Well, the inevitable finally happened--the wife got her wish this Sunday morning at 11:15 a. m. when she and I became the parents of a bouncing baby girl.

At least they tell me she will bounce, I know she has a good set of lungs.

Anyway, Pamela Ann and the "boss" are both doing fine and although the other day our oldest, David Franklin, told Mabel Hartwell he would swap her for a puppy dog, we figure on keeping her around for a spell.

We want to thank our friends for being so swell to us while Pam and Shirley have been in the hospital.

We have both gotten a bit of kidding about the kids' birthdays being so close -- they now stand at December 5 for Tommy, December 6 for Pamela and David December 8.

Personally we're of the opinion that shows superior planning.

TRAGEDY SCENE MONDAY NIGHT -- This was the scene of the wreck Monday night where Randy Price, (see inset) son of Mr. and Mrs. Ralph Price of Friona, lost his life when this 1958 Ford overturned near the Black Community northeast of Friona.

## LETTERMEN NAMED--

### 4 Frionans Make All-District Team

Four members of the 1959 Chieftain football squad were named to the 1-AA All-District squad announced Earl Smith, Friona coach this week.

The boys included Gary Goetz, who was named to both the offensive and defensive teams as an end; Gary Bradley, offensive fullback; Don Clements, offensive center and Owen Drake, offensive tackle.

Three more Chieftains were named on the honorable mention team -- they were Ronnie Castleberry offensive quarterback, Baxter, defensive guard and Tommy Massey, defensive

tackle. In addition to the naming of the All-District squads, lettermen for the 1959 season

### Stanley Varner Enlists In USAF

Stanley Varner, son of Mr. and Mrs. J. R. Varner and a former student of Friona High School, recently enlisted in the United States Air Force. He is currently stationed at Lackland Air Force Base at San Antonio.

for Friona include Kenneth Harrington, Leslie Curry, Jim Greeson, Jerry Rankin, Luther Metcalf, Tommy Barker, Glandel Jones, Gary Brooks, Jackie Hight, Mike Ellis, Connie Ray, Gary Snead, John Miller, E. C. Wilson, Floyd Reeve and Lee Gibson.

Of these boys nine will return for action next year, the rest will be graduating.

Those returning next year include Jerry Rankin, Tommy Barker, Lynn Baxter, Tommy Massey, Gary Snead, John Miller, E. C. Wilson, Floyd Reeve and Lee Gibson.

ALL-DISTRICT FOOTBALL SQUADMEN -- These members of the 1959 Chieftain football team were named to the All-District team. They are, left to right, Gary Goetz, offensive and defensive end; Owen Drake, offensive tackle; Gary Bradley, offensive fullback and Don Clements, offensive tackle.

## ANTELOPES DOWN CHIEFS--

### Squaws Take Olton Tournney

Friona's Squaws won their first tournament of the season by downing Springlake in the finals of the Olton Tournament by a score of 54 to 22. The Friona Chiefs won their first game but were defeated by the Abernathy Antelopes in the second to drop out of tournament competition.

The Squaws began tournament play against the Muleshoe Mullettes Thursday and downed that team by a score of 47 to 28. During this first contest, the score at the end of the first quarter of play was 10 for the Squaws and one for Muleshoe. At the half, the score was 14 to seven.

During the third quarter, the Squaws accounted for 14 points which raised the score to 28 for Friona and 16 for Muleshoe. The final quarter saw Friona scoring 19 points while holding Muleshoe to 12 to make the final score read 47 for the Squaws and 28 for the Mullettes. In the second round of tourna-

ment play the Squaws met and defeated the Dimmitt Bobbies by a score of 63 to 44.

Scoring 21 points in the first quarter while holding the Bobbies to only three, the Squaws had it all their way from the initial whistle. The score at half time was 39 for Friona and 16 for Dimmitt and the third quarter ended with a 54 to 29 score. Scoring nine additional points in the fourth quarter, the Squaws emerged the victors in this second round game by a score of 63 to 44.

In the championship game played Saturday night, the Squaws were pitted against Springlake and came out the victors by the score of 54 to 22.

Taking an early lead in the final game, the Squaws held it all the way. The score at the end of the first quarter of play was 15 to seven and at half time it was 29 to 15. At the end of the third the score was 38 to 19 and the final whistle

found the score at 54 to 22 in favor of the Squaws to give them the Olton Tournament Championship.

Three members of the Squaw's team made the All-Tournament team, two forwards and one guard. The forwards making the team were Jacquelyn Magness and Charlotte Bock and the guard was Lawana Houlette.

The Chiefs began their tournament play against the Muleshoe Mules and came out on top by the narrow margin of 41 to 37. Taking a 16 to 11 lead during the first quarter, the Chiefs managed to maintain this advantage as the score at half time was 25 to 19; at the end of the third the Chiefs were still out in front by 32 to 26 and the final whistle sounded with the score 41 for the Chiefs and 37 for Muleshoe.

Taking high scoring honors for the game was Friona's Gary Bradley with 13 points, following.

# Randy Price Dies In Fatal Crash

## COUNCIL APPROVES PAVING PROPOSAL

A total of 26 blocks of paving are proposed to be paved in the spring paving program outlined at the city council meeting Monday night in the City Hall.

After talking to several property owners and getting various reports the council voted to settle on a total of 26 blocks.

This paving proposal (a map of which can be seen inside this week's issue of The Star) will get underway during the early spring of 1960.

Paving occupied most of the time at the four-hour long meeting with the number of blocks to be put on the line posing the big question. In addition to the paving question, items discussed included the new sewer site, sewage service to lots in the north part of town and corporation court's court costs.

Red Smith, of Parkhill, Smith & Cooper of Lubbock, consulting engineering firm for the city, was present and discussed the paving as well as other problems with the council.

Smith told the council that the

## Rites Held Wednesday For Young Wreck Victim

Funeral services were held Wednesday afternoon at 2:30 p. m. for David Randall Price, 13, known to his friends as Randy, son of Mr. and Mrs. Ralph Price of the Black Community from the Sixth Street Church of Christ in Friona.

Young Price was killed immediately in a car accident about 7:30 p. m. Monday night as he and a friend, Ricky Bob Coon, 12, also of the Black Community, were returning home from a Boy Scout meeting at the Black Community House.

The two boys were going west on a dirt road that parallels Highway 60 after leaving the regular Monday night scout meeting.

According to investigating officer Charles Skinner of the Texas Highway Patrol the car, driven by Coon, went out of control and skidded down the road overturning in a barrow ditch.

Young Coon was thrown from the car and wasn't seriously injured.

He made his way to the home of the Dick Rockey's, about 300 yards from the scene and summoned aid.

The Rockeys in turn notified authorities and summoned Vernon Johnson of Claborn Funeral Home in Friona to the scene.

Justice of Peace Thelma Jones reported young Price as killed in the crash following the night's investigation.

Randy was born May 17, 1946 and was a member of the eighth grade in Friona Schools and a member of Boy Scout Troop 206 of Black.

He is survived by his parents, and one brother, Jeffrey Don, 7, of the home; also two grandmothers, Mrs. J. E. Shackelford of Friona and Mrs. W. H. Price of Ector.

Pallbearers included Roy Lovett, John Hays, J. R. Braxton, Tom Jarboe, Dempsey Watkins and Guy Riggs. Funeral services were conducted by M. B. McKinney of the Sixth Street Church of Christ.

Interment was in the West Park Cemetery at Hereford under direction of Claborn Funeral Home.

## Choirs To Present Christmas Cantata

The church and chapel choirs of First Baptist Church will present "Night of Miracles," a Christmas cantata by John W. Peterson, Sunday, December 13 at 7:30 p. m. in the church auditorium.

This cantata, which tells the story of the night Christ was born, will feature Gerald Daniel as narrator and baritone soloist, Karen Turner as soprano soloist, Charles Allen as bass soloist, and Claude Miller and Earle Hise as tenor soloists. Accompanists will be Judy Smith, piano, and Mrs. Roy Miller, organ.

"The choirs wish to invite everyone to attend," said Charles Baldwin, director.

TO HOLD GRAND OPENING -- Freeman Blaylock, left, and Roy Wilson beam their pride in announcing the opening of their new business firm in Friona with their official Grand Opening to be held Saturday. The new business will service all makes and types of electrical appliances and have the local agency for RCA Victor and RCA Whirlpool home appliances.

## Recall Friday For Grand Jury

It's back to work for the members of the fall grand jury panel in Parmer County this Friday. The dozen citizens have been asked to report to the courthouse in Farwell at 10 o'clock Friday morning where perhaps half a dozen criminal cases await their investigation. Under their scrutiny will be

the Bovina car theft of last week, the shooting episode in Bovina two weeks ago, forgery and worthless check cases, and the courthouse burglary.

Also, Herbert Hopkins, charged in connection with a series of Farwell burglaries several months ago, is expected to decide to plead guilty, and

# Santa Gets Big Welcome

Santa came to Friona Saturday and was welcomed by a tidal wave of youngsters dragging mothers along in their wake.

An estimated 250-300 youngsters ranging in ages from babes in arms to 12-year-olds greeted Saint Nick with a scream as he and his sleigh rounded the corner of Highway 60 and Main Street.

Santa was escorted into town by members of the Friona Fire Department.

Santa alighted from his sleigh at the American Legion Building and talked to the kiddoes for about an hour then lines were formed and the youngsters rode in the sleigh with the jolly old fellow.

This coming Saturday afternoon special music has been tentatively planned with the Friona High School Band taking part in presenting Christmas numbers from the City Park.

This program has been set for about 2:30 p. m., weather permitting.

If possible church choirs and other musical groups from the area will join in the Christmas caroling.

Friday, December 18, Santa Claus will return to Friona

and give away treats to the youngsters at the school, then at the City Park.

Home contest chairman Wesley Foster has asked that all homeowners have their decorations in place by December 15.

"We will have out of town judges to come in December 15 to pick out the most beautifully decorated homes," Foster says.

The top place winner will receive a prize of \$25 with second place getting a prize of \$15 and third prize of \$10.

These prizes have been arranged for by the Friona Chamber of Commerce and Agriculture.

Christmas Eve a 1960 Corvair will be given away to some lucky ticket holder at the City Park and also several Television sets will be awarded at that time.

Time for this drawing has been set at 4:30 p. m. Thursday, December 24.

Tickets can be gotten by trading with the Friona merchants who give away one ticket for each one dollar in merchandise.

The winner has to be present to win in this event.

## BULLETIN

THREE TEENAGERS INJURED--Three Friona High School students were involved in a two-car collision at the intersection of Ashland Ave. and 6th Street in Friona at approximately 8:15 Wednesday night. Lois White and Karen Treider were traveling east on 6th when their Plymouth collided with a Pontiac driven by Darrell Johnson. Further details and the extent of their injuries were unknown as The Star went to press. Parents of the three are Mr. and Mrs. Ed White, Mr. and Mrs. George Treider, and Mr. and Mrs. Vernon Johnson.

## Adventure In Crime Rough One

What was probably his first adventure into crime had a very unhappy ending for a young electrician living in Canyon. Circumstance and inexperience turned his act into a bungled job. Billy D. Carter, 29, was holding down a position with an electrical company on a project at Cannon Air Force Base in Clovis. He was hitchhiking to get home Friday evening, and had gotten as far as Bovina when the rides got a little too slow to suit him. The chilly weather may have been part motive. After his arrest he told officers he had become very cold standing on the side of the highway.

Carter decided to speed things up by stealing a car, driving it to Canyon, and dumping it. He picked a 1955 Ford owned by Norvell Strawn of Bovina. It was parked in the business district on the north side of the highway.

The keys were in the lock, so he helped himself to a free ride and pulled out of town about 9:30 p. m. Here fate and just plain bad luck proved his undoing.

He raced up Highway 60 toward Hereford, but about the time he got to Summerfield, he whipped past a State Highway Patrol car. The police were headed in the opposite direction, but took note of the speed at which Carter passed them, so they turned around and gave pursuit. They had no idea they were chasing a stolen car.

Carter, seeing that the police car had turned around and started after him, soon slowed, (Continued on page 7.)

WITH JUNE

Our thanks this week go to everyone who took time to call and tell us they had missed this column. As most of you probably know, making a paper come out right is quite a task. In spite of the fact that we think we have the best "backshop crew" in the area, it is impossible for all copy to be included each week.

Which columns or stories are omitted is determined by the length, news value, importance, time and other factors. Staff members rarely feel neglected when it is necessary to omit copy, so when axing is necessary, columns generally come first.

If we knew the person or persons responsible for the assembly programs in the auditorium by students in the elementary, grade and junior high schools, we'd send a special word of thanks.

Students in these schools are being given a wonderful opportunity that has not been afforded them in the past few years. There hasn't been as much favorable comment on any project we've known about as there has been on this particular one. Possibly the greatest benefits from such a program will be seen when these pupils reach high school age. Just participating in a school assembly program is a good experience for a first grader as well as for students in each of the other grades.

Perhaps the biggest task for anyone in connection with the project is that of the teacher

who is directing the program. However, those of the teachers with whom we have discussed the situation are very enthusiastic about it.

Some of our residents who will soon be living in new homes are the Charles Allens, who are building next door west of John and Kathrine Blackburn; the M. J. Stacys, who will have the distinction of being the first residents on the north side of West Sixth Street in the Staley addition; and the Herschel Johnsons, who are building on the corner across the street east of the hospital;

Also the Bill Wooleys, who will soon be moving from the Hub community to their new home just west of Newman and Juanda Jarrell. All of these families are moving into town from the country.

Then the Bob Ginsburgs will soon be moving just down the street from where they now live. The Bob Wyllys plan to move closer to town. At the present time they live in the Walcott community. As soon as their new home just east of Mr. and Mrs. Lloyd Shulk is completed, they plan to move into it.

The fact that Christmas is just around the corner is evidenced everywhere you look. Store windows are beautifully decorated, Christmas music is heard on Main Street, Santa Claus has already been here and is planning a return trip.

We overheard Mrs. Santa Claus say Monday that Santa took a lot of orders when he

was here Saturday and that all letters handed to him would be brought to the Star office for publication and forwarding to the North Pole.

If the lady who was driving a new black and red Oldsmobile and lost a green and red head scarf at the drive in post office box Saturday will stop by the Star office, she can recover the head scarf.

Frionans can be justly proud of the Squaws this year. In addition to winning first place in the Olton tournament last weekend, three members of the team made the all-tournament team.

With support from townspeople it is possible that this team will make a better showing than was made by the 1958-59 team. Coach Baker Duggins is doing a good job, the team members are working hard and the fans are proving loyal. This should make a winning combination.

Reports from various parts of the area indicate that this year's cotton crop wasn't as good as usual. However, in spite of all the insects, hail and other detriments which beset the crop, it was pretty good.

The final report on 1959 Parmer Cotton should prove most interesting. At the present

FFA PRESIDENT AND BEAUTIES -- (or beauties and the beast) -- Connie Ray, president of the Friona Chapter of the Future Farmers of America looks pleased as he is shown with the Chapter Plowgirl, left, Pat Meyers and Chapter Sweetheart, Gwen Green. The girls were present at the District Banquet held in Littlefield last week.

time many farmers are seriously considering the B plan for cotton in 1960.

Are puppies in December unusual? Dinky, who belongs to Tim Rhodes, young son of Aubrey and June Rhodes, has four babies. They are about a week old and the Rhodes family has had numerous calls for pups for Christmas presents.

The Ronny Fergusons recently visited some natives of the state of Washington who are currently living in Amarillo. They had only been there a few weeks and were very distressed about the weather. We've been hoping that the

beautiful sunny days we had Saturday, Sunday and Monday gave them a more kindly feeling toward West Texas weather.

A lot of us will soon have new neighbors. Let's not forget to be good neighbors. Solomon said, "If you would have friends, you must first show yourself to be friendly."

Mr. and Mrs. Clarence Martin and children, Mr. and Mrs. Larry Martin and children, Mr. and Mrs. Bob Wyly and children and Mrs. Alta Wyly were Sunday dinner guests in the home of Mr. and Mrs. Oscar Baxter.

Mr. and Mrs. C. E. Johnson of Texico and Arthur McDonald visited in the home of Mrs. Nannie McAdams Sunday. The Texico residents and Mrs. McAdams were neighbors in Mississippi a number of years ago.

# FFA Skill Teams Place At District

**JUNIOR FARM SKILL TEAM** -- Friona FFA's Junior Farm Skill Team took second place at the district contests recently and were awarded this trophy at the District Banquet held last Thursday in Littlefield. Team members, left to right, are Earl Crow, Tom Tatum, Tom Gee, and Larry Hough.

## Girl Scout Notes

Girl Scout Troop #144 met Monday afternoon and worked on requirements for gameteaching. Those finishing these requirements were Kathy Jones, Karen Agee and Becky Turner.

Troop members then made Christmas tree candles to be decorated at the next meeting. Refreshments were served by Kathy Jones to Vicki Moorman, Cindy Ingram, Shirley White, Letricia Bartlett, Terri Lynn Wilson, Karen Agee, Linda Estep, Ruby Nell Judkins, Martha Martin, Lou Ann Cochran, Linda Fallwell, Becky Turner, Sherry Cole and one leader, Pearl McLean.

Mr. and Mrs. Howard Ford left Friday for Bal Harbour, Fla., to attend the 1960 Case Premiere and Sales Conference. Mr. Ford is attending the premiere as a guest of the Case Company as a reward for outstanding sales achievement. The Fords will fly to Florida and return aboard chartered airline flights.

Friona's FFA Chapter was awarded two second place trophies for their efforts in the District Skill Contests held earlier this month at the District FFA Banquet held recently in Littlefield.

The boys on the teams were Tom Gee, Earl Crow, Larry Hough and Tommy Tatum, Junior Skill Team; Butch Barker, Glendel Jones, Connie Ray and Cletus Rhodes, Senior Skill Teams.

Both teams performed a probe for backfat thickness on swine at the contests.

This probe is used in order to determine the quality of hog in never-ceasing effort to get a meat-type hog which the nation's housewives are always clamoring for.

J. C. Lane, vocational agriculture advisor for the local FFA Chapter says he is proud of the way in which the boys performed at the contests.

Local FFA members making

### Chester Lauck To Speak At Scout Dinner

Byron Dees, camping and activities chairman of the Llano Estacado Council, announces the Council will hold its Annual Appreciation Dinner celebrating the 50th Anniversary of Scouting in America on January 19.

The dinner will be held at the First Baptist Church in Amarillo, and will begin at 7 p. m.

Chester H. Lauck, Executive Assistant of the Continental Oil Company, will be the featured

### Fine Assessed Friona Juvenile

Six teenagers, apparently out looking for excitement, found plenty of it late Saturday and early Sunday morning when they ran afoul of the law in two states.

speaker, Lauck is best noted for his playing the part of "Lum," the lovable, backwoods Arkansas storekeeper and half of the popular "Lum & Abner" comedy team of radio.

Additional highlights of the affair will be the presentation of Silver Beaver awards. This is the highest award that can be bestowed on an adult worker in Scouting.

Written invitations and tickets will be mailed to all Scouters and guests on December 10.

### Mrs. A. White Buried Recently

Mrs. Alvaratta Raper White, 71, wife of the late Roy White, long time resident of the Lazbuddie community died at a Wichita Falls hospital December 2, 1959. She was born in Mississippi Sept. 12, 1888. She moved to North Oklahoma at an early age and later met and married Roy White January 16, 1910.

They moved to the Lazbuddie community in 1929 where they farmed until his death in 1955. Mrs. White was a member of the Church of Christ.

Survivors include her children, Mr. and Mrs. Clarence Weems of Amarillo and Mr. and Mrs. Gene White of Corpus Christi, who were at her bedside at the time of her death;

Also one sister, Mrs. W. H. Gammon of Lazbuddie; and four brothers, Richard Raper, and Tarry Raper of Maude, Okla. and Elbert Raper of Modesto, Calif.

Also four grandchildren, Kenneth and Karen Weems of Amarillo and Loretta Nell and Jenny Lynn White of Corpus Christi. Funeral services were conducted at the Lazbuddie Church of Christ with Glenn Annear, minister, officiating. Active pall bearers were Ben Foster, Wesley Barnes, Ed Steinbock, Valton Morris, Alton Morris and Fred Burch.

Serving as honorary pall bearers were Bose Abrams, Claude Heath, Joe Jesko, Delbert Hudnall, Frank Spittler, Lester Gladden and Elmer Youts.

One of them, the driver of a 1955 Ford in which all were riding, was fined \$76.50 for three traffic violations. The Friona juvenile appeared in JP Roy Thornton's court Monday and pled guilty. He was charged with driving 80 miles an hour in a 30-mile-an-hour zone, driving 80 miles an hour in a 55-mile-an-hour zone, and failing to stop when an officer gave pursuit.

The carload of youngsters was between Clovis and Texico on a four-lane highway when a New Mexico state highway patrol car sighted them and gave chase. It appeared that they might be speeding.

The driver sought to outrun the patrol car, and raced through downtown Texico and Farwell about 11 o'clock without slowing up. The pursuing police did slow up, and the gap increased between the two vehicles. Local cars scattered like quail before a hawk as the chase came through town.

This advantage was soon cancelled out, however, when the fleeing Ford crashed into a bridge abutment near the Oklahoma Lane road underpass.

The youthful driver had tried to turn the corner too fast and failed to get between the culvert uprights.

The chase was over with the wreck, but none of the occupants was hurt. The Texas Highway Patrol was called in from Muleshoe, and took the fast riders into Farwell. Two girl passengers were released to their parents (who took them home that night), but the boys were locked up for the remainder of the evening.

Since charges were filed on the driver, he went to the justice court in his case. He pled guilty and paid the fine.

The others appeared at a hearing in County Judge Loyde Brewer's court and were warned of the seriousness of their behavior.

When questioned as to why he tried to escape, the boy who was fined told police he understood that if he could get across the state line, the New Mexico patrolman could not arrest him. Actually, this is not the case. The Texas-New Mexico state line doesn't affect officers from either side who are "in pursuit" of someone.

### NEW GRANDSON FOR ROBERT SCHUELERS

Mr. and Mrs. Robert Schueler recently received word that Mr. and Mrs. Gene Graham of New Buffalo, Mich. were the parents of a son, Eugene Willmont III. He was born November 25th and weighed 9 lbs, 10 ozs.

Mrs. Graham is the former Irene Schueler. The couple has one other child Karla, age one. Other grandparents are Mr. and Mrs. Karl Markwald of St. Joseph, Mich.

practice on their Christmas Program.

Dinner guests Sunday in the Elmer Deyke home were Mr. and Mrs. Eldon Garber and children, Mr. and Mrs. Ray Martensen and family, and Pastor Stroebel.

Mrs. Nina Ashley of Maryland is visiting with Mrs. Floyd Schlenker. Mrs. Ashley and Mrs. Schlenker are sisters. Several community families recently attended the funeral in Portales of Shirley Smith's father.

Saturday supper guests in the Cordie Potts home were Mr. and Mrs. D. C. Herring of Friona.

Sunday guests were Mr. and Mrs. Roy Potts and Betty of Rosedale, New Mex. Mrs. Ralph Wilson and Mrs. Charles Schlenker of Friona.

Sunday guests in the Jack Patterson home were the Elmer Holts of Bovina.

The Richard Vaughn family had a farewell supper in their home Saturday evening for Brother Lamb and his family of Bovina. Also present were: Brother Arnold of Rosedale and Mr. and Mrs. Dwayne Carter and children of Bovina.

Mrs. Carl Schlenker and children, Mrs. Franklin Bauer and children and Mr. and Mrs. Gilbert Schueler and family visited in the Herman Schueler home Sunday.

### News From RHEA

### CHRISTMAS PLANS MADE

The Farm Bureau met Friday night for their regular meeting. Christmas plans for the annual community Christmas party to be held December 23rd were made.

Santa, gift exchange, treats for all, and a one-act play promises an evening of fun.

Committees for the tree and treats are Ray Martensen, Raymond Schueler, and Jack Patterson. Franklin Bauer was appointed to get in contact with Santa, and the Rhea Home Dem. club was placed in charge of the play.

Mr. and Mrs. Cordie Potts, and Mrs. Floyd Schlenker served cake, coffee and hot chocolate to the group.

One guest, Mrs. Nina Ashley of Maryland, was present.

The Raymond Schueler family returned Tuesday from Indiana. They also visited with Mr. and Mrs. Gene Graham and children at New Buffalo, Mich. The children enjoyed sleigh riding while on their vacation, which was quite a treat for the Texas youngsters.

## Do We Have The True Christmas Spirit?

As we enter the month of December one thought dwells on our minds and that is the thought of Christmas. We begin thinking what we want for Christmas and what John or Joan will give us. But, do we ever stop to think where has the true feeling of Christmas gone.

As Christmas nears we start thinking, "Well, I'm sure that Sue will give me a gift, so I HAVE to give her one; or I guess I will have to get Bob a gift because I know he will give me one."

What has happened to the spirit or feeling that it is better to give than to receive? Have we turned it around to suit us saying it is better to receive than give? Giving a gift to someone should give us a pleasant and happy feeling. Often however, we are inclined to feel sorry for ourselves and feel let down if we don't get a gift in return.

We shouldn't feel that way, but more important we shouldn't feel that we have to give a gift to someone. In fact, if we feel that we have to give a gift to someone it is better to not give one at all.

The wise men gave gifts to Christ because they were happy and joyous for the Christ child had been born. This is where the idea of giving gifts originated and they didn't expect anything in return. Why should we?

When did selfishness start taking the place of the true Christmas feeling? Has this attitude gone so far that we aren't going to be able to do anything about it? Do we really want to?

BEAUTIFYING THE HALLS -- Shown above are just some of the students who are decorating the doors in the high school for the Christmas season.

## SFC Sponsors Door Decorations

BY FAYE SCALES study hall doors, freshman basketball girls -- library door, seniors -- rooms 1 and 12, juniors -- rooms 8 and 5, sophomores -- rooms 7 and 14, freshmen -- rooms 15 and 17, SFC -- front door, office girls -- office door, Basketball girls -- council door, A and B football boys -- room 4, freshmen football boys -- room 6, Homemaking I -- sewing room, Homemaking II -- room 6. Prizes will be given Thursday and will be based on beauty, appropriateness, and originality. Prizes are as follow: First -- \$7.50, Second -- \$5.00, Third -- \$2.50.

## Dear Milly

Dear Milly: I'm 18 and my parents think that I am too young to wear straight skirts. Am I? If not what can I say to my parents? Shapeless

Dear Shapeless: No, personally I don't think that you are too young to wear straight skirts. Maybe your parents have seen some things that have disillusioned them. Explain to them that anything can be done in a right way and a wrong way. Then ask your mother to help you pick a straight skirt. I'm sure that they will understand.

Milly

Dear Milly: I'm the oldest child in our family. Not that I'm complaining, but I have to do a lot of work I think that my sister, two years younger than me, should help with the work. What do you think?

Overworked

Dear Overworked: Yes, I think that your sister should help with the work. Do your parents realize what is happening? If not, then tell them, but do it in a nice way. However, every once in a while, we are inclined to feel sorry for ourselves. Be sure before you do anything.

Milly

## WHO'S WHO IN FHS

BY DELORES ELMORE The teacher of the week is Luther Hayes. He was born in Salisbury, Mo. He teaches math. Mr. Hayes has a son and a daughter. His wife is a teacher in the elementary school.

Mr. Hayes attended school at E. C. S. T. at Ada, Oklahoma, O. U. at Norman, Oklahoma, Central at Edmond, Oklahoma, and West Texas at Canyon.

For his B. S. degree, he majored in history and government and minored in math. For his Masters degree, he majored in education and minored in math.

Some of his favorites are as follows: Food . . . Steak and french fries Sport . . . Football Color . . . His wife's eyes Song . . . "Running Bear" Movie . . . Destiny Rides Again Actor . . . James Stewart Actress . . . Kitty, in Matt Dillon Pet peeve . . . Politicians

When asked how he liked to teach in high school, Mr. Hayes replied, "I like it."

BY MARGIE CARLTON Adabeth Akens has been selected as this week's girl of the week. She is the 14 year old daughter of Mr. and Mrs. U. S. Akens.

Adabeth is a sophomore in Friona High School. She is participating in the band, Thespians, SFC and FHA. In her freshman year she was high school favorite runner-up. She is vice-president of the sophomore class. This year Adabeth was nominated for "Most Beautiful" and "Most Likely to Succeed."

Her favorites are the following: Color . . . Red Holiday . . . Christmas Sport . . . Football Hobbies . . . Boys and reading Food . . . Chocolate pie Singer . . . Pat Boone Song . . . "Misty" Actress . . . June Allyson Actor . . . John Saxon Movie . . . "Gift of Love" Subject . . . Home Economics

Her pet peeves are unfriendly people, and boys who don't act their age.

The Moslems became great map makers because of their religion. They had to know exactly in what direction they were from Mecca so that they could face that holy city while praying, according to The World Book Encyclopedia.

# Christmas Concert Slated For Monday

BY JANETTE JOHNSON

The music department of Friona High School has been ambitiously practicing for almost a month preparing for their coming Christmas Concert. It will be held in the high school auditorium Monday, Dec. 14, at 8:00 p. m. No admission will be charged.

The concert will begin ceremoniously with a processional of 36 girls making up the FHS Choir. Featured during the choir's program will be a quartet, members of Regional Choir, consisting of Karen Turner, Karen Trieder, Janette Johnson, and Winette Beaton singing "He". Some of the songs to be presented by the choir are: "It Came Upon a Midnight Clear," "O Holy Night," "Silver Bells," and "White Christmas."

Second on the program, the four bands of Friona Schools -- senior high band, junior high band, cadet band, and beginning band -- will play different compositions pertaining to the Christmas Season. Some of these are: "Christmas Festival," and "The Bells of St. Mary's."

There will also be presented a short color film of the high school band's contest routine performed at Canyon October 27.

To conclude the program with tremendous sound, the band and choir will sing and play "Onward Christian Soldiers" as a Grande Finale.

Frank Smith, head of the music department, wishes to welcome the public to the concert.

## Student Council Sponsors Devotional

BY JANETTE JOHNSON

Recently there has been an addition to the morning schedule. The Student Council is sponsoring a morning devotional to open each school day. This student organization has posted a schedule on the bulletin board of which class organization is responsible for the devotional and the week for which it is responsible.

A poll of the students opinions of this new addition has been taken. The result of this poll was that all students agreed that it was a wonderful thing. "It seems to result in a better student and faculty relationship. We are always in a rush, and it seems to help if we just stop to think for only a few minutes each morning," is the general opinion of the students.

## Seniors Receive Rings

BY JEAN WILSON

The seniors feel as though they have really become seniors as of Nov. 30. The class received their senior rings and all were really glad to get them. The rings were the same design as they have been in the past years. They are of yellow gold with the Indian chief engraved on them. The stone is a red synthetic ruby. Considering some of the students hands differ in size the senior had a choice of three different sizes, a large, a middle size and a very small ring. They are glad to have gotten their rings and are proud to wear them for Friona High School.

Chiefs Ride Mustangs

BY LUTHER METCALF AND TEDDY WHITE Gary Bradley and Jackie Hight lead the Friona Chiefs against the Bovina Mustangs, with 12 points each. The final score of the game play on Tuesday, Dec. 1, was 47 to 34 in favor of Friona. The score at the end of the first quarter was 9 to 10 in favor of Bovina. Friona then took the lead at half time with 17 to 15. Friona failed to lose the lead as they went on to win 47 to 34.

Also scoring for Friona were Ronnie Woods having 6 points, Ronnie Castleberry with 9 points, and Glendel Jones with 8 points.

## Juniors Give Play

The annual junior play was presented last Friday night in the school auditorium. All who attended the play, "Everybody's Getting Married," agrees that it was well worth their while for they received an evening of laughs and enjoyment. As told previously, the play was a three act comedy telling the story of a young man, Dale Johnson, who was to inherit a million dollars if he could get six old maids married within a month. The way he went about this with the help of his assistant, Jobey Claborn, presented problem after problem. However, as the saying goes, "All's well that ends well," and the play did end well. The Arrow staff wishes to congratulate the juniors for a splendid performance.

## Sophs To Sell School Pens

BY ALICE GORDON

The band hall was the scene of the sophomore class meeting December 1; they discussed a class party. After discussion it was decided that both parties would be held during the last semester.

As a money making project the class decided to sell red and white ball point pens. Friona High School along with the Chieftain emblem will be engraved on the pens.

They are scheduled to arrive in about two weeks; so if you want one they can be bought from any member of the sophomore class for \$5.50.

## Seniors Will Bake

The senior class has announced that it plans to sell cakes, candy, and pies beginning today. Unlike their usual bake sales, the class will take orders for the goods. Those interested in ordering these may place their orders with Jackie Hight, phone - Parmer 3173; Geneva Floyd - Parmer 3418; Ronnie Castleberry - Parmer 3459; Adelle Smith - 4621; or Judy Smith - 3381.

BY ERMA LOU DRAKE AND VIRGINIA FULKS

If your birthday falls between December 10th and December 22nd you have something in common with Linda Crow (Dec. 11), Bobby Daniels (Dec. 12), Nelda Douglas (Dec. 12), Sue White (Dec. 12), Troy Ray (Dec. 12), Wayne Cason (Dec. 14), Danny Carmichael (Dec. 15), Travis Anderson (Dec. 16), Larry Crow (Dec. 17), Johnny Miller (Dec. 18), and Rita Turner (Dec. 19).

You have stick-to-it-iveness and you're a very frank person, sometimes too much so. You have a natural ability to attract others. You like travel, hate high-pressure salesmanship, and have plenty of pride. Your lucky number is 3.

## Harper Leads

BY TEDDY WHITE AND LUTHER METCALF

Suzanne Harper led the Friona "B" girls scoring attack against the Bovina "A", with seventeen points. Friona's defense looked very good as they held Bovina to 24 points, while the forwards made 34 points for Friona. The score at half time was 14 to 9 in favor of Friona.

Mary Ann Bogness led the strong defense with dazzling display of speed and skill. While Jimette McLean and Jucy Bock also made a very good showing.

Pam Roden with 11 points and Linda Castleberry with 6 points, also showed their skill in handling the ball.

His worth is warrant for his welcome - Shakespeare

CHRISTMAS SPIRIT -- Shown above Gwen Green and Janette Johnson are getting into the Christmas spirit. Mrs. Truitt's classroom door is being decorated.

## Squaws Win Olton Tourney

BY LUTHER METCALF LESLIE CURRY AND TEDDY WHITE

The Friona girls won the Olton tournament held Dec. 3-5, by beating three Panhandle towns. On Thursday, Dec. 3, they played the Muleshoe Mules, defeating them 47 to 28.

Friday, Dec. 4, the Friona Squaws defeated Dimmitt by a score of 63 to 44. High scorers for Friona were Jackie Magness with 23, Charlotte Bock with 22, and Tommy Lewellen with 18. Friona then moved into the finals. They defeated Springlake, Saturday night, to win first place, the final score being 54 to 22.

## FTA Selects Benger Chapter Name

BY CLARE SAVAGE - Monday, November 30, the Future Teachers of America (FTA) met at 11:45.

A name was selected for the organization. The naming came from one of Friona's teachers -- Ethel Benger FTA, Friona Chapter.

Suzanne Taylor, Nawasa Parson, and Kay Johnson were named to the committee to write the constitution and by-laws. All dues were to be paid by December 2, 1959. Meetings will be held every first and third Friday in every month.

BY FAYE SCALES

Sue Baxter has been chosen as senior girl of the week. Sue is the daughter of Mr. and Mrs. Bill Baxter. She is seventeen years old and was born October 29, 1942. The Baxters have lived in Friona for two years.

Sue has taken part in the following activities during her high school years: basketball-3-4; band-1-2-3-4; majorette-3-4; head majorette-4; cheerleader-1.

Sue has had the honor of being a candidate for high school favorite (3) and candidate for most school spirited (3).

Some of her favorites are: Sport -- basketball, Hobby -- horseback riding, Food -- steak, Singer -- Johnny Mathis, Song -- "Love is A Many Splendored Thing", Actress -- Jennifer Jones, Actor -- Richard Widmark, Movie -- "Some Like It Hot", Subject -- trigonometry, Church -- Methodist, Future plans -- college.

A good word is as soon said as a bad one.

To the pure all things are pure - Latin

## Chiefs Take Muleshoe

BY RONNIE WOOD, AND RONNIE CASTLEBERRY

The Friona Chiefs traveled to Olton Thursday, Dec. 3, to play the Muleshoe Mules in the opening game of the Olton Invitational Tournament. The Chiefs held the lead in the game until the last quarter, when Muleshoe took the lead. The Chiefs came fighting back to win the game by a score of 41-37.

Ronnie Castleberry was high point man for the Chiefs with 12 points. James Shepherd took scoring honors for the Mules with 12 points also.

On Friday, Dec. 4, the Chiefs again traveled to Olton to play Abernathy in a second round game. Abernathy succeeded in holding a lead over the Chiefs throughout the entire game. The final score was Abernathy 52, Friona 33.

Ronnie Castleberry was high point man for the Chiefs with 18 points. Phil Guinn had 18 points to lead Abernathy. The Chiefs next game will be at Friona Tuesday, Dec. 8, with Sudan.

## This Week's HiLites

BY MARGIE CARLTON

DEC. 11 White Deer Basketball Tournament begins

DEC. 12 Freshman and grade school tournament at Muleshoe

DEC. 14 Band and Choir Christmas Concert, 8:00 p. m.

DEC. 15 "A" girls and "A" boys vs Bovina at Bovina Thespian meeting, 11:45

DEC. 17 Freshmen, "B" girls and "B" boys vs Olton at Olton, 5:00 p. m. PTA -- Christmas program, 8:00 p. m.

In Texas public schools there are approximately 5,420 junior high and 13,845 high school students engaged in the publication of school newspapers. All of these represent potential contestants in the University Interscholastic League journalism contests. The League is currently observing its golden anniversary.

Money was made for the free-hearted and generous - Gay

## Two Local Students On Eligibility List

CHARLES MCKENZIE

RONNIE CASTLEBERRY

Charles McKenzie and Ronnie Castleberry, members of the 1960 senior class of Friona High School are eligible for scholarships as a result of high scores made on the National Merit Scholarship Qualifying Test last spring.

McKenzie has received a formal letter of commendation from the National Merit Scholarship Corporation. C. B. E. Duggins recently announced that McKenzie had been so honored. Although Castleberry wasn't one of the 27,000 students to receive such a letter, his score on the test qualified him for a scholarship.

Those in the commended group were among the 550,000 high school juniors from 14,500 schools in the United States who took the three-hour examination, which covered five separate areas of educational development.

The National Merit Scholarship Corporation gives recognition to two groups of students who achieve high scores on the National Merit Scholarship Qualifying Test. The top scorers in each state, prorated according to the number of graduating high school seniors in the state, are named Semifinalists and take a second examination in December to further establish their eligibility for Merit Scholarship consideration.

Students in the commended group are selected on a national basis without regard to the high school population of the state.

The Merit Scholarship Program is now in its fifth year. Founded in 1955 with grants of twenty million dollars from the Ford Foundation and \$500,000 from the Carnegie Corporation, it now has more than one hundred sponsors including business and industrial organizations, foundations and other groups.

More than one and one-half million students have been tested in the annual academic competitions. Currently 3,000 of the country's most able students hold Merit Scholarships and 400 colleges and universities.

## 8th Boys, Girls Win Two

### Hospital Notes

## Ray E. Hurst Promoted

Announcement has been made by Southern Minerals Corporation, a subsidiary of Pittsburgh Plate Glass Company, of the recent promotion of Ray E. Hurst to assistant chief geologist. Hurst, a 1942 graduate of Friona High School, has been with Southern Minerals Corporation since 1950 as district geologist for the West Texas and New Mexico area.

Hurst was born in Carnegie, Okla. and attended T. C. U. at Fort Worth before enrolling at Texas Technological College at Lubbock, where he received his B. S. and M. S. degrees in petroleum geology in 1949. Before joining this organization, Hurst sub-surface and research geologist for Pure Oil Company in West Texas and New Mexico. During World War II he was a paratrooper and saw active duty in the European theatre of operations.

Hurst and his wife, the former Nancy Shackelford, and their four children, Diane, 13; Ray Bert, 6; Holly, 5; and Chris; live at 3206 Princeton Street in Midland, Texas.

Mr. and Mrs. T. O. Lesley and family, Mr. and Mrs. Wyle Bullock and children and Mr. and Mrs. J. R. Harris and children attended the Farmers Union State Convention at Ft. Worth recently. Featured speakers at the convention were Senators Ralph Yarborough and Hubert Humphry and Glenn Talbot, vice president of the National Farmers Union.

Half of the newly reported cases of tuberculosis are among people under 45 years of age.

## Fish Girls Win Two, Boys Drop Two

The Friona Freshmen Girls downed the Morton Fish Girl's team from Muleshoe Thursday night by the score of 49 to 35 in the Friona High School Gymnasium.

High scorer for the local team was Janet Buckley, who tossed in 19 points, followed by Carol Ray who had 18 points to her credit. High scorer for the Mulettes was King, who took high scoring honors for the evening with 25 points.

In the Freshmen Boy's game, the local five was downed by the score of 37 to 24 by the Muleshoe Freshmen team. High scorer for Friona was Ranza Boggess with eight points and for Muleshoe it was Owen with 10 points.

The local fish team had five boys sent to the sidelines on fouls.

Both the girl's and the boy's teams began tournament play in Muleshoe Monday with the girls winning their first game and the boys dropping their first one by a close margin of only three points.

The Friona Fish Girls defeated the Morton Fish Girl's team by the score of 43 to 33 to advance to the second round of tournament play. High scorer for the Friona girls was Buckley with 23 points and for Morton it was Strand with 17 points. In the boy's game, the Morton

Rev. Bernard Seay and E. T. Ford attended the district meeting in the First Methodist Church of Bovina last week.

Wishes won't wash dishes.

## Do You Need MONEY

The Life-Insured Loans We Have Available AT THE FRIONA TEXAS FEDERAL CREDIT UNION

CREDIT COMMITTEE MEETS EACH TUESDAY SAVINGS -- LOANS Legion Bldg. Phone 3301 Mrs. Lucy Jones, Mgr.-Treas.

"FEAR NOT, FOR BEHOLD I BRING YOU TIDINGS OF GREAT JOY!" "Why is it that we often cry when we are genuinely happy?" This question was recently posed to me by one of the members of my parish. In itself, it seems to be a rather unimportant question. It is more in the realm of bothersome mysteries that vanish from the mind almost as quickly as they arise. You may recall a verse from the 30th Psalm that is closely connected with this strange alliance of gladness and tears. "...weeping may endure for a night, but joy cometh in the morning." For true happiness is always an affront, an insult, to sorrow. The world surrounds the viewer with its indignity. One bows to this and calls it reality. When one is told that God is love he points to the world. For the world seems to him cold and bleak and indifferent. Such was the world of the shepherds on the first Christmas. And the shepherds grew afraid at the unrealistic news that was revealed to them. "For unto you is born this day, in the city of David, a Saviour, which is Christ the Lord." Then as now, moments of unexpected joy are greeted with fear. It is as if this world is seeking to push through tears of unbelief to cloud from our vision what we see with joy. Hudson B. Phillips Jr.

**Squaws--**

(Continued from page 1.)  
Followed by Ronnie Castleberry with 12 points. Shepard of Muleshoe had 11 points.

In the second round of play, the Chiefs were downed by the Abernathy Antelopes by a score of 52 to 33.

In the first quarter of play, the Antelopes scored 16 points while holding the Chiefs to only four. However, in the second quarter, the Chiefs tallied for 13 while allowing only seven, to make the half time score 17 for the Chiefs and 23 for Abernathy.

In the third quarter, Abernathy again outscored Friona as the score was 27 for the Chiefs and 36 for the Antelopes going into the final period of play.

The final quarter saw Abernathy score 16 points while holding Friona to six as the final score once again was 52 for the Antelopes and 33 for the Chiefs.

High scorer for Friona was Ronnie Castleberry with 18 points followed by Ronnie Wood with nine points.

In Tuesday night's action, the Squaws of Friona were popping the bottom of the bucket as they scored a tremendous 74 points to down the

Half section for rent with sale of improved quarter. 200 acres for rent with sale of unimproved quarter. These are good farms with good water. Check with us for other irrigated farms.

FOR SALE -- Small house near Friona. Partially furnished. To be moved. Mrs. Emma Underwood, Sudan, Texas. 8-3tc

Sudan girls 74 to 56.

The Squaws had it all the way as they scored 17 points in the first quarter, 22 in the second, 20 in the third and 15 in the final to make the margin of victory.

High scorer of the evening for the Squaws was Charlotte Bock as she dumped in a whopping 34 points, closely followed by Tommy Lewellen who scored 28 points. Lewellen also made 12 of the first 17 points made.

In the Boy's game which immediately followed, the Chiefs squeaked by the Sudan Hornets by a narrow margin of 50 to 48. The Chiefs led the Hornets all the way from the first quarter.

At the end of the first quarter of play, the score was tied at 13 all. However, the Chiefs outscored the Hornets in the second quarter nine points to six to make the half time score at 22 to 19. Again in the third quarter, the Chiefs outscored the Hornets and the score after three quarters of play was 43 to 38, with the final whistle sounding on a 50 to 48 ball game.

High scorer for Friona was Jackie Hight with 12 points followed by Glendel Jones with 11 points. Jack Wilson of Sudan was high for the evening with 18 points.

The Chiefs and the Squaws will resume play Thursday when they travel to White Deer to compete in the annual White Deer tournament. The Squaws begin tournament play against the Clarendon girls and the Chiefs begin tournament play against the Panhandle Panthers.

"Keno" came from the gambling game of the same name, and cowboys often use the word to mean everything is all right.

Cowboys who want to take the rough edges off a horse, call the practice letting the hammer down.

A cowboy who can keep in balance upon and with a horse, and who can ride long distances without retightening the cinches or galling the horse's back, is known as a "light rider."

## Missionary Adventure- To Speak

Rev. Evan F. Holmes, Southern Baptist missionary to Chile will be the guest speaker each evening, Wednesday through Sunday morning of this week at the First Baptist Church.

Rev. Holmes has worked over eight years in Chili doing evangelistic work in the area surrounding Concepcion, Chili and serves as pastor of the First Baptist Church there.

The general public is invited to hear Rev. Holmes speak.

## Dale Westbrook In Germany

Army Specialist Four Dale R. Westbrook, son of Mr. and Mrs. Bee Westbrook, Route 2, Friona, Tex., recently qualified as expert in firing the M-1 rifle while serving with the 4th Armored Division in Germany. Specialist Westbrook, a driver in Company D of the division's 54th Infantry in Heilbronn, entered the Army in December 1958 and received basic training at Fort Hood, Tex.

The 23-year-old soldier attended Friona High School. His wife, the former Mary Bell McGlothlin, is with him in Germany.

## Janice Miller To Present Scientific Paper

Miss Janice Noreen Miller, daughter of Mr. and Mrs. Roy V. Miller, Friona, will present a scientific paper at the 63rd annual meeting of the Texas Academy of Science, Collegiate Academy, in Austin, Dec. 10-12, according to Dr. Dorothy McCoy, chairman, division of physical and biological science at Wayland Baptist College.

"Unusual Graphs" is the research paper to be read by Miss Miller, who is a mathematics major at Wayland. Miss Miller will represent Wayland at the Austin meeting, along with two other Wayland science students who will also present papers, and Gordon C. Creel, assistant professor of biology, who will attend the senior division of the Academy where he will present a scientific paper. Career advice from experts in several fields of science, and a banquet in the Municipal Auditorium in Austin, are included on the program.

A 1957 graduate of Friona High School, Miss Miller is a member of the Science Club, chairman of Mays Hall, a member of Alpha Chi and was listed on the Dean's Honor List for the first nine weeks.

## Council-

(Continued from page 1.)

sewerage plant site plans would have to wait until the Santa Fe RR gives an answer on the selling of land to put the new plant upon.

A new sewer line will be laid to serve the new home of Hershel Johnson, now under construction, as the present line now in use in that area will not take any more load.

Richard Collard, city attorney, will report to the city on the matter of changing the city's financial system from a calendar year basis to that of a fiscal year. This item has been recommended several times by the auditors.

Those present at the council meeting included Eddie Meil, Deon Awtrely, Glenn Reeve Sr., Danny Bainum and Bill Nichols.

## STRICTLY FROM HUNGER

"Now tell me," said the personnel manager, "just why you want to work for us."

"Well, sir," the applicant answered, "I got sick and went to my doctor. He gave me five pills and told me to take one after each meal. That was three days ago and I still have four pills left."

**HUSH CUSHIONS AND HUSH CONNECTORS FOR QUIETER OPERATION...**

Vibration noises are stopped at sink and drain connections because Waste King's new improved heavy rubber **HUSH CUSHION** and **HUSH CONNECTOR** prevent metal to metal contact. Sound can't be telegraphed through the house by vibrating pipes.

After years of intensive research, Waste King brings you a totally new concept of garbage disposal... **Liquifying Action!** It disposes of garbage 30% faster than any other method.

**HERE'S HOW LIQUIFYING ACTION WORKS:**

The first three steps are as with any garbage disposer: Turn on the cold water, flip on the switch, put all food waste down the drain (and the NEW WASTE KING MODEL 700 can be fed continuously, of course).

Then, the garbage falls onto WASTE KING'S new and exclusive Super-Speed, hard steel **CENTRIFUGE TABLE** which moves garbage toward the wall of the liquifying chamber with tremendous centrifugal force.

Food waste is directed downward by the **CHANNELING RIDGES**, precision designed for high speed, efficient flow.

These forces concentrate garbage at the table edge where the exclusive new precision engineered **SWIVEL FLOW-CONDUCTORS** gather and impel the precise amount of garbage for continuous, top speed liquifying. Swivel action prevents jamming because it automatically and instantly releases any particles that might slow the action. This lightning fast process is continued until even the toughest and hardest chunks of bones or garbage are completely liquified.

The two Swivel Flow-Conductors hurl the garbage against the protruding tool steel ribs of the **ATOMIZER RING** with such great speed and force that it is instantly atomized into liquified waste which flows silently down the drain to sewer or septic tank.

Fibrous and stringy food waste is swiftly cut into minute particles by a high speed **SURGICAL STEEL BLADE** rotating underneath the **CALIBRATING EXIT SLOTS**. This is WASTE KING'S guarantee of protection for plumbing lines.

# Of Interest To THE WOMEN

THURSDAY, DECEMBER 10, 1959

THE FRIONA STAR

SECTION II

## Past Matrons Have Social

Members of the Pearl Kinsley Past Matrons Club met in the Pearl Kinsley home Friday afternoon for the annual Christmas social. Florence Guinn, president, directed the business session.

Martha Russell based her devotional on the book "Christmas Guest" by Helen Rice. After a gift exchange, plans were made to remember elderly women in the Order of the Eastern Star at Christmas time.

Those present were Mesdames Lem Miller, Martha Russell, Bessie Boggess, Ethel Chitwood, Florence Guinn, Sarah Ann Miller, Vera Bainum and the hostess.

Refreshments of pie, salad and coffee were served.

The next meeting will be in the home of Vera Bainum January 8.

## HD Agent Gives Demonstration

Jimmie Lou Wainscott presented a demonstration on making hot rolls and cinnamon rolls at the Wednesday afternoon meeting of the Friona Home Demonstration Club in the home of Carol Hardesty.

Following the demonstration, donuts and rolls were served with coffee. Plans were then made for the Christmas program, which will be held December 16 in the home of I. V. Day.

Members present were Stella Varner, Elwanda Campbell, Edwina Field, Marlene Drake, Phyllis Sanders, Anna Lee Sims, Velma Jones, Christine Williams and Tiny Taylor. Mildred Mingus was a guest.

## Party Honors Four Year Old

Mrs. W. F. Dingler honored David Franklin McReynolds with a party in observance of his fourth birthday Tuesday morning. After a game session and opening of gifts, refreshments of cake and ice cream were served.

Guests present were Dale and Cindy Hairgrove, Pete Nichols, Gale Squyres, David and Debbie Smith, Billy Rupp, Rusty and Connie Lindeman and Debbie Benge. Mrs. Dingler was assisted by Mrs. Buddy Squyres.

## Rhea Foster Reviews Book

"The Dear and Glorious Physician," one of Taylor Caldwell's best known books, was reviewed by Rhea Foster at the Tuesday evening meeting of the Modern Study Club at the club house.

Reading the Plan-Perseverance was the title of the program. Ilene Osborn led the opening prayer.

Refreshments were served by the hostesses, Ruby Don Nunn and Valoris Osborn, to 25 members and two guests, Topsy Farr and Carmaleet Truitt.

## Bread Making Demonstrated

Highlighting the Thursday afternoon meeting of the Hub Home Demonstration Club in the Community Center was a yeast bread making demonstration by Jimmie Lou Wainscott.

## Editor's Family Adds Baby Girl

Editor and Mrs. Dave McReynolds became parents of a baby girl at Parmer County Community Hospital at 11:15 a. m. Sunday. She weighed 6 lbs. 14 1/2 ozs. and was named Pamela Ann.

Pamela has two brothers, David, 4 and Tommy, 1. Her grandparents are Mr. and Mrs. W. F. Dingler and Mrs. C. A. McReynolds of Palestine. Mrs. Dingler is visiting in the McReynolds home.

## News From LAZBUDDIE

BY MRS. C. A. WATSON

### JUNIORS SELECT PLAY CAST

Members of the junior class selected to appear in their annual play, "The Curly Tale," are Beverley Smith as Amy Wilder; Coretta Watkins, Gertie Thornton; Jerry Don Glover, Grant Morgas; Max Sharp, Freddie Savage; Thomas Ketchum, the bell boy; Odie Bradshaw, Dan Curley; Tommie Hortan, Rose Curley; R. L. Porter, Linc Curley, Ronald Elliott, Lex Curley, and Patsy Morrow as a waitress.

Also M. Gastor played by Roy Max Miller, Rudy Leonard played by Eddie Morris, Tim O'Rourke played by Ronnie Gustin, and Millie Carpenter played by Pennie Grusendorf. Play director is Pat Crooks.

### FFA MEMBERS ATTEND DISTRICT BANQUET

Seven Lazbuddie FFA members and their guests were present at the district banquet at Littlefield Thursday.

Lazbuddie received a second place banner for radio broadcasting. The district FFA Sweetheart contest was held in conjunction with the award banquet.

Roll call was answered with Christmas poems.

Following a brief business session refreshments of hot rolls and coffee were served by the hostess, Clydie Black, to Jo Hand, Lunie Fleming, Alma Lou Cannon, Velma Cannon, Billie Long, Lavon Renner, Peck Stringer, Francis McGuire, Ila Daniel, Jimmie Lou Wainscott and Christine Shirley.

## It's A Boy For Gores

Mr. and Mrs. Lewis Gore became parents of a baby boy at Parmer County Community Hospital at 6 p. m. Monday. He weighed 7 lbs. 9 1/2 ozs. and was named Bryan David.

The Gores have two older children, Carolyn Sue and Larry Dee. Grandparents are Mr. and Mrs. R. N. Gore and Mr. and Mrs. H. R. Cocanougher all of Friona.

## Calvin Martins Host Family Dinner

Mr. and Mrs. Calvin Martin were hosts at a Baxter family dinner in their home Sunday. Honored guests were Mr. and Mrs. J. W. Baxter, parents of the family.

Other guests were Mr. and Mrs. Bill Baxter and Sue, Mr. and Mrs. Louis Baxter and sons, and Mr. and Mrs. Dick Baxter and daughter. Mr. and Mrs. Charley Baxter and sons of Clovis were afternoon callers.

Those going from Lazbuddie were Judy Brown, chapter sweetheart; Janice Darling, plover girl; Roy Max Miller, Edith Morris, Jimmy Broadhurst, Freddie Savage, Billy Hardage, R. L. Porter, Paul Wilbanks; ag teacher, Scott Windham; Mr. and Mrs. Jackie Brown and Mrs. Darling.

### TOM MASTERS HAVE SON

Mr. and Mrs. Tom Masters became the proud parents of a son on Monday, in the West

MRS. LAURENCE THOMPSON

## Baby Girl Born To Orval Blakes

Mr. and Mrs. Orval L. Blake became parents of a baby girl at Deaf Smith County Hospital at Hereford at 8:30 p. m. Thurs-

day Nov. 26. She weighed 8 lbs. 2 ozs. and was named Cindy Kay.

The Blakes have a son, Ricky. Grandparents are Mr. and Mrs. Otey Hinds of the Black community and Mr. and Mrs. L. B. Blake.

### LAZBUDDIE BIRTHDAYS

Happy birthday this week to H. W. Moore, Dec. 8; Brent Hall, Dec. 10; Lyndon Foster, Dec. 12; John Gulley, Dec. 12; and Mary Katherine, Dec. 12.

Girls making the main team in basketball are Glenda Robinson, Judy Brown, and Beverley Smith, forwards; and Donna Redwine, Geraldine Broadhurst and Maudine Barnes are guards.

The freshman class has been doing practice driving in drivers' education this week. Girls in the home economics classes are working on unusual Christmas gifts.

Mrs. G. R. Grimes and Mrs. Charles Curtis, Cathy, Lynn and Charlene of Dallas visited in the home of Mr. and Mrs. T. D. Vaughn recently. Mrs. Grimes is Mrs. Vaughn's sister.

A lingerie shower was given in the home of Mrs. L. L. Smith recently, honoring Glenda Jean Hall, bride elect of Gary Glen

## Miss Whitmore Weds Laurence Thompson

## Church Women Study Africa

In a November 28 ceremony at the Central Presbyterian Church in Summit, New Jersey, Miss Edith Janet Whitmore, daughter of Mr. and Mrs. Edward J. Whitmore, became the bride of Thomas Laurence Thompson, son of Mr. and Mrs. Lee Thompson of Farwell.

Rev. Dr. Robert H. Stephens performed the ceremony. A dinner-reception was held at the Parish House of the Church following the ceremony.

The bride, given in marriage by her father, was attired in a gown of ivory taffeta with a bodice of alencon lace. A mantilla of alencon lace completed her ensemble. She and stephanotis.

Attending her sister as maid of honor was Miss Harriet R. Whitmore. Her other attendants were Miss Joyce C. Fackiner and Miss Ruth E. Whitmore, also a sister of the bride. They were each attired in emerald green taffeta dresses with matching feather headbands and carried gold and bronze chrysanthemums.

Mr. Thomas William Park Jr., was best man. Ushers were Loren J. Thompson, brother of the bridegroom, and Carl S. Fudge Jr.

Mrs. Thompson was graduated from Maryville (Tenn.) College and received a masters degree from Rutgers University. Mr. Thompson is a graduate of

Ten members of the Union Congregational Church Women's Fellowship and one visitor, Mrs. A. H. Ashton of Darlington, Md. were present for the Wednesday afternoon meeting in the church basement.

Mrs. Pearl Kinsley presented a devotional entitled "Vignettes of Africa." "Christian Women" was the title of Mrs. Bert Shackelford's discussion. Hostesses were Marie McKee and Nona Pavalus.

Abilene Christian College and attended Rutgers University. He is now employed with Chubb and Son, Inc., Underwriters.

The couple are making their home in Morristown, New Jersey.

# THE HIGH PLAINS FARM AND HOME

# Slight Decline In 1960 Parmer Cotton Allotment

BY W. H. GRAHAM JR.

Further pruning of the relatively anemic Parmer County cotton allotment has occurred through government acreage restrictions. The 1960 allowable (A plan) has been set at 42,540 acres. This compares with 44,313 acres in 1959. Counties all over Texas got the bad news this past week, and to most it wasn't anything of a surprise. In fact, some

counties came through the 1960 allotment handouts feeling that it could have been a lot worse. There is reason to feel that way in this county. Actually, based on a strict "history" method for determining allotments, Parmer County would have been due for a seven percent cutback. That is because acreage figures for a five-year period are used, and in this case, dropping 1953's 100,000 acres of cotton was a big

blow to the average--especially when it was replaced with a 44,000 year (1959). Parmer County's reduction now figures at between 4 and 4 1/4 per cent, which is quite a bit better than seven, and about in line with cuts being assigned other High Plains counties with comparable histories. Over the state as a whole, the reduction will be somewhere between 1 1/2 and 2 per cent. It's more on the Plains because of the rapid trend to cotton in recent years, which gives the area a pyramided history. Parmer County was "given" 1180 acres from the state re-

serve set aside to help level out the peaks and valleys in the allotment program. Nationally, cotton acreage has again been set at the lowest point the law permits--16,000,000 acres--by Secretary Benson. There are about 1200 cotton growers in the county. Notices of 1960 allotments have been mailed to growers. As in 1959, two allotments will be in effect for the coming year's crop, points out Prentice Mills of the county ASC office. If marketing quotas are in effect (and they probably will be), each farmer can choose A or B plan cotton again next year. If he picks B, he can increase his allotment by 40 per cent, and will be eligible for price supports at "not less than 60 per cent of parity." If he sticks with his original allotment, he'll have a 75 per cent support price. The support price on the 1959 crop was 80 per cent (A plan).

minimum allotment is the smaller of the farm's 1958 allotment or 10 acres. Voting places in the referendum: FARWELL -- ASC office. BOVINA -- Lawlis & Ely Gin. FRIONA -- City hall. RHEA -- Schlenker Elevator. LAZBUDDIE -- Watkins' Gin. HD Agents Attend State HD Meeting Jimmie Lou Wainscott, Parmer County Home Demonstration Agent, attended a meeting of the State HD Agents Association at Hotel Adolphus in Dallas on Monday and Tuesday. She is a member of the board of directors of the association. Accompanying her on the trip was the assistant HD Agent of Deaf Smith County from Hereford. They left Saturday for the meeting and returned Wednesday.

SOME OF THE BEST COTTON in Parmer County came from the northeast corner this year. Usually, the best cotton crops are grown in the southern part of the county, but this year was an exception. Here, trailers line the road at Tri-County Gin near Summerfield.

## THE PARMER FARMER

by W. H. Graham Jr.

Last week, it was announced that two farm-to-market road projects would be built in Parmer County in 1960. These are two of the last three FM projects in the current program, which is about to expire.

One of these will plug Parmer County's share of the 16-mile gap in FM 145 running from Farwell to Kress. The other will connect Lazbuddie to Highway 86 west of the Castro County line, and will serve the northern part of that community.

The concept of farm-to-market roads has undergone a vast

change from its inception. Originally, the cry was "get the farmer out of the mud." This was the theme of many a back-woods political campaign that rolled in the votes from vast rural areas. Lawmakers still pay lots of attention to paved roads, but the emphasis on rural road-building is slipping and the glitter of the six-lane urban projects is taking its place.

Lost somewhere in the shuffle has been the original intent of farm-to-market roads, which, believe it or not, were designed to do just what their name suggested: get the produce from the farms to the marketplaces. "Farm-to-market" is now a misnomer. It is, in fact, almost incidental in the building of many new so-called "farm" roads. The modern idea is to convert the big FM system into a system of secondary "traveling" roads that will give the public an outlet to the strictly local theme

which once prevailed. Look at the farm roads on the Plains and get the picture. The way that farm roads from one county to another link up to stretch for miles and miles with scarcely a crook is no mere accident. This is a part of a major plan to develop a system of secondary paved transportation routes.

This is not necessarily bad. In fact, where the straight roads are built frequently enough, it is distinctly advantageous to have roads of this type. Very few farm homes in Parmer County are more than four miles from pavement. Farm roads have reached into every community, and yet they link up with already existing ones (or ones that are planned) in other areas to become a segment of a much larger network. Rural roads aren't always this way. In New Mexico, for example, the farm road program there has been characterized by a lack of planning. It is a piecemeal system that smacks of pork barrel politics more than anything else.

"Build it by my house," is a cry always heard when a new farm road project is announced, but the request, if answered often because of political experience, can ruin a system designed to benefit the public as a whole.

## Farm Census Half Completed

The 1959 Census of Agriculture is about 50 per cent completed in this area, it was announced today by Field Director James W. Stroud of the the Census Bureau's regional office at Dallas.

The Census official stated that he was well pleased with the cooperation the census takers are receiving from farmers in the area and has high hopes of completing the canvass within the next ten days. He pointed out that the field canvass of farms is one of the larger costs of the census and that cooperation of group singing Christmas Carols.

LAZBUDDIE JR., 4-H NEWS

BY CRAIG SCHUMANN

The meeting was called to order by Joe B. Jennings, president. Minutes were ready by the secretary, Terry Parham.

Demonstrations were given by Timmy Foster and Terry Parham on soil, Bobby Gleason and Mike Hinkson on fire safety, Craig Schuman and Joe B. Jennings on gun safety and Mike Ward and Gary Matthews on windbreaks.

Joe Jones gave a talk on making demonstrations. At the next meeting, Johnny Mitchell and Larry Marrow will give a demonstration on tractor safety, and Bobby Redwine and Larry Davis will give one on safety with tractor fuels.

LAZBUDDIE SR., 4-H NEWS

BY BUDDY EMBRY

The meeting was called to order by Steven Young. Max Eubanks lead the pledge, and a demonstration on soil and water was given by Ronald Ashford and Gary Grusendorf.

Demonstrations to be given at the next meeting are electric wires by Max Eubanks and Gary Eubanks, bathing a calf by Buddy Embry and H. W. Moore and tractor safety by Lloyd and Lewis Embry.

farmers in completing questionnaires promptly will be a vital factor in keeping down the final cost of the undertaking. Quick completion of the census will not only help in keeping costs down but will aid in prompt publication of the results, the field director said. He urged local farmers who have not already done so to complete the census questionnaire and have it ready when the census taker calls.

## Simulated Hail Studied In Cotton

Hailstorms do extensive damage in Texas. Crop-hail insurance claims have approached five million dollars in some years, although only about ten per cent of the state's crops are insured. The annual damage from hail is much greater and far exceeds that caused by tornadoes.

Cotton grown on the High Plains frequently is damaged by hail. The damage varies from a few punctured or destroyed leaves and fruiting structures to complete destruction of the stem and bark to ground level.

A number of experiments have been conducted by the Texas Agricultural Experiment Station to simulate hail injuries, according to Harry C. Lane, associate professor, Department of Plant Physiology and Pathology, Texas A&M College System. Spacing, defoliation, various stalk cutoffs, stem bruises and combinations of injuries were inflicted by hand for the experiments. A special machine was made to simulate hail using cracked ice.

The terminal bud is not necessary for growth and fruiting of the cotton plant, so topping neither decreased or increased yields significantly. It was also found that early-season stem injuries did not affect growth and fruiting and that treated plants did not lodge after a boll crop was made.

Farmers will decide on marketing quotas in a nation-wide cotton referendum December 15. Two thirds of the producers must approve quotas if they stick. If marketing quotas fall, only "regular" allotments will be available for price support, and that at 50 per cent of parity. Farmers who choose the B plan must register their choice at the ASC office. If the referendum carries, operators will be notified of the deadline for such filing. If the farmer plans to stick with A plan, he isn't required to file a notice. Allotments are established for all farms on which cotton was planted in any of the past three years. The

## THE PARMER COUNTY IMPLEMENT CO.

**NEWS**  
"The Place Where Most People Trade" Friona, Texas Wednesday, December 9, 1959

The Modern Study Club is again sponsoring "Christmas Card project." This project has netted more than \$1500 for the hospital each year it has been used. In brief, Christmas Card Project asks that everyone who desires to do so, deposit in the special fund at the Friona State Bank the amount ordinarily spent to send Christmas cards to friends and relatives in Friona. The Friona Star will have a giant Christmas card with the names of all depositors in the Christmas issue. That way you send greetings to all hometown friends, assist the hospital and save yourself some time and worry as well.

however, she has her arm in a heavy cast and will have to change her Christmas routine. PCICN

You can try a new "Precision Six" powered IH tractor in your own field. Just ask us for a demonstration! Call today--get the new power feel of an IH tractor with the new Precision Six engine! PCICN

The Arthur Drake family has moved to the country to make their home. They did some trading and now the J. E. McCatherns live in the former Drake home. PCICN

International offers the world's most complete line of tractors. Come in soon and let's talk trucks. We can trade for your old truck and arrange for easy payments on your new one. PCICN

After a rather wild date with a charming young lady, the fellow worriedly asked, "Do you tell your mother everything you do?" She responded, "Certainly not. Mother doesn't give a darn. It's my husband who is inquisitive." PCICN

Suppose you ordinarily send 100 Christmas cards to people in Friona. 100 cards cost about \$5 -- plus \$3 for stamps -- plus about 2 hours (at \$1 per hour) to address them. There's \$10 for the hospital fund and you are ready to begin addressing and stamping your out of town cards. PCICN

You'll like what IH has done to big tractor engines.

They're wonderfully smooth, trigger quick, thrifty on any job. Let us show you one of these big tractors and the work it will do for you. PCICN

If you have a white choir robe around your home that the children have outgrown or discarded, please donate it to the Methodist youth choir. If you have such a robe and wish to give it, please call Mrs. Lloyd Rector at Hub 2401. PCICN

You're a bigger man on an IH tractor and a demonstration on your farm will prove it. IH offers a complete range of models to fit your farm. 5 sizes in Farmalls and 6 in Internationals from 1 plow model to the 6 plow 650. Which would you like to try? PCICN

There are bigger things than money -- lots of them -- bills for instance. PCICN

If it is used farm machinery you need, then Parmer County Implement Company should be your first stop. We have some real bargains in used tractors, trucks, plows, pickups, etc. PCICN

How much a farmer and his family earn is the subject of a new study by the United States Department of Agriculture. About the only thing the report shows is the differences in American agriculture and the difficulty of discussing it in general terms, particularly when it comes to farm policies and programs. Farming is the only business in the world that a man can work at for 50 years and show a net loss every year.

# Cotton Harvest Slows; Estimate 40,000 Bales

As the cotton harvest nears completion on the High Plains, Farmer County gins have tagged more than 36,611 bales. This figure is the total of bales reported ginned by the end of last week by all county gins. Nearly all gin operators found themselves far short of last year's total, and most felt that the remainder of cotton in the fields is small. Estimates by gin managers as to how many more bales they would gin ran from 50 to 850.

Total of the estimates is 6,600, setting the overall total for the county over 40,000. None of the gin owners or managers would guess at the total.

Both farmers and gin operators felt the crop was good in yield and quality, considering that much of the crop was hauled out or planted late. Some cotton planted in April was saved, but many farmers har-

vested cotton that was planted in July.

Gin personnel expressed the feeling that the later cotton is showing better yields and better grades. Quality of the cotton is near normal with most graded strict low middling. There was some low middling and some middling.

Yields were reported as high as one and three-quarters bales an acre. Gin managers say the average is probably near or slightly under three-quarters bale an acre.

Total number of bales ginned by the county's 14 gins ranged from 1055 to 4051, by Saturday afternoon. Average for the gins was over 2600.

Most of the cotton is out of the field with only a little stripping still being done. Some of the area gins still have full trailers lined in their yards.

ner just wouldn't be complete without cranberries. Of course, there are numerous ways of serving them, but we prefer just plain cranberry sauce.

If you don't have a Christmas-y looking table cloth by all means make a simple one of red and green cotton material. There are so many decorative fringes, tapes, etc. that making one would require only a small amount of time at the sewing machine.

Or, if you have a machine that does fancy stitching, you could use stitching to beautify your cloth. Place mats would be very pretty made in the same fashion.

Small children can easily make a number of small gifts

## Quality Is High Say Operators

Here is a report by area gins on the yield, quality and amount of cotton ginned.

### SUMMERFIELD

Mrs. S. W. Patterson of the Tri-County Gin says this is an average year for cotton.

"We have ginned around 2400." She thinks the gin will tag about 300 more bales.

### FRIONA

At the Plains Farmers Gin, John Davis, manager, says the gin has tagged about 2000 bales and will gin about 400 to 500 more.

"Yield and quality is bad," he says.

"Quality has been pretty good, but yield hasn't been too good," says E. W. Chester of the Chester and Fleming Gin.

Chester's company has ginned 3116 bales and he thinks they will probably tag 4000.

for friends and relatives with very little assistance from a grown-up. A corner of an envelope makes a very practical bookmark. After cutting the corner in any desired shape, a child could paste or draw decorations to make the gift more personal.

The easy-going casual sweater has become high fashion. It has emerged from the sportswear picture and is now teamed with skirts and dresses to give an "ensemble look." For all its expensive look, the sweater costume may cost very little if you plan it as a do-it-yourself project, according to Dr. Graham Hard, extension clothing specialist of Texas A&M College. It's easy to line or highlight a classic sweater with fabric to match your next wardrobe addition.

### HUB

According to Leo Ruzicka, manager, the West Hub Gin Co. has ginned 3810.

"I think we will get 4500. Quality is a lot better than we expected. Yields are about three-quarters bale an acre average.

L. C. Minich of the Fleming and Son Gin says they have tagged 2892 bales and thinks they will have from 400 to 500 more.

"Grades held up well for such rough cotton. The yield is less than a bale to the acre." He says the yields will average from three-quarters to one bale an acre.

The LaComa Gin four miles south of Hub has ginned around 1100 bales according to Ray Richmond. He feels they will gin 400 or 500 more.

"It's been real good," he says of the quality.

"I imagine the average yield is pretty close to a bale an acre."

### CLAY'S CORNER

"Grades have been average," says Clyde Jones of Nickels Gin.

The gin has tagged 2807 bales and Jones thinks they will gin an additional 500.

### LAZBUDDIE

Shirley Steinbock of Watkin's Gin says the average yield is about a bale an acre.

She says they have ginned about 2000 and may have 500 more.

At the O. C. McBride and

Sons Gin, three miles east of Lazbuddie, around 1800 bales have been ginned. O. C. McBride Jr. thinks they will probably have 700 more.

"Quality was good considering the hail and yields were good considering hail."

### BOVINA

Nat Read of Lawlis and Ely Gin reported 4051 bales ginned, the highest in the county. He says they may have 500 more.

He says quality is fair and yields are good.

At the Joe M. Brown Gin, Mrs. Brown reports 3000 bales ginned and expects to have 500 or 600 more.

"Grades are about as good as last year," she says of the quality of the cotton. She sets the average yield at a bale an acre.

### FARWELL

"Grades have been exceptionally good," says Ed Nickels, of Nickels Gin.

Nickels gin has tagged 3780 bales and he expects another 500. He says the average yield runs from three-quarters to one and three-quarters bales an acre and most farmers make a bale an acre.

### LARIAT

About 2800 bales have been ginned by Shafer Gin Co. according to Mrs. L. L. Cooper. She expects the gin to tag about 300 more.

"Grades are extra good considering the cotton."

She says the average yield runs between three-quarters and a bale.

### OKLAHOMA LANE

Bill Gage, manager of Oklahoma Lane Gin, says he has tagged 1055 bales and expects 50 more.

A MAJOR BY-PRODUCT OF PLAINS COTTON is the seed, which is shown piled on the ground at a Hub gin. Cottonseed is responsible for a diverse array of consumer products--everything from livestock supplements to oleomargarine on the dinner table.

THIS IS THE BUSINESS END of one of the Lazbuddie area gins, which have been running around the clock to get the 1959 crop out. Folks not familiar with cotton production are constantly amazed by the giant suction pipes that pick up bolls for ginning.

"The average yield is somewhere around three-quarters of a bale an acre." "Grades on cotton we have ginned are average. We are still getting white cotton."

### H. D. AGENT'S CORNER

Jimmie Lou Wainscott

While I was in New Orleans I received a lot of good recipes. Here are some of them that I thought you might like to try.

#### COFFEE BREAKERS

- 1/4 cup soft butter or margarine
- 1/3 cup brown sugar
- 1 teaspoon light corn syrup
- 1/3 cup chopped pecans
- 3/4 cup warm, not hot, water
- 1 package active dry yeast
- 2 1/2 cups prepared biscuit mix
- 2 tablespoons melted butter or margarine

1/4 cup brown sugar  
1 teaspoon cinnamon  
In saucepan melt butter or margarine; stir in sugar and syrup, bring to rolling boil. Spread in large oblong pan. Sprinkle with pecans. Dissolve yeast in warm water in mixing bowl. Mix in prepared biscuit mix and beat vigorously. Turn dough onto board dusted with prepared biscuit mix. Knead until smooth, about 20 times.

Roll out into 12-inch square. Brush with 2 tablespoons melted butter or margarine. Sprinkle center third with one-half the sugar and cinnamon mixture. Fold one-third over center third. Sprinkle with remaining sugar and cinnamon. Fold remaining third over the two layers. Cut with sharp knife crosswise into strips about 1 inch wide. Take hold of each end of strip and twist. Seal ends firmly.

Place in pan about 1 1/2 inches apart. Cover. Let rise in warm place free from draft until doubled in bulk, about 1 hour. Bake at 400 degrees F. (hot oven) about 20 minutes. Remove from pan immediately. Cool on wire rack.

#### GLACE' COFFEE LOAF

- 3/4 cup boiling hot milk
- 1/4 cup sugar
- 1 teaspoon salt
- 1 cake or package yeast
- 2 tablespoons lukewarm water
- 2 1/4 cups sifted all-purpose flour
- 1/4 teaspoon nutmeg
- 1/4 teaspoon cinnamon
- 1 egg, beaten
- 1/4 cup soft shortening
- 1/2 cup chopped raisins
- 1/4 cup currants
- 1/2 cup chopped glace' fruits

Muleshoe, Texas

and peels  
1/4 cup sliced almonds  
Combine hot milk, sugar and salt; cool to lukewarm. Soften yeast in water; add to cooled milk mixture along with flour, spices, egg and shortening. Beat batter well, about 1 minute. Add remaining ingredients, mixing in thoroughly. Cover and let rise until double in bulk, about 1 1/2 hours. Beat well and turn into well greased bread loaf pan, 9 x 5 x 3 inches.

Cover and let rise until double about 45 minutes. Bake in a moderate oven (350 degrees F.) with pan below oven center, about 40 minutes. Remove from pan and cool on wire rack. Store overnight or at least 4 or 5 hours for easy slicing.  
Makes 1 loaf.

#### GIANT RAISIN SUGAR COOKIES

- 1/2 cup light or dark raisins
- 1 1/2 cups shortening
- 1 1/2 cups sugar
- 2 large eggs
- 2 teaspoons vanilla
- 1 teaspoon grated orange rind
- 4 cups sifted all-purpose flour
- 2 teaspoons salt
- 1 1/2 teaspoons baking powder
- 1/3 cup milk

Raisins for tops of cookies  
Sugar for sprinkling

Rinse and drain raisins. Cream shortening and sugar together thoroughly. Add eggs, vanilla and orange rind, beat well. Sift flour with salt, and baking powder, and blend into creamed mixture alternately with milk. Stir in raisins. Roll on floured board to a little less than 1/4-inch thick; cut with coffee can and place on lightly greased baking sheets.

Decorate tops of cookies with raisins. Sprinkle with sugar. Bake in moderately hot oven (375 degrees F.) 10 to 12 minutes.

Makes about 1 dozen giant cookies.

#### CHILDREN'S HOLIDAY COOKIES

- 1/2 cup shortening (half butter)
- 1/2 cup sugar
- 1/2 teaspoon maple flavoring

### NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

BY RAYMOND EULER

We hope that if you usually eat cranberries during Christmas and New Years, you will eat more than ever this year. This is not the first, though it may be the most stupid blunder of Mr. Larrick and others in the American Food and Drug Administration. The liquor industry has got by with sale of untold gallons of its products after dead rats and cockroaches had been found in the vats, without a nationwide news announcement like the cranberry item. The only reason we are mentioning this subject, is that we hope the use of cranberries will be as great as, or greater than usual. So buy 'em and eat 'em.

We suppose you farmers know that by 1959, under the present schedule, Uncle Sam will be

\*Cookies or candy packed in decorative tins or gaily-wrapped boxes.  
\*Bottles of homemade salad dressing.  
\*Gala popcorn balls, wrapped in bright cellophane and tied with ribbon for children.  
\*Plum puddings.  
\*Wooden bowls with Texas pecans and a nut cracker.  
\*A Mexican basket filled with colorful fruits.

\*Canned chicken or other meats from your pantry shelf--homemade sandwich spreads in little pottery jars.

If you think your county judge and attorney are handling drinking drivers too softly, say so, and it will be changed. We have a good law that can be used to advantage.

### Uncovered Drive Shafts Dangerous

Take the world as it is, not as it ought to be - German

The High Plains Underground Water Conservation District, says that, one of the most dangerous omissions that an irrigation farmer can be guilty of is that of leaving the drive shaft between his irrigation pump and engine exposed.

We all remember the recent story that appeared in our nation's newspapers which told of a 12-year old girl whose pony-tail became entangled in the moving parts of a potato-digging machine. As a result of this tragic accident, she lost her ears, eyebrows and scalp. Death ultimately claimed this 12-year old.

This was a terrible thing, and we found ourselves asking how such an accident could happen and why the moving parts on the digger were not covered to prevent such an occurrence.  
Well, the answer as to "why" may never be evident; however, one thing is certain--the potentially dangerous gears, etc. of that particular potato digger are no doubt adequately guarded today. The regrettable thing is that the safeguards came too late and the cost of delay was too expensive.

Parallel this incident with the picture here in our own backyard. We have literally thousands of irrigation wells in the southern High Plains of Texas that do not have any form of cover or guard that offers protection.

CONSIDER THIS: If a ruler hearken to lies, all his servants are wicked. Proverbs 29:12
