

# Morton schools to open for new year Monday

A full day of classes will greet students next Monday as they return to classrooms to begin the 1964-65 school term in Morton.

Supt. Ray Lanier announced that classes will convene Monday at 8:45 a.m. with school to be conducted on a full scale and dismissing at the regular time of 3:30 p.m. The same schedule will continue throughout the week, which will be climaxed on Friday night with the opening football game, when the Indians meet Olton on the home gridiron.

This year's opening day, however, will be considerably different than in the past, as the result of the extensive building and remodeling program which has been underway, including the construction of a new high school.

High school students — those in the 9th, 10th, 11th and 12th grades — will report at the new high school building, it was explained, while 6th, 7th and 8th graders will report to the old high school, now to be used as a junior high.

Students in the 3rd, 4th and 5th grades will report to the former junior high building, now the elementary building. First and second graders will report to the primary building.

First graders, it was emphasized, must bring with them Monday morning their birth certificates and record of immunizations. Boys and girls enrolling in first grade must be six years of age on or before September 1, and are required to have had small pox vaccinations and diphtheria im-

munizations. The enlarged cafeteria will be in operation on the first day of school, Monday, and school buses will make their initial runs.

Added to the curriculum this year at the high school will be a general shop class, in which the initial period will be devoted to mechanical drawing, following by

wood working and use of lathe machines, and then hot metals. It is hoped that perhaps next year this course can be expanded to include leather craft and lapidary to provide students with fundamental basic knowledge of a variety of industrial arts. Also added has been a full year's course in auto mechanics, giving students with a talent in this line an opportunity to improve their skills.

Young students who are in need of additional attention and instructional aids will be included in a special education course which has been added to the curriculum this year. Two new teachers have been hired to provide the instruction necessary for these pupils.

## Record school enrollment expected

A record enrollment was predicted for the Morton schools this week as only a few days of vacation remained for boys and girls before starting the 1964-65 term next Monday morning.

Supt. Ray Lanier anticipates increased enrollment in every building of the school system, and said that it is expected the peak in numbers, which is usually reached just prior to Christmas, will be

from 1425 to 1450, as compared to last year's figure of 1,363.

Last September, the administrator stated, opening day enrollment for the entire school system was 1,129 students. There is little doubt this will be substantially increased this year.

Principal Bill Matthews said today he expects the high school enrollment to be about 270, while

## Carr to speak at C-C banquet

Confirmation was received this week that Waggoner Carr, Attorney General of Texas, would be the speaker at the third annual banquet of the Morton Area Chamber of Commerce. The event is scheduled for Thursday, November 19.

In a letter to chamber president Gene Snyder, Carr indicated that he had arranged his schedule so as to be present, and that he was looking forward to renewing Morton acquaintances.

Although the date is still more than two months away, preliminary plans are already being drawn up for the banquet, at which officers for the year 1964 will be installed. However, because of a change in the by-laws this past year, new officers and directors will not take office until January 1.

Highlight of the banquet will be the naming of the Citizen of the Year, and a new award this year, the Farm Family of the Year. Previous winners of the Citizen of the Year are Melvin McCoy in 1963 and Mrs. J. C. Reynolds in 1962.

Cash awards for the first load of grain and the first bale of cotton in the Morton Area will also be doled out, and a complete, detailed program of work for the chamber in 1965 will be presented.

## City council votes to sell bond issue

Morton City Council in a regular Monday afternoon session voted unanimously to sell the \$280,000 utility bond recently approved by Morton citizens, and to refinance \$120,000 gas system revenue bonds. Bonds will be sold to the First Southwest Company, a large reputable company represented by Joe W. Smith who is financial advisor for the city of Morton.

Smith presented to the council, several plans for selling the bonds. Among those seriously considered by the group was a plan in which the First Southwest Co. was to buy the bonds, then the City of Morton would pay back the principal in a twenty-five year period.

Another plan offered a twenty year period, and a third required payment in a fifteen year period.

After financial advisor Smith, and councilman Greene carefully presented reports on their studies of the advantages and dangers involved in each program, the council decided to sell the bond in a twenty year period. Neal Rose made the first motion to accept the 20-year plan. He was given second by Tom Rowden and the motion was unanimously accepted.

The 20-year plan carried with it a 3.9017 interest rate. Councilmen were pleased with this comparatively low figure.

The 20-year plan was then

amended to include a fifteen year option. This amendment gives the council the authority to pay the bond principal and interest in full at the end of fifteen years if they find themselves financially able to do so. Kenneth Thompson made the first motion on the amendment which was given a second by Van Greene, and unanimously passed by council members.

The Council's decision was a thoughtful one. The 25-year plan was rejected when councilman Greene brought to the council's attention the fact that the twenty year program would mean a \$74,863 savings in interest over ex-

## Sandra DeBusk seeks "Maid" title

Entrant in the Junior Maid of Cotton Contest to be held Monday, September 12, at the City Activities Building in Morton is Sandra De Busk of northeast Third Street in Mor-

Sandra DeBusk

De Busk is the daughter of Mrs. R. L. De Busk and of Morton for more than 15 years.

Seven year old Sandra has participated in a large number of activities. She will represent Morton in the 1964-65 season cheerleader and participate in Future Teachers and Future Homemakers clubs as well. She has been active in band, mad, and science club.

Member of the First Baptist choir. Sandra sings in the

school and church activities. She is active member of the Girl Scouts organization, and for recreation she bowls and is a bowling member.

Chosen Junior Maid of Cotton will be awarded an all-wardrobe and second runner-up gets a \$50 wardrobe. Entering the contest must be in the contest rules. Rules state that girls must "be willing to

wear, a sports outfit of her choosing, and in an evening dress; she will also be asked to perform a talent of some kind." They must also "realize that the purpose of this entire program is to stimulate interest in cotton."

The entries must agree to cooperate with the Junior Maid of

appear before the judges in street Cotton Committee in all publicity decided upon by the committee. She must also, if chosen Junior Maid of Cotton, remain unmarried until the completion of the promotion program.

Contestants will be judge on background, appearance, poise, personality and talent.

Candidates must pay all their expenses incidental to their appearance in the contest, but it will not be necessary for those entered to purchase cotton clothing or to appear in cotton clothing for any part of the show.

Entrants are urged to turn in their entry forms as soon as possible to the Morton Chamber of Commerce. The deadline has been moved to 5 p.m. September 3.

Other entries from the Morton area include Pam Reynolds, Linda Hawkins, Jan Scoggins, Wadonna Strother, Gail Howell, Gaylene Weed, Peggy Ramsey and Diana Cox.

The Junior Maid of Cotton Contest was designed to stimulate interest in the Cotton industry. The winner will represent Cochran County in various functions throughout the South Plains as Miss Junior Maid of Cotton for 1965.

## Lions to resume meetings Sept. 2

First meeting of the Lions Club following the customary summer recess has been scheduled for next Wednesday noon, Sept. 2, it was announced today by George Boring, president.

The session will be held at the County Activity Building, and all members are urged to be present.

Boring said initial plans will be discussed for the annual Ladies' Night when local teachers are honored, and general plans for the year's activities outlined.

## Bracero killed in traffic accident near Whiteface

Jose Avina, 36-year-old bracero worker on the Jim Middleton farm, was struck and killed Sunday night at 8:57 p.m. by an automobile traveling on state highway 116 three and four tenths miles west of Levelland.

Driver of the car was 23-year-old Bobby Neal who lives one mile east of Whiteface. He was driving a 1960 Chevrolet Impala.

Neal related the account of the accident to a Tribune reporter late Tuesday afternoon.

He was traveling west from Levelland to Whiteface on Highway 116 in a return trip from Sunday night church services. Neal said he was traveling at a speed of

## Indians score victory in football scrimmage

A jubilant band of Morton Indians resumed football workouts Wednesday morning following a surprise victory in a scrimmage with the Canyon gridders Tuesday afternoon at Friona.

The Indians scored twice during the practice while holding the 3-A Canyon team scoreless. The teams had the ball ten minutes on offense before shifting to defensive work.

Head Coach J. P. Jones appeared pleased with the scrimmage, especially with the defensive work. The Canyon club never penetrated the Indian 30 yard trip during the regular scrimmage. However, Jones pointed out that the local eleven needs work on their goal-line defense. Canyon scored three times from the ten yard line in goal-line drill, while the Indians managed to cross the double chalk only once.

"This scrimmage did us a world of good," commented Jones. "Now we can work to eliminate the mistakes we made, and be more rea-

dy for our opener against Olton." Jones also said that although the Indians didn't break loose for any long runs, they were hitting quicker and sharper than in the last couple of years.

The Indians forward wall is not as heavy as the past couple of years, but they have quite a bit more speed. Lack of speed in the line hurt the Morton cause considerably during the past two campaigns.

Jones singled out Billy Laws and Kenney Palmer as doing exceptional jobs on defense. Laws is breaking in at middle guard, and was a pleasant surprise. "for not having had any experience, he did a real fine job," Jones said. Bobby Dobson was the workhorse ballcarrier for the Indians, but the Morton mentor declined to point out any other boys. "They all did a good job, and I'm proud of the whole bunch," Jones added with a smile.

Gang tackling was much more in evidence against Canyon than

## Eastside Elementary school to open Monday; expects 70 pupils

Teachers and approximately 70 students at the Eastside Elementary School are looking forward and making final preparations for the opening of school on August 31.

Most of the pupils in grades 1 through 4 have registered for the 1964 school term, and all new pupils will enroll Monday, August 31.

Eastside Elementary will operate with three teachers in the system this year. The new teacher for the first semester, Mrs. Freda and faculty meetings. Mrs. Dorsey attended Butler College in Tyler, Texas. She has a Bachelor of

Science degree in education and will serve in the capacity of first grade teacher this year. Edmond Lang will return this year to teach the third and fourth grades. Mrs. Lula Blanford, who recently returned from San Angelo, will teach the second grade. Mrs. Blanford said Tuesday, "We are looking forward to a busy and successful school year." Then she asked that parents of first grade pupils please come with the child so the information needed for enrollment would be available.

In the first flight, Tip Windom defeated Sno Willis, with Jack Wallace as consolation winner.

The second flight, which was run on a double elimination basis, had not been completed as yet due to the number of games which had to be played.

Merchandise prizes were awarded to winners with the exception of possible high school winners in the second flight.

**Country Music Festival draws 3,000 spectators**

Morton's second annual Country Music Festival, again proved a remarkable success as approximately 3,000 people viewed the show in the newly dedicated Jim Reeves Memorial Park Saturday.

Elton Williams of Lubbock won the first place and a cash prize of \$125.00 in the country music contest.

Second and third place winners were also from Lubbock. The Griffin Brothers won \$75 in cash for second place and Lana Delgado received a \$50 cash prize with third place title.

Saturday afternoon crowds increased quickly and by 9:30 p.m. 1,500 to 2,000 enthusiastic people were on hand for the talent judging of the show and dedication of the City Park, changing the name to Jim Reeves Memorial Park. The late Jim Reeves was a celebrated country singer who was killed July 31 in the crash of a light plane at Nashville, Tenn.

Participants in the show included hillbilly bands, guitarists, singers and oldtime hoedown fiddlers from as far away as Tatum, N.

M., and Big Spring.

Talent judges for the festival were Sky Corbin and Carrie Hobbs, both of Lubbock and Don Clark of Farwell.

In dedication ceremonies Mayor Dean Weatherly expressed his pleasure at the success of the show and the city council's decision to name Morton's only park after the famous country music star. He expressed his concern for the music festival's future when he said, "We hope within a year to be able to dedicate a permanent open-air concrete bandstand for the park."

He estimated the bandstand to cost \$1,500.00 and added that a few donations for the bandstand have already been given.

The future of the Country Music Festival may indeed be very successful. Each year the festival gains a wider reputation.

This year a United Press International correspondent publicized the festival. His UPI release found its way into large and small newspapers all over the United States, and his story was received on tele-type at radio stations across the country.

Officers and members of four Masonic Lodges in this area have been invited to attend a workshop which will be held at 7:30 p.m., September 14th, in the Masonic Hall at Anton, Morton, Sundown, Levelland and Anton Lodges are invited.

The workshop is being held to enable Masons to study common problems of Masonic Lodges and their operations. It will be conducted by L. B. Montgomery of Littlefield, chairman of the Masonic Workshop Area covering six nearby counties.

The workshop is part of a state-wide semi-annual program held for the quarter-million members of nearly 1,000 Texas Masonic

Lodges. It has been authorized by John R. Colliard, Jr., of Spearman, Grand Master of Masons in Texas. He urged all officers and members of the invited Lodges to attend and said other Masons are also welcome.

### Attorneys hosted by Judge Ledbetter

Judge M. C. Ledbetter has hosted the past week-end at his summer home at Ruidoso at his annual get-together for attorneys of the 121st District.

Special guest was Morgan Copeland of Midland, former district attorney of the 121st District. Copeland is now associated with Gulf Oil Corp.

Among the 20 present were George Boring, James Walker and Fred Stockdale, all local attorneys, and Robert George, district court reporter.

## Local News Happenings . . .

Vicky Gray of Fort Worth has been visiting here with her grandparents, Mr. and Mrs. C. W. Howard.

Mr. and Mrs. P. B. Ramby and son, David, were weekend visitors in Ruidoso.

F. O. Masten of Sudan was in Morton Monday.

Mrs. Jack Russell and children, David and Mary Ann, have joined their husband and father here and are now making their home at 510 East Lincoln Avenue. Russell has been here for some time awaiting suitable housing to move his family from Lubbock.

Mr. and Mrs. Tony Hellman of Friona were weekend guests in the home of Mr. and Mrs. Roy Hickman.

Fred and Suzanne Cooper of Oklahoma City are guests here of their grandparents, Mr. and Mrs. Bill Cooper and Mrs. Bernice Amys.

Mrs. Roy Hickman visited two days last week in Muleshoe and Clovis.

Mrs. L. E. Huggins and Cathy visited Lubbock Christian College last Friday.

Mr. and Mrs. W. B. Merritt were in Fort Worth last week for the final adoption process of their youngest son, Donny.

Mr. and Mrs. Eli Douglas and daughter, Julie, left Saturday for Gladewater, where he will be the new superintendent of schools.

Mr. and Mrs. H. C. Snyder arrived Wednesday for a visit with their son, Gene and Mrs. Snyder and infant daughter, Beth. They are also visiting in Denver City with their daughter-in-law, Mrs. Cal Snyder and son, David. The senior Snyders are enroute to their winter home in Mesa, Ariz., after spending the summer in Wisconsin and Iowa.

Mr. and Mrs. Derwood McClintock and son, Tommy and Mr. and Mrs. Carl McClintock attended a reunion of the McClintock family at Lake Stamford the weekend of August 14-15. About 30 family members were present.

Mr. and Mrs. Dexter Nebhut and family returned Saturday from a week's vacation in northern New Mexico, where they enjoyed viewing many points of interest.

Guests last week in the home of Mr. and Mrs. Harold Arant and children, Ruyal Don and Tege, were her mother, brother and sisters, Mrs. Grace Swanner and Jim, Levelland; Mrs. Ralph Moffitt and children, Ralph Jr., and Jimmie Sue, Cushing, Okla.; Mrs. Dewayne Vaughn, her husband and their daughter, Linda from Tahoka.

Miss Denise Rose arrived Monday from Lubbock for a visit with her parents, Mr. and Mrs. Neal Rose and grandmother, Mrs. Frank Dean, a visitor here from Gorman. Miss Rose will teach music and fifth grade in a Dallas school this year. She is a graduate of Morton High School and Texas Tech. She taught last year in Lubbock.

Miss Lessye Ward will return to her home in Claude today (Thursday) after a visit here with her mother, Mrs. J. R. Ward and other relatives.

### Jim Middleton earns MA at Tech

Jim Middleton, junior high principal here, received his Master's degree in education from Texas Tech in commencement exercises Saturday, August 22, in Lubbock Municipal Coliseum.

Attending the exercises with Middleton were his wife, and their two sons and families, Mr. and Mrs. Gary Middleton and son and Mr. and Mrs. Steve Middleton and daughter.

Sunday, the Gary Middletons left for Corpus Christi, where Gary will be a senior student at A&I, and the Steve Middletons for Commerce, where Steve will be attending East Texas State College. It is understood that Steve will possibly be playing on the basketball squad for ETSC this year.

## Drouth relief program is approved

Cochran County farmers and ranchers have been notified that the United States Department of Agriculture will offer relief in the form of the Emergency Grazing and Hay Program.

Approval was announced in a telegram by U.S. Representative George Mahon. The approval follows requests by county agricultural authorities. Requests were made a few weeks ago when the county had received very little rain and dry land cotton was in especially serious condition.

### Terry Hans scores hole in one here

Terry Hans, 21-year-old Morton golfer, scored his second hole in one of the year Saturday at Morton Country Club. The first came at Treasure Island golf course in Lubbock this spring.

Hans, playing in the company of Ted Whillock, Babe Van, and S. M. Monroe, connected on the par 3, No. 6 hole of 130 yards. Although several other golfers have scored a hole in one on the local links, Terry's was the first in several years.

Emergency will be offered from the Agricultural Stabilization and Conservation Service under which grazing and hay-harvesting regulations will be relaxed.

In his telegram to the Morton Tribune, Rep. George Mahon said:

"U. S. Department of Agriculture will today offer haying and Grazing Privileges on diverted croplands in Cochran County, through October 31, as result of prolonged drought. This action will give ASC committee authority to permit Livestock grazing and hay harvesting on land diverted from crop production under the conservation reserve and the feed grain and the wheat diversion program.

"Farmers are required to obtain approval from the county ASC committee before grazing or haying. Downward adjustments will be made in payment to farmers where these lands are grazed or harvested for hay."

### ★ Hire coach

Robert Taylor, member of the junior high coaching staff at Friona, has been hired as a junior high coach in the Morton schools, it was announced Tuesday by Supt. Ray Lanier.

The new coach received his bachelor of science degree from Southeastern Oklahoma University, and has been at Friona for the past four years.

### Bowling leagues to begin season here next week

Bowling League play for the new season will get underway next Monday, August 31, it was announced today by Don Lamar, owner and manager of Frontier Lanes.

Lamar said there are about three more leagues to be formed, and anyone interested in signing as a member should contact him as soon as possible.

Scheduled for play next Monday to open the season is the Henpecked Husbands' League, at 6:30 p.m. Other organized leagues and date of opening play includes:

Evening Sleepers, Tuesday, Sept. 1, 1:30 p.m.; Sunset League, Tuesday, Sept. 1, 6:30 p.m.; West-ern League, Tuesday, Sept. 1, 9 p.m.

Early Birds, Wednesday, Sept. 2, 9 a.m.; Moonlighters Wednesday, Sept. 2, 9 p.m.

Major League, Thursday, Sept. 3, 9 p.m. and Bantam League, Saturday Sept. 5, 10 a.m.

All leagues will bowl on a once-a-week schedule on days of week and time as listed above, Lamar stated.

Weekend guests in the home of Mr. and Mrs. Charles Bowen and family included her parents and sisters, Mr. and Mrs. J. M. Templeton; Loraine; Mrs. Jimmy Smith, her husband and their sons, Friona and Mr. and Mrs. W. F. Martin and baby daughter from Big Spring.

Farmers need to sign an application form before they begin grazing, according to Mr. Mahon at the Morton ASC office. He reported that anyone might get a form up at the ASC office.

Farmers are required to pay \$1.50 per acre per month, for cover grazing land, \$1.25 for cover, and \$1.00 for a poor cover. These three categories will be determined by the committee.

In the hay program, the farmer is required to deduct approximately 50 of his regular annual bank or diverted acres per year.

### ★ "Maid" contest

Finals for the Miss Maid of Cotton Contest will be held September 12 and 13 of the later date, September 15. Before this change preliminaries were set for September 12 and 13 and the preliminary contest has been canceled. Deadline for entries will be September 6.

# Janice LeBow bride of James C. McCown

Double ring wedding vows were read by Bill Johnson at 7:30 p. Saturday for Miss Janice Faye LeBow and James Coy McCown in the First Methodist Church.

Annette Willingham was flower girl. Smokey Waller and Blane Smith carried the rings. The bride wore a formal-length gown of silk organza. The empire bodice was enhanced by Alencon lace motifs encrusted with seed pearls. The bodice featured a portrait neckline and petal point sleeves. The princess skirt extended into a chapel train which was accented with Alencon lace motifs encrusted with seed pearls. The elbow length veil of silk illusion fell from a cluster of organza roses.

Her attendants wore identical formal-length gowns of pale yellow silk crepe. Their fitted bodices featured portrait necklines, and the skirts were designed with gathers at the sides forming panel effects in front and back. Circles of illusion fell from yellow crepe pill box hats. They carried white roses. Jack Smith of Amarillo was best man. Ushers were Benton Watson, Spur and Jimmy Weller, Amarillo. Groomsmen were Albert Ednsley, Abilene; Jimmy Filbeck, Houston and Doug Beaty, Abilene.

A reception in Fellowship Hall of the First Methodist Church followed the ceremony.

After a wedding trip to New Mexico, the couple will be at home in Amarillo.

The bride is a graduate of Morton High School and Abilene Christian College. Her husband is a graduate of Abilene Christian High School and ACC.

Mrs. James C. McCown

We need copies for our files, and will pay 10c each for the first 20 complete copies of the August 20 Tribune brought to the office.

## Junior 4-H Club holds cook-out at park on Monday

The Morton Community Junior 4-H Club held an outdoor cooking event at the County Park Monday, August 24. There were approximately 30 4-H members and adults attending the meeting. Gary Stowe and his father, David Stowe, furnished the mesquite for the outdoor event. Each person attending brought their food ready to be cooked. All were required to bring their food and aluminum foil to cook it in. A high mesquite fire was built about 1 1/2 hours prior to the cooking. When the fire had burned down sufficiently, the red coals were spread over a wide area so all the cooking could be performed at the same time.

County Agent Homer E. Thompson gave a demonstration on preparing the food and placing it in the aluminum foil before cooking. He also used a one lb. coffee can to cook in. Jennie Allen, County H. D. Agent, gave a demonstration on preparing dessert for cooking on the coals. One dessert was made by removing the core of an apple and adding ingredients as raisins and brown sugar. The apple was then wrapped in aluminum foil and placed on the coals for a short time. Miss Allen also demonstrated how to prepare a banana with chocolate bar and cooking this also on the coals wrapped in foil.

Following the dinner songs were led by 4-H members in the Recreation Group and with Bill Proctor playing a mandolin.

## Local MYF enjoys trip to Ruidoso

Youth of the First Methodist Church were guests of Judge and Mrs. M. C. Ledbetter at their mountain home in Ruidoso last Monday through Wednesday.

In addition to the Ledbetters other sponsors were Mrs. W. B. McSpadden and Mrs. John Crowder.

Members of MYF were Betsy Crowder, Darlene Lytle, Barbara Dunn, Margaret Ledbetter, Barbara Brook, Dan Trice and Mike Egger.

Mrs. Ledbetter remained until Thursday. Judge Ledbetter stayed and entertained lawyers from the four county area over the weekend.

Lawyers attending from Morton were James K. Walker, George Boring and Fred Stockdale.

## Miss Montgomery wedding is told

Word has been received here of the marriage June 27 of Miss Sandra Montgomery and Milton Bowden.

Miss Montgomery, daughter of Mrs. H. M. Montgomery, former residents, lived in Van Horn prior to her marriage. She and Bowden were married in California and are making their home there.

Mr. and Mrs. K. S. Head Jr. and son, Clovis, former residents, have returned to their home in Lubbock after long hospitalization for injuries suffered in an automobile accident near Glen Rose this spring. Clovis, who received head injuries is improved but still unconscious at times. Mr. Head will return to Fort Worth later for further treatment.

Mr. and Mrs. Rolly Hill visited in Eldorado, Okla., Friday through Monday.

## Syberts present for graduation of daughter at NTSU

Mr. and Mrs. Earl Sybert were in Denton last week for the graduation of their daughter, Patsy Ann (Mrs. Arlan Womble) from North Texas State University. Womble also was on hand for his wife's graduation.

Tuesday evening they attended an opera workshop production of "The Telephone" by Gian-Carlo Menotti; "Slow Dusk" by Carlisle Floyd and "Sunday Excursion" by Arnold Sundgaard. Patsy Ann sang the role of aunt Sue in the Slow Dusk presentation.

## Le Fleur club has special meeting

A called meeting of Le Fleur Garden Club was held Thursday morning in the home of the president, Mrs. W. W. Williamson.

Purpose of the meeting was discussion of the club's first flower show and Morton Music Festival. The organization voted to conduct a booth in Jim Reeves Park the day of the Music Festival. It was decided to postpone the first annual flower show until spring.

Members attending the called meeting: Mrs. Roy Hill, Mrs. Willie Taylor, Mrs. S. M. Monroe, Mrs. W. A. Wood, Mrs. Joe Gipson, Mrs. Doyle K. Brook and Mrs. Herman Bedwell.

about 55 mph when suddenly he felt a strong jolt to the car. Neither he or his wife, who was an occupant of the car, saw a figure in the road or had any indication that anyone was near the highway. There was no other car in front of or behind the Neal automobile. The jolt was strong enough to shake open the glove compartment to shake open the glove compartment of the car and there was a loud thud at the time of the jolt.

At first, sure that he had a blown out tire, Neal did not immediately try to stop the car. But after traveling some 100 yards before coming to a complete stop he realized there was no mechanical defect in the automobile. It was then he guessed he had hit something in the road.

When he got out of the car to examine it, he noticed the left front fender and grill was badly bent and the left headlights were broken. The hood was also slightly bent.

Almost immediately after Neal examined his car, he saw an automobile approaching from the west. The car drove slowly then suddenly came to a quick stop and backed for a few yards. Neal drove to the car and saw two Mexican men get out of the car. He then drove into the road ditch where the men were standing and saw the body of the victim lying face down with his arms to his side.

Soon several cars stopped and the ambulance and highway patrolmen were notified. Highway patrolman Jerry Hunter of Morton was the first officer on the scene.

Avina was taken to Levelland where brain concussion was pronounced the cause of death.

Hunter questioned Neal and the two Mexican men at the scene of the accident. One was identified as Vincent Martinez, the other as Juan Rodriguez.

Both were intoxicated and were put under arrest by Hunter. Before going to Levelland jail both

tended twenty five year plan. It was thought the fifteen year program would require too much financial discipline, and perhaps leave the City Treasury without money to cope with an emergency disaster or additional utility expansion if need for such should arise.

A reserve fund of \$29,500.00 which already contains some \$20,000 in government securities and \$8,000 in cash, will be established in full at the time the bonds are issued.

Council members present were Tom Rowden, Kenneth Thompson, Neal Rose, Joe Smith and Van Greene. Also present was City Manager Elra Oden, City financial advisor Joe Smith and Mayor Dean Weatherly.

Other business on the agenda included the third reading of Ordinance 5-64 by Mayor Weatherly. The ordinance was put to a vote which resulted in its unanimous passage.

The Fire Department made requests for another fire truck and new firemen's clothes and equipment.

Councilmen asked the Fire Department to study their need carefully, choose the firemen's equipment they needed, and write various companies for bids. They were asked also to make a written report on estimates and specifications of the truck.

men admitted that the accident victim had been in their company earlier in the afternoon. They had been drinking in Lubbock before returning to their homes.

Between Levelland and Lubbock the trio had argued and Jose was put out of the car two miles west of Levelland.

It seems likely that the two Mexican men had returned to look for Jose when they found him.

The bent left fender and the fact that neither Neal or his wife saw a figure in the road seems to support the opinion of some that Jose may have mistaken Neal's car for his two friend's car. There is a possibility he ran into or attacked the car from the south side of the highway. He was thrown back to the south road ditch when he came in contact with the car.

But investigation on the accident continues. Jose Avina, a native born Mexican, had worked for Jim Middleton since 1956. He is survived by his wife, Virginia Avina of Juarez, Mexico.

Dr. and Mrs. Garnett Bryan and children spent three days last week in Tulla and Amarillo.

it had been in the past couple of years, and the pursuit also showed a great deal of improvement. "If we can correct our own mistakes, and we stay healthy, we'll be able to take care of ourselves," Jones concluded.

Although several starting positions are still up for grabs, things are beginning to iron out. The backfield included Charles Ledbetter at quarterback, Dobson at fullback, and Kenny Palmer and Jimmy Joyce as halfbacks.

The tight side of the line saw Ernest Chesshir at end; Donnie Dewbre at tackle, and Ronald Smart at guard. The split side of the forward wall had Eddie Holloway at end, Erwin Cooper at tackle, and Mike Irwin at guard. Jerry Elliott manned the pivot position.

The Indian "A" team, with 27 boys trying for positions, is the largest in number Morton has had for several years, but the size of the squad is considerably smaller than most of the schools the local club will be playing this year.

Morton opens the Season Friday night, September 4, when the host the powerful Olton Mustangs, one of the favorites to cop the district title in 2-AA.

Another highlight of the chamber banquet will be the revelation of the winners of the "President's Award". These honors are to be accorded to members of the chamber who have contributed significantly to the work of the chamber during the year.

Eight directors will be elected to serve during the year 1965. Three hold-over directors are T. E. Lynch, C. E. Dolle, and Simon Marina. Retiring directors are Melba Kelly and Neal Rose. Officers now serving in addition to Snyder are James Dewbre, vice president, and Dean Weatherly, secretary-treasurer.

**Enrollment**

(Continued from Page 1)

Principal Jim Middleton is estimating some 300 to enroll in the junior high, with the 6th grade to be larger than the 7th or 8th grades.

Elementary principal Bob Travis estimates about 145 fifth grade pupils, from 170 to 175 fourth graders, and about 145 third graders. In the primary building, Principal Harold Drennan anticipates an enrollment of from 150 to 170 in the first grade and from 150 to 160 in the second grade.

"If I take the wings of the morning, and dwell in the uttermost parts of the sea: even there shall thy hand lead me, and thy right hand shall hold me." Psalms 139:9, 10.

What a wonderful promise. No matter where we go or what we do, God is willing to lead us and is there to help us.

Another comforting scripture recalling God's love toward us is this: "How precious also are thy thoughts unto me, O God! How great is the sum of them! If I should count them, they are more in number than the sand." Psalm 139:17, 18.

It is comforting and pleasant to let our thoughts wing upward to verses like these.

We invite you to read your Bible and attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Club reporters hosted by Tribune at clinic

Publicity chairmen of area clubs and organizations for women were guests Thursday afternoon of the Morton Tribune for coffee and dessert in Golden Arrow Room of Wig Wam Restaurant.

Greetings from Gene Snyder, publisher of the Tribune were brought by Ann Englund, social editor, who also gave tips on club reports for newspapers.  
"Promptness in reporting your club's activities" was stressed by the speaker, who also gave the reasons why a reporter should be prompt. She outlined various steps necessary in processing copy, mechanical requirements and time element involved.

She suggested club reporters follow the rule of who, what, when, where and why in making their reports. Also proper use of names telling the group. "In listing mem-

bers and guests be sure you have husband's initials or given name for all married women."

Reporters were advised to forget adjectives but to include descriptions and quotes from memorable talks given by speakers.

"In event you are curious as to why the Morton Tribune is printed in Denver City," she explained, "The answer is two-fold, first the equipment in Denver City is new, fast and efficient for newspaper publishing. Second, it is more economical for one staff of employees to handle all the printing of the three newspapers in one office. The publisher has installed the most modern equipment available for commercial printing in the Morton office, where all job work is done for customers in Morton, Denver City and surrounding areas. Snyder is co-owner of the Tribune and Denver City Press,

which is published twice weekly." A question and answer period followed the talk.

Reporters and clubs represented at the meeting were: Mrs. Neal Rose, 1936; Mrs. Ross Shaw, Town and Country; Mrs. C. E. Dolle, Elma L. Slaughter; Mrs. Wilton Green, Y-M Junior; Mrs. Herman

Bedwell, Le Fleur; Mrs. Harold Arant, Cochran County Garden Club and Miss Jennie Allen, Emlea Smith Junior Study Club and Cochran County Home Demonstration Clubs.  
They expressed appreciation to the Tribune for sponsoring the meeting.

**Man killed**  
Joe D. Avina, about 36, a Hockley County Latin-American farm laborer was killed about 8:45 p.m. Sunday when he was struck by a car as he walked along state Highway 116 about four miles west of Levelland.

Avina, believed to be a citizen of Mexico, was hit by a 1960 Chevrolet driven by Bobby Neal, according to Highway Patrolman Don Frazier. Frazier said Avina, who apparently had been drinking was walking down center of highway when the left fender of the Neal car struck him. According to Frazier, Avina had gotten out of a car with two other Latin-Americans at a cemetery about two miles west of Levelland. Then walked about two more miles before being hit. Investigating officers said Avina had on dark clothing, making it hard for the driver to see him.

## George reports on Demo's conclave

(Editor's note: Cochran County's State Representative-nominate, Democrat Jesse George, is in Atlantic City for the National Democratic Convention. Reported to the Morton Tribune are some of the convention sidelights. George telephoned his report to Morton residents.

Texans are receiving the "red carpet treatment" at the Democratic National convention, State Representative Jesse T. George of Brownfield said today.

Fears that convention delegates from some other areas of the nation might shun Texans, or that there might be some adverse reaction against Texans, because of the Texas assassination of President Kennedy, were dispelled quickly, said George.

George, a member of the Young Citizens for Johnson, is working at the convention and on the convention floor as an aide to the Democratic Party and as a goodwill ambassador for Texas.

People want roses  
"In our hospitality room, we are giving away lapel flowers, Yellow Roses of Texas," said George. "And we are being deluged with requests for the lapel flowers by delegates from other states. Texas is getting the red carpet treatment here."

The yellow rose lapel ornament has small streamers flowing from it and is imprinted "Texas for Johnson."

Many, many delegates from other areas are asking for the flowers, said George, and no one yet has mentioned to him the assassination.

Even at a reception for Texas Gov. John Connally, the man who almost died along with President Kennedy in a fusillade of bullets from an assassin's gun, the gruesome Texas murder was not mentioned.

Connally respected  
"Gov. Connally is one of the most highly regarded men at the convention," said George. "It seems that the people respect him and they realize his closeness to death alongside President Kennedy, but no one mentions it."

The convention hall is an auditorium of chaos and bedlam, said George. "It's like a giant pep rally on the football field. You can imagine trying to hear a speaker when there are 18,500 people talking at once about such subjects as the weather, civil rights, the possible vice presidential nominee, and Texas."

The Texan said that prime speculation on the vice presidential nominee rode with Sen. Hubert Humphrey from the very beginning of the convention.

Johnson support  
At a caucus of the Texas delegation to the Democratic parley, Gov. Connally called for a full support of President Johnson and of the vice presidential nominee, whoever he may be.

In the Texas delegation is another West Texan, alternate delegate Al Allison of Levelland, said George.

George also attended a conference in the hotel suite of U. S. Rep. George Mahon of Lubbock. Mahon, said George, speculated that the Democratic platform likely will be a generalized one instead of a platform spelling out specific details of domestic and foreign policies.

The West Texas representative-nominate said that he had heard no particular reaction among Texas delegates over the bolting delegation from Mississippi.

Pro and con groups  
"But there are numerous demonstrations pro and con concerning domestic and international affairs," said George. "There are two large demonstrations. One is the sit-in by delegates of the Mississippi Freedom Democratic Party."

The Freedom Democrats' delegation, reported as largely Negro, went to the convention to challenge the credentials of the regular Democrats of Mississippi. A credentials committee report recommended a compromise which regular Democrats of Mississippi rejected.

"The second big demonstration is a picketing against the United States policy in South Viet Nam," reported George. He said that the picket line marchers are carrying signs reading: "End U. S. support for South Viet Nam dictatorship." "Neutralize, don't annihilate Viet Nam." And "Withdraw U. S. Troops." The picketing is in front of the convention hall.

"A disconcerting thing is a huge sign about a half-block from convention hall," said George. "It is a sign about a half-block long which proclaims: 'In your heart, you know he's right. Vote Barry Goldwater.'"

"It's Republican propaganda and the Democrats really aren't paying too much attention to the sign said George.

The Texan said that the teamsters' union also is putting on a demonstration with a high sound truck which is blaring appeals for "justice for Hoffa" and for a full investigation of the Justice Department and of Robert Kennedy, attorney general.

George said that there is the usual number of protest factions mingling outside the convention hall and attempting to enter.

Sonia Claus  
One, he said, is D. X. B. Schwartz of Brooklyn who, dressed as Santa Claus, is campaigning independently for presidential nomination on a platform of abolishing the income tax. Santa Claus also calls for a national referendum on all bills presented to Congress, George said.

Outside and away from the convention hall, Atlantic City has a festive air, said George. Along the board walk, there are a myriad of shops and shows which attract relaxing delegates. And there are numerous receptions.

And beneath it all, George said, as teeming thousands of delegates scuff along sidewalks and the board walk, their shoes kicking up light whiffs of dust, there are pounds and pounds of litter and trash. Crumpled cigaret packages, stained paper cups, sandwich wrappers, paper napkins, cigar butts—the debris of a civilization in a hurry.

"And the shoe shine boys are doing a big business here," said George. "In fact, the police are having a hard time keeping the boys from slipping into convention hall to peddle their shoe shines."

Hamburger warning  
George had one note of warning to Texans who might go to Atlantic City.

"If you want a Texas style hamburger, don't come here. For when you order hamburger here, that's exactly what you get — meat and bread, only."

George is scheduled to return to Texas this weekend after visiting in Washington and New York.

## "Please Don't Hurt My Kids"

Dear Driver:

TODAY, MY DAUGHTER, who is six years old, started to school for the first time. Her brother was with her, but he's only nine himself, and he still looks pretty little to me. Their cocker spaniel, whose name is Scott sat on the front porch and whined his canine belief in the folly of education as they waved "goodbye" and started off to the halls of learning.

LAST NIGHT WE TALKED ABOUT SCHOOL — — my daughter and I. She wondered what the teacher would be like... she hoped she could sit beside Mary (the little girl next door). She said her "letters" for me — just to be sure she knew them. Oh, we talked about a lot of things — tremendously vital, unimportant things. Then she tried on her plaid pinafore to show me... and then to bed.

SHE LOOKED SO HELPLESS — — sound asleep, with "Princess Elizabeth" (that's her doll) cuddled in her right arm. You see, I'm her daddy. When her doll is broken or her finger is cut, or her hand gets banged, I can fix it — but when she and Brother start to school, when they walk across the street, then they're in your hands.

THEY'RE NICE KIDS, both of them. They like to ride horses and swim and hike with me on Sunday afternoon. But I can't be with them all the time. I have to work to pay for their clothes and education. So please help me look out for them. Please drive slowly past the schools and intersections — and please remember that children do run from behind parked cars.

PLEASE, DON'T HURT MY KIDS! — A Proud Daddy
