Train-Truck Crash Results In Fatality

An Abernathy man was killed Wednesday morning when the tractor-trailer rig he was driving was struck by a Santa Fe Railway train at a crossing 1.4 miles west of Friona.

Gary Dale Green, 39, died upon impact, according to an inquest performed by Justice of the Peace Frances Euler.

Department of Public Safety Trooper Craig Hunt of Farwell said Green was driving a 1986 Freightliner truck across the tracks about 11 a.m. Wednesday when his vehicle was struck by the train.

Green reportedly had been to Parmer County Implement Company, located near the crossing. He was pulling a plow loaded on a flatbed Schwartz trailer. Green's truck was dragged approximately 4,200 feet before the 63-car train could be stopped.

The train was traveling east at 70 mph when the collision occurred, Hunt said. Green was traveling south through the crossing, which is marked by a sign but is not equipped with gates or flashing lights. (Editor's note: an attempt has been made to secure gate signals for the busy crossing.)

"The engineer said Green stopped before he got to the tracks and looked down as though he was writing something down," Hunt said. "Then he looked up and started crossing the tracks."

The train, which was loaded with semi-trailers, was not derailed, Hunt said. The track was not damaged, and was reopened to traffic three or four hours after the collision.

FATAL CRASH...An Abernathy man, Gary Dale Green, 39, was fatally injured at the railroad crossing just west of Friona Wednesday. Green's truck was carried more than three-quarters of a mile before the train could stop.

(Photo by Lisa McLellan)

YE EDITOR PROBABLY doesn't have to tell his readers that the calendar year of 1992 is going down as one of the most unusual from the standpoint of weather in recent memory.

This is especially true if you are in the farming business, where some of the facts I'm about to present are all too painful.

Although the county has received above-average rainfall for the year, the fact remains that there have been two or three periods during the year when it has been extremely dry, with the date this is being written marking the 25th consecutive day without so much as a trace of moisture recorded.

The official rainfall at Friona's National Weather Service gauge stood at 20.96 inches after the last measurable rainfall on September 20. That's about three to four inches more than the usual moisture that we get in this area.

Yet, there was a period from February 5 through March 25—virtually two months in duration, when a scant .28 inch was the only moisture received during that seven-week period.

Fruit trees were severely hurt—many killed—by a hard freeze the morning of March 10, when the mercury dropped to 16 degrees, the second-lowest reading of the year, after the trees had budded out.

Severe weather battered the area a number of times during the spring and summer months.

A funnel cloud was spotted south and east of Friona March 28, when a corn dryer and other improvements were destroyed.

Then, the weekend of June 27-28, funnel clouds and hailstorms raked a large area from Bovina to Hub, and north of Bovina and West of Friona.

The hail wiped out much of the cotton crop and a lot of corn. Funnel clouds were spotted all over the place, and for once, even our western Panhandle area received some advance warning from the area's severe weather center.

About the time we had recovered from the late June "blow," another storm hit the east side of the county, on August 27. This was basically a wind and rain-storm, accompanied by pea-sized hail which the wind whipped into everything for 15 or 20 minutes.

No funnel cloud was actually spotted in the August storm, but some insurance investigators said it had to be of funnel-type origin. In our own neighborhood, a couple of huge trees were uprooted, and yard fences for a two or three-block area looked like a semi-truck had gotten loose through the back yards.

We have always known that we had quite a bird population on Maple Street in Friona, but it wasn't until the August storm that we realized just how big it was. Carol and I estimated that we picked up 800 dead birds of Mockingbird to sparrow size and smaller in our front and back yards.

The storm got 'em all.

For years we have put out sunflower seeds for the Bluejays, robins, and other more attractive birds. We've always muttered about having too many sparrows. But it's been so quiet in our back yard the past two months we have even missed these little buggers. Plus, we have no birds out there at all to get after the insects.

Of course, those of you out in the country lost a lot more than your birds, so like we said at the beginning, this is just reviewing something that you already knew.

At least we didn't bore you with a lot of politics this week. Haven't you heard enough?

Students Continue To Blaze A Trail

For the third time in four weeks, a student at Friona High School won the weekly first prize in the Friona Star Football Contest. And, as if to make a statement, all three winners are from the FHS freshman class.

The latest winner was Jack Wilson. Wilson was one of four contestants to correctly pick 13 of the 16 contest games, and from this group the top three weekly money-winners were chosen.

The 14-year-old captured top prize of \$10.00 when his Dallas-Seattle tie-breaker prediction was only four points off the mark. He picked the Cowboys to shut out the Seahawks, 31-0, and the actual score was 27-0.

Wilson missed Oklahoma-Texas, Philadelphia-Kansas City and the New York Jets-Indianapolis Colts games on the regular contest lineup.

Second place was won by another contestant with Friona High School ties—art instructor Bobby Wied, who missed the tie-breaker by 13 points. Wied picked the Cowboys to win, 24-10. His contest misses were Dalhart-Canyon, Tennessee-Arkansas and Oklahoma-Texas. He receives \$7.50 for his efforts.

Third place, and \$5.00, went to Jackie Morgan, who missed the tiebreaker game score by 17 points. Morgan, who is the overall defending champion in the contest, picked the Cowboys to win, 34-10. He mis-fired on Tennessee-Arkansas, Oklahoma-Texas and the Jets-Colts.

Kent Patterson was the fourth contestant to correctly pick 13 games, but finished out of the weekly prize money at 21 points away on the tie-breaker system. Patterson picked Dallas to win by 31-17. His misses were Tennessee-Arkansas, SMU-Rice and Oklahoma-Texas.

Thirteen contestants tured in scores of 12 for the week, missing by just one game having a chance at one of the weekly cash prizes. These were Jon Field, Roddy Berend, Francisco Torres, Eufemia

Torres, Kirk Frye, Thomas Reeve, Martha Rodriguez, Jack Clark, Jerry Bentley, Mal Manchee, Dee King, Colby Carthel, Tom Johnson, Jimmy Walker and Mark Walker.

In the race for grand prize, Tom Johnson and Mal Manchee, both of whom are "mail-in" contestants, used their scores of 12 to take over the contest lead, and are tied with scores of 59. Both are formerly associated with the Friona school system. Johnson now lives at Whiteface and Manchee, also a former overall winner, lives at Hereford.

Four contestants are tied for second place with scores of 58. They are Clint Mears, Jimmy Walker, Marie Walker and Bobby Wied.

Seven others are one step back with scores of 57: Roddy Berend, Colby Carthel, Dianne Morgan, Jackie Morgan, Kent Patterson, Shirley Steinbock and Francisco Torres.

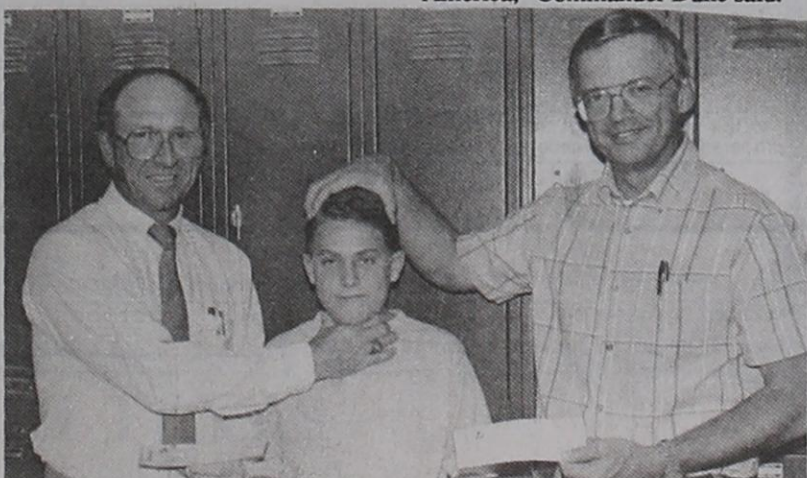

Contestants are vying for the grand prize of \$100 cash to be awarded at the conclusion of the promotion, along with the bragging rights of "top local football expert for 1992." Contestants are reminded to enter every week in order to have the best opportunity of winning.

Students Can Win Awards

"Students win more than awards and scholarships when they participate in the VFW Voice of Democracy Scholarship Program," said John Duke of the Parmer County VFW Post, in discussing the broadcast scriptwriting program conducted annually by the Veterans of Foreign Wars and its Ladies Auxiliary.

The program is open to students in the tenth, eleventh and twelfth grades in Parmer County. Deadline for entering an essay is November 1.

"The greatest benefit to young people who take part in the program is that they gain a better appreciation of freedom in America," Commander Duke said.

WON'T TELL SECRETS...All three money winners in the Friona Star football contest came from Friona High School this week. Freshman Jack Wilson, center, was good-naturedly badgered by Jackie Morgan, left, and Bobby Wied, right, to divulge his secrets for coming up with the winning tie-breaker

Mission Cable Collects \$3030 For MDA Drive

Mission Cable Company collected a total of \$3,030.00 from their 60 participating cable systems for the Muscular Dystrophy Association in its recent campaign.

The donations were collected from Mission Cable's subscribers as part of a campaign for free installation to cable in return for a \$5 donation to MDA.

Mission Cable would like to thank their subscribers for their donation, and for making the MDA campaign a success.

County To Close Dump

The Parmer County trash dump will be closed beginning November 1, 1992.

It will be open only on Thursday, Friday and Saturday from 1-6 p.m. There will be a charge for dumping trash—\$5.00 for small load and \$10.00 for bobtail trucks.

This was brought about by people dumping forbidden items in dumpster, like tires, trees, chemical containers and dead animals.

"We are sorry to have to do this but we'll have to try this for awhile until we can come up with something better. All litterers will be prosecuted," said county commissioner Ernest Anthony.

State Requires New Cards

The state is requiring people to exchange their old handicapped cards for new ones, according to tax assessor-collector Doris Herington.

The old cards will expire on December 31, 1992. The new ones are available at the tax office in Farwell.

Van Bid Awarded

The Board of Trustees of the Friona ISD met in its regularly scheduled monthly meeting on October 12. Highlights of the meeting included:

1. The Board heard and approved a request from the junior class to have the junior/senior banquet at Hereford Country Club.

2. The Board considered bids for a new 1993 school van. The Board awarded the bid to Friona Motors, whose bid was \$20,133.

3. Superintendent Hal Ratcliff reported on pupil enrollment and Average Daily Attendance. Enrollment as of September 30 stood at 1247 compared to 1258 one year ago. Average Daily Attendance for the first six weeks was 1182.86 with an outstanding ADA percentage of 97.71% district wide.

4. The Board approved allowing students in grades 6-12 to continue to wear shorts for the remainder of the 1992-93 school year.

5. The Board received the September tax report. Collections stood at 98% for Parmer County Education District and Friona ISD.

Early Vote Details Are Spelled Out

Details on early voting for the November 3 general election were announced this week by Count Clerk Bonnie Warren.

The special voting period began October 14 at the county clerk's office (8:30 a.m. to 5 p.m. daily).

In addition, the clerk will hold special voting dates at Friona and Bovina during October.

Friona area voters may vote early at the Credit Union on Thursday, October 22 or Thursday, October 29, from 9 a.m.-4 p.m.

Voters in the Bovina area may cast their ballots at the City Hall on Tuesday, October 20 or Tuesday, October 27, between the hours of 9 a.m. and 4:30 p.m.

"The early voting is for anyone and for any reason: over 65, disabled—or if you just want to vote early. It is no longer considered 'absentee voting,' as it once was," Mrs. Warren pointed out.

Juveniles Arrested In Home Burglaries

Five Friona teenagers were arrested this week in conjunction with the burglaries of two local residences. The teenagers are charged with breaking into two local homes a total of four times.

The youngsters were charged in connection with break-ins at the Trey Ellis home, 1117 Etta, on Friday, October 9, and the D.T. King, Jr., home at 310 West 10th Street. The King home was apparently disturbed three different times.

Items taken included guns, jewelry, video games, cassette tapes, radios and miscellaneous items.

"The guns seemed to be mainly what they were after," said Randy Geries, Friona's assistant police chief, investigator. The items recovered had an estimated value of \$2500.00.

Geries said the Friona Police Department recovered 95 per cent of the items taken from the two homes mentioned above.

"We hope this will put a stop to this latest round of burglaries," Geries said.

The juveniles ranged in age from 13 to 15. They have been charged with burglary of a habitation, which could incur up to a \$10,000 fine and two to ten years in detention. The youths have been

referred to the juvenile court and have been released to the custody of their parents pending disposition of the case.

Supper Is Benefit For Kim Thomas

A benefit enchilada supper has been scheduled to help defray the medical expenses incurred by Kim Thomas, accident victim.

The meal will be held on Friday, October 23, at the Friona High School Cafeteria, from 5-7:30 p.m., and is the same date as the Friona-Littlefield football game.

Adult plates will cost \$5, and children under 12 will go for \$3. All other donations will be gratefully accepted.

Miss Thomas was critically injured last month at Lubbock when she was struck by an automobile in the vicinity of Jones Stadium. She is a 1991 graduate of Friona High School.

As of press time, it was reported that her condition was much improved, she has come out of the coma and is talking with her family and the medical personnel. She is slowly regaining the use of her limbs and they hope to have her up and walking in a couple of weeks.

SEMINAR GIVEN...Don Taylor of West Texas State University conducted a seminar entitled "Keeping the Business in Friona" to a group of business owners and managers Tuesday. The seminar was sponsored locally by the Friona Chamber of Commerce and Agriculture.

Friona Flashbacks

60 YRS. AGO OCT. 21, 1932
During the past ten days or two weeks, cotton has been rolling into the Friona Gin in a fairly steady stream, to the extent that at least 150 bales will have been ginned by the close of this week. C.S. Waddell, manager of the gin, reports that the crop this season will make an average of one-half a bale or better to the acre. Cotton picking is affording employment to many Friona people who were unemployed.

50 YRS. AGO OCT. 16, 1942
Since the armed forces have claimed practically all the eligible young men from this territory, many positions have been taken over by women. Our entire force of rural mail carriers is now composed of ladies. Our local bank is wholly in charge of ladies. Our local drug store is now served by two ladies, where a few months ago, all the employees were men. Another lady, Mrs. Wright Williams, is in charge of Uncle Sam's rationing

Airline Offers Tickets

Southwest Airlines will reunite hundreds of senior citizens, 65 years of age or older, who demonstrate a strong economic need for assistance, with family and friends this holiday season by awarding complimentary tickets through its 13th annual "Home For The Holidays" program which kicks off this week.

Applications are available to area seniors who are 65 years or older and who cannot afford to travel home. They can be picked up at senior centers or by calling the Panhandle Area Agency on Aging (PAAA) in Amarillo at 372-3381 or toll free outside of Amarillo at 800-642-6008.

The PAAA has joined forces with Southwest Airlines to administer the program. Completed applications must be received at the PAAA by October 20, 1992 for consideration.

A limited number of applications per city from each of 34 cities served by Southwest will be selected to receive a complimentary roundtrip ticket based on their need for economic assistance and reason for travel. Past recipients may apply and only one application per person will be considered. Ground transportation is not provided. Ground transportation to or from an airport served by Southwest Airlines is also not provided.

Each year, Southwest Airlines works in conjunction with local community organizations systemwide to distribute applications and select senior recipients.

Screening Clinic Is Scheduled In Friona

The Breast Cancer Screening Program of the Don and Sybil Harrington Cancer Center and High Plains Baptist Hospital of Amarillo will continue community outreach clinics for early detection of breast cancer.

Funding is available through the Texas Department of Health for screening mammography for Texas residents qualifying for financial assistance.

Early detection of breast cancer is the major goal of cancer control for each woman seen in the clinic. The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self-examination and a mammogram.

Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recom-

mended by the American Cancer Society for breast screening for women who have no signs or symptoms of breast cancer.

The guidelines are: (1) Learn and perform breast self-examination; (2) Have a physical examination every year; (3) Have a mammogram according to the recommendations by age. Age 35-40, one baseline mammogram; 40-50, a mammogram every 1-2 years; over 50, yearly mammograms.

A clinic will be held in Friona on Wednesday, November 18, from 10 a.m. to 3 p.m. at Parmer County Community Hospital, 1307 Cleveland. Exams are done by appointment only.

For more information or to make an appointment, please call the Harrington Cancer Center (806) 359-4673, or our toll free number, 1-800-377-HOPE (4673). Locally, for more information, contact Elda Hart at 247-2754.

Back-To-School Lunch Ideas

By CARLA MCKEOWN

Parents and their children often remember life differently. I think that I hate bologna sandwiches because I had to eat them in my lunch everyday in the first grade. My mother disagrees, insisting that she packed a variety of lunches.

She's probably right, but I still prefer roast beef on a hard roll to bologna and cheese any day!

After a while, I started buying my lunch in the school cafeteria. Then, reports of bugs and rats in school kitchens led me back to the ol' brown bag.

By that time, I was in high school, my mother had a full-time job, and I packed my own lunch. I usually packed a green salad topped with tuna fish; I poured my favorite salad dressing in an empty pimiento jar—just enough for a small salad.

Out on my own and in the working world, I began to experiment with my brown bag lunches. I stuffed pita bread halves with tuna salad and alfalfa sprouts for a healthy meal.

Making a lunch everyday that your child will eat can be a little tricky. Not only do you need to consider your child's likes and dislikes, but you also need to keep in mind the following safe-food tips:

* Refrigerated lunches are the safest, but since most children have no way to refrigerate their lunches, you can put something cold in the lunch bag. For example, a frozen drink, a small, plastic dish filled with frozen water or a freeze pack.

* If you pack the lunch the night before to make school mornings easier, refrigerate the lunch overnight.

* Include nonperishable snacks such as peanuts, raisins, cheese and crackers, sunflower seeds, dried fruit, granola or pretzels.

* Keep hot foods hot in thermal bottles. Before filling with the hot

food, warm up the bottle by pouring warm water into it; drain, dry and fill with your lunch choice.

School lunches don't have to be the boring bologna and cheese sandwiches that I remember (although I don't doubt my mother's claim that my school lunches were indeed filled with variety). Instead of plain white bread, put sandwich fillings in a pita pocket, flour tortilla, hot dog bun, taco shell, or any whole grain bread.

Ask your child to help make and pack his or her school lunch and try the following recipes.

ALPHABET CHICKEN SOUP
2 tablespoons vegetable oil
Flour seasoned with salt and pepper

1 frying chicken, cut into small pieces and blotted dry
2 cups chicken stock
2 cups water
1 teaspoon dried thyme leaves
1 bay leaf
1/4 cup chopped parsley
1 24-ounce bag frozen stew vegetables, cut into small pieces
1 cup frozen peas
1 cup frozen pearl onions
1 cup cooked alphabet pasta
Salt and pepper to taste

Heat the oil over medium high heat in a large pot until hot. Take the chicken and roll it in the flour. Be sure to shake it to remove any excess flour. Add only enough chicken to fit comfortably in the bottom of the pan. Brown the pieces on all sides. Make sure that

all the chicken is browned. Remove the chicken from the pan and place it on a plate. When the chicken is cool enough to hold it in your hands, pull off the skin and blot in a paper towel to get rid of the extra fat. Return the chicken to the pan. Add the stock, water, thyme, bay leaf and parsley. Cook until the mixture boils. Once it is boiling, cover the pan and lower the heat so that the chicken can simmer for 15 to 20 minutes. Add the vegetables, alphabets, salt and pepper; simmer until the vegetables are tender. This should take about 15 minutes. Makes about 4 to 6 servings.

PEANUT BUTTER AND RAISIN SANDWICH

1 bagel, halved horizontally
2 tablespoons peanut butter
2 tablespoons raisins
2 tablespoons bacon bits
3 thin slices red apple
1 lettuce leaf
Spread the bagel halves with peanut butter; top with raisins and bacon bits, pressing down lightly. Cover bottom half with apple slices, lettuce and remaining bagel half. Cut in half. Makes one serving.

CHICKEN SPREAD

2 cups minced cooked chicken breast
1/4 cup minced dill pickle
3 hard-cooked eggs, finely chopped
1/2 cup chopped celery

1/2 cup chopped apple
1/4-ounce diced pimiento, drained
3/4 cup reduced-calorie mayonnaise or salad dressing
1/4 teaspoon salt
1/4 teaspoon pepper
Combine all ingredients; cover and chill at least 1 hour. Use as a sandwich spread or stuff into a pita bread pocket. Makes 3-1/2 cups.

APPLE MUFFINS

1 cup peeled, finely chopped apples
1 tablespoon honey
1-2/3 cups all-purpose flour
1/4 cup sugar
2 teaspoons baking powder
1 teaspoon ground cinnamon
1/4 teaspoon salt
1 egg, beaten
2/3 cup skim milk
3 tablespoons margarine, melted
Vegetable cooking spray
Combine apple and honey; set aside. Combine next 5 ingredients in a medium bowl; make a well in center of mixture. Combine egg, milk and margarine. Add to dry ingredients; stir just until moistened. Stir in apple mixture. Place paper liners in muffin pans; coat liners with cooking spray. Spoon batter into liners, filling two-thirds full. Bake at 400 degrees for 18 minutes. Makes 1 dozen.

Facts About The

BIBLE BY JOHN LEHTI

ISRAEL'S FIRST KING

AMIDST CRIES OF "GOD SAVE THE KING" A YOUNG BENJAMINITE, THE CENTER OF ATTENTION, IN THIS HUGE THROUNG OF ISRAELITES STANDS OUT LIKE A BEACON ON A STORMY NIGHT. HANDSOME, MODEST, TALLER BY A HEAD AND SHOULDER THAN ANY OTHER MAN, THIS IS HIS GREATEST MOMENT FOR HE HAS BEEN ANNOINTED KING OVER ALL THE TRIBES OF ISRAEL. WHAT A PITY THAT FROM SUCH A MOMENTOUS START THIS MAN'S DESTINY WILL LEAD HIM TO THE DREGS OF DEPAIR, DEFEAT, AND A VIOLENT END. SAUL SON OF KISH, THE FIRST KING OF ISRAEL, WHOSE FUTURE EXPECTATIONS WERE SO GREAT BUT WHOSE REALIZATIONS WERE DOOMED TO IGNOMINIOUS FAILURE, ALL OF WHICH HAS BEEN RECORDED IN SAMUEL, CHAPTERS 8, 9, 10.

Hornets Continue Mastry Over FHS

Friona High School's Chieftains will still be seeking their first win when they visit Floydada Friday night, and the prospects aren't good, since the Whirlwinds stand at 4-2 for the season and 1-0 in district after their 42-6 win over Muleshoe last Friday.

The Chieftains dropped their district opener to the Tulia Hornets, 41-0 last Friday night.

The Chiefs held the Hornets on their first drive, and took possession of the ball at their own 21-yard line.

However, Friona soon had to return the ball, and Ryan Prater hit Rusty Crosby on a 43-yard scoring play and the PAT gave Tulia a 7-0 lead with 3:53 left in the opening quarter.

Blair Burney's pass was intercepted deep in Friona territory, leading to a quick Tulia touchdown to start the second quarter, and a 14-0 lead.

The Hornets added three touchdowns in the second quarter, as Friona just could not get untracked. Prater connected with Gary Browning for 45 yards, and Cory Sanders ran ten yards for Tulia's third score.

Friona didn't get a first down until Tulia had its 21-0 lead.

Pinned deep in their own territory, the Chieftains had a short punt that led to another Hornet TD.

7th Braves Top Tulia By 36-0

Friona's seventh grade Braves shut out Tulia, 36-0 last Thursday, to run their season record to 4-0.

Daniel Cuevas gained 49 yards, scored two defensive touchdowns and one PAT.

Quint Ellis added 43 yards and a PAT running.

Brandon Stephens caught three passes for 48 yards and a TD; Sammy Perez had one 20-yard TD catch; Jeffrey DeLapaz caught two passes for 25 yards, two TDs and one PAT; and Ellis caught two passes for 20 yards and a two-point PAT.

Jesus Mata completed seven of 11 passes for 90 yards and three TDs, and Aaron King was two of four for 20 yards.

Cuevas led the defense with 15 tackles, recovering two fumbles for touchdowns, one a 95-yard run. Ellis had six tackles and two blocked punts. Other tackles were by Brian Paiz, four, Cecil Cooper and Orlando Corral, three, and Perry Hanes, two.

"The entire team is doing a super job. We are getting better at all positions, offensive and defensive lines have improved, and are doing their jobs. I wish I could mention everyone, because everyone is deserving of praise," said Coach Sid Whitley.

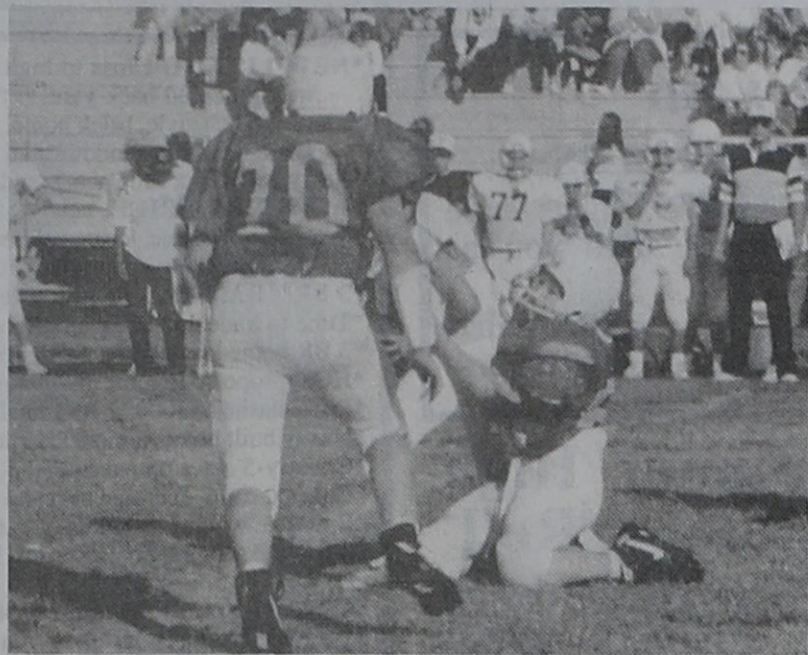

Squaws 8th At Lubbock X-Country

The Friona Squaws' cross-country team placed eighth at the Lubbock Invitational meet last Saturday, with 36 teams competing. Friona scored 273 points.

Results were as follows:
Varsity: 34. Renee Martin 13:30; 37. Jenny Hamilton 13:32; 40. Audra Clark 13:37; 80. Julie Goddard 14:13; 109. Tena Willard, 14:34; 112. Sheryl Dement 14:37; 153. Mary Cass 15:01.

JV: 1. Courtney Carthel 15:38; 95. Jessica Alvarado 15:47; 135. Briny White 16:34.

This week the district meet will be held at the same location.

GOOD DEFENSE....Perry Hanes (60) of the 7th Grade Braves "Red" team sacks the Muleshoe quarterback in last week's game here, won by Friona, 13-6. Coming in to help if needed is Friona's Landon Wiseman (70). The seventh grade team is unbeaten for the season. The team downed Tulia, 30-0 last Thursday to make their season record a perfect 4-0.

Prater connected with Tony Kelly for 31 yards, and the visitors held a 27-0 lead at the half.

Friona's defense did somewhat better in the second half, limiting the potent Hornets to one score in each quarter. Tulia drove from their own 45 to the Friona 10 before Juan Gamboa recovered a fumble to thwart that effort. But a 46-yard run by Sanders had made it a 34-0 margin.

Letter To The Editor

Dear Bill:
This letter is written to inform the citizens of Friona of the recent fine work of the local police department. We were recently the unfortunate victims of burglary of our residence.

The local police responded immediately upon our discovery of the crime. They spent several hours investigating the scene, fingerprinting and photographing evidence.

After intense investigation and careful follow-up of existing evidence, they solved the crime and were able to catch the four juveniles who committed the burglary. They were also able to recover all stolen articles.

Our sincere thanks to Friona Police Department officers: Chief John Taylor, Captain Randy Gerles, Steve Jones, Ron Englett, Able Aleman and Kathy Christian.

We appreciate all your time and effort to make Friona a safe place for us to live and raise our family.
Sincerely,
Trey and Tracy Ellis

Kareem White ran 70 yards with an interception to complete the scoring.

Friona drove from their own 20 after Tulia's score to the Hornet 15. Blair Burney and Brian Herring hooked up on pass completions of 24, 14 and nine yards. But Herring fumbled as he was tackled on the final catch and Tulia took over.

Mother Of Frionan Buried At Littlefield

Graveside services for Corrine Evans, 90, of Friona, who passed away Monday, October 5 at Parmer County Community Hospital after a brief illness, were conducted October 7 in Littlefield Memorial Park.

Rev. Henry Salley, pastor of First United Methodist Church of Friona, officiated.

Mrs. Evans married James Evans on June 25, 1924. He died in March of 1970. She was a member of First Christian Church of Hereford.

Surviving are two daughters, Johnnie Walters of Friona and Regina Douglass of Ferris.

She was preceded in death by a son, W.J. Evans, in 1990.

The family suggests memorials be made to the Muscular Dystrophy Association.

Rhea Club Met Wed.

The Rhea Extension Club met Wednesday, October 14 at the Rhea Community Center.

Nine members, Patsy Allen, Ruth Drager, Cecelia Schueler, Donna Schueler, Martha Schueler, Velma Schlenker, Bertha Camero, Mary Pipes and Ona Patterson; and two guests, Emily Allen and Rachael Pipes, were present.

Roll call was answered by "What you like about Fall."

Our community center family night will be October 17 and will be a pot luck supper.

Election of officers was held. New officers are: Cecelia Schueler, president; Gay Taylor, vice president; Donna Schueler, secretary-treasurer; and Patsy Allen, council representative.

Martha Schueler served refreshments with Halloween decorations. Donna Schueler presented the program on different ideas and ways to decorate fall t-shirts and sweatshirts.

HAPPY 40TH BIRTHDAY DONNIE,

OCT. 14TH

CLOVIS LIVESTOCK AUCTION

P.O. BOX 187 504 S. HULL
CLOVIS, N.M. 88101 (505) 762-4422

THANK YOU

From all of us at Clovis Livestock Auction for making the special calf sale and appreciation day--Wednesday, October 14--the success it was. Over 600 folks attended the auction and enjoyed terrific bar-b-que lunch put out by Zeke.

5255 cattle were sold for 275 consignors to buyers from Colorado-Kansas-Oklahoma-Texas, and, of course, New Mexico. A very active buyer participation created a good solid sale from start to finish under the dry weather conditions.

OCTOBER IS CO-OP MONTH

From sunrise to sunset all across the nation...

THIS PAGE MADE POSSIBLE BY THE FOLLOWING SPONSORS:

40,000 cooperatives work hard for their member-owners and their communities.

In big cities, small towns and rural areas, cooperatives owned and operated by 60,000,000 people provide a tremendous variety of goods and services—electric and telephone service, farm credit, credit unions, farm marketing and farm supply, food, health and day care, and insurance.

Cooperatives work because they meet people's needs efficiently and economically. That's why co-ops have scored high marks for quality goods and services for more than half a century all across America.

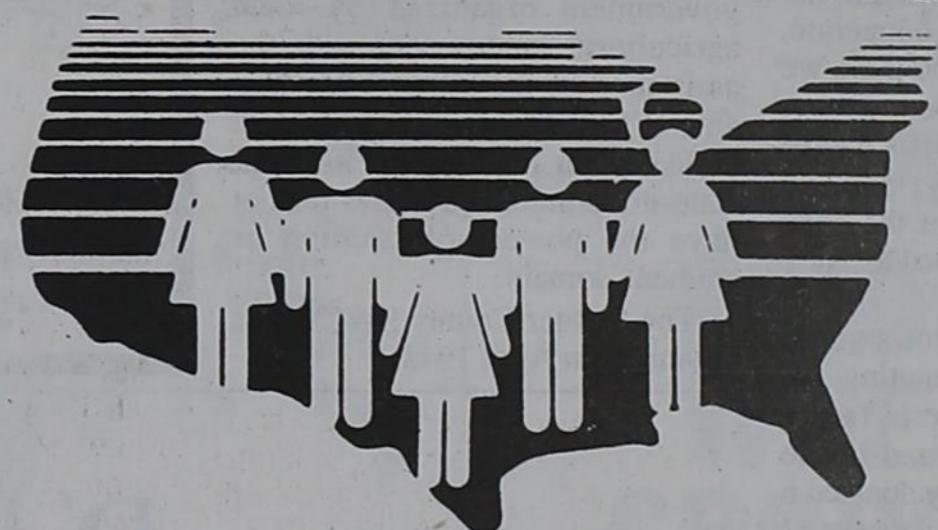

Co-op people point with pride at what their cooperatives have achieved for their friends, neighbors and communities. Co-ops are true American success stories.

When cooperatives work, all America benefits.

We're Proud To Do Business

Martha Aronce

Marketing Education

Marketing education helps smooth out the rough road to success. The skills one learns in class and on the job are invaluable additions to one's education. One learns to sell a product or service, but one learns to sell himself as well. The ability to speak to people effectively and project one's thoughts and ideas will help in future endeavors.

Martha Aronce, daughter of David and Nellie Aronce, is employed at Bi-Wize Healthmart. She enjoys working there because she has the opportunity to see how a small business operates.

"I've learned some of the key factors in running a business. I've had a few embarrassing incidents with the register, but I think I have learned much more from those mistakes than from doing everything right."

Martha also has enjoyed meeting the people that make up this unique community. She says that she has met a great number of people which she enjoys seeing everyday.

"I've learned to be genuinely friendly, and I enjoy talking to everyone who comes in. Some of these people can really make anyone's day."

"At this time, I would like to thank Mike and Claudia Hanes for the opportunity they have given me."

"It was fun from the beginning, and it'll be fun until next summer!"

Prairie Acres Party Line

By CAROL DELEON

The residents are getting ready for the cold weather that is fast approaching. The Halloween decorations around the facility have really made everyone aware that it is just around the corner.

Speaking of cold weather, we had planned a picnic this week, but Mother Nature did not cooperate. Instead of having it in the park, we had it indoors in the front lobby, under the big windows, which gave us the outdoor scenery, and we didn't even have to fight the ants. The residents really seemed to enjoy it.

This week's thank-you's go to: Kelly Harrelson for donating the television; John and Sherri Taylor also for the television; and to the person who anonymously donated a television. They will make several of the residents very happy, and we very much appreciate these special people for their kind and giving hearts.

Other thank-you's are: Becky Riethmayer for the magazines; Bovina Methodist Ladies for doing hair care last week; 6th Street Church of Christ ladies for having hair care this week; Betty Phipps for the delicious cake and cookies that she baked and brought for the staff on their breaks; and to Lucille Rocky for the man's robe. I can never say too often what a thoughtful little community we live in and these thank-you's show why.

We want to express our deepest sympathies to the family of Corinne Evans. She had been a resident since March 19, 1992. She was a very special and caring person and will be greatly missed.

The following donations have been made to the Love Fund:

In memory of Dr. Lee Cranfill: Tommie and Joe Mercer.

In memory of Viola Daves: John and Jo Blackwell.

In memory of Corinne Evans: John and Jo Blackwell, Connie and Keta Dodson, Jerry and Beth Shelton, Anne Spring.

In memory of Reagan Looney: Maesie Flynn.

In memory of B.C. Meadows: Max and Dorothy Self.

In memory of David Moore: Maesie Flynn.

When you return to your boyhood town, you find it wasn't the town you longed for—it was your boyhood. Earl Wilson

Rick Roden Wins Hereford Tourney

Rick Roden claimed the Hereford Men's City Championship in golf recently by beating Don Leverett over 18 holes of match-play golf at Pitman Municipal Golf Course.

Roden also beat Jerry Stevens in the first round of the championship flight, then outlasted Ron Weishaar in a match that required three sudden death holes. Roden clinched the win in the finals by being three holes up on Leverett with two holes to go.

"It feels real good," Roden said. "I had three extremely tough matches. I'm just real glad James Salinas wasn't able to play, because he's as tough as there is."

Salinas, the defending champion and 10-time winner of the event, was not entered.

Match play was a different format for the tournament this year. Match play pits golfers in head-to-

RICK RODEN

head match-ups instead of putting everyone in a field. Score is kept by holes, not by strokes, and the winner is the golfer who won the most holes.

Pitman pro David Kaesheimer said he thought it worked well.

"Match play gave a lot of people an opportunity they otherwise wouldn't have," he said. "The

P.O. Exam Announced

John M. Frisby, sectional center manager/postmaster, Lubbock, has announced the rural carrier examination will be open to the general public October 26 through October 30 for the Plainview Area Eligibility Register.

Offices included on the Plainview AER are Hale Center, Olton, Plainview and Tulia.

Interested persons may apply at the Lubbock Personnel Office, 1515 Avenue G, Lubbock, Texas; the Amarillo Personnel Office, 2301 Ross St., Amarillo; or at one of the offices served by the register during the week of the open announcement.

No applications will be accepted before or after these dates.

beauty of match play is if you have one bad hole you're not out of it."

Kaesheimer said he was pleased that the tournament was able to have three flights. He said some quality golf was played in the last week at Pitman, and not just by the winners.

"We had four matches that went into sudden death," he said. "I had the opportunity to see a lot of good golf shots over the weekend."

In the championship flight, Leverett beat Paul Hubbard, then Tom Coneway, to get to the final match. In the other first round matches, Coneway beat David Workman and Weishaar beat Stacey Bixler. Hubbard came back to beat Bixler and win the consolation bracket.

Friona FFA Members Win Honors

In the past couple of weeks, Friona FFA has been very busy at the area fairs. Livestock was shown at both the Amarillo Tri-State Fair and the Lubbock Panhandle South Plains Fair.

In Amarillo, several students exhibited a variety of animals. Jeremy Hardin and Rusty Simmons exhibited steers. Rusty placed sixth in his class and Jeremy placed tenth.

Jessica Smith, Trista and Tania Hand, Brandon and Michael Wilkins, Cody Simmons and Monty and Kevin Schueler exhibited lambs. Jessica had three first place and one second place lamb. She also had a reserve champion lamb. Both of Trista's sheep placed second and Tania had a first place lamb. Brandon's sheep placed 13th, Cody's lambs placed third, tenth and eleventh and Monty's lambs placed second and seventh.

In Lubbock, Jeremy showed his steer and Jessica, Trista and Tania showed their lambs. Jessica

BEET TIME....Holly Sugar's beet dump near Friona has been very busy lately, as sugarbeet harvest is in full swing. Holly officials said Wednesday that the plant is receiving 8,000 tons of beets per day, which is right at its daily capacity. Sugar content and yield are both up from 1991, and farmers are hoping that the good harvest weather continues until the beets are all harvested this year.

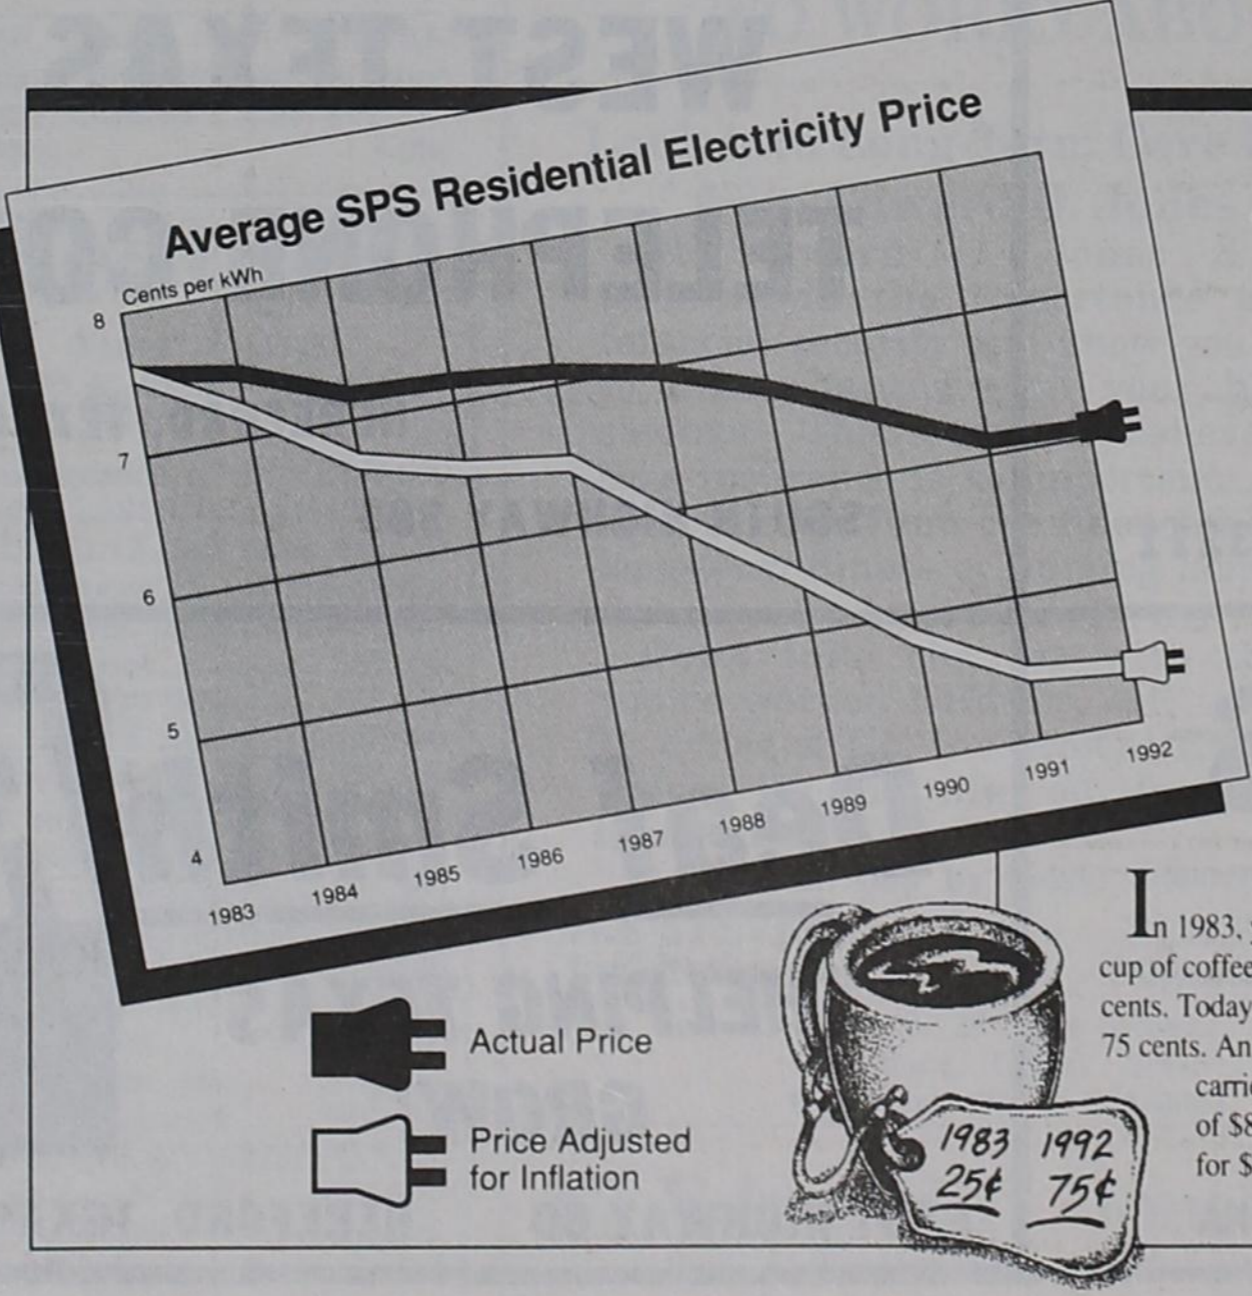

had one lamb that placed 12th. There were many very nice animals at both of these shows. Some of the animals placed, some did not. All shows depend on what each judge is looking for and how the animals look on that day. All of our youngsters did a great job of exhibiting their projects and enjoyed doing it. There are many more shows down the road where things will be different. The Parmer County Lamb Jackpot will be held Sunday, October 18 at the Community Center. The show begins at 3 p.m. Everyone is invited to come out and watch these youngsters work.

Some people know how to save big money while having fun!

Did You Know You Are Paying 20% Less For Electricity Than You Did Nine Years Ago?
 (94% of our customers didn't.)

Compare this to the average residential cost of electricity in the SPS service area. In 1983, you paid 7.59 cents per kilowatt-hour. Today that rate has been reduced to 6.08 cents. That is 20% less! And, when you adjust for inflation, the real cost has been reduced 42%!

Our heating rate has been significantly reduced, too. Today, you pay only 2.92 cents per kilowatt-hour to heat your home electrically. That is much less than the national average for electric home heating. And, because industrial and commercial rates, as well as residential ones, have come down, the area as a whole benefits. SPS' low rates can help attract new industry and encourage local companies to stay in our area.

In 1983, you could buy a cup of coffee for about 25 cents. Today, you pay around 75 cents. An automobile that carried a sticker price of \$8,200 is now listed for \$15,000.

ELECTRICITY FROM SPS. A GREAT BUY THAT KEEPS GETTING BETTER.

Town Talk

By June Floyd

Call 247-3681 With Your News Items

Little Alex Dunnam left Friona early Thursday morning after spending nine days visiting in the home of his maternal grandparents, Jim and Sherry Atwell.

"Paw-paw" Jim accompanied him. These two stopped in Waynoka, Oklahoma and picked up Sherry's dad, Kenneth Carson, who went the rest of the way with them.

Carson, who lives in Clovis, returned home with Jim later in the week.

Alex and his parents, Louis and Kenda Dunnam, live in Decatur, Arkansas.

At least one Frionan, Julia O'Brian Fairchild, believes the old adage, which advises us "If life hands you a lemon, make lemonade out of it."

Wednesday morning's big blow filled her front entry way with corn shucks. At first, she wondered which family member she should call to dispose of them.

Since she has been partially disabled following a fall and hip surgery a year or so ago, she has had to call on family members to do a lot of things she had been doing for herself.

As she was trying to make a decision, she remembered a striking fall decoration she had seen—a large pumpkin filled with corn husks.

No sooner had she thought of it than she was on the way to town to see what kind of pumpkin she could purchase. Upon finding a display of plastic pumpkins, she chose the largest one in the group.

As she drove home, she thought, "What will I do with this thing if someone has moved my corn husks while I was gone?"

If you want to drive by and look at her giant pumpkin filled with locally grown corn husks, just go by the corner of West Tenth and Austin.

This incident also proves the old adage, "It's an ill will which blows no one good."

Jeffie, Leon and Terron Talley had a special visitor in their home over the weekend. Their only granddaughter, Sydney, who lives at Norman, Oklahoma, came to see them.

She was accompanied by her parents, Tracey and Suzy Talley.

Other visitors in the Talley home were Troy Talley and Nicole Potts, who are attending Texas Tech University in Lubbock.

Tracey, Sheila and Caleb Straughn of Hereford and Andy and Wendy Harris, who live in Canyon, were weekend guests in the home of Sheila's and Wendy's parents, Wendell and Patsy Gresham.

When Mindy Beth Johnson received her diploma from Friona High School, May 30, 1992, she became a graduate of the same school from which both her parents and all our of her grandparents had graduated.

She is the daughter of Joe Bob and Connie Schlenker Johnson and the granddaughter of Hershel and Edith Moseley Johnson and Carl and Velma Schueler Schlenker.

Furthermore, one of her great-great aunts, Mabelle Schlenker Hartwell, was the only member of the second class to graduate at Friona High School 75 years ago.

Since that time, seventy-three

of Mindy's close relatives have accomplished the same feat.

Besides her parents and grandparents, this list includes four other great-great aunts, Florence Schlenker Dorsey, Bula Schlenker Hopkins, Louise Schlenker Wilson and Helen Schlenker Potts; one great-great uncle, J.R. (Chick) Schlenker; eight great uncles and aunts, Elvin and Wayne Johnson, Hugh and Jack Moseley, Dorothy Schueler Bauer, Lillian and Herbert Schueler and Amelia Schlenker Rankin.

Also, five uncles and aunts, James and Floyd Schlenker, Carleen Schlenker Sims, Janet Wallis Heffernan and Kay Johnson Van Valkenberg and forty-nine second, third, fourth and fifth cousins.

My pet peeve for this week is dialing an 800 number and getting the following answer: "Message 903. The number you have reached is a local number and may be reached by dialing your local number."

I dialed the 800# several times at different times on three different days and received the same answer every time. What does that mean?

Out-of-town guests in the home of Oleta Houser, Sunday, were Jeremy, Donna and Cody Cleaver and Jared Simpson, who live in Amarillo.

A nationwide survey is being conducted by Dear Abby. If you are fed up with the garbage which is in movies and on TV, she'd like to know about it.

She's asking for postcards reading, "I am opposed to vulgarity and profanity and sexually explicit material in movies and on TV."

Mail them to Abigail Van Buren, P.O. Box 539, Mt. Morris, Ill., 61654.

This affords every one of us, who are interested in the betterment of life in America to stand up and be counted. The cost will only be our time and a penny postcard, which now costs 19¢.

What better way could you spend some time and that amount of money?

The senior citizens are planning a garage sale for Saturday, October 24 from 8 a.m. to 6 p.m. at the Friendship House on North

Washington.

The group will accept donations, and will pick up items if needed. If you have items to donate to the sale, call Judy Cummings at 247-3801.

Tuesday, October 20 is the date for the monthly luncheon meeting of the Friona Senior Citizens at Friendship House.

All members are urged to make plans now to bring a covered dish and attend this meeting.

Geary Brogden, Minister of Music of First Baptist Church, will be in charge of the program, so it's a cinch that this will be worthwhile. All seniors are urged to take part in this activity.

Our condolences go to the Alec Gordon family in the loss of Alec's father, Lloyd of Canyon. The elder Gordon was born July 4, 1922 in Brazil, Mississippi. He was a veteran of World War II, and was a member of Bethel Baptist Church of Canyon, where he was a retired deacon.

Survivors in addition to Alec include four daughters, 12 grandchildren and a great-grandchild.

LORI McBROOM and ANDY STORMES...Orin and Darla McBroom of Lazbuddie and Sammy and Ella Jo Stormes of Bovina announce the engagement and approaching marriage of their children, Lori and Andy. The couple will exchange wedding vows Saturday, November 14 at 6 p.m. in the Bovina, Methodist Church. The bride-elect is a senior student at Lazbuddie High School. Stormes is a senior at Bovina High School and is employed by Kar, Ltd. All friends and family members are invited to attend the wedding.

Girl Scout Cookbook Sales Kick Off Soon

The Caprock Girl Scout cookbook, "GATHERINGS", will go on sale November 1. The book has proven to be very special and is published in excellent taste.

It has a beautiful cover, which is a colorful view of the entrance to the Girl Scout Camp Rio Blanco, located outside Crosbyton, Texas.

The different sections of the cookbook are set apart by a poem written by Robert Alden Shive, an area poet, depicting the different counties which are represented in the cookbook.

"GATHERINGS" will be arriving just in time for all your Holiday cooking and baking, and will make great gifts for Christmas giving—a gift that will keep giving for years to come," said spokesman for the Scouts.

The cookbook contains recipes from local cooks who made contributions earlier this summer to the cookbook. It contains recipes of the First Lady, Barbara Bush, Waylon Jennings, and our very own Carrie Tatum, who has several cookbooks published to her own credit.

We are also very happy that

Mrs. Louisa Wilson, who has been a long time supporter of the Friona Girl Scout program, is one of the many who allowed us to print one of her recipes.

The Friona Brownie and Junior Girl Scouts will be selling the cookbook door to door in their neighborhoods. The price of the book is \$12.95.

The profits that the Friona Girl Scouts collect will be utilized toward the upkeep of their building and paying for supplies required to keep a quality Girl Scout program active.

If for some reason, you are not called on at your home, you may contact any Girl Scout, or one of their Troop "Cooks": Laura Field, Lori Stafford, Jyl Grimsley, Reba Holt, Dena Wood or Rhonda Bentley, Service Unit Chairman, and they will be happy to see that you receive one of the "GATHERINGS" cookbooks.

As always, the Friona Girl Scouts appreciate the support that the Community gives them, and we thank you for helping make the cookbook sales a success!

A U.S. General Changed The Course Of The German Economy

Today Germany is an industrial giant. Yet, less than 50 years ago, after its devastating defeat in World War II, Germany could have become an agricultural economy had it not been for the leadership of an American general from Marietta, Ga., Lucius D. Clay.

In March 1947, Clay succeeded Gen. Joseph T. McNarney as U.S. military governor and chief executive officer of the American sector in Germany. His first mission was to restore the Rhine River to navigation. Destroyed bridges were removed, and shipyards began building tugs and barges to supply coal from the Ruhr Valley to bring the German economy back to life. Clay began the economic merger of the U.S. and British occupied zones, which became the Federal Republic of Germany.

Currency was another major obstacle Clay faced. The Nazi reichsmark was worthless, and American cigarettes became the currency of trade. When Gen. Clay announced a currency change, one German reporter asked if "the U.S. Treasury was going to lend 50 million cartons to support the value of

the new currency."

On June 20, 1948, the deutsche mark replaced the worthless reichsmark. Without backing (even tobacco), the deutsche mark was immediately accepted. With a new currency, the economy began to improve. However, more reform was needed.

Strict rationing and wage and price controls were the standard in Germany and the rest of Europe in the late 1940s. So, when economist Ludwig Erhard, the director of economic affairs in the emerging German government, pressed to abolish all rationing and wage and price controls, the Allied military governments considered his suggestion economic radicalism. Gen. Clay backed Erhard, and the German economy began to explode. Within a year, food production increased, the coal and steel industry came alive, and German industrial production increased 83 per cent. The new industrial Germany was born.

Lucius D. Clay, a four-star general who never fought a battle, is probably best remembered for his genius in organizing and commanding the Berlin airlift. His greatest accomplishment, however, is his role in the economic rebirth of Germany.

YOUR EYES

More Than Screening

Mass vision screenings have their place. They often spot vision problems that might have gone undetected in people who do not get regular professional eye care. But screening cannot stand in for a complete eye examination by an eye professional.

Having you read an eye chart is only one step in measuring the condition of your eyes. Your optometrist will also examine the health of your eyes, making sure that they are free of disease or other abnormalities. At a certain age, your exam will include a test for glaucoma and retinal diseases. Indeed, some physical diseases show up in the eyes before other symptoms become obvious.

A complete examination will test the coordination of the eyes: do they work together as they should? Do they point and focus at the same place? Stereopsis tests determine depth perception, the ability to judge distances and space relationships. Peripheral vision is tested, too. Correction will be prescribed if needed.
