Clairette-Hico Fellowship Supper Enjoyed Last Week

Clairette and Hico citizens enjoyed an evening of good will and entertainment Thursday evening, August 16, when Hico Lions Club members, wives and guests met at the Clairette Schoolhouse for a dinner and program.

Ladies of the Clairette Methodist Church prepared and served a delicious meal to approximately 60 guests attending. Mrs. J. G. Gohlighly, Mrs. Artie Thompson, Mrs. Grady Wolfe and Mrs. Frank Johnson served the plates, which consisted of ham, English peas, creamed potatoes, lettuce and tomato salad, iced tea and homemade pie.

Lion President Robert B. Jackson served as toastmaster and called upon Vance Wadlington of Clairette to deliver the invocation. As guests were introduced, each man present was called on to introduce his wife, and then began the usual round of Lion jokes, cracks and merriment. Tailwister Paul Neel collected fines from those who talked too much or who didn't talk at all—until someone stole his contribution pot—then he fined one member the price of a tie, which he cut off.

Local talent came into the limelight when Lion Neel exhibited his fund of magical tricks. As a ventriloquist, he did very well and at the call of "hello outside" an echo came back promptly. When asked to throw his voice on top of the house, he proceeded with composure, until the answer to "Hello, up on top of the house" came back, "I can't find the ladder." Lion Mayor W. H. Greenalt was his assistant in the act.

Called upon to introduce the visiting entertainers, Lion Superintendent O. C. Cook brought up the only business matter discussed by the club at the program, which was a financial report from the Reunion concession stand. Cook reported a net profit of \$172.83 during the four nights, from a gross business of \$338.69.

Greer Twins Entertain

Continuing with the spirit of fun and frolic then, Lion Cook introduced Al and Ab Greer from Morgan, who combined their musical skill and confusingly identical appearances to give a refreshing performance. After several numbers at the xylophone and piano, they apologized, "We're a little out of practice, folks; used to have a vaudeville act 25 years ago, then my partner lost his hair and doesn't look much like me." Contradicting this apology then, one of them (we couldn't tell which one) gave an amusing chalk talk, drawing with dexterity.

Lion First Vice-President County Attorney Truman E. Roberts expressed appreciation to the Clairette women for the delicious meal and thanked them for their hospitality in making the evening of fellowship possible. Lion President Pastmaster Jackson voiced his affirmation of Roberts' speech, and called upon any other present who would like to say anything. Grady Wolfe, speaking for those in the Clairette community, said "We're glad you folks could come and we've enjoyed having you out." Mr. and Mrs. Wolfe, incidentally, were celebrating their 40th wedding anniversary, and were given a round of applause during introductory remarks earlier in the evening.

Those in attendance from Hico were Mr. and Mrs. T. E. Roberts, Mr. and Mrs. J. B. Woodard, Mr. and Mrs. W. H. Greenalt, Mr. and Mrs. W. C. Howard, Mr. and Mrs. Wayne Rutledge, Mr. and Mrs. Odie Patsick, Mr. and Mrs. Aubrey Duran, Mr. and Mrs. Conda Salmond, Mr. and Mrs. H. W. Sheppard, Mr. and Mrs. D. E. Bullock, Miss Carolyn Halford, Paul Neel, O. C. Cook, R. B. Jackson and H. D. Walker.

Those from Clairette were Mr. and Mrs. Jack Mayfield, Mr. and Mrs. Reno Dunbar, Mr. and Mrs. C. D. Richbourg, Mr. and Mrs. Homer Lee, Mr. and Mrs. Henry Mayfield, Mr. and Mrs. Rob Sheppard, Mr. and Mrs. Vance Wadlington, Mr. and Mrs. John Gohlighly, Mr. and Mrs. Artie Thompson, Mr. and Mrs. Frank Johnson, Mr. and Mrs. Homer Wolfe.

Others attending were Mr. and Mrs. Fern Jordan, Carlton; Mr. and Mrs. B. J. Pruett, from the "Lost 640" Ranch, and Ab and Al Greer from Morgan.

Non-Highway Motor Fuel Users Must Do Their Own Bookwork

Farmers and ranchers who use non-highway gasoline will be in for a lot of bookkeeping after September 1.

They will be required to keep all records of purchases and make out their own applications for tax refunds on fuel used in strictly farm and ranch work—or have some other qualified person do it for them.

Farmers and ranchers using gasoline in agricultural operations, such as in tractors, are eligible for a 4-cent per gallon tax refund, since the gasoline tax is for use on the highways.

Heretofore the wholesalers and distributors have helped the farmers and ranchers with their records and in making their reports. A new law passed by the last Legislature prohibits wholesalers and distributors from giving this service.

H. N. Wolfe of the Magnolia company, S. B. Starnes of the Texas Company, and Grady Hooper of the Gulf Corporation state that they would not be unwilling to continue this service for farmers and ranchers but that the law will not allow them to do it. Consequently, they are calling attention to the fact in an advertisement in this newspaper.

Specifically, the new law holds that it is illegal for any consignee or agent to make out refund papers, keep records, act as an agent for the claimant, or notarize refund claims. Penalty for violation would be the loss of license as a refund dealer.

The purchasers of non-highway gasoline go ahead and pay the highway taxes; then later they apply for tax refunds.

The service of refund dealers was one of accommodation for farmers and ranchers, who are among the chief non-highway users of motor fuel.

So there will be a lot of bookkeeping users of non-highway fuel will have to do or hire done for them when the new regulation becomes effective in September.

Sunday Matches End Golf Tournament For Local Players

Odie Patsick won the championship flight of city golf tournament when played Sunday at Bluebonnet Country Club. Consolationist was young Don Ross, who has shown a good record as a golfer since watching the game as a caddy. He played a class match until the 19th hole was played, when he scored par on Number 1 and Patsick scored a birdie.

Patsick, who had defeated Willard Leach, and Ross, who won over Marvin Marshall, were matched with Paul Hamilton in Sunday's finals. Hamilton did not play the full rounds, but was defeated, 4-3. The other final scores were Patsick 81; Ross, 87. They both received prizes of golf balls from the club. Announcing the winners, Ray Cheek surmised that they might offer a pretty serious threat to their competitors in the Texas Sand Green Championship Golf Tournament to be played here next month.

Club officials expressed appreciation for the large number of entries in this year's local tournament, as there was a great deal more interest in the event than there has been in previous years.

Hico Schools Open Sept. 4, Football Practice Monday

FOOTBALL PRACTICE

Coch Wilie Sirman has requested the following announcement concerning football practice for this year's squad:

All boys in Hico High School interested in playing football this season, be sure to report for issuing of equipment at the Hico football field next Monday night, Aug. 27, at 7:30 p. m.

Practice will be once a day and will start at 8 p. m. each night until school opens.

Schedule will be out in next week's paper.

Selective Service Issues Warning to Youths Failing to Register

Austin, Tex., Aug. 18—The number of 18-year-old Texans failing to register under the federal draft law is increasing, Brig. Gen. Paul L. Wakefield, state Selective Service director, said here today.

State draft headquarters records indicate that registration has been falling off since the end of March. General Wakefield estimated that 2,000 to 2,500 18-year-olds currently are unregistered.

"We've been watching this situation closely since late spring with the hope that the trend would stop," the state director said. "We've asked the local draft boards to act under a provision of the regulations whereby a letter will be sent to men in their communities suspected of being delinquent under the law."

General Wakefield reminded males subject to registration of penalties if convicted of failure to comply with the law. He quoted from a section of the law providing maximum penalties of fine up to \$10,000 and imprisonment up to five years.

Under the draft act, all 18-year-old males are required to register with the nearest draft board on their 18th birthday or within five days thereafter.

"It's up to local boards whether or not they want to turn any man over to federal district attorneys for prosecution," the State Selective Service director said. "Our board members are patient, considerate men, and usually give a man better than a fair chance, if he's willing to co-operate."

"If the registration record doesn't improve within the next two or three months, we're going to advise the boards to be a little tougher than in the past. After all the man who doesn't register on time isn't pulling his share of the load our people are carrying. He isn't being fair to the man who does register on time."

"A man is dealing fairly with his neighbors if he obeys the law just as they do. We hope parents and public-spirited citizens will keep 18-year-old men reminded of their responsibilities under the law," General Wakefield concluded.

Registration and scheduling of classes will be held at Hico Public Schools on Tuesday, September 4, when all students who plan to enroll for the 1951-52 school term are expected to be present for a general assembly beginning that day at 9:30 a. m. Buses will run on their regular routes at the customary time, Superintendent O. C. Cook stated.

Monday, September 3, the teachers will meet for a general faculty meeting at the school at 9:00 a. m.

"We'd like to insist on everybody being there for the first day to register," the superintendent said, adding that a full day will be spent at school.

A more detailed announcement from the superintendent's office is forthcoming in next week's issue of this paper.

Students Return To School at Fairy Monday, Sept. 3

Fairy Public Schools will start Monday, Sept. 3, with registration of students and will require attendance only during the morning, turning out about noon, according to announcement from Supt. Irvin Jones.

The faculty is reported complete, with the following teachers having been elected:

High School—Mr. and Mrs. Irby Patsick, J. K. Pratt and Irvin Jones.

Grade School—Irvin Jones Jr., seventh and eighth; Mrs. Lester Timmerman, fifth and sixth; Mrs. Leonard Sorenson, third and fourth; Mrs. Willo Bradley, first and second.

Opening Night, Aug. 29 Designated Hico Night At Big Dublin Rodeo

The night of August 29 has been designated as Hico night at the Dublin, Texas Pre-Madison Square Garden Rodeo.

Everett Colborn, producer of the Dublin Rodeo, has recently purchased additional bucking horses for this year's show, he told attendants at a barbecue and prelude given at his home Monday night of this week. Attending this affair from Hico were Mayor W. H. Greenalt, Weldon Pierce, Truman E. Roberts, Fred Red Harris, Bill Holmes and Roland Halford.

After hearing reports from the various committees at Dublin, the aggregation composed of newspaper and radio representatives and city officials of the area were convinced that this promises to be the roughest and wildest of all Dublin Rodeos.

Mr. and Mrs. B. S. Washam left last Friday for El Paso for a visit with their son, J. T. Washam, and family before going on to San Diego, Calif., where they will visit two other sons, H. F. Washam and Orville Washam.

HICO METHODIST CHURCH TO STAGE SECOND HOMECOMING IN ITS HISTORY

The Hico Methodist Church will hold its first homecoming since 1915, and its second in its 69-year-old history, Sunday, Sept. 30, according to an announcement by the pastor, Rev. J. Fred Patterson.

Special morning, afternoon, and evening services will be held that day, and dinner will be served at noon. All former members, pastors, presiding elders, district superintendents, and the public will be invited to attend. Marvin Marshall will serve as general chairman for the event.

The church was organized in September, 1882, two years after Old Hico moved to its present location and almost a year before the town was incorporated. Rev. John W. Hearn served as the first pastor, and Elder L. B. Hickman became the first superintendent of the Methodist Sunday School. In its early years the church diligently fought the saloons and their influence. Services were held in the school house, and brush tents were set up for the revivals. In the Spring of 1887 the first church building was completed. It was replaced in 1901, under the pastorate of Rev. H. M. Long, by the structure which is in use today. John A. Eakins was the first church historian.

Committees for the rally have been appointed as follows: Decoration: Mrs. H. N. Wolfe, chairman; Mrs. H. Williamson, Mrs. Ballard Strong, Mrs. Fred B. Jones, and Mrs. W. F. Hafer. Food: Mr. and Mrs. Tyrus King, chairman; Mr. and Mrs. W. B. Coats, Mr. and Mrs. George Griffith, Mr. and Mrs. W. R. Hampton, Mr. and Mrs. A. D. Horton, Mr. and Mrs. Ralph Boone, Mr. and Mrs. Fred B. Jones, Mr. and Mrs. J. D. Jones, Mr. and Mrs. R. B. Goodloe, Mr. and Mrs. B. A. Dunklin, Mr. and Mrs. Jewel Ramage, and Mr. and Mrs. Carl King. Program: Mrs. B. B. Gamble, chairman; Mrs. J. B. Ogle, Mrs. O. C. Cook, and Mrs. Bryan Angell. Publicity: Mrs. H. V. Hedges, chairman; Rev. J. Fred Patterson, and Mrs. Odie Patsick.

Invitations: Miss Louise Blair, chairman; Mrs. T. E. Roberts, Miss Carolyn Halford, Mrs. Alvin Casey, Mrs. R. B. Goodloe, Mrs. Morse Ross, Mrs. W. W. Rutledge, and Mrs. Odie Patsick.

Registration: Mrs. E. H. Randal Sr., chairman; Mrs. S. E. Blair Sr., Mrs. W. H. Greenalt, Mrs. Annie Waggoner, Mrs. Geo. W. Stringer, and Mrs. Jim D. Wright.

Youth Rally to Be August 24-26 at First Baptist Church

Young people have been cordially invited to attend services this week end at First Baptist Church, when five theological students at Baylor University will be in charge of services.

Rev. L. H. Davis, pastor of the Hico church, has requested announcement in this issue, which contains further details of these services to begin Friday night.

Students who will deliver the sermons during the youth rally are Jack Partain, James Smart, Harold "Wiggy" Bell, and Robert Richardson. Music director for all services will be George Uland.

Methodist Church

The pastor of the Hico Methodist Church is engaged in a meeting at Iredell and in his absence Rev. E. E. Dawson will preach Sunday morning. Bro. Dawson needs no introduction or recommendation to the people of Hico and his many friends will be glad to avail themselves of this opportunity to hear him preach.

The young people of the church will have charge of the evening service and we hope to have a group of young people from Tarleton State College in Stephenville to give the program.

Sunday school promptly at 10 a. m. There is a class for you and you have a most cordial invitation to attend all services.

Hico and Alexander to Play Sunday In Last Game Before Playoff

By LEON LEWIS

Sunday ended the Bosque Valley Baseball League season for all teams except Hico and Alexander, who had called off a game on account of a funeral. This game will be played at Alexander next Sunday at 2:30 p. m. If Alexander wins this game, they will be tied for fourth place with Johnsonville. This tie will then have to be played off to determine which team will be in the playoff games.

So far the teams' places are as follows: Duffau first, Iredell second, Shiloh third, Johnsonville fourth by one-half game over Alexander who is fifth, with Hico in sixth place.

Last Sunday's results: Duffau won over Alexander, 15 to 9; Iredell won over Johnsonville, 8 to 3; Shiloh won over Hico, 8 to 0. Bill Stacey's boys from Duffau together with Geo. Bowle was too much for Walker's boys!

Be sure to come out and see this last game next Sunday. Notice to management of Johnsonville team: be sure to be at this game so in case of a tie, you can discuss where to play off the tie game. There will be the largest crowd of the season at this game on account of the fact that the other four teams do not play.

H. L. KIGHT ANNOUNCES MANAGER FOR HICO GIN

H. L. Kight, pioneer ginmer of this section who maintains headquarters at Dublin, announced this week that his gin in Hico would run this year under the management of Lawrence Lane of Hico. The plant was not in operation last year on account of the former manager, Giles Driver.

Mr. Kight has the most modern equipment at this gin and states that the best of service will be courteously and appreciatively rendered. He will have a more detailed announcement next week in this paper.

Mr. and Mrs. R. B. Jackson and son, Pvt. William R. Jackson, spent last week end in Fort Worth.

World Champion

Mayor R. N. Pittman, (right) of Stephenville is shown above being presented the winning trophy by C. E. Leatherwood, pres. Dublin Rodeo Enterprises (left) as being the Worlds Champion "Bull Thrower." Mayor Pittman was selected by popular vote of the large group of Mayors, C. of C. managers and newspaper editors that enjoyed a big barbecue Monday night at the beautiful home of Mr. and Mrs. Everett Colborn at Dublin in preparation for the coming Pre-Madison Square Garden Dublin Rodeo to be held Aug. 29, 30, 31 and Sept. 1. Mayor Pittman admits that he could not have been given this honor because of having thrown any animals.

WESTERN HILLS HOTEL HONORS BEN HOGAN — Fort Worth's new two-million dollar Western Hills Hotel, something new in hotels, has come up with something new in the way of honors for Fort Worth's Ben Hogan. The hotel has named its most popular suite the "Ben Hogan Suite" as a salute to the golf champion, Hogan, right, fresh from his triple triumph of 1950—the winning of the Master's, U. S. Open and World Championship titles, looked on with a big smile as his name was emblazoned on the patio entrance to the suite by Ralph Cleland, assistant manager of the hotel. The golfing touch, incidentally, is appropriate at Western Hills, for the hotel offers its guests a golf at the nearby Ridgela Course—"just a good Ben Hogan" from the hotel. Also there is free swimming for guests at Western Hills' own pool—the only hotel pool in the Southwest equipped for water heating—and the "Ben Hogan Suite" opens up to the pool and patio area of the hotel. One of 17 suites in the 200-room Western Hills Hotel which combines the best features of luxury hotels, resort hotels and deluxe motels to create a new "breed" of hotel, the "Ben Hogan Suite" is the first to be given a formal name.

Rural Electrification Week Being Observed Throughout Texas

This week of August 19-25 has been set aside by Governor Allan Shivers as Rural Electrification Week in Texas.

Joining with the seventy-six other rural electric cooperatives all over Texas is Hamilton County Electric Cooperative at Hamilton, Texas, of which Weldon Groves is manager.

This locally-owned business had its beginning in 1938, correspondence from Mr. Groves indicates. Since that time 2338 miles of line have been built, and today the Co-Op is serving 5359 members.

"For twenty years prior to 1935, private interests worked with the idea of rural electrification," said Mr. Groves, "and they came up with an answer; it couldn't be done."

"The Rural Electrification Administration was set up as an agency of the U. S. Department of Agriculture. It was established on May 11, 1935, by Executive Order, and authorized to make loans at 2 per cent interest over a 25-year period.

"Again the private power companies were offered the job, and again they refused," continued Mr. Groves. Then the job was turned over to farmers and ranchers. In this County it was men like T. D. Craddock, then the County Agent; Troy Dutton of Indian Gap, A. T. Jones of Hamilton and W. M. Horsley, then of Fairly, who started the ball rolling. They worked many hours, giving of their time and energy freely until they had signed enough members to apply for a loan from the Rural Electrification Administration.

"This same story was repeated 77 times over Texas and more than 1,000 times all over the United States, Alaska, and the Virgin Islands." Their facilities today include more than 1,100,000 miles of line serving 3,500,000 farms and other rural consumers.

"By May 1, 1951, REA had advanced \$1,784,578,022 in loans, and by April 1, of the same year, \$282,196,238 in principal and interest payments had been returned.

"This included \$30,239,015 in payments on principal ahead of schedule. Less than \$750,000 was reported more than 30 days overdue. Only one loan foreclosure has been necessary to date on an operating power system; it was on a loan that had been made to a commercial power company.

"To date Hamilton County Electric Cooperative has borrowed \$2,322,246.46 from the Government, and \$216,839.70 has been paid back on the principal, \$15,250.17 of which was in advance of due date.

"REA itself operates no rural electric facilities, and its program involves no grants or subsidies. Hamilton County Electric Cooperative is a locally owned and operated, tax-paying business.

"Kilowatt hour consumption per month per member has increased from 117 kwh in 1950 to 147 kwh in 1951. This means not only that farmers of this area find electric power an essential, but that lines must be made heavier, and that facilities must be made constantly better."

Texas Will Have Generous Hunting Season on Doves

Austin, Aug. 13.—Endorsement of the mourning dove season changes as a step toward "good conservation" was voiced by the Executive Secretary of the Game, Fish & Oyster Commission.

His comment followed announcement by the Federal Fish & Wildlife Service that the Texas mourning dove season would be reduced from 45 to 40 days for most of the state, with the daily shooting period cut from sunup to sundown, to noon to sundown.

The Fish & Wildlife Service, which makes the final decision on all migratory birds, followed the season opening dates for mourning doves as recommended by the Game Commission, pursuant to a popular poll of Texas sportsmen.

The opening in the north zone which comprises about three-fourths of Texas, will be September 1, as usual, and will end October 10. The south zone opener will be November 15. The season in that zone will close December 21, with the season three days shorter than the north zone because south zone hunters in twelve counties will have a special three-day white-wing dove season, September 14, 16 and 18.

The Executive Secretary said field reports indicate sufficient birds to provide a good harvest without endangering the brood stock, under the curtailed regulations.

"Texas still will have a pretty

generous dove hunting season," he said. "I am confident that Texas sportsmen will understand that the game that is not killed this fall will survive to assure their favorite sport in future seasons."

The daily limit for mourning doves is 10. The Possession limit is also 10.

Hunters bagging whitewings during the special season must count their mourning doves in their bag. Thus, if they shoot three mourning doves they may take only seven whitewings.

ELEVEN GIRL SCOUTS MEET MONDAY NIGHT

The Girl Scouts had their regular meeting Monday night. There were eleven members present, and Leaders Louise Blair and Mrs. Weldon Pierce.

Carolyn Halford will take the place of Mrs. Wm. D. Bradley Jr. as a member of the troop committee. At the present time the other members of the troop committee are Mrs. Bryan Angell and Mrs. Odie Petrick.

Tests were passed by Paula Boone, Julia Ann Hedges, Bonnie Pierce and Nelda Calder. Elvora Watkins has completed her second class rank and Julia Ann Hedges has completed her first class rank.

Bonnie Pierce demonstrated how to make a bed roll. Plans were made for an overnight camping and swimming trip to Glen Rose.

Official Memorandum

BY

ALLAN SHIVERS
Governor of Texas

AUSTIN, TEXAS

GREETINGS:

The percentage of farm homes in Texas receiving central station electric service has increased from 2.3 per cent to 90 per cent during the past 16 years, largely through the stimulation of the Rural Electrification Administration (REA) program.

More than 282,000 rural families of Texas now enjoy the benefits of electric lights and power through cooperatives which they themselves own and operate.

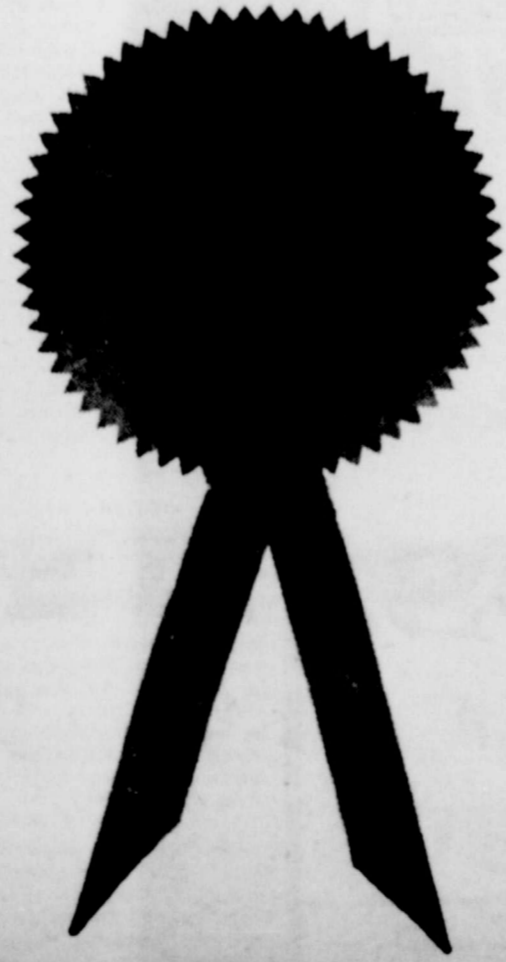

Each of the 77 rural electric cooperatives in Texas is a free and independent, tax-paying business enterprise, chartered under the laws of the state of Texas, and owned and controlled by the farmers and ranchers who receive service along its lines.

The availability of electricity has brought about a wholesome revolution in farm methods, production and living standards; has lightened the drudgery of farm tasks and increased farm output and profits; has been instrumental in keeping young people on the land, and has promoted the general welfare not only of rural people, but of urban residents as well whose prosperity and well-being depends upon a sound and prosperous agriculture.

THEREFORE I, as Governor of Texas, do hereby proclaim the week of August 19th to 25th, inclusive, as

RURAL ELECTRIFICATION WEEK

in Texas, and call upon all citizens of the state to observe during this week the splendid progress that has been made in electrifying rural areas during the past 16 years, and to resolve anew that the program shall continue to expand until every farm family in the state shall enjoy the blessings of electric lights and power.

In official recognition whereof, I hereby affix my signature this 18th day of July, 1951.

Hunting and Fishing Licenses to Be Ready Latter Part of Month

Austin, Aug. 13.—Fishing and hunting licenses for the fiscal year beginning September 1 will be in the hands of Texas agents the last week in August, according to the Chief Clerk of the Game, Fish & Oyster Commission.

He said 1650 persons in practically every community in Texas will help distribute the licenses.

Approximately 315,000 individual resident sport fishing licenses and roughly 310,000 individual resident hunting licenses will have been issued to Texans for the current year ending August 31.

The Chief Clerk visions a small increase in the sale of both hunting and fishing licenses for the next year.

All of the 36 licenses issued by the Game, Fish & Oyster Commission must be renewed for the new fiscal year, advised the Chief Clerk.

The fees range from 50 cents for a duplicate individual fishing license, replacing the original, to \$200 for a wholesale fish and oyster dealer permit.

One important change to sportsmen is the new combined \$215 resident hunting license which is good for both big game and small game, barring antelope which requires a special \$5 permit. All persons over 17 years of age hunting beyond their home county must have a hunting license.

The resident license for sports fishing in fresh water costs \$1.65. It must be used by all persons over 17 years of age when fishing beyond their home counties or adjoining counties. Licenses must be possessed even then if artificial bait is used in the home county or artificial bait or live bait are used in adjoining counties.

ATTEND KAMAY SERVICES

Mr. and Mrs. Mack Ferguson, Bonnie and Mary Nell Pruitt, Mrs. Alma Howerton and daughter Jean, were relatives from Hico who attended funeral services recently for Margaret Kay Bullard, infant daughter of Mr. and Mrs. Edgar Bullard of Kamay. The baby was born and died August 9, 1951. Burial was in Electra Cemetery on August 10.

Mr. and Mrs. Will Parker were also visitors in the home of Mr. and Mrs. Edgar Bullard and daughter Patay Nell.

Helping Another Defeat Worry

WHEN THERESA HARPER, New York City, was told that she had another's life in her hands, she was terrified. Who wouldn't be when that person was one's own mother? The emotional impact of that remark came like a thud of lead on her head—and her imagination. The doctor went on to explain that her mother had cancer, and that the only hope of a cure was in the help she could give herself in building up resistance. She could not build up resistance, went on the doctor, if she worried about her condition. Your mother has a 75 percent chance, he said, provided she doesn't worry. The only way she can be kept from worrying is for you to be absolutely confident that she is going to get well. You must never display even a vestige of fear, doubt or worry in your words or your actions. If you do—well, just remember that you have your mother's life in your hands.

This meant that Theresa herself must not worry; that she must always put on a brave and smiling front; that her mother must see her hopefulness in order to have hope herself. "Hope is contagious," said the doctor, "just as all good things are—as well as bad."

Theresa always had been a chronic worrier, and now she was frantic. She not only needed to conquer ordinary worries of her own but she had to combat the worry of one who wasn't strong enough to combat her own. She had stood by when they brought her mother from the operating room, but the moment she saw her mother's unnatural looking face she fainted dead away. That didn't seem to be the act of one who could rout another's worry, did it?

"Strength will be given you to do whatever is necessary," she had read somewhere. And she proved it. She turned and walked directly to her mother's room, with the biggest smile she had ever worn. She forced herself to see her mother walking around the park, downtown in the shops. She wouldn't allow herself to see her lying there in the bed. Soon the haunted look left her mother's eyes; soon her face relaxed into a smile.

Did it work? "Like a miracle," says Theresa, "and every day I look at my mother and thank God that I had 'the necessary strength when I needed it.'"

Fairy

By
Mrs. Eunice Massengale

We received a light shower of rain late Saturday afternoon, which has given us cooler temperatures. Farmers are combining maize and breaking land. The maize yield is fairly good despite the dry weather.

Our school will open September 3. We hope to be able to give a full report in next week's news of faculty members, bus drivers and lunchroom attendants.

The Methodist revival is in progress this week, with Rev. Don Hazlewood of Barry, Texas, doing the preaching. Wesley Jones of Lanham is directing the singing.

Miss Ovie Parks of Stephenville spent the week end with home-folks.

We were very sorry to learn that Mrs. Hubert Berkley is again hospitalized at the Hico Hospital. She has been very ill, but was better Monday, our last report. The Berkleys are residents of near Fairy, but moved to Hico a few months ago to be near medical aid for Mrs. Berkley, who has been ill for more than a year. They have rooms at the Rice Edwards home.

Mr. and Mrs. Milford Miller and little son, Ronald Keith, of Fort Worth spent the week end with their parents, Mr. and Mrs. A. J. Miller and Mrs. M. E. Parks and family.

Mr. and Mrs. Joe Betts carried his mother, Mrs. T. L. Betts, to Temple last Wednesday, where she remained for a physical check-up at the hospital and clinic.

Mr. and Mrs. Carl Ray Sellers, Carolyn, Jimmie Don, and her mother, Mrs. Eunice Massengale, and Mr. and Mrs. Leon Springer visited Mr. and Mrs. D. E. Allison, Ruby Jean and Darrel of Dublin last Friday night and enjoyed supper on the lawn, consisting of barbecued chicken, baked beans, salads, pickles, hot hamburgers prepared outdoors by Mr. Allison. There also was cake, pie and ice cream. All had an enjoyable time.

Mrs. Dan Fulbright and two little sons of Kerrville spent a few days last week in the home of her mother, Mrs. M. E. Parks, and family. Her husband spent the week end here, all returning home Sunday.

Latest donors to the cemetery fund are as follows: Mrs. M. E. Parks, \$5.00; Jess Trantham, \$5.00; Leslie New, \$1.00; Bill Lackey, \$5.00; and H. M. Allison, \$2.00.

Mrs. Henry Wilson has had a double monument erected at the tomb of her husband.

Mr. and Mrs. Sid Dickerson of near Hico passed through Fairy Monday en route to Cranfills Gap, and stopped a short while at the home of his sister, Mrs. Brittie Little.

'Merry Widow' Closes Season of Musicals in State Fair Auditorium

Dallas, Aug. 21.—The ever-lovely "The Merry Widow," starring glamorous Dorothy Kirsten of the Metropolitan Opera, opened Aug. 20 in the air-conditioned State Fair Auditorium as the final production of the State Fair's 1951 musical season.

The popular Franz Lehár operetta marks the return to the State Fair Musicals of Lloyd Thomas Leech, sensational tenor discovery of last season's "Desert Song," and Hiram Sherman, comic favorite of this season's "I Married An Angel" and last season's "Brigadoon."

Making their State Fair debut are handsome John Tyers, whose extensive career has previously brought him to Texas to sing "Madame Butterfly" with Miss Kirsten in the San Antonio opera; Vera Bryner, exotic star of opera, concert and radio, and Arny Freeman, most recently seen on Broadway in "Dream Girl" with Judy Holiday.

"The Merry Widow" will run through Sept. 2 to close the 1951 12-week season of State Fair Musicals.

Flies Are Cause of Numerous Diseases Resulting in Death

Austin, Aug. 13.—Thousands of children and adults die every year from diseases carried by the fly. Typhoid fever, tuberculosis, polio, summer complaint, cholera, intestinal diseases, and frequently death follow closely in the trail of the common house fly.

Texas Polio Cases Showing Increase, Says State Health Officer

Austin, Aug. 20.—The state last week logged its highest polio incidence of the season, but it was still far short of the record set last year. Ninety-seven cases of the virulent disease were reported by the State Department of Health for the week ending August 11, bringing the year's total to 874.

SUBSCRIBERS—

(Continued from Page 4)

at Plainview, "attached is check for \$2.00 to cover another year's subscription, and thanks for the reminder. We still enjoy your paper and would hate to miss an issue as it's like reading a letter from your close friends." Thanks, Mark, for the interest you and Ola continue to show in your old home town and its paper.

Earle Harrison, Convair employe up at Fort Worth since a hitch in the army during the early part of the war, has renewed his subscription for another year, but we looked on both sides of the statement he returned and found nary a note about how he and Hansie Lee are getting along. At his age, Earle must be getting very tired of working. The NR skipper ought to know—he was born on the same day of the same year that the former Hill County had entered the world. Happy September 17, son. We won't divulge further information as to the number of your forthcoming birthday.

W. T. Howard, 210 Huisache St., Corpus Christi, will be able to keep up with home news for the next year, at least, since his father, T. N. Howard, came in Friday to enter the subscription. Dub had asked for a copy of the current issue to be sent to him, so his dad thought he might as well have it for a year. The younger Howard works for an oil field contractor operating along the Gulf Coast fields.

E. B. Fellers renewed his News Review subscription one day this week while in town on other business. The owner of the former San Clark place, recently vacated by the A. G. Macy family, he said he plans to move into the house on top of the schoolhouse hill some time in the near future.

G. W. Lively, who lives on Route 5, on the place belonging to Charlie Miller of Waco, was in Saturday to pay for his subscription renewal. He has been ill for the past few weeks, but we were glad to know that he was feeling better Saturday.

J. A. Ferguson, who lives past the Fairy community on Hico Route 3, renewed his News Review subscription Saturday, while asking for a little information from the newspaper office force, who are glad to oblige, in the customary manner, with whatever help they can offer subscribers.

Mrs. J. J. Leeth sent in her renewal this week to the News Review. Mrs. G. W. Lewis, who has been staying with Mrs. Leeth for the past four years, came by Tues-

day to take care of the duty and said Mrs. Leeth had been worried that she might miss a copy of the News Review if she didn't hurry and pay up. Not a chance, Mrs. Leeth, especially since your subscription card reveals such a long and faithful record as an NR reader.

Hon. Omar Burleson, United States Congressional representative from our district, renewed his subscription to the Hico paper recently, having been a regular subscriber since he first went to Washington.

Other renewals by mail this week include one for Mrs. Jessie D. Whitmire of Dallas, who indicated her wish to keep taking the Hico paper by mailing a check.

Sending two dollars for renewal from Valley Mills, S. D. Barbee writes, "Hope we don't miss a copy as we like to get the home news." Glad you folks still enjoy reading about those you know here.

Renewals have been entered for Vernon Hooper of Wichita Falls and Horace Hooper of Sweetwater through their sister, Miss Allie Hooper. Customarily, she sends these subscriptions, as well as several others, besides taking the paper herself.

"Am still helping the Katy with its hauling; looks like we can't catch up—when we get one train over, there is another to come back," writes F. S. Crafton, who vacated these premises several years ago but still keeps in touch with Hico through subscribing to the News Review. He is working out of Houston at present.

Jake Lane, who is employed at the OK Theatre in Newkirk, Okla., enclosed two dollar bills in a letter to his mother, Mrs. Jim Lane, and asked her to come by the News Review office and pay up for him. She came in Tuesday and delivered the message and contents.

Mrs. Wallace Edwards, efficient employe of Howard Drug, is so pleasant in her dealings with the public that one wouldn't think she ever had a worry. But she confided in us Wednesday that she had been worried about paying her subscription, every time she got up in this part of town. But that worry is over now, for she found the time and the correct change and disposed of that little matter. That's one reason we don't have to worry ourselves over subscription renewals—our good friends seem to have a way of reminding themselves. But now we are worried over this matter because, as busy as Mrs. Edwards is, it may be a year before she finds time to visit us again.
