On Monday and Tuesday of last week, sixteen bank customers picked at random, received a surprise gift certificate from one of the local restaurants in Friona, so they could take their "sweetheart" out to eat on Valentine's Day. The winning customers were chosen at random as hearts were inserted in "winning" deposit slips. Ramonda Martinez of Hereford also was a winner, but his picture did not turn out. Congratulations to all of our Valentine winners!!

Angler's Corner

By M.D. McCALLUM

An often overlooked but invaluable tool in an angler's tackle box is the fishing line. The only link between you and the fish, perhaps a trophy of a lifetime, is just as important if not more so than the rod and reel itself. So what? A grasp of the obvious you say?

Well...go get one of your rod/reel combos, open the bail or punch the button and pull slack into the line. Does it coil like a stretched spring or does it lay straight and untwisted? Chances are it will coil in nice little loops all the way to the floor and if it does, you have inadvertently stacked the odds against you should that trophy fish come along.

I know that some people have fished with the same line again and again, never losing a fish. Others have landed monsters on line that's older than two dollar bills, but the fact remains that it could give out on you at a critical moment. Casting distance is also drastically decreased by the friction of the coils through the lineguides on the rod.

A decent quality monofilament line is not only strong, but casts well and is economical. Purchasing bulk spools will save a little money. In fishing line as with most tackle, price is directly related to quality in most name brands.

When respooling, try to keep twists out of the line. There are several spooling devices under \$20 for sale in tackle shops and mail-order catalogs that help eliminate twist and make respooling a snap.

The frequency of respooling is something you will have to determine for yourself. Some anglers respool after every outing, others when the line starts coiling.

A common misconception of a line's test weight is that one should be able to catch a six pound fish on a six pound test line. As most experienced anglers know, the breaking point has to do with the amount of force extended by the fish.

This also highlights the importance of the drag setting or it would simply be impossible to catch a ten pound bass on six pound line should the bass decide to make a hard run.

If you're serious about your fishing or just want to control as much of the variables as you can, replacing fishing line regularly will up your odds of never breaking off a fish.

GLOBETROTTERS....Don't miss the party of the year! The Harlem Globetrotters, the most famous sports team on earth, will celebrate their 65th anniversary season at the Amarillo Civic Center on Tuesday, March 12 at 7:30 p.m.

Globetrotters Are Making 65th Anniversary Tour

For sixty-five unforgettable years they've traveled the planet, bringing the sport of basketball and their own inimitable comedy to fans in 110 countries from Aruba to Zanzibar. They're the Harlem Globetrotters, the most famous sports team on earth!

As part of their 65th anniversary season, the world famous Magicians of Basketball will appear on Tuesday, March 12 at the Amarillo Civic Center in Amarillo with tip-off time at 7:30 p.m.

The Harlem Globetrotters' story began in the 1920s when Abe Saperstein packed a small group of players into his Model T Ford and set out for the team's first game, in the town of Hincley, Illinois. Now, sixty-five years later, the Harlem Globetrotters are cheered all over the world—their name is synonymous with great basketball and gales of delighted laughter.

For their 65th season, the team is fielding a remarkable squad of top-ranked basketball athletes including James "Twiggy" Sanders, the reigning "Clown Prince of Basketball"; the dynamic team captain Clyde "The Glivde" Austin; the gifted new female team member, Jollette Law; and the slam-dunk king, Billy Ray

Hobley and many others.

The legend of the Harlem Globetrotters continues to grow. Across countless millions of miles and millions of smiles, the Houdinis of the Hardcourt have done more to advance the international popularity of basketball than any other team, anywhere.

Going head-to-head with the Harlem Globetrotters this anniversary year are the win-hungry Washington Generals. The Harlem Globetrotters haven't been defeated since 1971, but veteran Generals head coach, Red Klotz, says his 1991 team is the best ever, including some of the hottest shooters in basketball today. "The Generals are bent on revenge," says Coach Klotz. "The Harlem Globetrotters better be extra careful this year."

Reserved seats for the Harlem Globetrotters' 65th anniversary season's only local stop, priced \$11 and \$9.50 are available now at the Amarillo Civic Center Box Office and Music Mart. To charge tickets by phone on VISA or MasterCard call (806) 378-3096. A limited number of special, VIP seats are also available.

Frionans Make WBC Honor Roll

Three students from Friona have been named to the Dean's Honor Roll for the fall semester at Wayland Baptist University, Plainview.

The honorees are Rodney Lee Britting, senior physical education major, with a grade point average of 3.66, son of Mr. and Mrs. Lee Britting; Michael K. Griffin, senior multi-disciplinary education major, with a grade point average of 3.53, son of Mr. and Mrs. M.C. Griffin; and Brenda L. Moser, sophomore with a 3.76 grade point average for the fall semester, daughter of Mr. and Mrs. Jack Moser.

The Dean's Honor Roll is announced at the end of each semester. It lists the names of students who earned a GPA of at least 3.50 on a 4.00 scale while completing at least nine semester hours.

A total of 199 students from 11 states were named to the Dean's Honor Roll at Wayland for the fall semester.

splendid young men resulted in the death of one, J.D. Curry, and the severe injury to the arm of another, Alva (Fat) Pope, while the driver, J.B. Crow, escaped without injury. The three boys had attended the county basketball tournament at Farwell earlier. The pickup in which they were riding crashed into the rear of a dump truck near the highway intersection on the eastern edge of Clovis.

50 YEARS AGO--FEB. 21, 1941

"I had the pleasure of attending a deferred Lincoln Day Dinner that was scheduled to have happened on Wednesday of last week, but was 'dusted out' by the dirt storms that day. It was sponsored jointly by American Legion Post 206 and the Friona Chamber of Commerce. Mayor Floyd Reeve gave the welcome address, and a fine one in our estimation."--J.W. White.

45 YEARS AGO--FEB. 22, 1946

The Friona girls basketball team captured the Parmer County championship for the sixth straight year, with 22 wins out of 24 games played this year. The girls won the Dimmitt and Sudan Invitational Tournament, placing Mildred Taylor and Lila Robason on the all-tournament teams. The Squaws will enter the district tournament at Hedley this weekend.

Calvary Baptist Church will observe its formal dedication with services Sunday. Dr. Franklin Swanner, District Nine missions secretary, will deliver the 11 a.m. message, while Robert Laceywell, former Frionan, will deliver the dedication message and Rev. Bill Burton will deliver the dedicatory prayer.

20 YEARS AGO--FEB. 18, 1971

The official 1970 census figures for the City of Friona were revealed to be 3,111 this week, showing an increase of 51.4 per cent over the 1960 population of 2,048.

15 YEARS AGO--FEB. 15, 1976

The Friona School Board accepted the resignation of elementary principal J.T. Gee at its regular meeting Monday night. Gee had been associated with the Friona School system for 41 years, including 17 as elementary principal and 24 as vocational agriculture teacher.

Honored at the annual meeting of the Friona Texas Federal Credit Union were Ray Landrum and Jerry Brown, retiring members of the organization's board of directors. Landrum was presented a special plaque, for service on the board since 1964.

10 YEARS AGO--FEB. 15, 1981

The Friona area was hit by the coldest blast of the winter on Tuesday, as an Arctic cold front pushed through the area. At one

point Tuesday afternoon, winds were clocked at 30 miles per hour, and the chill factor measured 40 degrees below zero.

A total of 210 Friona voters braved the well below zero chill factor weather on Tuesday of this week to cast their ballots in the city's \$1 million water improvement bond election.

5 YEARS AGO--FEB. 23, 1986

Two members of the Friona Squaw basketball team were on the all-district team announced this week by Coach Vicki Hatton. Seniors Kerry Cain and Kelly Wied were on the ten-member team. Juniors Rhonda Ratcliff and Lacey Osborn were named "honorable mention."

Members of the junior high school's Mathcounts team qualified for the state contest in Austin. Team members are David Reed, Mark Madrid, Julia Warren, Krista Renner and David Rejino.

The Friona Squaws made a fantastic come-from-behind finish and defeated Canadian, 36-35, last Friday night. The Squaws will advance to the area round of the state playoffs.

Local Student Makes Honor Roll At SMU

Kelley Elise Cash, a first year student at Southern Methodist University in Dallas, is included on the recently released undergraduate honor roll for the fall semester.

To be listed on the SMU honor roll, students must achieve a 3.5 or higher cumulative grade point average, which places them in the top 12 per cent of all SMU undergraduates.

The fall 1990 enrollment included 5,253 undergraduates in

Dedman College, SMU's school of humanities and sciences; Meadows School of the Arts; Edwin L. Cox School of Business and the School of Engineering and Applied Science. The fall enrollment also included 1,131 professional students enrolled in the School of Law and Perkins School of Theology and 2,251 graduate students in all schools.

She is the daughter of Dr. Gary and Nedra Cash of Friona.

F. Turner Is Buried Tuesday

Funeral services for Frank O. Turner, 88, were conducted at Bovina's First Baptist Church Tuesday afternoon, with Rev. Richard Grisham, pastor, and Rev. Vergil Ichtertz, pastor of Calvary Baptist Church in Friona, officiating.

Burial was in Bovina Cemetery, under the direction of Ellis-Blackwell Funeral Home.

Turner passed away Saturday, February 16 at 4:55 p.m. at Parmer County Community Hospital.

He was born in Wastella, Texas, the youngest of 12 children of William James and Barbra Frances Turner, and married Hattie Lee Holland, June 6, 1920 in Roby. The Turners lived in Roby prior to moving to Parmer County on January 1, 1951.

His parents were pioneer residents of Nolan County. Turner was a farmer.

He was a member of First Baptist Church of Bovina.

Survivors include his wife, Hattie, of the home; two sons, Olan Turner of Friona and Jack Turner of Bovina; two daughters, Frankie Dickerson of Stamford and Wanette Barrow of Tucson, Arizona.

Eleven grandchildren, nine great-grandchildren and one great-grandchild also survive.

Pallbearers were Jim Loflin, O.H. Jones, Harry Johnson, Rouel Barron, Al Kerby and Ovid Lawlis.

Honorary pallbearers were A.L. Glasscock, Reagan Looney, Gene Ezell, Billy Sides, Arnold Hromas, Vernon Ward and Amos Steelman.

Like other fraternities, the 3.5 million Masons in the U.S. have "secrets" . . . words and symbols that bind them in the world's oldest and largest fraternal order. However, Masonry is no secret society.

Freemasons take an obligation to live up to the highest moral standards, to practice brotherly love and patriotism in the best sense. Why would they keep these secret?

Although Masons do not solicit members, men of good character may ask to become members.

Friona House Doctor-- Lawrence Thompson

Building and remodeling are very interesting work.

After spending some 18 years in the contracting business of roofing, painting and remodeling, Lawrence Thompson gives a hint for success.

(1) Cleanliness never hurt anyone, and it is part of the job.

(2) To present a guarantee means you care about your work and are concerned about a good reputation.

Word of mouth is the greatest advertising there is when you consider the quality of work being done, cleanliness during and after job completion, and some sort of guarantee.

For any work you need done in the area of remodeling or new-roofing, painting, additions, carports, patios and repairs.

Local Junior High Opens Computer Lab

Friona Junior High has recently opened a new computer lab.

The lab was funded for the Friona Schools by Chapter One funds. Fifteen computers in the lab allows the students who qualify for Chapter One programs to do a variety of learning activities.

The program of studies being used allows students to view generated reports on their work. Students are then able to correct mistakes and learning styles.

This enables them to gain the most from time spent in the computer lab. As a result, there has been a dramatic improvement in scores on lab work.

"We would welcome the public to come view the computer lab during the school's annual open house on March 5," said a spokesman for the junior high.

Prairie Acres Party Line

By CAROL DELEON

Staff and residents alike are very excited. Several articles ago, I mentioned that we had been writing to some of the troops in Saudi Arabia. Well, we have started receiving letters and postcards from some of them. It is very touching and really does make you feel like you have done something good to hear that you have touched someone's heart who really does need to know that we do care and think of them often. All the letters we have gotten say that it helps so much just to hear from people back home. So, if you have an organization or would like to on your own, I would recommend that anyone correspond with these good people.

The following donations have been made to the Love Fund:
In memory of Wadie Anthony:

Ernest and Evalyn Anthony.
In memory of Elmer Hassenpflug: Mr. and Mrs. Bill Stewart.
An unusual and very thoughtful Love Fund offering was made to these special people at the Friona School system for Valentine's Day: Mrs. McInroe, Mrs. Lane, Mrs. Gresham, Mrs. Maddox, Mrs. Jass, Mrs. Robledo, Miss Davila, Mrs. Snead, Mrs. Field, Mrs. Taylor, Mrs. Scott, Mrs. Hamilton, Mr. Shelton, Mrs. Mercer, Mrs. Clark and Mrs. Merritt: from Justin Grimsley.
Mrs. Gordon, Mrs. Bautista, Penny Harmon, Mrs. Mercer, Mr. Shelton, Mrs. Hamilton, and Mrs. Taylor: from Jena Grimsley.
Mr. Igo, Mrs. Stowers, Mrs. Johnson, Mrs. Patterson, Mr. White, Mrs. Taylor and Mrs. Mercer: from Jacy Grimsley.

Windbreak Trees Are Available From SWCD

By THOMAS REED, SCS
Someone once said, "The best time to plant a tree was 20 years ago. The next best time is now!" Well, that may not always be true because this week marks the 20th anniversary of the blizzard of 1971, which was one of the worst snowstorms to ever hit the Texas Panhandle.
Anyway, the point is the sooner you get started planting trees the sooner you can benefit from them.

1971 doesn't seem that long ago and if you had planted some trees for a windbreak or for some other purpose back then, it would really be nice today.
It doesn't take 20 years to establish a windbreak. You can do several things to grow trees healthier and faster. The Parmer County SWCD is selling seedlings which are of very high quality. The evergreens are potted and average about 12 inches tall. Deciduous trees and shrubs come bare rooted and are about 12-36 inches depending on species. All bare rooted trees are dug and packaged for shipping just before delivery. This is better than getting large trees grown in pots for a year or two before planting. Survival rates are a lot better with these one year old seedlings because root systems are in proportion to tree size.

consider are: rabbit and wind protection the first two years, fertilize only after establishment, and watching for disease and insects. Most trees used in this area are very hardy and disease resistant. With good care, a windbreak planting of seedlings can start working for you in 3-5 years.
By 2011, you will really have a show place. Come by the SCS Office in Friona to order your trees or call 247-2220 for more information. March 1 is the deadline to order trees.

Gallman Performs At H-SU

Daylen Gallman, son of Mr. and Mrs. JeDon Gallman of Friona, has received a part in Hardin-Simmons University's production of Michael Frayn's "Noises Off." "Noises Off" is a farce on theater life and deals with some of the proverbial jokes of the theater.
Gallman will portray the part of Lloyd Dallas in the production, which runs February 21-23, February 28 and March 1-2.
Gallman is a sophomore psychology major.

Club Hosts Valentine Party

The Prairie Acres Valentine party was hosted by the Friona Woman's Club on February 13. Each member brought cookies and punch.
The group enjoyed talking, eating, and seeing acquaintances from Prairie Acres.
The Valentine King and Queen for 1991 were Fred Lloyd and Ida Hadley.
Hostesses were Lillian McLellan, Geneva Williams and Eula Bradshaw.

Providing water and eliminating weed and grass competition is the key to growing trees. All trees must be watered at least the first year or two after planting for survival. Having some type of system to water trees throughout the life of the windbreak is the best situation. Weed control is very important on young trees. Several chemicals can be used around trees to control weeds. Pre-emergent herbicides are recommended. Plowing or keeping a clean tilled windbreak will cause trees to grow faster than anything. The elimination of weeds and grasses plus the loosening of the soil allows the root systems to spread faster and take in more water.
Another method gaining popularity for weed control is the use of a material called "Magic Mat," which is rolled out along the trees to block weeds from growing. This is a black porous material which allows water and air to penetrate and this keeps the ground wet longer.
These are a few ways to speed up tree growth. Other things to

Inflation and the "Rule of 72"
Inflation is not a topic that generally keeps readers' interest, but it is a subject that every investor must consider in investment planning.
Regardless of how economists define it, inflation is simply rising prices. Still, that basic definition does not bring home the real impact of inflation.
For example, in 1970, a new, four-door Oldsmobile cost \$3,666. Ten years later, the price had nearly doubled to \$6,985. By 1990, inflation had driven the price up to \$15,895.

Investment	Rate of Return (%)	Years Required to Double Investment
Long-term corporate bonds	12.5	72
S&P long-term gov't bonds	12.8	36
Johnson Growth Fund Avg.	15.6	18
Johnson Aggressive Growth Fund Average	16.9	14.4
Johnson Growth & Income Fund Average	15.6	12
Johnson Balanced Fund Avg.	14.3	10
Johnson Flexible Income Fund Average	13.3	12
Johnson International Fund Average	18.7	18
Johnson Utility Fund Avg.	13.2	18
Johnson Energy & Natural Resources Fund Avg.	12.6	24
Cost of Living (Inflation)	5.3	14

One good way to anticipate inflation in your investment plan is by using the "Rule of 72." By dividing the number 72 by the annual rate of inflation, the "Rule of 72" tells how many years it will be before inflation doubles the price of everything you buy. For example, with an average annual increase in inflation of 5 per cent, you will need to double today's income in 14.4 years to maintain the same standard of living (72 divided by 5).
To put it in even more meaningful terms, if you have \$10,000 in an account earning 5 percent, or \$500 annually, and you pay up to \$140 in federal taxes on that income (28 percent marginal bracket), your net earnings after tax are \$360 or 3.6 percent. In that case, you would not be keeping up with inflation and, thus, would be losing buying power. Don't be deceived by the dollars you earn; remember to subtract taxes and inflation.
The "Rule of 72" is also a quick way to see how long it will take an

Many professional money managers say that a good investment should double your money in five to six years. To do this, the investment must compound at a rate of 12 percent to 14 percent annually. Johnson Fund Averages, which reports on more than 2,000 mutual funds, shows that from January 1, 1980, to June 30, 1990, the following investments achieved that goal:

Give your IRA a check-up. Find out if it's working as hard as it can to provide for your retirement.

Are you sure... absolutely sure... that your present IRA is earning the best possible rate of return?
If you'd like to find out how "healthy" your present IRA program is, please stop by my office for a free, no-obligation IRA Check-Up.

And if you decide to transfer your IRA to a higher-yielding, more flexible, professionally-managed program, I'll show you the three easy steps you'll need to follow to make the change.
It's that simple.

I think the 15 minutes we'll spend together could be the most important investment you'll ever make.

Facts About The **BIBLE** *BY JOHN LEHTI*

ALTHOUGH SOLOMON'S FAME AS A WISE KING IS NOTED IN THE BIBLE, LITTLE HAS BEEN SAID OF HIS NEIGHBOR TO THE SOUTH—THE QUEEN OF SHEBA. THIS YOUNG WOMAN, RULER OF WHAT TODAY IS THE MOST SOUTHERN POINT OF SAUDI ARABIA, HAD TO BE AS EQUALLY SMART AS HER MORE FAMOUS NORTHERN COUNTERPART. THOUGH MISTRESS OF A RICH COUNTRY HERSELF (CALLED YEMEN TODAY, THE LAND WAS A CROSSROADS OF MANY IMPORTANT TRADE ROUTES TO THE EAST, THUS SHEBA DID PROFIT IMMENSELY) SHE COULDN'T HELP BUT BE IMPRESSED BY THE TALES OF SOLOMON'S TREMENDOUS WEALTH AND THE ABSOLUTE LUXURY OF HIS PALACE... SO SHE ADORNED HER STRANGE DARK BEAUTY WITH HER FINEST GARMENTS AND SET OFF TO VISIT SOLOMON IN THE NORTH.

NOW, IT SHOULD BE QUITE OBVIOUS THAT SHEBA'S VISIT WASN'T JUST TO VIEW SOLOMON'S MAGNIFICENCE—FOR THE TRIP ITSELF HAD TO TAKE THE BETTER PART OF THREE YEARS—AND SHE WENT WITH A GREAT TRAIN OF CAMELS LOADED WITH GIFTS, SPICES, PRECIOUS STONES, PEARLS, ONE HUNDRED AND TWENTY TALENTS OF GOLD (ABOUT \$185,000). THIS YOUNG QUEEN WAS "LOADED FOR BEAR" AS THE SAYING GOES—AND SHE GOT IT!

ONCE AT SOLOMON'S COURT, THE QUEEN OF SHEBA "OOHED AND AHHEED" AT EVERYTHING SHE SAW AND HEARD! SOLOMON'S HEAD HAD TO BE SWIMMING FROM ALL THE VERBOSE FLATTERY WITH WHICH SHE DELUGED HIM. AND SOLOMON, CERTAINLY A LADIES MAN BY REPUTATION, SEEMS TO HAVE SUCCUMBED TO HER SUBTLE CAMPAIGN—AT LEAST THE RECENT LATE EMPEROR OF ETHIOPIA, HAILE SELASSIE, THOUGHT SO—FOR HE TRACED HIS OWN LINEAGE BACK TO MENELIK, SUPPOSED OFFSPRING OF THE ROYAL COUPLE'S "CONFERENCES". HOWBEIT, WHEN SHEBA LEFT, SHE TOOK BACK TO HER OWN COUNTRY IMPORTANT TRADE AGREEMENTS, PROFITABLE TO HER FOR YEARS TO COME, FOR IN THE WORDS OF THE BIBLE... "AND KING SOLOMON GAVE UNTO THE QUEEN OF SHEBA ALL HER DESIRE, WHATSOEVER SHE ASKED..." SMART LITTLE LADY!

NEXT WEEK: WASTED STRENGTH!

Town Talk

Call 247-3681 With Your News Items

At least five Frionans attended the livestock show at San Antonio last weekend. Terry and Vickie Copley represented T&S Yorks, an enterprise they have been operating southeast of town for about 15 years. The "S" stands for their nephew, Shannon Cochran, who has been involved in the operation almost since its beginning.

Since Shannon graduated from high school last spring and is attending South Plains College at Levelland, Terry and Vickie weren't compelled to go to the show because he was competing, but maybe the old saying, "First, you get the habit, then the habit gets you," applies to attending livestock shows, too.

Maybe it is a case of hog breeders wanting to see how pigs they sold place in the livestock shows. The Copleys had several barrows competing in the show.

Clint Hurst's barrow placed third in the show. He exhibited a heavyweight Duroc barrow. His brother, Clay, and parents, Bob and Roxanne, also attended the show.

How many times have you heard this expression: "Build a better mousetrap and the world will beat a path to your door"?

I'm thinking the Victor trap producers have done just that. The newest innovation I have seen in mousetraps is very different from older models.

Instead of having a small metal piece to hold the bait, it has a wide plastic platform which is the color of cheese and has some holes in it.

In spite of the likeness, some real cheese is still needed for bait. The big difference is that the cheesy looking platform covers enough of the front part of the trap that one of the little critters can't reach the bait without stepping on the platform and springing the trap.

Gary and Kay Snead and sons,

Charlie and Josh, attended Homecoming festivities at Abilene Christian University, Saturday and Sunday. Gary and Kay are both ACU graduates and their daughter, Holly, is currently a sophomore there.

These four were accompanied by Amy Knowles, Friona; Christy Bennett, Denver City; and Sarah Floyd, Elkhart, Kansas. The group returned to Friona Sunday evening.

Mr. and Mrs. Delvin Bratt of Archer City, Texas, spent Tuesday night in the home of Mr. and Mrs. L.R. White. Mrs. Bratt, the former Inez Campell, is a former Friona resident.

Mr. and Mrs. Thomas Reed and children, Shayli and Sawyer, spent a long weekend visiting in the home of his parents, Mr. and Mrs. Tom Reed, who live in Groom.

They returned home Monday evening.

Mr. and Mrs. Lavern Wallace of Wellington, Kansas, spent Tuesday and Wednesday visiting in the homes of Mr. and Mrs. W.V. Elmore and Mrs. Lucille Wilson.

Wallace is a nephew of Mrs. Elmore and Mrs. Wilson.

Mr. and Mrs. Roy Powers of Dumas, Texas, visited in the home of Carrie Tatum last week. Mrs. Powers is the former Mary Tatum.

Elvin and Wilma Johnston of Kingston, Oklahoma, were visitors in the home of Roy and Carolyn Trimmell several days last week.

The Johnsons are Carolyn's parents and former Friona residents.

Mr. and Mrs. Harold Davis of Lamar, Colorado; Mr. and Mrs. Van Eddy, Syracuse, Kansas; Mr. and Mrs. Jim Cranford, Ulysses, Kansas; Mr. and Mrs. Bob Ratliff of Canyon and Mr. and Mrs. Jeff Harkey and children, Cliff, Jay

and Jana, were out-of-town guests in the home of Mr. and Mrs. Lawrence Martin last week.

Recent out-of-town visitors in the home of Oleta Houser have been Jim Hartwell of Atlanta, Georgia, and Denise Hartwell Smith and sons, Wade Lynn and Austin, of Dallas.

Jim and Denise are Oleta's nephew and niece. The out-of-towners were here for the funeral of their maternal grandmother, Mrs. M.L. Simpson of Hereford.

Funeral services for Mrs. Simpson, a pioneer resident of the Jumbo community in Castro County, were held in Hereford Tuesday.

Mr. and Mrs. Marvin Goodman and son, Phillip, of San Antonio, came up for a visit in the home of Mr. and Mrs. Andy Carr. Mrs. Goodman is the daughter of the Carrs.

Other visitors in the Carr home were Mr. and Mrs. David Goodman and son, Andrew, of Clovis. David is in the United States Air Force and is stationed at Cannon Air Force Base in Clovis.

Bob, Ben and Katy Welch were weekend visitors in the home of Nelson and Lorraine Welch. Bob, a former Friona resident, is the couple's son.

Lucille Wilson returned home early last week after spending several days visiting in the home of her brother, Gene Williams, who lives in Amarillo.

Jason Floyd, my number two grandson, is a temporary resident of 1301 Columbia. His dad, Gerald Floyd of Elkhart, Kansas, helped him move from Matador, Texas, to Friona Saturday.

Jeanne Graham and Vivian Campbell of Archer City, Texas, were Tuesday visitors in our home.

Who has lost a dog? A beautiful

well-taken-care-of mixed breed dog found his way to the country home of Roy and Carolyn Trimmell one evening last week.

He appears to be a German Shepherd cross and is mostly black. Carolyn says, "He's beautiful and we'd like to keep him, but you can get too many dogs."

Think the Trimmells already have four, so don't really need another one. If you've lost a dog of this description, call them at 295-3638. Or, if you want a dog and someone doesn't claim this one soon, call them anyway.

Joe Buchanan, a former Friona resident, was recently pictured in the Lubbock Avalanche-Journal. She had been honored for many achievements in the real estate business.

When she first came here in the early fifties, we knew her as Miss Elsie Joe Boren. She was a home economics teacher. Later she and Bill Buchanan, who is deceased, were married.

Following Bill's death, Joe and their two sons, Chief and Mike, continued to farm in the Lakeview community several years before she moved to Lubbock and became involved in the selling of real estate.

Congratulations, Joe! Come back to see us once in awhile.

Laura Ellis Valentine spent another week at Northwest Texas Hospital in Amarillo being treated for complications from her earlier surgery there.

Laura returned home to Friona late Wednesday, where she is convalescing with her parents and brother, Bill, Carol and Richard. Town Talk hopes you get to stay home this time, Laura!

AFTER 100 DAYS....Friona Primary School had a special celebration on Thursday, January 31. The school was celebrating the 100th day of the 1990-91 school year. Students are shown above as they formed a "100" in front of the school.

World Day Of Prayer Set March 1 In Friona

Friday, March 1 has been set for this year's World Day of Prayer. St. Teresa's Catholic Church will host Friona's World Day of Prayer at 7 p.m.

World Day of Prayer is an international worship event that bonds Christians of all major denominations and faiths into a simultaneous day of prayer for peace and justice. This global chain of informed prayer and prayerful action which began in the United States 104 years ago, has spread to 170 countries and regions of the world. Today its words of hope and challenge, translated into

hundreds of languages and dialects, touches untold thousands of persons of faith worldwide.

Church Women United, since its founding in 1941, has been the official sponsor of World Day of Prayer in the United States. Each year, CWU prepares and distributes the worship resources for more than 6,000 U.S. communities and churches where the event is observed.

Church Women United is the ecumenical movement that brings Protestant, Roman Catholic, Orthodox and other Christian women together into one community of prayer, advocacy and service. It represents a broad spectrum of religious traditions, race, age, economic status and ethnic background and works through a national unit, 52 state units (including those in greater Washington, D.C. and Puerto Rico) and 1,750 local units.

This year's program will be presented by Calvary Baptist Church with a special recognition for Friona's service men and women and their families. First Baptist Church will provide refreshments following the service. All are invited to attend this special World Day of Prayer service.

Primary School Has Celebration January 31

Thursday, January 31 was a day of celebration at Friona Primary School. The teachers and students spent the day celebrating "100," in honor of the 100th day of school.

The children made and wore crowns with the numeral "100" glittered on them. One hundred balloons were popped, one at a time. One hundred children were counted as were numerous other objects such as 100 pieces of candy, 100 paper chains, 100 plastic chains, 100 cubes, 100 beans, etc.

Some classes baked a cake and put 100 candles on it. They were lit and then blown out. Each child got to celebrate with a piece of "100 day cake." Other classes made giant cookies and put 100 chocolate chips in them. These cookies were baked and then eaten by the students.

One hundred black dots were placed on a white dog in some

classes. Then the theme was continued on Friday by adding one more dot to signify 101 days of school. The children then heard the story of 101 Dalmations.

To end the day, the kindergarten and pre-school children joined together in the street and had their pictures taken in the form of the numeral "100."
