HICO, TEXAS, FRIDAY, OCTOBER 14, 1949.

NUMBER 22.

VOLUME LXIV

## SCHOOLHOUSE HILL BEING SHAPED UP FOR PLAYGROUND

A long-needed improvement was taking definite shape at the grounds of the Hico Grammar School this week, when a large bulldozer started leveling the hill between the building and the Stephenville highway. When completed the site will provide safe playgrounds for the smaller children, who have not been able to enjoy their recess periods to the fullest extent heretofore.

The machine and operator had been engaged at a cost of ten dollars an hour. Superintendent J. E. Lincoln explained Wednesday at a Lions Club meeting. At first it was planned to level the entire hill, but due to the extreme fall, as much as 18 feet in some places, the price would have been prohibitive. A deal was made for 45 hours of work, after which it was thought that the project could be handled by a maintainer which would be cheaper in cost. A very nice area will be provided, the superintendent explained, pretty well across the side of the hill, and about 200 feet down. Encountering only floating rocks instead of the expected rock strata has reduced the labor cost.

Cost of the project is being shared by the school board, various civic organizations and individuals who have tendered donations. The project was initiated last year by the Hico Review Club, and recently was revived on the present scale. The club ladies have put a lot of effort into the project and are grateful for the cooperation they have received, although there is still a considerable amount of money to be raised.

## Free X-Ray Service Reaches Thousands In Tuberculosis Fight

Free X-ray service reached 59,859 Texans in the third year of operation of the Texas Tuberculosis Association's X-ray Service among apparently healthy people, according to the 40th annual report of the Association just released by Pansy Nichols, executive secretary. According to the report 21 per cent of those X-rayed were classified as having definite or suspicious tuberculosis; 400 of these films showed other pathology such as heart ailments or cancer.

Miss Nichols pointed out that during the 3 years the total number of X-rays taken reached 188,521. The Association is now operating a mobile X-ray bus donated by the Texas chapter of Beta Sigma Phi, business women's sorority. The Association expects to reach 80,000 people with this unit during 1949, according to Miss Nichols.

The program of work outlined in the report is financed solely by funds raised in the annual Christmas Seal Sale. Highlights of the report include health education work with schools, colleges and professional groups; cooperation with State and welfare agencies interested in health and field service to the 87 local tuberculosis associations in Texas.

## Governor Proclaims OIL PROGRESS WEEK

Oil Progress Week, October 16 through October 22, became an official Texas occasion when Governor Allan Shivers delivered a signed proclamation of the event to E. C. Scurlock, independent Houston oil man, Texas chairman of the Oil Industry Information Committee

## Greatest First Day Crowd At State Fair In Spite of Rains

The most spectacular State Fair in Texas history began its 16-day run in Dallas Saturday and, despite cloudy skies and some rain, enjoyed its greatest opening weekend.

Opening day attendance totaled 209,556, including 2000 press and radio representatives and an overflow crowd of more than 75,000 in the Cotton Bowl for the annual Texas-Oklahoma football game.

On opening Sunday 132,781 people visited the fair, sending the world's largest exposition merrily on its way to an anticipated all-time attendance record of better than 2,000,000.

Biggest drawing card at the fair proved to be the "Man and Atom" show from Oak Ridge, Tenn. Spike Jones and his hilarious "Musical Depreciation Revue," and the famed Joie Chitwood auto daredevil drivers, with Suicide Simon who blows himself up with dynamite daily, ran the atomic exhibit a close second.

The midway, featuring Sally Rand and her all-girl revue; and the foreign exhibits from Belgium, Great Britain and the Philippines were the next most popular with thousands of festive fairgoers.

The fair's second weekend, always its biggest, again promises to outdo anything seen before at the big exposition.

Rural Youth Day on Saturday will bring together more than 75,000 farm boys and girls. Another Saturday feature will be the SMU-Rice football game in the bowl, a clash between two top Southwest Conference grid powers.

Groups to be honored Saturday include Oak Ridge Institute of Nuclear Studies, State Employees, and Texas Native Sons and Daughters.

The dairy cattle and junior livestock show begins Friday. Palomino horses will be judged Saturday and Sunday.

On Sunday, Oct. 16, the fair will honor the Texas A&M College System, and the grounds will be crowded with thousands of Aggies. Texas Rural Letter Carriers will make awards to the most outstanding among their fellows; barber shop quartets will hold a singing convention, and volunteer firemen will compete in exciting pump races.

## Texas Children Would Get Break In Ideal School

Austin, Oct. 16—Texas children will be exposed to the "three R's" in an atmosphere of healthfulness, color and efficiency if educators have their way in planning schools of tomorrow. R. H. Jacobs, director of the school division of Minneapolis-Honeywell Regulator Company, said today after analyzing a nationwide survey of schoolhouse trends.

The study, conducted by School Management to determine what educators are considering for "the ideal elementary school of 1950," includes views of city, county and diocesan superintendents in leading Texas cities. In all, the questionnaire went to 19,400 schoolmen in the United States.

Texas' hypothetical ideal school would be a one-story brick building of "functional modern" design containing 17 classrooms and such special service rooms as an auditorium, cafeteria and music room. Jacobs' analysis showed. It would cost \$229,669, according to the average of estimates.

Factors that affect pupils' health and welfare, 74 per cent of those who replied said they would specify individual room thermostat control of temperature and 3 per cent approved manual controls which would leave the temperature regulation job up to teachers.

Classrooms would have more color, 41 per cent said. Twenty-one per cent would use colored chalkboards instead of conventional blackboards.

The superintendents were in rather close agreement on the items they could eliminate in an "austerity program." In reply to a question: "If for the sake of economy (to save about \$10,000) you had to eliminate three of the following items, which would you cut out?" they voted: glass block panels, 20 per cent; pitched roof, 24 per cent; radiant heating, 20 per cent; asphalt tile floors, 11 per cent; acoustical ceilings, 2 per cent; room temperature controls, 5 per cent.

HICO GARDEN CLUB CIVIC COMMITTEE.

## OCTOBER LAWNS

Someone has suggested that lawns from now until Spring would hardly be worthy of any special mention, but take time to drive by the home of Mr. and Mrs. J. R. Bobo—to say the least, it's all a picture.

Then go by Mr. and Mrs. W. H. Brown's old-fashioned garden of fall flowers, especially red velvet cockscomb, shrimp plant and Christmas peppers. Everybody is busy cleaning yards for winter keeping. How about planting winter grass?

HICO GARDEN CLUB CIVIC COMMITTEE.

## 'HUNGRY LIONS' HEAR THEMSELVES AT THEIR WORST

"Just a Bunch of Hungry Lions" was the title given the program staged at the Wednesday noon meeting of the Hico Lions Club, held in Fireman's Hall, by Lion S. E. Blair Jr. It proved to be one of the best of the season.

Lion Blair had hidden a wire recording machine in an old stove in the corner of the room where a delicious smothered chicken plate was served by Mrs. Jackie McCook and her Texas Cafe force, and while the preliminaries and the meeting itself were in progress the inanimate device recorded the goings-on. When called upon for his program, the manager merely un-earthed the recorder and started it playing back. Needless to say, the Lions were properly tamed.

Practically all the proceedings came out clearly from the opening gong struck by Lion Norton, through the singing of "America," led by Lion W. R. Hampton, and the invocation by Lion Bobo, and during the meeting which was patrolled by Lion Blair as Tail Twister in the absence of the regular official, Luther Knox. Countless coins assessed as fines were heard to drop in the skillet.

A report on the playground improvement program in progress at the school was heard by Lion J. E. Lincoln. The Lions Club voted to back this project morally and financially as far as possible.

After report of the carnival committee, the club voted to abandon this project.

Lion Sirman's suggestion that a football team made up of Lions engage a similar team from Hamilton in two games, one at each town, was discussed pro and con. Decision on this proposal was held over until the next meeting.

Visitors for the day were W. L. Dabney of Black Stump Valley and A. D. Horton of the Greyville community, guests of Lions Arthur Burden and Odhis Petsick, respectively.

Lions present other than named above were Morgan Moon, Doyle Love, J. T. Hitt, D. E. Bullock, Max Hoffman, J. B. Woodard, R. L. Holford, H. N. Wolfe, H. V. Hodges, Wayne Rutledge, W. F. Hafer, W. B. Coats, W. D. Bradley, and M. I. Knudson.

## Iredell to Play Gatesville B Team Saturday Night

The Iredell Dragons tangle with the B team of Gatesville High School on the Iredell field, Saturday night, Oct. 15, at 8 p. m.

The same teams met on the 15th of September with Iredell the winner by a 13-0 score. The game is a non-conference affair.

After a close game last week which the Dragons dropped to Meridian 7-0, they are expected to bounce back in the win column and the fans are offered a good game.

## REVIEW CLUB TO PUT ON RUMMAGE SALE SATURDAY

The Hico Review Club has announced a rummage sale for Saturday, Oct. 15th, in the building west of the Texan Cafe, across the alley from the News Review. At this time many useful articles will be offered for sale, and the receipts from the sale will go toward the club's school playground improvement project.

Clothing for children and adults, shoes, hats, etc., woolen material for rugmaking, pitchers, vases, beads, bric-a-brac—in fact most anything that comes to mind will be offered for sale, and opportunity will be furnished the public to purchase worthwhile articles at a fraction of their real value.

A committee composed of the club's president, Mrs. Marvin Marshall; Mrs. Wayne Rutledge, Mrs. L. J. Woods, Mrs. R. B. Jackson, and Mrs. J. T. Appleby ransacked the premises of every member of the club, and others have assisted in assembling the items to be put on sale, responsibility for providing which was taken by the members.

The ladies engaged in this worthwhile undertaking are anxious that everyone come by and inspect the offerings, whether they have any definite purchase in mind or not. It may be that something very useful will appear out of nowhere, they say, and they will be indeed happy to show their wares.

## Receives Advice On Treatment of Trees Affected by Fungus

Property owners of this area have been greatly concerned for some time over the large number of trees dying from causes as yet undetermined.

Having lost one large hackberry tree in his yard recently, which was blown over in a windstorm, R. F. Wiseman noticed another tree affected by a growth near the ground and wrote the Extension Service of Texas A. & M. College for advice. He received the following reply, which may be of use to others who are worried about similar symptoms in their trees:

College Station, Oct. 6, 1949. Mr. R. F. Wiseman, Hico, Texas.

Dear Sir: We have your letter in which you state that a large hackberry tree in your yard has toadstool fungus growing at the ground line. This type of fungus accompanies the rotting and decay of the growing tissue of the plant. In some instances, the trouble may be started from cotton root rot fungus which destroys a part of the root system and later the toadstool fungus takes over.

In most cases, the trees so affected do not survive for a long period of time. We would suggest that you take a sharp hatchet or wood chisel and cut out decayed wood back to the hard, healthy tissue. Paint the wood surface with a mixture of equal parts of carbolineum and asphalt. In addition, it would be well to apply a liberal quantity of barnlot fertilizer to the soil around the trees to stimulate growth next spring.

Yours truly, J. F. ROSBOROUGH, Extension Horticulturist.

## Congressman Burleson Invited to Attend United Nations Session

Washington, D. C., October 8.—Congressman Omar Burleson has been extended an invitation by Secretary of State Dean Acheson to visit the Fourth Regular Session of the General Assembly of the United Nations, which is now in progress.

Congressman Burleson received the invitation, with the expression from the Secretary that the Department of State would like very much to have the Congressman, as a member of the House Foreign Affairs Committee, visit the United Nations to observe the operations of the General Assembly, its Committees, and the United States Delegation to the Assembly. He said that he believed such a visit by Senators and Congressmen chosen from the Foreign Relations, Foreign Affairs, and the Appropriations Committees of both houses, and the Armed Services Committee, would be of great value to both the United Nations and to the Congress.

Burleson has not yet responded to the Secretary of State's invitation, but expects to do so when plans for adjournment of Congress are definite. He says he hopes he can accept, but is not certain because of prior commitments.

Longview, Texas, was named by surveyors who were impressed with the long-distance view from the town site.

## Walking Want Ad For CROP Drive

When Marilyn Trick (above) goes out after contributions for the Christian Rural Overseas Program (CROP), she literally becomes a walking want ad. She wears this blouse made from CROP pamphlets and newspaper advertisements.

Marilyn is one of more than 100,000 volunteers who will solicit farm commodities for shipment overseas in the CROP harvest drive to be launched soon in 33 states, including this one.

During harvest last year, CROP volunteers assembled over 2,000 cartons of foodstuffs which were shipped to 22 foreign countries. Goals have been increased this year. The campaign is sponsored by Catholic Rural Life, Church World Service (22 denominations) and Lutheran World Relief.

## Guy O. Eakins Jr. Died Wednesday At Hospital In Colorado

Wood reached Guy O. Eakins Jr. in Hico early Wednesday morning that his son, Guy Jr., had died at Fitzsimons General Hospital, Denver, Colo., at 3:00 a. m. He was hospitalized there for an emergency appendectomy, performed Friday, September 30, and had undergone another operation last week.

Plans for the funeral are pending the arrival of the body, which was shipped to Fort Worth by Texas Zephyr due to arrive there Friday morning at 6 o'clock. Barrow-Rutledge Funeral Home of Hico will convey the remains overland to Hico, and probability is that the funeral will be Saturday. A brother, Pfc. Don O. Eakins, is on his way home from overseas.

Guy's mother and his sister, Mrs. K. P. Thomas of McAllen have been at his bedside since early last week, along with his wife and four children. Mr. Thomas joined them later when Guy's condition became more serious. They are all expected in today on the same train to Fort Worth.

## U. S. Dept. of Agriculture's OFFICIAL REPORT ON WEEKLY SWING OF FARM MARKETS OVER THE SOUTHWEST

Some southwest farm products brought higher prices during the past week, while many others declined to lower values, the U. S. Department of Agriculture's Production and Marketing Administration reports.

More eggs came on the market this week, as cooler weather stimulated laying, and as more pullets started laying. Prices eased in spots. Most markets quoted young chickens a cent or two lower. Hens also weakened slightly. A few turkeys went to market at 30 to 35 cents a pound for turkey hens and 24 to 30 for toms.

Wholesale markets for southwest fruits and vegetables recorded many lower prices this week. Liberal receipts at most markets, with rather slow demand. Light receipts at New Orleans had fairly good trading. Sweet potatoes strengthened over the week end in Southern Louisiana. Demand improved for Colorado potatoes and onions, and prices rose slightly. Best Red McClure potatoes sold around \$2.

More cattle and calves went to market in the Corn Belt last week than the week before, but less calves arrived in the Southwest. Beef and veal sold steady to higher for the week, but calf meat weakened. Slaughter calves and some stocker cattle sold lower Monday than a week earlier, but other cattle ruled steady to higher. Good and choice killing calves sold from \$18 to \$22 in Texas.

Increased hog marketings and lower dressed meat prices resulted in weaker hog markets. Butchers

## TIGERS LASH WILDCATS FROM WHITNEY 20 TO 7

By BILL NORTON

The Hico Tigers stepped out again last week for another win after their defeat the previous week, running out two touchdowns in the third quarter and one in the fourth. Whitney's lone touchdown came in the fourth quarter.

During the entire first half both teams played on the ground, using few passes. The Tigers made some long gains but were never able to cross the goal during the first half and with the end of the first period the score stood 0-0.

With the beginning of the second half, both teams came back strong, the Tigers staying with their ground plays and the Wildcats taking to the air. Ross scored early in the third period for the Tigers and Burden scored later in the same quarter. Ratliff kicked both extra points. In the fourth quarter the Wildcats scored on a long pass from Harris to Ward and passed over for the extra point. The Tigers came back and Burden ran up another touchdown but Ross failed to run the ball over for the extra point. The Wildcats threatened for another score on their passes, but were never able to gain pay dirt before the gun sounded.

This week honors go to Jimmie Ables, a little guy on the squad but one that stepped out with some real running around end or off tackle. Jimmie was injured about half the time but is back at work this week and will be ready for the next game. And it's hats off to all the Tigers for a good game, at least during the third quarter. They were slow getting warmed up in the first half, but all of them were playing as a team, and each boy was keeping up with his assignments throughout the game.

The game with Comyn for Friday night has been canceled.

The band and pep squad stepped out with the Tigers this past week and presented a very beautiful and challenging half-time review. They came on the field from the south end abreast, then formed to marching formation; marching the length of the field; then counter-marched to the fifty yard line where the band formed a circle around the pep squad who had formed a cross. The playing lights were turned out and the band and pep squad turned on red and blue flashlights. The band had formed the rim and the pep squad had formed the hub and spokes of a large wheel. As the lights came back on they again went into marching formation and off the field.

## Highest Secondary Road Bridge

Texas' highest secondary-highway bridge and one of the major projects in the Texas Highway Department's multi-million dollar secondary road program is this bridge just completed across the Pedernales River canyon 30 miles west of Austin in Travis County. Rising 120 feet above the canyon bed and 90 feet above the waters backed up by the Mahanfield (Marshall Ford) Dam impounding Lake Travis, the structure is a four-span continuous deck truss bridge containing 680 tons of structural steel supplied by U. S. Steel's Virginia Bridge Company.

It is one of the longest secondary bridges in the state—900 feet—with two 200-foot approach spans and two 250-foot center spans. The bridge is also unusual in that, following erection of the initial approach span, the remaining three spans were erected using the cantilever method with a minimum of supporting falsework. Main supports consist of steel tower bents set on concrete foundations. General contractor for the superstructure of the new bridge, which carries a 26-foot roadway and two walkways, was Luther A. Turner & Son, Austin.

**Fairy**  
— By —  
Correspondent

We experienced high wind over the week end, but at this writing we have calm, partly cloudy weather.

Edd Allison has been on the sick list for the past week. He was a patient at the Hico Hospital a while last week but glad to report him much better. He was bordering on virus pneumonia.

Mrs. P. L. Cox left Monday for a few days visit in the home of her daughter, Mr. and Mrs. Charles Price and Cheryl Kay of Austin.

Mr. and Mrs. V. H. Heyroth of Gatesville moved here last week. They will reside on the Richardson place near Fairy. They are former residents of Fairy.

Mr. and Mrs. Raymond Driver and family of Texas City came in last Friday and are visiting in the home of their parents, Mr. and Mrs. Frank Driver and Mr. and Mrs. M. E. Parks and family. They came up to be here with his mother who underwent surgery at the Blackwell Hospital in Gorman last Saturday. Mrs. Driver survived the operation and is doing as well as can be expected at last reports.

Mrs. Pat Patterson and children spent from Friday until Sunday in the home of her brother, Mr. and Mrs. D. E. Allison and family of Dublin. Mr. and Mrs. Allison brought she and the children home Sunday and visited here with relatives.

Mr. and Mrs. Carl Ray Sellers were in Fort Worth Saturday to attend the wedding and reception of his nephew, Art Gilmer and Miss Billie Marie Glage.

Burning feed was still smoldering Sunday at the site where the T. L. Betts barn burned a week ago. Mr. Betts wishes to thank all who assisted in any way during and after the fire.

Mr. and Mrs. Russell (Bush) Adams and daughter moved near Stephenville the first of the week.

where he will be employed at a dairy farm. We regret to lose them but hope they will be well pleased in their new location.

Mr. and Mrs. Milford Miller of Fort Worth visited here last week with their parents, Mr. and Mrs. A. J. Miller and Mr. and Mrs. M. E. Parks and family.

Little Jimmie Don and Carolyn Sellers spent last Saturday and Saturday night with their grandmother, Mrs. Jesse Massengale of Carlton. Their parents came in from Fort Worth during the night and spent the remainder of the night there also.

Mrs. Beatrice Oglesby and brother, Lewis Heyroth of near Lantham visited Sunday in the home of their brother and wife, Mr. and Mrs. V. H. Heyroth.

The writer was a visitor at the Briscoe oil well drilling site, on the former Blacklock place south of Fairy last Sunday afternoon. From the looks of the equipment on the grounds, seems they have hopes of something in store. Visitors were there from Hamilton, Cranfills Gap, Hico, Carlton, Lantham, and Dublin. The Briscoe site is only a few miles from the well being drilled on the former Tinkle ranch and visitors usually go from one site to the other when visiting. Many have profited from the sale of royalty and leases in this section.

Mrs. Maude Whitson spent the week end in Fort Worth in the home of her son, Mr. and Mrs. Whitson and baby.

The young cocker spaniel dog of Audie Parks was found wandering about one and a half miles from home. It was first feared he had got loose, as Oran Williford had recently lost their cocker spaniel dog in this manner.

**FAIRY SCHOOL NEWS**

**Senior News**

Well, here we are back to school ready to get into more trouble. We were a few minutes late taking up this morning because someone got the tangles of the bell.

Seems everyone had a good time last Monday night on the Wiener roast, especially the girls and boys who were in the car together.

Fairy played Pearl in football Friday night and was defeated 25 to 20.

The Seniors were mighty mean to the Freshmen Wednesday.

**Junior News**

We met Oct. 7, 1949 in Mr. Jones' class room. We elected officers as follows:

President, Patsy Dansbee  
Vice President, Lera Blakley  
Secretary, Jerry Dunklin  
Reporter, Lera Blakley.

We have a junior and senior class. The junior was the 5th and on down and the senior was the 6th and on up. We plan to sew and cook this year.

As Monday morning finally rolls around, it is a very dreary scene.

The Tigers played a good game but they had a little bad luck. They are planning to do better Thursday night against Carlton.

The "Big Four" will continue to study as this week is six weeks test. Did I say continue to study? Excuse me, just simply study.

It seems that one of the sophomores went on a spy trip down the Meridian Lake last week where the juniors and seniors were attempting to have a wiener roast. The spy was Norma Ruth as usual. She reported to the others that the couples thrown together were: Alton and Jo Ann, Milton and Virginia, Bobbie Dell and Weldon and of course, Delbert and Norma Ruth came later while most of us were in the show. It seems that some food was missing when we returned to the car. No joking, we were glad to have you, Norma Ruth.

We should all have a new garden this year as the picture man was here today.

**Sophomore News**

The reporters, Maxine and Audine have been busy writing themes this morning for Mr. Newton as usual. We were talking in study hall. Five pages, I hope he can read them.

Norma Ruth has a smile on her face since the wiener roast of the Juniors and Seniors last week. Seems she barged in on them.

Some cute poses were observed this morning by the faculty. Mr. Newton was making faces and Mr. Harper was laughing at the way we looked.

We can't help it though.

**Freshmen News**

Well, "hi" there. This week finds Louise without any shoes. She just got through taking her shoes off and sticking her feet in my lap. Oh, what an odor.

Wednesday came around the other day and we little Freshmen got initiated. We thought we would never get the castor oil out of our hair. In fact Don came to school the next day with some lip stick on.

We are going to have six weeks test this week. Everyone is looking forward to them. We also had our pictures taken this morning. We saved Cleon to the last so we would get ours made before she broke the camera.

**Fairy 4-H Club News**

The 4-H girls met for the first time this school term, Oct. 7. Patsy Ann Little, our last year's president, called the meeting to order and we elected the officers as follows:

President, Mary Nell Jones  
Vice President, Patsy Ann Little  
Secretary, Gwendolyn Jackson  
Reporter, Sherry Cunningham.

The junior girls then elected their officers.

In the senior girls we had 13 girls who hope to join the club. The seniors girls hope to learn more about cooking and sewing.

We were very happy to have Miss Poe and Mrs. Bradley to attend our first meeting.

We would like for the girls and friends to attend each meeting.

**AN ORDINANCE** regulating vehicular traffic, after sounding of fire alarm, and regulating parking during the progress of fires within the city limits of Hico, Hamilton County, Texas, and prescribing penalties for violation.

BE IT ORDAINED by the City Council of the City of Hico, Hamilton County, Texas:

SECTION 1. While the Fire Alarm is sounding, all traffic shall pull to the curb and stop, only exception to this, being: ACTIVE FIREMEN on their way to the Fire Hall or to the scene of the Fire.

SECTION 2. FOLLOWING FIRE APPARATUS PROHIBITED—The driver of any vehicle, other than one on official business, shall not follow any fire apparatus traveling in response to a fire alarm closer than five hundred (500) feet or drive into or park such vehicle within the block where the fire apparatus has stopped to answer a fire alarm. DOUBLE PARKING IS PROHIBITED within 3 blocks of any fire.

SECTION 3. CROSSING FIRE HOSE—No driver of ANY vehicle shall drive over an unprotected hose of a fire department when laid down on any Street, alley, or private driveway, to be used at any fire, or alarm of fire, without the consent of the Fire Department official in command.

SECTION 4. PENALTIES—Any person who shall violate any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction shall be fined in any amount not less than \$1.00, nor more than \$200.00.

SECTION 5. THE FACT—that the thoughtless actions of people going to and around fires, not only greatly hampers the efforts of the firemen, but also hazards Life and Property, creates an emergency and an imperative public demand that the rule requiring that ordinances be read three several days be suspended, and that this ordinance take effect and be in force from and after its passage and publication, and it is hereby so ordained.

Passed and approved this 3rd day of October, 1949.

DR. H. V. HEDGES, Mayor.  
MRS. J. R. McMILLAN, City Secretary. 21-2c

by Miss Stella Jones, Local Correspondent

Miss Maggie Harris returned Wednesday from Hamilton, where she visited her niece, Mrs. Leon Roberts.

Mrs. Q. A. Fouts, Mrs. Voncille Woody and Mrs. R. J. Fouts and daughter were in Fort Worth last Thursday.

Mr. and Mrs. Linch of Hico visited Mr. and Mrs. T. M. Tidwell this week.

Mrs. Leon Roberts of Hamilton visited her parents, Mr. and Mrs. C. L. Tidwell, this week.

Mr. and Mrs. Rube Warren spent the week end in San Angelo with relatives.

Mrs. Neatherlin was in Waco Monday.

Mr. and Mrs. John Gordon have returned to Monahan, after a few months spent here with his sister, Mittie.

Mrs. W. D. Oldham has returned from De Leon, where she has been with her daughter, Mrs. Ed Stevens.

Mr. and Mrs. Robert Dennis and children have vacated the house they have been living in on the north side, and have rooms with Miss Mittie Gordon.

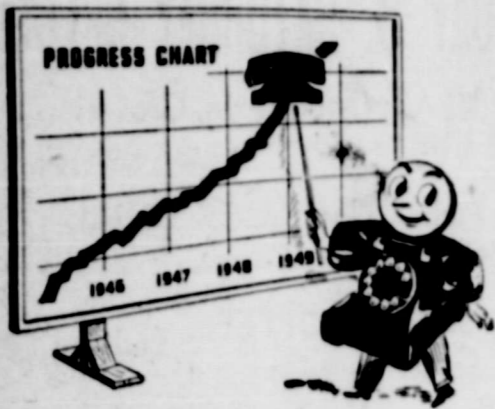

Mr. and Mrs. Kenneth Hughes of Fort Worth spent the week end with his parents, and with her parents, Mr. and Mrs. Owens.

Mrs. Freeman and her sister, Mrs. Chester Gosdin, both of Abilene, spent a few days this week with their parents, Mr. and Mrs. Rogers.

Mr. and Mrs. Fritz Johnson and twin girl and boy of Dallas, and Mr. and Mrs. Earl Johnson of Waco visited their sister, Mrs. Elvis Lott, this week.

Mr. and Mrs. Laurence were called to Tahoka at an early hour

**Pic-Tours of Europe**

SWEDEN'S CAPITAL, STOCKHOLM, FOUNDED NEARLY 1,000 YEARS AGO, IS FAMOUS FOR ITS BEAUTIFUL MODERN ARCHITECTURE.

A BIT OF MEDIEVAL STOCKHOLM

ALL EUROPE IS NOTED FOR ITS HANDICRAFTS. AFTER 12 DAYS OR MORE IN EUROPE, RETURNING AMERICANS MAY BRING BACK \$400 WORTH OF DUTY-FREE ARTICLES.

TURKEY TODAY A MODERN NATION, IS THE SITE OF COLORFUL CIVILIZATIONS DATING FROM GREEK AND ROMAN TIMES DOWN TO THE TURKS. THE BOSPHORUS HAS ALWAYS BEEN CONSIDERED ONE OF THE WONDERS OF THE WORLD.

Friday morning. Her sister-in-law, Mrs. Joe Allen Ellis, was found dead in the bathtub. Mollie has the sympathy of her friends here. They left at once.

E. L. Mitchell Jr. spent the week end at home.

Mrs. Addie Plummer has returned from Crane where she had been for some time.

James Phillips is at home. He was attending the University of Texas at Austin and got very ill. It is hoped he will be well soon.

Mr. and Mrs. Joe Tidwell were called to Meadow, Texas, early Sunday morning. Their son-in-law, Kirk Williams, had died. They left early Sunday morning, accompanied by Mr. and Mrs. John Tidwell.

Mr. and Mrs. Williams have visited here and Hazel and the children have the sympathy of their friends.

Mr. and Mrs. Jack Blakley and son and her mother, Mrs. Burson, spent Sunday in Meridian with Mrs. Mayme Young and daughter.

Mr. and Mrs. Fuller and Mr. and Mrs. Neatherlin and children attended the reunion at Brownwood of the Gunn relatives the past week end. They are relatives of Mrs. Fuller and Mrs. Neatherlin.

Donald McCoy, who is going to a business school in Dallas, spent the week end at home.

Mr. and Mrs. R. S. Echols were in Meridian and Walnut Springs Sunday afternoon.

Mrs. Patterson and her niece returned Sunday from Dallas. Bobby Jack Wilson and son brought them.

Mr. and Mrs. Horace Williams of Dallas spent the past week end with her parents, Mr. and Mrs. G. W. Mingus.

Mr. and Mrs. Ross Franks of Dallas and his sister, the former Miss Fannie Franks, visited here Sunday.

Mrs. Jack Noel and children of Dublin spent the week end with her mother, Mrs. Gosdin.

Lee McDonel, who is in Jacksonville, Florida, visited his parents recently.

Mrs. Elvis Lott honored her nephew, Rodene Grey, with a birthday party at her home Friday afternoon. There were 22 children there. Some games were played. He received many nice gifts. Cake and cold drinks were served. All had a big time.

Mrs. Plummer left Monday for Walnut Springs to keep house for and wait on Mrs. E. M. Adams, the former Miss Mattie Jean Smith.

Mrs. A. N. Pike and Mrs. Burns and son spent Friday and part of Saturday in Cleburne with relatives.

An interesting meeting of the WSCS was held on Monday afternoon. Remember, October 24 is time for our social and program at Mrs. Wallace's.

**Mr. T. J. Rhodes**

Thomas Jack Rhodes was born in Cleburne County, Alabama, on May 29, 1866, and passed away at the home of his daughter, Mrs. Lee Hudson, at Iredell on Saturday morning, October 1.

He came here from Alabama three years ago, and had been in bad health all that time.

He was converted and became a member of the Baptist church when quite young. He had spent many years in and around Iredell and had hosts of friends who miss him. He was a kind and loving father. When his health failed his children cared for him. He was patient all during his last illness, which was long.

He is survived by two brothers, John Rhodes of Hamilton and Bob Rhodes of Berger; one sister, Mrs. John Lee of Walnut Springs; and five children, Mrs. Lee Hudson of Iredell, David Rhodes and Mrs. W. R. Holt of Fort Worth, Mrs. Mary Frances Weeks of Wichita Falls, and Mrs. Elizabeth Langston of Hico. There are ten grandchildren and ten great-grandchildren. No doubt they will grieve for him. They know he is at rest for evermore, and time is the healer of all things.

The funeral of this good man

was held Sunday afternoon, Oct. 2 in the Baptist church, with a very large crowd of relatives and friends present. It was a very evident fact that Mr. Rhodes had many friends. The funeral was in charge of the Barrow-Rutledge Funeral Home of Hico.

Rev. Bob Jenkins brought the message. He was assisted by Rev. Wallace, the Methodist pastor.

The floral offerings were large and beautiful which told of the high esteem in which he was held. Some of his grandsons were pallbearers.

The remains were laid to rest in the Riverside Cemetery. He is gone, from his loved ones and friends, but is not forgotten.

Out-of-town relatives and friends who attended the funeral were: Mr. and Mrs. J. D. Rhodes, Mr. and Mrs. J. D. Rhodes Jr., Mr. and Mrs. W. R. Holt, Mrs. Nadine Bradford, Mr. and Mrs. Charlie Hawkins and Charlotte, Mr. and Mrs. D. C. Price, Mr. and Mrs. Clark Wilcoopen, Mr. Conner Carpenter, Mr. George Wood, and Mrs. Robert Sawyer, all of Fort Worth; Mrs. Mary Frances Weeks, Mr. and Mrs. Weidon Golden, Jane and Phyllis, Mr. and Mrs. E. L. Davis, William and Darlene, Wichita Falls; Mr. Bob Rhodes, Berger; Mr. and Mrs. R. L. Rhodes, Athens; Mr. and Mrs. J. W. Rhodes, Mr. and Mrs. Newt Harvey and family, Mrs. Carrie Scroggins, and Mr. and Mrs. Joe Fuqua, Hamilton; Mr. and Mrs. John Lee, Mr. and Mrs. A. F. Polnack, Doyle Dismukes, Mrs. Hugh Pike, Mr. and Mrs. F. O. Daves, Mrs. Raymond Davis, Mrs. Tom Pike, Mrs. Elmo Heyroth, Mrs. E. M. Adams, Mrs. Lloyd Bohannon, and Mrs. Howard Hawkins, Walnut Springs; Mrs. E. P. Langston, Mr. and Mrs. G. C. Rhodes, Mrs. Davis, and Mrs. V. Spaulding, Hico; Mrs. H. G. Gaston and children, Mrs. Edgar Holt Sr., Mr. and Mrs. Edgar Holt Jr. and sons, Miss Eva Craffin, Mrs. James De Janette, Dallas; Mrs. Jack Meador, Whitney; Mr. and Mrs. Fred Putnam, R. L. and Martha, Mr. and Mrs. S. T. Putnam, Mr. and Mrs. Carl Putnam, Mrs. Vera Collier, Mr. and Mrs. Sam Johnson, Mr. and Mrs. W. A. Earlanston, Dot and Bill, and Mrs. Reta Sanders, Waco.

The relatives have the sympathy of their many friends.

**WEATHER REPORT**

The following weather report is submitted by L. L. Hudson, local observer:

**HICO GIRL HONORED AT SA MARCOS SCHOOL**  
San Marcos, Oct. 10.—Bobbie Jo Whitaker of Hico has been elected president of Northside Hall, girls' residence dorm at Southwest Texas State Teachers College.

As a member of her dorm council, she will represent other students in making rules for student government at the College in San Marcos.

A league is about three miles.

THERE'S SOMETHING NEW COMING

LOOK for the big ANNOUNCEMENT

From where I sit... by Joe Marsh

### But Curly "Knows What The Score Is!"

Was over at Doc Sherman's drug store listening to the World Series on the radio. Curly Lawson wanders in and says: "How about a chocolate malted, Doc?"

"Sorry, Curly," says Doc, "can't make you a malted for a while yet." "What's the idea?" Curly asks. "Well," says Doc, "most of the folks want to hear the game and the mixer makes too much noise." Curly thinks a moment and says, "Okay with me, Doc—I'll take a chocolate soda!"

This shows how tolerant folks can be. Doc showed his respect for

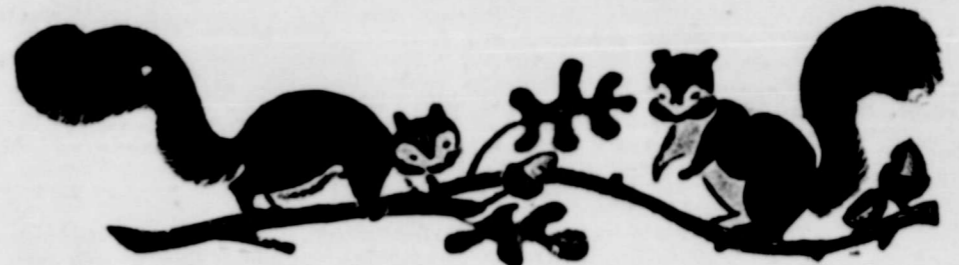

how the majority felt; Curly was big enough not to insist on his malted even though he doesn't happen to be fond of baseball.

From where I sit, willingness to respect the other people's feelings is important in a Democracy. If we're tolerant of a person's like for baseball or a glass of temperate beer, we've come a long way on the right road... the road to a better America, that is!

Joe Marsh

— By —  
Mrs. J. H. McAnelly

Mr. and Mrs. Odell Partain of  
McCombs visited Mr. and Mrs.  
Howard Hines, Raynell and Annie  
King last Sunday.

Mrs. H. H. Land left Monday for  
Arizona and California, where she  
will visit her daughter and fam-  
ilies.

Mr. and Mrs. John Moore and  
daughter, Janice, visited in the  
home of Mr. and Mrs. O. V. Graves  
in Dublin Sunday afternoon.

Mrs. Earl Timms of Hlytheville,  
Ark., visited in the home of Mr.  
and Mrs. Howard Hines Wednes-  
day night and Thursday.

Several from this community  
were in Hico Wednesday after-  
noon.

Mr. and Mrs. Vernon Jones and  
little daughter, Delores, of Fort  
Worth visited her parents, Mr.  
and Mrs. J. H. McAnelly, Saturday  
night and Sunday.

Mrs. Harve Yocham and Mrs.  
Harry Yocham attended the fune-  
ral of Alex Mitchell at Thornton  
Saturday. He was the brother-in-  
law of Mrs. Harve Yocham.

Waco's suspension bridge across  
the Brazos River, was built in  
1870 and was the first bridge to  
span the Brazos.

**Elaborate Plans for  
Fort Worth Stock Show  
To Open In February**

Approximately \$112,000 in cash  
awards will be offered by the 1950  
Southwestern Exposition and Fat  
Stock Show, which will open Jan.  
27 and extend through Feb. 5.

The scene of the Fort Worth ex-  
position will be the Will Rogers  
Memorial Coliseum and the cluster  
of buildings which give the show  
a plant unsurpassed in America  
for beauty and facilities.

In line with the steady, year-by-  
year progress carried out by the  
officials and board of directors, a  
number of improvements will be  
noted by the visitors. A new feed  
building and a second judging and  
auction arena have been con-  
structed. Other structures added in  
the past few seasons include six  
livestock buildings extending over  
a 950-foot frontage and connected  
by a covered corridor; the horse  
show building, with space for 600  
animals, and the pen and carload  
lots building, these structures re-  
presenting an outlay of around  
\$2,000,000.

Mud has been banished through  
the paving of walks, roadways and  
parking areas.

Premiums in the Hereford divi-  
sions aggregate \$15,800; Aberdeen-  
Angus, \$8,650; Shorthorns, \$3,750;  
Polled Herefords, \$2,000 and Bra-  
hman, shown competitively for the  
first time last year, \$2,000.

Winners in the fat steer, open  
classes, will receive \$5,045.

The horse show awards will ap-  
proximate \$23,000, apportioned  
among the gaited horses, walking  
horses, road horses, Hackney  
ponies, hunters and jumpers, cut-  
ting horses, quarter horses, Palom-  
inos and Shetland ponies.

Most daring and skilled of cow-  
boys will compete in the rodeo,  
always a picturesque and exciting  
part of the Stock Show. In fact,  
the Fort Worth exposition origi-  
nated the indoor rodeo, the first  
world had ever seen being in 1917.

Dairy cattle will compete for  
\$3,958. In the swine department,  
\$8,720 is offered; sheep, \$3,641;  
poultry and rabbits, \$2,000. Prizes  
in the boys' livestock show total  
\$7,650.

Premium lists are going out to  
5,000 prospective exhibitors. Entries  
in the cattle, sheep and swine de-  
partments must be in the show's  
general office by Dec. 12. Entries  
bearing that day's postmark will  
be accepted. Exhibitors are urged  
to make their entries as early as  
possible so they can be shown in  
the official catalog and so that  
stalls can be assigned. Entries are  
free but charges are made for  
stalls and pens.

Officials of the Southwest Ex-  
position and Fat Stock Show are  
Amon G. Carter, chairman of the  
board; W. R. Watt, president; Er-  
nest Allen, vice president; Mar-  
shall A. Fuller, treasurer, and  
Mayor Edgar Deen, secretary-gen-  
eral manager.

**FLYING STAR** — A star landed  
on LaGuardia field when Holly-  
wood's Marta Toron descended on  
New York en route from the coast  
via American airlines, for premier  
showings of her two latest films

**Veteran Enrollment  
At University of Texas  
Is Gradually Dropping**

Austin, Texas, Oct. 10.—Veterans  
make up less than half the total  
University of Texas enrollment this  
fall, Registrar H. Y. McCown re-  
ports.

The net total University regis-  
tration at the close of the regis-  
tration period was 15,371, a decrease  
of 1,463 since last September and  
nearly 2,000 less than the peak en-  
rollment of 17,343 in September,  
1947.

Since V-J Day, 16,144 World War  
II participants have registered  
here. The peak came in the 1946-  
47 fall semester when 10,835 ex-  
GI's, two-thirds of the student  
body, were in school. This fall  
veterans number 6,701 or 43.6 per-  
cent.

Of the 15,371 students registered  
this fall, 11,528 are men and 3,843  
are women. Readmissions—students  
who have been in the University  
before—total 11,631; transfer from  
other schools number 2,331; and  
freshmen from secondary schools,  
1,409.

The enrollment drop is attributed  
to the fact that most veterans go  
to school the year round and finish  
faster than the usual four years,  
and to the junior college move-  
ment's rapid growth which has  
taken in some first- and second-  
year students.

Effect of the Gilmer-Aiken Act  
can be seen in College of Educa-  
tion and Graduate School enroll-  
ment increases in contrast to the  
decreased trend in other Univer-  
sity schools and colleges.

The veteran influx has helped  
raise academic standards, says Dr.  
J. C. Dolley, University vice-pres-  
ident. The scholastic record of vet-  
erans is substantially better than  
that of non-veterans, he explained.

**Clairette**

— By —  
Mrs. Henry Mayfield

The Shiloh singing convention  
met here Sunday. Singers were  
present from different sections of  
the State.

Mr. and Mrs. Kyle Dowdy of  
Denison visited in the homes of  
Mr. and Mrs. Charlie Dowdy and  
Mr. and Mrs. Bob Clark recently.

Mr. and Mrs. Morgan Martin  
celebrated their Golden Wedding  
Anniversary Sunday, October 9th.  
All their children and grandchil-  
dren from different places were  
present for the occasion. Open  
house was held from 2 until 5  
p. m., when many friends called.

Brother Brannon out of Fort  
Worth Seminary preached here  
Sunday morning at the Baptist  
church.

A wedding shower was given at  
the gym Friday night in honor of  
Mr. and Mrs. Homer Parsons, who  
were recently married. Mrs. Par-  
sons was formerly Miss Joree  
Haley, daughter of Mr. and Mrs.  
Feldon Haley.

Mr. and Mrs. Grady Wolfe and  
Misses Eunice and Nola Lee went  
to the Dallas Fair Sunday.

A cool spell with rain hit here  
early Monday, which will further  
delay cotton pulling.

Miss Charlene Sherrard of Mid-  
land spent the week end with Mr.  
and Mrs. R. W. Sherrard and  
Mary.

Mrs. Dal Wheeler and son of  
El Paso are visiting Mr. and Mrs.  
Burl Havens.

Mr. and Mrs. Lennis Johnson of  
Kingsville and Mrs. Laura John-  
son of Ranger visited Mr. and  
Mrs. Frank Johnson the past week.

A good rain fell here last Mon-  
day night, keeping people out of  
the cotton field most of the week.

Mrs. L. E. Roberson spent last  
week in Stephenville with rela-  
tives.

A good crowd attended the foot-  
ball game in Hico Friday night.

Mr. and Mrs. Alton Partain and  
children of Georgetown spent the  
week end with Mr. and Mrs. Aus-  
tin Harvey.

Mr. and Mrs. E. T. Salmon and  
girls of Carlton spent Saturday  
night and Sunday with their  
mother, Mrs. L. E. Roberson.

Several from here attended the  
theatre in Hico Saturday night.

Mr. and Mrs. Andy Duncan and  
Shirley of Fort Worth spent the  
week end with Mr. and Mrs. Henry  
Mayfield and son.

Kermit, Texas, is named for Ker-  
mit Roosevelt, son of Theodore  
Roosevelt.

**Salvation Army In  
Texas Experiencing  
Remarkable Growth**

Dallas, Oct. 10.—The Salvation  
Army is experiencing a remarkable  
growth in Texas and now operates  
31 Corps in the major cities and  
towns and more than 50 communi-  
ty service units in smaller towns  
and villages. Lt. Col. John A.  
Morrison, Texas divisional com-  
mander reports.

Among its Texas facilities are  
four institutions serving lone and  
homeless men, providing jobs and  
another chance; a state home and  
hospital providing refuge for un-  
married mothers and their babies;  
two residences for young women;  
a state youth camp where hun-  
dreds of young people are given  
religious guidance and citizenship  
training; and a number of mobile  
canteens and other equipment lo-  
cated at strategic places and ready  
to serve in time of disaster.

Colonel Morrison's report for the  
fiscal year just ended shows that  
the Salvation Army came to the  
aid of nearly 80,000 lone and home-  
less persons in Texas, that it con-  
ducted more than 10,000 religious  
services reaching thousands of  
men and women mostly without  
church ties, that more than 1,000  
ex-prisoners were paroled to the  
Salvation Army.

Through its broad welfare pro-  
gram to the needy, the Salvation  
Army aided additional thousands  
with food and lodging, with shoes  
and other articles of clothing and  
with forms of aid and service.

"We are thankful to the gen-  
erous citizens of Texas, for our pro-  
gram could not be carried out if  
they did not believe in and sup-  
port so strongly the work we are  
doing," Colonel Morrison said.

# Personals.

Mr. and Mrs. Henry A. Wieser of Hamilton and Vicksburg, Miss., were visiting friends in Hico Monday.

Mr. and Mrs. Truman Roberts were in Waco last Saturday to attend the Baylor-Arkansas football game.

Mrs. J. H. McNeill and Mrs. Hettie Smith and daughter, Jewell of Waco spent Sunday with J. J. Smith.

Mr. and Mrs. R. L. Gilentine of Wellington visited here the first of the week with friends and relatives. Mrs. Gilentine is the former Mrs. Mae Hollis of Hico.

Mr. and Mrs. George Christopher were in Glen Rose Sunday to attend funeral services for his nephew, Tommy O'Neal.

Mr. and Mrs. D. E. Sweeney of Okmulgee, Okla., are visiting in the home of Mr. and Mrs. Roy Seal. Mrs. Sweeney is Mr. Seal's mother.

Mr. and Mrs. O. E. Whitson and Mrs. Fred Rainwater spent the week end in Houston with Mr. and Mrs. Emory Gamble and Mr. and Mrs. James Lindy Rainwater.

Week-end guests in the home of Mr. and Mrs. Roy French and son, Dub, were Mrs. Curtis Keeney and son, Butch of Odessa; Mrs. Jess Askey and daughter, Ann of La Grange and Charles French, who had just returned home from Henderson. The occasion was to celebrate the birthdays of Dub and his sister, Mrs. Keeney.

Mrs. Sim Everett and Mrs. Ethel Lackey spent the week end in College Station with their brother, W. I. Chenault and family.

Mrs. J. W. Fairry and son, Curtis and daughter, Mrs. Harry Hudson were in Hamlin Wednesday to attend the funeral services for Mrs. Ed Fairry.

Sam Hough of Rocksprings spent Friday night in the home of Dr. and Mrs. H. V. Hedges en route to Dallas to attend the Texas-Oklahoma football game.

Mr. and Mrs. A. T. Frazier returned home Sunday after a visit in the northern part of Arkansas with friends. They also visited interesting points in Oklahoma and Missouri before returning home.

Mrs. George Childress of Tulsa and Mrs. Francis Christopher of Stephenville are visiting this week in the homes of Mr. and Mrs. George Christopher and Mrs. Wylie McFadden.

Rev. and Mrs. J. L. Ray of Hico and Mrs. Ray's sister, Mrs. Lena Martin of Talpa returned home Wednesday after a visit with relatives in Lubbock and Tatum and Albuquerque, New Mexico.

S-Sgt. Harry Hodnett arrived last Wednesday for a short visit with his mother, Mrs. Eva Hodnett, before reporting to the replacement center at San Antonio. Harry has been on duty in Germany over a year.

Dr. and Mrs. W. F. Hafer and little daughter, Claudia spent the week end in Austin. They were accompanied to Austin by Mrs. Hafer's mother, Mrs. Karl Schmidt, who had been visiting here in their home.

Mr. and Mrs. C. B. Price have requested an address change on their paper to 201 1/2 West Fla. Ave., Midland, Texas. C. B. (Son) is school bus driver there, and the family expects to be located at Midland for quite a while.

Mr. and Mrs. James Ross and two daughters, Judy and Cherry, and Miss Frances Vickrey, all from San Angelo, spent the week end with their mother, Mrs. A. A. Vickrey, and with Mr. and Mrs. Watt Ross.

Mr. and Mrs. Roland L. Holford were in Dallas Saturday for Press Day at the Dallas Fair and to attend the annual Texas-Oklahoma football game. They were met there by their daughter, Miss Carolyn Holford, who is now woman's page editor on the Ochiltree County Herald at Perryton.

Mrs. A. L. McAnally returned home last week end from Clovis, New Mexico where she went to attend the funeral services for her brother, Hamp Worrell. She was accompanied by Mr. and Mrs. Bud Cranfill and Johnnie Hutchins, Iredell; Bonnie Battershell and Sgt. and Mrs. Ralph Worrell of Fort Worth and B. W. Worrell of Waco.

Mrs. Earl Bowman of Odessa spent the week end with her parents, Mr. and Mrs. A. B. Roberson.

Eugene Lane of Tulsa, Okla., spent the week end with his parents, Mr. and Mrs. John Lane.

Mr. and Mrs. Harold Goolsby of San Antonio spent the week end with her parents, Mr. and Mrs. L. P. Blair.

Week-end visitors with Mrs. Bettie Worrell were Mr. and Mrs. Noah Ray and Mrs. Hettie Lawrence, Meridian and Mr. and Mrs. Sam Battershell of Fort Worth.

Mr. and Mrs. O. M. Brown of Cleburne visited here last Sunday in the home of Mrs. Brown's sister and brother, Miss Ira Cunningham and Norman Cunningham.

Mr. and Mrs. Tom Morgan and daughter, Judy Nell of Little River visited in Hico Wednesday and Thursday with friends and relatives.

Jack Neel and Lloyd Angell, students at the University of Texas, spent the week end with their parents, Mr. and Mrs. Paul Neel and Mrs. Louise Angell.

Mr. and Mrs. Odie Petsick were in Dallas last Saturday to attend the Texas-Oklahoma football game.

Mr. and Mrs. H. N. Wolfe spent Sunday in Austin with their son, Paul Wolfe.

Mr. and Mrs. Wayne Rutledge and children, Bill and Linda visited Saturday in Dallas with their parents, Mr. and Mrs. W. A. Rutledge.

Billy Keeney, student at Clifton Junior College, Clifton, spent the week end with his parents, Mr. and Mrs. G. C. Keeney.

Mrs. Coleman Payne of Pasadena, Texas, will receive the HNR for 52 weeks as a birthday gift from her sister, Mrs. J. W. Lovell of Hico.

Mr. and Mrs. M. H. Martin are new residents of Hico. They moved last Friday into one of the Russell houses in Cox-Weaver Addition. Mr. Martin, a retired railroad man, and his wife formerly made their home at Cleburne.

Mr. and Mrs. J. D. Lane and daughter, Janet, visited here for a short time Tuesday, having driven over from Dublin where Durward has owned and operated the Dublin Sheet Metal Works since last April.

Week-end visitors in the home of Mr. and Mrs. B. N. Strong were Mrs. Julius Jones, Austin; Mr. and Mrs. Guy Willie and daughter, Barbara Ann, Port Arthur; Mr. and Mrs. Toy Jones and children, Mike and Loretta Ann, Grand Prairie; Mr. and Mrs. Jewel Jones, Gatesville; Mr. and Mrs. B. F. Strong and children, Jan and Bubba of Iredell and Mrs. H. Williamson and daughter, Billy Jean of Hico.

Boy Scouts, Football Team Entertained By Fred Jones

Fred B. Jones was host at a barbecued steak supper given for the Hico Boy Scouts and the football team at the Bluebonnet Country Club Tuesday night.

Ralph Boone, scoutmaster, had charge of the barbecuing. About 50 guests attended, including the men teachers of the local schools, Truman E. Roberts was guest speaker.

## Helping Hand Class Holds Meeting At Methodist Church

The Helping Hand Class of the Methodist Sunday School met at the church on Tuesday evening, October 11, at 7:30 o'clock for their monthly social and business session.

The meeting was presided over by the class president, Mrs. Waggoner. Several songs were sung with Mrs. Jessie Richbourg at the piano, after which members of the class repeated the Lords prayer in unison.

Election of officers of the class then came up. Five were elected, the president, Mrs. Waggoner, was re-elected, also Mrs. J. L. Ray as secretary and Mrs. Watt Ross as treasurer. Mrs. J. P. Owens was elected as vice president. Mrs. Ogil was also re-elected as class teacher.

Mrs. King suggested the class send Mrs. Will Autrey a gift, also that all members send cards. Mrs. Autrey, a charter member of the class, has been in ill health so long and is now in Hamilton for medical treatment.

All business being disposed of, refreshments of hot chocolate and cake were served by the hostesses, Mrs. Roy Stevens and Mrs. J. P. Owens.

Those present were mesdames Tyrus King, Ethel Lackey, Annie Waggoner, J. W. Richbourg, Roy French, Andy Hutton, W. H. Green-slit, Jim D. Wright, Watt Ross, B. B. Gamble, John Haines, Fred B. Jones and the hostesses, Roy Stevens and J. P. Owens.

CLASS REPORTER.

## Mrs. J. L. Goodman Hostess At Review Club Meeting Last Week

On Oct. 6, the Review Club met in the home of Mrs. J. L. Goodman with Meses. Walter Mauk, W. D. Bradley and A. N. Pike as guests and Mrs. L. N. Lane, the associate member present.

During the business session the president read a letter of thanks from a woman in Warsaw for a box of needed materials received from the Club. Another letter from Warsaw was read from a widow lady asking for clothing and soap.

Committees were appointed to interview the other clubs of the town in the interest of making new public school playgrounds.

The Club voted to pay, immediately, \$40.00 on the ground project, and to raise other money during the year for further payment. The Club voted to sponsor a rummage-bakery-candy sale, date for which has been set on Saturday, Oct. 15.

Our lesson was "Brown Americans," and the members answered to roll call with the name of a successful negro citizen.

Mrs. J. T. Appleby and Mrs. M. Ross gave information and interesting talks on the "Negro Problem," and "The Negro Problem from a Negro's Point of View."

Delicious pecan pie, whipped cream, and coffee were served.

## Mrs. Morgan Moon Honors Daughter On Fifth Birthday

Mrs. Morgan Moon honored her daughter, Judy, on her fifth birthday Saturday with a party from 2 to 5 o'clock at their home. Each guest drew a sack from a grab bag containing favors of bubble gum, balloons, and candy. Refreshments consisted of cake, orangeade, and colored popcorn balls. The lace covered table was centered with a lazy susan which held two white-frosted coconut lamb cakes, lighted with five candles.

Those present were: Jane and Carole Akin, Kathy Higginbotham, Marlin and Durvis Roberts, Gay Goodman, Joyce Sumrow, Roy Goodloe, James Army Eubank, Margaret Ann Prater, Jerry Jones, Margaret Ann Warren, Dickey Smith, Ann Hutton, Douglas and Joan Moon, Ann Askey of La Grange, Donna and Nancy Connolly of Whitney, Mary Lynn Adams of Meridian, Butch Keeney of Odessa, and the honoree.

## Wednesday Bridge Club Members Meet With Mrs. Wolfe

Mrs. H. N. Wolfe entertained the members of the Wednesday Bridge Club at her home this week.

Those present were: Mrs. W. F. Hafer, Mrs. Fred B. Jones, Mrs. Raymond E. Armstrong, Mrs. Odie Petsick, Mrs. H. V. Hedges, Mrs. May Bates, Mrs. W. B. Coats, Mrs. Milburn L. Knudson, Mrs. H. E. McCullough, Mrs. R. B. Goodloe, and Mrs. L. O. Vereckler.

High score was won by Mrs. Wolfe, and second high by Mrs. Bates.

Refreshments of sandwiches, olives, potato chips, nuts, cake, and cold drinks were served.

The next meeting will be at the home of Mrs. McCullough in two weeks.

Huntsville is called the "Mount Vernon of Texas" because it was the last home of General Sam Houston.

Its nine-foot wingspread makes the condor the largest bird that flies.

## ATTENTION -- Mr. Peanut Grower

We have completed arrangements to purchase your peanut crop.

We can either store or ship direct which will enable us to handle promptly.

We will be set up at the corner of Barnes & McCullough's for receiving grade certificates, weight certificates, and writing cash drafts for peanuts handled by us.

There have been some changes in the marketing setup about which you may already be familiar, but if you are not, this is to remind you of the following:

- (1) All eligible peanuts (meaning those covered by allotment cards) will be sampled and graded by a Federal or Federal-State Inspector.
- (2) When peanuts are threshed and dry enough to market, they have to be brought in for sampling and grading as no field grading is done by Government Inspectors.
- (3) Peanuts must be dried before marketing as penalties are deducted from the price for peanuts over seven percent (7%) moisture and premiums are added to the price if under seven percent (7%) moisture.
- (4) The same penalties are in effect for damage and foreign material as last season.
- (5) There will be a central grading point located at Wieser's Mill where all peanuts will be delivered for sampling and grading.
- (6) Allotment card must be presented with each load of peanuts, since weights of each load have to be reported on allotment card by purchaser.

Since all grading will be done at a central grading point by Federal or Federal-State Inspector, we feel that the facilities we have available in connection with fast handling will compensate you for bringing your peanuts to our market.

Please call us any time that we can be of assistance to you in the marketing of your peanut crop.

## The Mirror

Editor — Betty Alexander  
 Assist. Editor — Kenneth Johnson  
 Reporters —  
 Senior — Mary Moore  
 Junior — Patsy Salmon  
 Sophomore — Margaret Hampton  
 Freshman — Wilma Woodard  
 Agriculture — Kenneth Johnson  
 Band — Dorothy Randolph  
 Worm's Eye View — ???  
 The Spotlight — ???

**SENIOR**  
 Well it is Monday morning, and we are back in school. After the football game Friday and Rodeo Saturday night we all look quite sleepy.

We all enjoyed the football game Friday night. Boys, we like to see you win. We are looking forward to next Friday night when we know you are to win again. The Pep Squad and band looked very pretty at the half. By the way, didn't you think the goal posts looked nice?

I hear that the F. F. A. Rodeo was very exciting. Juniors, we all enjoyed your chapel program. It certainly made 45 minutes seem short.

The annual staff selected our annuals for this year. They are blue and have linen finish pages. They are pretty and I know everyone will be proud of their 1949-50 annuals.

**JUNIOR**  
 We were very happy when Hico beat Whitney Friday night. It was a real good game. We were also happy when we learned that Hico still has a chance for district, since Valley Mills beat the Gap.

Everyone is studying for six weeks test because this is the week for tests. I know everyone will have to study hard to pass their subjects. This six weeks really slipped by all of us.

**SOPHOMORE**  
 We were all very proud of the football boys last Friday night. The game was very good.

The Junior class had a good program last Thursday, and the Sophomore class hopes theirs will be as good.

We are glad to have Louise Leeth back in school with us. Everyone better study, you know this is the time for six weeks test.

**FRESHMAN**  
 Well here it is. We have been going to school for six weeks and it is test time.

It was the Junior's time to put on the play last Thursday and they had a very good one.

I am sure we are all glad how the score turned out Friday. The scores were, Hico 20, Whitney 7. We hope we can always do that well. The boys played well. And of course the Pep Squad and Band were doing pretty good. After the ball game we had a shirt-tail parade. We marched down to town and gave a few yells. I think everyone was tired and ready to go home.

**HOMEMAKING**  
 The past week has been a busy one. We have been reviewing for

FOR GOODNESS SAKE!  
 Hazlewood Milk  
 TEXAN CAFE

our first six weeks test this year. The Homemaking II girls are coming along nicely on their tailored dresses while the Homemaking I girls are planning to prepare a meal.

The entire group of F. H. A. girls are looking forward to going to the State Fair of Texas on Saturday, Oct. 15, at Dallas.

**BAND**  
 Thursday night the band and pep squad practiced the stunt which was put on Friday at the football game. We all had flashlights covered with crepe paper. The band had blue paper and the pep squad had red paper. We formed a wagon wheel in the center of the field, the band being the outside rim. The stadium lights were cut off, the flashlights turned on and the wheel began to revolve.

Saturday night and Sunday afternoon the band played at the Rodeo. Both times we were served free cold drinks by Mr. Bob Hancock.

**WORM'S EYE VIEW**  
 Early this morning I heard Mr. Knight opening up the doors of High School so I guess it's time to start another week.

Sleepy as I was I crawled out into the hall anyway. The first person I saw was a freshman girl. Real cute too. She's about 5 feet tall, has brown hair, blue eyes, and is very attractive. Yes, you guessed it, she is Jo Ann Johnson. I heard to my dismay though that she is a man hater. Who ever got that story out must have been wacky. Maybe she might be a little bashful but I'm sure she really isn't a man hater if you really got to know her. I bet you anything she might take after her sister if given a chance. And her older sister sure isn't a man hater.

**ZINGARA**  
 I suppose some of you would really like to know something about me. Webster's dictionary defines a zingara as a "female gypsy." Well, that's exactly what I am. No one but I knows my real name, so I'm just called little zingara. As for my appearance, if you see a tall sort of person with magenta eyebrows, chateaux teeth, and a nut brown complexion, that's me. Really, I get around more than some of you think. So you seniors had better watch your language. Naughty, naughty.

The other day in English class I saw that someone was hiding behind a picture of a cat. This week a poem to her.

Promising Poetry Pertaining to Popular People, by Zingara.  
 Mrs. Angell, a teller of jokes, Is exceedingly easy to coax. Though the English is dry, "So's her humor", we cry, For each of her jokes is a hoax.

Don't forget to send your letters in so I can give advice to the best of my ability.

**HHS**  
**SPOTLIGHT**  
 It seems that this week there was something going on every night except Monday. As I shine my little beam around Tuesday night I see Glen and Patsy, Margaret H. and Charles J., Louise B. and Earl S., Norman C. and Mona W. Wednesday night at the show were Betty Lou A. and James L., Bertha M. and Milton Williams, Leon H. Joy Ann G., Shirley P. and Billy Jo L. Over at Clairette at Mary Sherrard's party were Glen and Patsy, Buck F. and Patsy T., Jim K. and Billie J. F., Roline C. and Myrna S., Paul A. and Frances Mc., Benny T. and Paula D., Mary S., Betty G., Mary N. K., and Dub French. Back in town Wanda J. was riding around with Wendell B. and Bobby R.

You know, it's a shame that two good looking boys who never crack a smile in Texas History class should have car trouble way out on the Iredell highway and have to walk into town. There they were, thumbing a ride when three girls came along. Oh, well the cars you get now days aren't any good.

Thursday night I see Roline C. and Myrna S., Margaret H. and Charles J., Patsy and Glen, Clinton R. and Joan B., Louise B. and Earl S., Wanda Jo and Ralph J., Norman C. and Mona W.

Friday night at the ball game were Mary M. and Odell T., Betty A. and James L., Patsy T. and Buck F., Louise B. and Earl S., Donald D. and Lois G. Together after the game were Jim K. and Billie J. F., Myrna S. and Roline C., Wendell B. and Betty G., Paul A. and Frances Mc., Raymond L. and Mary Nell Keller, Willis T. and Betty B., Billy J. L. and Shirley Prater, Charlotte and Buck L. Margaret H. and Charles J.

Then comes the big night, Saturday night. I see Mona and Norman C., Louise B. and Earl S., Roline C. and Myrna, Mary Nell K. and Raymond L., Patsy T. and Buck F., Benny T. and Paula D.,

Wendell Burden and Betty G., Bobby R. and Mary S. It seems that Paul A. went to Frances Mc. house Saturday night. Wanda J. and Bill A., Mary H. and Charles J., and Lois G. and Donald D. Sunday afternoon and night, Royce Lee M. and Mary Jo C., Louise L. and Billy Mc. Mary Jo C. and Royce L. M. at church.

**LOST & FOUND**  
 Lost—one wad of gum belonging to Billy Loden. If you find it, you may keep half as a reward.

Found in a Sophomore notebook the following:  
 THE TWENTY THIRD PSALM,  
 Mr. Mauk is my teacher, I shall not pass,  
 He maketh me explain hard Biology,  
 He exposeth my ignorance;  
 He giveth me long assignments,  
 Before the class for his pleasure's sake,  
 He decorateth my card with sixties.  
 Yes, though I study until midnight,  
 I receiveth no encouragement,  
 Surely trouble will follow me all of my days,  
 And I shall remain in Biology class forever.

**WONDER WHY**  
 Myrna's car went dead.  
 Betty Rae shook.  
 Ste' is now known as "Saspasilla Bark".  
 Paul's arm was taped Saturday night.  
 Jim Kennedy lost his slightly used bubble gum Wednesday night.  
 Tea and cake are never served in Biology class.  
 Paula was barefoot Sunday afternoon.  
 Glen and Lester were hysterical in Texas History class last week.  
 Bud and Darrell were working on a way to get to the moon.  
 Benny Collins went behind the lumber yard and opened a keg of nails.

## Carlton

By Mrs. Fred Geye

Mr. and Mrs. J. W. Jordan Sr., their daughter and husband, Mr. and Mrs. Walker Curry returned home Sunday after a visit since Tuesday with their daughter and sisters, Mr. and Mrs. Clifford Malone and daughter in Waco; Mr. and Mrs. George Wright at Edna and Mr. and Mrs. Dee Massingill and children at Houston. Mr. and Mrs. Malone and daughter accompanied them on the trip. Mrs. Curry states that ten inches of rain fell in Houston Friday night. Woody Wilson of Stephenville spent Thursday night with his mother, Mrs. Norma Wilson.

Mrs. Frank Stuckey visited the past week in Hamilton with her sister, Mrs. Jack Willeford and in Gustine with her sister-in-law, Mrs. Roy Harrison.

Mr. and Mrs. Douglas Vaughan and children of Fort Worth spent the week end with her parents and sister, Mr. and Mrs. Charley Proffitt and Melba Jean.

Mrs. Izora Wilhite is visiting at Meadow with her sister and husband, Mr. and Mrs. Whatley Hinson.

Dow Self, employed at Colorado City, spent the week end with his family. They visited in Clairette Sunday afternoon with Mr. and Mrs. Zeph Carter.

J. C. Wilson of Stamford was a week end visitor with his mother, Mrs. Norma Wilson.

Mrs. Sid Clark visited the past week at Agee with her daughter, Mrs. L. D. Sowell and family. Mr. and Mrs. Stuart Partain of

Waco visited Sunday afternoon with her mother, Mrs. J. D. Upham.

Mr. and Mrs. Luther Caudle of Bay City were visitors the past week with Mr. and Mrs. Jim Pierce.

Mr. and Mrs. Thomas Williams and daughter returned home Saturday afternoon after a visit with her sister, Mrs. Grady Baker and family at Plain Dealing La.

Mr. and Mrs. Thurman Boucher and son, Thomas Gale of Comanche and Mrs. Levi Hatley and sons, L. J. Jr. of Gustine spent Sunday with their parents, Mr. and Mrs. Tom Lowery.

Mr. and Mrs. John H. Clark and son John Ralph, of Cleburne and Mr. and Mrs. L. D. Sowell and two sons of Agee visited Sunday with their mother, Mrs. Sid Clark and Mr. and Mrs. J. N. Clark.

Mrs. Herman Walton, Mrs. Avery Coffman and Mrs. Tom Lowery have returned home from the Hico Hospital and are reported improving.

Mrs. J. L. Potlett, who has been very ill with pneumonia, is very much improved. Her children, who have been with her are Mrs. Grace Melton and Mrs. Eloise Baruth of Corsicana; Mr. and Mrs. Dub Potlett of Bowie, Mrs. Beas Turner and daughter, Mrs. Paul Lysle of Olney and Mr. and Mrs. Rudie Potlett of Carlton.

Mrs. J. D. Upham visited Sunday night at Purves with her sister-in-law, Mrs. Paul Buchanan and husband.

Mr. and Mrs. Daymond Weaver and son, Barry of Hico visited Sunday with her parents, Mr. and Mrs. E. L. Fine and her grandfather, J. S. Minter.

Mr. and Mrs. Sam Sharp and children were in Hamilton Sunday visiting his sister, Mrs. Jim Garner and husband.

Mr. and Mrs. Eunice Salmon and two daughters visited in Clairette Sunday with her sister, Mrs. Henry Mayfield and family and her mother, Mrs. L. E. Roberson.

Mr. and Mrs. Buddy Ford of Dublin spent the week end with her parents, Mr. and Mrs. Hubert Turner and Geraldine.

Mr. and Mrs. Ernest Salmon visited Sunday at Marble Falls with Mr. and Mrs. Lee Reeves.

Mr. and Mrs. James Hampton of Dublin were week end visitors with her parents, Mr. and Mrs. Jim Young.

Sidney Lee Fine and Johnny Reich, who are attending a Telegraph school in Fort Worth spent the week end with home folks.

Mr. and Mrs. C. A. Proffitt and Melba Jean attended the funeral of J. L. Funk held in Eastland Sunday afternoon. Mr. Funk was a former citizen of the Carlton community, and father-in-law of Adolph Proffitt, son of Mr. and Mrs. C. A. Proffitt.

Mrs. Lillie Anderson and Mrs. J. H. Tull returned home Saturday after a weeks visit in Hamilton with her sister and daughter, Mrs. Neal Gearrauld and husband.

The world's largest vegetable farm is located near Edinburg, Texas.

### Texas Has 88,443 Miles of Passable Roads of All Types

Texas now has in all, 88,443 miles of passable road of all types, according to a recent bulletin from the Texas Good Roads Association.

Most rapid progress has been made in farm-to-market roads, 14,500 miles of which have been financed by the state highway department in conjunction with federal aid, since V-J Day.

The figures are from a survey taken by the Bureau of Public Roads at the direction of the United States Senate. Texas statistics were compiled by the highway department in cooperation with county road officials.

Farm-to-market roads are located upon the recommendations of district engineers after conferences with county commissioners. Location is determined by the highway commission on the basis of need as these figures show:

72 per cent of farm-to-market roads carry school buses; 74 per cent carry mail routes; 24 per cent carry milk routes; and 87 per cent carry one or more of these services.

Other roads built under the farm-to-market program service oil fields and forest-lumber operations.

When the present program of farm-to-market road construction is completed, the vast majority of farm dwellings will be within one mile of a paved road.

The state highway system as of August 31, 1949 included 39,096 miles of roads of all types or financed for paving.

The counties have 1,606 miles of good paved roads and 9,226 miles of roads that have some kind of cover, varying from oil mix up to surface treatment. The counties report 38,496 miles of gravel and soil-surface roads.

According to the latest available figures, 1947, local road administration on the county level expended \$45,500,000. No division was shown between construction and maintenance.

Here are more figures turned up by the survey:

Common carrier truck routes in Texas are 23,204 miles long, and they use 22,462 miles of state roads. Common carrier bus routes total 26,436 miles, of which 25,812 miles are state roads.

Mail routes cover 91,936 miles, of which 72,262 miles are local roads not under state control. School buses travel 86,807 miles, of which 63,041 miles are on local roads.

The survey showed that 220 counties in Texas carry on their road construction without the services of engineers.

Seventeen counties operate under the unit system and employ road engineers whose authority is restricted.

Henderson County, which adopted the unit system in 1947, has now abandoned it.

The vast majority of counties do their road construction and maintenance under the supervision of the county commissioners.

Those who have observed the unit system say that it has only one chance to operate and survive, and that is when the commissioners court turns the entire matter over to an engineer.

When the court and the citizens are strongly in support of the unit system it is successful.

### AT THE CHURCHES

#### First Baptist Church

If you love good music, come to our services this Sunday. Join in the singing. Music will be under the direction of Bro. John Jolly. The pastor will be back to bring the morning message.

Regular services: Sunday school, 10:00 a. m. Preaching, 11:00 a. m. Training Union, 7:00 p. m. Preaching, 8:00 p. m. L. H. DAVIS, Pastor.

#### First Christian Church

We invite you to hear Brother William Le May of Dallas preach every first Sunday in the month at 11 a. m. Sunday school every Sunday, beginning at 10 o'clock.

Everyone is welcome, and especially do we invite each person who has no church home.

#### Church of Christ

This is an invitation for you to attend any of the services scheduled here.

Sunday morning: Bible classes for all, 10:00. Preaching, 11:00. Lord's Supper, 11:45. Sunday Night: Young People's Class, 7:00. Preaching, 7:30. Wednesday night: Mid-week service, 8:00. Come worship with us according to the New Testament scriptures.

#### Methodist Church

Church school, 10:00 a. m. Preaching service, 11:00 a. m. Epworth League, 7:00 P. M. Preaching services, 7:30 p. m. You are cordially invited to be present. J. L. RAY, Pastor.

#### Primitive Baptist Church

Regular meeting, second Sunday in each month; Saturday morning and Saturday night before in each month. ELDER J. W. WEST, Pastor.

#### Iredell Methodist

Church school, 10:00 a. m. Morning worship, 11:00 a. m. M. Y. F., 6:15 p. m. Evening service, 7:00 p. m. R. T. WALLACE, Minister.

#### Olin Baptist Church

Sunday school each Sunday morning at 10:00 o'clock. Church Service, 11:00 a. m. Training Union, 6:45 p. m. Church services, 7:30 p. m. Come to all our services! REV. JACK HULL, Pastor.

#### Pentecostal Church

Sunday school at 10 a. m. Preaching at 11 a. m. Ladies' Prayer Service at 2 p. m. Tuesday and Wednesday evening at 8:00 o'clock. Young People's Service Friday at 8:00 p. m. DOLLY LYNCH.

#### Unity Baptist Church

Sunday school every Sunday morning at 10 o'clock. Church services at 11 a. m. and 7:30 p. m. every first and third Sundays in each month. We welcome everyone to come and worship with us. R. C. HALLMAN, Pastor.

### THE FRIEND WHO JUST STANDS BY

(From the W. T. Rodgers Family)

When trouble comes your soul to try. You love the friend who just stands by.

Perhaps there's nothing he can do; The thing is strictly up to you.

For there are troubles all our own. And paths the soul must tread alone.

Times when love can't soothe the road. Nor friendship lift the heavy load.

But just to feel you have a friend Who will stand by until the end.

Whose sympathy through all endures. Whose warm handclasp is always yours.

It helps somehow to pull you through. Although there's nothing he can do.

And so with fervent heart we cry, "God bless the friend who just stands by."

—Selected

### Local Veterans School Instructor Gives Data On Grain Sorghums

Actual on-the-farm tests have been made by Veteran trainees in the Hamilton County Vocational Schools to determine the relative merits of combine grain sorghums, according to O. C. Chapman, instructor at the local school where classes are held each Monday and Wednesday evenings.

One which is of considerable interest is the yield comparison of 7078 with better known varieties such as Martin's, Plainsman, and Caprock. 7078 was developed by the Agricultural Experiment Station and was released by the State Seed and Plant Board for certification in 1946. In order to justify such release, it was believed to have a combination of characteristics desirable in a combine grain sorghum which were not found in any other single variety.

Information is limited but small acreages of 7078 have been planted in most sections of the state. Results seem to indicate the variety may find increasing favor among farmers. Yields of 7078 have equalled or exceeded other combine varieties. Usually 7078 was ready for combining as soon as Martin's and before other varieties. The grain is soft and well liked by livestock. It usually threshes well.

In Hamilton County, three comparative tests of 7078 with other varieties have been made during the current crop year. Conditions were as nearly the same as possible.

Wayland W. (Dick) Morris of Jonesboro, planted 7078, Martin's, and Caprock. 7078 was harvested fourteen days later than Martin's, six days later than Caprock. This entire crop was overflowed twice by the Leon River. The overflow may have been a factor in the maturity dates but definite conclusion cannot be made. The yield per acre of Martin's was 2,500 pounds, of Caprock, 3,000 pounds, of 7078, 4,000 pounds.

W. W. Barnett, who lives Northwest of Hamilton, also planted 7078, Martin's, and Caprock. Martin's and 7078 were harvested the same date, Caprock about ten days later. The yield per acre of Martin's was 1,400 pounds, of 7078, 1,600 pounds, and of Caprock, 1,500 pounds. Eber Vise of Lanham, planted 7078 and Plainsman. 7078 matured a week earlier than Plainsman. The yield per acre of 7078 was 2,300 pounds and Plainsman, 1,600 pounds.

Each of these men are seeking the best single variety in which to plant their entire grain sorghum acreage in the future years. They believe it likely that 7078 will be the variety selected.

### Farmers and Ranchers Can Gain Independence Through Savings Bonds

Dallas, Oct. 10.—The value of financial reserves in farming and ranching operations will be emphasized in a special effort to sell U. S. Savings Bonds to farmers and ranchers of Texas this fall Nathan Adams state Savings Bonds chairman, announced today.

The program is now getting started with the cooperation of the major state and federal agricultural agencies, Adams said, and will extend into all of Texas' 254 counties. He said it would continue through October and possibly well into November.

Nearly all of the 385,000 farm and ranch families in the state will receive letters and printed literature about Savings Bonds. Adams said that the mailing lists of county agricultural agents and county representatives of the Production and Marketing Administration (PMA), the Production Credit Corporation (PCC), and the National Farm Loan Association (NFLA) are being utilized to achieve virtually 100 per cent distribution in rural areas.

Adams said that other activities in the program will include distribution of 25,000 to 30,000 posters for display in banks, cotton gins, hardware and implement stores, and other places where farmers meet or transact business; distribution of special literature to vocational agriculture students; and supplemental projects to be undertaken by various agricultural and livestock associations.

"A financial reserve is a powerful aid for proper management of a business," Adams said, "and farmers and ranchers need such a reserve for their business just as much as do the merchant or manufacturer."

"We want the farmer and rancher to become as well acquainted as the city man with the value of Savings Bonds as the means for acquiring financial security. Agriculture has always been a hazardous business, subject to sudden disasters such as flood, drought, epidemic in the livestock, or a sharp break in commodity prices. The farmer or stockman who builds a strong financial reserve for himself by investing in Savings Bonds during the good years protects himself against these emergencies. If emergencies fall to develop his cash reserves are still available for buying more land, expanding production, replacing old buildings and equipment, home improvement, education of his children, or comfortable retirement in old age."

Mart, Texas, is so named because in early days it was a busy trading post, and Mart means market.

FOR GOODNESS SAKE! Hazlewood Milk CAMP JOY

### Health Officer Says Cancer Ranks Second In Cause of Deaths

Austin, Tex., Oct. 10.—Dr. Geo. W. Cox, State Health Officer, in speaking of cancer, said that it ranked second as a cause of death in Texas, being exceeded only by heart disease. Last year approximately 6900 Texans died of this disease. One of the reasons so many people die of cancer is because the disease usually exists some time before it is recognized. By then it has progressed from a small local cancer to a large and dangerous one.

In the beginning cancer is not painful so many persons do not consult a doctor. Any lump, especially in the breast, should be looked upon with suspicion. Other suspicious symptoms are any sore that does not heal about the tongue, mouth or lips, sores caused by broken teeth or ill fitting dental plates should receive attention; irregular bleeding or discharge from any opening of the body is a danger signal. Persistent indigestion with loss of weight is a symptom of cancer of the stomach. With any of these signs one should go immediately to a doctor. Many times the suspicion of cancer will have been unfounded but it is much better to be safe.

It is desirable to treat all diseases in their early stages, but in no case is it more important than cancer. Periodic examinations made with cancer in mind affords the best protection against this disease. Surgery, x-ray and radium are the main weapons which are used to combat cancer.

### Thousands of Texans Busy Providing for Crippled Children

Gonzales, Tex., Oct. 10.—Hundreds of Texans are now busy in all parts of the state doing a great job for a great cause—that of raising money to provide more facilities for treating crippled children. The campaign for half a million dollars to increase the capacity and provide additional medical services at Texas' own Gonzales Warm Springs Foundation got under way this week and will continue through October 5.

Governor Allan Shivers, general chairman of the campaign, stressed the need for more funds in letters asking volunteer workers in all parts of the state to solicit funds for this Texas-wide treatment center.

"Texas has one of the most modern and outstanding treatment centers in the world at Gonzales," the governor stressed, "but we need more of everything at our Texas Warm Springs center so that an increasing number of polio victims and other handicapped children can be given the benefit of the Foundation's hospital and treatment services."

Theatre audiences in Texas recently contributed \$170,000 toward the half million dollar goal. Organized solicitations will be carried out in nearly half the counties of Texas, but in other counties the crippled children's center will have to depend upon voluntary mailing of contributions direct to the Gonzales Warm Springs Foundation at Gonzales.

Even with the emergency addition of twenty beds early in July, the Foundation has been running to its capacity of 130 beds—and

there is an increasing waiting list, especially from children who were stricken during this year's polio epidemic.

A training program for doctors, nurses, physical therapists and other technicians in specialized

crippled children's work is also part of the expansion program. This will provide more specially trained people for the whole state.

Victoria, Texas, was the home of the first meat packery in the state.
