PLAINVIEW HIGH DEFEATS

LUBBOCK HIGH, 20 TO 7

GAME WAS A GRUELING ONE, AND HARDEST FOUGHT OF SEASON

Plainview defeated Lubbock by a score of 20 to 7 score here today in one of the most grueling and spectacular football games of the season.

Lubbock started the game with a rush after recovering a block kickoff, and in three minutes Honey and Long bucked on the field for Lubbock's only touchdown. Honey took the ball over the line and kicked goal.

Plainview duplicated Lubbock's feat in rushing the ball down the field only to be held for downs. Lubbock punted and Plainview again advanced this time taking the ball over. Reeves failed to kick goal. The score stood 7 to 6 in Lubbock's favor at the end of the first quarter.

The second quarter was featured by a touchdown by Reeves of Plainview, after a 40-yard gain in at round end play by Bryan, followed by a goal kick by Reeves. The entire second quarter was hotly contested and featured by a long drive by Honey of Lubbock and goal by Bryan. At the end of the second quarter the score stood 13 to 7 for Plainview.

Early in the second half Bryan again eluded Lubbock's back for the third touchdown. Reeves booted the ball through the bars. The remainder of the game was hard fought, both sides displaying splendid form. The game ended with Plainview in possession of the ball in the middle of the field.

Woodridge, Honey, Strikel and Long played consistent and at times spectacular football for Lubbock. Strikel and Woodridge were able to prevent gains through the left wings of the visiting team.

Bryan and Reeves were consistent and long ground gainers for Plainview. Brady and Saffin played great games in the line.

Over 200 Lubbock rooters came here on a special train of five coaches. They accorded the team loyal support even in the face of defeat. A friendly spirit of keen rivalry was manifested throughout the game. Both sides were satisfied with the treatment accorded the teams both on and off the gridiron. Decisions were quite satisfactory all the way round.

Sunday Observance Meeting

There was another well attended meeting of representatives of the churches held at the Presbyterian church Sunday afternoon, to further discuss the better observance of the Sunday laws in Plainview.

A general discussion was had and plans were laid to ask certain business interests to join in an agreement, to refrain from selling on Sundays.

A committee was appointed on publicity, to take the matter to the people through the newspapers and arouse sentiment. The committee will also get up the law on Sunday selling and have it published, so that dealers and people generally will know just what can be sold under the state laws on Sunday.

Another meeting will be held Sunday week, to further discuss the matter.

Snow and Ice

The bad weather of last week lasted several days, with almost an inch of snow Saturday. The thermometer got down as low as eighteen degrees above zero, and there was lots of ice. Sunday the sun shined out and since then warmer though unsettled weather has prevailed.

Plainview 1000 Per Cent Team
A statement showing the standing of the interscholastic football teams of Texas shows Plainview high school team to take as high rank as any in the state, it showing 1,000 per cent, not having lost a game this season.

Gober Buys Texas Yard
A. B. Gober has bought the Texas wagon yard from J. W. Peacock and has taken charge of it. Mr. Peacock has bought A. G. Sargent's yard.

Visits of the Stars

Born to Mr. and Mrs. O. B. Warden, Plainview, Nov. 12, girl; named Virgie Mae. George Reagan, 1 mile south of Hale Center, boy; named John Jacob.

Faris Frye left this morning for was taken sick while visiting her sister.

Geo. Green and family have moved to the Dodge burzlow, on the corner of Sixth and Cedar Street.

W. H. Richardson, Plainview, Oct. 22, girl, named Phillips Gene.

Harry Davenport was down from Kress yesterday.

PRICES OF FARM PRODUCTS GO LOWER

Cotton, Wheat, Hogs, Maize, Kaffir, Chickens and Hides Decline.

The prices of farm products continue to decline, and most of them are now lower than for several years. The prices of turkeys, eggs and butter are the only ones that keep high, with butterfat staying up very well.

Today the price of middling cotton on the local market is a shade above 15c, though not much is grading middling. There is much low grade cotton and the price ranges from 7c to 15c a pound.

Wheat is selling about \$1.55 to \$1.65, which is the lowest since before the war. Maize is from \$1.05 to \$1.15 a ton for heads and \$1 to \$1.05 per hundred pounds for threshed stuff.

Hides are selling at only 3c a pound, less than it is worth to skin the animal.

The price of hogs is about 10c in Plainview, and cattle dropped today 50c in Fort Worth.

Other prices locally are as follows:
Turkeys, lb. 25c
Hens and fryers, lb. 14c
Stags, lb. 10c
Alfalfa hay, best, ton \$33.00
Butterfat, lb. 53c
Butter, lb. 60c to 65c
Eggs, dozen 65c
Oats, bushel 45c to 50c

FOURTH RED CROSS ROLL CALL CAMPAIGN NOW ON

EVERY PERSON IN HALE AND LAMB COUNTIES SHOULD RENEW MEMBERSHIP

The Fourth Red Cross Roll Call campaign is now on and with Gerald V. Smith, chairman for Hale-Lamb county chapter, a campaign is being made.

Mr. Smith has appointed committees and they are expected to solicit every person in the two counties between now and Thanksgiving Day, when the campaign closes. Those who are already members of the Red Cross will be asked to pay \$1 and renew their membership and those who are not members will be urged to pay \$1 and become a member.

The Red Cross does a great work in succoring humanity during peace as well as war, and the people should support it generously.

Three Marriages

John W. Stovall and Miss Belle Fluke were married here Saturday, Rev. J. P. Ingle of the Nazarene church performing the ceremony. Both are well known. He was formerly in the music business here, and she is the daughter of Rev. and Mrs. O. C. Fluke, who now live in Bentonville, Ark.

B. R. Green and Miss Addie Ross, both of Petersburg, were granted a marriage license Saturday.

Virgin Merrill and Miss Opal Thomas were married Saturday by Rev. G. H. Bryant, pastor of the Methodist church in Hale Center. He lives at Abernathy, where they will make their home. She is a daughter of Mrs. Emma Thomas, who lives near Plainview, and is a very popular and amiable young lady. She was until recently stenographer in the offices of Knoohuizen & Boyd.

BLOUSE OF STRIKING DESIGN

To complete her tailored suit milady might well choose such a striking blouse as this soft-toned one of brocaded silk.

Rev. and Mrs. F. M. Neal will leave Wednesday morning for Uvalde, to spend the winter with a daughter, J. G. Seipp is in Amarillo.

Winners in Turkey Contests

The Panhandle Produce Co. of this city has just closed its annual fall turkey contest, and the following were the winners of \$5 each:

L. M. Faulkner of Plainview, for largest number of turkeys brought in, he having brought seventy-four.

R. E. Barton of Springlake, Lamb county, for bringing turkeys longest distance. He brought forty turkeys forty-five miles. He also won the long distance prize last year.

Mrs. I. V. Edmondson of near Runningwater won for best average weight, fifteen turkeys, the fifteen turkeys she brought averaging 19.7-15 pounds. As most turkeys range eleven to thirteen pounds, her turkeys made an exceptionally high average.

City Council Meeting

Last night at its meeting the city council passed an order relative to having property owners lay sidewalks on the west side of the block just south of the Central School grounds.

It was ordered that signs be erected at the four corners near each of the city's three schools warning drivers of vehicles to slow down to a certain speed while passing school buildings and play grounds.

Showing Newly Won Ribbons

The Chamber of Commerce is displaying in its show windows the ribbons won at the recent Dallas State Fair by the Hale county exhibit.

There is the sweepstakes ribbon for third on county exhibit and the thirty-nine other ribbons, sixteen being blue ones, won on individual products.

Farm Labor Is Cheaper

During the past three years farm labor on the Plains has ranged from \$5 to \$8 a day and higher. Now, so we are told, plenty of such labor can be secured in Hale county for \$4 a day.

Good Crops Follow Cold Winters

R. G. Ware has been on the Plains since the first settlement. Speaking of the possibility of a cold winter he said this morning, 'Of course cold weather is a little tough on the people, but I have noticed that following a cold winter we have always had good crop years.'

HALE COUNTY SCHOOLS GET \$11,435 STATE RURAL AID

SEVENTEEN SCHOOLS ARE TO RECEIVE \$11,435, BECAUSE OF EFFICIENT WORK

Judge Charles Clements has received notice from the State Department of Education that the following schools have been granted state aid, and that the schools will receive this aid about the 1st day of February, 1921, provided each school meets the requirements of the Rural Aid Law: Happy Union, No. 3 \$800 Stoneback, No. 9 \$685 Wilson, No. 32 \$180 Center Plains, No. 4 \$110 Prairieview, No. 6 \$685 Liberty, No. 7 \$700 Westside, No. 10 \$700 Halfway, No. 15 \$650 East Mound, No. 17 \$600 Iowa Avenue, No. 18 \$280 Bellview, No. 23 \$280 Valleyview, No. 26 \$440 Cousins, No. 29 \$360 Stansell, No. 33 \$700 Petersburg, Ind. Nos. 1 and 2 \$1500 Hale Center Ind. District \$1000 Abernathy Independent District \$175

Total \$11,435

Judge Clements states that this is the largest amount of state aid the schools of this county have received in any one year, and with the above aid the rural schools will be in good shape for this scholastic year. Judge Clements has been very successful in getting the full amount of aid for Hale county schools.

The schools over the county are moving along nicely. Stansell school, a new district just created, has its school ready for work.

The school house bonds have been approved and are being printed for Stansell and McWhorter schools.

Former Plainviewans in Los Angeles

H. L. Smyer is here visiting his parents, Mr. and Mrs. H. F. Smyer near Whitfield. He has been in California for three years. For awhile he was with a moving picture producing concern, but of late has been with the Standard Oil Co. as civil engineer at Bakersfield. He will go back to the moving picture concern.

He says J. W. Pipkin, formerly of Plainview, is in the real estate business in Los Angeles, and Wave Box, formerly deputy county clerk of Hale county, is on the police force, as an office sergeant, and is almost to the head of the list ranking fifth in the city. There are a number of other former Plainview people in and about Los Angeles.

Will Put Branch House Here

The Kibbe Tractor & Implement Co. of Amarillo writes to us that they will put a branch house in Plainview for the handling of the Cietrac tractors and other farm machinery. This will be their fourth branch house in Texas, the others being at Dallas, El Paso and Amarillo.

J. Lee Jackson, who has been general manager at the Dallas house for over a year, and prior to that time connected with the International Harvester Co., will be manager of the Plainview house.

City Bond Election Dec. 1

An election will be held in Plainview Wednesday, Dec. 1st, to vote on a proposed \$100,000 bond issue, the funds to be used to pay for the extension of the sewerage system and for extensions of the water system.

This is a very important matter, and the people of the town should take an interest in this election. The News is favorable to the proposition, as the city must have money with which to pay for these improvements.

Tractor Survey Being Made

The Green Machinery Co., which recently sent out nearly one thousand letters to farmers and others of Hale county with a coupon attached asking answers to several questions relative to tractors, informs us that the replies are now being received, and are interesting.

This tractor survey will be of importance to the county, and everyone who received a letter will please send in the coupon at once, so the survey can be closed up at once.

Committee on Charities

The Chamber of Commerce has appointed a committee composed of O. T. Halley, chairman; James B. Wallace and H. Looper, to pass on transient beggars and others who seek to canvas the town soliciting aid. They will make thorough examinations and issue a certificate to those whom they deem worthy. The people of the town are urged not to contribute to anybody who does not show such a certificate.

Sidney Miller will return Wednesday morning from a two weeks' trip to Dallas.

PRESBYTERIAN CHURCH INSTALLING GYNASIUM

\$900 Worth of Equipment Ordered—Will Be for Young People of Town

Make the church a more attractive place for young people, the First Presbyterian Church of Plainview is installing a well equipped gymnasium in the basement of the church building. Over \$900 worth of equipment has been ordered for this purpose and it is expected any day. Rev. H. E. Bullock, pastor of the church, states that there will be plenty of equipment for competitive games as well as wholesome individual exercise.

Rev. Bullock is co-operating with all of the other pastors and laymen in Plainview in a united effort to enforce the Sunday closing law, but he believes that the problem will be only half solved when this is done. By having something in the church that will appeal to the natural instincts of full-of-life young people, who would not otherwise come under the influence of church work will do so.

Rev. Bullock also encourages parties and social gatherings of young people under the proper supervision and to express the belief that indifference to the natural social desires of young people by their elders is responsible for most of the social gatherings which have a bad influence.

Mrs. E. F. Williamson and sons, Thomas and John, will leave Wednesday morning for Ellis county, to visit until after Christmas.

BIG BARGAIN SALES ARE NOW ON IN PLAINVIEW

LOCAL DRY GOODS MERCHANTS ARE HAVING SALES AT GREAT REDUCTIONS

As shown on the advertising pages of the News, the dry goods and clothing merchants of Plainview now have on big special bargain sales. These sales represent deep cuts in prices of all kinds of goods, and coming so early in the season mean great savings to the people on their winter clothing.

Prices are declining, and the Plainview merchants are anticipating any possible further declines by making extraordinary reductions now, and are taking their losses at present rather than later in the season.

These reduced prices make up for the reduced prices farmers are now getting for their products, as compared with former price levels.

These sales are bringing people from all over this section of the state to Plainview to trade.

COOL WEATHER SPORT CAPE

At the football games and at the country club this sport wrap is just the thing to keep out the chill breeze. It is a limited cape in orange and white and is made on fashionable lines.

WAYLAND AND CLARENDON TIE FOR CHAMPIONSHIP

SCORE IS 7 TO 7 AFTER HARD FOUGHT BATTLE AT AMARILLO

Amarillo, Nov. 16.—The football teams from Wayland and Clarendon colleges were pretty evenly matched in the game today, and the score was 7 to 7. Both touchdowns were made in the second quarter, within only a few minutes of each other. Blakemore, captain of the Wayland team, was considered the star of the whole game, especially in his forward passes.

The same line up of both teams went continuously through the whole game, with no substitutions. It was a clean game, and neither side was penalized at any time.

It was stated that a return game will probably be played later in Amarillo between the two teams. Each team has won one game, and it was thought that the game today would decide the Panhandle championship, but it will be necessary to play another game.

At the opening of the game Wayland kicked off. Clarendon received the ball on her 30-yard line, and advanced it to Wayland's 35-yard line. The ball was then lost to Wayland on downs. After Wayland had made her distance at once, the ball went back over on downs. The first quarter ended with the ball in Wayland's possession, 40 yards from Clarendon's goal.

In the second quarter, after Wayland had lost the ball on downs, Clarendon's right half, made a 40-yard run for a touchdown, and Clarendon kicked goal. Wayland kicked off and Clarendon received the ball on her 20-yard line. After making three attempts to advance the ball, a forward pass was tried, but it was intercepted by Blakemore of Wayland, who made a 20-yard run for a touchdown, and then kicked goal. The second quarter ended with the ball near the center of the field.

During the entire second half, neither side was able to score, and the ball went up and down the field, each team continually losing to the other on downs. At one time, Clarendon advanced to within four yards of goal on the first down. The Wayland line stiffened, however, and on the fourth down, forced Clarendon back seven yards. Wayland then kicked, and later regained the ball when Clarendon failed to make her distance. At the end of the game the ball was in Wayland's possession within twenty yards from goal.

Clarendon's lineup as follows: Smalley, left end; Joplin, left tackle; Young, left guard; Thompson, center; Green, right guard; Mounts, right tackle; Holt, right end; Noble, left half; Creighton, quarter; Mods, fullback; Close, right half.

Wayland's team was: Cadenhead, left end; McCasland, left tackle; Jones, left guard; McWhorter, center; Head, right guard; Brady, right tackle; Lipscomb, right end; Graves, left half; Roberson, right half; Davis, fullback; Blakemore, quarter.

Referee, Little; umpire, Sarsfield, head linesman, Bivins.

Wrangle's Army Destroyed
The Bolshevik forces have wiped out Gen. Wrangle's army in Southern Russia, and he has been forced to take refuge on a French warship at Sebastopol. The Bolsheviks are looting the American Red Cross headquarters in stores, and American gunboats are there to protect Americans.

The Worlds Rainfall
The total annual rainfall upon all the land of the globe amounts to 29,347 cubic miles, and of this quantity 6,524 cubic miles drain off through rivers to the sea.

A cubic mile of river water weighs 4,205,650,000 tons, and carries in solution an average of about 420,000 tons of solids.

In all about 2,735,000,000 tons of solid matter are thus carried annually to the ocean.

Negro Cotton Pickers at Lorenzo
L. J. Mathis returned Tuesday from East Texas towns where he has been securing cotton pickers for Lorenzo, farmers. Judge Mathis made a trip week before last and brought back thirty hands and this week he secured the same number making a total of 60. A good portion brought their families.

Price Bros. Land Sales

This week T. J. Wiley of Post City bought 160 acres of the Price Bros. lands near Whitfield. There are some improvements on the place, but the ground is still sod. The price paid was \$57.50. Mr. Wiley will move with his wife and son to the property next week, and begin work looking to cultivation.

W. B. Wood, formerly of Hunt county, has bought 320 acres, near the Red Hill school, at \$42.50 an acre. He and his family will move to the place by Christmas. He will at once begin making improvements on it.

The World's Rainfall

The total annual rainfall upon all the land of the globe amounts to 29,347 cubic miles, and of this quantity 6,524 cubic miles drain off through rivers to the sea.

A cubic mile of river water weighs 4,205,650,000 tons, and carries in solution an average of about 420,000 tons of solids.

In all about 2,735,000,000 tons of solid matter are thus carried annually to the ocean.

Negro Cotton Pickers at Lorenzo

L. J. Mathis returned Tuesday from East Texas towns where he has been securing cotton pickers for Lorenzo, farmers. Judge Mathis made a trip week before last and brought back thirty hands and this week he secured the same number making a total of 60. A good portion brought their families.—Lorenzo Enterprise.

J. B. Maxey is an expert florist and horticulturist, and shows proof of it. In April he planted at his new home a honeysuckle and a running rose. The honeysuckle now has six branches each twenty feet long besides several smaller branches; the rose has three branches more than ten feet long. Hale county soil and water mixed make vegetation grow luxuriantly.

BURNS & PIERCE, Props.

The Mystic Club Discussed Longfellow and Whittier
The Mystic Club met Saturday afternoon, with its new president, Mrs. S. W. Meharg, presiding.

Mrs. A. L. Putnam was leader for the afternoon and the topic was the poets, Longfellow and Whittier. She opened the program with a talk on 'Longfellow, the American Poet.'

Mrs. W. E. Armstrong read the famous scene from Longfellow's 'Hiawatha.'

Mrs. P. J. Wooldridge read 'God's Acre' from Longfellow; Mrs. L. A. Knight read 'Icabad' from Whittier, and Mrs. Robt. Malone closed with ten pictures from Whittier's poem, 'Snow Bound.'

There was also a general discussion of the two poets.

Home Economic Club to Discuss Pilgrim on Tercentenary

The Home Economics club will meet with Mrs. W. J. Lloyd Tuesday afternoon and its program will be on 'Americanization.'

On account of this month being the tercentenary of the landing of the Pilgrims in Massachusetts, there will be a discussion of the Pilgrims. The program will be as follows:

Roll call—An episode relating to the Pilgrim colony.

Sketch of the Pilgrims' Journeys—Mrs. R. D. Gibbs.

The woman of 1620 and the woman of 1920—Mrs. D. P. Jones.

Reading from 'Miles Standish'—Mrs. A. E. Boyd.

Americanization of 300 years—Rev. H. E. Bullock.

Y. W. A. of Baptist Church

The Y. W. A. of the Baptist church met at the C. A. Pierce home Friday evening.

Plans were made to entertain the Wayland college girls near Thanksgiving season, and to have the annual Christmas tree for the benefit of the Buckner orphans' home at Dallas. Two new members were enrolled.

Miss Davis and Miss Alma Epley. After the business session tea and sandwiches were served.

Parent-Teachers' Association
The Parent-Teachers' association of the high school will meet Friday afternoon, Nov. 19th, at 3 o'clock.

All mothers and teachers of this association are urged to be present.

Kiwanis Club

The Kiwanis club at its bi-weekly luncheon in the basement of the Presbyterian church Friday at noon enjoyed a superb musical program, in addition to the luncheon.

The members of the Paulo Gruppe Musical Co., which was here for a concert that night rendered several selections and Jake Burkett, with Mrs. Guy Jacob as accompanist, sang.

R. A. Underwood of the First National Bank, gave a review of the present financial situation, relative to the work of the Federal Reserve banking system contributing toward liquidation and deflation and bringing the country back to more normal conditions.

Mr. Underwood argued that everybody should lend their support to this matter, for it will be best for everybody that settled normal conditions again come. He urged people to economize and conserve their cash so that the banks may have funds with which to assist the farmers to hold their crops until better prices can be obtained.

The park committee reported relative to the proposed city park and community house, and was continued at work.

The club had a number of guests, as follows: Signor and Mrs. Paulo Gruppe Camille Plasschaert, Corey W. Smith, Robert Monaghan, Rev. Gordon Lang, Rev. J. W. Israel, Hickman Price, Col. R. P. Smyth, Winfield Holbrook, Principal Morgan of Lamar school and S. F. Young.

Mrs. R. A. Underwood left yesterday morning for San Antonio to attend the state federation of woman's clubs as a delegate from the Hale County Federation.

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak, I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life."

For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments.

If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

Texans should have plenty of corn bread the coming year. There was 172,250,000 bushels of corn harvested in the state this year.

One of the great questions now agitating the minds of some people, is "What will President Wilson do after March 4?" They needn't worry he will manage to get along alright.

At the present time, so government statisticians show, 92 cents out of each dollar paid in taxes to the federal treasury, goes to pay for wars past or present and to prepare for those to come.

California is on the right track in prohibiting the Japanese from owning land in that state. There should be no alien ownership of land in the United States. Texas has such a law, put on the statute books by Gov. Hogg.

Another nail has been driven into Fritz Beer's coffin. The federal government has forbidden the sale of hops or malt to anybody save bakers and confectioners. This is done to stop people from brewing beer at home. Gradually America is becoming a very sober nation. In a generation it will be a nation of teetotalers, and people will wonder why men ever drank intoxicants. The world is on the upward grade, all the time.

Point Isabel, where President-elect Harding has been resting, voted 62 for Bailey and one for Neff in the run-off primary. It voted 62 for Harding and 1 for Cox in the November 2 election. Muenster, in Cooke county, voted solidly for Bailey in the July and August primaries, and on November 2 voted 103 for Harding and 1 for Cox. Most everywhere Bailey got a big vote, Harding got a big vote. There was a pledge at the top of every primary ballot. Those who voted in the primary and later voted for Harding simply perjured themselves.

plan for drastic retrenchment in government expenses and contemplates among other things a large reduction in the number of government employees. While each party says it stands for economy and fewer government employees, we will have to see concrete examples before we believe the republican party will fulfill this promise. However, government expenses should be cut to the red and every employee not absolutely essential should be discharged. A great war debt has to be paid, and until it is paid there should be drastic economy in every department.

Local dry goods men tell us that the silk shirt is passing away rapidly—in fact, has already gone. During the heyday of high prices and plenty of money nearly every young man in town owned from one to a half dozen silk shirts, costing from \$10 to \$15 each. People, even the young sporty-looking fellows, are now more careful how they spend their money. Things are settling down to normal, and there are now fewer jobs than men who want jobs in this country. The fellow who has a job had better work harder and stick to his job. The grasshopper danced and sang through the long summer; the ant worked hard and hid in stores of food; when the winter came the grasshopper was starved and frozen; the ant was all 'hunkadory.'

The worst is yet to come. It is hinted that civil service rules will likely be revoked and the republicans cab bage on all the post offices.

Have you contributed your dollar membership fee to the Red Cross? It is a good cause.

Modern girls do not seem to know that the way to make a man run after a girl is for her to run away from him.

Before he gets her he says: "How womanly!" when she does anything. But after he gets her he says: "That's just like a woman!" when she does a thing.

The bunch on the corner will be very sorry that the republicans carried the country if they try to "nut everybody to working" as one of their orators promised.

CALIFORNIA SELLS BY CO-OPERATION

More Than Half of the Farmers Market Their Crops Through Associations is Estimate

San Francisco, Cal., Nov. 12.—More than half the farmers in California sell their products through co-operative marketing associations, according to statistics being gathered by attorneys for some of these organizations.

There are about twenty-five active associations, these figures show, which in some cases control as high as 90 per cent of their particular crop and which range in activity from mere sales agencies to organizations that pack, distribute and advertise their products and even possess lumber mills to make their own box shooks.

The California Fruit Growers exchange, which marketed \$50,000,000 of citrus fruits last year from the orchards of 11,000 members, handling 70 per cent of the California orange and lemon crop is the patriarch of the associations. It not only sells fruit but marmalade and fruit juices as well, and through a subsidiary concern secures box shooks and other packing materials.

The Central California Poultry Producers Inc., who sold nine million dozen eggs last year claim to be the largest single concern in the United States handling poultry products and the second largest in the world, being surpassed only by a Danish co-operative concern.

Hog raisers have no association of their own, but a marketing association of the farm bureau of seven counties in the San Joaquin valley sold \$1,447,449 worth of hogs last year for the farm bureau members.

The growers of annual crops such as vegetables who can turn their land to other uses without loss or delay are about the only ones who have not been successful in farm organizations. Statistics indicate, although bean and lima bean growers have been able to support marketing association. Potato and tomato growers' associations do not exist, although berry growers are organized and in central California have accomplished the feat of combining American and Japanese farmers in one concern.

Many of the organizations spend large amounts in advertising. The raisin company spent \$450,000 last year, the prune and apricot growers \$500,000, the walnut association \$180,000, while 22 per cent of the annual citrus crop return is devoted to advertising and one per cent a pound of the almond exchange receipts go for the same purpose.

RED CROSS BEGAN WORK IN 1864

Inter-National Organization Grew Out of Treaty Signed in Geneva in That Year

The Red Cross, now an international organization with the dual purposes of giving relief to soldiers and sailors in time of war, and civilians in time of any great need, has grown out of a number of incidents and disasters, two of which are usually recognized as immediate causes of its birth.

One of the episodes features Miss Florence Nightingale, who has become immortal because of the great sacrifice she made, when in 1854 she volunteered her services in Crimea and influenced the establishment of a training school for nurses.

The second episode which leads directly to the establishment of this great world-wide life-saving organization is the banding together in 1859 a group of volunteers to help care for the wounded by Dr. Henri Durant, a Swiss physician. It was this man, who a short time later, formulated the first proposal for an organization to care for the sick and wounded during times of war and settlement.

In 1864 an international conference of fourteen nations was held in Geneva. The outcome was the Red Cross Treaty, which provided that hospitals formations and their personnel should be treated as neutrals and that the emblem of service common to all the nations should be a red cross on a field of white—the reverse of the Swiss flag. This treaty has now been ratified by forty-seven nations.

The American Red Cross was incorporated in Washington, D. C., in July, 1881, under the name of the American Association of the Red Cross. Miss Clara Barton was the first president.

At the beginning of the world war in 1914 there were in the United States 104 chapters with 16,708 members. When this country entered the war there were 502 chapters with 486,194 members; and at the present time there are 35,600 chapters with an adult membership of 10,000,000 and a junior membership of 13,000,000.

GASOLINE PRICES DUE FOR DECIDED SLUMP IN PRICE

A decided slump is due in the gasoline market before the end of the winter, according to Dallas oil men. The decline is due to the decrease in the demand for gasoline and the falling off of automobile travel during the winter. Oil stations over the city began to post signs of a decrease of 2c a gallon on Tuesday afternoon and since then all stations over the city have published the notice.—Dallas News.

Quitaque Boy Accidentally Shot

Guy, the 14 year old son of Mr. and Mrs. W. P. Hawkins, who live near Quitaque, was accidentally shot one day last week while out hunting with a neighbor boy, and at this writing is not expected to live. The boys were going down into a canyon and Guy was reaching the gun, which was a hammerless shot gun, down to the other boy and about the time he turned loose of the barrel it was discharged, the load taking effect in his left hand, chin, right jaw and collar bone, the jaw bone and collar bone being broken, and his face badly lacerated with scattering shot.—Silverton Star.

HALFWAY

Nov. 15.—We are having some bad weather. Snow fell Friday and Saturday, which made us all think of those awful winter days.

On account of the weather being so bad the pie supper was postponed to next Saturday, Nov. 20. Sorry we disappointed those who came in spite of the snow and cold.

Miss Beulah Henderson spent Saturday and Sunday with Ruby Sevier. Dean Smith is very sick with tonsillitis. We hope she will be up soon. Rev. S. J. Upton filled his regular appointment Sunday at 2 o'clock.

Sunday school met with good attendance Sunday morning.

Mr. and Mrs. Kaylor visited at the home of Mr. and Mrs. Milo Dodge Sunday.

Miss Laulis, the principal of our school, had to go home Thursday, on

account of sickness.

TULIA

Nov. 12.—J. C. Frye received Wednesday the loving cup, offered by the Duroc-Jersey Association. This cup was offered to the hog raiser in Swisher county who won the most points at the recent Swisher County Fair.

The home of Mr. and Mrs. F. S. McCune, in North Tulia, was the scene of a most pleasant event last Saturday evening, when their daughter, Miss Iva May, and Miss Lucille Parker, entertained a number of their friends.

Mrs. L. C. Smith entertained a number of the young folks, from 2 to 4:30 o'clock Saturday, in honor of the eighth birthday of Little Miss Josephine Clark.

Little Miss Loise Grigg, the oldest child of Mr. and Mrs. Bert Grigg, died Friday morning, November 12th,

at her home eleven miles west of Tulia.

Rev. and Mrs. A. B. Haynes and children left Wednesday morning for their farm south of Canyon, where they will make their future home. Rev. Haynes has been pastor of the Tulia Presbyterian church for the past year.

J. G. Frye happened to the misfortune of losing his big registered Duroc-Jersey boar, Invincible John, last Saturday. The boar engaged in a fight with another of Mr. Frye's boars, Invincible John, was fourteen months old and weighed about 600 pounds.—Herald.

TURKEYS—Panhandle Produce wants them at once. High prices.
