FRIONA, TEXAS

VOLUME 32., NUMBER 19

## GRAHAM CRACKERS

—WHG

Friona has an active American Legion post. At a time when Legion activity in the small cities across the land is diminishing in influence, the local post is active in scores of fields.

We were thinking of this the other day when we ran across that were in a neighboring newspaper. This article pointed out, and most correctly, that the Legion is doing more to instill pride in America than any other adult organization.

Many of our numerous and hard-working service organizations become so buried in local work that they leave real patriotism out of many of their programs. We think this is unfortunate.

Until we stopped to think about this, we had not realized that were it not for our occasional contact with Legionnaires of the country, and the material which they send through the mail, we might lose our consciousness of the proper respect and patriotism every American should feel for the things that his country stands for.

Whenever we see a flag displayed incorrectly, we recall that it was from an American Legion member that we learned the accepted method of exhibiting Old Glory.

Somehow, it has become "old fashioned" to display any emotion regarding love of one's country, but we have seen the eyes of more than one Legion member brimmed with tears at the sound of marching feet, a proudly waving Stars and Stripes, and the pulse-pounding sound of a band playing a John Phillip Sousa march.

Many of the men we know have seen the blood of their brothers and buddies spilled on the battlefronts of the world to preserve the precious liberty that we take so lightly here at home, away from the boom of the cannons.

National Commander W. C. Daniel suggests all Americans recite this creed, which sums up the Legion attitude about patriotism:

"I believe in my God, I believe in my country, I believe in myself, and in that order."

He recited the 11 goals of the Legion, the things it is FOR. Most significantly:

1. For a vibrant, living Americanism, and against the despotic evils of Communism.
2. For a virile, free-enterprise or profit-motivated system, and against the crippling paralysis of socialism.
3. For a strong, national sovereign government, and against world government.
4. For self-determination among state and local governments, and against excessive centralized power.
5. For an impregnable national defense, and against spending ourselves into bankruptcy in an attempt to buy friends.
6. For an honorable, forthright foreign policy, and against a policy based on fear and vacillation.
7. For Constitutional law, and against treaty law.

### GOC Alert Test Scheduled Monday

Friona's Ground Observer Corps unit will have an alert between the hours of 2 and 5 p. m., Monday, reports Ralph Shirley, chief observer, this week.

He says that the 19 members of the unit (all Legion members—the Legion is sponsoring the GOC), have had three training meetings and this will be their second alert test.

The alert will be at Benger Air Park, where a special telephone has been installed that gives the GOC members a "hot wire" to Oklahoma City, which filters calls from a wide area.

"We need to get some more members in our organization," Shirley commented this week. The name of the unit is Charley Echo 13 Black.

### Massies Return

Ed and Bill Massie returned home Thursday evening after spending several weeks at Port Isabel vacationing. Ed reports that they did not catch many fish.

GRAND OPENING SATURDAY—This is the new Gulf service station operated by E. R. Day. A formal opening for the new business will be held all day Saturday. The station is located at the intersection of Highway 60 and Main Street.

## County Whacks Salaries

Reversing a decision made in a January meeting, Parmer County's commissioners lowered their salaries at a meeting Monday. At a previous meeting they had decided to increase the commissioners' salaries from \$1,800 per year to \$2,400, and the county judge's pay from \$3,000 to \$3,600.

They voted to return their salaries to what they have been in previous years. Little discussion was heard before the action, but unofficially, complaints from some other county officials and citizens were listed as reasons.

It was pointed out that the commissioners had the authority to raise their own salaries but did not choose to do so if there would be any dissatisfaction.

Other business at the meeting included setting the tax rate for the year at 95 cents, the same as it has been in the past. The property valuation was also set at the same.

The Security State Bank of Farwell was named depository for

(Continued On Last Page)

### E. R. Day Opening All Day Saturday

The formal opening of the E. R. Day Gulf Service Station will be Saturday of this week. It's an all-day affair, with coffee and donuts, Cokes and candy, and door prizes for the visitors.

Prizes, which will be awarded at 6 o'clock, include a year's grease service as first prize, six months grease service as second prize, and an oil change for third prize. Operator of the station is E. R. "Emmett" Day.

This is the third new service station to open in Friona in as many months. It was built in late 1956 and put into operation about the first of the year.

The station is located at the intersection of Main Street and Highway 60.

### Miller Farm Sale Is Next Tuesday

The farm auction sale of Mrs. Ralph B. Miller will be Tuesday, February 19, with State Line Commission Company in charge. Auctioneer is Dick Doshier and clerk is Jerrell Doshier.

The sale will be three miles west and one and one-half miles north of Friona, and will start at 10 o'clock, Texas time.

The sale is headed by three tractors, and includes trucks and pickups and feed as well as the usual miscellaneous lists.

## More Money Needed For County FM Roads

With the ever-increasing cost of acquiring the right-of-way for Farm-to-Market roads starting them in the face, along with the fact that Parmer County has received a considerable amount of black-topping in the past two years, the county commissioners are presently faced with a problem.

More money is needed in the right-of-way fund if the county is to continue to accept the farm roads which are included in the state highway department program, county officials say.

There are several ways which the county can raise the money and they have presented the road situation to the citizens of Parmer County. The problem which they are facing has been explained in an advertisement elsewhere in this issue and the commissioners ask that all county citizens take time to read it.

The road problem came up at

the regular meeting of the commissioners court Monday. It was emphasized that something would have to be done about getting more money for accepting farm-to-market roads. Also, the possibility of sometime constructing four-lane highways on 70-84 and 60 was discussed.

However, the highway expansion was secondary and the commissioners were of the opinion that the farm-to-market roads would be more beneficial to the county as a whole than would the four-lane highways.

For the past two years this county has received an average of 16 miles annually. While there is no assurance that Parmer will continue to receive this much, it seems likely that each year there will be a comparable number of miles included in the program.

Since the road program got underway 10 years ago, the right-of-

## \$90,000 BUDGET SET FOR FRIONA

Friona's city commission approved a six-page single-spaced figure-studded city budget totaling \$90,324.44 at their Monday night meeting. It was down from actual expenditures of \$153,456.73 last year.

The bulky set of estimates, which contained far too many entries for the commissioners to discuss individually at any one meeting, was approved after the city fathers gave a cursory examination to a dozen or so entries.

They agreed that if there were any money-saving moves to be made, they would swing the economy axe when it came time to approve purchase orders. All city purchases of over \$100 require commission approval.

Virtually all estimated receipts and expenditures for the coming year were rounded off into "even figures" and Clerk Roy Wilson emphasized a number of times that the voluminous report was based on calculated guesses.

The commissioners indicated at several points in the meeting that they have in mind creating surpluses of capital—a reserve or "financial cushion" as it was called—if at all possible.

However, they made only minor specific changes in the city's financial blueprint for next year and endorsed the instrument.

Clerk Wilson has the budget figured down to a narrow margin, and one that the commission would like to widen. He sees a cash balance of \$1250 at the end of the year—compared with \$10,848 this year and \$23,462 two years ago.

Fearful of some unforeseen emergency, Commissioners Oscar Baxter and J. G. McFarland, and Mayor A. W. Anthony made numerous references to the need for spending less than the budget called for.

In other action, the commission

### Buske, Osborn Named Directors Of New Firm

G. B. "Pete" Buske and Sloan Osborn of Friona are two of the directors of the recently-organized Hi-Plains Savings and Loan Association. The organization's officers received their charter from the Banking Commission in Austin last week.

The firm was chartered to serve Dimmitt, Friona, and Hereford with home and commercial building loans, according to Jimmy Allred, president. It is chartered with a capital stock and surplus of \$125,000, all of which has been paid in by some 80 stockholders located in the three counties, the president says.

It was also announced that James Headstream of Levelland has been employed as active vice-president and manager. Remodeling of the building at 130 East Third Street in Hereford is scheduled to begin in the near future and they plan to be in business around July 1, 1957.

"Meanwhile, we are faced with the time element of qualifying for Federal Deposit Insurance, and of setting up our deposits," says Ray Cowsett, secretary. He announced that the new loan firm will pay 3½ percent interest, semi-annually, on deposits.

Other directors of the organization are Bob McLean and Steve Taylor, Dimmitt; Jess Osborn, Muleshoe; Allred, Cowsett, S. M. Decker, and B. E. Roberson, Hereford. Other officers include McLean, chairman of the board and Osborn, vice-president.

### Community Center To Be Built At Hub

Fifty persons attended a meeting of Hub community residents at the Methodist annex Friday evening. The purpose of the meeting was to discuss the possibility of building a community center. Bill Wooley acted as presiding officer and the Hub Community Association was organized.

The officers who were elected are as follows: Bill Wooley, president; James Mabry, first vice-president; Dean Bingham, second

vice-president; Melba Burleson, secretary-treasurer.

The president then appointed the following committees: Land procurement, A. L. Black, chairman, Buck Fallwell and Dean Bingham, committeemen.

Building committee, James Mabry, chairman, Jack Tomlin, T. I. Burleson, John Renner, Otis Neel, committeemen.

Finance committee, Wes Long, chairman, M. J. Stacy, Rene

Snead, Leo Ruzicka, committeemen.

It was decided to have a meeting Monday evening at the Fleming and Son Gin Cafe and the committees would report their findings. After the business meeting adjourned, a social hour followed.

Those present were the Ray Robinsons, Leo Ruzickas, Jack Shirleys, John Renners, Paul Johnsons, Alen Bingham, M. J. Stacys,

Rene Sneads, Wes Longs, Dean Bingham, Bill Wooleys, John Hands, Otis Neels, A. L. Blacks, T. I. Burlesons, Gene Ellises, Paul Daniels, Buck Fallwells, James Mabrys, and Jack Tomlins.

At the Monday evening meeting Weldon McClure of the Wonder Building Company of Amarillo and Fletcher Sims of Timberly Metal Buildings, also of Amarillo, were present. Sims showed slides and

## It's Showdown Time

### Springlake Host To District Meet

Springlake will be host to the annual District 3-A basketball tournament next week. Participating will be teams from Friona, Farwell, Morton, Sudan, and Springlake.

Teams are seeded in brackets depending on the position in which they finished the regular season play. That puts Morton at the top of the heap in the boys division, and Friona in first place for the girls.

The only seeded place not yet worked out is a result of a tie between the Friona and Sudan boys. They are knotted for third place. This tie will be played off Friday night, although Coach Dempsey Watkins said Wednesday that at that time he wasn't sure where the game will be played.

Friona is considered to have a "fighting chance" to win the boys tournament, since they have shown considerable strength in recent showings. They handled Farwell easily Tuesday night.

If the Chiefs lose to Sudan, they run head-long into Morton in the first game of the upper bracket at 9:30 Tuesday evening. If they whip the Hornets and retain third place, they meet Springlake at 6:30 Tuesday in the first game in the lower half of the bracket. Farwell advances to the semi-finals with a bye.

Coach Watkins this week says he figures the Chiefs will have a

better chance to win if they come up through the lower half, even though it would mean they would have to win an extra game to capture the tournament.

It has been practice that has given the Friona teams its improvement.

The Farwell Steers, who finished second in the loop, play their first game at 8:30 Thursday. They will play the best of Friona-Sudan-Springlake.

The boys finals will be at 8:30 Friday.

In the girls bracket, identical seedings are used. Friona finished with an unblemished record for the No. 1 spot. The Squaws will meet Springlake (No. 4) at 8 Tuesday.

Farwell and Morton open the tournament at 5 Tuesday. They hold 3rd and 5th places in district, respectively. Sudan has a bye to the semi-finals, to be Thursday at 9, pitting them against the winner of Farwell-Morton.

Girls finals will be Thursday at 7.

Friona is heavily favored to win the meet, although Sudan once pressed them to an overtime and probably offers the stiffest opposition.

In the case of both boys and girls teams, the tournament will count 50 percent toward determining the district champion. That is,

(Continued on Last Page)

### First Baptist Church Plans Coming Revival

The First Baptist Church of Friona announced this week that it will hold a revival beginning on February 22 and lasting through March 3.

Services will be twice daily throughout the meeting. Morning services will be at 7:30, evening prayer services at 7:30, and evening worship services at 8:30.

C. B. Hogue will perform the evangelistic duties for the revival with Shelby Baucum directing the singing.

Hogue is a native Texan, having graduated from Odem High School at Odem, Texas. He attended Howard Payne Baptist College in Brownwood, where he took his Bachelor of Arts degree. He also attended Southwestern Baptist Theological Seminary in Fort Worth, where he received his Bachelor of Divinity degree.

Former pastorates include Star, Dublin, and Ranger, all in Texas. His present pastorate is with the First Baptist Church in Happy, where he has made his home for the past three and a half years.

Hogue was recently presented with the Rural Church and Achievement Award from district nine of the Tierra Blanca Association. He has conducted evangelistic campaigns in New Mexico, Mississippi, Oklahoma, Utah and Texas.

Hogue is married and has four young sons.

Shelby Baucum is a native of Idalou, Texas. Graduating from high school there, he was active in football and basketball. Upon high school graduation, he attended Hardin-Simmons University in Abilene, later transferring to Wayland College in Plainview where he is a junior.

Majoring in religious education, Baucum plans to enter Southwestern Baptist Theological Seminary in the future. At the present time he is Minister of Music and Education at the First Baptist Church in Happy, a position which he has occupied for almost a year.

He has done a considerable amount of evangelistic singing since enrolling in Wayland College and has had previous experience in youth and camp work.

At the present time, the Friona First Baptist Church has no regular minister in its employ. Dr. John Freeman is serving as interim preacher. Dr. Johnson is professor of psychology at Wayland College.

## Dimes Over Top

Parmer County's 1957 March of Dimes contributions total \$3,102.34. This exceeds slightly the \$3,000 dollar goal, according to Raymond Euler, campaign director, who says he is well pleased, and wishes to express appreciation to all who directed community drives, as well as others who contributed.

Here is the report by communities, partially broken down:

Rhea—Jack Patterson, chairman, \$77, direct solicitations: Black—Mrs. Woodrow Whitaker, chairman, \$391.01, mostly from the supper and auction, balance from coin collectors in business places.

Lazbuddie—Mrs. Joe Jesko, chairman, grade school, \$53.48, high school, \$8.30, basketball game and "42" party, \$55.12, coin collectors, \$14.85, total, \$131.75.

Bovina—A. J. Ellison, chairman, Women's Study Club mother's march, \$143.21, Lady Gaines cake and coffee sale, \$126, Bovina JC's (telethon) \$556, Bovina Schools \$112.07, and coin collectors \$119.17, total \$1056.45.

Friona—Mrs. Leonard Coffey, chairman, elementary school \$137.19, grade school \$63.15, high school \$42.82, coffee day, \$68.84, Fire Department contribution \$100, American Legion Dance and game night \$125, Modern Study Club mother's march \$195.50, Individual Deposits

## Monday Meeting For Grand Jury

A special session of the Parmer County Grand Jury has been announced for Monday, February 18. The meeting of the jurors has been called for investigating 15 criminal cases, according to Chas. Lovelace, county sheriff.

Too, a petit jury list has been announced for the district court session which begins Monday. District Judge E. A. Bills will be on hand to try several civil cases and quite likely some of the individuals indicted by the grand jury. Both the grand and petit jurors convene at 10 a. m.

Several persons, charged with various offenses in the county, are now in custody at Farwell and

their cases are to come up for grand jury action. The large number of cases pending is the reason for the summoning of the grand jury, Lovelace says.

Regular meetings of the grand jury are scheduled only in October and March, however, the jurors are subject to call at any time.

The grand jurors summoned are: Dalton Caffey, Tom Atkins, H. T. Edwards, W. L. Edelman, T. E. Rhodes, E. M. Ware, Lee Jones, Clyde Goodwine, Clyde Magnus, Clyde Hays, Virgil Woodson and Jack Smith.

The 60 petit jurors are:

**Grade Girls Champs**

Friona's grade school girls basketball team is champion of its district. They recently have completed conference play in which they suffered no defeats and won ten games.

The girls also took second place in an invitational tournament played in Sudan.

With the varsity girls finishing first in the district this year, it would appear that the grades will be turning out excellent replacements for high school vacancies in seasons to come and that Friona may again be returning to the days in which the school was noted for its outstanding girls basketball teams.

Donald Watkins, girls coach, this week reviewed the season schedule:

- Friona 27, Farwell 14
- Friona 39, Bovina 7
- Friona 36, Sudan 22
- Friona 41, Springlake 19
- Friona 31, Lazbuddie 5
- Friona 17, Farwell 10
- Friona 24, Bovina 13
- Friona 20, Sudan 17

Friona 18, Springlake 13  
Friona 18, Lazbuddie 15.

**GIRL SCOUT NOTES**

Brownie Troop XI met at the Baptist Church Monday afternoon. Each person present answered roll call by answering the question, "How did you please God last week?" Plans were made for the troop to participate in the Girl Scout cookie sale which will begin March 8.

Diane Gibson, who is one of the newer members of the troop, was presented her Brownie pin. One visitor, Mrs. L. W. Gibson, was present. Diane was hostess and served cold drinks and candy to the guest, the Brownies present, and one leader, Gay Jordan.

After learning four new song games from the Brownie handbook, the troop was dismissed.

Girl Scout Troop VIII met at the Congregational Church Monday

afternoon with 14 Scouts, one visitor, Mrs. Hadley Reeve; and one leader, Helen Potts, present.

The Scouts learned how to properly make a bed and set a table. Several of the girls were measured for new uniforms which will be ordered soon. These girls are working on their homemaking badges.

Sharon Reeve, who was hostess, served refreshments of cake, candy, and punch. Then the meeting was adjourned.

Girls Scout Troop IX held its regular meeting at the Sixth Street Church of Christ Annex Monday afternoon. The Scouts made valentines with appropriate verses. Carolyn Herring, who served as hostess, served candy to the two leaders, Olive Massie and Pearl McLean, and the following Scouts: Charlotte Nettle, Kay Coffey, Marcia Lynn Massie, Beverly Elliott, Elaine Parsons, Linda Carlisle, Marie Roberson, Jo Beth Brummett, Linda Simmons, and Karyl Williams.

The Senior Scouts met at the Methodist annex for their regular weekly meeting Monday afternoon. The meeting was called to order by the president, Peggy Widner. Summer projects were discussed.

After the business meeting was dismissed, the girls made tray favors for the Parmer County Community Hospital for Valentine's Day. The hostesses, Maxine Lafavers and Celia Weatherly, served ice cream sandwiches to Margaret Mabry, Janie Parker, Marilyn Potts, Carolyn Baxter, Jolynda

Stokes, Sally Hough, Faye Scales, Peggy Widner, Geneva Floyd, Linda O'Brian, and Frances McGlothlin; also the leader, Mrs. Russel O'Brian.

Brownie Troop I met at the First Baptist Church Monday afternoon at 4 o'clock. Luellen McLean di-

rected several songs. This troop was invited by members of Troop IX to a skating party next Thursday afternoon. Refreshments were served by Barbara Lloyd and Colleen Harper. One of the leaders, Ruth Terry, is hospitalized hereford and the troop members wish her a speedy recovery.

**Freshman Tourney Underway This Week**

Spirited play in a freshman boys tournament is underway in Friona this week, with teams from Dimmitt, Farwell, Sudan, Tulia, Hereford, and Friona participating. The tournament, with a double bracket featuring consolation play, got underway Monday. It was to continue through this week except for Wednesday. Friona has displayed consider-

able strength with its freshman team this year, the locals having been undefeated, and champions of the Hereford frosh invitational meet.

They were regarded this week as good contenders for the championship.

Mr. and Mrs. Steve Struve and daughters, Kay, Carol, and Shelia, were Sunday afternoon visitors in the home of Mr. and Mrs. Bill Struve of Springlake.

**Lazbuddie Beaten By Grade Teams**

Both boys and girls teams visiting here from Lazbuddie were beaten by local grade school contenders in games Monday afternoon. The girls won 18-15, and the boys 29-24. It was the season wind-up for all teams, and meant nothing conference-wise.

Quarter scores in the girls game: 9-8, 16-12, and 18-12, Friona leading. Brown and Smith scored 11 and 4 for the losers, while Pat Foster and Tommie Lewellen made 8 and 5 for Friona.

The boys game quarter scores: 3-3, 11-8, and 16-12, with Friona leading except at the end of the first. Frank Spring dropped in 17 to lead scoring. His teammate Jackie Oldham hit 4. For Lazbuddie it was Clover, Hardage, and Young with 5 each.

**Friona To Host County Teachers**

Friona will be the host school for a meeting of the Parmer County Teachers Association next Wednesday evening, February 20.

In charge of entertainment will be the high school, and grade school will have charge of getting up a menu and serving food for the meeting. The elementary grades will be in charge of decorations.

Teachers and school boards from all four schools in the county are invited to attend, and Raymond Cook, local principal, reports that Friona is expecting about 125 to attend.

In addition to routine business, the teachers will set up their year's program and select delegates to the District 9 meeting of the Association, which will be in Amarillo March 8-9.

**Father Of Local Man Dies Tuesday**

J. L. Ferrell, long time resident of Cross Plains and father of Joe Ferrell of Friona, died at his home

**TOGS FOR TODDLERS**

"Tiny Tots to Teens"  
Friona, Texas

Tuesday afternoon. The elder Ferrell, who visited here during the Christmas holidays, was 82. His health had been failing the past two months.

Funeral services were conducted from the First Methodist Church at Cross Plains Sunday afternoon at 2. Mr. and Mrs. Joe Ferrell of Friona and Billy Jordan of Littlefield attended the services.

Immediate survivors include five sons and three daughters. His wife died in 1950.

**Chili Supper At Club House**

The public is invited to attend a chili supper at the club house in Friona Saturday evening from six until eight. It is being sponsored by members of the Northside Home Demonstration Club.

On the menu there will be chili, salad, pie and coffee. The prices are 75 cents for adults and 50 cents for children.

**Relative Of Local Residents Dies**

A. E. Bainum of Clovis was found dead in his home Thursday afternoon by his wife. Funeral services were conducted from the First Methodist Church at Clovis at 2:30 Sunday afternoon. Burial was in Lawn Haven Cemetery.

Survivors include his mother, Mrs. Mary Bainum; six brothers and three sisters. Brothers who reside in this area are Charlie and Mack Bainum of Friona and Delbert Bainum of Hereford.

**From Fort Worth**

Mr. and Mrs. George C. Taylor of Fort Worth, and their two daughters, Suzanne and Lisa Kathryn, were weekend guests in the home of Mrs. Taylor's parents, Mr. and Mrs. J. B. McFarland, and other relatives. Taylor and Suzanne returned home Monday but Mrs. Taylor and Lisa Kathryn plan to be here several weeks.

**Missionary Society Meets In Speir Home**

Mrs. F. L. Speir of the Hub community was hostess to the United Pentecostal Missionary Society at their regular meeting Tuesday afternoon. Following prayer, the minutes were read by Mrs. J. B. Buske. Mrs. Lutz had charge of the study. She spoke on "Presenting Our Bodies, a Living Sacrifice."

During the social hour, which followed the business meeting and study, the hostess served fruit salad, cake, tea, and coffee to Messrs. Arthur Lutz, W. O. Thompson, Frank Griffith, J. V. Riley, P. W. Hughes, Taylor Green, and J. B. Buske.

**To Dallas**

Mr. and Mrs. Frank Spring and Mary Tom and Dr. and Mrs. Paul Spring spent the weekend in Dallas. Frank Spring attended a state bankers meeting.

### Ralph Reeds Become Parents

Mr. and Mrs. Ralph Reed became parents of a baby girl at the Parmer County Community Hospital at 9:47 p.m. Friday. She weighed 7 lbs. 14 ozs. and was named Ramona Lou. She is the first child for the couple.

Grandparents are Mr. and Mrs. G. E. Reed of Friona and Mr. and Mrs. Floyd Skeen of Melrose. Great grandparents are Mr. and Mrs. Ed Boggess and Mrs. Frank Reed, all of Friona.

### Alexanders Here

Weekend visitors in the home of Mr. and Mrs. James McLean and daughters were Mr. and Mrs. Bill Alexander and daughters, Kim and Kay. The Alexanders were on their way to Fort Worth, where Alexander is employed. He had just finished a course of study at UCLA in Los Angeles. He is a former teacher in the grade school here.

### Local Church Sets \$20,000 Budget

The elders of the Sixth Street Church of Christ have finished the preparation of the budget for the church for the year of 1957. The total amount, which has been proposed and presented to the church, adds up to \$20,000. This amount exceeds the 1956 budget by about \$5,000.

Salaries account for the largest item on the budget. The local minister and janitor will be paid \$7,900. The second largest item on the budget is for proposed mission work. Included in this figure, which has been set at \$5,365, are provisions for mission work among the colored people in Texas and assistance to programs which are now being carried on in New Mexico, North Dakota, and South Africa.

In addition to these four programs, the local church will sponsor one gospel meeting in another field. Final plans for this meeting have not been made.

The largest increase over the 1956 budget will be in benevolent works. The amount set aside for this purpose is \$1,500. At present this congregation is helping support four orphan's homes, one in New Mexico, one in Oklahoma, and two in Texas.

The membership of the church is now 198.

### To Lubbock

Mr. and Mrs. Dillie M. Kelley, Neal and Mary Beth were business visitors in Lubbock Monday.

"WHICH BOY IS YOURS?"—In a window display, Friona's Boy Scouts presented local window shoppers with a thought-provoking question last week. Arranged in the front window of the Hurst Department Store, the scene depicts, on the left, a youth in flashy clothes, brandishing a beer can, as compared with an American Boy Scout on the right. The display was arranged in connection with National Boy Scout Week.

### Crosby In Amarillo

James Crosby, former resident of Friona, is presently employed at the Northwest Texas Hospital in Amarillo. He is also attending night classes working toward a high school diploma so he can enter college.

Mr. and Mrs. Sterling Graham and Gail were Sunday dinner guests in the home of Mr. and Mrs. Ross Miller.

Mr. and Mrs. Hardy May and Arlen spent last weekend visiting relatives and friends at Rush Springs, Oklahoma.

# OUR NEW PAVING COSTS MONEY

As the commissioners of Parmer County we feel that the citizens we serve should know what the Commissioners Court is up against. It has to do with the construction of more farm-to-market roads in Parmer County.

In the last few years we have been receiving about an average of 16 miles of farm-to-market roads each year, the cost to the county being acquiring the right-of-way. In the past we have had funds available to accept the roads which were given to us in the state program.

As the cost of obtaining these easements has increased, the right-of-way fund has been depleted. In fact, money has had to be borrowed for this fund.

If we are to continue to accept farm-to-market roads for Parmer County, there will have to be more money available for the purpose of acquiring these rights-of-way. Too, the highway department has plans to build four-lane highways on 70-84, and 60. The acquisition of farm-to-market roads is foremost on our minds, but the four-lane highways can be acquired in future years if there are necessary funds.

There are three ways which the Commissioners Court can secure these funds:

1. A bond issue
2. Raise in the property valuations
3. A 30-cent increase in the tax rate.

In regard to No. 2, we do not feel that raising the property valuation would be a good business practice. We are getting enough money in all other funds to carry on our county government and to raise the valuation would put excess money in these other funds.

The Commissioners Court has the authority to carry out this plan, but if it were done, each time the county received 95 cents it would have to send the state 65 cents.

We believe that No. 3 would be the most feasible plan. This plan would increase our tax rate from 95 cents on each one hundred dollar valuation to \$1.25. This extra 30 cents would go into the right-of-way fund.

At present, the right-of-way fund receives 10 cents of this 95 cents, which produces approximately \$9,000 per year in taxes. The 30 cents extra added to the 10 cents would yield approximately \$36,000 per year, which we think would be sufficient to obtain all the Farm-to-Market roads that are offered over a period of a few years.

To put this plan into effect, it would have to be left up to the voters of Parmer County. As your commissioners, we feel that a matter as important as this should be brought to your attention.

Signed:

- A. D. Smith, County Judge
- E. G. Phipps, Commissioner, Precinct No. 1
- C. H. Jefferson, Commissioner, Precinct No. 2
- J. H. McDonald, Commissioner, Precinct No. 3
- H. L. Ivy, Commissioner, Precinct No. 4.

# SANTA FE ELEVATOR

FRIONA, TEXAS

# Friona Upsets Farwell, 56-40

The Friona Chiefs pulled their second upset in as many weeks Tuesday night when they ran roughshod over the Farwell Steers, 56-40. The win gave Friona a sweep for the night as the Squaws defeated the Farwell girls team 46-23.

The win for the Chiefs gives them a 4-4 record against district teams and it puts them into a tie with Sudan for third place in the conference standings. Morton finished first with a 7-1 record and Farwell was second with 5-3.

The Chiefs never gave Farwell a chance, getting hot on outside shots early in the game and building up a 11-5 lead at the end of the first quarter. The Steers, while bounding Friona and getting shot after shot under their own basket, were ice cold and could never get rolling.

The Chiefs continued to score handily in the second period and had built up a 30-15 lead at half-time. Third period score was 44-23. Farwell Coach Calvin Murray substituted freely throughout the con-

test, trying to come up with a clicking combination.

Johnny Lovelace, sophomore center for Farwell, was the top scorer of the game, pouring in 18 points. For Friona, Wesley Barnett had 14 and Weldon Fairchild had 13.

In the girls game, Farwell was no match for the Squaws, who had already sewed up one-half of the district crown. Farwell managed only two points in the first period while Friona scored 10, and by halftime the score read 29-8. The third quarter score was 40-14.

Friona's Phyllis Dean copped scoring honors for the game, getting 20 points. Teammate Johnnie Hand had 14 and L'Orchid Latham had nine for the losers.

### To Texas Coast

Mr. and Mrs. J. B. Taylor and Mrs. Cleola Kirk returned Tuesday after a week's trip to Corpus Christi and other coastal cities on a business trip.

### Trebelaires To Entertain For Lions Club Tonight

Friona Lions will meet tonight (Thursday) at the women's club house at 7:30 in their regular bi-monthly meeting.

Slated on the entertainment agenda, according to Andy Hurst, program chairman, are the Trebelaires, a group of twelve Friona High School girls who will entertain the local Lions and their guests with a number of vocal numbers.

"Valentine" will be the theme of the program presented by the girls, who displayed their talents over KGNC-TV last Saturday. Lions are urged to make themselves present for this meeting to enjoy this "special treat."

### Johnstons Arrive

Dr. and Mrs. Rex Johnston and children, Mark and Joy, arrived in Friona Monday from Philadelphia, Pennsylvania, where Johnston has been working in the interest of a Christian College. Dr. Johnston will be here several days and Mrs. Johnston and the children plan to be at the home of Mrs. Lucy Welch for several months.

Mrs. Johnston is the former Estella Welch.

### WSCS Members Host Banquet

Members of the WSCS of the Friona Methodist Church were hostesses at a banquet which was held in the school cafeteria Monday evening. Guests were husbands and friends of the members. Chicken, dressing, green beans, creamed potatoes, salad, pie and coffee were served by employees of the cafeteria.

The welcome address was given by Mrs. I. T. Graves, who also introduced Mrs. Hugh Blaylock. Mrs. Blaylock gave an outline of the work of the WSCS. The program was followed by a game session.

Those present were Messieurs and Mesdames I. T. Graves, Hugh Blaylock, James Boyle, Joe Moyer, W. H. Long, Ernest Anthony, Billy Sides, Mack Bainum, Opal Jones, U. S. Akens, Ralph Shelton, Homer Lindeman, Newt Gore, John Gaede, Kenyth Cass, George Jones, Howard Ford, D. H. Nelson, Bill Stewart, L. C. Johnson, Coy Patton, Guy Latta, and E. H. Bradshaw;

Also, Mrs. Ed White, Mrs. Eugene Ellis, Mrs. Hadley Reeve, Mrs. Billy Chandler, Mrs. Estis Bass, Mrs. A. W. Anthony, Mrs. Myrtle Crow, and Miss Jo Phillips.

"My ELECTRIC clothes dryer saves money because we need fewer clothes for my growing children!"

SAYS  
Mrs. W. J. MESSICK  
119 TEXAS  
HEREFORD, TEXAS

Mrs. MESSICK says, "The dryer saves ironing and even those things which do need ironing can be dried to correct dampness for proper ironing." No need for extra sprinkling.

Mrs. Messick stresses the savings with her electric appliances saying, "Savings in time and money are the foremost benefits we receive from our electric appliances." She finds that by the fast drying time an electric clothes dryer gives, she needs fewer clothes for the children. "Since children 'grow out' of clothes so quickly these savings become important," she adds.

Why don't you start "sitting pretty" with your own electric clothes dryer. You, too, will find the same advantages which Mrs. Messick likes.

Johnsons Host Leaders Meeting

Mr. and Mrs. Truett Johnson were hosts to a Cub Scout leaders meeting in their home Monday evening. Coy Patton showed a training film and plans were completed for the blue and gold banquet, which will be held at the cafeteria Thursday evening, February 28.

Refreshments of punch and brownies were served to Mr. and Mrs. John Shelton and sons, Mr. and Mrs. Coy Patton and Virginia, Mr. and Mrs. Allen Stewart, Mr. and Mrs. Leo Reed, Mr. and Mrs. A. Sherley and Tommy, Mrs.

O. J. Beene, Mrs. M. B. McKinney, Dorothy Ellis, and Ruth Schwab.

CARD OF THANKS

We take this means of expressing our appreciation to all of the friends of Harold V. York for the flowers and other tokens of friendship offered him during his last years. May God bless each of you.

The brothers and sisters of Tubby York. 19 1tc

YOUTH FINED \$5

A Friona juvenile boy was fined \$5 in corporation court by Judge Walter Loveless last week, after being picked up in the city limits by Night Patrolman Herman Helton. He had been charged with driving a car that made excessive noise. That case was the only one in local court during the week.

Mrs. Lucy Welch, Mrs. Steve Struve, and Shelia visited in the home of Mrs. E. O. Welch at Portales Thursday.

AT HARDWARE MEETING

Carl Maurer, local implement dealer who is president of the Tri-State Hardware and Implement Association, was in Amarillo the first of this week to attend the annual convention. He gave the opening address of the meeting and presided over it.

Mr. and Mrs. Tolbert Painter of Dodson were weekend guests in the home of Mr. and Mrs. A. L. Carlton and other relatives.

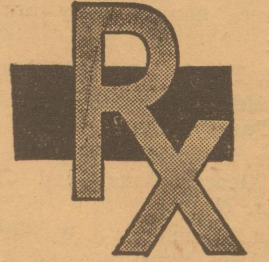

Foreign Student Is Guest Speaker

Samuell Sharrosh, who is a Wayland College student, was guest speaker at the Wednesday night prayer service of the First Baptist Church. Sharrosh, who has only been in the United States four weeks, is from Jordan. He has two brothers who are also studying in the United States. One is an engineering student at the University of Oklahoma, and the other is a ministerial student at the New Orleans Baptist Seminary.

Sharrosh told of his life and life in his country. His father was a Baptist minister and was shot during the first outbreak of hostilities between Israel and Jordan. In that country there are one and one half million natives and one and one half million Arab refugees from Egypt.

In the entire country there is only one Baptist Church with 32 members, one Baptist school, and a 60-bed Baptist hospital with two medical missionaries.

Ray Dean Fleming, son of Mr. and Mrs. Raymond Fleming, who is stationed at the Naval Training Station at Norman, Oklahoma, spent the weekend here. Fleming is being transferred to Memphis, Tennessee.

WE SALUTE THE FUTURE FARMERS OF AMERICA

Most of our work is with the folks on our farms. And we're mighty proud to note that the new generation of farmers coming on sure looks okay to us.

A lot of the credit for this must go to the FFA chapters of the area, which encourage progressive farming techniques, and show young men how to develop leadership and other skills. The FFA chapters of the area are making an outstanding contribution toward better farming.

### Commissioners Lower Salaries

(Continued from Page 1)  
 the county for the next two years. Precinct election officers for the year were named. They are as follows:  
 Black, Precinct 1—John Bengler, judge; Mrs. Dick Rockey and Mrs. Bruce Parr, clerks.  
 Friona, Precinct 2—Floyd Reeve, judge; George Baker and Clyde Goodwin, clerks.  
 Bovina, Precinct 3—J. W. Parker, judge; Troy Armstrong and A. B. Wilkinson, clerks.  
 Farwell, Precinct 4—Albert

Smith, judge; Charlie Bieler and Mrs. J. D. Thomas, clerks.  
 Lazbuddie, Precinct 5—E. V. Crain, judge; George Crain and Clara Bell Crain, clerks.  
 Oklahoma Lane, Precinct 6—Harold Carpenter, judge; Avis Carpenter and Jimmy McGuire, clerks.  
 Rhea, Precinct 7—Melvin Sachs, judge; Raymond Schueler and Jack Patterson, clerks.  
 Lakeview, Precinct 8—Otho Whitefield, judge; Mrs. Otho Whitefield and Mrs. George Jones, clerks.  
 Absentee Box—Vester Venable, W. N. Foster, and Carolyn Anderson, clerks.  
 The commissioners present at the meeting were H. L. Ivy, Laz-

buddie; E. G. Phipps, Friona; C. H. Jefferson, Bovina; J. H. McDonald, Farwell; and County Judge A. D. Smith.

### Grand Jury To Convene Monday

(Continued from Page 1)  
 Mrs. Don H. Williams, Jack D. Patterson, E. R. Coffman, Claude Blackburn, Dewey Price, Mrs. Jack McManigal, Roy Clements, Anthony R. Jesko, Ed Steinbock, L. T. Utsman, James E. McGuire, Mrs. Wendol Christian;  
 Mrs. Tom Caldwell, T. R. Smallwood, Robert E. Brooks, Leroy McDonald, A. L. Glasscock, Billy G. Buchanan, J. M. Reed, Mrs. J. Merrill Turner, E. M. Langford, Harry Sheets, A. L. Black, James P. Fortenberry;  
 Newman Jarrell Jr., Mrs. Otho Whitefield, Marvin E. Ezell, A. E. Steelman, C. L. Dunn, J. C. Redwine, Joe E. Ferrell, Mrs. Paul A. Hall, Ovid Lawlis, Fred Curtis, J. V. Houser, Mrs. Ralph Miller, Andy Hurst;  
 A. L. Kerby, C. L. Mahaney, G. L. Medley, Mrs. Ralph G. Wilson, Tommie Bonds, Mrs. W. M. Turner, E. L. Fairchild, Paul Jones, Marvin Lawson, Mrs. Melvin Treider, C. M. Mears;  
 A. L. Carlton, Mrs. Roy Fuller, Scott Gober, Raymond Schueler, Henry Minter, Nelson Welch, Mrs. Claude Miller, C. G. Hromas, Edward Spring, H. Ray White, and A. D. Cumpston.  
 Both jury lists are the same as the ones called for the October term.

### New Community Center To Be Built At Hub

(Continued from Page 1)  
 quoted prices on construction of a building. McClure gave an estimate on a building.  
 Several building sites are available and it was decided to abide by the decision of the procurement committee. The Community Center will be built in the immediate vicinity of Hub.  
 The finance committee reported that four teams had been selected to contact all residents of the community to secure funds for the building. They are Wes Long and Doyle Elliott, Rene Snead and T. I. Burleson, Leo Ruzicka and Jack Tomlin, M. J. Stacy and Albert Cannon.  
 There were 17 men present for the Monday evening meeting and they gave \$1500 cash and pledged \$1250 toward the building fund. Plans are for the building to become a reality in the very near future.  
 Present for the meeting were Eugene Ellis, Otis Neel, John Renner, O. D. Bingham, Weldon Minchew, T. I. Burleson, Jack Shirley, A. L. Black, James Mabry, J. O. Latham, Jack Tomlin, Leo Ruzicka, Rene Snead, Wes Long, Buck Fallwell, Albert Cannon and Bill Wooley.  
 According to a statement made by Wooley, who is the president of the organization, every resident of the community is invited to join the association, which will be devoted to promoting the best interests of the community.

### March of Dimes Over \$3000 Goal

(Continued On Last Page)  
 \$38.85, and coin collectors, \$176.72, total \$944.07.  
 Farwell—John Getz, chairman, ESA mother's march, \$195.11, Nell Walling coffee \$15, containers 141.77, School, \$150.18, total \$502.06. (Texico MOD receipts, not included in the Farmer County figures, were almost \$500.)  
 The 1956 total was \$3316.16. Friona's portion this year was somewhat below that of last year, but

Bovina's was up, primarily due to the JC's activities, said Euler, so the totals of the two years were almost unchanged.  
 Yet to be added to the total is an amount which has been received from letters sent to county box-holders.

culated to do so. The serum is a direct result of research made possible by MOD contributions.  
 Hugh Moseley, chapter chairman, and Euler join in urging those who haven't had their children inno-

### County Needs More Money For FM Roads

(Continued from Page 1)  
 other funds.  
 Under the present structure the tax rate reads: jury fund, 5 cents; road and bridge fund, 20 cents; general fund, 55 cents; right-of-way fund, 10 cents; and permanent improvement fund, 5 cents.  
 All of the funds other than the right-of-way are currently satisfactory for meeting the county operating expenses and a raise in the valuation would hardly seem feasible, say the commissioners.  
 However, some indicated that they would be willing to do this if there was no other alternative. Too, the county collects 95 cents on the \$100 valuation the state receives 65 cents. If the revenue the county receives increases, the state tax will also go up proportionately.

### To Florida

Mrs. Pearl Kinsley left Saturday for Tampa, Florida. She went by way of Houston, New Orleans, and Jacksonville. At Tampa she joined her friend, Mrs. Grace Brodt of Auburn, New York. The two plan an extended vacation.

### Rhea

The Home Demonstration club is having a bake sale Saturday, February 16, at Hurst Department Store. The sale will begin around 10 a.m.  
 Mr. and Mrs. Floyd Schueler arrived home Sunday afternoon. Floyd was released from the U. S. Army. He and his wife, Glenda, are at home on a farm in our community.  
 We are glad to have Mrs. Malinda Schlenker back with us. She has been visiting in California with her daughter, Mrs. James Rankin, since the first of December.  
 Jack Patterson left Monday afternoon to attend a meeting in Fort Worth.  
 Mr. and Mrs. Walter Schueler and children visited in the home of Mr. and Mrs. Ernest Ramm of Muleshoe Sunday night.  
 Carolyn Schueler, the small daughter of Mr. and Mrs. Norbert Schueler, has been in the hospital over the weekend.  
 Marilyn Potts entertained 16 of her friends Saturday night. After the party the girls remained for a slumber party.  
 Charlie Gibson is visiting with Billy Jack Gibson.  
 Jean and Weldon Cox, who are living on the Cordie Potts farm, visited in Portales this weekend.  
 Mr. and Mrs. Willie Wall were dinner guests in the home of Mr. and Mrs. Vaughn, Sunday. That evening, Blanche Osborn and daughter, Donna Kay, and Gail Potts visited. Mr. and Mrs. Vaughn and Mr. and Mrs. Willie Wall and girls have been attending the school of missions which is being held at Rosedale Baptist Church.  
 Mr. and Mrs. Herman Schueler visited in the Melvin Sachs home Sunday evening.

# REMEMBER

**Remember** ... That despite screaming about rock bottom prices, large discounts, name-your-own deal, free accessories and what have you, that old adage still holds true: You get what you pay for.

**Remember** ... that you as a new car or used car buyer may BUY on price, but you RIDE on quality, and quality is remembered long after price is forgotten.

**Remember** ... That you as a new or used car buyer want the best value you can get for your money, not the lowest price.

**Remember** ... Salesmanship may put you into a car, but only service can keep you there. It's poor economy to save on price and lose on service.

**Remember** ... We are not over-stocked on new Chevrolets, but we can get you the car you want, the color you want, and with the equipment you want, at a price that will surprise you.

**FRIONA**  
With June

Some of the most interesting things come in the mail. Of course, a lot of things that come to a newspaper office are not interesting, but occasionally you run across something that more than makes up for all the dull things you get.

Thursday's mail there was a paper which was sent to us by Mr. and Mrs. J. C. Wilkinson of Clifton, Texas. Most of you, especially those who have been here for some time, will remember the Wilkinsons. They are former residents and boosters of Friona.

The name of the paper is Lake Whitney Views, and if pictures are any indication, it must be a fisherman's paradise. If the Ed Bogges, Jake Lambs, or any other fishing enthusiasts, would like to look into the fishing possibilities there, we would be glad to share the paper with them.

One story head that we especially liked read, "Washboard Roads Being Improved." The story advised against trading Cadillacs for Model

T's since the roads were being improved. There are a few roads in our area that are badly in need of improvement, and the residents who are obliged to use them would probably enjoy seeing such a story head in the Friona Star.

Some of the names on the map of Lake Whitney would be a temptation to almost any fisherman. They are Angler's Haven, Sportland Hills, Woodland Hills, and Royal Boat Works. It also seems like it would be a very nice place to go just for a vacation.

Not too long ago, our editor, W. H. Graham Jr., came up with a slogan for Jay Claborn's business in Friona. It was "From the cradle to the grave." This week Jay came up with one for the Friona Star. If in the near future you see, "Covers Parmer County like a sandstorm" on our letterheads, you will know that the editor saw fit to act upon Claborn's advice.

A group of Hub community residents met at the Methodist annex Friday evening to discuss the possibility of building a community house out here. The people who live out there are awake to the needs of a growing community and it wouldn't surprise us to see such

a building taking shape in the near future.

When a wide awake bunch of farm people make a decision and start to work on any given project, it isn't very long until the results are visible. If any residents of the community were unable to attend the meeting, but desire to have a part in the project, you are invited to call Bill Wooley, James Mabry, Dean Bingham, or some of your neighbors. If everyone in the community doesn't know about it now, they probably will hear about it soon. New residents of the community are especially invited to take part in the undertaking.

To our Rhea Community subscribers who read this column, we would like to say that we regret that we haven't done a better job in reporting the news events in your neighborhood during the past several months.

We are especially grateful to Gladys Dean for assisting us as much as was possible. We know that with a full schedule of school activities, Gladys was very generous to give as much of her time as she has in helping us.

Beginning this week, we have a new correspondent for your community. She is Dorothy Bauer and her telephone number is 3343. The kind of job Dorothy is able to do will depend largely upon the cooperation the residents of the community give her.

If you have company, go somewhere, have a party or attend one, have a new baby, get married, or know of anyone else in the community who does, we want to know about it. Be sure to call any news story you have to Dorothy as soon as possible. It will be necessary for her to have her stories written on Monday of each week.

Mr. and Mrs. Buster Davis will soon be new residents of Friona. They have purchased lots in the Baxter addition and are having their house moved in from their farm southeast of town.

How many of you saw the recent "Texas on Parade" TV program that featured Hereford?

Many persons have commented on the program and everyone seems to have enjoyed it very much. Think the Hardy Mays were somewhat surprised to see their carrot patch pictured. It is surprising to know the number of people who have lived in this area for years that didn't know there was such a place as the Escavada Ranch until they saw this program.

This ranch house was pictured in one of the larger magazines 15 or 20 years ago as being one of the oldest structures in the Panhandle.

If you have plans for tomorrow, be careful today.

**Club Meets In Bingham Home**

Hub Home Demonstration Club met Thursday afternoon in the home of Ginny Bingham. The program was on work simplification and each member brought her homemaker problems for the group to work out.

Delegates were elected to the sewing workshop, which will be held in Farwell next week. Lavon Renner and Mildred Walters will be the representatives. One new member, Dixie Johnson, was present.

Others present were Helen Fallwell, Christine Shirley, Fadine Wooley, Jinx Snead, Mildred Walters, Lavon Renner, Billie Long, Melba Burleson, Taleta Mabry, Connie Bingham, Ila Daniel, and the hostess.

**Club Members Get Early Start**

For several of the members of the Northside Home Demonstration Club, the day began early Friday of last week. Thelma Ruth Shelton and Lauretta Brookfield planned a kidnap breakfast at the home of Faye McMahan. Each member was required to go dressed just as she was when she was kidnapped. That afternoon the regular club meeting was held at the club house in Friona. The program was on work simplification and each member brought her homemaker problems up for discussion. Olive Massie and Dorothy Hough directed the program.

The business meeting was presided over by Nellie Ray, president. Each member answered roll call by relating her most embarrassing moment. Those present were Thelma Ruth Shelton, Lauretta Brookfield, Faye McMahan, Olive Massie, Dorothy Hough, Johnnie Stokes, Lorena Johnson, Gladys Wright, Nellie Ray, Drucilla Paul, Lucy Faye Cavanaugh, Inez Sherley, Zonah Bass, Edith Taylor, and Mary Roberts. After the club meeting, Johnnie Stokes was honored with a pink and blue shower. Refreshments were served by the hostesses, Thelma Ruth Shelton and Lauretta Brookfield.

Mr. and Mrs. Floyd E. Crume Jr. were weekend guests in the home of Mr. and Mrs. Floyd E. Crume Sr. at Lubbock.

SECTION II  
**THE FRIONA STAR**

**Eulers Vacation On Texas Coast**

Mr. and Mrs. Elmer Euler of Friona and Mr. and Mrs. Roy Euler of Summerfield left Friona Tuesday of last week for a vacation in South Texas. Upon arriving at Rockport, they moved into the Mars Apartments.

Latest word received by Friona relatives from the Eulers indicates that they are enjoying fishing and sightseeing. This is their first trip to the coast. The Eulers plan to spend several weeks on the coast then move to an inland town for another week before returning home.

**To Dallas**

Mesdames Marvin Skinner and Nelson Coon left Saturday afternoon for Dallas, where they attended the Texas Beauty Show. The show, which is an annual affair, was at the Adolphus Hotel. Mrs. Skinner, who is employed at Mary Lou's, and Mrs. Coon, who operates a shop in the Lakeview community, returned to Friona Wednesday.

Mr. and Mrs. Keith Blackburn and Jill spent Sunday afternoon visiting in the home of Mr. and Mrs. Neil Pounds at Amarillo. Mrs. Pounds is the former Carol Blackburn.

**The BIBLE Says**

"... WIDE IS THE GATE, AND BROAD IS THE WAY, THAT LEADETH TO DESTRUCTION, AND MANY ARE THEY THAT ENTER IN THEREBY. FOR NARROW IS THE GATE AND STRAIGHTENED THE WAY, THAT LEADETH UNTO LIFE, AND FEW THERE ARE THAT FIND IT." (Matthew 7:13-14)

This information should prove to be helpful as we ponder our course in day by day living. Since Jesus teaches that there are only two ways, and that these ways lead in opposite directions, it naturally follows that we cannot travel either one we choose and expect to arrive at the same destination as others who travel the other way.

One of the ways leads to destruction. Jesus says that the majority of the people are entering

in and traveling on that way. One needs to be especially careful of following the multitude or the majority. It just may be that they are not right. The other way leads to eternal life. Jesus teaches that few travel in that way.

Each of us is traveling one of these ways. Every act takes us a little closer to our destination. The passing of each day moves us nearer that for which we have been working. For some, I fear, the rewards they will receive will be disappointing. Some will not be encouraged to walk in the narrow way of Jesus' truth. Those who delight in abiding in the teachings of God's word will enjoy the wonderful blessings that God has prepared for those who love him and who will walk the narrow way to that home of eternal life.

# « Parmer County Farm and Home »

## Membership Drive Mapped By Bureau

Parmer County Farm Bureau will stage its sixth annual membership drive the week of March 11. This is the date set by directors in their February meeting for the worker's banquet. Workers and guests will be invited to the banquet to hear speakers and map plans for contacting new farmers of the county who have not yet become affiliated with Farm Bureau.

The tentative goal set for this year is 700 members, according

to Jack Patterson, vice-president and membership chairman. He gained approval from the directors to place advertisements in county papers the next four weeks, pointing out some of the accomplishments of Farm Bureau, and problems it is working on now. He said he believed that if people know the facts regarding Farm Bureau activities they will give their support without personal solicitation. He pointed out that anyone who wished further information

regarding claims made in the papers were welcomed to call at the office for such information.

Patterson, President Gilbert Kaltwasser, and one or two others were in Ft. Worth attending a membership chairman's rally Tuesday of this week. Plans were presented for all counties wishing to use them in soliciting membership in an effort to wind up 1957 with 75,000 members in Texas Farm Bureau, and leading the southern states in membership. Present TFB membership is 70,000, a record number for Texas.

Governor Price Daniel designated February 17-23 as Farm Bureau Membership Week, during which state facilities will be utilized to publicize the drive. Parmer County's drive will be after this date, but the educational activities will not have been forgotten by then, believes Patterson.

Other action of the directors included election of John Henderson of the Summerfield area to replace Roy Grace as director. Grace has moved to Spade. Roy Miller reported on the last FB and government agency meeting.

Gilbert Kaltwasser reported on the January 10 drought relief meeting in Lamesa. Current legislative activity was discussed, including the new egg bill, feed bill, variable insurance rate bill, and several others. Kaltwasser, Donald Christian and Jack Patterson reported on the president's and membership chairman's rally in Lubbock January 16.

Membership drive captains selected were Franklin Bauer, Dennis Williams, J. T. Jones, M. T. Glasscock, T. E. Lovett, Roy Miller, Claude Osborn, Bruce Parr, Harry Hamilton, J. D. White and Spencer Hough.

## GRAIN SORGHUM

Is Parmer County's Principal Unallotted Money Crop

Why Do Grain Sorghum Producers Support Farm Bureau?

1955—USDA announced intention of reducing grain sorghum supports to 60% of parity. Your Farm Bureau "Watchdogs", stationed in Washington were informed of this intention 24 hours in advance and protested in the name of Farm Bureau, asking 75% supports.

RESULT—70% supports were announced.

1956—Farm Bureau again asked for 75% of parity. Some Eastern and Northern Congressmen opposed. Texas Farm Bureau Representatives met with other state Farm Bureau leaders and presented the problem.

RESULT—In a few days Congressmen from other states, changed from opposition to support and authorized 76% supports with no acreage controls.

Your Membership Makes Such Things Possible, Farm Bureau Is Supported By Over 1½ Million Farmers—Voluntarily.

"Right on the Corner Right on the Price"

## THE H. D. AGENT'S CORNER

Jimmie Lou Wainscott

I just received this article from College Station on allowances for children, and thought that it would be good information to pass on to you.

When children beg and tease for nickels, dimes and quarters, parents may be using the wrong approach to the problem. Money management has to be learned as does reading, writing or arithmetic, according to extension home management specialists. Learning this job, one step at a time, is part of a child's education.

Parents who have tried allowances for children report that usually less money is required than by the unplanned "hand-out" method. Even more important, the child gets valuable training and satisfaction from learning how to get the most for his money. A personal allowance increases a child's pride and interest in co-operating with the family group.

A child needs opportunities to weigh wants and needs in terms of what he has to spend. This helps him to develop self-control and respect for the value of money.

He needs to learn the value of savings. The practice of saving a part of his allowance for his larger wants and needs will help him in the future to save for a home, car, furniture, education and emergencies. A plan achieved is encouragement for other plans.

Early training in record-keeping will be helpful throughout life. A simple record of expenditures can be kept by the older child, who earns some of his money or has a larger allowance.

Have you made any different breads lately? It is one way of varying your menus. You might like to try this recipe for Orange Nut Bread.

- 2 cups flour
- ½ cup sugar
- 1 teaspoon salt
- 2 teaspoons baking powder
- 5 tablespoons fat
- 2 eggs
- 1 cup milk
- ¼ cup orange juice
- 2 tablespoons grated orange rind
- ½ cup chopped nuts

Sift the dry ingredients together in a mixing bowl. Cut in the fat. Add the nuts and orange rind. Beat the eggs, add the milk and orange juice and combine with the dry ingredients, stirring until well mixed, but leaving the mixture rather lumpy. Pour into an oiled loaf pan and bake at 350 degrees F. from 50 to 60 minutes.

## 4-H Council Holds Officer Election

Margaret Mabry of Friona was elected chairman of the Parmer County 4-H Girls Council at a meeting in Farwell Saturday morning. The meeting was held in the office of Parmer County Home Demonstration Agent, Miss Jimmie Lou Wainscott. Others elected were Katherine Smith, Lazbuddie, vice-chairman; Sharron Thorn, Lazbuddie, district council delegate; Janie Parker, secretary; and Barbara

Rea, Bovina, reporter. Tentative plans were also made by the group for activities to be held during National 4-H Week, which is from Saturday, March 2-9. More plans will be made for 4-H Week this month. The group also discussed and made plans to sell concessions at the annual fair in Friona in April. The money derived from the sales will be used to send delegates to the 4-H Roundup held annually at College Station. There were 10 members and three leaders present.

### SAFE - SOUND - SECURE

There are good reasons why more people insure with Farm Bureau than with any other Parmer County Agency.

## The Parmer County Implement Co. News

"The Place Where Most People Trade"

Friona, Texas—Wednesday, February 13, 1957

A revival is in progress at the Methodist Church. It will close this Sunday. Dr. Ray Johnson is the evangelist and Rev. David Binkley of Memphis, Texas, who is a former pastor of the Friona Methodist Church, is song leader and director of youth work.

Why not put a fertilizer attachment on your lister and do two jobs at once? We have 'em—you need 'em. Come by and let us show you how it works.

Dempsey Watkins and several of the senior boys from Friona High School went to Sherman this weekend and visited Austin College. These boys made the trip with Mr. Watkins: Don Reeve, Wesley Barnett, Phillip Weatherley and Don McMahan.

This is one of our favorite poems. It's called "True Vision" and was written by M. M. Parrish. "We got Miss Meade," said our second grader, "Gee, but she's pretty! Us guys wouldn't trade her for all the others." How soon they begin to exercise their masculine discrimination. I thought, amused—with deeper merits ignored, refused. I met Miss Meade; her face was one of the plainest I'd ever looked upon, and a bit severe; but when she smiled I saw with the gaze of a trusting child; there was nothing stern, nothing commanding, but only the love and understanding for little children she might have had. Oh, the x-ray eyes of a tiny lad.

Goodyear tires have proven their dependability. It costs no more to buy the best. More people ride on Goodyear tires than any other kind.

We were in Steve Messenger's office the other day and the odor of Ammonia was so strong

we had to mention it. Steve just laughed and said he had to keep it for reviving some of his income tax customers.

Now is the time to get your planter ready for spring. Get your parts at the Parmer County Implement Company now and avoid a rush when planting season gets here.

We have a number of good used four row tractors with the equipment. Come by and take a look.

If you are out of town, just call 2091 for any parts you need and we will be glad to send them out by mail.

Several men have been working in the J. B. Douglas' back yard—just across the street from our house. John Bill reported they were making an H-Bomb shelter, but our mother, not even looking at what was going on, said, "Oh! I guess they are just digging a hole to plant some trees." To which John Bill replied, "Must be the biggest tree in the world then." Turned out he was almost right. The big hole was for a storm cellar that will make the best bomb shelter in town.

If you are in the market for a used pickup you should visit our lot. We have about any model you want and about any price you want to pay.

Our shop is busy; it's always busy. But, Ben Woody, our shop foreman, says bring 'em in and yours will be next.

Fred White is building a shop next door—on the west—to his home. Fred will open a battery and electric shop there before long.

Parmer County Implement

Company is headquarters for all kinds of irrigation supplies—tubes, tarps, ditches, levelers, anything you need. Call 2091 or 2201 for all of your irrigation supplies.

Mr. and Mrs. Frank Spring, Dr. and Mrs. Paul Spring were in Dallas last weekend. Mrs. Melba Miller drove as far as Bowie with them where she visited her granddaughter and her parents—Leslie and the Glenn Cummings.

Have you driven a '57 Oldsmobile? We will be glad to take you for a demonstration ride in the dream car of '57. It costs no more in the long run to own an Olds.

Texas take something that you can't feel, hear, taste, see or smell and convert it into gasoline, vinegar, alcohol, carbon black, diesel oil, ammonia, nylons, electricity, plastics, synthetic rubber components, etc. etc. That something is Texas natural gas. Anything detected by the five senses in gas is not the gas, but some impurity or foreign element. As a safety measure, natural gas is "perfumed" before it is piped into your house.

It will pay you to come by and get our price before you buy any used equipment. We have some real good buys in used four row tractors and equipment.

Indians used oil for medical purposes, and the white man's first commercial promotion of oil was as a cure-all. Today lets Texans make money to buy their health in other ways, and converted into gasoline, often hurriedly puts an end to all of a careless auto driver's ailments.

Smile and the world smiles with you. Snore and you sleep alone.

# March 15 Deadline For Reserve Sign-Up

Parmer County farmers are advised that contracts for starting in the conservation reserve program this year must be signed on or before March 15, according to Joe Magness, chairman of the Parmer County Agricultural Stabilization and Conservation Committee. After that date, no more contracts involving annual payments for 1957 will be accepted.

Magness explains that Congress has authorized payments to producers under the conservation reserve program which will not exceed \$450 million in any calendar year. Money for payments has been allocated to states and counties and funds not used by the county by the March 15 closing date will be reapportioned to other counties which have a "waiting" list.

Unused funds in a state may go to other states with "waiting" lists. As more farmers sign contracts, the increasing number of farmers who will receive annual payments in the succeeding years will reduce the funds available for new farmers to enter the program.

Bringing the situation closer to home, Magness points out that the initial allocation of Parmer County for the 1957 program is \$100,000. Part of this figure will be used for annual payments to the relatively few farmers who signed contracts last fall, he says.

The balance is available for those who sign contracts before March 15. Assuming a "full" sign-up this year, a greater part of the funds available to the county for next year will be used for making annual payments.

To that extent there will be reduced funds for initial payments for those who wait until next year to sign up, Magness says.

He also points out that Form MQ-31 is now available in the

county office. About 50 percent of the farmers in the county have already signed one of these forms and every farmer in the county should sign one. The purpose of the form is to preserve history acres on allotted crops regardless of the number of acres a farmer plants.

This can help to hold the base on a farm and it also helps acreage history for the county and state. "All farmers who have not yet signed this form are urged to do so at their earliest convenience," Magness concludes.

## Lazbuddie FU To Have Barbecue

Lazbuddie Farmer's Union will sponsor a barbecue supper at the Lazbuddie School cafeteria on Thursday evening, February 21, starting at 6:30 o'clock.

Admission to the supper will be \$1.25 for adults and 75 cents for children. Everyone is cordially invited.

Reports of the Washington Bus Trip, a recent project of the Farmer's Union groups over the state, will be heard. Representing the local organization were Mr. and Mrs. James Welch of the Lazbuddie community.

## Next Thursday Deadline For New Cotton Allotments

Thursday, February 21, is the deadline for filing an application for a 1957 new grower cotton allotment, according to an announcement from the Parmer County ASC office this week.

Also, farmers were reminded that March 1 is the final date for accepting acreage reserve soil-bank agreements for 1957 cotton.

## NEWS FROM THE FARM BUREAU

By RAYMOND EULER

Jack Patterson, vice-president and membership chairman, is busy getting things in order for the annual membership drive, which is set to begin on March 12. Of course, he has several fellows helping him in this work, but he has the responsibility involved. He wants us to tell you that it will save your local treasury some money if you will promptly respond to your statement by mail. It will save some other farmer and his friend some money and time too, because they will have to come to see you if you have not remitted by mail. He said that if you should happen to not want to renew, it would be helpful if you would use the return envelope to state that fact, and if you don't mind, even telling why. That way, the organization may receive some helpful suggestions to better serve members and non-members alike. Farm Bureau is, after all, he says, a service organization that intends to be of service to all farmers and citizens, whether they are members or not; and he believes that if your wishes are known, and put to use, you would then want to give your support as a member. If your wishes are not known, or are ignored, your support could not be expected, he says.

Mr. Hoffman, Congressman from Michigan, recently asked this question on the floor in Washington: "Why should I make the people of my district mad at me (voting for economy measures in government) if the administration and the Congress are to pour their dollars down rat holes across the seas?" Mr. Multer, Congressman from New York, had this to say regarding claims by Federal Department heads that they could find no way to cut their budgets: "Tell them that you are going to cut 10 percent of their salaries if they cannot show you how they can cut their own budget." We hope the number of statesmen seriously considering positive measures toward a more business like administration is increasing substantially. And you ought to read on page 1368 of the February 5 Congressional Record the list of clubs listed in the United Nations Phone Directory. It was read in the record by Mr. Gross, Congressman from Iowa. His point was that the United States furnishes fully one THIRD of the running expenses of what he calls "this Modern Tower of Babel." He listed 24 such clubs, which he says maintain, at your expense, offices and private telephones; and then he read one to be called if your particular club had been omitted from the list, "Clubs-general information." Congressman Gross suggested this as a good place to cut appropriations. What do you think?

He also called attention to a "Delegates Bar-South," and "Delegates Bar-North," located in the celebrated United Nations Building. We believe that if every State Farm Bureau had a few of these facts presented in their conventions, they would withdraw any statement they may have in support of United Nations, just as Texas Delegates did in November.

Farm Bureau members are opposed to such elaborate and stupid spending of the citizens' tax dollars while there are so many places in America that the money could be put to good, productive use.

Remember that you are living in a country that still permits you to write your congressman or other representative about this and other matters important to your present and future economic security. Use that opportunity often.

Consider this: He, that being often reproved hardeneth his neck, shall suddenly be destroyed, and that without remedy. Proverbs 29:1.

A 1,500-acre tent city will house the Fourth National Scout Jamboree at Valley Forge, Pennsylvania, next July 12-18.

## Feed Price Props Back To '55 Levels

Price supports on grain sorghums produced in this area are back to roughly the same level they were in 1955. Sunday, the USDA announced substantial cuts in level of supports on many commodities, including cotton, corn, and feed grains, all important to this area.

The supported price (net to the farmer) is being estimated locally at \$1.59 this year, compared with \$1.53 in 1955. The props are 16 cents per hundred lower than they were a year ago.

## THE HAPPY HOMEMAKER

If you are one of those homemakers who regularly fill out your income tax forms, you should have it done by Friday of this week. Like just about any other job, this one is made much easier by careful planning and preparation. If you have kept good records all year, the final preparation really isn't such a hard job. If you haven't, by all means get started right this year and save yourself endless time and worry next February.

Many of our homemakers are

## PLANNING IS WORTHWHILE

"Information Without Obligation"

- Life Insurance
- Annuities
- Hospitalization

**JOHN GETZ**  
Agent For  
Parmer County

making a concentrated effort to learn to do their work easier in connection with their home demonstration club work this winter. Most of us get into a habit of doing things a certain way and just keep doing them that way without thinking. Maybe there is a quicker and easier way of doing ordinary tasks. If there is, some of the women at the club meetings are almost sure to come up with the idea.

In a conversation with Inez Sherry one afternoon last week, this question was asked, "Can you tell that the new methods of doing things save time?" Her answer was, "They may not save any time, but they do save you." If there is any way of doing things in a way that will conserve a homemaker's energy, all of us should be anxious to learn about it.

Those of you who are having parties in the near future, are in luck. There is no end to the pretty decorations and refreshments you can use with the Valentine theme that make a pretty and enjoyable party.

## Dr. B. R. Putman OPTOMETRIST

Phone 6560

Box 985

Muleshoe, Texas

Another party theme that most children enjoy is the George Washington theme. This can be used in an educational way as well as an entertaining way. A word scramble game makes an ideal way to teach our smaller children some American history that they will long remember.

Those of us who have daughters in homemaking classes in school are missing a good opportunity to improve our cooking and sewing skills if we do not take advantage of the things they learn at school. Besides the benefits we will receive that—besides he's too old.

from what we learn, our daughters will benefit from sharing their experiences with us.

Just because we have never done a given task a certain way shouldn't be offered as a reason for the way of doing it not being sound. We are never too old to learn, and, who knows, we may have been doing it wrong all these years.

When Missus Tike was asked if Ez would ever chase another woman she said, "Lands, no—he's much too fine and decent for me. Besides the benefits we will receive that—besides he's too old."

Members of the Lazbuddie Baptist Church voted for opening a building fund for a new auditorium. This action was taken at their regular Wednesday evening service.

Pauline Cammack Circle of the WMU met Monday afternoon in the home of Mrs. W. R. Broadhurst. Mrs. John Agee gave the last study on "Home Missions U. S. A."

Refreshments of a salad plate, cookies, coffee and hot tea were served to Mesdames Bert Gordon, F. W. Greene, Carrie Withrow, H. G. DeLoach, L. B. Hambright, Wesley Barnes, Dan Cargile, Abe Mallouf, A. E. Redwine, W. R. Broadhurst, John Agee and Frank Spittler.

Mr. and Mrs. Deboe Carpenter, Shirley and James, were in Austin, Thursday, where Shirley took her state examination for beauticians. They visited the state capitol while there. They also went to Houston and Galveston before returning home.

Mr. and Mrs. James Welch returned home from Washington D. C. last Monday. Mrs. Welch was taken to the Friona hospital the next day suffering from pneumonia. After several days in the hospital, she is recuperating nicely at home.

Mrs. Ethyl McCurdy and Mrs. Mae Mahan visited Sunday in Lubbock with Mrs. Mahan's daughter and son-in-law, Mr. and Mrs. Don Jordan.

Mr. and Mrs. Jay Wyer visited Sunday with Mr. and Mrs. Alfred Scott.

Mrs. Mary Vassar, of Anson is visiting in the home of her parents, Mr. and Mrs. J. B. Mayfield, and other relatives of Lazbuddie.

Mr. and Mrs. L. B. Hambright visited in Southland last week.

Mrs. R. B. Seaton, Mrs. Hoyt Eubanks, Mrs. Neal Eubanks and Mrs. R. V. Luna, attended the Women's Missionary Council in Sundown, Friday, February 8.

Mr. and Mrs. J. H. Brown of Slaton visited with Mr. and Mrs. Andrew Brown over the weekend.

Mr. and Mrs. Floyd Templar of Hartshorne, Oklahoma recently visited with Mr. and Mrs. Wayne Clark. The Templars are Mrs. Clark's parents.

J. D. Carpenter suffered a stroke on his right side Sunday morning. After being examined by a doctor, he returned home with his son, Howard Carpenter.

Mr. and Mrs. Larry Treider of Kansas, are visiting their parents, Mr. and Mrs. Arvil Lawrence and Mr. and Mrs. Juel Treider.

Mr. and Mrs. Dalton Mimms and family and Pete Mimms were in Lubbock, last week, visiting a brother, O. L. Mimms. O. L. is from Washington D. C. and was in Lubbock on business.

"Shanks" Ivy spent a couple of days in the Friona hospital after falling from his well house last Tuesday. He is up and around again but is very sore from the bruises and sprains.

Mr. and Mrs. Ernest Brock and daughter, visited Sunday with Mr. and Mrs. J. B. Jennings.

Those dining in Clovis Saturday night were Mr. and Mrs. Grady King and Glendale, Mr. and Mrs. Dee Chitwood, Richard and Pat,

Mr. and Mrs. J. B. Young, Cooper and Steven, Mr. and Mrs. Dee Brown and Gary Mac, Mr. and Mrs. Al Jennings, Mr. and Mrs. Ike Spittler and Mr. and Mrs. Raymond Treider Jr.

Sunday guests in the home of Mr. and Mrs. Leonard Elliott were Mr. and Mrs. Hubert Elliott and family.

Mrs. Boone McRacker of Quitaque and Mr. and Mrs. Stewart McRacker and family of Tulia

visited last week in the Clyde Monk home. Mrs. Boone McRacker and Mrs. Monk are sisters.

Judy Brown visited Sunday with Beverly Smith.

Mr. and Mrs. J. E. Williams visited Sunday in the home of Mr. and Mrs. C. C. Graef.

Mr. and Mrs. Clyde Monk visited Sunday in the home of Mr. and Mrs. Duane Darling.

Mrs. Thomas Carroll underwent surgery in the Hale Center Hospi-

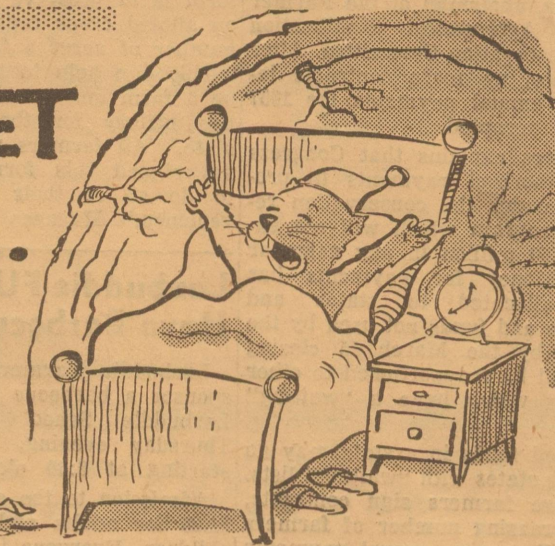

tal, Tuesday morning, February 12.

Mr. and Mrs. Davis Johnson and sons, Ronnie and Don, are new members of the Lazbuddie community. They moved here from Earth, and live on the place formerly occupied by the Bert Gordons.

Hard work is just the sum total of the easy things you didn't do when you should have.

## TIME TO GET MOVING...

Spring Will Soon Be Here!

Why not beat the crowd? Right now's the time to get your tractor and implements out of "hibernation" for a dose of spring tonic at our precision-tooled shop!

Our skilled mechanics will put your equipment in "tip-top" shape with John Deere-approved servicing methods and genuine, long-wearing John Deere Parts. We're equip-

ped to do the job quickly, thoroughly, and economically... but we need your help.

Don't wait until the last minute... bring us your equipment now, while we both have the time. You'll be sure of getting your machines into the field faster... and be helping us and your neighbors at the same time. Won't you make a service date with us on your next trip to town?
