"MY TURN"

By
Carol Ellis

TECHNOLOGY HAS outsmarted itself again. Or maybe it has just outsmarted me.

There I sat in my kitchen with two cookers full of beans in quart jars looking all green and nutritious, only to discover that the brand new kitchen range which I received last Christmas had no intention of canning those green beans.

It is one of those sleek-looking self-cleaning models with the glass cooktop and solid cast iron elements. Back when this thing was still on the drawing boards, the designers (who were most likely of the male species) probably told themselves that anyone wanting a nice modern stove like this, probably wouldn't be doing anything as old-timey as canning green beans. But if a female had designed the thing, she would have put one large burner in the back, big enough to accommodate a pressure canner.

This reminds me of the Ford Motor Company's famous fiasco of the fifties, the Edsel, known as "the car of the future." Sure, it was!

I'll bet you can think of a few other modern improvements which have fallen somewhat short of the mark. How about those child-proof caps on your prescription pill bottles? Most children can get them open, but adults can't.

Remember the new Susan B. Anthony dollar which came out a few years ago...exactly the same size and color as a good old-fashioned quarter? The U.S. Treasury Department has quite a few of those stashed away in storage somewhere.

I can't understand why anyone would actually buy a jar of instant tea. It is an awful excuse for something tasting remotely like the real stuff. It just isn't that difficult to dip a tea bag into a little boiling water and then add a few ice cubes if you want it cold. Evidently some folks still do buy it or it wouldn't be available on the grocery store shelves.

Some other irritatingly modern technological items are: that lighted digital clock on your VCR which constantly flashes 12 o'clock all day and all night...talking scales which tell you what you weigh...hot air blow dryers intended for drying your hands in public restrooms, but you end up drying your digits on the hem of your slip because there aren't any paper towels in evidence.

How about those rear-view mirrors on your car...the ones which say "objects may be closer than they appear." Good grief! As if I didn't have enough trouble adjusting to these new tri-focals while trying to figure how far and how fast those other vehicles are traveling down the road. Now we've got mirrors which come with instructions!

I guess the little plastic suction cup which sticks to glass was originally a good idea. However, that leering stuffed Garfield creature which adorns the auto windows of people who have no taste, was an extremely bad idea. I hope the person who thought that one up, gets to go through eternity suctioned onto the hub cap of a Greyhound Bus on the non-stop coast-to-coast haul.

But anyway, feminine ingenuity will win out! My friend Olive Massie told me to take my old electric hot plate out to the garage, plug it in and use it for canning those beans. It worked! So never fear, dear readers. Bill and I will be "full of beans" for a few more months.

UNCLE AUSTIN SAYS: A cynic is a man who knows the price of everything and the value of nothing.

Give a hoot.
Don't pollute.

Forest Service, U.S.D.A.

CHAMBER FLOAT...The Chamber of Commerce float featured the winners of the Miss Friona and Little Miss pageants. Shown are Stephanie Collier, Audra Dee King and Candace Ingram (front), Heather Griffin, Kelley Cash and Bonnie Israel.

Friona Area Gets Touch Of Winter

The Friona area experienced its first 40-degree temperature readings of the season this week, as a cold front touched off showers in the area and "hung around" for a few days.

In Friona, the moisture measurement was 1.64 inches, coming mainly in two early-morning thundershowers. A total of .78 inches was measured on Monday morning, September 11, and another .81 inches were received Wednesday, September 13.

The official thermometer regis-

TEMPERATURES	
Date	Hi-Low
Saturday, September 9	90-57
Sunday, September 10	65-55
Monday, September 11	74-55
Tuesday, September 12	63-54
Wednesday, September 13	64-40
Thursday, September 14	49-40
Friday, September 15	73-40
Moisture: .78 inches September 11; .04 inches September 12; .81 inches September 13; .01 inches September 14.	

Chiefs Visiting Brownfield Friday

The Friona Chieftains were visiting Brownfield for their second game of the season Friday night, and were expecting a tough game from the potent Cubs.

Brownfield is one of the high-ranked teams in the South Plains this year, and downed Muleshoe, 28-0 in their season opener.

Coach Tommy Moss said all of the players would be available for Friday's game. "They have had a good attitude in workouts this week," Moss said.

PICKUP WINNER...Bill Burnam, left, was the winner of the pickup drawing sponsored by the Friona Fire Department. Burnam is presented the keys by fire chief Jim Taylor.

tered 39.7 degrees for a low on Wednesday morning, which rounded up to 40 degrees, and the lowest temperature reading locally since the mercury dropped to 37 degrees last May 1.

The rainfall has been quite general in nature. Reports said that

Summer Weather Somewhat Cooler

The summer season months of June, July and August, 1989 across the Texas South Plains turned out to be cooler and wetter than normal, according to figures released this week by the National Weather Service.

Temperatures averaged 1.6 degrees below normal and ranged from 0.5 degrees below normal at Seminole to 3.1 degrees below normal at Paducah.

Maximum temperatures aver-

aged 2.2 degrees below normal and ranged from 0.8 degree below normal at Post to 4.5 degrees below normal at Tulia. The highest temperature recorded during the season was 111 at Lamesa on July 3.

Minimum temperatures averaged 0.9 degrees below normal and ranged from 0.3 degree above normal at Seminole to 2.3 degrees below normal at Paducah. The lowest temperature recorded during the season was 46 at Friona on June 5.

Precipitation averaged 1.91 inches above normal and ranged from 5.63 inches above normal at Paducah to 1.41 inches below normal at Seminole. Both June and August saw above normal rainfall while July was on the dry side.

Some four inches were received to the north of Hereford. Farmers said the moisture would be highly beneficial for the new wheat crop, most of which has been planted. The portion of the crop that has not been planted will now have generous planting moisture.

FISD's Teams Test Tops Area

The Board of Trustees of the Friona Independent School District held their regular meeting on September 11.

Highlights of the meeting included:

*Superintendent Hal Ratcliff reported that as a result of the 1989 statewide TEAMS test results, Friona ISD had the largest percentage of students passing the test of any class AAA school district in the Panhandle-South Plains region.

A total of 80.4 per cent of all first, third, fifth, seventh, ninth and eleventh graders in Friona had passing scores on the test.

By comparison, scores of district mates were as follows: Tulia, 78.2 per cent; Dimmitt, 78.0 per cent; Littlefield, 74.3 per cent; Floydada, 73.6 per cent and Muleshoe, 66.7 per cent.

Superintendent Ratcliff had a list of 18 Panhandle-South Plains schools, with Friona's score of 80.4 per cent leading the list.

*Enrollment in Friona schools on September 11 stood at 1288, compared to 1289 a year earlier.

*The board approved "stricter performance criteria" for career ladder placement and maintenance for the 1989-90 school year.

The board also adopted a "mission" statement of goals for the school district for the 1989-90 school year. The goals were as follows:

1. Friona Independent School District will develop curriculum

and instruction to reach all students.

2. Friona Independent School District will develop effective communication between the school and community.

3. Friona Independent School District will provide a supportive environment that encourages learning.

4. Friona Independent School District will convey high expectations for all staff and students.

5. Friona Independent School District will recruit and retain a quality professional staff.

Boosters Meeting Tuesdays

The Friona Booster Club meetings are being held on Tuesday nights at the Friona High School Cafeteria. Dues for 1989-90 membership are \$5.00.

New officers for the group are Randy Dickson, president; Dewayne Procter, vice president; and Jane Dixon, secretary-treasurer.

Those businesses who still have colored pictures of last year's players are asked to call Mrs. Dixon at 295-6392.

Everyone is invited to attend the meetings.

DeLeon Entrant Is First Week's Winner

A contestant from DeLeon, Texas, Bill Carter, was the first week's winner in the annual Friona Star football contest.

Carter correctly picked 16 of the 20 contest games, and was the only contestant to name that many winners in the first week's outing.

Charlie Morgan and C.H. Veazey had scores of 15, and the tie-breaker system determined second and third places between the two.

Morgan won out for second place, missing the Friona-River Road score by only three points. He had picked the Chieftains to win, 14-13. Veazey had to settle for third, having picked River Road, 21-12, hitting Friona's score on the head but missing the Wildcats' by seven.

Five other contestants also had scores of 15, but were not as close on their tie-breaker predictions. These were John Aguirre, Jerry Hinkle, Larry Martin, Tommy Moss and Mike Schueler.

Another 15 contestants correctly picked 14 games, missing by just one at having a chance at one of

the weekly prizes. Four others correctly picked 13 games in the contest.

Carter's misses were Perryton-Borger, Florida State-Clemson, UCLA-Tennessee and Arizona-Texas Tech.

Morgan mis-fired on Clovis-Amarillo, Florida State-Clemson, UCLA-Tennessee, Texas Tech-Arizona and Dallas-New Orleans.

Veazey's misses were Florida State-Clemson, UCLA-Tennessee, Texas A&M-Washington, Dallas-New Orleans and Houston-Minnesota.

The six college games seemed to give contestants the most trouble of the first week's lineup of games.

Scores of all of the first week's contestants may be found elsewhere in this issue.

Contestants are also vying for the \$100 grand prize, to be awarded at the close of the 13-week promotion.

Another contest appears on page 12 of this issue, and everyone is urged to fill out an entry blank and turn it in to the Star office, or drop it in the mail by next Friday afternoon.

BEEF WINNER...John M. Roden, left, was the winner of the beef raffle sponsored by the Friona Noon Lions. Bill Hardin of the Lions Club hands Roden a part of his box of beef. Proceeds went to the Friona Boy Scouts. Beef was donated by Excel. The project netted \$645.

Friona Flashbacks

....from the files of The Friona Star

60 YEARS AGO--AUG. 23, 1929

Several land deals were consummated within the past ten days by which several good tracts of land near Friona have changed hands. Perhaps the largest of this group was the Wakefield farm of 618 acres west of town, which was sold to a Mr. Starke of Oklahoma. Another sale was that of the land of John D. Meyer of Augusta, Mo., to Fred Haitz of Sioux City, Ia. It is reported that the sales were handled by R.I. Chiles, who also closed other deals during the past week.

55 YEARS AGO--AUG. 24, 1934

O.G. Turner, owner of the recently destroyed Capitol Theatre building, which burned, received advice that the loss claims will be paid by the insurance companies, and work began last Saturday to remove the rubbish to get ready for rebuilding the structure.

50 YEARS AGO--AUG. 25, 1939

The Board of Trustees of the Friona Independent Schools, have a force of men employed on the school grounds, digging a more extensive system of drainage canals for the septic tanks of the school.

According to an announcement coming from the office of W.L. Edelman, superintendent of schools, the fall session of school will get underway Friday, September 1 at 8:30 a.m.

45 YEARS AGO--AUG. 25, 1944

Will Thomas, local carpenter, is busy this week placing the windows and doors in the building for the Santa Fe Machine Company, which was erected to house the business of the J.I. Case Company, for which the local company is an agent.

30 YEARS AGO--AUG. 20, 1959

Mr. and Mrs. Van Eddy and children of Coolidge, Kansas, spent last weekend visiting in the home of Mr. and Mrs. Larry Martin and children.

A Baxter family get together at the Club House Sunday honored Mr. and Mrs. Jess Weatherly and Mr. and Mrs. Ernest Weatherly and children of Portland; and Mr. and Mrs. F.L. Clark, Mr. and Mrs. Earl Clark and children, Mrs. Jack Russell and Mrs. Cassie Smith, all of Elk City, Oklahoma.

Guests in the home of Mrs. Pearl Kinsley Wednesday were Mrs. Max Brownlee of Oakland, California, and Ethel Womble of Hereford. Mrs. Brownlee is a former Friona resident.

25 YEARS AGO--AUG. 20, 1964

Twenty high-quality cattle were killed and a truck driver was injured as a result of a truck-train accident at a railroad crossing six miles east of Friona last Thursday.

Hilario Alemon, a Mexican National employed on the Bill Carthel farm, was bitten by a large rattlesnake last Thursday morning.

He was rushed to Parmer County Community Hospital where he received emergency treatment.

Mr. and Mrs. H.A. Hyde returned late last week from the state of Washington, where they had spent one month visiting in the homes of Rev. and Mrs. Omer Hyde at Olympia and Rev. and Mrs. Don Kimbrough and family of Tacoma.

20 YEARS AGO--AUG. 21, 1969

Summer will end for approximately 1450 Friona area residents this week, as students face the beginning of school with the first day of instruction being next Tuesday, August 26.

David T. McVey, former vocational agriculture instructor at Friona High School, has been elected president of the Vocational Agriculture Teachers of Texas for 1969-70.

15 YEARS AGO--AUG. 18, 1974

Darrell Simpson was formally announced as the new manager of Friona's Production Credit Association office Monday. The appointment was announced by James Rogers, general manager of the Plainview PCA.

A routine traffic violation turned into a high speed chase and a shoot-out last Friday night between local law enforcement officers and three Spanish males. Friona officers, Bob Davis, Don Ballew and Joe Mesa chased the subjects ten miles south and two miles east. The Dodge, driven by the fugitives and the police car became stuck in a corn field. The fugitives came out of the car firing upon the officers.

10 YEARS AGO--AUG. 19, 1979

Alonzo Strickland, 20, was critically injured in an accident at MBPXL last Thursday. Strickland, who drives for D.T. King Trucking, was unloading a cattle truck when he was crushed by a second King truck. The accident left Strickland with his back broken in five places. He was moved out of intensive care into a private room on Monday.

Jimmy Grimsley was injured last weekend when a tractor he was refueling slipped into gear and hit his leg.

5 YEARS AGO--AUG. 26, 1984

A new scoreboard was installed at Chieftain Field this summer. The new scoreboard was provided by Friona State Bank.

Directors of the "Miss Friona" pageant announced that as of Thursday, 14 girls have entered the pageant. They are: Leslie Upton, Robin Houlette, Sharlene Parr, Stephanie Miller, Shannel Woodard, Melanie Gallman, Rachel Bermea, Sonia Lafuente, Tammy Chapman, Tammy Harguess, Nikki Osborn, Ashlee Gee, Kelly Wied and Wendy Hinkle.

"Emotions"

The Self-Fulfilling Prophecy

By John I. Walker, M.D.

My son's friend recently returned from basic training for the National Guard. He kept saying he was glad to be home and the sincerity of his voice made the statement irrefutable. But, he also shared a pride that he had experienced something out of the ordinary. He had learned discipline and self-reliance and he was understandably pleased with himself.

We then viewed a training film that summarized his experience. Despite the film's cliched message, it was undeniably inspirational. It showed anxious, raw recruits, greeted by the drill instructor, screaming for mindless pushups and other disciplinary activities. As the viewer follows the progress of basic training, it becomes evident that boys turn to men when they realize they can do more than expected. They share pride in doing more than they thought they could. The film also clearly demonstrated the pride that the drill instructors have in convincing raw recruits what each can become through discipline and hard work.

There's a parallel here between drill instructors, teachers and coaches. All good coaches push their players to self-discipline and sacrifice and mold individual skills into team effort so that the sum becomes greater than the parts. Excellent teachers, too, push the individual student to do more and learn more than they thought they could.

D. Padilla Completes Training

Pvt. Daniel Padilla III has completed basic training at Fort Jackson, South Carolina.

During the training, students received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Padilla is the son of Daniel and Lina Padilla of 805 Maple, Friona. His wife, Katherine, is the daughter of Sammie Colvin of Hobbs, N.M. He is a 1988 graduate of Friona High School.

They inspire pride in learning and doing and they understand the mechanisms that help students achieve.

We've all heard of the self-fulfilling prophecy--the student, convinced that he's going to fail the exam, does; the young husband, convinced that his mother-in-law will be a tyrant, behaves in such a way that she becomes one; the nervous job applicant, convinced he won't make a good impression, after breathing a sigh of relief, having done well on the interview, exits into the closet, rather than out the office door.

Sociologist W.I. Thomas proposed the theorem, "If men define situations as real, they are real in their consequences." R.K. Merton, professor of sociology at Columbia University, elaborated on that theorem by stating that the prediction of an event changes the behavior of the observer in a way that makes the event more likely to happen.

In the mid-1960's, Robert Rosenthal and Lenore Jacobson demonstrated the self-fulfilling prophecy in the classroom. Teachers were told that 20% of their classroom students were "intellectual bloomers." At the end of the school year those

students showed a significant I.Q. gain over that of the other children in class. There was no difference in the amount of time spent with these "bloomers"--and, even more important, these students were no smarter than any of the other students in the classroom to begin with. *Because the teachers thought that the students were smarter and treated them as if they were smarter, the students became smarter.* The teachers expected the students to do well and the students fulfilled the prophecy.

Dr. Rosenthal also performed the same type of experiment with psychology students doing rat research. Taking a group of average rats, all from the same litter, he divided the psychology students and rats into three groups. One group of students was told that their rats were genius rats; the second group was told that they had average rats in their experiment; and the third group was told that their rats were mentally deficient and could not be expected to learn much. You can guess the outcome: the genius rats performed like geniuses; the average rats performed, well--average; and the idiot rats never learned anything. Remember, there was actually no difference in intelligence in any of the rats. The

self-fulfilling prophesy was fulfilled again: we behave the way we are expected to behave.

Now these studies are very, very important. People perform the way we expect them to perform. We perform the way we expect ourselves to perform. Like the good drill instructor, the good coach, the good teacher, we can call up the best in ourselves and others by expecting and thinking of ourselves and others as being the best.

Dr. Walker is Medical Director of Hill Country Hospital in San Antonio. For information about his books and seminars, contact Walker Communications at 512/629-7303.

Cub Scout Registration Is Monday

Cub Scout Pack 56 will be registering new Tiger and Cub Scouts on Monday, September 18 at 7 p.m. in the Grade School Cafeteria.

Tiger Cubs are first graders only. Cub Scouts are grades two through five. All boys must be accompanied by a parent.

1989 AMERICAN EAGLES

The Affordable Coins

We are pleased to announce the availability of the new 1989 American Eagle Gold and Silver Coins. The Affordable Coins. The 1989 American Eagles will make a great addition to your collection, and perfect gifts for Graduation, Father's Day and other special occasions. American Eagle Silver Dollars are only \$21.50, and with a price of only \$64.00, the American Eagle Five Dollar Gold Coins are truly affordable gold coins. Come in today and discover what beautiful Silver and Gold Coins you can acquire at affordable prices.

FRIONA STATE BANK

Getting You Back In the Game...

The Sports Medicine Center of the Southwest is a comprehensive treatment program for the competitive athlete as well as the general sports enthusiast. It features a state-of-the-art diagnostic and rehabilitation facility equipped to care for most any sports related injury. The center is operated under the direction of a team of physician specialists, plus registered physical therapists and an exercise physiologist. The entire team is in tune with the special needs of athletes and their desire and determination to excel. They understand the frustration an injury can impose on them. But more important, this team has the know-how to treat an injury and put the athlete back in condition as quickly as possible.

CLASS MEMBERS....Members of Friona's 1939 graduating class met here last week for their 50th reunion. Shown seated from the left are Maxine Shackelford Price, Geraldine Hinds Sherrieb, Mildred Garrett Turner, J.T. Green and Lauretta Griffith Brookfield. Standing are Douglas Short, James Ray Coleman, Lyndon Stevens, June Chapin Jones, C.L. Vestal and Grace Miller Parr. In the insert is Bob Wyly, who also attended.

1939 FHS Graduates Gather For Reunion

The 1939 graduating class of Friona High School met for their 50th reunion on September 8-9 in Friona.

Doug Short and his wife Tino of Hereford, along with Lauretta Brookfield of Friona were coordinators for the affair.

Activities began Friday at 2 p.m.

at the Friona Oddfellows and Rebekahs Lodge Hall, with registration and a get-acquainted visitation.

Each class member had a history of their past 50 years read, and each added to the report.

A sandwich and salad supper was enjoyed by those present.

Some of the class members attended the football game between the Friona Chieftains and River Road of Amarillo, and were recognized at the game.

On Saturday morning at 7:30 a.m., a breakfast, consisting of ham, scrambled eggs, biscuits, gravy, assorted jellies, orange juice and coffee was served. The meal was prepared by members of the class.

Then came the "big event." Members of the class were privileged to ride on Bruce Parr's Concord Stagecoach, the "Cotton Mouse Express," drawn by four mules, Bonnie and Clyde and Billy and Bell, and rode in the Maize Days parade. C.L. Vestal and Lauretta Brookfield held the flag atop the coach.

The group returned to the Lodge Hall for snacks and more visiting.

At 2 p.m., a group meeting was held, where former schoolmates joined the group. An open house and picture-taking session followed.

The group was privileged to help Grace and Bruce Parr celebrate their 50th wedding anniversary, which was Saturday, September 9.

Class members attending were Doug Short, Hereford; James Ray Coleman, Mesa, Arizona; Lyndon Stephens, Portales, N.M.; Mildred Garrett Turner, Justin, Texas; Maxine Shackelford Price, Amarillo; and Jerri Hinds Sherrieb, Amarillo.

Also, J.T. Green, Amarillo; June Chapin Jones, Amarillo; C.L. Vestal, Friona; Bob Wyly, Friona; Grace Miller Parr, Friona, and Lauretta Griffith Brookfield, Friona.

Use The Friona Star For All Your Advertising Needs. Call 247-2211.

Francis Rector was to have graduated with the class, but became quite ill and was unable to do so.

Others who had been in the class during high school who attended the reunion included Joyce Barker Coffman, John Terry and Martin Bussell.

Six members of the class are deceased: Alice Wyly Whaley, Bud Buchanan, Roy Hughes, J.T. (Sonny) Guinn, Kathleen (Thompson) Henderson and Fay Ellen Roberts Massey.

Also attending were John and Gene Terry, Tino Short, Hereford; Ralph Price of Amarillo; Mrs. Marguerete Green, Amarillo; Mrs. Nelma Stephens, Portales, N.M.; Clyde Sherrieb, Amarillo; Henry Turner, Justin, Texas.

Also, Raymond Baker, Amarillo; Louise Euler Mangold and Earl of Fort Collins, Colorado; Orville Lansdown of Oklahoma; Bruce Parr, Edith Moseley Johnson and Natalie Taylor Williams, all of Friona.

Several others came by to join in the fun and visiting.

Parr treated guests to rides on the stagecoach. Lloyd and Betty Louise Rector joined the group for the event, taking pictures and making a video of the two-day affair. Betty Louise also entertained the group by playing the saw.

Rector also assisted with the cooking.

On Saturday evening, a hamburger cookout was enjoyed by those attending.

"We all had a wonderful time, and wish to give a very special 'thanks' to each and everyone who attended, and to everyone who helped to make our reunion a great success," said Mrs. Brookfield.

Appling Completes Basic Training

Navy Airman Recruit Roy L. Appling, son of Lee R. and Glenella Appling of Friona, has completed recruit training at Recruit Training Command, San Diego, California.

During Appling's eight-week training cycle, he studied general military subjects designed to prepare him for further academic and on-the-job training in one of the Navy's 85 basic fields.

Appling's studies included seamanship, close order drill, Naval history and first aid. Personnel who complete this course of instruction are eligible for three hours of college credit in physical education and hygiene.

He joined the Navy in May, 1989.

MANAGER....Tony Dycus, 32, is the manager of Friona's Millard Refrigeration Company. Dycus came to Friona from Sioux City, Iowa, where he was with Cloverleaf Cold Storage Co. for the past 13 years. He and his wife Ronna are parents of two daughters, Brooke, eight and Kassie, five. They live at 604 Arrah.

Horses--(individual) 1. Sarah Hendley; 2. Kevin Schueler; 3. Gloria Silva; 4. Tina Walker.

NIGHT GOLF TOURNAMENT
First place team--Dave Hutson, Lynn Nichols, Rocky Nichols, Jayson Grimsley, Rick Jennings and Dennis Anthony.
Second place team--Jon Mac Roden, Faith Herring, Dave Buske, Danny Kendrick, Mitchell Smiley and John Jarecki.
Third place team--Cecil Maddox, Teresa Buske, Dick Wejkert, Kevin Welch, Clarence Monroe and Bob Flair.
Fourth place team--Ron Davenport, Debbie Smith, Wilbur Johnson, Mickey Harrelson, Chad Rhodes and Alan Monroe.
The second, third and fourth place teams were tied after regular

play. A chip-off in the rain at 12:30 a.m. created the second, third and fourth places.
A box of beef donated by Excel was won by the team consisting of Ricky White, Wanda Reeve, Leonal Kilgore, Dennis Field, John Mars and Mike Greer. This team had the closest drive to the hole on number seven.
Winners Given For Art Show
A good crowd attended the art display last Saturday sponsored by the Friona Art Association at the Old Depot in the City Park. Those attending enjoyed the display of 50 pictures, shown by 23 local artists.
In the voting for "Best of Show," Lynn Gowens' painting of bluebonnets received the most votes, followed by Carol Ellis' Spanish courtyard and Betty Louise Rector's raccoon.
In the junior division, those attending the show voted Missy Smith's watercolor of a rural scene as number one; with a tie between Alberto Perez and Leola Gonzales for second. Perez had a pencil sketch and Miss Gonzales entered a pen drawing. Third place went to Troy Talley for his pencil sketch.

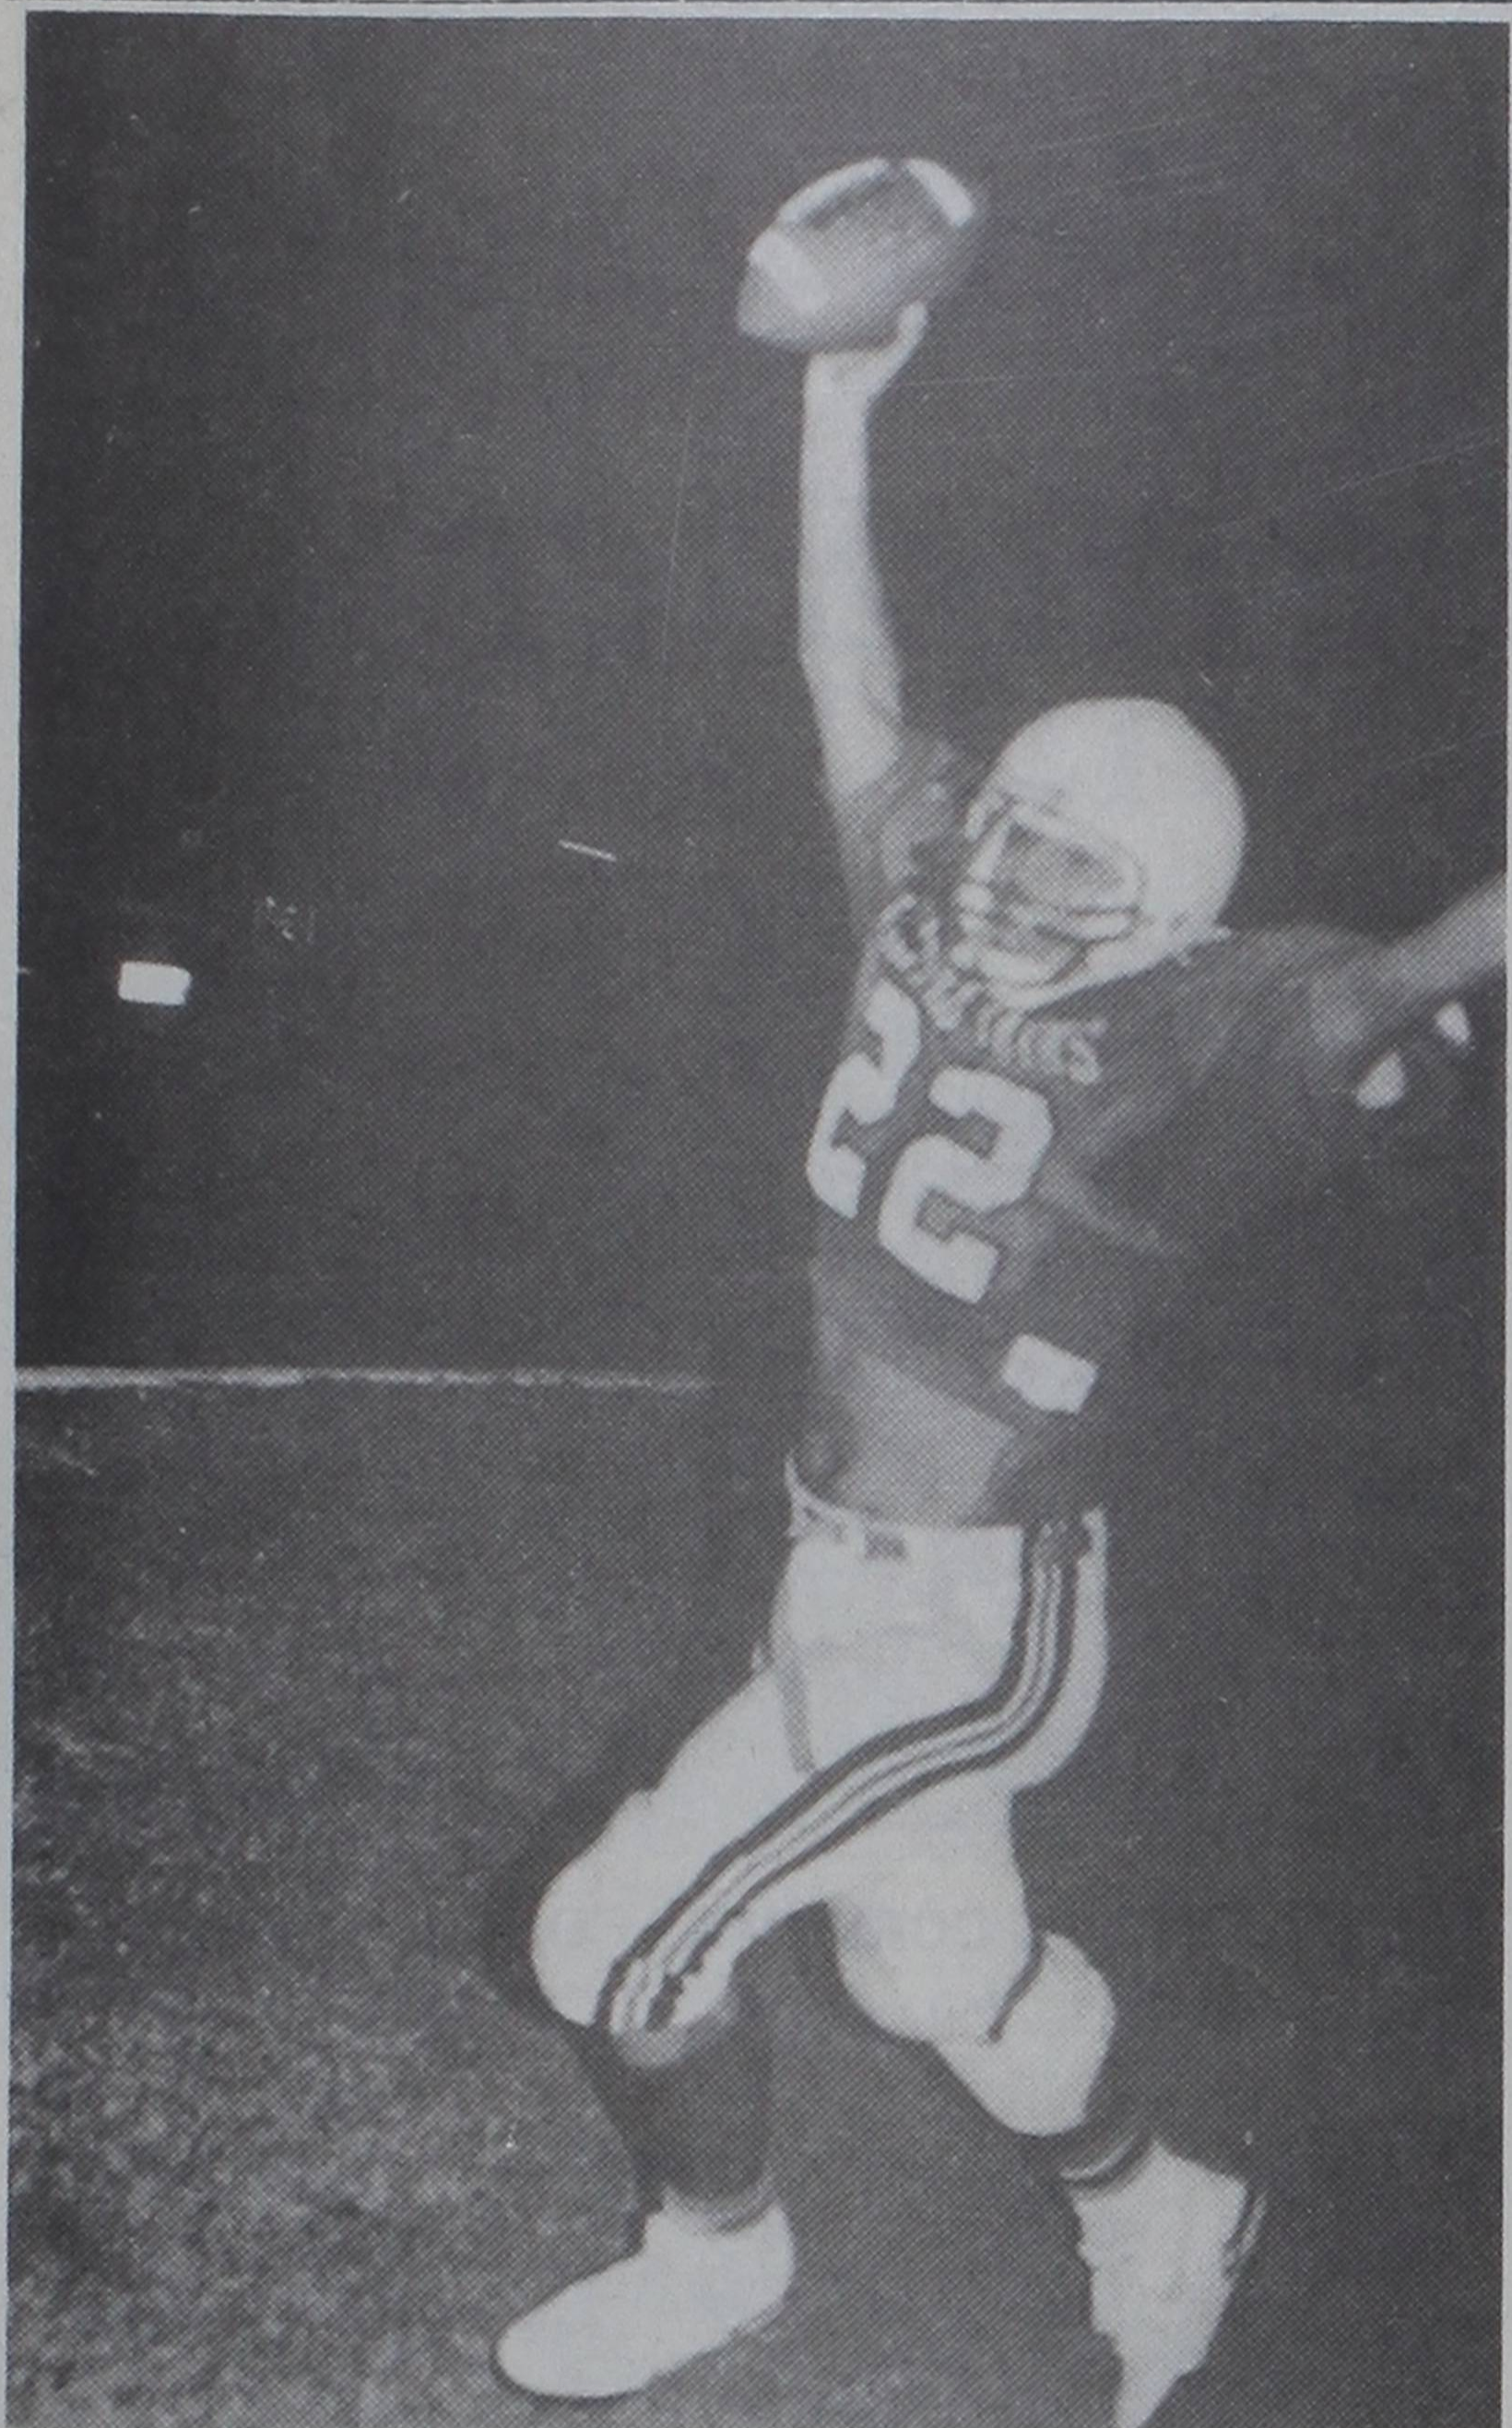

FIRST BAPTIST CHURCH'S 75th BIRTHDAY FLOAT

FHS CHEERLEADERS WERE IN THE PARADE

Winners Are Given For 6-Mile Race

Winners of the Dixon Six-Mile run on September 9 were as follows:
1. John Edd Duke, 34:58½ 2. John Aguirre, 39:57; 3. Jerry Lafuente, 40:03; 4. Jacky Lafuente, 43:23; 5. Bobby Wied, 48:00.
6. (tie) Gary Mitchell and Joe Parker, 48:24; 8. (tie) Jim Dixon and John Ambold, 50:00; 10. Richard Grisham, 51:02; 11. David Bugg, 53:45.

TOUCHDOWN... Andre Duran celebrates after scoring a touchdown in the fourth quarter last Friday for the Chiefs. (Photo by Rick Ellis)

Last-Quarter Rally Falls Short For Chieftains, 14-12

The Friona Chieftains could never seem to get the break they needed in their season opener last Friday. Visiting River Road made off with a 14-12 win in the game.

River Road controlled the first half of the game, holding Friona to only three first downs in taking a 6-0 lead.

The Wildcats jumped ahead on a pass from Butch Thomas to Ron Sauls good for 24 yards. That came with 7:53 left in the first half. A bad snap foiled the point-try by the Wildcats.

The Chieftains managed to stave off threats by the visitors in the third quarter. A good defensive stand midway through the quarter on fourth down gave Friona the ball at their own 19.

The Wildcats again drove to the Friona ten, but a personal foul penalty backed them up to the 25 and Friona again took over on downs at their 19.

Changing ends of the field didn't agree with the Chiefs.

On the first play of the last quarter, Brian Brogden tried a pass, which defensive end Gary Labrier of the Wildcats picked off and ran into the end zone for a touchdown.

A clipping penalty was called against the Wildcats on the play, but officials said it happened after the touchdown was scored. A run for two points was good, and River Road had a 14-0 lead with 11:51 left in the game.

Andre Duran returned the kickoff 13 yards to the Chieftain 48 to give Friona good field position.

A penalty against the Wildcats gave Friona new life with a first down at the R.R. 43.

Three plays later, Brogden lofted a pass toward Jeff Stowers, who had worked behind the defense. Stowers caught the ball at about the five, then dived into the end zone for Friona's first 1989 touchdown.

The Chieftains went for two points, but the defense rushed Brogden and foiled the effort. However, the deficit was cut to 14-6 with 9:40 left in the game.

Friona held and got the ball back with 6:12 remaining.

Duran made a first down with a four-yard run, and Bery Trevino lunged three yards for another with 4:09 left on the clock. Officials called for a measurement after Trevino's run, and it just made it.

On a big third down and seven from the Friona 47, sophomore Scott Houston broke loose on a 20-yard run on a trap play good to the River Road 33.

Another big play happened with 2:11 left in the game on a third and eight. Duran tried a pass that Stowers couldn't hold onto, but the Chiefs got a break when River Road was called for a personal foul, giving Friona a first down at

the Wildcat 16-yard line. Trevino burst up the middle on first down, being stopped at the Road's one. Duran then cracked into the end zone with 1:34 left on the clock and a 14-12 score.

Going for the tie, Brogden hit a wide-open Duran for an apparent two-point conversion, but the Chieftains were called for illegal procedure, calling the play back.

They tried the same play after a five-yard penalty, but Sauls

stepped in front of Duran to intercept the ball in the end zone.

It marked only the second time ever, and first time since 1979 that River Road had beaten Friona in a game at Chieftain Field, and the loss trimmed Friona's lead in the all-time series to 7-6.

"The kids played hard. We just didn't get the right breaks. I thought their touchdown (on the interception) should have come back," said Coach Tommy Moss following the game.

Heritage Society Reports On Depot

The board members of the Community Heritage Society would like for local residents to be aware that the Depot Building in the City Park is available for meetings of civic organizations and for tours by school classes and youth groups.

There is to be no charge for the use of the Depot by civic groups, and no private parties will be allowed.

There is a kitchen facility for the purpose of serving light refreshments, but groups will need to bring their own serving utensils, dishes, flatware, etc.

Those interested in using the Depot should contact Beelee Goodwin at City Hall or Lois Norwood at Ethridge-Spring to acquire the key.

The Heritage Society would also like to call attention to the new lamp posts which have been installed around the Depot and the landscaping which has been started for the beautification of the entire park.

McLain Nursery and Garden Center of Hereford did the landscaping around the posts and have donated three new trees for the park. Citizens are invited to drive by at night to view the scene while the lamps are lighted.

"This gives us a substantial beginning toward the overall beautification plan and we are especially pleased with the donations given by McLain Nursery," stated Heritage president Lois Norwood. "The plan may take several years to complete, but we are now off to a good start."

The old tile roof on the Depot building began to leak after the recent wet weather and the group has voted to spend around three thousand dollars on a new roof in order to prevent future damage to the Depot.

The Heritage Society is still seeking the donation of furnishings and artifacts which are authentic railroad and train-station items.

Club Has Luncheon Meeting

The Friona Woman's Club met September 13 at the Woman's Clubhouse.

The meeting was held during the noon hour, with a covered dish luncheon served.

Following the luncheon the members gathered for their program, presided over by Geneva Williams. Mrs. Williams led the group in the Pledge of Allegiance to open the meeting.

Eula Bradshaw called the roll with members answering with "How I Spent My Summer."

The yearbooks were handed out by Lillian McLellan.

Mrs. Williams led the group in the "Club Collect" to close the meeting.

Hostesses were Mrs. McLellan, Juanita Reed, Lora Mae McFarland and Geneva Williams. Nine members were present.

CHURCH LEADERS... Rev. and Mrs. E.E. Houlette are pictured. Houlette was the first pastor and founder of Friona's United Pentecostal Church. The church is observing its 50th Jubilee Anniversary with special services this week.

Eric Espinoza's Art Work Is Selected

Eric Espinoza, a fifth grader at Friona Elementary School, has been selected as a semi-finalist in this year's McDonald's Hispanic Heritage Art Contest, announced McDonald's manager, Yolanda Valdez of Hereford.

Art work by Espinoza, entitled "Sometimes I Dream," was one of 48 that reached the semi-finalist stage from among 4,000 entries nationwide. Elementary and junior high level students were asked to draw their interpretation of "What My Hispanic Heritage Means to Me." Espinoza entered the fourth through sixth grade division.

Espinoza's drawing was framed and displayed along with the other 48 winners at the Barnsdall Art Park, Junior Art Center, in Los Angeles on September 7 in celebration of Hispanic Heritage Week. Espinoza also received a special McDonald's recognition plaque for his winning work.

Espinoza drew "Sometimes I Dream" while a fourth grader last spring in the class of art teacher Patricia Scott. Espinoza is the second Friona Elementary student to gain the national honor. Last year, Tony Mejia of Friona was named a semi-finalist for art work he produced while in Mrs. Scott's class.

Judges for this year's McDonald's Hispanic Heritage Art Contest were nationally renowned artists Joe Rodriguez and Patti Valdez; and Susan Pertl, McDonald's art curator.

Espinoza is the son of Mr. and Mrs. Valentin (Billy) Espinoza of Friona.

Three grand prize winners were selected from among the 48 semi-finalists, one for each age division. The grand prize winner in the fourth through the sixth grade category was a student from Los Angeles, California.

Do you know you can try a hearing aid risk-free for 30 days?

You need not risk a dime on a hearing aid unless you're convinced it's the right thing for you. We give you a full 30 days to decide how well you'll enjoy hearing with a custom fit Beltone hearing aid. If you're not satisfied with it for any reason, simply return it and we'll refund the full cost of the hearing aid.

At Beltone, we're in business to help people hear better. Call us for an appointment now!

Better Hearing Through Professional Care

PUBLIC NOTICE BRIEF EXPLANATORY STATEMENTS OF PROPOSED CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION NOVEMBER 7, 1989

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the salary of members of the legislature to one-fourth of the Governor's salary and increase the salary of the Lieutenant Governor and the Speaker of the House of Representatives to one-half of the Governor's salary. The annual salary of members of the legislature, the Lieutenant Governor, and the Speaker of the House of Representatives is currently \$7,200. Under this provision, the annual salary of the Lieutenant Governor and the Speaker would be \$46,716, and the annual salary of members of the legislature would be \$23,358, based on the Governor's current annual salary of \$93,432. The increase for the Speaker and the members of the legislature would take effect when the legislature convenes for its regular session in January 1991. The increase for the Lieutenant Governor would take effect when the term of that office begins in 1991. The salary increase for the Lieutenant Governor would not make members of the legislature ineligible to run for the office of Lieutenant Governor.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to limit the salary of the lieutenant governor and the speaker of the house of representatives to not more than one-half of the governor's salary and to limit the salary of a member of the legislature to not more than one-fourth of the governor's salary."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 5 proposes a constitutional amendment that would authorize the Texas Water Development Board to issue an additional \$500 million of Texas water development bonds. The additional bonds are to be used as follows: \$250 million of the bonds are to be used for water supply loans and facilities acquisition; \$200 million of the bonds are to be used for water quality enhancement projects; and \$50 million of the bonds are to be used for flood control. The legislature may provide that \$100 million be used for subsidized loans and grants to economically distressed areas of the state for water and wastewater facilities.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the issuance of an additional \$500 million of Texas water development bonds for water supply, water quality, and flood control purposes."

PROPOSITION NO. 3 ON THE BALLOT

House Joint Resolution 51 proposes a constitutional amendment that would authorize the legislature to provide for the issuance of general obligation bonds to provide money to establish a Texas agricultural fund, a rural microenterprise development fund, a Texas product development fund, and a Texas small business incubator fund in the state treasury. The Texas agricultural fund would be used to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced in Texas by Texas agricultural businesses. The rural microenterprise development fund would be used to stimulate the creation and expansion of small businesses in rural areas. The Texas product development fund would be used to aid in the development and production of new or improved products in this state. The Texas small business incubator fund would be used to stimulate the development of small businesses in the State.

The principal amount of bonds outstanding at one time could not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise develop-

ment fund. The financial assistance offered by both funds could include loan guarantees, insurance, co-insurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations. To carry out the Texas product development fund, the legislature could authorize loans, loan guarantees, and equity investments, and the issuance of up to \$25 million of general obligation bonds for initial funding. To carry out the Texas small business incubator fund, the legislature could authorize loans and grants of money, and the issuance of up to \$20 million of general obligation bonds for initial funding.

Bonds authorized under this amendment would be paid out of the first money coming into the treasury in each fiscal year that is not otherwise appropriated by the constitution, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to provide for the recovery and further development of the state's economy, with goals of increasing job opportunities and other benefits for Texas residents, through state financing of the development and production of Texas products and businesses."

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution 13 proposes a constitutional amendment that would authorize the legislature, by general law, to exempt from ad valorem taxes property owned by nonprofit veterans organizations that are chartered or incorporated by the United States Congress.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize the legislature to exempt property of nonprofit veterans organizations from ad valorem taxation."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution 11 proposes a constitutional amendment that would provide an exemption from ad valorem taxation for goods, wares, merchandise, other tangible personal property (including aircraft), and ores (other than oil, gas, and petroleum products) if the property is acquired in or imported into the state and is destined to be forwarded out of the state, regardless of whether the intention to forward the property existed when the property was acquired or imported into the state, if it remains in Texas for 175 days or less for assembly, storage, manufacture, processing, or fabrication. The proposed amendment would authorize the governing body of a county, municipality, school district, or junior college district to prevent the exemption of this tangible personal property from taxation by taking official action before April 1, 1990. A county, municipality, school district, or junior college district could rescind a decision to tax the property, in which case the exemption would become effective in the year of the rescission and the property could not thereafter be taxed.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment promoting economic growth, job creation, and fair tax treatment for Texans who export goods to other states and nations by restoring and allowing, on a local option basis, an ad valorem tax exemption for certain personal property that is in Texas only temporarily for the purpose of assembling, storing, manufacturing, processing or fabricating."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 4 proposes a constitutional amendment that

would enable the legislature to provide, by general or special law, that members of a hospital district board may serve terms not to exceed four years. Currently, hospital district board members' terms are two years.

The proposed amendment will appear on the ballot as follows:
"Authorizing the members of a hospital district governing board to serve four-year terms."

PROPOSITION NO. 7 ON THE BALLOT

House Joint Resolution 40 proposes a constitutional amendment that would change the format of the oath of office for officeholders in this state. All elected and appointed officers would be required to take an oath or affirmation swearing to faithfully execute the duties of office and to preserve, protect, and defend the constitution and laws of the State and the United States. In addition, each elected and appointed officer would be required to sign a sworn statement that he or she had not paid, offered, or promised anything of value for a vote or to secure appointment to an office, as applicable. The written, sworn statement would be filed with the secretary of state. The information in the statement is currently contained in the oaths of office taken by elected and appointed officials.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to require that a member of the legislature, the secretary of state, and an elected or appointed officer, before assuming office, sign a written oath stating that the member, the secretary of state, or the officer did not engage in bribery to obtain the office."

PROPOSITION NO. 8 ON THE BALLOT

Senate Joint Resolution 24 proposes a constitutional amendment that would allow the legislature to authorize the issuance of up to \$400 million in general obligation bonds. The proceeds of the bonds could be used to acquire, construct, or equip new corrections institutions, mental health and mental retardation institutions, youth corrections institutions, and statewide law enforcement facilities and to repair and renovate existing facilities of those institutions. The bonds would constitute a general obligation of the state. The bonds and interest on the bonds would be paid from the first money coming into the treasury that is not otherwise appropriated by the constitution, less any amount in a sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the issuance of general obligation bonds for projects relating to facilities of corrections institutions, youth corrections institutions, and mental health and mental retardation institutions and for the expansion of statewide law enforcement facilities."

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 101 proposes a constitutional amendment that would authorize the legislature to pass laws to organize and combine state agencies that perform criminal justice functions. The legislature could combine into one or more agencies all agencies that have authority over the confinement and supervision of convicted criminals, that set standards for or distribute state funds to political subdivisions with authority over the confinement and supervision of convicted criminals, and that gather information about criminal justice administration. Agencies that could be combined would include the Texas Department of Corrections, the Board of Pardons and Paroles, and the Texas Adult Probation Commission. The amendment would also authorize the legislature to pass laws authorizing the appointment of members of more than one department of government to serve on the governing body.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to organize and combine various state agencies that perform criminal justice functions."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 4 proposes a constitutional amendment that would authorize the legislature to enact laws requiring or permitting judges to advise juries that a defendant convicted of a criminal offense can receive credit for good conduct that results in a shorter prison term and that eligibility for parole or mandatory supervision can also affect the length of time a convicted criminal serves in prison.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 102 proposes a constitutional amendment that would increase the per diem of members of the Legislature. The amount of per diem allowed during a calendar year would be equal to the maximum amount allowed for federal income tax purposes as of January 1 of that same year as a deduction for living expenses incurred by a state legislator. The per diem of \$30 would increase to \$81, which is the current maximum living expense deduction.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to set the amount of per diem received by a member of the legislature at the amount allowed for federal income tax purposes as a deduction for living expenses incurred by a state legislator in connection with official business."

PROPOSITION NO. 12 ON THE BALLOT

Senate Joint Resolution 53 proposes a constitutional amendment that would authorize the legislature to provide for the use of the permanent school fund and the income from the permanent school fund to guarantee bonds issued by the state for the purpose of providing loans or purchasing the bonds of school districts to acquire, construct, renovate, or improve instructional facilities. If the permanent school fund were required to make payment as a result of its guarantee of bonds issued by the state, the fund would have to be reimbursed immediately from the state treasury. The amount of bonds guaranteed by the permanent school fund could not exceed \$750 million unless a higher amount was authorized by a two-thirds vote of both houses of the legislature. If a school district were to become delinquent on a loan, the amount of the delinquency would be offset against other aid to which the district was entitled.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to provide for using the permanent school fund and its income to guarantee bonds issued by the state for the purpose of aiding school districts."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution 19 proposes a constitutional amendment that would provide a bill of rights for crime victims. This constitutional amendment would give crime victims the right to be treated with fairness and respect and to be reasonably protected from the defendant. On his request, the crime victim would have the right to notification of court proceedings, the right to be present at all public court proceedings unless a court determines that the victim's testimony would be affected by hearing other testimony, the right to confer with a representative of the prosecutor's office, the right to restitution, and the right to information about the conviction, sentence, imprisonment, and release of the defendant. The legislature would be authorized to enact laws to define the term "victim," to enforce the rights of crime victims, and to provide that certain public officers and agencies are not liable for a failure to protect a victim's rights.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment

providing a bill of rights for crime victims."

PROPOSITION NO. 14 ON THE BALLOT

Senate Joint Resolution 71 proposes a constitutional amendment that would require the district attorney in Fort Bend County to be elected and serve terms at the same times as criminal district attorneys in the state. Currently, criminal district attorneys are elected in gubernatorial election years and district attorneys are elected in presidential election years.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment requiring a district attorney serving in Fort Bend County to be elected and serve a term in the manner provided by general law for criminal district attorneys."

PROPOSITION NO. 15 ON THE BALLOT

House Joint Resolution 32 proposes a constitutional amendment that would authorize the legislature, by general law, to permit charitable raffles conducted by qualified nonprofit organizations. The amendment would require that the raffles be conducted, promoted, and administered only by members of the qualified nonprofit organizations and that the proceeds from the sale of raffle tickets must be spent for the charitable purposes of the organizations.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the legislature to permit and regulate raffles conducted by certain nonprofit organizations for charitable purposes."

PROPOSITION NO. 16 ON THE BALLOT

Senate Joint Resolution 34 proposes a constitutional amendment allowing the legislature to pass general laws authorizing the creation of hospital districts upon approval of a majority of the qualified voters of the district. The amendment would also permit the legislature to authorize the creation of hospital districts by general or special law in counties with populations of 75,000 or less and to authorize the commissioners courts of such counties to levy ad valorem taxes and issue general obligation bonds for the support and maintenance of such districts.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment granting to the people the right to decide whether to create and maintain hospital districts to protect the public well-being in a manner independent of the legislature."

PROPOSITION NO. 17 ON THE BALLOT

House Joint Resolution 33 proposes a constitutional amendment that would allow the legislature, by general law, to authorize the use of public money to provide local fire departments and other public fire-fighting organizations loans or other financial assistance to purchase fire-fighting equipment and to aid in complying with federal and state law. The legislature would also be allowed to authorize the use of public money for scholarships and grants to educate and train members of these organizations. Part of the money could be used for administrative costs of this program. The legislature would provide for the terms and conditions of all such scholarships, grants, loans, and other financial assistance.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment authorizing the state to provide scholarships, grants, loans, and other financial assistance to local fire departments and other public fire-fighting organizations to purchase fire-fighting equipment, to aid in providing necessary equipment and facilities to comply with federal and state law, and to educate and train their members."

PROPOSITION NO. 18 ON THE BALLOT

Senate Joint Resolution 44 proposes a constitutional amendment that would repeal subsection (e) of Article III, Section 50-d of the constitution. Article III, Section 50-d currently allows the Texas Water Development Board to issue and sell Texas agricultural water conserva-

tion bonds in an amount not to exceed \$200 million, if two-thirds of the members of each house of the legislature approve. Under subsection (e), this authority will expire in November, 1989. Repeal of subsection (e) by passage of this amendment would continue in effect the authority to issue and sell the bonds.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to eliminate certain time limitations relating to the issuance of Texas agricultural water conservation bonds."

PROPOSITION NO. 19 ON THE BALLOT

Senate Joint Resolution 59 proposes a constitutional amendment that would allow local governments to invest their funds as authorized by the legislature. Currently, the constitutional prohibition against a grant of public money to an individual, association, or corporation or against becoming a stockholder in a corporation, association, or company prevents local governments from making some kinds of investments. This proposed amendment would allow local governments to make any investments authorized by the legislature.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to authorize local governments to invest their funds as provided by law."

PROPOSITION NO. 20 ON THE BALLOT

Senate Joint Resolution 16 proposes a constitutional amendment which, if passed, would abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties. A majority of the voters in an affected county must vote in favor of this proposed amendment before the office is abolished in that county. If the office of county surveyor is abolished in any of these counties, the powers, duties, and functions of the office are transferred to a county officer or employee designated by the commissioners court of the county in which the office is abolished.

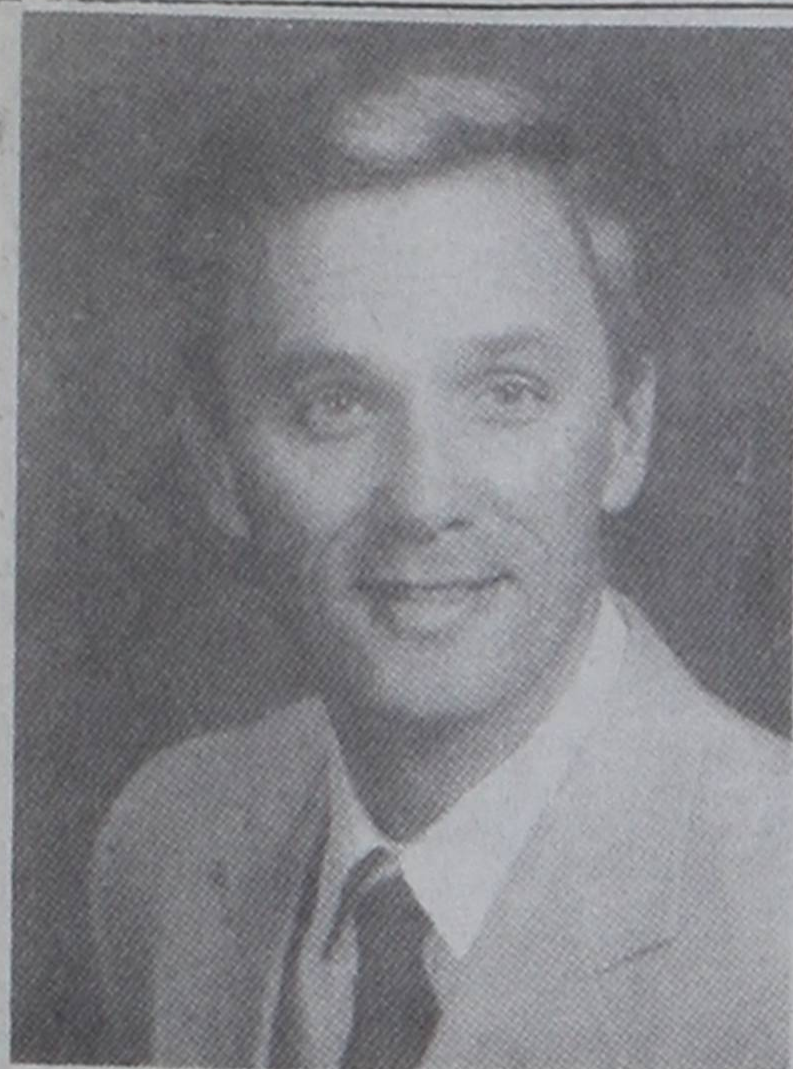

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment to abolish the office of county surveyor in Cass, Ector, Garza, Smith, Bexar, Harris, and Webb Counties."

PROPOSITION NO. 21 ON THE BALLOT

Senate Joint Resolution 74 proposes a constitutional amendment that would authorize the legislature to enact laws authorizing the Texas Higher Education Coordinating Board or its successor to provide for, issue, and sell an additional \$75 million in general obligation bonds as college savings bonds. The form, terms, and denominations of the bonds would be prescribed by law. The interest rate and installments would be prescribed by the Texas Higher Education Coordinating Board or its successor. The maximum net effective interest rate would be set by law. Proceeds from the sale of the bonds would be credited to the Texas opportunity plan fund, which is used to make loans to students to attend institutions of higher education in Texas. The bonds and interest on the bonds would be payable from the first money coming into the treasury in each fiscal year that is not already appropriated by the constitution, less the amount remaining in the sinking fund at the close of the prior fiscal year.

The proposed amendment will appear on the ballot as follows:
"The constitutional amendment providing for the issuance of general obligation bonds as college savings bonds to provide educational loans to students and to encourage the public to save for a college education."

Estos son los informes explicatorios sobre las enmiendas propuestas a la constitución, que aparecerán en la boleta el día 7 de noviembre de 1989. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/252/8683 o por escribir al Secretario de Estado, P.O. Box 12060, Austin, Texas 78711.

JIM ECKMAN

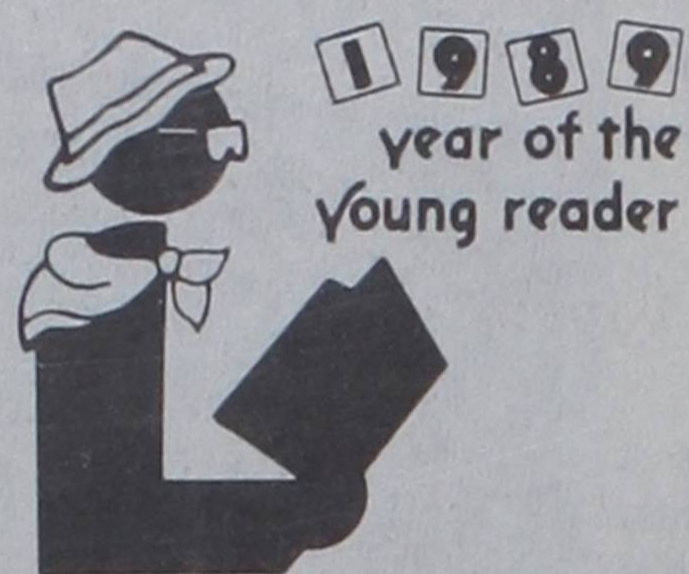

Church To Host Series Sept. 17-20

The public is invited to attend a special Gospel series on the book of Ephesians, September 17-20 at the Sixth Street Church of Christ in Friona.

The guest evangelist, Jim Eckman, hails from Altus, Oklahoma. Eckman has preached in campaigns in England, Ireland and Scotland, as well as preaching throughout Oklahoma and Texas.

Service times are as follows: Sunday, September 17, 9:30 a.m., 10:30 a.m., 2 p.m. worship (noon luncheon-Junior High Cafeteria); Monday-Wednesday, September 18-20, 11:30 a.m.-12:30 p.m., luncheon and devotional; 7:30 p.m., worship.

Lots could be said concerning literacy and illiteracy and since 1990 is officially going to be the "Year of Literacy," we will probably be hearing a lot of information about both subjects.

If one is illiterate, one needs to take immediate action to remedy that situation. If one is literate, however, one has the responsibility to grow intellectually or at the very least not to allow oneself to stagnate.

One of the best, most entertaining ways to practice one's literacy is to READ. Reading newspapers, books, magazines, etc., something to exercise one's mind is a skill one should hone. One of the interesting benefits of reading is increased vocabulary.

How many of us while reading have come across new words? The following words have all come from novels--some western, romance, science fiction, historical and general fiction; how many do you recognize and can you figure out which came from what?

Absquatulated--took very sudden leave; **appurtenances**--rights attached to principal property rights and passing in possession with them; **avuncular**--suggestive of an uncle especially in kindness or geniality; **aerie**--an elevated dwelling, structure or position; **expostulation**--the act of reasoning earnestly with a person for reasons of dissuasion.

Emulous--ambitious to equal or excel; **punctiliousness**--the act of being concerned about precise exact accordance with details of codes or conventions; **recalcitrant**--

obstinately defiant of authority or restraint; **opulent**--exhibiting or characterized by great wealth; **miasma**--vaporous exhalation formerly believed to cause disease.

During the last two months of summer, we loaned 4,788 items to 1,937 patrons and registered 25 new patrons. We have loaned 45 items on the interlibrary loan while we borrowed 66 during the same period. Final totals for the Summer Reading Program, "Creature Features," were 271 participating and 109 receiving certificates.

New on the bookshelf:
Fiction--**Good Intentions** by Joy Fielding; **Bridesmaid** by Ruth Rendell; **Blessings** by Belva Plain; **Confession of Joe Cullen** by Howard Fast; **Grass Roots** by Stuart Woods; **Clear and Present Danger** by Tom Clancy; **Silver Wedding** by Maeve Binchy; **Old Silent** by Martha Grimes; **Naked Once More** by Elizabeth Peters; **Death and the Chaste Apprentice** by Robert Barnard.

Non-fiction--**No Name on the Bullet** (biography of Audie Murphy) by Graham; **Good Times** by Russell Baker; **Sins of the Father** by Taylor; **Food Pharmacy** by Carper; **Growing Up Happy** by Bob "Captain Kangaroo" Keenan.

Library materials have been donated by Lunell Horton, Zora Gaede, Heath and Coby Patterson, Martha and Charles Russell, S.S. Pritchard, Roxie Phipps, Melba Allen, Buford Hartwick, Steve Pierson and Terri Cox.

Memorial donations have been made by Cass and Marie Perkins

to COTTON HOUSER; Bill Stovells to ARMA COFFMAN and JAKE TUNNELL; and Galen Jacks to JACK MCGOWAN.

School Lunch Menu

WEEK OF SEPTEMBER 18-22
MONDAY--chicken strips, green beans, potatoes, gravy, hot rolls, cake and milk.
TUESDAY--corn dogs, blackeyed peas, carrot sticks, crackers, Jello and milk.
WEDNESDAY--Frito pie, pinto beans, lettuce, tomatoes, cornbread, cake and milk.
THURSDAY--chili, beef stew, mixed vegetables, crackers, fruit, cookies and milk.
FRIDAY--barbecue on bun, baked beans, buns, fruit and milk.

Pet Corner

Friona Animal Humane Society (F.A.H.S.) needs a home for two cute small puppies that were found abandoned on the highway--about two months old. Call 247-2345 for information.

A reminder from F.A.H.S.--winter is approaching. Your pets will need a warm, dry shelter and lots of fresh food and water. Please use this time before the weather gets too bad to winterize your pet's quarters.

ROOFING SPECIALS

NEED A NEW ROOF ?

Let me stop that roof from leaking and damaging your property.

I CAN GUARANTEE IT!

An investment in Your Future

ATTEND CHURCH

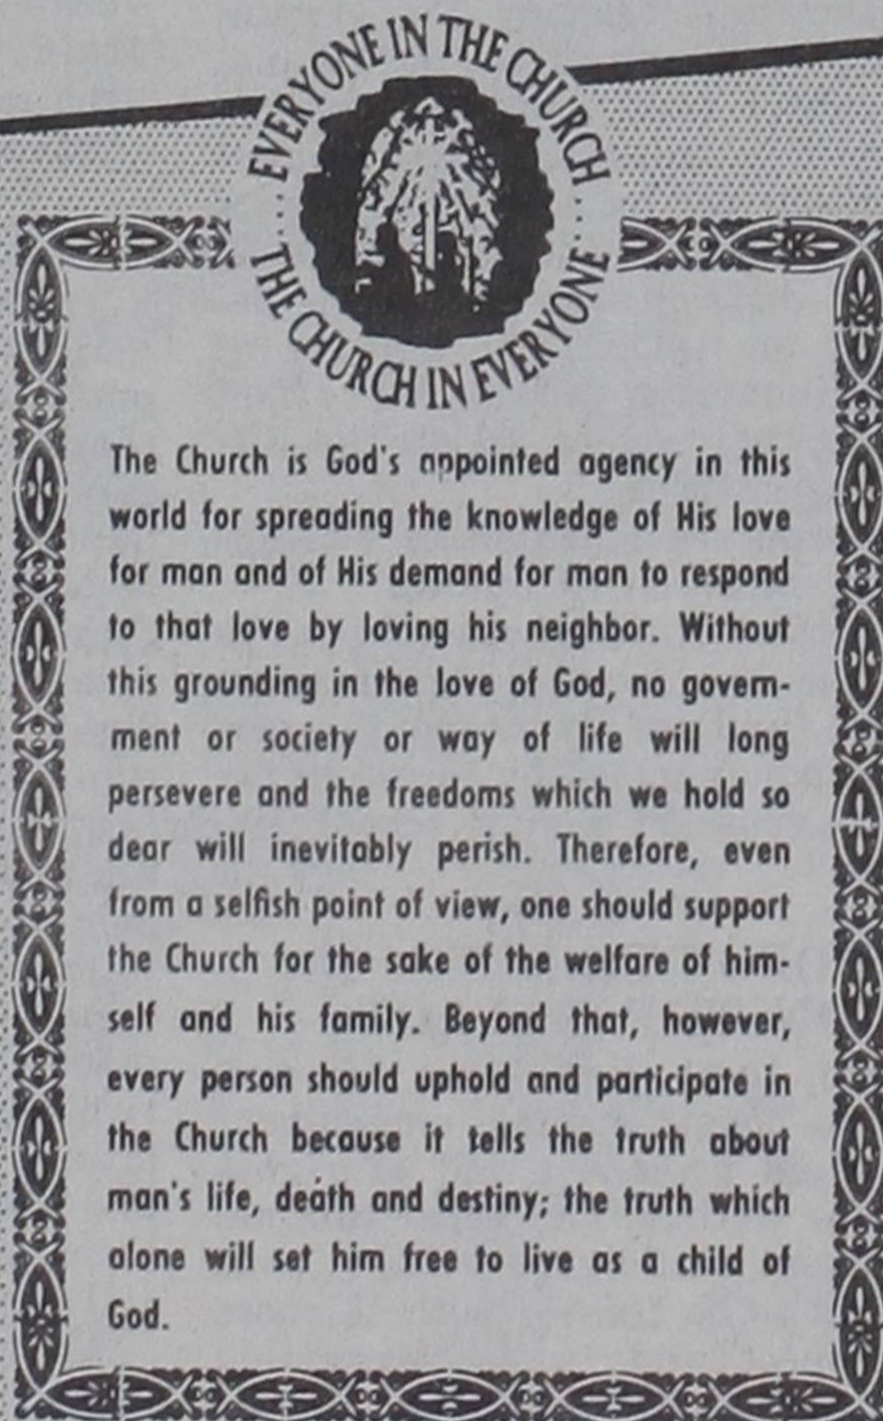

"For where your treasure is, there will your heart be also"

The STRENGTH of a Nation...

At this time, our thoughts are turned to our nation and the war that was fought to bring freedom to our land. Pictured here is a monument to the leader of our people at that time. The people were willing to give their lives that we might be free from tyranny, and have the right to worship as we please. God was with us then as he was with the children of Israel when Moses led them from Egypt. Upon receiving their freedom they sang... "The Lord is my strength and song, and he is become my salvation: he is my God, and I will prepare him an habitation; my father's God, and I will exalt him." Exodus 15:2

Help keep our Nation strong by relying on the strength of the Lord. Attend Church Regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Town Talk

By Geneva Williams

Call 247-3249 With Your News Item

Rain, rain go away--come back another day--or just how does this little rhyme go? It has been a long time since I have said "enough."

But the moisture has been so nice and just think--it did wait until Maize Days was over and we have to be thankful for that, as well as the benefit to our country. I am sure some of the crops could have done without it, but we can't have it both ways.

One of the nicest rewards of writing Town Talk is getting to share the joy each of you have with your trips, visitors, or the good times that you have and this week has been one of those special weeks for just such things.

Inez Rule called to share her trip with Alta Collier and Zaydee Veetch. These ladies drove to Cheyenne, Oklahoma for the first family reunion of Inez's family in four years. Alta and Inez are cousins so this made it a closer time, and Alta and Zaydee had lived at Cheyenne, Oklahoma before moving to this area.

There were fifty-plus people in attendance and Inez said they just ate and visited and visited and ate until they had nothing more to talk about or any more food to eat.

Her brother, Buddy Allen from Tacoma, Washington, came for the first time in these four years. Others present were Jackie Wright, Durham, Oklahoma; Delores Blundell and family from Dumas; Doyle Wright, Ft. Smith, Arkansas; and Joyce Bivins and family of Cheyenne, Oklahoma. There were four generations present. I hope they made a lot of pictures and I'll bet they did.

Alta Collier enjoyed a nice visit to Portland, Oregon, Tacoma, Washington and Trulock, California. She and a friend, Pearl Holiday, enjoyed this trip.

Alta flew to Pearl's and they drove on to visit Alta's sister, Susie at Portland, Oregon, and her brother, Buddy Allen at Tacoma, Washington.

Athelea and Otis Neel had a BIG

Happy 21st!

surprise last weekend. All of their children arrived unannounced Saturday morning prepared with barbecue dinner and everything that they needed for a full day's visit.

Athelea said she was never so surprised and could not believe her eyes but enjoyed every minute of it.

Those coming were Dale Neel, Broomfield, Colorado; Gerald Neel, Lakewood, Colorado; DeWayne Neel, Confer, Colorado; Kay Neel, Stinnett; and Paula and Larry Fairchild from Adrian. They had Saturday and Sunday with their children and enjoyed the surprise.

Then Paula called Town Talk to give us the news and when I told her that her mother shared this with us, she could not believe it but she wanted us to know about it. And thank you, Paula, for the kind words you had for me. I appreciate them. It was a delight to hear the joy in Athelea's voice. She was still enjoying your visit. Come again.

Eula Bradshaw enjoyed a Cook family reunion with her seven sisters and other kin. Her sister, Viola Jarret and her son and wife, Alton and Alvin Fox from Tulia came to Friona and Eula went with them to Deming, New Mexico.

This reunion was attended by over fifty people and was held at Camp Thunderbird, N.M. which is a resort area in the mountains. This sounds like the perfect setting for such a gathering. Eula tells me that everything is furnished and the food is furnished for you. What else could you ask for?

The Cook family has met there for several years. Others attending were Irene Howeth, Wilcox, Arizona; Opal Floyd, Deming, N.M.; Sylvia Mauldin, Deming, N.M.; Hester and Stoney Walker, Deming; Frankie and L.A. Hayes, Deming and Willie and Lindsey Cohorn, Wilcox, Arizona. It is such a treat to meet and renew kinship and recall past memories.

Betty Louise and Lloyd Rector enjoyed Mr. and Mrs. Ray Moore and Mr. and Mrs. Jim Campey, Amarillo; Mr. and Mrs. Cal Cash, Farwell and Granny Cochran, Bovina. The days were spent playing games and visiting.

Lloyd and Betty Louise and Mr. and Mrs. Cal Cash went to Lovington, N.M. to visit with Mr. and Mrs. J.D. Humphries; Mr. and Mrs. May McCracken and Mr. and Mrs. Ed Walker, all of Lovington.

They all spend the winter months together and Betty Louise said she was about ready to start packing to get out of this cold damp weather, but she had to stay around a few more days and maybe it would warm up--and it will.

We have always said that if you did not like the Panhandle weather just stick around a little while. It will change.

Frances Euler attended the justice of peace three day meeting at the Harvey Hotel in Amarillo. Some 120 other J.P.s attended this meeting, also. Frances said the nicest part of it was getting to visit with her daughter, Lori and Bill Frederick and grandsons, Kristofer

and Jonathan.

The Melvin Hassenpflug family gathered at the Clay and Tamela Bandy farm for a reunion and this was the first time for this family to be together in six years. So you know they had a lot of talking and visiting to catch up on.

Those attending were Melvin and Ruby Hassenpflug, the father and mother; Paula and Mike Wilson, Eddie and Jackie Wilson, Friona; Tamela, Clay, Joseph, Valerie and Adam Bandy; Erick, Chris, David, Stephen, Robbie and Michel Alexandra, Hereford; Tim, Carol, Andrea and Vanessa Lyons, Tulsa, Oklahoma; Mike, Anita and Kevin Lyons, Hereford; Mel, Linda, Doug and Sarah Hassenpflug, Cover D'Alene, Idaho.

I enjoyed the Class of 1939 reunion and I am sure you will read a full story on this elsewhere in the Star. It was my pleasure to drive Earl and Louise Euler Mangold and Lawrence Lansdown out in the old countryside where we grew up and recall old memories.

Lawrence brought us up to date on the Lansdown family. We were sorry to learn of the death of Hilton Lansdown about a year ago at San Angelo. Lawrence was one of the "speed runners" for Friona High School back in 1933.

I enjoyed visiting with the local people who were at the class reunion but especially the out-of-town friends, Mildred Garret Turner and husband; Clyde and Jerry Sherrieb, Amarillo; Maxine and Ralph Price, Amarillo; June Chapin Jones, Amarillo; Raymond Baker, Amarillo; Bruce Coleman and his brother and Doug and Tina Short, Hereford, and I am sure I have missed others but they will be in the full story.

It is nice to visit with classmates and recall the good old days at Friona High School. Those who live here and did not go missed a good time.

Our friend, Mary Roberts, Porter Roberts' mother, had the misfortune of breaking a hip recently and is now in the Farwell convalescent home. Mary, we wish you a speedy recovery and that you will be back home soon. I am sure Mary would enjoy cards from her friends.

Fall is here. This is evidenced by all the school activities, the Maize Days celebration and Wednesday Friona Woman's Club held their first meeting of the new year. From the reports from each of those present we have all been pretty busy during the summer and each of us is ready for the activities ahead.

On Saturday, September 23, Viola Gonsler will be celebrating her 102nd birthday at the home of Ralph and Dean Broyles, from 2-5 p.m.

Congratulations to this centenarian and many happy returns!

Again, thanks to each of you for your words of encouragement about Town Talk and you sharing your joys with us. Continue to call -247-3249--and we will be glad to share your joys.

Marvine Smith, Hal Blackburn Are United In Church Ceremony

Marvine Renya Smith of Lubbock and Hal Dean Blackburn of Carlsbad, New Mexico exchanged wedding vows Saturday, August 19 at 7 p.m.

The ceremony was performed by Gary Walker of Lubbock in Lubbock's Sunset Church of Christ.

The bride is the daughter of Marvin A. Smith of San Lorenzo,

California and Verna L. Smith of Lubbock.

The bridegroom is the son of Dean and Anna Jo Blackburn of Friona.

The altar was decorated with a heart archway interwoven with grapevine. Candleabras flanked each side of the archway with baskets of white silk gladiolas. A unity candle, designed by the

bride, was set in the center of the archway.

The Carlsbad Youth Group sang "Longer." Ken Young of the Sunset Church of Christ, presented musical selections in a four part harmony. Songs he sang were "If," "One Good Woman," "Wedding Song," "He Has Chosen Me For You," "Father's Blessed Union," "Oh Perfect Love," and "Hallelujah."

Dean Blackburn escorted the bride down the aisle. Both the bride's and groom's parents presented her in marriage. She wore a formal length white satin gown featuring a traditional neckline and full length sleeves. The bodice was adorned with lace pearls and sequins. The basque waistline allowed the full ball gown

skirt to fall to the floor and form a cathedral length train. The back of the gown featured a soft candy box bow at the hip line and bellowing beneath the bow. Chantilly lace adorned with pearls and sequins formed the train.

She wore a tierra band of crystals, pearls and sequins. A soft illusion veil completed her wedding attire.

The bride carried a cascading bouquet of primrose and white rosebuds. Pearl sprays, satin bows and tulle were scattered throughout the entire bouquet. Satin and pearl streamers fell from the bouquet.

The groom wore a white tuxedo with tails, white shirt, mauve bow tie, mauve cummerbund and a small primrose rosebud boutonniere.

Faith Williamson of Portland, Oregon, cousin of the bride, served as maid of honor. Bridesmaids were Shelly Nicks of Amarillo and Christy Basham of Lubbock.

The feminine attendants wore mauve taffeta dresses with pearl necklaces and earrings, gifts from the bride. They each carried small candle holders with mauve flowers.

Eddie Allen of Canyon, cousin of the groom, was the best man. Groomsman were George Rivas of Lubbock, brother-in-law of the bride, and Rodney Allen of Hereford, cousin of the groom.

Serving as ushers were Bobby Zetsche, Gary Rector and John Seright, all of Lubbock, Law Domasig of Anton, Scott Tiner of San Diego, California, Robert Russell of Muncie, Indiana, Steve Mass of Hartshorne, Oklahoma and Charles Linsex of Carlsbad, N.M.

Landon Mapes of Tulare, California and Ben Welch of Carlsbad, N.M. were junior groomsmen.

The male attendants wore pearl grey tuxedos, white shirts, mauve bow ties, mauve cummerbunds and small primrose rosebud boutonnières.

Jordan Rivas, niece of the bride and daughter of George and DeAnna Rivas of Lubbock, served as flower girl. She wore a mauve satin floor length dress. The off-the-shoulder bodice was decorated with bows on each shoulder. The balloon sleeves had a bow on each sleeve. A large bow was on the back waistline. She wore a tiny heart necklace, which was a gift from the groom's mother.

Joey Cummings of Carlsbad, son of Bennie and Pam Cummings, was the ring bearer. He was dressed identical to the other male attendants.

Candles were lit by Shelly Nicks of Amarillo and Christy Basham of Lubbock.

The reception was held in the Fellowship Room of the church.

Katie Welch of Carlsbad, N.M. presided at the registration table.

The white four-tiered wedding cake was decorated with mauve silk flowers and was outlined with ruffles. A white lacy basket with mauve and white silk roses

Mrs. Hal Blackburn

centered the table.

Dawn Woods of Anton served the wedding cake. Punch and coffee were served by Mary Curry of Lubbock. Assisting at the reception were Cara and Sarah Howard of Kenner, Louisiana, Jennifer Anella of El Cajon, California, Sarah Mapes of Tulare, California and Dixie Smith of Amarillo.

Following a wedding trip to Hawaii, the couple is making their home at 201 South Lake, Carlsbad, N.M.

The bride is a 1982 graduate of Tulare Union High School in California. She has been employed for the past four years at Famous Brands Shoes in Lubbock.

The bridegroom is a 1976 graduate of Friona High School and a 1980 graduate of Lubbock Christian University. He is now employed as a youth and family minister at Fox and Lake Church of Christ in Carlsbad.

Out-of-town guests attending the wedding ceremony were from Austin, Corpus Christi, Fort Worth, Springtown, Paris, Midland, Amarillo, Canyon, Hereford, Friona, Farwell, Abilene, Anton and Lubbock, Texas; Tulare, Lindsey, Malibu, San Diego, San Lorenzo and El Cajon, California; Portland, Oregon; Cortez, Colorado; Muncie, Indiana; Kenner, Louisiana; Hartshorne, Oklahoma; Albuquerque, Las Vegas, Lovington and Carlsbad, N.M.

REHEARSAL DINNER

The rehearsal dinner was hosted

by the groom's parents. Bigham's Smoke House catered the meal which was held in the Fellowship Room of the Sunset Church of Christ. About seventy people attended.

Prerequisite parties included a bridal shower July 9 in the home of Mrs. Geneva Stanley in Friona.

A bridal shower was held in the home of Mrs. Velda Suffridge in Lubbock on August 12.

A Home Interior party was given in the home of Robin Boudreau in Lubbock on July 15.

A shower and wedding reception is scheduled to be held in Carlsbad on September 17.

IKE STEVENS

Module XXV: A Strong World Economy

Since 1970, the gross national product of the world has increased six times. Much of this growth comes from the Far East. The economies of Hong Kong, Korea, Singapore and Taiwan have added to the prolific economy of Japan.

It's predicted that by 1992, the nations of Europe will enjoy free trade across their borders. All this, plus the Soviet Union's re-evaluation of its economic policy, has economists talking about global economic growth. This could mean not only opportunity abroad for U.S. investors but also increased participation in our security markets by foreign investors.

Currently, the interest of international investors seems to center equally between in North America and Japan. One international money manager shows 75 per cent of its equity allocations divided equally between North America and Japan. The balance is shared by Europe and the United Kingdom.

Although some may disagree with this emphasis, there's strong evidence that Japan still offers a profitable investment alternative for U.S. dollars.

Dunedin Fund Managers Limited, a 115-year-old international investment adviser firm, gives arguments to support this position. Although the top 30 or so companies on the Tokyo Exchange may be richly priced as to earnings, the majority of Japanese companies sell at a reasonable price relative to their growth.

Today, Dunedin points out, Japan is one of the world's wealthiest nations. It's still, however, a developing country. The standard of living in Japan lags behind that of the United States. In the near future, Dunedin sees increased internal expansion in Japan such as shopping centers and retail organizations to supply

manufactured goods nationwide. Tremendous growth is predicted as Japan's consumers begin to spend.

Japan also enjoys a unique cooperation among government, business and banking. This is an important ingredient to any nation's economic success and a key factor to Japan's long-term growth.

For these reasons, Japan continues to attract U.S. investors. On the other hand, Japan's market is still 97 per cent owned by Japanese. Although this offers enormous foreign investment potential in Japan, it also has Japanese investors looking for diversification outside their country. The United States seems to be the most attractive choice at this time.

According to a recent report in *Forbes* magazine, U.S. stocks trade at about one-fifth the earnings multiple of Japanese stocks. This doesn't contradict Dunedin's finding because they relate Japan's current price/earnings to projected growth more than current earnings.

Although the Japanese own about \$150 billion in U.S. Treasuries and other fixed-income securities, they own only a surprising \$20 billion in U.S. stocks. Japanese interest in U.S. stocks increases as the U.S. dollar stabilizes. *Forbes* states that Japanese sentiment "is veering toward the view that the current 129 yen to the dollar is close to bottom, removing currency risk from U.S. investing."

The United States is no longer a one-nation economy. As world economies become more interrelated, investment opportunities open up abroad for U.S. investors. At the same time, new foreign interest in our economy creates a greater demand for U.S. stocks.

Foreign interest and a stable U.S. dollar is a combination that could make the 1990s a happy time for alert investors.

Club Tells Photography Winners

The photography show during Maize Days, sponsored by Modern Study Club, was a tremendous success. Following is a listing of the categories judged by Don Spring of Bovina in order of their placings:

Windmills--1. Larry Schilling; 2. Larry Schilling; 3. Larry Schilling. Black and white--1. Lisa McLellan; 2. Alan Clark; 3. Lisa McLellan.

Monuments--1. Nellie Pearl Shelton. Seascapes--1. Lewis Gore; 2. Winfield Davenport; 3. Lewis Gore.

Bird life--1. Larry Schilling; 2. Larry Schilling; 3. Larry Schilling. Nature--1. Cordella Jeter; 2. Nita Clark.

Action shots--1. Nellie Pearl Shelton; 2. Cordella Jeter.

Historical landmarks--1. Ralph Thurman; 2. Ralph Thurman; 3. Ralph Thurman; 4. Trisha Teel.

Sunsets--1. Ralph Thurman; 2. Winfield Davenport; 3. Winfield Davenport; 4. Winfield Davenport. Floral--1. Larry Schilling; 2. Lewis Gore.

Landscapes--1. Nita Clark; 2. Ralph Thurman; 3. Ralph Thurman; 4. Ralph Thurman.

People--1. Donna Mears; 2. Donna Mears; 3. Elizabeth Peak; 4. Donna Mears; honorable mention, Donna Mears.

Graphic designs and special effects--1. Larry Schilling; 2. Winfield Davenport; 3. Alan Clark.

Animals--1. Trisha Teel; 2. Winfield Davenport; 3. Nellie Pearl Shelton; 4. Julie Goddard; 5. Shelia Teel.

Agriculture--1. Kitty Gallman. Rustic scene--1. Larry Schilling.

Antiques were more for display than judging. The judge presented blue ribbons to all the photos brought by Betty Louise Rector and Nellie Pearl Shelton.

The "Best of Show" honor went to Larry Schilling for an enlargement of a Bird of Paradise bloom on a black background.

Sandra Spring, Michael O'Loughlin Are United In Church Ceremony

Sandra Lee Spring and Michael Thomas O'Loughlin were united in marriage Saturday, September 2 at 2 p.m. in the First United Methodist Church, Friona.

The bride is the daughter of Anne Spring and the late Dr. Lee Spring.

The groom is the son of Mr. and Mrs. Tom O'Loughlin of Miami, Texas.

The double ring ceremony was performed by Reverend T. Ewing, pastor of the Friona church.

The altar was decorated with ivory candles in a heart-shaped candleabra with branching candleabra on both sides entwined with greenery to carry out the bride's colors of ivory and green. Bouquets of ivory roses, daisies and mums were placed on each side of the altar and an ivory unity candle holder was set to the left of the altar. Pews were decorated with greenery and ivory bows.

Johnnie Walters, church organist, friend and bride's piano teacher, played a wedding prelude prior to the ceremony.

The best man, Dwayne Zinn of Houston, friend of the groom and groomsmen, Matthew O'Loughlin, brother of the groom,

also carried out the duties of ushers and candle lighters. They wore black tuxedos, ivory shirts and green ties and cummerbunds.

Both mothers were escorted to their seats by the bridegroom.

The bride was escorted to the altar by her uncle, Frank A. Spring of Friona. She wore a dress of ivory chiffonette with sheer high neckline decorated with beaded embroidery, ivory satin ribbon and lace accenting the bodice, poufy ballroom sleeves with lace ruffling, a chapel length train with sheer

flounce topped with lace and ruffling edged the hem.

Her elbow length veil was attached to a pearl and beaded Juliet cap.

Her cascading bouquet consisted of ivory silk roses, daisies and mums.

Her dress was new, her garter blue, she borrowed her mother's pearl necklace and "something old" was her mother's 1832 gold dollar. She also carried pennies minted in the years of the couple's birth.

Maid of honor was Sylvia Anne (Gigi) Spring of San Antonio, sister of the bride.

Bridesmaid was Brenda Seright Newman of Lubbock, friend of the bride.

Both wore tea length dresses of dark green moire, princess style with puffed sleeves and sweetheart necklines. Their shoes matched the dresses and they carried a single ivory rose with green ribbons.

Amanda Lee Spring, four-year-old daughter of the bride, was the flower girl. She wore a full length replica of the bridesmaid's dress and carried a basket of ivory flowers.

During the ceremony, Jim Parker, choir director, sang "I'll Still Be Loving You." Mr. Parker and Susan Weiland of Canyon sang a duet, "To Me." During the lighting of the unity candle, Mrs.

Weiland sang "The Lord's Prayer."

During the ceremony, the bride presented both mothers with a rose and a kiss.

The reception was held in the Fellowship Hall of the church where the bride's wedding portrait was displayed. This was the gift of the bride's photographer cousin, Don Spring of Bovina.

The tables were covered with ivory cloths and decorated with greenery. The bride's table held a three-tiered Italian cream cake decorated with ivory flowers and green leaves to match the centerpiece of ivory roses, daisies and mums.

The groom's table held a tray of mixed vegetables and dip and a German chocolate cake. The "Stars and Stripes" flew over a military hat belonging to the bride's father. This was in honor of the groom's chosen career in the United States Army. Mixed fruit punch and coffee were also served.

Helpers at the bride's table were Romalee Rector Mooring and Joyce Melton Nichols of Amarillo and Christy Horn of Canyon. At the groom's table were Karma Hancock of Canyon and Kristy Wicker of Amarillo. Johnnie Battey was in charge of catering.

Julie Beth Bracken, friend of the Springs, caught the bridal bouquet. She also registered guests.

Stanley Ellis of Lubbock caught the bride's garter.

Wedding bells filled with bird seed were handed out and the couple was showered with the contents as they left the reception for a short trip to Red River, New Mexico.

The groom will return to Fort Stewart, Savannah, Georgia, where he is serving in the U.S. Army.

The bride will remain in Canyon, Texas until Christmas, when she will receive her teaching

SANDRA LEE SPRING O'LOUGHLIN

degree. She will then join the groom in Georgia.

REHEARSAL DINNER

The rehearsal dinner was held Friday evening, September 1 at K-Bob's of Hereford and was hosted by the groom's parents, Tom and Beverly O'Loughlin of Miami, Texas.

A bridal shower was hosted August 26 in the home of Mrs. Nancy Edelman. Other hostesses were Carol Ellis, Lunell Horton, Winifred Hurst, Rosemary Melton, Tommie Mercer, Lois Norwood, Libby Procter, Martha Mae Pruett, Sue Rector, Sue Smith

and Johnnie Walters. Mixed fruit, pastries and fruit punch were served at the brunch.

A lingerie shower was held August 28 in the home of Christy Horn of Canyon.

A bridesmaids' brunch was hosted on the wedding day by June Spring and Ethel Ruth Spring, aunts of the bride, and Lilah Gay Gee, friend of the Springs. Egg and sausage casserole, fresh fruit and miniature cinnamon rolls and muffins were served with orange juice and coffee.

The male members of the party had a Mexican food lunch at Diana's Cafe, hosted by Frank Spring.

Jail-A-Thon Is Successful

The Parmer Unit of the American Cancer Society announces that the Jail-A-Thon during Maize Days was a big success! A total of \$1,430.50 was raised by this effort.

The American Cancer Society uses the funds to educate the citizens of Parmer County about cancer, to help care for cancer patients in the county, and nationwide, a huge amount is spent for cancer research.

The ACS chapter relayed their thanks to all the "wanted" men and women: Betty Chaney, Larry Rogers, Ron Smiley, David Barnett, Baker Duggins, Coach Kenny Austin, Dr. Dale Schueler, Danny Kendrick, Dee & Dale, Ted Procter, Evelyn Hughes, Danny Black and Rev. Charles Broadhurst.

Some of them were escorted to jail at the Community Center on Saturday following the barbecue by "Sheriff" Cecil Maddox, and his "deputies" Mike Riethmayer and Vergil Ichtertz.

"Our thanks to them also, and to our auctioneer, Larry Potts, who helped them get out of jail. We appreciate the spirit of this community for their participation in this event," said Lois Norwood, spokesperson.

The next meeting of the Parmer Unit will be held at Cora's Restaurant at 12 noon on September 28. All interested persons in Parmer County are invited to attend.

Prairie Acres Party Line

By CAROL COLE

The cold did not stop our residents from attending the Maize Days parade. We had to watch from the inside of the van and cars, but this did not keep them from enjoying the parade, either. They all agreed they had a "wonderful" time.

We have a long list of thank you's this week. We thank each and everyone of the following for their generous donations: Rita Bussanmas, the Acteens from the First Baptist Church, Irene Thorn, Beulah Miller, everyone who helped with the tree project, the names are so numerous and if I forgot to mention someone I would feel bad about it, so thanks to each of you very special people, and to Joyce Veazey. We also want to thank all the hair care ladies and the churches for all their time and dedication to our home.

Our expansion isn't far away now. Bids have been opened and our board and city council will be deciding next week. We'll let you know in next week's paper when the "big event" will begin.

Prairie Acres needs you! In short, what we need is just a little tiny bit of your time and talent and we know there are some real talented people out there. If you have a simple craft talent, a musical talent, if you would like to join our hair care ladies, if you would like to read short stories to our residents.

We would really appreciate any and all volunteers. There is not an age limitation in as far as volunteers for our home. Babies, toddlers, teens, adults and senior citizens are all welcomed and appreciated.

Thanks to Friona State Bank and Wyona Clark for the birthday flowers for our residents. Flowers always bring the "outside to the inside" for many of our residents who can't enjoy the beauty of the outdoors.

It is one of the most beautiful compensations of this life that no man can sincerely try to help another without helping himself...Emerson.

Happy Birthday

WEEK OF SEPTEMBER 16-22

September 16--Angela Kube, Brandon Petree, Marie Sanders, Sarita Gay Reeve, Ronald Walker, Mark Anthony, Jean Hamilton, Brian Blackburn.

September 17--Pamela Bauer, Sharon Black, Mike Hutson, Hank Duke.

September 18--Sue Smith, Jonathan Espinoza, Hollis Horton Jr., Charles Ray Widner, Christy Allen, Jessie Gonzales, Amanda Gonzales.

September 19--Shirley Schueler, Cleo Gauna, Lupe Guerra, Betty Louise Rector, Milli Dixon, Sharlene Kimbrell, Toni Chapman.

September 20--Thelma Butler, Chris Alexander, Cathy Mast, Ryan Chance Hutson, J.P. Ready, Kynell Sue Fithen, Clair Osborn, Landon Martin, Maegan Ingram.

September 21--Gail Sifford, D.L. Harguess, Christopher Fallwell, Jeannie Mendoza.

September 22--Debra Baxter, Kyle Cummings, Aimee Renner, Casey Renner, Delton Lewellen, Judy Fleming.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon.

Running stocker calves on wheat pasture?

Now, more than ever,
IVOMEC® can build your profits.

(ivermectin)

At this year's beef prices, every pound you put on your calves is worth good money. And with IVOMEC® (ivermectin) you can put on plenty of extra pounds.

Whenever you have cattle on pasture, you're bound to have parasites. And if your calves have been sold and resold before shipping, you can't know what parasites they've picked up. And parasites steal weight.

But one shot of IVOMEC kills 31 different kinds of parasites—more than twice as many as TRAMISOL® and WARBEX® combined.

IVOMEC kills mature and immature worms, so you don't have to use it again in a couple of weeks. And IVOMEC gets external parasites, too. It does it all with just one simple shot under the skin. No wrestling. No Mess. No stress.

So go with your best shot.
Get IVOMEC.

Football Contest

CONTEST RULES

1. Pick the winner of the 20 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
2. Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
3. Bring your entry blank by the Friona Star or Bi-Wize Drug by 6 p.m. on Friday. Entries mailed must be postmarked by Friday and must be received in the Star office by the following Monday.
4. The leading contestant at the close of the contest will receive \$100 cash as grand prize.
5. Only one entry per person.
6. To count for the grand prize, entries must be on official blank printed in the paper.
7. Contestants must be 12 years of age or older.
8. Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.

CASH PRIZES

1ST \$10 - 2ND \$7.50 - 3RD \$5

GRAND PRIZE \$100
