Class 3-AAA All district team named

Two members of the Floydada Whirlwind football team have been named to the Class 3-AAA All District team.

Calvin Coleman, a Senior, was named one of the All District receivers and Donnell Weeks, also a Senior, was named on the all district secondary and all district kicker.

Eight members were named on the All District second team. Richard Vela, a Senior, was named as a second team All District linebacker and Mike Salazar, a Senior, was chosen honorable mention linebacker.

Calvin Coleman was also named on the second team All District secondary. Donnell Weeks was named as the

second team All District punter.

Walker Brooks, a senior, was named second team All District center. Bruce Williams and Donnell Weeks, both seniors, were named as second team All District running backs: Mark Hatley, a Junior, was named as the second team quarterback.

Post had eight named on the All District first team and seven on the second team. Slaton had six on the first team and 11 on the second team. Idalou had four on the first team and four on the second team.

Lockney had two on the All District team and five on the second team. Childress had two on the first team.

FHS students out for blood

...and money

money? That is exactly what the Student Council of FHS and other organizations are competing for next year. The contest is sponsored by the Floydada Rotary, Lions, and Heart chapter have set aside \$1000.00 to give to the high school organization which gets the most donors in its name.

The idea is that members of each club will ask citizens of the community to give blood and to give the name of the club represented by the student who recruited the donor.

The club with the most people giving in its name will receive \$100.00 for its treasury.

Tracy Harrison, Student Council

president, has encouraged the club representatives to get their fellow members actively involved in this project.

The blood drive will be on Friday, December 3, at the Community Room of the First National Bank. The purpose of the new approach to a blood drive stems from Floydada's poor history of donating blood.

It was the hope of Floydada High School Student Council, Floydada Lions Club, Floydada Rotary Club and the Floyd County Heart Association that everyone who can give the gift of life will do so by donating blood.

Friday, December 3, Community Room.

Holiday break-ins occur in Floydada

A pair of break-ins occurred over the Thanksgiving holidays. It is not known whether the two were related.

King's Restaurant was broken into sometime Sunday night. Entry was gained through the rear door. An undetermined amount of cash was taken and assorted meats including a tray of steaks were taken.

Oden Chevrolet had a bullpen fence cut and several tires, wheels and wheel dressings were taken. The incident occurred sometime between Wednesday evening Nov. 24 and Monday morning. The exact time is not known.

The Floydada Crime Call is offering a reward for these two crimes. See page two for details.

Speech team results

The Floydada High School speech team traveled to Levelland November 20 to participate in a speech tournament.

In the Informative speaking division, Anna Leta Bradshaw and Jill Wilson made the finals. The debate team of

Robert Pratt and David Carr placed fourth in the tournament. Matt Griffin placed third in Prose reading.

Overall Floydada placed fifth of 15 teams and accumulated 89 sweepstakes points.

Student recital planned

The Floydada students of Elaine Hardy will be presented in recital Sunday, December 5th at the First Baptist Church in Floydada at 4:00.

The recital will have three sections - the first consisting of several standard pieces. The majority of the program will be title themes from movies and TV themes.

The last portion of the program will be sacred inspirational music.

The highlight of the program will be 22 students performing together on "Chariots of Fire." Two piano, two electric pianos, organ, yamaha, bells, xylophone, chimes, drums, claves, triangles, flutes and baritone will be played to perform the number. It will also be played that night in the church service for special music at 7:00 p.m.

Participating in the recital will be Andrea Bonner, Cindy Burk, Marissa,

Castillo, Laron Cheek, Chad and Shannon Edwards, Bryan Jarnigan, Mitzi Julian, Cathy Langley, Tammy and Mike Leatherman, Amy and Anita McCormick, Christi Norrell, Amy Ogle, Kim and Tana Perry and Jamie Thayer. Lockney students Karen Ford, Rachelle Ford and Cherie Parrish will assist.

Josh Thayer and Amber Poole, two students of Christi Norrell, will also participate. Christi is a Senior piano student working on her diploma from National Guild of Piano Teachers.

Special guests will be Chad and Tony Cooper, nephews of Mrs. Hardy, will participate from Lubbock. Their teacher, Patricia O'Shea, will accompany them. She is the daughter of Mrs. Ohmer Kirk, a former well-known teacher of Floydada and Mrs. Hardy's former teacher. Lockney students will present their recital in February.

The public is invited to attend.

CRIME CALL

Crime Call is offering a \$200 reward for information leading to the arrest and conviction of the person or persons responsible for the break-in which occurred at King's Restaurant sometime Sunday night. An undetermined amount of cash and assorted meats were taken.

Crime Call is also offering a \$200 reward for information leading to the arrest and conviction of the person or persons responsible for the break-in at Oden Chevrolet. The bullpen fence was cut and some tires, wheels and wheel dressings were taken at some time during the Thanksgiving holidays.

Citizens are reminded that the Christmas season is also a high crime season. Keep vehicles locked and parcels locked in the trunk at all times including during Christmas shopping. Also citizens are urged to report any unusual activity to the local authorities.

Crime Call is offering a \$300 reward for information leading to the arrest and conviction of the person or persons responsible for the break in of the Floyd County Implement Company.

The break in occurred sometime on October 24. Approximately \$8,000-\$9,000 dollars of mechanics tools were taken. How entry was gained is not known at this point because no signs of forced entry were found.

Anyone having information regarding these crimes is urged to call Crime Call at 983-5200 in Floydada. In Lockney the number to call is 652-2416. Or, informants may call the Texas Crime Busters toll free number: 1-800-252-8477. Informants may remain anonymous, but if they are willing to testify in the trial of the case additional rewards will be paid for this testimony.

Crime Call is supported entirely by private donations. Tax deductible contributions may be mailed to Crime Call of Floyd County Inc., 122 E. California, Floydada, Texas 79235.

Citizens are also advised Crime Call offers rewards for information received on all unsolved felony crimes occurring in Floyd County.

The Rev. Michael O'Connor's

Perspectives

It seems that the American Civil Liberties Union (ACLU) is at it again. Up in South Dakota, a nativity scene has been erected in the capitol rotunda. They did the same thing last year and the ACLU sued the state government on the basis of violation of church and state separation. They are considering the same action again this year.

Eventually some idiot in the ACLU is going to discover that giving people time off for holidays like Easter and Christmas is recognizing the religious nature of those holidays and is therefore a violation of church-state separation and government employees all over the nation will find themselves having to work holidays.

Church-state separation was never intended to completely isolate the state from all things religious. Indeed in this country, the amendment never really envisioned the protection of any other religion than Christianity, or at the very least, Deism. Certainly, the amendment was intended only to keep the government from declaring any one denomination or religion to be the official one of the realm. It is time for the ACLU to get off the back of religion, especially Christianity.

On another note, the media reported that one draft of the Catholics Bishops pastoral letter on nuclear armaments asserted that our nuclear arms build up

threatened the sovereignty of God. I find it hard to believe they would make such a statement, but if they did the Bishops need to go back to their theology books. We may argue the morality of the weaponry in term of its costs, radiation storage and leakage dangers, possible use against civilians, etc, but there is no question that God is in charge and that man may not destroy His creation without His permission or intervention.

Finally, an announcer on one of the football games reported that church attendance in the Houston area was up appreciably during the football strike. I've not heard how things are since the end of the strike, but I think I can guess. As one fellow I heard recently said, "Everybody must choose their own god."

ST. JUDE CHILDREN'S HOSPITAL BIKE-A-THON PARTICIPANTS received T-shirts and trophies for their participation in the Bike-A-Thon. The group raised \$485 during the October 9 biking event. Pictured are [standing, back] Kim Perry, Diana Vallejo, Irma Garcia and Kim Goodgion. [seated L-R] Kent Goodgion, Belinda Vallejo and Esmer Deleon. [standing front L-R] Marcie Vasquez, Lou Ann Martinez, Josh Thayer and Jonathon Simpson. Steve Moralez also participated but is not pictured.

VA NEWS

Many veterans and dependents in Texas received annual income questionnaire cards with their November pension checks.

It is important that those questionnaires be completed and returned by next January 1, so that future benefits may continue, said the Director, Waco Veterans Administration Regional Office.

Not all veterans and dependents received those questionnaires, he noted. But those who did must return them on time—or future benefits will be automatically suspended.

When Your Child Needs You...

Make Sure
You're Only
A Call Away.

You never know when a youngster may need to call from a coin phone. So, it's a good idea to have your child keep a quarter handy to telephone.

Southwestern Bell has a card for that purpose. It's called a "Quarter Keeper."

In addition to a slot designed to hold a quarter, it includes names and numbers to contact during an emergency.

To order your "Quarter Keeper," just complete the coupon.

The card reminds your child you're only a phone call away.

Floydada VFD Report

By Wes Brown Public Relations Officer
Floydada Volunteer Fire Department

There have been quiet since we had the last report. We have had only three fires since the last report. The Fire Department has been made for the Fire Christmas party which will be held at the City office.

Martin resigned from the Fire Department to take a job as house painter in Gristown. We need a person to replace him. If anyone is interested in applying, contact the members of the fire department or the City office.

Fire Safety Tip
The winter months have brought thoughts of a cheery warm fire. Make sure the flue are clean of soot and creosote. Keep a good screen in front to prevent stray sparks from falling on rugs or flooring. Also keep

young children away from the fireplace. Christmas is just around the corner. Be sure Christmas decorations are safe. Do not overload outlets. Inspect lights for frayed wiring or damaged sockets. If using an artificial tree, don't use large lights that may melt the plastic needles and cause a fire hazard. Instead use the smaller lights. Keep the tree (artificial or real) from fireplaces and open flame heaters.

November fires
Nov. 16 — Grass fire at Dougherty at 2:35 p.m. Three units and ten men responded.
Nov. 22 — Cotton fire northeast of Cedar Hill at 11 a.m. Two units and seven men responded.
Nov. 29 — Burr fire on West Price, 1/2 mile west of Highway 70 at 3:30 p.m. Two units and nine men responded.

CITY EMPLOYEES put the final touches on the community Christmas tree before the official tree lighting ceremony tonight at 7 p.m.

MRS. R. DANIEL SMITH

Puckett, Smith repeat vows in Ruidoso November 27th

The First Christian Church of Ruidoso was the setting for the family wedding of Tracey DeAnn Puckett and R. Daniel Smith on Saturday, November 27, 1982 at 10:00 a.m. The brother of the groom, Gary Smith, of Tucson, Arizona, performed the double ring ceremony.

Mr. and Mrs. Sam Puckett of Ruidoso are parents of the bride and the groom is the son of Mr. and Mrs. H.D. Smith of Tucson, Arizona. During the ceremony both sets of parents stood with the bride and groom and were honored with a few words of appreciation for their love and devotion to their children.

Forming the background for the wedding ceremony was a beautiful view of the Sierra Blanca Mountains. On either side of the altar were arrangements of lavender gladiolas, peach carnations, purple statice accented with brown leather fern and baby's breath. Pew bows of lavender and peach ribbon decorated the aisles.

The bride wore a formal gown of white qiana knit fashioned with an empire waist and long, full bishop sleeves gathered to wide lace cuffs. The Queen Anne neckline was edged in

Venice lace and sprinkled with seed pearls. An accordin pleated skirt extended into chapel length train. The Juliet headpiece of matching lace was attached to veil of imported illusion. Her bridal bouquet was fashioned of lavender gladiolas, peach carnations and purple statice accented with baby's breath and flowing satin ivory streamers. The dress was worn by her sister Nancy Young and the veil by her sister Sarah Sanders. The bride wore a string of pearls borrowed from her mother.

The groom wore a brown western tuxedo with velvet lapel and velvet western string tie.

A duet was sung by Robert and Bobby Hemphill, brother-in-law and nephew of the groom, respectively, both from Phoenix, Arizona. Carlene Waddley of Ruidoso sang solo accompanied by pianist Cleis Jordan of Lincoln, New Mexico. Musical selections were "Devoted to You" and "Daniel."

Following the ceremony a family meal was held in the fellowship hall of the First Baptist Church in Ruidoso Downs. The couple will reside in Lubbock, Texas.

Self family reunion, celebration

Mr. and Mrs. Oran Self were thankful to have all of their children home for Thanksgiving. Everyone present enjoyed a lot of food, fun and a lot of cameras were busy flashing.

Those attending were: Mr. and Mrs. Wayne Carpenter and Eric, Atlanta, Georgia; Mr. and Mrs. Henry O. Self and Leslie, Sherman; Mr. and Mrs. Lester Ferguson and Brandi, Midland; Mr. and Mrs. Raymon Hackett, Brent and Sheila, Plainview; Mr. and Mrs. Eddie Lee, Jared and Cari, Midland; and two very special friends of the

family, Mr. and Mrs. M.W. Carpenter. Two grandchildren and their families were unable to attend.

Baby shower honors Lockridge Saturday, November 27th

A baby shower was held in the home of Mrs. David Lee in the Aiken community feting Mrs. Kenneth Lockridge and her new son, Matt, of Plainview.

The young man, Matt Aaron was born November 12.

The serving table was laid with a white lace cloth accented with yellow napkins.

Refreshments were served by Mrs. J.B. Smith and Mrs. Bruce Kirby.

Special guests were the honoree's mother, Mrs. Verne Taylor, Jr., and grandmother, Mrs. Dessie Graves.

Hostesses were Mmes. Lee, Smith, Kirby, Part Elam, Jim Vickers, Bob Damron, and Mrs. Richard Nelson.

Alpha Sigma Upsilon deliver Thanksgiving boxes

Alpha Sigma Upsilon met November 16 at First National Bank. Vice President Janice Poteet called the meeting to order. All members stood for opening ritual. Jan Nichols, recording secretary, called roll and read minutes of the previous meeting.

Thanksgiving boxes were delivered November 22. The club bought canned hams for each box.

The Christmas luncheon will be

December 11, 1982 for the West Texas Home Health. Janice Poteet and Nancy Jarnagin will make Christmas stockings for the Christmas tree ornaments.

Adeana Campbell was a guest for a rushee. Sheryl Derryberry had the raffle.

Social for the month was a Mexican Supper at Lighthouse Electric on November 27. They also played bingo for prizes. All members closed with closing Rituals.

Hostess Gail Noland then served chocolate cake and coffee. Those attending were guest Adeana Campbell and members, Gail DuBois, Barbara Edwards, Rhonda Guthrie, Nancy Jarnagin, June McGaugh, Jan Nichols, Gail Noland, Janice Poteet and Vicki Ware.

DUCKWORTH
Mr. and Mrs. Rick Duckworth of Lubbock are parents of their first child, a son, who was born Monday, November 22 at 7:07 p.m. in Lubbock Methodist Hospital.

Adam Michael weighed 6 lbs. and 14 oz. at birth. His mom is the former Karla Broussard, daughter of Frank and Nancy Milby of Sherman and formerly of Lockney.

Rick's parents are Frank and Erma Lee Duckworth of Lockney.

A layette shower was given for Karla on November 14 in Lubbock in the home of Mrs. Bobby Creel. Attending from Lockney were Mrs. Frank Duckworth, Mrs. Lonny Hooten, Mrs. Zach Zachary and Mrs. Glen Graves. Karla was unable to attend because of health problems.

VICKERS
Mike and Sharon Vickers of Floydada announced the arrival of a daughter, Ambree Joan.

Ambree was born November 18 at 6:44 p.m. She weighed 6 pounds, 5 ounces and was 20 1/2 inches long. She has one brother Kasey, age 3 1/2.

Maternal grandparents are Lane Decker of Plainview and Mrs. Edell Moore of Floydada. Paternal grandparents are Jimmy Vickers of Lockney and Mary Vickers of Floydada.

YANDELL
Diane and Lane Yandell of Mililani, Hawaii are the proud parents of a baby daughter, Alise Marie arrived at 7:22 a.m. November 28 and weighed 7 lbs.

She has an older brother, Wade, age 5.

Grandparents are Mr. and Mrs. H. Marugame of Lihue, Kauai, Hawaii and Dell Yandell of Floydada.

40TH ANNIVERSARY—Mr. and Mrs. Owen Emert were honored with a dinner Sunday November 21 to celebrate their 40th anniversary. Their children hosted the dinner party. They have four children and 15 grandchildren. The Emerts were married in Lubbock, Texas before a Justice of the Peace. They have lived in Floyd County all of their married years.

Floyd Data

Mrs. W.J. Wilks accompanied her grandson, Kevin Day, of Texas Tech, to Irving to visit his mother, Mary Day and sister, Karrie. They left Tuesday Nov. 23 and returned Sunday Nov. 28. They had a "nice Thanksgiving."

November 30: Everybody! I am home again. Monday night. Visited three friends at the home of my dear family. I have given my best. I got off in such a hurry I got a substitute. Didn't expect me so long either.

to find Mother Ryman Sr. last and had to return to the house but when I left Sunday she was much improved.

did have a good Thanksgiving. 7 children, the in-law and I were present and another was present.

could the first few days, but later and grass still green. Saturday still rainy.

ended church 4 times. A full afternoon to visit my sister-in-law. Matthews in the Nursing Home looked fine. These broken times keeps us down a long time.

a birthday in November and Thanksgiving. Both remembered by Ryman home.

no bus comes to Floydada. worse luck I have to catch a bus. Since Sarah and Doug and I Labbock now I was fortunate with them. We all had a good grand dinner. I hope you all have a good one.

and you had a big snow. A big snow in New Mexico, too.

looked good last night as "Be it ever so humble".

100th session of order of Eastern Star in Texas

The first century of the Order of Eastern Star was observed in Ft. Worth at the Tarrant County Convention Center, November 15-19, 1982, with Mrs. Elise Hammack serving as Worthy Grand Matron and Mr. Oliver B. Chamberlin of San Antonio, serving as Worthy Grand Patron. More than 4175 voting delegates were in attendance with many others registering to attend this colorful event.

Since the General Grand Chapter, which meets every three years, had convened in Anaheim, California the first week of November, many were in Texas for their 100th Annual "Under His Umbrella" Session. Of the eighteen General Grand Chapter officers, twelve attended the meeting along with 165 out of state members, who were from Canada, Oregon, Iowa, Louisiana, Arkansas, Arizona, California, New York, Oklahoma and other states.

Of the 100 Worthy Grand Matrons who have served the Grand Chapter of Texas, there are thirty-four still living with twenty-six attending the session. Also there are twenty worthy Grand Patrons living with fourteen in attendance.

Attending from Floydada chapter #31 were Louise and Noman Hamilton, Roberta and Wayne Russell, Dell Gray,

Flora and Malcolm McNeill, Jean and Bobby Kendrick, Frances Crass, Daisy Montgomery, Noma Lou Rainer, and Regi Gross. Mrs. Roberta Russell served during 1981-82 on the music committee with Wayne serving on the Masonic Relations Committee. Mrs. Jean Kendrick served during the Grand Chapter Session as a Grand Page with Bobby helping as an assistant Grand Sentinel. Mrs. Noma Lou Rainer, Worthy Matron of Floydada Chapter #31 was the chapter delegate during the business sessions. Mrs. Flora McNeill has served during the centennial year as Grand Esther. As a Grand Chapter Floor Officer, Mrs. McNeill assisted in the instituting of new chapters in Gainsville and Lorena in August of this year. Also in the Constituting of new chapters in October in 1981 at Van Alstyne and Emory. Many other Grand Chapter Activities over the State were attended and participated by Mrs. McNeill during the 1981-1982 year. She also went to the Orient and China in May with the Worthy Grand Matron, Mrs. Elise Hammack and 42 other Order of Eastern Star members.

Mrs. Regi Gross served as Mrs. McNeill's Personal Page throughout the entire session along with Mrs. Anna Dell Quebe of Lockney Chapter #437.

Lone Star Extension Homemakers Club meet

Lone Star Extension Homemakers club met Tuesday, November 16 in the home of Elvira Stewart in Lockney.

Helen Huffman the Vice President presided in the absence of the president Lorraine Nance.

Roll call was answered with "Little things I am thankful for."

Plans were made for the Christmas party to be held in Lockney in the home of Ruth Reeves on December 7th.

Plans were also made for the Council

Christmas party to be held in Floydada in the Council room of the agricultural building on December 9th.

Marilyn Tate, extension agent, gave an interesting program on buying "Ready to Wear". She also gave many helpful hints on sewing.

Refreshments were served to Ruth Reeves, Syble Teeple, Elvira Stewart, Helen Huffman and guests Neva Smith, Elva Perry and Marilyn Tate.

CHARM SCHOOL FOR GIRLS

All girls who are interested in learning skills in hair care, skin care, make-up, modeling, and manners are invited to attend 4-H Charm School on Saturday, December 4th. The Charm School will begin at 10:00 a.m. at Lighthouse Electric in Floydada. All participants should bring a sack lunch.

A registration fee of \$2.00 per person will be accepted to help cover expenses of the Charm School, but payment of the registration fee is not mandatory for attendance. This activity is open to everyone regardless of socio-economic level, race, color, sex, religion or national origin.

WINTERIZE YOUR SKIN

Winter is a difficult time of the year for many types of skin, with chief enemies being cold, wind and the drop in relative humidity.

Most heating systems also rob the air of moisture and may cause the skin to crack, become rough or red, scale and develop lines.

Here are some ways to protect yourself-before the bad weather arrives.

A moist skin is healthy skin. Use a moisturizer-not to add water or oil to the skin-but to prevent the skin's own water content from escaping.

If you wear an oily, protective makeup base in the winter, a toner can help get your face completely clean. A toner, usually an alcohol-based lotion, should be applied with a cotton pad after cleaning the face. This treatment should be followed with a moisturizer while the skin is damp-unless your skin is so oily that you don't need moisturizer. Astringents-toners with more alcohol-may be used after cleaning the face but may irritate the skin. People with dry skin should avoid products containing alcohol.

Three areas of the face require different amounts of moisturizer. Around the eyes there are few oil glands

and the skin is driest. Pat moisturizer on gently before applying foundation. The cheeks and neck require a lighter moisturizer. The area around the nose and forehead is usually oily and may need little or no moisturizer. Women with extremely oily skin should select and use moisturizers carefully, because they can cause oily skin to break out.

Moisturizers are available in lotions and creams. Lotions have a higher water content and contain less oil. In dry climates, the water in the lotion evaporates rapidly, so one may need a cream for longer protection.

Finally, don't forget to protect lips by using lip conditioner and lipstick or gloss. Winterize your skin indoors and out this season.

South Plains News

By Mrs. Murray Julian
 South Plains, November 29:
 Wednesday night, November 24th, found this part of the South Plains covered with a coating of good, old wet snow, and then rain, off and on during the night and the next morning, Thanksgiving Day. Moisture of an inch to one and around three tenths inch, was reported around the South Plains area, and unpaved roads were really hard to get back and forth on. This is our 1st snow record for the fall and winter season of 1982, and everybody is thankful for the moisture—especially the wheat farmers, and farmers trying to plow fields.

Those traveling back and forth from other places were caught in bad weather, snow, icy roads, fog and dimmed vision, including ice, snow and slush on roads, but we are thankful they all arrived safely, wherever their destination. Thanksgiving was a wonderful day, and we are glad for all the ones gathering together to give thanks to their Maker, for many, many blessings we have all received the past year.

Going to Springfield, Missouri where they all would spend the Thanksgiving Holidays with the Rev. and Mrs. David Reddout, Tonya and Ricky, were Mr. and Mrs. Leighton Teeple, Mr. and Mrs. Dwight Teeple, Bryan and Keith from here at South Plains, and Mr. and Mrs. Bill and Rhonda Parker from Marrero, Louisiana. They all went Wednesday, and got into rain there, and it rained all the time they were back in Springfield. As they came home it rained on them clear to Tulsa, Oklahoma, where they ran out of it.

Mr. and Mrs. Pat and Dean Stewart with their daughter, Mr. and Mrs. Teresa and Robby Lutrick and twin daughters spent their Thanksgiving in Plainview with Dean's sister, Doris and husband.

Mr. and Mrs. Harold Hamm left here Friday morning for Arlington, where they went to visit their newest grand-

child and parents, Mr. and Mrs. Mike and Arlaine Berkes of Arlington, with a new baby son, their first child, who is about two weeks old—a chubby blond haired little boy. Harold may fly back home, and Mrs. Hamm will remain there in Arlington to stay some time with her daughter and new baby son.

Mr. and Mrs. Nathan Mulder and children were hosts to their family gathering on Thanksgiving Day, Thursday. They had expected her grandparents from Clovis, New Mexico, Mr. and Mrs. Blalock, but they were unable to travel due to the big snow storm which hit the country Wednesday evening. Present with them were Mr. and Mrs. Jerry Taylor and children, Richard, Ronnie, Candy and Ronda from Amarillo, and Mrs. Letha Mulder from here.

Visitors at the South Plains Baptist Church Sunday included Mrs. Corda Taylor of Muleshoe, Texas, who came last Monday and is spending some time with her daughter and family, the Rev. and Mrs. Joyce Osborne. Other visitors included the sister and brother-in-law of Mrs. Peggy Roberts from Port Lavaca, Texas.

Mr. and Mrs. Kendis Julian and family had Thanksgiving Thursday in Floydada at the home of her folks, the Aubrey Stewarts, with members of her family present. We are sorry to hear that Aubrey Stewart is in Caprock Hospital since Wednesday of last week.

but we hope he can come home this Monday.

Mrs. Mamie Wood had members of her family with her for Thanksgiving Day, including Mr. and Mrs. Juanell and James Teague, Tim and Bodie of Lubbock, and Mrs. Pat Wood and Len, home from college over the holiday week-end. Glen Wood was gone to New Mexico on a deer hunting trip.

Mrs. Karen Mauney from down near Dallas, came in Wednesday evening in all the snow and bad weather, to spend the holidays here with her parents and grandmother, the Rev. and Mrs. Cecil Osborne and Mrs. Corda Taylor. She went back home on Saturday.

Mrs. Nina Sanders spent last Saturday in Plainview with her mother, Mrs. Mary Grisham, who has been ill with a back ailment. She was also with her Wednesday evening of last week, but Mrs. Grisham is doing much better at this time. The Sanders' celebrated their Thanksgiving Saturday with Renee here and Mr. and Mrs. Bobby Craddock of Sundown here for the event.

Mr. and Mrs. Fred and Carolyn Marble had a family Thanksgiving with Kelly home from Texas Tech where he attends college, and also works at College Flowers there. With Cindy and Kelly they enjoyed turkey and all the trimmings.

Bruce Julian and boys, Clay and Wade arrived Wednesday night here in

all the snow and ice storm, from Perryton. When they had started out earlier in the evening, there was no falling weather there, but they met the snow rain and fog from Pampa on down. They spent the holidays here with his mother, Mrs. M.M. Julian and with Kendis and Janis Julian and children. They all had their Thanksgiving dinner Saturday here in South Plains at Mrs. Julian's home, and Kristi was home from Texas Tech for the holidays. They had to get her out early Sunday morning because of muddy rural roads.

We extend congratulations to Mr. and Mrs. Mike and Arlaine Berkes of Arlington, Texas, on the birth of their first child, a little blonde son weighing five pounds and eight and one half ounces. He has been named Aaron Michael Berkes, and he was born November 19th. Arlaine grew up and attended schools here. Her folks are Mr. and Mrs. Harold Hamm.

Thanksgiving holidays were celebrated in Clarendon at a pre-holiday dinner in the home of Mr. and Mrs. Dale McGaugh with Mrs. Letha Mulder from here, Mrs. Inez Minyard of Littlefield and Mr. and Mrs. Pete Land of Clarendon. Mrs. Mulder and Mrs. Minyard were visiting their sisters down there in Clarendon over the week-end.

Sylvin Kinnibrugh returned home from the Central Plains Hospital in Plainview on Friday following a stay there from Tuesday to Friday. He has a case of shingles, which are in the vicinity of the right eye, and we surely

do hope he continues to mend and soon be well from the intense pain he has had.

Thanksgiving Day at the home of Mr. and Mrs. Howard Hamm was enjoyed by members of the Hamm family, including Mrs. Jeaneva Huff and son Pat, from Amarillo, Mr. and Mrs. Howard Staples and children, and Dr. and Mrs. Tom Aufdemorte and children from San Antonio, here with Harold and Mildred Hamm.

Next Sunday, December 5th, the South Plains Baptist Church will celebrate Thanksgiving and Christmas, with a dinner at the Baptist Church, following morning services at the church. Then at 2:00 o'clock at the Baptist Church there will be a Deacons Ordination service with Dr. Strauss Atkinson bringing the ordination message, and three men of the church, Sterling

Cummings, Carlton Johnson and deacons.

Sunday, December 12, the church issued an invitation to Open House in the parsonage from 1:00 p.m. to 4:00 p.m. The church family are to come and visit between 1:00 p.m. and 4:00 p.m. The Come and Go Open House will be put on by the church family.

Hobby Club will have its celebration December 10, at 7:00 p.m. at the home of Mrs. Leighton Teeple. Women and husbands are invited and each bring a gift for exchange between \$2.00 and \$3.00. Frances Stanforth will give the program on "The Fourth Wave" exchange.

Producing more energy from less ... makes the difference.

Their discovery would shake the worlds of communication, medicine and defense, but Charles Townes and Arthur Schawlow knew only that they had discovered an entirely new source of light. They called it an "optical maser." Today we know it as the "laser."

Their discovery was a light beam so concentrated it could produce power densities millions of times as intense as those on the surface of the sun—a light source so dense, the energy produced was greater than the energy required to produce it.

Arthur Schawlow and Charles Townes

This principle of more energy from less applies to the High-Efficiency Add-On Heat Pump—more units of heat than units of electricity needed to produce that heat. And while the Add-On Heat Pump works with your existing furnace to heat your home during the winter, the Add-On Heat Pump functions with the same efficiency to cool your home during warm weather.

As partners, Townes and Schawlow made a significant difference in our world with their work on the laser. As partners you, Southwestern Public Service Company and the Add-On Heat Pump can make the difference managing electricity in your home. Call SPS to see what your savings could be.

You and SPS, partners managing electricity, make the difference.

Coaches Comments

Coach L.G. Wilson
 Stamford defeating Post last night in our district ended for the season. With the announcement of the All District teams the final game will be put on the season and boys will turn their entire attention to basketball and building for the season.
 The boys are an optimistic group. They always see the skinny sophomores slipping into a first rate player with a good off season program.

Our basketball program is now in full swing. We have games every Monday night with our younger kids—7th, 8th and 9th grade boys and girls. For the remainder of December, our varsity boys and girls will be involved in tournaments or out of town games.
 After the first of the year we will have regular games at home either Tuesday or Friday nights. We encourage everyone to come to Graves gym and support our basketball program.

Coach's Comments

Coach Mike Cocanougher
 First Whirlwind home game, we called past New Deal with a score of 65-51.
 The boys got off to a good start with Calvin Coleman was the leader that quarter with 8 points. In the second quarter the leading scorer with 12 points. The third quarter was cold with Grant Turner leading with four points. The fourth quarter ended with the Winds still on top.

Scoring for the Winds were: Donnell Weeks, 24 points; James King, 15 points; Calvin Coleman, 12 points and Grant Turner with 8 points.
 Rebounding was led by Grant Turner

with 16 rebounds and James King with ten rebounds.
 The team did a fine job against New Deal. We are still making mistakes but that is to be expected early in the season. Whenever a team runs the basketball, you expect them to make mistakes. This is an exciting group to watch. They are quick and have lots of hustle.

Varsity boys win big

Varsity Winds slid past Rabbits Junior Varsity Tuesday. The final score: 48-40.
 The Winds didn't seem to have trouble defeating the Rabbits. A few mistakes and several fouls.

The Varsity Whirlettes didn't do quite as well. The Ralls Lady Rabbits rolled past them with a 55-45 victory.
 Several bad breaks hindered the Whirlettes. They had a rough first half but, during the second half, they picked up some momentum. Fouls seemed to be significant against the Whirlettes.
 Scoring for the Whirlettes were: Rhonda Ratliff, 13 points; Sandra Robinson, 10 points; Rena Ledbetter, 9 points; Shereshe Cannon, 6 points; Pam Cathey, 5 points; Cheryl Goen, 2 points.

The Varsity Winds rallied out and soundly defeated the Ralls Varsity Rabbits. Final score: 59-44.
 The first half was even, the score was tied often. During the second half the Winds picked up some velocity and enjoyed a comfortable lead throughout most of the second half.
 Scoring for the Winds were: Donnell Weeks, 17; Derrick Jenkins, 14 points; Calvin Coleman, 12 points; Grant Turner, 12 points and James King with 4 points.

DIANA HANNA fires in a shot in Tuesday's game against the Ralls Lady Rabbits. In spite of a gallant effort the Whirlettes fell to the Lady Rabbits 55-45.

JAMES KING #50 manages to maneuver a tricky lay-up in the game against Rabbits Tuesday. The Winds defeated the Rabbits 59-44.

Tulia edges Longhorns

Tulia was lead in scoring by Murrif with 19, Jim Bob Gleason with 12 and Mark Willis with 10. Tulia used the fast break to score on many occasions. Lockney had a better inside game from Steven Johnson and Michael Carthel. The Longhorns again had a bad 1st quarter which produced only 4 points. Our next game is against Sundown November 20 and at home against Littlefield December 2.

Lockney Care Center Capers

BY VICKIE HUTTON

Our Thanksgiving season was extra special this year. Tuesday evening we had our Thanksgiving dinner that we shared with our families. The Turkey and Dressing was delicious and was complimented beautifully by the delicious dishes our families brought. We send a special thanks to the Lockney Band who donated the baked goods they had left from their sale for our dinner.

Monday's bus trip was an adventure! We didn't know where to go, so we traveled to Sandhill and turned west to Barwise, after crossing the highway, we turned north and drove until we came to the road leading to the Jrick Community, then came home. As you can see we saw a great deal of the country side.

Music Therapy took the place of bingo Tuesday. Kin Sherman got us all in the mood for our Thanksgiving dinner by asking us what food we like to eat on Thanksgiving. He made a poster of our likes and dislikes.

Overall our Thanksgiving was just a happy time. We hope you was just as enjoyable.

Until next time; enjoy.

Keep Holiday Plants Healthy

by Benny Butler

Here's hoping you're among the happy group whose Christmas decor is graced by a beautiful flowering plant. Let's take a look at several of the more popular Christmas flowers and how you'll want to care for them to prolong their beauty.

Poinsettias outrank all other Christmas plants combined in popularity. They are well adapted to indoor temperatures so long as they're out of hot or cold drafts. Put them near a bright window and aim at keeping the soil evenly moist, not wet or dry.

Poinsettias used to be pretty sensitive to changes from a greenhouse environment to that of a home, with leaf and flower drop being a common problem. But now, with newer varieties, you can just about plan on poinsettias on Valentine's Day if you care to keep them around that long.

You can cut the plant back after flowering and set it outside for the summer, but you'll have a real chore bringing it into flower again next Christmas. That's simply a job better left to the professionals.

Kalanchoes should be kept in a sunny window. This plant flowers when the days are short, consequently they are difficult to reflower in the home if carried over from another year. Lights used in the home provide long days and

the plants fail to set flower buds. They do make excellent foliage plants once the flowers are faded, however. Just remove the flower stalk and use as a foliage plant.

Christmas cactus isn't a typical cactus. It requires as much water as any other houseplant, though it should not be overwatered. This is one plant that can be kept over to bloom again next Christmas. Keep it in a sunny window until danger of frost is past, then place it in a shady spot out of doors during the summer. Bring indoors before frost can damage it. Place in a cool room at night. Night temperatures must be below 75°, or it will not bloom.

Cyclamen, or shooting stars, are old favorites. Their large showy flowers are red, pink, salmon or white and really do resemble falling stars. Unfortunately though, the flowers fade and fall pretty fast at 72°, so cyclamen has a pretty short flowering period in the home. If you have the opportunity, keep the plant at 55° whenever possible. Again avoid hot drafts and overwatering.

Azaleas should remain attractive 2-4 weeks in your home, particularly if you'll put them in a 55-60 degree spot each night and during the day when you're not around. They just don't prosper at normal home temperatures.

Be careful to avoid hot drafts when you select a spot for your azalea, and, again, be extremely careful of your watering practices. Most greenhouse azaleas are grown in virtually 100 percent peat moss, and its fairly easy to goof on the watering.

Florist azaleas are not particularly well adapted outside of East Texas so you may want to discard the plant once it's finished flowering.

Plants brighten any holiday decorations. With a little care, they can last long after the toys are broken and the bills are paid.

Educational programs conducted by the Texas Agricultural Extension Service serves people of all ages regardless of socio-economic level, race, color, sex, religion, or national origin.

VA NEWS

Families of veterans who select a burial site for a deceased veteran in a private cemetery have two options for Veterans Administration assistance in marking the grave.

VA will provide, upon request, a headstone or marker free of charge and ship it to the consignee designated on the application. Cost of placing the marker in a private cemetery must be borne by the applicant, however.

A second option is that VA will reimburse part of the cost of a headstone or marker bought privately and placed on the grave of a veteran. The current amount is \$67, the average cost of headstones purchased by VA.

Application for the VA headstone or marker should be addressed to Director, Monument Service (42), Department of Memorial Affairs, Veterans Administration, 810 Vermont Avenue, N.W., Washington, D.C. 20420.

Application for the \$67 reimbursement for a marker other than the VA standard should be filed at the VA Regional Office. Proper routing of the application will expedite service.

For further information, telephone the Waco VA Regional Office toll-free number listed in your telephone directory, or contact your county service officer.

Why not give the Beacon or the Hesperian?

If you are looking for a reasonable gift for a parent, brother, sister, or child who used to live at Lockney, or a special person such as a school teacher, music teacher, or an adopted grandparent, let us suggest the Lockney Beacon.

An attractive card will be sent to that person in your name. If that person is already a current subscriber, his subscription will be extended.

Remember, the Beacon would bring many enjoyable hours throughout the whole year.

LOCKNEY BEACON
 \$11⁵⁰ for in-county subscribers and \$12⁵⁰ for subscribers out of the county. Make your checks payable to Lockney Beacon, Box 187, Lockney, Texas 79241.

FLOYD COUNTY HESPERIAN

Holiday Gifts
 Holiday parties are fun—and you don't want to come empty-handed. This year, even if the budget is tight, you can bring an elegant and tasty present that's sure to make you a favorite guest. It's easy! And it takes very little time to create these no-bake Festive Cocoa Bonbons. Highly concentrated cocoa gives extra rich chocolate flavor, and blends in readily for creamy smooth consistency. It comes ready to use—no solid chocolate to melt down first. And cocoa goes farther than baking chocolate, saving one-third the cost of this ingredient. Box or wrap bonbons prettily, or arrange in an attractive canister.

FESTIVE COCOA BONBONS
 3 ounces cream cheese
 2 cups confectioners' sugar
 1/4 cup Hershey's Cocoa
 1 tablespoon plus 1 teaspoon melted butter
 1 teaspoon vanilla
 Confectioners' sugar (Finely chopped nuts) (Colored sugar sprinkles)

Soften cream cheese in small mixing bowl. Add confectioners' sugar, cocoa, butter and vanilla. Shape into 1/2-inch balls (chill, if needed, to handle). Roll in confectioners' sugar, colored sugars or finely chopped nuts. Chill; serve cold. 2 dozen bonbons.

Cedar Hill News

By Grace Lemons
 An inch and 2/10 of snow came with some snow and that will help in sowing wheat. Harvesting of cotton is still some and there is still some stripped.
 A meeting began at the God Church Sunday morning. The Rev. and Mrs. Robert Lubbock doing the preaching will continue through beginning at 7:00 p.m. You are invited to attend.

The Rev. and Mrs. Vance Mitchell and girls went to Eakly, Oklahoma Wednesday to visit Mrs. Mitchell's parents, the Rev. and Mrs. Barnard. They all went to Duncan, Oklahoma Thursday and had Thanksgiving dinner with Patsy and John Archer and family. The Barnards and the Mitchell's returned to Eakly to spend the night and the Mitchells returned home Friday. Edna Gilly, Mark and Lori Gilly and Emory, Mildred and Clay Anderson of Plainview, Clara Redd of Floydada and Mr. and Mrs. Lucious Hill and three

daughters of Amarillo had Thanksgiving dinner Thursday in the home of W.M. and Ruthie Clark in Plainview.
 Saturday Edna Gilly, Mark and Trudi and girls had supper with Delise and Johnnie Harrison and girls in Lubbock.
 Last Sunday Edna Gilly's aunt and uncle, Janese and Gordon Patterson of Farmington, New Mexico visited her. They were on their way to Jacksboro.
 Edna Gilly visited Jannette Lackey in the Methodist Hospital in Lubbock last Monday. Jannette was able to return to her home in Floydada Wednesday after completing a series of treatments.

Connie Welch of Amarillo was home with her parents, Mr. and Mrs. J.A. Welch during the holidays. Mrs. Peat Kelley and Connie were dinner guests Thursday in the home of Mr. and Mrs. J.A. Welch.
 Dr. Stanley Conner and children, Michael, Douglas and Ann of Houston spent the holidays with Stanley's parents, Mr. and Mrs. Jim Conner. They all enjoyed Thanksgiving dinner together in the Conner home.
 We are glad to report that Clara Mize was able to be home after spending a couple of days in Caprock Hospital. We are sorry that she took sick but glad she is much better and trust that she will gain her strength.

FARM NEWS

"Fence fixer" aid to ranchers

Once you get the hang of it, 30 seconds is all it takes to remove slack from barbed wire fence, electrical fence, horse fence and net wire fence with the new "Texas Fence Fixer" from Ranch Country Products, Inc. Ingeniously simple and with a lifetime guarantee, the device can be used at any point along the fence line and requires only a short length of new wire and fencing pliers to make repairs.

There is no need to remove staples or tie wires since repairs can be made so quickly. It is especially useful on watergaps and short runs such as corral fences and turning wings.

The tool is made of strong metal handles and yokes with a chain attached. It will take up slack and create a loop which is wrapped around the new wire and secured in a matter of seconds.

There's no faster, safer way to tighten a fence and it will stay tight because it can't unravel as with other methods. Developed by a ranch manager, the Texas Fence Fixer has been proven and field tested under rugged farm and ranch working conditions.

For literature or to order contact: Ranch Country Products, Inc., P.O. Box 1136, Temple, TX 76503. Or call toll

free: in Texas 1-800-792-3213; outside Texas 1-800-433-3308.

Ranch Country Products is a company dedicated to identifying and supplying products that help increase productivity and profitability for farmers and ranchers. Emphasizing high quality and dependability, the company plans to introduce new American-made products on a continuing basis.

Landscape & Gardening

By Dale W. Spurgeon

Last summer I received a number of calls from homeowners who were quite concerned about their broad-leaved evergreen shrubs turning yellow or whitish. The problem was caused by euonymus scale insects, which are tiny (about 1/16 inch long), scale-looking insects which feed on several different kinds of shrubs. Among these are euonymus, holly, pachysandra, hibiscus, and camellia shrubs.

Damage from euonymus scales is characterized by yellowish or whitish spots on the leaves. Heavy infestations may cause the plant to drop leaves.

Euonymus scales overwinter as adult females. In the spring, the females lay eggs, and the nymphs which hatch (called "crawlers") move to new growth. Several generations may occur each year. As the nymphs mature, they secrete a waxy shell or scale over themselves. Male euonymus scales are white with light brown ridges running lengthwise the scale. Females look like miniature, dark brown oyster shells. Usually, the homeowner does not recognize that a problem is present until the scales are adults.

Editor's Note: The following poems were taken out of the November 1982 issue of the Progressive Farmer. The Farmers was written by Sheryl L. Nelms of Hurst, Texas and Heritage was printed on checks of Ridgefield Farm, Brassstown, N.C.

The Farmers

I never see them in this sprawling metropolis.

They used to be such a part of my life.

I'd watch them after a good rain on new corn when they came to town to shop at J.C. Penney's.

I'd listen to them at the co-op elevator during wheat harvest when everything was right.

I loved the farmers with their white foreheads and thick chicken- and biscuit-fed bodies.

In them I felt solid hope.

Heritage

This land belongs to my people. Some of them are living. Some of them are dead. But most of them have not yet been born.

Farm Bureau ..

Immigration Reform Bill — There is now a real possibility that the U.S. House may take up and debate H.R. 6514, the Immigration Reform Bill, during the "lame duck" session of Congress which will convene on November 29. The Senate passed its version of the bill, S. 2222, during the regular session. Farm Bureau has strongly opposed this legislation and has attempted to prevent House consideration of the bill in this session of Congress, according to Ed McKay, TFB National Affairs chairman. FB has asked counties to request two things of their congressmen—(1) to keep H.R. 6514 from coming up for debate and a vote this "lame duck" session or (2) to vote against the bill if it does come to a vote. H.R. 6514 provides for heavy fines and/or prison sentences for any employer who "knowingly" employs an illegal alien. The bill also fails to provide for a workable guest worker or temporary worker program for agriculture. It provides amnesty for those illegal aliens who entered this country prior to January 1, 1977, and have been here continuously since that time.

'83 Meat Consumptions Forecast — The USDA estimates that 76 pounds per person of beef will be consumed in 1983, an average of one pound less than during 1982 and 20 pounds below the record high of 1976. About 55 pounds of pork per person are forecast for 1983, five pounds less than 1982. Lamb, mutton and turkey consumptions are expected to remain unchanged.

Wheat Carryover — The USDA's November supply/demand estimates for wheat indicate demand for 1982-83 lagging nearly 300 million bushels behind 1982 production. This will result in a carryover May 31, 1983, of 1,461 million bushels - the equivalent of a six to seven-month supply. The excess will mean a carryover of durum and hard red spring wheat of about one year's supply each.

Federal Debt — Current reports indicate a U.S. deficit of \$128.0 billion for the fiscal year ending on September 30, 1982.

The gross federal debt at the end of the fiscal year ending on September 30, 1982 is reported at \$1,147.0 billion. Based on a U.S. population of 230 million persons, the per capita debt of the U.S. government at the end of the fiscal year ending on September 30, 1982 was \$5,537.

World Production — The International Cotton Advisory Committee has left its estimate of 1982-83 world cotton production unchanged at 67.2 million 478-pound bales, but estimated 1982-83 world consumption at 66.7 million to 67.1 million, compared with its last

estimate of 67.1 million. In its monthly review of the world cotton situation, ICAC put 1982-83 world cotton supply at 94.9 million bales.

The sharp projected decline in world production is attributable mainly to reduced area, but also to some decline in average yield. Most of the reduction

is expected in the United States. ICAC said.

Production in China was estimated at 14.5 million bales, down from 1981-82's estimate of 14.6 million. The 1- to 1.5 million bales increase is based on an improvement in economic conditions. The main cotton producing countries, ICAC said, are in use will be in 1982-83.

Cotton consumption in the U.S. is estimated at more than 16 million bales, up from 15.8 million in 1981-82. Soviet consumption is estimated to increase about 100,000 bales.

ICAC noted that in 1982-83, world cotton production moved higher, compared with 1981-82. However, man-made fiber production is in better shape than man-made inter-fiber competition can be expected to intensify.

CCC Inventory System — The CCC has awarded a contract to develop a system to inventory cotton to Electronic Data Systems Corp., of Dallas, a CCC contractor.

The contract would require Data Systems to build and install an inventory system for loan cotton forfeited to the CCC.

The CCC will decide after the system is developed. Either an industry group or the CCC will take control of the

PRIOR TO THE RAIN AND SNOW the cotton harvest was preceding at full tilt. A few trailers and modules are in the gin yards.

Soybean usage growing worldwide

Hogs and chickens are no longer the only livestock enjoying the benefits of diets containing soybean meal. Now much of the world's 21 million mink and duck population is also being introduced to rations containing soy protein, thanks to export promotion work of the Texas soybean checkoff. As a result, mink and duck farmers are producing faster gaining, more healthy animals at profitable levels.

Efforts to increase the use of soybean meal in rations for non-conventional markets such as mink and ducks are examples of export promotion activities currently underway by the American Soybean Association. These export promotion activities are being funded by farmer investment in the soybean checkoff.

"In these times of depressed commodity prices farmers need to give wholehearted support to soybean checkoff investment in innovative export promotion programs such as those Texas farmers conducted through the American Soybean Association," says Jack Witten, a Kress soybean farmer who currently serves as chairman of the Texas Soybean Producers Board (TSPB). Witten recently announced that the TSPB had sent a check for \$6,000 to the American Soybean Development Foundation for use in continuing worldwide export promotion activities to increase use of soybeans and products.

Witten cited duck feeding demonstrations in Taiwan as typical of the kind of projects where farmers check-off investment is helping increase soybean use. An ASA survey of the duck industry in Taiwan in 1977 revealed that the country produced nearly 28 million ducks. The majority of duck feeds however, were composed of corn,

wheat bran, rice hulls and fishmeal. Use of soybean meal was insignificant.

In 1978, ASA supervised duck feeding trials for farmers and feed formulators. The trials showed that incorporating a higher percent of soybean meal into duck feeds not only improved feed efficiency, but also increased egg production. As a result of the feeding trials and recommendations of ASA technicians, soybean meal usage jumped 128 percent from 27,000 metric tons in 1975 to over 61,500 metric tons of meal in 1980—the equivalent of over 2.5 million bushels of soybeans.

Use of soybean meal in mink rations showed a similar large increase after an ASA feeding trial in Denmark and Finland—the world's top two producers of mink and fox. Traditionally animal protein, not soy protein has been the main source of protein for nearly 8 million fur-bearing animals in the Nordic Countries.

In 1980, the American Soybean Association conducted feeding trials on mink and fox farms in Denmark to demonstrate that addition of a soybean protein concentrate or a soy flour would be beneficial for fur-bearing animals.

The trial was quite successful. Mink fed a ration containing 10 percent of a Danish produced soybean protein concentrate showed normal growth. More significantly, pelt quality showed a "marked improvement". Fox fed both defatted and full-fat soy flours showed slightly faster growth rates than animals fed only animal protein. As a result of these feeding trials, the future looks bright for increased soybean consumption by the mink and fox industry in Denmark and Finland. Checkoff funded export promotion programs
