957-58; however, other domestic uses and exports are not expected to increase materially above that of last year.

**FEED BRIEFS**  
 Another large supply of high protein feed is in prospect for 1957-58. Hay supply is up 11 percent to establish a new record.

Increases in grain sorghum production has been pronounced in the Corn Belt and Great Plains areas. Nebraska now ranks third in production. Production in Missouri exceeded that of Oklahoma for the

# DIANS WIN THREE AT SUNDOWN; COP SECOND TOURNEY TITLE; REMAIN UNDEFEATED; DEFEAT PLAINS, IDALOU, AND SUNDOWN

Robby Travis' Morton rolled up three straight decisive margins over three of the toughest competitors in the meet last weekend to waltz off with the Sundown Invitational title and run their undefeated season to 8; 9 and 10 games.

But Travis' girls experienced a little more trouble. After taking a first round victory, the local girls dropped a three point heart-breaker to Wellman, the eventual winner.

Saturday's entire slate was played as snow piled up on the highways but not a forfeit was recorded. Morton played a morning game and then returned home, and made the trip back to Sundown late in the evening for the championship tussle. A fair size group of fans braved the elements to make the trip to Sundown.

Here's a synopsis of the three Morton boys games in the tourney:

Morton took on one of the teams that gave them the hardest fight earlier in the season, Plains (the Whiteface Tourney) as their first round opposition at Sundown. But the Indians dispelled any doubts as to their supremacy in the very first quarter. With Clyde Brownlow accounting for over half the points, Morton rolled up an 18 to 8 lead at the first stop and they maintained the same ten point margin at half time, 29 to 15.

The game turned into a rough & tumble affair, early, and before it was over Morton had lost both Flanagan and Woods on fouls and Middleton was on the verge of going out on fouls when it was over. The Cowboys had two men with four fouls each.

Free tosses kept Plains in the game in that second quarter, the Cowboys hitting seven to go with a pair of field goals for 11 points. However they missed seven other chances in the same quarter. The Indians tallied four field goals and three of six free throws, Brownlow getting two field goals for a total of 15 first half points. The usually hot Ed Gattis managed only one field goal and two free throws in the first half.

In the third period the Indians began to pull away with ease despite the fact that this was the only period in which Plains ever found their eye from the field. The Cowboys hit five field goals in the 3rd quarter, nearly half of their game total, and canned two of three free tosses. Morton, meanwhile, also potted five fielders but canned seven of nine gift tosses for a 46 to 31 lead.

The fourth period was anti-climactic it being Plains' turn to run to the foul line every few minutes & they hit nine of 13 tries. Morton, using reserves a good portion of the way, wound up with a 58 to 44 romp. Gattis added 10 points in the last half to get 14 for the game but Brownlow took top honors for Morton with 19.

Williams had 17 for Plains but he missed six free throws and thus threw away his chance to become the game's top scorer.

Morton's superiority, both from the field and the free throw line, was evident. The Indians sniped a total of 21 field goals to 12 for the

Cowpokes and then hit 17 of 26 gift tosses for a higher average than Plains which hit 20 of 34.

That victory on Friday afternoon eased Morton into a second round, morning game, Saturday with the Idalou Wildcats.

Again it was excessive, early in the game fouling, that hurt the Indians who asserted their superiority from the field almost immediately. Morton pushed in six field goals, and 16 points in the first quarter effort but Idalou cashed 8 of 10 free throw attempts for 14 points and they battled Morton furiously. Finally Ed Gattis began to get the range in the second quarter and Morton opened its halftime lead to 30 to 23.

It was Gattis' personally conducted tour that broke up the game in the third quarter. He tallied four fielders and Morton got 18 points and the lead was 48 to 32 at the three quarter stop. Morton reserves added to the lead in the final stanza and the Indians came out with a 60 to 41 margin.

Gattis, who didn't play but about three quarters, popped 23 points to take scoring honors. Flanagan and Brownlow each tallied 12.

Weaver got 13, Isom got 11 and Rodgers 10 in the even scoring for Idalou.

Though not quite as rough as the first tourney game, the tilt did result in both Weaver and Rodgers fouling out for the Wildcats.

Plains outshot Morton on free throws canning 17 of 27 while the Indians hit on 12 of 21. But from the field Morton doubled the Idalou output, 24 to 12.

The morning victory qualified Morton to meet Sundown for the championship at 8:45 Saturday evening.

Errors, for the very first time this season, played a prominent role as Morton nearly ran into too much trouble in the first half of

that game.

It was only because the Indians outbounced the Roughnecks that they were able to stay close. They picked off 11 rebounds to 6 for the Sundowners. But they committed 6 errors, each time losing the ball without a shot and Sundown wound up with three more shots, the same amount of field goals, and one more free throw. The score was 13 to 12 in favor of Sundown, only the second time this year Morton has trailed at the end of an intermission and only the fourth quarter out of 40 in which the Indians have been outscored.

But the Indians were destined to get much hotter and Sundown was nearly all through with their field goal shooting when the first period ended. Sundown got only six additional field goals in the entire game two in each of the last three periods and Morton, hitting a good 5 for 14 that first period, literally sizzled the nets with 8 for 14 the second period and just barely missed a 50 per cent shooting performance the first half. The fact that one man missed six of the fifteen shots missed and that they made so many errors without getting a shot, made it appear that Morton was cold from the floor — which is far from the truth. As a team, they didn't fall under .300 for any quarter.

It was the second period spree that put Morton over. Eddie Thompson got hot bucketing three long fielders. Gattis hit his usual two for two. Flanagan added a pair and five free throws and Morton had a 34 to 25 halftime lead. Eight gift shots enabled Sundown to keep the margin respectable.

The Indians continued to wax hot in the third stanza, potting six baskets in 16 shots and built the margin to 52 to 34 after Sundown had cut it to 44 to 34. In the last 2:15 of the third period and the first six minutes of the fourth stanza the

Indians did all the scoring, ramming home 21 straight points as the Sundown boys couldn't get rolling.

It was 65 to 34 before the Sundown lads hit two late field goals. At one time the Sundown five failed on 11 out of 12 free throws.

The final score, of 65 to 39 was accomplished with reserves playing almost all of the final period.

Steady shooting by Gattis got 12 points in each half and game scoring honors with 24. Flanagan got 16 and Eddie Thompson nine.

James put on a burst in the 2nd and third periods, before he fouled out to get 14 points for Sundown and Childs had 12. Hanks also fouled off early in the third period for Sundown in a game in which the Indians had 17 fouls and Sundown 24. Sundown tallied 16 free tosses but missed 14 others. Morton did as poorly, cashing 18 and missing 17.

The victory was the 10th in a row for Morton and left them undefeated as they open District play Friday, on the local court, playing Springlake.

The Morton girls didn't fare as well at Sundown — in fact they didn't win a trophy, but it wasn't because they didn't have a good enough team. They won their opening game with ease and then were nipped in a thriller with the Wellman girls, by three points.

Wellman went on to lose to Sundown, a team Morton had beaten a 5 and three record so far this season. The split gave the Morton girls

with ease, earlier in the year. ing district play against Springseason and they too will be open-lake next Friday.

Ed Gattis, senior guard, continues to lead all scorers on the Indian basketball team at the end of the first 10 games of play. Gattis' total of 172 points has nearly doubled that of his nearest competitor, and his average is 17.2 points per game.

However runner-up honors aren't going to be so easily decided. At the moment, two good performances against Sundown tourney competition has left Clyde Brownlow in the runnerup spot with 95 points but Clayton Flanagan is just a whisper behind with 90 points. The two men were both late starters and have pulled ahead of Gary Middleton only in the past two games. Middleton has racked up 75 tallies, Eddie Thompson 53, and Bill Woods, 41.

Free throws have made the big difference between Flanagan and the rest of the runnersup. Clayton has swished 44 free throws, missing only 20, meaning he averages four of six per game. Gattis, far ahead both in field goal shooting and average, nearly caught Flanagan in the free throwing with the three tourney games.

Middleton is ahead of Flanagan and nearly up with Brownlow on field goals but hasn't had any kind of a showing at the charity stripe.

Gary's hit only five and missed 14 free throws for the worst free throw average on the team.

Another fair free throw shooter is Woods who has dunked 23 and missed only 11 free tosses while making only nine field goals.

The clue to the amount of free throws these boys have had lies in the race for rebounding honors.

Flanagan, who outdistanced all rebounders last year with his terrific hustle, has now been edged into second place by Gattis who rebounded 93 times to 74 by Flanagan. Woods has picked off 56 and Brownlow has 43 — and this is the order in which they have been fouled the most.

As far as fouling for Morton is concerned Flanagan has been called 34 times and Woods, 30. The others are Brownlow 25, Gattis 24, Thompson 21, and Middleton 20.

One of the most heartening things Coach Travis can see is that the boys returning next year are on the low error list. Gattis, Flanagan, and Eddie Thompson have accounted for 30, 30, and 29 errors — that is double dribbling, bad passing, fumbling, traveling, and having a ball stolen away.

Brownlow has been guilty of only 12 errors thus far — a real tribute to his careful ball handling.

Woods has committed 19 bobbles and Middleton, 25.

So hot was the Morton shooting in the past four games the team's shooting average has upped five points to a sizzling .366 — that is exceptionally good for a collegiate team.

And, the best surprise of all is that the late shooting has elevated Flanagan over the .300 level for the first time in the season. Gattis still is over the 50 per cent mark, firing a tremendous 309 while Gary Middleton has slipped some off his .483 shooting but of the "six" men who alternate as starters, Eddie Thompson is the only one under .300.

*Certain Self-Treatment Should Worry You, Too...*

Powerful and effective, many new drugs can produce remarkable results. Likewise, much damage can result from improper use or overdose. Dangerous immunities can develop. Permanent injury can be done — even life can be endangered.

For good reason, there are restrictions on the use of penicillin, Chloramycetin, certain sulfa compounds and other drugs without the care and prescription of a physician. When your health requires it, consult your Doctor. He will prescribe these new and potent remedies when he feels they are required.

**MAKING THE MOST OF INCOME FOR 1958**

Is your family satisfied with what your income bought the last year? Do you really know where your money went?

More Texas families are making the most of their income by keeping better household and farm accounts. Mrs. Edna Newman, Extension Home Management specialist, says interest in the family economics demonstration is increasing in counties throughout the state.

Records help families to see where income goes, and where it comes from.

The only time you can manage your money is before you spend it, says Mrs. Newman.

Account keeping will show where your spending has been wise or it can show what habits you would like to change. Why not plan before you spend this year?

"Money Family Style," an extension bulletin, gives down-to-earth suggestions for family money management. Copies are available from this office or from the Agricultural Information Office, Texas A & M College, College Station.

**FREEZING PORK**

Storage time for fresh pork in your home freezer should be limited. Extension foods and nutrition specialists say pork does not keep its quality in frozen storage as long as other meats.

Fresh sausage may be stored in the freezer from one to three months. Other cuts of fresh pork can be stored from three to six months, provided they are packaged properly and held at zero degrees F. or lower. Tin cans, sealed, are ideal containers for sausage.

Fat portions of cured or smoked pork may rancid if stored longer than a two month period.

To package pork for the freezer use a moisture vapor resistant material, such as heavy freezer foil. Fold closely to drive out air. Use an overwrap to prevent puncturing or breaking the foil in the freezer.

**GERMAN MEASLES**

German measles in the first three months of pregnancy does not harm the baby as often has been thought, according to a report in the Journal of the American Medical Association. Earlier studies which gave malformation rates ranging up to 100 per cent are inaccurate, the reporting doctors declare. The latest study, still inexact, puts the rate at about 12 per cent. The wise-

### Most Women of Methodist Church Day, Jan. 14

D. Hawthorne and Mrs. ... will be hostesses ... on the Tuesday, January ...

lanity came to Japan in 1549 when the great missionary Francis Xavier landed in Japan.

As late as 1859 the first protestant missionaries went to Japan devoting themselves to language study, translating in some English teaching.

The greatest progress in Christianity came in the 1920's and continued until 1940. Subsequent events unfolded with the inevitability of a Greek tragedy and today less than one half of one percent of the nation's 90,000,000 people are Christians.

### HD Club at Lehman Met Recently

The Home Demonstration Club of Lehman met in the home of Mrs. Louis Walker at 9:30 a.m.

The program subject was: "My Responsibility as an Officer and or a Club Member." It was given by Mrs. Edward Brownlow.

Miss Petty gave a demonstration on tasty meat loaves. Refreshments were served to five members and Miss Petty.

All homemakers are invited to attend any and all of our meetings which will be the first and third Saturday mornings at 9:30 a.m.

The Lehman Home Demonstration Club met in the home of Mrs. Ralph Burt, Dec. 17th for their annual Christmas dinner. Everyone present enjoyed a very delicious lunch. Games were played and gifts were exchanged.

Due to sickness, only two of the regular members were present.

Mrs. Ralph Burt and Mrs. T. H. Brooks attended, as well as the Home Demonstration Agent, Miss Leila Petty.

Former members present were Mrs. P. L. Fred, Mrs. Lon Harrison, Mrs. Marlar, Mrs. Charles Sanders and two daughters, Mrs. P. E. Liles and daughter from Tulsa.

### Area Teams Open TAAF Play, Sat. & Monday Nights

**Uninjured as  
 Pickup Overturns  
 During Sat. Snow**

Mrs. Thurt Lemons and daughter  
 Sandra Jean of the Stegall area es-  
 caped injury when a pickup truck  
 in which they were riding overturn-  
 ed north of Stegall Saturday after-  
 noon, it was reported here Wednes-  
 day.

Neither of the two received more  
 than bruises and bumps as a tube-  
 less tire on the truck was pulled  
 from the rim, deflating it and over-  
 turning the truck amid the snow  
 storm.

Come in and "COMFORT TEST" a new

**Golden Anniversary INTERNATIONAL**

New Golden Anniversary INTERNATIONAL ranges from Pickup to 33,000 lb. GVW six wheelers.  
 Other INTERNATIONALS to 19,000 lbs. GVW, round out world's most complete line.

There's a lack of action in every fresh, clean line of the new Golden Anniversary INTERNATIONAL Trucks. And there's a lack of comfort that's hard to believe.

You just have to take our "Comfort Test" to believe it. We'd like you to check the comfort on roads you know are rough. Try out INTERNATIONAL for easy handling, roominess, quietness . . . for visibility of the new Sweep-Around windshield. Compare it, too, for power and performance.

And keep this in mind all the time: INTERNATIONAL Trucks cost least to own over the years—cost records prove it!

Come in for this eye-opening test.

**INTERNATIONAL TRUCKS** cost least to own!
