Bureau offices to make final plans for the event, Williams said. He invited anyone with imput for the event to

attend the meeting.

The local V.F.W. Post will hold a dance on Old Settler's Night with the "Duke's Mixture" band playing for the affair. Sunday morning there will be a memorial service at 8 a.m. at Floyd County Memorial Park (cemetery).

The Floydada Roping Club will sponsor two rodeo contests during the day at the Rodeo Ground, Mike Smith, club president, has announced. First event will be the Girls' Barrel Race, starting at 11 a.m. Entry fee is \$15.

A three-head Open Team Roping event with \$28 entry fee will start at 1 p.m., Smith said.

A dance from 9 to 1 on the slab at the Rodeo grounds will climax Roping club

Board members of the Floyd County Pioneer Reunion, in addition to Williams as chairman, are Jim Bert Bobbitt, vice president; Anne Swepston, secretary; H. E. Frizzell treasurer; and G. L. Fawver, board member.

Floydada High's junior class will hold an "Almost Anything Goes" contest at the football stadium at 7 p.m. Monday, Jaine Guest, class president, has announced.

In case of rain the contest will be moved to Graves Gymnasium. A concession stand featuring home-

made ice cream will be operated during the contest. Proceeds from the contest will be

used by the junior class to help defray costs of their junior-senior prom held last month.

Admission is 75 cents for adults and 50 cents for children.

MANY FLOYD COUNTY and other mothers over the U.S. are being feted today on Mother's Day, and Carolyn Cheek is no exception. Here the Floydada elementary music teacher is surrounded by her five sons. Standing from left is Derek, 17, a senior, and Jett, 16, a sophomore seated, left, is Don, 13,

seventh grade, Mrs. Cheek, and Lane, 11, fifth grader. Music is important in the Cheek family-Derek plays French horn, Jett the trombone, Don tenor saxaphone and Lane plans to take up an instrument next year.

Floydada Nursing Home Sets Open House Today 2-3:30 p.m.

Residents of Floydada Nursing Home will be honored during Nursing

Other weekday activities will include a style show at 7 p.m.. Monday, group singing at 6:30 Tuesday, church singing at 6:30 p.m. Wednesday, and on Thursday there will be a picnic on the grounds at 5 p.m., replacing the regular monthly noon buffet. Hamburgers will be served. On Friday the movie, "White Mare", will be shown at

"This is a special effort by our profession to urge people in every community to take time for a personal visit with the residents and a close look into the operation of today's licensed nursing homes to learn first-hand the quality of care being delivered," said Westbrook. "We can provide every need of our residents except one...we can't make them know that the community cares about them. This special week gives everyone a change to show that the people in the community do care about their neighbors in nursing homes.

Home Week which begins today. The annual observance is sponsored by Texas Nursing Home Association. Celebrity hosts this year are Roy Rogers and Dale Evans, America's favorite "Mr. and Mrs.".

In joining the program Paul Westbrook, administrator of the nursing home, announced an open house from 2 - 3:30 p.m. today. Theme of the week is "Be a good neighbor...visit a Nursing

The Floydada Nursing Home was founded 12 years ago and has a 52-bed capacity. Westbrook said. It requires a staff of 28 to operate the facility, the administrator explained.

merce meeting May 8. She and her Tourism, Nancy Willson. husband, Sam, will be moving to Plano

The Chamber will feature Kelly Lyons, "Miss Floydada" in the Old Settlers Parade. Lori Vinson and Adeanna Morris will also be featured as 1st and 2nd runners-up, respective-

The community calendar will continue to be featured in the Hesperian each month. During the summer months the 1956 Study Club will sponsor a Story Time and Reading Club for children at the County

Members present voted to donate \$500.00 to the Old Settlers Association for a covering for the slab on the Court House lawn. Suggestions for other community beautification and civic improvements were made. The Chamber voted to send a letter to the city council encouraging it to enforce the junk car ordinance. It was decided at this time to support the ambulance fund by supporting the Caprock Hospital Auxiliary in their rummage sale to he held May 18 and 19.

BLUE KING SIZE AFGHAN...to be given away. Nettie Ruth Whittle, pictured with the all wool afghan she crocheted then presented to the Floyd Unit of the American Cancer Society. Board members of which Mrs. Whittle is treasurer will be selling the tickets at \$1 each with proceeds going to the Cancer Society. The afghan will be given away during Old Settlers celebration Saturday, May 27.

JUDGE J. K. Holmes was feted with a on Friday noon in the courthouse on athday by more than 40 employees. The pared a luncheon served on the second resented the judge and Mrs. Holmes with

cleverly decorated cake inscribed "Order, Order in the Court! It's My Birthday!" Several gifts were also presented to the judge by employees. Judge Holmes took office in 1964 and will end his term (Staff Photo) with the close of 1978.

Harmony Club Holds Backyard Luncheon

The program committee of the Harmony H. D. Club was hostess to a backward luncheon at the community center May 8 at high noon.

As the guests arrived they had to park their cars backward, enter the auditorium backward, sit in chairs facing the door. After introductions, one pretending she was her neighbor on her right, saying nice things

about "herself."

FARM & RANCH NEWS

Lloyd Cline of Lamesa May 3 was re-elected for a second one-year term as President of Plains Cotton Growers, Inc. at a meeting of Directors in Lubbock. Incumbents Joe D. Unfred of New Home, Vice President, and Gary Ivey of Ralls, Secretary-Treasurer, were also re-elected.

The Board meeting and election followed the 25-county cotton producer organization's annual meeting where an estimated 400 farmers and cotton-related business people heard international cotton marketing specialist John McNutt and Dawson County farmer Donnell Echols speak on the potential for increasing the Convention Center on exports of High Plains cotton.

McNutt, Vice President of International Marketing for Cotton Incorporated, told the group that significantly more cotton can be sold to open-end spinning plants in Western Europe if the High Plains will produce more of the high strength varieties required USDA Soil Conservation by the open-end spinning system.

He said producers might do well to consider planting 20 percent executive director of the of their 1978 acreage to cotton types that normally produce lint Texas State Soil and Water with at least 90,000 pounds per square inch pressley strength. Echols, a PCG past president who took part in a Western

European Export Seminar in January, confirmed that open-end held as a result of the spinners are interested in high strength cottons from the Plains Resources Conservation Act and cited an example of one such mill which was highly pleased of 1977, which was signed with its first trial run of High Plains cotton this year. However he into law by President Carter cautioned producers against planting varieties without full last November," Marks said. knowledge of their yield potential on specific soils and under need for public participation specific climatic conditions.

President Cline, in his annual report, reviewed PCG activities programs are effective and for the past year including the continuation of open-end spinning responsive to public needs." research at the Texas Tech Textile Research Center. Concerning this work he blamed a lack of adequate funding for "moving too beginning--have sought beginning--have sought slow" to take maximum advantage of the opportunities "to public participation, and the enhance both volume and profitability of our sales of cotton to be RCA Act further insures used on the open-end spinning system." He emphasized this that conservation programs point by saying "PCG is your vehicle, so to speak, and it will take will continue to be responyou where you want to go at whatever speed you and your sive to public needs," elected Directors have the skill to drive it. But it can't take you Spencer said. The Act reaffirms the need for public anywhere unless you keep gas in the tank."

Executive Vice President Donald Johnson echoed Cline's call receive public input so that a for a broader base of PCG support, telling members "If we do meaningful appraisal of the necessary research; if we get the results of our research in grass roots conservation the hands of the right people; if we prevail upon these people to programs will provide the try our product, as you have just heard that one mill in West means for their improve-Germany has done, then we can exploit these new markets to the ment.

Persons Can Give Views On Soil, Water Conservation At Meetings Over State

Public meetings will be held at Stephenville and San Antonio to let interested persons give their views on present soil and water conservation programs and to propose needed changes or additions to present approaches.

The Stephenville meeting will be May 16 in the Humanities and Business Building on the campus of Tarleton State University. The San Antonio meeting will be in the Fiesta Room of May 18. Both meetings will start at 9 a.m. with registration starting at 8:30 a.m.

George C. Marks, state conservationist for the Service and Carl Spencer, Conservation Board, will cochair the meetings.

"The meetings are being to insure that conservation

"However, the right to private ownership and man-American citizenship,' Spencer stressed. "As the general public becomes more involved with the growing shortage of soil and water resources we see more proposals in legislative form concerning what landowners ought to do in the way of erosion control, floor prevention, protection of wildlife habitat and providing public access to private

property.
"Any approach to soil and water conservation problems or issues must first consider that a high percentage of farm and ranch land is privately owned and that the interests and the welfare of the owners must be served. Programs must

be acceptable to them. "Laws pertaining to the organization and functioning of soil and water conservation districts provide that their programs and plans of work be developed by local interests and be a voluntary program. No program is more acceptable to a landowner than a voluntary type and one in which he had a part in developing." Spencer

Individuals or groups with an interest in conservation should attend one of the statewide meetings or a meeting in a local soil and water conservation district. Interested persons are being encouraged to bring written or oral statements reflecting the direction they think conservation programs should take in the future. Such statements will be accepted, made a part of the record and considered fully.

ville meeting. The date for the Resources Conservation Act meeting in Floydada has been set, Jon J. La Baume, disrict conservationist for SCS, said.

Mr. G. L. Fawver and Her-

man King, local directors,

plan to attend the Stephen-

The meeting will be held at 8:00 p.m. June 8 in the Lighthouse Electric Coop. building. All media will be informed of future plans for this meeting.

From information and suggestions received at public meetings as well as date collected from surveys and inventories, RCA calls for determining:

--- quality and quantity of soil, water and related

---ability of these resources to meet current and future demands,

--- changes in resource condition resulting from past uses. --costs and benefits of

alternative soil and water conservation practices and -- alternative irrigation techniques and their effects on conservation and the

Based on inventories, survey data and public input, the Soil Conservation Service will work together with soil conservation districts, state soil and water conservation agencies, local governments and individual landusers to enhance present conservation programs and set multi-year objectives. Accomplishments will be monitored at least annually.

The appraisal and program provided for by the newly enacted law will be present to Congress by the end of 1979. This will be followed by the first evaluation report on existing services of the Soil Conservation Service which is to go to Congress by the end of fiscal year 1982.

IT'S THE MOST

The most years worked by one person is 86. This record was set by Polly Gadsby who started at the age of 9 and wrapped elastic for the same company until the age of 95 in 1932.

Production Costs Stampede; Livestock Profits Corralled

AUSTIN--Texas livestock least break-even returns for prices have recently been their livestock is apparent put a chill on profits, rates, Brown said. Agriculture Commissioner Reagan V. Brown reports.

"Texas Crop and figures show that average prices for livestock in March were well above last year's levels," Brown said. "However, farmers and ranchers are feeling the pinch of higher operating costs,

wages, services, feed and farm machinery," he noted. Just how far ranchers and

rising along with springtime when prices they received are temperatures, but escalating compared to the production costs continue to federally-established parity "As of March 15, the

average price for beef cattle was \$44.90 per Livestock Reporting Service hundredweight, but the parity price was \$61," Brown stated. "This means that cattle raisers should be getting \$16.10 a hundred more than they are now to keep pace with inflation." Brown noted that calves

which are up six percent over averaged \$52.80 per hundred, with a parity price "These rising costs of \$70.40. Hogs brought include everything from \$43.70, with parity pegged interest rates on loans to at \$59.70. The average price for lambs was \$74.20, and a parity price of \$67.80; sheep brought \$26.30, with \$18.80 farmers must go to obtain at being the parity level.

this area.

LUBBOCK--The rains of early May came to the South Plains and Texas Panhandle just in time to meet the planting needs of most farmers in the area, but it may take a few more days for its benefits to be felt, says the agricultural advisory meteorologist for the National Weather Service

"We got one- to two-inch rains across the South Plains and a lot of the Panhandle. That's going to be enough to plant," said Kenneth A. Wigner, the meteorologist.

Farmers who had an opportunity to carry out pre-planting irrigation in April "should be in fine shape," he said. Dryland farmers should have enough moisture to plant, but "could get into trouble" if additional rainfall doesn't come in time to provide necessary moisture to sustain the

But he noted that rainfall for the area was below normal at the end of April and much of the recent rain will go to replenishing the soil moisture. "If we had had the usual amount of moisture in the soil, a two-inch rain would have been worth

a lot more," Wigner said. The rains also reduced the soil temperature, a vital factor in seed germination, the meteorologist said.

In Lubbock, the 10-day average minimum soil temperature reached 60 degrees on April 6. "That's the second earliest date ever recorded here, Wigner said. Those records have been maintained since 1951 and the earliest date among the entries was April 4, 1967.

Just prior to the recent rains, the 10-day average minimum soil temperature had risen to 65 degrees. "But in the last few days this has reversed and is now down to 61 degrees," Wigner noted.

Even when the fields dry out enough to begin planting, it may be a few more days before the soil temperature rises enough to provide optimum germina, tion, he said.

He completed Air Force officer training in 1964 at Lackland Air Force Base, San Antonio, and Air Force meteorology training at UCLA in 1965. He served for six months as weather officer at Lincoln Air Force Base in Nebraska and three years as weather officer and officer-in-charge at Wheeler Air Force Base, Hawaii. He resigned from the Air Force in January 1969.

Wigner was honored by the Weather Service as outstanding line forecaster at the Lubbock field office 1973 and received the agency's superior service award in

CHAT FROM PAGE 1

We wondered what the booklet would have to say about discipline: "Punishment, mental or physical, wisely inflicted, is the great mediate force for educating conscience or to awaken moral impulses. Punishment will be inflicted so as to be reformatory, as well as to maintain that degree of order and decorum which is necessary to success." Whee!

Some particularly fascinating advice was forthcoming in the section headed "Hints for Pupils". In part it reads "System is best in everything. The following daily program is suggested: Rise at 5 o'clock in the morning and take some outdoor exercise. Walking or doing the "chores" about home is good. Then breakfast. After meals do not take up study immediately, but engage in conversation for a while. Study till first bell, then prepare for school. Join in healthful sports at recesses. Exercise after school and more after supper. Study about two hours, sleep at least eight and not over nine hours. Be cheerful and temperate, eat light suppers, and dress with due regard to the laws of health." Well, does that sound like your child's schedule?

The "Course of Study" ran from the first through the ninth grades, the latter apparently being considered a terminal education in those days. Ninth grade studies consisted of English

(Jenning's Rhetorice); Mathematics (higher algebra and plane geometry); Physics (completed); history, (Myers General History) completed; and Latin (Caesar).

The remainder of the booklet is given over to advertisers whose ads financed its printing. The firms adver-tising were Will W. Nelson's (apparently groceries); C Surginer, (hard-

Floydada Nursing Home Happenings

By Dorothy Neff

This has been a busy week making preparations for our open house Sunday, May 14 from 2:00 til 3:30. We extend a cordial invitation to everyone to attend. Refreshments will be served during this time. We hope to see a lot of friends and relatives present for the occasion. We have planned some type of program for the residents each night about 6 p.m. starting Monday the 15 through Fri-

day 19. Mrs. Agnes Anderson's son-in-law, Ausie Watson, gave our devotion Friday morning. We have enjoyed the company of the Anderson children this week. They are all here visiting their mother, who has been sick for several days.

We would like to thank Margie Myrick for the ten beautiful lap robes. I know she spent many hours working on them.

Everyone is enjoying the beautiful arrangement of silk flowers given to us by the family of Agnes Anderson. It was a very sweet gesture on their part.

We would like to thank the employees of the John Deer house for making us two ring toss poles. I know they will be enjoyed by the residents. I want to also thank my three sister-inlaws, Mary, Leona and Lavada, and a niece, Winola for the two bowling games they gave the residents this

Two of our residents went home to live this past week,

Mrs. Bernice Knight went to her home in Matador, and Mrs. Ida Martin went to California. We will miss them both very much.

Our volunteer program was held May 3. Officers were elected. Faye Walters is president, Betty Baker vice president, and Shirley Varner, secretary. We still need volunteers, so if you are interested give us a call. Many thanks to each of our weekly visitors which in-cluded: Mr. and Mrs. Bobby Echols, Albuquerque, New

the past two years. Thanks Again, Maricia Gaitan, Plainview Luckenbach Loses Bid

For Earl Campbell

LUCKENBACH, Texas-School officials at Luckenbach U have expressed dismay at recent reports of the signing of Earl Campbell, former UT All-American and Heisman Trophy winner, by the Houston Oilers.

According to a spokesman for the school, "Luckenbach U ain't part of NCAA and we figure the best way to get a good team is to hire good players. We bid three acres and the rights to a Luckenbach Beer distributorship in Fredericksburg for Campbell. We figure it's as good a long-time security for Earl as the Oilers \$1.3 million bid. It'd take Earl a good hundred years to make that much in Fredericksburg."

Luckenbach U's proposed Gillespie County Conference football schedule 1978 includes Cain City A&M and Art Institute, Stonewall University Dental Branch, Round Head State University, Downtown College in Gold, and other less notable

The school is planning football tryouts later this spring. They expect Lam Schwerdtfeger to quarterback the team, if he can be persuaded to give up his present part-time job. Lam is a quality control man in charge of hop-smelling for the Luckenbach Beer brewery now in the development

Indians used to believe that eating milkweed roots would help them hunt deer

MY SINCERE THANKS

"A Great Big Texas Thank You" to the fine people of Floyd County for your vote of confidence given me on May 6, 1978, by electing me Sheriff of Floyd County for the two years of an unexpired term.

Your overwhelming generosity is appreciated, not only by me, but by my entire family.

May I never give cause for you to lose faith in me. Feel free to come by the office for a friendly visit, help, concern, or to offer suggestions. The door is always open to you, the citizens of my home country - the one and only Floyd County of Texas. We feel that "our cup truly runneth over." Thank you so much for your support.

SQUARE DANCE EXHIBITION...Bonnie Graham and Floyd Bradford of Floydada were among the square dancers who entertained residents at Lockney Care Center Thursday.

South Plains News By Mrs. Murray Julian

May 8th, 1978. Pastor Fred D. Blake of South Plains Baptist Church leaves this morning (Monday) for Dallas where he will attend a three day briefing session on the Bold Mission Thrust. He will be back home in time for Wednesday night Prayer Meeting at 8:00 o'clock, since the time change. Last week, due to cold weather, the meeting was held in Fellowship Hall. There was fine singing, and

Wonderful rain came at last to our community, as well as to surrounding neighbors. Most everyone here received about 2 inches. The rain came Monday night and all day Tuesday it just poured, and was still raining Wednesday morning, with a 34 degree temperature. Cloudy, foggy weather helped every bit of the rain to soak into the ground.

a large group attended.

May 2 was WMU Day at the Plains Baptist Assembly Grounds, and 66 women in all braved the weather elements that day, as most of them were wet from the heavy rain, which poured most of the day at camp. First of all, there was no electricity so there was no neat or lights for a time so things had to be changed for the program. Allen Benson is the new camp director, and everyone enjoyed a talk by him. Mrs. Wayne Hunter was in charge of the Caprock Association. Those from here who went were; Mrs. L.T. Wood, Mrs. Fred Blake, Mrs. Murray Julian, and Mrs. Gene Mayfield of Floydada. The main speech was given by Mrs. Glen Godsey of Plainview, on Missions Teaching, "To Be, To Do." Five associations, including Caprock, Lubbock, Llanos Altos, South Plains and Staked Plains met for the meeting. The meeting and lunch period was held in the cafeteria.

Mr. and Mrs. Raymond Upton from Upton Grocery and the Post Office at South Plains, left on a little vacation to Bartlesville, Oklahoma last Thursday, where they visited their son and family, Mr. and Mrs. Jimmy Upton and three children. They returned home Sunday evening.

Mrs. Frank McClure was moved to the home of her daughter's, Mrs. Jean Mc-Clure in Plainview, a week ago Friday. She is doing fine, at this time. If she continues to improve, she

SAVE

980

will get to return her to home to South Plains next

Mr. and Mrs. Leighton Teeple were in attendance all last week in Plainview at the Southwest Church Growth convention. Mrs. Teeple served as hostess at the convention.

We are proud to note that Kelly Turner, grandson of Mr. and Mrs. E.P. Pritchett at South Plains, was named valedictorian of the 1978 Floydada High School graduating class. He has a 4 year average of 95.152.

Mrs. Leighton Teeple,

Mrs. Fred Marble and Mrs. Ruby Higginbotham presided at the South Plains School house at the voting polls last Saturday, May 6, with E.J. Kinslow as presiding judge of the election.

Rev. and Mrs. Fred Blake and others from the South Plains Baptist Church went to the Lockney Nursing Home Sunday, May 7th, at 3:00 p.m. to hold services for residents. It is a joy to minister to the aged and those of the convalescent

South Plains Hobby Club will meet Wednesday, May 10th, at Lockney in the home of Mrs. Fred Fortenberry for a demonstration on ceramics, by Mrs. Herb Mc-Camish, from Plainview.

George Weast is going to Central Plains Hospital in Plainview on Mondays, Wednesdays and Fridays for therapy on his hip. He is getting along well. Mrs. Robt Lee Smith went to Amarillo Sunday to visit her mother, Mrs. George Weast, who is in a rest home there. Relatives, the E.T. Evans family of Amarillo, are spending two weeks in Aspen, Colorado, where they have their mountain home. Mr. and Mrs. Julian went

to Perryton Saturday, and spent the weekend with their son and family, Bruce and Janet Julian, Clay and Wade. They attended the services Sunday at First

(Staff Photo) Baptist Church where Rev. Jack Pearce is pastor, and returned home Monday

Mrs. Sylvin Kinnibrugh and daughter, Mrs. Teddy Horne and Melissa of Plainview, spent the weekend in Truscott with Mr. and Mrs. W.S. Simmons and other relatives. Sylvin and L.N. Johnson and others from Plainview went to Lake Amistead on a fishing trip, returning home Monday afternoon.

Mr. an Mrs. W. Fred Cox spent most of last week visiting here with her brother, Mr. and Mrs. Earnest Smitherman. They were to start home to Denver, Colorado, on Wednesday, visiting some relatives on the way. traveling in their Air Stream trailer. Denver has had a heavy snowfall which they probably encountered.

New students at South Plains School entering last week were Lajuana Turner and Sherri Lambert of Petersburg, and Jason, Ricky and Johnny Penry of Silverton. Dates to remember at the school are last day of School, May 24th and plays, May 19th, with party and

trip, May 12.

Thursday, May 11, is Vacation Bible School planning meeting at the Baptist Church, beginning at 10:30 a.m. Bring a salad for the luncheon. The planning meeting will continue on after lunch. 78 besti

Linda Weims In Honor Society

COLLEGE STATION Linda K. Norman, daughter of Mr. and Mrs. Weims L. Norman, Rt. 4 Floydada has been selected as a member in the Texas A&M University Chapter of the honor society Phi Kappa Phi.

Phi Kappa Phi is an interdisciplinary society which elects members from all recognized branches of academic endeavor.

Each year the Chapter recognizes graduate and undergraduate students from 11 academic colleges who have distinguished themselves academically as well as leadership in campus activities.

Phi Kappa Phi was established in 1949 at Texas A&M University.

I WANT TO THANK ALL WHO VOTED FOR ME IN THE MAY 6TH PRIMARY FOR JUSTICE OF THE PEACE PRECT. 1 & 4. IF I CAN HELP YOU IN MNY WAY FEEL FREE TO CALL ANY TIME.
