AMERICAN MOTHER

It couldn't have been a happier day for Mrs. A. E. Gillis of Fort Worth, Tex., named American Mother of the year, unless "my other three children were here". Shown with Mrs. Gillis (center) in her home (left to right) are: Mrs. Evelyn Gray, daughter; Earle Gillis, her husband; Lewis Gillis, son, and Mrs. Eileen Plemmons, daughter.

## Country Club Auxiliary To Have Breakfast

The women's auxiliary of the Brownfield Country Club, will have a golf breakfast at 8 a. m. Saturday morning, April 30, at the club house. This will be the first of a series of these breakfasts, which will last all summer.

Paul Bish will begin lessons at 9 a. m., but those who wish may get up a twosome or foursome for golf. It is requested that the scores be turned in at the office to qualify for the Scots tournament.

Mrs. Jack Shirley, chairman of the committee in charge of the breakfast, asks that the ladies who attend the breakfast bring their own eggs for the meal.

## HIGH SCHOOL BAND TO ATTEND BAND CLINIC

Members of the local high school band, under the direction of Richard Young, will attend the band clinic in Canyon this week end. The 72 members of the band will take part in the clinic Friday (today) but will only observe Saturday.

Mr. Young stated that there would be four soloists, six twirlers, and a cornet trio entered in the competition, while the entire band will participate in the marching, sight reading, and concert playing contests. The Brownfield band, which is classified in class A, will compete with 14 other bands from this area.

Mrs. Ethel Tucker visited her son, R. G. Tucker, and family in Lubbock Sunday.

### REPORTS ARE THAT BAND CONCERT GREAT

We have been informed by several who attended the high school band concert Tuesday night was really grand. In fact, Mrs. Tess Fulfer informed us that it was great, and those who missed out on it, really missed something. Others have informed us that a great crowd was on hand to hear the concert. Many had to be turned away at the door as the high school auditorium was filled to capacity.

Along with the band concert, the men's Glee Club was given a big ovation.

### JUDY AKERS HAS BIRTHDAY PARTY

Judy Akers, daughter of Mr. and Mrs. Jot Akers, celebrated her third birthday Tuesday afternoon, April 26, with a party at Coleman Park. Favors of boxes of crackerjacks and ice cream and birthday cake were served to the following children: Lynn Robertson, Pam Shirley, David Moore, Kathy Price, Billy Joe McGowan, Pat Hamilton, Tommy Harris, Jane Hackney, Carol Cates, Linda Ray Douglas, Creda Gale Gore, Linda Lou Collins, Barbara Dean Thompson, Nancy King, and Donna Newman.

Looking at the baby are nurse Mrs. V. M. Ackerman and Ronnie Rhone, born April 14, 1942, and Craig Rhone, born April 14, 1947. (AP Photo)

### Varied Projects Show Progress In Club Work

National home demonstration week is May 1 to 7. Members all over the nation, during that week will be showing others their accomplishments. The week will be observed in a number of ways. Some will hold tours to the homes of the members to see the work that has been done. Others will have exhibits, while some will hold open house.

Five leaders in Terry County and four in Yoakum County received a four weeks training in tailoring by Miss Mary Routh, state clothing specialist with the Extension Service. They received this training during March and April. They will show their completed wool suits and coats during the celebration next week.

Following these training schools each of the five leaders of Terry County, held similar training schools, when they trained four or more leaders, each. These meetings were held in the homes, churches and schools. The leaders say they feel it was a privilege to be able to pass the work on to others in order that they themselves might receive the training. Mrs. D. D. Qualls has traveled more miles than any one of the leaders in passing on this information to others. She drove her car each week from Meadow to Willow Wells, a distance of about thirty-five miles. She has trained six leaders in the art of tailoring at these meetings.

Besides learning to teach others in tailoring, the five leaders in Terry County have added twenty-five pieces of equipment to help them do better pressing and sewing. Figures on the amount of equipment added by the ones they trained are not available at this time.

# Chisholm's Lectures On Italy 'Fine Picture'

The one day lecture program held at Brownfield, Tuesday, April 26th, was a success in every way. Bro. J. R. Chisholm was the principal speaker on the program, and gave three inspiring messages concerning the work in Italy during the day. Everyone present expressed their appreciation for the way the work was being carried on, and for the fine way in which Bro. Chisholm reported on the work. The audiences throughout the day were exceptional for this time of the year, and the building was filled on the night of the lecture program. Perhaps the greatest thrill received during the entire day was the showing of the pictures of the beginning of the work in Italy. As one expressed it, "Being able to see the first ones baptized into Christ in Italy has inspired me to do all that I can to help the work of Christ in that country."

Visitors came from far and near to this one day service. During the day there were more than 200 visitors from other places present. There were people present from Muleshoe, Gainesville, Mesquite, Meadow, Levelland, Sundown, Odessa, Seminole, Lamesa, Denver City, Cleburne, Ropesville, Wellman, Seagraves, Farwell, Holliday, Plainview, Littlefield, Bowie, Lubbock, and Melrose, N. M. The following ministers were present, and all of them endorsed the program that is being carried on in Italy: Bro. J. V. Davis, Levelland; Bro. B. M. Scott, Sundown; Bro. Eddie Meyers, Odessa; Bro. J. W. Bandy, Seminole; Bro. Luther Savage, Denver City; Bro. Murray Marshall, Melrose, N. M.; Bro. Clyde Moore, Ropesville; Bro. Andy Burk, Seagraves; Bro. Sol Morgan, Farwell; Bro. Alvis Bryan and Bro. B. B. Harding, Lubbock; Bro. Ebb Randall, Muleshoe; Bro. Garnie Atkinson, Post; Bro. Ernest West, Tahoka; and Bro. Paul Mayr, Post. Bro. and Sister Oscar Paden, parents of C. R. and Harold Paden were here during the day. Also Sister Hudson, mother of Bro. Wyndall Hudson was present.

## TOMMY HARRIS CELEBRATES FOURTH BIRTHDAY

Mrs. Tom Harris honored her son, Tommy, with a birthday party last Saturday. Favors, a picnic lunch, and cake were served to the following: Barbara Kirschner, Barbara Germany, LaTrice Teague, Terry Finley, Mary Jane and Linda Brownfield, Billy McGowan, Billy Bob Graves, Rudelle Bradley, Claudia and Leann Cheshier, Billie Walker, Pam Shirley, Steve Teague, Rachel Hammock, Becky Burnett, Hardy, and Joan Tarpley.

## TOKIO HOME DEMONSTRATION NEWS

The Tokio H. D. Club visited in the home of Mrs. Hardin Joyce Wednesday, April 20. The program was opened by practicing the club song, with Mrs. Joyce at the piano. Mrs. Joyce gave a council report, and Miss Helen Dunlap gave a demonstration on making and wrapping butter. Mrs. Joyce also showed the members rugs, bedspreads, and other lovely things she has made by hand. Refreshments were served to the following: Mesdames Wood Johnson, Alton Loe, C. D. Parker, B. M. Tuttle, F. H. Tuttle, J. A. Bench, R. D. Jones, Sr., L. J. Holloway, Miss Dunlap, and the hostess. The next meeting will be held May 4 in the home of Mrs. I. W. Bailey. The club was very sorry to hear of the illness of Mrs. G. C. Perry, but hope she will soon be well again.

## MRS. HUCKABEE FETES BRIDE ELECT

On Tuesday of last week, at 3 p. m., Mrs. Ruth Huckabee honored Miss Twilla Graham, bride elect of Tom Dorrough, with a linen shower and bridge party. A salad plate, ice cream, and cookies were served to sixteen guests.

## Mixing Gin and Water

Using a special card-playing board, this trio engages in a hot game of gin rummy in cool surroundings in a pool at Miami Beach, Fla. The board, designed to make a water sport out of the pastboards, has two elastic bands to keep the cards in place. The players, left to right, are Mary Mullen, of Los Angeles; Tames Tappen of Monte Carlo, France, and Jessica Paz, of Philadelphia. Needless to say, the pen used to keep score writes under water.

DELPHIAN CLUB SEES FILMS ON CANCER

The Delphian Study Club met Monday, April 18 in the home of Mrs. K. D. Sneedker. Mrs. James Warren was installed as a new member of the club. She was presented with the traditional white carnation corsage as part of the installation.

A short business meeting was held with Mrs. Geo. Steele, president presiding. Mrs. Leonard Chesshir, who was club delegate to the Federation meeting in Lubbock this month, reported on that convention.

Following the meeting the club members went to the home of Mrs. A. M. Muldrow, where they saw a movie on the subject of Cancer Control. Mrs. Muldrow is chairman of the Cancer Control Drive here this year. R. N. McClain showed the film to the group.

Those present were: Mesdames Robert W. Baumgardner, J. O. Burnett, Jr., Crawford Burrow, John Brooks, Leonard Chesshir, Sawyer Graham, Lewis Simmonds, K. D. Sneedker, George Steele, Crawford Taylor, R. R. Swanke, Kenneth Sadler, and James Warren.

FOREIGN STUDENT ENROLLMENT UP

JAPANESE POETS WRITE FOR PEACE

TOKYO— (AP) — Japanese poets are getting lyrical again about their country's "Rising Sun". Nowadays they stress white doves instead of marching feet. The newspaper "Asahi" recently sponsored a contest for a song to match the restored permission to fly the Rising Sun Flag. The winner of the \$150 prize was a primary school teacher whose entry (one of 16,000) contained this typical refrain: "How sublime peace is, "Reflecting on the Rising Sun!"

Quit a contrast with Japan's popular wartime "Pacific March" which went like this: "Oh since the distant days of the gods "The resounding marching steps we continue, "And beyond, where moves the march, "May prosper always our empire."

When you are ordering a frying chicken have the second joints separated from the drumsticks it's easier to fry, this way, and easier to eat, too.

ALPHA OMEGA STUDY CLUB HAS GUEST TEA

The home of Mrs. P. R. Cates was the scene of the Alpha Omega Guest Tea Tuesday afternoon at 4 o'clock, with Mrs. Cates, Mrs. Jack Hamilton, and Mrs. Clarence Lackey acting as hostesses. Mrs. V. L. Patterson reviewed "Hound Dog Man" by Fred Gibson.

The table, covered with a green linen cloth, was beautifully appointed with crystal and flowers. The punch bowl was set at one end of the table, and a nosegay of sweetpeas surrounded five tall pink tapers at the other end of the table. Dainty tea cakes with green icing were served with the green punch.

Members of the club who attended are: Mesdames Lee Brownfield, Paul Bish, George O'Neal, Toby Greer, M. J. Craig, Jr., Virgil Crawford, A. J. Geron, E. C. Gerstenberger, Grady Goodpasture, Jake Gore, Wayne C. Hill, R. E. Kiofanda, W. T. McKinney, Wayland Parker, John Portwood, J. O. Rodgers, Sam Teague, Chad Tarpley, Coleman Williams, Patterson, Lackey, Hamilton, and Lackey.

The guest list included: Mesdames Robert Noble, Truett Flache, Zeb Moore, Tess Fuller, Albert Anderson, Paul Blackstock, T. C. Livingston, Bob Clements, John Venable, Phil Gaasch, George Germany, Barton Evans, Ray Swanke, J. N. Schuelke, Bobby Jones, and J. E. Smith.

TWO LOCAL MEN AMONG TECH'S OUTSTANDING STUDENTS

The Herald is proud to present two of the local students at Tech College among the 178 outstanding scholastics of this term of the college. These students will be duly recognized on Parents' Day, May 1.

They are Robert Edgar Self, son of Mr. and Mrs. R. E. Self, studying business administration. Myrom G. Harris, son of Mr. and Mrs. Glenn Harris, who is taking an engineering course.

A delicious dessert can be made by lining sherbet glasses with lady fingers (split or halved), then filling the glasses with chocolate tapoca cream and topping with whipped cream and maraschino cherries.

Record Hat

Metropolitan Opera star Dorothy Kirsten models a gay spring bonnet that literally sets a record. Designer Sally Victor used multi-colored translucent vinyl plastic records tied with navy taffeta and white lilacs as the brim for this white straw creation. The singer's own voice is on one of the records.

NOTED SPECIALIST TO SPEAK TO MEDICOS

Dr. Charles I. Johnson of Boston, a surgeon who has gained prominence in his work in the medical field of eye, ear, nose and throat, and Dr. B. R. Kirklind of Rochester, Minn., director of the division of radiology of the famed Mayo Foundation, will be distinguished speakers at the yearly meeting of the State Medical Association of Texas in San Antonio May 3-5.

The twelve prominent physicians who will be the guest speakers at the convention will also speak at section meetings of doctors in specialized fields of medicine. Dr. Johnson will be the guest of the section on otolaryngology (eye, ear, nose and throat) of which Dr. Dan A. Russell of San Antonio is chairman, and Dr. Kirklind will be honored at a dinner by the section on radiology and physical medicine with Dr. C. A. Stevenson of Temple as chairman.

**AN ORDINANCE REQUIRING THE PARKING OF ALL VEHICLES, OF EVERY KIND AND CHARACTER PARKED WITHIN THE CITY OF BROWNFIELD, TEXAS TO BE PARKED PARALLEL WITH AND NEXT TO THE CURB EXCEPT THE AREA OF SAID CITY OF BROWNFIELD LOCATED WITHIN ONE BLOCK OF THE COURT HOUSE SQUARE AND PRESCRIBING A PENALTY FOR THE FAILURE OR REFUSAL TO SO PARK AFTER NOTICE.** Be it ordained by the City Council of the City of Brownfield, Texas.

Section 1. That all vehicles of every kind and character which may hereafter be parked within the Corporate Limits of the City of Brownfield, Texas on any street therein shall be parked parallel with and next to the curb on the right hand side of said vehicle except vehicles parked within one block of the Court House Square within said Corporate Limits.

Section 2. Any person, firm or corporation who shall park any vehicle of any kind or character on the streets within the Corporate Limit of the City of Brownfield, Texas in any manner other than parallel with and next to the curb on the right hand side of said vehicle, except the area within one block of the Court House Square shall be deemed guilty of a misdemeanor, and on conviction shall be fined not exceeding \$100.00; and each time any person, firm or corporation shall park a vehicle of any kind or character on the streets within the corporate limits of the city of Brownfield, Texas in any manner other than parallel with and next to the curb on the right side of the said vehicle, except the area within one block of the Court House Square, shall constitute a separate offense.

Section 3. The fact that the City of Brownfield has no ordinance regulating the parking of vehicles on the streets within the corporate limits of the city of Brownfield and that vehicles are parked contrary to the manner necessary for the safety of the inhabitants of the city of Brownfield, Texas, causing great danger to the life and limb of the inhabitants of the city and other persons using the streets, creates an emergency and imperative public necessity requiring the suspension of the rule that ordinances shall be read at such meetings of the City Council. Said rule is therefore hereby suspended, and this ordinance is put upon its final reading and passed by a unanimous vote of ayes and none nays.

Signed and approved by the Mayor, attested by the City Secretary this 15 day April A. D. 1949.

**TELL US WHERE YOU LIVE, PLEASE**

A lady wrote us this week asking old Billy-hell about her paper not getting there sooner. She did not tell where she lived, and we are a poor guesser.

The postmark on the other side of her card was no help, as it was badly blotted. One thing is dead sure, the Old He is not going to personally deliver anyone's paper.

When you write in about your paper, mind your blood pressure a bit and tell us more about where you live, and just how the paper should be addressed.

On another card we received a very same request to get them on the list, telling who took their subscription, etc. There was no wrath or excitement in his card, but he was very careful to give us full details about his name and address.

Mr. and Mrs. David Nicholson, Mr. and Mrs. Bruce Salmon, and Mr. and Mrs. H. B. Parks, attended American Business Club Square Dance Jamboree for West Texas in Big Spring last week end. Between 600 and 700 people were square dancing in the huge gym of the Bombardier School at one time.

### Wellman's Crew Cops Two Firsts

Wellman High School won two first places to top entries in the District 9-B softball and volleyball meet at Meadow last Saturday.

Wellman competitors won first places in the girls softball and in the boys volleyball. Other first places went to Sundown boys in softball and to Meadow girls volleyball.

Eight schools competed in boys softball, with Sundown beating Brownfield 13-8 for first place. Brownfield finished second, Meadow third and Bledsoe fourth. Others in the division were Ropesville (Whiteface, Union and Wellman).

Wellman girls won the softball division by beating Meadow 12-6, Meadow taking second and Brownfield finishing third. Other entrants included Ropesville, Whiteface and Sundown.

Meadow boys won the volleyball division by beating Union two games to one. Union was second, while other teams were Wellman, New Home, Ropesville and Bledsoe.

In the girls softball division, Wellman beat Ropesville two games to one for the championship. Ropesville finished second and other teams entered included Union and Meadow.

### Nisbet Bug Catcher Now Available

An effective weapon in the war against the insect enemies of the cotton plant, the Nisbet Bug Catcher, is now available to farmers of this area. This announcement comes from M. G. Tarpley of J. B. Knight Imp. Co., who have contracted for the sale of the bug catcher in this territory. The machine is now on display in their salesroom at 611 W. Broadway.

The Nisbet Bug Catcher has been on the market for several years and is now being used by cotton farmers throughout the cotton growing area from California to the Carolinas. It has been proved superior to any other method of controlling cotton insect pests, and it has cut the cost of the fight against these bugs.

The bug catcher catches the usual insects, such as the boll weevil, flea hopper, boll worm, aphid (plant lice), tarnished plait bug, stink bug, etc., and controls them effectively. In addition it will eliminate pests that can be controlled in no other way. A high-speed fan, driven by the tractor belt pulley is the heart of the bug catcher. This fan creates a strong blast of air which blows the bugs off the plant into receiving bags where they may be easily destroyed.

Attached to the front of the tractor, the bug catcher does its work as the farmer cultivates his crop. This, of course, means a tremendous saving of the farmer's time as well as his money. The Nisbet Bug Catcher is available in all makes and models of cultivating tractors.

According to Mr. Tarpley, the machine will remain on display several weeks in order that interested persons may see the machine and get additional information on its operation.

### TWO NAMES FILED FOR ALDERMAN RACE

Two names have been filed for the alderman's race, which will be held Saturday, May 31st. Deadline for the filing of names is May 2, and May 27 is the deadline for casting your absentee ballot.

Gay Price and D. Neugent were the only names on the docket as the Herald went to press.

### WISHES FOR A MOTOR SCOOTER

Samuel Souther (above) 92-year-old Brownsville, Texas, night watchman, is ambitious to own a motor similar to the one on which he is sitting. Souther, who has been night watching for 33 years and who once fought against Pancho Villa said: "I'd like me a scooter to patrol my beat. Never been able to afford one yet." (AP Photo)

### Plains Almost Sure Of a Bank

In conversation this week with a prominent business man here, he informed us that the city of Plains, capitol of Yoakum county, is almost sure to get a bank in the next 30 days. In fact, he stated only a hitch over some technicality would hold up the opening soon. Our informant also stated that his institution took some stock.

However, most of the stock was subscribed by Plains and nearby ranch people, such as Murphy Luna, Mr. Evans and others. The new bank will open with a paid up capital of \$50,000.00 and a surplus of the same amount, both fully paid.

Plains has not had a bank since back in the twenties, and we congratulate them on this forward move.

### County Prisoner Who Made Break, Caught

A man being held in jail here by the name of Robert Lee Davis, of Lubbock, made a break for liberty late last week while Sheriff Murry had his attention called to some visitors calling on another prisoner. At the time Murry had the prisoners carrying garbage out of the jail, when Davis slipped away.

It seemed for awhile that Davis was long gone, but Deputy Buel Powell and a Ranger who was here from Lubbock, flushed the prisoner from a huge pile of brush that had been hauled off following the ice storms of the winter.

Trial of Davis will likely take place this week, when Judge Louis B. Reed reassembles court.

### JAYCEES HOLD REGULAR MEETING

At their regular meeting Monday noon, the Jaycees voted to build an outfield fence of chicken wire at the new baseball diamond. They also authorized the making of a series of signs to direct traffic to the new ball field. The new field is located at the end of East Broadway street, and has already been initiated. They reported season ticket sales to the baseball games at approximately \$122.00.

Advertising is already going out on the rodeo, which will be held June 23, 24 and 25. Hub King, rodeo chairman, reported that the new arena is complete except for painting. Bids will be let to contract the painting.

### Contract Let For Club House

The contract for the Seleta Jare Brownfield club house, to be situated at the corner of east Broadway and Club streets, was let last week to Roy Wingerd, and work will begin immediately. The structure will be a 60x24 Colonial type, and will contain a main club room, a kitchen, a large coat closet, and two rest rooms.

The Maids and Matrons Study Club and the Alpha Omega Study Club, who are responsible for the building of the club house, have been raising funds for the past seven years in order to complete their plans to provide the Brownfield women's clubs with a home of their own.

### COUNTY HEALTH OFFICER REPORTS

Dr. Frank P. Miller, county health officer, reports that only 600 persons took advantage of the free X-rays, which were taken April 21, 22, and 23 at the high school gymnasium. Dr. Miller said that at least 3,000 people should have had their chests examined at that time.

In a bulletin issued by the State Health Department typhus and bubonic plague show a 20% increase over the fourth week in April of 1949. There are 88 cases of typhus in 39 counties in Texas, and the plague has been found in rats in four counties in Texas. Two of the four counties are Cochran and Borden. So far, no plague has showed up in humans, but since it has been found in rats, grasshopper mice, prairie dogs, and their fleas, it is quite possible for it to be transmitted to humans.

### Dr. Schofield Attends Spanish War Vets Meet

Hadn't seen Dr. A. F. Schofield, local dentist in a week or so, but thought he was confined to his office pretty close. Met him at a cafe Wed., when he informed us that he had just returned from California, where he has spent the last week or so, part of the time in a reunion with his old Spanish War buddies.

Dr. Schofield stated that the reunion was held at San Jose, Calif., and they found that there are still eight survivors of their old company. This company saw service in the Philippines, and was mustered out in 1901.

The doctor stated that an old buddy from Arizona attended this year, that all of the rest of the survivors thought dead. He reported that he had a nice time.

## Banks Reflect 'Stable Era'

### New Store Hours To Go Into Effect May 3

David Nicholson, secretary of the Brownfield Chamber of Commerce, announced Tuesday that, beginning May 3, eleven local firms will have new business hours. The changes will not pertain to Saturdays or Dollar Days. The purpose of the new hours is to encourage patrons to do their shopping early during hot weather.

The following firms, from May 3rd through the summer months, will open at 8 a. m. and close at 5 p. m., EXCEPT SATURDAYS AND DOLLAR DAYS, when regular hours will be in effect:

Brownfield Bargain Center  
Fair Store  
Collins  
Cobb's  
Jones'  
Griffith's  
Latham's Dry Goods  
St. Clair Variety  
Gore Shop  
Shelton's  
Duchess Style Shop

### Pioneer Lady Passed Away Monday

Mrs. W. C. Smith, 72, who moved with her husband and two children at that time, to Brownfield in 1910, passed away at the local hospital Monday about 1 p. m., after a long illness. Mrs. Smith had a stroke several years ago, from which she never fully recovered. Thus a faithful life companion, and a loving and understanding mother, has passed from this vale of tears.

The Smith family, originally from Oklahoma, moved here from Midland where they lived a short time before moving here. Mumford and Cecil were small lads then, and Adolphus and Dell were both born in Brownfield. Soon after moving here, Mr. Smith built the residence now the home of Mrs. E. A. Graham. Some time in the twenties they built their present home on east Main.

Before becoming disabled by ill health, Mrs. Smith took active part in church, social and school work. Mrs. Smith was never too busy to visit the sick, and encourage those in distress. Her friends were confined only to the limit of her acquaintance.

Survivors aside from her husband are, Cecil J. of this city, and Mumford, Adolphus and Dell, all of Glendale, Ariz. One sister, Mrs. A. H. Shi, resides in Stratford, Okla. One daughter was born to the couple, but died in infancy.

Services were held Wednesday at 2 p. m. at the Methodist church, with the pastor, Rev. H. L. Thurston, officiating. Burial in Terry County Memorial cemetery. Arrangements by Brownfield Funeral Home.

### HARDWARE STAGING APPRECIATION EVENT

Lal Copeland, owner of the Copeland Hardware, located at 503 West Main, is announcing in this issue his Big Spring Showing of Philco Refrigerators and Freezers. He also expressed his appreciation to his many customers and friends for their past patronage.

There will be two big days Friday and Saturday of this event. A Philco Representative will be here for both days to assist Mr. Copeland.

A table model Philco radio will be given away free with the purchase of a Philco Refrigerator or Freezer. There will be favors for all the ladies.

### Proclamation

WHEREAS, May 1-8 is set aside as National and Inter-American Music Week for the purpose of the promotion and the appreciation of music, and

WHEREAS, in order to promote the observance in our community, I, C. C. PRIMM, by the powers vested in me as Mayor of the City of Brownfield, Texas, do hereby proclaim May 1-8, 1949 as National and Inter-American Music Week in Brownfield.

C. C. PRIMM,  
Mayor of Brownfield.

### Brownfield Well Represented At Firemen's Meet

Several hundred firemen and their wives converged on Lamesa last Saturday, to be present at the Permian Basin District convention. In fact Brownfield won second place in attendance, with Monahans second. The president of the Convention, Charles Meadows, fire chief of Odessa, presided. Fort Stockton got the next convention.

Lamesa really had its glad rags out, and put on a real entertainment to visiting firemen. There were pump races and other contests, barbecue feasts and dances. New officers of the association elected were as follows:

New officers were elected with John Hildreth, Lamesa fire chief, named president. Other officers are J. C. Cooley, Alpine, first vice-president; A. T. Collier, Monahans, second vice-president; and J. D. McAmis, Lamesa, secretary-treasurer.

### MRS. KYLE MILLER DIES HERE IN HOME OF DAUGHTER

Mrs. Kyle Miller, 56, died this afternoon (Thurs., April 28) at the home of her daughter, Mrs. Joe Havener, here in Brownfield. She had been visiting her for two days. Mrs. Miller's home is in Big Spring, Texas, where she was born and raised. The body will be taken to Big Spring tonight by the Brownfield Funeral Home for funeral services and burial there Saturday.

Survivors include Kyle Miller, husband and four children, Sam, Kyle, Jr., Rhoda, Jenny, and Mrs. Joe Havener.

### MIND OVER MATTER

Nine-year-old Strader Taylor, Ponder, Texas, 4-H boy, proved it was simply a case of mind over matter when he won best big showmanship honors at the annual Denton County Future Farmers of America and 4-H Clubs Fat Calf and Hog Show at Denton, Texas. Strader weighed in at 62 pounds while the hog tipped the beam at 290. The hog, on its own merits, could only place tenth in its class. (AP Photo)

### PRINCIPAL SPEAKER FOR PRESS GROUP

John Ben Shepperd

John Ben Shepperd, Gladewater attorney, and former President of the United States Junior Chamber of Commerce, will be the principal speaker at the annual banquet Friday, May 6, of the South Plains Press Association in Lubbock, it was announced by Lois H. Vestal, Secretary. Shepperd is presently touring Europe and this will be his first speaking engagement upon returning to the states.

### IOOF Convention Termed "Huge Success"

New officers were named and Levelland chosen for the 1950 convention place at a meeting of the South Plains IOOF association here April 22.

New officers include Frank Jordan, city, president; Mrs. Alma Powell, Levelland, vice president; Chester Anderson, Muleshoe, re-elected secretary; and Mrs. Rhoda Lee Hatton, Levelland, chaplain. Jordan succeeds Mrs. Delma Benedict of Plainview.

Between 500 and 600 people attended the one day session, with visitors from Levelland, Muleshoe, Morton, Needmore, Lubbock, Sundown, Matador, Plainview, Lamesa, and Floydada. In addition, there were visitors from the Amarillo lodge; Midwest City, Oklahoma; and Odessa.

Following opening of the session and a welcome address by Mayor C. C. Primm, there was a luncheon, parade, and competitive work. The Muleshoe Rebekahs took first place in degree team work, while Levelland took second place, and Lubbock took third. The Morton Odd Fellows won first place in their team work.

The Sundown Rebekahs presented a memorial ceremony.

### SMILEY BURNETT TO APPEAR IN PERSON ON RIO STAGE

Smiley Burnett, better known as the "Frog" to some people because of his croaky, sandpaper voice, will appear, in person, on the stage of the Rio Theatre Tuesday night, May 3. Plans are being made to present an afternoon show for the children, Hiram Parks, manager of the local theatres has announced.

For many years, Smiley Burnett has been well known to lovers of Western pictures. He is especially remembered as the man who made Gene Autry famous, as he played in every one of Autry's early pictures. At present, Burnett is starring in the Charles Starrett "Durango Kid" feature. His latest movie, "Desert Vigilant," will be shown on the screen before and after the stage show.

### ANNOUNCE BASEBALL GAME SUNDAY

J. B. Huckabee, manager of the local Brownfield Bears, announces that a baseball game between Brownfield and Tahoka will be played Sunday at 2:30 p. m. at the new diamond.

Admission to a single game is fifty cents, and season tickets are \$8.00. Season tickets may be bought from any Jaycee.

## Guard Gets Alert to Go Hood Soon

Last Monday night at their regular meeting, 32 members of the National Guard unit received the last of their tetanus, typhoid, and smallpox injections preparatory to attending summer encampment at North Camp Hood, June 5. The training period will last for two weeks.

This week end, the Guard unit will have a firing practice, using M1 (one), carbine, and 45 caliber pistols.

Although the contest for membership has ended, the Guard is still badly in need of more members. Any person who had a grade 3 rating in any branch of the service is eligible to become an officer. For more information concerning membership in the National Guard, contact the commanding officer, Sam Privitt, or Donald Moore.

### LOCAL NATIONAL GUARD UNIT TO HAVE FEDERAL INSPECTION

Col. Tom S. Brand, Inspector General of the Fourth Army, will be here Thursday, May 5, for a federal inspection of the local National Guard unit, Commander Sam Privitt reported. The unit will be graded on all phases of training.

## Lost Five Brothers, Mother In Six Years

Ran across Dr. and Mrs. G. S. Webber in a local store this week, as they were shopping. Mrs. Webber mentioned that they purchased the Chris Quante home two years ago, and were living there. If we had started out to hunt the Webber home, we'd have gone to the old place a block or two west of the present home.

Had just forgot the deal. Anyway, Mrs. Webber stated that she lost an elder brother March 16, which makes five brothers and her mother she's lost in the past six years. This fine couple used to live next door neighbors to us, and they were really neighbors.

By the way, we asked the doctor how it felt to be on retirement list. Hard, he said. One has a time finding something to do to keep from going stale. We told him that we just wondered about that, if we ever got able to retire.

"Don't do it," the doctor rejoined. He used to practice medicine in Oklahoma, but when he came to Texas about 25 years ago, he ran a drug store up to few years ago.

## A Simple Address For Cancer Contributions

Just address it: "Cancer," care of Postmaster, Brownfield, Texas.

Your request for cancer facts, or your contribution toward support of the membership in the American Cancer Society, Texas Division, may be addressed in that fashion.

This unique arrangement by the Post Office Department enables anyone, no matter where he is in these United States, to use a brief, simple address and be assured that his letter will reach the cancer control agency.

All such letters mailed in Texas will be sent to the state office in Houston, according to Mrs. Al Muldrow, Chairman of the Terry County Unit. They will be answered immediately, and contributions will be credited to the Terry County membership campaign.

Mrs. Muldrow emphasized, however, that obtaining information or making a contribution is simplified when done through the local unit. Address the local unit by writing to Mrs. Al Muldrow, Box 768, Brownfield, Tex.

All of us have heard the old saying that a soft answer turneth away wrath. This may have been the tactics of US delegate to the United Nations, in his answer to old Gromyko, when the latter turned his guns on the

United States, England and France. One of old Gromyko's griefs seems, on this occasion, being that Russia was given no voice in the disposition of the African colonies on Italy. Mr. Dulles very kindly reminded the Ruskie that it was British Tommies and US Doughboys that drove the enemy out of north Africa, and that Russia was far, far away at the time. Also, that neither the USA or England were asking for these colonies. On the other hand, Russia had grabbed off everything it took, such as the Kurile Islands, Port Arthur and Darien, not to mention such countries in Europe as Estonia, Latvia and parts of Finland. But as the Dallas News points out, good manners are not to be expected by Russians at any time. They have not learned that what is sauce for the goose is sauce for the gander.

Upton Close, radio news commentator, has just finished a visit to the South, in which he wished to get a first hand view of the South, both white and black on their outlook on so-called "civil rights." Among the white people, he found much fear among the people that continued pressure on this measure might split their "beloved Democratic party." And most of the colored folks, except a few who have become addicts of the Communist party or fellow travelers, were fearful that such laws might make southern white people a bit more resentful toward them than presently. In fact, with a few exceptions, Mr. Close found that the white and colored people of the south were getting along nicely as neighbors and friends, and that he believed that a few commie leaders, negroes and whites in the north were all

Pickpocketing, Legal Style

who were really whooping it up for "civil rights."  
 Our exchanges reveal that most of the towns of this area are talking of cleanups for their towns. Some are actually engaged in the effort. To bring home forcibly to the home folks, one or two of the home town papers are showing views of some of the most unsightly portions of their towns. The idea of course is to shame the people into cleaning up their premises, and seeing that all others are clean. And we wish we might add, keep them clean. For years now, we believe some eight or 9 years, the city of Lubbock has won out as the cleanest city in the state. This is no accident. It is co-operation on the part of the citizens of Lubbock. And by consistent winning year after year, they have learned how to put the job over. They have learned what it really means to put their shoulders to the wheel, and push.

Sometimes most of us are in error. President Lincoln was an example of this when he delivered the noted Gettysburg address when the battle grounds were dedicated. Not quoting him verbally, but tracing fairly accurate what he said in his short address that day, was something like this: "People will not long remember what we did here on this day, but they will never forget what they (the union) soldiers did here on that day." Now let's see a bit. Very few will recall the great carnage that resulted from the bloody battle fought out on that day by Generals Lee of the Confederacy, and Meade of Federal forces on that day. Few will be able to state how many were engaged on each side; the number killed and wounded, or who were the principal officers on each side. But most any school boy or girl can readily tell you, what President Lincoln said, and perhaps repeat the short address word for word. But there is another angle. Few remember what the main orator chosen for the occasion, said. In the first place it was too long. Therefore, many times what is considered most trival will stand out in the long run.

We note that several of our exchanges have taken on the Belden poll, which is not national, but strictly a Texas poll. Several years ago, the Literary Digest blew up on a poll, and even had to discontinue that very popular magazine. Last year, most of the pollsters lost out on Tom Dewey for president, and some people looked for some more casualties. But most of them are still going fairly strong. While they had very red faces on the morning of last Nov. 3rd, most of them "splained" it away, and things came out fairly well.

Speaking of polls, Opal Dixon of the Lubbock Avalanche-Journal has one that runs daily in those papers. But this poll is different. Opal gets what the pollees have to say in black and white, and "mugs" them to boot. In a recent issue she took a poll on the financial outlook for the next few months, and bank presidents were interviewed by her, eleven on the South Plains, and one each in Dallas and Houston. Both bank presidents in Brownfield gave her an interview. Practically all the bankers had a bright outlook for the immediate future at least, while admitting the people had less money than a year ago. One of the local bankers could see nothing ahead to bring on a depression in the immediate future except perhaps the jittery radio and new commentators. We had thought that people in general do not pay too much attention to what those fellows say, but take it all with a grain of salt.

Generally speaking, when a hot war is on, or expected, the brass of the army are a bit reticent in their invitations to the press. But the press have a pressing invita-

**Wants New Taxes From Natural Resources**

AUSTIN— Senator Kilmer B. Corbin, who last week vigorously opposed returning the eleemosynary, educational and executive budgets to the senate finance committee to be cut, declared today that he will continue to oppose any reductions in three appropriation bills.  
 "Although a majority of the senate refused to pass the appropriation bills in their present form," Corbin said, "I am still convinced that every penny the Board of Control requested is sorely needed. Corbin stated further that "if there is any revision in the bills I think it ought to be upward."  
 Corbin said any reduction in the eleemosynary budget will greatly impair efficiency and serious neglect of the sick.  
 "The people of Texas are aroused about the care of the mentally ill, and if we must neglect someone because of the lack of funds, let us neglect those who can at least help themselves," the Lamesa legislator continued.  
 Senator Corbin is a member of

the subcommittee on eleemosynary appropriations. The committee unanimously approved the budget when it first came before them.  
 Senator Corbin is one of few legislators who openly admits that he will support a new tax measure "anytime the demands of the people justify more funds than are available now."  
 "If we must pass a tax bill, let's put it on natural resources," he said, and not in the form of an income or sales tax that will hit the low income bracket."

An elegant first course for company is to center a fresh fruit cup with a tiny ball of sherbet or ice. Raspberry, lemon, orange, or pineapple are all good flavors to choose for the sherbet.  
 When teen-agers are making fudge they might like to try adding marshmallows to it rather than nutmeats. The marshmallows should be cut into quarters with a wet knife or scissors and be added just before the fudge is ready to be poured into the pan.

The NEW **54** COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.

Here's why the NEW Paymaster "54" is a money-making Cotton . . .

- **EARLY MATURITY**  
Of 25 varieties tested recently . . . "54" was first in percentage of crop harvested in a four-month period.
- **HIGH YIELD**  
In this same test, "54" was third among all varieties in yield per acre.
- **BETTER STAPLE**  
"54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.
- **TESTED FOR DRY LAND**  
"54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Be among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"

**Retail Merchants Association To Dallas**

A program designed to attract nearly every type of merchant in Texas has been arranged for the 19th annual meeting of the Retail Merchants Association of Texas that will be held jointly with six related organizations in Dallas, May 1-3, A. W. Turner, Mgr. Retail Merchants Association, announced today.

Turner urged every merchant in the Brownfield area to make plans now to attend the three-day meeting. He said that although much of the convention's business would be credits and collections, many phases of merchandising, pending legislation in both Austin and Washington and numerous problems confronting every type of business would be discussed at the score of sectional meetings scheduled.

Showing the wide range of subjects that will be up for discussion, Turner listed some of the topics on the convention program: Office Records, Watching the Overhead, When to Use a Telegram, Legal Problems, Collection Letters, How to Distribute and Apportion the Work Where Two or More People Work, Selecting and Training Employees for Special Jobs, Personnel Problems, Better Customer Relations by Letter, How to Maintain a Good Down Payment Per Cent, the Role of Retailing in the National Economy, Financing Electrical Appliances and many others. Experts, many nationally-known, in the many fields of retailing will be on hand to make the convention talks.

Turner said he had been advised by the convention committee that sectional meetings would be held throughout the three days, thus permitting speciality groups to gain the greatest good in the least time. Some of the sectional meetings scheduled will be for jewelers, building material store owners, furniture dealers, utility staffs, wearing apparel groups, finance men, petroleum company credit executives, and business managers for doc-

**Dr. Cox Warns Public About Filthy Eating Places**

AUSTIN, Texas.— Emphasizing the importance of proper sanitation standards in public eating establishments, Dr. Geo. W. Cox, State Health Officer, urges the patrons of such establishments to insist upon cleanliness in the preparation and dispensing of foods.

The health authorities cannot maintain daily inspection of cafes and other food handling places, and if the public is careless in accepting insanitary conditions, dozens of infectious diseases can be transmitted to the public from insanitary food and utensils.

"Food handlers schools are being taught constantly throughout the State," Dr. Cox said, "and every cafe owner should take advantage of these schools to see that his personnel is trained in the sanitary methods of preparing, storing and dispensing food to the public. If that is their profession, they should qualify themselves to do the work safely. This is the restaurant owner's responsibility to his patrons."

The public should insist upon a cafe being free from roaches, flies, and other insects; cracked dishes should never be used; tables and linens, as well as dishes and silverware should be scrupulously clean, and milk should be served in the original container, with the cap intact. They should note whether or not a cafe displays a placard stating that its standards of sanitation have been approved by local or State health officials.

"Obviously the best in sanitation can be had only through close cooperation between the public, and health officials. As long as the public approves and accepts insanitary conditions in eating establishments, they will continue to exist," Dr. Cox warned.

**DR. JOE A. HILL IS NOMINATED FOR GOVERNOR OF ROTARY**

The Canyon Rotary Club has nominated Dr. J. A. Hill as a candidate for Governor of Rotary International, 127th District of Texas. The district conference will be held at Plainview on May 4, 5, 6, at which time the District Governor will be selected.

Dr. Hill is president-emeritus of West Texas State. He was a member of the faculty since the college was founded in 1910, and served as President for 30 years. He would bring to the office of District Governor rich experience, not only in Rotary, but also in civic, educational and religious affairs of the 127th District.

He was an Honorary member of the Amarillo Club prior to the founding of the Canyon club in 1927. He was the first president of the Canyon Rotary Club.

Since retiring as president, Dr. Hill has been devoting his unusual talents to lectures, newspaper writing, and in travels.—Canyon News.

tors, dentists, clinics and hospitals.

"We are urging not only all the merchants in this area to attend the meeting, but to bring along as many employees as well, especially personnel in the collection and credit departments," Turner said.

Meeting jointly with the Retail Merchants Association will be the Retail Credit Executives of Texas, the Lone Star Council of Credit Women, the Collection Division (of the Retail Merchants), the Texas Retail Credit Bureaus, the Southwest Petroleum Credit Group and the Texas Dry Goods Association. The dry goods retailers are meeting for the first time with the Merchant Association delegates. The other groups have held their meetings jointly with the Retail Merchants before.

**Save the Soil and Save the Nation**  
Terry County Farmers Are Becoming Soil Conscious

In the past few weeks we have seen considerable of Terry county as well as some of the adjoining counties, but not all, by a whole of a sight. But what we have seen has been a good remedy for sore eyes. It seems that our farmers are becoming real soil conscious. Most of them have seen what carelessness plus no crop rotation has done for good, new soils further east. Our local soil advisers have worked faithfully, along with the county agent to help farmers keep their soil in prime order.

People are fast learning, that good soil is a gift of the Most High to mankind, and he that wastes this gift of the Maker, is a Prodigal Son in every sense of the word. They may not be engaged in riotous living, but some are permitting his precious gift to blow or wash away. It is all the same in the final analysis. But the great majority of our farmers are heeding that injunction, "save the soil and save the nation." By doing this, we will not so deplete the soil as to become a nation of food importers, such as we now have in Europe.

In our drive out to the Johnson settlement Monday, we saw the average farm up in the best shape in years. Most of the blowing it seems has been along and near the highways. This is something we have never been able to comprehend—why blowing always starts at the end of rows near roads or highways. Is there more of a draft there? We have never heard a satisfactory answer for this one. We noted that one farmer had just completed deep breaking of his sandier soils, and was harrowing it. Put it in fine shape for the showers that fell a bit later.

We had always heard that those who break deep must expect more moisture than normal for the first year at least, or until the soil settle somewhat. Before the big snows and rains of the first three days of April put out a bit over an inch of moisture, Arthur Sawyer, who has a fine wheat crop a mile west of town, stated that his soil was dry in the wheat, and was needing rain badly. It had been broken some 24 inches deep. But that moisture, and with near a half inch this week is making that wheat field look good. It is running up now to head.

Speaking of wheat, most of it we have seen of late is looking pretty good. Some in the sandier soils have blown out, until spots about in the fields will have to be put in row crops or cotton. But a lot more of it is still in good stand than we really expected

**Texas Called Most Air Conditioned Place In World**

Texas is the most completely air-conditioned region in the world, John E. Haines, vice president of Minneapolis-Honeywell Regulator Company, has concluded after a study of construction activity in the state.

Mr. Haines, who began the survey after addressing the South Texas chapter, American Society of Heating and Ventilating Engineers, in Houston, said that every sizable city in the state was far ahead of comparable places in other sections of the country. Orders for air-conditioning equipment in Texas the first three months of this year increased 50 per cent over the corresponding quarter of 1948, he said.

"Texans have learned that summer air conditioning is not a luxury, but a business necessity," Mr. Haines said. "In addition, many colleges and schools are installing air conditioning for the comfort, health and mental alertness of students."

back a few weeks ago.

From conversation with farmers who have been in town this week, we can gather that most of them have begun to kinder itch to begin planting, although they know that it is a bit early here. However, we have heard of some that have done a bit of planting, but they are not talking it too much.

As we returned from Possum Kingdom lake last week, we saw some ground planted in Jones, Fisher and Scurry. However, that section usually is about three weeks ahead of the South Plains in planting.

We just can't help feeling in our bones that Terry and adjacent area is in for good crops this year. We may be fooled, we have been fooled.

**KINGPIN - that's you!**

It happens every year, sure as spring comes. There dawns a day, warm and inviting and fragrant with freshness, when the winter cares are shed like a cloak — and you're suddenly younger than your years.

Lucky the man who has this handsome carriage as his answer to that moment.

He'll pull a knob on the dash of his ROADMASTER — and the top will swing back. He'll touch the treadle — and 150 valve-in-head horsepower will leap into life, eager as a setter scenting the start of the chase.

He'll move a lever — and smoothly, with whirling oil transmitting his engine's power, move off through tangles of traffic into the open countryside without even thinking about clutch-pedals and gearshifting or the like.

He's free to have fun — free to drink in spring's glories — free to dawdle or to dash as when he decides — and he knows his level-riding ROADMASTER will instantly, silkily answer his every bidding.

Kingpin — that's what he is!

Kingpin — that you are when you've prepared yourself with the gorgeous ROADMASTER Convertible, so eye-catching in its beauty, so completely unmatched in its ability to thrill!

You say you haven't got a ROADMASTER Convertible! With factory production mounting, that's not so difficult to correct — and it's probably less costly than you think.

### Stricklingly Speaking

(By the Old He)

A Texan did considerable boasting about a mere handful of Texans standing off some 5,000 Mexicans at the Alamo for several days. Also what took place at San Jacinto, when Houston and a small ragged army not only whipped the boastful Santa Anna, but captured him. Of course, this patriotic Texan played up the Rangers who stopped riots single handed.

In order to do a bit of boasting on his own, his listener, a down east Yankee asked the Texan if he had ever heard of Paul Revere. "Sure, said the Lone Star stater. He was the guy that rode after help.

If your check called for \$20.23, the banker or merchant gave you \$20.25. If the check was for \$20.22, you lost two pennies and took \$20.20 or nothing. Texans just didn't consider pennies as money.

One thing all pappies should teach their male offspring, and that is never to beat up a kid whose daddy is larger than their old man.

Little Jeff of the firm of Mutt & Jeff, is always ready to aid his

friends. Recently his friend Givum sent him to buy some diapers for Givum Jr. The sales lady informed Jeff the price, plus tax. "Forget the tacks," Jeff replied, "Givum uses pins."

We spoke in some of our writings lately of "Aunt Sally" who long ago conducted the Cousin's Corner in Farm and Branch. Mr. S. R. Entwistle, public relations man of that paper informed us by letter recently that Aunt Sally passed on in the late 30ties.

However, he stated that this fine old lady visited the Texas Centennial in 1936, and expressed herself that she wished she was celebrating her centennial the same year. She was 92 at that time.

The West Chamber of Commerce is trying to get HB-718 passed at this session of the legislature, appropriating \$100,000 to finish paying for the land in Big Bend National park, so it can be deeded to the Federal Government for park purposes.

That organization has been hoping that all this can be accomplished this summer, so that President Truman can be asked to dedicate the park. At that time President Aleman of Mexico will be asked to be present. Eventually the park is expected to extend over into Mexico.

A tip to local mail carriers who have to face vicious dogs during their trips. Just carry a dog catcher's net along. The nuts will give you a wide berth.

Hey! ho! Yes, we had transportation stoppages when we were a boy. They were mainly caused by a balky mule or horse.

It is a wonder that our young folks can speak or write English as well as they do, after digging most of it out of comic books.

You may have already made the discovery and need no one tell you that folks in general are getting fed up on one "drive" after another for this, that and the other. Admittedly, most of them are for worthy purposes.

Many people are asking why the chamber of commerce and civic leaders do not stage one big drive each year as the community chest or some such, and have it understood how much of each part may go to this, that and the other organization?

Why should the Permian basin folks allow all their oil to be piped down to the gulf to be processed, and make those cities grow and prosper and become big braggards. This oil could be processed right here, then piped, just the same as in its crude state.

This would bring in thousands of workers, and create a huge payroll.

### Ancient Bible Added To U. of T. Library

AUSTIN, Texas. — The 173-year-old family Bible of Mrs. Stephen Austin, aunt of the Texas Republic statesman, Stephen F. Austin, has been added to the University of Texas Library. A gift of Henry Meigs of New York, an Austin family descendant, the 8 1/4-by-10 1/4-inch Bible has been placed in the University Archives.

On the yellowed leaf at the back of the two-and-one-half-inch thick Bible, are listed the names of Stephen and Huldah Hopkins Austin's six children and in the front of the book is a cut-out silhouette of Charles Austin, the only son.

Librarian Alexander Moffitt pointed out that this Bible belonged to the wife of Moses Austin's brother, Stephen, and does not contain the Moses Austin family names. It was his brother in whose honor Stephen Fuller Austin was named, and the Charles Austin in the silhouette was the cousin, Charles, that Stephen F. frequently mentioned in his writings. Charles, who was born February 22, 1778, according to the family Bible, was near the same age as his illustrious cousin, and it is probable, says Moffitt, that the two were playmates.

The Bible is bound in a hand-tooled leather-covered cardboard back and Oxford printers stamped the date 1776 in the King James translation.

### FREE TICKETS FOR NEWSMEN AT DEMOCRATIC RALLY

The Herald this week received an invitation to attend the Jefferson-Jackson Day Barbecue at Lubbock, May 7th. The invitation states that at 3 p. m., the pressmen will be privileged to interview Secretary Brannan of the US Dept. Agriculture. Also a free ticket to the barbecue will be presented the attending newspapermen.

We note that Terry, Garza, Gaines, Yoakum, Hockley and Lamb have no sponsors at the rally. What has become of them, is your guess as well as our own. But the sponsors reach from Amarillo to Brownwood, and from Wichita Falls to Lubbock. Lynn Hale and Dawson counties are fairly well represented, as sponsors of the affair.

As we have stated on a former occasion or two, the writer is very fearful that these funds, which are being turned over to the National Democratic Committee will be so done, without any strings attached. And in 1950, these funds raised by southern people will be used to elect "liberals" in northern districts who are at least pinkish, and Southern haters to boot.

We could be wrong. We are often off the beam. But indications point in that direction right at present.

Mr. and Mrs. Bob Packard are the parents of a son, born caesarian section Wednesday. Mrs. Packard is the former Elizabeth Ann Smith, daughter of Mr. Fred Smith.

### Putting the Pieces Together

The world's largest jigsaw puzzle—the vast, ruined temple of Karnak on the Nile River at Luxor, Egypt—is slowly being put back together again. Archaeologists who are reconstructing the historic building estimate that the job will take 50 years. The engineering marvel of how these huge blocks of granite were cut, floated down the Nile, and erected some 4000 years ago is still an Egyptian secret.

### Safe Driving Contest An Opportunity For Fine Public Service

A safe driving contest, under sponsorship of the Interscholastic League assisted by the Department of Public Safety, the Department of Education and Texas Safety Association, as has been proposed, commends itself as not only being thoroughly practical, but necessary.

Of some 1,200 high schools, about half have safety courses. All should have them. And of this number only a relatively few have behind the wheel safety courses.

As the twig is bent, the tree is inclined. The time to get a thorough grounding in the principles of driving safely is in the student's most formative years, when they will stick by him, instead of the hit and miss variety of "pick-up" instruction so general, in

### Levelland To Observe Decoration Day

LEVELLAND, Texas.—Hockley County Judge LaVern I. McCann announced today that plans are underway for dedication of the new courthouse annex on May 30.

In addition to the building dedication, Levelland's Wm. E. Evans post of the American Legion will decorate graves of veterans in the local cemetery.

A wreath will be placed on the Memorial Marker on the courthouse lawn by Jack Thomman, past district commander and a past Fifth Division commander of the Legion. Mr. Thomman was division commander at the time the memorial marker was erected as a memorial to William E. Evans, for whom the local Legion post was named.

A memorial service is scheduled in the County Library in the new building for Gold Star parents, wives and relatives.

### Housefly Is a Deadly Disease Carrier

AUSTIN, Texas. — Countless thousands of lives are lost annually throughout the nation, from diseases that are transmitted by the common housefly. Dysentery, diarrhea, typhoid fever, tuberculosis and many other disabling and even fatal diseases are spread by flies, and the control of houseflies becomes of great importance when considered in the light of public health.

Dr. Geo. W. Cox, State Health Officer, says that in order to protect our families we should make sure our homes are fly-proof through proper screening, and then concentrate on eliminating filth, garbage, and other breeding

places for flies.

"See that your window, doors, and porches are screened so that the stray fly from some careless neighbor molest your family," Dr. Cox said, "and make sure that your grocer observes proper sanitation standards and keeps your meat, food and vegetable supplies screened from flies."

"Then direct your efforts to eliminating all fly breeding places such as open garbage pails, open privies and other filth that offers the fly proper warmth, moisture and food. Flies thrive on filth, and inasmuch as one female housefly will lay from 600 to 1000 eggs per season, it can easily be seen that one breeding place left available in a community, can be responsible for a tremendous horde of flies."

Dr. Cox recommended organ-

### Some Explaining

And now, we have heard something that is new to us, at least. It is a statement that when Christ fed the five thousand that he did not increase the five fishes, but so pleased with the multitude that those who had brought food divided it with the others hence, the feast that was had. This meddling with the Scriptures leaves a bad taste in our mouth. If this miracle can be explained away, why not the miracle of Lazarus rising from the dead, the healing of the lepers, making the blind see. Also, if this first can be explained away, perhaps the miracle of Christ rising from the dead on the third day can be explained. And, we might add, if this latter miracle can be explained, it does away with the Christian religion and puts us back where we started at over 1900 years ago. However, it pleases us to know that over 19 centuries men have been tampering with the Scriptures, and ever it has come up brighter than before. We think that, even in the face of modern science, it will continue to stand—the miracle birth and the miracle resurrection set the Christ aside from all other known prophets—the Great 'I AM.'—Ropes Plainsman.

### SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending April 16, 1949, were 22,766 compared with 26,537 for same week in 1948. Cars received from connections totaled 11,046 compared with 10,821 for same week in 1948. Total cars moved were 33,812 compared with 37,358 for same week in 1948.

Santa Fe handled a total of 33,277 cars in preceding week of this year.

Tin cans, bottles and other vessels that hold water draw mosquitoes. Shallow pools in the yard should be drained or treated with oil.

ized community efforts as being effective in ridding a community of flies, and emphasized that no matter how clean one family's home and premises are, they are still not safe if another home down the street leaves exposed filth where flies can breed.

### Russian Ideals Clash With Those Held By Most Americans

It is pathetic when American citizens become so warped in their thinking that they declare and even teach that the Russian way is superior to the American way; that Russia is not an aggressor nation; that the capitalists of America are getting ready to launch a war in order to profit by war.

No one with an ounce of brains will advocate war with Russia or anyone else. Unfortunately war does bring wealth to certain classes. Roosevelt told us that this would not be true of World War II, but he then refused to take steps to prevent making millionaires. He refused to conscript labor and capital for the benefit of national security the same as the nation conscripted men. This was a terrible mistake, and one which should never, never again be made by America.

War is destructive. No one has ever won a war; all engaged lose in wars. America would be silly to start a war against Russia.

But we cannot afford to sit idly by and watch Russia gobble up nation after nation, making slaves of free men, and stealing the resources of nations which want to be free men.

It is silly to declare that the capitalistic system of America is to blame for war. The people of no nation have ever prospered to the extent of the people of America under free enterprise. No nation has ever had such a large, or such an intelligent middle class of citizens as America.

The so-called free nation of the world, outside of America, have two classes of citizens—the ultra wealthy and the ultra poor. Russia killed off the ruling class, with the idea that the poor would profit. Those who refused to bow to the new ruling class were either enslaved or killed.

Those who want to see America become another Russia should take a look at the picture.

If they are not convinced, they should try living under the rule of the Reds, where about 2 million are supreme rulers over 180 millions, where a dozen men hold the future of the nation under their thumbs.—Canyon News.

### INSPECTORS CAPTURE 10 ILLICIT STILL

The Texas Liquor Control Board Inspectors in March reported the seizure of 10 illicit stills.

With the stills, which had a cubic capacity of 1,205 gallons, Inspectors captured 1,578 gallons of mash and made 8 arrests. 152½ gallons of moonshine liquor was destroyed.

Two stills were taken in Harrison County, and 1 each was taken in the counties of Fannin, Morris, Titus, Freestone, Marion, Smith, Gregg and Anderson.

Steam green cabbage and serve it with a cheese sauce. Then top with well-buttered dry bread-crumbs.

### AMERICAN CANCER SOCIETY

The American Cancer Society, Texas Division, and its Terry County unit is telling thousands of people the facts about cancer through its distribution of literature, talks to groups, film showings, and personal contacts with the public.

A professional education program at the same time is aimed at increasing medical knowledge and skill with respect to the diagnosis and treatment of cancer. This involves physicians primarily, and its aimed at rendering every doctor's office a cancer detection center. It reaches also nurses, dentists, and pharmacists.

This program for medical men provides refresher courses for physicians and surgeons, supports cancer forums and conferences in all parts of the state, sponsors fellowships in health education, lends teaching aids and films to county medical societies, supports a leading professional journal for the doctors of Texas, and assists the correlation of cancer teaching in the state's medical educational institutions.

You can help this very vital work by joining the American Cancer Society, Texas Division, through its Terry County unit. Send your contributions—which entitle you to membership in the Society—to Mrs. Al Muldrow, Box 768, Brownfield, Texas, or to "Cancer" care of postmaster, Brownfield, Texas. There will be no door-to-door canvas for funds.

### Kelley Assistant Supt. For Stanolind

FORTH WORTH, Texas, April 18.—John R. Evans said that C. L. Kelley will be made assistant field superintendent at Brownfield, Texas. He has been a senior petroleum engineer in the Fort Worth division office.

Kelley started to work for Stanolind in 1937 at Iran, Tex. He spent several years working in East Texas in 1943. He went to Odessa, Texas, as field engineer in 1945, becoming production foreman there 17 months later. Early in 1948 he became a senior petroleum engineer at the Fort Worth division office. Kelley has a BS degree in petroleum production engineering from Texas Technological College.

### Proper Placing Of Home Freezer

COLLEGE STATION. —In recognition of the increasing use of home freezers, specialists of the U. S. Department of Agriculture have been studying the operating characteristics of units in the household equipment laboratories of the Bureau of Human Nutrition and Home Economics.

"Their reports show that the home freezer will do a better job for the family if it is given a place in the home that suits it," Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College, said recently. "The freezer should be located in a cool, dry, well-ventilated spot. When there isn't room in the kitchen, an attached garage has proved to be a good location."

Some of the conditions to be avoided in locating the freezer as listed by Dr. Earl McCracken, USDA physicist, are:

A hot spot—the higher the room temperature, the more the motor must run.

Dampness — moisture is likely to condense on the freezer's outer walls and may even drip to form pools on the floor. It may damage exposed metal surfaces as well as the motor, motor supports and springs.

A tight spot—a small niche, with walls on three sides of the unit, prevents circulation of air needed to carry off the heat.

"Remember that a home freezer, even empty, is heavy," Mrs. Claytor pointed out. "Strong flooring is essential. An upright freezer puts more weight per square foot on a floor than a horizontal one of the same capacity."

It is always a wise precaution to ground the freezer, to prevent electrical shocks to the user, according to the specialist. "And if the freezer is to be carried through a doorway or up or down stairs, you'll be wise to take measurements before the freezer comes home," Mrs. Claytor concluded.

### HELPERS CLASS HAS MONTHLY LUNCHEON

The Helpers Class of the First Baptist Church held their monthly covered dish luncheon Thursday, April 14, at 1:00 p. m. at the church. The hostesses who always provide the meat, bread, and drink, served fried chicken, tea, and hot rolls. They were Mmes. W. P. Norris, Earl McCutcheon, and Myrtle Jackson.

A short business meeting was held, presided over by the president, Mrs. Arlie Lowrimore. Mrs. A. W. Turner is class teacher. Those present were: Mmes. Dee Drennan, V. Burnett, N. L. Mason, Arlie Lowrimore, Ted Hardy, A. W. Turner, Jerry Dumas, Lewis Taylor, Dorman Dumas, the hostesses and a guest, Mrs. O. L. Chapman.

### LAMESA'S NEW DEALER IS LONE WOLF IN SENATE

AUSTIN, Texas. — A New Dealer who thinks he's pretty much of a lone wolf in the Texas Senate is the new spokesman for the big South Plains West Texas district of cotton, cattle, wheat and oil.

He's Sen. Kilmer B. Corbin of Lamesa. This tall, thin brunet is only 2'. This is his first term in the Legislature. During the four years he'll represent the vast 24-county district that cuts a swath through the state in the South Panhandle, just below it and into West Texas.

This is the land of big ranches, irrigated and dry-land farms. Lubbock is the city in the district, Texas Tech the big state school and the state hospital at Big Spring the chief eleemosynary institution.

### Wants Taxes

Senator Corbin counts himself a New Dealer. And he adds, "I'd be more at home in the House with my political ideas than I am in the Senate." He doubts that there's anyone else in the Senate who shares his theories all the way.

"I'm for more taxes to give more services," Senator Corbin said. "The taxes would be on natural resources."

### Famous Concert Pianist Coming To Lubbock

Amparo Iturbi, distinguished concert pianist now on successful concert tour in England will fly back to this country the first week in May and will be the guest artist with the Lubbock Symphony Orchestra on May 6 and 7. Critical reviews of her concerts in London newspapers have been unstinting with their praise of her musicianship.

Miss Iturbi, sister of famous Jose, with whom she has appeared in movies and concerts, is a native of Valencia, Spain, the youngest of a family where music was considered an integral part of the cultural aspect of daily life. She soon showed signs of musical genius and after studying with the foremost teachers in Spain, she joined her brother in Paris.

After touring Europe extensively and appearing with the leading symphonies on the Continent, she came to the United States in 1937. Miss Iturbi's orchestral engagements include the New York Philharmonic, the Chicago Symphony, Philadelphia Symphony, and the Los Angeles Philharmonic at Hollywood Bowl.

Movie audiences have seen her in "Three Daring Daughters," "Holiday in Mexico" and other hits. In addition she has appeared on many important guest spots on leading radio broadcasts.

There will be approximately 300 additional seats for sale on Friday, May 6, when season tickets will be honored. The concert on Saturday, May 7 will be a repeat concert with the entire house available for individual tickets. Tickets may be obtained by mail from Lubbock Symphony, Box 894, Lubbock, Texas with a check and stamped self-addressed envelope. Ticket prices, \$3.00; \$2.40; \$1.80. In honor of National Music Week student tickets will be sold for 85c. It is advisable to order early for good seats.

### News From The Service Office

Until July 25, 1952, competition for all Civil Service positions of Guards, Elevators Operators, Messengers and Custodians, is restricted to Veterans only, in cases where sufficient numbers of qualified veterans are available.

Any veteran whose eligibility for G. I. Bill education runs out after he completes at least half of a school semester which is normal in cost may complete the remainder of the semester at government expense. The student veteran will also receive subsistence allowance for the remainder of the semester.

Veterans in school under the G. I. Bill who want to transfer to a different college should notify the Veterans Administration at least 30 days before they make the change. To enroll in a new school a student veteran needs a supplemental certificate of eligibility, and a statement from the school he has been attending that he has made satisfactory grades. Applications are made from the V. A. regional office where his case files are of record.

A letter recently received from Bascom Giles, Commissioner of the General Land Office, has advised that the legislation implementing the constitutional amendment, creating the Veteran Land Board has been passed by the Senate and is now on the House calendar for consideration by that body. The bill provides that Texas veterans of War II with service-connection disability, will be given a ninety day priority in the purchase of farm and ranch land or homes. It will permit a veteran to select a tract of privately owned land on which he will be required to pay as much as ten percent down with an on or before note for forty years at three percent interest for the balance. The land or home purchased must carry at least 50 percent of the Mineral rights or else the board will not be in position to make the 90 percent loan. If any state lands are to be sold, the law requires that such sales shall be made by sealed bids.

Section 12-13 established a limit of \$7,500.00 limit of loans to

### Low Down From Hickory Grove

Seems like there is something in the air, or the food, or the water there on the wide Potomac that makes men talk big but act vice versa. Nice guys, when we sent 'em there. They would clean house, they said. But when Uncle Harry sends in a sky-scraping budget, what do they do. They condemn it highly—then vote for it. Every day it happens. Kind of a joke on us voters, chimed in Henry. Quite, I says—except around March 15 That is the end of the joke.

But joking to the side, we thought we had seen everything. But look now. We have a dozen unheard of new kinds of welfare and uplift. With our 9 per cent of the world's people, we want to advise and uplift the other 91. Out political Big Smoke have no good word, ever, for our citizens who make the ice boxes, and build the gas pipe lines, and run the banks, and make the kilowatts, and bulge the nearby service stations with the world's best and cheapest gasoline. These folks do much, or most, to make the U. S. up to now, the best place to live.

So I propose a new week. A week in which the citizens get together and give Business—little or big—a pat on the back and 3 cheers. And during the same week drop a friendly tip to your man there on that rollicksome Potomac.

Yours with the low-down,  
JO SERRA

### STATES' RIGHTERS MAY OPEN WASHINGTON OFFICE

JACKSON, Miss.—The conference of States' Rights Democrats which met in Jackson, Mississippi, on May 10, just one year from the date the historic States' Rights fight of 1948 was originally launched. Those attending will receive a report on the proposed establishment of a National States Rights office in Washington, D. C., from which an aggressive program will be launched to attract all those who believe in the principles of Constitutional States' Rights Government.

The conference has been called by Chairman Ben Laney, former Governor of Arkansas, and W. W. Wright, Jackson, Vice-Chairman. It will be held in the Convention Hall of the Robert E. Lee Hotel.

"The conference will elect officers for the ensuing year and transact such other business that may be necessary at this time."

Chairman Laney said that those in attendance at the States' Rights Conference last May 10, are invited to this "anniversary meeting."

"States' Rights organizations in each state are also requested to send representatives to this conference," he added, "and all those who believe in Constitutional States' Rights Government will be welcome."

### News Notes--Here and There

Among the visitors and delegates to the Sheriff's Convention last week was Joe Price, former sheriff of Terry county. Joe is now one of the Lovington, N. M. officers, and we noted that Joe is developing quite a mid-rift. However, we'll say that we don't accuse Joe of taking on too much suds over there.

Lt. Neill C. Burnett, former Cub football player for Brownfield High School in 1943, and now in the Army, visited his grandparents, Mr. and Mrs. George W. Neill last week. Lt. and Mrs. Burnett will sail for Germany May 7, where they will be stationed approximately three years.

Mr. and Mrs. A. E. Swinson from Hunter, Kansas, were here last week visiting their daughter, Mrs. Henry Mertz and Mr. Mertz, and Mrs. Swinson's brother, Roy Wingerd and Mrs. Wingerd.

Mr. and Mrs. Ladd Brownfield are in Ardmore, Oklahoma, building a new home. They have bought a ranch near Ardmore, and will move as soon as their house is completed.

Mr. and Mrs. Hi Reck and son of Borger, were guests of Mr. and Mrs. E. V. Tarbuton this week.

C. L. "Abe" Lincoln attended a class reunion at Rogers, in Bell County, last week. Mr. Lincoln reported approximately 750 people attended the night session, with people from the 1892 graduating class on up to the 1939 graduating class seeing each other for the first time in years.

Master Sergeant John Elmer Anderson, Jr., of Brownfield, Texas, and Mrs. Anderson announce the birth of a son, James Darrell Anderson, at the Station hospital, Fort McPherson, Ga. April 16. Mrs. Anderson is the former Virginia Ruth Moore of Idalou, Texas.

Lt. Colonel Ray Brownfield, Jr., his wife, and Barbara and Ray 3rd, sailed from Japan April 18th, and will arrive in New Orleans May 12. They will visit his parents, Mr. and Mrs. Ray Brownfield, for a few days before going to West Point for his class reunion.

F. B. (Brock) Gist out at San Marcus, Calif., took us to task this week for not getting his Herald to him. His dad-in-law, Noah Bell, here, has also been riding us about Brock's paper. Got 'er on now Brock, all lated up for a year. Pardon our pokiness.

Mr. and Mrs. Fred Smith met Mrs. Smith's daughter, Mrs. John Andrews and small son in Amarillo, Wednesday. They flew in from Chicago. Mrs. Andrews will visit here and Coahoma for the next month and will later be joined by Mr. Andrews.

The Brownfield school didn't fare too well at the district No. 1 meet at Lubbock, last week, at Texas Tech' field. Douglas Tankersley stood second in Ready Writing, and Johnny Winston 3rd, in mile run. Better luck next time, we hope.

Sheriff O. C. Murray returned from Huntsville Tuesday night, after taking three men to the state penitentiary. The men were Chester Morgan, James Jackson, and Dwan McCree, who were sentenced 5 1/2 years each for burglary.

Mr. and Mrs. R. L. Hamm returned home from Seagraves Sunday after spending a few days with their daughter, Mrs. Ed. Horner, and Mr. Horner. The Horner's daughter, Betty, has been ill with pneumonia.

Frank Bennett from Plains, spent Saturday night with Mr. and Mrs. W. O. Helms. Sunday visitors for lunch with Mr. and Mrs. Helms were her parents, Mr. and Mrs. Frank Bennett and Mrs. C. C. Coleman, of Plains.

Jim Neill, son of Judge and Mrs. George W. Neill, who underwent an appendectomy several weeks ago in a Lamesa hospital, is in Temple this week going through the Scott and White Hospital Clinic.

Mr. and Mrs. Kyle Graves, Dr. and Mrs. T. H. McLroy, Howard McLroy, Daina McLroy, Mildred Dubose, Mr. and Mrs. Buck Andrews, and Don Andrews were at Buffalo Lake Sunday, April 24.

Mr. and Mrs. H. M. Cargill and Mrs. Andy Anderson of Tokio, were at Baird over the week end.

Spring basketball practice began in earnest Monday night for the Cubs. The boys have been practicing irregularly for the past few weeks, but for the next three weeks they will have nightly practice.  
Next year's team will be led by six of last year's lettermen. Coach Nowell said that the boys are looking good, and he has high hopes for a winning team next year.

**TEACHER SHORTAGE STILL VERY ACUTE**  
AUSTIN, Texas.—What most educators suspected—that there will be a shortage of 20,000 Texas teachers by 1953—is illustrated in a brochure the University of Texas is mailing to deans and counselors in schools and colleges. Compiled by Hollis A. Moore, Jr., graduate assistant in the College of Education, the brochure contains results of a survey of elementary teaching positions in Texas.

# Furr's Celebrates 45th Birthday

## Car, Range Prizes For Customers

Some \$50,000 in prizes will be given away during the eight days of Furr's Food Fair, April 29 through May 7, including three 1949 Kaiser Deluxe automobiles!

The exciting array of prizes include Servel refrigerators, Norge ranges, Zenith Radio-Phonograph combinations, bicycles, Zenith Portable radios, Vacuum Cleaners and others—and the most important thing of all is that one of each of the above will be given away in each store!

On top of all this—50 years supply of groceries will also be given away, a years supply of each unit in each Furr's store.

Here's the pitch—beginning today at 3 p. m. in each Furr's Super Markets, a major and minor prize will be given away and six units of food prizes, a years supply for the normal family, of each. For example, today at 3 p. m. a Univer-cycle, valued at \$44.20; a Univer-

**FURR'S SECOND STORE**  
In 1914, fire destroyed the original Furr's store in Kirkland, Texas and this store was built the following year, 1915. It housed the grocery department, a clothing store and later a hardware department was added, leased by C. W. Furr, the founder.

## A Colorful 'Food Fair' Opens Today

### History of Furrs Told

Furr's Super Markets of 1949 are a far cry from the small but influential Kirkland Mercantile Co. of Kirkland, Texas, near Childress, the first of the string of Furr's markets.

Here, in 1904, its doors were opened to the public by C. W. Furr, now deceased and father of Roy Furr, president and general manager of Furr's, Inc. It was a combination grocery and department store from the beginning.

He was "Daddy" of the Furr's supers of today. From his dust and stir of Kirkland's first store, the Furr's string has grown to 46 super markets. Roy Furr heads the 26 units of the Lubbock division, in West Texas and eastern New Mexico, while brother Key is key man of the 20 units of Amarillo. Some of these stores are in Oklahoma and Kansas.

Roy attended elementary and high school at Kirkland, then spent two years at Clarendon college and three semesters at the University of Oklahoma. He taught school for four years, before joining his father in business. He was married in 1923. Today Roy and Mrs. Furr reside at 3120-20th street in Lubbock. The couple have a married son, (Continued on Page 2)

**EIGHT-DAY EVENT FEATURES PRIZES TOTALING \$50,000**

Furr's Super Markets in West Texas and eastern New Mexico will spring wide its doors today (April 29) to a gigantic 8-day Food Fair, celebrating its 45th anniversary.

Prizes reaching to \$50,000 which include three 1949 Kaiser Deluxe automobiles and \$16,000 in foods alone, will feature the event which has been scheduled as Furr's way "to say thanks".

The world's largest salami sausage, 14-foot creature; the world's largest Wisconsin cheddar cheese; a two-day Cooking School Monday and Tuesday, May 2 and 3 at the Clifton Theater; drawings each day at the Furr's stores at 3 p. m.; guessing contests for prizes—free prizes for all—are just some of the "gimmicks" to be staged for Furr's customers.

"As we of Furr's celebrate this 45th year of business with the good people of West Texas and eastern New Mexico, our thoughts turn in appreciation to our friends, old and new, who have stood by us loyally, realizing full well that it has been the confidence and support of these good friends which has made possible the growth and expansion of the Furr's organization," Roy Furr said today. "Throughout the years to come, as in the past, we of Furr's pledge ourselves to carry Furr's pledge ourselves to carry (Continued on Page 2)

 Don who is in the business here with his father; daughter Shelly in Texas Tech and Roy Jr., "Corky", in J. T. Hutchinson junior high school.  
 C. W. Furr moved to Kirkland in Childress county. The rear of the mercantile company building, a 20 by 30 foot establishment, was used as a home for almost a year. As the country about Kirkland built up, C. W. Furr added to his holdings, erecting several brick buildings and organizing several business firms, including furniture, drygoods and groceries. In 1906 he helped organize the Kirkland State Bank and in 1915 was elected its president. During these years he kept accumulating farms and business property in that country.  
 In 1925 he stepped into Potter county, Amarillo where he bought the M?System franchise in several counties in the Panhandle.

the M-System were purchased and in 1934, when there were three stores in Lubbock and six in neighboring cities, they became known as Furr Food Stores.  
 In the intervening years the program of units has expanded. Furr's now operated stores in 14 towns, out of Lubbock; has its own creamery, bakery, warehouse and packing plant in Lubbock; the El Paso Wholesale Co., and several retail stores in El Paso and single markets in Plainview, Childress, Levelland, Lamesa, Big Spring, Midland, Odessa, and Monahans, in Texas, and Carlsbad, Roswell, and Hobbs, in New Mexico. Seven stores are operated in Lubbock.  
 Two of the latest stores built were in El Paso, opened in November before 40,000 persons in two nights. Latest Lubbock store is the No. 19 unit on Fourth street. Remodeling of all units is a constant operation for Furr's.

Roy went with his father to Amarillo as a business aide. He saw a fertile field in Lubbock and vicinity and in 1929 he moved here.

**who pays for telephone expansion?**

Investors are the people who pay for telephone expansion. The money we use to build new telephone facilities comes from the people who invest their money in telephone company stocks and bonds. The dollars we receive for telephone service are used to pay wages, taxes and other operating expenses. So, you see, it takes two kinds of money to operate successfully—large amounts of capital to grow and improve facilities, and income from telephone service to cover expenses and to pay investors for the use of their money.

**To Teach Safe Driving In Schools**

LUBBOCK, April 21.—(Spl) — High School students may be able to compete soon in a contest to determine the boy and girl safe driving champions of Texas.  
 Such a contest will be proposed to officials of the Interscholastic League at a statewide meeting of delegates May 7 in Austin, it was

announced here Thursday by George Berry.  
 Mr. Berry is regional vice president of the Texas Safety Association, which actively sponsors driver training in the schools throughout the state. The contest is being proposed jointly by the Safety Association, the State Department of Education and the Department of Public Safety.  
 "Teaching safety to your people gives the schools one of their greatest opportunities for service," Mr. Berry said. "Governor

Jester recently described the driver training program as "The greatest safety stride of all." A safe driving contest would stimulate greater interest in driving skill and would promote the spread of driver training to schools not now offering it."  
 The goal of the school safety program, Mr. Berry said, is for every high school graduate to get a crisp new driver's license along with his diploma. About half the secondary schools are now teaching safety courses, but only a part of these give actual behind-the-wheel training.  
 Students or graduates of approved courses, holding valid drivers licenses and never having been involved in a collision or a moving traffic arrest, would be eligible for the contest.  
 The competition would follow the usual pattern, beginning with the local school and continuing through district, regional and state competition. Cars would be furnished to the schools by the Texas Automotive Dealers Association.

These have been dropped in need not be on hand for the drawing boxes. There they stay through the Food Fair, April 29, May 7, good for every drawing. "circus-ized" to the final degree. As many tickets as the person likes, may be dropped. Stubs must be filled out. The winners

aprons, yellow neckerchiefs and white caps for the event.  
 All in all, Furr's Food Fair is "the likes of which the Southwest has never seen!"

**OLDSMOBILE'S HIGH-COMPRESSION "ROCKET" ENGINE**  
**GIVES YOU TOMORROW'S PERFORMANCE ON TODAY'S FUELS**

**YOU'VE GOT TO DRIVE IT TO BELIEVE IT!** You've driven cars with good response. You probably know of engines that are smooth . . . quiet . . . economical. But you can't know how Futuramic in performance an engine can be—until you drive a "Rocket" Engine Oldsmobile! It's an entirely new kind of motoring experience—because the "Rocket" is an entirely new kind of engine!

**HIGH-COMPRESSION IS ONLY HALF THE STORY!** It's true that the "Rocket" has a high compression ratio . . . 7 1/4 to 1, in fact. But that's not all. To eliminate noise and vibration, Oldsmobile engineers designed a completely new engine that gives you this high-compression dividend of spectacular action . . . with even greater smoothness and quietness than before.

**FIRST OF THE ENGINES OF THE FUTURE!** The Oldsmobile "Rocket" begins a new era of Futuramic power. It takes the fullest advantage of present-day fuels. It squeezes more performance from every drop of gasoline. It establishes a lead that other engines will follow in the future.

**TRY—"THE NEW THRILL!"** Your best test of the "Rocket" will come when you feel that smooth, gathering surge of power yourself. We urge you to see your dealer soon . . . to try this "air-borne sensation" in either the luxurious Oldsmobile "98," or the spectacular new Oldsmobile "88"—the lowest-priced "Rocket" Engine car!

## COOLERATOR FREEZER

VALUE \$499.95

Three Coolerators will be awarded, one in the same divisions listed above under Kaiser rules. Tickets dropped in beginning Monday, April 18, in any Furr's Super Market will remain eligible for Grand Drawings. These will be staged, via telephone, at Lubbock No. 3 stores, El Paso No. 6 and Odessa.

## HOW TO WIN

Tickets may be obtained FREE at any Furr's Super Market beginning Monday, April 18 and through the Food Fair, April 29 to May 7. Holders must fill in numbered stub and this will be dropped in any Furr's store drawing box. There is no limit to number of stubs placed in boxes. They will remain throughout all drawings.

Drawings will be held daily, April 29 through May 7, at all Furr's stores. Each prize shown on these pages will be given away at EACH store (with the exception of the 3 Kaisers and 3 Coolerators.) You are not required to be on hand for the drawings. Those on hand may claim their prize by showing similar numbered ticket. Tickets MUST be filled in.

## RULES

All regularly employed personnel and their immediate families of Furr's Super Markets, of Kaiser, Norge, and Servel are NOT eligible to win respective prizes. Stubs of tickets must be filled out to be eligible. If not filled out, ticket will be declared VOID. Should a stub not be legible, it will be held until May 14 at the store from which it has been drawn, and if a winner, or owner does not appear, another drawing will be held at 3:00 p. m. that day.

# GOMEZ GOSSIP

W.M.U. members of the Gomez Baptist Church met in the home of Mrs. Wes Key Monday afternoon for Bible Study. Mrs. A. B. Buchanan led the discussion of Stewardship of Service. Fifteen members attended.

After the meeting, Mrs. Key and Mrs. Denver Kelly honored Mrs. S. A. Metcalf with a pink and blue shower. Mrs. M. C. Wade was in charge of games. Mrs. K. Sears presented Mrs. Metcalf with a pink decorated box containing the gifts.

Refreshments of cookies, salted nuts, and punch were served to Mesdames Bill Swain, J. C. Wooley, Nellie Carter, A. B. Buchanan, Aaron Fox, Claude Landess, Lloyd Franklin, L. L. Burns, R. A. Whitley, Denver Kelly, J. A. Barton, K. Sears, M. C. Wade, and Miss Imogene Key.

Mr. and Mrs. Elmer Lee of Monahan visited Sunday in the R. A. Whitley home.

Mr. and Mrs. J. C. Wooly and Mr. and Mrs. W. M. Wooly visited Mr. and Mrs. Joe Wooly in Lubbock Sunday.

Mr. and Mrs. Don Smith of Andrews spent the week end with

Mr. and Mrs. Jim H. Moore. Mr. and Mrs. J. L. Berryhill of Seminole visited her parents, Mr. and Mrs. Gordon Carter, Sunday. Mr. and Mrs. Buford Webb of Merton visited the Alton Webbs Sunday.

Mr. and Mrs. Raymond Wiggins and children spent Sunday with Mr. and Mrs. A. E. Fletcher at Lakeview.

Mr. and Mrs. Lee Howard and sons, Michael and Jimmie, of Odessa were guests in the home of Rev. and Mrs. T. L. Burns Sunday.

The Young People's Training Union was entertained with a social at the home of Mr. and Mrs. A. B. Buchanan Thursday night. Refreshments of cookies and punch were served.

The Gomez school yard was cleaned up Friday afternoon with a large group of patrons with tractors, hoes, and shovels met and worked. School was dismissed, with teachers and students helping. Refreshments of cookies and punch were served in the lunch room.

Alvin Herron suffered a badly bruised foot last week when a tractor was backed over his foot, while building an irrigation ditch. He is able to be up on crutches.

Mr. and Mrs. A. C. Rutledge and son of Seminole were visitors Monday in the home of her parents, Mr. and Mrs. Pete Smith.

# TEXANS IN WASHINGTON

By Tex Easley  
AP Special Washington Service  
WASHINGTON—(AP)—The Easter congressional recess was doubly welcome to two Texans—Reps. George Mahon of Colorado City and Lubbock and Albert Thomas of Houston.

In the two days before the House adjourned they engineered passage of the two largest money bills Congress has to consider. Both measures required nearly four months of committee hearings, much of it involving highly secret testimony given in long sessions that dragged into the night.

As chairman of the Armed Services subcommittee of the House Appropriations Committee, Mahon was directly responsible for the drafting and passage in the House of the \$13,000,000,000 (B) measure providing funds for the Army, Navy and Air Force during the year starting July 1.

Thomas is chairman of the independent offices subcommittee of the House Appropriations Committee. He steered House action on a \$7,775,000,000 bill with funds for 33 government agencies. They include the important Atomic Energy Commission, which got a billion dollars; the Veterans Administration, Public Roads Administration, federal housing agencies, Federal Trade Commission, ICC and TVA.

Returning to his office at nightfall after the adjournment bell had rung, Mahon sank into a chair and said:

"Wow, is it a relief to get that business done! Now maybe I'll have more time to devote to all this mail that is piling up here."

# To Study U. S. Farm Methods

These four young Dutch farmers, arriving in the U. S. for a six-month study of American agricultural techniques, are bound for Pennsylvania. They are among 32 of a group brought from The Netherlands to the U. S. under the ECA technical assistance program. Standing, left, is Folkert Anema; Jacob Koekoek is at right. Framed in the life preserver are Willem Plaisier, left, and Cornelis Buzeman, right.

# Circus Opens in New York

As bystanders stare, a ponderous procession of pachyderms crosses Broadway on 57th St. in New York on their way to the opening of the circus in Madison Square Garden. The elephants, heralding the arrival of the big show, make spring official in the city.

After straightening up his desk he went downtown to attend a special Easter Communion service at the Mount Vernon Place Methodist Church.

# Around the Capital:

Rep. John E. Lyle of Corpus Christi put in the Congressional Record the Jefferson-Jackson day dinner address U. S. Attorney General Tom Clark delivered in Corpus Christi. The congressman prefaced the cabinet member's with these remarks:

"Mr. Speaker, South Texas continues to contribute to the welfare and stability of our country and the world. We have been blessed with great natural resources and with people who have the imagination and the courage to work for peace, progress and prosperity."

Speaker Sam Rayburn of Bonham was asked to pose with a penguin the other day in connection with the campaign against cancer.

"Well," replied the Texan, "I've had my picture taken with everything else. I might as well have it taken with a penguin."

The Gossett Electoral College amendment now is awaiting action by the House Rules Committee. It has been approved by the Judiciary Committee.

Although a similar measure seems to be stalled in the Senate, pending a poll among students of government and others, the resolution by Rep. Ed Gossett of Wichita Falls may get through the House before summer adjournment... about the end of July.

Under the Gossett Plan, the electoral strength of a state would remain the same as it is today—one vote for each senator and representative. (Texas' total is 23.) The difference is in the counting of the electoral vote.

At present a party getting the majority of the popular vote receives the entire electoral count of a state for its ticket. The remaining voters, even though they may comprise 49 percent of the total, might just as well have stayed away from the polls. Gossett would have the Constitution amended so that the candidate of these minority voters would receive 49 percent of the state's electoral vote.

The virtue of his proposal, says the Texan, is that it would wipe out the influence an organized minority group is able to wield. He noted, for instance that in New York, where the Democrats and Republicans are divided closely, an organized minority could switch from one side to the other and decide the outcome of an election.

Jerry Kirschner, co-owner of the Brownfield Bargain Center, left Wednesday for a ten day vacation in Fort Worth and Houston, after which he will attend the shoe market in Dallas.

# Furr Executive Branch Selected On Talent, Ability

Around Roy Furr, president and general manager of Furr's Inc., a strong group of executives have been gathered, each selected for talents which have meant much to the grocery retailing success of Furr's.

Experienced personnel head the key spots in the Furr's organization. Clem B. Boverie, vice president, has been with Roy Furr since the beginning in Lubbock. In fact he was manager of No. 2 store, at 13th and L, first home of the Furr's general office. Clifton H. Cummings is secretary-treasurer. He is a product of Texas Tech, with Furr since he graduated a good many years ago.

Boverie tops the sales division of Furr's. He works closely with retail stores managers, Donovan Stafford and Cloyce Knowles, in charge of the western and eastern divisions of 19 stores out of Lubbock. Under Stafford is Supervisor Ray Hunter while Burl Ham teams with Knowles in that division.

In the general office is John A. Milligan, purchasing agent who came down from Amarillo to Furr's some years ago. He handles grocery buying for the company, plus having charge of the warehouse, creamery, bakery, trucking and packaging.

El Paso's branch manager is A. L. "Chick" Arnold, another one-time store manager under Furr. Arnold has assistants R. Reed, store supervisor; Bill Douthitt, office manager and John Wells, El Paso Wholesale company buyer.

Jack O. Stone, personnel and public relations, is in charge of the newspaper and radio advertising, display department, promotions and personnel publications and training.

Ray Johnson is the Lubbock Packing Co. head of that organization, handling distribution to the Furr's stores as well as other retail outlets.

Raynes B. Sparks, drugs supervisor, is the buyer of those commodities and in direct charge of all drug departments.

George Nagle is a recent addition to the Furr's staff, handling produce supervision in the stores.

J. Garth Close is the new main-

tenance engineer of the Furr's organization while Don Furr, son of Roy Furr, spends half a day in the general office with personnel problems and the other half in Lubbock stores.

Mrs. W. A. Bell and Miss Margaret Bell, visited Mrs. Bell's daughter, Mrs. Regis Quinlan in Robstown last week.

Mrs. Lois Harris of Lubbock, visited her sister, Mrs. Paul Wulford Sunday.

**GREMLIN**

This eye-catching cotton shirt has been dubbed a "gremlin," and quite a cute gremlin it is. Designed in Lonsdale pique by Clifford of del Mar, the gremlin makes an ideal beach jacket.

**KITCHEN MEMO** BY JEAN CLARKE

The men, bless 'em, love any food with chocolate flavoring and it's the thoughtful wife who keeps chocolate cookies on hand in the cookie jar for between-meal nibbling. For **Chocolate Meringue Cookies** sift together 2 cups sifted confectioners' sugar, 1 tsp. flour, ¼ tsp. salt. Beat 3 egg whites until stiff. Add sugar mixture 2 tbsps. at a time until thoroughly blended. Fold in 3 squares unsweetened chocolate (melted and cooled), ¼ cup shredded coconut, and 1 tsp. vanilla. Drop from teaspoon on lightly greased baking sheet. Bake in moderate oven (375°F.) for 10 mins.

A two or three-burner gas hot plate is inexpensive to operate and a helpful addition in the laundry when starch must be cooked or handkerchiefs boiled.

If your family likes pork chops, try simmering them in pineapple juice over a low flame. Then place in a 400-degree oven for about 20 minutes.

Colored clothes that can be safely washed with white laundry can also be dried with white clothes in your automatic gas dryer. It holds approximately the same amount as the washer so that each load can be dried immediately after washing.

Save the juice from cooked dried fruits to make a flavorful chilled fruit drink.

To peel tomatoes easily and quickly, spear them on a long fork and hold over the gas flame while turning. The heat loosens the skin.

Mr. and Mrs. Douglas Jones and Mr. and Mrs. Tobe Howze fished at Fort Phantom Lake in Abilene last week.

# Guessing Contest Offers Cookers On Popcorn Count

Would you like to win a \$39.50 Ever-Hot pressure cooker or a year's supply of 3-Minute Popcorn?

Here's how: Just step into any Furr's store during the Furr's Food Fair, today through May 7, and make your guess in these two guessing contests.

Pillsbury Mills is giving the cooker in each of Furr's stores to the person guessing closest to the number of kernels in a vial. The nearest to the number wins of course, but the early entry wins in case of ties.

The winner in each store in the Popcorn guessing contest will win the year's supply of popcorn, and this winner will be named on the same rules as stated above.

# Giant Salami To Be Here

## WORLD'S CHAMPION CHEDDER CHEESE TO BE ON MAY 3 TOUR

The world's largest salami sausage, a 14-foot creature, and the world's largest cheddar cheese, for the largest state in the Union—Texas—that's what Furr's Super Markets will parade.

Many other interesting stories and features about Furr Food, its personnel and operation, including other photographs, appear throughout this section. There are also many great bargains.

as one of the features of the Food Fair, today through May 7. Built by a major manufacturer,

Armour and Co., the salami and cheese will be in Brownfield, at the Furr's Store between the hours of 11 a. m. till 1 p. m. May 3rd.

Visitors will guess at the weight of the sausage and the cheese (it is about 5 feet across the base and comes from Wisconsin). The winner over all the Furr's stores in 14 towns, will win a years supply of sausage and a years supply of cheese for the guessing. A

Alonzo Miller Store Mgr.

The huge salami was packed in Ft. Worth and shipped to Lubbock. Here it will be placed in a refrigerated truck and sent on a schedule which will include Childress and Plainview on April 29, today; Lubbock on Saturday, tomorrow and Monday, April 30 and May 2; Levelland, Brownfield and Lamesa on Tuesday; Big Spring, Midland and Odessa, on Wednesday; Monahans and Hobbs on Thursday; Roswell and Carlsbad on Friday and El Paso on Saturday, May 7.

The world's largest salami until this unit, was built by Armour and Co. for Satter's in Buffalo, N. Y. This sausage is 10 pounds heavier than the one sent to Buffalo, A. n. our people say! The cheese is the largest of its kind and never equaled anywhere, the Chicago Armour packers say!

Armour & Company is packing the salami and building the cheese. These monstrosities will follow this schedule:

- April 29—Childress 8:30 a. m. to 10 a. m.; Plainview 2 p. m. to 6 p. m.
- April 30—Lubbock No. 1 store, 8:30 a. m. to 9:45 a. m.; Lubbock No. 2 store, 10 a. m. to 11:15 p. m.; Lubbock No. 3 store, 11:30 a. m. to 12:45 p. m.; Lubbock No. 4 store, 1 p. m. to 2 p. m.; Lubbock No. 5 store, 2:15 p. m. to 3:30 p. m.; Lubbock No. 16 store, 3:45 p. m. to 5 p. m.; Lubbock No. 19 store, 5:15 p. m. to 6:30 p. m.
- May 2—Lubbock No. 19 store, 8:30 a. m. to 9:45 a. m.; Lubbock No. 16 store, 10 a. m. to 11:15 p. m.; Lubbock No. 5 store, 11:30 a. m. to 12:45 p. m.; Lubbock No. 4 store, 1 p. m. to 2 p. m.; Lubbock No. 3 store, 2:15 p. m. to 3:30 p. m.; Lubbock No. 2 store, 3:45 p. m. to 5 p. m.; Lubbock No. 1 store, 5:15 p. m. to 6:30 p. m.
- May 3—Levelland, 8:30 a. m. to 10 a. m.; Brownfield, 11 a. m. to 1 p. m.; Lamesa 3 p. m. to 6 p. m.
- May 4—Big Spring 8:30 a. m. to 10:30 a. m.; Midland, 11:30 a. m. to 3 p. m.; Odessa, 4 p. m. to 8 p. m.
- May 5—Monahans, 8:30 a. m. to 11:30 a. m.; Hobbs, 2 p. m. to 6 p. m.
