... and Worth it!

MIF breakfast is set for October 8; ideas are to be exchanged

The Morton Industrial Foundation has called an area-wide meeting of prospective charter members to be held in the County Activity Building at 7:00 A.M. on Tuesday, October 8, 1968. The public is invited. It is asked that if you plan to attend you let one of the directors know before hand so that plenty of bacon and eggs will be on hand.

At this meeting a list of ideas will be discussed and ideas solicited from those present as to which projects should take priority. We need ideas on what we as citizens can do.

There will be an explanation of how capitol and buildings can be made available to individuals or companies who are interested in locating a plant here. We are of the opinion that when one to two hundred citizens of this area, who are interested in improving our town and our trade territory pool their ideas, we will jointly come forth with some workable projects that can be put into operation at a very early date, and will be advantageous to everyone concerned.

The Board of Directors wishes to emphasize for the benefit of those who have already made contributions and to others who are planning to become members, that any money solicited for this tax-exempt foundation will be used to assist companies or individuals to secure capital for establishing and the developing of projects beneficial to this area. Contributions and membership fees will be tax-deductible, of course.

Should it for any reason, become necessary to liquidate the foundation, any

monies not expended will be prorated to those who have contributed.

At the present time, none of this money is being spent, as all expenses for the meetings, meals, charters, by-laws, telephone calls, travel, etc., have been absorbed by the present Board of Directors.

Any project on which money will be spent must be approved by the Board of Directors. The integrity of men who are now serving on this Board, without pay, is unquestioned and they most assuredly will approve the spending of our money only on the projects that will contribute most to the overall economy of this area.

"Most worthwhile community endeavors that have succeeded for this area in the past, have been sponsored by the women and the women's organization," according to D. E. Benham, foundation president. "We are hopeful that we can involve more of the women in the development of our ideas and the growth of the foundation," he says.

"We are looking forward to this breakfast meeting at which time a lively discussion is anticipated from the men and women on the merits of our planned projects," Benham concluded.

Appreciation banquet honoring Rep. Clayton set for October 14

A gala event honoring State Representative Bill Clayton is being planned for October 14, 1968, by Democratic Party members from the 72nd Legislative District.

More than 1,000 residents of the District, as well as from various points over the state, are expected to attend the Clayton Appreciation Banquet slated for the Junior High School Gymnasium in Littlefield.

Tickets are already being sold, at \$10.00 per person and general ticket sales chairman Frank Cummings of Littlefield is expecting a sell-out crowd early.

M. C. Ledbetter is chairman of ticket sales for Cochran County while Weldon Newsom is in charge of ticket sales for Morton.

General chairman is Bill Armistead of Littlefield.

Representative Randy Pendleton of Andrews is working with Plainview's Rep. Ralph Wayne coordinating the attendance by most of the top personalities in the state-wide Democratic Party organization.

Pendleton anticipates "at least three commercial plane loads" to come to the event honoring Clayton.

The Andrews representative said Clayton is one of the most popular delegates in Austin, among his constituents.

★ Notice

The work sheets for the 1969 Band Calendars are at Griffith Equipment Co. It is asked that the parents who helped with the project last year please work the same territory again. Also it should be noted that the reports are to be back to Griffith on or before October 2.

Open house and reception for Dr. Frey is held at hospital

Cochran Memorial Hospital's new north wing is now officially open. The open house and reception for Dr. Fenella James Frey held Sunday afternoon were termed a huge success by Administrator Jim McManus.

There were 176 registered guests and many who did not register. The hospital's ladies auxiliary served as hostesses for the event with an assist from hospital personnel and the student LVN's. Mr. Neal Rose of Rose Auto and Appliance furnished a beautiful stereo phonograph for the background music and many of the local merchants sent flowers for the event.

Everyone who attended seemed to enjoy the company, relaxation and refreshment.

The hospital's new wing consists of 18 new private rooms, a new nursery, a new nurse's station and call system, a

Winners are announced in "Sew It With Cotton" show

The Last Frontier Area Cotton Council held a "Sew It With Cotton" contest in the County Activity Building in Morton, Tuesday night, September 17. Mrs. Lloyd Miller was the M. C. for the contest. Mrs. H. B. King was commentator for the event.

In the different categories the winners were:

Sugar Plum: 1st, Deborah Young; 2nd, Cindy Hutchinson.

School Time: 1st, Deborah Young; 2nd, Ann Russell.

Casual: 1st, Tommie Brown; 2nd, Mrs. R. D. May; honorable mention, Rita Linder.

Look With Style: 1st, Tommy Brown; 2nd, Marilyn Cade; honorable mention, Troy Price.

Party Time: 1st, Sandra Simpson; 2nd, Janice Hall.

Teen Time: 1st, Marilyn Cade; 2nd, Diane Crum; honorable mention, Penny Wooley.

Mod World: 1st, Lisa Bennett; 2nd, Phyllis Ray.

These gins in the area contributed for the prizes awarded first and second winners: Maple Co-op, Morton Co-op, Farmers Co-op, Whiteface Co-op, Star Route Co-op, Willingham Gin, Chaunch Gin, G. and C. Gin, and the Alamo Gin.

The stage was beautifully decorated with bales of cotton and drapes of cotton material loaned by St. Clair's Department Store. The New York Store and St. Clair's had models in the show. All of the models

Child struck by car

Becky Woolley, the six-year-old daughter of Mr. and Mrs. J. A. Woolley of 202 SW 2nd, was struck by a car last Friday morning on her way to school.

According to Chief of Police Burtis Cloud the girl was removing a grassburr from her sock when a 1959 Ford driven by Israel Salazar of Morton struck the child. The car passed completely over Becky, but the wheels did not hit her. She was taken immediately to Cochran Memorial Hospital and was released Sunday, September 22. She suffered only bruises from the unfortunate mishap.

Indian war dance . . .

RONNIE REEDER, Morton Indian mascot, performs a war dance during the Morton-Friona football game here last Friday night. However, the Friona Chiefs must have thought he was doing the dance for them, for the visitors won the contest, 26-0.

Clara Richards

Clara Richards joined Tribune staff Monday

Clara Richards, daughter of Mr. and Mrs. C. G. Richards of Morton, and 1968 graduate of Morton High School, is now employed at the Tribune office as a full-time worker. She was employed at the vacancy at a desk formerly manned by Miss Barbara Kennedy who recently in order to accept a bookkeeping post with Bedwell Implement Co. Miss Kennedy's first love is bookkeeping and she is anxious to pursue that line of endeavor to the exclusion of other pursuits in order that she may become more efficient and in that we heartily wish her Irish smile and cheerfulness to be missed at the Tribune but we wish every success in her new environment.

Clara Richards comes to us without any previous training in newspaper work as though she took bookkeeping in her senior year in high school; typing in both sophomore and junior years and shorthand her last year to round it out. One of her former teachers, Mrs. Leavitt, was quick to point out to us in a conversation that she recently that Clara was an excellent 'A' student in her class. At the Tribune office feel that this young lady was very sincere when she said she "thought her varied duties would be most interesting". We know the people of Morton and the area will want to help her become instrumental in publishing all the local news by phoning in news that you may have in regard to happenings in which you participate. Remember the phone number — 266-1111 — that we may better serve you.

Morton grand Champion . . .

CARL J. WHITE of Morton exhibited the grand champion sow and boar in the 121-head Duroc show at the Panhandle South Plains Fair in Lubbock this week. White also had the reserve grand champion of the female classes.

Bible distribution response favorable

DALLAS — Officials of the Baptist General Convention of Texas here are optimistic for the success of the Bible Distribution campaign currently under way. Initial reports from Dallas, Fort Worth, Brownville and Baptist hospitals and colleges scattered throughout the state have been favorable.

Under the leadership of BGCT Executive Secretary Dr. T. A. Patterson, Texas Baptists plan to order more than one million copies of "Good News for Modern Man" and its Spanish language counterpart "Dios Llega al Hombre" for statewide distribution.

The best-selling American Bible Society version of the New Testament is available to all Southern Baptist churches and associations at a special rate of 20 cents per copy when ordered in lots of 50 books. The order deadline is Oct. 10.

"Private individuals and churches are not only ordering copies for their own use, but are planning gifts of several thousand copies to hospitals, mission, colleges and the Texas Baptist Rio Grande River Ministry. We encourage all interested citizens, civic groups or churches to join us in this effort to make God's word accessible to all Texans," Dr. Patterson said.

Choir Boosters meeting

There will be a meeting of the Morton Choir Booster Club tonight at 7:30 p.m. in the High School Choir Room.

Daylight Savings Time plan is unpopular, claims Frank Ford

Campaigning in Friona and Lazbuddie this week, State Representative candidate Frank Ford pledged to seek to return Texas to standard time on a year around basis. "Daylight saving time is highly unpopular in this district and in this state," said Ford, "And it is much more than just a nuisance to our people".

"There is physical danger to school children who are forced to get out on the bus routes in the dark on early mornings

after having to go to bed often with the sun coming in the window. Farmers who work by the sun often need parts but find supply houses closed with the sun still high in the sky. Also, many businesses have been severely hurt by this foolish legislation."

Ford charged that "The legislators who forced this time change through were apparently more responsive to five weeks of lobbyist pressures than they were to the people who elected them and pay their salaries". "The people of this district were amazed", he continued, "When our incumbent representative became the chief sponsor and strategist for daylight savings time in Texas."

"Working in harmony with other responsible members of the Legislature, I believe we have a good chance to abolish daylight savings time in the coming session", Ford concluded, "And as this would put Texas on the same time as New Mexico during the summer, it would not be a disadvantage to anyone."

This issue is just one example among many that one-party monopoly in Austin has failed to be responsible or responsive to the people".

Ford is the Republican candidate in the 72nd Legislative District, which includes Cochran, Lamb, Bailey, Castro, Parmer and Deaf Smith Counties.

Open house

patients in the hospital. We have to have at least two more good doctors and soon."

Hospital Lab Technician Ron Maberry, another new face in the community, announced the re-organization of the Cochran County Walking Blood Bank. There was once a fairly large group of donors on record at the hospital, but the use of facilities from Lubbock had de-activated the local operation. Mr. Maberry explained that keeping a current record on donors could save a life one day in case of an emergency. The length of time required to set up and carry out a relay from Lubbock is at least one hour, and though the hospital maintains a supply of blood on hand it could easily be exhausted before more could be obtained.

Anyone interested in joining the group of citizens already on record may come by the hospital laboratory during the week to register.

Remember the life you save may be one you love.

Bledsoe High School elects class officers

The Bledsoe High School held class meetings Monday, September 16 to elect class officers and sponsors.

Indians to Sudan Friday; lose to Friona 26-0

Morton's Indians travel to Sudan Friday to try to pick up their second win of the season, after dropping last week's home game to the tough Friona Chiefs, 26-0.

Like the Indians, Sudan posts a 1-1 season record. The Hornets, rated as high seventh in pre-season state-wide class rankings, were upset 15-14 by the surprisingly-tough Sundown Roughnecks in their initial contest, but roared back last week at the expense of Amherst, the Hornets winning 26-6.

The Indians hope to be at full strength Friday night. Leading ground-gainer Alex Soliz suffered a bruised ankle in the Friona contest and missed most of the work this week, but should be ready for the Sudan game. Gametime at Sudan will be at 8 p.m.

The Morton fans saw two versions of the Indian team last Friday, a first half team that gave up 20 points and 230 yards of offense to Friona, and a second half team that surrendered only six points and 122 yards.

Morton threatened twice by driving deep into Friona territory. After the visitor's kick a 20-0 lead with four minutes left in the first half, the Indians moved from their own 29 to the Friona fifteen before the drive died. Passing was the only way the Tribe could move the ball as Friona plugged the holes around end that Morton had been so successful in using against Plains in the previous game.

Facing a third and 11 on the Indian 39, Wayne Thompson hit junior end Ralph Soliz for a ten-yarder that left the Indians with a fourth and one. Alex Soliz picked up the necessary first down at the fifty, and the Indians seemed to have new life. Soliz ran for three, and then lofted a 26-yard pass to his brother Ralph that carried to the Friona 21. On first down, Thompson's pass fell short, but on the second, the hit Alex Soliz on a three-yarder. Mike Bryan carried to the 18. On fourth and three, Thompson's pass was juggled and

lost on the goal line and the Chiefs then ran out the clock to end the half.

The Indians held the Chiefs on the opening drive of the game. Taking the Morton kickoff, the visitors hit into Indian territory, but a 15-yard clipping penalty wiped out the gain, and facing a fourth and 18, Friona punted to give the hosts their first offensive opportunity.

But the Indians couldn't move either. Soliz picked up four to the Morton 46, but then was stopped for no gain on the third and seven try. Herschel Lamar dropped back to punt, but failed to get the kick off as the Chiefs put on one of their many hard rushes for the night, and Friona took over at the Indian 35. Then the Chiefs' workhorse, Tony Perea went to work. Perea ran for four, seven, one, four and two yards as the Chiefs drove to the Indian 24. Facing third down and nine, Friona quarterback Danny Kendrick fired to end James Schlenker who was in the open at the five, and the senior end rambled across for the Chiefs' first TD. Kendrick booted the PAT, and Friona led 7-0 with some six minutes gone in the first quarter.

But, the Indian offense still had its troubles. Alex Soliz picked up a yard to the Morton 32 following the Friona kickoff, but lost two on the next attempt. Thompson's third and eleven pass was dropped, and Lamar had to punt, getting away a 40-yarder.

Friona took over at their 29 and began to slowly inch toward paydirt. At their own 46, halfback Isidore Cordova dashed for a touchdown, but the run was wiped out for a clipping penalty. The Chiefs then worked to the Indian 28. Facing a fourth and two, Perea picked up six to the 22. The Indian defense tightened, but a pass interference call at the eleven gave Friona a first down at the eleven. A 15-yard clipping penalty left the Chiefs facing a second and 25 situation, but Cordova needed only a good trap block to gallop through the middle for the necessary 26 yards putting the visitors ahead 13-0 with six

minutes left in the half. Donny Carthel converted for Friona.

The Indians couldn't move. Soliz lost six yards at the 20 to the 14. Thompson's rollout on second lost three. Soliz picked up nine yards to the 20 on the right end power sweep, but facing a fourth and ten, the Indians punted to the Friona 40, and, one play later, the Chiefs led 20-0 after Johnny Barker broke through the Indian line, stumbled, and then sprinted the sixty yards for the TD. The PAT attempt was blocked, but the Chiefs held a 20-0 halftime lead after the Indians had driven to the visitor's 15.

Morton head coach Lane Tannehill must have had some choice comments to make to his charges during the halftime intermission, as the Indians came back ready to pop leather. Friona found the yardage hard to come by and fumbled to the Indians at their 44. Soliz picked up runs of seven, three and eight yards on the ensuing drive, and Thompson hit end Ralph Soliz for ten yards in the key play of the march. The Indians were once again knocking at the touchdown door at the Friona ten, but on a third and one pass try, Thompson's pass was picked off by Friona safety Ted Proctor two yards deep in his own end zone, and the Chiefs took over at their own three. From that point Friona drove to the Morton 16, but the Indian defense held. The Indians gave the ball right back on a fumble at the 25. The Indian defense again tightened, but on fourth and seven, big Tony Perea lumbered around right end for 22 yards and the Friona touchdown with three minutes gone in the final period. The extra point kick sailed under the crossbar, but the Chiefs led 26-0.

In the fading minutes the Indians drove to the Friona 43 but lost the ball on downs. Friona fumbled the ball back three plays later, but the Indians couldn't go. However punter Herschel Lamar pushed the visitors to their 17 with a tremendous 58 yard boot late in the game.

Alex Soliz continues to lead the Indians offensively. The senior halfback picked up 36 yards on 19 carries against Friona, and has 279 yards on 40 carries for the season. Quarterback Wayne Thompson continued his fine pass record, picking up four of nine attempts against Friona.

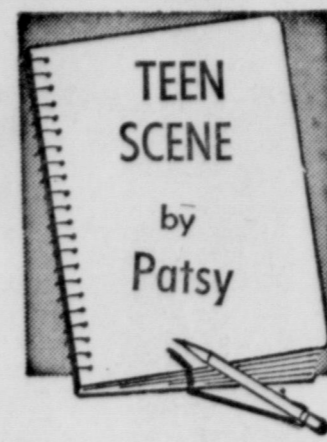

Jerry Steed and Dee Merritt were defensive standouts for the Indians, along with Wayne Thompson. Steed had 13 tackles, and Merritt and Thompson had nine each.

Farm tour

A crops demonstration tour was made by area farmers and business men last Thursday, September 19, with stops being made on farms of W. L. Foust, E. D. Richardson, Dan Keith, John Taylor, Gaylon and Larry Baldwin, Earl Polvado, and the home of Mrs. Sally Wheeler. The tour ended at noon with a cookout lunch at the Morton Country Club compliments of the First State Bank of Morton. Fifty-one farmers and businessmen present at the noon hour.

Well, hi again! And how is everyone making it? Bunches of fine, I hope.

The atmosphere around MHS has been a little sadder than it was last week because of the outcome of last Friday night's game. The Friona Chieftains came out on the top end of the score by 26 points. But the game with Friona is history and the MHS Indian's problem now is to forget it and look forward to doing a better job tomorrow night as they romp on to their second victory; this time over Sudan. This game will be at Sudan, and it is very important that all of you try to do and support our team! Something was started at school last week to answer the school phone "Beat Sudan, Morton High School!" I think it would be a good idea if we made this a city-wide slogan, don't you? So from now on when you answer your phone, remember to back our Indians!

Last Friday's pep rally went real well; there was a lot of enthusiasm! Mr. Fred Weaver, principal at MHS, gave the pep talk. Morton High School's new Indian mascot, Ronnie Reeder (a senior at MHS) was again on hand. The school victory bell should be ready to go to Sudan tomorrow

night with a new face-lifting. It has been re-done black and gold. A car finish was put on the bell part, compliments of Butler's Body Shop. So, with a great team, great coaches, and great support from townspeople as well as from the student body, I think we're ready to SLAUGHTER SUDAN tomorrow night! GO INDIANS!

The First Baptist Church sponsored a social for the high school kids Friday night after the game. Refreshments were served, after which everyone joined in to sing awhile. Then a movie was shown, and you'll never guess who were the stars. Those old-time favorites, Laural and Hardy. The group really had a good time laughing at their antics. A rousing yell of BEAT SUDAN ended the social.

School turned out at 2:30 Monday afternoon for school-day at the Panhandle South Plains Fair in Lubbock. Quite a few of the kids went and had a swell time. I think it should be mentioned, though, that the football boys didn't go to the fair Monday afternoon; instead they stayed here and worked out. I think they deserve a big pat on the back for sticking with it!

Well, I hate to say this, but that's all I can think of for this week. Everyone go to the ballgame, and drive carefully on the way, ok?

MHS, GET SUDAN!

District 4-AA football scores

Morton 0, Friona 26 (1 victory, 1 loss)
 Denver City 0, Lovington 28 (1 victory, 1 loss)
 Frenship 12, Lorenzo 0 (1 tie, 1 victory)
 Tahoka 46, Crosbyton 0 (1 loss, 1 victory)
 Idalou 14, Patersburg 14 (1 loss, 1 tie)
 Post 0, Lockney 28 (2 losses)

Know your teacher . . .

Mrs. Bernice Fields has taught Language Arts in the Morton School System for five years. Before coming to the Morton system, Mrs. Fields taught ten years in Whiteface. The other eight years of her teaching career were in Central Texas.

Mrs. Fields graduated from Howard Payne with a B.A. Degree. She majored in English and Education. Since her graduation, she had done specialized work at Texas Technological College.

Mrs. Fields enjoys reading and is a

member of the 1936 Study Club and has held offices in the Cochran County Teachers' Association. The Fields are members of the First Methodist Church.

Mrs. Fields states that her ambition is to, eventually, travel.

Fred Weaver, who recently took the position as Morton High School Principal, has two children, Melinda, 3½, and Greg, 1½.

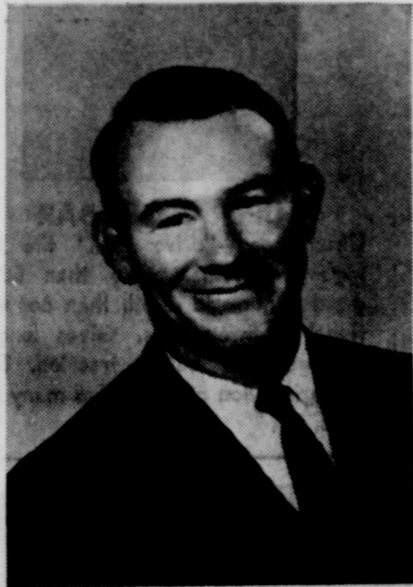

Weaver began his teaching career in Morton as Junior High Football Coach. He held this position one year and then went to teach at Slaton for two years. He returned to Morton as assistant coach one year and first assistant coach one year. Weaver was head football coach for two years and is now principal.

Weaver graduated from Texas Technological College with a B. S. Degree in Education. This summer he received his Masters Degree in Education from Texas Tech.

"Coach" states that his hobbies are golf and handball. His ambition is to one day teach at the college level.

Y. M. Study Club officers . . .
 THE RECENTLY ELECTED officers of the Y. M. Study Club are, left to right, back row, Mrs. Fred Weaver, historian; Mrs. Robert Robinson, treasurer; Mrs. Weldon Wynn, corresponding secretary; Mrs. Herman Bedwell, auditor; Mrs. Robbie Key, parliamentarian; Mrs. Billie Weems, secretary-reporter; front row, Mrs. Dexter Nebhut, second vice president; Mrs. Max Clark, president, and Mrs. Deryl Bennett, first vice president.

Y. M. Study Club has President's Dinner

The Y. M. Study Club met September 19, 1968, in the home of Mrs. Billy Weems for the annual president's dinner honoring Mrs. Max Clark. Hostesses for the dinner were Mrs. Weldon Wynn, Mrs. Deryl Bennett, Mrs. Bob Robinson and Mrs. Weems.

Following the dinner Mrs. Clark presided over a short business meeting and announced her theme for the year as "Invitation to Life." She reminded the club of Federation Day, November 2 and of the District meeting October 19 at Friona. Mrs. Doug Ayers was presented for membership and unanimously approved. Mrs. Bennett and Mrs. Nebhut presented the new yearbooks.

Members present were: Mrs. Herman Bedwell, Mrs. Deryl Bennett, Mrs. Max Clark, Mrs. Leonard Groves, Mrs. Robbie Key, Mrs. Kenneth McMasters, Mrs. Dexter Nebhut, Mrs. Dalton Redmann, Mrs. Bob Robinson, Mrs. Fred Weaver, Mrs. Weldon Wynn and Mrs. Billy Weems.

Mrs. Ray Luper and son, Joel Ray, visited in Morton with her parents, Mr. and Mrs. Charlie Sanders, and Mr. and Mrs. Carlton Luper.

The Texas State Library High Plains Bookmobile will be in Morton on Saturday, October 5, from 9:30 a.m. to 12 noon.

TURNROW TUNKEL

Did you know that there is a Federal tax of \$100 an ounce on marijuana?

That might be the best way to get something done about all crime — tax it. Federal authorities seem to ignore much law-breaking, but any time taxes are involved, they are real "eager beavers."

I read that whale meat is very similar to beef. An average whale yields 50,000 pounds of meat.

We occasionally buy a steer and have it processed for our freezer, but the way my family eats, it might pay me to buy a whale. However, judging from my experience with steers, I'd probably end up with 100 pounds of steak, and 49,900 pounds of whaleburger.

I understand the Soviets still contend their troops entered Czechoslovakia at the invitation of Czech leaders.

It's hard to believe anyone would invite an invasion by unfriendly people, but it's possible. After all, Mayor Daley invited the Democrats to hold their convention in Chicago.

Did you know that the metal in a quarter costs 1 cent, and the Government nets 24 cents profit on each one minted?

There's bound to be some mismanagement going on somewhere. How in the world can a nation with a deal like this going for it wind up \$350 billion in debt?

Although television commercials and other forms of advertising come in for a lot of criticism, don't you think it is educational for our children?

I suppose so. Even my youngest daughter has learned that people who try to put a filter onto a cigarette with a piece of string are just spinning their wheels.

I read that according to the latest figures, U.S. fishermen spend more than \$1 billion a year for supplies.

A good fisherman needs proper equipment, but this expense should be met a little next year. With the development of pull-tab beer cans and twist-off caps, it won't be necessary to take an opener any more.

CORRECTION:

Last week we said that Vivian Mueller was Student Council representative from the senior class, but this office held by Sharon Irwin.

Whiteface YH give tea for FHA girls

The Young Homemakers of Whiteface gave a tea to the FHA members and their mothers Thursday, September 19. This gave everyone the opportunity to see the newly remodeled Home Economics lab.

Because of the absence of President Linda Neal, Vice-President Pat Grant explained the purposes of the Young Homemakers to the FHA members. The Young Homemakers' Little Sister, Marilyn Cade, also told of her trip to Plainview to the Area I Young Homemakers and Young Farmers Convention to try out for the Area I Little Sister Award. Delicious punch and cookies were then served to all those present.

Newcomers at MHS

Morton High School has had several new students to enroll since school started, and we'd like to welcome them to our fair city.

They are Barbara Bramblett from Cooper High School, Craig and Paul Chapman from Portales, Beverly Evans from Anson (daughter of the Missionary Baptist preacher), Mart and Milce Quisenberry from Slaton, Gary Kessler from Bula, Becky and Doris Van Hoose from Anton, Robin Walker from Plains, Ysidra Gonzales from El Monte, California (David Salinas' cousin).

To these new kids we say, "Hope you enjoy your stay at MHS!"

Women Democrats met

The Cochran County Women Democrats held a meeting in honor of Representative Bill Clayton at the Wig Wam Restaurant between the hours of 9 and 11 a.m., September 24.

A similar meeting was held in Bledsoe from 2:00 to 3:00 p.m. About 25 people were in attendance.

Another meeting was held in Whiteface from 4:00 to 5:00 p.m. Approximately 25 people attended.

— Editorials —

An invitation . . .

In this week's Tribune a news story appears in which the date, the time and the place for a public meeting to be held for the benefit and edification of all prospective members of an organization of local people known as the Morton Industrial Foundation.

In this connection we want to say that this is at last the opportunity for all who care about the future of Morton who are financially able, to do something in a cooperative effort about the future which they and their children face. Get the date of the next meeting set

in your mind, October 8, 7:00 a.m., at the Activities Building, let someone of the directors know you intend to be there and do just that. Come out and identify with the incorporators of MIF by becoming a charter member. You'll always be glad you did and you'll be doing yourself a great favor. So stand up and be counted. This goes for you too, ladies. We should say, more especially, you too! "The hand that rocks the cradle" can help point out the destiny of Morton and its environs.

An urgent plea . . .

After a talk with Jim McManus, administrator for the Cochran Memorial Hospital Sunday at the open house and reception there, we are still amazed that some doctor has not jumped at the chance to come to Morton. Of course we realize that the military is draining the country of about 80 percent of medical school graduates and will continue to do so as long as we continue the war in Vietnam. Nevertheless, there are many doctors, older men with military service behind them, who might be persuaded, it would seem, to cast their lot with the people of this area.

Maybe we are prejudiced, but we feel a privilege to live in Texas, and an especial privilege to live in this particular part of the Lone Star State. Know why . . . well, we'll tell you. First off, no better people live on the face of the earth. Secondly, Texans are a special breed, and West Texans are the choice of the lot. Why so? That's easy. Most

of us now living are the offspring of those hardy pioneers who dared to push westward and outward in search of new land and new adventure. The spirit of those good people is still evident today. One has but to talk to a few West Texans to realize this is so.

Now tell us why anyone, given the opportunity, wouldn't rather rear his family in the wholesome atmosphere of a small but progressive town here than in the crowded metropolitan areas where honest citizens are afraid to be on the streets after dark for fear of thugs, maulers, purse snatchers, etc., etc.

Let us hope that some of us will think of a possible way to get the message to a prospect or two. Do YOU know someone who might know someone who would be interested in coming here? And if you do . . . won't you please take time to let them know what a fine hospital we have here at their disposal?

Running scared

It looks from our vantage point that Hubert Horatio Humphrey is a man running scared. And well he should be.

HHH is mightily afraid that American people are not yet ready for complete subjugation by those whose ideals are so far from those of the founding fathers of a free America.

Hubert is afraid that not quite enough of us are sold on paternalism of big government to insure the uninterrupted flow of money from those who are willing to work for it to those who have never worked.

He is afraid of the loyal Americans whose sons have died and are continuing to die on foreign soil in a war that should never have been in the first place. Containing Communist in SE Asia while aiding and abetting it only 90 miles off shore is a little appalling to the average American.

He is afraid, sorely afraid, that the American people will go enmass to the polls in November, armed with the intellectual fortitude to vote their considered convictions instead of blindly voting for "the party."

He is afraid "the party" has been carrying us a little too fast down the road to complete oblivion as a nation of thinking, God fearing Americans, and toward a nation of slaves to those

in power whose every waking moment is devoted to ways and means whereby they can enhance that power to repress and subvert the will of the people to the end that we will no longer have a voice in our affairs . . . a voice that has been steadily growing weaker since 1933.

He is also afraid that the political pabulum that has been spoon-fed to us for so long is growing distasteful to a great majority of thinking Americans who can see no end to wars for profit and no end to the mountains of graft and corruption here and abroad because of war. American who see no sense of being a party to the wild orgy of spend, spend, spend indulged in so long by a group of politicians who attained their high places by suspect and devious ways at the beginning of their political careers.

The record is plain and clear to all. It's a little too late to sweep it under the rug now. HHH knows now that the people of this nation are about ready to face up to reality and take on the task of trying to undo some of the things that have been done in our names and for which we will have to suffer the consequences.

And for that, we are glad he is afraid.

Conservation District News

From the Office of BUDD FOUNTAIN

I ask you Mr. Farmer what is the most important item needed to stay in the farming business? The first thing that most farmers say is a good banker. Everyone today is wanting to make money this is our way of living, so we must do everything in our power to stay ahead and increase our income. In order for a farmer to increase his income he must keep his soil in a top productive condition.

Planting cotton on the same ground year in and year out will soon deplete the ground and in turn lower the production of the soil. You need to return something to the soil to help build the soil. Its like your checking account at the bank, you cannot keep drawing money out without putting some back.

"How can I build my cotton ground back up to maximum production?" a farmer asked Tom Davey of the Soil Conservation Service. Tom said, "the best way was put down about three tons of manure to the acre, and if you don't have manure use cotton burrs at the rate of about three to four tons per acre." Then the farmer asked Tom, "how do burrs help the soil?" Tom explained that water was the limiting factor in crop production, and if you will use cotton burrs or other organic residues liberally on your soil, the soil-water relationship will improve and your crops will be able to use the available moisture more effectively. Tom went on to explain that soils to which cotton burrs have been added also are more resistant to wind and water erosion and they may have a better infiltration rate.

The farmer then asked Tom, "how much can I increase my production by using burrs?" This will vary in the amount of burrs applied. The research at Sub-station No. 8, in Lubbock shows that gin waste will increase cotton yields. Over a six year average the increase was about 170 lbs. of lint per acre when 4 tons of burrs were applied, compared to the same soil under the same conditions without burrs, and with 45 pounds of nitrogen the increa-

se was 243 pounds of lint per acre. "This sounds good, but is there any other way I can put residue back in the soil?" asked the farmer. "Yes, answered Tom, here in Cochran County the other methods are crop rotation and the use of cover crops and soil building crops.

Each soil has a different requirement for crop rotations.

We must all work together and keep our land in top production at all times. The Soil Conservation Districts urges all farmers to go by the Soil Conservation office and talk about the soils on your farm.

Three Way news

By MRS. H. W. GARVIN

Mr. and Mrs. Tommy Terrell is the parents of a baby girl born Wednesday in a Canyon hospital. Grandparents are Mr. and Mrs. T. D. Davis and Mr. and Mrs. D. V. Terrell, all of the Three Way community.

Ki Wa Ki Horizon Club celebrates birthday

The Ki Wa Ki Horizon Club celebrated its 10th birthday Tuesday night, September 24, with an installation dinner at the WigWam Restaurant. Mothers of the girls were guests.

The table was decorated to represent a huge birthday cake with 10 candles, using the club's colors of blue and silver. Each candle represented a year's program in the club history, and as each girl lit a candle they told of the awards received in that year.

The outgoing president, Miss Janella Neenut, lit the candle for 1968 and installed officers for the new year. Officers for 1968-69 are: Deborah Miller, president; Charlotte Jones, vice-president; Jeannie McMinn, secretary; Karen Rozzel, reporter, and Knequa Brown, song leader.

Miss Miller, in accepting the office of president, expressed the club's appreciation to Mrs. Daniel Rozzel, club advisor, for her leadership through the years and to all of the mothers for their help and encouragement. Miss Miller asked for continued co-operation for the coming year's activities.

The girls closed the program with a song and a skit entitled "I Am Glad I Am A Campfire Girl—For If I Were Not a Campfire Girl, This Is What I Might Be," and several possible occupations were humorously presented.

Girls and their mothers attending were: Mrs. Elzie Brown and Beverly, Mrs. M. M. Fred and Karen, Mrs. W. G. Freehand and Carol Ann, Mrs. F. J. Collins and Patsy, Mrs. Ira Brown and Rhea, Mrs. Ruth Bass and Jeannie McMinn, Mrs. C. B. Jones and Charlotte, Mrs. Daniel Rozzel and Karen, Mrs. Chester Miller and Deborah, and Mrs. Dexter Neenut and Janella.

WARRANT OFFICER H. RAY LUPER TRANSFERRED
Warrant Officer H. Ray Luper has recently been transferred from the Officers Replacement Company in Bein Hoa, Viet Nam and assigned to an Assault Helicopter Company in Can Tho in the Mekong Delta region of Viet Nam.

L'Allegro Study Club has dinner to begin club year

The L'Allegro Study Club began its 1968-69 club year with the President's Dinner on September 19, 1968 in the home of Mrs. Jack Russell.

Mrs. Al Mullinax gave the welcome followed by the invocation given by Mrs. J. C. Reynolds.

Decorations for the dinner carried out a political theme with center pieces of red, white, and blue on styrofoam base with different banners and themes depicting the various officers and committees for the club year. The president's table had a big banner reading, "We're Backing Rosie," in honor of the new president, Mrs. Jack Wallace.

Mrs. Bud Thomas introduced the new president, who announced her theme for the year as "Footprints." She used the quote from Longfellow, "Lives of great men all remind us we can make our lives sublime, and, departing leave behind us footprints on the sands of time."

The new yearbooks were presented to club members by Mrs. Van Greene, chairman of the Yearbook Committee.

A preview of the programs to be presented through the year was made by Mrs. Bud Thomas, chairman of the Program Committee.

In a short business meeting, the club voted to sponsor a "games night" to be held sometime in October with the proceeds to be divided equally between the Salvation Army, March of Dimes, Tuberculosis and the Heart and Cancer Fund, which are always supported by the club.

Other business was the appointment of various committees for special events in

the near future: Federation Day Committee—Mrs. James McClure, Mrs. H. B. Barker, Mrs. J. C. Reynolds, Mrs. Harold Drennan, Mrs. Al Mullinax, Mrs. E. O. Willingham and Mrs. Jack Russell. Federation Day will be a joint affair with all Federated Clubs in the area participating with the TFWC President as honored guest. November 2 has been set for this observance.

The president appointed Mrs. H. B. Barker and Mrs. Bud Thomas to serve on the Library Board.

Mrs. James McClure and Mrs. Tom Rowden were appointed to inspect the condition of the Nativity figures used each year in the Community Christmas Scene on the Courthouse square. They are to make recommendations as to what will be required to repair and replace these figures.

The club voted to subscribe to two Lubbock papers daily to be placed in Roberts Nursing Home.

A delicious dinner of filets wrapped in bacon, green beans, baked potato with sour cream dressing, tossed salad, garlic bread and sherbet was served to the following members: Mesdames Truman Doss, M. A. Silvers, J. C. Reynolds, R. L. DeBusk, Al Mullinax, Tom Rowden, James McClure, H. D. Griffith, H. B. Barker, E. O. Willingham, Bud Thomas, Harold Drennan, Jack Wallace, Van Greene, and the hostess, Mrs. Jack Russell.

Texas uses more natural gas than any other state (more than half the gas it produces).

New L'Allegro officers take over . . .

L'ALLEGRO STUDY CLUB held their first meeting of the club year last week, with the following officers taking over the leadership of the club: left to right, Mrs. Jack Wallace,

president; Mrs. M. A. Silbers, treasurer; Mrs. Van Greene, second vice president; Mrs. R. L. DeBusk, historian; Mrs. Bud Thomas, first vice president; and Mrs. James McClure, secretary. Not shown is Mrs. Eddie Irwin, reporter.

County cancer group resumes regular meets

The Cochran County Unit of the American Cancer Society resumed their regular meetings with a luncheon meeting at the WigWam Cafe Sept. 17.

Special guests for the meeting were Mrs. R. K. McLaughlin, Plainview, District Education Chairman and Mr. Dale Bryley, Lubbock. Mr. Bryley will be taking this area on October 1 to take over duties with the American Cancer Society in St. Paul, Minn.

Mrs. Willard Henry presided over the meeting in the absence of the president, Mrs. John L. McGee.

Mrs. McLaughlin presented the Cochran County Unit with a certificate of authorization. She also pointed out the objectives of the American Cancer Society.

Mrs. Jack Russell of the local medical committee, presented a program on "The Cancer Problem". Some of the points she brought out were "What it is", "What it does", "Ways of combatting it", "Treatment".

She pointed out that the first thing we should do is have a regular check up and try to educate the public concerning cancer. Mr. Bryley stated that Texas has set its goal of \$2 million for the past year. Fifty-two million dollars raised for the American Cancer Society. A large portion of this money is used to educate the public and on research for a cure for cancer.

Present for the meeting were Mr. Harold Drennan, Mrs. James Walker, Mrs. Leonard Coleman, Mrs. Russell, Mrs. Henry, Mrs. Dexter Neenut, Mrs. Mc-

LeFleur Garden Club has first meeting September 19

Mrs. Olin Darland was hostess to the Le Fleur Garden Club for the opening meeting of the year, on Thursday, Sept. 19, 1968.

Mrs. L. Z. Scoggins, president, presided over the business session. The flower shows in the area were announced—that of Levelland on Sept. 20 and of Whiteface on Sept. 28. The Whiteface Garden Club extended an invitation to our members to enter arrangements or specimens in their show.

Mrs. Darland, treasurer, gave the treasurer's report and discussion followed on means of adding money to the treasury. Sale of Gift Wrap, School Record Books, Meat Cookery Cook Books, the Halloween Carnival and a rummage sale were ideas discussed. The club will participate in the carnival and also voted to hold a rummage sale on Sat., Oct. 5, the place to be decided and announced later.

Mrs. E. R. Fincher, Chairman of the Projects Committee, gave a progress report on the Museum Grounds Landscaping and read a list of contributions for plants which were made in memory of Mr. Roy Hill. Mrs. Fincher was given much praise for her work in looking after this project during the summer. A more detailed account of progress made since last year

Laughlin and Mr. Bryley. The next meeting will be held on October 15.

will be made soon.

Mrs. Fincher presented the program for the day, which was "Collect Now and Create Later." Each member brought samples of plant materials which had been preserved by various methods and explained what it was and how it had been treated. Drying by air, by Silica Gel, by Borax and cornmeal, by sand; treating by rubbing in Crisco or shortening and immersion in solution of glycerin and water were some of the methods used. Brief discussion of "skeletonizing" of leaves and of dipping of roses in paraffin (from Lone Star Gardener, Sept.-Oct. '68) followed.

Mrs. Fincher exhibited an arrangement of dried wheat and fluffy dandelion blooms. The fragile blooms had been sprayed with a clear plastic spray to prevent shattering. She urged everyone to look for beauty in all surroundings, emphasizing that even though you may not be possessed of a "green thumb"; nature provides materials for arrangements, if you learn to look and see their beauty and possibilities.

Members present were: Mesdames L. Z. Scoggins, Don Samford, Roy Hill, E. R. Fincher, Eugene Bedwell, Buford Elliot, Owen Egger, Mrs. E. G. Gardener, the hostess and a visitor, Miss Jan Scoggins.

The next meeting will be on Sept. 26 in the home of Mrs. E. R. Fincher. A work session at the Museum will follow the meeting.

Study Club brunch

The 1936 Study Club met Saturday, September 24 in the home of Mrs. D. E. Benham for a brunch honoring the new president also spent some time in Levelland with Mesdames Harold Reynolds, John Crowder, C. W. Fields, M. C. Ledbetter and Neal Rose.

Mrs. Crowder presented the yearbooks to each member and Mrs. Neal Rose discussed the course of study chosen by the program committee on "Enlightened Dimensions." Mrs. H. B. King gave a scripture reading from Ecclesiastes 3:1-8 from which comes the motto for the year: "To every thing there is a season, and a time to every purpose under the heaven."

Mrs. Miller, in the president's message, spoke on the theme, "Now is the Time" — for various federation activities planned for the coming year, and welcomed two members to the club. They were Mrs. W. W. Smith and Mrs. B. H. Tucker.

Others present at the meeting were: Mesdames W. C. Benham, Joe Gipson, Gage Knox, Joe Nicewarner, Hume Russell, James St. Clair, and Glenn Thompson.

Hospital news

Joe Seagler, admitted, medical.
J. Wayne McDermott, admitted, medical.
Mrs. E. O. Moudy, admitted, medical.
Mrs. Dessie Leaverett, admitted, medical.

Mrs. Elizabeth Greer, admitted, medical.
Eva Elvarado, admitted, medical.
Mr. and Mrs. C. G. Coffman, admitted, accident.

Becky Woolley, admitted, dismissed, accident.

Judge and Mrs. M. C. Ledbetter are attending the State Judicial Conference of the Texas Bar Association in McAllen this week.

WHICH TWIN HAS THE ALL ELECTRIC HOME?

Electric cooking is so clean and cool. Electric heat is free of smoke and soot. Electric appliances are time-savers allowing more leisure, greater freedom. An all electric home is so clean and efficient. Thus, it is obvious that the young housewife on the left has an all electric home.

However, appearances can sometimes be deceiving. The other young housewife also has an all electric home but she's been out fighting a grassfire.

COUNTY AGENT NEWS

From the Office of Roy L. McClung, Jr.

is a good weed killing time around fields. Farmers in Cochran County find themselves with a slack period the next month or two and this will be a good time to get rid of a few weeds around the farmstead in non-crop areas.

Weeds such as Johnsongrass, railroad grass, carex, grassbur and others around equipment yards, well heads and ditches. These weeds are not only a pest but also produce abundant seed and root stocks that are easily carried into surrounding cropland. In particular, Johnsongrass along field margins, rows and ditch banks presents a serious threat to crop production and can rapidly once a small infestation is established.

Weeds around the farm yard can cover up farm implements or pieces of machinery, sometimes causing them to be lost.

Dead weeds around farm buildings are a fire hazard. Weed control is a way to keep ground fires from spreading to buildings or equipment. Several chemicals are available to control weeds in non-crop areas. Bromacil (X or Hyvar WS) is an effective herbicide. When applied at one pound per 1,000 square feet, or 40 pounds per acre, it will last for three years. Prometon (Pramitol 25E) or as a granule (Pramitol SP) and gives long term control of vegetation. Atrazine at high rates (15 pounds per acre) may also be used. Atrazine plus TCA (Dowpon C) is particularly effective against Johnsongrass.

Another soil sterilant, is available as a granule (Pramitol 25E) or as a granule (Pramitol SP) and gives long term control of vegetation. Atrazine at high rates (15 pounds per acre) may also be used. Atrazine plus TCA (Dowpon C) is particularly effective against Johnsongrass.

Another soil sterilant, is available as a granule (Pramitol 25E) or as a granule (Pramitol SP) and gives long term control of vegetation. Atrazine at high rates (15 pounds per acre) may also be used. Atrazine plus TCA (Dowpon C) is particularly effective against Johnsongrass.

At the 51st Annual Panhandle South Plains Livestock Show at Lubbock had a real good swine show. Local Morton swine breeder and Adult Leader, Carl J. White took several honors in the swine division at the show. Some of the winners by White were:

as follows: Grand Champion Duroc Boar, Grand Champion and Reserve Champion Duroc Sow, Junior and Senior Champion Sows, 1-3 February gilts, 1-2 March gilts, first young herd (consisting of a boar and three gilts farrowed on or after 1 August 1967) and first PACE Get or Sire (consisting of four animals, either sex the produce of one sow, farrowed the property of the exhibitor). Personally I thought Carl did a real fine job at the show and we are fortunate to have the quality of stock that he is raising available locally.

Winning awards in the women's division at the fair were Christy and Marilyn Cade, daughters of Mr. and Mrs. A. E. Cade of Rt. 1, Morton. I may have missed some of the awards but I noticed Christy won second in a relish class and some of Marilyn's winnings were: first, jelly; second, cornbread; third, sauce, and first place in the relish class. Most of these classes had a large number of entries so these two 4-Hers represented us well in the foods department.

County officials plan October Austin trip; Bill Clayton to speak

The annual meeting of the Texas County Judges and Commissioners Association will be held in Austin October 9, 10, 11.

In a telephone conversation with County Judge Love, it was revealed that he expects to attend this meeting and he also said all Cochran County Commissioners will probably be there.

Representative Bill Clayton of Springlake will be one of the principle speakers. He will speak at 2:05 the afternoon of Thursday, Oct. 10.

Clayton will discuss the role of county government in relation to the State Legislature.

As Chairman of the Counties Committee, Clayton directs all legislation relating to county matters in the Texas House of Representatives. During the last session of the Legislature his committee handled more than 230 bills.

Texas has 207,446 producing oil wells in 8,708 fields.

Buffalo gift . . .

PICTURED IS Second Chief Fulton Battise of the Alabama-Coushatta Indian Reservation thanking City Manager O. C. Galloway of the City of Beaumont for the buffalo that will be at the animal compound on Texas' only Indian Reservation. Second Chief Battise jokingly commented to Manager Galloway, "Those buffalo will sure make some good buffalo steaks."

Buffalo steaks on the hoof

The Beaumont City Council felt that their buffalo herd was costing considerably for maintenance without the benefit of the public enjoying seeing them. Since the Alabama-Coushatta Tribes on Texas' only Indian Reservation have started a tourist attraction centering around the Indian history and culture with an attendance of over 120,000 guests per year, the City Council felt that more people would be able to see the buffalo at the Reservation animal compound.

The buffalo family includes a 1,500 pound bull, a steer, a cow and calf. Another calf is expected shortly. An extra strong pen is being constructed at the Reservation for the buffalo because the bull is reported to be mean and very powerful. The pen is along the "Indian Chief" railroad tracks so that visitors can view them from the safety of the train.

The Indian Reservation is located in the East Texas Big Thicket between Livingston and Woodville on U. S. Highway 190. The fall will offer the most picturesque time to visit the Reservation as the many colors will be changing and showing the many shades of forest greens. Activities which will be in full swing each weekend are the Tribal Dances, Living Indian Village, Museum, Train Rides and the Tours.

The buffalo can be seen in some of the remaining virgin forest of Texas.

The Whiteface Study Club met Thursday night September 19th, at 7:30 p.m. in the homemaking department of the high school. The club began its year with the president's dinner served by hostesses: Miss Fredda Bourland, Mrs. John Feitz and Mrs. S. J. Bills.

A business meeting followed the dinner and new officers were recognized. Officers for 1968-69 are: president, Mrs. DeWhyne Smith; first vice president, Mrs. Louise Lucas; second vice president, Mrs. Ed Jennings; recording secretary, Mrs. Billy Wall; treasurer, Mrs. Marvin Lasater; corresponding secretary, Mrs. J. W. Smith; parliamentarian, Mrs. Elmer Evans; reporter, Mrs. Royce Elam; historian, Mrs. John Feitz.

Members attending the meeting were Meses. J. W. Smith, John Feitz, Elmer Evans, Billy Wall, Darwood Marshall, Jack French, Vern Beebe, Wendell Dunlap, Marvin Lasater, Louise Lucas, Ed Jennings, Don Price, Max Dickerson, S. J. Bills, DeWayne Smith, Royce Elam, Miss Fredda Bourland.

Visitors included Meses. Gaylon Baldwin, Marshall Cooper, Carroll Lanier, Raymond Deavours, Sam Rankin, Eli Casey, Luke Adams, Lester Dupler.

Dr Bryan Gordon to speak to Methodists on Sunday, Sept. 29

LAYMEN'S DAY will be observed this Sunday Sept. 29th at First United Methodist Church of Morton, according to the pastor, James K. Walker, Charge Lay Leader, will be in charge of the Morning Worship Services.

Deryl Bennett will introduce the speaker who will be Dr. Bryan Gordon an M.D. from Andrews, Texas. Dr. Gordon is an outstanding surgeon in that city. He is an active member of the Means Memorial United Methodist Church of Andrews. Dr. Gordon grew up on a farm in Illinois. He is married and has three children. His wife and family will accompany him to Morton this Sunday. He is noted as a Lay Speaker and has a full schedule of speaking engagements through out the year in various churches.

The men of the church who will sing in the choir next Sunday met for a choir rehearsal on Wednesday. Johnny Stockdale will be in charge of the music for the special laymen's service.

The pastor and congregation extended a cordial invitation to all to attend.

Look Who's New

Mr. and Mrs. Ronnie Ragsdale of Garland have a son born September 23 at 9:15 a.m. at the Garland Memorial Hospital. The baby weighed 8 lbs. and 1 oz., and was named Mitchell Ray Ragsdale. The family resides at 2800 Walnut, Garland, Texas.

Paternal grandparents are Mr. and Mrs. T. C. Ragsdale of Garland, and maternal grandparents are Mr. and Mrs. B. R. Stovall of Morton.

Average price for Texas crude oil in 1967 was \$3.01 per barrel.

Rep. Clayton named to TWCA committee

Rep. Bill Clayton of Springlake has been named chairman of the Texas Water Conservation Association (TWCA) committee on the 160-Acre Limitation Feature of the Reclamation Law, John W. Simmons of Orange, president of TWCA, announced today.

The 11-man committee, Simmons said, will work with other similar groups in the Western states in seeking modification of the acreage limitation provisions of the federal reclamation law. The Act, passed by the Congress in 1902, limits the number of acres to 160 for which a landowner can receive irrigation water from a project without paying interest on the cost of the project.

Clayton, who has headed the House Interim Water Study Committee for several years, is considered one of the most knowledgeable members of the Texas House

of Representatives in the field of water resources development. He and his committee are presently holding hearings in various parts of Texas on proposed water legislation.

Clayton said the TWCA committee would meet in the near future to plan its work and make plans for establishing contacts with similar groups in the other western and southwestern states.

BIRD STAMPS AVAILABLE

Migratory Bird Stamps are on sale at the local post office according to Postmaster, Murray Crone.

Mr. and Mrs. Vernon E. Sublett have been visited for the past two weeks by his parents, Mr. and Mrs. J. E. Sublett of McAllen.

Whiteface news

Whiteface School News — by Gwin

Before the New Deal-Whiteface football game September 27, the FHA girls are having a "Spirit Supper." Pancakes, bacon, coffee, tea and all the trimmings will be served to all fans who wish to eat before the game. Price will be \$1.00 for adults and 75c for children and you can eat all you want between 5:30 and 7:30 p.m. at the school cafeteria. The proceeds will go for all FHA projects.

The Future Homemakers of America held their meeting Wednesday, September 18, in the High School Auditorium. The officers presented a program entitled "The FHA Story." This program explained the projects and activities of the Whiteface FHA chapter for this year to old and new members. The '68 FHA officers are Marilyn Cade, president; Gwin Lewis, first vice-president; Vikki Cunningham, second vice-president; Carolyn Caffey, third vice-president; DaLoma Sanders, fourth vice-president; Kay Burris, fifth vice-president; Dianne Deavours, secretary; Brenda Griffiths, treasurer; Linnie Hodge, parliamentarian; Rita Linder, historian; and Cindy Cumpton, pianist. The chapter discussed plans to attend the State Fair in Dallas and the FHA sponsored "Spirit Supper."

On Thursday evening, the Whiteface Junior High football team defeated the Meadow Broncos, 18-0. These boys showed a lot of drive, determination, and promise, and everyone is very proud of their spirit. In Junior High the school spirit is led by the enthusiastic cheerleaders, Pamela Linder, Jaynel James, Leslie Taylor and Kim Peters. We wish the Jr. High boys luck in their next game with the Amherst Bulldogs at 5:30 p.m., September 26, at Amherst.

The WHS cheerleaders, Rita Linder, Kay Burris, Carolyn Caffey, Linnie Hodge, and Susan Scholler led a great pep rally Friday, September 20. A cute skit was given by the cheerleaders and Mr. Booz was the brunt of the joke. Under the leadership of the new band director, Mr. Claude Bond, the Antelope band boosted spirit with several rousing selections. The '68 Drum Major is Ann Cagle and twirlers are Charla Booz and Linda Greer. The school spirit was great.

The spirit produced at the pep rally carried the Whiteface Antelopes to a victory over a Class A school, O'Donnell. After a game of skill, determination, and will-power the Antelopes won 49-23. Head Coach Dale Reed said that three boys did an outstanding job during the game. Rick Swinney carried the ball 35 times for 263 yards (an average of 7.3 yards per carry). He made 6 tackles, and made a total of 25 points by 3 touchdowns, 5 one-point conversions, and 1 two-point conversion. This outstanding player is the President of the Senior Class, member of FFA, an Explorer Scout, and a member of the Methodist Church. Wayne Legan made 14 tackles and was outstanding in blocking. Wayne has a grade point of 2.81 and is a member of FFA, the FHA, an Explorer Scout, and a member of the First Baptist Church. He also attended Boys' State in Austin this summer. Dean Sanders made 11 tackles and did an outstanding job in blocking. As a member of FFA and the band, Dean is an outstanding student at WHS. He also won the district pole vault last spring. The students and fans at Whiteface believe in our football team and support them all the way! Our next game is

with New Home, Friday, September 27 at Duggan Field at 8:00 p.m. Everyone come out and see this game. ANTELOPES GO, FIGHT, WIN!!

Other Whiteface News

H. J. Knox is in the South Plains Hospital in Levelland where he was taken Sunday morning with bronchial pneumonia. He is reported to be recovering very well.

Mrs. Arvel McClure has been in Methodist Hospital at Lubbock since Monday and probably will be for a week or ten days.

Mr. and Mrs. Ed McCasland were in Big Spring this past week-end visiting their daughter-in-law and two grandchildren. Their son, Dean, is in Thailand.

The newly-elected FFA officers at Whiteface High School are: President, Richard Stocks; Vice-President, Jerry Brown; Secretary, Ronnie Hemphill; Treasurer, Gary McCoy; Reporter, Owen Roberts; Sentinel, W. C. Dawson; Chaplain, Stormy Goble, and Parliamentarian, Randy Linder. Ronnie Hemphill is also the District Parliamentarian.

Two August accidents on rural highways in Cochran County

The Texas Highway Patrol investigated two accidents on rural highways in Cochran County during the month of August, according to Sergeant A. E. Roberts Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property damage of \$700.00.

The rural traffic accident summary for this county during the first eight months of 1968 shows a total of 18 accidents resulting in no persons killed, 11 persons injured, and an estimated property damage of \$8,420.00.

September first marked the beginning of the 1969 Motor Vehicle Inspection Period. Motorists are urged to have their vehicles inspected during routine visits to garages and thereby eliminate the necessity of having to wait in line at a later date for an inspection sticker.

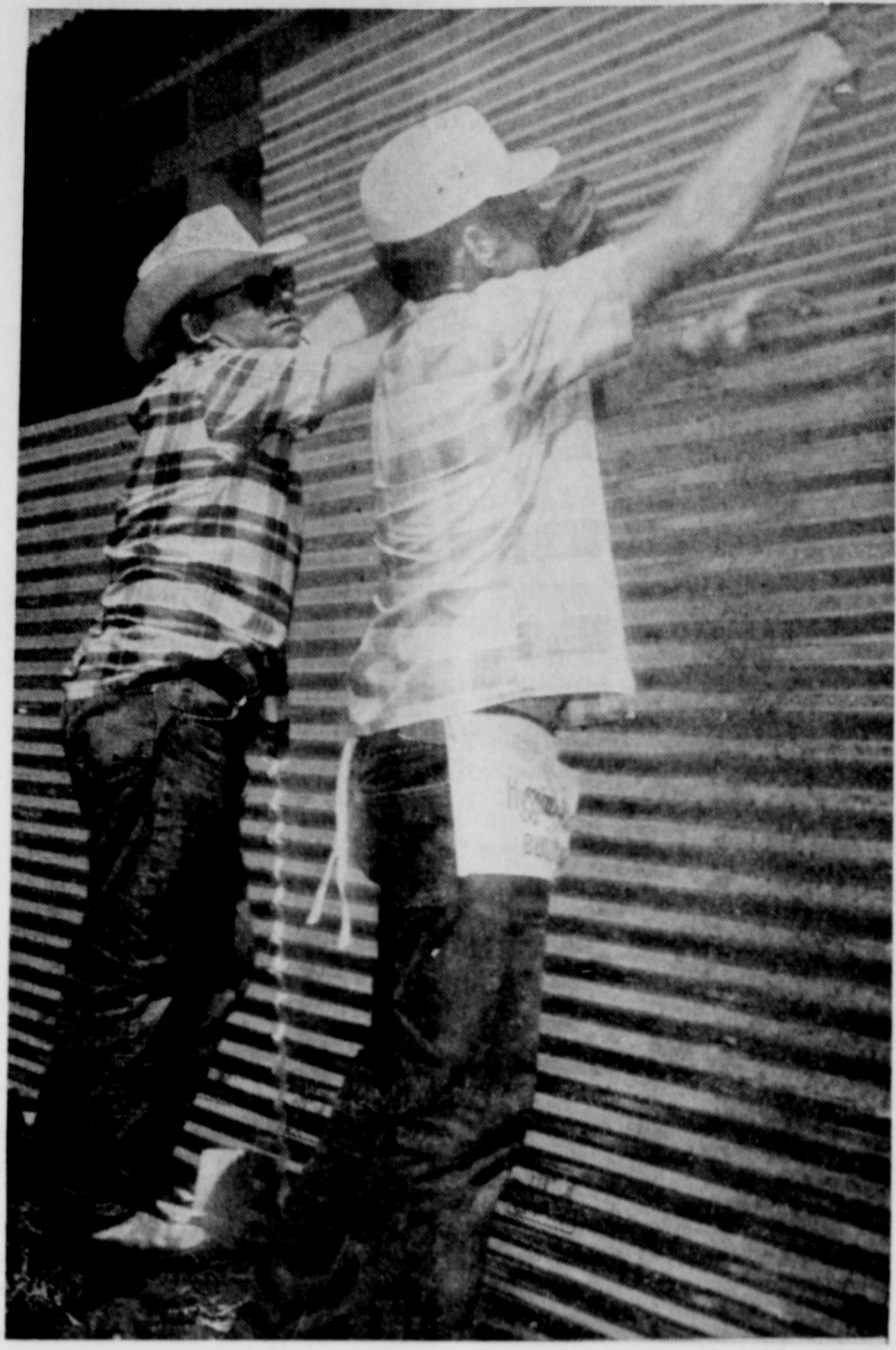

The Sergeant stated, "With the hard summer driving coming to an end, Fall is an excellent time to have vehicles safety checked for the winter months ahead."

Funeral services held here for Mrs. Mohmood

Funeral services were held Wednesday, September 25 at 2 p.m. for 76 year old Leona Georgia Mohmood, a resident of Morton since 1949.

Reverend Rex Mauldin officiated for services in the First Methodist Church. Burial was in the Morton Memorial Cemetery.

Mrs. Mohmood was found dead in her home at 514 S. W. 1st Monday. Time of death was 6:45 p.m. Mrs. Mohmood was survived by: one son, Bill Mohmood, Lubbock; two sisters, Mrs. Bernice Yellowstone, Collinsville, Illinois; and Mrs. one brother, Albert W. Smith, Miami, Florida; and 5 grandchildren.

Boosters at work . . .

BAND BOOSTERS volunteered their time to build an addition to the concession stand at the football field. These men worked hard and long, and deserve a large measure of appreciation.

Bula-Enochs news

Guests in the home of Mr. and Mrs. Jerome Cash were Mr. and Mrs. Tom Berry and Mr. and Mrs. H. H. Snow of Nulleshoe.

Mrs. George Autry is still a patient in the Littlefield hospital where she has been the last week.

Kay Peterson from Wayland College spent the week-end with her parents, Mr. and Mrs. W. B. Peterson.

Mr. and Mrs. Joe Milsap were in Lubbock Sunday to attend the 50th anniversary of Mr. and Mrs. Loyd Brown. They also visited with her brother, Mr. and Mrs. Hugh Anderson from Borger, at the Brown Anniversary.

Mr. and Mrs. W. M. Bryant visited their son, Mr. and Mrs. Duane Bryant and family in Clayton, N. M., Friday till Sunday.

Donald Grusendorf is leading the singing for the revival at Rockyford this week and Wayne Gray is the evangelist.

There was a Y W A white Bible service at the Enochs Baptist Church Sunday night. Those on program were, Mrs. Dorothy Nichols, Mrs. Dixie Hall, Mrs. Margie Peterson, Mrs. Troy Price and Miss Patricia Grusendorf. Patricia presented Miss Kay Peterson the white Bible. Special guests were, Mr. and Mrs. E. J. Abney of Ropesville. A reception followed the program in the fellowship hall of the church.

HOMECOMING

Bula high school celebrated its forty-third home-coming on Friday September 20.

The activities started at 5 p.m. with a barbecue meal served in the school cafeteria. A pep rally was in the gymnasium.

The Bula Bulldogs tangled with the Union High School at 7:30 with Bula losing their game to Union.

During halftime activities the 1968 Homecoming queen Pamela Layton was crowned. The graduation class of 1953 was honorees for the exes reunion which followed the football game.

Mr. and Mrs. Duane Clem were in Lubbock Sunday to visit her brother, Mr. and Mrs. O. J. Stewart.

There was an open house and fish fry Saturday September 14, at the Enochs Co-op gin. Horace McQueen showed a film of his trip to Australia.

Local TOPS Club has meeting September 18

The Lighter Later Tops Club met Wednesday September 18, in the home of Mrs. Thomas L. Davey with 13 members present. All losers were treated to a low-calorie luncheon by the gainers. The new contest for the next six weeks is a report card that must be signed each week by the members husband or children. A star will be placed on the report card of the person losing the most weight. Since last week was a forgiveness day the members did not disclose their gains or losses.

Eight members reported they would be going to the District Meeting Saturday, Sept. 28 at Happy, Texas.

Anyone interested in joining Tops, we meet each Wednesday morning at 8:45 a.m. at the First Methodist Church.

PP&K contest registration begun at Reynolds-Hamilton

Boys age 8 through 13 in this area began registering for the eighth annual Punt, Pass and Kick Competition on Tuesday, September 17 with trophies and trips to be awarded football minded youths for skills in punting, passing, and kicking.

Headquarters for registration is Reynolds-Hamilton Ford. Where entries will be accepted from September 17 through October 4. Entrants must be accompanied by a parent or guardian. There is no charge as the entire competition is absolutely free to all entrants and all equipment such as footballs and kicking tees are provided. No body contact is involved in PP&K competitions.

When they register, boys receive a free booklet of competition tips written by Green Bay's star passer, Bart Starr, the Atlanta Falcon's punting specialist, Billy Lothridge and St. Louis Cardinal's kicking leader Jim Bakken. The booklet includes exercises for better physical fitness oriented to boys of PP&K's competition ages.

In addition to the booklet each registrant receives an attractive PP&K lapel pin.

The basic principle of PP&K underlines fairness in competition to give every

boy an equal chance to win, pitting testants only against those their own age. Points are awarded for each foot tance the ball travels on the field, points subtracted for each foot the lands to right or left of a center line.

Eighteen handsome trophies will be awarded locally by Paducah Motor Inc. Gold trophies go to first place winners, silver to second and bronze to third with first place winners going on to their competition in zone contests.

Winners of Zone competitions will receive trophies and runners-up are awarded certificates. Zone winners move to district competitions where 216 District champions will be awarded trophies and to compete for Area Championships. champs travel to division events in stadiums in St. Louis or Atlanta. Twelve finalists are chosen; six from NFL Eastern division and six from NFL Western division. Winners are accompanied by their fathers to all and Division competitions.

The twelve Division winners go to both parents, to the Orange Bowl in Miami, Florida, for the National Finals of the annual NFL Play-Off Game. The 12 National finalists and their parents go on a "Tour of Champions" to Washington, D. C.

The Punt, Pass and Kick Competition is sponsored nationally by Ford Motor and the National Football League. Registrations continue through Oct. 4 at Reynolds-Hamilton Ford. Morning all boys 8 through 13 years of age.

Wool growers sponsor sewing contest Dec. 7

Entry forms are available for a district "Make It Yourself With Wool" contest Dec. 7 in the Home Economics Building at Texas Tech. Dr. Gene Sheldon of the Clothing and Textiles Department announced Friday, Sept. 13.

The contest is sponsored by the Women's Auxiliary to the National Wool Growers Association and the American Wool Council.

Entry forms are to be filed with the School of Home Economics at Texas Tech by Nov. 14.

The forms may be obtained by writing to Dr. Sheldon, School of Home Economics, Texas Technological College, Lubbock, Texas, 79409, and are to be completed by Nov. 14.

Categories for the competition include Sub-Debs, age 10-13, jumpers, ponchos or skirts; juniors, age 14-16, dresses, coats, capes or two piece suits; seniors, age 17-21, dresses, coats, capes or two piece suits; adults, age 22 and over, dresses, coats or suits. All garments must be constructed entirely by the contestant.

Each county in the West Texas district may send ten contestants, whose names should be filed with Dr. Sheldon by Dec. 2. The state competition will be Dec. 13-14 in Lubbock, and national finals are set for Feb. 16 in San Francisco.

Mrs. Willard Henry holds club meet

The Town and Country Study Club its meeting on September 18 in the home of Mrs. Willard Henry, President. program theme was "Courtesy and Punctuality to All and Club Ethics and Principles. These subjects were discussed in a session by the members.

The article, "Organization and Membership", in the current issue of "Texas Clubwoman" was also discussed and suggestions made for improvement.

Those present were Mesdames Hill, Bill Hovey, W. G. Freeland, Lynne Inglis, Willard Henry and Spence.

The next meeting will be at 6:00 on October 2 and has been changed to dining room of the Homemaking department at the High School. Mrs. R. B. Spence is chairman for the program which is Americanism.

OLD SMOBILE
NOW SHOWING
YOUNGMOBILE
THINKING 1969

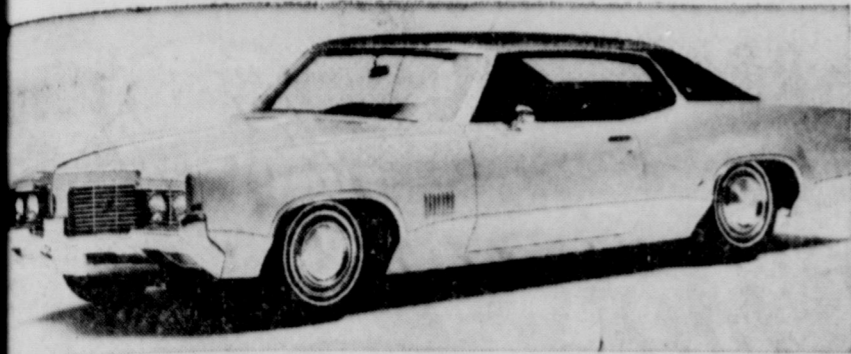

Come see the cars with the come-closer look.

New top-of-the-line Olds 88: Delta 88 Royale

They're at your Oldsmobile dealer's right now. Captivating cars like this all-new Delta 88 Royale —youngmobile thinking in a big, beautiful package. Sportier looking vinyl top—that's youngmobile thinking. Longer, easier riding 124-inch wheelbase —that's youngmobile thinking. So is the custom pin-striping. The side fender louvers. The no-vent

panoramic windows. To say nothing of a Rocket 455 V-8. They're all standard on Royale, along with all the new GM safety features. There's even an ingenious anti-theft device to keep your Delta 88 Royale your Delta 88 Royale. Stop in soon. See all the cars with the come-closer look. They're on display and waiting for you right now.

Escape from the ordinary at your Oldsmobile dealer's:
Toronado, Ninety-Eight, Delta 88, 4-4-2, Cutlass, Vista-Cruiser.

1969 Oldsmobile . . .

OLDSMOBILE, for 1969, has simplified its medium price class lineup. All series in the '88' family will be known as Delta 88's, and will include this newly-created top-of-the-line Delta 88 Royale. This new hardtop coupe has its own distinctive backlight, chromed front fender side louvers, individual hood ornamentation, a vinyl top as standard equipment, and several other distinguishing features including a specific exterior paint stripe. '88' wheelbases have been increased to 184 inches.

1969 Oldsmobile on display at Hawkins Olds Thursday

Oldsmobile, for 1969, is introducing completely restyled 88's and 98's, a longer and sleeker Toronado with a major change in rear end appearance, and power train improvements designed for greater economy and performance in F-85 models.

The new Oldsmobiles will be on display at Hawkins Oldsmobile Co. Morton, Texas Thursday, September 26, it was announced by H. S. Hawkins.

er luggage capacity. The popular 98 Luxury Sedan has been expanded to two models. Previously available only in a 4-door version, Oldsmobile in '69 is offering a companion car, the 98 Luxury Hardtop Sedan.

The 1969 Toronado, lengthened 3 1/2 in., displays a dramatically redesigned rear end, clean-tailored and involving a new deck and rear quarters.

The new Oldsmobile F-85's have undergone just the right degree of change (front, rear and interior) to achieve a sportier look. Oldsmobile's high-performing 4-2 becomes even more distinctive in 1969, aided in part by a special rally hood paint scheme replacing the previous side rally stripe.

Among major engineering advancements by Oldsmobile in 1969 is the expansion, on many F-85 models, of the power train philosophy introduced on full-size Oldsmobiles in 1968. This has been accomplished by combining an all-new 3-speed automatic transmission with a lower 2.56-to-1 axle ratio, resulting in performance and fuel economy gains.

Other improvements include extension of availability of the Oldsmobile-pioneered rim-blow steering wheel. Optional equipped cars last year, in 1969 it will be available on all models, including the F-85.

The easy to use but very efficient cruise control system introduced on the F-85 in 1967 is now planned for all Oldsmobiles. In this optional system, the engage button is located in the end of the turn signal lever and operates with simplicity and greater convenience.

The new 98's also have been completely restyled and are longer looking cars with longer hood, longer rear deck, and great-

1968 ASC committee election results are announced today

Results of the Sept. 18 election of ASC community committeemen for the A, B, C, D and E, communities of Cochran County were announced today by Danny Key, Chairman, Cochran County Agricultural Stabilization & Conservation Committee. The elections were held by mail, and ballots were tabulated publicly by the incumbent ASC county committee Sept. 20, at 8:30 a.m. in the ASCS office.

Farmers elected to the committees include:

"A" Community: Ken Coffman, chairman; Ike Williams, vice chairman; C. C. Harvey, member; Dub Henry, first alternate; Troy Wells, second alternate.

"B" Community: Curtis Schly, chairman; Donny Baker, vice-chairman; Raymon Hall, member; E. C. Hale, first alternate; Earl Polvado, second alternate.

"C" Community: Jack French, chairman; Olen Lewis, vice chairman; Dan Keith, member; Darwood Marshall, first alternate; George Martin, second alternate.

"D" Community: Ralph Burt, chairman; W. P. Houston, vice chairman; Charles Cumpston, member; Eugene Bentley, first alternate; R. A. Stevens, second alternate.

"E" Community: C. E. Buchanan, chairman; Ernest Trull, vice-chairman; J. C. O'Brien, member; Buford Webb, first alternate; Vernon Blackley, second alternate.

The ASC community committee chairman, vice-chairman, and third regular member automatically become delegates to the county convention, where farmers are elected to fill vacancies on the ASC county committee. The alternate committeemen become alternate delegates to the convention. The county convention will be held in ASCS office, Sept. 25th at 8:00 a.m. After the county committeemen are elected, the delegates determine which of the regular committeemen will serve as the committee chairman and vice-chairman for the coming year.

ASC county and community farmer-committees are in charge of local administration of such national programs as Agricultural Conservation Program, the Cropland Adjustment Program, the Feed Grain Program, the Wheat Program, the Upland Cotton diversion Program, the National Wool Program, the Acreage Allotments and marketing quotas, commodity loans, and storage Facility Loans. Each year, local farmers earn thousands of dollars through participation in these farm-action programs.

Last year, 457 farmers—92% of all the farmers in the county took part in one or more of the programs administered by the ASC committees. Funds disbursed un-

der the committee's supervision amounted to \$6,000,000. Of this amount, \$1,000,000 was for price support loans aimed at increasing market returns above what farmers would receive on an unsupported market. Included in the price-support program are such major commodity programs as cotton, feed, and soy beans. Last year, also, 50,000 acres of farmland in the county were improved under ACP Program cost-sharing arrangement. This cost \$115,000, with about half coming from the participating farmer, and the balance for ACP.

Busy Fingers meet with Mrs. Jack Baker

The Busy Finger Sewing Club met in the home of Mrs. Jack Baker September 19, 1968 with nine members present. The President, Mrs. Clayton Stokes called the meeting to order. The song was led by Nora Markham and prayer by Eva Baker. Scripture was read by Effie Taylor. Each club member was reminded to remember their secret pal Birthday Anniversary.

The club members present were Ora Baydston, Nora Markham, Phebe Haward, Amy Bedwell, Ruby Hill, Effie Taylor, Fannie Lue Stokes, Claudia Banett, and hostess, Eva Baker. Refreshments of apple pie and coffee and cokes were served.

The next meeting will be in the home of

Chevrolet introduces 1969.

Caprice. Match this, you other 69's!

There is no joy in the land of our competitors today. But let us ask you this.

Should we have made Caprice shorter instead of the longest Chevrolet ever built? Or adorned it with flashy nicknacks to make it look less expensive?

Just because competition doesn't, should we not have offered you washers to clean your headlights,

new variable-ratio power steering, liquid tire chain you can apply to your rear wheels at the touch of a button?

Should we have given you less power, instead of the largest standard V8 in its field?

Some people think so.

Our competitors.

'69 Caprice Coupe

'69 Camaro SS Sport Coupe, plus RS equipment

Camaro. Who needs to say "announcing" or "new". The Huger. And just look how it all hangs together. No gingerbread anywhere.

We've improved the interior, too. Quieted the ride. Made the Astro Ventilation ventilate better.

The power range is very impressive.

Standard V8 is 210 hp. SS engines available up to 325 hp. For added SS appeal: sport striping; power disc brakes; wide oval, road-hugging tires.

Your Chevrolet dealer offers this advice:

Go on, you other sportsters. Gnash your gears and look tough.

Maybe it will help.

Putting you first, keeps us first.

OUTMODED EQUIPMENT

This young man certainly won't get much real cleaning done with this broom. A modern street cleaning machine would do the job so much better. His straw broom makes us think of how we try to get along without God, without spiritual values, without church. Our life would be so much better if we would exchange this life for one that knows God and practices His precepts. Without church and God we have little or no spiritual equipment. Hearing God's word preached, being with his people, working in His church, helping others through the church all give us the spiritual equipment we need for meeting life. We invite you to attend this week and make a habit of coming to God's house.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.
