

Star Lites

By Bill Ellis

(Editor's note: The following is a guest editorial, written by Lawrence D. Pratt, president of the "English First" organization.)

Making English the official language of the U.S. is an idea whose time has come.

It is something that generations of immigrants have taken for granted—when coming to the United States, one learns English. In fact, those immigrants were proud to have learned English. If an American were to move to France, Germany or Spain he or she would expect to learn French, German or Spanish. The American taking up residence in a foreign country would expect to learn that language, but would not expect to have street signs and public services made available to him in English.

It seems unfair for foreign speaking groups to come to the U.S. and demand a right from their new country to not only have their language put on street signs and used in the delivery of government services, but also to have their children taught in their own languages, rather than in English.

The sons and daughters of the previous decades of immigrants have objected to the demands of the current crop of newcomers who have the audacity to insist that their own languages be used as public languages in their new land. Those objectives have been met by a surly gathering of twenty-four Hispanic and Asian groups who recently denounced their hosts for wanting to have English as the official language of the land.

Those who want to have a common language so that communication can be facilitated, national harmony promoted and economic prosperity maximized are denounced by the Hispanic-Asian coalition as anti-immigrant and xenophobic. They claim that these xenophobes object to people who are bilingual.

Well, let's take a look at the charges. I am bilingual, having learned Spanish during the 23 years I have been married to my wife who was born in Panama and whose first language was Spanish. My wife is a naturalized American who passed her citizenship examination using the English which she has mastered quite well. In this respect, my wife is no different from the millions of immigrants who came to America and learned English as a matter of course.

Let's face it. The drive to make English the official language of the country cannot be characterized fairly as an effort to stamp out other languages and cultures. It is an effort to have a common language, even to have bilingual people, but to have one plane of communication on which all can meet. Countries such as France, Germany and Spain which have an official language certainly have no lack of bilingual people.

Secretary of Education William Bennett has put this matter well: "There ought to be no confusion or embarrassment over our goal. The rise in ethnic consciousness, the resurgence of cultural pride in recent decades is a healthy thing; the traditions we bring with us, that our forefathers brought with them to this land, are too worthwhile to be discarded. But a sense of cultural pride cannot come at the price of proficiency in English, our common language."

The word bilingual has come to mean contradictory things. In Canada, the bilingual laws resulted in a French-only policy in the province of Quebec. The divisiveness that resulted became so oppressive that businesses fled in droves to Ontario. Finally, the economic downturn was so severe that the French-speaking voters of Quebec decided that they were tired of starving in French, and wanted to get back to work in English.

(Continued on Page 5)

NEW GAME HERE... Wendy Lookingbill shows one of the new "Trifle" board games, which is now on sale at several local businesses. The game has a local twist, with questions dealing with local history included.

Karate School Sets Opening On Sat.

Of the many sports performed today, the art of TaeKwonDo provides a means of self-defense, complete conditioning, coordination, confidence, controlling stress, flexibility, building one's self-esteem and much more. Master Sang Ho Cho, Jo Anne Jennings and a team from Amarillo will be in Friona to officially open Cho's Institute Of Martial Arts Academy (Karate) located in the former Walt's Printing building at 709 Main Street across from the park at 2 p.m. on Saturday, October 11.

The public is invited to come and see a free exhibition by Master Sang Ho Cho-7th Degree Black Belt, a TaeKwonDo team which includes National Jr. Olympics Champions and the Friona students.

At this session, those interested in taking lessons may ask questions as the general program is explained along with the exhibition. Teto Milner of Friona originally contacted Jo Anne Jennings Hill and Master Sang Ho Cho and asked them if they would be interested in teaching TaeKwonDo in Friona. Classes are being offered two days a week.

As well as being a life-savings tool, TaeKwonDo, which means "art of the hand and foot," can help one get into good physical and mental shape. Through this art, children learn to develop their own self-confidence, and self-discipline, and at the same time they will be learning a hobby they can enjoy.

The TaeKwonDo team is urging families to participate. While most families go to separate events, this provides an event for all to take part in. The academy is offering special rates for families with separate child and adult classes.

OLD FAITHFUL... Jack Clark, veteran Football contest entrant, was successful in picking the right upsets, to win the fifth weekly contest. Presenting Clark's check is Monty Allen of Monty's Flowers, one of the contest sponsors.

School Adopts K-9 Anti-Drug Program

The Friona School system has completed arrangements to participate in the K-9 Narcotic Program, it was announced this week by Superintendent of Schools Tom Jarboe.

The system, which uses dogs trained to "sniff out" drugs, has been in operation for some time. A number of schools in the area have used the program, including Lubbock, Plainview, Levelland, Frenship, Dimmitt, Olton, Lockney and Springlake-Earth.

The program is operated by

B.J.R. Investigating and Security Services, Inc., headquartered in Gainesville. The dogs are kept in Lubbock.

The purpose of the K-9 program is two-fold, according to Jarboe: (1) To keep drugs out of the school system and (2) To educate students on the dangers of drugs.

"The school would like to convey a statement that we don't intend to tolerate drugs in our school, and we owe it to the kids who don't want to use drugs to keep the peer pressure down," Jarboe said.

Jarboe emphasized that the goal is not strictly to catch and punish offenders, but if drugs are found, action will be taken against the possessors.

The trained dogs will encounter students, lockers, and automobiles in the parking lot, Jarboe said. The dogs will be brought to the school two or three times a month at

unannounced times. The dogs have a history of being very accurate, Jarboe indicated.

The dog handlers, nor the company will have anything to do with discipline or action if drugs are found. The building administrator will take charge in such an event, and action taken will be locally controlled.

DEMONSTRATIONS SET

Jarboe said that information sessions and demonstrations will be held on Wednesday, October 15. "We urge parents and school patrons to attend these assembly programs," Jarboe said.

The programs are as follows: 8:30 a.m. at High School Auditorium, for high school students; 10:30 a.m.—Junior High Auditorium, junior high students; 1 p.m., Junior High Auditorium, for grades kindergarten through second; and 1:45 p.m. same auditorium, grades 3-4-5.

"We urge the parents to come and find out how the program works. We feel the community would be interested in learning more about the K-9 program," Jarboe said.

The Friona school board started looking at the drug dog program last spring, and finalized details on implementing it in the local school system at its September meeting.

New Board Game Here

Limited numbers of the new "Trifles" board game went on sale to the public this week.

"Trifles" is a trivial pursuit-type game, with a new twist. This game has added 100 questions about the history of Friona!

The price of each game is \$13.67, and with each purchase, the buyer gets to register for a \$100 shopping spree.

"Don't wait to get your game. These games won't last long," says Kathy Beard, Chamber of Commerce manager.

The games are available at the following: Bi-Wize Health Mart Drug, Claborn Floral, Big Jack's Truck & Auto, Potts Manufacturing & Construction, Office Outfitters, Dianna's Mexican Food, Sis-Son's, Dairy Queen, Reeve Chevrolet-Olds, Eclectic Ideas, Monty's Flowers, Poarch's Furniture, D.L.'s Thriftway, Ruthie's, Cora's Kitchen, Rockwell Bros. Lumber and Friona Ford Sales.

Chiefs To Visit LHS On Friday

The FHS Chieftains won't have to wait until late in the season to find out if they are championship calibre this season.

The Chiefs will visit Littlefield next Friday. It's only the second district game, and right away, the Chiefs have to tackle the state-ranked Wildcats.

The Wildcats have posted a 70-8-1 record during the past six seasons, making the playoffs five straight years until last year.

After missing the playoffs for the first time in six years (even with a good 6-2-1 season record), the Wildcats are said to have made a "new commitment during the off-season. Apparently, Littlefield doesn't like not being in the playoffs.

Senior tailback Steve Lair, who scored 17 touchdowns and rushed for 1,021 yards as a junior, leads the Wildcat attack. Craig Williams at slotback, Randy Hernandez and Brent Heffington round out the ball-carriers. Mark Ellis is the Wildcat quarterback.

Friona will be trying to get folks well for the big game. Linebacker Albert Trevino, hurt against Portales, is expected to be ready to play. Fellow defensive star Peter Malouf, who had a sprained knee against Pampa, also should be ready to go. Glen Trimmell suffered a sprained ankle against Pampa, and could be ready next Friday.

Filling in for these players against Muleshoe were Daniel Padilla, Rod Britting and Paul Trimmell.

Health Fair Is Scheduled For Women

On Saturday, November 1, the Parmer County Community Hospital will be holding a Women's Health Fair at the hospital.

Personnel from the hospital will check blood pressures and perform a diabetes screen. Then the participants will enter St. Anthony's Enterprises Mobile Breast Imaging Center and be taught Breast Self-Examination and have a Lo-Dose X-Ray Mammography.

"The total charge for the Screening Fair will be \$70.00. Normally this group of tests would cost in excess of \$150.00," stated Ms. Hart, hospital administrator. Ms. Hart continued, "The project is open to the first fifty women who contact the hospital. The women will be scheduled every ten minutes, beginning at 8 a.m. To register, please call 247-2754, and come by the hospital to pick up your pre-project information."

Commodities Are Available

Cheese and butter will be distributed for Precinct 1 on Thursday, October 16 at the county barn, Sixth and Columbia, in Friona.

The elderly will be served first, from 8-9 a.m. Those who qualify must bring their cards in order to receive the commodities.

New applicants must bring proof of their total household income. Qualification is based on income only.

The distribution will be made at Bovina and Lazbuddie the same day. This will be for the months of October and November, according to commissioner Ernest Anthony.

Absentee Vote Slated

Absentee voting for the general election will begin Wednesday, October 15 at the County Clerk's office. The clerk's office hours are 8:30 a.m.-5 p.m.

A special voting booth will be operated in Friona prior to the election. The first date will be Friday, October 17, and again on Thursday, October 23, at Friona, Texas Federal Credit Union, during their regular hours.

QUEEN... Ronda Ratcliff was crowned Homecoming Queen in pre-game activities last Friday night. Miss Ratcliff is a senior at Friona High School.

(Photo courtesy Pam Hamilton)

Adult Classes Are Scheduled

A free course for adults who want to learn to read, write and speak English, improve their mathematics and reading or prepare for the G.E.D. test will be given at the Friona High School Cafeteria.

Enrollment will be Monday, October 20 from 7-10 p.m.

The course is sponsored by the Friona Independent School District and the Education Service Center, Region XVI. For further information, call 247-2281.

Friona Flashbacks

....from the files of The Friona Star

55 YEARS AGO--SEPT. 28, 1931

In spite of the fact that a heavy rain fell over the Friona territory and much adjacent country on the night before the Wheat Growers' picnic, there was an immense crowd here, variously estimated at two to three thousand people.

J.W. Parr, one of Friona's most extensive wheat growers, has at this time about 400 acres of his 1932 wheat crop sowed, with much of it up and growing.

50 YEARS AGO--SEPT. 25, 1936

Logan Symson and Dan Ethridge have rented the room adjoining the north side of the post office in the T.J. Crawford Building, and have had it nicely fitted up and re-decorated with fresh paint and are now occupying it as their respective offices. Mrs. Symson represents West Texas Gas Company and has charge of the city's water department. Mr. Ethridge is now conducting the only insurance agency in Friona.

45 YEARS AGO--SEPT. 26, 1941

During the latter part of last week, several units of heavy dirt-moving machinery for various purposes, belonging to Cook & Ransom, of Ottawa, Kansas, have been unloaded at the Santa Fe yards here for the purpose of building the large levy that is being built by the railroad company, for the prevention of future flood damage to its tracks and other property at Friona when the Frio Draw overflows.

35 YEARS AGO--SEPT. 20, 1951

A barbecue feeding 2300 visitors, increased number of exhibits, final parade, kiddie rides and lots of neighboring marked the Parmer County Fair in Friona last weekend, setting a goal for even the larger fairs of the state to reach.

A well-coordinated team, spark-plugged by Frank Reed, Darrell Robbins and Jay Cobb, last Friday took the field for Friona to smother the invading Vega eleven in a 39-0 shutout.

30 YEARS AGO--SEPT. 27, 1956

Friona celebrated her 50th anniversary last weekend, and had plenty of help doing it. From every standpoint, the anniversary event was a success, reports Wright Williams, president of the Friona Chamber of Commerce, which sponsored the promotion. Only thing which didn't exactly go to suit the celebration was the weather--which turned out to be windy all three days, but it didn't completely mar the celebration.

Stolen farm equipment valued at over \$6,000 was recovered by Parmer County Sheriff Charles Lovelace last week. Dennis Richards, 28, of Melrose, was apprehended, early last Thursday in connection with numerous thefts in Parmer and surrounding counties.

25 YEARS AGO--SEPT. 28, 1961

Deryl L. Coker assumed his duties as Parmer County's agricultural agent on September 25, succeeding Joe W. Jones. Coker has served as assistant county agent at Hockley County for the past four years.

20 YEARS AGO--SEPT. 29, 1966

Johnny Mars, who farms five miles northeast of Black, marketed the first bale of cotton for the Friona area this week, when the first bale was ginned at Chester Gin on Monday.

Cindy Ingram, daughter of Mr. and Mrs. W.S. Ingram, was crowned Homecoming Queen in pre-game ceremonies prior to the Friona-Bovina football game last week.

15 YEARS AGO--SEPT. 23, 1971

Sixteen-year-old Kathy Horton was crowned Maize Queen last Thursday, to reign over the 15th annual Maize Days celebration last weekend. Miss Horton, daughter of Mr. and Mrs. Hollis Horton of Friona, won the title over 24 other young ladies in the annual competition held at Friona High School. Runnerup in the contest was Kathy McLean, daughter of Mrs. James McLean. Second runnerup was Carol Reeve, daughter of Mrs. Faye Reeve.

10 YEARS AGO--SEPT. 26, 1976

Twenty-nine girls will compete in the Maize Queen Contest Thursday night. The contestants are Diane Bennett, Linda Anthony, Patti Cole, Sheri Noah, Faith Mays, Sharla Bengel, Jerri Walter, Cindy Cleveland, Connie Merrell, Sami Rector, Diane Westbrook, Barbara Rhodes, Becky Powell, Paige Osborn, Sheri Rector, Linda Nelson, Mindy Moseley, Cindy Smiley, Kathy Martin, Melodi Dixon, Jaton Widner, Johnna Thorn, Mary Schilling, Holly White, Regina Walters, Janice Peak, Rhonda Parsons, Karen Young and Karen Sue Stevick.

Teresa Loflin was chosen as Friona's 1981 Homecoming Football Queen, and was crowned in pre-game ceremonies here last Friday night. Miss Loflin, the daughter of Mr. and Mrs. Jerry Loflin, is a senior at Friona High School.

5 YEARS AGO--OCT. 11, 1981

Elgin, Inc., the newest gin in the Friona area, has scheduled its open house for Saturday, October 10 at its location two miles south of Friona on Highway 214.

The area received light rainfall on at least part of three days this past week: Tuesday through Thursday. This called a halt to the area's corn and maize harvest.

School Lunch Menu

WEEK OF OCTOBER 13-17
MONDAY--Chicken strips, potatoes, gravy, green beans, hot rolls, cake and milk.
TUESDAY--Grade School: Creole spaghetti, blackeyed peas, salad, crackers, cookies and milk; High School: Hamburgers, French fries, buns, salad, cookies and milk.
WEDNESDAY--Tacos, lettuce, tomatoes, pinto beans, cornbread, pudding and milk.
THURSDAY--Soup, chili, sandwiches, mixed vegetables, light bread, fruit salad and milk (no hamburgers).
FRIDAY--Barbecue, baked beans, potato chips, buns, pears and milk.

Longhorn Roundup

By VICKIE BURCH
 Lazbuddie class officers and sponsors are as follows:

Seniors--Shane Mason, president; Traci Elliott, vice president; Christine Flores, secretary-treasurer; Rick Copp and Belinda Steinbock, sponsors.

Juniors--Tammie Vise, president; Alice Gauna, vice president; Pat McBroom, secretary; Omar Sanchez, treasurer; Sheryl Cunningham, reporter; John Harris, Richard Luscombe and Vickie Burch, sponsors.

Sophomores--Scott Miller, president; Steve Cunningham, vice president; Brian Glover, secretary; Wes Jarman, treasurer; Ginger Jesko, reporter; Carl Bodiford and Joann Luscombe, sponsors.

Freshmen--Eddie Zamora, president; Mia Jennings, vice president; Diana Cozby, secretary-treasurer; Mark Scisson and Barbara Willingham, sponsors.

Eighth grade--Raymond Zamora, president; Britt Engelking, vice president; Elsa Mendoza, secretary; Stacie Hodges, treasurer; Sonia Alarcon, reporter; James Bartosh and Marcella Jennings, sponsors.

Seventh grade--Russell Redwine, president; Ramiro Alarcon, vice president; Holley Morris,

secretary-reporter; Stacey Barber, treasurer; Hardy Carlyle and Rebecca Williams, sponsors.

Sixth grade--John Paul Harris, president; Joelle Weaver, vice president; Leland Brockman, secretary; Erin Jones, treasurer; Thelma Coffey and Barbara Lust, sponsors.

Jarah and Brice Redwine gave a report to the Lazbuddie 4-H Club about their project, horse showing. They have won several honors in this 4-H project.

Attendance accounting for Lazbuddie ISD will begin on October 6 and continue through October 31. Student attendance during this month is very important because the amount of state funding which the school district will receive is based on this attendance account. Parents are encouraged to see that students attend school during this time.

The annual Parmer County 4-H Club Banquet was held in Friona on Saturday, October 4. Several Lazbuddie students received awards. Dawn and Dustin Weir received an award for their bucket calf projects. Jason Thomas received the high point peewee award for the Project Fair. Audra Allen and Brett Thomas were given Farm Bureau's "Outstanding 4-H Boy and Girl" awards for Lazbuddie.

Police Report

WEEK OF SEPT. 29-OCT. 5

The Friona Police Department received seventy-four calls during the week: 64 citations issued; two public intoxication; one out-of-town warrant; and seven disorderly conduct.

One juvenile was detained--the runaway was turned over to juvenile authorities.

Five complaints were received: one runaway; one public intoxication; two burglaries; one disorderly conduct.

Four vacation watches were requested. Thirty-two security checks were made.

Three accidents were reported with no injuries.

Happy Birthday

WEEK OF OCTOBER 11-17
Friona residents having birthdays next week are:

October 11--Sarah Dean, J.T. Bowyer, Florence Dorsey, Cathy Shields, Bethany Ann Jones, Julie Howard.

October 12--Linda Goen, Martha Schueler, Aaron Black, Thelma Coffey, Kim Smiley, Sondra Nichols, Kenneth Smith, Dean Hall, Elizabeth Peak.

October 13--Russ Shelton, Rhonda Murphree, Joe Boeckman, Steven Smith, Shirley Trammell.

October 14--Roger Coffey, Jack Hamil, Kristie Herring, Melissa Jan Hardgrove, Lance Looper, Joe Reeve, Lon Outland.

October 15--Tessa Baker, Melanie Petree, Mende Petree, Valerie Beth Hardgrove, Wilma Wise, Ron Brockfield, Fern Edwards.

October 16--Neoma Oldham, Stephen R. Jones, Gary Renner.

October 17--Teresa Loflin Nichols, Joe Malouf.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

SKYLA GAY KNAPP, who attends Friona Junior High School, modeled in the Amarillo Globe News Images of Heartland Fashion Show. The event was held Tuesday evening, September 30 at the Amarillo Civic Center with over seventy models and with approximately 1000 people in attendance. Skyla is the daughter of Mr. and Mrs. Wayne Knapp of Friona.

Program Highlights Study Club Meeting

The Modern Study Club met Tuesday night, October 7 at 7:30 p.m. with Allo Reeve presiding.

Twenty-two members answered the roll call with a career woman you admire.

Lois Norwood read the minutes of the September 16 meeting. A "thank you" note from Stormi Upton was also read. She was the club's representative in the Maize Queen's Contest.

Allo Reeve stated that the fall board meeting will be held in Farwell Saturday, October 11. The program will begin at 10 a.m.

The special music was presented by Heather Griffin. She sang "I Enjoy Being A Girl" and "You're Never Fully Dressed Without A Smile."

Kathryn Goddard and Debbie

Sweatt gave a very informative and interesting program on "Women In The Work Force."

Hostesses, Thelma Coffey and Louise Dunham, served refreshments to club members and guests, Kathryn Goddard and Michelle Nichols.

Schuelers Have Boy

Gene and Holly Schueler of the Rhea Community are the parents of their first child, a baby boy named John Robert.

He weighed eight pounds, three ounces and was 19 1/4 inches long at birth.

He was born Saturday, October 4 at 11:16 a.m. at the Roosevelt General Hospital in Portales, New Mexico.

Grandparents are John White of Friona, Sue Caldwell of Houston, Raymond and Lorna Schueler of the Rhea Community.

SHARE YOUR CREDIT UNION WITH FRIENDS

You know the benefits of being a credit union member. You've probably taken advantage of our low-cost loans, attractive dividends, plus protective insurance plans from the companies within the CUNA Mutual Insurance Group.

But do your friends know? Have you told them about the advantages of credit union membership?

Why not spread the word? Tell your friends, neighbors, and co-workers. Share the rewards.

Prairie Acres Party Line

By DONNA ECHOLS

We express our sympathy to the family of Earl Glover who died this week here. He moved here last week and will be missed.

We thought it might rain from now until Thanksgiving, but we are enjoying the sunshine today.

We want to thank the reminiscence therapy group that comes from the MHMR office two to three times a month. They spend time with some of the residents visiting about events and memories.

Hallie Briscoe and Earl Drake are still in the hospital and Dixie Barnes returned to the home last week.

We thank the women from the Bovina United Methodist Church

for doing nail and hair care this past week. They stayed extra long doing some permanents for some of the residents and we appreciate this extra amount of effort. The Sixth Street Church of Christ will be here this week.

The Calvary Baptist Church held our services Sunday and the Sixth Street Church of Christ will be here this Sunday at 4 p.m.

Claude Blackburn celebrated his birthday this week on October 8 and Mary Cross has a birthday on October 12. Linda Gowen, our new LVN, will celebrate her birthday on October 12.

We will be informing you soon concerning a new volunteer program in our facility.

by Congressman Larry Combest

COMBEST COMMENTS

This past August, my wife Sharon and I made a two-day, 15-county tour of the 19th Congressional District. I've driven these roads many times during the past several years visiting with the people in each county. From Odessa in the south to Hereford in the north and Parmer, Castro, Bailey, Lubbock, Yoakum, Dawson, Terry, Gaines and Andrews counties in between, I've listened to the people, kept them up-to-date on developments, and made every effort to represent their interests in the United States Congress.

I've traveled several thousand miles to stay in touch with the people and to make sure that their thoughts and concerns were voiced in Washington, D.C.

This most recent trip was to personally announce my candidacy

for re-election to Congress. In taking my campaign to the people, just as I did when I first announced for Congress in August 1983, I didn't make inflated promises -- instead I pledged to continue to stay in touch with the people, to fight for our district and to work as hard as I possibly can in representing the people.

We face some difficult economic times in West Texas. These problems won't be solved by simplistic, quick-fix methods. Anyone who says differently either fails to comprehend the situation or is all talk and no action.

Working together, however, we can and we will return to economic prosperity and we will survive -- stronger and more determined than ever. We will build a better future for our children and grandchildren.

In the next several weeks I will be writing this column to discuss some

of the problems facing our district, and to share with you my thoughts on how we can help solve them. Among other topics, I will be writing about agriculture, the oil and gas industry, the federal deficit and our trade deficit.

In the meantime, I will be busy continuing to represent our district in the Congress during the coming days for the vital budgetary and other decisions that must be made. As soon as possible, I'll be back traveling throughout the district -- just as I've done these past two years -- visiting with as many people as I can.

As I have said many times, this office belongs to the people, the people of the 19th Congressional District. I am honored to represent the fine people of West Texas in Washington. I believe in us and our future.

Let me know any comments or thoughts you may have on the upcoming issues I will be discussing. I look forward to visiting with you.

Congressman Larry Combest represents the 19th District in the U.S. Congress. He serves on the important House Agriculture Committee and the Small Business Subcommittee on Energy in the House of Representatives in Washington, D.C.

Hospital Auxiliary Met Here Tuesday

Members of the Hospital Auxiliary met in regular business session Tuesday afternoon in the Sun Room of Parmer County Community Hospital. Elizabeth McLellan, president, called the meeting to order.

Valoris Osborn, secretary, read the minutes of the last meeting. They were approved as read.

Sandra Rainey, treasurer, gave the financial report. Deke Kendrick, television committee chairman, reported on money collected. She suggested the purchase of a new portable television soon.

Evelyn Hughes, chairman of the new equipment committee, reported on suggestions given by Elda Hart, hospital administrator.

New business included a decision to buy tables to be used for the rummage sales.

Twenty-five members were present. After adjournment, the committee for the October rummage sales worked at the former Blossom Cottage where the sale was conducted on Friday.

New members are welcome to be

4-H Program Reaches Youth In Many Ways

Today's 4-H program is noted for its flexibility, a feature that makes it the largest youth serving organization in the country.

4-H is flexible because it is organized in different ways, for different needs, in different places, says Janette Pierce, county 4-H program coordinator with the Texas Agricultural Extension Service, the Texas A&M University System.

Organization may take the form of community or neighborhood clubs, project clubs, special interest groups, television and special activities. Young people may take part in 4-H through any or all of these.

The community neighborhood 4-H Club is associated with an area known to local people, such as a crossroads, a small community, or a town. The number of 4-H members in a club may range from five or six to more than 100. This type of 4-H Club continues from year to year. Both boys and girls belong to the club, enrolling in projects according to their interests, Pierce points out.

In many areas, 4-H is organized on a "project club" basis. Young people are encouraged to form these clubs for a year or less. In Parmer County, there is currently a 4-H Horse Club, other examples include project clubs for garden, clothing, dairy, automotive, bicycle and small engine. These 4-H Clubs vary in number of members from five to six to 50 or more. The 4-H project club territory may range from a neighborhood cluster of a few families to two or three towns--or an entire county. In many counties, members of community or neighborhood 4-H Clubs may belong to a larger 4-H project club. Teenagers especially like this system.

In special interest groups, the subjects taught depend on the interest and ages of the girls and boys related to the needs of their community. Young people may take part in this kind of intensive short-term group if they do not wish to be members of a 4-H Club. They may get training in bicycle safety, health, first aid, fire prevention and safety, or jobs in local businesses.

Special education activities often supplement 4-H programs. These include tours; 4-H junior and teen leader training workshops; achievement programs; camps, state conferences; seminars; recreational leadership training;

exhibitions; fairs and shows; project training meetings; and career exploration.

There are many special state and national events held for 4-H members each year. The largest national event is National 4-H Congress, held in late fall in Chicago, to recognize about 2,000 state, sectional and national winners. National 4-H Conference, held each spring at the National 4-H Center in Washington, D.C., involves 250 4-Hers in developing national 4-H programs.

Groups and individual 4-Hers take part in special activities as they gain experience and can benefit from them.

Whichever method suits youngsters best, 4-H has a way for them to learn and to have fun in an exciting program, says Pierce.

We Don't Want To Do This... ...but we have no choice.

You have been getting your Friona Star for the same subscription rate and the same newsstand price for years. We wish we could keep it that way, but we can't.

Effective Oct. 1, we are having to adjust our subscription rates.

In a series of increases that started last October, the U.S. Postal Service has doubled the rates for mailing your newspaper to you. The biggest increase (100 per cent) is on those copies mailed to people outside our county. Hence, our out-of-county subscription rate has had to be increased the most.

Effective Oct. 1, our new subscription rates will be:

IN-COUNTY SUBSCRIPTIONS	\$12.50
	Plus Sales Tax
OUT-OF-COUNTY SUBSCRIPTIONS	
One Year	\$17.00
	Plus Sales Tax
School Year (nine months)	\$13.50
	Plus Sales Tax

Our new single-copy price will be 50¢.
 We regret this increase, but due to the cost increases, it has been costing us more than 25¢ apiece to mail certain issues.

Freshmen Drop First Game, 28-16

The Freshman Chieftains lost their first game of the season last Thursday at Littlefield, 28-16, in a game marred by fumbles. The game was played in a steady rain from start to finish.

A Friona fumble on their own four-yard line led to an early 7-0 Littlefield lead. Later in the first half, the freshmen fumbled a snap on a punt try, and Littlefield turned that miscue into a 14-0 lead.

In the second half, Andre Duran ran five yards, then added two

points after to trim the lead to 14-8.

Littlefield scored on a long run for a 21-8 lead, but Duran came back with a 20-yard scoring scamper, and ran the points, to again make the game close at 21-16. But the home team got another long run for the final score.

The rain ruined the stat sheets, so no individual figures were available on the players.

The loss was the team's first after three wins. They'll get a chance to avenge the loss next Thursday here.

Runners Being Sought For Allsup's Roadraces

It's not too late to enter the 12th Annual Allsup's Roadraces and Marathon to be held October 18 promptly at 7 a.m. in Clovis, New Mexico.

Offering runners the best in regional competition, the annual event is unique in the Southwest in that it gives participants a choice of four races: 1) the full 26.2 mile marathon, 2) the half marathon, 3) a 10 k race and 4) a one mile run. All races will start and finish in the same locations, and the running surface is fast, flat asphalt throughout the courses.

Trophies will be presented to men first five overalls and women

first three overalls with awards in each age group for both men and women. Specially designed long sleeved t-shirts will be awarded to all finishers.

Running enthusiasts of all ages and distances are invited to enter the events this year. Registration fee is \$9.00. Entry deadline is October 17. All proceeds will go to the Clovis Roadrunners Club. The event is sponsored by Allsup's Convenience Stores.

For more information and entry forms contact your local Allsup's Convenience Store or call or write to Allsup's Roadraces, P.O. Box 1907, Clovis, N.M. 88101. Phone (505) 769-2311.

English. They threw the Anglophobe government out.

The kind of rhetoric that we hear about bilingualism from some of the Hispanic groups especially sounds much too much like the rhetoric that was heard in Canada that resulted in the divisiveness that so damaged that nation.

To top it off, the bilingual education programs advocated by the non-English speaking extremists are quite different from what they sound like. The "transitional" approach to teaching English to non-English speaking kids turns out to be a way of not learning English. The instruction is not unlike the way I was taught Spanish in high school--an hour at most a day, and then I spoke English the rest of the day, not only at home but at school as well. It was not until I happened upon another method of studying Spanish that I was able to master the language.

From all of the teachers who have contacted English First, it is clear that an intensive period of instruction, perhaps as much as a semester, should be provided so that a student can study English full time during that period. Then the student is ready to study the other sources in the curriculum--in English.

The goal of bilingual education should be to make the student bilingual. Bilingual should not become a code word for refusal to speak English.

To continue with the current failed policies characterizing much of bilingual education will produce a growing number of high school graduates who cannot speak English. They will not be bilingual, and they will not be employable.

For the sake of our nation's unity and economic prosperity, let's make English First. The voters of California have a great opportunity to take the lead in this effort because this November they get to vote on making English the official language of their state. The eyes of the country will be upon them.

The author, Larry Pratt, is President of English First, a grass roots organization of 100,000. Pratt has been a Virginia state legislator and currently serves as Secretary of the Council for Inter-American Security.

Girl Born To John Whites

John and Nita White of Friona are the parents of a baby girl born Sunday, October 5, at 7:31 p.m. in Palo Duro Hospital in Canyon.

Named Tara Gaye, the new arrival weighed six pounds, ten ounces and was twenty inches long.

Tara has one older sister, Misty, ten years old, and one brother, Clay, two years old.

Grandparents are Mr. and Mrs. Edward White of Friona and Mr. and Mrs. Dillon Patterson of Slaton.

Great-grandparents are Mrs. Fern White and Mr. and Mrs. C.W. Bradley, all of Friona.

Chief JV Falls 8-0

The Chieftain Junior Varsity lost their game at Littlefield last Thursday, 8-0, in a game played in a steady rainstorm.

A Friona fumble deep in their own territory was turned into the game's only points by the Littlefield JV.

"It was just three plays and punt, or three plays and fumble, all night long," said Coach Lynn Weiland.

The JV Chiefs were playing at Muleshoe Thursday.

Chieftains Score Exciting Win Over 4A Pampa, 19-13

Junior quarterback Daniel Echols, given the starting nod earlier in the week by Coach Tommy Moss, repaid his coach's faith with a pair of touchdowns and a solid performance as Friona High School upset the Class 4-A Pampa Harvesters, 19-13, in the Homecoming Game last Friday.

Echols scored the winning touchdown with 40 seconds left on the clock, dashing 15 yards up the middle on a keeper play to complete a fantastic come-from-behind rally and thrill the large Homecoming crowd.

"The main thing I was trying to do was get the ball in front of the goalposts to set it up for Sam (Montoya)," said Coach Moss.

There would still have been time for another play, but Echols' timely run erased the need for a last-second kick. Montoya had kicked two earlier field goals, including one that tied the score at 13-all with only 2:48 left in the game.

Echols took the snap and started to his right, then cut back to the middle. "They were watching for a sweep, and were spread out. I saw these two defenders about five yards apart and I decided to cut between them. At about the three-yard-line, I dived for the end zone, and stuck the ball across the goal. Then the official's hands went up," said Echols concerning his most important run yet as a Chieftain.

The Chiefs started the game as if they were following a script. They won the toss, but deferred to Pampa, allowing the Harvesters to have the ball first.

While fans were buzzing about this decision, Pampa fumbled on their first play and Friona had the ball at the Harvester 24.

Lonnie Phillips gave the team a first down at the 14, but three more plays found the team still at

7th Grade Now 3-0

The Friona Seventh Grade Braves coasted to their third win of the season, 30-8 over the Littlefield Seventh Graders here last Thursday.

Louis Abeyta scored three touchdowns for the Braves, on runs of 12, eight and 79 yards. Abeyta finished the game with 147 yards on 13 carries.

Curtis Brady gained 68 yards on 14 carries, including a six-yard TD burst.

As a team, the Braves gained 226 yards in the game.

The team was playing Muleshoe in their fourth game on Thursday.

the 14. Montoya came in to split the uprights with a 32-yard field goal, and Friona had a 3-0 lead with just 2:31 gone in the game.

Pampa ran three plays and fumbled for a second time and for a second time the Chiefs recovered, this time at the visitors' 30.

Phillips picked up a first down at the Pampa nine with a nice four-yard gain, then got three more to the six.

Echols rolled out to his left, turned on the speed, and dived for the flag. He had a defender trying to push him out of bounds, but the official said Echols had the ball in the end zone.

Montoya's kick gave Friona a 10-0 lead with 6:09 left in the opening quarter and Pampa must have been thinking "I thought they said this was the City Boys visiting the Country Boys, and the City Boys were favored."

Two costly penalties against the Chieftains helped sustain a Pampa drive in the second quarter. Once, the team had Pampa stopped on what would have been fourth and ten, when a flag was thrown for roughness, and Pampa got a first down.

From the Friona 47, the Chieftains again had thrown the Harvester ballcarrier for a loss when a 15-yarder gave Pampa new life.

The Harvesters scored following the second penalty, as quarterback James Ellison got outside for the only time all night and raced 36 yards to the end zone.

Pampa tried for two points, but were stopped, leaving the score at 10-6. That turned out to be the halftime score.

In the third quarter, Friona looked good on its second possession. Phillips gained 14 yards on a good second-effort run, to the Pampa 46. Then, Echols passed to Phillips for another first down to the Pampa 35.

Two plays later, Phillips took the ball and headed right. Seeing his path cut off, he cut back against the grain and dashed 33 yards for an apparent touchdown that would have given Friona a 17-6 lead. But a holding penalty against Friona wiped out the nice run.

It was fourth and ten from the 35 when Montoya was summoned to attempt a mammoth 52-yard field goal, but the kick landed short. Earlier this year, Montoya narrowly missed a 61-yarder.

The Pampa punter got off a great kick, which rolled dead at the Friona five--60 yards from the line of scrimmage, to put the Chiefs in a hole. The Chiefs had to punt back, and Pampa got the ball at

the Friona 44.

The Harvesters began an eight-play scoring drive that was capped by a run up the middle by Ellison. The kick gave Pampa a 13-10 lead with 9:58 to play in the game. Fans were hoping the momentum was not switching.

Friona drove from its own 20 to the Pampa 37, helped by a pass interference call, a 14-yard run by Echols on a quarterback draw play, and a 17-yard pass from Echols to Burney. But Pampa intercepted Echols at their own 24, and things looked bleak with only 5:15 left in the game.

But two plays later, Jeff Chaney applied a hit that separated Ellison from the ball, and Friona had it back at the Pampa 26.

Pampa, which was error-prone all night, got a personal foul penalty that erased another interception, and gave Friona the ball at the Harvesters' 11-yard line.

But after Jimmy Williams gained three, two Echols' passes fell incomplete. The third down attempt went off the fingers of Rusty Rainey, bringing up fourth down.

Montoya came in to kick his second field goal, and tie the game at 13-all with just 2:48 left on the clock.

Just when fans were ready to accept the tie, Pampa again lost the ball, at their own ten.

That set up the last-minute heroics by Echols, who darted up the middle with 40 seconds left. A low snap on the point-try made Burney decide to try a pass for points. The receiver fell down, leaving the score at 19-13.

Pampa had one last chance, but the Harvesters' passing game was not the best that night. Phillips worked his way in front of the would-be receiver and intercepted at the Friona 25 to salt away the game with 24 seconds remaining.

It was a costly win for the Chiefs, as starting cornerback Lance Gatlin had his ankle bone broken. Gatlin intercepted a pass to halt a Pampa drive, but when he was tackled his foot was under his body (as well as the tackler's). Gatlin will be out for six weeks.

Peter Malouf, in for two games after missing two, had a sprained knee, and was doubtful for the Muleshoe game. Glen Trimmell got a sprained ankle in the game.

"Most of them were freak injuries, especially Gatlin's. Lance was trying to pull away, and the kid fell on his ankle. Nobody even hit Peter--it just happened while he was running," said Coach Tommy Moss.

Moss said the game taught the team they could come back for a win. He said when he went for the tie with 2:48 left, he thought there was still time to score again. "We had all three of our time outs, and we had been playing well on defense," the Chieftain coach said.

Playing well on defense may be

an understatement. The Chiefs caused seven turnovers--four fumbles and three pass interceptions.

Moss credited the defensive secondary for a great game, not allowing a pass completion and picking off three passes. Also on the front line, Malouf and Chaney had some big hits. Chaney caused two of the fumbles.

GATLIN INJURED...Friona Chieftain Lance Gatlin is being helped from the field by coaches Don Herbert and Lynn Weiland after his injury, which turned out to be a broken ankle, in the early part of last Friday's game. Gatlin had just made a big defensive play, intercepting a Pampa pass. A fourth-quarter rally won for FHS, 19-13.

BIG PLAY...Lonnie Phillips (22) is shown after intercepting a Pampa pass late in the game, which put the frosting on Friona's exciting 19-13 Homecoming win over the Harvesters. Phillips had a touchdown called back by a penalty. (Photos by Nita Clark)

plumber features the latest equipment and techniques to get your job done fast and right. They are thoroughly knowledgeable in all phases of plumbing installation and repairs, and they'll be happy to discuss any project you have in mind.

Local residents are reminded to call this respected plumbing firm for complete hot water heater sales, service, and installation. They feature a complete line of quality products in addition to their famous service. The writers of this 1986 Fall Business Review suggest that you contact **BARRETT PLUMBING COMPANY** first.

HEREFORD PARTS & SUPPLY INC.

Dwayne Greathouse-Manager

When you need a hard-to-find part for your car, check with the area's leading auto parts store first! **HEREFORD PARTS & SUPPLY INC.**, located at 702 West 1st in Hereford, phone 364-3522, features parts for ALL cars and offers the kind of service that makes repeat customers out of everyone. Serving Hereford since 1945, they can assure you

they know the parts business. Whether you need a factory replacement item, or custom accessories for your car, this is one parts house that is never "fresh out."

In compiling this 1986 Fall Business Review, we the editors, feel no profile of trade leaders of this community would be complete without permanent mention of this outstanding parts house.

F-I Opens New Amarillo Office

In a move designed to expand the range of its services, Friona Industries has opened a new office in Amarillo, Texas. The Amarillo operation will handle the company's Cattle Procurement, Commodity Procurement, Cattle Sales, and Customer Services for all six of Friona's feed yards.

Friona Industries is also relocating its Agricultural Credit Corporation subsidiary to the new Amarillo offices. Said F.I.'s president and chief executive officer Dennis Farley: "This enables us to offer a completely integrated service to both ranchers and investors interested in feeding cattle. At a single location, a customer can find the answers to his feed, sales, and financing needs, as well as a source for all the management information that accompanies the business of feeding his cattle."

Heading up the Credit Corporation is Amarillo resident Leonard A. Herrington. Said Friona Industries chairman Ron Davenport: "Mister Herrington's years of experience in the banking industry, together with his fifteen years of ranch management experience, qualify him admirably for his new position."

Establishing the Amarillo office will involve the relocation of employees from Dallas, and from Friona, and the hiring of several local people, bringing the total number of staff to almost twenty. The operation has leased 3,700

square feet of office space in the Lakeview Office Center.

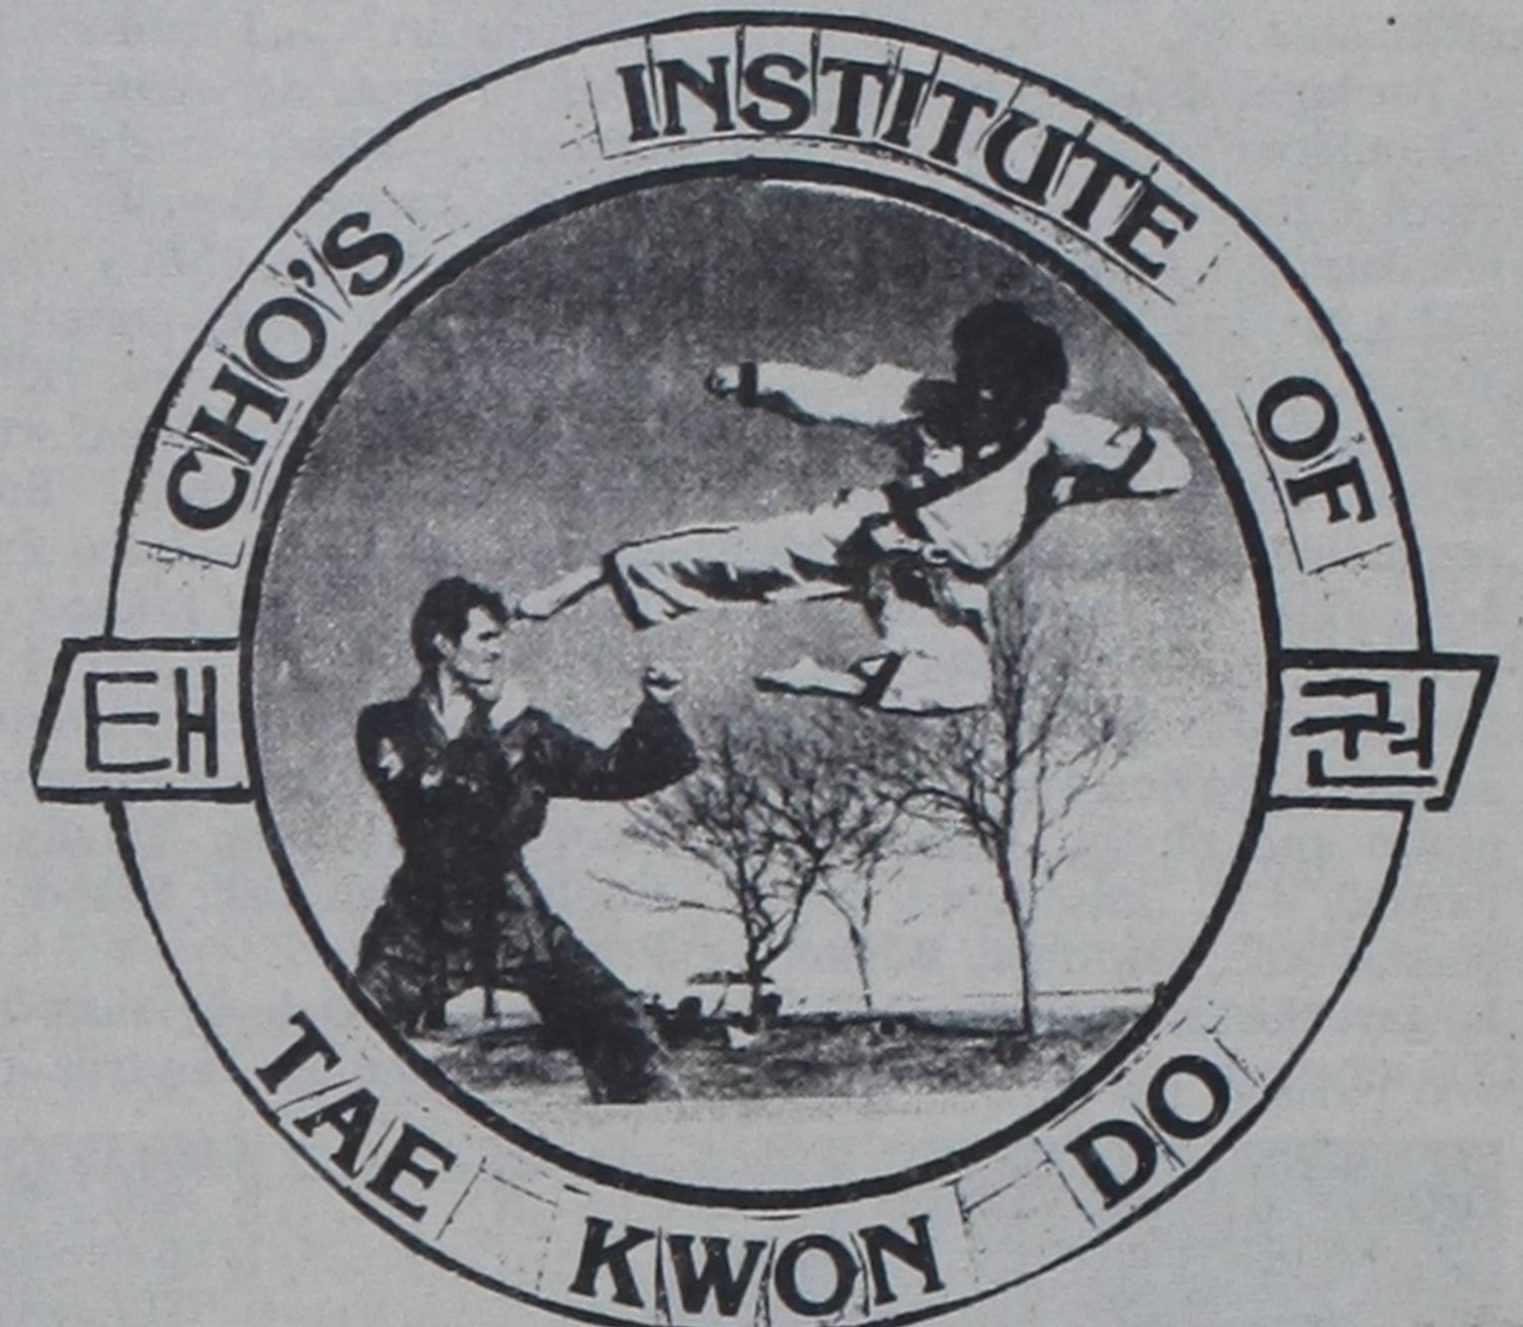

Friona Industries is based in Friona. It operates feed lots in Amarillo, Friona, Littlefield, Tulia and Springlake, with a current employment of 380. Its principal divisions are Hi-Pro Feeds, which supplies commercial feeds, Hi-Pro Animal Health, which markets animal health products, Friona Transport, a commercial trucking concern, and Black Grain, a commercial elevator.

The new office is located at 2505 Lakeview Drive, and can be reached at (806) 359-4511.

ENTERTAINS...Michael Murphy sang at the special youth concert here last Saturday night. A big crowd attended. Murphy is a graduate of Friona High School.

LHS Cancels Schedule

Hamppered by injuries and not enough players, the Lazbuddie School Board voted to cancel the rest of the football season for this year.

plained that Lazbuddie had only 14 players going into last Friday night's game with Bovina. Two players were injured, joining a previously injured player, leaving only 11 players for the Lazbuddie team.

He also said four of the 11 players were only freshmen, so in order to prevent further injuries to the players, it was decided to cancel the season.

"We are by far the smallest school in the district," said the superintendent. "We only have a total of 64 students in high school."

"This year, we only had two seniors on the team, and we lost six good seniors from the team at the end of last year."

The four teams Lazbuddie's Longhorns had played this year prior to the determination to cancel the rest of the season were Melrose, Springlake-Earth, Happy and Bovina.

Kathy Beard Is Speaker

Kathy Beard, Chamber of Commerce manager, spoke on "What Friona Means to All of Us" at the Friona Woman's Club meeting October 8 at the Club House.

The meeting was called to order by Geneva Williams, president. Roll call was answered by each member responding to Mrs. Beard's topic.

Agnes Moyer led the members in the "Club Collect." Mabel DeLong served refreshments to ten members.

J.P. Report

Frances Euler, Justice of the Peace, Precinct 2, has reported the following activity for the third quarter of 1986: 623 criminal cases filed; 27 civil cases filed; 66 warrants issued; 578 criminal cases disposed of by payment of fines. Total fines and fees collected: \$20,417.00.

There were five drivers license suspension hearings held; 43 cases dismissed after defensive driving course; six cases appealed to County Court. Fifty-six paid fines for failure to wear a seat belt. Judge Euler served as coroner once in Precinct 1 and once in Precinct 3.

During the same period in 1985, there were 484 cases filed and fines totaled \$13,899.

Mrs. Argen Draper

We wanted electricity but nobody would serve. Then... Deaf Smith Electric Delivered!

And believe me it was the brightest day of our lives. Our rural area was not considered profitable for electric service and we had to make-do the best way we could. Then Deaf Smith Electric delivered power to our place and our lives were transformed.

We own the system, we enjoy a marvelous electric service, and we share in \$5½ million in capital credits. Deaf Smith was, is and will be the greatest friend possible for rural people.

If you want to see the future, take a look at the past.

AT ACHIEVEMENT BANQUET

4-H Award Winners Are Announced

The 1986 Parmer County 4-H Awards Banquet was held Saturday, October 4 at the Friona Community Center. One hundred sixty-three people were in attendance.

The highlight of the banquet was the announcement of the high point winners in the Project Fair held earlier in the day. Many other 4-H achievements were presented, also.

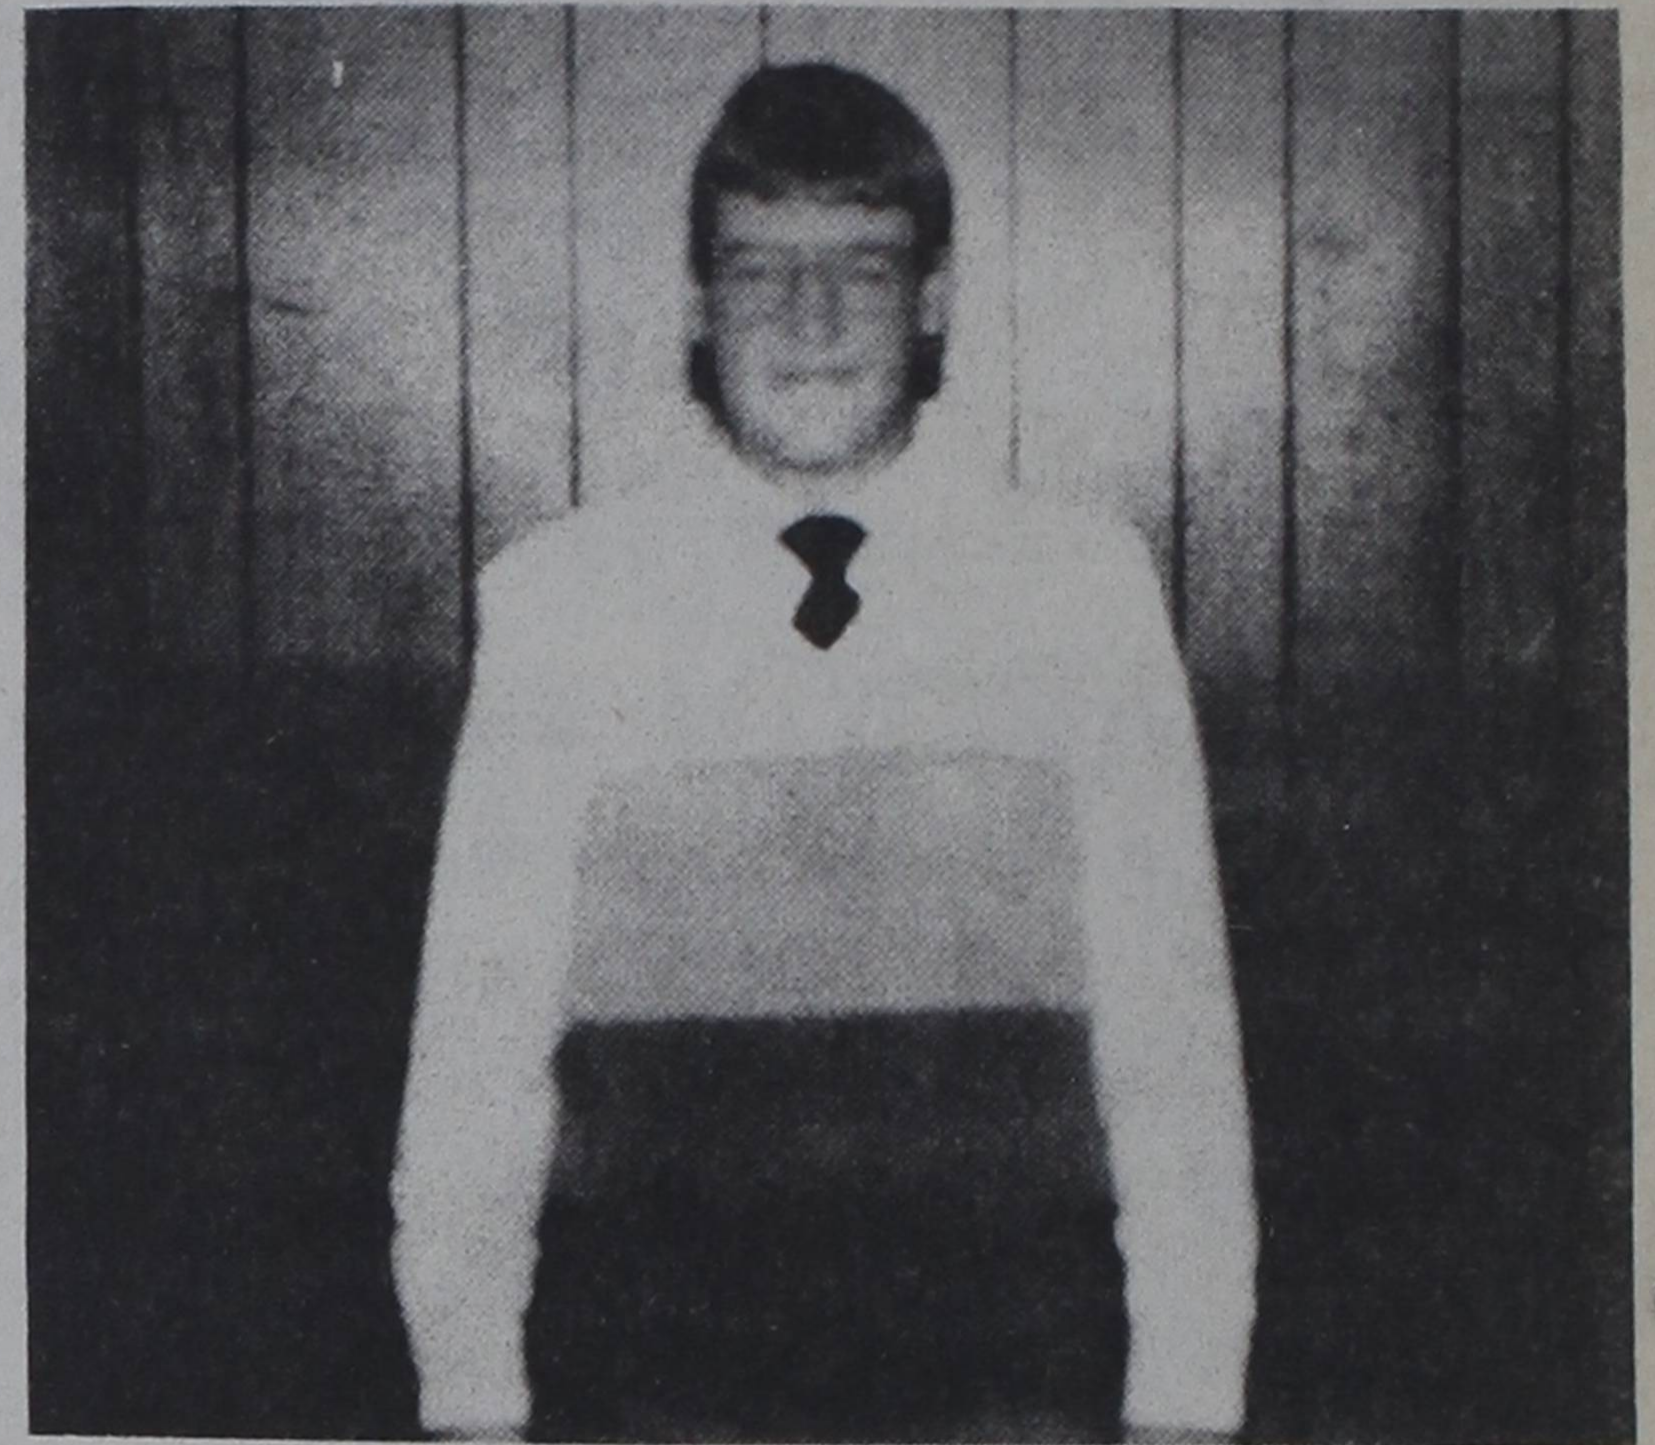

Daniel Hutchins, Farwell 4-H'er, served as master of ceremonies. Steve Gerles, Farwell 4-H, gave the invocation. Jarah Redwine, Lazbuddie 4-H, led the Pledge of Allegiance. Leah Steelman, Bovina 4-H, led the 4-H motto and pledge. Dana White, Farwell 4-H, introduced special guests. Andy Stormes, Bovina 4-H, gave the benediction.

Awards given were as follows:

BUCKET CALF COMPETITION....Amanda Hicks, a member of the Friona 4-H Club, is shown with her calf in Saturday's bucket calf competition at the Friona Community Center. She is the daughter of Durrell and Brenda Hicks.

NATIONAL

4-H WEEK

A SALUTE

All across the nation, the dedicated young members of 4-H are making a difference. Through group projects and 'hands on' experience, they're shown how to get things done for the betterment of the community, and the nation, and we're proud to offer our support and appreciation. To 4-H members and leaders, we say, "You're tops!"

we're for you 

We look upon the 4-H Club as an investment in the future, for the young members of today are the responsible and concerned leaders of tomorrow. All across the nation, 4-H Clubs are helping young people to become aware and involved in the world around them. Through individual projects and active participation, they're given an opportunity to help build a better community, as they develop independence, initiative and character. We're proud to salute 4-H members and leaders for the important work they do.

CONGRATULATIONS

you've put it all together **4Hers**

There's a lot of "scare" talk about America's youth these days. Every paper you read. Every time you twist a dial. You worry. Then, you start thinking about a great bunch of kids who make up 4-H. The kids who make up America. They've dedicated their growing-up years to learning and helping. Developed skills and put them to work — at home, in their communities. They're "hip" on strong bodies and strong character. They care about the world. Suddenly, the "scare" talk turns into "care" talk. And you relax. It's bright and hopeful again. Thanks, all you 4-H'ers. America's future belongs to you. You are America's future!
