SWEETWATER, TEXAS, WEDNESDAY 30, 1923.

NUMBER 102.

LARGEST CLASS GIVEN DIPLOMAS

Commencement Exercises Held Tuesday Night for Largest Number Graduates in School's History

KLINGMAN DELIVERS ADDRESS

John Chapman Delivers Salutatory—Bertha McClure Valedictory—Eva Berman, Pianist.

Commencement exercises for the largest graduating class in the history of the Sweetwater High School were held Tuesday evening in the High School auditorium before a large audience.

The stage was artistically decorated with the class colors and class flowers and chairs were placed for the graduates and the speakers of the evening. The class walked slowly down the aisle of the auditorium to the stage while the march was being played by Miss Florence McKissick, after which the invocation was given by Rev. S. B. Cox.

In a few short remarks, Superintendent J. Stone Rives thanked the citizens of Sweetwater and patrons of the city school for the co-operation and support given to the schools during the past term.

After the commencement chorus which was splendidly rendered by the Senior Class, John Chapman delivered the Salutatory address. He welcomed the citizens of Sweetwater to witness the ending of their High School years, and in well chosen words, Mr. Chapman expressed the thanks of the graduates to the city of Sweetwater for the educational advantages offered the youth of the city.

After a selection on the piano by Miss Eva Berman, Miss Bertha McClure delivered the Valedictory address. In her talk, Miss McClure expressed the thanks and obligations of the graduating class to the taxpayers, parents, board of trustees, Parent-Teachers Association and to the faithful and untiring faculty of the Sweetwater High School for the advantages and opportunities they had given the students. Miss McClure pictured school life as a ladder, each rung of which was made possible by the organizations and institutions of the city.

M. B. Howard, secretary of the school board introduced the principal speaker of the evening, Dr. Klingman. Dean of the Abilene Christian College. Dr. Klingman made a splendid commencement address, speaking to the boys and girls straight from the heart. He urged them to become real men and women and used as the basis of his speech the words "Watch Your Step."

Mrs. F. G. Robertson presented the Self Culture Club music medals to the following honor music students: Miss Faphne Howe, Miss Frances Lou Payne, and Miss Lady Betty Cuthbert. The Sorosis medal was presented to the honor graduate, Miss Bertha McClure, by Mrs. Joe Boothe.

F. G. Robertson, president of the school board, after a short talk, delivered the diplomas to the following graduates:

Miss Eva Berman, Frank David, John R. Cox, Jr., Miss Katherine Poffenbach, LeRoy McGlaun, Mitchell Hardy, J. D. Weatherly, Miss Edith Bradford, Osler Leach, Miss Lila Cox, Brooks Browning, Miss Jetty Penn, J. W. Herndon, Jr., Miss Aura Tucker, Miss Lois Watson, Dudley McCall, Henri Lee Stanford, Jack Robertson, Miss Bertha McClure, Harris Toler, Miss Onelta Russell, Lloyd Hill, Miss Evelyn Lohman, Wayne Long, Miss Imogene McBurnett, John Chapman, Miss Mae Tilley, Miss Vesta Elliott, Frank Stephenson, Miss Alva Smith, Miss Grace Adams, Parks Neblett, Miss Mabel Stroman, Lige Cuthbert, Miss Bernice Nolan, Harry Amos, Miss Agnes Alexander and Miss Ann Holcombe.

Mrs. Henry Rogers and children are spending the week at Cisco, guests of her sisters, Mrs. Leon Maner and Mrs. Dick Starr.

Miss Velma Boyd of Hamlin is expected here this afternoon for a visit with her uncle, Mr. and Mrs. M. D. Willis.

PLACED ON TRAIN.

"Tiger Woman" Enroute To Los Angeles Now.

By The United Press. NEW ORLEANS, May 30.—Clara Phillips, "tiger woman" was placed safely aboard a Southern Pacific train here bound for Los Angeles, California this afternoon. Before boarding the train, the undersheriff in charge of her showed her a telegram from Los Angeles authorities, stating that her escape from jail automatically nullified her appeal for a new trial.

She read the message stoically, although she had taken it for granted that her appeal for a new trial would be granted, to give her a chance to prove her protestations of innocence.

MILTON IS WINNER

Wins Indianapolis Speedway Race in H. C. S. Special—Hartz in Durant Special, Second.

By Sweetwater Vulcanizing Co. Radio.

INDIANAPOLIS SPEEDWAY, May 30.—Tommy Milton wins in H. C. S. Special duplicating 1921 victory, the only man to win the classic twice.

His average was 91.41 miles per hour against last year's average of 94.26 miles per hour. He won \$9,000 prizes for best average speed. The total elapsed time was 5 hours, 28 minutes and 6.27 seconds. Hartz, in a Durant Special, was second.

By The United Press. SPEEDWAY, Ind., May 30.—At the 150-mile mark Milton led, with Hartz second, Murphy third and Hearne fourth. The time of the leader was 4:20; 11.13, an average of 92.24 miles per hour. The last year's average was 94.42 miles per hour.

At the end of 275 miles, Tom Allen, driving a Durant, went through the fence and was seriously injured. He and spectators were injured, some of whom may die.

By The United Press. INDIANAPOLIS SPEEDWAY, May 30.—Tommy Milton, driving his H. C. S. Special, at a terrific pace, was in the lead at the half way mark of the 500-mile International Sweepstake Automobile race here today. His time for the 250 miles was 2:39:26.85, an average speed of 93.98 miles per hour.

Hartz, driving a Durant Special, let his car loose and was rapidly edging up on Milton, less than one mile separating them.

At the 104th lap, Milton brought his car into the pits for oil gas, and tires.

Hartz then slipped into the lead and the stands went wild. Milton got a big hand as he drew up to the pit.

Christian Warner, driving a Mercedes Special hammered away at a steady grinding pace that held him steadily in third place.

LACKEY MANAGER

Sweetwater Man Elected to Operate New Poultry Association—Bell of Snyder President.

At the meeting of the board of directors of the Southwestern Farm Bureau Producers Association, W. R. Bell of Snyder was elected president, T. N. Robbins of San Angelo, vice-president and George Lackey, secretary and manager.

The members of the executive committee of the board of directors are W. R. Bell, T. N. Robbins and R. L. Adcock.

The association will start business as soon as a building and cold storage facilities can be provided.

The board went on record in favor of assisting with the organization of another unit with headquarters at Abilene.

San Angelo, which now has 30,000 hens signed, will go into their trade territory to bring their total number of hens up to 65,000.

PLOT AGAINST POLES.

By The United Press. COPENHAGEN, May 30.—A plot to wipe out the entire government of Poland by wholesale assassination has been discovered in Warsaw, according to advice reaching here. German Communists were involved in the plot it is said.

R. R. SMITH, HEAD DIRECTOR, MODERN WOODMEN OF AMERICA. Modern Woodmen from Snyder, Crado, Big Spring, Post, Abilene, Roscoe, Lorraine and other points are com to Sweetwater tonight to meet Mr. Smith, head director from Kansas City. Mr. Smith will be accompanied by John E. Swanger, State Manager from state headquarters at Dallas, L. C. McKnight of Abilene, district manager for West Texas. These gentlemen are making a tour in the interest of the order of Modern Woodmen. This organization is said to be the largest fraternal order in the world with a membership of 1,072,000 in the United States in more than 14,000 lodges. The Sweetwater lodge has a membership over 100 and is one of the oldest and most active in the state.

HOMAGE PAID TO DRAFT MONEY THE HEROIC DEAD AS WELL AS MEN

Under Auspices American Legion—Parade Held—Decorate.

REV. J. T. MCKISSICK SPEAKS

Delivers Memorial Address at Cemetery—Firing Squad And Bugler Sounds "Taps."

Sweetwater paid tribute to the dead veterans of Nolan County Wednesday, Memorial Day. The hero dead of all wars were extolled by Rev. J. T. McKissick in his address at the cemetery. Then Taps were sounded as these men lay in their last long sleep. Led by the colors, the Boy Scout Drum Corps, Sweetwater Company of the Texas National Guard under command of Captain Sydney Mason and veterans and Ladies' Auxiliaries and the S. W. T. Lanham Chapter of Confederacy, and Boy Scouts, the formation paraded to the corner of Third street, where cars were taken to the cemetery.

The firing squad and Boy Scouts came to attention in front of the grave of Oscar McDonald, following the Memorial Day parade. The service was opened with prayer by Chaplain Dr. L. G. Morony.

Rev. J. T. McKissick delivered the Memorial Address at the grave, substituting for Rev. D. B. Doak, who was unable to be present.

"When the call came to the United States the brawn and brain of this nation sprung into action. We cannot say that we won the war, but when the Prussian Guards were at the gates of Paris it was the American soldier that stepped into the breach and turned the German back toward homeland," said Rev. McKissick.

"The wheels of commerce have stopped today, and it is fitting that we should pay tribute to those who have fallen for our country."

A salute over the grave and Taps was followed by the placing of flowers on the graves of all veterans.

4,000 ARE DEAD.

Earthquake in Eastern Persia More Serious Than First Reported.

ALLAHABAD, India, May 30.—A total of 4,000 persons are now reported to have perished in the Turbat-Haldari earthquake which struck the eastern portion of Persia.

Six villages are reported to have been completely wiped out.

TO EXTEND KATY.

Meeting Called For Cisco In June For Rotan-Snyder Extension.

Special to The Reporter.

STAMFORD, May 30.—Representatives of towns along the Texas Central line of the Missouri, Kansas & Texas railroad, interested in the extension of the line from Rotan to Snyder, a distance of 28 miles, to make direct connection with the Santa Fe for a short cut to the Panhandle and Plains regions, are requested to be present at the important extension meeting at Cisco June 22. A representative of the Texas Railway commission is expected to be present. Citizens of towns are now making application to the Interstate Commerce Commission for papers of necessity for the extension to facilitate the agitation for the extension, it was learned here today.

SMITH TAKES LIFE

Close Personal And Political Friend of President Harding And Daugherty Worried Over Business.

By The United Press. WASHINGTON, May 30.—Worried over business matters, Jesse W. Smith a close personal and political friend of President Warren G. Harding and Attorney General H. M. Daugherty, killed himself in the apartment of Mr. Daugherty here early this morning. He used a 32 caliber automatic pistol and died instantly from a bullet in his head.

Jel T. Boone, Daugherty's personal physician, was called and he in turn called in the coroner who rendered a verdict of suicide.

It was reported that Mr. Smith had been worrying over business matters for the past few days. He left the bulk of his property to friends.

Disaster At Colorado Recently.

ROBY, May 30.—Bank checks, photographs, and similar articles have recently been found many miles north-east of the Mitchell County section which was struck by a terrific cyclone some weeks ago.

Near Roby a check on a Colorado bank was found in a field and east of Roby a photo and scraps of paper from Mitchell County have been found. Finds of a similar nature have been reported from Jones County and still on further north of here.

When the cyclone raised from the ground, it evidently continued on northward, carrying the lighter articles it had sucked up and dropping them along the route as the velocity of the whirling storm began to diminish. They were thrown from the center of the "funnel" to the outer edge, scattering them far and near.

RIOTING CEASES

German Industrialists Raise Wages And Men Return to Work—Ruhr Cities Quiet Except Bochum.

By The United Press. BERLIN, May 30.—The grip of the Communists on the Ruhr seemed broken today as men returned to their work in large numbers abandoning the campaign of terrorism that has reigned for the past weeks.

Increases in wages by the industrialists were granted and most of the miners returned to the pits.

Leaders of the miners in Gelsenkirchen voted to return to work and Communists there seemed to be pacified for the time, at least. Only a few minor attempts at disorder were reported.

Disorders threatened at Dortmund for a time, but police finally succeeded in dispersing the mobs.

The situation is still serious in Bochum where telephone and telegraph wires are down and all communication suspended since the outbreak.

TO VISIT NORTH TEXAS.

Mr. and Mrs. W. H. Stamps and family will leave Saturday on a three or four weeks' auto trip to Paris and other north Texas points. They intend to visit points in Oklahoma and Arkansas while gone.

Rev. R. A. Stewart is in Stanton today.

PLAN CAREER, IS SANFORD ADVICE

Chautauqua Lecturer Quotes Babson That Nine Out of Ten Men Are in the Wrong Vocation.

HORNER SPEAKS TO AUDIENCE

Commends Community Spirit That Fosters Chautauqua And Other Things to Advance Thought.

C. F. Horner, himself, appeared from his own Chautauqua platform, Tuesday night for the first time in the history of Sweetwater Chautauqua and spoke briefly on the spirit of Chautauqua.

"When I was an overgrown boy many years ago, I traveled 70 miles in an old covered wagon to hear a Chautauqua lecturer. His lecture might not be termed good in this day and time, but to me it was most important. I will never forget the inspiration that it gave. Since I have been operating this Chautauqua, I get letters from all over the United States telling of the inspiration boys and men receive from some of the lectures.

"I recently traveled in Europe and saw the desolation and ruin there and the hopelessness that reigns. They have no Chautauqua spirit over there—they have no groups of men in their communities who are willing to dig down in their pockets and support with their money and their time the things that mean intellectual and civic betterment."

The lecture given by Chester M. Sanford at Chautauqua Tuesday night is one that every parent and every boy and girl in Sweetwater should have heard.

"If we build a house we don't get own lives, it is rare indeed, that anyone is consulted.

"Roger Babson says that nine out of every ten men and women are in the wrong occupation. They are doing that which they are not fitted by nature to do. The boy drifts from farm to garage and from store to office. And wherever they are they are uneasily wonder if they should not be some place else. But as to sitting down and planning their lives, with the advice of those who knew—well, there is none of that.

"Young people and old people, too, if not too late, find out what you are best fitted to do and then plan your life accordingly."

The program Tuesday evening was opened by Irene Stoloisky, who is a violinist of great merit. In technique, tone and interpretation, her renditions were indeed pleasurable. She was assisted by George Embry, baritone. This company also gave an enjoyable program Tuesday afternoon that music lovers surely appreciated.

Wednesday afternoon the Marion Male Quartette opened their program with "On the Sea" by Dudley Buck. This was given in deference to Memorial Day. The same quartette will also appear this evening in a musical prelude to Glenn Morris who will give a lecture on the "Wonders of Electricity and Radio." Mr. Morris carries several trunksload of equipment, including a radio set and the things he does are very interesting.

Thursday afternoon Al Baker, ventriloquist and magician will perform to the delectation of everyone with the second comedy of the week, "The Prince Chap" in the evening.

Every program this far given by the Chautauqua has been well received. Each performance his been worth the time of anyone.

AT BUFFALO GAP.

Sweetwater Encampment to Be Held July 17-26.

The Sweetwater Baptist Association Encampment will be held at Buffalo Gap, July 17-26. The place having been changed from Sweetwater to the above mentioned place. Programs will be out soon, it is stated, in bulletin form and will be distributed throughout the association, which is made up of Mitchell, Nolan and Taylor Counties. A large crowd is expected to attend this encampment.

IN MEMORY.

Today is Memorial Day. It is a day when living veterans of all wars honor their fallen comrades. It is a day when a nation pauses and brings to the tombs of its fallen heroes that homage that only a great nation can pay. And it is right and proper that this be done for these men who so gallantly and carelessly gave their all for their country have left for the generations to come an example of imperishable luster. The spirit that animated these men is the spirit that made the United States, that carved it out of the wilderness and has made it of the greatest nation in history. It will not continue the greatest nation unless the spirit that animated those men is kept alive in the present generation and passed on to the ones who follow.

A GOOD CLEANING—THAT'S ALL.

Get on either of Sweetwater's six railroad outlets. Or crawl in your car and hit either of the numerous highways out of Sweetwater and proceed. Stop in any town on the railroads or highways and more than likely you will observe that the Clean-Up cam-

aign has been neglected in spots that the traveler sees first. Then consider your own town. Are there vacant lots, alleys, and streets that need attention? The chances are that many parts of the town need weed cutting attention. It may be that a certain street has not been graded in harmony with the lining of the sidewalk. Many districts of this nature will be observed by the Tech Locating Board before the more beautiful spots. When you ride into any town and observe that the suburbs look spic and span, the neat appearance make you say right off: "Gee, but this is a clean town!" If it's all weedy and uneven, you form a bad opinion of the town quickly any say that the people in it are unprogressive. That Tech Locating Board is not at all nearsighted and if they form a bad opinion of any town in West Texas for being an unclean spot—well, if it don't get in the papers everybody will know about it anyway. So grab your lawn mowers, hoes, rakes, wheelbarrows, and other needed tools and join in the big army of progressive citizens and do your utmost to make your neighborhood outclass any other spot in town. About all it takes is a little

elbow grease, determination and civic spirit—then the job's over and you have as clean a town as can be found. Won't you please do your duty?

CHEERFUL.

The state government at Austin is presenting a very cheerful spectacle these days. It resembles nothing quite so much as a group of recalcitrant school children being kept after school by an autocratic schoolmaster. Texas schools rank 39th in the United States now. A continuation of this wrangling and Texas won't have any at all. The only constructive legislation of the session is that of our own representative, R. M. Chitwood in the Senate in the Texas Technological College. If the other districts of the state would send as able representatives as these two Western men to Austin, matters would be greatly simplified.

NO ROOM FOR ARGUMENT.

Far be it from us to criticize anyone, but we can't see the sense of anyone wanting to hang around here on earth when they don't do any-

thing to further the interests of the community in which they live. Heaven promises a heap easier life, and they wouldn't starve in the other place.—Rotan Advance.

Mrs. Elmer Gilbert of Chicago was the guest of her former schoolmate, Mrs. Willard Gibson here today between trains. She was enroute to Snyder for a visit.

MISSIONARY SOCIETY.

The Central Circle of the Methodist Missionary Society met Monday afternoon at the church, following the Chautauqua lecture. Mrs. W. W. Beall led an interesting lesson from 1st and 2nd Kings. A business session of the society is announced for next Monday afternoon at the church. A social service program will be held.

The ladies of the First Christian church met in a business session at the church Monday afternoon, Mrs. R. A. Ragland presided over the assem- blage.

Luncheon has been prepared in a kitchen cooled by an Electric Fan. The fan is portable and is now cooling the dining-room. Here you are eating a mid-day meal in summer and in perfect comfort. The thought that outside, on the street, the air is suffocating, does not occur to you or the family. You only know that you are quite cool, and that everything tastes fine.

The G-E Electric Fan

serves comfort with every course. Its activities do not cease until you turn off the switch. Comfort becomes a mere matter of a finger touch.

It is economy in summer to do that which will bring any relief from intense suffering induced by extreme heat. A cent an hour is a trifling "tip" to give this meal-time servant.

Announcement

We have always given our customers the best that there was in Cleaning—

But

We have just installed a

New Continous Clearifier System

which keeps the fresh clean fluid going in at the top of the machine where the garments are being cleaned, and the used fluid going out at the bottom of the machine from the time the garments are put in the cleaning machine until they are perfectly cleaned.

By the use of this System, there are no marks or dirt rings in the linings or trimmings.

This completely does away with that disagreeable odor. We are proud of this new achievement.

By the addition of this new equipment, we are able to give you the best cleaning process available anywhere.

AT THE PALACE.

Wesley's in town!
Wesley who?
Wesley Barry, the lad of the many treckles and the smile that never wears off. Yes, he's here for today and tomorrow at the Palace Theater in his latest production "Heroes of the Street." Those who witnessed the play this afternoon speak in high terms of its entertaining ability. Wesley is seen as a plucky boy whose bravery helps him do things at which his grown-up superiors fail. His role gives him an unusual opportunity to reveal a side of him that was not called out in his other pictures such as Penrod, School Days, Rags and Riches and other well produced plays. In his others he was a mischief-loving frolicking urchin, always ready for a prank. In this latest picture he is all this plus a new quality that will the more endear him to his many admirers of men, women and children of Sweetwater. Humor and pathos are persuasively blended in this picture. It is the story of Mickey Callahan, as his name indicates, and shows it in the numerous flistic victories over fellows of corner gangs who do their best to heck him. Mickey handles them one at a time, and when they come too fast, his bull terrier "Camille" is always ready to do a little parading and growling back into the side of a pants seat. In the midst of his "sheekered" boyish life enters a mysterious and tragical, and then Mickey changes to a serious lad, out to find a certain crook and murderer. The supporting cast is an excellent one which

materially aids in the production of a play that is entirely satisfying from start to finish.

Miss Annita McDaniel, whose school at Balld has closed, will be home in a few days. She will visit in Cleco enroute home.

THE CONSTITUTIONAL AMENDMENT.

On July 28th, 1923, the people of Texas will vote on an amendment to the Constitution, which, if adopted, will authorize the state to take over the construction and maintenance of a state system of highway in co-operation with the federal government. The adoption of this amendment will not give the legislature any additional taxing power, and so will not make possible an increase in ad valorem taxes. The effect that it will have will be to authorize the state to take over construction and maintain a state system of highways under the direct control and supervision of the state. At the present time the state does not have this authority, and until it is authorized to take over the state system of roads, the people of Texas can never have a connected system of highways.

There are at present about 180,000 miles of public roads in Texas. Most of the heavy traffic, however, uses only about 19 per cent of these roads, or about 18,000 miles. Most of this traffic is state traffic. It is not purely local traffic. Using these figures as a basis, the state has designated about 18,000 miles of the most used public roads as a state highway system. The proposed amendment would place this 18,000 miles of road under the jurisdiction of the state, to be constructed and maintained by the state in conjunction with the federal government. A method of financing this construction and maintenance by placing a one-cent tax on gasoline and by passing a motor vehicle law, which collects revenue on all vehicles based on both weight and horse-power.

At the present time, Texas is receiving back from the Federal government for highway construction \$1 for every \$1 paid in federal taxes for this purpose. Should the amendment pass, federal aid will be withdrawn.

FELT TIRED, SO TIRED

Indiana Lady Says She Was Run-Down, Suffered With Her Back, Took Cardui, and Got Well.

Richmond, Ind.—"I thought I would write a line or so, to say that I owe my good health and strength to Cardui," says a letter from Mrs. Cora Courtney, 31 Railroad Street, this city.

"I was all run-down until my family thought they would lose me," writes Mrs. Courtney. "My husband coaxed me to take Cardui, so, to please him, I did, and will say I do not regret it, for I am able to do all my work and do my shopping."

"I have five children, four in school, my husband and a boarder to do for, and I do all my own work for all of us, and find time to play. We all praise Cardui. Every sick and run-down woman should take this wonderful medicine."

"I suffered with my back; a very weak feeling in my limbs."

"I felt hardly able to drag; just tired—so tired all the time."

"It was an effort for me to do anything, but Cardui helped me so I felt like a different woman."

If you are in a run-down physical condition, suffering as this Indiana lady, says she did, give Cardui a fair trial. It should help you.

Take Cardui. NC-17

drawn, and future construction will have to be done entirely with state and county funds by the costly bond issue method.

The adoption of the amendment will mean just this.

A state system of connected permanent highways, permanently maintained.

The assistance of the federal government in building these highways.

The releasing of county funds and maintenance tax receipts for the construction and maintenance of county roads other than state highways.

Greater protection to the tax payer in two ways; the people will have to spend less money and they will get more value for the money they spend.

The elimination to a large extent of the bad road tax in Texas. This bad road tax which runs into millions annually, is what the people of the state of Texas are paying in damage to automobiles, wear and tear, construction of tires, extra consumption of gasoline and the loss of time due to bad roads.

To insure all this, the suggestion is put that all people of Texas vote for the highway amendment on the Fourth Saturday in July, and thus obtain permanent highways, permanently maintained for Texas a state system of per-

manities that otherwise would go neglected without this magnificent system of permanently maintained highways.

Every voter has a voice in this system of highways, and has the right to vote for or against the proposition just as he chooses.

GRAPES

Rich, ripe, healthful grapes, grown in the famous vineyards of Southern Europe—produce the cream of tartar from which Royal Baking Powder is made.

The most eminent authorities in the world say cream of tartar makes the best and most healthful baking powder.

ROYAL Baking Powder

The ONLY nationally distributed Cream of Tartar Eeking Powder

Contains No Alum—Leaves No Bitter Taste

Ouch! Aching Joints, Rub Rheumatic Pain

Rub Pain right out with small trial bottle of old "St. Jacobs Oil."

Rheumatism is "pain" only. Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacobs Oil" right into your sore, stiff, aching joints, and relief comes instantly. "St. Jacobs Oil" is a harmless rheumatism liniment which never disappoints and cannot burn the skin. Limber up! Quit complaining! Get a small trial bottle of old, honest "St. Jacobs Oil" at any drug store, and in just a moment you'll be free from rheumatic pain, soreness and stiffness. Don't suffer! Relief awaits you. "St. Jacobs Oil" is just as good for sciatica, neuralgia, lumbago, backache, sprains.

BIG DAY AT ROBY.
Rural Mail Carriers Association in Convention—Howard Thera, Special to The Reporter.
ROBY, May 30.—The Rural Mail Carriers Association, consisting of Fisher, Haskell, Jones and Kent Counties, are meeting here today in regular session.
A large number of carriers are here from the association district and a lively session is in progress.
Postmaster M. B. Howard of Sweetwater is to deliver some timely talks for the best interests of the service.
There will be something doing throughout the day, as the program arranged calls for discussions of real interest, together with readings, music and other fitting subjects.

DEFEAT GIRLS
The Sweetwater baseball team defeated the Western Bleemer Girls Baseball Club here Tuesday (noon) by a score of 11 to 5. The game was called in the seventh inning.

RECITAL AND CONTEST.
One of the distinctive musical affairs featuring the school closing programs was the Junior Music Contest and Recital of Mrs. Lige Cutbirth's classes Thursday evening at the First Methodist church.
The audience of patrons and friends fairly filled the auditorium to overflowing. The popularity and appreciation of the young musicians was demonstrated by the generous applause given each number.
Miss Nina Mae Brand, a pupil of Mrs. F. L. Hutchinson and a most gifted reader, read in a delightful and

pleasing manner and responded to an encore.
At the conclusion of the program, Mrs. F. G. Robertson presented medals given by Mrs. R. W. White. One was given to Keith Trammell, who won in the Beethoven's "Minuet in G." contest, her interpretation being

considered the best by the judges. The other was awarded the boy who completed the ensemble practice book first, and was won by Ray Boothe. The orchestra prizes offered by Geo. Allen were won by Girlie Reynolds, Lady Betty Cutbirth and J. C. Bruce and were awarded Monday evening.

Your Co-operation

It is the intention of this company to give 100 per cent ice service at all times.
In order that we may do this, we ask that you co-operate with us.
First, Have your ice coupons ready for the driver, so that he will not be delayed on customers beyond. A delay of just one minute at each house means a delay of one hour at the 60th home.
Second, Have your ice box ready for the ice. It will be impossible for us to make more than one delivery per day in the residence section. In case you are called away, please make some arrangement so that ice can be left by the driver on his regular trip.

If you have any suggestions whereby our service can be improved or any complaint of any nature, please call us. The phone number is 204.

Sweetwater Ice & Cold Storage Co.
