NUMBER 6

HUDSON-SNYDER NUP-TIALS BRILLIANT EVENT.

In a setting of great artistic beauty, there was solemnized at the First Methodist church on Thursday afternoon, June 12th, at three o'clock, a wedding of much interest, when Miss Luci Belle Snyder and Lieut. George Baird Hudson pledged their marriage vows in the impressive ring ceremony, performed by Rev. Henry Barton, pastor of the First Methodist church.

The church was beautiful in its floral setting. Quantities of pink carnations and roses supplemented with fernery filled tall vases. And exquisite drapery was fashioned of ferns and plants at the rear of the pulpit, forming a background for the altar banked in carnations and ferns. In the rear of the pulpit a large mirror, festooned with ferns, reflected the soft glow of the tall white tapers gleaming from brass candelabra and the wall lights and chandeliers soft glow enhanced the beauty of the scene. On either side of the pulpit were the standard bearers of the regimental National Colors. Prior to the entrance of the bridal party, Mrs. C. R. Sutton rendered the wedding song, "O Promise Me," with Miss Frances Mitchell at the piano. The echo of the sweet notes was taken up by the strain of Lohengrin's bridal chorus for the processional led by the ushers, Capt. Dunkle, Capt. Goodwin, Capt. Truscot and Capt. Thompson, who came down opposite aisles. Next came the bridesmaids, Miss Jewel Armor of Eden, Texas, and Miss Dorothy Snyder of El Paso, Texas, a cousin of the bride, and the groomsmen, Lieut. Kendall and Lieut. Harris, coming down opposite aisles and walking singly, and preceding the matron of honor, Mrs. Herschel Hord of Alpine, and the groomsmen, Lieut. Robinson, coming down opposite aisles. Next came the maid of honor, Miss Penelope Snyder, sister of the bride, preceded the ring bearer, little Jennie Lee Mitchell, who carried the ring in the heart of a rose. She was fol-

lowed by the petal bearer, little Margaret Fletcher, who scattered rose petals from a flower trimmed basket in the pathway of the bride, who entered with her father, Mr. Tom Snyder, and the bridegroom who entered from a side door with his best man, Capt. Paul Morris, meeting her at the pulpit.

Grouped before the altar the wedding party formed a lovely scene as the solemn words were spoken while the soft melody, "To a Wild Rose," mingled with the words of the service. Mendelsohn's march marked the recessional and the eighth military officers drew their sabers, forming an archway under which the bridal party passed out.

The bride wore a handsome gown of white Marquise, beaded with pearls and Rhinestones over silver cloth. The train and over veil were of silk maline and white satin beaded. The little ring and petal bearers were adorable in dainty little dresses of pink georgette. The maid of honor wore a gown of melon georgette beaded in Rhinestones and self-colored beads. She carried an arm bouquet of pink sweet peas. The matron of honor was attractively gowned in white georgette beaded in pearls over white satin and carried an arm bouquet of purple sweet peas. The bridesmaid, Miss Armor, wore a pretty gown of silk maline in the varied shades over pink satin, carrying an arm bouquet of white sweet peas. The other maid of honor, Miss Snyder, wore a beautiful gown of pink georgette over pink satin, bourette style and trimmed in pink ostrich and French blue bows. She carried an arm bouquet of pink and white sweet peas. Lieut. Hudson and his attendants wore full dress military uniform.

An informal reception followed the ceremony at the home of the bride's parents, Mr. and Mrs. Tom Snyder. The guests were greeted at the door by Mesdames W. P. Fischer and W. B. Mitchell. In the receiving line were Mr. and Mrs. T. W. Snyder, Mr. and Mrs. G. B. Hudson, Miss Penelope Snyder and

BIRTHDAY PARTY.

On Saturday, June 7th, Mrs. S. F. Marsh was hostess to a group of girls in honor of Miss Hilda's fourteenth birthday. The entertainment consisted of a number of little games, the most interesting of which was the testing of the five senses. Some proved to be best tasters, others best seers and still others were better at smelling. All won equal honors when refreshments were served. The guests present were: Misses Isabel Yates, Mary Eunice Bishop, Dorothy Evans, Lois Mitchell, Mary Jane Freeman, Mary Fortner and Hallie Davis.

Mrs. Yates assisted Mrs. Marsh in entertaining the merry girls.

Capt. Paul Morris. In the dining room, beautiful in its decorations, a yellow and white motif predominated, were the regimental colors. The large wedding cake, in ring shape formed the center of the lace covered table, which was banked in lilies of the valley. About the center piece stood tall yellow candles in crystal holders tied with white tulle. The cake was cut by the bride with the groom's saber, in the observance of an old military custom, the tradition of which is that good luck will follow. Assisting in the dining room were Mesdames John Snyder, J. W. Pool, F. A. Mitchell, H. O. Metcalfe and Miss Nellie Steele, who served delicious ice cream and cake. Mrs. Lee Fischer and Mrs. M. Murry presided at the punch bowl and Miss Eula Snyder at the bride's book.

The bride, a daughter of Mr. and Mrs. Tom Snyder, is one of Marfa's lovable and accomplished young ladies and is a graduate of the State University. Lieut. Hudson is a West Point graduate and has been in the army six years. Was born in Columbus, Ohio. Mr. and Mrs. Hudson left on the 4:45 p. m. train for El Paso, where they will spend their honeymoon, on their return they will be at home in Camp Marfa. The New Era wishes them much happiness in their wedded life.

AN AFTERNOON RECEPTION

Mrs. William Colquitt was hostess at a charming afternoon reception Tuesday from 4:30 to 6:00 p. m., at the beautiful home of her parents, Capt. and Mrs. J. B. Gillette, complimenting Miss Jessie Jones, whose engagement to Mr. Edgar Mueller of San Antonio was recently announced.

The Gillett home, long noted for its charming hospitality, was especially attractive on this occasion. In the spacious reception room a pretty decoration of pink rose buds and sweep peas filled baskets and vases and were banked in beds of ferns. Receiving cards at the door was lovely little Mary Martha Coffield. Mrs. Colquitt, with her honoree, Miss Jones, received their guests in the reception room and were assisted by Mrs. Henry Coffield, Mrs. J. W. Pool, Mrs. George Jones, Mrs. W. P. Fischer, Miss Liesel Vander Sijcken, Mrs. L. G. Brite, Mrs. Pierce and Mrs. Mary Leigh. In the living rooms were Mrs. Henry Fletcher and Mrs. Frank Anderson. The decorations in the living rooms were in varying shades of sweet peas. The dining room was in pink and lavender, in the center of the table was a silver basket filled with sweet peas and ferns. Pink tapers were held in silver candlesticks and over the table were silver compositions filled with lavender mints. On the buffet the same pretty decorations were carried out. Presiding over the tea service were Mrs. Donald Dunkle and Mrs. L. N. Casner. Assisting in the dining room were Mrs. DeVolin, Mrs. H. Metcalfe, Mrs. John Highsmith, Mrs. Orr Kerr and Misses Eva and Vina Jones and Miss Jessie Seay, serving the delicious plate lunch, consisting of chicken sandwiches, hot tea, pink brick ice cream, angel cake and salted nuts.

This was a most enjoyable affair, the getting together of friends was never more pleasant than on this occasion when being with the charming Jessie Jones again. Mrs. Colquitt, as usual, was an ideal hos-

ROTARY CLUB NOTES.

The weekly luncheon of the Marfa Rotary Club was held at Mrs. Joe Humphris' on Tuesday, June 10.

The club unanimously elected the following men to membership: Joe Humphris, Real Estate and Insurance; John W. Howell, Builders Hardware, and Allen M. McCabe, Automobile Finance.

President H. T. Fletcher, with Mrs. Fletcher, left Friday to attend the Fifteenth Annual Convention of Rotary International at Toronto, Ontario, Canada, June 16 to 20. They will return via Montreal, Boston, New York and Washington. Mr. Fletcher, as secretary of the Highland Hereford Breeders' Association, will visit cattle feeders of Highland cattle, sold last fall, at Dalton, Mass., Middlelokn, Conn., and Lancaster County, Pa., returning to Marfa about July 1st.

EIGHT O'CLOCK BREAKFAST.

Mrs. H. O. Metcalfe entertained Wednesday with an eight o'clock breakfast, in honor of Miss Luci Belle Snyder.

The breakfast table was beautiful in its appointments. A large silver basket filled with sweet peas formed the center-piece. From the basket was hung a bride's bell, which was tied to Miss Snyder's glist and rang at intervals during the breakfast.

Twelve guests enjoyed the splendid hospitality of the hostess. A book of hints to the bride was passed around the table and each guest wrote a "do" and "don't" for the bride.

less and this delightful reception will long be remembered by all who were there.

DINNER PARTY.

Mrs. W. B. Mitchell was hostess to a delightful dinner party Tuesday evening, June 9th, at her beautiful home on Knob Hill, in honor of Miss Luci Belle Snyder.

The reception and dining rooms were fragrant with the perfume of summer blossoms, graceful bouquets being used most effectively. The color motif was yellow and white. The table was laid in an attractive manner, a large basket of yellow lilies forming the center-piece, from which streamers of yellow satin ribbon ran to each place card, upon which covers for fourteen guests were laid.

After dinner, Miss Snyder was presented with a basketful of preserves, each egg having brought a jar of their choice preserves for the bride-to-be.

This hospitality was one of the most charmingly appointed of the series of pre-nuptial entertainments that have marked society since the announcement of the engagement of this popular young lady.

BAPTIST CHURCH NOTES.

The Sunbeam band is a live and
happy little bunch. Every Friday
afternoon of five o'clock they meet
for a program. There is music and
song, Scripture verses and a mis-
sionary story. Once each month they
have a social, which they talk about
for days. Almost every available
child of Sunbeam age is enrolled.

Word comes that Miss Vina Lit-
tleton, until recently leader of the
Sunbeams, is now Mrs. Robert Stur-
art and is living at Irvington, Ky.
She made many friends in our
church during her residence here.
All wish her a joyous wedded life.

It was the pastor's privilege to
visit Skillman's Grove last Sunday
afternoon. It was the first time he
had seen that historic spot where
through the years great spiritual
tides of blessing have been set go-
ing among the people. That after-
noon Dr. Irving led us in a very
earnest and searching consecration
service.

Paisano is only a little more than
a month away. Soon the publicity
committee will be scattering litera-
ture among many churches. By
the opening of the session a number
of new bungalows will be completed.
The strongest faculty we have ever
seen will be on hand to conduct
the study courses. As perhaps no
other encampment in the state does,
Paisano emphasizes the camp meet-
ing element in its work and we are
praying that the fires of evangelism
may stir the assembly. Are you get-
ting ready for this great event?

July 10th the Baptist Standard will
give a special number to Paisano.

Monday afternoon, fourteen wom-
en of the W. M. U. met with Mrs.
Yates for the monthly business and
social meeting. A nominating com-
mittee to suggest officers for the
coming year was appointed. The
appeal of Buckner Home was bro't
up and it was decided to give a cake
sale Saturday, June 21st. Everything
realized from this cake sale will go
to the orphans. Mrs. Yates served
dainty refreshments.

A noticeable number of our teach-
ers, officers and regular attendants
are away for the summer, but others
are supplying and our Sunday
school is having a fine, healthy mid-
summer experience. The welcome
song with which the beginners de-
partment greets us is one of the
sweet things of the morning service.

Remember the services next Sun-
day.

HILLBOLT-JOHN. The residence of Mr. O. C. Dowe, Marfa, was visited by a happy group of friends from Presidio Wednesday, the 6th, who were there to witness the marriage of Mr. Frank Hillbolt and Miss Bettye Johns. Rev. S. F. Mash of the Baptist church performed the ceremony.

Mr. Hillbolt is in the custom service at Presidio. He has been an officer on this part of the border for six years and is therefore well known. Mrs. Hillbolt is from Imperial, Texas, but she has been with a brother at Presidio for several months. The happy young people left on the limited for El Paso. Upon their return they will be at home to their friends at Presidio.

Those who witnessed the ceremony were: Mr. John R. Daniel, intimate friend and associate of Mr. Hillbolt in the customs service; Mrs. Daniel and little Miss Jane; Mr. L. Johns, a brother of the bride; Mr. M. Scannell, Miss Dorothy Cotter of Alpine, and Mr. Creed Taylor and family of Marfa.

BRIDGE LUNCHEON. Mrs. Lee Fischer was hostess to a lovely bridge luncheon Saturday afternoon, June 7th, at the home of her mother, Mrs. W. P. Fischer, naming Miss Luci Belle Snyder, whose engagement to Lieutenant George Baird Hudson, was recently announced.

The Fischer home was beautifully decorated in cut flowers and pot plants. Six tables of guests enjoyed the ever-fascinating game of bridge.

At the conclusion of this delightful afternoon entertainment, Mrs. Harrison Herman was found to have made highest score of the ladies present and to her was presented a set of beautiful mah jongg book ends. The honoree was presented with a handsome silver gravy boat.

The hostess served a delicious four course luncheon, a color scheme in pink being artistically carried out. Besides the players, the hostess had several luncheon guests, namely, Mrs. L. C. Brite, Mrs. T. A. Childers and Mrs. Poillon.

WOMEN NEED SWAMP-ROOT
Thousands of women have kidney and bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease. If the kidneys are not in a healthy condition they may cause the other organs to become diseased.
Pain in the back, headache, loss of ambition, nervousness are oftentimes symptoms of kidney trouble.
Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.
Get a medium or large size bottle immediately from any drug store.
However, if you wish first to test this great preparation, send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing, be sure and mention this paper.—Advertisement.

May Harness Shannon
The Free State government of Ireland has entered into an agreement with an engineering concern for a comprehensive survey of the hydro-electric possibilities of the River Shannon. A detailed scheme is to be worked out for harnessing the Shannon and for the distribution of power over the twenty-six counties of the Free State. If the findings are favorable, the government may develop the project as a state enterprise.

THE YERKES OBSERVATORY
To avoid the fine and numerous particles of dust and smoke which naturally hover in the air over a big city and cut down the effectiveness of the observations, the jarring—even though minute—which upsets the calculations of the observers, and the disturbing reflections from the night illumination, powerful telescopes are usually stationed at points where these conditions do not have to be reckoned with.

Accordingly, the great Yerkes observatory (connected with the University of Chicago)—one of the greatest of all the astronomical laboratories on earth, is perched upon the crest of a bluff above beautiful Lake Geneva, near the town of Williams Bay, Wis.—about seventy miles northwest of Chicago.

In the largest of the three domes which surmount the observatory is mounted the world's largest refracting telescope. It is also the busiest telescope, being in use both day and night the year round, weather conditions permitting.

In the center of this dome, which is 75-feet in diameter on the inside, balanced across the great pier which rests upon a solid foundation of concrete and supports the weight, is the barrel of this tremendous instrument. It is 62 feet long and weighs about 12,000 pounds. Each of the two great lenses which fit inside of this barrel are forty inches across.

The barrel of this instrument can be swung around in any direction and raised or lowered to any angle; the floor of the dome is movable and the entire roof of the dome revolves—all to the end that the observer can observe in any direction and at any angle necessary in order to properly perform the particular job in hand. After the barrel has been focused it can be adjusted to follow and keep in view the object under observation, relieving the observer of having to stop occasionally and focus his telescope. Adjustment as small as one-one-hundredth of an inch can be made.

With this telescope observers have been enabled to determine, with great exactness, the positions of stars in clusters and the distances between them. Stellar photographs taken, using the telescope as a camera, are among the best yet secured. The brightness of stars also is measurable with this instrument.

THE CHICAGO STOCK YARDS

The Union Stock yards in Chicago handle so much stock that when one saunters about the yards, it seems as though all the farmers in the country had decided to ship all their stock to Chicago at the same time, and that it all arrived on the day you were there.
Established in 1865, these yards have grown to be the largest in America, if not in the world. The great bulk of our live stock, especially hogs, is raised in the states between the Allegheny and the Rocky mountains. Railroad construction was converging toward and expanding from the city at the southern end of Lake Michigan. Chicago, therefore, was the logical location for America's greatest live stock mart.

Naturally, the production of live stock has increased many fold during the last 57 years. This fact, plus the scope of the territory from which these yards draw patronage, accounts for the condition mentioned in the first paragraph, and the staggering figures which follow.

These yards today contain about 10,000 pens and cover an area of about 320 acres.

In 1865, 613 cattle, 17,764 hogs, and 1,433 sheep were received. The average number of head of stock handled daily during a recent five-year period was: Cattle, 10,936; calves, 2,338; hogs, 26,753; sheep, 14,805; horses, 212; a total of 55,044 head or 936 cars every 24 hours—an average of 39 cars per hour, day and night.

The receipts of stock vary widely between seasons and because of market fluctuations. The largest receipts recorded on any one day, according to recently compiled statistics, were: Cattle, 49,128, on November 18, 1908; calves, 9,526, on March 25, 1920; hogs, 96,964, on November 29, 1918; sheep, 71,792, on October 16, 1911; horses, 3,228, on January 11, 1904.

The greatest aggregate value of all stock received during any one year was in 1918 when this total reached the astounding figure of \$904,715,357, an average of \$2,478,672 week days and Sunday, too, throughout the year. During that year, 3,789,922 cattle, 657,767 calves, 8,614,190 hogs, 4,629,739 sheep, and 87,820 horses were received—an average of 3,273 head of live stock every hour, day and night, for the entire year.

The Work Habit

There are three habits which, but one condition be added, will give you everything in the world worth having, and beyond which the imagination of man cannot conjure forth a single addition or improvement. The habits are the work habit, the health habit and the study habit.—Elbert Hubbard.

It opened and he floated over a thousand feet, landing near the wreck on the ground.

ARTFUL SELF-TRIM POPULAR; FEATURE WIDE-BRIM HATS

WHEN it comes to one's "company frock" or one's "Sunday best," any little girl wants it just as dainty in coloring as the flowers of spring. Herein lies the secret of the popularity of crepe de chine for children's dresses. No matter how delicate its tint, it is thoroughly practical. Another point in favor of crepe de chine for junior frocks is, it lends itself so charmingly to "self-trim" decorative schemes.
Even the roses at the girdle on the pretty little dress in the picture are conjured of the selfsame material as the gown itself. So are the flutings set in rows about the sleeves and the

skirt, stopping short just in time to better display a perfectly plain front panel. Mothers make wise selection in a gown like this, for little daughter will be tastefully frocked therein at any and every dress-up occasion and as an informal party dress this model is ideal.
Self-trim with crepe de chine as the medium is effectively achieved through pin-tucks in many of the junior frocks in the summer collection. A very lovely dress in powder blue is allover pin-tucked from lace yoke to hem, with a row of crystal buttons up and down the front supplemented with a side fringe of lace the entire length.
Rows of pleated ruffles are charmingly disposed on some of the prettiest models and the tiered skirt is again featured. Smocking of accordion plat-

large picture hats as are here shown fail to dislodge the little cloche from its pedestal of fame. There is irresistible coquetry in the demure brim of a bonnet such as is shown to the right herewith. Powder blue pyroxiline braid and gay printed silk combine in the making of this naive model with a cluster of mother of pearl disks to complete its ensemble.
The other bonnet owes its effectiveness to its unique trim of narrow molle ribbon.

Dr. Duggan says Texas lags far behind the other States in reporting of vital statistics, and should have complete reports.

Under the law creating the board, their work ceases in January and it requires that 500 copies of the statutes be printed for consideration of the Legislature.

CONVENTION OF UNITED CONFEDERATE VETERANS

Memphis, Tenn.—With the re-election of the venerable general William B. Halderman, of Louisville, Ky., as their commander in chief and the selection of Dallas, Tex., as the site for the reunion next year, the United Confederate veterans adjourned their 34th annual reunion Thursday.

General Halderman in a brief address accepted the honor not for himself, he said, but in testimony of an appreciation for the work he had tried to do.

The election of department commanders resulted as follows: Army of Northern Virginia, General E. D. Taylor, Richmond; Army of Tennessee, General J. A. Thomas, Dublin, Ga.; Army of the Trans-Mississippi, General J. M. Cochran, Dallas, Tex.

Among the resolutions adopted by the convention was one providing for the appointment by the commander in chief of a committee to promulgate a plan to erect a monument to the Mothers of the Confederacy of whom there are only a few living. It was suggested that the memorial be erected on Stone Mountain, where the gigantic memorial to the Confederacy is now being carved.

COMMITTEE DECIDES MAYFIELD HAS RIGHT TO RETAIN SEAT

Washington.—The senate committee investigating the election contest against Senator Mayfield, democrat, of Texas, Saturday upheld his right to a seat in the senate.

The evidence introduced by his opponent, George E. B. Peddy, was held to be insufficient to support charges that excessive campaign funds had been spent in his behalf by the Ku Klux Klan or any other organization or individual in 1922.

The decision was announced after counsel for Peddy, who has been presenting testimony for several weeks, had argued in an executive session of the committee for a continuation of the hearings during the recess of congress. Senator Mayfield's attorneys had urged action, declaring sufficient evidence already had been produced to enable the committee to decide.

Chairman Spencer in announcing the view of the committee explained that the full elections committee still must act on the contest, and that it would be necessary then to obtain action by the senate itself.

CHERRIES

Some time before the cherry trees had been in bloom with their beautiful blossoms.

They had worn these costumes in honor of Mistress Springtime.

For you know how all of Mistress Springtime's friends want to dress their prettiest for her.

The trees all dress up so prettily and the flowers peep up above the ground and the birds sing and smooth their gay feathers and every one of them seems to be saying:

"I've got on my best for you, Mistress Springtime, ah yes, my very best."

But now the fruit was coming out upon the trees. And in some places it had come out earlier.

The apples were small but some of them were quite good.

Others, of course, weren't ripe and weren't ready to be picked though if anyone wanted to feel a bit sick they would help make them feel that way.

The apples were always a little naughty before they were ripe and not so considerate of people as they might have been.

But then they always said that if people wanted them in such a hurry they must not expect the apples to behave their very best.

They weren't ready with their best behavior, they said.

The peaches were ripe and were so good. They were juicy and delicious and everyone was enjoying them.

But still little Maggie loved the cherries best of all.

She had cherries right on her own trees. There were some wild cherry trees, too, with rather bitter little cherries upon them, but these the robins ate.

Maggie was delighted to see the robins fill their little tummies upon the bitter cherries because she liked the others better.

There were almost as many pits around where Maggie was as there were around where the robins ate!

But the cherries were delighted. They were as juicy and tasty as could be and they liked to be at their very best.

They wanted to be enjoyed in their own cherry fashion and they were just as delicious as could be.

For when Maggie was asleep and when her family were asleep the cherries sang their little song of summer.

Maggie's family loved cherries, too, but not as Maggie did, so it was to Maggie the cherries on the cherry tree sang their song:

"Cherries, we are cherries. And we grow the best we can. We try to be our juiciest. For a child and man."

"Cherries, we are cherries. We once were only flowers. But that was long ago. Oh weeks, and days and hours."

"Cherries, we are cherries. To Maggie we sing this song. May she always love our sweetness. And for cherries may she long."

"When the spring is here may Maggie say 'how nice 'twill surely be. When cherries, cherries, cherries. Really come upon the tree."

"Cherries, cherries, cherries. We're here for Maggie to eat. And we'll say that Maggie's Appetite is certainly hard to beat!"

Dollar a Year Is Salary of Pastor

The parson, described by Goldsmith, who was "passing rich on £40 a year," will hardly be envied by many modern clergymen, but even today there is at least one minister of religion whose salary is considerably less than this amount, says London Answers. Indeed, it is probably the smallest salary in the world.

The pastor is Rev. Dr. C. W. Gordon, better known as "Ralph Connor," the author of "The Sky Pilot" and other famous novels. He is minister of the Presbyterian church at Winnipeg, but finds so much of his time taken up with outside engagements that an associate clergyman has been appointed to carry on while he is away from home. This associate gets the lion's share of the salary, the novelist being content with the modest stipend of a dollar a year for his services to the church!

EX-SHERIFF ANDERSON OF HARRIS COUNTY GIVES TANLAC CREDIT

Man Who Held Public Office Over 27 Years Says Medicine Restored His Health and Strength 5 Years Ago and Has Helped Him Keep Well.

"I said a lot in praise of Tanlac some six years ago, but not half enough, in view of what it did for me," is the high tribute paid the famous medicine, a few days ago, by Hon. Archie R. Anderson, ex-sheriff of Harris county, Texas, who resides at 1505 Austin St., Houston.

Mr. Anderson is unquestionably one of the best known and most popular men that ever held public office in the "Lone Star" state. After serving as deputy sheriff of Harris county for 12 years, Mr. Anderson was elected chief of police of the City of Houston. He had occupied this office but a short time when the sheriff of Harris county died and Mr. Anderson was then appointed by the Commissioner's Court to serve out the unexpired term of sheriff. He was honored with reelection as sheriff seven different times and served the people in this important office 15 consecutive years. In 1912 Mr. Anderson declined re-

election and retired to private life. He cast his lot among the people of Houston and is a large property owner and foremost citizen of this city. Speaking further of his experience with Tanlac, Mr. Anderson said:

"Before taking Tanlac I was all run-down and had no appetite. I had the worst form of indigestion and could not eat fried foods or pastries at all. I suffered all the time from gas on the stomach, which frequently caused severe pains. I also suffered with the worst sort of neuralgic pains and nothing seemed to help me only in a temporary way, until I took Tanlac.

"Then I read the statement of a Georgia sheriff, who had been relieved of troubles like mine, I just felt like I couldn't go wrong by taking Tanlac, and it has done even more for me than I expected. I felt better after the first bottle and the complete treatment of six bottles made a new and different man of me. I never felt better in my life than I did after taking Tanlac. And although five years have passed since Tanlac straightened me up, my health has continued good and my stomach as sound as a dollar to this good day. I am glad to endorse Tanlac because it does the work and does it well."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40,000,000 bottles sold.

To Work Without Tiring

Caramel Pudding
4 cups milk, 5 eggs, one-half teaspoonful salt, 1 teaspoonful vanilla, one cup Diamond Star Sugar.
Heat milk in a double boiler and pour over the beaten eggs. Melt the sugar in a frying pan until it is a deep rich brown. Add this carefully to the milk and eggs and return to the double boiler. Add salt and flavoring and cook until thickened like ordinary custard. This can be served in glasses or instead of thickening in boiler it can be baked in the oven in a pudding dish. If baked it should be served with a plain caramel sauce, made by browning one-half cup of sugar, and adding one-half cup of boiling water. Boil and cool sauce before serving.

YOU must have food which is easily digested, quickly absorbed and full of energy. Sugar is a wonderful help to workers because it is energizing food, supplying strength almost as soon as it is eaten.

DIAMOND STAR
Brands of Pure Cane Sugar

contain a high proportion of energy units because they are made in the best refinery in the U.S.A. and have no adulterants. Ask your grocer for them, use them freely when you are doing hard work, and see the difference.

BOLT PLAYS TAG ON BOY

Lightning Killed His Horses and Ran
All Over His Body.

Physicians in charge of Steve Kopy, aged eighteen, of Mandan, N. D., report he will recover, but will always carry scars showing how a bolt of lightning played tag about his body. The youth was driving a four-horse team hitched to a wagon when lightning struck, killing two of the animals.

The bolt tore through his hat, followed down his back to the waist where it ran around his body, up his right breast, circled his shoulder and passed down his arm. The scars are like those made by a hot iron.

AN APPRECIATION.

WHEREAS, the State Highway Department of Texas has materially assisted during the past several years in the important work of constructing Bankhead Highway through this county while at the same time Culberson county was doing all it could to assist the state of Texas in the building of this highway through a very sparsely settled region where the said highway is used and will continue to be used principally for the benefit of the traveling public at large, instead of by the local citizens,

And whereas the State Highway Department has now assumed the responsibility of maintaining the said highway, and is handling the maintenance of said highway in a very creditable manner,

And whereas, The Commissioners Court of Culberson county believe that commendation of public officials should be made when they render good service,

Therefore be it resolved that

Culberson county hereby expresses its appreciation of the valuable work done by the Highway Department of Texas in this county, both in the matter of constructing and maintaining the road.

We believe further that no small degree of the success attained is due to the capable, conscientious and tireless efforts of Division Engineer D. E. H. Manigault. Through all the years of his service here he has ever shown himself to be thoroughly honest, capable and alert in looking after the road building program and has always been fair and just in his dealings both with contractors and with the state and county.

It is a pleasure to thus publicly express the appreciation of Culberson county for the valuable work done by Mr. Manigault.

We wish to further express our appreciation of the service being rendered by superintendent of maintenance, P. E. Propst. He has built up a splendid organization, and is getting more a etual constructive maintenance work per

dollar of cost than we have ever seen accomplished before.

We feel that this section of the state is highly fortunate in having him as superintendent of maintenance

Resolved further that a copy of this resolution be spread upon the minutes of this Court, and that a copy be sent to the highway department, to D. E. H. Manigault and P. E. Propst.
