BROWNFIELD, TEXAS, FRIDAY, APRIL 27, 1951

NUMBER 40

CITIZENS URGED TO PUSH DRIVE IN CITY CLEAN UP

Have you done your part? Brownfield is your city. Are you proud enough of it to do your part in making it the cleanest, most attractive city possible?

Mayor C. C. Primm said, this week that the official clean up, paint up, fix up drive, which was begun last Friday, "is going exceptionally well, with only a few areas falling down" according to the standards of the judges. Three local citizens have been chosen as judges for the drive, with an award going to the organization achieving the most success in the campaign.

Organizations participating are the American Legion, Veterans of Foreign Wars; Maids and Matrons, Altruist, Alpha Omega, and Delphian study clubs, Lions Club, Rotary Club, and junior and senior chambers of commerce.

Also participating for cash prizes are members of the Brownfield high school classes and the Phyllis G. Wheatley school. Each class is allotted a certain space of ground near their schools and the class assembling the largest pile of junk and trash receives a cash prize.

Primm said that, so far, vacant lots fall on the bottom of the list of achievement. City officials, and the volunteer fire department are cooperating in getting these lots cleaned off, Primm said. He said that persons wishing to burn off their vacant lots may request the aid of the fire department if they choose a still-day in which to work.

Extra trucks have been put on duty during this ten day period, and Primm expressed his gratitude for the cooperation of the citizens in piling trash and junk in their alleys, to be picked up by the city trucks.

Workers and equipment have been busy this week scraping sand and dirt from the gutters in city streets and hauling it away. Persons who wish may rake the

sand and trash from their gutters into one pile and it will be picked up by the city trucks, Primm said.

City officials have ordered covered garbage cans, to be placed in alleys throughout the city, and express hopes that they will arrive and be distributed within 30 to 45 days.

Officials also announce that the city spraying equipment will be put into operation next week and will continue operating throughout the summer.

"The whole-hearted co-operation of the citizens of Brownfield is very gratifying", Primm said. "I believe that the citizens sincerely want a cleaner and more attractive Brownfield and that they intend to make it, and keep it, that way. With the continued support of the people, we can keep Brownfield clean from now on. We started early and we'll keep after it to achieve our aim" the mayor said.

Mayor Primm, city officials, and the participating organizations wish to thank the people of Brownfield for their co-operation during this clean up, paint up, fix up campaign, and request their continued efforts and support.

2605 COUNTED IN SCHOOL CENSUS

According to information received from school officials, 2605 children between the ages of 6 and 18 years were counted in the recent school census.

This is approximately 300 more school age children than were counted in last year's census.

U. S. NAVY BAND IN CONCERT MONDAY

Appearing in concert here Monday, April 30, will be the 50-member U. S. Navy band, of which many are nationally known solo-

LT. CMDR. CHAS. BRENDLER

The band is under the direction of Lt. Commander Charles Brendler, USN, a member of the Navy for 35 years. He is as-

sisted by Chief W-O Richard E. Townsend.

The band will make two appearances here Monday at the Brownfield high school auditorium. The matinee performance will begin at 2 p. m., and the evening performance will begin at 8 p. m. The Navy Band is on its Spring tour and is being sponsored in Brownfield by the high school band, under the direction of Harold Mulkey.

Most of the members of the United States Navy Band have played in the world's most famous bands before becoming members of the great Navy band.

Such bands as John Philip Sousa's, Bachman's Million Dollar, Goldman, Pryor, and the National Symphony Orchestra lead the list, with dozens of other famous bands included.

Naturally, during this service, they have formed a preference for certain composers. Tschalkowsky is the favorite, with Wagner, Brahms, Beethoven, Mozart, Bach, and Strauss all rating high in their esteem.

The afternoon matinee program is as follows: Star Spangled Ban-

ner; Orpheus Overture (Offenbach); Mardi Gras, from the Mississippi Suite (Grove); Tally Ho, English Post Horn solo (Barsotti); Symphony No. 4, Finale, (Tschalkowsky); Dance of the Comedians (Smetana); The Shanghai Sailor, solo, (Bridger); Chit Chat Polka (Strauss); Trumpet Blues and Cantabile, three solos (James); Rhapsody in Blue (Gershwin); The Stars and Stripes Forever; and Anchors Aweigh.

The evening program is as follows: Donna Diana Overture (Reznick); On the Trail (Grove); Capriccio Italiano (Tschalkowsky); The three Bluejackets, cornet trio (Williams); Air Vario, trombone solo (Pryor); George Gershwin Hit Parade (arr. Bennett); The Stars and Stripes Forever; The Sorcerer's Apprentice (Dukas); Waltzes from "The Fledermaus" (Strauss); Tenor Solo, "M'Appari Tutt' Amor", from the opera "Martha" (von Flotow); Roumanian Rhapsody No. 1 (Enesco); and Anchors Aweigh.

Proceeds from the concerts will go to the high school band. Tickets are on sale now and may be purchased from any band student.

RESULTS OF JR. SOFTBALL GAMES

In the Junior softball league, sponsored by the Brownfield Lions club, results of the games played this week are: Nelson Jewry 16, Union school 6; Purcell Clothiers 14, Plains Liquefied Gas 13; Nelson Jewry 11; Fleming Typewriter 1.

League play began this month and will continue throughout the summer, according to Clyde Bond, jr., manager.

Smith Named To Managers Board

Wayne (Red) Smith, manager of the Brownfield Chamber of Commerce, was named to the board of directors at a meeting of the West Texas Chamber of Commerce Managers' association held in Borger last weekend.

At 1 p. m. tomorrow, Declamation, Spelling, and Plain Writing, Ready Writers, Number Sense, Story Telling, Picture Memory, and Tennis events will be held.

In charge of Declamation will be Miss White of Brownfield; Spelling and Plain Writing, Morton school; Ready Writers, Mrs. Cornett of Brownfield; Number Sense, Mr. Burkhalter of Brownfield;

Group Will Discuss Youth Center May 3

A meeting will be held May 3 at 8 p. m. in the county court room, according to W. T. McKinney, chairman of the Lions club inter-club relations committee.

Purpose of the meeting is to discuss a Terry County youth program. Included in the discussion will be whether or not Terry County needs a year 'round youth program, how important a youth program for the county is, how the program will be financed, and where the program can be set up.

Representatives of all civic and federated clubs in Brownfield and Terry county have been invited to attend the meeting, McKinney said.

Mr. and Mrs. Earl Bradley and Misses Peggy Bradley and Joy and Mary Chisholm visited in Dora and Portales, N. M., Sunday.

Lubbock Firm Gets Paving Contract

Kerr and Middleton, Lubbock contractors, were awarded a \$213,610 contract for paving of streets and alleys in Brownfield at a meeting of city officials Monday night.

The firm's bid was the lowest of four submitted. The contract calls for the paving of 55 to 60 blocks of city streets, 40 feet wide with triple asphalt surfacing on a six inch caliche base, with curbing and gutters included. Ten or 12 blocks of alleys are to be paved with six inch re-inforced concrete, also, according to the contract.

Other bids submitted for the work included L. A. Purcell of Lubbock, \$225,545; J. R. Fanning of Lubbock, \$232,565; and Hollyfield and Daley of San Antonio, \$236,016.

18 Hole, Best Ball Tourney Set Sunday

An 18 hole, best ball golf tournament is set for Sunday, April 29 at the Brownfield Country Club, it has been announced.

Players pick their own partners and then total partnership scores, minus full handicap. Handicaps will be raised and lowered according to scores preceding tournaments, according to Jack Shirley, golf chairman.

On Sunday, May 6, the Brownfield club will play at Meadowbrook at Lubbock in a matched tournament.

Last Sunday, the Lamesa club came to Brownfield for a matched tournament.

BERKIE SLAUGHTER, JAS. WILLIS HAD TOP CALF, HOG AT JC SHOW

Berkie Slaughter showed a 1043 pound Hereford calf at the Terry County Club Boys Stock Show Saturday to win the grand championship calf division. He is the son of Mr. and Mrs. A. A. Slaughter of route 1, Seagraves, in Terry county, and is a 4-H club member.

BEAUTY CONSULTANT WILL BE AT PALACE DRUG APRIL 30

Many women have wished they could journey to New York City to have trained beauty experts aid them with their own particular beauty problems, but New York City will come to Brownfield next week in the person of a special representative of the famous Helena Rubinstein, leading cosmetic and world-famous beauty authority.

Introducing the same technique used in the renowned Five Day Wonder Course taught in Madame Rubinstein's fabulous Fifth Avenue Salon, Miss Alberta McInnis, a "graduate" of the Wonder School, will visit Palace Drug the week of April 30.

Madame Rubinstein's representative has an exciting beauty gift for all women who visit her. It is a booklet entitled "7 Day Beauty Plan" which ordinarily sells for \$1, but is yours for the asking.

Bring your beauty problems to Miss McInnis, who will be glad to aid you with problems involving care of skin and hair, make-up, hair styling, diet, exercise and fashion. She will tell you the beauty secrets taught at the Five Day Wonder School in such

a fashion that you will be able to carry on these same beauty rituals in your own home.

Be sure to visit Palace Drug during the week of April 30 to meet Miss McInnis and get your exciting Beauty Gift from Helena Rubinstein! This is your chance to have all of your beauty problems answered by a trained expert!

C. E. S. Program Honored Members

The Brownfield chapter 785, Order of the Eastern Star, met at 8 p. m. Tuesday for a regular meeting. Mrs. John Portwood, worthy matron, presided.

The program for the evening was given in honor of the members. Mrs. Wayland Parker gave a reading "Little Britches", and Mrs. K. B. Sadlier and Mrs. Parker sang two duets, "Mockingbird Hill" and "A Merry Life".

Refreshments were served to 12 officers, 15 members, and three guests: Mr. and Mrs. Ray Lackey and Mrs. E. O. Reeves.

Mesdames Lula Singletary, Grady Goodpasture, and Pat Harkins were the refreshment committee.

MORGAN COPELAND ELECTED TO CLUB

Morgan Copeland of Brownfield has been elected to the Silver Spurs, men's honorary service organization at the University of Texas.

Members are chosen on the basis of scholarship, leadership, and achievement.

Copeland, a law student, is a member of Theta Xi social fraternity and Phi Alpha Delta, legal service fraternity. An associate justice of the student court, he is the son of Mrs. Morgan L. Copeland, 215 West Hill. He is opposed in the election for chief justice of the student court.

MRS. DUBOSE WAS SHOWER HONOREE

Honoring Mrs. Truman DuBose, a shower was given in the home of Mrs. J. W. Lucas recently.

The table was laid with a lace cloth, and was centered with a large potted pink hydrangea. Plate favors were miniature storks made of safety pins, pink and blue toothpicks, and marshmallows.

Miss Gay Gibson served punch and cookies to approximately 40 guests during the afternoon.

Damage-Proof Plastics Take Over House

BY EDNA MILES

THE kitchen table, the center of family living in grandmother's day, has been steadily regaining its popularity in modern households since the introduction of plastic tops.

Junior can overturn his ink while doing his homework; Dad can spill ashes from his pipe; Mom can set down hot dishes without pads; Sister can smear fingernail polish around—all without damage.

These advantages, which the American public was quick to recognize, are now being made available in front-of-the-house furniture. There are plastic-surfaced pieces for the dining room, the living room, the bedroom, the terrace—almost any spot you can name.

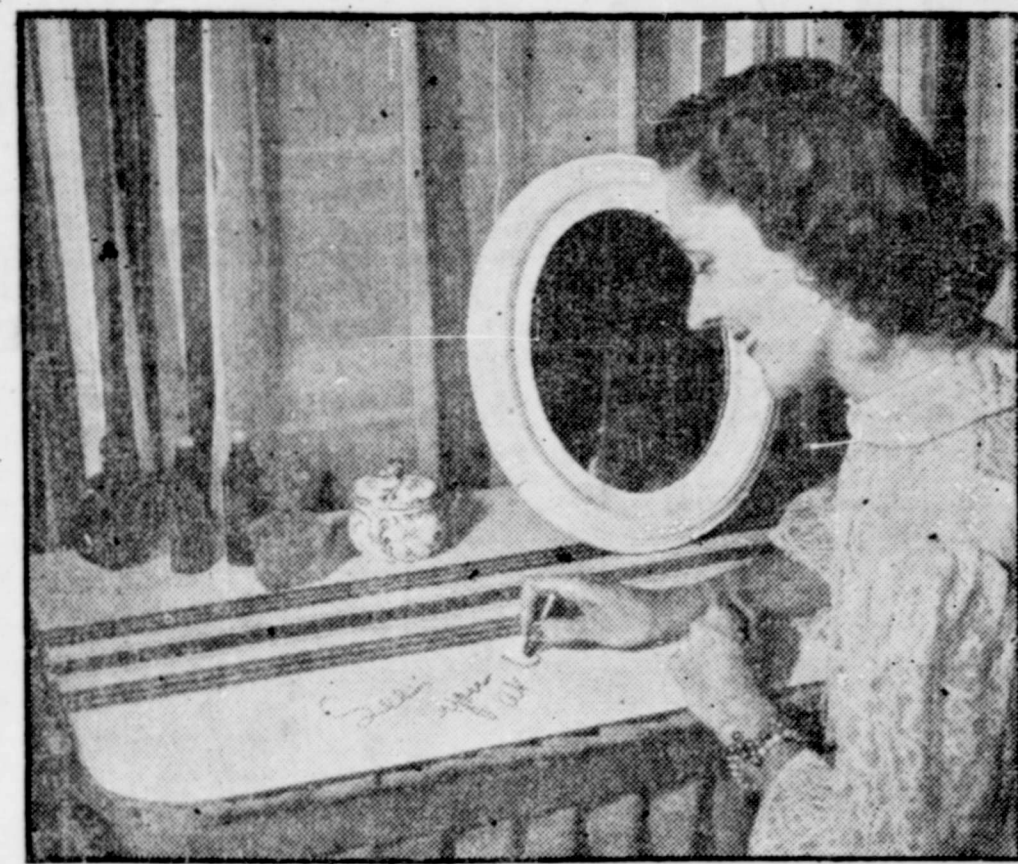

Although this new furniture was inspired by mar-resistant kitchen equipment, there is nothing pantryish-looking about these new melamine laminates.

A number of new finishes have been achieved in designer-created pieces recently introduced.

There are real woods coated with plastic for extra durability, or woodgrains reproduced on photographic paper. The latter appear, to the casual eye, to be the real thing.

There are table and dressing table tops of fabric to match your draperies. These have been impregnated with melamine to make them glossy and lasting.

There are also treated papers in ebony-like black or pastels, and there are combinations of wood, fabric and paper in a novel, textural surface.

This dressing table top of striped drapery fabric laminated with white paper and melamine matches window hangings; is impervious to damage from spilled cosmetics or the lipstick message milady is writing.

Gee Gee's Chit Chat

Don't let it get you down, fellows. Don't you know what some days you can't make a nickel? Anyway, don't let a little old sandstorm discourage you from your aim. Your aim in getting the old homestead in crackerjack shape during this last part of the official clean up drive in Brownfield, that is.

I know that it's a little hard to take, when you've piled up all the weeds, junk, etc., preparing to burn them, only to have a sandstorm blow up and give the whole project a good swift kick in the pants. Do not be disheartened, though. Just get in there and pitch and you'll make the grade yet.

That's how I look at life. Tomorrow marks the formal opening of the Palomino Gift shop at 106 Seagraves road, across the street from the Esquire Restaurant. I was down there the other day, and Lois Taylor and Jane Wade, props, really have some clever gifts. They have a wide variety of novelties, gifts, and cards that should solve many of your problems, including what to give Mom for Mother's Day (May 13). They carry a charming line of costume jewelry, lovely hand-made Mexican draw-work, bridge sets and dinner cloths, all sorts of hand-carved trays, etc. In fact, there are so many striking items in their shop that you really have to see it to believe it. Go right down today and look around. I've already copied the title of "First Cash Customer". Madrid Lackey was second.

Another thing to remember is that the celebrated United States Navy Band will be in Brownfield

Monday, April 30, for one matinee and one night performance only. Although I've never had the privilege of hearing this group of musicians before, the word gets around, you know, and the things I've heard are amazing. For a night or afternoon of wonderful entertainment, make your plans now to hear the US Navy band Monday. Any band member at the high school can sell you a ticket.

Also to be here Monday is Miss Alberta McInnis of New York City, a beauty consultant for the Helena Rubenstein cosmetic house. Miss McInnis will be at the Palace Drug all day Monday, giving free beauty consultations. You are cordially invited to take advantage of Miss McInnis' expert beauty advice.

I would remind all you merchants (and anyone else who is interested) that the Retail Merchants Association here has a new telephone number — 919. This telephone will be used for re-

Well, it finally hit the fan around here. The old landlord at my downtown office went up on the rent Tuesday morning. A pretty low blow, I must admit, but I guess I won't let it bother me too much. I seldom have to pay my own rent, anyway. Me and P. T. Barnum, you know.

Speaking of my downtown office, the Brownfield State Bank & Trust company donated the landlord a bunch of clever red plastic salt-peppers and they're really snappy.

And when I mentioned the bank it reminded me that Milton Bell is out of the Plainview hospital, where he was treated for a brain concussion received in an automobile accident near Abernathy

several weeks ago. I must say that Milton looks simply wonderful, and it's swell to have you home again, boy.

If you don't want to see your name listed among the delinquents you'd best get your premises cleaned up. I'm really just kidding, but don't fail to do your part in these last few days of the city clean up drive. And now I'll shut up.

WHAT IS PHYSICAL EDUCATION?

Do you know what Physical Education is? It is not a single subject, but is a part of the educational field made up of various divisions of sports, rhythmic activities, physical examinations and health work, playground and co-recreational activities. All with their concomitant learnings. In your own Junior High school will find this program in progress.

In more recent years there has been more increased interest in physical fitness and recreation. Your physical condition has much to do with your happiness. A strong and healthy body enhances all one's pleasures and creates happiness. There are some children, however, who do not care for Physical Education. Examination of such cases usually reveals a lack of skill due to body build or background. Inhibitions and fears hold sway to such an individual.

Physical Education strives to quicken the creative life of the individual. To many children, release of imagination and of latent artistic ability comes through rhythmic expression. Folk games are recommended as a suitable type of rhythm work. Folk games with its skipping, leaping, sliding, stamping and clapping is valuable from a physical standpoint, affording happy exercises. Tap, clog and character drills bring

Reactivation of Band Announced

Reactivation of The Collegians, West Texas State College dance band, was announced this week by William O. Latson, instructor in music.

With 11 instrumentalists and two vocalists, the band started rehearsals last month and will be ready for bookings. Latson, member of the band while attending West Texas, will direct the organization.

"We have chosen a varied repertoire," he said, "and hope to please most of the time." On the band's music stands are slow numbers, including waltzes and fox trots, and fast numbers of the Dixieland and jive variety.

Until 1949 when it became inactive, the band had received Panhandle-wide bookings and had played almost weekly for various organizations in Amarillo. It was featured in 1947 and 1948 on a weekly program over KGNC.

Anyone interested in booking the group, Latson said, should either contact him at the college or write him at Box 242, Station I in Canyon, Texas.

Featured vocalists with the band this year are Joan Shockley and Joe Coleman.

Personnel of the band includes Keith Baten, Bruce Cook, Wesley Byers, and Douglas Sweigart, saxophone; Don Craig and John Damont, trumpets; Coleman and Latson, trombones; Dan Stallings, piano; Ray Wells, bass; and John Butler, drums.

Local Infantryman Given Combat Badge

With The 7th Infantry Division in Korea—Private First Class Charles Brumley, son of Mr. and Mrs. John Brumley, 111 North 2nd street, Brownfield, Texas, was recently awarded the Combat Infantryman Badge for exemplary conduct in ground combat against the armed enemy. Private Brumley is a rifleman with the 7th Infantry Regiment (The Buffaloes).

Brumley's unit was the only American outfit to reach the Manchurian border. Recently "The Buffaloes" crashed through enemy defenses and captured Mount Taeml, an important Red stronghold, with a vicious bayonet assault.

Private Brumley entered the military service from Brownfield, Texas.

Tech Sets Feeders' Day For April 30

The 1951 Livestock Feeders' Day will be held on the campus of Texas Technological College April 30. R. C. Mowery, head of the Department of Animal Husbandry, announced today.

He extended an invitation to ranchers, county agents, feeders, veterans' vocational classes and other interested parties to attend the annual affair. He said he expects over 300 persons to take part.

The agenda will start at 10:30 a. m. with the inspection of cattle on feed and the livestock facilities of the Department of Animal Husbandry a mile west of the campus proper just west of the railroad track.

A barbecue dinner will be served at noon in the Livestock Judging Pavilion, followed by an address of welcome by Dr. D. M. Wiggins, President of Texas Tech, in the Aggie Memorial auditorium.

Afternoon discussions will include: harvesting sorghums with lams, the comparative feeding value of alfalfa, cottonseed hulls and sorghum roughages for fattening lams, lamb feeding, producing beef on irrigated pastures, the comparative feeding value of hydraulic, cooked solvent and raw solvent cottonseed meal for fattening yearling steers, and a general discussion on cattle feeding.

Featured speakers other than Wiggins and Mowery will include W. L. Stangel, Dean of Agriculture at Texas Tech, and Stanley E. Anderson, assistant professor of animal husbandry at Tech.

Rites Held For Wm. S. Caito

Last rites were held at St. Louis, Mo. Tuesday for William S. Caito, 71, who died in his home here at 115 S. 2nd street, at 8:05 p. m. Friday. He was the father of Mrs. Gordon E. Richardson of Brownfield.

A native of Italy and a retired shoemaker, Caito and his wife moved to Brownfield about six weeks ago from St. Louis. He had been ill for some time.

The body was prepared for burial and shipped overland Saturday to St. Louis by Brownfield Funeral Home.

Survivors, other than his wife and daughter here, are 7 children.

ATTENDED TSBA DIRECTORS MEET

A. D. Wenzel, local Berkshire hog breeder, attended the annual directors' meeting of the Texas Swine Breeding Association, held Sunday and Monday at Buchanan Dam.

Also present at the meeting was Kenneth Bozeman of Lubbock, who served as auctioneer at the Terry County club boys stock show held here Saturday.

Wenzel stated that the group of directors discussed the furthering of livestock breeding in Texas, and set the next meeting in Lubbock.

PONTIAC MOTOR DIVISION GETS NEW DEFENSE CONTRACT

Pontiac Motor Division of General Motors has been awarded a contract by Army Ordnance for production of medium calibre cannon in the Pontiac, Michigan, home plant. Initial contract value is nearly 57 million dollars, according to General Manager Arnold Lenz.

Only two weeks ago Pontiac announced two other contracts totalling 57½ million dollars for production of new type amphibious cargo carriers and a "large number" of army rockets. The latest cannon contract brings total value of Pontiac's defense projects to over 114 million dollars.

Lenz said Pontiac will perform about 1800 operations on the guns at Pontiac, utilizing about 1250 machine tools, illustrating the complexity of the project. About 3,000 of the present working force are expected to be employed on the cannon project.

Extensive pre-production work is expected to take about five months, according to Lenz, though he says much time will be saved in equipping the plant by using some of the machines, tools and fixtures available from government arsenals and warehouses, retained at the end of World War II production. This is confirmed by Detroit Ordnance District Deputy Chief Lt. Col. John M. Cone.

Pontiac officials say about 1190 parts and assemblies will be supplied Pontiac by approximately 500 outside companies, and an additional 500 parts and assemblies will be products of the Pontiac home plant.

Charles L. DeLorge, present Motor Plant Assistant Superintendent has been named Gun Production superintendent.

NELSON'S PHARMACY

"Smart Buy's Roadmaster"

It started the very day the 1951 ROADMASTER made its first appearance—and has been building up ever since.

Folks looked at the fresh new styling—the power—the features—the fabrics—the cloud-soft cushions—and the prices—and said, "Here's the smart buy in the fine-car field."

Why don't you come and see for yourself what a sensational buy this proud beauty really is? It's a honey to handle—a joyous

thrill to ride in—and just about the handsomest thing on wheels. It has room, and poise, and a level-going gait that comes from coil springs front and rear.

There's a triumphant thrill in the willing obedience of its Fireball power and the luxurious ease of its Dynaflo Drive, which doesn't cost you a penny extra.

There's a sweeping view fore and aft through sweepingly broad glass areas, and the new clarity of an instrument panel with greater visibility at night.

Even the brakes are new, self-cooling, with a grip that takes hold like steel fingers in a velvet glove.

Here indeed is a car that is fine in bearing, in action, and in the precision of every structural part—a ROADMASTER custom built by Buick. When will you try one as our guest?

Equipment, accessories, trim and models are subject to change without notice.

ESTABLISHMENTS FACING APRIL 30 OPS DEADLINE

Three groups of retail establishments—restaurants, groceries and consumer goods outlets, which are subject to Ceiling Price Regulation 7—face deadline for compliance with Office of Price Stabilization regulations by Monday, April 30.

The remainder came from C. J. Taylor, acting district price executive in the Lubbock district office, which includes Terry county. The 66-county district reaches south and west to the Rio Grande, El Paso and the New Mexico state line, north to the Oklahoma line and east to the eastern boundaries of Lipscomb, Hemphill, Wheeler, Collingsworth, Childress, Cottle, King, Garza, Borden, Howard, Glasscock, Reagan, Pecos, and Terrell counties.

Here is the way each of these types of establishments is affected:

Restaurants, soda fountains and other food and drink establishments—by April 30 must file base period statements of food cost per dollar sales with their district OPS office.

Grocers under CPR 15 and 16—Must have their ceiling prices in effect by April 30. Also, by April 28, they must notify OPS what category, based on 1950 gross sales volume, they are in: Independent store with less than \$75,000, independent with \$75,000 to less than \$375,000, non-independent with less than \$375,000, or a retail store, independent or otherwise, with \$375,000 or more.

Sellers of CPR 7 items—Must file pricing charts by April 30. Many merchants not originally affected by Regulation 7 are now affected. About 15 new items were placed under the regulation two to three weeks ago. Sellers of the new items must be in compliance by April 30, along with those originally affected, Taylor said.

Items under Regulation 7 now include musical instruments; radio and television sets; phonographs and records; housewares, garden tools, light hardware, some paper products, silverware, chinaware, glassware, jewelry, watches, clocks and other items. Wearing apparel, floor coverings, furniture, specialty shop items and certain other merchandise have been under the order since it was first issued.

Merchants should send their price lists to the District Office of Price Stabilization, Broadway Building, 129 2 Texas Avenue, Lubbock, Texas.

Businessmen needing additional information regarding their compliance should direct their inquiries to the district price executive in Lubbock.

Lions Will Attend District Meeting

Several members of the Brownfield Lions club will attend the district 2 T 1 convention to be held in Hereford April 29-May 1. It has been announced.

Recently the club elected Miss Kay Szydoski, daughter of Mr. and Mrs. Frank Szydoski, to represent their club in the district Lions queen contest to be held Monday at 4 p. m. at a Hereford theatre.

Brownfielders who plan to attend are Mr. and Mrs. Szydoski and Kay; Mr. and Mrs. Frank Jordan, Mr. and Mrs. Wayne Smith, Mr. and Mrs. Jack Griggs, and Bob Tobey, Herbert Chesshir, and Bill McKinney.

Jordan is a former district 2 T 1 governor, and Smith is president-elect of the local club. Griggs is a district zone chairman.

New district officers will be elected at the convention. Dr. Marshall Harvey of Lubbock is district governor. There are 39 clubs in this district.

Planning to attend Lions International convention in Atlantic City, N. J., June 24-28 are Mr. and Mrs. Szydoski and Kay and Jimmy, Tobey, and Crawford Taylor.

Visitors in the home of Mr. and Mrs. Harvey Gage Sunday were her mother, Mrs. S. J. Billings, of Sudan. Also Mrs. Gage's sister and husband, Mr. and Mrs. Earl Chester and Billy of Sudan, and Mrs. Gage's niece and husband, Mr. and Mrs. Dick West and daughter and Miss Sue Glover, all of Sudan.

When Cahada, then New France, took its first census in 1666 the county had 3,215 inhabitants.

WAYLAND EXES TO MEET ON MAY 1

The annual meeting of Wayland ex-students will be held in the Wayland College dining hall at 7 p. m. on Tuesday, May 1, according to an announcement made here today by the Rev. Vernon Shaw of Lubbock, president of the Ex-student Association.

Kearnie Keegan of Nashville, Tenn., Southwide student secretary of the Southern Baptist Convention, will be the speaker for the evening.

Ruby Bruton of Plainview is acting secretary of the association, and Frank Baker of Plainview is vice-president.

G. I. QUESTIONS and ANSWERS

Q—Is there any deadline on VA hospital care, as there is on a number of other VA-administered benefits?

A—There is no deadline for VA hospitalization. Veterans may be admitted to hospitals at any time, so long as they meet eligibility requirements.

Q—I would like to appear before the VA Rating Board on my own behalf, in connection with a compensation claim. May I do this?

A—Yes, but a definite appointment should be made beforehand.

Q—I am receiving a VA pension for a non-service-connected total and permanent disability. Does that entitle me to Public Law 16 training since I am a World War II veteran?

A—No. One of the eligibility requirements for Public Law 16 training is a service-connected disability which would entitle the veteran to compensation. You may, however, be entitled to GI Bill training if you have a discharge other than dishonorable and served at least 90 days, part of which was between September 16, 1940, and July 25, 1947.

Q—I am a patient in a VA hospital and expect to be discharged soon. Before I leave, is there anyone in the hospital I can see to learn about veterans' benefits that might be helpful to me once I am back home?

A—See the VA contact representative at your hospital. Contact representatives are on duty at all V A hospitals.

JOHNSON HD CLUB MET APRIL 18

The Johnson Home Demonstration club met in the home of Mrs. Grady Patton April 17.

Roll call was answered with a question in Parliamentary Procedure. There were six members and one visitor present.

The next meeting will be in the home of Mrs. B. M. Tuttle May 1. The program will be on freezing vegetables.

Mrs. Roy E. Jordan of Houston is here for a visit with her mother, Mrs. D. F. Murphy.

Mile Relay Team

Able Christian College's mile relay team is building a fine record this season. It won at the Border Olympics, Fort Worth Invitational and Texas Relays. Left to right, the runners are: Leon season was 3:19.8 in the West Leopard of Big Spring; Pete Ragus, Texas Relays at Odessa. In 1950 Campbell, Calif.; Sam Volpe, Ak-the Able Christian speedsters from Ohio; and Buddy Garner, won their event in the Kansas Tulsa, Okla. The best time this Relays. (AP Photo).

Calf Roping To Be At Big Spring

Two world's champions will meet in Big Spring Friday night (April 27). They are Toots Mansfield and Jess Goodspeed who have both annexed the National RCA Calf Roping title more than once.

Mansfield of Big Spring, and Goodspeed, Waureka, Oklahoma are featured in a special 12-calf roping contest in the new concrete rodeo bowl at Big Spring. In a 1947 contest, Mansfield, seven times world champion, defeated Goodspeed by a few seconds total time on 12 calves. Goodspeed has annexed the world's title twice.

The program, which also includes open jack pot roping, is sponsored by the Big Spring Rodeo Association, sponsors of the Big Spring rodeo for the past eighteen years.

The Big Spring bowl, located just west of the city was completed by workmen who were still on the job as the crowd gathered for the first performance of last August's Rodeo. Located in a natural amphitheater setting the huge arena is the southwest's finest.

Youth Group Met Tuesday

The quarterly meeting of the young people's organizations of the Brownfield Baptist Association was held in the First Baptist Church here last Tuesday evening at 7:30.

The program consisted of the song service, devotional, a missionary story, a solo, and a skit entitled, "The Value of a Boy."

Approximately 125 young people from the churches over the Association were present for the program. The Wilson Baptist Church had the largest group present, outside the host church, and received an "Attendance" banner.

Refreshments were served in Fellowship Hall following the program. The next meeting will be held in connection with the summer camps which meet in July at the Plains Baptist Assembly Grounds south of Floydada, Texas.

Mr. and Mrs. George Neill are vacationing for two weeks in south Texas.

CITY OF PARIS PARIS, TEXAS

April 14, 1951

The Honorable Pierre DeGaulle Mayor of Paris Paris, France

Dear Mayor DeGaulle:

The City of Paris, Texas sends greetings and cordial good wishes to you and to the people of Paris, France on the occasion of your 2000th Birthday Celebration.

As the official representative of Paris, the "North Star of Texas", once a part of the French Nation, I extend personal felicitations to you and to your people.

The rich heritage associated with the name Paris will continue to inspire our best efforts to so improve our city that, when we celebrate our 2000th Birthday, we too may be known as a "City of Light".

The bearer, Mrs. Mary Cooke Ellis, is our Official Representative and a Distinguished Texas Parisian. She has graciously agreed to present this letter and the small token to you. The tie clasp is emblematic of the Great State of Texas.

Cordially Yours

SIX COUNTIES TOP GOALS, MANY CLOSE AS CANCER CRUSADE CONTINUES

Led by an enthusiastic corps of volunteer workers in Midland county, Texas county units of the American Cancer Society are beginning to rapidly go over their financial goals in the 1951 Texas Cancer Crusade, George E. B. Peddy of Houston, state chairman, has announced.

The Texas Cancer Crusade, launched each April by the American Cancer Society, Texas Division, is currently seeking a raise \$500,000 to carry on the Society's year round program of cancer control. Money collected goes toward the establishment and support of cancer clinics, to assist research projects throughout the state and nation, and to conduct an extensive public educational program, reminding Texans that they must seek medical advice and care upon the first warning sign of cancer.

Total cancer funds raised through the state at the close of the first two weeks of the drive totaled \$90,217.96. Although this total is far below the state goal, state cancer leaders were optimistic of eventual success, since the monies so far tabulated are totaled from reports from only 34 out of Texas' 254 counties.

Counties over quota, as of April 19, were Armstrong, Deaf Smith, Gillespie, Midland, Zavala, and Lynn. Midland was \$1,000 over quota at last report and seems destined to double its financial goal.

Hansford, Gray, Galveston and many other counties are well on the way to success.

FARM QUESTION BOX

by ED W. MITCHELL Farm Advisor General Electric Station WGY

- Q. Can I sow rye in early spring and use it for pasture as soon as it is big enough? It is generally big enough in six weeks time.
- A. You could try it, but I think oats or millet would be better for that than rye or wheat, and better figure on eight to ten weeks till pasture, rather than six weeks. Rye or wheat sown in the fall makes good pasture, but not when planted in the spring.
- Q. Our hens are eating their eggs. What causes them to do it, and what can I do to stop them?
- A. They are smart hens and know what is good to eat, same as we do. Clip off the tip of the upper beak; have nests dark; put china eggs in nests and on floor.
- Q. I want to transplant some evergreens from the woods to my lawn. When is the best time to do it?
- A. In late fall or early spring. Move as large a ball of earth and roots as you can handle. The smaller the tree the easier it is to move and the more apt it is to be of use.
- Q. What is the best corn to plant—both for silage and to make ripe ears?
- A. You can't have both good silage and ripe ears from the same variety and get as much as from a hybrid designed especially for one or the other purpose. Be sure and plant hybrid corn. Ask your local seed dealer, neighbors, or County Farm Bureau Agent which hybrids have been the best in your own immediate locality, because type of soil, elevation, climate, etc., are important factors and experience is the best guide for selection of seed.
- Q. Should parsnip seed be planted in April?
- A. Yes—April or May—whenever it is convenient. They start slowly, and the longer the growing season, the larger the roots. They can survive a late spring frost that would kill most other vegetable crops.
- Q. Does tapping a hard maple injure the tree, or shorten its life?
- A. Not to any noticeable extent; they seem to survive repeated tapping and live as long as any other trees.

4-H GIRLS' RECIPES INCLUDED IN PRIZE-WINNING COOKBOOK

Recipes that won exciting trips to New York last December for four talented 4-H girls are now in print in a new cookbook just off the press.

The trips were part of the prizes Patricia Piper of Storden, Minn.; Kathleen Boyd of Kenosha, Wis., and sister Diana and Maurine Junker of Fairbury, Neb. received for becoming finalists in Pillsbury Mills' Second Grand National Recipe and Baking Contest.

A rich chocolate-orange cake topped with mounds of fluffy frosting edged with dark chocolate icicles—a spicy dessert dotted with juicy chunks of watermelon pickle—colorful sweet breads, one flecked with gay candied fruit; the other, with bright gumdrops.

These are the girls' recipes which, along with those of the other contest finalists, are available in a colorful booklet called "100 Prize-Winning Recipes" from Pillsbury's Second Grand National Recipe and Baking Contest. Copies of the book may be secured by sending 25 cents to Ann Pillsbury, Box 407, Dept. P, Minneapolis 2, Minn.

Perhaps you would like to try Diana Junker's Bonny Tweed Cake recipe. Diana combines the flavors of semi-sweet chocolate and tangy orange rind for a real taste-surprise. And no wonder it's a favorite in her home! One loo kand everyone is ready to dig in. Here is her recipe:

BONNY TWEED CAKE
adapted by Ann Pillsbury
2 cups sifted Pillsbury's Best Enriched Flour*
1 teaspoon soda
1 teaspoon salt
1/2 cup shortening
1 cup firmly packed brown sugar
2 eggs
3 1/2 squares (oz.) semi-sweet chocolate, coarsely gated
2 tablespoons grated orange rind
1-3 cup chopped walnuts
1 cup buttermilk or sour milk
1 teaspoon vanilla

Sift together flour, soda and salt. Cream shortening; add brown sugar gradually, creaming

well. Blend in eggs, one at a time. Beat 1 minute. Add grated chocolate, orange rind, walnuts. Add buttermilk and vanilla alternately with dry ingredients to creamed mixture, beginning and ending with dry ingredients. Blend well after each addition. (With electric mixer use low speed.) Pour batter into two well-greased and lightly-floured 9-inch round layer pans. Bake in moderate oven (350 degrees F.) 25 to 30 minutes. Cool and frost with Fluffy Orange Frosting.

* If you use Pillsbury's Best Enriched Self-Rising Flour, omit salt and decrease soda to 1/2 teaspoon.

FLUFFY ORANGE FROSTING

Combine 1 1/2 cups sugar, 6 tablespoons orange juice, 1/4 teaspoon cream of tartar, 2 egg whites, 2 teaspoons grated orange rind in top of double boiler. Cook over rapidly boiling water, beating with rotary egg beater or electric mixer until mixture is thick enough to spread. Remove from heat. Frost cooled cake. Allow to stand a few minutes. Combine one-half square (1/4 oz.) melted semi-sweet chocolate and 1 teaspoon melted butter. Pour slowly over top of cake, allowing chocolate to drip down sides.

SANTE FE CARLOADINGS SHOW INCREASE

Santa Fe carloadings for week ending April 21, 1951, were 24,284 compared with 23,889 for the same week in 1950. Cars received from connections totaled 13,926 compared with 11,757 for the same week in 1950. Total cars moved were 38,210 compared with 35,646 for same week in 1950.

WHAT'S IN A NAME?—This little mascot of a Seventh Division artillery unit in Korea seems out to prove there's plenty in a name. The pup, who feels at home sitting on a pile of 105-millimeter howitzer shells, answers to the moniker "Ammo."

MAGIC GEMS — The pinless jewel pin is the latest device women have to mystify men. The accessory, which was recently introduced in New York, is secured to the skin by a dab of special liquid. The gems can pinch-hit for rings, earrings or necklaces.

SUN-TIME COTTON

The newest in sun-wear, a slim one-piece sleek-short type of suit, gives a girl that sleek, ship-shape summer look. This one is in Erwin's cotton printed with a Sailor Knot motif, the National Cotton Council reports.

INSPIRATION FOR HANDICAPPED—Aileen Laffin, of Empire, Ore., who was paralyzed from the neck down after a polio attack in 1937, has made a new life for herself, using her teeth to do ceramics and oil painting. She said she was inspired by the life of Helen Keller, and hopes to give hope to other handicapped people.

VA LIBERALIZES "TB" RATINGS
The VA recently issued a regulation liberalizing its method of granting service-connection to WW II veterans suffering with active pulmonary tuberculosis. VA Ratings Boards have been instructed to recognize and grant service-connection to veterans with active tuberculosis which

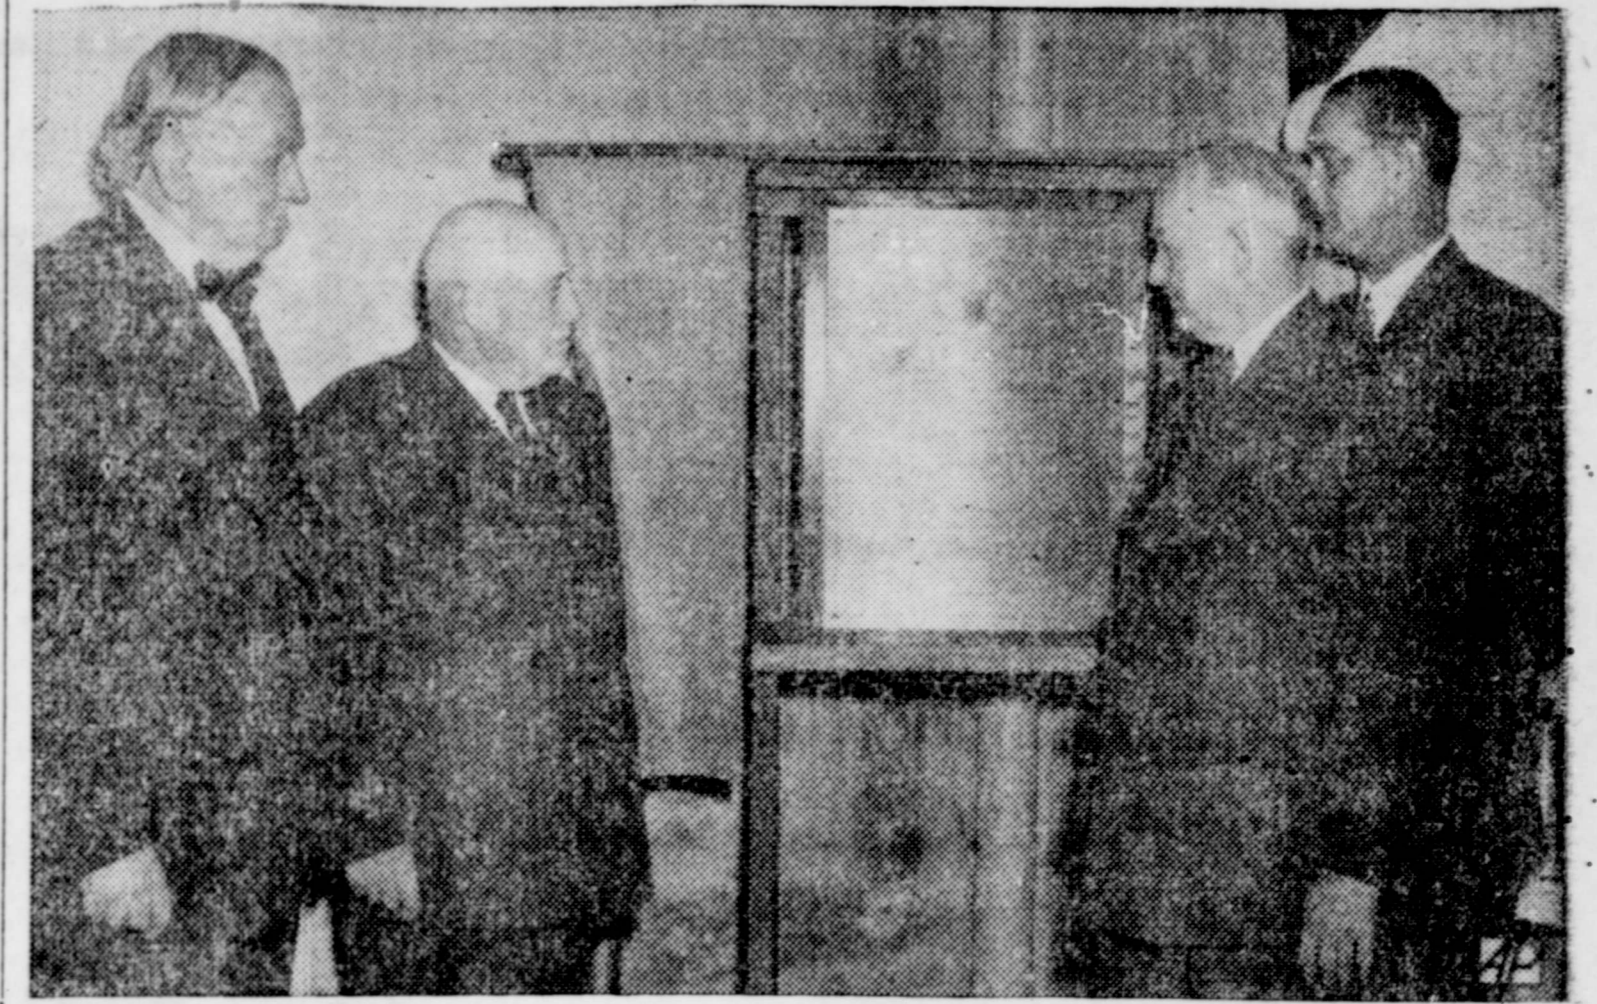

was preceded by pleurisy with effusion during the prescribed three-year presumptive period. Originally, pleurisy with effusion was not recognized as a direct cause of active tuberculosis, and was therefore not satisfactory evidence to justify service-connection. Under Public Law 573, 81st Congress, a presumptive period of 3-year following discharge from active service was established during which time service-connection could be granted to WW II veterans with active tubercu-

The local doctor is very seldom authorized to furnish glasses himself. **RETURN OF WW II WAR DEAD PROGRAM ENDS THIS YEAR** Taps is about to be sounded to the WW II war dead return program with less than 3000 of the 281,000 recoverable remains waiting final disposition, the Army has announced that it expects to complete the 5-year program this year. WW II war dead totaled 358,967 of which 77,967 remains can never be recovered, due to burial at sea, cannot be identified, or knowledge of burial site. 278-155 bodies have either been returned to the States at the request of the next-of-kin or reinterment has taken place in the U. S. Military Cemetery overseas. **SECOND NSLI DIVIDEND TO START IN APRIL** The VA has not yet given out the basic rate structure on which the second NSLI dividend will be paid, but they predict that it will amount to about \$685 million. As previously announced, a amount paid to each individual policyholder will vary, according to the number of months in force and type of policy. Unlike first dividend no application by the veteran will be required. The VA reminds policyholders not to write regarding second dividend, as this will cause insurance file to be removed from dividend production line and delay payment, the first of these dividend checks will be mailed in April, according to the VA policies having January and February anniversary dates will be paid in April with checks to follow in order of anniversary dates—March dates will be paid in May, etc. These dividends will be calculated partially on the basis of number of months policy has been in force between anniversary date in 1948 and corresponding date in 1951 and policies issued in 1948, 1949, and 1950 will be paid dividends up to the anniversary dates in 1951.

It makes your dollars talk great good sense!

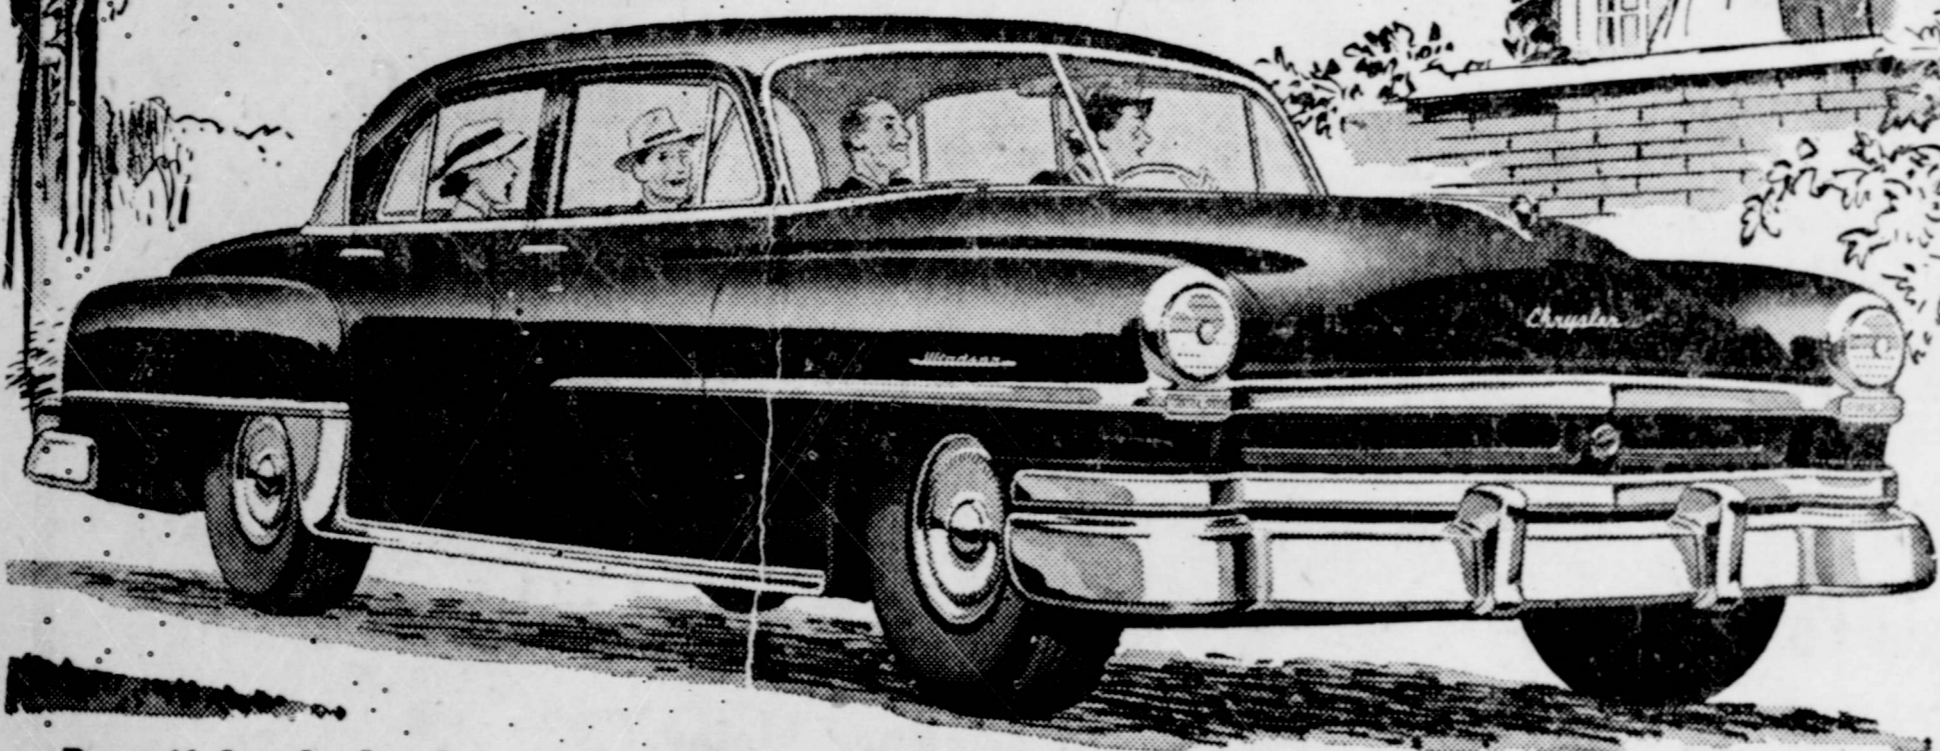

When you look at the times we live in... and then take a look at this new Chrysler Windsor... you might almost think we'd had advance information and special-built this car just to fit these times!

Certainly it treats your hard-earned and tight-stretched dollars with a respect that's hard to find in a good many things you buy. To begin with, the Windsor line is the least-priced of the three lines of cars we build at Chrysler. To buy one gets you all the basic goodness Chrysler engineering means, at the very lowest cost. That's good sense in itself.

In powerplant, your Windsor brings you Chrysler Spitfire... one of the truly great engines in the whole bright history of America's motor cars. Time-proved and owner-beloved, it would be hard to put your money on a sounder friend than this to live and travel with you through the months ahead!

As to comfort, Windsor brings you the amazing travel bonus all Chrysler owners get this year... the revolutionary new Oriflow shock absorber. With more than twice the shock-absorbing power of any other in the world, this amazing new device keeps wheels steady on the road, and riders steady in their seats.

As you can see, it is no idle claim that this car makes very special sense in these unusual times. But why not get the whole good story at first hand? Why not go see your Chrysler Dealer, very soon?

Beautiful to look at... Beautiful to drive!

The Low Down From Hickory Grove
You know, folks, I am not exactly noted for sittin' idle and saying nothing as I see our Top Chief and all his smaller and medium size sub-chiefs there in old Spendville-on-the-River, as they propose their daily and weekly "gimme" programs. But reckless as they are, they are not the "one and only". Right at home here, our local boys are not doing so poorly. It is not just the income tax that is a nightmare our own County and Town tax collectors add to our misery.

Here at Hickory the school board is building a 73,000 buck swimming pool—and the warm ocean is 10 blocks down the street. And the job is delayed by lack of some lighting equipment, but don't stop readin'—another item that is holding up the opening is a delay in receiving 1000 swimming suits. Yep, that is what the schoolhouse man said. But, said the man, maybe the youngsters could for a day or so, consent to use their own suits. Are you still listenin'?

Sisters and brothers, there 'will be no end to such foolishness until there is a taxpayers' uprising.

Yours with the low down,
JO SERRA.
