

School Expansion Is Mapped

Friena and those who live around Friena, have responded well, we think, to the appeal for funds to carry on work against infantile paralysis. Truthfully, we have been surprised with the general support that the MOD has had throughout the area.

It was our expectation that with the development and perfection of a vaccine that can, if used as recommended, remove the threat of polio, interest in the campaign to continue to raise funds would slacken.

This, as we see it, is another quirk of human nature. People apparently still seem ready to invest considerable sums of money in a nation-wide effort to conduct further research on the disease, plus care for those convalescing from its effects.

Meanwhile, you and this writer and millions of other Americans have procrastinated at taking the very simple steps necessary to protect us from poliomyelitis. The cost of inoculation is certainly not expensive.

The actual physical discomfort of having a needle jabbed into your arm three times is hardly to be compared with the pain of paralysis and adjustment from it.

Medical authorities report that since the vaccine has become generally available and restrictions on its use have been removed, a very small part of the population is going to the trouble to get protection.

And not too many months ago, when the vaccine had just been released and was in short supply, and "rationed" to some degree, a black market flourished among those who felt they could not wait to have themselves and their children "shot."

People truly are wondrous creatures.

Believe it or not, Jake Lamb and the writer have come to an agreement.

We both think that whoever wins the special election to fill Price Daniel's vacant U. S. Senate seat ought to get a majority of the votes—not just a plurality over any other candidate.

Jake figures that the good Democrats of Texas will split their vote up among the several Democratic candidates and allow a Republican (Had Hutchinson) to get the most votes and win the race—unless steps are taken to insure that there will be a run-off if no one gets a majority vote.

For this to happen would be more than a good Democrat like Jake ought to have to stand. We hope that Joe Pool gets his special legislation through so that whoever wins the election comes up with a majority of the vote.

That's the American way. Meanwhile, people like Jake and people like the writer will continue to split up the vote, just like Jake predicts. We think Martin Dies is the best man. Since Ralph Yarborough is running, we didn't bother to ask Jake who he's for.

There's no use in deliberately starting an argument, and we think we can figure this one out for ourselves.

The curb and gutter on West Fifth is really changing the looks of things. It's surprising how much improvements of this kind can alter familiar landmarks. We know it must be a relief to many property owners to see the curb and gutter come through, assuring them of greatly improved drainage facilities.

When the paving is widened to these improvements, West Fifth is going to be one of Friena's most attractive drives.

Very likely, some property owners are disturbed at losing sizeable chunks of their front yards to progress, but we believe that when everything is completed, even the most discouraged will admit that it was certainly a change for the better.

Our dad used to say, as he saw the Plains country settling up, "You'll never build a school too big or a road too wide." He has surely been right. If we had anything to add, it would be "Don't make the mistakes of building anything too close to a school or to a road."

Hoping to give our three-year-old son, Ronny, a lesson on the facts of life, we escorted him through the city jail Monday afternoon. We showed him the dreary steel cells and how the barred door would imprison anyone who had been disobedient.

There were two young men in jail at the time, and we pointed to them and told Ronny, hoping he would get the idea, "Now, son, that's what happens to big boys who aren't nice."

Ronny took all this in, and after we left, he offered his impression of the jail. "Daddy," he said, "those boys have beds just like me and Hal."

Hal is his brother, and the **Continued on Page 5)**

The diverse and perplexing problems of providing additional and needed expansion and improvements to the Friena Schools system crystallized Monday night as the school board took positive action to remedy the needs of growth as rapidly as possible.

In a nutshell, here is an outline of their history-making decisions:

1. Recommended a \$350,000 bond issue to provide funds with which to expand.

2. Hired the R. J. Edwards Company of Oklahoma City to handle bond work.

3. Decided to add seven class-

rooms onto the high school building, and enlarge the home economics and science departments of the high school.

4. Agreed on 10 additional classrooms for the grade school, plus study hall and office space, plus a new gymnasium to serve the growing physical education requirements.

5. Decided to locate the improvements (listed under number four) south of the present grade school building.

There are 28,000 square feet of recommended improvements in

all—about 10,000 for the high school and about 18,000 for the grade school—which the board hopes can be built for not more than \$300,000.

If patrons approve the suggested \$350,000 bond issue, that would leave a margin of \$50,000 which could be used to furnish and equip the planned improvements.

The action Monday night brought to a head the problem with which the board has been wrestling for months. From time to time, they have been undecided on how to go about providing for the needs of the growing enrollment, taking

into consideration the financial limitations of the district.

The \$350,000 issue, if approved, would be the maximum amount of bonds the school district could vote without altering the tax structure. It is the plan of the board to float this issue without either an increase in rate or valuations.

Two weeks ago, the board gave up its hopes for a new high school on acreage in the Staley Addition in the west part of town. The cost of an estimated \$550,000 would have been prohibitive. Present for the important meet-

ings were D. C. Herring, Hadley Reeve, Arthur Drake, Hoyt Smith, Cordie Potts, Fern Barnett, and Paul Fortenberry, all members of the board of trustees; plus Supt. Dillie Kelley, A. E. Butler of Butler-Kimmell, architects; and Ernest E. Dickey of the R. J. Edwards Company.

Dickey's company will handle most of the "paperwork" connected with the planned program, and he indicated that he can have petitions calling a bond election back to Friena to be circulated by this weekend. Dickey also said that the 3/4

of one percent fee charged for his services would be waived if he handled the sale of the bonds if they are approved by the special election.

On a motion by Fern Barnett, the board decided not to undertake its improvements under the new Public Law 116. That law, if approved by the district voters, would enable the administration to fluctuate the tax revenue in a way to more adequately care for retirement of indebtedness. It would not have meant higher taxes without the approval. **(Continued on Page 4)**

Squaws Finish First, Chiefs Pull Upset Of Year over Morton

Friena's Squaws wrapped up at least half of the District 3-A crown Tuesday night, and the Chiefs pulled the upset of the year. Both beat teams from Morton in crucial district contests.

The 50-41 dumping of Morton by the Chiefs toppled the Indians from the ranks of the unbeaten, and put them in a tie with Farwell for first place. In the preliminary, the girls notched first place in regular season play by a 59-49 score. They now must win the district tournament for the other half of the crown.

The Squaws' win over Morton had been expected. They led all the way and were never seriously pressed, although their lead was greater at some points of the game than it was at the final gun.

The boys game, though, was a different affair. The Chiefs had been stomped 67-48 in January when the two teams met at Morton. Prospects for an upset were drab.

It wasn't until right at halftime that Friena managed to take over the lead in the game, scoring having been nip-and-tuck until that time. They led 25-24 at the end of the second quarter.

The game continued close until the final three minutes when the Chiefs began to build up a sizeable lead. They previously had never managed to pull away more than

four points, and the game was tied twice in the third quarter.

An excited crowd of from 400 to 500 persons displayed their appreciation for the Chiefs' upset with loud demonstrations.

Hospital Manager Resigns

The board of directors of the Parmer County Community Hospital had its regular monthly business meeting Monday evening. Jimmy Baxter, manager of the hospital for the past 4½ years, submitted his resignation which will become effective June 7 unless a replacement can be secured sooner.

Those present were Lee Thompson of Farwell, Carl Schlenker, A. W. Anthony Jr., Sloan Osborn, G. B. Buske, Dr. Lee Spring, and Baxter.

Baxter, who is a graduate of Friena High School and the University of Oklahoma, is the son of Mr. and Mrs. L. R. Baxter of Clovis. He moved to Friena with his parents from Oklahoma in 1935.

He has been an employee of the hospital since April 15, 1951, and has served in the capacity of manager since May 15, 1952. The Baxters plan to move to Littlefield, where he will become co-owner of the Skaggs Drug Store in that city.

Baxter and Dan Skaggs, present owner of Skaggs Drug Store, were classmates at the University of Oklahoma and worked together at Tulsa before Baxter became associated with the local hospital.

City Fathers Take Breather

City commissioners had, for a change, a rather light business schedule Monday evening. Because of the absence of J. G. McFarland, who was out of town, they did not attempt to consider any unusually important business.

Firemen's call fees were acknowledged and ordered to be paid, and the request was made that these be turned in monthly.

Mileage reports from Officers Herman Helton, Jim Roberts, and Clerk Roy Wilson were approved and ordered paid.

City Attorney Bill Sheehan was on hand and a number of legal matters which have troubled the city for several months were mulled over. The difficulty in dealing with transient peddlers was once again discussed.

Clerk Wilson was instructed to write the Texas League of Municipalities to obtain details of the "Green River" ordinance with which some have had good success.

Sheehan reviewed the dispute between the city and Paul Strickland, a disagreement on the terms of damages for highway right of way, and Mayor A. W. Anthony and Commissioner Oscar Baxter listened attentively.

Attorney Sheehan pointed out that although the city has filed a request for a re-hearing, he does not expect favorable action on this motion from the Supreme Court.

The city's legal counsel then explained the grounds on which the court refused an appeal to reverse a decision held in the Court of Civil Appeals. "They said we (the city) didn't use proper methods in arriving at damages," he told the commission.

The Supreme Court did not give a written opinion on the law involved in the dispute, which turns the argument back to the county court level where it all began.

The attorney recommended that the city continue efforts to obtain a settlement outside of court. There was no action taken, but the **(Continued on Page 4)**

York Rites Held Tuesday Afternoon

Funeral services were conducted for Harold Vandever York Tuesday afternoon at 4 at the Friena Methodist Church with Rev. Hugh Blaylock officiating. York, who was found dead in his home Monday, had been a resident of Friena since 1930. He was born March 27, 1914, in Cleveland County, Oklahoma, and was a Veteran of World War II.

Survivors include five sisters, Millie Blair, of Chickasha, Oklahoma; Carrie Wade of Purcell, Oklahoma; Ethel Blanchett of Oklahoma City; Cappie Rogers of Chickasha; Melba Webber of Noble, Oklahoma; two brothers, Edd York of Graham, Texas, and John York of Purcell, Oklahoma; two daughters and one grandchild.

Following the services here, the body was taken to Purcell for services and burial. Claborn Funeral Home of Friena was in charge of funeral arrangements.

Coffee Drinkers Add \$70 to MOD Coffers

The March of Dimes "coffee day," observed by local townspeople on Wednesday, January 30, has added nearly \$70 to the polio drive coffers, reports Mrs. Leonard Coffey, Friena MOD chairman for 1957.

With MOD activities drawing to a close, the American Legion dance Saturday night marked a climax to fund-raising activities. "As a whole, local response to the drive has been favorable, although not as good as we had expected," Mrs. Coffey said this week. "As chairman of the drive, I would like to offer our special thanks to the Friena fire department for its contribution of \$100, recently presented."

Individual donation containers are now in the process of being collected and should be assembled and tallied sometime soon. Announcement of the total of the contributions is expected to be given this week.

City commissioners had, for a change, a rather light business schedule Monday evening. Because of the absence of J. G. McFarland, who was out of town, they did not attempt to consider any unusually important business.

Firemen's call fees were acknowledged and ordered to be paid, and the request was made that these be turned in monthly.

Mileage reports from Officers Herman Helton, Jim Roberts, and Clerk Roy Wilson were approved and ordered paid.

City Attorney Bill Sheehan was on hand and a number of legal matters which have troubled the city for several months were mulled over. The difficulty in dealing with transient peddlers was once again discussed.

Clerk Wilson was instructed to write the Texas League of Municipalities to obtain details of the "Green River" ordinance with which some have had good success.

Sheehan reviewed the dispute between the city and Paul Strickland, a disagreement on the terms of damages for highway right of way, and Mayor A. W. Anthony and Commissioner Oscar Baxter listened attentively.

Attorney Sheehan pointed out that although the city has filed a request for a re-hearing, he does not expect favorable action on this motion from the Supreme Court.

The city's legal counsel then explained the grounds on which the court refused an appeal to reverse a decision held in the Court of Civil Appeals. "They said we (the city) didn't use proper methods in arriving at damages," he told the commission.

The Supreme Court did not give a written opinion on the law involved in the dispute, which turns the argument back to the county court level where it all began.

The attorney recommended that the city continue efforts to obtain a settlement outside of court. There was no action taken, but the **(Continued on Page 4)**

DR. RAY JOHNSON

Methodist Revival Will Start Sunday

The Friena Methodist Church will start a week-long revival meeting Sunday. Dr. Ray N. Johnson will be visiting evangelist and will give the devotionals for the men's breakfasts Monday and Tuesday at 6:30 a. m.

In charge of singing will be Rev. David Binkley. He also will conduct morning devotionals for the youth at breakfast services starting at 7:30 each morning. Morning worship services will be at 10:30, evening services at 7:30.

REV. DAVID BINKLEY

Mr. and Mrs. Prentis Vaughn and children and Mrs. T. H. Vaughn of Fort Worth were weekend guests in the home of Mr. and Mrs. Bob Ginsburg, Mrs. Prentis Vaughn and Mrs. Ginsburg are sisters.

Local Church Has New Pastor

Rev. and Mrs. Arthur C. Lutz and children moved to Friena last week from Bartlesville, Oklahoma. Rev. Lutz began his new assignment as pastor of the local United Pentecostal Church, Sunday morning. He has been an ordained minister for the past 21 years.

Rev. and Mrs. Lutz have four children. All of them live at home. They are Etta Mae, 18; Drusilla Ann, 16 and a sophomore in Friena High School; Naomi Ruth, who is a freshman, is 14; and Paul Wayne is twelve years old and in the sixth grade.

Although Lutz is a native of Texas, having been born near Huggins, he has never lived in this section of the country since he was quite small. His first impression of Friena was that he would have wonderful co-workers in his work.

Friena Chamber Directors To Meet

Directors of the Friena Chamber of Commerce will meet Tuesday evening of next week to map out a program for the chamber during the coming year.

President J. C. Claborn has underscored the importance of this meeting, which will set the pattern for the group's activity during the months to come. Committee assignments will be made, and goals for each committee established.

Directors include Judge Kendrick, W. H. Graham Jr., Andy Hurst, Joe Douglas, Ralph Wilson, Hank Outland, and Claborn.

The meeting starts at 7:30, and will be in the chamber office in the Legion Hall.

Father of Hurst Dies in Spurr

A. J. "Andy" Hurst Jr. was in Spurr Monday to attend the funeral of his father, Andy Hurst Sr., who died there Sunday afternoon. The senior Hurst's death was unexpected, according to family friends.

Rev. Cal C. Wright officiated at services in the First Methodist Church, and was assisted by Rev. U. S. Sherrill of Lorenzo and Rev. Hugh Blaylock, pastor of Friena Methodist Church.

Attending the funeral from Friena were Charlie Mercer, Mr. and Mrs. Tom Pruitt, Mr. and Mrs. Charles Scales, Marie Robinson, Mrs. Grace Hart, and Mrs. A. V. Campbell of Bovina.

Legion Makes \$125 on Project

The American Legion March of Dimes "Dance and auction sale netted \$125 to the local March of Dimes fund. It was held in the American Legion hall Saturday evening. Music was furnished by Delmer Shirley, George, Don, and Gwen Green.

Local merchants donated the following items for the auction: One pair of sheets and pillow cases, Hurst Department Store and White Auto Store; 20 lbs. sugar, Houser Grocery; luggage, Ware's; screen door grill, Rockwell Bros. & Co.,

Lumbermen; wash and grease job, Gaines & Smith Texaco Service; 2 model tractors, Herring Implement Company; and 2' steak 'dinner, Mary's Cafe;

Also, irrigation dam, Friena Motor Company; 2 grease jobs, Truitt & Hundley Texaco Station; can of deodorizer and lighter fluid, Day Gulf Station; wash, grease, and oil change, Wimpy's Mobile Service; 5 lbs. coffee, Piggy-Wiggly; fish dip net, Friena Consumers; set of dominoes, Allen's Jewelry;

2 lb. box of candy, Bi-Wize Drug; Also, box of cigars, Corner Grocery; pipe rack, Vestal-Brewer Hardware; television lamp and clock, Claborn furniture; 4 freezer storage bowls, Parmer County Implement Company; 5 quarts oil, Bert Shackelford; 6 quarts oil and motor tune up job, Jim Guinn's Repair Shop; set of tools, Maurer Machinery Company; 3 pair socks, Foster's Dry Goods; 9' wood plane, McCaslin Lumber Company; 5 lbs. coffee, Villa Cafe.

Black Community Nets \$400 for MOD

Miscellaneous "white elephant" articles auctioned off at a special fund-raising event at the Black community Monday night netted \$400 for the March of Dimes. Also contributing to the total was a special fee assessed for admittance, based on weight of each person attending.

Special out-of-town guests were "Honest Jess" Williams and Forrest Hanson of KGNC-TV,

Amarillo, and Dr. Paul Spring of the Parmer County Community Hospital. The two Amarillo visitors furnished the entertainment and Dr. Spring discussed poliomyelitis.

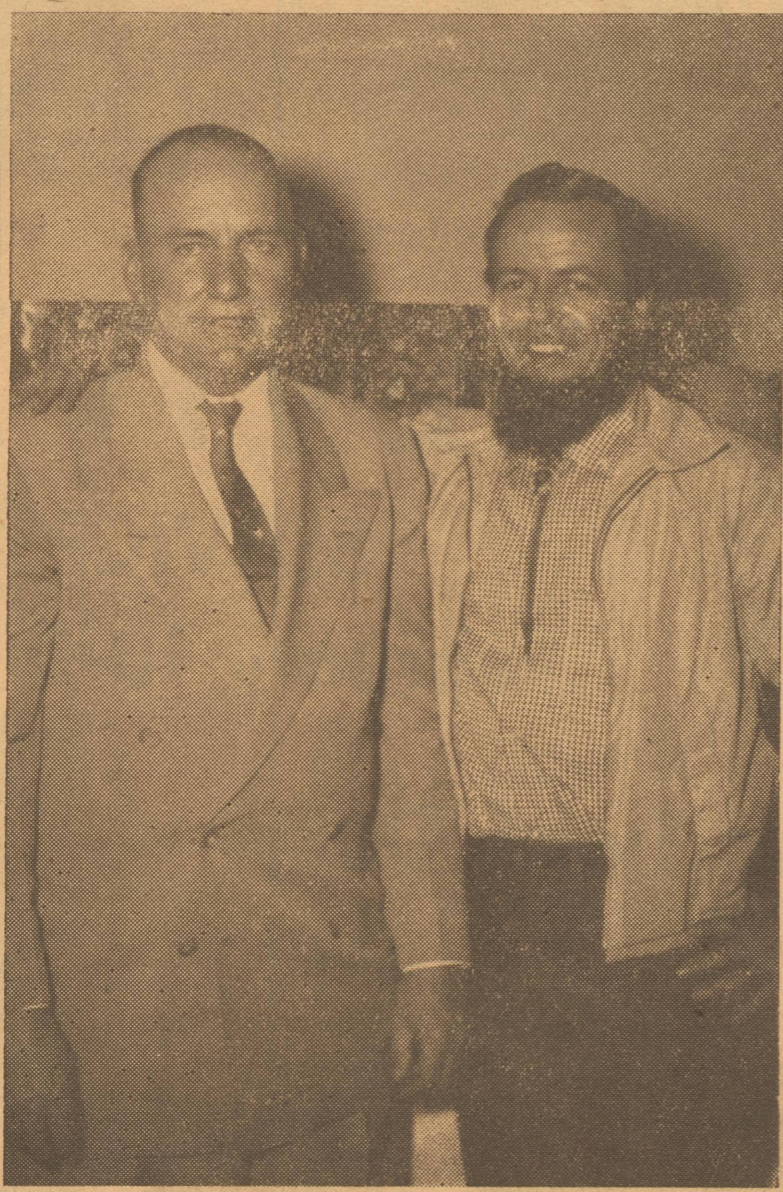

"The fight isn't over yet by any means," he told the almost 100 people on hand. The doctor, who is county health officer, stressed the fact that children from six months to adults through 45 years should have the Salk vaccine series.

Dr. Spring also emphasized that the vaccine is safe and that every precaution has been taken to insure this fact.

Other guests from Friena included Mrs. Spring, Raymond Euler, Charles Allen, and Floyd Crume. Joe Jones, county agent, and Gilbert Kaltwasser, Parmer County Farm Bureau president, attended from Farwell.

Pete Braxton, president of the community organization, served as master of ceremonies. Bill Brattin sang a solo, and Jones commented on a rural safety program and also a "Save the Soil and Save Texas" contest, both of which were entered by Black this year.

A big "serve yourself" home-cooked meal helped get bidders in the proper frame of mind for the auction.

HAVE FUN FOR MOD—J. R. "Pete" Braxton, left, and "Honest Jess" Williams of KGNC-TV, Amarillo, helped make the Black community March of Dimes program a success Monday evening. Braxton served as master of ceremonies, and Honest Jess conducted an auction of "white elephants" to raise money for the MOD.

THE STAR'S EDITORIAL COMMENT

All for Nothing

We would again make the observation that most people don't appreciate the time and effort that the commissioners spend to keep the city running. In the 10 months we have covered city happenings, we have seen a marked increase in the things the commission has to worry with. And it's going to get worse—not better.

We feel that some of the stories we have had on commission meetings have helped the average citizen realize what a big job running Friona is getting to be, but we'd like to add emphasis in this editorial.

We feel very strongly that the men who serve unselfishly as our city dads should have some kind of compensation for their long hours. If not in cash a com-

modify the city always finds itself pretty short on), then in some of its fees for services such as water, sewer, and so forth.

We are not suggesting any specific thing, or any specific amount. We just believe that folks ought to start thinking about giving the commissioners something for their work, besides a good chewing out over time the water bill is too high or tax statements are mailed.

Friona and Farwell Play Next Tuesday

Friona's Chiefs, "giant killers" of District 3-A, and the Squaws, champions of round-robin season play and heir-apparent to the District 3-A girls throne, meet Farwell for the last regular games of the season Tuesday night.

Farwell, a long-time inter-sectional foe and now a conference competitor, will be host for the season-ending games. Depending

on how Farwell and Morton come out tomorrow (Friday) night, the game could be important for the boys. The Parmer and Cochran county boys teams are tied for the regular season lead at the present.

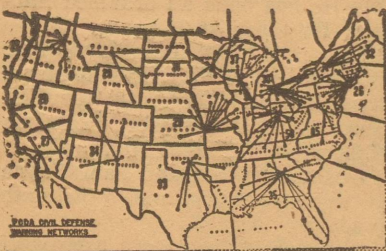

The district tournament will be played February 19-22 at Springlake.

If you really appreciate a clean community, why not do what you can to help keep it that way? Don't be a litterbug.

Mr. and Mrs. Nelson Kimball of West Covina, California, were weekend visitors in the home of Mr. and Mrs. M. B. McKinney and children. Mrs. Kimball and Mrs. McKinney are sisters.

CIVIL DEFENSE 'KEYPOINT' for Los Angeles is typical of some 200 such communication centers throughout the nation maintained by local civil defense. In less populous areas, "keypoints" are often police or fire stations, where someone is always on duty. They depend on the Federal Civil Defense Administration's 14,180-mile warning net (inset) to link them to Air Force air defense division control centers. Keypoints notify, in turn some 3,500 "sub-keypoints" which set off sirens and call out civil defense personnel.

Membership Drive Planned by Group

The Rhea Farm Bureau held its regular monthly meeting Friday evening at the parish hall. The business meeting was presided over by Franklin Bauer, president. Plans were made for the membership drive which will be made in the near future.

The featured attraction of the March meeting will be a pot luck supper. At this meeting plans will be made for the community to enter the Rural Neighborhood Progress Contest which is sponsored by the Farmer-Stockman magazine and the Extension Service. Every resident of the community is invited to attend by members of the Farm Bureau.

A social hour followed the business meeting. After a game session, the hosts, Mr. and Mrs. Walter Schueler and Mr. and Mrs. C. G. Drager, served cake, cookies, hot chocolate, and coffee.

Floyd Schuelers to Return Home

Mr. and Mrs. Floyd Schueler are expected to arrive Sunday afternoon from Fort Leavenworth, Kansas, where Schueler has been stationed with the U. S. Army for the past several months.

Schueler, who is the son of Mr. and Mrs. Robert Schueler Sr., is a 1953 graduate of Friona High School. He is married to the former Glenda Meeks of Vega, and the couple will be at home on a farm in the Rhea community.

To Midland

Mr. and Mrs. Bert Shackelford spent the weekend as guests in the home of Mr. and Mrs. Ray Hurst and children at Midland. Mrs. Hurst is the daughter of the Shackelfords.

WARM THOUGHT

At an examination of a class in first aid, a member was asked: "What would you do if you found a man in a fainting condition?"
"I'd give him some whiskey," was the answer.
"And if there were no whiskey?"
"I'd promise him some."

Feed grain prices generally are expected to average slightly higher than last year for this winter and continue into spring, says John G. McHaney, extension economist. Prices of oats and grain sorghums are expected to continue higher relative to corn than in 1955-56, due to smaller production of these grains and a larger U. S. corn crop.

"God and My Country" National Boy Scout Theme

Preparations were underway this week for special Boy Scout activities to correlate with scouting programs the nation over.

These special activities are being conducted in observance of National Boy Scout Week, February 6 through 12. This week marks the 47th birthday anniversary of the Boy Scouts of America and is being celebrated by more than 4,500,000 Cub Scouts, Boy Scouts, and Scout leaders in America.

According to J. Sanders, Friona Scout leader, the theme of the week's activities is "Onward for God and My Country" and Boy Scout Week 1957 witnesses the close of the first and successful year of the organization's four-year program emphasizing this theme.

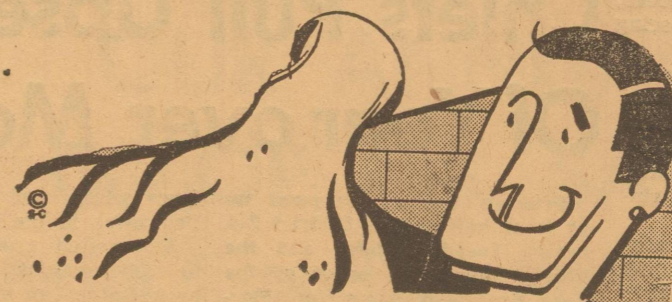

The program, initiated nationally in 1956, seeks to give every boy an opportunity to develop physical fitness, self-reliance, a sense of personal responsibility, a spirit of helping people, a willingness to share, and understanding of the government's democratic processes, and a firm spiritual foundation.

Special emphasis is being placed on "Duty to Country" by highlighting the spirit of service as a natural expression of good citizenship.

Special recognition of the Boy Scouts will be given in churches of all faiths on this coming Sunday. Scouts and Scouting leaders are urged to attend services in uniform.

TAX-MAN SAM SEZ

It is too late to keep complete records to support your income tax return for 1956, in fact, you may already have filed your tax return for 1956. Even if you are still working on your 1956 income tax return, the only thing you can do about 1956 records is to gather them up and keep them. Your 1957 records are a different story. You ought to keep records to support every deduction on your 1957 income tax return. It may pay you to use the standard deduction but, if you have records, you can choose either a standard deduction or an itemized deduction, whichever is to your advantage.

Keep 'Em Running!

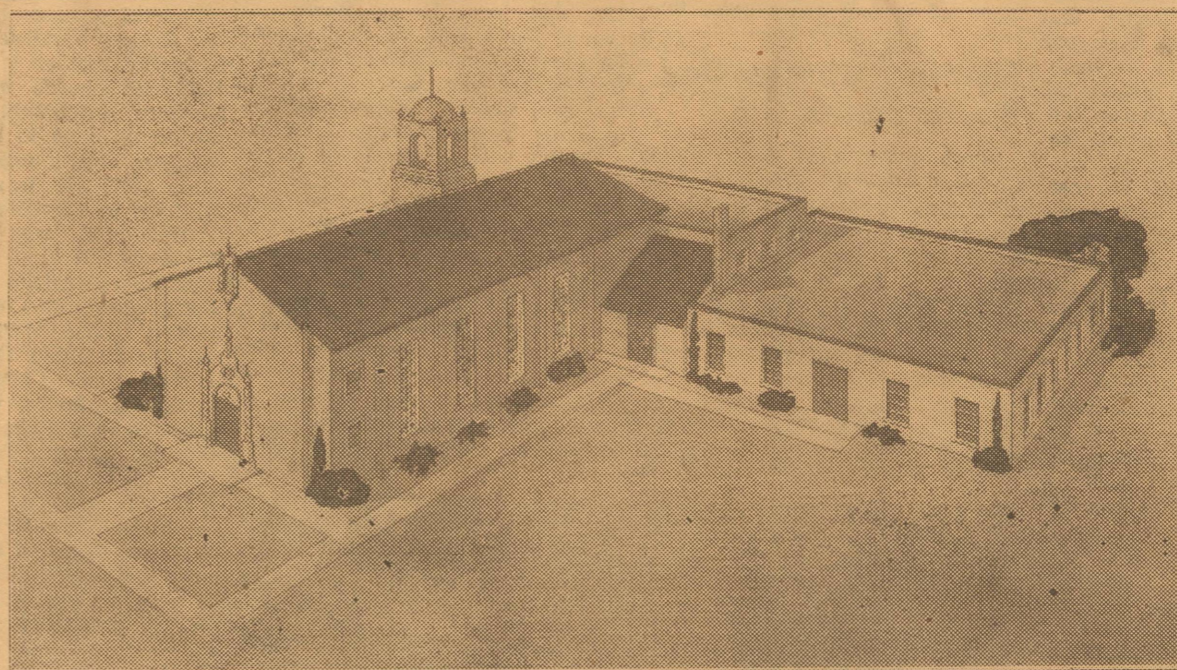

Those irrigation wells on the farms of this area are mighty important to everyone—and we're interested in helping keep 'em running.

Quick, dependable service, plus high quality fuels and lubricants is our contribution to the productivity of the irrigated High Plains.

Ted Sanders Writes Of Unknown Soldier

Editor's note: The following is a verbatim composition of a Friona High School sophomore, Ted Sanders. Entitled "Missing in Action," it was presented to Mrs. H. T. Magness, an English teacher in the school. The author has been recognized for the powerful thought content and writing technique contained herein. We print it for your consideration.

MISSING IN ACTION

By Ted Sanders

In our nation today there are the memories of famous men like Washington, Lincoln, Franklin and others. I am one of the most famous of these famous men. I am the man who came to his country's aid in her greatest hour of need.

I saved our country in one of our great world wars.

All I have done will be remembered through the ages. I may have been a rich man's son, a minister's son, or I might have been a no-good "bum." It took a great amount of courage to do this fantastic deed that has been recorded in history as a symbol of freedom.

I may have run away from home to join the army or maybe I was drafted. I may have a wife and child living somewhere, nobody knows. Some parents may have thought I was one of their sons who was missing in action.

When I joined the army, my buddies considered me as a nobody, but I didn't mind because I

knew I was called to the service for a purpose. The jobs I got in the army might have been cook, an M. P., or maybe I was just an ordinary soldier.

In a few years the President of the United States will order the building of new tombs around mine for the graves of other soldiers. The President has already honored me with all the medals that any one soldier can receive.

In the last days of this great world war, one man had a great decision to make. Nobody could help me make this decision. I might have shot down a fleet of enemy planes or carried a bomb

that blew up a company of enemy soldiers.

The only reason I did this was to save the lives of my comrades, and to make sure that my country would always be free.

The next time that you forget all the privileges you have in America, just drop by and see me—in the tomb of The Unknown Soldier.

Control Cotton Seedling Disease For Better Yields

College Station—Seedling disease has cost Texas growers an estimated 426,000 bales of cotton during the past five years says a report from the Cotton Disease Council.

Harlan E. Smith, extension plant pathologist, offers suggestions for halting these losses. Plant, he says, when the soil temperature, at about 7 a. m., is 68 to 70 degrees F. at a depth of 3 to 6 inches over a 3-day period. Treating the planting seed is good insurance especially against seed borne diseases but once the plant is growing, the protective period is over, says Smith.

The presence of seedling disease should not be considered a failure of seed treatment because the disease may be either seed or soil borne. Seed treatment has greatly reduced cotton replanting, and made possible earlier planting. Fungicides for use in the furrow at planting time may be recommended in the near future and should lengthen the protective period of the treatment, says Smith.

Plant food nutrients have some effect on the development of seedling blight diseases and Smith says a proper balance between the main nutrients seems to be important. He suggests planting only mechanically or acid-delinted certified seed on well pulverized, raised seed beds. Plant only deep enough to obtain good germination for the desired stand, he adds.

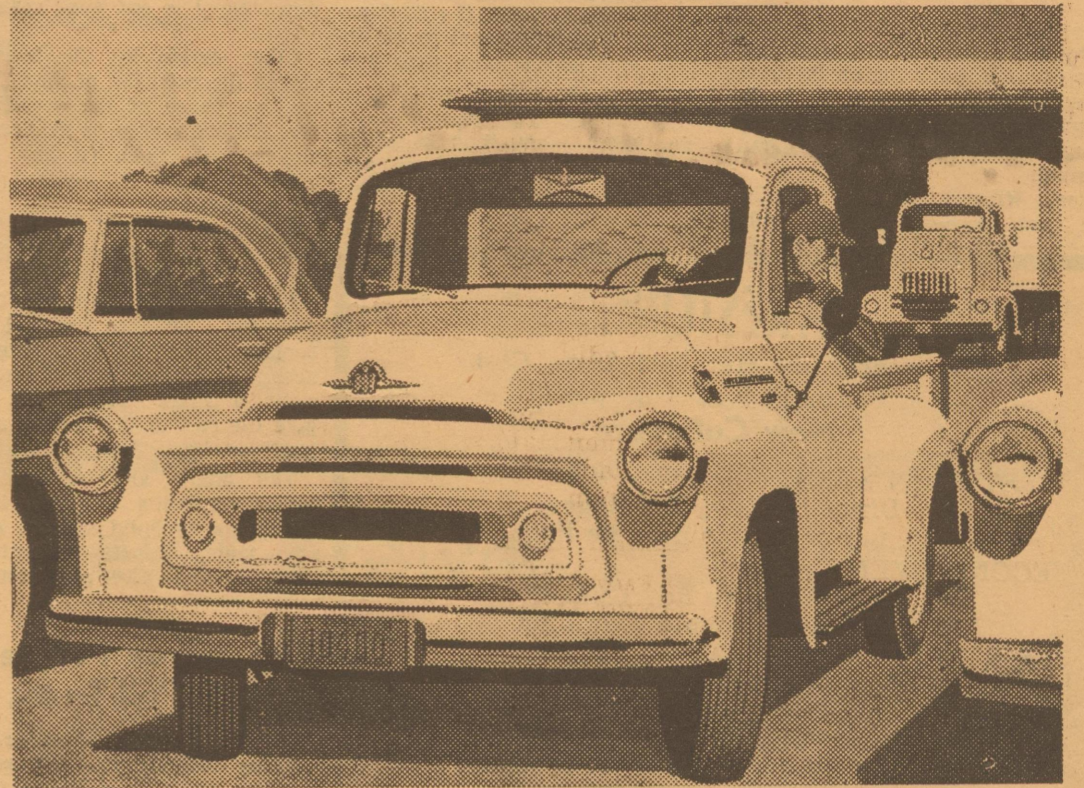

The use of a rotary hoe will help dry out soil around small seedlings and help provide growing conditions for disease resistance. Years of research have shown, says Smith, that planting rates in excess of 25 to 30 pounds

of seed an acre increases the chances for seedling diseases. Finally, the specialist points out that research has indicated that

soil fungi cause cotton seedling disease and most are present in all Texas soils. Any one or more of the fungi in various combina-

tions can be responsible for seedling diseases. Cold, wet northern provide ideal conditions for fungus attacks on the cotton seedling.

Come in and take our "HANDLING EASE TEST"

Trucks for every job, from the world's most complete truck line—1/2-ton pickups to 90,000 lb. models.

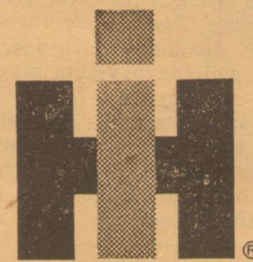

There's only one way to find out if an INTERNATIONAL handles the way you want a truck to handle—and that's to drive one yourself.

That's why we extend this invitation to you:

Take an INTERNATIONAL out on the road. See how it handles. Try it on rough stretches. Back it, maneuver it, jockey it into tight spots. Compare it point for point with your present truck.

We are confident you will find INTERNATIONAL the sweetest-handling truck you've ever driven (even sweeter with optional Power Steering!)

Make us prove that we're right! Come on in and take our IH "handling ease test." It's a real convincer!

Over the years INTERNATIONAL TRUCKS cost least to own! (and owners' cost records prove it)

City Has Light Work at Meeting

(Continued from Page 1)

attitude of the commission seemed to favor this suggestion. However, discussion that went along with the subject seemed to indicate that the city would again be willing to go to court to obtain a settlement if that seems necessary.

The city's negotiations with Pioneer Gas Company for an increase in fees charged the firm for book-keeping services and office space brought to a close the abbreviated meeting.

Clerk Wilson told the commission that he has received "only

\$125" from Pioneer for the services for February. The city has requested that the remuneration be increased to \$200.

"I told Johnny Sims (Hereford Pioneer office manager) that if the amount paid us wasn't \$200 by March 1, I would presume they are not accepting our offer," said Wilson.

He previously has requested the commission to ask the utility company to seek housing and assistance elsewhere, with the explanation that the additional work involved was worth more than \$125 a month to the city.

Since 1910 more than 26,000,000 boys and leaders have been active in the Boy Scouts of America.

School Expansion Finally Charted As Board Makes Move

(Continued from Page 1)

al of the district's taxpayers. The aim of the trustees at the present is to get preliminary work taken care of in time for actual construction (if approved by the voters) to get started by the time school is out next spring.

Other action by the board included the re-hiring of Supt. Kelley for two years at the present salary. Earned increases in increment and a state raise (if any is approved by the legislature) would be in addition.

Herring, president of the board, expressed the group's satisfaction with the administrator.

Kelley said, in answer to the offer for a two-year renewal of his contract, "As far as I know, I'll accept the contract. I wouldn't want a raise unless you could give the rest of the faculty a raise too."

The board also approved the superintendent's request to get quotations to build a fence around the tennis courts—estimated to cost between \$200 and \$300.

298 Friona People Render Poll Taxes

Reports from the Ethridge-Spring Agency indicate that 298 poll tax receipts have been issued to Parmer County people through Dan Ethridge.

Ethridge, who arranged with Lee Thompson, county tax assessor, to have receipts issued in Friona and was deputized to handle public funds, issued the first receipt on Saturday, January 12.

The deadline for rendering the \$1.75 poll tax payment was Thursday, January 31.

Exemptions were allowed to persons 60 years of age or over, and to those people just turning 21 and becoming eligible to vote for the first time.

Wright Joins SCS Staff

The newest member of the Soil Conservation Service staff is Milburn Wright, who is a January graduate of Texas Tech. Wright, who grew up on a stock farm near San Angelo, is the son of Mr. and Mrs. Milburn Wright of Miles, Texas. He is a graduate of the Miles Rural High School.

Wright makes his home in the Joe B. Collier apartment in Friona, attends the Baptist Church and enjoys baseball. His hobby is baseball and he coached a Little League team last summer.

More Texas radio and television stations than ever before regularly broadcast or telecast market news on farm commodities. This fact was established by a recent USDA survey which showed 118 radio and 14 TV stations in Texas carried market news information. One-hundred forty one radio and 21 TV stations in Texas answered the survey questionnaire.

Three Arrests Made During Past Week

Three arrests were made by city officers during the past week, resulting in the detention of all in the city jail for at least a time, and the fining of two of the pick-ups.

On Friday evening about 10:45, James Hugh Sullivan, 47, Amarillo, was arrested about one-half mile west of the city limits after the car in which he was sitting had been struck from the rear by another vehicle.

Witnesses reported his car was stopped on the highway and the driver of the colliding car did not see the immobile vehicle until too late to avoid collision. Damage was minor, however. The car was occupied by two Clovis men.

Highway Patrol officials were summoned and cooperated with the city in making the arrest. The man was jailed for the night and charged with being intoxicated in a public place.

He pled guilty and was fined \$60 the next morning by Judge Walter Loveless in corporation court. Sullivan paid the fine and was released.

Sunday morning about 4 o'clock, Night Patrolman Herman Helton arrested Alberto Ramirez, about 21, and Alonzo Ramirez, 23, of Littlefield. They were removed

from a car in the city limits. Both were jailed and the former was fined \$80 the next morning in corporation court on a charge of drunkenness, to which he pled guilty.

The latter, who was driving the car, was charged with driving while intoxicated, and was released to the custody of county officers Tuesday. He was taken to Farwell by Deputy Jim Roberts.

It Pays To Know About Tax Matters

Most folks don't like to think about their income tax during Christmas week or any other time for that matter. It does pay, however, to be educated in tax matters. The Internal Revenue folks like for everybody to start work on their tax returns after Christmas. What sort of Christmas gift do you get for that? None! It is interesting to note though that come January 1st, Uncle Sam owes 55% to 60% of the taxpayers money. So it would appear that most of us get some of our money back from the Government instead of the Government getting more from us at income tax filing time.

Sixty-one free nations have Boy Scouting.

Magnolia Station Has New Management

J. W. Wemken Jr., who moved here last week from Odessa, is the new owner and operator of the Magnolia Service Station at the intersection of Main and Highway 60. Wemken, who is better known as "Wimpy," has been connected with service stations for about 14 years.

Mr. and Mrs. Wemken and their five children are currently residing in the rent house of Ed Massey.

The family attends the Church of Christ.

Complete automobile servicing is offered by the station and an invitation is extended by Wemky to everyone in Friona and the surrounding trade area to drive in for courteous service. C. H. Veazey and Elwood Vaughn will continue as employees of the station.

Bass can recognize colors very well, and some red on a lure seems often to induce them to strike.—Sports Afield.

Clings to the road like a stripe of paint!

The '57 Chevy can give lessons on taking curves and holding the road to just about any car going. Few cars at any price are so beautifully balanced and so smooth, sure and solid in action.

A car has to have a special kind of build and balance to keep curves under control. And nobody outdoes Chevrolet in that department! It "corners" with all the solid assurance of an honest-to-goodness sports car. Chevy doesn't throw its weight around on turns because it carries its pounds in the right places.

And if the road should turn upward, Chevy can take care of that nicely, too—with up to 245 h.p.*

Come on in and take a turn at the wheel of a new Chevrolet.

*270-h.p. high-performance V8 engine also available at extra cost

Sweet, smooth and sassy—that's Chevrolet all over. Above, you're looking at the Bel Air Sport Coupe.

Trebelaire's Guests On Television Show

The Trebelaire's, a group of 12 Friona High School girls, have been invited to display their vocal talents on Garland "Cotton John" Smith's 30-minute television program over KGNC-TV Saturday.

The program, which will start at 5, will feature 20 minutes of singing by the girls. After the TV appearance, they will go to the Amarillo Air Force Base, and then to the USO. Valentine will be the theme of all their appearances.

Also to make the trip will be Mrs. Eva Miller, director, Mayor A. W. Anthony and Charles Allen. Larlene Stowers is accompanist.

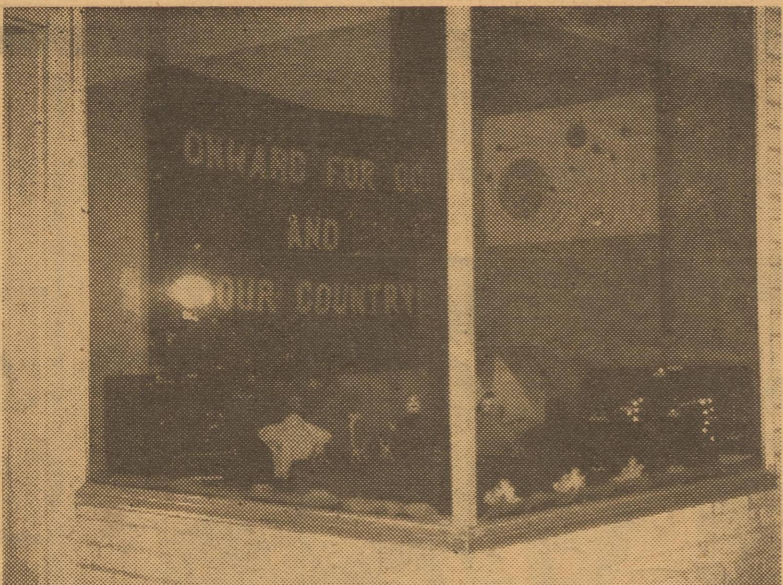

The Trebelaire's include Johnnie Hand, Betty Agee, Luann Hardesty, Lila Buske, Nancy Outland, Janice Miller, LaVon Fleming, Linda Gee, Jacquelyn Magness, Eva Nell Thomas, Phila Mae Buske, and Doris Jane McFarland.

This is the second time for the girls to be on Cotton John's show.

The record mako shark is a 1,000-pounder taken of New Zealand in 1943 by B.D.H. Ross.—Sports Afield.

About 20,000 Coturnix, or Japanese quail, will be released for hunting next spring. — Sports Afield.

CUB SCOUT DISPLAY—In observance of National Boy Scout Week, which began yesterday, all dens of Pack 57 of the Friona Cub Scouts cooperated in making the above display in the window of Bi-Wize Drug.

Window Display By Cubs

All of the dens of Pack 57 of the Cub Scouts have taken part in the preparation of the window display in observance of Boy Scout Week in America. This week is to observe the 47th anniversary of Boy Scouting in America.

The window arrangement was under the supervision of Mrs. O. J. Beene and Mrs. S. T. Thornton. Those assisting these two were Mrs. Jimmie Buckley, Mrs. James Mabry, and Mrs. Truett Johnson. The material on display represents every phase of study which the boys have engaged in during the past six months. Some of the things on display are a collection of puppets which were molded and painted by the boys, charts on the solar system, Puerto Rican instruments, molded figures of the bobcat, wolf, bear, and lion badges, and animals which were made of pipe cleaners.

The scrapbook was made by Larry Johnson and is one of the required accomplishments of each boy. The boy is allowed to choose his own subject but the den mother must give her approval.

Local cubs have planned two things for this week. One is for each of them to attend church Sunday and the other is to see and hear the special radio and television programs which have been scheduled.

TAX-MAN SAM SEZ

The tax folks have a lot of trouble with people who want to be head of a household during income tax filing period. The "head of a household" status cannot under any circumstances apply to a married couple for income tax purposes. Only unmarried persons can claim this status. The tax folks say don't claim that you are the "head of a household" unless you meet all the requirements set out in your income tax instructions.

The Boy Scouts of America was incorporated at Washington, D. C., Feb. 8, 1910.

CRACKERS—

(Continued from Page 1)

boys sleep in double-deckers.

If you want to harrass your door-to-door peddlers as much as they bother you, require identification of them.

Three have registered to solicit subscriptions starting Saturday, and lasting through Monday. They are Annette LaFaire, Jeannil Pattern, and Virginia Neibuks. Ask these gals for positive identification. It'll slow their work and perhaps they'll become discouraged.

This is the year, we have decided that we will memorize the numbers usually used when referring to a particular month. So far, we think we have things down pat. January is No. 1, and if we think real hard, maybe we can remember that February is No. 2.

This is a tremendous goal for us, but we have our mind made up and will persevere to the last. Our great powers of mental concentration will be a tremendous aid in this undertaking.

We should confess that this isn't the first year we've tried to remember the calendar months by numerical association. It's been pretty easy to remember that our birthday comes in the 8th month (August, you guys who haven't learned), and the last month of the year is always No. 12.

Since we can pretty easily recall that the first and last months of the year are Nos. 1 and 12, respectively, it occurred to us that we should be able to also grasp the number of the month in the middle of the year.

But since there is no "middle month" in any calendar with an even number of months in it, this plan was foiled. We are never quite sure whether it's on the left of the middle (June) or on the right (July).

As a matter of fact, we really had never been too concerned with whipping out our fingers

Lesly Infant Buried Sunday

Funeral services were conducted for Thomas Otis Lesly, infant son of Mr. and Mrs. T. O. Lesly, Sunday afternoon at the Tech Memorial Park Cemetery in Lubbock at 2.

The infant was born Saturday at the Parmer County Community Hospital. Survivors besides the parents, are two sisters of the home. Claborn Funeral Home was in charge.

MANUAL WIZARDRY

A first-grader came home from school and announced excitedly, "They've got a magic record player at school."

"A magic record player?" asked his puzzled mother.

"Yes," explained the boy. "You don't have to plug it into electricity. You don't even need electricity to make it play. All you do is wind up a crank!"

and figuring up what number the month was—at least we hadn't worried about it until recently.

But when Bob Ginsburg handed us our filled-out tax return, and we began to check over the various entries and were furiously counting on our fingers to see what month he figured we made such-and-such expenditure, we noticed the look he gave us. "Why, you third-grader," his piercing look seemed to say.

Anyhow, we're determined to learn 'em.

With everything else that the city has to worry about, we almost hate to even mention this. But there is a need for some kind of receptacles downtown for people on the street to use when they discard chewing gum wrappers, cigarette packages, and what-not.

A lot of the trash that blows up and down the gutters of the town would disappear, we feel, if some push-lid containers and signs were put up at convenient places. We have caught our-

selves dropping chewing gum wrappers into the street more than once.

This would be a good project for one of the community's fine service organizations, we think. The city might be responsible, but we know for a fact they have more important things to spend their money on.

1759 Pay Poll Tax In Parmer County

A total of 1,759 Parmer County citizens paid their poll taxes this year. That number along with the 17 exemptions run the total to 1776 eligible voters in the county, plus the ones over 60 years of age.

The number of poll tax receipts was considered high since it is an off year. However, a special election for naming a United States senator and city elections were listed as reasons for the large number.

The number of eligible voters in the county last year was 2486.

Youth Rally Scheduled

The young people of the Congregational Church have made plans for a community wide youth rally, which will be held in the basement of the church Sunday evening, February 10, from 5 to 7 p. m.

All young people of Friona and the surrounding communities are invited to attend by Rev. and Mrs. C. G. Nelson.

Electric Clothes Dryers BEAT THE SUN!

You're sitting pretty with an electric clothes dryer. Reddy Kilowatt does all the hard work... eliminates all the bending, stretching, stooping and the carrying of heavy baskets of wet clothes.

Our area has a great climate — plenty of life-giving sun — great for sun bathing or basking on a sunny afternoon. But, unfortunately, our climate is not very kind to our clothes. The sun, which feels good to the skin, treats clothes harshly. It quickly fades out the colors, takes the life out of a bright print. You can "beat the sun," keep your lovely colors looking pretty, with an electric clothes dryer — the proven way to dry clothes and with ease.

Personal Deductions May Cut Tax Bill

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Accountants and the Texas Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

When you use the "short form" in filing your income tax return, or the standard deduction on the "long form," you are allowed a deduction of about 10 percent to cover such personal expenses as interest, state and local taxes, contributions and medical expenses.

If you are sure that your personal deductions are less than the 10 percent, there is no need to itemize. But it is worth the effort of calculating your tax on both forms. You should be careful not to overlook:

Interest On Loans
The interest you pay on loans is deductible. This includes mortgages, automobile, appliance, home improvement, or personal loans you may have. The part of "carrying charges" representing interest on installment purchases is deductible.

State And Local Taxes

Most taxes, other than federal taxes, are deductible. These include state and local real estate, personal property, income, retail sales, poll taxes and, in all but a few states, gasoline taxes. You can also deduct auto licenses and registration fees, but not dog or hunting licenses.

Charitable Contributions
Another type of deduction you can take if you itemize your deductions is your contributions to any "religious, charitable, educational, scientific or literary" organizations. These contributions deductible up to 20 percent of your income.

In adding up your contributions, don't forget that gifts of property can be deducted at their fair market value as of the time they were donated. Suppose, for example, you contributed to your church a share of stock which had doubled in value while you had it. You can deduct, as a contribution, the full value of the stock at the time of the gift, even though you only paid half that much for it. At the same time you escape paying the tax on the capital gain which would have been realized if you had sold the stock instead of contributing it.

Transportation Expenses
An employee is permitted to deduct, in determining adjusted gross income, all his transportation expenses incurred in connection with his employer's business if they are not reimbursed. These include fares, automobile expenses, and (if in connection with over-night travel) meals and lodging.

An employee's expenses other than these can only be deducted if the standard deduction or tax table is not used. The expense of commuting between home and place of work is not deductible at all.

If you had certain expenses connected with your employment (other than travel or reimbursed expenses) you can claim them as miscellaneous deductions. Examples would be tools, uniforms, union dues and employment agency fees.

Other miscellaneous deductions include the fee for preparation of your tax return, some alimony and a share of interest and real estate paid by a cooperative apartment corporation of which you are a tenant stockholder.

"I understand you have been having your family tree looked up?"
"Yes, and it cost me \$5,000."
"I heard it was \$1,000."
"That's what it cost me to have it looked up. The other \$4,000 was to have it hushed up."

GROUND OBSERVER Corps posts range from Manhattan building tops (above) to remote desert and forest country. Seventeen thousand posts and 400,000 skywatchers provide U. S. Air Force and civil defense personnel with the vital visual identification of low-flying planes needed to supplement radar warning data. (N.Y. Daily News Photo)

Parasitic Disease May Strike Many Species of Animals

Almost all warm-blooded animals may become infected with the parasitic disease, toxoplasmosis, the American Veterinary Medical Association reported today. The parasite that causes toxoplasmosis is a protozoa which is quite difficult to identify, and its identification provides the only satisfactory means of making a

definite diagnosis, the Association added.

These parasites may invade any tissue of the body. The disease may also be a public health problem because it may occur in man. A veterinarian should check herds or flocks that show unexplained deaths or sickness, especially when the animals show symptoms involving the central nervous system, the Association reports.

Take Doubleheader From Springlake

The Friona High School Chiefs and Squaws played here against Springlake High Friday night.

The Chiefs led the boys game from the start with a final score of 70-43 in favor of Friona. The last quarter of the game proved to be an exciting one with first Springlake, then Friona racking up goal after goal.

The scores by quarters with Friona listed first were: first quarter, 18-5; second quarter, 36-17; third quarter, 52-27; and fourth quarter, 70-43.

High point men from Springlake were Upchurch and Hooley with 4 points each. Joe McLellan led Friona with 18 points to his favor and Nolen Johnson followed with 13 points.

Squaws Defeat Springlake in Lopsided Contest

Despite a comparatively "off" night, the Friona Squaws came out on the long end of a 56-36 score last night in a mid-season basketball tilt with Springlake.

The twenty-point victory boosted the number of straight conference wins to five for the Squaws as

compared with a blank loss column, so far as District 3-A is concerned.

The Springlake victory cinches at least a tie for the district crown as far as season play goes. The district round-robin tourney, to be played at the end of the season, will be considered on an equal basis with regular season wins in deciding who will be the district champions.

The Squaws, piloted by Coach B. E. "Red" Duggins, are slated to meet a rugged Morton club this week.

"Morton has a tall team and a good team," Duggins said earlier this week. "However, if we continue to play the same game we have been playing, we should be able to pick up another win. We'll have to hustle to win, though. Despite any previous game results, Morton is not to be underrated."

Regular insulin injections now enable diabetic dogs to live in comfort and reasonable well-being, the American Veterinary Medical Association reports. Typical symptoms of this condition in dogs may include drastic loss of weight and formation of eye cataracts.

The BIBLE Says

"THE HEAVENS DECLARE THE GLORY OF GOD; AND THE FIRMAMENT SHOWETH HIS HANDIWORK." (Psalms 19:1)

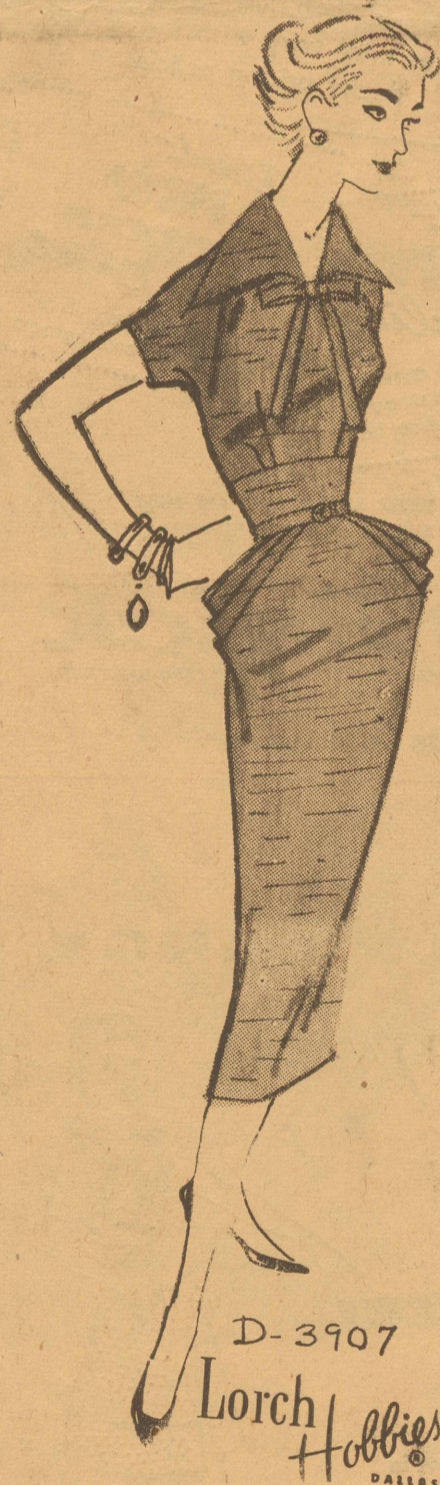

We are moved to express awe when we stand beneath God's heavens and view the handiwork of the great creator. It speaks a language more emphatic than words. We are deeply impressed with the august dignity of the universe. Its orderliness overwhelms us. Its beauty leaves us breathless and we are happy and content with the knowledge that all this which He created is for our good.

Not only did God make the beauties of the universe to stand as a testimony to His greatness and for our enjoyment, He also moved in another realm to work

that which was good for man. He provided salvation for sinful man who had cast off his knowledge of God and who had wandered far afield from God. Christ, God's son, died in our place and if we, through obedience to the commands of Jesus, come to God we may enjoy eternal life with our glorious Father who inhabits heaven.

God is good to you. Through the riches of His goodness, His forbearance, and His longsuffering He is trying to lead you to repentance. He who controls your breath, permits you to live while you prepare for eternity. Consider His grace. Receive what He has to offer. Worship Him who loves you and has paid a great price for you.

OF FRIONA
WE GIVE GUNN BROS. STAMPS

TAX-MAN SAM SEZ

The tax folks say that a lot of taxpayers file their income tax returns and don't attach their W-2's. The W-2 is the little form that your employer gives you in January every year to send in along with your income tax return. This W-2 Form shows how much tax you have already paid.

Some taxpayers work in a lot of different places during the year and some of them have trouble trying to dig up all those little slips of paper. Internal Revenue requires all the W-2 forms. If you don't send them in with your tax return they will ask you for them. You save time by getting them before you file.

News From LAZBUDDIE

MRS. CALVIN EMBRY

Local Teams Split Games Last Week

Lazbuddie High School girls won over Vega 55 to 32 last week. Joy Smith led her team with 32 points. Janice Oliver made 15 for second high point honors. High point girl for Vega was J. Russ with 15, followed by C. Helton with 10.

Lazbuddie boys lost their game to Vega by a score of 45-37. Glen Watkins was high man for Lazbuddie with 12 points, followed by James Gilmore with 11. High point for Vega was Blasingame with 14, followed by Tolbert with 10.

Lazbuddie girls were downed 72-61 by Happy in the second game of the week. Joy was Lazbuddie's scorer as she racked up 41 points. Sharron Thorn had 12. High scorers for Happy were Sluder with 34 and Henry with 17.

The Longhorns won over Happy by a score of 60-46. Glen Watkins led the Longhorns in scoring with 22 points. James Gilmore and Jim Roy Daniels had 18 and 11 points, respectively. High scorers for the losers were Penn and Poage with 12 each.

PTA Meets At School

Lazbuddie PTA met Monday evening, February 4, in the auditorium. Mrs. J. B. Young presided over the business meeting and Mrs. J. B. Jennings gave the treasurer's report.

Mr. Cooper and several of his seventh and eighth grade boys gave a very interesting program on safety.

Basketball Schedule For The Week

BURIED SUNDAY

Graveside services were held Sunday, February 3, for the infant son of Mr. and Mrs. T. O. Lesly, at the Tech Memorial Park, in Lubbock. Our sincere sympathy and prayers to Mr. and Mrs. Lesly and daughters.

RETURNS HOME

Sgt. James (Shan) Foster returned home Friday, after being discharged from the U. S. Air Force. Shan spent several months in Germany.

He is the son of Mr. and Mrs. Ben Foster of Lazbuddie and is also a graduate of the Lazbuddie School.

In Lubbock

There will be a Brotherhood Rally of District 9, held Tuesday, February 12, 7:30 p. m., in the First Baptist Church in Lubbock. It has been designated as ladies night. Dr. Casper Warren will be the speaker for the evening.

Meet At Church

All three circles of the WMU met at the church on Monday, February 4. Mrs. Raymond Houston brought the devotional.

Refreshments of spice cake and coffee were served by Mrs. Alton Morris to Mesdames W. R. Broadhurst, F. W. Greene, Juel Treider, Claud Heath, Earl Peterson, L. B. Hambricht, Carrie Withrow, A. E. Redwine, Jack Black, Jimmy Ivy, Dan Cargile and Buster Jones.

Shower Honors Mrs. Parish

A bridal shower honoring Mrs. Keith Parish, the former Oma Lee Porter, was held Tuesday afternoon, January 22, in the basement of the Baptist Church.

Hostesses for the shower were Misses Donna Redwine, Maudine Barnes, Marie Houston, Lois Vanlandingham, Glenda Robinson, Geraldine Broadhurst, Alice Gordon, and Mrs. Wesley Barnes, Mrs. Edgar Vanlandingham, Mrs. Earl Peterson and Mrs. Lois Washington.

The serving table was covered with white net over a blue linen cloth and was centered with a large wedding cake. Miss Marie Houston cut and served the cake. Miss Donna Redwine presided at the punch bowl.

Among those attending and sending gifts were Misses Freda White, Betty Joe Mallouf, Lara Mayers, Barbara Lay, June Treider, Dorothy Slayton, Janie Barba, Rosemary Agee and Patsy Cox; Also, Mesdames J. L. Withrow,

Jimmy Ivy, Perry Barnes, Arvil Lawrence, J. B. Jennings, C. K. Roberts, Jack Black, Bert Gordon, F. W. Greene, John McGehee, R. Pyrtz, Claude Heath, Raymond Houston, J. E. Williams, Eugene Redwine, R. H. Cox, John Agee, Jimmy Black, John Vaughn, Jim Parish, Ed Blair, R. L. Drake, Bill Kisinger, Mildred Kendrick, Mary Parish, Glen Kennerrier, and J. D. Anderson.

Weekend guests in the home of Mrs. Laura Treider were her daughter and family, Mr. and Mrs. David Brown and Connie, of Denver City.

Leland Gustin has returned to Houston to begin his second semester in the University of Houston. He is the son of Mr. and Mrs. C. D. Gustin.

Mr. and Mrs. C. C. Matthews have returned home from Olney, Eden and Corsicana. They did some fishing and visited relatives and friends. They also drove home a new car.

WSCS of the Methodist Church

will meet Thursday, February 14, at 3 p. m., at the church. They will continue their study on "Paul's Letters to the Local Church."

Jean Louise Gammon, daughter of Mr. and Mrs. John Gammon, visited her parents and friends between semesters. Jean Louise is a student at Texas Tech.

Those of the community who are reported to be on the sick list are: Gary Treider, Trama Jennings, Allison Ray Precure, Trevor Ford, Laverne Smith, Mrs. Andrew Brown, Madalyn Schuman and Lawrence King.

Shan Foster is visiting in Lamesa with his brother and wife, Mr. and Mrs. Tun Foster.

Mr. and Mrs. R. T. Steinbock visited Sunday with Mr. and Mrs. Ronald Davis, in Amarillo.

Sunday guests in the home of Mr. and Mrs. Ben Foster were Mr. and Mrs. Dean Heard and children of Muleshoe, Mr. and Mrs. Demp Foster and children, Shan Foster and Ted Treider, all of Lazbuddie.

Mr. and Mrs. O. M. Jennings visited last week with their daugh-

ter and family, Mr. and Mrs. Cecil Malone, in Hereford.

Mr. and Mrs. Gene Smith and small son, Timmy, visited Sunday with Mr. and Mrs. Max Steinbock. Mr. and Mrs. Willie Steinbock enjoyed Mexican food Monday evening in the home of Mr. and Mrs. F. L. Oliver and children.

Mr. and Mrs. John Sahler of Raymond, Washington visited in the home of Mr. and Mrs. P. M. Friesen over the weekend. Mrs. Sahler is a cousin of Mrs. P. M. Friesen.

Tierra Blanca Baptist Association Workers Conference will be held Thursday, February 7, at 7:30 in the Lazbuddie Baptist Church. Rev. Bill Hogue of Happy will speak on "Evangelism."

The Baptist Youth Rally will be held at the Baptist Church in Dawn, Texas, Saturday, February 9. Meeting time is set for 7:30 p. m.

Miss Evelyn Matthews of Lubbock visited Sunday with Mr. and Mrs. C. C. Matthews and Mr. and Mrs. Junior Matthews and children.
