Star Lites
By Bill Ellis

SOME OF THE larger cities in the Panhandle area were voting on some interesting and controversial issues this past Saturday during the community elections, and the results of these elections were also somewhat interesting.

One of the issues receiving considerable publicity was the collective bargaining which was sought by policemen and firemen in the city of Amarillo.

Although representatives from both the Amarillo Police Department and Fire Department had assured taxpayers that if the issue had been approved, the taxpayers would not have to worry about a strike, the voters decided not to take any chances.

Probably thinking about what would happen if a fire alarm were turned in while a drive for better pay was in progress, the voters in Amarillo turned down the collective bargaining by these two groups by more than two to one. Early returns were 8,288 against the proposal, and 3,644 in favor.

Voters in the City of Hereford had an interesting proposal, a wet-dry election with more involved than the usual right to open package stores.

Art Reinauer, who has achieved a measure of success with the farming of grapes just north of Parmer County on his Deaf Smith County farm, is wanting to build a winery in Deaf Smith County.

As expected, the "pros" and "cons" in the wet-dry issue had quite a campaign. An interesting sidelight during this campaign was the statement by Reinauer that if Deaf Smith County voters turned the proposal down he would offer to build his winery in Castro County, followed by a statement from the Castro County Chamber of Commerce that it would be more than happy to have this industry in their county.

This development may or may not have affected the final outcome of the election, but at any rate, a record number of voters gave their approval to make Deaf Smith County's Justice of the Peace Precinct 1 a "wet" precinct, by a final tally of 2,659 in favor and 2,441 against.

ANOTHER "DIFFERENT" angle for voters occurred at Borger, a community which has had considerable debate over the offering on that city's cable television system of the Playboy channel.

It became such a heated issue that the city officials placed a referendum on the city ballot, asking voters if they favored passing a city ordinance which would make it unlawful for the cable company to offer the Playboy channel to its customers.

Another near-record turnout of voters—more than 2,500—went to the polls in that Panhandle city, and overwhelmingly sided with the cable TV company.

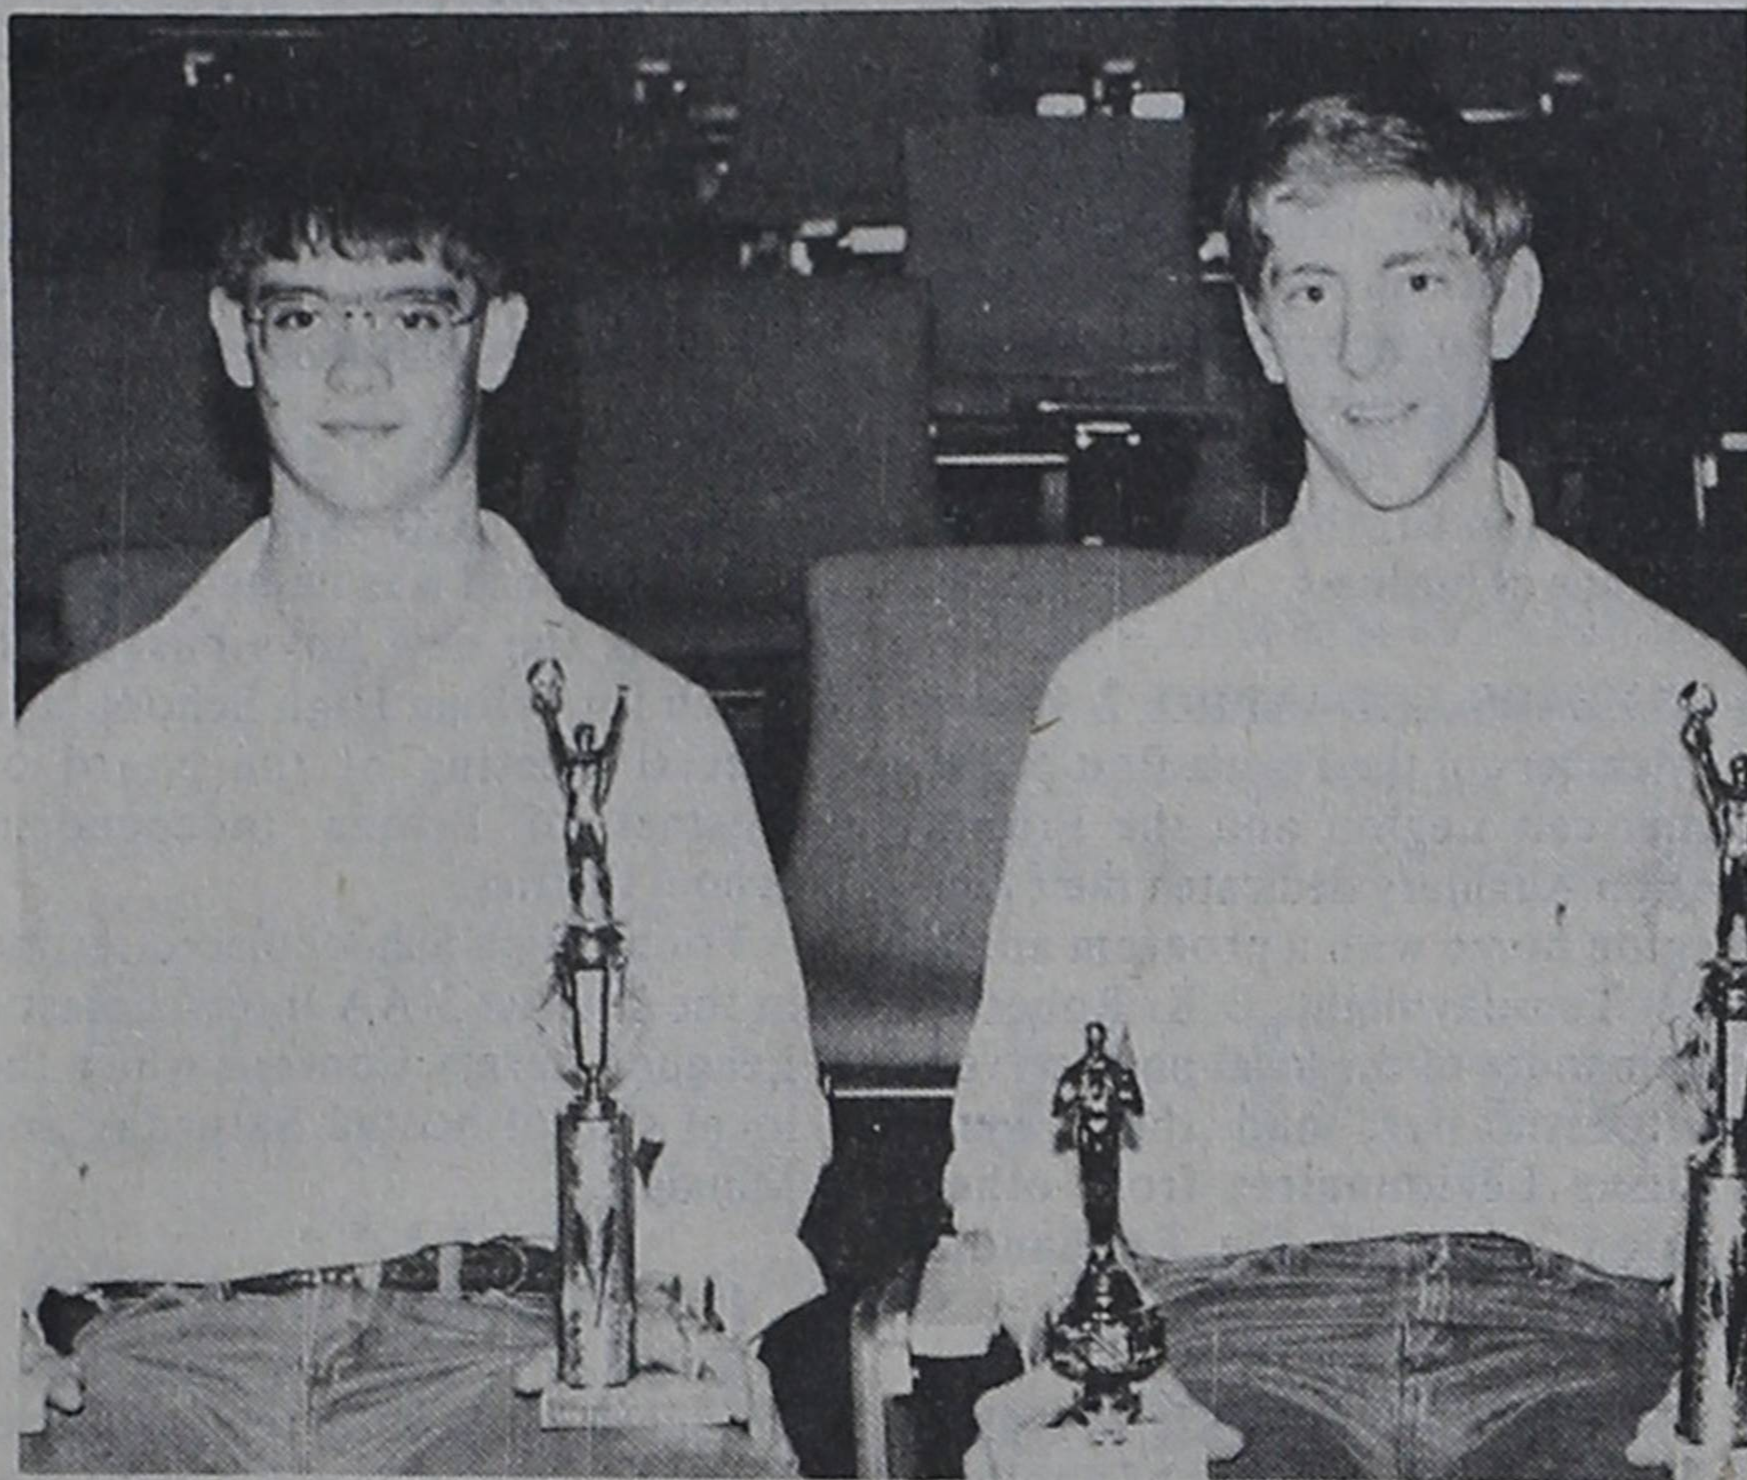

The main issue in the Borger vote seemed to be a fear that the city could more or less serve as a censor, and not allow the citizens to make their own choices of what they want to see on TV, as well as allowing the company the freedom to choose what it makes available to its customers.

There were many who felt that the proposed city ordinance at Borger would have been unconstitutional, even if it had been passed.

The interesting thing was, there are only a few more than 400 subscribers to the Playboy channel. Yet, they were joined by several hundred other voters who felt they should be able to choose for themselves, rather than have a "Big Brother" committee.

UNCLE AUSTIN ELLIS, our family philosopher, says "The one thing you learn from watching political campaigns is that not all people who stretch the facts are fishermen or golfers."

TOP WINNERS.... Trey Collier, left, and Brent Hinkle were the big winners at the regional Science Fair at the West Texas State University Activities Center last weekend. Both qualified for an expense-paid trip to the International Science Fair in Columbus, Ohio, May 8-13. (See story, other pictures on Pages 8-9.)

PIPELINE PROJECT

Court Asks Fee From Bravo Co.

The Parmer County Commissioners held further discussion this week regarding the Bravo Pipeline Co., which had requested an easement to cross county roads. The court had asked a fee of \$500 each for crossing the nine roads proposed on the project.

A representative of the company had contacted Judge Roberts indicating that Parmer County was the only one requiring a crossing charge. Judge Roberts said this was not the case, and the court passed a motion to stick to their original requirement.

Vicki Jacobs of the Panhandle Regional Planning Commission met with the court to explain the service the PRPC provides in connection with the Agricultural Development Act of 1983. This act provides for bonds to be issued and sold to finance the processing or marketing of farm products.

Several Panhandle Commissioners' Courts have elected to band together

Students Win In VOCT Events

Friona High School's Vocational Occupational Cooperative Training (VOCT) members participated in VOCT contests recently in Dumas.

They competed in small engine and tool identification contests.

Leroy Mercado placed third in small engine parts, and received a medal. Nemesio Velasco placed fourth in small engine parts.

Dennis Smock was entered in the tool identification contest.

Lee Campbell is the coordinator for the local VOCT unit.

STUDENTS HONORED.... Kevin Brogden and Celia O'Brian were chosen "Most Spiritual" in the voting by Friona High School for the Who's Who section of the high school yearbook.

Two Earn New Terms On Council

Carl White and Bill Denney were elected to two-year terms on the Friona City Council in the annual City election last Saturday. Clarence Monroe was re-elected as mayor.

A total of 387 city voters cast ballots in the election.

White, who was appointed to the council last year to replace Monroe when he moved into the mayor's seat, led the four-man slate with 247 votes.

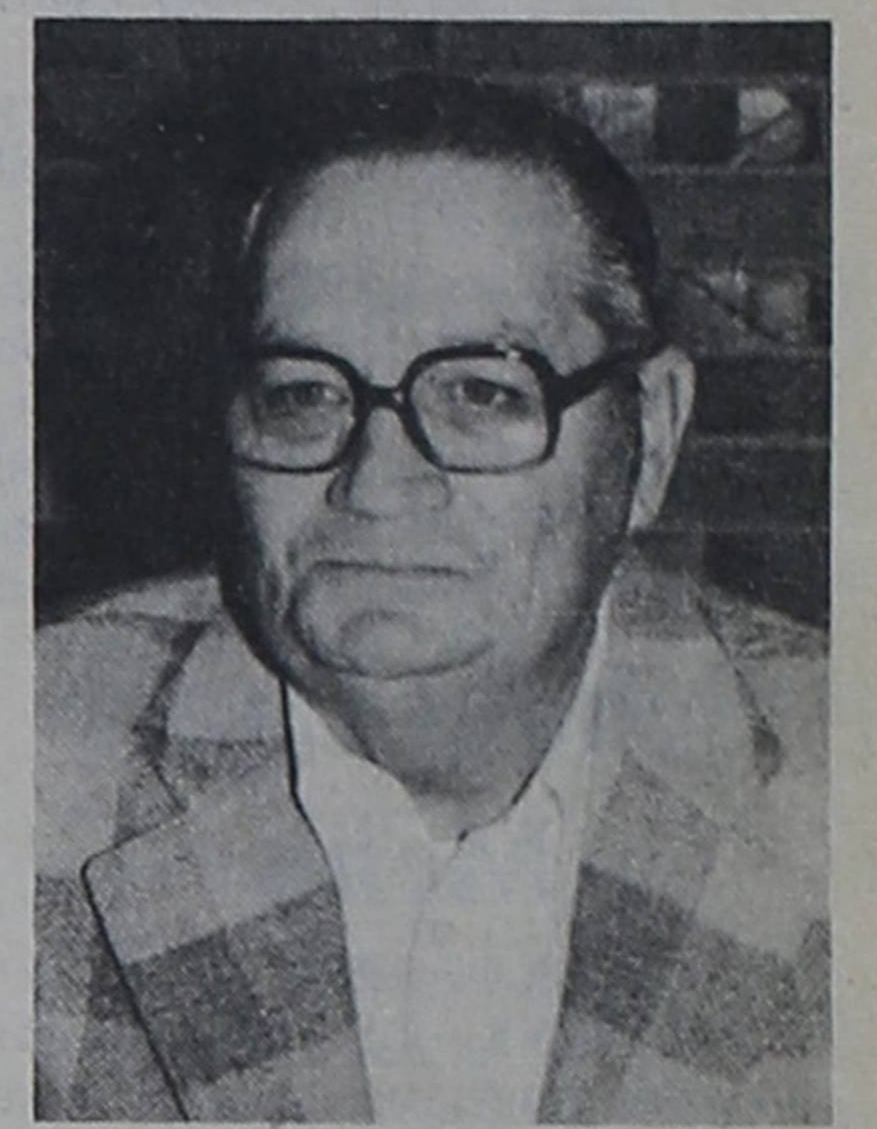

Bill Denney received 224 votes. Lonnie Phillips came in third with 173 votes, and Rex Williams received 107 votes.

Monroe received 324 votes, being unopposed on the ballot.

The election returns were canvassed at the monthly meeting of the Friona City Council Monday night. White and Denney were sworn in as council members.

City's Sales Tax Shows Nice Gain

State Comptroller Bob Bullock Thursday sent checks totaling \$46.3 million in local sales tax payments to the 985 cities that levy the one per cent city sales tax.

"These receipts are up more than 16 per cent over last year," Bullock said. "This is just exactly where I estimated they would be when I gave the Legislature its estimate of revenues last year. Texas is in the thick of the national economic recovery. Let's just hope we stay there."

Friona's check was for \$5,764,666, an increase of 34.8 per cent over the payment of \$4,275,91 for the same period in 1983. For the year, the city now has received \$30,373,12, up 19.9 per cent over the total of \$25,333.73 at the same point a year ago.

The county's total check (three cities) for the current period was \$8,591,54, up from \$6,495,75 in 1983, and the yearly total stands at \$44,703,74, compared to \$38,731,55, an increase of 15.4 per cent overall.

April checks reflect sales made in February and reported to the Comptroller in late March.

Lions Set Broom Sale On Monday

The annual mop and broom sale, sponsored by the Friona Evening Lions and Noon Lions Clubs, will be conducted here Monday, April 16.

Residents are reminded that the club members no longer make a house-to-house canvass, but will be set up at three convenient locations to serve the public's needs.

Those wishing to support the sale may make their purchases at the City Park, between the hours of 10 a.m. and 8 p.m.; at D.L.'s Thriftway from 9 a.m. to 7 p.m., or at Bi-Wize Drug, from 8 a.m. to 6 p.m.

Telephone orders will be accepted, for delivery for those unable to come to one of the locations. Call the Chamber of Commerce office, 247-3491, between the hours of 9 a.m. and 4 p.m.

The two local service clubs receive a percentage of the gross sales, which they use for various charitable projects.

Items available will be similar to what the clubs have offered in the past, and many of the items are made by the "Lighthouse for the Blind" organization.

Among the items which can be purchased are brooms, push brooms, whisk brooms, mops, poly sweeps, handles, brushes, Scrubeez, mitts, dust cloths, ironing board covers and pad sets, dish towels, lawn rakes, pot holders, utility sponges, wax applicators, mop and broom handles and refills.

Election Canvass Tops Board Meet

Canvassing of the school trustee election results was the first order of business at the monthly meeting of the Friona School Board Monday night.

Pat Fleming was re-elected to the board with 289 votes. Also elected was Dee Willard, who received 197 votes. These two will serve new three-year terms. Becky Riethmayer was third with 176 votes; Danny Smith received 124 votes, and Roger Wilcox had 116.

A total of 451 cast ballots in the school board election, considered a good turnout of voters.

Officers for the new board year were elected. Floyd Reeve was re-elected as board president. Kathryn Goddard was named vice president and Pat Fleming, secretary.

Superintendent Tom Jarboe gave the tax collection report. As of April 1, a total of \$1,103,893 had been collected, which represented just over 90 per cent of the total tax roll of \$1,215,068.

Absentee Vote Begins For May Primary

Absentee voting for the May primaries will begin on Monday, April 16, according to County Clerk Bonnie Warren. Voters are asked to bring their new (blue) registration cards. Voting will be at the courthouse.

A special absentee booth will be held in Friona at the Credit Union on Thursday, April 19, and again on Thursday and Friday, April 26-27. Hours at the Credit Union are 9 a.m.-4 p.m.

Absentee voting ends on May 1.

Cemetery Assn. Meets Monday

The election of directors for the Friona Cemetery Assn. is underway. Members have received ballots, and these need to be returned.

The deadline previously stated for returning the ballots was April 15. This will be extended to April 16, since the 15th falls on Sunday.

Also, the annual meeting of the membership will be at the City Hall at 4 p.m. Monday, April 16. At that time, ballots will be tabulated and the board will be re-organized.

Jarboe also presented reports on the various school funds. Band Director Jim Parker met with the board to present the 1984-85 band budget. The budget was approved and adopted.

The board opened bids on a 1970 Chevrolet school bus, and the bid was awarded to Delton Lewellen at \$1,500.

Requests for transfers into the district for 1984-85 were reviewed and approved.

The board approved contracts to the Region 16 Education Service Center for services rendered.

President Reeve is to present diplomas at graduation exercises in May. Implementation of House Bill 246 was discussed. The board will officially adopt policies in its regard at the May or June meeting.

Easter Dates Are Given

School will be out for the Easter Holidays on Friday, April 20, and be out the entire week of April 23, according to Tom Jarboe, superintendent.

Classes will dismiss at 2:45 on Thursday, April 19, and will resume at the regular time on Monday, April 30.

Riding Club Discusses Easter Egg Hunt

The Friona Riding Club had their monthly meeting at the Club House at the Riding Club Arena on Saturday night, April 7.

A short meeting was held with the Easter egg hunt the main topic of discussion.

The Easter egg hunt will begin at 2 p.m. Sunday, April 22 with four age groups: one and two year olds; three to five year olds; six to nine year olds and 10 to 12 year olds.

There will be prize eggs hidden for each age group.

Refreshments were served after the meeting.

Those attending were Mr. and Mrs. Roy Trimmell, Amelia Wright, Tommy Carr, Mr. and Mrs. Jim Tucker, Mr. and Mrs. J.C. Parvin, Mr. and Mrs. Coleman Moseley, Mr. and Mrs. Randy Highsmith, Mr. and Mrs. Joe Mueller and Mr. and Mrs. Robert Zetsche.

Longtime Resident's Rites Held

Funeral services for Pearl Johnson, 77, were held Monday, April 9, at 2 p.m. in the United Pentecostal Church with Rev. Gaylon Chapman of Midland and Rev. Gary Fant, pastor, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home of Friona.

Born February 3, 1907 in Marlowe, Oklahoma she married Joe Johnson September 15, 1923 in Walters, Oklahoma. They moved to Friona in 1932 from Wichita Falls. She and her husband owned and operated

PEARL JOHNSON

Johnson's Food Market for 18 years. They retired in 1973. Mrs. Johnson was a member of the United Pentecostal Church. She died Saturday, April 7 in Parmer County Community Hospital.

She was preceded in death by two sons, J.D. Johnson and Roy Lee Johnson.

Survivors include her husband, Joe, of the home in Friona; one son, Nolen Johnson of Houston; one sister, Frieda Merrick of Amarillo; five brothers, Harry Green of Canyon, J.T. Green of Amarillo, Elmer Green of Dallas, George Green of Sublette, Kansas, and Glen Green of Empire, Arkansas; five grandchildren and three great-grandchildren.

Pallbearers were J.B. Buske, Hannah Malouf, Herbert Day, John Terry, Lloyd Mingus and Glendel Jones.

MARTHA EULER

Mrs. Euler's Rites Held Thursday

Funeral services for Martha Euler, 92, of Friona, were held Thursday, April 12, at 2:30 p.m. in Calvary Baptist Church with Rev. Jake Armstrong of Dumas and Rev. Daymun White, pastor of First Baptist Church, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Born February 1, 1892 in Green Forest, Arkansas, she married Elmer Euler April 10, 1912 in Hydro, Oklahoma. They moved to Friona in 1920 from Hydro. Mrs. Euler was a member of the First Baptist Church of Friona since 1920 and was a charter member of Calvary Baptist Church.

She was a past member of the Friona School Board, serving from 1920 until 1930. She was a member of the Friona Women's Club. Mrs. Euler had been a Sunday School teacher for over 50 years in Friona. She died Tuesday, April 10, in Parmer County Community Hospital.

She was preceded in death by her husband, Elmer, in November, 1974.

Survivors include two sons, Lee Euler of Albuquerque, New Mexico, and Raymond Euler of Friona; two daughters, Mrs. Louise Mangold of Fort Collins, Colorado and Mrs. Gertrude Bigelow of Taos, New Mexico; ten grandchildren and six great-grandchildren.

Pallbearers were Ralph Smith, Henry White, Butch Preston, Ray Castleberry, Charles Ray and J.P. Sims.

FRIONA FLASHBACKS

....from the files of The Friona Star

55 YEARS AGO--APRIL 12, 1929

Ground was broken Monday for the erection of another new business building on the east side of Main Street, between Fifth and Sixth. The new building will be fifty by eighty feet in size and will be constructed of brick and concrete. It is being built by the Turner-Parr Trading Company, and half of it will be used by them to house their office, machinery and implement business. The other half will be let to some individual or corporation for the installation of some line of business.

45 YEARS AGO--APRIL 7, 1939

Members of the Friona Post of the American Legion and the Friona Legion Auxiliary dedicated their new Legion home with a program and a feast Tuesday night. D.K. Roberts, commander of the local post, served as toastmaster, and there were visiting Legionnaires from other Legion posts of the Panhandle territory.

35 YEARS AGO--APRIL 8, 1949

Friona can now boast of another business place, since Leonard Coffey, formerly of Clovis, N.M., has opened his Paint & Body works in one of W.M. White's buildings on the south side of Highway 60.

30 YEARS AGO--APRIL 8, 1954

O. J. Beene was elected to the city council as a write-in candidate on Tuesday. With 130 votes cast, Beene, local druggist, received 67 votes to 57 for H.K. Kendrick. Incumbent Raymond White was returned, and Mayor Charles Allen, unopposed, was re-elected.

25 YEARS AGO--APRIL 9, 1959

Dillie M. Kelley formally assigned as superintendent of the Friona Independent Schools at the regular meeting of the Board of Trustees of the Friona Independent School District on Monday night. The resignation is effective at the end of the present school term. Kelley came to Friona and served five years as high school principal five years

prior to being elected superintendent.

20 YEARS AGO--APRIL 9, 1964

Friona High School's track team won a first place meet trophy for the first time in almost a decade last week when they took the team trophy at Springlake. David Carson won a 220-yard dash in a blistering 22.4 timing, and junior Danny Murphree had Friona's other first place, in the pole vault.

15 YEARS AGO--APRIL 3, 1969

Ray DeBord was named Monday night as the new boys basketball coach for Friona High School, at a special meeting of the board of trustees of Friona Independent School District.

Friona High School placed second in the District 3-AA Interscholastic League Literary Contests which the local school hosted Saturday and Monday.

10 YEARS AGO--APRIL 7, 1974

Tuesday's high wind, which produced winds of up to 75 miles per hour, caused considerable damage to property in the area.

Grand opening for Friona's newest business, and the most unique addition to the city in a number of years, is scheduled to begin Monday at 615 Main. Included in the Main Place are "The Browsabout," a ladies and teens dress shop; "The One and Only," a gift shop; and "Country Crafts," a hobby and art supply shop.

Gregg Collier of Friona was among 16 students from the surrounding area high schools to win honors at the annual Mathematics Contest held Tuesday, March 26 at West Texas State University in Canyon.

5 YEARS AGO--APRIL 8, 1979

Fifteen students qualified for the Regional Spring Meet as a result of the District 3-AA's spring literary contests, held at Muleshoe High School. Those qualifying for regional were Mark Zachary, Dana Smith, Tracy Horton, Sonya Gore, Maria Escalante, Kim Taylor, Laura Ellis,

Susi Noah, Sharla Duggins, Jan Mason, Kipi Fleming, Mark Blankenship, Ruth Rodriguez, Lesa Bermea and David Fleming.

For the 25th consecutive year the American Legion Auxiliary has chosen delegates for the Auxiliary's Bluebonnet Girls State Program. Chosen to represent Friona's Unit and City are Angelia Sims, daughter of Mr. and Mrs. J.P. Sims and Sonya Gore, daughter of Mr. and Mrs. Lewis Gore.

Comptroller Representative Sets Visit

Lloyd Allred from the state comptroller's Lubbock field office will be at the Parmer County courthouse on Wednesday, April 18 from 2-3:30 p.m.

A comptroller's representative is available to assist local residents at the courthouse the third Wednesday of each month.

Bullock urges anyone with problems or questions concerning state taxes to contact Allred at the courthouse in person or call the Lubbock field office at (806) 795-0691. A toll-free number (1-800-252-5555) is also available to Texas taxpayers.

REMEMBER WHEN...

In April of 1963, the city's new overhead water tower was being erected on the northern edge of the city. A recent project has placed a large tank northeast of the city, bringing water from irrigation wells, an indication that a good water supply takes continuing efforts. We at Friona State Bank salute the work done on behalf of our city and its residents.

FRIONA STATE BANK

Helmets Can Reduce Bike Deaths, Injuries

Bicycle accidents result in 1,100 fatalities, 50,000 disabling injuries, and over 500,000 assorted minor injuries annually across the nation, according to George R. Gustafson, Executive Vice President of Texas Safety Association.

Last year in Texas pedalcyclist/motor vehicle accidents alone resulted in 48 fatalities and 2,978 injuries, according to Department of Public Safety records.

"Bicycle education for both children and adults and alertness on the part of all Texas motor-vehicle drivers can help prevent these tragedies," Gustafson said.

Recent estimates gathered by Texas Safety Association show that 300 deaths and 3,000 hospitalizations would be prevented yearly if the nation's 105 million bicyclists would wear the helmets while riding.

Gustafson reminds parents that a child riding along on a baby seat attached to the bicycle should also be equipped with a helmet. Texas Safety Association suggests that bicycle baby seats have a high back to help offer support to the baby, a seat pad for comfort, straps and/or belts to secure the child, and a shield protecting the child's feet from contacting the bicycle spokes.

During National Bike Safety Week, April 15-21, Texas Safety Association offers cyclists the following advice:

1. Never ride a bicycle while listening to a portable radio or tape player through headphones.
2. Obey all applicable traffic regulations, signs, signals, and markings.
3. Place the required reflectors and lights on your bicycle to protect yourself at night.
4. Indicate turns and stops by using hand signals.
5. Ride your bike defensively.

WHO'S WHO WINNERS... Brent Loflin and Teresa Wilcox were named "Most School Spirited" by their classmates at Friona High School in the "Who's Who" elections held recently. They will be featured in that section of the 1984 school yearbook.

Chief Golfers Third In 2-AAA

The Friona Chieftain golf team placed third in the district tournament series which concluded this past Wednesday.

Mulshoe won the district 2-AAA title with a three-meet total of 1017, followed by Tulia at 1035; Friona at 1049; Abernathy at 1073; Tulia "B" at 1075; Mulshoe "B" at 1164; Friona "B" at 1168; Abernathy "B" 1176; Littlefield varsity, 1230; Littlefield "B" 1263 and Dimmitt "B" 1264.

The three tournaments were held at Abernathy, Mulshoe and Tulia, starting Wednesday, April 4.

"We finished up pretty good, but our scores the first day were so bad we just couldn't catch up," said FHS golf coach Jackie Morgan.

Ross Roden led the Chieftain golfers with a 54-hole total of 255, placing sixth in the race for medalist.

Here are the Friona boys' scores, with the Abernathy meet listed first, Littlefield second, Tulia third, followed by total score:

Roden, 83-87-85--255; Paul Melton, 93-83-87--263; Wade Davenport, 88-92-85--265; Brian Lane, 89-92-90--271; Edward Garcia, 90-94-88--272; Matt Loftis, 86-100-108--294; Stephen Smith, 93-97-94--284; Bart Bronniman, 103-95-97--

295; Brad Lane, 102-97-100--299; Kemal Tongate, 111-113-104--328; Mitch Reeve, 126-111-112--349.

4-H Club Sponsoring Trophy Shoot

There will be a trophy shoot Sunday, April 15 at the Lions Club Trap Range, located 1/2 mile north of Farwell on the State Line Road.

There will be a \$10.00 entry fee for the "Youth Shoot" beginning at 1 p.m. These are divided into: sub-juniors, 9-12 years; juniors, 13-14 years; and seniors, 15-19.

First, second and third place trophies will be awarded in the Youth Shoot. Shooters under 16 years old must be accompanied by an adult.

The "Adult Shoot" will begin at 3 p.m. and there will be a \$25.00 entry fee or \$10.00 per event. In this division, there will be high 16 yard line, high handicap and high doubles. Only one trophy per person will be awarded.

The trophy shoot is sponsored by Bovina 4-H. A concession stand will be available for Sunday's shoot.

JV Boys Score In Meet

The junior varsity Chieftains competed in a track meet at Denver City last Saturday, with some pretty fair results, considering the team was competing against varsity members of the class A and AA division.

Jimmy Williams placed third in the pole vault. Charles Walker placed fourth in both the 100-meter dash and 200-meter dash.

Gilbert Davila placed fourth in the 200-meter dash, and Frankie Trevino was fourth in the 800-meter run.

The 400-meter relay team (Charles Walker, Joe Valero, Richard Perez and Johnny Trevino) placed fifth, as did the 1600-meter relay (Octavio Chavez, Mark Coronado, Richard Perez and Johnny Trevino).

GT Workers Learn To Survive Disasters

When the storm sirens blare and the radio warns that a "twister" is on the way, what can you do to improve your chances of surviving a Texas tornado?

For one thing, studies show that if you're in your house, you should stay right there. Only three per 1,000 people in houses hit by tornadoes are killed--or, put another way, 99.7 per cent survive.

This somewhat comforting statistic is especially welcome to the older workers enrolled in the Texas Farmers Union Green Thumb employment program, because most of them live and work in the northern half of the state so often assaulted by spring storms.

More than 53 Green Thumbs from six counties attended a training session at the Swisher County Senior Citizens Center on April 4 and learned how they could save their lives if a tornado should come their way.

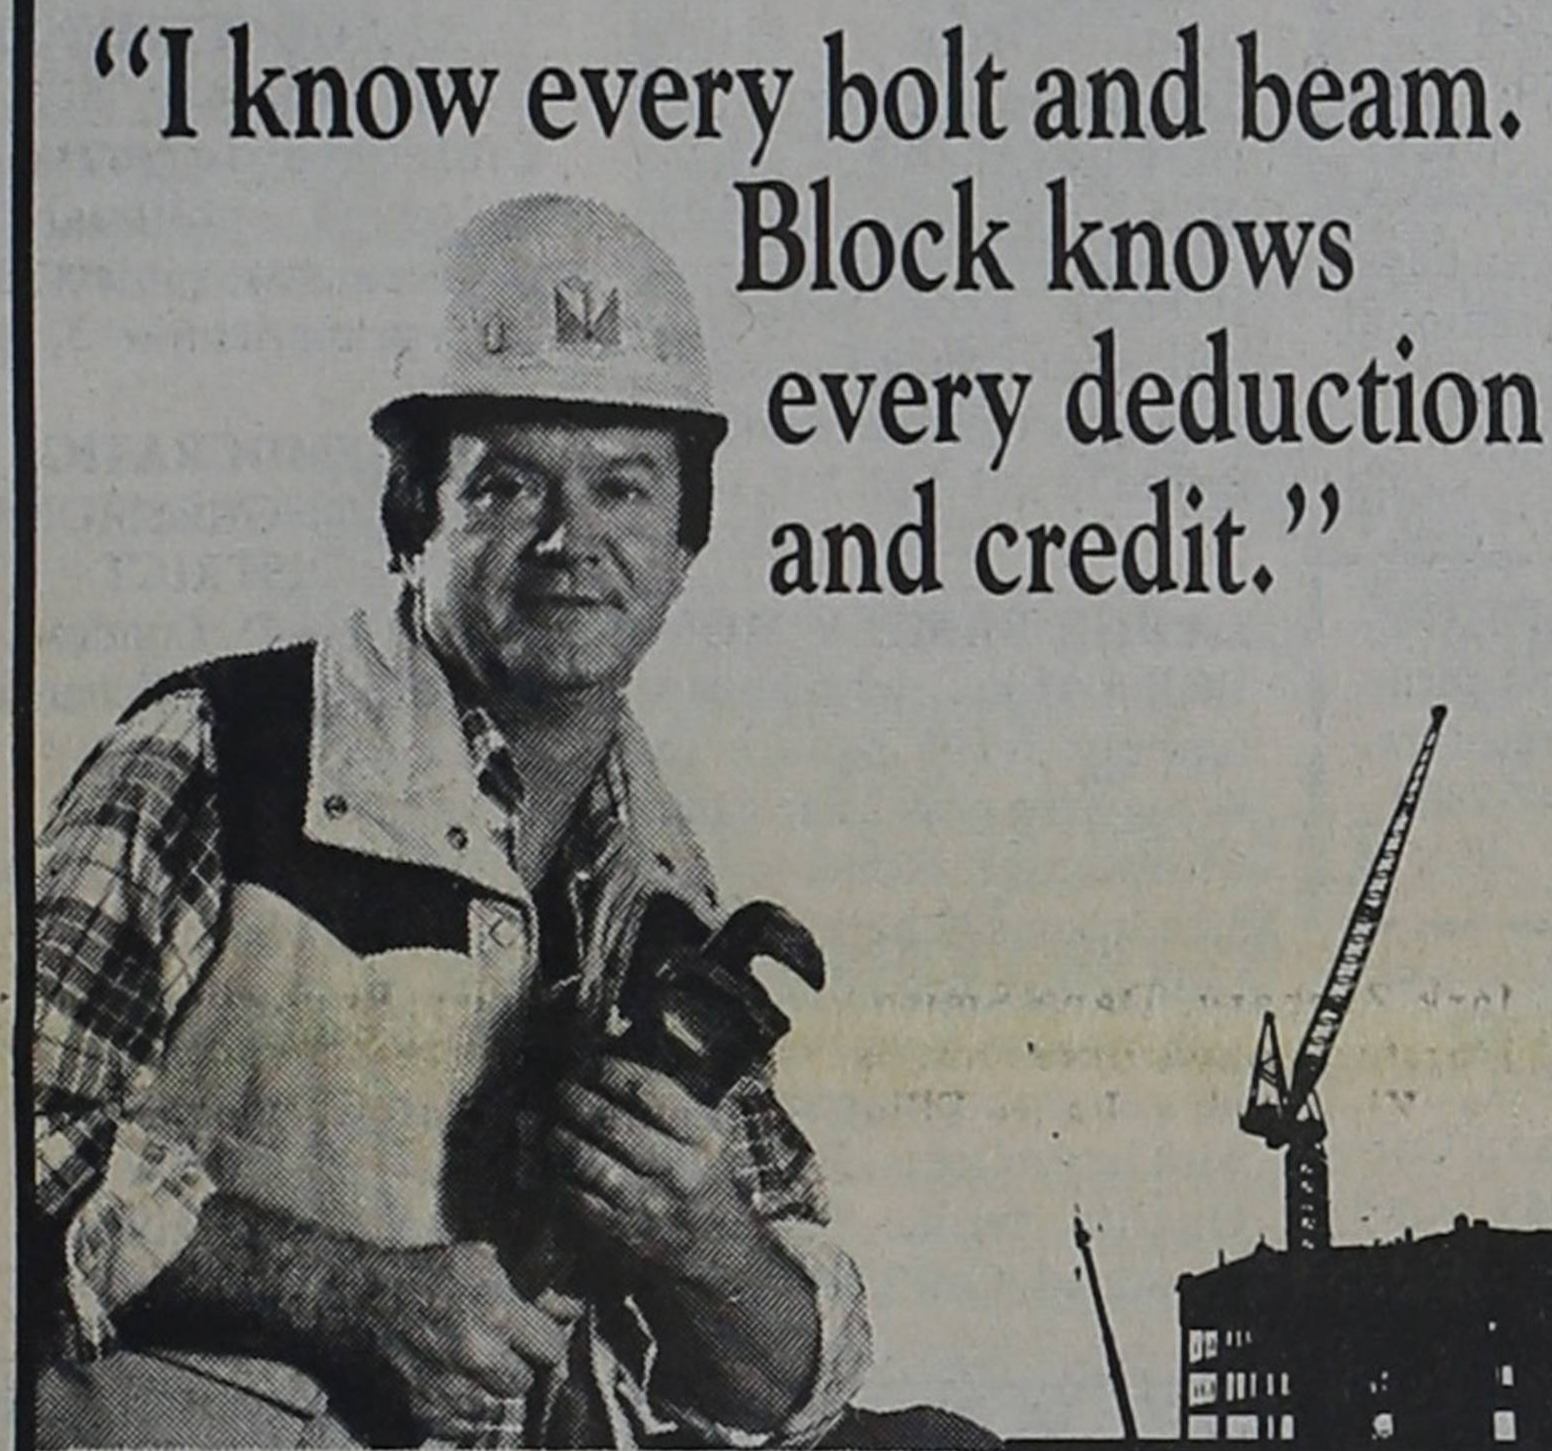

"In the case of severe storms, there

truly is no place like home," said Green Thumb Director Diane Parrish of Waco, "provided your home is a sturdy house."

Parrish used a slide presentation to illustrate the kinds of tornadoes that can develop and to describe the techniques most likely to enhance survival. Slides of twisters that hit Lubbock, Waco, Wichita Falls, San Angelo, Clarendon, and northeast Texas were used in the presentation.

According to Parrish, most tornado deaths result from head injuries caused by flying debris. People in mobile homes are at much greater risk, and in fact may be even more vulnerable than persons in cars.

"The key to survival is to stay in your house and put as many walls as possible between you and the tornado," she said, adding that most tornadoes approach from the west and southwest. "And don't try to outrun the storm--many people are killed when they try to escape in a panic."

"I know every bolt and beam. Block knows every deduction and credit."

"There's no room for mistakes when it comes to my taxes. That's why I go to H&R Block. They really stand behind their work. And they're around all year if I need them. So when it comes to taking care of my taxes, I take them to H&R Block."

Jones Seeking Post In U.S. Legislature

According to Delwin Jones, "Legislative experience makes the difference." In a recent pre-election poll, legislative experience appears to be the reason the Lubbock Democrat led all others in the race for Congress from the 19th District of Texas. Jones established himself while in Austin with a record of performance which voters remember well.

During eight years in the legislature, Jones served as chairman of the House Congressional and Legislative Redistricting Committee and the House Agriculture Committee. He was chairman of the 13-state Agriculture Committee of the Southern Council of State Governments and an advisory member of the fifty state National Council of State Governments. Among other achievements, he authorized or co-authored legislation creating Texas Tech's Medical

School, the Lubbock County Hospital Authority and Tech's Western Information TV Teaching Network.

He was appropriations committee sponsor for the Tech Textile Research Center, the Tech Law School and the Lubbock State School for the Retarded.

In 1971 Jones was chosen by the Progressive Farmer Board of Editors as Texas Agriculture's Man of the Year. He has been cited by the Texas Water Rights Commission for "interest and dedication in improving the Texas Law of Water Rights."

He is a self-made farmer-businessman, a native of Lubbock and a graduate of Lubbock High School and Texas Tech. He is a charter member of the High Plains Agriculture Research Foundation and Plains Cotton Growers and a past president of the Lubbock County Farm Bureau.

He and his wife Reta have two children, Lanny and Melodie, both Tech graduates. There is one grandson, three-year-old Gregg Snodgrass.

"As long as legislative experience remains the issue," the veteran lawmaker says, "the West Texas voter can come out on top in Washington."

DELWIN JONES

Teams Needed

Kids Incorporated of Hereford is inviting Friona girls interested in playing girls' softball as a part of the Hereford league to contact officers of the program. Teams for current first graders through fifteen-year-olds are being formed.

Friona could field its own team(s), or if numbers are not sufficient to field an entire squad, individual players could be placed on Hereford teams.

A registration fee of \$15 per player is charged (the same that Hereford players are assessed); games will begin the week of April 30.

Kids Incorporated is a non-profit organization; insurance on players is provided.

Interested parties are asked to contact KI president Buddy Peeler in Hereford at 806-364-1860 (KPAN Radio) or 806-364-3480 (Res.).

Track Girls Land Six Spots At Regional

Four members of the Friona Squaws' track and field team qualified for the regional meet as a result of placing first or second in their events at the District 2-AAA meet last Friday at Abernathy.

The squad was paced by Wennetter Jackson, who was a double winner. The Squaws' senior won the discus with a throw of 118½, and the shot put with a 36-8½ effort. Miss Jackson is virtually unbeaten this season, having placed second in the shot put in only one meet, winning first place in both events every other time.

Freshman Ronda Ratcliff won the high jump with a 5-0 leap for Friona's other first place in the meet.

Friona 4-H Sets VB Tournament

The Friona 4-H Council will be hosting a double elimination volleyball tournament on April 26, 27 and 28.

There will be two divisions, mixed and women's and the deadline for entering will be April 21. A \$20.00 entry fee will be charged for each team and proceeds will go to the 4-H Club and the local fireworks display.

For more information, contact Lisa McLellan or Vickie Copley at 247-2211 daytime or 247-3068 at night.

Senior Diane Johnston qualified in two events. She was second to Miss Ratcliff in the high jump, although she also cleared five feet. Miss Johnston also placed second in the 400-meter dash with a time of 63.17.

Freshman Layce Osborn was beaten in her specialty, the 800-meter run, for the first time this season, by Molly Waggoner of Dimmitt. But Layce placed second, and still qualifies for the regional meet. Her time was 2:33.19.

Nikki Osborn was nosed out of a regional berth in the 1600-meter run, placing third with a time of 6:03.86.

Friona's 400-meter relay team (Kelly Wied, Diane Cruz, Dee Ann Harguess and Diane Johnston) also missed the regional meet by an eyelash, being edged by Tulia. The team recorded a 55.2 for the event.

The 800-meter relay team (Kelly Wied, Mika Maddox, Susan Bailey and Dee Ann Harguess) placed fourth with a 1:56.55 clocking.

Friona's 1600-meter relay team (Diane Johnston, Susan Bailey, Ronda Ratcliff and Layce Osborn) placed third with a time of 4:26.3.

The Squaws were shooting for second place in the overall standings, but were edged out for the honors.

Final standings were as follows:
1. Tulia 188; 2. Littlefield 105; 3. SQUAWS 92; 4. Muleshoe 60; 5. Dimmitt 59; 6. Abernathy 54.

REGIONAL-BOUND.... Charlie Veazey placed second in boys singles in the district 2-AAA tennis tournament which concluded on Tuesday. Veazey thus qualifies for the regional meet in the event. Shown with him is his coach, Mike Speck.

Veazey Qualifies For Regional Tennis Spot

The Friona boys tennis team placed third at the district meet held Tuesday, April 10 at Abernathy. Charlie Veazey was seeded number one in the varsity boys' singles tournament, but was upset in the finals 7-6 and 6-3 by Charlie Ortiz of Abernathy.

Veazey's second place finish netted ten points for the team and qualified him for the regional meet that will be held at Odessa April 30 and May 1.

Kevin Beavers put forth an excellent effort in the singles division. Beavers played four matches including one against Charlie Ortiz of Abernathy, almost upsetting the overall winner, 7-6 and 6-3 in the quarterfinals. Beavers then defeated Fred Rike of Tulia 8-6. Following a three and a half hour match, that went three sets against Paul Siogerlo of Muleshoe, Kevin won 4-6, 6-4 and 10-8 to place fifth.

In the doubles division Friona entered two teams, including three

freshmen.

Jeff Dickson and Lonnie Phillips were seeded number one and Ricky Barnett and Shy Burney were seeded number two. Both teams won their first round games but were beaten in the quarterfinals. Barnett and Burney placed fifth in the doubles division.

Patches Fleming placed second in the Junior Varsity singles. Fleming won two matches before being defeated by Wade King of Muleshoe, 6-4 and 6-4.

Shane Hand and Darron Nash, also freshmen, placed second to David Barton and Nathan Nelson of Dimmitt, 7-6 and 6-2.

In overall team efforts Friona placed third behind Abernathy and Muleshoe.

Tennis coach Lynn Weiland pointed out that a big part of the Friona team is made up of freshmen who were playing against juniors and seniors, two of which were regional qualifiers last year. Coach Weiland has high hopes for a strong team next year.

THE FASCINATING HISTORY OF EYECARE-PART I

Did you know that the eyeglasses that more than 115 million Americans wear today were invented almost 700 years ago? Another interesting fact is that the optical glassmaking procedure still used today was developed in 1790. And don't you wonder why over 400 years passed between the invention of eyeglasses and the invention of the ear pieces (temples) to hold them on the face? One must wonder at the connection between the development of plastic frames to a shortage of elephants in 1863.

This interesting type of information and much more can be found in material prepared by the American Optometric Association and is free for the asking. Anyone interested in this type of historical information or in background material on any aspect of optometric care is invited to contact the Communications Division, American Optometric Association, 243 N. Lindbergh Blvd., St. Louis, Mo. 63141, phone (314-991-4100).

Eyeglasses to aid vision were invented in Europe about 1287 and may possibly have been invented independently about the same time in China and India; but, it was in Europe where they gained popularity and were actually developed. The European inventor chose to remain anonymous because eyeglasses were regarded as the work of the devil. The "lens" got its name because its shape resembled that of a lentil bean.

Both adults and children can be thankful for those early inventors since the widespread use of eyeglasses not only correct our vision but relieve headaches, nausea, dizziness, double vision and many other common symptoms.

This message brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

Chieftains Shine At Amarillo

Although scoring their fewest points (57) for the season, it may well have been the best showing for the Friona Chieftains' track and field team. The points came in the talented Amarillo Relays, and earned the team a third place overall finish.

Outstanding performances were several by the Chieftains. Daniel Gowens, the team's talented young high jumper, won his event with a leap of 6-2.

Eloy Caballero ran the 300-yard intermediate hurdles in a school record time of 38.7, placing second. Caballero's time also ranks him second in the Panhandle area for the season with Saturday's winner, Dodd Nolan of Dalhart, holding the area's best time of 38.1.

John Aguirre placed third in the 400-meter dash, flashing a 50.2 time, his personal best. The clocking also ranks Aguirre fourth in the area.

8th Girls Are Second In District

The eighth grade girls placed second in their district track meet at Abernathy Friday, April 6. The team scored 135 points, ranking behind only Muleshoe, which scored 150.

The team had five first places in the meet. Candy Field placed first in the 100-meter dash. Jennifer Carson placed first in the 200-meter dash. Jill Herring placed first in the 100-meter hurdles and Tiffany Osborn placed first in the high jump, clearing five feet.

The 400-meter relay team (Candy Field, Karen Wied, Rena Burnett and Jennifer Carson) placed first in their event.

The 800-meter relay team (Candy Field, Karen Wied, Dara Wells and Jennifer Carson) placed second. The 1600-meter relay team (Tiffany Osborn, Dara Wells, Rena Burnett and Alisa Perkins), also placed second.

Miss Osborn also placed second in the 400-meter dash and fourth in the triple jump.

Miss Field was third in the discus throw, and sixth in the shot put. Miss Wells placed third in the 400-meter dash. Miss Carson was third in the long jump.

Alisa Perkins placed third in the 1600-meter run. Karen Wied placed sixth in the 200-meter dash and Pattie Zachary placed sixth in the 800-meter run.

And in the pole vault, which had been billed as a possible two-way battle between two Clarendon vaulters, Thomas Merritt placed second, missing out on the gold medal by the slender margin of an extra miss. Merritt cleared 12 feet in the event.

The 400-meter relay team cut over 1.5 seconds off their best time of the season, running a 44.1 while having to settle for fourth place. Members of the relay team were Joe Garza, Charlie Morgan, John Aguirre and Eloy Caballero.

Aguirre was held out of one of his individual events, the high hurdles, in order to strengthen the sprint relay team. It also gave Aguirre a chance to be better rested for his main individual event, the quarter-mile.

The 1600-meter relay team, composed of Aguirre, Garza, Ricky Marquez and Caballero, placed third with a time of 3:31, ninth best in the area.

Morgan placed fourth in the long jump with a leap of 19-10.

Troy Crutchfield placed sixth in the 1600-meter run with a 5:03 clocking.

The Chieftains will see action this weekend at Boys Ranch, and then have their district meet at Abernathy on Tuesday.

Team Standings: 1. Dalhart 105; 2. Panhandle 79; 3. Boys Ranch 68; 4. CHIEFS 57; 5. Memphis 47; 6. Tulia 39; 7. Clarendon 37; 8. River Road 34; 9. Stratford 22; 10. Childress 13; 11. Happy 12; 12. Lazbuddie 8.

Olympic Team Sets Game

A Panhandle first is coming to Amarillo. On May 19, the United States Women's Olympic Volleyball Team will be playing against the Japanese Olympic Team. The United States is presently rated number one in the world while the Japanese are rated number four.

This truly unique match, a first for Amarillo, will bring Flo Hymen's 6'5" crushing attacks, Rita Crockett's 40" vertical jump and Debbie Green's incomparable precision setting, to the Texas Panhandle.

Match time is 7:30 p.m. Tickets are on sale at Sears, Kids, Inc. Office, the Civic Center Box Office, West Texas State University Athletic Department Ticket Office and all Sav-on Drug Stores. All seats are reserved at \$7.00, \$5.00 and \$4.00 with special rates for groups of 20 or more. For group tickets contact the Kids, Inc. office at Eighth and Adams in Amarillo, 376-5936.

FRIONA STAR TEAM....Back row, (l-r) Mickie Cochran, Terry Thomas and Jayn Looper. Front row, (l-r) Sharon Rector, Lisa McLellan and Vickie Copley.

Local Teams Compete

Two Friona women's volleyball teams participated in a double elimination tournament held at Amarillo College April 6 and 7.

Both the Friona Star and Potts Gun and Ammo had a difficult time adjusting to the power ball rules used at the tourney as both teams only play recreational volleyball.

As a result of the unfamiliar rules, the Potts Gun and Ammo team was eliminated from the tournament on Friday night. The Friona Star team however somewhat stumbled through to win seven of eight games to place second in their pool on Friday.

On Saturday, the Star team claimed a forfeit from the Spikers and were then defeated by Jerry Don's Motors of Pampa. Then they defeated The Team to put them in third place. They were then defeated by The Spikers and had to settle for third. The Spikers took second and Jerry Don's Motors of Pampa placed first.

Following the finals in Amarillo the Friona Star team travelled to Morton where they had won their first game on Thursday night in the Cochran County March of Dimes tournament.

The Orphans of Morton beat the Friona Star in the first match, and forced them to play three more sets to get back up to the finals, where they

played the Orphans again.

By this time the Star team had had enough volleyball for one weekend and were unable to win over the Morton team. They brought home second place honors.

Members of the Friona Star team are Lisa McLellan, Vickie Copley, Mickie Cochran, Jayn Looper, Terry Thomas and Sharon Rector.

Playing for the Potts Gun and Ammo team were Judy Potts, Janice Richards, Linda Knowles, Wessie Weatherly, Vickie Smiley and Diane White.

Youth B.B. Sets Awards Night Fete

The Friona Youth Basketball Association will have their awards supper on Saturday, April 14, at 6 p.m. at the Friona Community Center.

All children who participated in the youth basketball program and their families are invited to attend. There will be a charge of 50 cents per person. Coaches and players are admitted free.

The awards will be presented to the players following the supper.

Seventh Girls Are Fourth In 2-AAA

The seventh grade girls placed fourth overall in their district meet last Friday at Abernathy. Three relay teams and eight individuals scored points for the Maidens.

Sindy Preston placed second in the high jump, third in the 200-meter dash and sixth in the triple jump. She also ran legs on two relay teams which placed.

The 400-meter relay team (J'mai Cash, Lori Ureste, Marta Pena and Sindy Preston) placed third.

The 800-meter relay team (Lisa Sandoval, Kathy Williams, Marta Pena and Miss Preston) placed

fourth.

The 1600-meter relay team (Brenda Moser, Kathy Williams, Rachael Knowles and Miss Sandoval) placed third.

Kathy Williams also had a third place in the shot put and a fourth place in the high jump.

Rachael Knowles placed fifth in the 1600-meter run; Lisa Sandoval placed fifth in the 400-meter dash.

Kenda Atwell placed sixth in the 400-meter dash; J'mai Cash was sixth in the 100-meter dash and Kerri Parker placed sixth in the 800-meter run to round out the scoring.

PIONEER BRAND SEEDS

Let the new generation of hybrids do for your sorghum acres what Pioneer has done for Plains corn.

8222 Big yield potential under full irrigation. A widely adapted hybrid, 8222 has produced a superior record under many different environmental conditions. But it's especially adapted to full-season production in this area. Provides outstanding stress tolerance, plus excellent resistance to MDMV and head smut. It's an attractive, medium height hybrid with semi-open heads of bright red, hard-textured grain. Leaves that are above average in width help provide first-rate shading. And outstanding root and stalk strength keeps plants standing for maximum harvest.

8493 Especially adapted for dryland or very limited water conditions, this is a fast maturing hybrid with exceptional drought tolerance. It has the ability to take full advantage of normal early season rainfall; then it makes efficient use of available ground moisture to produce all that the season allows. Under tough growing conditions, the standability of many hybrids often suffers. But not 8493. Strong stalks and roots keep medium height plants standing straight for easy harvest of dark red, high test weight grain. It's the standard for resistance to greenbugs.

8333 Pioneer plant breeders developed this great new hybrid to make the most of what the growing season has to offer. This one has outstanding drought tolerance, too—but you should plant it on good dryland or under limited irrigation to take full advantage of its maturity and yield potential. In irrigation tests throughout the Plains, 8333 has produced exceptional yields. The field appearance of the bronze, hard-textured grain is most attractive. Harvesting is made easy, too, by excellent head exertion and very good standability. For late season plant health, 8333 is highly resistant to MDMV, head smut, and Biotype C greenbugs.

Choose the combination best suited to your land and your conditions — and get ready for a great sorghum crop.

Regional Science Fair Winners Recognized

The Second Annual High Plains Regional Science and Engineering Fair was held April 6-7, in the ballroom of the Activity Center on the West Texas State University campus. Winners were announced in three divisions, senior high, junior high and elementary.

Winners of an expense-paid trip to the 35th Annual International Science and Engineering Fair to be held in the Ohio Center in Columbus, Ohio, the week of May 8-13, were Brent Hinkle and Trey Collier, both of Friona High School. Brent Hinkle's project was titled "Simple and Compound Pendulums: A Computer Simulation." Trey Collier's project was titled "The Effect of 400 and 4000 Hertz On Germinating Seeds." They will be accompanied to the international fair by their teacher and sponsor, Richard Tullis, of Friona High School.

Other Friona winners in the senior high division were:

Behavioral & Social Sciences
Second, Olivia Gomez, "Color Reference."

Botany
First, Trey Collier, "The Effect of 400 and 4000 Hertz on Germinating Seeds."

Second, Deirdre Miller, "Isolation of a Germination Inhibitor in Oats (Avena Saliva)."

Third, Tabatha Henry, "The Effects of Protein on Sunflowers."
Fourth, Christy Jordan, "Does Plant Nutrition Effect Plant Transpiration?"

Chemistry
First, Kevin Beavers, "Infrared Light vs. Heat in Changing Chemical Reaction Rates."

Earth & Space Sciences
First, Michael Griffin, "Solar Heated Air Furnace."
Second, Kip Frye, "Seismograph."

Engineering
First, Thomas Merritt, "Simulated

Structural Designs for Optimum Air Circulation."

Second, Wade Davenport, "Ethanol Can Be Used as a Heating Fuel."

Third, Will Eddins, "Solar Water Heaters."

Fourth, Tracey Talley, "Sails."

Fifth, Wendy Hinkle, "Solar House."

Sixth, Jerry McDowell, "Simple Solar Waterheater."

Environmental Sciences

First, Deanna Poarch, "The Influence of Acid Rain on Grass."

Second, Gayla Gilliam, "The Effects of Calcium on Reducing Nickel Toxicity to Philodendron Plants."

Third, Sheila O'Brian, "The Effect of Oil & Gas Pollution on the Oxygen Content of Water."

Mathematics & Computers

First, Brent Hinkle, "Simple and Compound Pendulums: A Computer Simulation."

Second, Kevin Brogden, "Computer Analysis of Reacting Compounds."

Medicine & Health
First, David Small, "Depth Perception in Peripheral Vision."
Second, Gena Wright, "Nicotine Withdrawal."

Microbiology

Second, Beatrice Ramirez, "The Nutritional Value of Bread."

Second, Guy Wilkins, "Frost Structure and Formation."

Third, Teresa Wilcox, "Characteristics of Water Bells."

Fourth, Celia O'Brian, "Rainbows."

Sixth, Steven Smith, "Stress Breakage in Cylindrical Columns."

Zoology

First, Jo Schueler, "Marigolds as a Natural Insecticide."

Second, Matt Osborn, "Chick Pipping Tendencies."

Friona winners of the junior high

division were announced as follows:

Individual Biological

Third, Kellianna Coffey, "Alcohol as a Fuel."

Fifth, Steven Smith, "Do Plants Grow Where People Want Them to Grow?"

Sixth, Chad Rhodes, "How Fertilizers Affect Seedlings."

Group Biological

First, Holly Snead and Julie Brown, "Diabetic Rats."

Second, Deena Willard and Kenda Atwell, "Factors Effecting Regeneration of Planaria."

Third, Guy Ellis and Lon Outland, "The Frijole Project."

Individual Earth & Space

First, Shannon Cochran, "Collecting Solar Energy."

Third, Brian Brogden, "Stalactites and Stalagmites."

Seventh, Ernie Hughes, "How an Airplane Stays in Flight."

Group Physical

First, Alisa Perkins and Karen Wied, "Savonious Rotor."

Second, Maria Marquez and Nina Constanco, "Anti-Acid."

Friona winners of the elementary

division were announced as follows:

Individual Biological

Third, Richard Ellis, "How Cells React to Various Liquids."

Fourth, Elaine White, "A Test of Nerves."

Sixth, Marcia Blackwell, "The Balance of Nature."

Group Biological

First, David Barnett and Wade Procter, "Bacteriology."

Second, Chris Hamil and Daniel Saiz, "The Sleep Challenge."

Fourth, Sam Landrum and Michael Hall, "Fertilizer."

Individual Physics

Third, Jennifer Smith, "Separation of Food Colors."

Fourth, Ryan Cash, "Frozen Pipes."

Sixth, Mindy Johnson, "Diffusion."

Seventh, Mark Outland, "How Outside Affects Inside."

Group Physics

First, Jon Parker and Terron Talley, "Surface Tension of Water."

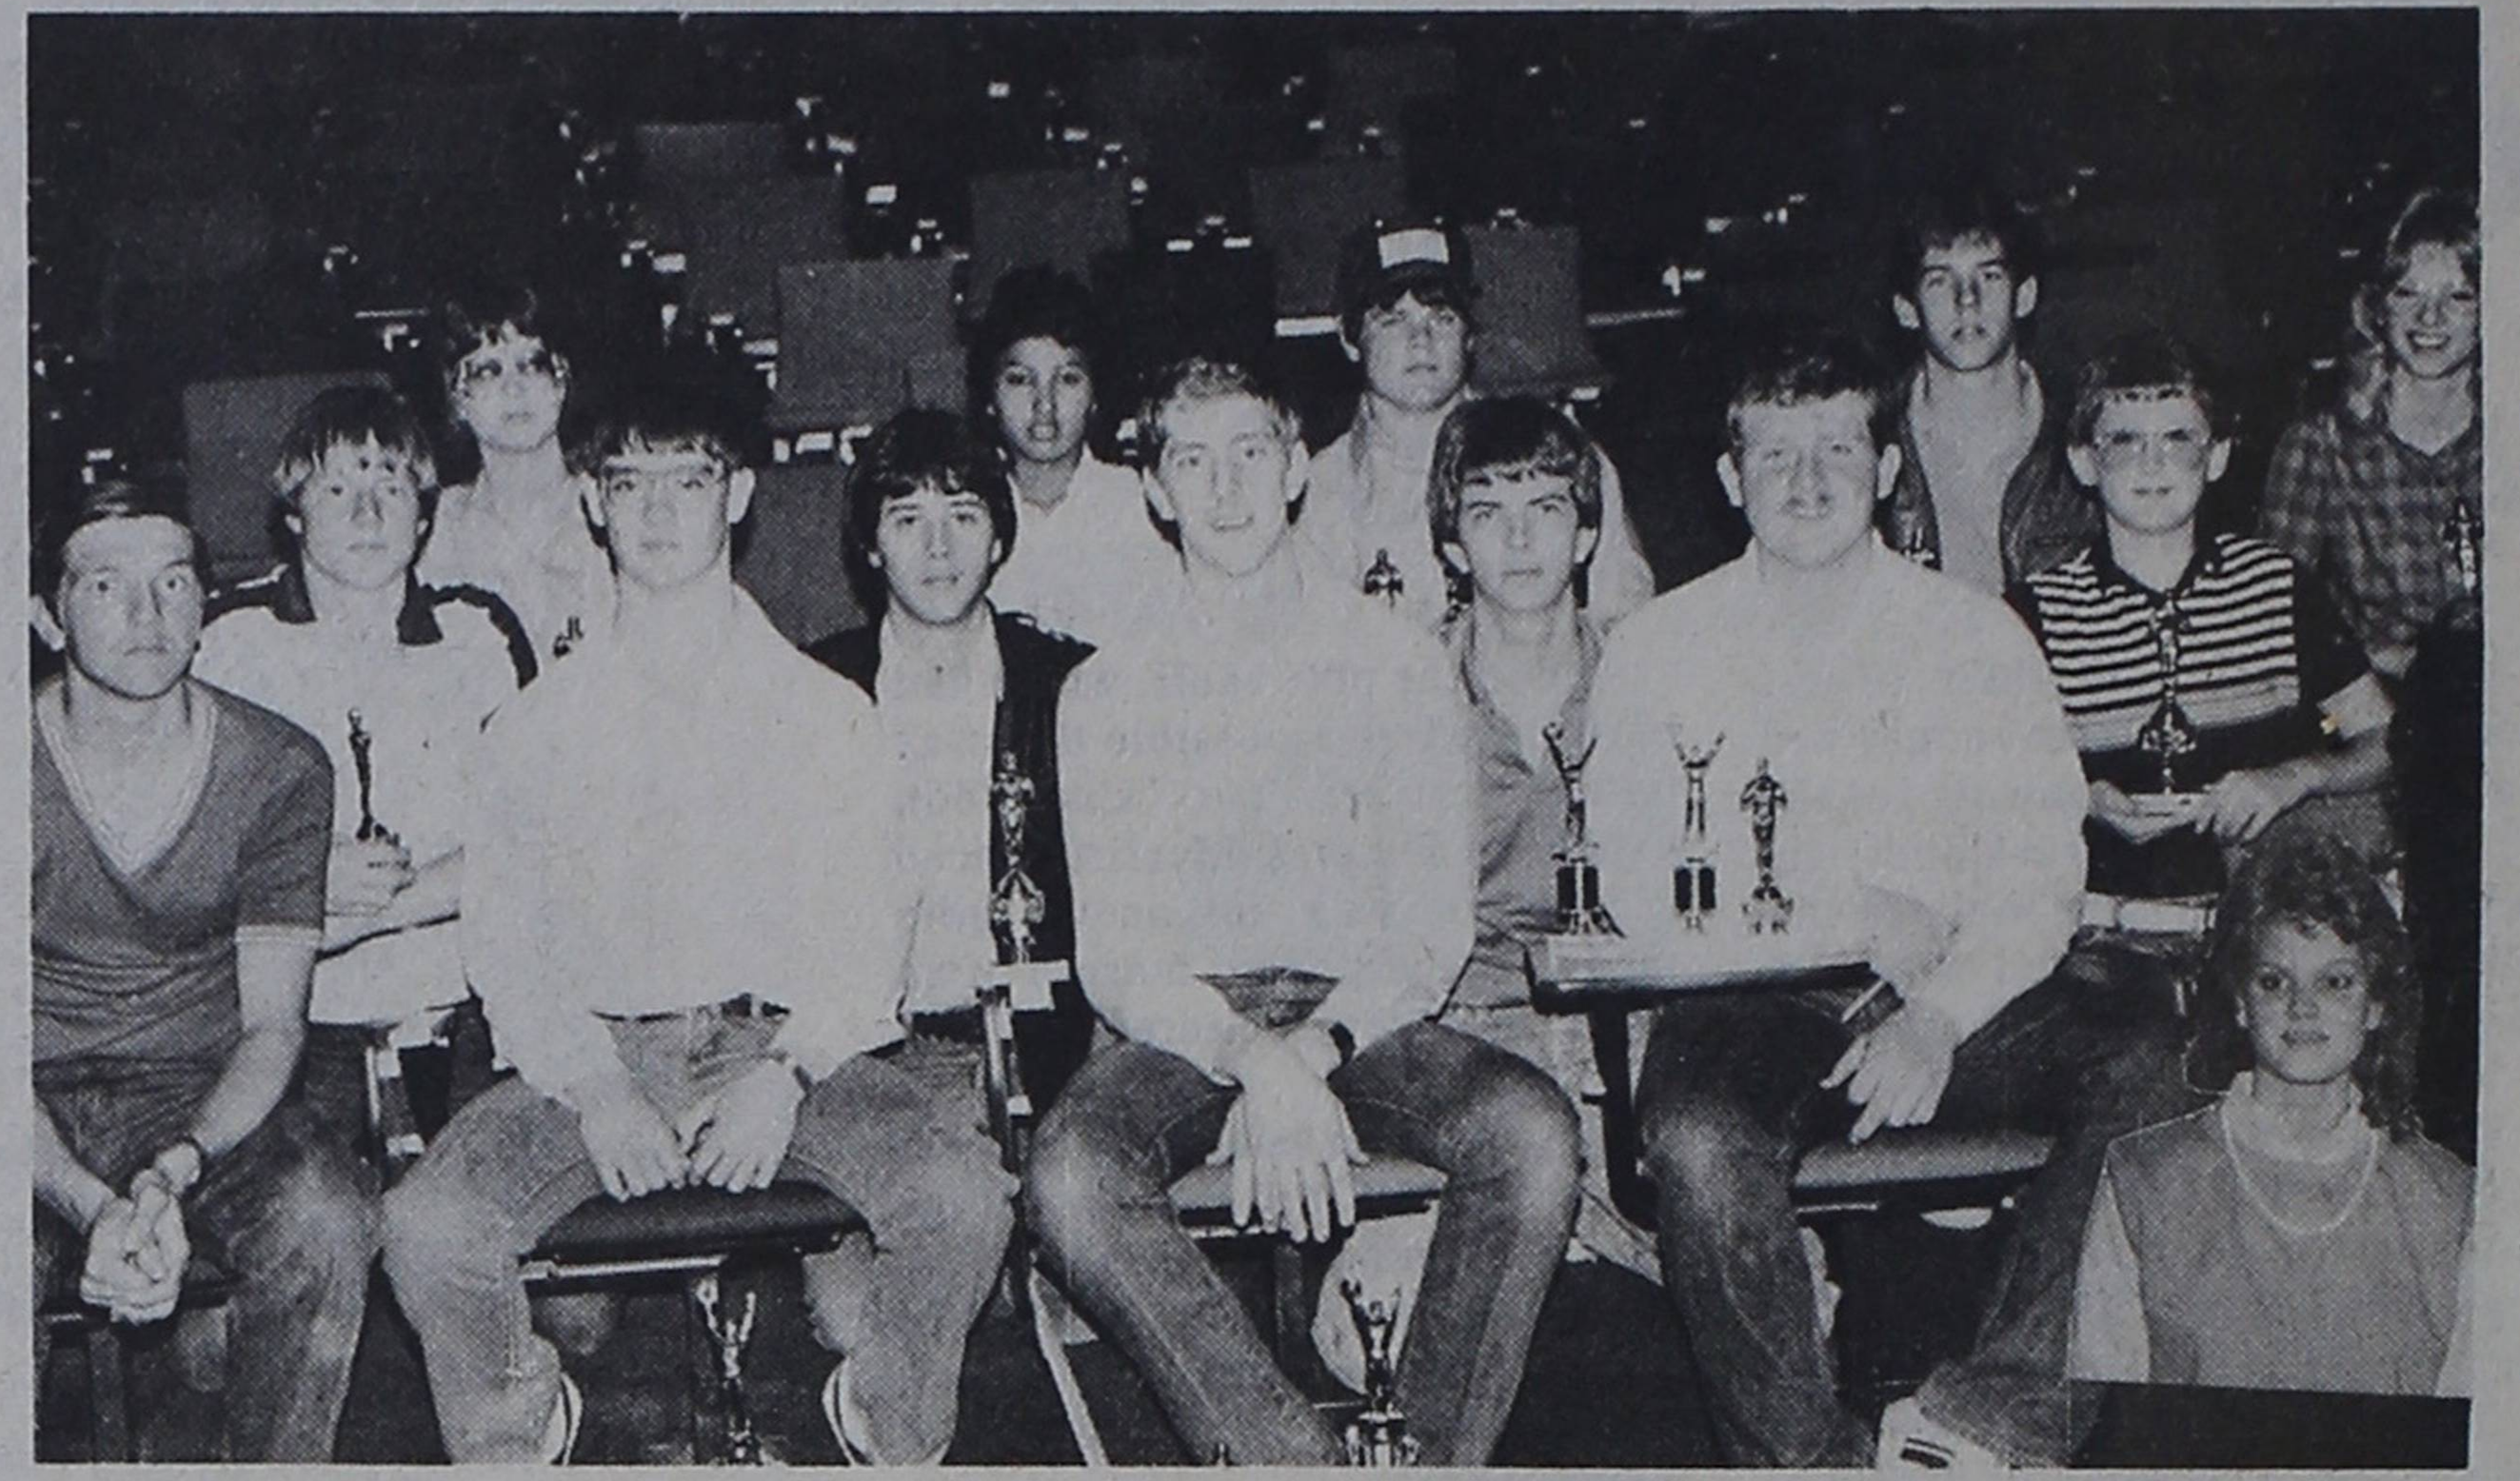

Second, Jason Jass and Lance Outland, "How Rockets Get Their Push."

Third, Gena Willard and Mendi Milner, "Crystallization from Solution."

Fourth, Bryan Walker and Jeremiah Norwood, "Ionic Propulsion."

Fifth, Tamara Hand and Tara Shelton, "Bottle Fountain."

All place winners received trophies or ribbons.

HIGH SCHOOL WINNERS.... Friona High School's winners in the regional Science Fair are pictured after receiving their trophies last Saturday. In the back are Gayla Gilliam, Olivia Gomez, Wade Davenport, Kevin Brogden and Jo Schueler. Center row: Ben Neelley, David Small, Guy Wilkins and Michael Griffin. Front: Kevin Beavers, Trey Collier, Brent Hinkle and Matt Osborn. In the inset is Deanna Poarch.

JUNIOR HIGH WINNERS.... Trophy winners at the regional Science Fair from Friona Junior High School were (back) Julie Brown, Deena Willard, Kenda Atwell and Holly Snead. In the front are Alesia Perkins, Karen Wied and Shannon Cochran.

OPEN SUNDAY
12 - 6 P.M. FOR YOUR CONVENIENCE

Couple Is Honored On Birthday, Anniversary

C.B. and Cordelia Eddins were honored on the occasion of their twenty-first wedding anniversary, and both of their birthdays.

The dinner was held on Sunday, March 25, in the home of their daughter and son-in-law, Mark and Belinda Anthony.

C.B. Eddins and Cordelia Parr were married on March 27, 1963 in the First Baptist Church of Friona. March 27 is also the birthday for both of them.

Those attending were Mr. and Mrs. R.W. Parr, Sr., Mr. and Mrs. Carl Osborn and D.L., Mr. and Mrs.

Charles H. Ellis, Chuck Jr., Chrystina, and Deanna, and Mr. and Mrs. Ronald Smock, all of Friona.

Also, Mr. and Mrs. Fred Tharp, Troy, Traci and Brian, Mr. and Mrs. George Culver, Frances Snyder, Mr. and Mrs. Gene Wait and Darrell, all of Clovis, New Mexico; Mr. and Mrs. John E. Wait, John Jr., Dannette, and Melissa, all of Dimmitt.

All the guests and Mr. and Mrs. R. W. Parr, Jr., Trey and Piper of Nolanville, who were unable to attend, presented the honored couple with a microwave oven.

SCIENCE WINNERS.... Among the trophy winners from Friona Elementary School in the regional Science Fair last weekend were (back row) Wade Procter, David Barnett, Terron Talley and Jon Parker. In the front are Lance Outland and Jason Jass. Not pictured are Chris Hamil and Daniel Saiz, who also were trophy winners.

Sr. Citizens Set Lunch

The Friona Senior Citizens will have their regular monthly covered dish luncheon on Tuesday, April 17 at the Friendship House, 15th and Washington.

The Beltone representative will be at the meeting starting at 10:30 a.m.

Boy Born To E. Castillos

Mr. and Mrs. Edward Castillo of Friona are the parents of a baby boy born Wednesday, April 4, at 6:45 p.m. at West Plains Medical Center in Muleshoe.

Named Michael Edward, he weighed seven pounds, six ounces and was nineteen and one-half inches long.

Michael is the first child for the couple.

Grandparents are Mr. and Mrs. Mike Garcia and Mr. and Mrs. Matilde Castillo, all of Friona.

Great-grandparents are Mr. and Mrs. Mike Garcia, Sr. of Rowena, Mrs. Lupe Castillo of Lubbock, Mr. and Mrs. Frank Candia of Immokalee, Florida, and Mr. Abigail Espinoza of Junction.

to check hearing aid equipment and test hearing. Games will be played before lunch.

The covered dish luncheon will be served at noon, followed by a program.

A game session will follow the program.

All Senior Citizens are invited to bring a covered dish and spend the day.

Black Club Has Meeting

The Black Study Club met Thursday, April 5, in the home of Lois Weatherly.

Cathy Wilson, Debbie Stopper and Becky Pinson, representatives of Shieldknight, Baker and Associates, Inc., presented a program on estate planning and wills.

Members and guests present were Martha Hamilton, Ann Kelley, Mildred Welch, Carrie Tatum, Jo Wells, Sharon Thornton, Ann Carthel, Mildred Barnett, Velma Lovett and Thelma Hutson.

The next meeting will be Saturday, April 21, and a trip to Girlstown.

95TH BIRTHDAY... Mr. Homer Hyde was honored with a reception on Sunday, April 1, from 4-5:30 p.m. to celebrate his 95th birthday. The reception was hosted by his daughter, Maxine Bolding, and Elizabeth Ferguson, Trel Taylor and Weltha Nibert. Hyde was born April 3, 1889 in a log cabin in Collin County, Texas. He and his family moved to Friona in 1929. About 35 people attended the reception.

WEEK OF APRIL 14-20
Friona residents having birthdays next week are:
April 14--Patti Widner, Greg Stowers, Roger Nelson.
April 15--Jay Potts, Joe Zachary, Randy Terry, Christian Hanes, Cari Hand, M.C. Osborn, Ronnie Reed.
April 16--Alex Guerra, Chuck Rector.
April 17--Holly Jones, Lillie Taylor, Albert Trevino, Clay Donnelly.
April 18--Peggy Allen, Dewayne Bauer, Erma Brown, Susan Stacey.
April 19--D' Aun Sisson, Karene Bass, Clint Hand, Danny Campbell.
April 20--Ronnie McLellan, Peggy Martinez, Twyla Roth.
If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Girl Scout Leader's Day Set April 23

Monday, April 23, is Girl Scout Leader's Day. Over 3,000,000 members of the international Girl Scout organization will observe the special day by honoring leaders and assistant leaders of Brownies, Juniors, Cadettes and Seniors, the four age levels of the Girl Scouting program.

Girl Scout leaders to be honored include full time homemakers, women who are employed outside the home and college students. Even men who work as co-leaders with their wives will be eligible for recognition on Girl Scout Leader's Day.

The leaders will be recognized in a variety of ways--some with surprise parties, dinners or luncheons, others with special awards or certificates. Some of the leaders will have songs, poems or stories written especially for them by the girls in their troops.

These kudos are presented by troop members in appreciation for the many hats their leaders wear. During a troop meeting any given week, a leader may be found chaperoning her Girl Scout member to an engineering workshop, touring a textiles plant, narrating a style show for a group of Juniors or leading a bevy of Brownies

in an aerobics dance routine.

This is only the third year that Girl Scout Leader's Day has been observed, but Girl Scout leaders have been volunteering their time and energy to the young women's organization for many, many years. The first Girl Scout troop was formed in March, 1912, in Savannah, Georgia, with the Girl Scouts' founder, Juliette Low, serving as its leader.

Persons wishing to join the ranks of Girl Scout leaders in the Caprock Girl Scout Council area may call 745-2855 for additional information.

Leaders of the Girl Scout troops in Friona include: Linda Knowles, Patti Corbell, Connie Johnson, Glenda Clark, Kay Huckabee, Ann Burch, Lynn Holland, Bertha Lafuente, Linda May, Judy Potts and Linda Henry, Troop 76; Judy Herring, Melody Drake, Carolyn Buchanan, Lynda Grimsley and Vicki Flores, Troop 91.

Also, Sharon White, Mary Alvarado, Linda Barker, Lynda Grimsley, Troop 117; Letha Cunningham and Janis Auburg, Troop 215; Marca Lynn Herring and Cherry Wells, Troop 383.

Special Guest Gives Study Club Program

Computers and what they do and how they do it was the topic for the April 10 meeting of Progressive Study Club at Friona Women's Club House.

Victor Fite, a professor in the business school at West Texas State University, presented the program. He gave a brief history of computers and microcomputers, explained ways computers affect our lives and talked about the uses for computers. He illustrated with several programs on an IBM computer. A discussion with members followed the program and he announced and explained a computer school planned for high school students at West Texas State University in the summer.

Roxanne Hurst, vice president, presided at the business meeting. Nancy Edelman, library

representative, reported that a new dictionary stand purchased by Progressive Study Club for Friona Public Library, is in place.

The meditation, a poem, "Then and Now," was presented by Anne Spring.

The serving table was decorated in an Easter motif. A large fabric covered Easter basket in lavender and white held stuffed bunnies and eggs. Fruit blossoms held in a vase stood over a collection of Easter bunnies and another basket held brightly colored plastic eggs, one with each member's name, holding Easter candy.

Refreshments of iced tea and cake were served to members and one guest, Donna Mears, by hostesses Roxanne Hurst and Nancy Edelman.

Kristi Britting Student Award To Britting

Kristi Britting, a senior at Friona High School, has been named Student of the Month of March by the Friona Teachers' Organization.

Miss Britting has attended Friona Schools 12 years. She is the daughter of Lee and Karen Britting. She plans to attend West Texas State University following graduation.

She has been in the band three years; Future Homemakers four years; a member of the National Honor Society three years; Fellowship of Christian Athletes four years, on the Student Council one year and was a member of Future Teachers one year.

Kristi served as a cheerleader four years, and was head cheerleader her senior year. She also served as secretary of the N.H.S., Student-Faculty Congress and F.C.A.

She participated in basketball four years, tennis three years and track two years.

Miss Britting was selected as "Most Spiritual" two years, "Best Dressed" her senior year and also was a class favorite, all in the "Who's Who" voting by the student body.

She is a member of the First Baptist Church and its youth choir. She enjoys piano, sewing and skiing.

Couple Is Honored

Gerry and Judy Nash were honored with a surprise reception-dinner on Saturday, April 7, at Rick's Country Kitchen, to celebrate their 25th wedding anniversary.

Gerry and Judy Nash were married on March 31, 1959 in Elgin, Illinois. They have made their home in Friona for the past five years.

Hosting the dinner were the couple's children and their families, Rick and Lisa Nash and Justin of Friona, Dan and Kathy Nash and Holly of Amarillo, and Darron Nash and DeAnna Nash of Friona.

Tables were covered with white lace cloths. The centerpiece was white and silver roses in a silver vase. The three tiered cake was accented with white roses and silver leaves and had a large

silver "25" on the top. Pizza, spinach balls, fruit and chocolate fondue were served to thirty guests.

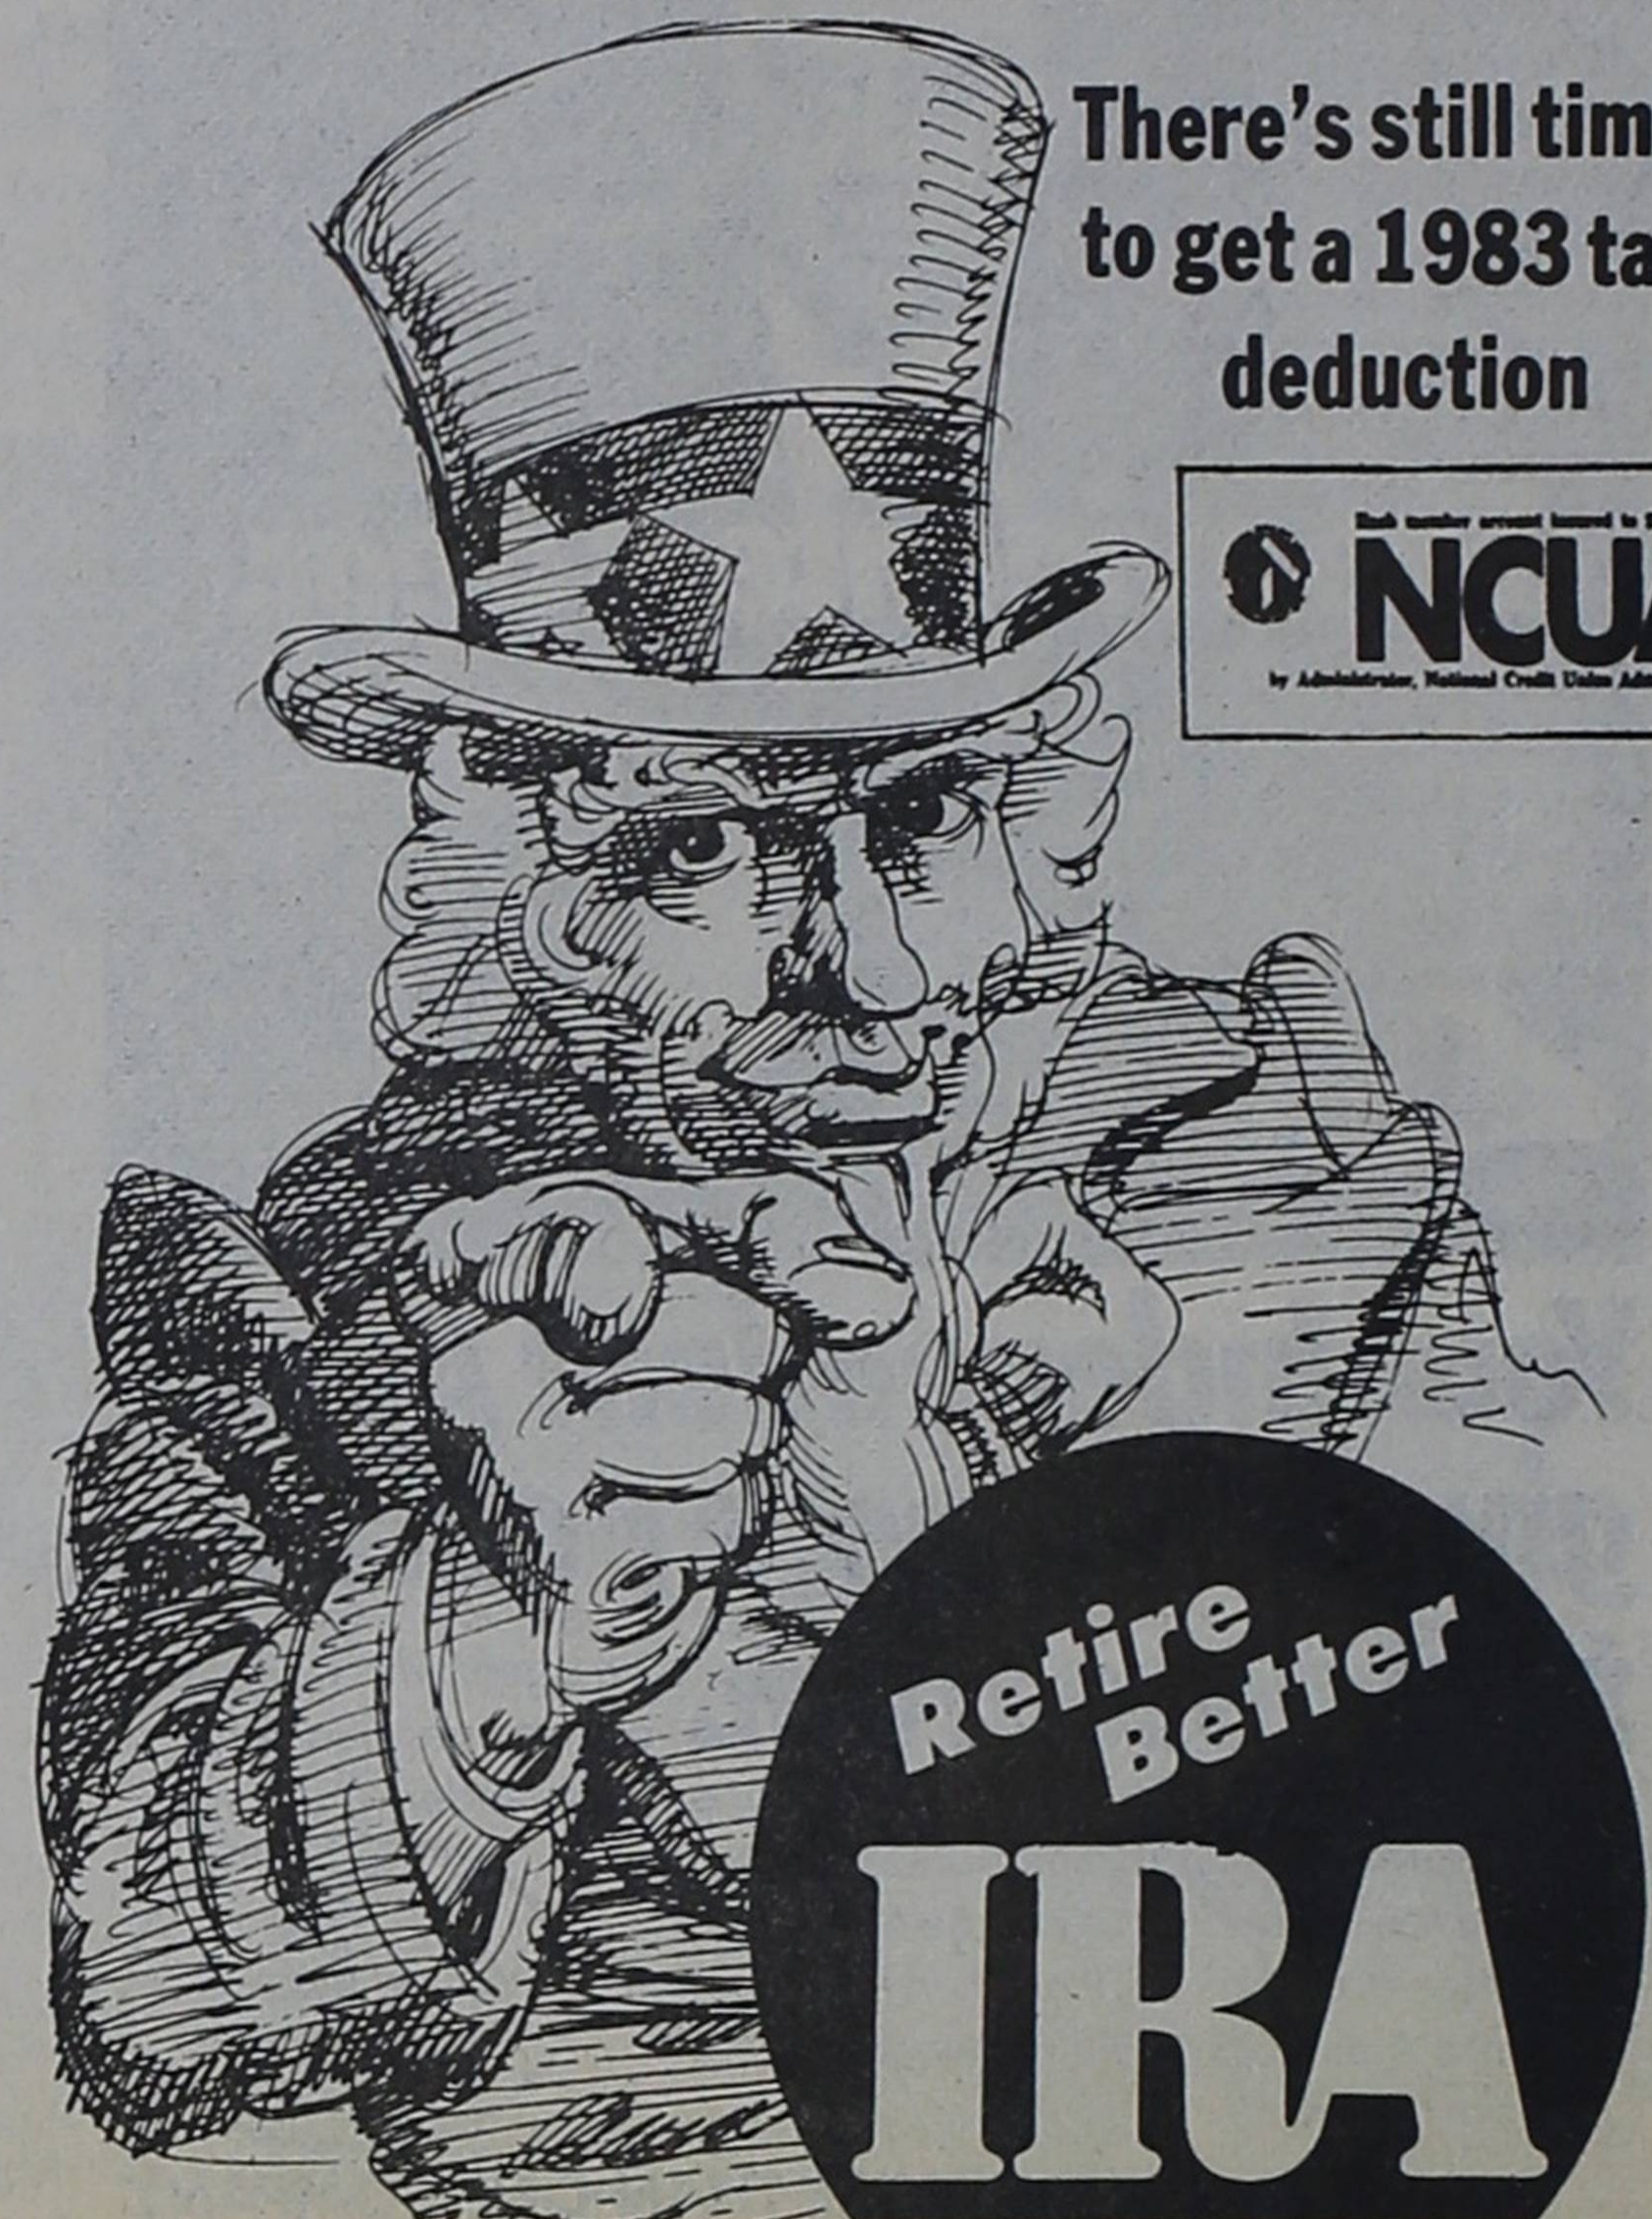

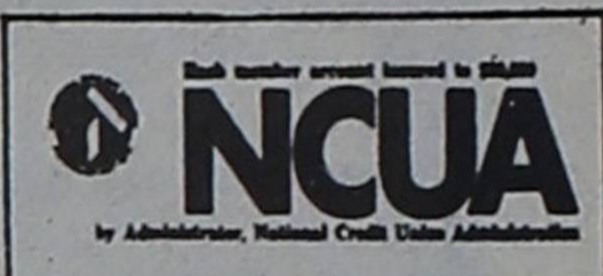

McCormicks Add Baby Boy

Jeff and Sharon McCormick of Pampa are the parents of a baby boy, weighing eight pounds, eight ounces and measuring twenty inches long. The infant has been named Michael Scott.

Grandparents are Mr. and Mrs. Buddy Stowers of Friona. Great-grandparents are Mr. and Mrs. Lawrence Gray of Bovina.

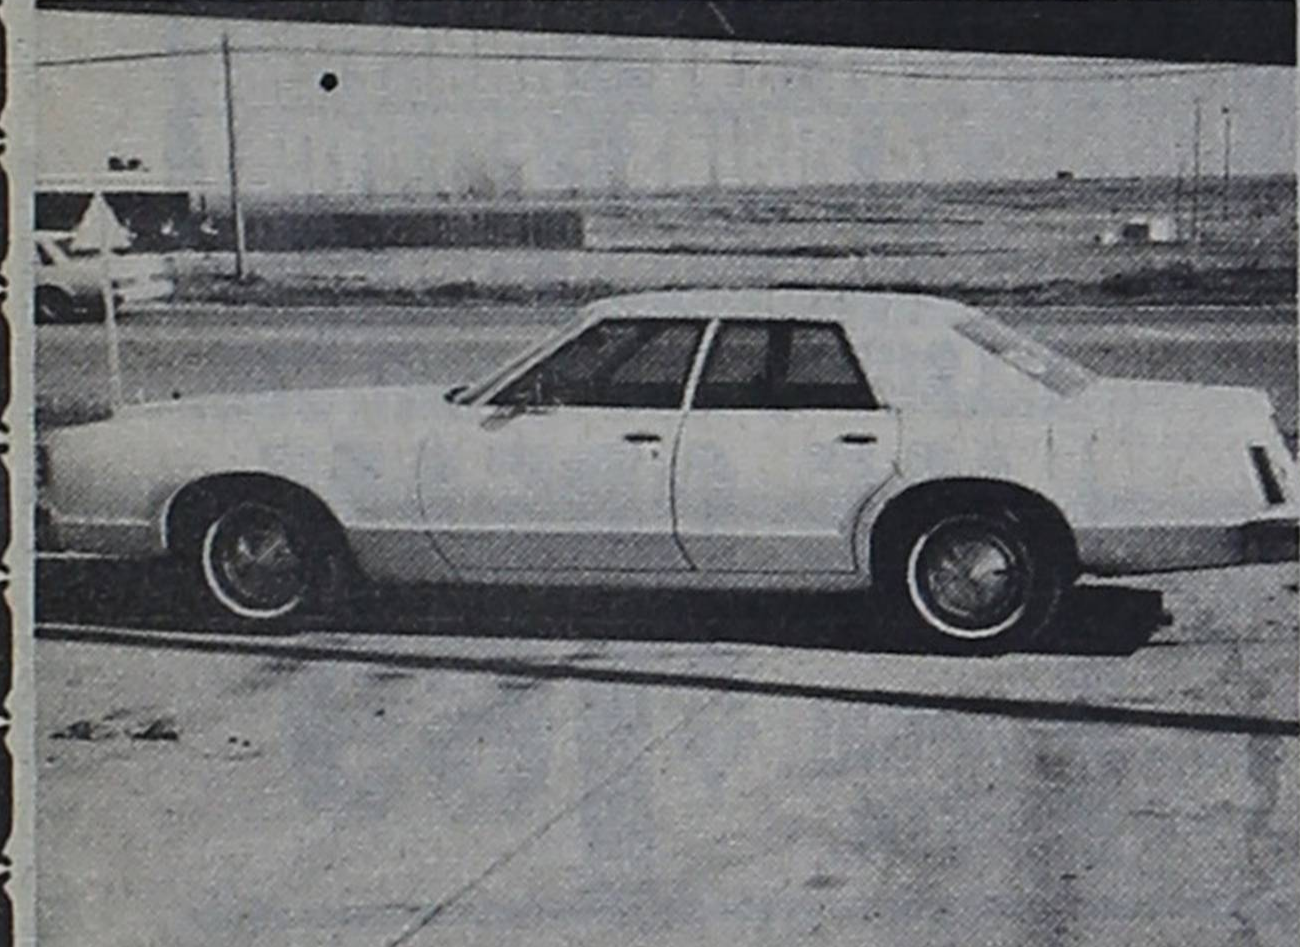

The couple has two other sons, Jeffrey, seven, and Bryan, six.

Candlelight Service Unites Kristi White, Mike Martin

Miss Kristi Kaye White became the bride of Mike Preston Martin in a formal candlelight service at 7 p.m. Saturday evening, March 17 in the sanctuary of the First Baptist Church of Hugo, Oklahoma.

Rev. Dale Kirkhoff performed the double ring ceremony. The service was taken from the Love Chapter found in I Corinthians. He also read a tribute written by the couple, to the parents during the lighting of the unity candle.

The bride is the daughter of Mr. and Mrs. Jimmy White of Ft. Towson. The bridegroom is the son of Preston Martin of Ft. Towson and Mrs. Malda Martin of Longview. The bride is the granddaughter of Mrs. Virgil Nowell of Ft. Towson, formerly of Muleshoe and Mr. and Mrs. L.R. White of Friona.

Mrs. Marlene Kirkhoff, organist, played traditional wedding music for the ceremony. Mrs. Debbie Mefford accompanied herself at the piano as she sang, "My Tribute." She also accompanied Brad Jewell as he sang "I Pledge My Love." Tresa Harber registered the wedding guests.

The altar was centered with a fifteen arch candelabra decorated with ivory tapers, an ivory bow, dusty

rose and burgundy daisies and two white doves. Flanking the candelabra were two nine-branch candelabras all holding ivory tapers and containing an arrangement of the bride's chosen flowers. The unity candle, made by the bride's aunt, Mrs. Linda Nowell, featured the couple's wedding invitation. It was accented with fresh baby's breath and an ivory bow.

The windows of the sanctuary were decorated with English ivy, seven brass candlesticks containing burgundy tapers with the center of the window decorated with white doves and dusty rose bows.

The pews were marked with dusty rose bows and an arrangement of dusty rose daisies and white doves.

The bride was escorted to the altar by her father and given in marriage by her parents. She wore a gown of ivory taffeta featuring a fitted bodice with a high victorian neckline. The gown featured a sheer yoke and bishop sleeves of ivory silk organza. Ivory pearl encrusted venice appliques accented the yoke all the way to the waistline in both front and back. The collar, pointed cuffs and the sheer sleeves also featured the pearl encrusted venice appliques. The a-line skirt also featuring the appliques in front was gathered on the sides and back and flowed into a chapel length train. Bands of chantilly lace encircled the skirt and the hemline was finished with the same lace.

She carried a bouquet of ivory silk roses, dusty rose camellia blossoms and baby's breath.

The chapel length veil of ivory illusion was attached to a pearl and ivory applique lace tiara. The veil also featured ivory pearl encrusted lace appliques and was finished on the edge with the same chantilly lace as her gown.

Kathi White served her sister as maid of honor. Danette Smith served as bridesmaid and Beth Martin, niece of the groom, served as junior bridesmaid.

The bride's attendants wore identical floor length dresses of dusty rose taffeta. They featured sweetheart necklines, Lady-Di sleeves and a cumberbun at the waistlines. They carried ivory lace fans decorated with dusty rose and burgundy silk flowers.

The groom wore an ivory tuxedo. The male attendants wore burgundy

tuxedos.

Darrel Martin served his brother as best man. Also his brother, David served as groomsman and Kyle White, brother of the bride, served as junior groomsman.

Clayton and Angie Martin, nephew and niece of the groom, served as ring bearer and flower girl. Angie carried an ivory lace umbrella decorated with dusty rose silk flowers. Clayton carried the rings on a pearl covered Bible belonging to the bride's mother. The Bible was opened to the Love Chapter and featured silk flowers.

Ushers were Jimmy Menefee and Thomas Henry.

For something old the bride wore two pennies minted in the year of their birth in her shoe. Her gown was new. She borrowed a locket belonging to her maternal grandmother. Something blue was a blue bow on her garter. She also wore a tuppence in her shoe, a gift from England.

The bride's parents hosted the reception in the Fellowship Hall of the church.

The bride's table featured a floor length crystal organza cloth, hemmed with the same lace as her gown and veil. The three tiered cake set atop a fountain stand containing the bride's bouquet. The cake was decorated with cornilla lace and silk flowers. The top was silk flowers and two white doves. The centerpiece was a hurricane globe with a dusty rose candle and silk flowers of the bride's chosen colors. Crystal appointments completed the table setting.

Lisa Hawkins and Sandy Horton served from the bride's table. Audra Wyatt and Tresa Harber served from the groom's table.

The groom's table featured an ivory cloth with brown roses embroidered on the front and finished with brown lace trim. The German chocolate cake was decorated to match the bride's cake. The centerpiece was also a hurricane globe with a brown candle and brown silk flowers. The table was completed with silver appointments.

Rice bags were featured on a table containing a bride doll made to match the bride's gown and veil.

In the houseparty were Mrs. Danny Rue Menefee, Mrs. Tina Menefee, Mrs. Gail Landreth, Mrs. Fran Damron and Mrs. Susan Smith.

For the wedding trip the bride

chose an ivory suit of silk shantung. The suit featured a fitted bodice and a peplum with a dusty rose dotted swiss blouse. She wore a corsage of ivory and dusty rose roses.

The bride is presently majoring in speech pathology at Southeastern State University in Durant, Oklahoma. The bridegroom is engaged in ranching with his father in Ft. Towson.

Out-of-town guests were Mr. and Mrs. L.R. White, Mr. and Mrs. Virgil Hughlett and Keith, Mr. and Mrs. James King, Mr. and Mrs. Dyle Vaughn, Mr. and Mrs. Thomas Vaughn, Larry Nowell, Mr. and Mrs. Henry Khars, Mr. and Mrs. Robert Martin and Daisy, Sherry and Cindy, Mr. and Mrs. Phillip Martin and Kim, Mr. and Mrs. Stanley Martin and Sabrina, and Mrs. Billie Watson.

REHEARSAL DINNER

A rehearsal dinner was hosted by the groom's father.

Mr. and Mrs. Mike Martin
